

GRAPES TO RAISINS

**STARTING WITH AROUND 20 GRAPES, WASH THEM AND REMOVE THE
FROM STEMS AND DRY GENTLY**

CUT THE GRAPES IN HALF

**SET THE GRAPES OUT IN A SUNNY SPOT (LIKE THE DASHBOARD OF A
CAR) IN A COOKING SHEET WITH WAX PAPER FOR 4-5 DAYS, ROTATING
AROUND TWICE A DAY**

**IF NEEDED COVER WITH A CHEESE CLOTH OR SIMILAR MATERIAL TO KEEP
THEM CLEAN BUT STILL ALLOW AIRFLOW**

**AT THE END OF A FEW DAYS THEY SHOULD LOOK LIKE RAISINS YOU BUY
FROM THE STORE BUT A BIT BIGGER**
