

The Summerland Review

DEVOTED TO THE INTERESTS OF SUMMERLAND, PEACHLAND AND NARAMATA

Vol. 2, No. 40

SUMMERLAND, B.C., MAY 7, 1910

Whole No. 92

MONTHLY MEETING OF TOWN COUNCIL.

Free Light and Water to Hotel. Assessment Roll Passed. Water and Other By-Laws Passed.

Contract let for New Building on Flat.

A meeting of the town council was held on Monday at which important business was discussed. All the members of the council were present.

The minutes of previous meetings were approved and passed. The following business was transacted:

Mr. Arkell was appointed to the position of constable, in addition to his being teamster.

Mr. J. M. Robinson made a request that the Hotel be in future exempted from paying light and water rates. Exemption was granted on condition that it was kept up to its present state of efficiency.

Mr. Chas. S. Stevens made formal application for electric light for the new ladies' wing of the college, and also for the gymnasium now in course of erection. This application gave rise to a discussion as to the advisability of extending the present electric light plant, in consideration of the fact that so many applications for current had been received. Although nothing definite was decided upon, the consensus of opinion was to the effect that the plant should be extended to meet the growing requirements of the district.

At ten o'clock they formed a court of revision to deal with appeals which had been received for rebate of assessments. These were all satisfactorily dealt with. Several objections were made, but in the majority of cases brought forward the assessments as made by the assessor were sustained. In all there were 18 objections and in 10 of these cases the former decision was sustained while 8 were altered.

It was resolved that the roll as amended be accepted as the Assessment Roll for 1910.

The council next proceeded with ordinary business and dealt with the following communications:

From T. B. Young re contract in the upper end of Prairie Valley.

From the Summerland Development Co. re road in Trout Creek district.

From C. Bentley re road to his lot.

From Dr. Munro re road in Peach Valley. All of which were referred to the Public Roads committee.

From E. R. Simpson making application for permission to erect a boat-house on the lake shore opposite Peach Orchard. This was granted on condition that no unsightly building be erected and provided also that it be removed at any time the Council might see fit.

Letters re By-Laws were read from the Attorney General, Provincial Secretary and Billings & Cochrane.

Letters were also read from two financial firms in respect to debentures for the various loans.

A wire was read received from Dr. Doherty of the New Westminster Asylum informing the Council that Mr. Rankin, late of Summerland, had died there.

The following accounts were passed and the clerk instructed to pay same:

Drug Co.	-	-	\$28.55
Review	-	-	2.75
Supply Co.	-	-	25.00
F. D. Cooper	-	-	4.00
Development Co.	-	-	112.00
B.C. Gazette	-	-	5.00
J. L. Logie	-	-	77.54
H. E. Howis	-	-	8.75
A. Blythe	-	-	37.50
M. Joyce	-	-	37.50
T. Littlefield	-	-	37.50
T. M'Alpin (horse)	-	-	200.00
Development Co.	-	-	19.57
T. B. Young	-	-	74.75
Do.	-	-	99.00

Band	-	-	30.00
J. Ashwold (horse)	-	-	250.00
J. Hale	-	-	8.00
			\$1057.41

Plans for proposed sub-division of Mr. Fulton's lot in Peach Orchard were submitted and approved.

The new By-laws were finally considered and passed and the Reeve and Clerk were authorized to seal and sign the same.

The clerk was authorized to request Messrs. Wilson and Bloomfield, of Vancouver, to draft a Memorandum of Agreement stating the duties and obligations of a Board of Control for the Summerland Irrigation and Domestic Water and Lighting Systems.

The tender of Nelson Bros. was accepted for the erection of Warehouse, Stable and Office on the Flat on Nos. 31 and 32, Block 58. The building is to be 70 feet by 30 feet and to be erected and finished within 60 days.

This was all the business.

THE BAND.

First Appearance of the Season in the Band Stand on Saturday Evening.

This (Saturday) evening at 8:30 p.m. if the weather is favorable, which is usually the case, the band will appear in the band stand for the first time this season, and the following program will be provided for the delectation of our townspeople and their visitors:

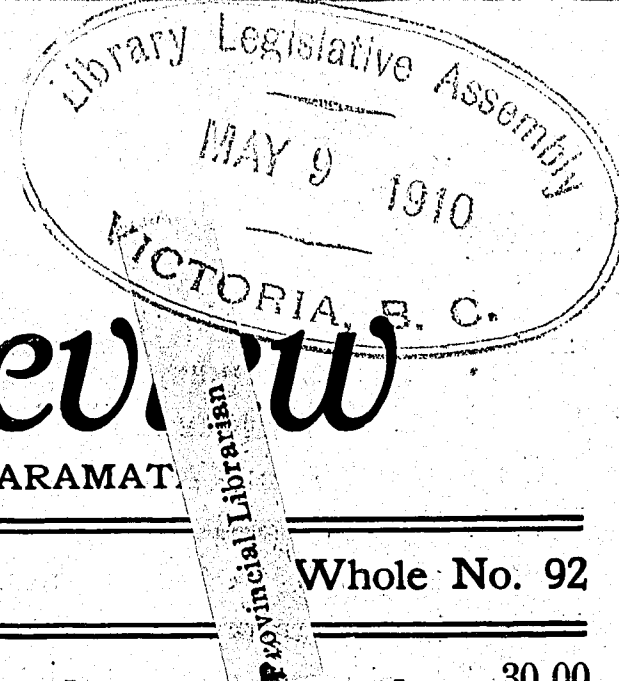

March	"Sentinel"	Hall
	Selection from Opera	
	"Bohemian Girl"	Balfe
Intermezzo	"Orchids"	Crosby
Waltz	"Sobra Las Olas"	Rosas
Serenade	"Song of Love"	Beyer
March	"J.M.R."	Pearce

(Dedicated to Summerland)

The Maple Leaf and National Anthem

During the summer season the band will play selections every Saturday evening in the band stand and every third Sunday afternoon. Also at Naramata every first Sunday afternoon.

Mr. H. C. Ackroyd and Mr. R. D. Dickie, of Vancouver, who are touring the province on a business trip, paid Summerland a flying visit on Sunday last.

ACCIDENT TO MR. W. H. TAIT.

On Saturday last Mr. W. H. Tait, of Prairie Valley, met with a very nasty accident, being badly bruised and his left leg broken in two places.

Whilst bringing a load of cord wood down a rather steep grade the first tier slipped and Mr. Tait dropped on to the tongue of the wagon. He tried to keep the team in hand, but they got a fright and bolted, kicking Mr. Tait off the tongue and under the wheels of the wagon, which passed over his left leg below the knee, the brake of the wagon bruising his head rather badly also.

Assistance was very near and he was attended to immediately, and the report now is that he is progressing as well as can be expected.

VOTING ON THE BY-LAWS.

On Friday, the 29th of April, the townspeople voted in no half hearted manner on the by-laws for the water franchises and electric light, etc. There is every reason for gratification that the vote was so large and of so emphatic a nature, and the council no doubt are well pleased that once again the public have shown their approval of the sound judgment which they bring to bear at their meetings. The voting was as follows:

By-law	For	Against	Spoilt	Total
19	129	11	1	141
20	117	13	1	141
21	129	11	1	141
22	129	11	1	141
23	125	15	1	141
24	130	10	1	141
25	130	9	2	141
26	129	10	2	141
	1028	90	10	1128

PUBLIC SCHOOLS.

Honors Roll, Division I.

Fifth Class: Ethel McIntyre, 87; Grace Logie, 80; Edith Thomson, 68.

Senior Fourth: Walter Mumm, 86; Leimer Sherk, 85; Roscoe McWilliams, 79; Jessie Mitchell, 79; Margaret Tingley, 79; Rina Thomson, 76; Robert Munro, 74; Ralph Brown, 71; Rich Estabrook, 70; Harvey Phinney, 70; Gordon Ritchie, 70.

Junior Fourth: Cleveland Stevens, 76; Kathleen Elliott, 66.

Attendance for April.

Local News Items.

The Rev. D. E. Hatt will occupy the pulpits of the Baptist Church on Sunday.

Rev. and Mrs. A. T. Robinson arrived home on Wednesday from their winter tour of prairie towns.

Halley's comet is an early riser. It is billed to be on view at the Pacific coast at 2:47½ a. m. Saturday, and 2:47 a. m. on Sunday.

Miss Fordham, of London, Eng., a cousin of the Bentleys, of Crescent Beach, arrived in town this week. She is spending the summer in Summerland.

The batching bachelors have bunked from their quarters on Shaughnessy Ave., and are now dining in the house lately occupied by Mr. T. Washington opposite the Drug store.

The warm weather is returning with all speed now, and the lake is beginning to present a lively appearance once more. Sail boats, launches, row boats and canoes are more in evidence every day.

During the past two weeks the real estate market has been very active indeed and several fairly large deals have gone through. Property to the value of \$40,000 has changed hands, and the price per acre on most all the lots listed has been steadily advancing, and several lots have been taken off altogether, the owners having no desire to sell. Summerland is healthy.

Donations to the hospital during the month of April were as follows: Mrs. Johnson, Naramata, and Mrs. Andrew, cake; Mrs. Solly, setting of eggs; Mr. Smith, broody hen; Mrs. Gartrell, Messrs. Cancellor, Deans and Cruickshanks, potatoes and vegetables; Mrs. Doherty, bottled fruit; Dr. Andrew, surgical appliances; Mr. Elliott, grapes; Mr. A. D. Adamson, \$5.00 towards children's cot.

An old adage runs to the effect that there was ne'er a fire yet but what was followed by two others. During this last week two small fires commenced which, had they not been caught in time would probably have been of a much worse nature even than the one which unfortunately occurred last week. Both of these little warnings were attributed to lighted matches being thrown down in any old place, and it behoves smokers to be very careful during this dry season, as the thoughtlessness of a moment may spell a loss of thousands of dollars to the community.

**\$1.00
At Elliott's
Will Buy**

8 cans of Peas, Corn, Beans, or Tomatoes; 5 cans of Pears, Peaches, Pineapple, Raspberries or Strawberries; 7 cans of Clams, Sardines, Herring, Kippers, Cream or Milk; 12 cans Pork and Beans, or Salmon; 10 lbs of Raisins, Prunes or Figs.

News from Peachland

Mr. Harry Logan returned Monday from Winnipeg where he has been attending Manitoba college. He will spend the summer holidays with his parents.

Mrs. R. C. Lipsett is visiting her sister, Mrs. J. B. Robinson, this week. Her Peachland friends are glad to welcome her here after her lengthy visit to the coast.

Rev. J. J. Nixon, accompanied by Mr. S. F. Callender, as lay delegate, spent a couple of days in Kelowna this week attending the Methodist district meeting.

Mr. J. Hardy of Greenwood came to town this week to take a position in Morrin-Thompson's store during the absence of Mr. J. A. Morrin who leaves on a somewhat extended trip next week.

Mr. R. J. Hogg sold his ten acre lot at Deep Creek to Mr. W. May, recently of England. The price is understood to be \$3,000. Mr. May is to be congratulated upon having one of the finest locations in the district.

Some people here are beginning to wonder where the leaves will grow on their fruit trees, they are so thick with bloom. There is certainly every indication of a big crop of all kinds of fruit, and people are feeling very cheery over the bright prospect.

Mr. C. H. McTavish arrived from Vancouver last Saturday evening to spend the summer at the home of his cousin, Mrs. C. G. Elliott. Mr. McTavish has just finished writing on his college exams, and will remain here until college opens in the fall.

Mr. M. A. Jull, poultry expert, and Mr. Hoy, horticulturalist, were here Tuesday evening to hold a poultry meeting. There seems to be very little (h)enthusiasm about henology here, with the result that very few listened to a really good talk on the subject.

Mr. J. A. Coatham left Wednesday morning for Armstrong, after cleaning up the Burgess lot. A couple of others have been notified that the government has no pets, and unless immediate steps are taken to put their lots in proper order, similar action will be taken.

UNRIVALLED IN ITS BEAUTY, its location, and the excellence of its soil, is our new fruit land proposition on the west shore of Dog Lake in the sunny southern Okanagan Valley.

Here fronting on one of the finest inland sheets of water, with a full eastern exposure, and on which the sun shines forth in all its glorious splendor, are to be found hundreds of acres without stones, without timber, without alkali. Here the most punctillious fruit grower can be satisfied in the way of orchard land. One of the great outstanding features is that all irrigation and domestic water supply will come through a pressure pipe system.

DOES SUCH A PROPOSITION APPEAL TO YOU?
If it does write us and we will only be too glad to give you all the desired information

JAMES RITCHIE - PARKDALE - SUMMERLAND

Two matches of baseball were played here last Saturday. The teams came up from Summerland; in the morning the juniors of Summerland were trimmed by our boys 13-2, and in the afternoon the Okanagan College boys swamped the locals 23-3. It has been suggested that perhaps the games might have been better had our juniors tackled the College lads and our seniors the other visitors.

On Wednesday evening Dr. Spencer held a fairly well attended meeting here in the interests of local option. The Doctor was listened to with deep interest, and that he

had the sympathy of his audience was evidenced by the fact that at the close of the meeting \$43:65 was raised for the extension of the work in B.C. The local branch was re-organized and the following officers elected: President, R. J. Hogg; vice-pres., Rev. J. Macdonald; secretary, H. E. McCall; treasurer, C. G. Elliott, and the following committee: Revs. Whyte, Nixon and McDonald, Mesdames J. B. Robinson, T. Elliott, J. W. Elliott, C. G. Elliott, Messrs. W. Garroway, A. D. Ferguson, S. F. Callender, Geo. Keyes, H. McDougall and Chas. Young.

The Summerland Review

DEATH OF MRS. G. W. McLAREN.

On Saturday last Mrs. G. W. McLaren, of Jones Flat, passed away after a very short illness. About two weeks ago she was struck down with an attack of pleuro-pneumonia, which gradually got worse, and towards Wednesday developed into an acute state. A consultation was held, and everything done for her, but it was of no avail, and she went to her rest on Saturday. The funeral took place on Friday at 2 p.m., the Rev. James Hood officiating. The following were the pall bearers: R. H. English, John Steuart, Alex. Frazer, J. M. Sutherland, J. L. Logie, Geo. Graham.

The sympathy of the whole community goes out to the bereaved husband and daughter.

POULTRY MEETING.

Southern Okanagan Poultry Association Formed. Officers Appointed.

On Friday evening last, in the Council Chamber, quite an enthusiastic poultry meeting was held, and about town this week Chickhenitis has been a common complaint. A lecture was delivered by Mr. M. A. Jull, poultry expert of the Department of Agriculture, and in his remarks he dwelt more particularly upon the general utility fowl, shewing on the screen illustrations of the various breeds of birds and the many methods used in housing of same.

After the lecture the formation of the Southern Okanagan Poultry Association was proceeded with.

The principal objects of the association will be to improve the poultry industry in every way possible; to better existing conditions; to improve the quality of the average stock; to place the industry upon a substantial working basis; to bring the poultrymen closer together, to encourage others to engage in poultry raising; to increase public interest in the industry and to make arrangements for the holding of an annual poultry show.

The fee is \$1.00 per year and about 35 members have already joined the association and more are expected to come along every meeting. The larger the association is the larger the grant which will be received from the government. The association embraces Kelowna, Peachland, Naramata, Penticton, and Summerland, and the following are the office-bearers: Hon. President, Hon. Price Ellison; President, C. N. Borton, Vice-Pres. W. Dawson (Peachland) Sec.-Treas., W. A. Wright.

Mon. Wed., and Friday 4-30 p.m.

NEEDS NO IRRIGATION.

Many fruitgrowers in Summerland and district own considerable land which is above the flume and has consequently been allowed to lie fallow, and in many cases is considered of no value. Why not try growing Russian Durum wheat.

Prof. Carleton of the U.S.A. Agricultural Dept. has experimented with this cereal for years, with the result that about thirty million bushels of this wheat is now being grown annually in the semi-arid land of North Dakota. It is a hard, drought resisting wheat which grows where the rainfall is slight and actually thrives under drought conditions, requiring fierce hot sunshine for days to mature it perfectly. The flour produced from Durum wheat is of a deep cream colour, very rich in sugar and gluten. It makes splendid bread, which is said to keep moist longer than any other kind, and yields more loaves to the sack than does ordinary flour.

EMPIRE DAY.

The Earl of Meath planned wisely and well when he issued his call for an empire day celebration which should be "the outward sign of an inner awakening of the people who constitute the British Empire to the serious duties which lie at their door," and which should have for its motto, "One king, one flag, one fleet, one empire," and for its rallying cry this: "For God, Duty and Empire."

"It is hard to learn an old dog new tricks," as that master imperialist of Birmingham, Joseph Chamberlain, can avow. Had it been easier he might to-day have been found among the gladiators of England's parliamentary arena. As it is, broken in health, he can only sit and growl, like any other stricken lion.

The Earl of Meath profits by his experience. He leaves the fossilized electors alone, looks ahead ten or fifteen years, and would save the empire of to-morrow by printing on the plastic brains of school children a vision of the vastness, power and possibilities of that empire on which the sun never sets.

This looks like a good line of action, and the earl is right in thinking that we should look to our state schools to make it effective. What are our state schools for if it be not to produce the worthy citizen; and how shall a worthy citizen be produced if he be not given power in an imperial age to think in imperial terms? Little Englishers, little Canadians, little New Zealanders or little Australians are an anachronism in a day when every pretentious commercial corporation fastens its tentacles in all lands, and lines its office

walls with detailed and accurate information concerning every important nation of the world.

The education department of little Manitoba has risen beautifully to the new occasion by issuing a tasteful Empire Day pamphlet for distribution among the school districts of the province—three to each. Two pages of forceful quotations about the British Empire that may be memorized; the bulk of the Earl of Meath's address on "Have we the grit of our forefathers?" and extracts from Bishop Weldon's address on the early training of boys in citizenship, to say nothing of two new patriotic songs, furnish an abundance of good red blooded stuff such as boys don't need to be ashamed of in the agonies of public recitation. The day before the 24th of May is set apart as Empire Day, and the doors are thrown open to all who have been playing hookey from the institution for the previous fifteen or twenty years to come back and learn a few things new and old.

Why shouldn't our own wave-washed province do something like this? We have a physical outlook far exceeding that of the little sandwich province of the plains: our mental outlook surely should not be less. We have limped a long way behind the other provinces educationally, and have been making desperate efforts of late years to catch up, but a little time spent in consolidating the empire in the hearts and lives of those who are following us should be time well spent from the standpoint of the broader, higher and truer education that regards the whole world as an oyster, or but a parish.

THE VOTERS' LIST.

The following is a summary of the finding of the Court of Revision of the Voters' List, held in Vernon on Monday, May 2.

Number on the list as revised last November, 4024. From this number 963 names were removed, 953 at the Court of Revision, and 10 at the request in writing of the voter, leaving 3061 on the old list. To this were added 127 new applications received since last November, making a total now on the list of 3188 names.

The Great Northern Hotel at Kaslo left its supports on Monday and dropped between three and four feet. Several were sleeping in it at the time but luckily escaped with nothing more than a severe shaking.

THE OPTIMIST (?)

The time's at hand when I will take my trusty spade and garden rake, and wear old clothes, and fuss around at planting doodads in the ground. I'll plant a lot of cabbage seeds, and when they grow they'll turn out weeds; I'll make a frame of wire and twine, on which may grow the carrot vine, and tinker round at building screens to shield my growing can of beans. And neighbors' hens will come and scratch the stuffing from my garden patch, and hungry cows with wooden horns will spoil my bed of barleycorns, and many dogs and one-eyed cats will ruin all my marrowfats, and snakes and skunks and goats and owls, and toads and bats and guinea-fowls will make my yard their place of rest, and knock the whole thing galley west.

And I will cuss my neighbor when he fails to chain his sorrel hen; and he will shoot my buggy horse because it ate his patch of gorse. We'll all be pulling hair and ears, and everyone will be in tears; and when the cops have run us in, the judge will murmur: What a sin, that neighbors come to such a pass, for ten cents' worth of garden sass!—Walt Mason.

MISS BALLANTYNE RESIGNS.

At the meeting of the School Board on Monday last, Miss Ballantyne of Garnett Valley School sent in her resignation, which same was accepted. The clerk was instructed to write her expressing the Board's regret and acknowledging her faithful service for the years she has been with them, the excellent work which she has done having been highly appreciated by the Board.

CHANGE OF MANAGEMENT.

Mr. Cancellor, who has had the hotel for the last twelve months, finished up this week. His genial presence there will be missed but the community will not lose him as he and Mrs. Cancellor are still going to reside in our midst.

Mr. Mark Manchester is the manager and the good name of Summerland Hotel will in no wise be diminished under the new management.

In many parts of the Dominion Sunday will be observed as "Honour Mother Day," and a letter to mother way back home is one of the good features of the idea, which will certainly spread. A white carnation is the emblem and every man is to wear one in honor of Mother.

CANNERY STILL UP IN THE AIR.

MONDAY'S MEETING NOT VERY REPRESENTATIVE. A LONG DISCUSSION BUT VERY LITTLE BUSINESS. WILL IT GO ON?

The public meeting which was called by the Board of Trade for Monday evening to discuss the proposed Cannery, was not too well attended, only about 30 people being present, and it is very evident that the people of Summerland will not build a Cannery until they lose a crop for the want of it, that is if one may judge from the remarks made during the evening.

The various members who had canvassed the community were only able to actually procure eight names on the list of shareholders, totalling \$2,300 half of which sum was promised by one man, the remainder being for the most part composed of sums to be paid in three yearly payments.

Mr. Parker, chairman, in his opening remarks made mention that in his opinion a jam factory should be considered at the same time as a cannery as one was just as necessary as the other.

Several gentlemen came forth with suggestions as to how the formation of a cannery should be proceeded with. One was to the effect that some individual should be interested to the amount of about \$5,000 and take over the management of the concern, the balance of the necessary capital, about \$20,000 being subscribed by the fruit growers of the community. Another method was to procure at least a hundred people, each to pay \$100 for three consecutive years; this would mean a yearly income of \$10,000, making a total capital of \$30,000.

As to the site of the proposed building a suggestion was made that nothing definite be fixed, but that temporary premises should be used at least for this year and if necessary next year also, that is if the plan is workable by any means whatsoever.

A committee of five were appointed to go more thoroughly into the matter. Those proposed were Messrs. Stark, White, Ritchie, Parker and Doyle who will meet and discuss the proposition. This was the only definite business done at the meeting. It dragged on in a more or less desultory manner, but there is no doubt that this committee will be able to do far more in a few minutes than was accomplished the other evening in an hour and a half.

VANCOUVER EXHIBITION.

The Vancouver Exhibition Association is preparing for the first exhibition, which will be held during the week commencing August 15, 1910. There will be prizes and premiums offered to the value of \$25,000, of which amount the Provincial Government have voted \$10,000.

Prizes and premiums will be offered for most breeds of horses, cattle, sheep, swine, poultry, and agricultural products, garden produce, butter, cheese, honey, etc., etc.

Arrangements have been made with the railway and shipment companies for special rates for exhibits, also for passenger excursion rates.

BASEBALL AT PEACHLAND.

At Peachland on Saturday last the College baseball team won out against Peachland by 21 to 3.

The game was not of much account but the College boys and maidens had a glorious picnic day, and enjoyed themselves thoroughly.

On the same day the Summerland junior baseball team met the Peachland juniors at Peachland, and the latter team won by 13 to 3. In the return match the Summerland juniors are hopeful of reversing the score.

:: Naramata Notes ::

Mrs. Johnson spent Thursday in Summerland.

Mrs. S. M. Pittman is at present visiting friends in Kaleden.

Mr. J. M. Robinson journeyed to Peachland on a business trip this week.

Mr. D. McKay made a business trip across the lake on Thursday.

Mrs. Morland of Summerland was the guest of her sister Mrs. Wellband, Wednesday.

Mr. Fred C. Manchester has accepted a position with his brother Mark, who is now manager of the Summerland hotel.

Mesdames Wolstencroft and Boothe entertained the young people last Thursday evening at the home of the latter.

Mr. W. A. Peters, architect, of Kelowna was here on Tuesday looking over the hotel construction.

Quite a number of our young friends enjoyed a drive round Summerland last Sunday, viewing the many beautiful orchards now in bloom.

At the recent meeting of the Unity Club held at the home of Mrs. Rounds a committee was formed to draft a constitution for the guidance of its growing membership.

Rev. and Mrs. Myers and child arrived from Calgary on Tuesday to spend a month or six weeks holidaying on their fruit lot here which was planted last year.

The work of plowing in the heavy acreage of rye sown last fall has just begun. The rye is probably not quite tall enough to remind one of the fields that inspired the poet's immortal song.

Capt. Languedoc has accepted a position with the Trust Co. He is to assist with the irrigation system and will have charge of the north end. It is probable that he and Mrs. Languedoc will shortly move down town.

Rooms have been reserved at the hotel for the personally conducted party of Mr. F. W. Freir, editor of the Colonizer. They are due in Summerland on Monday the 23rd inst. The party is confined to persons with capital of not less than \$2,500.

Harry Cossar, Peachland, Seriously Ill.

Although reports of Mr. Harry Cossar's condition this week, so far, have been favourable, he is still in a very dangerous condition. Dr. Huycke has been over twice to consult with our local doctors.

MI-O-NA

RELIEVES STOMACH MISERY ALMOST IMMEDIATELY

If the food you ate at your last meal did not digest, but laid for a long time like lead on your stomach, then you have indigestion and quick action should be taken.

Of course, there are many other symptoms of indigestion, such as belching up of sour food, heart-burn, dizziness, shortness of breath and foul breath, and if you have any of them, your stomach is out of order and should be corrected.

Mi-o-na tablets have cured thousands of cases of indigestion and stomach trouble. If you have any stomach distress, Mi-o-na will relieve instantly.

But Mi-o-na unlike most so-called dyspepsia remedies, does more than relieve; it permanently cures dyspepsia or any stomach trouble by putting energy and strength into the walls of the stomach, where the gastric juices are produced.

A large box of Mi-o-na tablets costs but 50 cents at the Summerland Drug Co. and are guaranteed to cure or money back. When others fail, Mi-o-na cures. It is a producer of flesh when the body is thin; it cleanses the stomach and bowels; purifies the blood and makes rich red blood.

Local News Items.

Mr. A. Richardson went up to Vernon on Monday on a business trip.

Reeve Agur made a business trip to Vernon this week leaving by Tuesday's boat.

Thos. A. Duff, general agent for Orange Lodge will visit the local society on the 13th inst.

Rev. G. J. Coulter White and family have removed to their summer quarters near to Dr. Sawyer's residence.

F. T. C. Lever who for some time past has been a member of the Review staff severed his connection with the firm on Saturday last.

E. Mountford of Paradise Flats, met with an accident on Tuesday morning. Whilst pulling stumps with a team a smash happened some way or other which resulted in a broken shoulder blade and a slight cut on the head which had to be stitched.

Mr. A. D. Adamson, cattle and sheep rancher of Wyoming, has just purchased 20 acres on Jones' Flat, north of Mr. Logie. He has cabled to Scotland for his wife and family, and just so soon as they arrive he will commence to build.

A request of motion was made at the School Board meeting on Monday last, asking the Government to provide a four roomed central school at the earliest possible moment, which same is to be built on the property owned by the district on the Flat.

Mr. and Mrs. Meugens of Kelowna were registered at the hotel during the beginning of the week. They were married at Kelowna on Saturday last, and spent a short honeymoon here where Mrs. Meugens has many friends. Mr. Meugens is accountant with Messrs. Stirling & Pitcairn of Kelowna and his wife, formerly Miss M'Killop was matron at the hospital there.

Upon the arrival of the Okanagan on Saturday last quite a large crowd gathered on the wharf to see the horses belonging to T. J. Smith. And it was well worth while—such a showing of thoroughbreds being rarely seen in this part of the province. There were four thoroughbred mares, one thoroughbred stallion, a standard two-year-old mare; the hackney, Red Hawk, and Credential the high-jumper. The kids were mostly taken up with a couple of shetland ponies, both of which are prize winners.

1-2--The late His Majesty King Edward VII.

3--Buckingham Palace where he died.

DEATH OF KING EDWARD

EMPIRE IN MOURNING

How the News was Received in Canada.

King George V.

Takes the Oath of Accession

King Edward passed away at 11-45 p.m. on May 6th. Death was caused by heart failure brought on by constant coughing from bronchitis. Since his return from Biarritz on April 27th, His Majesty had not been well but it was not until May 5th that his physicians issued the first bulletin which indicated his critical condition. He suffered greatly but bore the pain bravely, and his dying thoughts were for his people. The very last day of his life, on regaining consciousness, he said "Well it is all over, but I think I have done my duty." His last words were "I know this is the end; tell the Queen."

The funeral will take place on the 20th inst. and the interment will be at Windsor.

Kaiser Wilhelm of Germany will attend the funeral, also King Manuel of Portugal, King Alfonso of Spain, the King of Belgium, King George of Greece, and King Victor Emmanuel of Italy.

The whole of the Empire is in mourning and the sorrow of this province was voiced by all the leading public men. His Honor Lieut.-Gov. Paterson said: In the death of King Edward, this province, in common with every part of the empire, loses one of the best sovereigns any land has ever had. Every citizen of British Columbia mourns the death of Britain's greatest King and man, a sovereign who worthily carried on the great constitutional traditions of the mightiest empire in the world."

The Hon. Richard McBride, Premier, in referring to the death of the King said: "British Columbians, always loyal to the throne, will mourn in common with millions of His Majesty's subjects throughout the empire, his deplorable demise. It seems only the other day that we were rejoicing over the kindly personal interest his Majesty had manifested in our affairs in going out of his way to enquire as to the location of our fruit exhibit, paying it a visit, and subsequently expressing his much appreciated favorable opinion of that display and his good wishes for our development and prosperity. The incident, so typical of the Monarch's kindness and broad sympathies with the life and well-being of his people,

King George V.

Duke of Cornwall, Heir Apparent

brought very directly to us the feeling that we possessed (as we undoubtedly did) the friendly and sympathetic interest of our King. What more can be said of His Majesty now that he has laid aside the sceptre and is at rest, than has already been said of him by all the world: That he was the first gentleman and best beloved Monarch of his times—always patient and infinitely tactful, his relations with foreign powers were especially distinguished by the great confidence that alien nations invariably placed in his every word and act."

At Government House, Ottawa, the news came as a great shock. first from the news-office, and later a despatch arrived from Earl of Crewe, colonial secretary.

Great grief was also felt at Montreal when the announcement was made. A service of prayer for the recovery of His Majesty had been arranged to take place in the Cathedral and there was a large attendance. The Bishop offered up prayers for the dead and all the church bells were tolled.

At St. John N.B. great sorrow was expressed. All shops and places of amusement were at once closed and audiences dismissed.

All public places were closed at St. John's Nfld., bells were tolled and the Cabinet was called to arrange an official proclamation.

In France great sorrow was expressed as King Edward VII. was regarded there as the creator and preserver of the entente cordiale between France and England, and the French newspapers credit him with having prevented many wars, and some fear that his death endangers the peace of Europe.

King George V. took the oath of accession before the privy council on Saturday, and spoke with great dignity and deep feeling.

The new King is less of a diplomat than his father, a great philanthropist, and has done much to improve the condition of the submerged tenth, but it remains to be proved whether he has sufficient breadth and power to tackle the great empire problems.

Queen Mary, his wife, exercises a great influence over him, and as she is one of the cleverest, most tactful and practical of women, hers will be no small part in the future government of the country.

There will be held a memorial service at St. Stephen's Church on Friday next at 3-0 p.m., the time advertised for the burial of His Majesty the late King Edward. The band will in all probability be in attendance.

\$1.00 At Elliott's Will Buy

8 cans of Peas, Corn, Beans, or Tomatoes; 5 cans of Pears, Peaches, Pineapple, Raspberries or Strawberries; 7 cans of Clams, Sardines, Herring, Kippers, Cream or Milk; 12 cans Pork and Beans, or Salmon; 10 lbs of Raisins, Prunes or Figs.

Special Values in
TEAS, COFFEES AND COCOAS.

Boots, Shoes, Gent.'s Furnishings, Etc.

NOW is the Time to buy Land in Summerland.

There will be about \$200,000 expended in the district during the coming year. Inside of 18 months domestic water will be piped to the lots, electric trams running past, and with electric light and telephone systems land must be much higher than at present.

UNRIVALLED IN ITS BEAUTY, its location, and the excellence of its soil, is our new fruit land proposition on the west shore of Dog Lake in the sunny southern Okanagan Valley.

Here fronting on one of the finest inland sheets of water, with a full eastern exposure, and on which the sun shines forth in all its glorious splendor, are to be found hundreds of acres without stones, without timber, without alkali. Here the most punctilious fruit grower can be satisfied in the way of orchard land. One of the great outstanding features is that all irrigation and domestic water supply will come through a pressure pipe system.

DOES SUCH A PROPOSITION APPEAL TO YOU?
If it does write us and we will only be too glad to give you all the desired information

JAMES RITCHIE - PARKDALE - SUMMERLAND

A CLEAN BEACH.

Through the stickatitiveness of the recently appointed sanitary inspector, Mr. D. H. Watson, and the power with which he is vested by the Council, the foreshore is at last cleaned up and now looks more like unto the name of Summerland. It behoves all who are interested in cleanliness and sanitation to see to it that it is not allowed to become a receptacle for rubbish of every description.

If another step forward were made, and those living on town lots were to place their old cans, etc., in a bin, and a waggon collect same once a month, it would relieve

the difficulty somewhat.

Maybe ere long when the present heavy business on hand in the council is satisfactorily disposed of, they will be able to go into the matter, and no doubt find a way to solve the problem.

The Kelowna fire brigade uses a gasoline engine, and the Courier in its last issue speaks rather depreciatingly of same, remarking that, at a recent fire, when once started it ran freely enough and pumped a good stream of water, but the vibration was so intense that parts flew in all directions, and great difficulty was experienced in trying to keep the thing together.

COLLEGE CLOSING.

Okanagan College will complete this year's work on Wednesday, May 25. On the 22nd, the Sunday before the closing, a preacher from a distance will fill the pulpit of the Baptist Church. The College authorities have been fortunate enough to secure for that day the services of one of the ablest platform speakers in the Dominion, and that means among the best on the continent.

The Rev. E. M. Keirstead, D.D., professor of systematic theology in McMaster University, Toronto, will be the preacher. For over twenty years Dr. Keirstead was professor of English literature at Acadia University, but for the past five years he has been at McMaster. Dr. Keirstead has won a well deserved reputation for platform work; thought, style and delivery all combine to produce a powerful effect. He preaches the Gospel and preaches it with telling power.

On Tuesday evening, May 24th, arrangements have been made for a concert to be given in aid of the gymnasium building fund. A good programme will be provided and an enjoyable evening may be expected.

On the evening of May 25th the formal closing exercises of the College will be held. On that occasion Dr. Keirstead will again address the people, and a strong presentation of some appropriate theme, yet to be announced, may be looked for.

Detailed announcements regarding all exercises will be given later.

The Okanagan District convention of the W.C.T.U. will be held in Armstrong, June 1 to 3.

There will be a memorial service in the Methodist Church on Sunday evening at 7. Rev. Jas. Hood will occupy the pulpit and special music given by the choir.

ST. STEPHEN'S CHURCH (Anglican) May 15,
Whitsunday.

Matins 11:0 a.m.
Evensong, 7:30 p.m.

Mr. S. M. Young of Prairie Valley gathered his first ripe strawberries on Thursday — not bad for the 12th of May.

Mr. H. C. Mellor left on Thursday morning to attend the Methodist Conference at Nelson, B.C.

Dr. Spencer, superintendent of Local Option in B.C. will occupy the Baptist pulpits on Sunday.

Hospital Ladies' Auxiliary will meet in the Council Chamber on Tuesday at 3-0.

Local News Items.

Rev. R. J. McIntyre is in Nelson, B.C., attending the annual provincial Methodist Conference.

Mr. Morris, who has been a guest with Mr. and Mrs. May for a few weeks past, left on Monday morning for the coast.

Mr. J. D. Johnson, his son Gerald, and Mr. A. Fenwick left on Tuesday morning for Calgary. Mr. Johnson is going on a short trip, but Mr. Fenwick and Gerald intend to stay there during the summer months.

Mr. C. N. Borton received quite a shock the other day—it was Monday—when he saw one of his chickens with four legs. He rubbed his eyes hard, but there it was, he couldn't get away from it. Whether the bird will live to a ripe old age and be the advance agent of a new tribe of quadrupeds remains to be seen, but it is still alive and looking healthy.

Mr. Wallace Law, Grand Master of the I.O.O.F. of B.C. has presented a lovely cup to the lodges in Southern Okanagan for competition in Degree Work. Kelowna, Penticton and Summerland are the lodges mentioned on the cup, and the local lodge will no doubt strive their hardest to retain the trophy, to be added to the many such now in the community.

Mr. Mallory, who has been in town for a week or two, has very interesting reminiscences of this country forty-one years ago. He was one of the twelve who made up Frank Cunningham's prospecting party and they came down the Okanagan Lake on a raft with two tons of provisions on board. They had a blanket for a sail, and arrived at Penticton in two and a half days. T. Ellis had located there about twelve months previously—that is in 1868.

The committee working on the cannery question are very optimistic, and feel confident that if the people of Summerland will help along when the opportunity comes that a plant will be working here in August. The scheme is to form some kind of amalgamation of all the canneries on the lake, whereby there will be a great saving in operating the plants, and a uniform price maintained for Okanagan canned products. This is a very desirable method and it will be up to the fruitgrowers of the district to help out by taking a part of the stock in this absolutely necessary plant. By next issue it is hoped to have fuller and more definite information.

EXIT EDWARD VII.

"The King is dead, long live the King!" So they were wont to cry in fickle France in other days, and so they have felt in Britain and her dependencies since our last issue. "Death with equal fort knocks at the peasant's hut and the palaces of Kings," as Horace long ago observed, and the monarch of the mightiest empire that has been has heard his silent footfall and slipped quietly away at the beckoning of that unseen, skeleton finger.

Edwardus VII reigned nearly ten years, but for several decades before that he was well known in the public life of Britain. No man ever attended a greater number of formal openings and corner stone layings, and no prince ever served such a long and arduous apprenticeship in royal statecraft as did the late Albert Edward, Prince of Wales.

All this fitted him well to succeed his illustrious Queen mother, whose political and diplomatic knowledge is said to have been greater than that of any man about her council board.

By reason of his long and severe training in public life there was but little jar when the sceptre fell from the tired hand of Victoria. Edward knew the temper of the English people more thoroughly than did any other King who ever sat upon the throne of England. He had mingled so long and so freely with them that they felt that in crowning him they were in very truth crowning one of themselves. Democracy felt itself live even in the guise of Kingship. By birth, by training, by diplomatic skill, by courtesy, by his Kingly manners he seemed to be fitted peculiarly well to play the part of the first gentleman of England.

The public estimate has been proven correct. Edward has reigned well. Even his enemies must concede that. In his foreign relations he has been no figurehead. While carefully avoiding the bizarre duties that have made his German kinsman the talk, and at times the laughing stock of the world, he has made himself felt in European affairs, but always in the direction of world peace and universal betterment.

At home he has been even greater. He has more than realized the best hopes of his people. His court has been kept free from scandal and intrigue. He has not sought to abuse the powers inhering in his office as so many of his predecessors have done, but has ruled constitutionally at all times. Even the severe strain of the recent elections, threatening as they did, mediately if not immediately, the very citadel of monarchy, could not swing him from that true path of governance which recognises that the voice of the people is in the last analysis the voice of God.

If we mistake not history will approve his tact and moderation in keeping his hands off in the late struggle more than they will any other act of his reign. No ordinary man in his office could have resisted the temptation to meddle, and not he had he not had the long and democratic training involved in his service as the special plenipotentiary of his mother. That taught him the real spirit of twentieth century democracy.

We cannot but look with concern in the future. His son is no child, but neither is he the man his father was. Clouds foreign and domestic appear to be thickening on the horizon every day. The greatest wisdom seems none too great for those in high places. Will Edward's son have enough for the occasion? Who can tell?

We can only hope that the sobering influences of great responsibility and the growing power of the House of Commons may together prove sufficient for the troubled days undoubtedly coming; and so we say, "the King is dead: long live the King!"

A new highway regulation act is now in force, and the Provincial Department of Public Works orders that waggons and four wheeled vehicles shall not carry a load in excess of the following: On tires under three inches in width, 2000 lbs. On tires three inches in width and under four, 3000 lbs. On four inch tires and under five inch, 6000 lbs. On five inch tires and over, 6000 lbs. and over.

FOOTBALL.

On Saturday last on the athletic grounds at the point a few supporters of football gathered to witness a game between Kelowna and Summerland. The game throughout was fairly good, especially so when one considers that both teams were out of practice.

Kelowna won by three goals to two. They played 45 minutes each way, which was quite long enough on such a hot day. The heat, however, did not seem to impair the energy of the players, as is evidenced by the fact that two of them collided with such force that Willis, of Kelowna, received a nasty cut over the eye. The following are the teams:

Kelowna—Goal, Jos. Finch; backs, Hudson and Willis; half backs, Pettman, Bailey and Lee; forwards, Mills, Scholl, Davies, Lloyd, Edwards.

Summerland—Goal, Baker; backs, Manuel and C. McWilliams; half backs, Williams, McDougald and Marshall; forwards, F. McWilliams, Hayward, Moulding, Adams, Forbes.

BAND OPENS THE SEASON.

On Saturday evening the band gave its initial performance for the season 1910 in the band stand. They commenced promptly at the advertised time, and carried their programme through with precision and credit. A fairly large throng of people listened with appreciation to the many and varied selections. Throughout the summer their performances will be looked forward to with pleasure.

The following programme will be rendered on Saturday evening, May 14, from 8:30 to 9:30:

Dead March in Saul	Handel
March, Memories	A. C. Pearce
Grand Selection, Scotch Airs	Godfrey
Waltzes, Fedora	Bucalossi
Intermezzo, Beauty Bright	Hosfield
Serenade, Smiling Stars	Beyer
March, Randolph	Hall
The Maple Leaf and King.	

The band will not play next Sunday, owing to the death of H. M. King Edward, but the following Sunday.

A. C. Pearce,	D. H. Watson,
Bandmaster.	Manager.

The heart of the fruitgrower was rejoiced on Monday night by the glorious rain. Twelve hours at a stretch was not bad, and, being the first decent rain since winter, it was much appreciated by all.

FERRY—OKANAGAN LAKE, AT KELOWNA.

IN ACCORDANCE with chapter 78, R.S.B.C. 1897 "Ferries Act," the Government of British Columbia invite applications for a charter for a ferry to ply between Kelowna and a point on the opposite side of Okanagan Lake known as "McLennan's Landing," a distance of one mile and a quarter.

Applications will be received up to and including Tuesday, 31st May, 1910.

The charter will cover a period expiring on the 31st March, 1912.

The ferry shall make two trips each way every day, weather permitting.

The time of departure from and arrival at Kelowna shall be arranged so that connection can be made with the Canadian Pacific Railway Company's Steamship "Aberdeen."

Applications shall give a description of the vessel or vessels it is proposed to use, which must conform in all respects to the requirements of "The Steamboat Inspection Act," chapter 46, 1898, and amending Act, Parliament of Canada.

Applications shall state the tolls it is proposed to ask for—

- Each adult passenger.
- „ child (not in arms) under 13 years.
- „ head of cattle, horse, mule, or donkey, etc.
- „ calf, sheep, goat, or swine, etc.
- „ vehicle with one horse and driver.
- „ cart or waggon with one horse and driver, loaded.
- „ vehicle with two horses and driver unloaded
- „ vehicle with two horses and driver, loaded.
- „ parcel of 25 pounds and under,
- Freight, per 100 pounds and under, non perishable goods.
- Freight, per 100 pounds and under, perishable goods.

To the successful applicant the Government of British Columbia will pay at the expiration of every three months of satisfactory service the sum of two hundred and fifty dollars (\$250).

The Government of British Columbia is not necessarily bound to accept any application submitted.

TO HAIR DRESSERS

A Splendid Hair Tonic that Makes Beautiful Hair.

Every hair dresser should know about Parisian Sage, the quick acting hair dressing, that does just what this tells you it will do.

Parisian Sage is a most delightful and different hair dressing, a fact that will be recognised the moment it is applied to the scalp. There is not a particle of stickiness in it; it is not greasy; it has a delicate and refined odor, and is a truly invigorating tonic that will make hair grow, if the hair root still shows the least sign of life.

Try a bottle of Parisian Sage. It will brighten up the hair in two days.

Parisian Sage is guaranteed by the Summerland Drug Co. to cure dandruff, stop falling hair, and scalp itch in two weeks, or money back. It is particularly in demand by women of refinement, who desire soft, luxuriant hair, that compels admiration. Price 50 cents a large bottle by The Summerland Drug Co., or direct, all charges prepaid, from the Canadian makers, the Giroux Mfg. Co., Fort Erie, Ont.

When you have read the Review mail it to your friends and help to advertise Summerland.

**SUMMERLAND
DRUG COMPANY.**

**FRUITGROWERS' ASSOCIATION
RE-ORGANIZED.**

The re-organization of the Provincial Fruit Growers' Association during the conference of representative fruit growers recently held at Kamloops, will result in benefit to the fruit growers of the province. It is essential to the success of the industry that there should be some common ground on which fruit growers can meet each other and work out the great problems involved in producing a uniformly high grade of fruit, properly packed, and distributed by efficient transportation facilities to the best markets. This association is intended to bring fruit growers together on such a common basis, for mutual aid and assistance along the lines involved in better marketing of our fruit. It is thus really an educational force, but is to be valuable also in securing supplies at lowest prices (send for price list to Secretary) and in bringing the greatest force to bear in transportation problems.

The work of the Association for the present season will be along the following lines:

1. A price list of supplies will be sent to members. This can be used to secure good supplies at the lowest prices.

2. A list of wholesale and retail distributors of our fruit is being prepared for distribution in the next few weeks.

3. Crop reports of the province and of our competitors, especially Oregon, Washington and Ontario, will be distributed monthly, or oftener, if deemed advisable. The Association is issuing a list of shippers and shipping associations of the province for distribution among the wholesalers. If you are not included, kindly write, stating amount of fruit available.

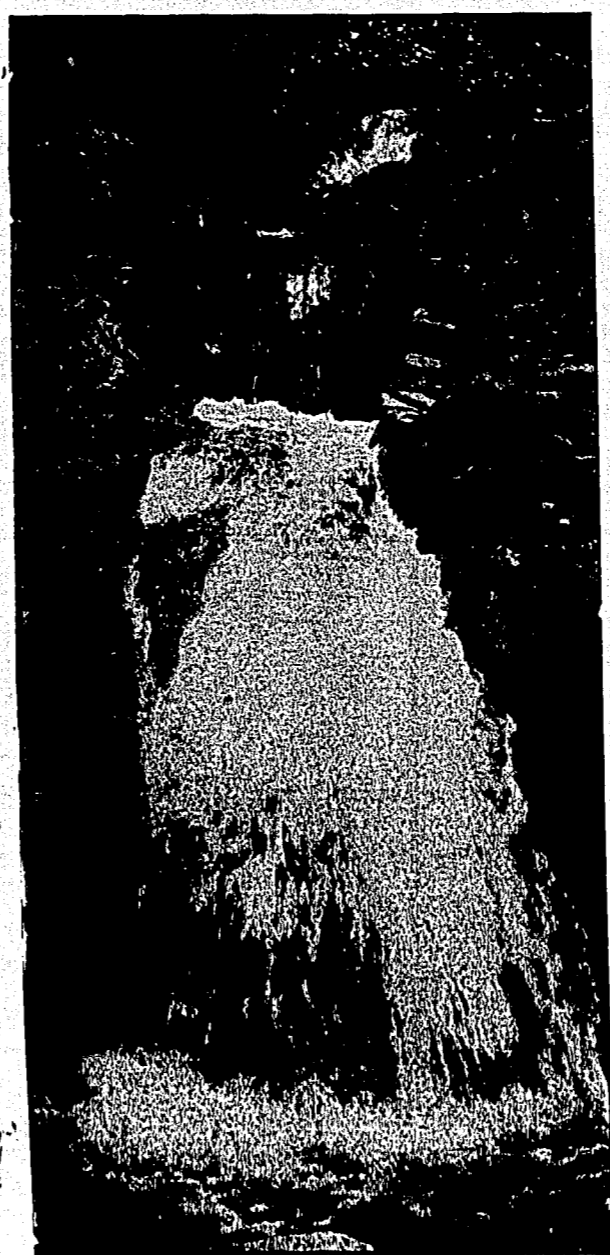

4. The Board of Horticulture has kindly consented to give the Association the use of the weekly reports of Market Commissioner J. C. Metcalfe, and these will be sent by wire or letter to affiliated associations and individual members.

5. A monthly crop and market report of the world's fruit will be published.

6. Any fruit growers' associations in the province may affiliate on payment of a small fee, and thus secure the benefits mentioned above. If your district has no local association, and needs one, the Officer of the Association will be glad to help you start one on the best basis for success.

7. An annual conference will be held next year at Victoria, to which all members are welcome. This conference will be of great value to all fruit growers.

J. M. ROBINSON, Manager,

NARAMATA, B.C.

Or better yet, call and see us.

Anyone interested in fruit growing can secure the above advantages by sending one dollar, the annual fee, to the secretary.

Because of the purpose and aim of this Association, it is the privilege and duty of every fruit grower to associate himself with it, and do his part in making it a success. The advantages of membership outweigh immensely the cost of same. Every fruit grower should use his influence to make the Association a valuable one.

R. M. Palmer, Kamloops, is president, and R. M. Winslow, Department of Agriculture, Victoria, is secretary-treasurer.

RIFLE ASSOCIATION.

The first shoot of the season over the long ranges took place on Saturday last. There was a fair attendance of members, but a tricky, gusty wind was responsible for low scoring.

NOTE ADDRESS:

M. J. HENRY, 3010, Westminster Rd. Vancouver.

:: Naramata Notes ::

Mrs. J. M. Robinson and family are expected home about the end of the month.

Mr. and Mrs. H. J. Wells and daughters have moved into their spacious bungalow at the south of the town.

Mr. C. W. Johnson had his shoulder dislocated as a result of being thrown from his gig on Wednesday afternoon.

The planting of the large shipments of trees this year has been made much more difficult on account of the scarcity of labor and the high wages demanded.

The expert gardener, Mr. Chas. E. Stiff, is making good headway with the hotel grounds. The work of transplanting the many beautiful flowering plants in course of development at the greenhouse will shortly begin.

Ho! for Naramata. June 23, July 28, September 5. Have you seen the posters gotten up by the Athletic Club, announcing their regatta dates? That's going some for sure. Put the dates in your hat: June 23, July 28, and Labor Day, Sept. 5.

Mr. Carroll Aikens at the close of a heavy season's planting, banquetted his able staff of workmen last Saturday evening. In this pleasant event he had the hearty co-operation of Mr. and Mrs. T. Munroe, who are living on the ranch this season. Mr. Aikens' next big work is to erect a large summer cottage on the lake shore at the Point. The cement floor is already laid, the wood work is well in hand, and the plastering will be completed by H. Harlow, of Penticton.

Raul Pereira, Portugese court violinist, is expected to be in Summerland on the first of June, assisted by Lucile Palmer, soprano, and Charles Herbert Harper, pianist. Pereira is spoken very highly of at the coast, where he has been giving chamber concerts. "A violinist who has no equal as a public player on the Pacific coast or in Canada," is the general verdict.

FOR SALE—Roses, Moss, Ramblers and others; Lilacs, Virginia Creepers, Chrysanthemums, Lily of the Valley, Dahlias, Gladiolus, Paconies, Clematis, Flowering Almonds, Ferns, Gooseberries, Celery Plants. McLaren's Greenhouses.

WANTED—4 good teams for two weeks to work on Fruit Lots. John Niblock, Naramata.

DRUMMOND RECITAL AT PARKDALE.

On Friday evening last, under the auspices of the college gymnasium, the Rev. D. E. Hatt gave a Drummond recital in the Parkdale Church. About 200 were present.

Dr. Sawyer occupied the chair and after a few brief remarks, introduced Mr. Hatt, who immediately had the attention of the audience, and retained it throughout the whole evening, by his many clever renderings of the habitant stories by Dr. Drummond. Encores were called for again and again, but owing to the lengthy and connected programme, it was impossible to comply.

At intervals, music was rendered by the college quartette, and a solo by Mr. N. Carter. The proceeds amounted to \$50 which will be devoted to the college gym.

CORRESPONDENCE.

We do not hold ourselves responsible for opinions expressed by correspondents.—ED.

May 7, 1910.

The Editor, Summerland Review.

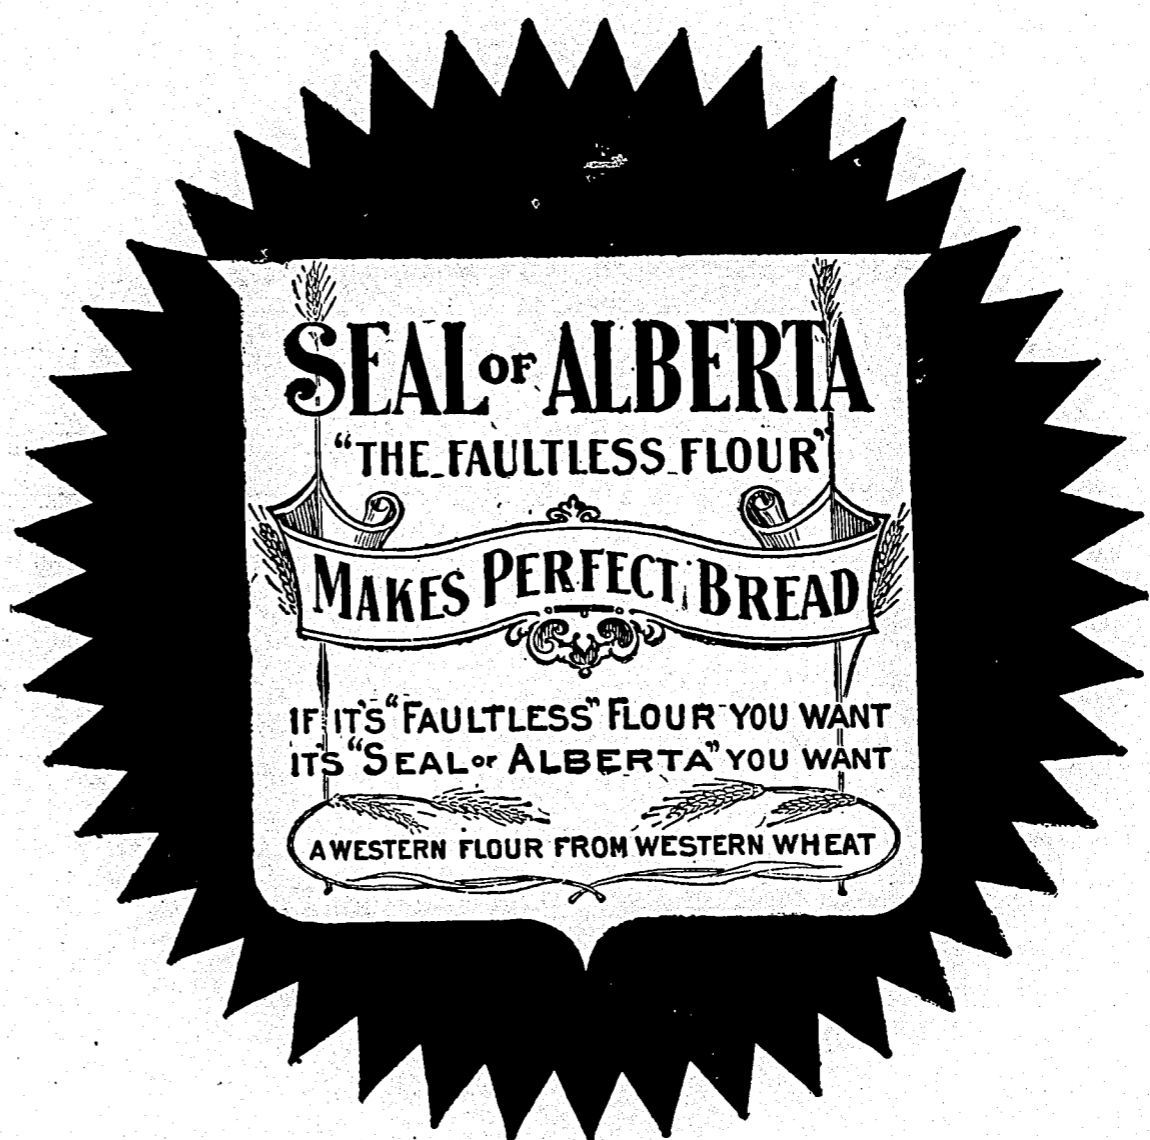

Dear Sir:—In the Old Country the citizens of this great Dominion are very rightly regarded as being second to none in their loyalty to the Crown and their devotion to the Empire. This being universally conceded, a mere visitor to your charming municipality can only marvel at the unique way in which many of the inhabitants of Summerland display their prevalent emotions.

On Friday night last I read that some of our fellow townsmen availed themselves of an hour with Drummond, doubtless obtaining the shrieks of laughter which the advertisements promised them. On Saturday afternoon there was, I believe, a well attended football match played in the locality, while on Saturday evening merry sounds proceeding apparently from the town bandstand testified to the light-hearted gaiety of the citizens of Summerland. On Friday afternoon affixed to the window of the town post office I read this message: "H. M. King Edward VII. is reported to have died at 11:15 to-day." I do not think that the townsmen of Summerland can be accused of "wearing their hearts upon their sleeves."

Your's, etc.,

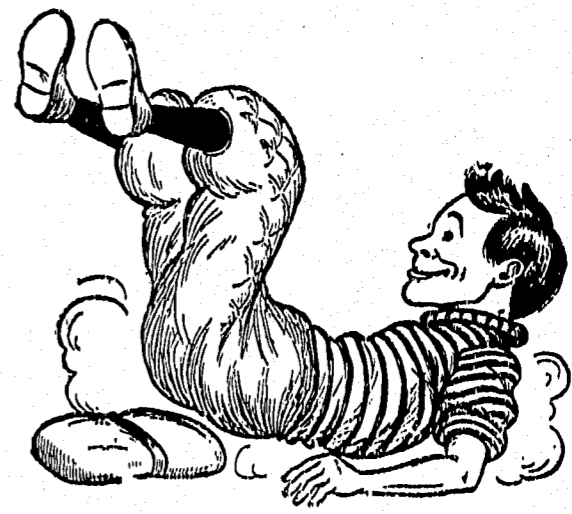

A Visitor from the Old Country.

Mr. and Mrs. F. Lever and family left for Vernon on Tuesday morning, Mr. Lever having accepted a position on the staff of the Weekly Okanagan there.

Acting under instructions from Mr. A. G. Robertson, Naramata, his entire stock of indoor and outdoor effects will be sold by auction on

Wednesday, May 18th,

At 1-30 p.m. at Naramata.

Ferry leaves Summerland at 1 p.m., returning at 5.0.

HOUSEHOLD FURNITURE INCLUDES

Cook stove, nearly new, No. 9 four hole; cooking utensils; kitchen table and chairs; sideboard, five piece parlour suite in solid walnut; dining table and chairs, washstand, dresser, two iron bedsteads, springs and mattresses, cabinet writing desk, nearly new Singer's sewing machine, combined 94 piece dinner and tea set, sealers, etc. Another lot of furniture may possibly be included by permission.

OUTSIDE EFFECTS INCLUDE

Carpenter's sash morticing machine, two 20inc. jack screws, shovels, hoes, and other tools too numerous to mention. Also in one lot, dwelling house 14 x 20, with kitchen 12 x 20, workshop 12 x 16, chicken house 8 x 10, with lot 30 x 100, all ready for occupancy.

TERMS:

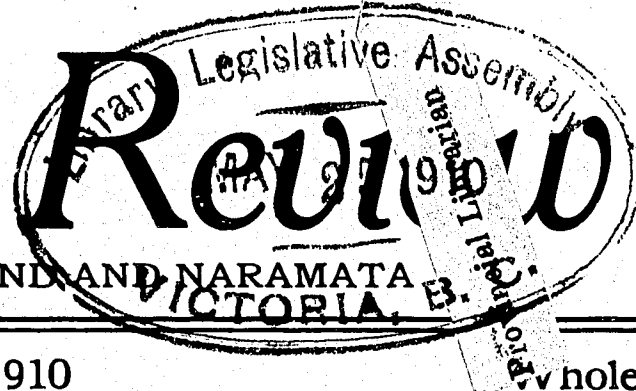

On house and lot, one-third cash balance one and two years at 6 per cent, or 5 per cent. discount for cash. Other effects cash.

SUMMERLAND, B.C., MAY 21, 1910

Whole No. 94

VISIT OF WELL-KNOWN JOURNALIST.

Mrs. Clare Fitz-Gibbon, hon. president of the Canadian Women's Press Club, and at present residing in Victoria, was a guest at the hotel for a day or two during the past week.

Mrs. Fitz-Gibbon is known in the east as "Lally Bernard" of the Toronto Globe, and acted as coronation correspondent for that paper in 1902, and was for some years later London correspondent for three of the leading Canadian newspapers. She is now engaged in studying the conditions of life in this great province with a view to contributing articles to the British newspapers and periodicals.

In the course of an interview with our representative, Mrs. Fitz-Gibbon, who by the way is a niece of Baroness MacDonald Earncliffe, stated that she had come out to Victoria some three years ago with the intention of staying only a few months but has remained in this province ever since.

Having lectured in the Old Country far and wide about Canada, under the auspices of the Victoria League and also of the Ladies Tariff Reform League, she found that invariably the greatest interest (especially by people representing the moneyed classes) was shewn in B. C. and after her lectures were over she had many enquiries. This led to her determination to visit the western province, and she has not been disappointed, and while being one of the most optimistic of the fair daughters of Canada, she gives the laurel wreath to British Columbia.

About Summerland she is most enthusiastic, and spoke about its great future. During the interview many and varied were the phases touched upon: Chinese immigration, the picking, packing and marketing of fruit, etc., with which she was fully conversant, and had many delightful and varied ideas, being full of originality and schemes for the development of the country. Could we get more and more of her calibre to come in our midst on a visit, or better still to stay with us, Summerland would enjoy even a better position, were it possible, amongst the growing towns in our glorious western province.

Sir Wilfrid Laurier has definitely decided to visit B.C. early in July for a period of two months.

DAY OF MOURNING.

ALL BUSINESS SUSPENDED.

SERVICE IN ST. STEPHEN'S CHURCH.

The following proclamation was posted round the town during the week:

[L.S.] THOS. W. PATERSON.

Lieutenant Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern:

—GREETING.

A PROCLAMATION.

W. J. BOWSER } WHEREAS Friday, the
Attorney General } twentieth day of May
has been fixed for the obsequies of His late Majesty, KING EDWARD THE SEVENTH:

And whereas the said day has, by His Excellency the Governor-General, been proclaimed as a day of mourning, to be observed by all persons throughout the Dominion of Canada:

And whereas it is considered advisable to appoint by Proclamation the said twentieth day of May as a Public Holiday:

Now, therefore, We have thought fit, by and with the advice of Our Executive Council, to appoint the twentieth day of May instant to be a Public Holiday, to be observed as a general day of mourning within Our Province of British Columbia.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made patent, and the Great Seal of Our said Province to be hereunto affixed:

WITNESS, His Honour THOMAS WILSON PATERSON, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this thirteenth day of May, in the year of our Lord one thousand nine hundred and ten, and in the first year of Our Reign.

By Command,

HENRY ESSON YOUNG,

Provincial Secretary.

GOD SAVE THE KING.

MUNICIPALITY OF SUMMERLAND

We desire that all loyal citizens observe the above proclamation.

R. H. AGUR, Reeve.

J. L. LOGIE, Clerk.

Summerland with other parts of the Dominion complied therewith, and flags were at half mast throughout the Municipality.

At St. Stephen's Church there was a celebration of Holy Communion at 7:30 a.m. At 3 in the afternoon a funeral service was held. The band was in attendance and played the Dead March at the close. The church was well filled and the ordinary service for the burial of the dead was held. The Rector, Rev. H. A. Solly, took for his text II. Timothy, IV.: 7, and delivered a splendid funeral sermon. Suitable music was rendered by the choir, Mr. Powell Jones officiating at the organ.

A SAD OCCURENCE.

On Monday last, Joseph Edgar Cairns passed away after a very short illness.

Mr. Cairns was a native of Dumfries, Scotland, where his father, sister and brother still reside. He arrived in Summerland on Thursday the 5th inst. and commenced work with Mr. T. Garnett the following day. He had a slight cold, contracted on the journey, which gradually got worse, and on Friday the doctor was called in and ordered his instant removal to the hospital. Everything was done for him, but of no avail, and he died on Monday morning at 3-30 from Pleuro Pneumonia.

The funeral took place on Tuesday morning, the Rev. Jas. Hood officiating. The following were the pall-bearers: T. Garnett, Ed. Garnett, H. Sutherland, H. Hole, J. Pollock and Jno. Tait. Many wreaths from ladies in the community were placed on the grave.

Great sympathy by all is extended to his bereaved parent away back in the Old Country.

The Forestry Department at Ottawa has just issued a bulletin, showing as nearly as possible the amount of lumber, etc., worked during the year in the Dominion. The total value, which includes lumber, lath, pulpwood, shingles, etc., is \$67,425,044.

COLLEGE CLOSING.

In connection with the closing services of the College Dr. Keirstead will preach in the Parkdale Baptist Church at 11 a.m., and in the evening he will preach in the Men's Club at 7 o'clock. There will be no session of the Sunday School in Elliott's Hall on Sunday morning, so that all may attend the service at Parkdale, and the meeting of the B.Y.P.U. in the evening has also been withdrawn.

On Tuesday evening the college students celebrate Victoria Day by the opening of their new gymnasium at the foot of college hill. The boys have worked very hard indeed for this addition to their institution and the opening on the 24th is a good crowning to their efforts. A splendid programme has been provided which includes well-known local artistes. Tickets are selling rapidly, and judging from the fare provided a full house is ensured.

On Wednesday evening the closing exercises of the College will be held in the new gymnasium at 8 o'clock when Dr. Keirstead will deliver the address.

RIFLE ASSOCIATION.

The boisterous weather about mid-day on Saturday was responsible for a diminished attendance on the range. The average scoring was well maintained by those who were there, however.

	200	500	600	Total
W. Nelson	30	33	25	88
M. Steuart	26	27	32	85
B. Steuart	32	22	28	82
A. E. Nelson	29	28	25	82
J. Dunsdon	29	29	24	82
H. Dunsdon	30	28	22	80

BAND PROGRAMME.

The following programme will be rendered on Saturday evening, May 21, commencing at 8:30:

Dead March in Saul	Handel
March, Memories	A. C. Pearce
Waltzes, Fedora	Bucalossi
March, Randolph	Hall
March, Father of Victory	Carl Albert
Grand Selection, Scotch Airs	Godfrey
(By special request)	
Intermezzo, Beauty Bright	Hosfield
Valse, Danube Waves	Ivonovici
Serenade, Smiling Stars	Mackey
March, Limit	H. Moon
The Maple Leaf and King.	
A. C. Pearce,	D. H. Watson,
Bandmaster.	Manager.

Local News Items.

Mr. Wilkinson, who has been a visitor at Mr. W. H. Tait's, Prairie Valley, for a little while, left on Monday's boat.

Jack Robinson arrived home for his summer vacation on Monday evening, from Toronto, where he has been in attendance at the Osgoode Law School.

The annual general meeting in connection with the hospital will be held in the council chamber on Monday afternoon at 4 o'clock. It is fully expected that there will be a good attendance.

Mr. J. C. Metcalfe has again been sent by the provincial government to the north-west provinces to enquire into the problem of fruit markets and transportation. Reports as to conditions etc. will be issued by him from time to time which will be published in this paper as they arrive.

At Trout Creek, beavers have been working away for some considerable length of time, but have never been seen. One evidently got tired of living a secluded life so struck out for himself, and swam up the lake in fine style on Tuesday morning, passing Teddy Taylor's tent at the foot of Peach Orchard at about 7-30.

The barber's ba-ba is the latest institution in town. Jack is great on pets, and his newest is a week-old lamb from W. Armstrong at Shingle Creek. "Dink" as his pals call him is surely going to be as big a pet as Bill, the pug. A youngster on being told that the lamb was a wee pug dog asked "how long will it be before it's tail curls?"

On Monday afternoon, Bert M'Lellan was driving a sorrel team belonging to Mr. English down the Gulch road. Near to Mr. Hespeler's gate one of the horses became restive, and in kicking, its leg got over the tongue, the other horse then started and they got beyond Bert's control. Coming to a rut in the road, the wagon jolted him off his seat, and the horses careered on, the hind wheels striking a tree and parting company with the rest of the wagon which the horses galloped with till the pole stuck in a bank. They broke the harness and cleared themselves, one going in the direction of Trout Creek, the other up the town. Bert received a severe shaking and was stunned for a little while, but does not seem to have suffered any ill effects from his nasty fall.

TO HAIR DRESSERS

A Splendid Hair Tonic that Makes Beautiful Hair.

Every hair dresser should know about Parisian Sage, the quick acting hair dressing, that does just what this tells you it will do.

Parisian Sage is a most delightful and different hair dressing, a fact that will be recognised the moment it is applied to the scalp. There is not a particle of stickiness in it; it is not greasy; it has a delicate and refined odor, and is a truly invigorating tonic that will make hair grow, if the hair root still shows the least sign of life.

Try a bottle of Parisian Sage. It will brighten up the hair in two days.

Parisian Sage is guaranteed by the Summerland Drug Co. to cure dandruff, stop falling hair, and scalp itch in two weeks, or money back. It is particularly in demand by women of refinement, who desire soft, luxuriant hair, that compels admiration. Price 50 cents a large bottle by The Summerland Drug Co., or direct, all charges prepaid, from the Canadian makers, the Giroux Mfg. Co., Fort Erie, Ont.

FERRY—OKANAGAN LAKE, AT KELOWNA.

IN ACCORDANCE with chapter 78, R.S.B.C. 1897 "Ferries Act," the Government of British Columbia invite applications for a charter for a ferry to ply between Kelowna and a point on the opposite side of Okanagan Lake known as "McLennan's Landing," a distance of one mile and a quarter.

Applications will be received up to and including Tuesday, 31st May, 1910.

The charter will cover a period expiring on the 31st March, 1912.

The ferry shall make two trips each way every day, weather permitting.

The time of departure from and arrival at Kelowna shall be arranged so that connection can be made with the Canadian Pacific Railway Company's Steamship "Aberdeen."

Applications shall give a description of the vessel or vessels it is proposed to use, which must conform in all respects to the requirements of "The Steamboat Inspection Act," chapter 46, 1898, and amending Act, Parliament of Canada.

Applications shall state the tolls it is proposed to ask for—

- Each adult passenger.
- „ child (not in arms) under 13 years.
- „ head of cattle, horse, mule, or donkey, etc.
- „ calf, sheep, goat, or swine, etc.
- „ vehicle with one horse and driver.
- „ cart or waggon with one horse and driver, loaded.
- „ vehicle with two horses and driver unloaded
- „ vehicle with two horses and driver, loaded.
- „ parcel of 25 pounds and under,
- Freight, per 100 pounds and under, non perishable goods.
- Freight, per 100 pounds and under, perishable goods.

To the successful applicant the Government of British Columbia will pay at the expiration of every three months of satisfactory service the sum of two hundred and fifty dollars (\$250).

The Government of British Columbia is not necessarily bound to accept any application submitted.

NOTE ADDRESS:

M. J. HENRY, 3010, Westminster Rd. Vancouver.

:: Naramata Notes ::

Mr. J. M. Robinson has gone to Trail, B.C. on business.

Mr. Jack Robinson returned on Monday from Toronto, where he has spent the past year studying law.

Capt. and Mrs. Languedoc have moved down town, having taken rooms with Mrs. Wellband.

Beginning with next week the stores will remain open on Wednesday and Saturday evenings.

The labor shortage has been relieved by the arrival of quite a large camp of husky fellows from Calgary.

Mr. D. J. Morgan, a plumber from Toronto, is in town looking after his part of the hotel contract.

Mr. T. J. Smith and daughter, from Vancouver, were in town over Sunday, the guests of Mr. Robinson.

J. A. Kirk, P.L.S., and his assistants, Messrs. Lewis and Pittman have been busy lately blocking out land north of Mill creek.

Messrs. Morgan and Dagg, from Edmonton and Calgary respectively, spent Tuesday at Naramata inspecting their holdings.

The Dominion Express Company have at last opened an office in town, much to the satisfaction and convenience of the people. Mr. A. B. Allen, who is running the new feed store, is looking after the business.

"Square Rock Fruit Ranch," with white paint on a large square dark rock in the centre of Mr. Cook's recently planted orchard, is a new landmark. It is unique. The naming was made the occasion of a jolly picnic party recently, at which the gentlemen acted as waiters, and the ladies sat round the camp fire and tried not to say anything—and failed. During the course of the afternoon our local artist, Mr. Schreck used his camera to good advantage.

The Ladies of the Hospital Auxiliary desire to acknowledge receipt of \$70.00, the proceeds of the recent concert provided by the Ladies' Glee Club.

There will not be any services in connection with the Methodist Church on Sunday, but the S. School will be held as usual at 11-30 a.m. This applies also to the Presbyterian services.

ESTIMATES ON APPLICATION

News from Peachland

Rev. C. W. Whyte and Master Gordon Wright returned this week from Vancouver where they have been attending the meeting of the Synod.

Owing to some damage done to the pipe at the in-take by the unusual high water in Trepanier Creek, it was found necessary to shut off both the domestic water and power line. It is expected that both will be going again this week.

Two car loads of lumber arrived last week for the new cement pipe works and building operations were commenced this week. It is probable that the machinery will be here before the buildings are ready for it.

Messrs. E. R. Simpson and Robt. Barkwill were visitors to Peachland last week from Summerland, in search of horses. Both were supplied by Mr. C. G. Elliott, Mr. Simpson purchasing a matched span of cleveland bays, and Mr. Barkwill a work horse.

In the absence of Rev. J. J. Nixon, who is attending conference in Nelson, the Rev. Mr. McDonald occupied the pulpit of the Methodist church last Sunday evening.

Mr. J. A. Morrin left for Phoenix last week to take over the business of a general merchant whom the Morrin & Thompson Co. have bought out.

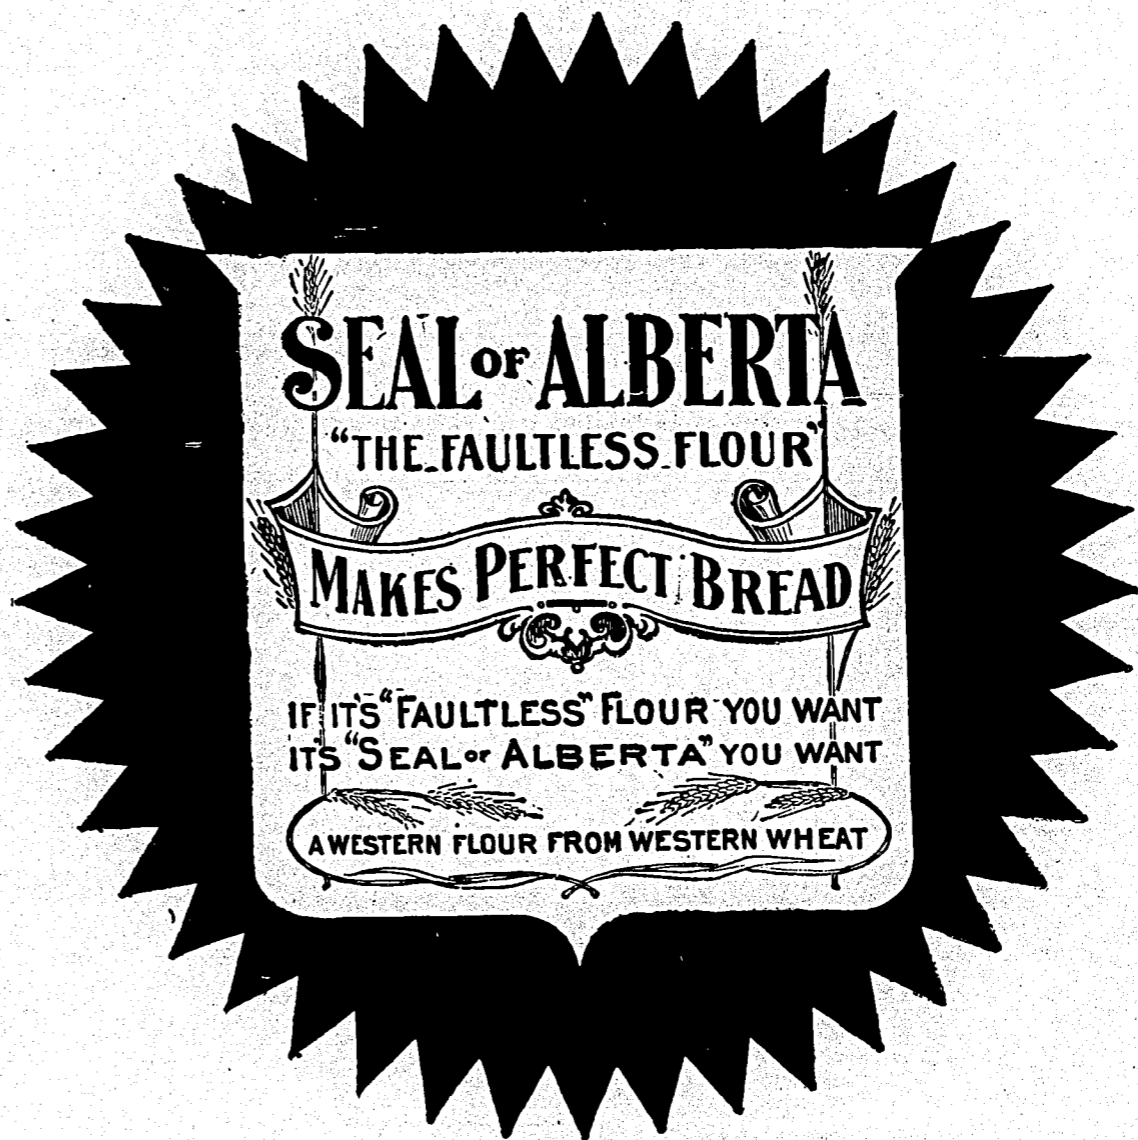

THE CANNERY.

Owing to the absolute indifference shewn by the greater part of the fruitgrowers of district it has been finally decided to let the cannery slide this season.

There is however a possibility of a private individual starting up, and it is to be hoped the possibility will evolve into an actual plant, as there is every prospect of a record year, and the old saw to the effect that "we ship all we can and can what we can't" applies very forcibly to the local industry.

If perchance there is no cannery whatsoever this year, judging from the amount of fruit that is 'set,' there will be a whale of a wail towards the end of the summer which will be heard throughout the district, and the doctors will be overworked attending to the bruises of those who have been kicking themselves so hard.

W. J. Curtis, piano tuner of Vancouver will be in town shortly. All orders should be left with T. E. Moore.

WHARF CONSTRUCTION.

Mr. E. A. Jamieson, engineer-in-charge of the new C. P. R. wharf arrived in town last Friday, along with his assistant Mr. Tapscott. At present they are finally staking out the plan, and the pile driver along with a gang of men is expected to be down from the landing during the course of the next few days.

Cold storage plant, station, freight shed and slip dock are all to be constructed, and the wharf will run out into the lake for a good distance.

A BATCH OF TROUT.

On Tuesday evening Mr. David Salmon Mitchell, who is in charge of the Government hatchery at Kault, on the Shuswap, came to Summerland with a few thousand young Tontawlis or brook trout, which were duly deposited in Reservoir Lake at the head of Prairie Valley. There is to be a further consignment of rainbow trout shortly. This is the first consignment to the Okanagan district, and the local followers of Isaac Walton are much rejoiced in spirit, as this means some real sport with rod and line in the future years, for to play a one-pound trout on a rod is by far more sport than the hauling in of a round half dozen at the end of a trawl.

SUMMERLAND CRICKET CLUB.

At the recent annual meeting of the above club the following office bearers were elected:

Pres., Maj. Hutton; vice-pres., C. Fetherstonhaugh and J. Ritchie; comm., Messrs. Helmer, Fetherstonhaugh, Huddleston, J. Tait, Fosbery and Naper. Hon. Sec. and Treas., O. Villiers.

Mr. Jas. Ritchie has again kindly consented to give the use of the parkdale ground, and many new members are expected to be enrolled this season.

The opening match, veterans (33 and over) versus juniors will take place to-day at 2 p.m. Subscriptions are now due and should be forwarded to the hon. sec.

Mr. A. E. Mallett left on Wednesday morning for an extended visit to the Old Country. On the evening before his departure a few friends gathered round the festive board to wish him bon voyage.

A close season of three years has been declared on Vancouver Island for Wapiti, (Elk). Their recent slaughter has been so great that extinction was feared.

SATURDAY, MAY 21, 1910

DR. SPENCER SCORES.

The friends of local option throughout the province will be tickled to hear the announcement made by Dr. Spencer at the mass meeting last Sunday evening to the effect that this province is to have local option whether or no. The liquor interests have already heard it with corresponding dismay, and the local government with chagrin.

There is good reason to believe that the interests represented by Dr. Spencer did not get a square deal in the last provincial elections, while "the trade" got more than was coming to it. There was no good reason why the temperance people should have been handicapped in the plebiscite that the beer barons might be protected from a possible adverse public sentiment. It was not a question of prohibition, but of local option, and that the sentiment was adverse is attested by the fact that in spite of many political artifices there was a plurality of 3,600 votes in favor of a local option law.

Ballots for the plebiscite were not handed out by the deputy returning officers unless specifically asked for by the voter, and to a number of polls no plebiscite ballots were sent at all—the polls, of course, being strongly temperance in complexion. Yet in spite of all this the vote carried by 3,600 and failed of the required handicap by 500.

Needless to say the local option powers did not like this and so, failing to get a square deal at home they appealed unto Cæsar at Ottawa. Gathering up all his facts and figures Dr. Spencer at once invoked the Canada Temperance Act, which

is a Dominion measure, but had his solicitor draw up an amendment to meet the needs of this province. The old act applies only to counties. That made it hopelessly unwieldy in British Columbia where each county is greater than some of the provinces. So the act was amended to make it applicable to municipalities and small districts. Dr. Spencer is now happy and rolling up his sleeves for a tussle with the octopus in every town in the Okanagan Valley and elsewhere.

Certainly if he shows as good generalship and fighting ability as he has evinced during the past year something will come of it. It is no small feather in his cap to have got what he wanted over the heads of the local government and the liquor interests, to have kept his city hall meetings in Vancouver going all winter, and to have withal raised \$5,400 for the good of the cause.

No doubt Ottawa was glad to get a left-handed whack at "the people's Richard" in this way or the legislation would not have been rushed through as it has been in the busy closing days of a protracted session. It was never so seen before in Ottawa. Even the brewers who sent a special deputation to protest couldn't stop it. They were told that it wasn't new legislation anyhow—had been on the statute book for years, etc., etc., that Richard might eat his lemon.

Rumour has it that Richard personally would have done the square thing, but that his attorney-general and a few others around him wouldn't stand for it. However that may be the fact is this province now has local option, and any municipality on presenting a twenty-five per cent. petition of the electors to the federal government may have opportunity to say whether they will or will not have a licensed bar in their midst. And so we tally one for Dr. Spencer.

ST. STEPHEN'S CHURCH (Anglican) May 22, Trinity Sunday. Holy Communion at 8, Matins at 10:30 a.m., Holy Communion (choral) at 11, Children's Service at 3:0, Evensong, 7:30 p.m.

The Hospital Ladies Auxiliary at their annual yearly meeting appointed the following office-bearers: president Mrs. Moreland; vice presidents Mesdames Anguin and White; rec. sec., Mrs. Stevens; treasurer Mrs. Solly; cor. sec., Mrs. Robson. During the past year they received the sum of \$272.90 of which sum they have still in the bank \$113.01.

PUPILS' PIANOFORTE RECITAL.

The College chapel was well filled on Friday evening last when the pianoforte pupils gave their public recital. A little nervousness on the part of some of the performers was inevitable, but nevertheless they all showed a musical talent that spoke well for the future. Miss May Bateman in particular, by her rendering of the "Hunting Song," proclaimed herself a pianist above the average. The two vocal numbers also were well received, Messrs. Duncan and Carter being deservedly recalled.

From beginning to end the programme showed that the pupils had been well prepared and the music tastefully selected. Miss Haines deserves great credit for the way her young pupils shaped. The following was the programme:

1. Waltz - - - - Streabbog
Messrs. Norman and Donald Steuart
2. Coquetting Meadow Lark - - - -
- - - - Marschal-Loepke
Victoria Stevens
3. To the Evening Star (Tannhauser) -
- - - - Wagner
Miss Edna Graves
4. Rural Pleasures - - - Lange
Miss Helen Sawyer
5. Eventide (Quartette) - - - Abt
Messrs. Ward Duncan, Benjamin
LeGros, Francis Williams,
and Norman Carter
6. Second Mazurka - - - Godard
Miss Ruth Dale
7. Hunting Song - - - Heller
Miss May Bateman
8. Polish Dance - - - Scharwenka
Miss Ruth Fulton
9. Gondolieri - - - Nevin
Waltz, Op. 70, No. 1 - - - Chopin
Miss Jean Stevens
10. O, That We Two Were Maying (Duet)
- - - - Nevin
Messrs. Norman Carter and
Ward Duncan

POULTRY MEETING.

There will be a meeting of the Poultry Association in Municipal Hall on Friday May 27th at 8 o'clock. All members and others interested in poultry are invited to be present. The executive will submit a report on the constitution.

Mr. R. H. English has been appointed assistant fire warden for this district, and any person desirous of burning brush, etc., between May 1st and October 1st must first procure a permit from Mr. English.

24TH OF MAY.

A GOOD LOCAL PROGRAM TO BE PROVIDED A GOOD PLACE FOR A PIC-NIC.

On Tuesday at Bulyea point there will be a huge kind of pic-nic day, to which everybody is cordially invited. There will be one or two water events, and during the day a football tournament (for medals) will be played off, and the baseball boys will play two matches, meeting the College team in the morning and Penticton in the afternoon.

The band will be in attendance and refreshments provided upon the ground.

About 10 o'clock is the time to get there, and 25c. is the fee for admission. After expenses have been paid, the proceeds will be devoted to the hospital, so come along on Tuesday, have a good pic-nic, enjoy the sports and games provided, and pay your two bits towards helping along that popular and worthy institution the hospital.

PARKER v. STEVENSON.

At the hotel yesterday, the case of Parker v. Stevenson came up for arbitration, their solicitors having advised settlement in this manner. Mr T. W. Stirling, Mr. Woolaston and Mr. Jas. Ritchie comprised the arbitrary board, and the case occupied the whole day.

The matter in dispute is the lot rented by Parker from Stevenson, on which the former has built a house. The lease was for five years and the contract having been broken, and parties not being able to settle mutually, arbitration was decided upon.

There were about twelve witnesses, and the board had a very heavy task before them as reams of evidence was given and a lot of correspondence read. The verdict was in favour of Stevenson.

Yesterday the whole system of the C.P.R. stopped at 3 o'clock for three minutes out of respect for the late His Majesty King Edward VII.

A baseball game at Penticton came off on Thursday, between Summerland and their local team, resulting in a win for Penticton by 6-4. They deserve credit. No doubt this little scrimmage will revive the flagging interest amongst the diamond dusters of Summerland and bring them to the fore in all their glory of maroon and green when the return match comes off on Tuesday.

The war canoe took a bath for the first time this season on Friday evening. It is hoped that it will not get "rusty" for want of service this summer.

Sensation!

It is bound to be the result when it becomes known that I am selling exceptionally good stock at ridiculously low prices.

UNRIVALLED IN ITS BEAUTY, its location, and the excellence of its soil, is our new fruit land proposition on the west shore of Dog Lake in the sunny southern Okanagan Valley.

Here fronting on one of the finest inland sheets of water, with a full eastern exposure, and on which the sun shines forth in all its glorious splendor, are to be found hundreds of acres without stones, without timber, without alkali. Here the most punctilious fruit grower can be satisfied in the way of orchard land. One of the great outstanding features is that all irrigation and domestic water supply will come through a pressure pipe system.

DOES SUCH A PROPOSITION APPEAL TO YOU?
If it does write us and we will only be too glad to give you all the desired information

Mr. and Mrs. E. Evans and family, of Brandon, arrived in town on a visit this week, and have rented the tent belonging to Mr. M. Manchester.

Mr. C. E. Bentley, who has occupied the position of general manager of the Okanagan Lake Boat Company since its inception has resigned from that position, and will take over the boat building and engineering part of the concern and remove same to his new workshop which is to be built north of Peach Orchard where he will work on his own behalf and under his own name. He has just completely overhauled Mr. J. M. Robinson's gasoline launch "Naramata," which will be launched this week-end.

FRUIT GROWERS' ASSOCIATION.

Mr. R. M. Winslow was in town on Tuesday and Wednesday upon business connected with the re-organization of the Fruit Growers' Association, which is now being placed upon a more thorough and practical basis. The association will issue a price list of goods and assist members to procure supplies at the very lowest price.

Crop and market reports will be issued regularly which will help growers to keep in touch with the industry, and prospects in the prairie provinces. The greatest value of the association will be in the fact that it is an organization of provincial scope which will deal with transportation facilities, and other matters affecting the welfare of the industry.

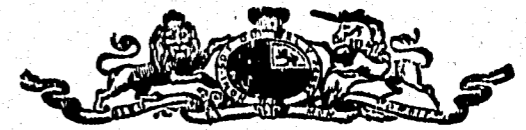

\$1.00 per year is the subscription, and the official organ of the association "The Fruit Magazine" is provided to members at an extra cost of 50c. per year.

Will the party who took the plow from Conestoga kindly take this as an intimation to return it at once.

On Sunday evening in the Men's Club a mass meeting was held at which Dr. Spencer and Mrs. A. T. Robinson spoke upon Local Option.

Clive Dent left for Spokane this week on a short visit.

Mrs. Lloyd Jones of Kelowna was a visitor in town last week, staying with her parents, Mr. and Mrs. Jas. Gartrell, Trout Creek.

NOTICE TO CONTRACTORS.

ELLISON SCHOOL.

SEALED TENDERS, superscribed "Tender for Ellison School Building," will be received by the Hon. the Minister of Public Works up to and including Wednesday, the 8th day of June, 1910, for the erection and completion of a large one-room school building at Ellison, about three miles from Kelowna, in the Okanagan Electoral District.

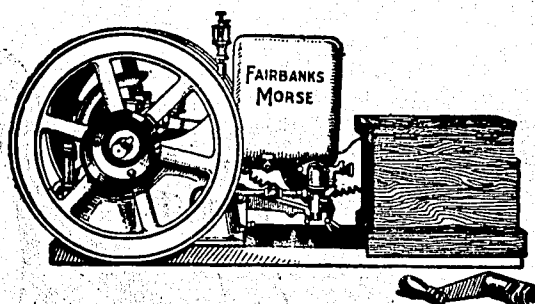

Plans, Specifications, Contract, and Forms of Tender may be seen on and after the 19th day of May, 1910, at the office of M. Hereon, Esq., Secretary School Board, Kelowna; the Government Agent, Vernon; and at the Department of Public Works, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Hon. the Minister of Public Works for a sum equivalent to 10 per cent. of the amount of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted

DEVOTED TO THE INTERESTS OF SUMMERLAND, PEACHLAND AND NARAMA

Vol. 2, No. 43

SUMMERLAND, B.C., MAY 28, 1910

Whole No. 95

MAY 24TH.

A PIC-NIC DAY ON THE SPORTS GROUND.

No Water Sports. Big Crowd Present. A good Baseball Game. Concert in Gymnasium during the evening.

Tuesday the 24th was just a big field day on the sports ground near Bulyea wharf. A good crowd was in attendance and many visitors were present from Penticton, Naramata, and Peachland, journeying by boats, rigs, launches, horseback, and a great many just got there anyhow.

Very little in the way of sport was provided, although the committee worked hard during the three days previous to the 24th, but the 24th as a day full of games and amusement was a disappointment.

The only events consisted of one football game and two baseball games.

In the former Summerland six met Penticton six and they played ten minutes each way, the former winning by 2-1, J. Conway scoring both goals for Summerland. The game was fairly fast and a little excitement was worked up, but instead of a tournament, as was expected, this was the only game, and Summerland gained the silver medals.

The baseball game Summerland v. Penticton was next on the programme and great interest was shewn in this part of the day's entertainment. The previous Thursday Penticton had won out against Summerland and this had cheered them on to greater things. It looked remarkably like a win for them in the early part of the game, but they broke down later on and Summerland won by 7-5. Penticton played nine innings and Summerland eight. The teams were as follows:

Penticton		Summerland
T. Syer	catcher	F. Baker
D. McDonald	pitcher	F. Faulkner
G. O. Fallis	1st	J. Blewett
V. Debeck	2nd	R. J. M'Intyre
H. M'Gregor	3rd	H. Glennie
M. M. Busby	short	Roy Stevens
A. H. Glass	r. field	G. Gartrell
S. S. Fiske	centre	J. Conway
C. R. Burns	l. field	W. A. Walker

Referee, Mr. M'Kenzie.

R. H. Weeks scorers M. Manchester
After the Penticton team had rested they

played the College, five innings each, and won out by 4-2.

Splendid refreshments were provided by the Ladies' Auxiliary of the Men's Club, and they were well supported. Ice cream and soft drinks were provided at the stand of I. Beach, who was kept very busy.

In the evening the first public meeting in the new college gymnasium took place, and local talent was well represented. Nearly all the numbers received well-deserved encores, the band excelling themselves in their selections. Mr. Lock on behalf of the gymnasium committee handed over the building to the college authorities, making a very neat speech. Mr. T. Dale, on behalf of the board of governors formally accepted the gift and gave an appreciation of the students' efforts.

The programme was proceeded with and the glee club acquitted themselves admirably, as did also the other artists on the programme.

To many it was the first time that they had seen the building. Though unfinished the acoustics were excellent which enhanced greatly the vocal selections. At the close of the entertainment students, performers and friends remained to partake of light refreshments. The following was the programme:

1. Selection "Scotch Airs" Godfrey Summerland Band
2. Presentation of Students' Efforts towards Erection of Gymnasium
3. Intermezzo "Rusticana" Mascagni Summerland Band
4. Chorus "The Linden Tree" Schubert "Indian Lullaby" Vogt Ladies' Glee Club
5. Violin Solo "Ave Maria" Gounod Mr. Harold Dewar
6. Pianofortes - - - - - Concerto in G minor Mendelssohn Miss Eunice W. Haines Miss Robina I. Logie
7. Reading from "The Rivals" Sheridan Mrs. Angwin
8. Solo "Angels' Serenade" Braga Miss M. Helen Bartholomew
9. Chorus "Ye Banks and Braes" - - - - - "Comin' Thro' the Rye" - - - - - Ladies' Glee Club
10. Waltz - "Fedora" - Buccolossi Summerland Band
11. Duet "Excelsior" Balfe Messrs. Carter and Duncan

Accompanists: Miss Eunice W. Haines, Miss Robina I. Logie, and Mr. Powell Jones.

THE HOSPITAL.

FIRST ANNUAL MEETING ON MONDAY LAST

Good Work Done During the Year. Reports Received. Balance Sheet Presented. Officers Appointed.

On Monday afternoon at four o'clock the first annual meeting of the Summerland hospital was held, about twenty persons being present. The attendance was a very disappointing one, and after waiting for a brief period, the president, Mr. W. J. Robinson, called the meeting to order.

The reports of the various committees were read and filed.

During the eight months which the institution has been in vogue, under Nurse Wilson's capable service, thirty-seven patients have been admitted, seven of which were medical, twenty surgical and five maternity. Eleven operations were performed, all of which were successful, and there was three hundred and ninety-one days treatment given during the eight months mentioned.

The balance sheet shews an adverse balance of \$22.44. It is very slight, but would look far better on the opposite side.

Balance Sheet to 30th April, 1910.

ASSETS

Hospital plant, furniture, etc.	751.53
Balances due by patients	241.50
Balance at cr. of Ladies Auxiliary with Bank	113.01
Loss to 30th April 1910	22.44
	<u>\$1128.48</u>

LIABILITIES

Hospital plant, furniture, etc.	835.03
Balance due Bank by Hospital Board	104.87
Outstanding acs. due by Hospital Board to 30th April	188.58
	<u>\$1128.48</u>

The chief topic was the financial side of the institution, the practical value having been sufficiently well illustrated since its inception. Many suggestions as to how the subscription list could be increased were forthcoming, and a soliciting campaign will be inaugurated which it is hoped will be heartily supported by all.

A hearty vote of thanks was tendered to the Ladies' Auxiliary for their excellent work on behalf of the institution.

The Board of Directors is as follows: for 1910, Mr. Jas. Ritchie, Maj. Hutton and

president of Ladies' Auxiliary ; for 1910-11, Messrs. Clouston, Robson and Richardson ; for 1910-11-12, Messrs. W. J. Robinson, J. M. Sutherland and E. B. May.

The board of directors met immediately after the general meeting and the following officers were appointed : Pres., W. J. Robinson ; Hon. Sec., J. M. Sutherland ; Hon. Treas., E. B. May.

COLLEGE CLOSING.

The Exercises of Wednesday evening in the Gymnasium concluded the work of Okanagan College for the year.

A little after eight Principal Sawyer with Dr. Keirstead of McMaster University and the the members of the Board of Governors took their places on the platform. At once the processional march was begun and the students and professors slowly and with regular step marched to their assigned seats.

The Principal called on the Rev. A. T. Robinson M. A. to open the Exercises with prayer, at the conclusion of which he gave a brief review of the work of the past year. The number had not been so large as in previous years although there had been a decided increase in the number of boys from outside Summerland. But while the number had been less, the life of the college had been strong and progress had been made along lines of permanent development.

The Principal called to the platform the following students :

Matriculation Diplomas: B. LeGros, Ida Quipp, B. Tingley, F. Williams, Summerland ; C. McNeill, LeVerne McNeill, Alden Peck, G. Perry, Vancouver.

Principal's Certificates for Stenography: M. Bateman, F. Hood, H. Sawyer, Summerland, and A. Faulkner of Enderby for book-keeping.

First place in Matric., LeVerne McNeill with a average of 83.3 for the year.

W. S. Watson on behalf of the students presented Messrs. Ward Duncan and Ernest Lock with an address and a tangible expression of the appreciation which the students feel for their services on the Gymnasium committee.

Dr. Keirstead, the speaker of the evening was introduced by the chairman, and for one hour and a quarter he had the closest attention of the audience while he delivered one of the finest addresses that has ever been heard in Summerland.

In a thinkingly original and beautifully picturesque manner the eloquent speaker

set forth the character and power of an institution of learning and made particular application to Okanagan College and the possibilities that lie before it. Any bare analysis of the address would fail to convey its message. Dr. Keirstead has entered fully into an appreciation of Summerland and the College, and the address was replete with local references that showed how truly the life of this community was understood by the speaker and evinced as well the strong confidence he has in the future of community and college.

Misses Bartholomew and Haines and Messrs. Duncan and Carter gave the final number to the programme.

The National Anthem concluded what may fairly be termed the most successful closing that Okanagan College has yet had.

DEATH OF MRS. WM. BEATTIE.

On Wednesday afternoon, Mrs. Wm. Beattie departed from our midst.

She had been under the doctor's care for some ten weeks, and her condition was ever varying, even on Saturday last she was fully expecting to be down at the sports ground on the 24th, but another bad turn came on on Monday, and she died from heart failure on Wednesday afternoon.

Her husband and little girl, about two years old, are left to mourn her loss, and great sympathy for Mr. Beattie in his very sad bereavement is expressed by all.

The deceased was interred on Friday at 2 o'clock, the Rev. Jas. Hood officiating.

TO HAIR DRESSERS

A Splendid Hair Tonic that Makes Beautiful Hair.

Every hair dresser should know about Parisian Sage, the quick acting hair dressing, that does just what this tells you it will do.

Parisian Sage is a most delightful and different hair dressing, a fact that will be recognised the moment it is applied to the scalp. There is not a particle of stickiness in it ; it is not greasy ; it has a delicate and refined odor, and is a truly invigorating tonic that will make hair grow, if the hair root still shows the least sign of life.

Try a bottle of Parisian Sage. It will brighten up the hair in two days.

Parisian Sage is guaranteed by the Summerland Drug Co. to cure dandruff, stop falling hair, and scalp itch in two weeks, or money back. It is particularly in demand by women of refinement, who desire soft, luxuriant hair, that compels admiration. Price 50 cents a large bottle by The Summerland Drug Co., or direct, all charges prepaid, from the Canadian makers, the Giroux Mfg. Co., Fort Erie, Ont.

FERRY—OKANAGAN LAKE, AT KELOWNA.

IN ACCORDANCE with chapter 78, R.S.B.C. 1897 "Ferries Act," the Government of British Columbia invite applications for a charter for a ferry to ply between Kelowna and a point on the opposite side of Okanagan Lake known as "McLennan's Landing," a distance of one mile and a quarter.

Applications will be received up to and including Tuesday, 31st May, 1910.

The charter will cover a period expiring on the 31st March, 1912.

The ferry shall make two trips each way every day, weather permitting.

The time of departure from and arrival at Kelowna shall be arranged so that connection can be made with the Canadian Pacific Railway Company's Steamship "Aberdeen."

Applications shall give a description of the vessel or vessels it is proposed to use, which must conform in all respects to the requirements of "The Steamboat Inspection Act," chapter 46, 1898, and amending Act, Parliament of Canada.

Applications shall state the tolls it is proposed to ask for—

- Each adult passenger.
- „ child (not in arms) under 13 years.
- „ head of cattle, horse, mule, or donkey, etc.
- „ calf, sheep, goat, or swine, etc.
- „ vehicle with one horse and driver.
- „ cart or waggon with one horse and driver, loaded.
- „ vehicle with two horses and driver unloaded
- „ vehicle with two horses and driver, loaded.
- „ parcel of 25 pounds and under,
- Freight, per 100 pounds and under, non perishable goods.
- Freight, per 100 pounds and under, perishable goods.

To the successful applicant the Government of British Columbia will pay at the expiration of every three months of satisfactory service the sum of two hundred and fifty dollars (\$250).

The Government of British Columbia is not necessarily bound to accept any application submitted.

F. C. GAMBLE,
PUBLIC WORKS ENGINEER.

Department of Public Works,
Victoria, B.C., 6th May, 1910.

Local News Items.

Mrs. J. B. McLaren of Winnipeg and Miss Moore arrived on a few weeks' visit to Mr. G. W. and Miss McLaren last week, and on Monday evening Mr. J. B. McLaren arrived for a few weeks' visit with his brother.

When having your piano tuned have it done by a reliable man backed by a reliable firm. A. R. Kelbey of the Mason & Risch Company is in town. Leave orders at the Summerland Hotel.

Mr. and Mrs. C. N. Higgin, of Monton, Manchester, Eng., along with their family and household effects, arrived in Summerland last week-end to take up their residence in Balcomo on the property purchased by Mr. Higgin when here on a visit last fall.

There has been great sport for the local fishermen during the last two weeks, and several very fine trout have been caught. Mr. A. Miller, of Peachland, who is out on the lake a good amount of his time, has killed two hundred lbs. of trout within the last fortnight.

Halley's Comet and the eclipse of the moon combined were the topics of interest on Monday evening. During the eclipse the comet came out strong, and this really was the only time that he has come up to his advertised schedule and brilliancy, and displayed his tail to great effect.

On Sunday afternoon in the park the band provided a splendid program of music which was thoroughly enjoyed by those present. These little concerts are going to prove very popular in our midst, as was evidenced by the number who journeyed to Peach Orchard on Sunday last.

Mr. H. A. C. Baker has sold his ten acre lot up Garnett Valley to Mr. T. Parnell Hancock of London, England. Mr. Baker who has been in Summerland close upon three years, contemplates a visit to the Old Country in the fall, and then early in spring intends to locate in the prairie provinces.

CARD OF THANKS.

Mr. G. W. McLaren and Miss Maude McLaren take this opportunity of tendering their hearty thanks to the many kind friends for their help and assistance and expressions of sympathy during their recent trouble.

Sensation!

It is bound to be the result when it becomes known that I am selling exceptionally good stock at ridiculously low prices.

OF INTEREST TO POULTRYMEN.

The surprising fact has been brought out by recent inquiries into the prices of food in the United States that more money is made by poultry raising than by any other single industry in the country, not excepting the raising of wheat, cotton, cattle and corn. When we consider in how haphazard a fashion this industry is often carried on, it is surprising that there should be so much money made from it.

Yet, on this coast at least the supply of both eggs and fowl is far short of the demand. Or, rather, the price of both during at least half the year makes them luxuries which only the well-to-do can afford. —

Successful Poultryman.

OPENING MATCH OF CRICKET SEASON.

The first cricket match of the season was played on Tuesday, the 24th, on the Parkdale ground — Veterans versus the rest. The following played for the Veterans: Major Hutton, (Capt.), Messrs. Fosbery, McIntyre, Helmer, Fetherstonhaugh, Tait, and Rev. Solly. Those for the Juniors were Marshall (Capt.), Messrs. Naper, Wharton, Villiers, Ellis, Dewar, Lacey, King, Peel. The best scores were made by Wharton, Major Hutton, Lacey, Helmer and McIntyre. Some good bowling was done by Fosbery, McIntyre and Villiers. The result of the game was a draw, the latter half being played under difficulties, owing to the dust storm and rain which came at intervals.

A STRONG COMPANY COMING.

On Wednesday evening, June 1st, Senor Raul da Silva Pereira, who is one of the best of the well known violinists in Europe, will be in Summerland at the Men's Club. He was a star pupil of the famous great master of the violin, the late Joseph Joachim, and for fourteen months occupied the position of concert master to Joachim's Symphony Orchestra at the Royal Academy of Music.

Miss Palmer, a prima donna soprano, late of the San Francisco Opera Company, is supporting him. She is the fortunate possessor of a superb voice, and an extremely artistic temperament, which has delighted many western audiences.

Mr. Harper is the solo pianist and accompanist. Critics speak very highly of his artistic ability, which should be a guarantee of the pleasure in store for music lovers in Summerland.

Reduced Prices.

A car of Implements direct from the makers at low prices.

PLOWS OF MANY KINDS.

A dinky little garden plow that will run close to bushes \$8.00. Dandy one-horse plows for \$11.00 and \$14.00.

Side-hill, Sub-soil, Brush-breakers, double mouldboard with potatoe digger attachment, Pick plow for stone or hardpan, various sizes and shapes of plows for usual work.

Lever spring tooth harrows for one or two horses. Diamond spike tooth harrows Special values in cultivators at prices that will surprise you. A bargain in two spring tooth harrows that are weather worn.

A new lot of chopped and rolled oats. Corn meal for chicks and good enough for folks. Linseed meal, cracked corn, bran, shorts, middlings, oats and hay.

G. J. Coulter White. **WHITE & COMPANY.** Gilbert V. White.

Rates \$2 to \$3 Per Day.		Special Terms by Week or Month	

UNRIVALLED IN ITS BEAUTY, its location, and the excellence of its soil, is our new fruit land proposition on the west shore of Dog Lake in the sunny southern Okanagan Valley.

Here fronting on one of the finest inland sheets of water, with a full eastern exposure, and on which the sun shines forth in all its glorious splendor, are to be found hundreds of acres without stones, without timber, without alkali. Here the most punctilious fruit grower can be satisfied in the way of orchard land. One of the great outstanding features is that all irrigation and domestic water supply will come through a pressure pipe system.

DOES SUCH A PROPOSITION APPEAL TO YOU? If it does write us and we will only be too glad to give you all the desired information

JAMES RITCHIE - PARKDALE - SUMMERLAND

REV. R. J. McINTYRE LEAVING.

On Sunday, at 10-30 a.m. in the church and 7 p.m. in the school house at West Summerland, the Rev. R. J. McIntyre will preach as pastor for the last time. Mr. McIntyre has been stationed by the conference at Revelstoke, and will leave for there next Wednesday.

He is succeeded by Rev. F. W. Hardy, M.A., B.D., who came from special work in Toronto. He has been one of the professors in Columbian College, New Westminster and comes highly spoken of.

Mr. J. F. Faulkner, who for the past two years has been resident here, and has been acting as accountant for the Supply Company, has been offered and accepted a position as secretary-treasurer of the Diamond Vale Colliery Company, and other three companies which are worked from the same office. He will be stationed at the head office in Vancouver, and commence his duties on Monday.

Mrs. J. M. Robinson and family arrived home on Tuesday evening from Toronto, where the boys have been attending the University during the winter 1909-10.

The Summerland Review

News from Peachland

Mr. J. B. Aitkens left for Vancouver on Saturday last. He expects to take a position with one of the banks there.

Ripe strawberries, both wild and cultivated, are getting to be quite plentiful, while Mrs. Seaton has two trees loaded with ripe cherries.

The junior baseball team journeyed to Summerland and played a match on Saturday. The score 17-13 in favour of Peachland does not look as though a very scientific game was played.

Miss E. B. Pollard returned home from Toronto last week to spend the summer. While away Miss Pollard has been studying music and her Peachland friends are looking forward to hear her play during her visit home.

Mr. A. M. Boyding arrived from Vancouver on Wednesday evening to take charge of The Dominion Glazed Pipe Co.'s work here. He is accompanied by an assistant, but the rest of the necessary supply of men will be obtained locally.

A good many were disappointed that there was no boat running to Summerland for the 24th as they had counted on a visit to the sister town for the holiday. A few went to Kelowna and several pic-nics were arranged when it was discovered that there was no excursion.

Mr. G. H. Greata is having his land surveyed into ten acre lots, and will soon put these on the market. With an abundant supply of water from his pressure pipe system, and so much of the land planted out with trees, Mr. Greata should have no difficulty in disposing of these lots.

The college students desire to thank all those who in any way assisted in the successful evening's entertainment on Tuesday last.

Rev. A. T. Robinson, M.A., will occupy the pulpit of the Baptist Church on Sunday next.

SATURDAY, MAY 28, 1910

COMMENCEMENT DAY.

It must be a matter of congratulation to the Board of Governors and friends of Okanagan College that another year in the history of that institution has been successfully rounded out. With social plants as with those of the vegetable world the first few moons are the most critical. Once a plant takes root well, it is apt to keep on growing, and it takes a more than ordinarily cold wind of adversity to knock it out.

In the case of our educational institution we are pleased to learn that it is steadily enlarging its borders and growing in favor with the people, and that its academic standard is being kept on a par with the greatest educational institutions of the Dominion. It is not a little to its credit that its class room work should be given an equivalent standing by Toronto University. The scramble for students in small institutions of learning is usually so active that in order to bring grist to the mill the way is made easy and inviting to the prospective student. We are pleased to think there has been none of that in Okanagan College. If the institution had only one student it was the determination of the Board of Studies that that one should be fit for the next year's struggle in any institution in Canada to which he or she might go. Whatever happened there were to be no cheap degrees and pernicious short cuts, no mere gloss and enamel instead of that real foundation for future usefulness which can be laid only in years of laborious mental application.

This year sees the close of second year college work. In two more years, if all go well, Okanagan College will graduate its

first class of Bachelors in Arts. The degrees may come from McMaster University, Toronto, one of the leading educational institutions of Canada. At the present time it seems impossible to get a charter from the Provincial Government enabling Okanagan College, or any other for that matter, to confer degrees. The Government's policy is one of centralization. The only institution allowed to confer degrees in arts, science, law and medicine will be the Provincial University in Vancouver, which is for the present dominated by McGill University, of Montreal. Denominational colleges must affiliate with that, or have no provincial recognition.

At the present time the Provincial University is on paper only, it will have its own name to make in the educational world outside. Okanagan College has, therefore, chosen to affiliate for the present at least, with an institution that has an unquestioned standing in the educational world. Hence the examination papers sent from Toronto, and, possibly, in due time the degrees as the students are able to qualify.

Whether the powers of Okanagan College will enter on such a struggle to obtain a degree conferring charter as characterized the efforts of the Baptist body in Nova Scotia, Ontario and Manitoba, we do not know. The question it raises is a large one and not to be settled off hand in a paragraph. If they do the scrap will be a lively one. In the meantime the students are satisfied to know that their standing will be assured if they can measure up to the requirements, since Toronto University has already recognized their work in the case of one of their students by giving him an equivalent standing, and McMaster University this year not only prepares the matriculation and sophomore papers, but sends one of its leading professors at the request of Okanagan College to act as chief speaker of the commencement exercises held in the new college gymnasium this week.

WOMEN'S INSTITUTE MEETING.

A meeting of the Women's Institute will be held on Friday afternoon, June 3rd, at three o'clock, in the parlour of the Men's Club. This is the last meeting of the season, and suggestions are solicited for the exhibition to be held in the fall.

Local News Items.

The Ladies' Aid of the Presbyterian Church will hold a strawberry and ice cream social early in June.

The Maude Moore will leave at 7-0 p.m. on Sunday in time for service at Naramata conducted by Mrs. Gillespie.

Reeve Agur left for the coast on Monday's boat on business in connection with the B.C. Fruit Growers Association.

The newly-organized Ladies College Auxiliary will hold their business meeting at the home of Mrs. C. S. Stevens on Tuesday, May 31st, at 3 o'clock, which will be followed by an apron sale at 4-0. All ladies interested are invited to come and bring an apron and buy one.

The boys of the band worked hard last week-end. On Saturday evening they were in the band stand, the following afternoon they gave a splendid program in Peach Orchard, and again on Tuesday they were kept busy the whole day. Their efforts are much appreciated by the public, and well they might be, for the boys work hard all the time, and oftentimes at very great inconvenience to themselves attend band practices and performances, to which they go with remarkable regularity, for the love of music.

RIFLE ASSOCIATION.

The long ranges were again shot over on Saturday, the following four being high:

	800	900	Total
A. E. Nelson	26	29	55
M. Steuart	26	29	55
O. Smith	22	28	50
G. Gartrell	29	21	50

On Tuesday the Daily Mail Empire Cup was shot for, with scoring as below:

	200	500	600	Total
W. Nelson	32	34	26	92
M. Steuart	33	28	30	91
B. Steuart	31	32	26	89
A. E. Nelson	28	33	27	88
O. Smith	27	31	29	87
F. Munro	30	32	25	87
J. Dunsdon	27	23	22	72
H. Dunsdon	30	16	23	69

Total 675

Several members are going up to Armstrong on Tuesday, to take part in the Okanagan Rifle Association 3 day shoot.

The Oliver Typewriter for 17 Cents a Day!!

Please read the headline over again. Then its tremendous significance will dawn upon you.

An Oliver Typewriter—the standard visible writer—the most highly perfected typewriter on the market—YOURS FOR 17 CENTS A DAY!

The typewriter whose conquest of the commercial world is a matter of business history—YOURS FOR 17 CENTS A DAY!

The typewriter that is equipped with scores of such conveniences as "The Balance Shift"—"The Ruling Device"—"The Double Release"—"The Locomotive Base"—"The Automatic Spacer"—"The Automatic Tabulator"—"The Disappearing Indicator"—"The Adjustable Paper Fingers"—"The Scientific Condensed Keyboard" all

Yours for 17 Cents a Day!

We announced this new sales plan recently, just to feel the pulse of the people. Simply a small cash payment—then 17 cents a day. That is the plan in a nutshell.

The result has been such a deluge of applications for machines that we are simply astounded.

The demand comes from people of all classes, all ages, all occupations.

The majority of inquiries has come from people of known financial standing who were attracted by the novelty of the proposition. An impressive demonstration of the immense popularity of the Oliver Typewriter.

A startling confirmation of our belief that the Era of Universal Typewriting is at hand.

A Quarter of a Million People are Making Money

with

The OLIVER Typewriter

The Standard Visible Writer.

The Oliver Typewriter is a money-maker, RIGHT FROM THE WORD "GO!" So easy to run that beginners soon get in the "expert" class. EARN as you LEARN. Let the machine pay the 17 CENTS A DAY—and all ABOVE that is YOURS.

Wherever you are, there's work to be done and money to be made by using the Oliver. The business world is calling for Oliver operators. There are not enough to supply the demand. Their salaries are considerably ABOVE those of many classes of workers

'An Oliver Typewriter in Every Home!'

That is our battle cry to-day. We have made the Oliver SUPREME IN USEFULNESS and absolutely INDISPENSABLE in BUSINESS. Now comes the conquest of the home.

The simplicity and strength of the Oliver fit it for family use. It is becoming an important factor in the home training of young people. An EDUCATOR as well as a MONEY maker.

Our new selling plan puts the Oliver on the threshold of every home in America. Will you close the door of your home or office on this remarkable Oliver opportunity?

:: Naramata Notes ::

Mr. and Mrs. Wilkins took a trip to Kelowna on Tuesday.

Mr. W. Mitchell has leased the house next to that of Mr. Lyons for a year.

Mr. A. G. Robertson with his wife and family have removed to Winnipeg, having disposed of most of his property at this point.

There is to be a service in the Opera House next Sunday evening at 7:30, conducted by Mrs. A. L. Gillespie. All are welcome.

The band boys who spent the 24th in Summerland speak in high praise of the courtesy of the College officials and their able assistants.

Mr. J. M. Robinson returned from Trail, B.C. on Tuesday, having met his wife and family at Revelstoke on their way from Toronto after a stay of several months.

Mesdames Wellband and Gillespie journeyed as far as Okanagan Landing on Tuesday to meet Mrs. J. M. Robinson upon her return from the east.

Mr. W. Nuttall, the new road master, has a small force of men at work on the neglected spots on our roads. He has been handicapped to some extent on account of the lack of teams, but will soon have the scraper in operation.

Rev. G. O. Fallis announced last Sunday that he has decided to re-consider his resignation. He found while at Conference at Nelson that there were already fifty pastorless churches, and that he was loath to be the one to add to the number. His followers here are very much pleased to have the assurance of his presence for another term.

Mr. Carroll Aikins who has had a fine new Italian summer house built at Aiken's Point—a beautifully shaped grove at the mouth of Eight Mile Creek—held an informal "At home," as the ladies say, on Monday evening. A very fine time was spent by the large number in attendance. Everything was conducted in a delightfully free and easy way, and yet in a way that left none of the essential elements of good taste lacking. The evening, too, was made more remarkable by the appearance of two astronomical phenomena—the lunar eclipse and the famous comet, which latter was distinctly visible for a considerable time. Special features of the occasion were the

numerous bonfires kept aglow, and the really excellent music from Mr. Aiken's fine new gramophone.

"THE COLONIZER" PARTY.

On Friday evening Mr. F. W. Freir and party from the Old Country, arrived in town to look over the district. Mr. Freir is editor of The Colonizer, of London, Eng., which is the leading colonizing paper of the world. Each year he makes up a party and journeys over Canada, stopping at various towns so that the travellers who are with him may gather some idea of Canada, and see for themselves the country in which they intend to make their future home. At the commencement of the tour there were sixteen in the party, but eight of them had located before they arrived here. They were driven round the district on Wednesday morning, stopping at various points, and seeing the place very thoroughly. They expressed themselves as being very much impressed with the town and the prospects, and in all probability, if they decide on the Okanagan district, they will come to Summerland. Mr. Freir said we had a good thing here, which ought to be advertised regularly in reliable journals, as by that means a greater number of people would read the advertisement, than having a page in this, that or the other periodical for a few issues only.

Mr. J. P. Forde, resident engineer of the C.P.R. at Revelstoke, was in town last week-end on business in connection with the construction of the new wharf.

NOTICE TO CONTRACTORS.

ELLISON SCHOOL.

SEALED TENDERS, superscribed "Tender for Ellison School Building," will be received by the Hon. the Minister of Public Works up to and including Wednesday, the 8th day of June, 1910, for the erection and completion of a large one-room school building at Ellison, about three miles from Kelowna, in the Okanagan Electoral District.

Plans, Specifications, Contract, and Forms of Tender may be seen on and after the 19th day of May, 1910, at the office of M. Hereon, Esq., Secretary School Board, Kelowna; the Government Agent, Vernon; and at the Department of Public Works, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Hon. the Minister of Public Works for a sum equivalent to 10 per cent. of the amount of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted

ESTIMATES ON APPLICATION

IS THE 24th DEAD?

We in Summerland lay claim to the 24th of May as Summerland Day. To keep good our claim we must have something which will be of general interest, a good program of sports and a well organized program. In former years, horse racing was one of the events, and great interest was centred round this. There were also canoe, sailing and skiff races, diving, swimming and other sports. The crowds came, enjoyed themselves, and Summerland on the 24th was the place to be in for a good time.

Instead of progression there has been retrogression, and if Summerland still wishes to keep the 24th a better program will have to be organized. Everybody is to blame and nobody is to blame. It does not lie at any person's door. The lack of general interest is responsible for the most of the disappointments. If, next year, a really old time day cannot be provided, we would advise letting the whole thing drop, and some other town take it up, thereby not be playing a game of dog in the manger. We cannot expect visitors to enjoy themselves unless there is something provided for their amusement, and although we who live in Summerland had a pleasant time on Tuesday last at little pic-nics and chatting with first one friend and then another, the stranger does not get in these little social affairs, and feels completely out in the cold. Unity must be the motto. On Tuesday this was far from the case. The cricketers had their little game on the Flat, and the target seekers were heating their rifles at the range in Garnett Valley, while a large number of the community never graced the day by their presence at the Point. If Summerland wishes a day then Summerland must get down to it. If a day is not desired then don't advertise it, but let each party find their own amusement.

THE FOOTWEAR that Gives Comfort in Warm Weather

No Shoes are as comfortable as those made of
TAN LEATHER.

But a tan shoe should be well made. An ungraceful or ugly line will spoil the look of a colored shoe. We are showing in both Bal and Oxford Tans a splendid range of the newest shapes on the most comfortable easy fitting lasts. Every pair a winner. The quality and workmanship of these shoes are of the best, and are at easy prices. Call and see them
IT WILL PAY YOU.
