Pollock & Taylor Awarded Contract

Contract for construction of a dairy forage building at the Summerland Experimental Farm has been awarded to Pollock and Taylor Ltd. of Penticton.

Contract price is \$84,808. A dairy laboratory 37 feet by 50 feet, it will contain two storeys and a basement and will accommodate forage and animal laboratory work.

Also involved will be a loose housing unit, 40 feet by 75 feet, with a paved yard for housing cattle, together with two horizontal silos to improve feed handling.

Labour Relations Board Holds Hearing

On May 25th and 26th the Labour Relations Board of British Columbia conducted a hearing in the board room of B.C. Tree Fruits Limited at Kelowna.

At this hearing a petition was presented by the Federation of Fruit and Vegetable Workers' Unions on behalf of its locals, asking for continuance of its certification as bargaining agency under its new name, BC Interior Fruit and Vegetable Workers' Union, Local 1572, CLC. This applies to all plants affiliated with the Federated Shippers who are members of the Poly-Party agreement.

At a hearing of the Labor Relations Board held at Kelowna May 25 a petition was presented by five steady employees of the Cornwall Canning Co., at Summerland asking that the sub-local union at this plant be decertified. This petition was denied by the board. Mr. Jim Currie business agent for the B.C. Interior Fruit and Vegetable Workers Union, Local 1572 CLC, said that this action ensures that the B.C. Fruit and Vegetable Workers Union will continue to be the certified bargaining agent for this plant.

Local Legion Will Host Provincial President at VJ Banquet June 10

Summerland Branch 22 of the Canadian Legion will host the new Provincial Commander, J. Pothecary of Armstrong at the Legion Hall here on Wednesday, June 10 prior to the general meeting.

Zone Commander Jim Bolton of Penticton will also be a guest of the local branch at the turkey dinner being served by the Legion ladies.

Veterans intending to attend the banquet are requested to notify the Legion before the end of the week.

Provincial president Pothecary will present the Pothecary Curling Trophy to the winning Summerland curling team at the general meeting. There will also be other presentations.

Improve Rotary Beach For Safety Swim Class

The swimming season is here again and the Summerland Rotary Club is very active with its work of improving Rotary Beach for the start of the Rotary Red Cross Swim and Water Safety Classes.

A new extension is being added to the main wharf which will result in an area of 32' x 40' enclosed on 3 sides. And further out in the lake, the foundation has been made for a diving stand, which will be completed later. Plans are underway also for better oar parking facilities and new toilet and changing rooms.

Mrs. Mel Hyde, Barbara Fudge and Eleanor Baynes will be instructing classes every morning Monday thru Friday from 9-12:15 a.m. with 3 classes taking place simultaneously. Every attempt will be made to see that those enrolled are divided so that a beginner, junior and intermediate class commence and end at the same time from each district.

This should make the forming of ear pools a great deal easier than it has been.

Visiting Masons See Giant's Head

Thirty members of the Anderson Lodge AF and AM, of Kerrisdale, Vancouver, journeyed to Summerland over the week end to help members of Summerland Lodge No. 56, AF and AM, BCR, observe the 50th anniversary of Masonry in Summerland.

The anniversary banquet was held in the Oddfellows Hall on Saturday evening. On Sunday, the visiting group was taken on a tour of Summerland, including a jeep ride to the top of Giant's Head.

Residents Pay Final Tribute to C. E. McCutcheon

West Summerland stores and other places of business closed down for a period Tuesday afternoon in tribute to the memory of C. E. McCutcheon who died at the age of 72 in Summerland General Hospital on Sunday after a brief illness.

Last rites for Mr. McCutcheon, who for many of his 43 years residence here operated a barber shop, were held Tuesday afternoon with the large number in attendance at the United Church an eloquent tribute to Mr. McCutcheon's standing in the community.

An ardent golfer, Mr. McCutcheon was taken ill while engaged in his favorite pastime.

A native of Ontario, Mr. McCutcheon came west and to Summerland 45 years ago. He is survived by his wife Sadie, and a son Hugh, living in Fruitvale, and three grandchildren.

Interment was made in Peach Orchard with Rev. C. O. Richmond officiating. Summerland Funeral Home was in charge of arrangements.

These two photos show some of the thrills and spills at the third annual meeting of the Okanagan Sport Car Club held in Westbank last Sunday afternoon.

Rennie - Lascelles Wedding Solemnized in St. Andrew's

A quiet but pretty wedding was solemnized in the St. Andrew's Wesley United Church on May 23, at 11 a.m. uniting in marriage, Charles Henry Rennie, son of Mr. and Mrs. H. Rennie, West Summerland and Mona Rae Lascelles, daughter of Mr. and Mrs. P. W. Lascelles, of New Zealand. Officiating at the double ring ceremony was Rev. R. R. Cunningham. Given in marriage by Mr. R. Wilson of Vancouver, the bride looked charming in a dress of brocaded taffeta in orchid mauve styled on princess lines. Her shoulder length veil was held in place by a diamond tiara. She carried a prayer book in the same material as her gown with a small nosegay of white gardenias. Her only attendant, Miss Barbara McGibbon, chose a dress of turquoise sheer satin

on princess lines and carried a nosegay of roses. Best man was Clive Atkinson. Austin Fraser and Waldemar Pawlik were ushers. At the reception, held in the Devonshire Hotel, Mr. Cunningham proposed the toast to the bride with the groom responding. Clive Atkinson read many telegrams of congratulations from New Zealand and England. After a honeymoon spent in the States, Mr. and Mrs. Rennie will reside at 1245 Bute Street, Vancouver. Attending the wedding from West Summerland were Mr and Mrs. H. Rennie, parents of the groom; Mrs. S. Gaker of Penticton, aunt of the groom; Mr. Clive Atkinson, Mr. Steve Blake and son, Lawrence, also of West Summerland.

United Church WA Holds May meeting

About thirty members attended the May 25 meeting of the WA of the United Church. Mrs. J. Holman was in the chair. The meeting was opened by a devotional reading "Taking the View", by Mrs. G. A. Laidlaw, accompanied by Mrs. L. Fudge, Mrs. Bud Greene sang "The Stranger of Galilee."

The resignation of Mrs. W. J. Stewart, as second vice president was accepted. Mrs. A. Keane will replace her for the remainder of the year. Mrs. W. H. Durick reported on the work of the CNIB. Guest speaker was Mrs. Howard Milne who gave an enlightening account of the work of the WCTU.

Mrs. C. O. Richmond was presented with a small remembrance, to take with her to her new home in Vancouver.

Century Circle served a varied assortment of unbaked cookies and squares which are featured in a recipe book which the group have assembled for sale.

Promenade

Two meetings preceded the Workshop held May 27 in the Youth Centre, West Summerland, the first meeting being the Callers and Teachers Association. A discussion regarding printed mimeographs being distributed to all Callers and Teachers, covering all new basic patterns of square dances, also cues for all new round dances being taught at these Workshops, was held in abeyance until the fall meeting. Six very beautiful dances were shown by Les and Ruth Boyer, Bill and Leona French and Fred and Verna Proulx. From the six dances shown the Callers and Teachers picked two to be shown to the dancers these being: The Star Waltz and Billy Bayou.

The second meeting of the afternoon was the Okanagan Square Dance Association. Business of this meeting centred around arranging party nights in the area far enough apart so as not to conflict. It was pointed out that there were eight active clubs in the Association and that two dances would be necessary each Saturday. Suggestions from the clubs will be presented to the Association at their fall meeting when it is hoped that this matter can be settled satisfactorily. Election of officers took place with Rex Fredrickson being elected as

Deskward Ho!

The teams had a very busy Saturday, softball wise, last week. The highlight of which was the senior girls winning the Okanagan Valley Championship. This tournament was held in Penticton with four teams participating. In the first game, Summerland slaughtered Oliver 29-0. The second game, against Penticton, was easily won by the score of 20-7. The last and deciding game was played against Rutland. A very tired and sunburned Summerland team pulled through with

a score of 7-4. Congratulations! Summerland played host to a junior girls and boys tournament last Saturday. The Princess Margaret school girls took top honors while the Kelowna boys won in their category. Graduation was brought to a close after the ceremonies and banquet by a well organized party and dance. A special notice should be given to the decoration committee and workers. The decorations were fabulous. Everyone else connected with the smoothly run functions should also be commended.

Banking bright boys Best bet for the future

"Bright, ambitious young men, looking for a career with a challenge, a satisfying salary and advancement opportunities, can find all of these things and many more in banking," Jack Johnston, manager of the Summerland branch of the Bank of Montreal said this week.

"Best evidence that anyone with intelligence and drive can really achieve distinction can be found in the rapid rise of today's top executives of the B of M," Mr. Johnston continued. The bank's policy of promoting from within its own ranks gives every young man who enters banking today the chance of rising to a senior executive appointment. Ability is the only consideration.

Right from the start, the B of M puts young men on a training program that forms, in effect, a series of stepping-stones to the growing responsibilities and rewards that constitute success.

Variety is the keynote of this training, with every young banker spending time in as many posts as possible in the branch. Above all, the young B of M banker is encouraged to develop his own abilities.

A chat with Mr. Johnston could be the introduction to a rewarding career in one of the most solidly established and respected fields of business today. Why not see him soon and ask him for a free copy of the B of M's careers booklet.

Oliver OBC's Still Tops; Summerland Drops Another

Oliver OBC's continued their unbeaten streak Sunday in Okanagan Mainline baseball, defeating Kamloops Okonots 2-1 and 8-2 in a doubleheader.

In Vernon, Carlings downed Summerland Macs 10-7. A third game, between Penticton and Kelowna, was cancelled when mechanical trouble upset the Kelowna lighting.

Oliver's Gerry Driessen, the league's leading pitcher, preserved his unbeaten 5-0 record with a win in the first game. Lund won the second.

In the second game Kamloops opened with a run in the fourth inning but Oliver blasted the Okonots for four runs in their half.

Despite the loss, Summerland out hit Carlings 16-10. Johnny Kashuba hit two home runs for the Carlings, one in the first and another in the sixth. The sixth-inning homer was good for two runs.

On the Rifle Range

By Herb Simpson

After almost a year of silence except for a few hunters, the hills again echoed the sound of rifle fire as 10 marksmen turned out to the first practice of the season at the Garnett Valley Range on Sunday morning.

High score was shot by Steve Dunsdon with 47x50 at 200 yards and a perfect 50x50 at 500 yards for an aggregate of 97. Good shooting, Steve, keep it up. George Dunsdon placed second with 96 points and Len Shannon finished in third place with 93. Other aggregates were Al McCargar, 91; Harold Richardson 91; Herb Simpson 88; Louise Atkinson, 86; Harold Felker, 77; Dick Dunsdon, 68; Ron Dunsdon, 37 (one range only).

Harold Felker may well be proud of his score as this was his first target practice on an outdoor range.

Just want to remind anyone interested in rifle shooting that there is still plenty of room for new members in the club, also that anyone may attend three practices before joining the club. Only regular range fees are required. Ladies are especially welcome. Honest, girls, the rifles won't kick you too hard, come and try them.

Well, more news next week if Sid has space in the paper.

Results of South Okanagan Meet

Results of the South Okanagan Elementary Track Meet held May 30 at Oliver.

Participating schools were Oliver, Osoyoos, Keremeos-Cawston; Carmi, Jermy, Queen's Park, and West Bench, of Penticton and Summerland.

Local winners were:

First: Arthur Monu, 9 years, boys 50 yards; Trudy Schwab, 10 years, girls 50 yards; Lorentina Bohno, 12 years girls 50 yards; Joan Gingell, 13 years girls high jump.

Second: Barry Holmes, 12 yr. boys broad jump; Harry DeRosier, 10 years, boys broad jump.

Third: Kay Fenwick, 9 years girls 50 yards; Dale Stevenson, 10 years boys 50 yards; David Storey, 11 years boys 60 yards; Dorelyn Ducommun, 12 years girls broad jump.

All those from MacDonald School who were entered gave very commendable performances.

Ice Being Put In Summerland Arena For Summer Skating

Subject to the ice plant at the Summerland Jubilee Arena being able to make and hold ice (if and when we get any usual Okanagan summer weather) there will be ice skating in Summerland this summer.

Arena Association president Doug Campbell announced today that 22 have so far been enrolled for the Summerland Figure Skating, with Dolores Causer as instructor.

Ice making is now in progress at the arena.

With 22 already enrolled we think we are justified in going ahead with venture. Mr. Campbell said, as we expect more will enroll when it is known that we are going ahead.

"Success of the summer skating school this year could mean bigger things in the future and it is quite possible that summer skating could do much towards making the arena self supporting."

Mr. Campbell also disclosed that discussions are going on with an interested and well-known Penticton hockey player, a former professional, regarding the possibility of a hockey school to be held two nights a week.

"If we can make and hold ice, we are confident that this can be a paying venture," Mr. Campbell said, "that will benefit the taxpayer and the community at large."

George Stoll Heads Local Fish, Game Club

By Herb Simpson

A well attended annual meeting of the Summerland Fish and Game Club, held at the Occidental cafeteria Friday evening, unanimously returned George Stoll as president and Pat Vernon as secretary for the coming year. Harold Richardson was elected vice president and the following members were named to the executive, Walter Powell, Sandy Fenwick and Bert Simpson representing the Fish and Game Club, Bill Barkwill for the Sporting Rifle Club (small-bore), Bill Snow representing the Trap Club and Harold Richardson the Summerland Rifle Club (full bore).

Summerland's victorious Legion curling rink, twice winners of the Legion Zone playdowns, is pictured above as they received the trophy in an official presentation made by the Provincial Commander, J. Potthecary, of Armstrong. Presentation was made last week when the new Provincial President paid an official visit to the Summerland Branch. From left to right Bill McCutcheon, Bill Snow, Howard Pruden, Bill Croft and the Provincial President.

Quick Arrest Follows Upon Burglary Here

Less than 24 hours after the double-bill burglary at two Summerland food stores early Wednesday morning of last week, RCMP made an arrest.

Ronald Cowan, 18, appeared before Police Magistrate Reid A. Johnston on Thursday and was charged with breaking and entering of the Summerland Groceteria. He was remanded in custody without plea.

Several cartons of cigarettes and about \$25 in silver were stolen from the Groceteria. Entry was made through a trap door in the roof in the same manner that entry was forced when the Groceteria was burgled last April.

Super Valu was also robbed last week and about \$27 in silver taken. Police are conducting intensive investigation which it is hoped will throw light on the Super Valu robbery and also other burglaries.

Congregation Says Farewell to Minister

A congregational "potluck" supper was held on Monday, June 15, in the Summerland United Church hall as a farewell to Rev. and Mrs. C. O. Richmond and their family. Mr. Richmond has accepted a call to Renfrew United Church in Burnaby.

The hall and tables decorated with flowers looked festive when almost 300 people, most of them family groups of grown-ups and children, sat down to a delicious supper, serole or salad and rolls, dessert and beverages were supplied by the ladies of the W.A.

On arrival the men were tabbed with different colored paper on their lapels and were thus assigned specific jobs of clearing tables, cleaning up and of course assisting with the washing up exercises in the kitchen, jobs which were cheerfully done.

Corsages were presented to Mrs. Richmond and Ebba.

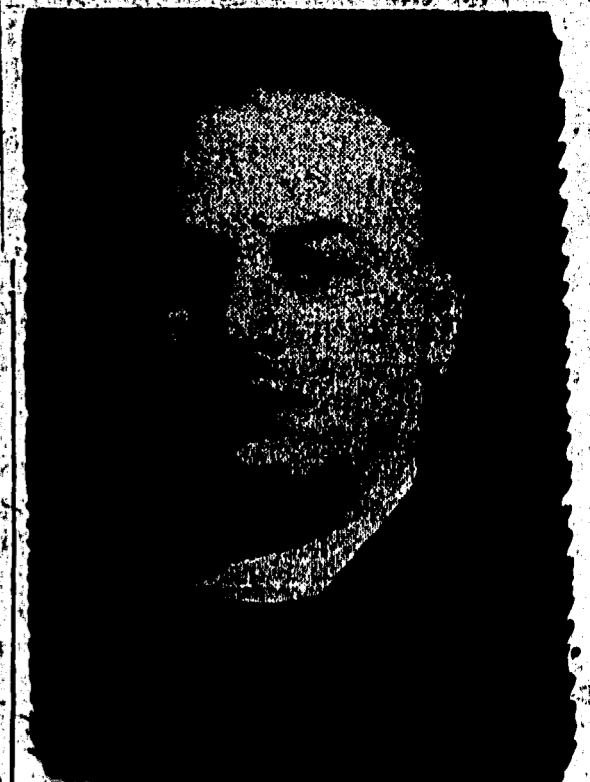

A brief program was presented, everyone taking part in a community sing-song, led by Mr. A. Fleming. Three lively numbers were then given by members of the regular church choir.

Mr. Richmond came to this charge six years ago and

the high esteem in which he was held by the community was expressed by several of the special guests including Rev. Luther L. Sheutze of Keremeos, Rev. J. Kabayama and Rev. Lyle Kennedy of the Summerland Baptist Church all of whom had been closely associated in the work of the church here.

Speaking for the congregation, Mr. A. F. Wright commended Mr. Richmond for his

Orchard Run

By Wally Smith
My eldest daughter is a loyal supporter of the Canadian apple grower. Raised in the Okanagan, she always had all the apples she could eat now, wherever she goes, she buys Canadian apples — Okanagan apples when she can get them.

Now a nurse with an officer's commission in the RCAF, Marion was recently home from Goose Bay, Labrador. On the way home she had occasion to stop at Barrie, north of Toronto, Ont.

Hungry for apples as usual, she bought in a Loblaw store at Barrie a 6 quart basket of CA (controlled atmosphere) storage Mac apples at a price of 85c. This was on May 22.

Four days later she arrived home with half the apples left so I had a good opportunity to inspect them.

The basket of CA storage Macs was printed on both ends in red ink: "Colbright brand, packed by Colbright Orchards Ltd., Colborne, Ontario, Fancy Grade." On the handle of the basket a rubber stamp had been used to mark the words "CA Macintosh."

Sizes were mixed and ranged down to 2 1/4 inches. Color was good for fancy grade and the fruit was firm, flavor was fair. My daughter said these were the only apples she saw in that store and there was a large display of the fruit.

Ever since controlled atmosphere storage appeared on the horizon a few years ago there has been a lot of speculation as to what effect it would have on the Okanagan apple industry.

Here in the Okanagan the industry is conducting experiments with this new method of apple storage and so far mixed results have been obtained.

We have been told that in Ontario CA storage has given satisfactory results on large orchards where they do their own packing. All operations are carefully supervised, only high quality fruit goes into storage and it gets there in the quickest possible time after picking.

It would appear at this time that CA storage is a rather expensive operation, that only high quality fruit be so stored, and that special handling methods be used. All this is justified only if the fruit can be sold at a price high enough to return a profit to the grower.

The Mac apple seems to be particularly well adapted to CA storage and this makes it possible to hold them until May or June when they compete with the sale of Winesaps, a variety heavily planted in the South Okanagan.

How serious a threat this can be to the Winesap grower is a matter for some speculation, but there is little doubt the Eastern apple growers are out to sell every apple they can. Right now Ontario CA storage Macs are selling in Vancouver at 59c for a 3 lb. cello bag.

A Policy Required for senior citizens home

Municipal Council, and rightly so, is not prepared to call a meeting of the ratepayers to discuss plans for a senior citizens home and its financing until it has at least a basic plan and a reasonable estimate of cost.

Council recognizes that to call a meeting without anything concrete to present would likely result in more footling talk and no action.

In view of a recent conversation, however, we wonder if Council and the senior citizens home committee should not also be prepared to make a policy statement on the operation of the home as we are given to understand that some people are wondering.

Bluntly, what some people want to know and we imagine that the question is of more than academic interest to most old timers and those born and raised here is — just who will be eligible to become resident in the senior citizens home?

This is by no means an easy matter to rule upon. On the one hand we have the long-time residents who, over the years, have contributed to the building of the community. On the other hand we have many, many residents who is the autumn of their lives have come to Summerland.

And there is the difficulty — for no

matter what the policy established it will smack of unfairness on the one hand and discrimination on the other.

For our part we cannot see any alternative but to adopt a policy of preference for the people who made Summerland their home, who helped in building the community, who raised their families here.

It is unfortunate indeed that it is necessary to establish discriminatory policy, but Summerland is, perhaps, something of an exception, as it attracts more than the average of older folk who find Summerland a pleasant haven in which to spend their declining years.

Because of this above average incoming flow of older people, it could happen, unless we are prepared to build and expand continually the senior citizens home, that some who spent their lives here, who helped to create the Summerland of today, could not gain admittance.

So, along with the presentation of the plans, and along with the estimate of costs, we think the Municipal Council and the Senior Citizens Home Committee will be well advised to be prepared to enunciate policy on the matter of residential qualifications, when the ratepayers meeting is convened to discuss the whole matter of a senior citizens home for Summerland.

Sail Ho!

Red sails in the sunset, white sails, brown sails, in fact any kind, shape or color of sail is, perhaps, man's best contribution to the canvas painted by nature.

Consequently any idea that will increase the sails on Okanagan Lake and other interior lakes is to be commended and supported, for sail boats add to the picturesque, and the more picturesque, the more tourists and the more tourist dollars to circulate throughout the valley.

So we applaud the suggestion which originated, we believe, in Peachland, that the yachting clubs of the various lakeshore communities, Vernon, Kelowna, Peachland, Penticton combine to stage a Vernon to Penticton sail boat race as an annual event.

It could become a sporting event of international renown, but its main effect, apart from promoting one of the best sports going today, sailboat racing, would be to add a big tourist attraction.

Valley folk and tourists alike lined the shores of Okanagan Lake to watch the Kelowna-Penticton swim marathons, when the most they could see was the occasional gleam of an arm and the black dot of a swimming cap.

How much more so then would they line the lake shore to see a fleet of sailing craft racing down the lake. A thrilling sight if in a brisk wind, a beautiful sight in placid weather and even in dead calm the sailing craft desperately trying to catch a whiff of every breeze, inching into the lead, dropping back, has more to thrill the eye and stir

a grand idea

the sporting blood than any wearisome marathon swim.

What Okanagan Lake needs is more red, white and brown sails in the sunset and we think a good way towards getting them is for the lake yacht clubs to combine and expand the present sail boat racing in meets into a big marathon sail from Vernon to Penticton.

We heartily recommend this Peachland born idea of a Vernon to Penticton sail boat race to all whom it may concern and that is just about everyone interested in good clean sport and in attracting more visitors to the valley.

So, good sailing.

Diary of a Vagabond

BY DOROTHY BARKER

(This week we take pleasure in offering our readers a new feature. It is written by one of Canada's outstanding newspaper editors, Dorothy Barker. For the past nine years Mrs. Barker's column "As I Was Saying . . ." provided an hilarious insight into the domestic life of a busy editor. It contributed considerably to her paper's success as a consistent prize winner in provincial and national newspaper competitions. Recently, the Aurora Banner, published in Ontario, was sold and she anticipated the ease of retirement. But not for long. The creation of her new column "Diary of a Vagabond" which will take our readers across Canada and into the highways and byways of this fast growing nation, will be written in her well known humorous style. We are sure our readers will enjoy reading it each week.)

This was the moment I had so often dreamed about. The one when I could give my typewriter an icy stare, and not turn a hair because my mind was a blank and the linotype operators were out of copy. This was the first morning of my retirement. The silence was awful, not even a mouse licked paste from discarded copy in the WPB.

Behind me was the "rat race" while ahead of me stretched nothing but day after monotonous day of perfect freedom. Was I happy? Was I looking forward to reading the paper someone else had whipped together in the wee, sma' hours of the morning in order to meet a deadline? Was I savouring the lucky break that had placed my feet on the desk and my typewriter-worn fingers in a twiddle?

I was not.

Instead, my head was in a twirl. At times like this one usually takes stock of one's desires and ambitions. I started asking myself questions such as, "What do you want to do most? What has been the greatest lack in your life? Where do you most want to go?"

What did I most want to do? That was an easy question to answer. Now that I am free from the routine of an exacting career as a weekly editor, I want to hop a train and call on other weekly editors across Canada, who are making an outstanding contribution to the nation's progress.

I want to travel to the seat of Confederation, wander in the Peace Gardens on the Canadian-US border, feast my eyes on the grandeur of the Rockies, smell the roses in the Butchart Gardens, and watch the ships of the Canadian Navy sail into Bedford Basin for repairs. I want to tell westerners of the wonders of Niagara Falls and easterners of the breath taking beauty of the foothills seen through a haze at dusk.

The greatest lack in my life had undoubtedly been the need for more time. Time to read, to visit, to know and enjoy more friendships and to know my own country better from coast to coast.

Because there are so many busy men, women, aye and children too, in this rapidly developing nation of ours, I am blessing this opportunity to keep this capsule diary for you about Canada, its people, its customs, its industries popping up all over the land in infinite variety — and above all, to write of its great natural beauty, so many of us miss in our haste-filled existence.

Catch me right here next week, when I write about my first journey in this great new adventure.

Congratulations Graduates . . .

The British Columbia Teachers' Federation offers congratulations to this month's high school graduates.

Teachers are proud of the students graduating from our schools.

As graduates of an educational system which is one of the finest, our boys and girls have received the grounding necessary to prepare them to meet the challenges of further study or immediate employment.

Never has the need for teachers been greater. When they choose their vocation, we hope many of this year's graduates will decide to enter the teaching profession.

To Rebuild Peachland Mill

Decision to rebuild the partially fire-destroyed Trautman Garraway Sawmill, was announced today by Horace B. Simpson, managing-director of S. M. Simpson Ltd., Kelowna.

Mr. Simpson said "we have had to consider many problems particularly in relation to the fire hazard, but we believe we have this solved and we are now endeavoring to locate equipment for a new plant"

Mr. Simpson anticipates it will be from three to four

months before the mill will be working normally, but in the interim, he said, every effort will be made to secure and instal a portable sawmill which, if operating on two shifts, would provide nearly full employment for the mill staff, now unemployed as the result of last Saturday's disastrous fire.

A diesel electric unit has been secured and is now operating the planer.

The fire occurred at approximately 5 p.m. June 6. This

has been the third fire since 1955 when Simpsons purchased the mill from Trautman and Garraway.

The complete mill is estimated at being worth \$250,000 while the damage totalled over \$150,000.

The boiler room, generator plant, main mill, slab pile and some lumber was completely destroyed. This temporarily puts 36 mill crew and 20 bush crew out of work. The payroll was approximately \$10,000 a month.

BANK OF MONTREAL

Family Finance Plan

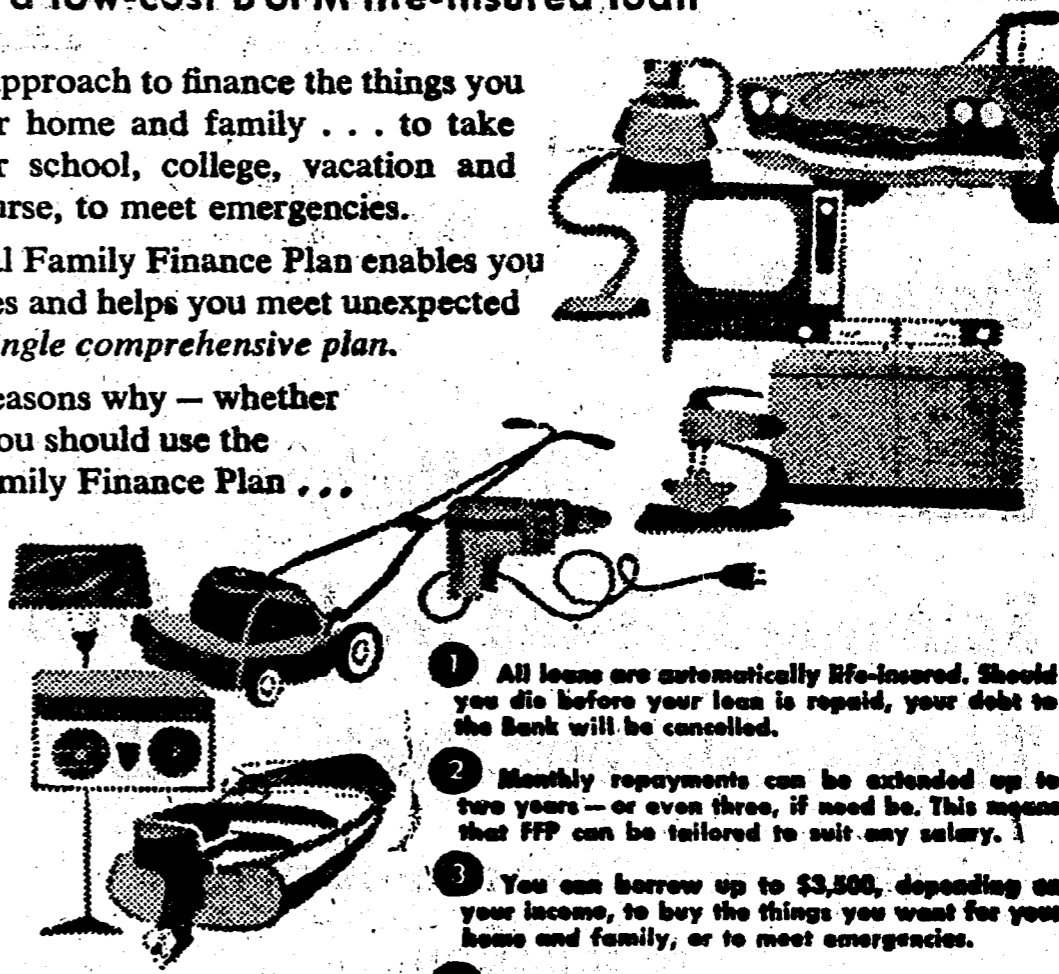

Bring all your personal credit needs **under one roof**

with a low-cost B of M life-insured loan

Here is the modern approach to finance the things you want to buy for your home and family . . . to take care of expenses for school, college, vacation and so on . . . and, of course, to meet emergencies.

The Bank of Montreal Family Finance Plan enables you to plan your purchases and helps you meet unexpected expenses under *one single comprehensive plan*.

Here are four good reasons why — whether single or married — you should use the Bank of Montreal Family Finance Plan . . .

- 1 All loans are automatically life-insured. Should you die before your loan is repaid, your debt to the Bank will be cancelled.
- 2 Monthly repayments can be extended up to two years — or even three, if need be. This means that FFP can be tailored to suit any salary.
- 3 You can borrow up to \$3,500, depending on your income, to buy the things you want for your home and family, or to meet emergencies.
- 4 Planned repayments help you run your income — instead of letting it run you.

If you have a steady income and can make monthly loan-repayments without hardship, you can finance almost any useful purpose through the Bank of Montreal Family Finance Plan. Why not talk to the people at your neighbourhood B of M branch . . . you'll like their helpful attitude. Whether you are a B of M customer or not, you will find a warm welcome.

the Peach Festival.

A very successful square dance party was held on Saturday night in the Youth Centre with the Wheel-n-Stars of Penticton as hosts. Ivan Hall gave a supreme performance throughout the evening with his interesting calling and square dance gimmicks. Eighteen squares of dancers never seemed to tire and the evening passed in what seemed minutes. At the close of dancing the host club served a most delicious buffet supper.

Dancing this week end is at Summerland with the Pairs and Squares as hosts. Ray Fredrickson will emcee and dancers and callers are invited from far and near. Bring along a sandwich and what have you and tea and coffee will be served. This may be the last party night until after the summer holiday, so let's see everyone turn out and make this a big success.

Summerland W. I. Hosts Annual Picnic

One hundred and eighty-one women registered at the International picnic held at the Experimental Farm by Women's Institutes of the south Okanagan, Similkameen and the Homemakers' Clubs of Washington.

Formerly called the "Border Picnic" Summerland invited the gathering since this is the 50th anniversary year of the Summerland Institute.

Registrations were taken by Mrs. W. Jackson and Mrs. A. Harvie of Kelowna WI starting at noon. Buffet luncheon was served at 12:45 from the log cabin with table set up under a marquee on the nearby lawn.

Peachland ladies served tea and coffee while Summerland members assisted in serving many kinds of delicious food brought by everyone.

Following this, Mrs. J. H. Blackey of Westbank, district president, took the meeting, introducing the secretary, Mrs. R. C. Palmer of Okanagan Mission, president of Kelowna WI and a provincial director; Mrs. H. C. Whitaker, of the district board; Mrs. Sandy Fenwick, Summerland president; Mrs. Walter Rothwell, Summerland secretary.

Representatives from across the border introduced were Mrs. Walter Rohrer of Okanagan County, Washington; Mrs. Barbara Duffy, Twiss, Wash.; Mrs. Keith Montanye of Aeneas, Wash. and Mrs. Harold Fort of Manson, Chelan County, Washington, each of whom spoke briefly.

One minute reports were given by the various centres represented.

Peter Phillipoff, the new administrator at the Farm was guest speaker. He outlined the history of early days at the station up to the present time telling the history and accomplishments. He named the men L. M. Robinson, H. C. Mellor,

J. R. Brown, Adam Stark and R. H. Agur, who were instrumental in bringing the Farm to Summerland and stated that the wives were all Institute members, forward looking then, as now.

Various achievements were mentioned all of which had benefits to farms and farmers' wives. Mr. Phillipoff said the Station was now at a stage where it is challenged as to how it is to serve to the fullest extent. New buildings are being added and steps taken for a new administration and library building.

Mrs. John Hunter of Oliver thanked the speaker.

The next picnic is to be held in Washington, date to be set later.

The international gathering closed with singing "America" and "God Save the Queen", and left a warm feeling of friendship between those from the two countries.

Comings & Goings

Mrs. K. Bates, Miss Pat Townsend, Miss Audrey Tyak and Miss Marion Turrigan have returned after a months trip to Eastern Canada and the US. They attended the Dominion X-ray Technician convention in Kingston, Ont. Miss Turrigan has remained for a few days here while the others have gone on to Victoria.

Mrs. A. McGillivry of Winnipeg, is visiting with her son and daughter-in-law, Mr. and Mrs. E. H. McGillivry.

Dr. T. H. Anstey and Mrs. Anstey and family are visiting in Summerland for a week or so.

Mr. and Mrs. Albert Swanson, accompanied by Mr. John Embree have returned from a trip to Portland, Ore., Yakima and Bickleton, Wash. At Bickleton, where Mr. Embree spent his childhood, they attended the annual pioneers' picnic.

Mrs. F. Stewart returned on Sunday after spending a week in Vancouver.

Mrs. C. H. Eisey is visiting in the Cariboo at the home of her son-in-law and daughter, Mr. and Mrs. Philip Robertson.

Mr. and Mrs. L. W. Rumball are on a vacation trip to the Prairies.

Recent visitors at the home of Mrs. W. R. Powell, Trout Creek, were her son and daughter-in-law, Mr. and Mrs. George Powell of West Vancouver and their daughters, Linda and Jennifer.

Mr. and Mrs. Jim Miltimore and family were recent visitors to Salmon Arm.

The Summerland Art Group, who are working toward an exhibition to be held in the Public Library later in the summer met at the home of Mr. and Mrs. Jack Dunsdon on Tuesday. They are presently engaged in outdoor sketches for this art show.

Dr. W. H. B. and Mrs. Munn left Thursday for Vancouver. They were to board the plane on Saturday for Europe. Dr. Munn will attend the Edinburgh medical conference and they will visit England and other parts of Europe during the next six weeks.

Miss May Bateman of Vancouver recently spent a few days visiting at the home of Miss Ruth Dale.

Mrs. Nora Blacklock left Saturday for a visit at the coast.

Barry Wilson, son of Mr. and Mrs. Doney Wilson, arrived last week and left Summerland Friday with his parents to attend the Mitchell-Evans wedding in Vancouver.

Women's Institute Make Plans for Booth at Fall Fruit Fair

The June meeting of the Summerland Women's Institute was held at the home of a member as has been the custom for many years. Friday afternoon 30 members gathered at the home of Mrs. H. R. McLarty and the meeting was held on the lawn facing Okanagan Lake.

The president, Mrs. A. A. Fenwick conducted the business meeting. Report was made that Miss Arlene Embree was the winner of the annual roseball award for the graduate having the highest grades in Home Economics. Miss Embree was also presented with a Women's Institute Cook Book. A motion was passed that the Rosebowl should be kept at the home of the winner for one year and not at the High School as in the past.

A report was made of the interest taken in the "Anti-litter" slogan contest and the

name of the twinner announced, that of Stanley Kita, age 9, whose slogan was "Keep Summerland spick and span, throw litter in the refuse can" Judges were Mrs. W. R. Powell, Mrs. E. M. Tait and Mrs. W. S. Rothwell.

Plans for helping with the women's section of the Board of Trade's Fall Fruit Fair, Sept. 4-5 were discussed. The Institute will have charge of a pie contest and also plan to furnish a booth in the style used in a bed-room and kitchen 50 years ago when the Summerland Institute was organized.

Mrs. M. E. Collas extended the best wishes of the group to Mrs. Fenwick, who plans to leave June 20 for a visit to her former home Edinburgh, Scotland. She will also attend the conference of the Associated Country Women of the World to be held in Edinburgh in August.

Tasker-Young Wed in Floral Setting

Attendants in a harmony of pastel colored frocks preceded Patricia Ruth, daughter of Mr. and Mrs. J. T. Young of Trout Creek down the aisle of St. Saviour's Anglican Church for her marriage to James Edward Tasker, Penticton, son of Mr. and Mrs. E. J. W. Tasker of Oliver. Spring blooms in muted blues and pinks banked the altar, and large candelabra glowed with white tapers for the Maytime wedding. Canon A. R. Eagles heard the couple's vows. Given in marriage by her

father, the golden-haired bride was wearing an Empire-styled gown of nylon chiffon misting layers of bouffant net and satin its bateau neckline defined with lace appliques studded with rhinestones. The long sleeves were in lily-point, and folds of self-material banded the Empire waistline and the gracefully flaring floor-length skirt.

A chapel veil of French illusion was held by a mother-of-pearl tiara. The bride carried red roses and stephanotis to complement her ensemble.

Taffeta frocks styled alike with deep V neckline, brief pant overskirts of organza, taffeta cummerbunds and large back bows were worn by the attendants.

Miss Jacqueline Young, as her sister's maid of honor, was wearing coral, and Miss Arlene Kay, her cousin, was in turquoise blue. Dior-inspired bows of taffeta matched their frocks and they carried nosegays styled from lily-of-the-valley.

Little Miss Marele Wells wore a short full-skirted dress of crisp white nylon with sash tiny white flowers formed her of turquoise velvet ribbon and hair circlet. Blue and white baby mums were in her nosegay.

W. W. Madge was best man and ushers were Allan Nichol of Oliver and James Collen, Vancouver.

Pink lupin, bluebells and lily-of-the-valley set the color theme for table and hall decorations at the reception held aboard the SS Sicamous.

The bride's table was centered with a three-tier cake surrounded by julle and pink roses, and tapers in silver holders.

The bride's cousin, Mrs. F. Kay and her godmother, Mrs. W. E. Guerard, presided at the reception table appointed in crystal and decorated with pink and blue blooms.

Those serving were the Misses Margaret Hansen, Sachiko Kanayama, Audrey May, Edith Morgan, Barbara Wilton, Sandra Hawkins, Loretta Benoit and Joan McPhie.

W. A. Rathbun was master of ceremonies. The toast to the bride was proposed by W. E. Guerard.

Following their return from a motor trip honeymoon to Washington State centres, the couple will take up residence in Penticton.

Among out of town guests were the groom's parents and his grandparents, Mr. and Mrs. Edward Tasker, from Oliver; Mr. and Mrs. W. Falding, Crescent Beach; Miss Joan McPhie and Miss Betty McPhie, West Vancouver; Mrs. J. Wight, Miss Vicki Wight, Mr. and Mrs. W. H. Fleming, Mrs. B. McPherson, Mr. and Mrs. A. Bell, Mr. and Mrs. R. Guidi, Mr. and Mrs. C. L. McKenzie, Allan Nicoll, all from Oliver; Mrs. W. A. Christian, Savona; Mr. and Mrs. J. ... of New Westminster.

Draper-Littau Wed Here

Summer flowers decorated Kingdom Hall, West Summerland, on Saturday afternoon, for the wedding at 3 p.m. of Leona Elvira, youngest of the five daughters of Mr. and Mrs. J. G. Littau when she became the bride of Arthur E. Draper, son of Mr. and Mrs. H. G. Draper of Vancouver, formerly of Summerland.

The ceremony was performed by D. G. Clegg, travelling representative of the Watchtower Society in the presence of 80 guests.

The lovely dark haired bride was given in marriage by her father. Her floor length wedding gown was beautifully designed with the lace bodice having an oval neckline and long lily point sleeves. The bouffant net skirt worn over a hoop and crinolines was accented with flower clusters of iridescent sequins. The sequins were repeated on the two loose back panels of net which floated gracefully from the shoulders to the hemline.

She wore an embroidered net shoulder length veil fastened to her head with a little crown of chiffon and lace embroidered with sequins and seed pearls. Her bridal bouquet of carnations was centered with an orchid.

Two little nieces of the bride were the flower girls, Carla Felker, in blue, and Leanna Littau, in pink. Their short frocks were of net over taffeta, the skirts tiered and lace edged and the back having floating panels similar to the bride's gown. They wore flower circlets in their hair and carried nosegays.

Mrs. Irvin Felker was the bride's matron wearing yellow net, floor length, styled similarly to that of the bride. Her headdress was of matching lace and her flowers complimented her costume.

Irvin Felker was the best man and the ushers were Glen Woitte and Hans Selinger. Mrs. A. Ferlin of Penticton was the organist.

A reception was held in the Japanese Hall at 5:30 p.m. when parents of the bride and groom were assisted in receiving by the bridal party.

Evergreens, flowers and streamers gave a festive air, and the bride cut her three-tiered cake from a lace covered table.

Miss Ramona Radomske, niece of the bride, and Miss Joan Marsh assisted in serving.

For going away the bride wore a smart white linen sheath in sailor effect with white and pastel pink accessories. Her corsage was an orchid.

Among out-of-town guests were the groom's parents, Mr. and Mrs. H. G. Draper of Vancouver; Mr. and Mrs. A. Draper, Mr. and Mrs. R. Draper, Miss P. Bentley and Miss A. Bentley of Vancouver; and Mr. and Mrs. E. M. Thomas of Three Hills, Alberta.

Lemke-Huva Rites in Summerland United

Red peonies, white snowballs and bridal wreath were the lovely June flowers giving the summer setting for the wedding of Nellie, daughter of Mr. and Mrs. William Huva, West Summerland, on Saturday afternoon in Summerland United Church at 5 p.m. Her groom was Larry Herbert, son of Mr. and Mrs. Herbert Lemke, also of West Summerland.

Two hundred and twenty guests witnessed the impressive ceremony conducted by Rev. C. O. Richmond.

Mr. Huva gave his daughter in marriage. She had chosen a beautiful floor-length wedding gown of lace and point d'esprit. The fitted bodice had a scalloped bateau neckline and long lily-point sleeves with the lace extending into a front panel. The full skirt over white satin was hooped and crinolined. A chapel-length embroidered veil was arranged with a white satin crown with sequins and seed pearls. The bride carried red roses in the June tradition.

As maid of honor, Miss Esther Huva, the bride's sister, was charming in ballerina-length yellow chiffon. She wore a white linen pill box hat with tiny veil and carried a nosegay of pale pink carnations.

Mrs. Donald Cristante and Mrs. George McAdam, bride's matrons, were gowned similarly to the maid of honor.

The sweet little flower girl was the bride's niece, Joanne Huva, in a short mauve lace frock. Her hair was encircled with white flowers and she carried yellow carnations in a nosegay.

Bruce Lemke was best man for his brother and ushers were Donald Cristante and the groom's cousin, Dwain Greer of Vancouver.

Kenneth Storey was the organist and while the register was signed Miss Lynne Boothe sang "I'll Walk With God."

At the reception following immediately in the Youth Centre, Mr. and Mrs. Huva and Mr. and Mrs. Lemke were

assisted in receiving by the bridal group.

Decorations were pink and white streamers and white bells and on the tables, bowls of summer flowers. The brides table had bridal candle holders and red roses on a lace cloth, where the accent was the three-tiered wedding cake decorated by Mrs. Ralph Gibbard.

Rueben Huva, brother of the bride, from Westbank was master of ceremonies. Edwin Lekei proposed the bridal toast with reply by the groom. W. T. Beasdale gave a toast to the attendants with the best man responding.

Later, guests danced to the music of Reid's orchestra.

For motoring to California the bride wore a pretty sheath

flowered in dark brown and orange with a beige linen duster and beige and orange accessories. Her corsage was of white and orange flowers.

The couple will make their home in Chilliwack. The groom is a provincial government fisheries' officer at Cultus Lake.

Among the out of town guests were Mrs. H. O. Ohsberg, Edmonton; Henry Huva, Regina; Mr. and Mrs. Gary Huva, Joanne and Dianne of Williams Lake; Mr. and Mrs. Jack Conley, California; Mrs. Matilda Wiest, Chilliwack; Mr. and Mrs. Ray Jester, Kelowna,

Mr. and Mrs. H. H. May, Fernie Hogg, Mrs. Russel Moracy, Mrs. Marie Aikins, all Penticton; Irvin Lemke, Mr. Vi Blue, Dwain and Gay Greer, Mr. and Mrs. Arthur Lemke, Mrs. Glen Campbell, Mr. and Mrs. John Stellick, Mr. and Mrs. R. Norman and sons, Vancouver; Mr. and Mrs. William McMullen, Armstrong; Mr. and Mrs. Percy Knowles, Mr. and Mrs. Monte Olsen, Mr. and Mrs. Barry Scotin, Haney; Mr. and Mrs. Can Fleebe, Coquitlam; Mr. and Mrs. Paul Demers, Kamloops; Mrs. Robert Gale, North Bay, Ontario.

STRICTLY INFORMAL

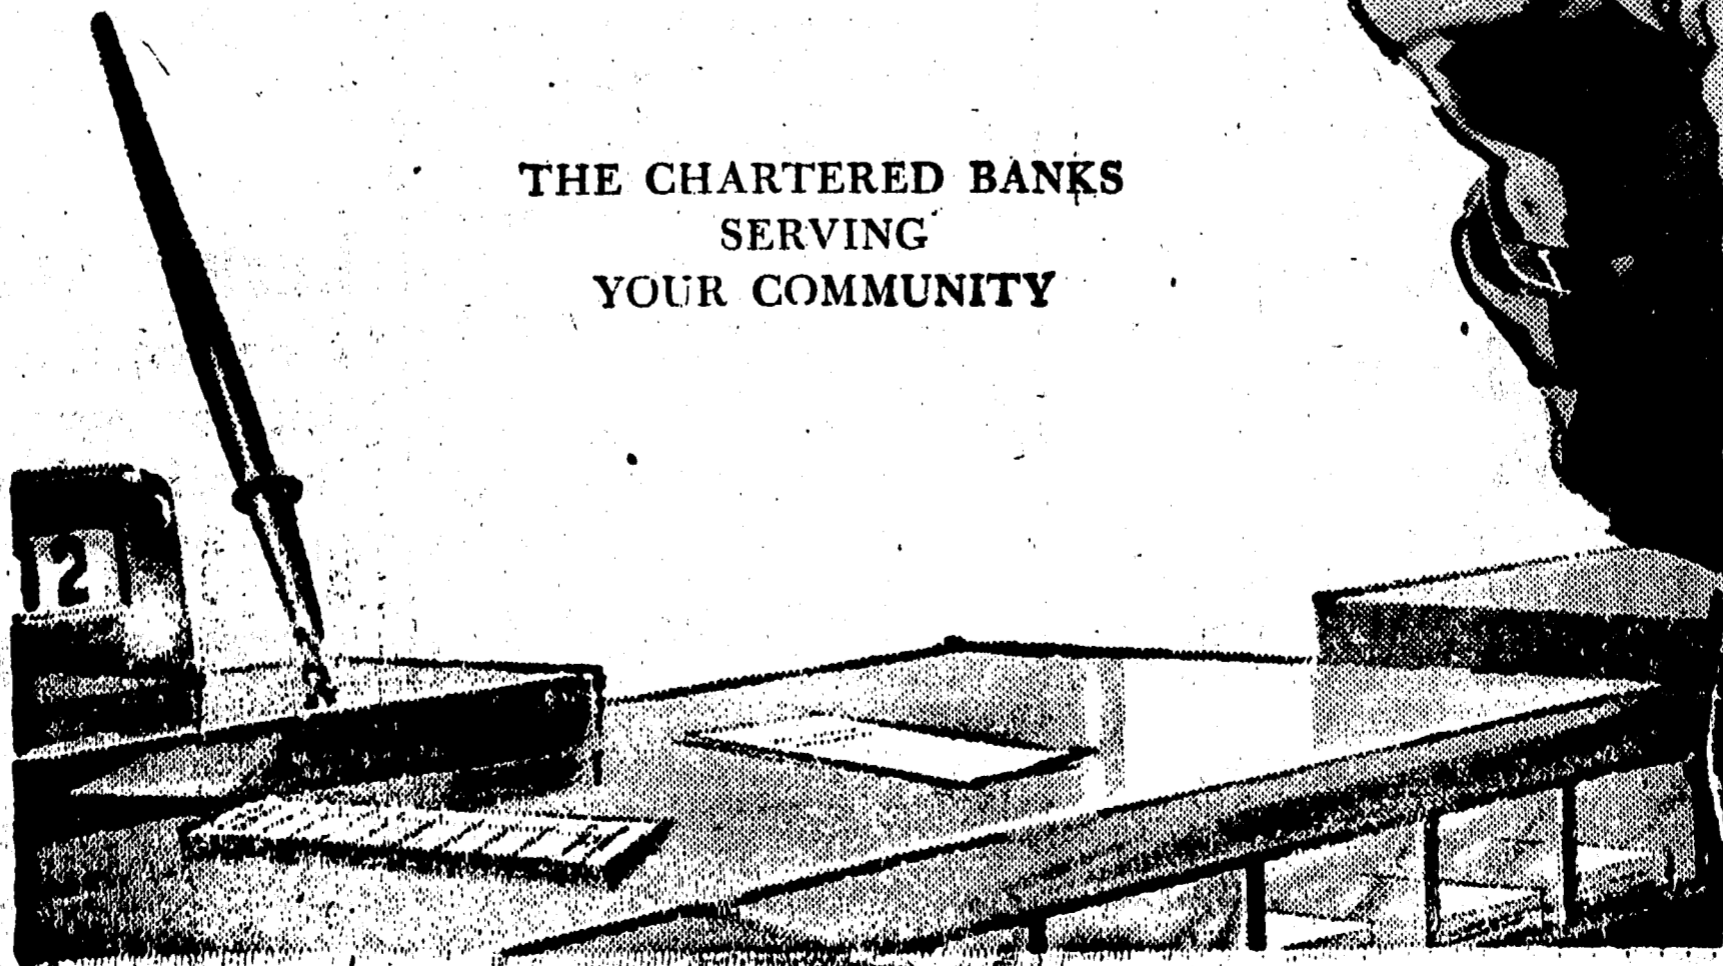

Once he finishes his banking he'll be off for a little fishing.

Like millions of other Canadians, he finds the local bank a handy, friendly and familiar place where he can drop in as casually as into the corner store. He knows there is nothing formal about banking.

Bank premises are designed, and bank personnel are trained, to provide speedy, efficient and convenient service in an easy and informal way.

Timely Travel Tip Can Save Worry And Money, Too

It can be mighty embarrassing when you run short of ready cash while travelling. Yet no one likes to carry around large sums of cash because there's always the danger of loss or theft.

What's the answer then, on your next vacation or business trip?

More and more people are finding the easiest and safest way to carry funds for travel purposes today is in the form of B of M travellers cheques. Any bank in Canada and most hotels and stores will cash them readily — because you counter-sign each cheque only when you cash it.

Thus the person cashing it knows right away that you and only you are the rightful owner. This feature makes B of M travellers cheques useless to everyone except their purchaser. What's more, if your B of M travellers cheques are lost, destroyed, or stolen, the bank replaces them.

So before you set off on that next trip, stop at the West Summerland branch of the Bank of Montreal and buy as many travellers cheques as you think you'll need. The service charge is negligible and the peace of mind is wonderful.

Earl Smith, the accountant, or any member of the staff will be glad to help you make any other arrangements for your travel financing. If your trip is an extra long one, and you need a large sum, travellers letters of credit are available from the B of M, and if you are going abroad, there are special travellers cheques available at every branch.

Speed Through Trout Creek Junction Concerns B. of T.

Summerland Board of Trade is concerned over the recently established 60 mile an hour maximum speed limit, insofar as it applies to Highway 97 from the Trout Creek bridge to past the junction. The traffic safety committee will give some study to the matter during the summer recess.

The Board of Trade adjourned for the summer last Thursday night and will not reconvene until September. Committees however will be active.

Work is proceeding on the float which will be entered in the Kelowna Regatta and the Penticton Peach Festival parades.

The Fall Fruit Fair committee will also continue active preparing for the big show on the Labor Day week end.

Eight candidates for the honor of being the Board of Trade Queen will appear at a Desert Party to be held on Saturday night, June 27, in the IOOF Hall. The eight lovely

Conaregation

Continued from page one un stinting service over the years and on their behalf presented a gift from them, a wallet containing a sum of money.

On behalf of the young people's group, the Hi C Club, Ted Hannah presented Mr. Richmond with a photography gadget bag and in thanking them, Mr. Richmond remarked that working with the young people of the church had been one of the very happy aspects of his work. Rev. Kabayama, representing the Japanese congregation who hold services in this church on Sunday afternoons, presented a lovely red lacquer bowl to the Richmond family.

Prior to this occasion Mr. Richmond had been given a tie clip and cufflink set by the members of the Junior Choir. Although they will be missed when they leave to make their home in Vancouver, the Richmonds will be periodic visitors to Summerland, having acquired a summer cabin at Peach Orchard.

Fish and Game

Continued from page one President Stoll spoke on obtaining a road to Penask Lake stating that a preliminary survey has been made.

Two resolutions were passed by the meeting, the first being to investigate the ownership of the access to No. 1 Dam at Headwaters and ascertain if a fee can be charged to people using the road. The second asked that an inquiry be sent to the regional biologist for information regarding the culb's request to poison coarse fish in Garnett Valley Dam.

Before the meeting adjourned, Harry Dracas spoke briefly on the work being done by the Yacht Club and extended an invitation to inspect the new breakwater.

contestants, sponsored by various organizations, will be judged and the Queen and

Princesses chosen.

Guest speaker at last week's Board meeting was M. P. Finnerty of Penticton's CKOK vice president of the B. C. Chamber of Commerce, who reported on the Chamber's annual meeting.

Home Run Gives Aces 4-3 Win Over Legion

Don Crisanti's home run clout gave the Summerland Macs Cafe Aces a 4-3 win over the Penticton Legion here last Thursday to take league leadership. But it is a close race and this Thursday the top spot is again at stake

when the Aces meet the climbing Marshalls.

Keremeos in a double-header league fixture with the first game scheduled for 3 p.m. and the nightcap starts at 7.

All games at the Memorial Park playground.

On the Rifle Range

By Herb Simpson

The first evening shoot, held on Friday evening was well attended, but unfortunately, the overcast sky made it possible to shoot only one range, 10 shots at 200 yards. The evening shooting would work out very well in clear weather.

Steve Dunsdon had little difficulty in overcoming the strong breeze and different light conditions as he scored 49x50. Other scores were: George Dunsdon 46, H. Richardson 44, Ted Dunsdon 44, Art Dunsdon 44, Len Shannon 43, Bert Simpson 43, Cliff Dunsdon 43, Ron Dunsdon 42, Roy Bertram 38, Harold Felker 38, Don Tait 36, Wayne McCargar 36, Dick Dunsdon, 35.

This week we welcome Alex Kalinin and Don Tait to the club.

Let's have as many as possible out to the next practice on Sunday morning commencing at 9 o'clock, as it is the last shoot we will have before attending the Kelowna invitational shoot June 28.

B of M Family Finance Plan

Development of a new form of consumer-finance loans by the Bank of Montreal, providing facilities for Canadians to consolidate all of their credit buying under a single life-insured loan, with a single monthly payment, was announced, G. Arnold Hart.

Mr. Hart said the system announced by the bank's president would be known as the "Bank of Montreal Family Finance Plan." It goes into operation at all of the bank's 781 Canadian offices today.

Personal loans under the new arrangements will be made for practically any purpose in amounts up to \$3,500, while repayments will be scheduled over periods up to three years, where required.

Such loans will be automatically life-insured

Many of the loans will be made on an unsecured basis, although chattel - mortgage, and other types of security may be taken where such collateral is normal. The main consideration in making loans will be the customer's ability to repay, without hardship, from regular income.

Interest will be six per cent a year on the actual outstanding balance, plus a charge to cover the cost of processing and service, Mr. Hart explained, adding "The overall cost to the customer of a loan under the new plan is lower than generally prevails for consumer-financing in Canada and is particularly attractive for a life-insured loan.

The B of M plan includes a special feature which Mr. Hart referred to as "ever-ready credit." Under this provision, the customer may arrange for a standby personal credit, based on his income and commitments, and available for his use at any time. He is thus free to make purchases at will and issue cheques on the spot up to the limit of his prearranged credit.

"The bank's new plan will by no means be restricted to loans for the purchase of items normally bought on in-

stalments, but will also be readily available for many other purposes such as medical and dental bills, education expenses and vacation costs," Mr. Hart said. "Neither he added, will the plan be confined to purely family purchases, but will be equally at the disposal of the single person."

The Summerland Review

WEDNESDAY, JUNE 10, 1959 VOLUME 14, NO. 24

WEST SUMMERLAND, B.C.

A twisted mass of steel with the big planing machine towering a steel skeleton from the ruins, shows the devastating effects of the fire which destroyed part of the lumber mill which is a mainstay of Peachland's economy.

\$150,000 Blaze Cripples Peachland's Big Industry

NEAR DISASTER struck in Peachland at approximately 5:00 Saturday, June 6th when part of the Troutman and Garraway sawmill burnt to the ground. This has been the third fire since 1955 when Simpson purchased the mill from Troutman and Garraway. The complete mill is estimated at being worth \$250,000 while the damage totalled over \$150,000. The boiler room, generator plant, main mill, slab pile and some lumber was completely destroyed. This temporarily puts 36 mill crew and 20 bush crew out of work. The payroll was approximately \$10,000.00 a month. The origin of the blaze has not yet been determined but there was no fire and the boiler had been washed out for inspection on Sunday. The Peachland Fire Truck, the Westbank Fire Truck, equipment from the Forestry and many volunteers fought the blaze and kept it from spreading to the dry kiln, the planer, lumber and logs. The big question now is whether or not rebuilding will take place. Officials have not released the answer to this question as of yet.

M. P. Finnerty to Address Board

Guest speaker at Thursday night's Board of Trade meeting will be Mr. Maurice P. Finnerty, well-known Penticton businessman, who is this year the vice president of the B.C. Chamber of Commerce. Mr. Finnerty will report to the members on the recent annual meeting of the B.C. Chamber.

This is the final meeting before the summer recess, however the Board executive and many committees have a full program of work and activities for the summer.

Major event will be the 3rd annual Fruit Fair on Sept. 4 and 5. Planning for this event has been going on for several weeks under chairman Fred Schumann.

Selection of Summerland's royal party for this year will be made at a Dessert Party to be held at the IOOF Hall on Saturday, June 26. When

the public will have an opportunity to meet the eight lovely contestants.

Summerland will again enter a float in the Keowna Regatta and Penticton Peach Festival parades.

THE REVIEW IS DIFFERENT

Think there is something different about the Review this week? Well there is — it's shrunk in page size and expanded in thickness.

Reasons behind this change to tabloid are many. The big reason being that we think we can make a better presentation of the news with a multiplicity of pages. For example, sport always seemed to be getting lost in the makeup, but now, if you turn the pages you will see that the sport page has been grouped and from now on we hope to make it an interesting and informative section of the paper.

The new size also enables us to give our advertisers a better display.

We have had opinion pro and con, but so far, although only a few have been introduced to a dummy makeup of the new size, the vote is running two to one in favor of the tabloid. We hope you like it.

Two Food Stores Here Burgled In One Night

Some slim hipped thieves smashed through the roof into the Summerland Groceteria again some time during the dark hours of Tuesday night and Wednesday morning, and, presumably it was the same gang which earlier, or later, forced the basement door into Rumball's Super Valu.

Silver to the amount of \$25 was taken from the till of the Groceteria and a like amount was taken from Super Valu.

Cartons of cigarettes, candy bars and miscellaneous goods were stolen from the Groceteria but it appears that the thieves were either in too much of a hurry or thinking more of money than goods when at the Super Valu.

They ransacked the office and did some wanton wrecking in the deep freeze.

For the Summerland Groceteria this is about the ninth time it has been burgled and the last time on the night of April 1. The same pattern was followed, prying up of a trap door in the roof and smashing through insulation and ceiling board.

At the Super Valu the thieves used a crow bar to force the basement door.

Efforts of MP Are Appreciated

Council instructed Municipal Clerk Gordon Smith to write a letter to David Pugh MP for Okanagan Boundary, expressing appreciation for Mr. Pugh's efforts on behalf of a breakwater (now constructed and in use by the Summerland Yacht Club for this community.

EDITORIAL

SOMETHING MUST BE DONE

The burglary of two Summerland stores last night is something that cannot be shrugged off with the comment, oh well, they're insured.

Insurance companies are not benevolent societies and when they are called upon to pay out again and again, they respond with higher rates or by refusing to "cover".

Summerland undoubtedly needs more protection but how this should be provided is a moot question. An extra policeman, which would enable a night patrol to be maintained, would be a costly business, although the most equitable method of spreading the cost over the community, for remember this, the community has an interest, high insurance rates must of necessity be reflected in the prices of goods sold over the counter. They are part of the overhead and so the public pays in one way or another.

A cheaper way could, perhaps be found, by having the municipality meet half the cost of a patrol man who could be on duty say, from midnight to 6 a.m.

The merchants and other businesses would, by levy, pay the other half.

A civil patrol officer, patrolling on foot would, we think, be the best answer to the problem. One thing certain, if we sit on our hands we can expect more, for as the saying goes, nothing succeeds like success, and it is all too easy for a gang hovering, but not yet committed to crime, to think, well if they can get away with it, so can we.

The Review thinks action, fast action, is called for.

Try Dust Laying Oil To Build Up Roads

On the recommendation of Councillor Eric Tait, Municipal Council, Tuesday, authorized an experiment in road surfacing which at the same time will help allay the dust nuisance on the road involved.

Councillor Tait, supported by superintendent of works Ken Blagborne recommended that council should review its dust laying program.

"Our major effort over the last few years has been towards road building and blacktopping but now we have reached a point that roads that will never be blacktopped are being increasingly used and with a corresponding increase in the dust nuisance," the chairman of the roads committee stated.

"Taxpayers on those roads are entitled to consideration" Councillor Tait continued, "and I think more attention should be given to dust laying."

The proposal, approved by council is to experiment with alongside the Tait orchard a road running of Highway 97

this year that has already been oiled. This will be left strictly alone until next year, when it will be graded and oiled again and the process repeated a third year. It is believed that this will give a reasonably good hard surface, even though liable to pot holing.

Superintendent of Works Ken Blagborne pointed out that as much as \$2,000 would have to be spent just preparing a road for blacktopping and that it could be oiled for ten years for that amount, while building up a surface.

Graduation

Because of a combination of dark room hazards and pressing troubles last week's graduation pictures were far from satisfactory and also pictures of several of the outstanding students were unavailable. So, to give the class of 1959 a send-off we've given them a two page spread in the middle of this 16 page issue of the Summerland Review.

Orchard Run

BY WALLY SMITH

Useful Tool

One of the most useful pieces of equipment on the fruit farm is the tree tiller, especially for young trees.

We are told that young fruit trees do better when the soil is clean and cultivated, and the tree tiller seems to be the ideal machine for cultivating the soil around the tree.

The tree tiller is a tractor mounted machine and like other machines attached to, and powered from the tractor, the job of attaching the machine to the tractor and detaching it can consume a lot of useful time during the busier seasons of the year.

I once had a side mounted mower of the sickle bar type. It did a good job of mowing, gave little trouble, but the hour it took to couple the mower to the tractor discouraged its more frequent use. I gave it up in favor of a rear mounted rotary mower that takes only 10 minutes to hitch up.

The rotary mower has other advantages too, of course, but the quick mounting feature is quite important in the small orchard where there is only one tractor and a variety of jobs to perform.

An Easy Way

Mounting my tree tiller took a lot of lifting and prying and heaving and blocking up until I found an easier way. This is not found in the manufacturers' instruction books, unless it has been put there very recently, but I find it a comparatively easy and quick way of mounting a tree tiller on a Ford or Ferguson type tractor. It may also work with other makes.

First thing is to get the tiller under the tractor and directly below its position when mounted. I find this is most easily accomplished by circling the tractor around the rear of and close to the tiller. Cramp the front wheels to the right to just miss the left arm and ball joint.

Cramp the tractor around as sharply as possible and you will finish up with the tiller in the right spot underneath the tractor. If not quite right a little jockeying back and forth with the tractor will soon put it right.

Now hook up the rear bar, then attach the hydraulic hoist and lift the tiller up till the ball joint fits the bracket. Line it up and push in the pin. The rest of the job is easy routine.

HIGHER RETURN

In Canada the return per dollar invested is higher on sheep than any other farm animal. Sheep are the only farm animals producing a prime product, wool, from grass alone.

FRIDAY, JUNE 5, NINETEEN HUNDRED AND FIFTY-NINE

Tradespeople Have Right to Community Patronage

Patronize local industry and merchants — is a cliché that has been in use for years but there are many people in this day and age who give serious thought to its implications.

Recently, at a joint meeting of the South Central Board of Health and the Okanagan-Mainline Associated Boards of Trade a resolution was introduced respecting the control and distribution of milk. The most pertinent clause in the resolution asked that every carton of milk that is produced for consumer consumption be date-stamped.

This clause was inspired by the fact that many consumers have from time to time complained of having received stale milk.

It now transpires that fresh milk produced in the Kamloops-Okanagan area of milk production is particularly well protected by local health units, in one instance the cartons are date-stamped, and the quality complies in every respect to the high standards set by the government.

As against this high quality product, produced right here at home, is milk offered for consumption in some Okanagan communities twice weekly from Vancouver, a distance of 400 miles.

Graduation Controversy Again

It appears to us that our Summerland students can take a bow insofar as their graduation dance and after party have become history without hitting the headlines.

Graduation behavior is again one of the current topics of discussion in the province's press. It appears that the high jinks at the after party at the Courtenay High School led to a riot and so the old game of the pot calling the kettle black — the students blaming the adults, adults blaming the students. Teachers blaming the students. Teachers blaming the parents, parents blaming the teachers. The school board shouldn't have allowed it — the school board isn't responsible — teachers aren't responsible for what students do outside school — and so on.

Our own opinion is that too much is made of graduation, particularly when, at the time most ceremonies are held, no one knows just who has, in actual fact, graduated.

Even so, we somehow can't go along all the way with an contemporary of ours

Here is the striking example of the tendency on the part of some of the public to purchase consumer commodities elsewhere but within their own community. The fact that the product was purchased from a source outside the immediate community is no criterion that the quality and price is more favorable to the purchaser.

Briefly, we believe the issue is this, Summerland has excellent tradespeople in all fields of commercial enterprise. Their merchandise and services are equal to that found elsewhere and prices are in line because they must of necessity compete.

These tradespeople live and carry on their respective businesses in this community because they do, because their business success is dependent on their reputation and proven ability to retail or furnish services of a satisfactory quality, residents of the community can deal with them in perfect confidence.

It is a safe rule to investigate before you buy — but it is a safer rule to buy merchandise and services from your own community outlets. In doing so you are helping to establish a strong community economy and build a better community in which to live.

who in the Comox District Free Press advocates doing away with what he calls the "Graduation Farce".

No, despite the fact that to some extent it is phoney there is something about a graduation ceremony which we like. We like to listen to the Valedictorian, who usually has something worthwhile to say. We like the heads high — here we come old world, look out! — attitude the grads adopt at this time. It would be better, much better, of course, if the education department could arrange things so that those were real diplomas instead of just hopeful symbols that are handed out.

But if that can't be managed we still think the youngsters should have their day — as to behaviour — it seems to me that is an all round responsibility of student, parent and school.

If the simple fact of graduation transforms a normal teen-ager into a howling drunken sex obsessed hoodlum — then school home and church might well ask, what is that this we have wrought — for it is still true that as the twig is bent, so grows the tree.

But, before condemning anyone it is very necessary that those sitting in judgment should be able to distinguish clearly between what is uproarious high spirited horse play — the kicking up of heels of young colts let loose — and behavior approaching viciousness and above all, let's not condemn graduation and the graduation dance and party, and the graduates as a whole, when, as it usually transpires, the vicious element is in the minority.

And so, to the Summerland grads of 1959 we say we're glad you had your party and good luck.

Notice

To my many friends in Sum-
merland. I am sorry that I
must close my property to
those anglers of which are
many very sincere and honest
people, because of a few light
fingered nose-rosey people.
Last year I had to buy extra
locks for the doors because we
could not leave the house for
two hours without someone
entering and helping them-
selves, and on several occa-
sions they failed to close a
tricky door. This year with the
fishing coming up many good
people are again enjoying
their favorite pastime, but
again a few spoil the respect

of the well meaning people of
Summerland. I have a neigh-
bor who served notice with
the RCMP that if my chick-
ens came over on his prop-
erty they would be shot and
I would be subject to prosecu-
tion. Some of these people
who came up fishing? have
let my birds out twice in the
past ten days once while we
were having lunch, then again
Sunday afternoon — fishing
perhaps. George Weber's pro-
perty will also be closed to
fishing owing to petty theft
and leaving cattle gates open.

Turnbull-Jones Wedding In Ontario

A wedding of much interest throughout the Okanagan Valley and particularly in W. Summerland where the groom was born and received his early education, was solemnized at Trinity Chapel, Camp Borden on May 21.

The bride was Kathleer Gondera Jones, daughter of Sgt. and Mrs. Ross Jones of Camp Borden and the groom was L. Corp. Arthur Donald Turnbull, youngest son of Mr. and Mrs. Dave Turnbull of Victoria, formerly of West Summerland.

Chaplain Major J. L. Read officiated at the double ring ceremony.

The petite dark haired bride made a charming picture in her beautiful floor length gown of embroidered white organza over taffeta. The waistline veil was held in

place by a rhinestone coronet. Enhancing the richness of the bridal gown was the bouquet of deep red roses carried by the bride.

Her only attendant, Miss Joan Macpherson, wore a very becoming gown of beige net over taffeta, with beige accessories and carried a bouquet of pink and white roses.

A reception at the home of the bride's parents followed the ceremony. The three tiered wedding cake was made by Ms. Elsie Pharey of N. Vancouver, an old friend of the groom's family and also groom's godmother. The cake was beautifully decorated by two of the cooks stationed at Camp Borden. The toast to the bride was given by an uncle of the bride, Mr. Don Jones of Los Angeles, California, with the groom suitably responding.

Out-of-town guests included Mr. and Mrs. Dave Turnbull parents of the groom, of Victoria, formerly of W. Summerland and Mr. and Mrs. Stan Shane of Naparee, Ont.

Following a short honeymoon the bride and groom have now taken up residence at 16 Wellington, St., Barrie, Ontario.

The Thrift Shop, operated by the Summerland Ladies business on Saturday, June 6 Hospital Auxiliary, opened for and customers were interested in goods offered at bargain prices.

Members who were on hand to staff the shop were pleased with the response, both with the donations brought in and the interest shown. More donations have been promised and will be much appreciated.

The shop is in the old Library Building and will be open each Tuesday and Saturday from 2 to 5 p.m.

Wait For Official Canvass for CNIB

Preliminary plans are being made for the annual fall canvass for funds by the Canadian National Institute for the Blind in this province.

The Summerland and District branch chairman, Mr. W. S. Rothwell would like to point out that this appeal will be carried out by local volunteers. No other authorized appeal is made and the public is warned that any person canvassing for funds before that time is not connected with the CNIB.

Suggestions Asked for Mental Health Brief

South Okanagan residents are asked for any ideas they might have pertaining to mental health in the Okanagan. The American Bhychiatric Association has been engaged by the B.C. government to conduct a survey of mental health services throughout the province. A brief is being prepared to the association when it visits the Okanagan and suggestions from Valley residents will be included. There will not be a meeting of the South Okanagan Union Board of Health before August. Therefore suggestions for the South Okanagan brief can be sent to either F. Ivor-Jackson, Trepanier post office Peachland, or Dr. D. A. Clarke at Kelowna, South Okanagan Health Unit director.

Mrs. Flora Bergstrom Elected President of Summerland P.T.A.

The regular meeting of the Association followed by the annual meeting and the election of officers was held on Thursday, June 4 in the library of the High School.

Mrs. Flora Bergstrom was elected president, Mrs. T. Campbell, vice president, Mrs. M. Greenslade secretary, Mr. Doug Campbell treasurer and committee heads, Mrs. D. Blagborne, Mrs. A. Gronlund, Mr. and Mrs. A. K. Macleod, Mrs. C. R. Adams.

The P.T.A. had a busy year. A rummage sale for the piano fund, sponsored the Holiday Theatre, festival high lights concert and a piano recital by Miss Kay Hamilton's pupils, for the bursary fund.

Mr. J. R. Pollock, director of visual education with Mr. Kirkman, gave a demonstration at one regular meeting and Mr. Jake Longmoor, vice principal of Grand Forks High School later spoke on Teacher Parent Conferences.

Three panel discussions: the athletic programs in schools, uniform type of dress for the schools and a discussion on the report card were well attended.

There were two extra meetings to work on briefs to the Royal Commission on Education. One dealing with the brief submitted by the B. C. Federation and the other the Summerland brief covering four topics. Also a resolution has been submitted to the P.T.A. convention, cosponsored by Penticton and Trail, for detention facilities for young offenders.

The retiring president, Mrs. Adams thanked the executive for their co-operation. Preparing the brief for the Chant Commission was much appreciated. Mrs. Adams spoke of her real enjoyment in her association with the school and the opportunity to know the teaching staff better. Mr. Macleod in particular, had been most generous with his help and encouragement. She ship with those responsible for the education of their children.

At the regular meeting it was decided to write to the School Board asking them to enquire into the feasibility of introducing grade 13 into the hoped that parents in increas-

ing numbers would take the P.T.A. way to a better understanding of school problems and a real sense of partnership. Summerland school system to take care of a possible large class in 1961. Also it was proposed to ask the Board to do all in its power to speed the

addition of an activity room washroom facilities and class rooms to relieve the present overcrowded condition in the McDonald School.

At the close of the meeting, coffee was served in the Home Ec. room and the P.T.A. adjourned for the summer months.

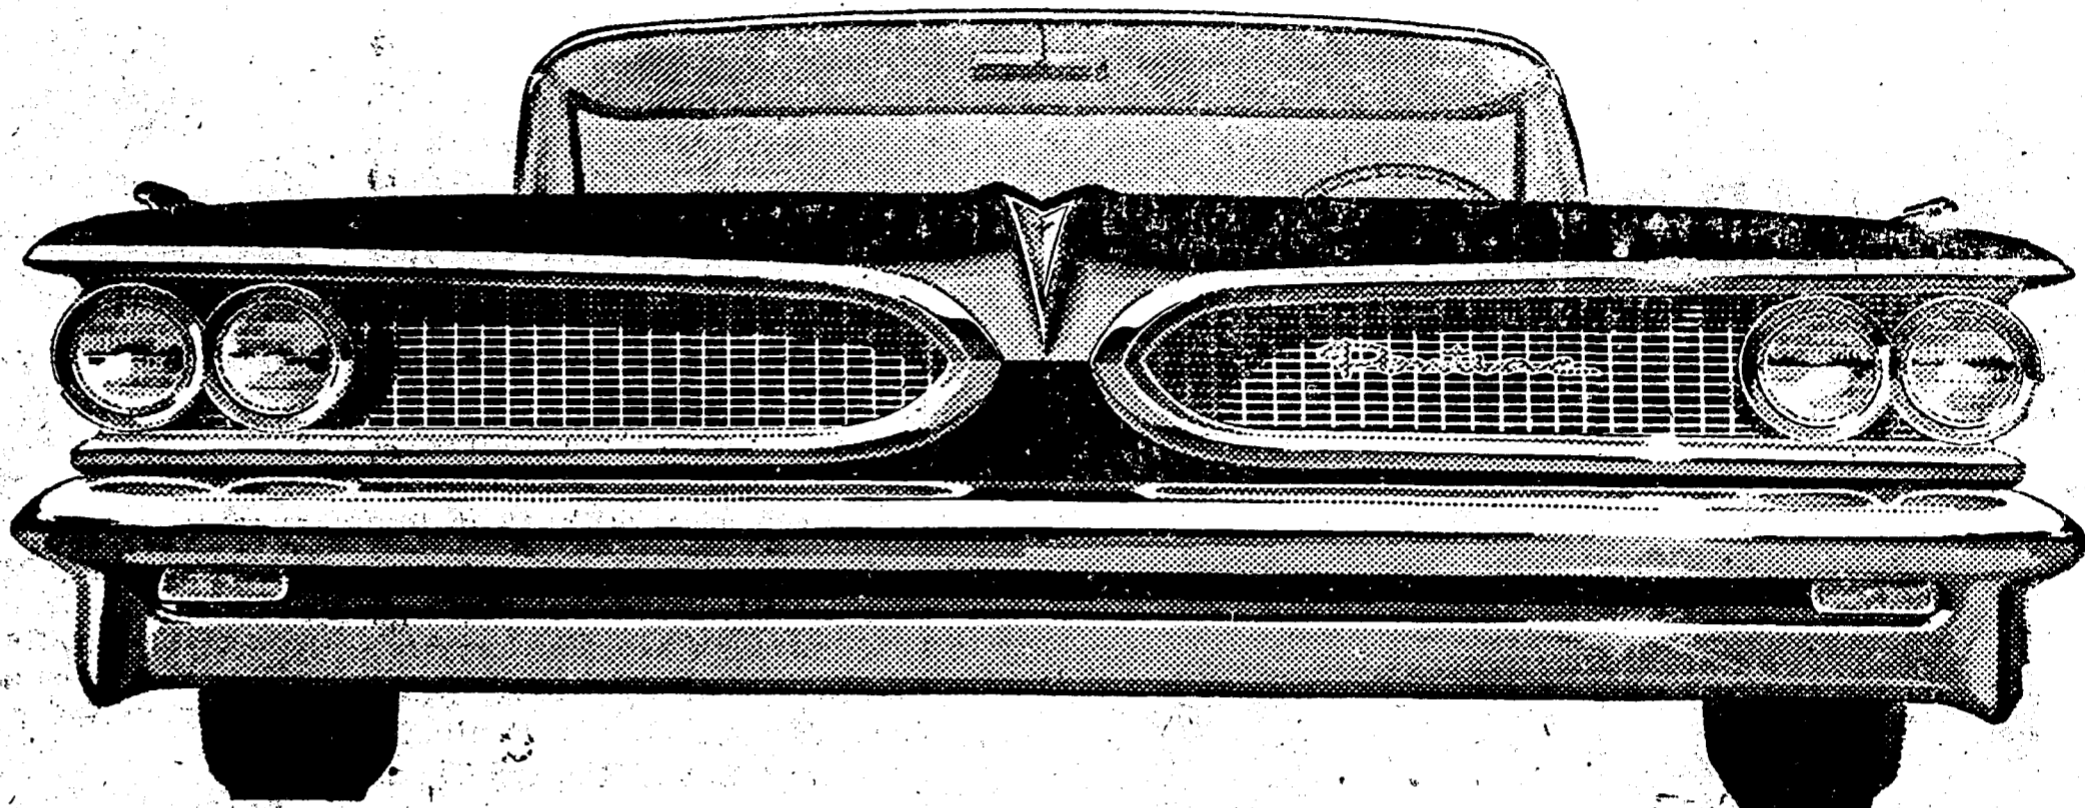

Count F. M. Knuth of Knuthenborg, Denmark, was a visitor to Summerland over the week end and was a guest at the home of Reeve and Mrs. F. E. Atkinson. Count Knuth is one of the largest apple producers on the continent and is presently enjoying a world tour which has taken him to Indonesia, New Zealand and many other Pacific Islands.

To The Graduates

Behind me lies my outgrown self,
 I softly close the door,
 Before me waits the wide white road
 I have not known before.
 I know my Lord will share that road
 And knowing He's along,
 I'll take the stride from old to new
 As easy as a song.
 The sky will wear familiar blue
 Wherever I may be
 The hills will seem the hills of home
 With Him along with me.
 Though doors must close and new ones loom
 With thresholds all untried
 I could not wish it otherwise
 The world is far too wide
 And God's dear love is far too great
 To let me cease to grow,
 Lord I have much to learn of life
 And many miles to go.
 Yes, miles to go and hills to climb,
 With new stars on each height,
 Till I can look life in the face
 And see with your clear sight
 Till I can see life whole and good
 And from your point of view
 And graduate at last to be a little more like You.

Red Sox Defeat Keremeos 11-1

The Summerland Junior Red Sox knocked over the Keremeos Rattlers in a regular league game in Summerland on Sunday by a score of 11-1.

Sheeley went all the way for the Red Sox, holding the hard hitting Keremeos boys to 2 hits and not being in much

trouble at any time.

The game blew wide open in the 2nd inning when the Red Sox jumped on Evans, Keremeos starting pitcher for 9 big runs, on 5 hits and two errors. He was relieved by Bush who held the Red Sox to 2 runs and 3 hits for the rest of the game. The Keremeos run came in the 5th when Evans got the jump on Sheeley and stole home.

This win consolidates Summerland's hold on third place and sets them up to take over the top spot in the league after the next couple of games.

Macs Cafe Aces Play Thursday For Top Spot

Summerland is faring better in the senior softball than it is in senior baseball.

The Summerland Macs Cafe Aces currently sitting in second spot in the league, and who will play Penticton Legion here Thursday night in a game that could put them on top of the heap, last Sunday blasted the Summerland Centennials 7-0 in an exhibition game at Memorial Park.

Jerry Howarth held the visitors to only one hit as the Macs, held scoreless until the fourth inning, opened up to the tune of seven runs. It was one of the best games so far this season, but a rousing game is anticipated Thursday when

the Penticton Legion and Summerland Macs battle for top spot. Game time 7 p.m. Place Memorial Park.

On the Rifle Range

BY HERB SIMPSON

Thirteen members turned out to practice on Sunday morning, three more than last week, and we were also very pleased to see some spectators at the range.

Two 10 shot matches were fired at the 500 and 600 yard targets and although the weather was very good the scores were certainly not very high.

Al McCargar finished in top place with 92x100, followed by Art Dunsdon with 91, and Steve Dunsdon with 90.

Other aggregates were George Dunsdon 89, Phil Dunsdon 89, Ron Dunsdon, 86, Bert Simpson, 85, Wayne McCargar 83, Louise Atkinson 81, Harold Richardson 81, Harold Felker 82, Dick Dunsdon 72, Roy Bertram 71. We welcome Roy, a resident of Summerland of only a few months, as a member of the club. He is no stranger to rifle shooting, but this was his first shoot on the local range.

It was decided to try evening hooting instead of Sunday morning practices, as several members found the latter to be very inconvenient. With the long summer evenings it should be possible to shoot two 10-shot matches before dark, so the next practice is called for 6:30 Friday evening and it is hoped that everyone will be there as early as possible.

BEST, FINE RESULTS, LOW IN COST TOO

According.. to the Mood

By SID. GODBER

Golly! here it is June and I've missed up on both my annual boasts. So let's go back to March 1954. The Penticton Vees were meeting Vernon in the first round of the league playoffs. The Vees were two games down and yours truly had a lung collapse and went to hospital. Enroute to hospital I thought the first thing those doctors will tell me to do is to quit smoking — I was a three pack a day man then — so, being of the stubborn breed, I made up my mind to beat them to it and to quit smoking. The doctors never told me to quit, but I stayed with it and to this day I'm a non-smoker.

Reminded of the foregoing last week when attending the funeral of that grand old man Dad Palmer. Jim Fairburn, Kev Conway, Ernie Bathgate, Jack McFaggart and Doug Kilburn, all that is left in these parts of that famous team which won the world championship were on hand to pay final tribute to a grand old man who was in every respect a true sportsman.

The wide regard hockey players had for Dad was shown in the attendance at the funeral of George Agar, Jack King, Orv Lavalley and Willie Schmidt, from the Vernon Canadians.

But to get back to the annual boasting — here I am still a non-smoker — but I suspect a grumpier character because of it.

And to those who defy warnings of the perils of smoking I again offer the writings of an unknown poet on the subject:

Tobacco is a dirty weed — I like it
It satisfies no normal need, I like it,
It makes you thin, it makes you lean
It takes the hair right off your bean
It's the worst darn stuff I've ever seen
I LIKE IT."

Likewise another date in my life which gives me cause to blow my own trumpet, May 27.

Yes I know, I shouldn't make things tough for my fellow man, but how many men can claim after 22 years of married life that they haven't forgotten, not once, their wedding anniversary. That's the proud record of yours truly — it wouldn't be so remarkable maybe, if I was a good hand at remembering dates, but I'm not. But I never forgot May 27 — the anniversary of the day I surrendered.

Young Pupils Win Scholarships

Additional study with the Okanagan branch of the Canadian School of Ballet has been assured young pupils who were awarded scholarships at recent examinations conducted by Miss Peggy Whitely of the Royal Academy of London, England.

They were in a group of more than 40 candidates who successfully passed examinations following a year of training under the direction of Miss Gweneth Lloyd and Mrs Betty Farrally at the Okanagan School.

Among grade 2 pupils receiving scholarships and honors were Jennifer Penney daughter of Mr. and Mrs. Bev Penney, Trout Creek, Summerland. Jennifer began dancing with Miss Mary Pratten of Kelowna.

Highly commended on receiving her scholarship was Elaine Dunsdon, daughter of Mr. and Mrs. Jack Dunsdon. Elaine also began dancing with Miss Pratten and has been with the Canadian School of Ballet since it opened studios here in 1958.

Passing in grade 2 was Mary Moran of Trout Creek and Jennifer Penney, Trout Creek.

Successful candidates from grade 1 were Darlene Swinerton and Susan Lonatecki Trout Creek; Betty McInnes and Wendy Kaatz, Summerland and Frances Maddock, Summerland.

Passing in the primary class were Heather McDermid, Trout Creek; Judy Clarke and Marlain Shannon, Summerland.

Council Presentation Greatly Appreciated

Appreciation for the bouquet of flowers sent to Mr. and Mrs. Tom Washington by the Municipal Council, on the occasion of their sixtieth wedding anniversary, was expressed in a letter Council read at Tuesday's meeting.

"... and the beautiful princess refused to marry the Prince and he lived happily ever after!"

Home Nursing Exam Result Announced by Civil Defence

Iyan E. Phillips, civil defence officer in Summerland, announces that the St. John Ambulance home nursing course completed here recently was an outstanding success.

The course was conducted under the local Civil Defence organization.

Mr. Phillips said that throughout the 10-week course all students showed consistent enthusiasm while working and studying under their instructor, Mrs. Eric Smith, who was assisted by Mrs. F. Smith and Mrs. Gordon Smith.

In the examinations conducted by Mrs. G. C. Johnston for the St. John Ambulance Association, all 17 students passed.

Those qualifying for the St. John Ambulance certificate, to be presented shortly, are: Emily Fetterer, Lorette Gudelot, Lois Jackson, Jean Skippings, Ann Felker, Kate Greenslade, Beatrice McKee, Hazel Doherty, Olga Pushar-enko, Marguerite Raham, Marguerite Sunderwood, Bernice White, Helen Anderson, Laura Loban, Martha Ganzeveld, Mary Squire.

Preparations are already being made to run the second course this fall.

Nine-year-old Coins Slogan

A slogan contest in the "Anti-litter" campaign sponsored by the Summerland Women's Institute, has been completed and the winner's name announced. Stanley Kita, aged 9, grade 3, MacDonald School submitted the winning slogan: "Keep Summerland spick-and-span, throw litter in the refuse can"

Ninety two entries were received from the elementary schools.

The slogan will now be used in a poster contest in the Junior High.

Celebrate 20th Anniversary

On the occasion of their 25th wedding anniversary Mr and Mrs. F. J. Manning were entertained by relatives and friends at the home of Mr. and Mrs. T. S. Manning on Saturday evening, May 23rd. They were presented with a gift by Miss Corrine Davidson, after which refreshments were served from a table prettily decorated with tulips and pink candles and a decorated anniversary cake.

Among those present for this special occasion was Mrs. F. J. Manning's mother, Mrs. Davis of Three Hills, Alberta.

Shower Honors Nellie Huva

Mrs. Adam Huva and Mrs. Edwin Lekei were hostesses at the home of the former recently when they entertained for a popular bride elect of Saturday, Miss Nella Huva. Jerry Huva wheeled in a shower of lovely miscellaneous gifts in a decorated baby buggy which had been that of the bride-to-be when she was little.

Enjoying the social evening were the bride-elect's mother, Mrs. William Huva, the mother of the groom, Mrs. H. Lemke, Mrs. Marvin Greenslade, Mrs. Adam Felker, Mrs. John Smith, Mrs. Adam Arndt, Mrs. Henry Mohr, Mrs. Henry May, Mrs. Adam Lekei, Mrs. Eric Soderquist and Miss Esther Huva.

Refreshments were served by the hostesses.

Opinion Differs on Location of Stop Signs

Trout Creek Parent-Teachers' Association are not satisfied with the location of the "stop signs" at the road junction immediately north of the Trout Creek School. But Council cannot understand why the PTA wants a stop sign when traffic at this point enters a 15 mile an hour school zone. The stop signs are so placed as to provide a through road. The letter from the PTA asking Council to reconsider was filed.

Work Authorized In Summerland Arena

Council authorized expenditure of \$431 as a starter on a program of strengthening the arches of the Summerland Jubilee arena which calls for reanchoring and tightening of the bracing cables.

This will be done in stages and the money voted is sufficient to provide for three runs of cable, cable guard blocks to prevent them cutting into the wood of the arches, an anchor collar to take strain from the foot of the arches and cable and turnbuckles and to pay labor costs.

There are 12 roof arches in all and seven runs of cables.

Splendid Reply to Cancer Appeal

Summerland contributed \$1,463.95 to the Cancer Fund during the recent canvass conducted by the Summerland Kiwanis Club.

Kiwanian Fred Schumann, chairman of the campaign half of the Cancer Society and committee, expressed on behalf of the Summerland Kiwanians their appreciation of the splendid and generous response of Summerland residents to the cancer fund appeal.

Care of Your Lawn

At this time of the year there is always someone, somewhere putting in new grass. The first thing to remember about grass is that it is a permanent thing.

By that I mean, that to get it off to a good start it is necessary to get as much good compost or some form of humus worked into the soil and good dusting of the seed bed with a complete fertilizer raked into the seed bet a few days prior to seeding. After the grass is up and requires cutting it should be lightly rolled and left for a day to firm it otherwise the mower wheels will sink in and score it.

In any new lawn there will be weeds, don't be in a big

hurry to get in there and dig them out. Most of them will be annual weeds which will be killed by the first or second cutting. After the lawn has been cut a few times and there are any dandelions or dockers or any other broad leaved weeds take a knife and apud them out. It is not recommended to use 2,4-D to kill weeds on a lawn that is less than a year old.

As annual weeds will continue to grow up, the answer is requent cutting.

Tying to grow grass successfully under trees and in other shady spots always presents a problem. If the soil is light and sandy chewings Fescue can be used with some success but if the soil is on the rich side meadow grass would be the seed used.

Another thing to remember is not to get into the habit of tending to make the grass shallow rooted. It is much better frequent light sprinkling, this to give it a good soaking when it requires it.

We have already mentoned crab grass and moss, but there is another thing that is getting into lawns around here. It is perwort, which looks like moss but is much more dense and harder to eradicate. If you see any of it the best thing to do is to cut it right out and reseed. I have noticed some people using pelwort between stones in a rough walk, this practice is not to be recommended as pelwort spreads by the seed slinging to your shoes and so being spread into lawns.

Another aspect of lawn care that is too often neglected is the regulating of the height of the cut. As the weather gets warmer the grass should be allowed to grow a bit longer. A two inch cut in hot weather will keep your grass green and also discourage weeds, especially crab grass. If the lawn edges are kept trimmed and the little ditches cleaned out the whole place takes on a neat and well cared for appearance.

There are two schools of thought on whether to leave the lawn clippings lay or rake them off. I subscribe to the idea of not allowing them to ception of a few times during

the hot weather when there is not much to cut. In this the short clippings are shrivelled up by the sun and soon disappear. Lawn clippings should be put on the compost pile, or alternately, strewn between the rows in the vegetable patch as a mulch.

On no account should they be used in the srawberry patch as they stick to the berries and are very hard to get off. They (the clippings) can be used as a mulch around raspberry canes

On Saturday, June 6 about twelve squares of dancers from Vernon to the U.S. border danced away the evening to the ever popular emceeing of Les Boyer. The Kelowna Wagon Wheelers were hosts for the evening and the dance was in the Centennial Hall.

Starting on Friday, June 12 the Peach City Promenaders are commencing their summer dance program. Free dancing every Friday night in the Centennial Pavilion on the Lakeshore. This program continues throughout the summer until the Peach Festival.

Also, this week end is a dance hosted by the Wheel-N-Stars club of Penticton in the Youth Centre. Dancing starts at 8:00 p.m. with Ivan Hall of Ephrata, Washington as emcee and caller. Supper will be served by the host club.

Miss. Kay Hamilton's Pupils Featured In Piano Recital

A most interesting and entertaining evening was enjoyed by those who attended a piano recital given by Miss Kay Hamilton's senior pupils in the High School Auditorium on the evening of Friday, June 5.

Miss Hamilton might well have used the quotation "great oaks from little acorns grow" as the title of her concert, for the introductory numbers were played by tiny, fair-haired Sharie Rundle followed by Marilyn James and John Bennest. Trudy Gartrell was to have been included in

this group but a slight accident took her to hospital and her place was taken by Mary and Jane Foster who ably played a duet.

The next group included Anee McLachlan, Julie Brown Elaine Warren, Betty Brown, Carol Lloyd, John Rathjen, Frudy Schwab, Dorelyn Duccommun, Darlene Miller and Doug Lynn. Linda Rumball, Judy Betuzzi and Nora Emery provided variety by playing two numbers each. Miss Hamilton introduced each number by giving a short explanation which added both interest and pleasure.

After an intermission Mr. W. Brown introduced a trio consisting of cello, violin and piano in which Mrs. Hookman, Mr. Brown and Miss Hamilton appeared in a delightfully presented work by Pleyel. This was followed by

numbers featuring the more advanced pupils: Linda Betuzzi, Don James, Laverne Lynn, Anthea Morgan, Marjorie James, Ruth Lapins and climaxed by three beautifully executed selections from Bach Hayden and Chopin played by Carol James.

The concert was concluded with three numbers played with vivacity, ease and assurance by the trio, Mrs. Hookman, Mr. Brown and Miss Hamilton.

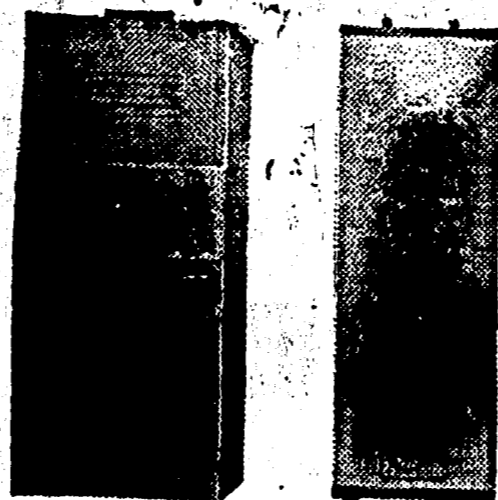

The proceeds from the concert were donated to the PTA Bursary Fund.

ANSWERS TO PUZZLE

Member Reports

By David Pugh, M.P.

Today, Friday the 29th, sees the end of a week devoted almost entirely to the debate on the Energy Bill. I have just come down from the Chamber as I wished to get this off in today's mail. Already we have had two standing votes and there is a possibility of a further vote before the close today.

As your representative I had the honour to attend the Governor General's Ball on May 27. This was indeed a wonderful affair and to me most enjoyable. It was held at Government House Ottawa, and the guests were received by His Excellency the Honourable Vincent Massey. I could not help noticing the many beautiful dresses worn by the ladies present. There were many in national costume representing the Diplomatic Corps. The men were for the most part in uniform and all wore medals and the whole scene was very striking indeed. Although the evening was hot and humid as only an Ottawa evening can be, most of the guests escaped discomfort by sitting out in the spacious gardens surrounding the residence.

On Wednesday, June 3, I fly to London to attend the Atlantic Congress as a delegate of Canada on the NATO Alliance. The Congress is to be held in London from June 5 to the 9, bringing together six hundred and fifty delegates. Canada's delegation will consist of fifteen members of the Senate and the House of Commons and thirty non-parliamentarians who have distinguished themselves in industry, commerce, banking, labor unions, mass media, universities, the professions, agriculture and other major aspects of Canadian life.

The purpose of the Congress is to consider ways and means of developing closer and more effective co-operation between North American and European members of NATO. The Congress will consider problems in the fields of political, economic and cultural, as well as military affairs.

The meeting in London will provide an opportunity of examining the record of the NATO countries as members of the alliance, the prospects of their development into partners in a community and the problems of relations between the NATO countries and the free and uncommitted world as well as relations between the NATO countries and the Communist bloc.

The Atlantic Congress, a major event of the 10th anniversary year of the North Atlantic Treaty, will be opened in Westminster Hall on the morning of Friday, June 5, by Her Majesty Queen Elizabeth just prior to her departure for Canada. The opening and closing ceremonies will be telecast across Europe on Eurovision.

REV. ROBERT H. HARPER

GREAT ISSUES WITHIN

WHILE we are striving to learn more of the great space and some are even dreaming of going to the moon and perhaps beyond, others are intrigued by things so tiny they cannot be seen without the aid of powerful magnifying glasses. And in that world of infinitesimally small things, man has discovered the powers that can split the atom and bring a threat to the very persistence of men on earth.

But more wonderful than the secrets of the atom are the thoughts of the heart and the soul within man. The good Book tells us that "out of the heart are the issues of life."

Much is being said and written about the responsibility of holding the atom bomb. Heavy indeed is the responsibility of hoarding a stock pile of atom and hydrogen bombs. Likewise there is a heavy responsibility in being the keeper of a human heart. For out of it will come the issues that will decide a life destiny for weal or woe.

Promenade

Two meetings preceded the Workshop held May 24 in the Youth Centre, West Summerland, the first meeting being the Caller and Teachers Association. A discussion regarding printed mimeographs being distributed to all Callers and Teachers, covering all new basic patterns of square dances, also cues for all new round dances being taught at these Workshops, was held in abeyance until the fall meeting. Six very beautiful dances were shown by Les and Ruth Boyer, Bill and Leona French and Fred and Verna Proulx. From the six dances shown the Callers and Teachers picked two to be shown to the dancers, these being: The Star Waltz and Billy Bayou.

The second meeting of the afternoon was the Okanagan Square Dance Association. Business of this meeting centred around arranging party nights in the area far enough apart so as not to conflict. It was pointed out that there were eight active clubs in the Association and that two dances would be necessary each Saturday. Suggestions from the clubs will be presented to the Association at their fall meeting when it is hoped that this matter can be settled satisfactorily. Election of officers took place with Ray Fredrickson being elected as president; vice president Bob Votter and sec. treas. Jim McNeil.

WEST-SUMMERLAND, B.C.

Old-Timers Home Here Razed by Fire

Fire completely destroyed the home of Charles Wharton, at about 4 a.m. Tuesday, removing an old landmark and rendering one of Summerland's old timers homeless.

Charles Wharton is resting today in the Summerland General Hospital, but apart from a slight case of shock appears to have suffered no ill effects from the early morning ordeal.

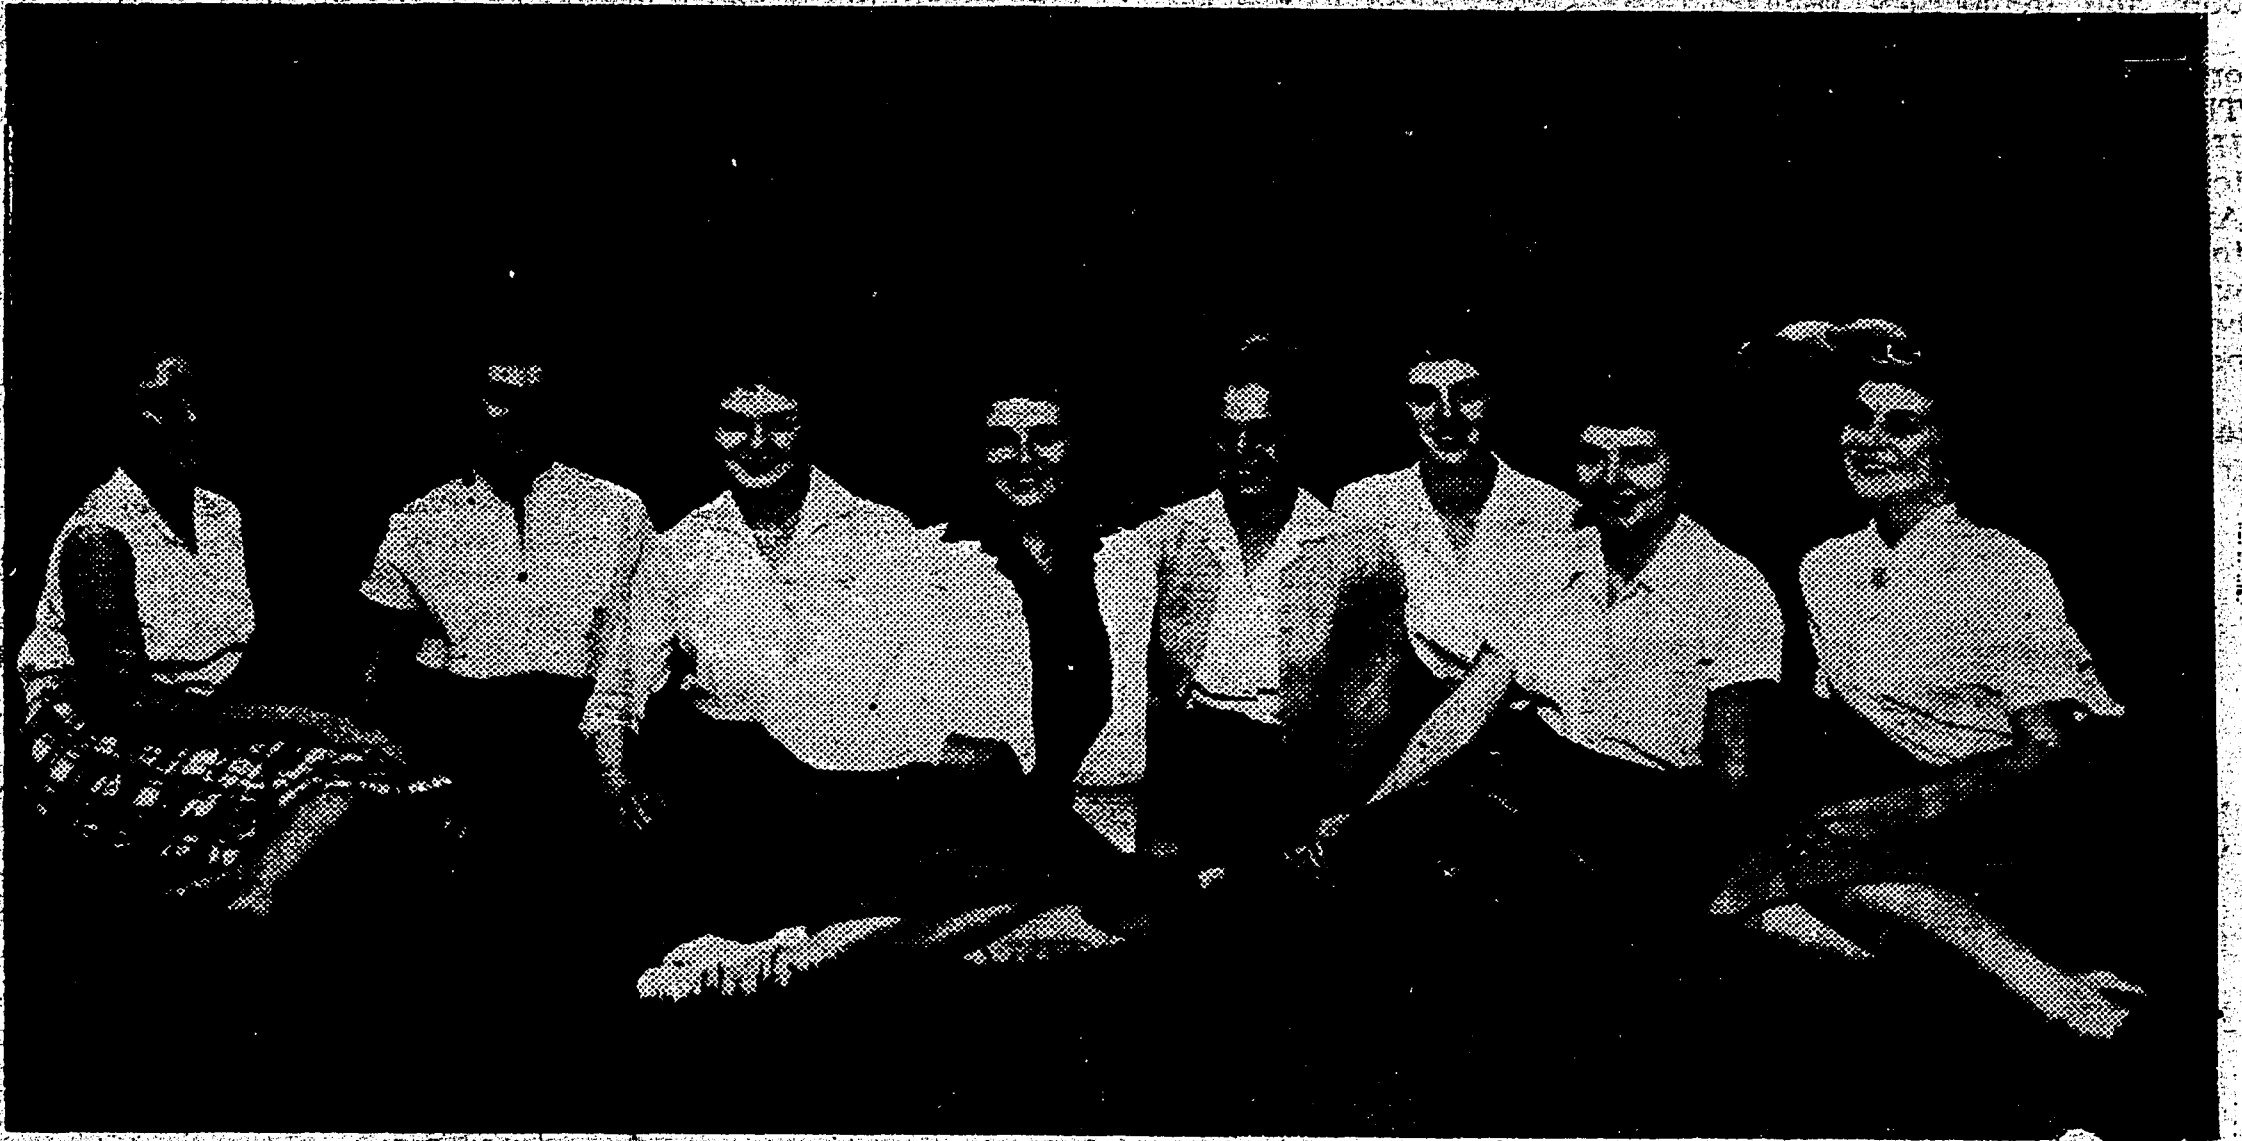

Despite being handicapped by arthritis Mr. Wharton managed to save a few of his belongings before being driven from his home by the flames.

The fire originated with the oil stove when Mr. Wharton was preparing a cup of tea.

Mr. Wharton, who is a veteran of the first World War, is a life-member of the Summerland Board of Trade, the honor being awarded for his selfless community work, especially in regard to children.

Charlie started the first ice rink creating an ice pond in front of his home on which many of the adults of Summerland learned their skating through the seasons from Charlie Wharton.

The fire had too strong a hold before the alarm to give the Summerland Volunteer Fire Brigade a change to save the structure.

Summerland Queen Will Be Named at Party Saturday

OREGON STATE COLLEGE—Stanley W. Porritt of Summerland received a Doctor of Philosophy degree at the 90th annual commencement exercises at Oregon State College, June 8.

Board of Trade Sets Up Fund To Aid Charlie Wharton

Summerland Board of Trade have set up a Charles Wharton Fire Fund to receive cash donations to assist Mr. Wharton in replacing his possessions lost by fire. Donations may be left at the Summerland Grocetera, Holmes and Wade, or at office of Board Secretary Lorne Perry. Mr. Wharton is a Life Member of the Summerland Board of Trade, a recognition given to him in appreciation of his many years of devoted community service in operating Summerland's outdoor skating rinks.

Summerland citizens plus their visitors are invited to drop around to the IOOF Hall this Saturday evening, June 27 between 7.30 and 9.30 and enjoy the delicious Strawberry Shortcake being served at a Dessert Party.

This will be the second appearance of Summerland's 8 Queen candidates and the judges decision as to who will be this year's Queen and Princesses will be announced at 9:30.

The Summerland Band will give an outdoor concert opposite the Hall.

Mrs. Lloyd Shannon is head of the Queen Committee of the Summerland Board of Trade and suggests that the whole family drop in for some refreshments while shopping on Saturday night.

The candidates and their sponsoring groups are:

Lynn Bleasdale, Teen Town; Joan Young, Fire Dept.; Emilie Bonthoux, Canadian Legion; Elinor Raincock, Retail Merchants; Phyllis Young, Retail Merchants; Rosalie Young, Kiwanis Club; Louise Shannon, Kiwanis Club; Leona McNabb, Rotary Club.

Horticultural Society Meets

Mr. Wm. Snow addressed the June meeting of the Summerland Horticultural Society. His subject was flower arranging fr shows.

Red Cross Open House and Display of Work Next Tuesday

Summerland branch of the Red Cross will hold Open House on Tuesday, June 30, before declaring a summer recess. Mrs. T. W. Boothe, workroom convenor announces.

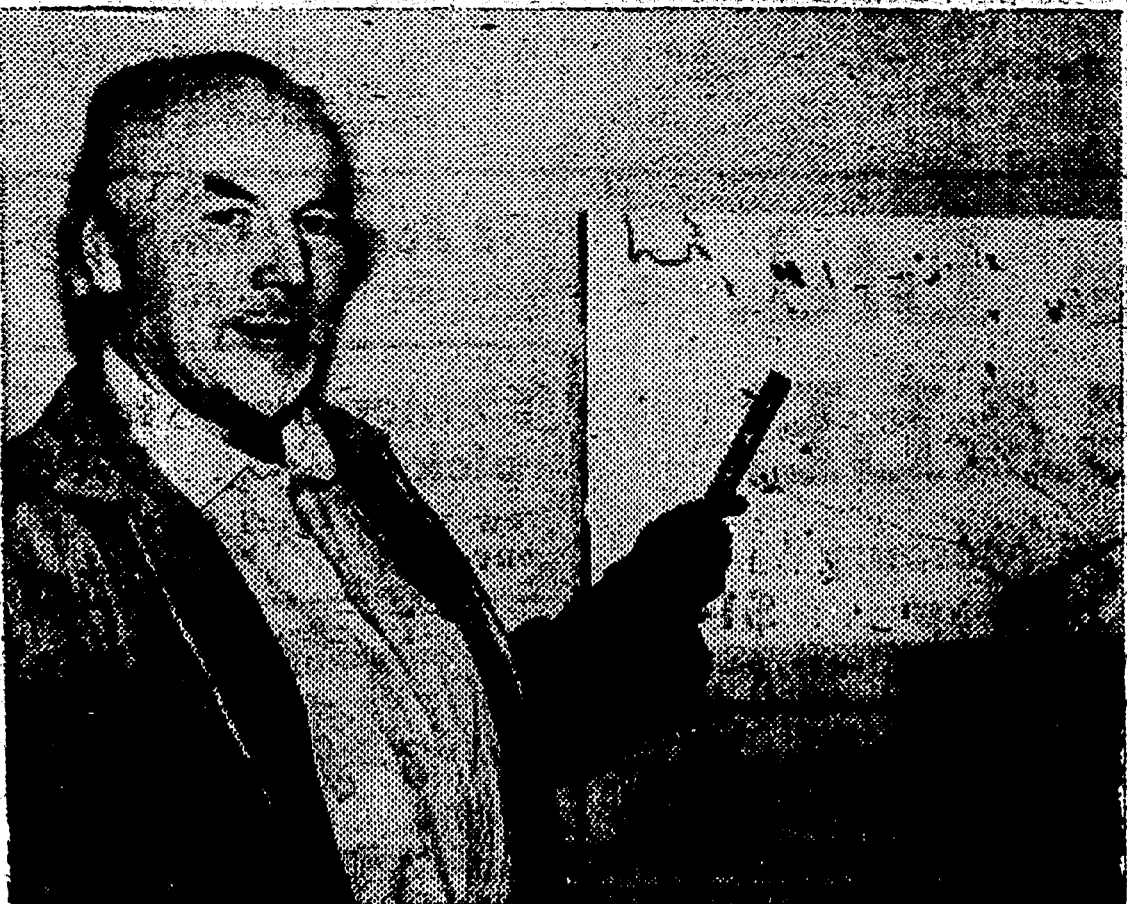

Workers are busy completing articles which will be on display for the occasion and then will be shipped to headquarters in Vancouver.

All members of the Red Cross are invited to drop in for tea that day in the Volunteer Services' room of the Health Centre.

Even Printers Must Sleep Sometimes

Owing to mechanical difficulties and the fact that a man must sleep sometime, the Review regrets that it was necessary to condense this edition.

A considerable body of news which we were unable to get set, has, perforce to be held over until next week.

L. L. Wartes of West Point, Connecticut, looking something like Uncle Sam, is pictured above pointing with a piece of copper ore at the possible site of a copper mine within 35 miles of Summerland. Mr. Wartes is the geologist in charge of deep diamond drill explorations of the Brenda Lake Copper find, 30 miles west of Pausland. The area has been previously explored, but only shallow drilled. Mr. Wartes says of the venture, "It is a legitimate venture that needs to be done." The syndicate involved also thinks so, as they will spend from \$50,000 to \$100,000 on the explorations.

Women's Federation Birthday Meeting

Thursday, June 18 Summerland's Women's Federation celebrated its annual birthday meeting.

Mrs. J. Dunsdon, president, welcomed visitors and members. Mrs. Edgar Gould led the worship by reading the 1st chapter of Isaiah. Mrs. R. Chapman read a paper on democracy, stating that only under Christianity could freedom and democracy flourish.

Mrs. M. Scott gave a review on the book "The Shadow They Cast" by Janette T. Harrington. This book is a series of stories about our North American neighbors from Porto Rico to Alaska. Mission work among these neighbors has been the study for the past year.

Mrs. A. C. Fleming read a long and interesting letter from Miss R. Bourne, mission-

ary nurse in Severance Hospital, Seoul, Korea, expressing thanks for the parcels of clothing, powdered milk, and other articles. Without them care could not be given the poor and needy.

She wrote of the many branches of medical care supported by the WMS, from mental and physical therapy to Christmas parties. She also told of the \$500 bed hospital under the Scandinavian mission. A large grant was given by the Canadian Unitarian organization toward the building of this hospital.

Mrs. W. Ward, reporting on supplies, displayed a number of sweaters and other articles for gifts to be sent to one of the Indian mission schools.

Mrs. A. McLaughlin reported on visits to the shut ins

and to hospital patients. After the business of the meeting was covered, Mrs. R. Chapman presented a parting gift to Mrs. C. Richmond.

A trio consisting of Mrs. F. Bergstrom, Mrs. H. Milne and Mrs. K. Boothe, accompanied by Mrs. L. Fudge, beautifully sang two anthems.

The birthday celebrations were carried out by Mrs. W. Boothe, giving a short history of this custom, which had been organized by the late Miss Jannett Simpson. The occasion was marked by a suitably decorated cake centered on a lace table cover and pink roses and crystal holders. On the cake were 13 candles, one for each life member. The 13th for Mrs. Wm. Jenkinson, the new life member.

Legion Auxiliary

Mrs. Tony Fetterer was initiated and welcomed into the Ladies' Auxiliary to the Canadian Legion, Branch 22, at the June meeting prior to the summer recess for two months.

Reports were heard on the tea and bazaar in May in which the food hamper was won by Mrs. Al Coffey, who is having a bit of luck, and won the door prize at the meeting as well. Miss Lois Reid won the table cloth at the bazaar. Mrs. Frank Young reported two boxes left over from the white elephant sale. The meeting voted to give them to the Summerland Hospital Thrift Shop.

Following the general meeting the president, Mrs. Howard Shannon, had the pleasure of pinning a 25 year pin on Mrs. Lillian Erind who was surprised and grateful for the honor.

Mrs. Shannon spoke on the provincial convention held recently at Revelstoke. She said the color party with 53 standards was a moving scene at the cenotaph and at the church services.

An interesting meeting closed following refreshments served by Mrs. Jim Mitchell.

Martin and Nanaimo,

Diary of a Vagabond

BY DOROTHY BARKER

For many years Shank's mare was my only means of transportation. Then I graduated and became mobile on four wheels. This latest addition to our standard of living was both a pleasure and a convenience, but it had many disadvantages. Being the only driver in the family, I found I was missing much of the beauty in the world about me as I kept my eyes glued to the highway.

That is why I have chosen travel by rail to cover this vast country of ours and Montreal as a starting point. I am sure my ticket will be a passport to pleasant places and an "Open Sesame" for interesting conversations with fellow travellers.

I was savouring this pleasant aspect when, with a lurch of the train as it took a curve at express speed enroute to picturesque French Canada, a youngster, still in her teens, dumped a two-weeks-old infant into my lap and with a frantic look in her eyes said, "Will you please hold my baby for a minute? There isn't a place to park him in the washroom."

Perhaps it is this face of mine that seems to attract all kinds of incidents. Being gullible, I am often caught holding the bag, only this time it was a warm bit of humanity. "He" was a peaceful little mite with a red little face and an expression too knowing for his tender 14 days. I was happy to mind the babe "for a moment", but when the moment stretched into 15 minutes, then into an hour, I began to wonder if I were the victim of a planned desertion.

I suddenly realized that we had made a stop after I had been chosen as a suitable sitter for his nubs. Had the teenager left the train? Was I stuck with this wiggly bundle? Horrrrs, and so far from home and my own motherhood. Now, I thought frantically, they even diaper them differently. What would I feed him, what was his name, where did he come from and where was he going?

A thousand other questions, for which my imagination provided fantastic answers, raced through my mind. He began to whimper and snooze me. I jiggled and juggled him in rhythm with the train while searching the aisle for an approaching mother.

When the hour had stretched into two and junior had just about devoured his right fist, I decided action was necessary. Clutching the little blue bundle to my bosom, I staggered and swayed toward the front of the train where I hoped to find a conductor who would relieve me of my burden. By this time my journalistic imagination had convinced me this was a foundling I held so gingerly.

Three cars ahead there was my gal. Her pretty bronze hair had been combed into a bobbing pony tail, her lips were perfectly outlined in a shade of lipstick even I took time to admire, and her laughing brown eyes were twinkling into the blue orbs of her companion. I was so relieved at the sight of this young lady that I limply sighed "Here's your baby" instead of giving her a lecture on what I thought of mothers who deserted their young.

"Jeepers, was he bothering you? My husband and I were so relieved at not having to worry about him for a while and you seemed so pleased to be holding him, we just left him for you to enjoy."

This was the well publicized generation. It was no longer "on the way", it had "arrived" at parenthood and, as in their notorious adolescence, these two members had found a way out of their new responsibility, if only momentarily.

They were a cute couple and the baby is a credit to his Canadian citizenship. Wonder if he will be as smart as his mother when he grows up?

Visitors recently at the home of Mr. and Mrs. C. R. Adams were Mr. and Mrs. George Johnson of Edmonton.

Mr. and Mrs. A. Trayler of Surrey, formerly residents of Summerland, were week end visitors, renewing acquaintances here.

BANK OF MONTREAL

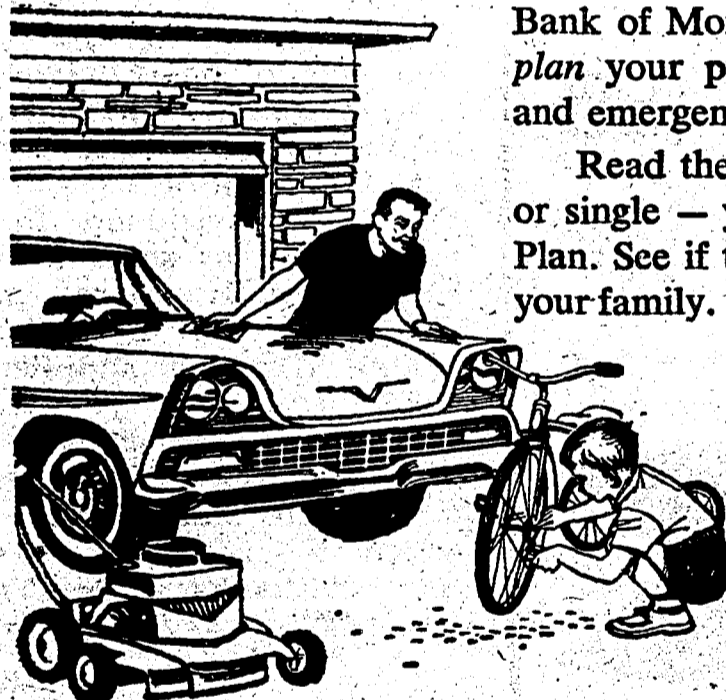

Family Finance Plan

Bring all your personal credit needs under one roof

with a low-cost B of M life-insured loan

There's no better, sounder, more convenient way to finance your purchases for your home and family than the new Bank of Montreal Family Finance Plan. With it, you can plan your purchases and meet unexpected opportunities and emergencies under one single comprehensive plan.

Read these four good reasons why — whether married or single — you should use the B of M's Family Finance Plan. See if they don't add up to better living for you and your family.

- 1 All loans are automatically life-insured. Should you die before your loan is repaid, your debt to the Bank will be cancelled.
- 2 Monthly repayments can be extended up to two years — or even three, if need be. This means that FFP can be tailored to suit any salary.
- 3 You can borrow up to \$3,500, depending on your income, to buy the things you want for your home and family, or to meet emergencies.
- 4 Planned repayments help you run your income — instead of letting it run you.

Almost any reasonable purpose may be financed through the Bank of Montreal Family Finance Plan — including vacation, school and college expenses and so on. The Bank of Montreal will gladly advance the necessary cash as long as you can afford repayments without hardship.

Whether you are a B of M customer or not, this modern low-cost way to get the things you want for your home and family is available to you.

Why not talk to the people at your neighbourhood B of M branch today?

Mrs. Gordon Smith, accompanied by her three daughters, has left to visit her mother, Mrs. Anaa Torrance, Elrose, Sask. Mrs. Smith plans to attend a nurses' reunion at the Royal Victoria Hospital in Prince Albert from which she graduated.

Visitors at the home of Mr. and Mrs. George Ryman are Mrs. Ryman's father, Mr. Bradford and Mrs. Bradford who are enroute to their home in White Rock after enjoying a continent wide tour through the U.S. and Canada.

Celebrate 25th Anniversary

Friends of Mr. and Mrs. Francis Steuart enjoyed a Dessert party on Sunday evening, June 21, on the lawn at the home of Mr. and Mrs. George Washington, to honor the couple on the occasion of their 25th wedding anniversary.

The dainty refreshments were served from a table centred by a prettily decorated wedding cake, flanked by silver tapers.

A most delightful and humorous poem, depicting the life of the happy couple was read by the composer, Mel Ducommun. Mr. Edward Smith, the groom's best man, on behalf of all the guests, then presented Mr. and Mrs. Steuart with gifts of crystal and silver. The beautiful hand painted card made by Mrs. Jack Dunsdon was then signed by all present.

Before bringing the evening to a close, birthday wishes were extended to Joe McLachlan.

Pensioners Meet

The Old Age Pensioners held its monthly meeting on June 16 in the Oddfellows Hall, with forty four members present. President Glen in the chair in his remarks said the committee to get a senior citizens' home built in West Summerland was going ahead with the plans. Treasurer Mac Dougal gave the financial report.

The president asked for a show of hands of those who wanted to go to Vernon to see the Queen as transportation would be provided.

A motion was passed to go to the convention to try and get the same changed from Old Age Pensioners to Senior Citizens as some members have the idea more people would come to meetings.

Mrs. Bancroft supplied the music.

Mr. Tom Young showed very clear pictures of his travels in Mexico and Hawaii for which he received a hearty vote of thanks. Mr. Trippe was present as his assistant.

Macs No Longer Winless

Young Sheeley Subdues Kelowna Labatts Under Lights

Summerland Macs play Penticton here on Friday night and that should be some game. The Macs, no longer the winless Macs got going last week and thanks to the hurling of young Carlton Sheeley, up from the juniors, they took Kelowna into camp to merrily for Kelowna the big opening under lights.

Then the Macs picked up another win when the league reversed a ruling which disallowed the Macs win over Trail. Thus the Macs stepped into the win column with two wins, giving them more than a mathematical chance of making the playoffs, particularly with their mound staff augmented by young Sheeley and a veteran hurler John Buck, who comes from around Omak way. Buck was a major league prospect in his day, but time was against him when his service stint in the war robbed him of his chance at the big time.

It is expected that it will

be young Sheeley who will seek to curb the Penticton Red Sox who are also beginning to cut loose. So its play ball at the Athletic Park here on Friday night. Penticton vs Summerland Macs.

Dazzling in their candle power, the new floodlights made Kelowna's first night baseball game a brilliant success, from the standpoint of candle power.

On the statistic side, however, the Labs lost a game they could have used, and they lost it to Summerland Macs, 4-1.

Rockie southpaw Carlton Sheeley came up with a tough three hit game holding the Labs' big bats in check tightly with the exception of the singleton homer that shortstop Leo Petty drove over the fence beside the scoreboard in centre field.

Harry Biollo started the costly sixth-inning Macs' rally with a Texas Leaguer to centre, Al Hooker walked, Geo-

rge Parker dropped one past second base, George Taylor walked, and Ollie Egely pounded a liner through the middle, completing the picture.

Greg Jablonski dropped a fly in right field and Goyer dropped a lob from Petty at with two RBI's already to his spark in the eighth. Egely, second to light another Macs' credit, pounded out another screaming liner to center scoring Parker and Scott struck out Eyre. Bonthoux's grounder got away on Scott, loading the bases, but Scott struck out Sheeley and retired the side, ending the game scoring.

Juniors Tie, Play Double Bill Here Sunday Against Vernon

Summerland Junior Red Sox battled through nine innings of fast ball here last

night to wind up sharing a 6-6 tie with Naramata.

The game will be completed the next time Naramata plays in Summerland.

This Sunday the Junior Red Sox are billed to meet Vernon at the Athletic Park here in a double-header, timed to start at one p.m.

If the Summerland lads can top the double header it will boost them well up the league ladder.

Fishing News

by Bert Berry

Most reports have been favorable from all lakes, especially some of the higher mountain lakes.

Okanagan Lake: no big fish landed but some nice fishing especially on the east side off the rocks. It is getting close to no time for casting off the dropoffs.

Angus Lake: no reports but should be OK.

Silver Lake: one report and this OK.

Fish Lake: upper lakes OK not too much activity on Fish Lake itself.

Shannon Lake: good bass and perch fishing.

Hatheume Lake: reports slow here this last week.

On the Rifle Range

by Herb Simpson

Weather conditions were not the best for shooting Sunday morning as sixteen marksmen attempted to hit the bullseye at the 500 and 600 yard ranges. Changing light, mirage and shifting wind gave even the most experienced shooters considerable trouble, consequently, all scores were quite low. The beginners certainly shouldn't worry about their scores as it takes a lot of practice to overcome such conditions.

George Dunsdon had high score with 90x100 followed by Soy Bertram with 89 and Bert Simpson with 89. Other scores were as follows: Steve Dunsdon, 88, Fred Dunsdon 83 Al McCargar 88, Ted Dunsdon 87, Art Dunsdon 87, Ron Dunsdon 86, Phil Dunsdon 85, Harold Richardson 85, R. J. Clermont 78, Cliff Dunsdon 78, Dick Dunsdon 69, Alex Kalinin 56, Don Tait 56.

This week we welcome R. J. Clermont to the club.

By the way, there is now a new idea in operation whereby a person joining the Summerland Rod and Gun Club for \$2.00 may join the Rifle Club for only \$1.00, this fee giving him voting privileges in the club.

Rod and Gun Club tickets may be obtained at my office, and Art Dunsdon always has a supply of Rifle Club members' p cards on hand.

There will be a practice on Thursday evening, commencing at 6:30. Let's have a good turn out. How about some of you ladies coming along with hubby and having a try at it.

It is expected that next Sunday several members will attend the invitation shoot in Kelowna.

Promenade

On Saturday night Summerland dancers and their friends danced away the evening to the emceeing of Ray Fredrickson assisted by guest callers. A sack lunch was very daintily arranged and served at the close of festivities under the convenorship of Hilda Eden.

Dancing this week end starts on Friday night at the Centennial Pavilion with an outdoor dance. No admission is charged.

On Saturday you may go north or south. French's Twirlers are holding a dance in the Community Hall, Oliver.

At Peachland the Totem Twirlers are having a dance in the Athletic Hall with Chuck Inglis as emcee.

Make a note of Vernon Days on July 10 and 11 with Les Boyer as emcee. This will be a bang-up party with perhaps a chance to see the Queen and Prince Philip.

Continued from page 1
Some points of the talk were: flowers should be of good quality, arrangement should have a point of interest and the rest of the flowers arranged around it, and do not cram too many flowers in.
Mr. Alec Watt told of the forthcoming Rose Show to be held in the IOOF Hall on Saturday, July 4. He had entire lists with him and went over each class so these present would thoroughly understand them.
Tea was served after the business meeting by Mr. May.
