

The town is taking on a Christmasy aspect, with the Retail Merchants trees, coloured lights and the Nativity scene up by Mr. Steven's home. To say nothing of the displays in the store windows.

We think Mrs. White of Macils is to be especially congratulated, her driftwood display, with the tiny lights is particularly effective.

We still have three dear little kittens at our house begging to be put under someone's Christmas tree.

More on the fire:

We wish to thank everyone who volunteered help in any way, to mention only a few: T. B. Young, Howard Pruden, George Fudge, Sid Godber, and many, many others.

We wish to thank the members of Summerland Volunteer fire fighters for an excellent job of work early Sunday morning, when they confined and put out the fire at our office in the space of about one and a half hours.

When we arrived on the scene about half an hour after the engine, things didn't look too good -- in fact the front windows were almost too hot to touch and there was an ominous crackling inside.

However, after putting their heads together, the brigade chopped a hole in roof in the right spot. As the axe sank through, the flames lept out, they slapped the hose on the fire and doused it in short order.

The men worked with a quiet efficiency that tended to allay our fears:

We also would like to thank all the people who came around to lend a hand and give us a word of sympathy.

The following are the names of the members of the Summerland Volunteer Brigade:

Joe McLachlan, F.W. Dunsdon, A. E. Gould, L. Shannon, P.S. Dunsdon, R. Derosier, A.R. Dunsdon, L. Rumball, W. Cockell, F.M. Stewart, R. Barkwill, M.R. Wright, J.D. Hermiston, G. Day, R. Rogers, W.W. Davis.

All copy received by the Review up to last weekend was destroyed in the fire. This week we regret

Over 100 at meeting

At the largest rate-payers' meeting in the memory of the present council reports of the year's civic activities were given last week in the high school auditorium. Reeve F. E. Atkinson was chairman. More than 100 attended.

All department of the municipality of Summerland are in good shape, statements showed

Mr. Powell explained that a \$10,000 surplus in the roads appropriation is to be used in financing the winter works program and \$4,000 is to be used to pay half the cost of a truck to be purchased next year.

Parks and beaches were overexpended some \$2,500 and Mr. Powell asked Councillor Norman Holmes, chairman of the parks board to explain. Mr. Holmes showed that the greater expense was principally in Peach Orchard Park where facilities had to be enlarged as they were inadequate for the number of people who patronized camping there. Another expenditure was \$549.50 spent in wiring the bandshell in the West Summerland park. This was not in the budget.

Bridge

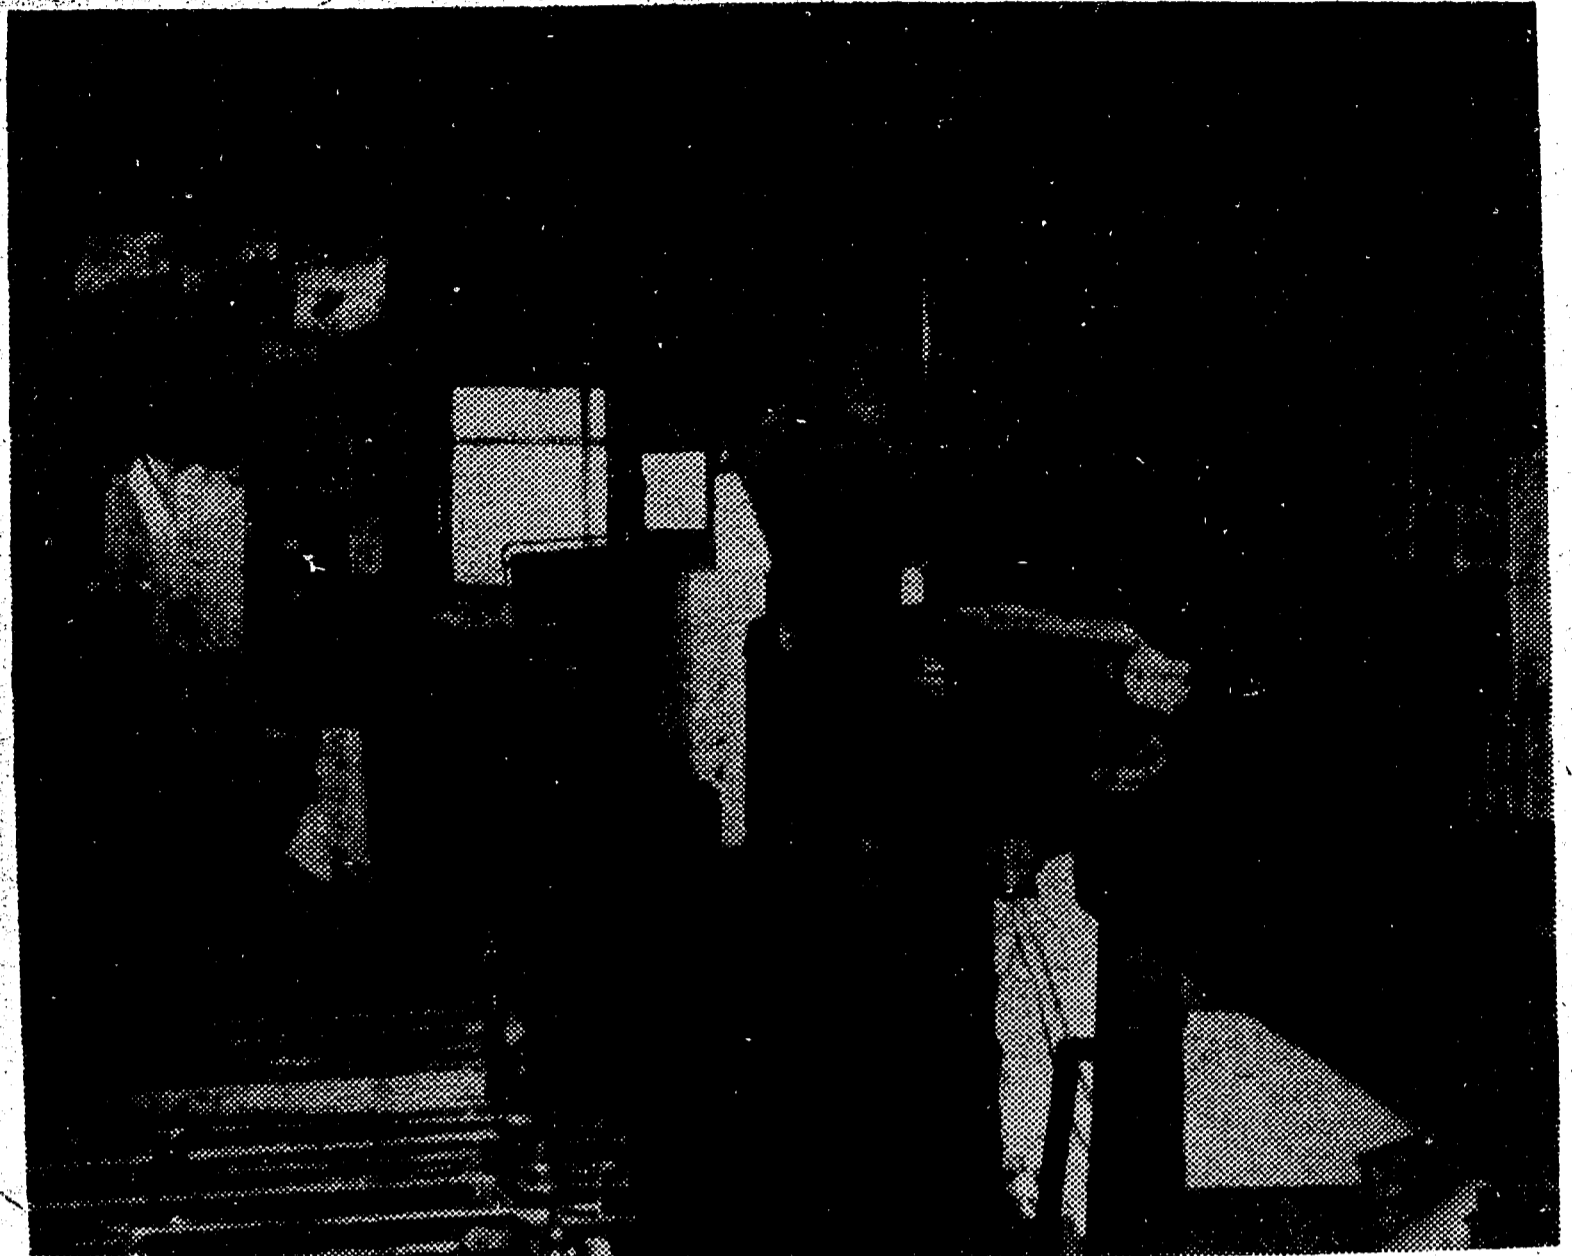

Twenty-eight couples took part in the final night of the Bridge tournament put on by the Summerland Badminton and Bridge club in the Badminton Hall. The last play was Friday evening December 2. Excitement ran high as 12 couples battled it out for first place honors. The high scorers on Friday were Mrs. Mcphee and Mrs. Hardman of Naramata with a score of 7,200. These two ladies took high score for the tournament with an aggregate score 32,500. Close on their heels were Mrs. Hookam and George Fudge with a score of 32,420.

Followers up were Mr. Hepperle and Mrs. Chenoweth with a score of 30,810, Mr. and Mrs. Hadrell with 30,140.

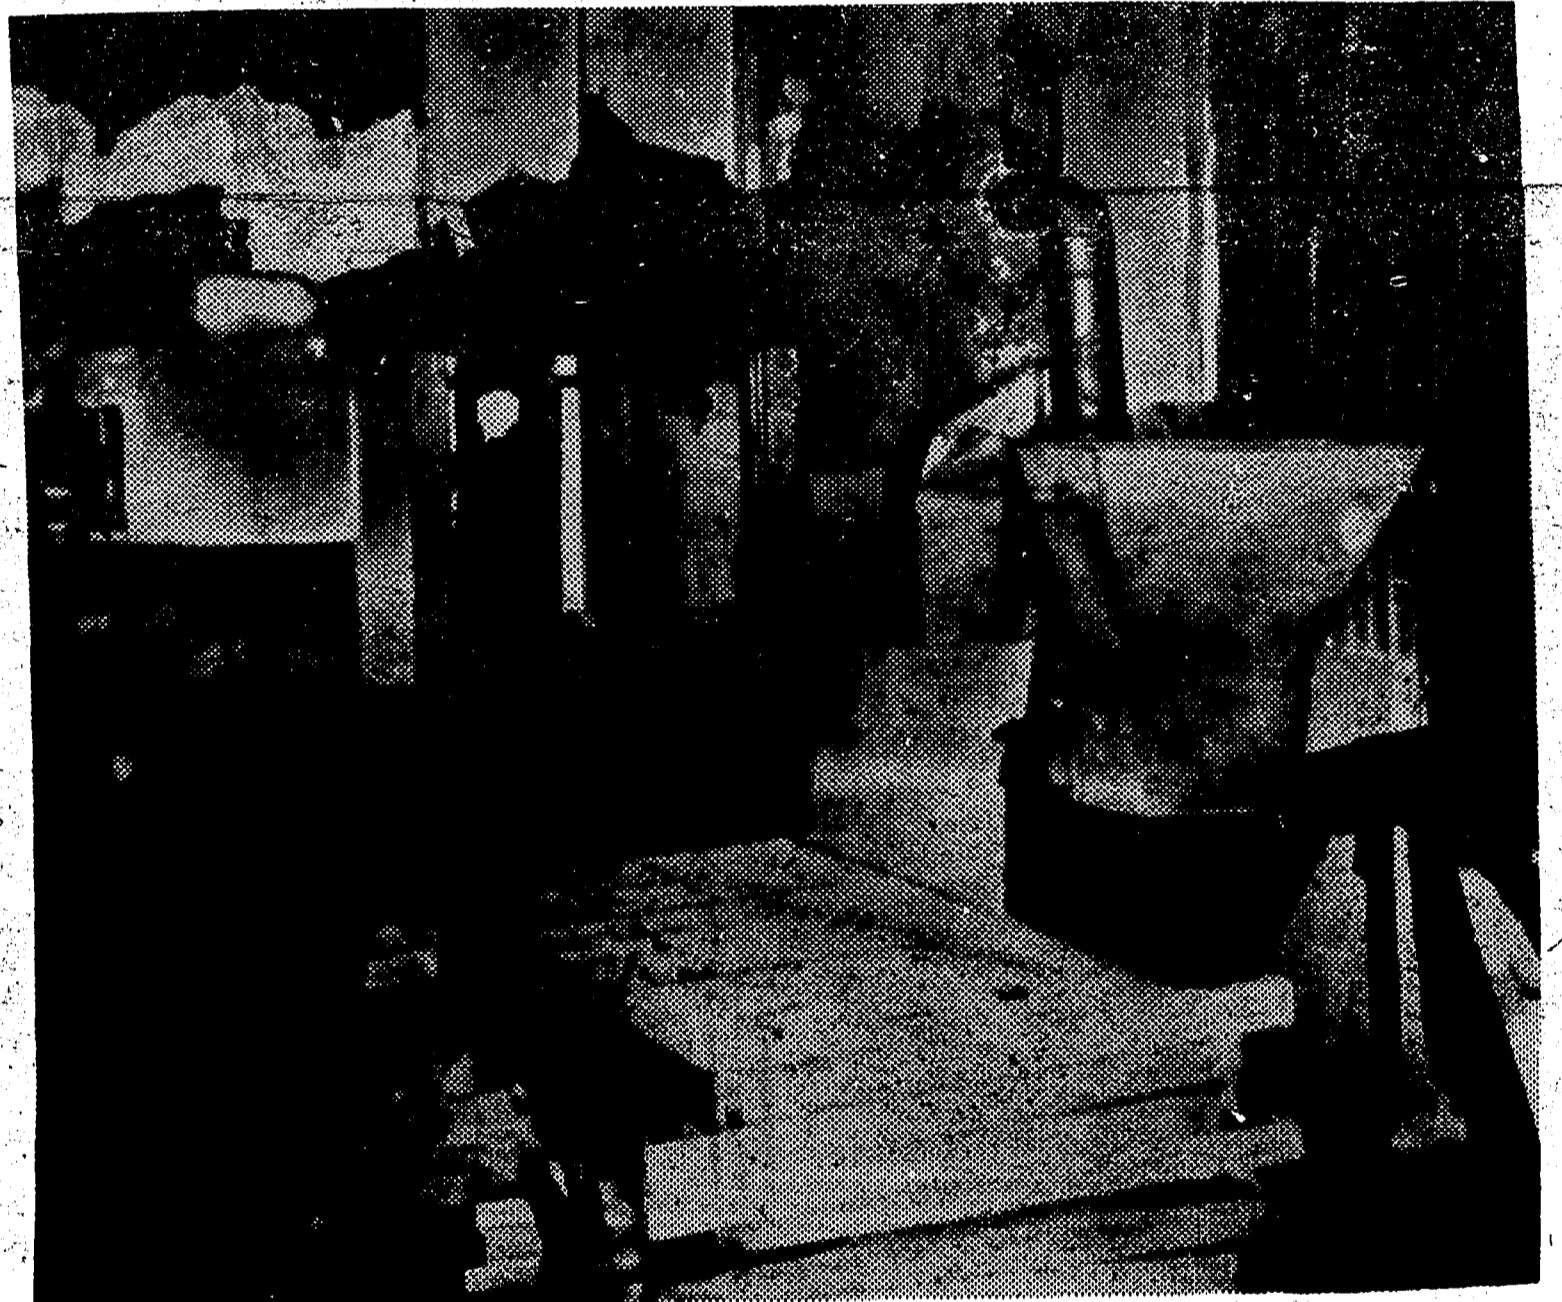

The Spring tournament will start February 17 and will carry on for six weeks.

that we are unable to print the Ministerial Association feature, the Girl Guide News, Letter to the Editor and the Library news.

We realize that this week's paper is not as informative as usual, but by next week we will be better organized.

Interior views of the burnt out corner of the Review print shop. Fire was confined to this corner, but smoke, heat and water damage was extensive throughout the building. Photos by Herb. Simpson

Fire damages Review office

A fire, believed to have started by the sawdust burner, did extensive damage to the building housing the equipment of the Summerland Review Printing and Publishing Company.

The Summerland Volunteer Fire Fighters were called to the scene by Mr. and Mrs. George Wilson who live in the apartment at the back of the Quality Cafe, at 4:20 a.m. Sunday morning.

This week's Review is printed on the offset press of the B.C. Orchardist, published by Mr. Sid Godber

The Review building, owned by Mr. T.B. Young, will undergo extensive repairs in the near future, and it is hoped to have the building and equipment back in shape by the New Year. Meanwhile, an office has been set up on Pender Street next to Garnett's Billiards.

More on COUNCIL REPORT

The aerial survey carried out in connection with Trout Creek planning was extended to have a picture of the whole town taken and this cost an additional \$500 which had not been put in the estimates, Mr. Powell reported.

Appropriations have not been enough for improving the arena and bringing it up to the standards required for a public building. Running expenses have been satisfactory and it has paid its way in this respect.

B of M REPORTS

In an increasingly tough, competitive world, Canada needs a more flexible official monetary policy, so as to accelerate business while avoiding inflation, according to G. Arnold Hart, president of the Bank of Montreal.

Thus, he told B of M shareholders at their 143rd annual meeting, a reasonable enlargement of the nation's money supply and of bank loans should be allowed to continue so long as this can be done without risking a runaway boom.

Shareholders also heard R. D. Mulholland, the bank's general manager, present a statement showing establishment of new records in almost every phase of the B of M's operations for the year ended October 31.

NEW HIGHS REACHED

Total resources approached a new record of \$3.5 billion, including deposits of over \$3.2 billion, while loans maintained the record level of \$1.77 billion established last year.

P-TA IMPRESSED WITH STUDENTS

P-TA members were impressed with the four students addressing the regular meeting last week on the subject, "The Student and His Playmate Teachers", part of a program on the influences affecting a child's development. One such influence is being taken every month for four months in the form of a panel as arranged by vice-principal John Tamblyn.

A. J. Longmore, principal, was the moderator and speakers were John Lott, Grade 12, Cynthia Lauer, Grade 11, Pat Barkwell and Mike Lopatecki, Grade 9.

The audience was pleased with the way pupils were able to "think on their feet" and with the thoughtful subject material presented.

SCHOOL NEAR COMPLETION

The addition to the McDonald elementary school at West Summerland is progressing and should be ready for use at the beginning of the new term in January.

Ollen and Webber, contractors, for the \$102,000 structure have agreed to finish the classrooms first so that occupancy will not be delayed.

CWL BAZAAR

The Catholic Women's League Bazaar held last Saturday in the I.O.O.F. Hall was a huge success, thanks to the efforts of co-conceners Mrs. F. Delay, and Mrs. T. Logie.

Mrs. Clara Armour of West Summerland won the tablecloth raffle, while the doll dressed by Mrs. Mollie Russell was won by Mrs. W. A. Rochiceoli, also of West Summerland.

Two of the five turkeys went to the same family in Penticton, Lorraine and Bobby Biagioni. The other three were won by Mrs. Flora Bergstrom, Mrs. McLean and Judy Betuzzi, all of West Summerland.

SUMMERLAND SWEETS IN SCOTLAND

Mrs. H. S. Lewes who sent a number of boxes of Summerland Sweets, the new apricot-apple juice confection, to the reunion of her class of 1950-1908 at King's College, Aberdeen, Scotland has received word that everyone at the banquet in connection with the anniversary thought the was delicious.

YOU SHOULD HAVE SEEN THE ONE THAT GOT AWAY

In the beginning it was a question of who ate whom. For a while it must have been tough and go whether man went fishing or fish went manning. Looking around we assume man won out. At first man competed with earth's other creatures—today men compete with other men to develop nature's energy sources. In the process our standard of living has sky-rocketed.

Competition has helped Canadians achieve one of the world's highest living standards. Take the way it works in the oil business—Imperial Oil and hundreds of other companies compete to supply Canadians with oil. As a result, oil is available at reasonable prices wherever it is needed—and Canadians have turned to oil for more than half their energy needs.

Kiwanis club notes

Tuesday night was the first meeting of the month and therefore work-night for members. All Committees under their respective Chairmen, met after supper and discussed their own particular projects and work.

We were favoured with three guests from Penticton, Glis Winters, Roger Forsythe and Art. Marlow. Also with the Club as Guests, were two members of the Key Club, - Ed. Toeyes and Ron Bangma.

Fred Schuman led the Club singing, and to the surprise and delight of all, John Selinger earned the name of "The Golden Throated Thrush of Summerland".

Both of the Key Club members present, thanked the Club for its support at the recent Open House and

also for the arrangements in taking them to Manning Park recently to meet Key Club members from Vancouver.

Jim Schaeffer and Bill Ludlow will attend the Key Club meeting.

President John gave a short report on the Conference last Sunday at the Prince Charles Motor Inn. John also announced that the next Kiwanis Conference will be held in Toronto around July 1st, '61. It was heard at the conference that Omak Kiwanis Club is starting a Key Club for the boys of that town.

The Installation of Officer for 1961 will be held on 27th January 1961, more information on this Gala-Night will be published at a later date.

The Scribe.

Services for T. W. Boothe

Thomas Wallace Boothe of West Summerland passed away suddenly, at his home on Monday, December 5, at the age of 80 years. He was born in Ontario and had been a resident of West Summerland for the past 39 years. He is survived by his loving wife Maud, one son Kenneth, West Summerland, one sister, Miss Lillian Boothe, Elmira, Ont., and three grandchildren. Funeral services will be held in the Summerland United Church, Wednesday, December 7 at 2 p.m. with Rev. Philip Louie officiating, Interment Peach Orchard Cemetery. Penticton Funeral Chapel in charge of arrangement, J.V. Carberry and Associates, directors.

Police court

Mr. Orvil Fitzpatrick of West Summerland ran over a fire hose during Sunday morning's early blaze. In appearing before Magistrate Johnston he received a fine of \$15.00 and costs. An additional fine of \$50.00 and costs was imposed on Mr. Fitzpatrick for driving while under suspension.

PLAQUE PRESENTED TO SUMMERLAND HIGH

A large school plaque made of dark wood with letters in a lighter color has been presented to Summerland high school by the junior student council. It is hung in the centre of the proscenium in the auditorium.

The plaque was presented at a morning school assembly by Teresa Keys, president of the 1959-60 junior council. It is the work of artist-sculptor Peter Ochs, a member of the teaching staff.

ROTARIANS HEAR SPEECH
ON ALCOHOLISM

Mr. Herman C. Huggins of the Alcoholism Foundation of British Columbia,

**WILL FIND IT IN THE
WANTADS**

Mrs. W. Maxwell has returned to her home in Vancouver.

Mrs. George Graham of Vancouver visited during the weekend with Mrs. James Darke and Mr. and Mrs. C. A. Gayton.

Rev. "Kutch" Imayoshi of the First Baptist Church, Kelowna, was a guest at the 55th anniversary dinner of the Summerland Baptist Church on Monday evening.

addressed the Rotary Club on Friday evening.

Mr. Huggins stated that alcohol, discovered early in history and used in every part of the world, had always presented a problem. Today, addiction to alcohol, is one of our greatest problems. In B.C. today, there are 22,000 persons suffering from excessive drinking. The alcoholic is a worry to his employer, a menace on the highway, a problem to the police and a great expense to the taxpayer. Insurance surveys prove that a large percentage of highway accidents are caused by alcohol so insurance premiums are affected.

Mr. Huggins stated that no matter what drink is preferred, it is taken for its alcoholic content. Social drinking is becoming more prevalent. Morning coffee parties have become sherry parties and whiskey is served at outdoor barbecues, an evidence of "Western hospitality."

The Foundation, which Mr. Huggins represented, is working in every possible way to help the alcoholic. It co-operates with the police, health and welfare groups, in an endeavor to solve the problem of excessive drinking. The Foundation offers help to any drinker who requests it and, by understanding and advice, will assist in every possible way. It works with Alcoholics Anonymous and is eager to co-operate with any group in the solution of the drinking problem.

NOTICE TO THE PUBLIC

THE MUNICIPALITY OF SUMMERLAND

SUMMERLAND AND DISTRICT CIVIL DEFENCE

A test of the Attack Warning System (sirens only) will be made in the Summerland and District area on -

Friday, December 9, at 11a.m.

In their own interests the public is urged to study closely the following signals and to retain this information as a ready means of reference.

THE "ALERT WARNING SIGNAL"

Sirens will sound a steady note of three minutes duration. This signal will mean to the public (in a National Emergency only) that this is an "Alert" signal. Listen to your local radio station for announcements and instructions.

The "Alert" would mean (in a National Emergency only) that an enemy attack is probable in as little as two hours.

THE "TAKE COVER" WARNING SIGNAL - FOLLOWING AN ALERT

After the initial "Alert" warning it may be necessary (in a National Emergency only) to warn the whole country or certain areas that an attack is imminent. The "Take Cover" signal - an undulating note of three minutes duration, which will mean to the public (in a National Emergency only) take the best shelter available.

TAKE COVER WARNING - WITH NO ALERT

It is possible that the "Take Cover" warning might be given without an "Alert". Such warning would indicate imminent attack on Canada. All media of broadcasting would be used to advise the public that a take cover warning had been declared. In this event the public would take the best shelter that is immediately available.

RADIATION FALLOUT WARNING

Should nuclear or thermonuclear attack on Canada take place a decision will be made as to what areas are liable to contamination by fallout. Arrangements for warnings would then be as follows:

The "Alert" signal would be sounded in those areas, which would mean to the public, this is an "Alert" signal, listen to your local radio station. Announcements would be made over the emergency broadcasting system to the effect that the "Alert" signal had been sounded in those areas that have sirens and this is a warning that radiation fallout is expected in the following areas, (areas to be named), listen to your radio for further instruction.

ALL CLEAR

The "All Clear" may be declared after consultation with authorities, for specified areas considered likely to be free from direct enemy action for an hour or more, provided, that these areas have not been contaminated

The "All Clear" may be declared after consultation with provincial authorities, for specified areas considered likely to be free from direct enemy action for an hour or more, provided, that these areas have not been contaminated by fallout or are not in imminent danger of becoming contaminated.

SPECIAL NOTE

The State of "All Clear" which will cancel the "Take Cover" only will be announced over the emergency broadcasting system and by all other means of communication available.

Sirens will not be used for the "All Clear". Information that fallout danger has decreased or passed in any area, will be conveyed to the public over the emergency broadcasting system by the Civil authorities responsible for giving instructions on the action to be taken in a declared fallout area.

The Summerland Review

Thursday, December 15, 1960

West Summerland, B.C.

Volume 15, No. 51

Another reminder that the stores in Summerland are open Monday to Thursday December 19 to 22 from 8.30 a.m. to 6.00 p.m. and on Friday December 23 from 8.30 a.m. to 9.00 p.m. On Saturday, December 24, the stores will be open only to 6 p.m.

Two Summerland boys Roy Rusaw and Victor Blewett who started out several weeks ago on a hiking trip through the United States have set their sights on the Continent of Australia. The boys hope to pay a visit to Mexico City, and then book passage to Australia where they will seek employment.

THRONGS FLOCK TO SCHOOL'S OPEN HOUSE

Open House at the High School last Friday night was attended by an estimated one thousand people. The House of Horrors, and the Variety Show, bulged with capacity attendance. The artists in the Variety Show performed at a level which could not fail to please the most critical audience.

The Hysterical Society brought to light many treasures of our local culture which had long remained hidden. The candy booth, fish pond, balloon sale and comic book counter were attacked on all sides by the young people of the community.

The flower sale, home-cooking booth and tea room afforded a brief respite for harassed parents to escape the heavy traffic of the main corridors. Young and Old enjoyed the science, I. A. display, movies, dancing, and dog raffle.

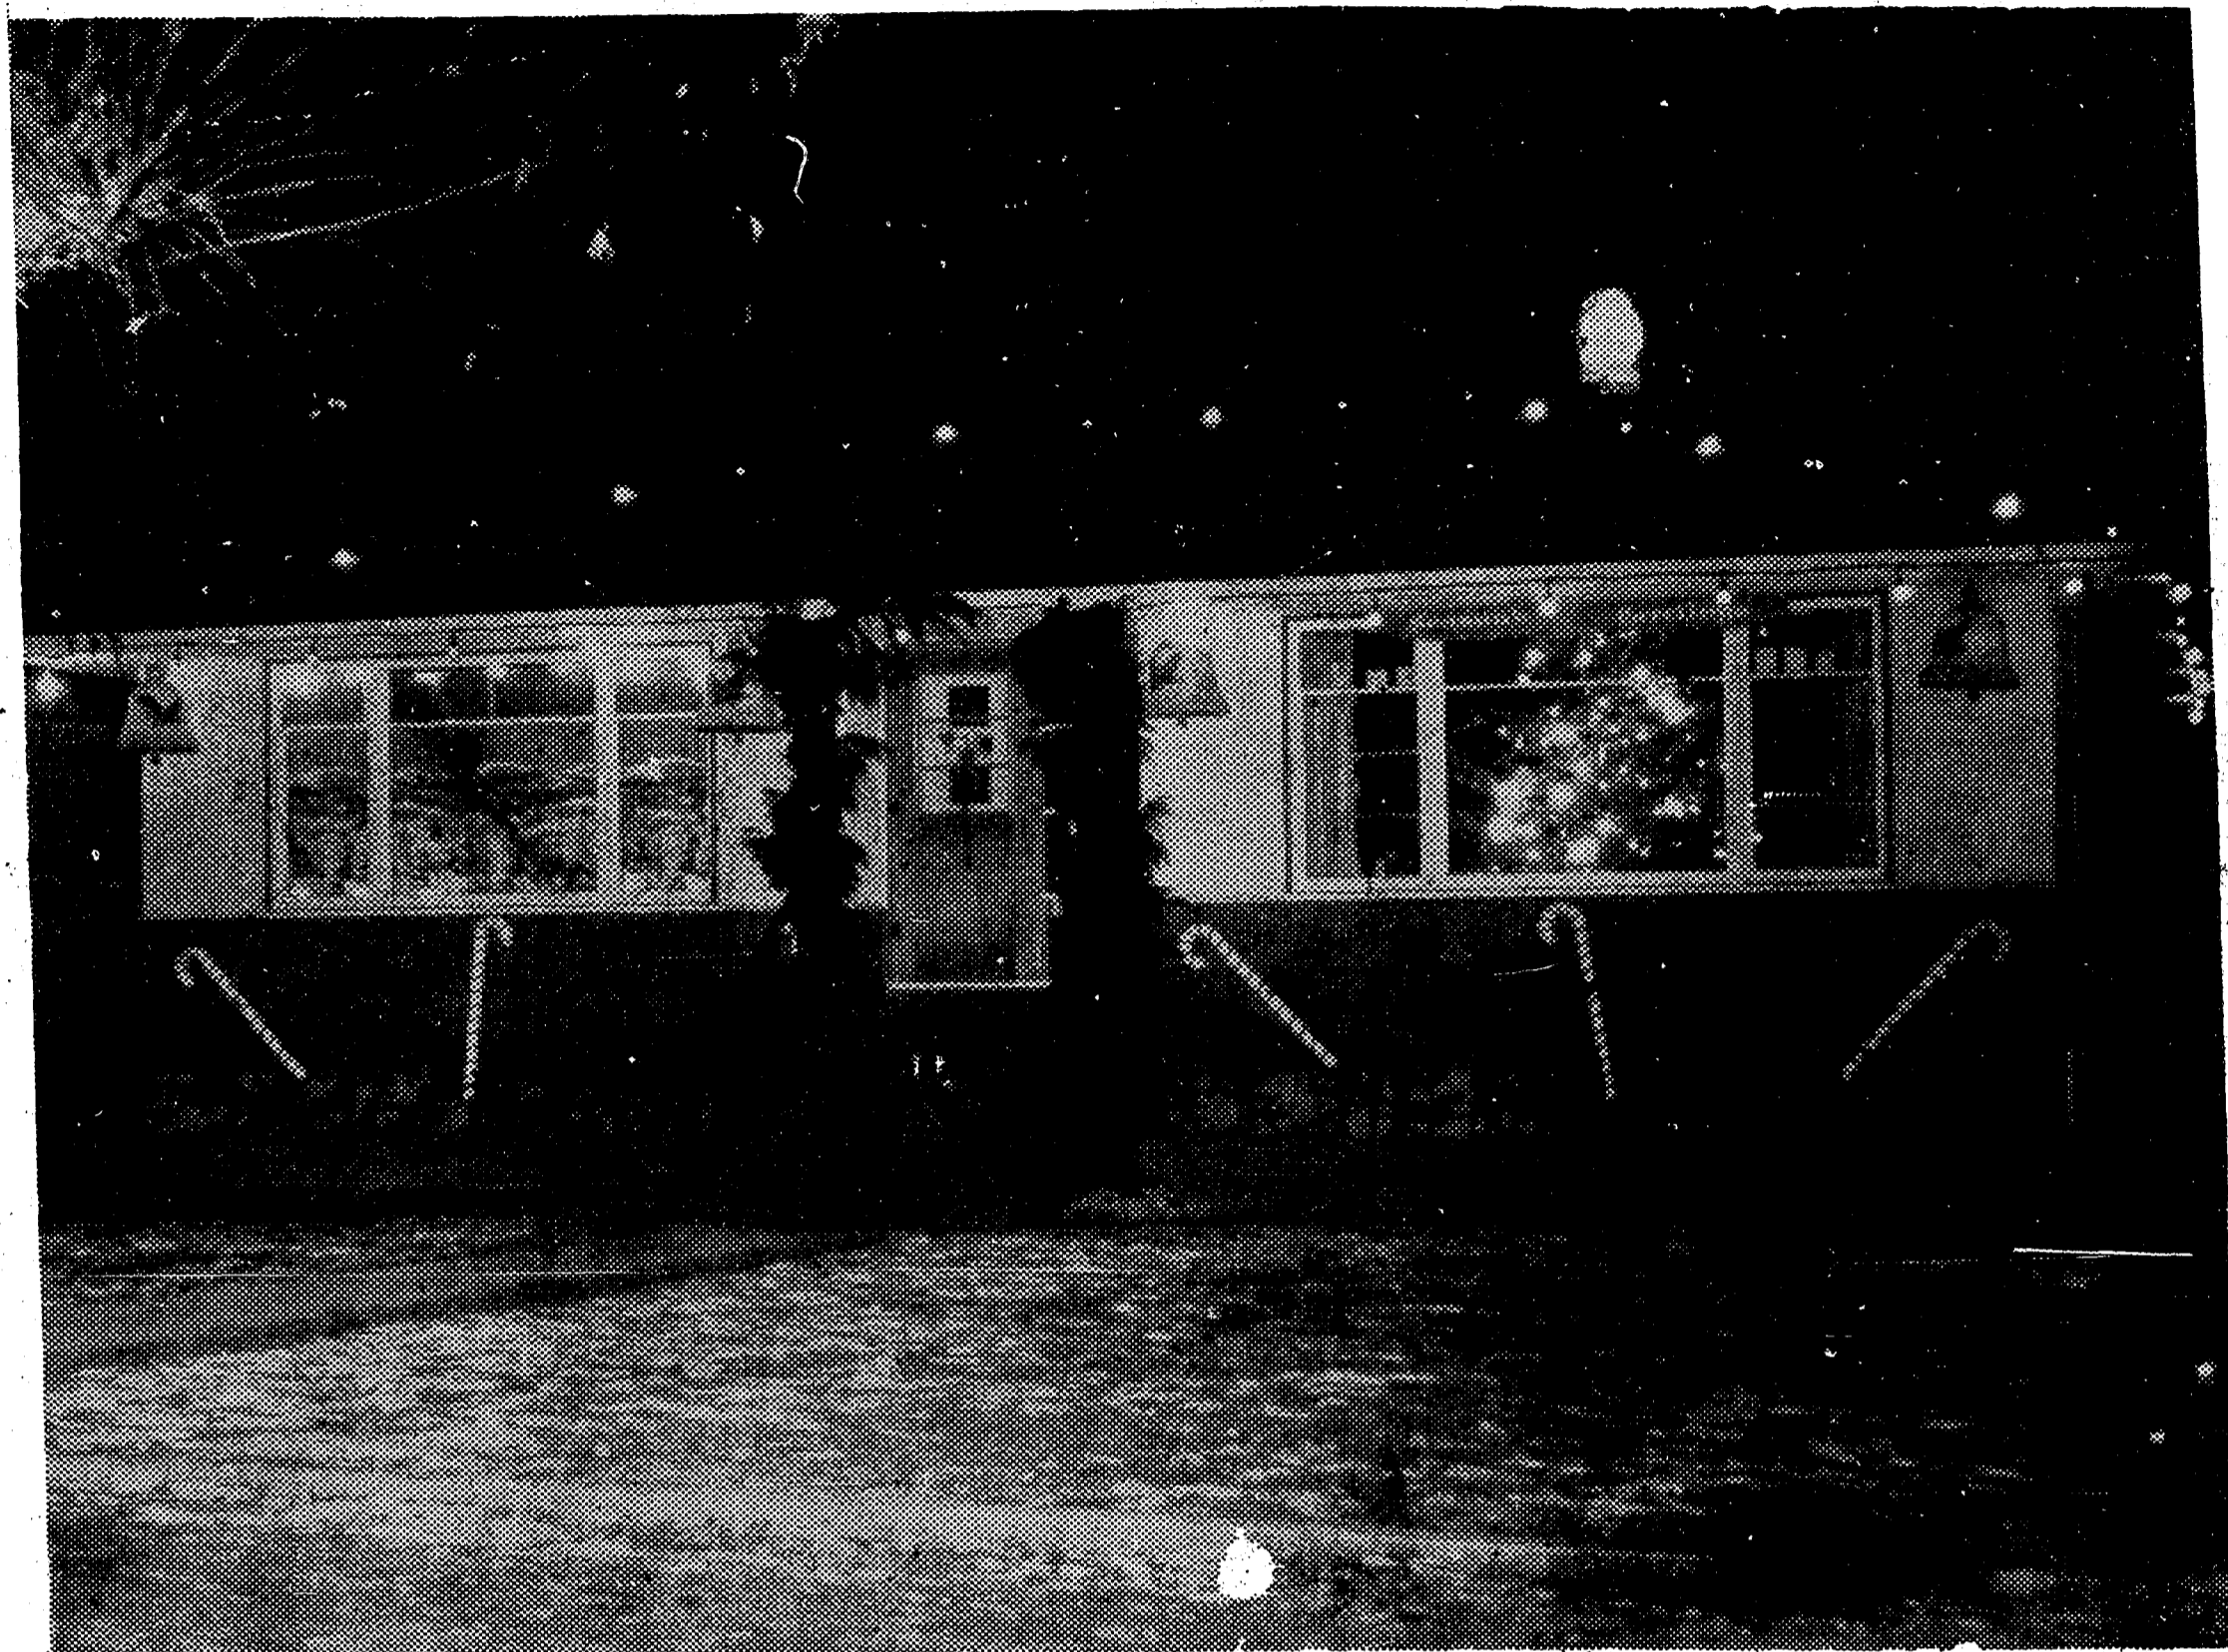

The success of the venture was due to the guidance of the Student's Council and the Key Club, and the wholehearted co-operation of all classes and the teaching staff.

Barkwill, Powell top poll for councillors

Two seasoned councillors will fill the vacancies around the council table. H. J. Barkwill led the race with 629 votes and Councillor A. B. Powell was returned with 524 votes. L. A. Miller had 363 votes and W. Toews 315 votes.

The vacancies on the School Board were filled by Dr. W. Evans with 718 votes polled, Wm. (Scottie) Ritchie 651 votes, incumbent John Bennest 625, and Eric Brinton received 465 votes.

The Senior Citizen By-Law No. 908 got the nod with 799 in the affirmative

Light up for Christmas in Board contest

The Christmas Light-up Contest sponsored by the Board of Trade is now in full swing. The Board of Trade urges all homeowners to take part in this annual event. The committee requests that those who would like their outdoor decorations judged, phone Lo during business hours, thus assisting them to make best use of their time in the judging, and the Kiwanis to map a route for the Senior Citizens caravan being organized by them.

Make Summerland shine this Christmas and light up your home and grounds.

The F. E. Atkinson Cup will be awarded for the most

attractive display, with a second prize of \$7.50 and third prize of \$5.00

Thinking about something different for your Christmas "light up" this year? Mrs. Kay Norstrom dropped into our office with a novel idea that has been used in the town of Rochester, Minn. Mrs. Norstrom's son lives there and she visited he and his family last year. They gave her the novel Christmas idea. 28

families in Rochester have established what is known as Christmas Card Lane, the people express their personal greetings to their neighbors with large outdoor cards put up in front of their homes. Each family designs and produces their own card. All cards are five feet wide and four feet high and are illuminated at night so that passers by can read the greetings.

Why not get together

with some of your neighbors and produce Summerland's first Christmas Card Lane.

All the equipment you need is a piece of plyboard painted white, paints suitable for your project and in a couple of evenings you could produce your outdoor Christmas card.

The cards are propped outside the house and garnished with suitable greenery.

PAINTINGS ON DISPLAY AT LIBRARY

The Summerland Public Library received 10 paintings this week which will be on display until Saturday night, during regular library hours.

One of a series of travelling exhibitions produced by the Vancouver Art Gallery, with the help of a grant from the Canada Council, it is composed of 10 small or medium sized paintings each accompanied by an interpretative text.

While different subjects or models were used by each of the 10 Canadian artists, each one has painted a picture involving some image of the human being, and the results are strikingly different.

Library hours are changed slightly for the holiday season. On December 24 and 31 it will be open afternoons only.

Music for Christmas

The High School Auditorium, Wednesday Dec. 21, 8:00 P.M. is the place and time for the Community Christmas Concert. For several weeks the 60 voice

HIGH SCHOOL CONCERT

The annual Christmas concert sponsored by Summerland High School will be held in the High School on Friday evening, December 16, at 8 p.m. Groups taking part are the Senior Band, under the direction of Mr. Bud Stewart, the Junior Band under the direction of Mr. K. Storey, the Recorder Club, under the leadership of Mr. D. Loan, and the Drama Club, also under Mr. Loan's guidance.

No admission will be charged, but a silver collection will be taken at the door to help defray expenses of a proposed band tour in the spring.

choir has been practicing under the direction of Mr. Ken Storey. They will be singing the Cantata "Love Transcending" plus selected choruses from other Cantatas and Oratorios. The variety of music will provide appeal to a wide range of tastes.

The town band will accompany the audience in carol singing early in the program. Although sponsored by the ministerial association it is emphasized that this is not a Christmas service, but a musical program. The atmosphere will be informal and everyone is welcome.

There will be no charge for admission, a silver offering will be received. The choir is composed principally of the choirs of the Summerland churches. Soloists are selected from this group.

Editorials

SHOP IN YOUR HOME TOWN

The financial stability of any community cannot be achieved if its people do not patronize local stores, but instead spend their money out-of-town.

Summerland is no exception.

With Christmas fast-approaching, merchants have laden their shops with gift articles and food that surely must tempt any potential buyer. What is more these are quality goods.

Unfortunately too often a "snobbish" attitude develops in small communities over the buying of goods. Too often one hears about people who have taken their money to another town to "pick up something we could never have bought in our stores."

Fortunately, facts invariably prove this kind of loose talk incorrect, as far as Summerland is concerned.

If only they had looked in their local stores these people would have found what they had travelled up to 100 miles to buy somewhere else, and probably paid more for it.

There are other aspects about buying at home, apart from convenience and wide choice of goods on the local market. For instance in another town there can never be that personal touch to service that often makes shopping such a double-pleasure -- the little bit of gossip between shopkeeper and buyer while the article is being decided on.

This December, Summerland merchants have gone out of their way to make their stores eye-catching. Most are attractively decorated and great trouble has been taken with gift and food displays. So much so, that the community can feel very proud of its town.

No town -- unlike Topsy -- just grows. It has to have life-blood poured into it all the time. And the life-blood of any growing community is dollars and cents.

By buying in town this Christmas, you will be doing your part in assuring the growth and inherent prosperity of the area.

A WELL DESERVED BOUQUET

One of our readers -- she was also a subscriber -- suggested last week that we say something about the fine service residents of the Summerland area receive from their post office staff.

We're glad to say something nice about the post office staff and we're only sorry that we had to be reminded to say it for we at the Review perhaps more than most businesses, are very conscious of the fine service given through the post office in Summerland and West Summerland.

From now until Christmas the post office staff is going to be rushed in getting the huge volume of mail sorted and distributed before the holiday. In that respect the staff members are no different than those of thousands of other post offices across Canada. However, from personal experience, we know that the service given through our post office is a cut or two above that dispensed by a lot of post offices and we are most appreciative of that fact.

So right now, while they have time to read some nice things about themselves before they get swamped in the avalanche of Christmas letters and parcels, we'd like to say that the people who use our post office appreciate the service given by Mr. E.L. Coates and his staff.

And when we hand out that sincere bouquet we certainly include the mailmen who see that mail gets out promptly to the rural route in every kind of weather.

To the whole lot we all say "thanks"

DECORATE FOR CHRISTMAS

The festive season is fast approaching and it is time that outdoor and indoor decoration plans were complete and ready to be put into action. These decorations not only give your town a touch of beauty for the holidays but add an air of gaiety.

Summerland has a reputation throughout the valley for its Christmas lighting and decorations. Let this year be no exception. Elsewhere in this issue the Board of Trade is announcing its annual Christmas decoration competition with list of prizes. Here is an opportunity for every person to display his or her decorative ability and at the same time assist in beautifying and lighting your town for the festive season.

The Board of Trade's objective this year is to see every house decorated. Let us resolve now to do our share.... It all helps to give added pleasure to others.

Christmas — more than a day

by Rev. Ira Johnson
Should we limit to one day of the year our appreciation for the coming into the world of God's own Son? Do we not daily enjoy a host of blessings that have come to us through Christ our Lord? True, many of these blessings have come to us through the lives of others, but only because their lives were channels of God's peace, and love; His pardon and hope and light. We too, can be channels of these blessings throughout our days as we allow Christ to permeate our lives. The following prayer expresses very clearly how the blessings of Christ could be shared each day of the year.

"O Lord, make me an instrument of Thy peace.
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is discord, union;

Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
Where there is sadness, joy;
O Divine Master, grant that we may not so much seek to be consoled as to

console; to be understood, as to understand; to be loved as to love.

For it is in giving that we receive; it is in pardoning that we are pardoned and it is in dying (out of sin and self) that we are born to eternal life."

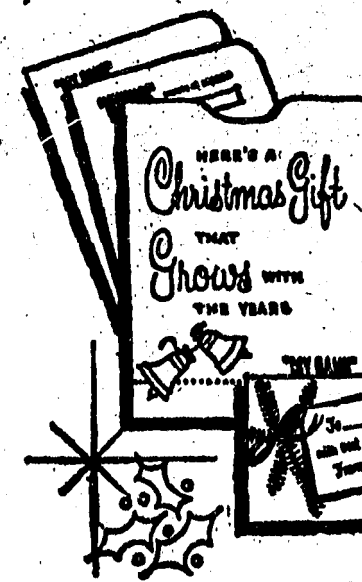

WHERE THERE'S A Wish THERE'S A Way

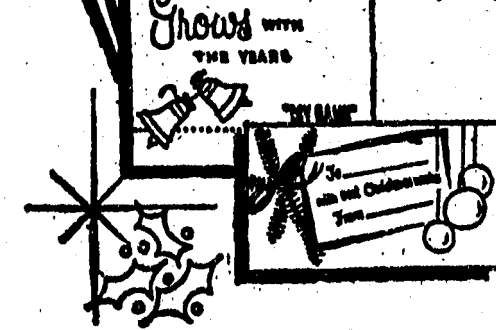

and the B of M way is sometimes
the best way to say
"Merry Christmas"

Sometimes money is the only logical gift for three or four of the more "difficult" names on your gift list... but to some of us cold cash and Christmas-giving just don't seem to go together. Well, the B of M has the way to take the chill off cold cash and make your gift of money a warm, personal one, fully in keeping with the spirit of the season.

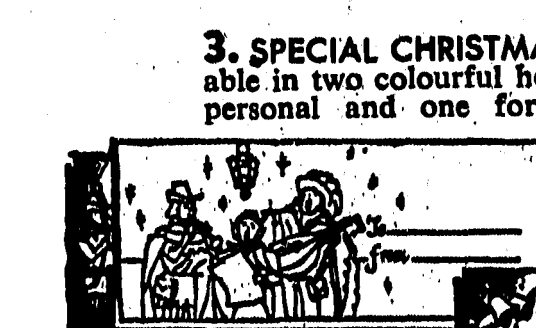

Look over the B of M's three ways to make your gift of money arrive to the tune of "Jinglebells".

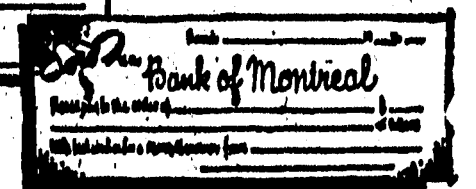

1. STUDENTS' AND BABIES' PASSBOOKS make a delightful extra for some youngsters on your list. Your gift of money is entered in a special passbook and enclosed in a Christmas cover guaranteed to make young eyes pop with glee.

2. MONEY ORDERS purchased for Christmas-giving come in gaily-decorated envelopes or folders that clearly spell out your Yuletide wish. Ideal for those "hard-to-buy-for" people on your out-of-town gift list.

3. SPECIAL CHRISTMAS CHEQUES are available in two colourful holiday designs -- one for personal and one for business bonus-giving. They are "gift-wrapped" in a bright cover that glows with the spirit of the season.

See these special Christmas features at your neighbourhood branch of the B of M today (don't forget to bring your Christmas shopping list).

Square 'em up

A warm welcome awaits any dancers who have been away from dancing for a while and would like to get started again. Come and square up with us at the Youth Centre January 6 at 8 P.M.

First Beginner's level party night is scheduled for January 21. Ray Frederickson will M.C. We hope to have all Beginner's name badges ready to present to

them, along with their membership in the Pairs & Squares, by that time. As we must allow plenty of time to have our order filled, all prospective members are urged to give their names to Doreen Edge this Friday night. Teenaged dancers must pay for their badges before they can be ordered. Price is \$1.00 so please bring it along with you if you want your badge.

Every member of the Pairs & Squares has a share in our big Christmas party next Saturday. We're all looking forward to playing hosts to our square-dancing friends from up and down the Valley. It involves a lot of effort, when everyone is busy with their own holiday preparations, but it'll be fun, too, when we're doing it together. Let's make it a very special occasion, a happy part of the season's festivities.

This week winds up square dance lessons for the year. A new series will start Friday, January 6. Beginners and Intermediates will be dancing together every Friday evening until the middle of March under Ray Frederickson's instruction. January 6 will be registration night, and everyone is requested to bring along their instruction fees that night, - \$4.00 per person for adults, and \$2.00 per person for teenagers. Rough on the old pocketbook right after Christmas!

DANGEROUS DRIVING

Lord Justice Devlin of England recently made two interesting suggestions on the problem of dangerous drivers. He suggested that as juries were reluctant to convict dangerous drivers the description should be changed to wicked drivers. His other idea was that drivers licenses should be treated as were the master of a ship's certificate and the aircraft pilots license.

Member Reports

by David Pugh, M.P.

Friday, December 2nd, closes another excellent week's work, the highlight being the passing of the railway bill, known as "The Maintenance of Railway Operation Act." I have just come out of the House this minute as third reading and the passing of the bill was concluded. The House now turns its attention to the Vocational Training Bill which is at the resolution stage. After dictating this, I intend to say a few words in the House.

For sheer drama it would be hard to beat the railway bill. Every effort by labor, management and finally the government was attempted in order to avert a railway strike. There is one thing certain and that is that all concerned did not want a strike. I say this sincerely as I am sure that labour realized that one of the worst things that could happen would be to have a strike at this time. After

the second session with the Cabinet Ministers involved, neither party would budge an inch, and the Prime Minister announced that the government would take a hand so that no strike could occur.

A free-wheeling debate saw the House sitting until two o'clock last night, with the final gasp today. The Government's stand was based on the premise that no strike must occur; that it was in the best interest of Canada to keep management and labour as is until May 15 next by which time the government would have the benefit of the MacPherson Commission's report on railways and that whatever was done at that time in regard to freight rates would not prejudice labour nor management in its final settlement. The opposition felt

that labour should receive the award granted by the conciliation board.

In this respect it must be remembered that conciliation is a means to end a strike and that a conciliation award even though unanimous, does not bind either party. To accept such an award at this time would be compulsory arbitration. Although the opposition parties advocated such a payment now they were careful on more than one occasion to state that they were not for compulsory arbitration.

YOUTH RALLY THIS SATURDAY

12 Students from Seattle Pacific College will conduct a Youth Rally on Saturday December 17 at 7:00 p.m. at the Free Methodist Church.

This group of college students spend their week-ends travelling to churches in Washington and B.C. to instruct and inspire local church youth groups.

Main speaker will be Ernie Thayil, a native of India and a former Youth for Christ director in India. He is now a business administration major at the Seattle College.

Musical feature will be the Joybells Girls Trio who have sung on TV and Radio in and around Seattle. The public is invited.

STUDYING IN WISCONSIN

John A. Stewart, of Summerland, is among the 803 foreign students from 75 countries and six continents who are studying at the University of Wisconsin in Madison this year along with 18,008 American students from all of the 50 states of the United States and the U. S. Territories of Puerto Rico and the Virgin Islands.

Holiday Buffet

It's time for tinsel and bells, gifts and heavenly kitchen smells. To enjoy the season to its fullest, plan your culinary strategy well in advance. Buy a larger turkey than usual, then you can use the leftovers in many interesting ways. In a few minutes, put together any one of many tasty casserole dishes. One of the greatest aids to casserole cookery is a well stocked shelf of condensed canned soup. Here's a recipe for Turkey Paprika using condensed cream of mushroom soup as the delicious sauce. It's quickly baked and just the thing for a spur-of-the-moment party or a hasty family meal during busy holiday time.

Accompany the Turkey Paprika with a salad of avocado and tomato wedges tossed with crisp greens. Try a dressing made with three parts oil to one part lemon juice seasoned to taste with oregano. For dessert, spoon mashed barely thawed frozen strawberries over vanilla ice cream.

TURKEY PAPIKA

- 1/4 cup chopped green pepper
- 2 tablespoons chopped onion
- 2 tablespoons butter or margarine
- 1 can (10 fluid ounces) condensed cream of mushroom soup
- 1/2 cup sour cream
- 2 cups cooked noodles (3 to 4 ounces uncooked)
- 1/2 cup dried cooked turkey
- 1 teaspoon paprika

Cook green pepper and onion butter until tender. In a 1-quart casserole blend soup and sour

cream; stir in remaining ingredients. Bake in a 350° F. oven for 30 minutes. Makes 4 servings.

BEANS 'N EGGS GO TOGETHER

Three cheers for the holidays. But along with the holidays you have snappy weather, vigorous outdoor activities and lusty appetites. Prescription: Place 1 can (15-ounce size) beans and pork with tomato sauce in a shallow baking dish. Cut 2 slices of bacon in half and lay over top of beans. Bake in a 375° F. oven for 15 minutes. Remove from the oven. Break 4 eggs and slip each gently onto the beans. Return to the oven and bake 10 minutes longer or until whites are firm. Makes 4 servings. This is good with a grapefruit and orange salad for Sunday night supper.

POTAGE NOEL

When the family comes in frosty and cold from ice skating, here is heart-warming fare to serve from a steaming hot tureen in front of the fire. Combine the following: 1 can (10 fluid ounces) condensed cream of celery soup, 1 can (10 1/4 fluid ounces) condensed chicken gumbo soup, 1 can (10 1/4 fluid ounces) onion soup, 2 soup cans milk, 1 (10-ounce) frozen succotash, 1 cup diced cooked turkey, 2 tablespoons chopped parsley, 1/4 teaspoon Worcestershire sauce, 1/4 teaspoon thyme. Cook until vegetables are tender (about 20 minutes) stirring often. Makes 6 servings. Serve the potage with green salad and squares of cornbread. For dessert: crunchy, juicy, red apples.

At the Board of Trade meeting last Thursday it was decided to write to C.H.B.C. T.V. in Kelowna suggesting that the word Summerland be included on the weather map.

Two recommendations to be referred to the incoming executive will be the improvement of the appearance of the approaches to Summerland and a suggestion to Council that the Wharton property be utilized as a parking lot as soon as possible.

SANTA CLAUS HERE NEXT SATURDAY

Santa Claus will be in Summerland the afternoon of December 24th. He will make his customary appearance on the Wharton lot where a bonfire will be kindled. As well as a glimpse of Santa the children will receive a bag of candy. On that day Saturday December 24th the stores are open to six o'clock only so parents are urged to shop while the kiddies visit with Santa. Mr. Keith Marten of the Board of Trade is in charge of the arrangements.

COUNCIL NOTES

A letter was read in council from the West Summerland Ministerial Association regarding street signs in this town. The Association feels that street signs are needed here and would facilitate newcomers and getting around town.

Mr. Kyte, owner of the property next door to the Five to Dollar Store, waited on council to ask if a bike stand could be erected somewhere near his premises. He said often as many as eight bicycles were leaned against the front of his building, against his street entrance and created a hazard to anyone coming or going.

On discussing the matter council decided to place a stand in front of the Post Office and another in front of the Five to Dollar store.

OWN OPICS

by Vicki McKee

The raffle tickets have been distributed to all the council members and I hope everyone has bought theirs. The draw will take place at the Bonthoux residence at Trout Creek this Saturday, December 17th. The winner will be notified by phone. For those of you who don't know, Teen Town is holding a turkey raffle in aid of the March of Dimes. First prize is a 25lb. turkey, second prize a hame, tickets are available from all Teen Town council members at 35¢ each or 3 for \$1.00.

Last Saturday a "color dance" was held. The color for this dance was green and all those not wearing green were fined 10¢. The attendance at this dance was very good.

We wish to thank Mr. Burnell and Mr. and Mrs. Stankoway for chaperoning our December 3 dance and Mr. and Mrs. P. Eden and Mr. and Mrs. W. Toves for chaperoning our December 9 dance.

Reserve Thursday, December 29 for the big holiday dance. More will be said about this next week.

IGA IN TROUT CREEK

A new IGA Grocery Store opens Wednesday December 14th at Powell Beach Service in Trout Creek, with Mr. Howe Thomson as manager.

There is over 1,000 square feet of floor space, with shelves well stocked with a wide variety of grocery items, and wide aisles for easier shopping.

The excellent pre-packaged meat department will receive fresh meat daily also.

Well lighted, pleasant surroundings will make shopping a pleasure.

During their opening, free coffee and tea will be served at the Powell Beach Service Snack Bar.

Mr. Thomson will operate the store in keeping with IGA's policy of large selection, low prices and quality products, plus corner store friendliness and courtesy.

ROY'S MEN'S WEAR STORE CLOSING

Mr. Roy Wellwood is selling out his stock and will be closing his Men's Wear store in West Summerland. Roy has been in business in Summerland for the past 22 years. He operated a butcher store for 5 years, Roy's Men's Wear for 10 years and served in the R.C.A.F.

The Wellwoods will continue to live in Summerland. Mr. Wellwood will be Sales Representative for the Commonwealth Savings Plan, in Summerland and district.

Summerland Mac's Cafe Aces battled the Merritt team to a 5-5 tie. On Sunday Summerland Aces lost to Merritt 7-4. Summerland could of easily won both games but had only 6 players 2 of which were Penticton Boys. Anyone interested in playing hockey drop into Mac's Cafe and see Joe Bullock. Thursday night there will be a game between Mac's Cafe Aces and Penticton Ken-Co's at 8:15.

There will be no further Sunday games until the mix-up in the ice times has been settled.

SERVICES HELD FOR JULIAN M. JAHENY

Mr. Julian M. Jaheny, passed away at his home in Summerland at the age of 89 years on December 12.

Funeral services will be held at the Church of the Holy Child, Friday December 16, at 10.00 a.m.

Prayers will be said in the Penticton Funeral Chapel Thursday evening at 7.30.

Commitment in Peach Orchard Cemetery.

Mr. Jaheny is survived by his loving wife Victorine, three daughters and one son, Mrs. G. Gudelot, West Summerland, Mrs. R. Boisson Kinistino, Sask., Mrs. D.F. Hegarty, Vancouver.

The ideal Christmas gift, send a prepaid rail ticket and celebrate your Christmas together. Your Canadian Pacific ticket agent will arrange prompt delivery. Further information and reservations available from your Canadian Pacific Agent.

WHEN FARMING WAS BEASTLY

The trouble with plowing by beast power, back in the days of primitive man, was that usually man's muscles gave out before the beast's.

Since then we have learned to harness more manageable sources of power to do our plowing and other work, and our standard of living has never been higher.

Today Canadian farmers rely on petroleum-powered horsepower rather than animal power, and Canadian farms are among the most efficient in the world. Canadian farmers can depend on oil supplies wherever and whenever they need them—and at reasonable prices. The price Imperial receives for tractor gasoline has gone down, rather than up, over the past ten years.

IMPERIAL OIL LIMITED

... for 80 years Canada's leading supplier of energy

WI report on activities of year

Annual reports showing a wide variety of activities during the past year were given to the Summerland Women's Institute at their meeting Friday afternoon. The fiftieth anniversary celebration on April 27th, the party to honor new citizens on June 4 and coffee parties held during the summer were high-lights. Participation in the Fruit Fair in September and the Variety Sale in October were very successful projects. Many cash donations and other contributions were made locally, provincially, nationally and internationally to uphold the Institute motto "For Home and Country".

During the regular meeting business was conducted by the president Mrs. A.A. Fenwich. The copper rose-bowl memorial to Mrs. C.E. Orr was on display and later taken to the High School. This bowl will be given on Awards Day in June to the Grade eleven student who shows the most proficiency in sewing.

Food for the Christmas hamper was brought to the meeting and will be given to the Central Welfare Association for distribution.

Christmas cards will be sent to shut-in members.

An intermission was called while tea was served and memberships paid.

The annual meeting was there called to order and following routine business the nomination convener,

Mrs. H.C. Whitaker presented the slate. Five names were chosen from the ballot and after a short conference the following officers were named for 1961: President, Mrs. W.S. Rothwell; Vice-President, Mrs. E.O. Mortimer; Board Members, Mrs. W.M. Brown, Mrs. W.R. Powell, Mrs. E.O. White. Mrs. L.W. Rumball was appointed Secretary-Treasurer.

The January meeting will feature the 4th annual pot-luck luncheon on Friday 13th. Husbands or guests may be invited.

MEN'S CLUB NOTES

The United Church Men's Club held a very successful Pre-Christmas Turkey Dinner last Wednesday. One hundred and twenty-five persons sat down to Turkey and all the trimmings, prepared by the men of the Club.

The president, Art Fleming, welcomed the Ladies, and said that this was a fellowship meeting to enable all members and their families to meet and become acquainted. He said that the Club had completed its first year very successfully. Several projects had been undertaken and completed, including the stuccoing of the Church and he was happy to say that we had finished this year with all projects completely paid for. Our latest project is the sending of a young man to the Older Boys' Parliament to be held in Victoria, at the end of this month.

He thanked the members for their loyalty, and effort, to improve the effective work of the Club. He particularly mentioned Mr. Dan. Spencers, who superintended and made possible the stuccoing of the Church, and Rev. Philip Louie, whose untiring efforts made our regular meetings of great interest to all members.

LETTER TO THE EDITOR
The Editor,
Summerland Review.

Dear Sir:

We are only a bunch of laymen, so the learned call us. But we know our onions when it comes to voting for the good of mankind.

It's appalling to think how close we were to their discrimination.

When the siren went Friday morning, I wondered how many realized how close we were to attack from the polls instead of looking to the skys.

Wake up people.
Laurena A. Lobban,
West Summerland.

WEST SUMMERLAND, B.C.

VOLUME 15, No. 52.

Season's Greetings

This is the time of year for counting blessings. Among ours, none is more dearly treasured than the friendship of those whom we are privileged to serve. Not to be measured in dollars and cents, this is by far our most precious possession. To continue to deserve it is our constant aim.

To all who have helped make this year a memorable one for us...our sincere thanks and best wishes for a Happy Holiday Season...for a New Year richly rewarding in the best things of life.

FROM THE MANAGEMENT AND STAFF OF
THE SUMMERLAND REVIEW

Under the Giant's Head

Despite the fact that the snow makes driving very hazardous, I must confess I'm enjoying it almost as much as Nanci, our three year old daughter.

Perhaps the best fun Nan has ever had, was last Sunday when the family decided, despite the snow to take a hike

for a Christmas tree. Spirits were a little dampened when we found the dog had chewed the rubber boots and there was only one serviceable boot left in the lot but armed with the one boot and several plastic bags over our shoes we started out.

Nanci, the only member of the family armed with sturdy rubbers was completely convulsed with the sight of either or both of her parents struggling to get up off their backs. Frozen plastic bags are mighty slippery. The trip down was simple and only took about four seconds flat but going up again was quite another matter. Armed with a small reluctant girl who wasn't in the mood to help and a large heavy Christmas tree, it was something to remember. However, we made it, and I'm quite sure we'll never have another Christmas tree we'll enjoy more.

The Retail Merchants Association wishes to remind all the youngsters, of the free Skating at Memorial arena on Friday, December 23 from 8 to 10 p.m. All children are welcome.

An extra incentive to Light Up for Christmas is being given by Macil's Ladies Wear. They have offered to add a certificate of Merchandise worth \$25.00 to the Atkinson Cup that is already offered as first prize. As well as making Summerland look nice at Christmas your efforts can give you a substantial reward. We have had several comments about the idea of a Christmas Card Lane, you can expect to hear more on the subject next year.

Don't forget to phone Lorne Perry if you want to enter the Light-up Contest.

Santa will be taking his usual stand in West Summerland, on Saturday, December 24th, on the Wharton lot. Candy tickets are being given out at school and kindergarten and the pre-school children's tickets are available at Read and Pruden's office.

Santa will appear in Lower town at 2 p.m. and at West Summerland at 2:30 p.m.

Fatal accident north of town Tuesday

An accident involving a trailer truck and a car, near the Government Campsite north of Summerland on Highway 97 Tuesday night, resulted in death for the truck driver, and injuries for five UBC students in the car.

George Malpas, the driver of the car, and James MacCausland, both of Enderby, were on their way home for Christmas with

Mary and Patricia Handley of North Surrey and Ann Causwell of Vancouver.

Robert Read of Port Coquitlam, jumped from the truck as it rolled down a 65 foot embankment and died instantly.

The rear section of the car was sheared off completely. The five occupants are still in Penticton hospital.

EXTRA SHOPPING HOURS Friday

Locals

A party was held at the home of Mr. & Mrs. Richard Neal in honor of the latter's mother Mrs. Rose Derosiers' 80th Birthday, those invited were Mr. & Mrs. Louie Derosier, Mr. & Mrs. Roy Derosier, Mr. & Mrs. Donald Derosier, Mr. & Mrs. Fred Clark, Mr. & Mrs. Ken Hunt Mr. & Mrs. Jim Royer & family, Mrs. Bernice McDonald & Barbara, Irvin Carty and Mrs. Betty Fleming. Games were played and refreshments served.

The big surprise of the evening was a phone call from Torrance, Calif. when Mr. & Mrs. R.C. Seeds wished their Grandma Derosier many happy returns of the day.

The Summerland Kiwanis club took six car-loads of Senior Citizens out to see the Christmas Lights in Penticton and Summerland, the first of the week.

Newcomers to West Summerland are Mr. & Mrs. Dawson Ritchie, formerly of Edmonton, Alberta. He is a brother of Scotty Pitchie, well known Summerland resident. Mr. Ritchie is a hair stylist of some renown and will be opening a shop in the Okanagan.

We note from the "Rossland Miner" that the fluoridation bylaw in Rossland was defeated 572 to 341 votes.

A son, Lee Thomas, was born to Mr. and Mrs. Bob Weltzel, Penticton, on December 17th, in the Penticton Hospital.

Mr. and Mrs. Daryl Weltzel and family of Vernon will spend the Christmas weekend at the home of Mr. and Mrs. C. B. Snow, Hospital Hill.

Make Christmas a family affair. Go to church on Christmas Day.

NO PAPER NEXT WEEK

Following our usual custom, there will be no Summerland Review published next week. Next issue will be dated January 5th.

CAMERA CLUB NOTES

A well attended meeting of the Summerland Camera Club was held at the Nurses' Residence, Hospital Hill, on Thursday evening, December 15. Following the regular business, the members were shown a series of excellent slides taken by Miss Enid Maynard during her recent visit to California.

Local photographers wishing to improve their picture-taking are urged to join the club as they should find it most instructive and entertaining. Meetings are held on the third Monday of each month and full details of membership may be obtained from any club member.

LETTER TO THE EDITOR

Editor, Review West Summerland, B.C.

Dear Mr. Williams:

At this season of the year when we are sending messages of remembrance to friends everywhere, it gives me pleasure to take this opportunity to send you the thanks of the executive, volunteers and staff of this Division of Red Cross for the fine work you have been doing through your newspaper to keep our Red Cross services and needs before the community.

To your readers, too, many of whom are volunteer workers on committees and annual campaign, we send our thanks and kind wishes.

May 1961 be a happy and inspiring year of progress for your newspaper.

Yours sincerely,
S.L. Hewer
Commissioner.

School News

A capacity audience turned out on Friday night to the 8th annual Christmas Band Concert. The program included selections by the Senior Band, the Junior Band, the Recorder Club, and the Drama Club's presentation of the last scene of "A Christmas Carol". A silver collection taken at the door will help meet expenses of a spring band tour.

The Challenge Trophy was snatched from the Staff last week in a touch and go game of volleyball between Div. 3 and the more athletically inclined members of the staff. Congratulations go to Div. 3 and their worthy opponents.

Exams are being written in the school December 19, 20, and 21. The school will reopen Thursday, January 5.

TEEN TOWN TOPICS

by Vicki McKee

Winners of the turkey and ham draw were Mrs. Cork and Mrs. Don Agur.

"Icicle Ecstasy" is the title given to the big Teen Town Christmas dance to be held in the Youth Centre on December 29 from 9:00 p.m. to 1:00 a.m. The Downbeats will provide the music. A special invitation goes to the adults as well as the teenagers.

VIOLET SOCIETY CHRISTMAS PARTY

Seven members of the Summerland African Violet Society met at the home of Mrs. Gladys Lazenby for a Christmas party last Monday evening. A short business session was followed by bingo and a lovely lunch served by Mrs. Lazenby. Next meeting will be at the home of Mrs. Hilda Downes, Peach Valley.

Editorials

As Editorials this week, we are printing two poems by Review subscribers. The first is by Mrs. Kay Norstrom of Summerland, and the other is by Mrs. Mary Squires of West Summerland.

THIS DAY CALLED "CHRISTMAS"

The blessed Christmas Story in its rare simplicity,
Hold beauty and a guiding light for all humanity.

The Angels brought the message nineteen-hundred years ago,
As They sang from out the heavens to the mortals below -

"A Saviour, Christ, this day is born", They said "peace on
earth,
And towards each other have good will, rejoice ye in his
birth."

Can we picture now the Stable lighted from a Star above,
See Mary bending o'er Him glowing with a Special Love?

The delight of Christmas giving may be counted from that
Day
As worshipping man came with gifts His feet at which to
lay.

The cattle kneel with reverence no matter where they are,
As that Midnight Hour approaches, since Wise Men saw the
Star.

Poor sinners, we in image made, should now in adoration,
Be in accord with one and all and nation unto nation.

By grace it was intended that we should all employ
The means at our disposal to create a lasting joy.

The birthday of our Lord is recognized in many lands
Whether skin be black or yellow, it's for brotherhood it
stands.

There is no quarrel with St. Nick in the jolly role he plays,
But with commercial ruling of this holy day of days.

When we gather with our families at the festive board and
tree -
May we know this day called "Christmas", as it was meant
to be.

'TIS CHRISTMAS

On a cold, grey, winter day
Softly falls the snow!
The wind a freezing moaning sound,
The birds, a shivering go!

There seems to be no brightness,
No hint of warming cheer,
But lo - we've found a little town,
And Christmas lights appear.

And, on the hill at the end of the street,
Someone has spent the time;
To set in place the "Manger Scene",
The "Warmth of Christmas time".

To set out lights to brighten them
So the weary stranger can know -
The warmth, and love, of the Saviour's Birth,
Thro the softly falling snow.

To welcome the stranger within their gates,
To warm his heart by the fire;
So he can leave with the deeper glow,
The Scene, alone can inspire.

May you have a Merry Christmas Day!
Little town, I've just passed through,
May you share the glow you've passed to me,
Merry Christmas, Happy New Year to you.

ROOM IN THE INN

by Rev. G.E. Leasor
"Mary...brought forth her
firstborn son...and laid him
in a manger, because there
was no room for them in
the inn. Luke 2; 7."

What a difference it
makes when Christ is present.
For example consider the
Inn and the stable of the
Christmas story. The Inn
might be described as an
ordinary sort of place. Within
its walls were the travelers,
the business man, the family
man, but no Christ. The
stable too was a common sight,
but how revered it is in our
memory. What made the
difference between the two?
The difference was this, the
stable received the Christ and
the inn turned him away.

We are either like the
inn or the stable, we either
receive the Christ or turn
him away. The inn, pre-
occupied with its weariness,
its business affairs, its family
reunions, had no room for
Jesus. The stable, humble
by what little it had to offer,
nevertheless received into
its bosom the Son of God.
The Inn remained pre-
occupied, weary, busy, en-
grossed, but the stable was
transformed. Where before
there was heard only the
lowing of the cattle, or the
curse of the stable boy at
the stubborn donkey, ex-
clamations of the shepherds,
and echoes of the worship-
ping angels.

Yes, we are either Inns
or stables. We are either
transformed by the indwel-
ling of the living Saviour or
we go with our preoccupa-
tions, our business, our
family, but no Christ.

Mr. and Mrs. Ron Andall and
Dale are spending Christmas
with relatives at Pleasant
Dale, Saskatchewan.

PORTRAIT OF MAN AT WORK

Many of man's greatest advances
came because he took time out
to think—to figure out how to
get energy sources other than
his own muscles to do his work
for him.

Wherever man has had time
for creative leisure, he has used
his intellect to develop energy
sources to improve his standard
of living.

In Canada we're particularly
good at putting our energy
sources to work for us. Take oil,
for example. Oil provides more
than half Canada's energy needs
—Canadians use more than
1,000,000 gallons an hour. Every
day Imperial Oil refineries alone
supply Canadians with energy
equivalent to that produced by
a dozen Niagara Falls.

IMPERIAL OIL LIMITED
...for 80 years Canada's leading supplier of energy

TIMELY TRAVEL TIP CAN SAVE WORRY - MONEY, TOO.

It can be mighty embarrassing when you run short of ready cash while travelling. Yet no one likes to carry ready cash because there's always the danger of loss or theft.

What's the answer then, on your next vacation or business trip?

More and more people are finding the easiest and safest way to carry funds for travel purposes today is in the form of B of M travellers cheques. Any bank in Canada and most hotels and stores will cash them readily - because you counter-sign each cheque only when you cash it.

Thus the person cashing it knows right away that you and only you are the rightful owner. This feature makes B of M travellers cheques useless to everyone except their purchaser. What's more, if your B of M travellers cheques are lost, destroyed, or stolen, the bank replaces them.

So before you set off on that next trip, stop at the Summerland branch of the Bank of Montreal and buy as many travellers cheques as you think you'll need. The service charge is negligible and the peace of mind is wonderful.

Simon Kouwenhoven, the accountant, or any member of the staff will be glad to help you make any other arrangements for your travel financing. If your trip is an extra long one and you need a large sum, travellers letters of credit are available from the B of M, and if you are going abroad, there are special travellers cheques available at every branch.

Hi Kids!

Santa Claus is Coming to town

SATURDAY, DECEMBER 24th.

Invited here by the

Mr. & Mrs. H. R. McKee and daughter Vicki are spending Xmas at the Coast where they are the guests of their daughter and son-in-law, Mr. & Mrs. T. D. Grant.

ODDFELLOWS U. N. PILGRIMAGE FOR YOUTH.

World affairs will be influenced in what manner by the African nations that became independent in 1960? How might a Summit Conference ease world tensions and pressures? How is the disarmament problem being approached? How are the world travels of Eisenhower, Khrushchev, and Mc Millan affecting world relationships? What are the latest accomplishments of the World Health Organization?

How these and other up-to-the-minute questions of international importance and grave individual concern are being faced have been learned this summer by about eight hundred young people taking part in the annual "United Nations Pil-

grimage for Youth", a continental project for youth sponsored by the Oddfellows and Rebekahs of North America. Among recent nation-wide publicity given to this project in the United States is its appearance in the Congressional Record, its being the theme of her "MY DAY" syndicated article by Eleanor Roosevelt

The young people who made this trip are now available for speaking engagements, and clubs or other groups wishing to hear them should contact the local Oddfellow or Rebekah Lodge, or write direct to: Mr. E. N. Hill, Chairman, Oddfellows United Nations Pilgrimage Committee, 1070 Delta Ave., North Burnaby B.C.

CRANNA'S Jewellery
W. Summerland

By DANIEL F. LINDSAY

TOM LARKIN opened the kitchen door. His wife looked up with a hopeful smile as he entered. He just shook his head.

"No mail at all?" she said as she went on fixing dinner.

"Oh, there were couple of ads and a bill from the seed company." He hung his hat on a hook and crossed to the pump. His white hair was damp around his face when he straightened up again.

"It's just not like Bill," she sighed.

"Bill's got an unforgiving streak, always did have, even when he was a little feller." Pa's old briar gave off a pungent odor as he lit it.

"But this is different?, Tom," she said, putting a pan of biscuits in the oven, "tomorrow is Christmas. It's a long way to the coast. Maybe he wrote but didn't mail it in time."

"Ma," his tired old voice was filled with bitterness. "there's no need to stick pins in yourself by hopin'. Christmas or no Christmas . . . that boy is still mad."

The old lady's eyes shone with faith. "He might stay mad all year long but when Christmas comes . . . he'll write. I know. I'm his Ma."

"Don't forget," Tom said as he blew smoke at the ceiling. His eyes crinkled at the corners, "I'm his father."

"Dinner's ready, Pa," she said, filled with a deep longing and fought to keep the tears out of her voice.

"I c'n understand that still being mad at me, but why does he have to take it out on you?"

"You'r wrong, Tom," Ma replied as she lifted her head and

smiled. "The day after Christmas first delivery, we'll get a letter You'll see."

"Not from him," he shook his head grimly.

"You're forgettin' Judy," she reminded him as they sat down, "she's a good daughter-in-law."

"Oh, I'm not blamin' her," replying as he covered his biscuits with gravy, "Judy's a fine girl. It's his bull headed pride."

She got up and taking the coffee pot off the cook stove filled his cup. They ate on in silence. Finally he pushed his plate back.

"You aren't eating much," he scolded.

"I'm just not hungry Pa."

"I see," he stood up. "I'm goin' out and turn the heater on in the hen house. It'll be cold tonight."

His old shoulders slumped forward as he went outside. She shook her head and started picking up the dishes. Her mind sank back into the past. To the days when Christmas was alive with the excitement and laughter of young voices. She could see Pa striding into the living room bearing a large evergreen on his shoulder. Behind him there was always a highly excited little boy, bearing an axe. She wondered if the little boy ever thought of it.

Pa came back on the porch. She smiled as he kicked his toe against the threshold. It's a wonder, she thought, that there's any threshold left after all these years. He came into the kitchen, dumping an arm of kindling in the box behind the range.

"Snowin', Pa?"

He shook his head and took off his wraps, replying, "Stopped."

She hung the dish towels up to dry. He pulled a rocker in from the living room and sat down.

"Everything all right in the barn?" Ma asked as she threw a few lumps of coal in the fire.

"Sure," Pa said. A sad smile crossed his lips, "What's the use pretendin', Ma? We're both feelin' blue."

She sat down at the old kitchen table and started peeling apples, uttered, "I know it."

"Gonna bake me a pie?" he asked.

She nodded. "Apple was always Billy's favorite, too."

"Now, Ma, what's the use of . . ." he stopped as they heard a car drive up in the yard. "Must be Jim Rogers. Said today that new calf of his was sick." He opened the kitchen door and peered out into the night. She could hear him catch his breath as he watched a man and woman get out. "Ma, who do you think?" his voice was low.

"I knew," Ma laughed as she laid the paring knife down with a happy smile, "I knew it all the time."

1911 NOV '58 M.P. 19

In the happy spirit of the season, we greet you, and wish you and yours a rich measure of the Christmas Joy that gladdens this time above all others.

SEASON'S GREETINGS

To my friends and neighbors, members of the Rod and Gun Club and the Midget Hockey Team.
GEORGE STOLL

A drizzling rain seeped through Mike Duncan's threadbare coat and soaked him to the skin. Snow had preceded the rain that afternoon and the going was pretty tough. He wearily trudged along, endeavoring to keep out of the way of reckless herds of last-minute Christmas shoppers who thought of him only as a bar to their progress.

Ordinarily Duncan would not have thought of his wet skin, his tattered clothes, or even of his empty stomach. They were all part of life on the road — but this night was different. It was Christmas Eve.

It must have been the holiday season — why else would someone thrust a fifty-cent piece

"Are you sure that's all you want?"

into his hand and then vanish into the shadows? He could only murmur a grateful "Thank you sir, and a merry Christmas to you" before the donor disappeared into the swirling crowd.

Duncan reached into his left pocket, pulled out two dimes and five pennies, laid them in the palm of his other hand and stared at his entire fortune of seventy-five cents.

He smiled sardonically when it occurred to him presently that the building in front of which he stood was the United States Mint. He turned and, with a laugh that had a hysterical ring to it, jingled his handful of coins. His mirth attracted the cop who had been standing on the corner watching him. The officer said to him in a brogue so thick that it could have been cut with a knife, "Move on, blasit ye!" Mike wandered off down a deserted side street, clinking his money.

After about an hour of aimless roaming through endless alleys, he found himself directly opposite a brightly decorated restaurant. He crossed over and from sheer curiosity looked in the window.

There were only two patrons

inside — an elderly man and woman seated at a front table who were avidly devouring with much relish a whole roast turkey with all the side dishes.

Duncan's mouth began to water — his stomach seemed hollow — he felt his legs go weak, and his ever-present hunger was getting the best of him. Suddenly he remembered the seventy-five cents. He thought quickly. A bed for the night at a flophouse would cost fifteen cents — that would leave him sixty. He decided to go in and order a roast turkey sandwich. He gave his hat a few deft pats and opened the door. He flung his battered hat and coat where he could grab them in case of an emergency, and made himself comfortable at a table in a corner. Duncan knew that his appearance was none too prepossessing and that a waiter would not dash up to some one from whom he could not get a tip. After a while a vinegar-faced man deigned to come to him. "What'll you have?" he asked, stifling a yawn.

"A hot roast turkey sandwich," replied Duncan.

"On toast or rye bread?"

"Rye."

"Anything else?"

Duncan shook his head. "No, nothing else."

"Are you sure that's all you want?"

"Yes, that's all. Just a roast turkey sandwich."

The waiter returned with the order, placed it before him, shook his head wonderingly and withdrew. Duncan virtually devoured the sandwich in three bites. He delicately wiped his mouth with a napkin, then beckoned the waiter. "Check, please," he said.

"Check?"

"Yes, the check." Duncan raised his eyebrows.

"But there is no check."

"No check? What do you mean — no check?"

"There are none tonight. This is Christmas Eve. Didn't you see the sign in the window? Customers can order anything they want. It's on the house. You're the only guy who didn't order the whole darned menu. Well, merry Christmas," he added.

Duncan's jaw dropped. His gaze fell on the half-dollar, two cts in his hand. Slumped in his chair, his eyes followed the back of the retreating waiter.

1st Summerland Troop

For the last regular meeting before the Xmas holidays was held a week ago, the troop enjoyed a film on Winter Camping prepared in consultation with the famous Artic explorer Vilhalmur Stefansson. The film dealt with trail making, cooking, bedmaking, fire-lighting, clothing etc. at 10 degrees F. Before the film the boys filled in answers to questions on Winter Camping and after the film corrected their answers.

This was in preparation for a winter camp at Headwaters, Dec. 29-30-31. A large proportion of the boys indicated the desire to take in this camp and full details will follow in the mail to all parents. With the investiture of recruits Baron, Smiley

and Horne and the investiture next week. The recruits Blagborne and Trussell the troop will be fully invested and all boys eligible to attend.

Mr. Geo. Lewis continued his instruction on Ambulance Men's Badge and Mr. Towgood and Mr. Horne instructed on 2nd Class First Aid.

Ross Blagborne received his Swimmers Badge and the Buffalo Patrol under Patrol Leader F. Trussell won the patrol competition for the fall. The prize will be a patrol axe.

The troop in going to need the loan of some snow shoes for the winter camp and anyone who can help should phone Mr. R. Towgood HY4-3136.

WOMEN'S FEDERATION
ELECTS OFFICERS
FOR 1961

The December meeting of the Women's Federation of Summerland United Church opened with the singing of the favorite hymn of Mrs. W. Boothe "The Lord is my Shepherd." Mrs. M. Cox and Mrs. M. Babcock led the devotional period which had as its theme "The Light Shinet, in the Darkness."

Mrs. W. Ward read two letters of thanks for parcels sent to an orphanage and hospital in Korea, which made us feel that our small effort here, is worth much to these people.

Mrs. S. A. MacDonald under the head of Christian Citizenship, gave a talk on "World Refugees, Christmas 1960." This year much more has been accomplished to relieve the awful situation of refugees, who have neither home, nor country, nor money. Something is being done gradually as in Hongkong one school-room for twenty-three pupils is being built each month. In Greece this year, homes are being built in the hills above Athens and for the first time in their lives, many will be able to live under a roof. In Korea millions are still homeless and TB is rife but clinics are at work checking and helping to cure TB.

Mrs. MacDonald ended by asking the question "Are we, as a group, doing our best to help make life better for homeless people?"

The Christmas hymn, "O Holy Night" was beautifully sung by Mary Morgan, accompanied at the piano by her mother, Mrs. Cecil Morgan.

Mrs. Roy Angus of the nominating committee presented the names of the new officers for 1961.

- Honorary President - Mrs. W. Boothe
- Past President - Mrs. A. J. Dunsdon
- President - Mrs. O. J. Lazenby
- Vice-Presidents - Mrs. M. Cox and Mrs. A. J. Dunsdon
- Treasurer - Mrs. Rex Chapman
- Corresponding Secretary - Mrs. W. Hemingway
- Christian Stewardship - Christian Citizenship - Mrs. S. A. MacDonald
- Secretary for Teas - Secretary for Supply - Mrs. W. Ward
- Friendship Secretary - Mrs. A. McLachlan
- Literature Secretary - Mrs. A. J. Dunsdon
- Press Reporter - Mrs. W. R. Powell
- Pianist - Mrs. Harry Milley
- Auditor - Mrs. Alex Smith
- Librarian - Miss M. Chambers

At the close of the meeting tea was served by Mrs. Heichert, Mrs. Mair, and Mrs. Harper.

To Our Friends:

Along about this time of year we think of Christmas - and our friends - and want to express some of the feelings that are way down inside.

To us this thing called "business" is founded to a great extent on friendship, and the desire to be of service to our customers. And for us to say it has been a real pleasure to do business with you, is expressing it mildly.

Because really and truly, in all sincerity, we have appreciated your acquaintance, and your patronage. We've tried hard to deserve your friendship and if we have succeeded then Christmas will indeed be a pleasant one for us.

And to you and yours, and all those dear to you, we wish a real Merry Christmas... and a 1961 heaping full and running over with all the things your heart desires.

Sincerely,
MACIL'S LADIES WEAR AND DRY GOODS LTD.

PROPRIETORS:

BERNICE WHITE

STAFF:

AUDREY TAYLOR ANNE CLIFFORD
LEATHE DIXON ROSE FISKE

Once again, people of Christian belief throughout the world are preparing to observe the most happy and meaningful anniversary of all, and it is a great pleasure to me to extend to the people of the South Okanagan Constituency heartiest good wishes for Christmas and for the year ahead.

The magic of Christmas draws families closer and restores long-neglected friendships. But as we exchange these warmly personal remembrances, we recall, too, that our faith enjoins us to turn our thoughts outward at this season in a prayer for peace and goodwill to all men.

The message of Christmas is an old one; but time will never dim its truth and beauty. Let us, then, give thanks again for the peace and serenity conferred by God on us who live in the Okanagan Valley, and let us fervently hope that these great blessings may extend to people everywhere.

Merry Christmas to you all, and good wishes for the New Year.

SQUARE 'EM UP

Square dancers find their favorite recreation is a very fitting way to express the joyousness of the Christmas season in an atmosphere of friendliness and fun, over thirteen squares made merry last Saturday night at the Youth Centre at the Pairs & Squares Christmas party.

Chuck Inglis did a very creditable job of emceeing the dance. Okanagan square dancers are deeply indebted to him and his lovely wife Muriel, for many hours of happy entertainment.

We were very pleased to see several of our young dancers out. All their energy and enthusiasm added a special touch to our party. Three of our new teenagers helped out with the decorating, too. We appreciate their efforts very much, and look forward to having them as members of the club.

Nicest part of the dance, though, was the splendid way all the club members did their part to put the show on the road. It gave David and I a wonderful warm feeling, knowing that we have such co-operation and support.

Best wishes to all for a happy Christmas, and a New Year of good square dancing, starting January 6th.

BLACKBIRDS IN DECEMBER

Mrs. W. McClure of Hospital Hill reports seeing a flock of roughly 100 red-winged blackbirds. Not only is it unusual to see this species at this late date, but also to see them in such large numbers.

HEAD CHURCH OFFICE IN SUMMERLAND

In July of 1953, The Pentecostal Assemblies of Canada moved their British Columbia District Office from Victoria to West Summerland. Rev. C. W. Lynn, then pastor of the Bethel Tabernacle in Penticton, was elected to the position of District Superintendent. The District includes all of the Province of British Columbia and the Yukon Territory.

The Pentecostal Assemblies have enjoyed remarkable growth over the years since 1953, and it has now become necessary to employ on a full-time basis a secretary. To accommodate this change, office space has been secured in the building occupied by the Inland Realty Co. in West Summerland. Mrs. R. H. Grant of Nanoose Bay has been engaged as secretary and will be moving to West Summerland to take up her duties by January the 1st.

The Pentecostal Assemblies organization came into being in 1917 with just a score of affiliated churches and has grown until at present it is comprised of over 660 churches, with an additional 80 churches organized separately in the Province of Newfoundland. The Assemblies support over 170 Missionaries to foreign peoples and an almost equal number of men engaged in Extension work in Canada. Locally, Rev. D. M. Rathjen is its affiliated pastor and the church is located on Schindel Road in West Summerland.

Yuletide Joy

It Takes Know-How

To Burn a Yule Log

The Yule log is a tradition of Christmas, but due to central heating and gas stoves it is becoming a lost tradition in this country.

Few city dwellers have open grates or desire a log fire. And those living in the country find coal more efficient and less trouble.

However, for those who have a place to burn a Yule log and want one, tradition says it should be oak, ash, olive apple or pine.

Further the fire on which it is placed should be kindled from a brand saved from last year's log and that it should not be allowed to go out during the night.

For those determined to have the yule log, the voice of experience says, get hold of all the wood you can. Some kinds burn better than others but reject none these days.

Ash is highly praised by some and can be used without being seasoned. It burns quickly but throws off great heat. Poplar, on the other hand, should be seasoned or it will spark badly.

Elm is condemned as undesirable, but can be used. It is slow to get burning, but lasts a long time and brightens up when it gets going.

A few logs of birch, pine or fir will help it along.

Beech and oak are among the best logs. Beech is especially good, having a pleasant aroma and a steady glow. Oak has the outstanding merit of burning slowly.

If none of these are available, wood from all kinds of fruit trees are prime favorites for the yule log because of the pleasant smell when burning.

GREETINGS

**St. Nicholas One
Of Most Popular**

One of the most popular saints in Christendom, especially throughout the Eastern World is Saint Nicholas, patron saint of old Russia, of Aberdeen, of parish clerks and of scholars (who used to be called clerks). He is the original of our Santa Claus.

Little is known of his life but he is said to have been the Bishop of Myra in the early part of the fourth century.

Saint Nicholas is the patron saint of pawnbrokers because of the three bags of gold (later transformed to three balls of gold) that he gave to the daughters of a poor man to save them from the necessity of earning their dowries in a disreputable way.

He is also the patron saint of little boys. Legend has it that Saint Nicholas restored the lives of three little boys who had been cut up and pickled in a salting-tub to be served as bacon.

Saint Nicholas is invoked by sailors, because he allayed a storm during a voyage to the Holy Land.

He is said to have originated the Christmas stocking custom.

**Mincemeat Pie
Has A Long And
Quaint History**

The mincemeat pie first became a part of our Yuletide tradition because the pie was used to represent the cradle of the Christ Child surrounded by the gifts of the Magi. The varied ingredients represented the gifts and the pie was baked in an oval, cradle-like shape.

During the time of Oliver Cromwell in England, the Puritains refused to eat mincemeat pies because they felt that the custom of feasting and drinking at Christmastime was worldly and sensual.

Home-Made Yule Logs Add Color To Fireside Gatherings At Christmas

To enjoy a real old-fashioned Christmas this year, make some Yule logs out of old newspapers. Chemicals are the secret of these brightly burning logs. When newspapers are rolled tightly, tied and soaked in solutions of different chemicals they burn slowly and produce a rainbow of colored flames.

The logs take about a month to dry, so better start now if they are to be ready for Christmas.

Put 2 pounds coarst salt into a pail — preferably a polythene or wooden one, since the chemicals will corrode metals — 2 pounds bluestone and 2 gallons boiling water. Now add one ounce of any of the following chemicals, depending on the flame color desired: strontium nitrate which burns with a red flame; bismuth nitrate which burns crimson; antimony chloride which burns blue; barium-

chloride or borax, both of which give a green flame; or potassium chloride, which burns purple.

Put the rolled up newspapers into the solution and let them soak until the liquid is absorbed. Don't use slick paper magazines, because they won't absorb liquid easily.

Dry the logs on a rack till they are completely dry. When they are put on a holiday fire they'll burn with an array of glowing colors.

NEW YEAR'S VOWS TRACED TO PEACOCK

The custom of making New Year's resolutions can be traced to a peacock. The colorful bird was a favorite Christmas dish in early England, according to research experts.

It was customary for knights to take the "vow of the peacock" by making their pledge for the new year with their right hand on the peacock.

"Good Will to all men" ... this, in its deepest meaning, is our wish at Christmas.

Roselawn Funeral Home

Gifts were Sacred Traditional New Year's

The Druids distributed branches of the sacred mistletoe, but with peculiar ceremonies, as New Year's gifts to the people day with gifts and festive and the Saxons observed the.

The Roman custom of taking gifts to the emperor was introduced into England as early as the time of Henry III. Queen Elizabeth is supposed to have supplied herself with her jewels and wardrobe almost entirely from these gifts.

As late as 1692 the English nobility were accustomed every year to send to the king a purse containing gold.

Under the Tudors and the Stuarts it was the habit of all classes to give presents to their friends with the best wishes for the New Year.

Ladies received presents of gloves or pins which were then expensive. Sometimes the gifts were wrapped in money and from this practice we have the term "pin money".

An Apple for Christmas

If there's a traditional reason, we don't know about it, but any youngster (or stocking from the mantle grownups) who hangs his shouldn't be surprised to find an apple there come Christmas morn. This isn't because Santa raises apples during his off season, but it does indicate the status of the apple.

The apple's ancestry is traced to immigrants. Plant students believe the progenitor of the modern apple appeared first in southwest Asia, between the Caspian and Black Seas.

Apples do not grow true from seed and for this reason most seedling apple trees are worthless. Occasionally, however, one is found with highly desirable characteristics. Such a tree can be propagated endlessly by grafting.

Discovery of a fine new apple in the plant world's equivalent of striking gold or oil. And, to our knowledge, the first one was planted about 1800 in a Christmas stocking.
