Dear Mother & all,

Well I was
telling you about them calling
for any man who would like
to take out a commission
in the Imperial forces. Well I
put my name in But am
afraid that I did not pass
brigade. But if I did not I
am going to try and get
an application form so when
I go up on leave I can get
Margaret Inan and her father
to help me get the necessary
signature of a preacher and
school teacher certifying my

character and education then
try and work our interview
with some headquarters of
an Imperial force. If it does
not come off we should worry
no harm done.

Hoping you are well,

I am

Your loving son
Gordon
