### Building Permits In First Two Months Of '60 Up Over Last Year

Building permits issued in the first two months of 1960 showed an increase of \$17,950 over the value of permits issued in the corresponding two months of last year. In February six permits to a total value of \$25,000 were issued, as against one permit for \$1,000 in February, 1959.

Building inspector Roy Angus reports that of the six permits issued last month, three were for dwellings, at a combined value of \$25,000. There were two permits for alterations to dwellings at \$600 and one commercial for alterations, \$300.

Value of permits in January and February this year totalled \$42,400 as against \$24,450 for the same period in 1959.

### Education Week Will Be Observed Here

Panel discussions will be held at the High School on Thursday evening, March 10, at 7:30 p.m. as part of the Education Week program. Two panels will be run simultaneously, one in the Home Economics Food Room and the other in the Library, in order that at least four areas of study can be presented during the evening.

At 7:30, members of the staff will give short, explanatory outlines of the aims and scope of the different courses offered in Mathematics and Social Studies at the various grade levels.

Similar discussions will be

held at 8:10 on Science and English courses offered in the High School.

At 8:50, Mrs. N. O. Solly will chair a panel on efforts now being made by the University of British Columbia to meet the needs of all students from outside the Greater Vancouver area. This includes housing, counselling and grants, to help equalize expenses for out of town students.

The PTA welcomes all parents, particularly those who have students taking the University Entrance course, to hear this panel, and participate in the discussion.

### Sprays Are Main Topic At Local BCFGA

A general meeting of the Summerland local of the BCFGA was held February 29 at 8 p.m. in the IOOF Hall with 60 growers present.

The chairman gave a report of the January meeting of the Southern District Council.

The remainder of the time was devoted to a spray panel. A. Watt was moderator and members of the panel were: R. Downing (entomology), J. Stewart (chemist), D. MacIntosh (plant pathology), J. Mayne and E.

Tait (growers).

The spray program was divided into four sections: dormant sprayers, pink sprays, summer sprays and residues and tolerances of spray materials. The discussions were enlightening and interesting. Many questions were asked and answered.

Pear psylla control was stressed and lime sulphur and dormant oil recommended to make control more effective. It was recommended that growers should

The Board of School Trustees has received government authority to present a referendum to the owner-electors of the School District, which would authorize borrowing to finance an expansion program for the next three years. The building program has also been presented to the Municipal Council and approval received.

It is planned to hold the referendum on March 26, and G. D. Smith, Municipal Clerk, will act as returning officer for the School District.

The School Board anticipates the building of five classrooms and an activity room as an addition to the MacDonald School and a four classroom addition to the High School. The elementary construction will have priority as the need is more urgent there. In fact, the MacDonald addition project was planned over two years ago but only recently was approval received for construction in the central area.

The Board is planning to put publicity material in the hands of every voter explaining the need for the building program, what the program would consist of and the cost to the local taxpayer.

### Open House at Elementary Schools

Summerland's elementary schools will again mark Education Week by holding open house for parents and interested friends.

Visiting hours at MacDonald School will be from 2 to 3 p.m. on Tuesday, March 8; at Trout Creek, from 2 to 3 p.m. on Thursday, March 10.

This provides parents with an opportunity to visit the classrooms while they are in session, see their youngsters at work, and meet and visit their teachers. It is an excellent way to get to know your schools, their staff, and their problems, and it is hoped that large numbers will take advantage of the opportunity.

## Library Review

by Freda Storey

She was loved and trusted by every man who knew her. To the eyes of the young men who loved her with warmth and affection she had beauty unsurpassed.

To her friends she was gentle, staunch, loyal and a protectress; to her enemies she was a lightning bolt from the skies, a ruthless and total destroyer.

She had no vices.

In the hands of the young men who mastered her and became her lovers, she saved England and all the rest of the world that cherished the right of freedom.

She was the Hawker Hurricane.

Paul Gallico has written the whole exciting and inspiring story of the greatest British fighter plane, from the drawing boards through the battles of World War II. It is a story of great daring, imagination and unparalleled human courage, the biography of an aircraft which came to personify toughness and audacity.

"The Hurricane Story" is just one of the new arrivals at Summerland Library this week.

"Three against the Wilderness" by Eric Collier is another. This is the amazing true story of a modern pioneer family, and the miracles they wrought in the barren wilderness of Northern B.C. This book is in great demand and we invite you to add your name to the waiting list.

A first novel by Michael Redgrave is another welcome addition to our shelves. "The Mountebanks Tale" tells of the last days of a great actor "Joseph Charles. The sweep of the theatrical background, the richness and authenticity of the professional detail might well be expected of this author but the story is told with a tension and humor, with a sense of poetry and a variety of mood which may entitle him, by the book alone to be regarded as a true "Teller of Tales"

For non fiction readers, again there is an outstanding book telling of life among the aborigines by Australian Kyle Tennant who has already made a name for herself as a novelist. "Speak you so gently" is a travel book of unusual fascination.

"A Guide to Stereo Sound" by David Tardy is a useful addition to our technical shelves.

These and many more will be at your disposal during the coming weeks. We invite you to come and see for yourselves.

## Education Week

Education week will be observed next week and, although as a general rule, we dislike many of the special weeks set aside for this and that, we can make an exception in the case of Education Week.

Education, as the slogan goes, is everybody's business, and it goes without saying that it should be everybody's business not just for one week out of the year, but for 52 weeks.

However, it would hardly be conducive to good conduct and discipline within our halls of learning if parents and other interested adults were invited to poke their noses into classrooms any day and every day in the school year.

So, we have Education Week when parents and others can take a close look at our educational machinery in operation.

As always when discussing education, the question arises, are we getting value for our education dollars? The Review thinks not, as it is our opinion that education is carried too far and that only a comparatively small percentage of our youngsters are mentally equipped to benefit from the complex curricula of the day.

The education system of today is producing some fine young men and women indeed, but at the same time it is producing young men and women who, unable to digest the rich and varied educational fare served in our high schools, emerge unequipped to meet the challenge of a competitive world.

Today it seems we pay allegiance to the idea that all children should have the benefit of an equal education, at least up to and through high school. That to our mind is muddy thinking. Equal opportunity by all means, but if, when given the opportunity the student is found incapable

of absorbing the knowledge fed to him, then why continue? Why overload the brain beyond capacity any more than we would overload a boat, already shipping water.

Education might be just as costly in total outlay, perhaps costlier, if a system of technical training was introduced which would divert students into fields of learning in which they are mentally equipped to graze, but although such a system might be costlier it would, we believe, pay far richer dividends on the education dollar, insofar as the finished product is concerned, and that is what counts.

We read once that a scientist challenged impossibility by creating a silk purse out of a number of sow ears.

A remarkable feat, but we are inclined to think that the scientist's self-imposed task was simple in comparison with the task imposed upon the teachers of fitting square pegs in round holes, a task, which in so many cases, is the equivalent of trying to compress a full measure of learning into a vessel with only half the capacity for holding it.

Incidentally in this regard, we think the new set-up at the High School, which provides for the student who is not university material, or who is willing, but unable to absorb the regular program, is a step in the right direction. Even so we still think that, overall, our educational system as constituted, tends to be wasteful of taxpayers' dollars and of more concern, wasteful of human material.

And so next week is Education Week and if nothing else, it makes people think, witness this editorial, which although you may not agree with it, will we hope, set you thinking.

## March Is Red Cross Month

This is Red Cross Month — a time of the year when we focus attention on a great international organization.

The importance of the 1960 Canadian Red Cross campaign for funds should be apparent to every citizen of this community and the nation.

The budget of the Red Cross for 1960 is a large one and there is only one source for the money to allow the Canadian Red Cross Society to meet its humanitarian obligations for another year. That money must be provided through the generosity of the people of Canada.

The Canadian Red Cross means many things to many people. In most provinces, the Red Cross means free blood transfusions for everyone. When disaster strikes at home or in any part of the world we know the Red Cross will be on the job, doing the things we would like to do if we had the opportunity. In remote areas of our vast land a string of Red Cross Outpost Hospitals and Nursing Stations provide care and treatment.

Through our Red Cross we are assured that our veterans are not forgotten men and women. They receive regular visits see current movies, enjoy the pleasant atmosphere of Red Cross Lodges and spend hours that would normally hang heavy over their heads in the pleasant pursuit of the arts and crafts program.

Officials of the Canadian Red Cross Blood Transfusion Service estimate that some 300,000 Canadians will require almost 500,000 bottles of whole blood for transfusions during this year.

The collection of this quantity of blood from voluntary donors and its eventual delivery to the hospitals of Canada without charge will be an expensive undertaking. The projected budget will approach \$2,370,000 or approximately 40 per cent of the 1960 Canadian Red Cross financial requirements.

The amount we give is not the issue. The number of us who support the Red Cross is important. If we all do our share we will be helping to provide a Red Cross free blood transfusion service and many other worthy projects as well.

Through the Junior Red Cross our children are learning to become better citizens and gaining an understanding of their counterparts throughout the world.

This year the Canadian Red Cross will again have increased obligations. An increasing population always presents a challenge for more extensive activities.

One of these days a volunteer canvasser will call on you to request your financial support. Answer that visit with a generous donation and you will have the inner satisfaction of doing your share to help others.

# South. District Council Talks Cover Wide Field

The Summerland Review  
WEDNESDAY, MARCH 2, 1960

Reports of the Board of Governors, BCFGA executive and Sun-Rype directors were made by Central District Council representatives at the February meeting of the Southern District Council on February 20.

This interchange will be continued at intervals throughout the year as a means of achieving a wider understanding of the problems of the different areas.

Spencer Price reported that Sun-Rype had handled about 15,000 tons of fruit from the 1959 crop. This was about half the capacity of the grower owned plants. Prospects for a full crop this year could mean that Sun-Rype would be asked to process up to 40,000 tons. A market survey was being planned to determine probable market for cider. If Cee grade diversions were to be combined with culls for processing, greater care would have to be taken in cull handling as fruit would be stored over a longer period than is now the case with culls. Mr. Price said that heavy applications of nitrogen for Jonathans being grown for processing could result in the delivery of poor quality fruit.

H. Whittaker and J. Gerein reported for the Board of Governors. Winesaps were moving freely, with the quantity sold double the amount sold at this time a year ago. Standard Delicious were sold out in Fancy and Extra Fancy. Reds have been quoted in all markets, and were selling well. Competition from CA Macs is just starting. The total of CA storage in the States and Canada is over three million boxes.

S. Land and N. Taylor reported for the executive. Mr. Land outlined the operation of the Canadian Horticultural Council, and said the B.C. delegates had been successful in securing council backing for all the B.C. resolutions. More interest in provincial marketing boards was in evidence this year in other fruit growing areas. While in Ottawa, industry delegations had approached the government in connection with fair value for duty, exemption of sales tax on irrigation pipe, and dwarf tree research.

The Frost and Wind Warning Service will commence about March 12. The Bartlett-grader used in the east is to be tested this year in the valley, and the provin-

cial government will contribute to research on fruit bruising. The executive is withholding approval of the resolution dealing with a quality control program for pears until a more definite plan is developed.

J. G. Mayne of Summerland and R. V. Bonnett, of Oliver were elected by the council as district representatives to the committee on industrial election procedures.

Pool closing figures will no longer be given in the quarterly report, as this information will now go out

to growers on the standard account form.

F. Gabelmann felt that too much nitrogen might be the reason why our fruit was not standing up as well as fruit from other producing areas, and in this connection J. Luthy said that Michigan Macs on the Winnipeg market were a much firmer apple than ours. It was felt that more information should go out to growers on fertilizer recommendations.

A. Schwenk said it was (Continued on back page)

# Be Bright, Buy a Guiding Light

"Be bright - buy a Guiding light!" - so say the ladies of the Summerland local Guide Association who met at the Youth Centre Wednesday evening to discuss further plans for their light bulb sale March 7.

"Fifty mothers are needed to sell the bulbs, and as yet we have forty-two volunteers," said Mrs. Ross McLachlan, who together with Mrs. John Tamblin is convening the sale.

Cars are being provided by members of the Kiwanis under the direction of Ed

McGilvray who is in charge of the youth committee. It is expected that 27 cars will be in operation with two mothers accompanying each car. Headquarters will be the residence of Mr and Mrs. John Tamblin and detailed maps of the district will be distributed.

Light bulbs will be sold in packages of four, containing two 60 watt bulbs and two 100 watt bulbs at a price of \$1.15 per package. The bulbs are Westinghouse.

# Churches To Adopt Refugee Family

The parish of the Church of the Holy Child, Summerland, and the church of Our Lady of Lourdes, Westbank, has chosen to adopt a refugee family. The decision was made at a general meeting of the parish held Wednesday evening, February 24. The family will live in either Summerland or Westbank.

Fr. Meulenbergh outlined the aim of the program which is a response to an appeal from Most Reverend Bishop W. E. Doyle of the Diocese of Nelson.

The meeting was then turned over to J. J. Winkelhaar, Penticton, of the diocesan public relations committee and Carl Aschenbrenner of Penticton, chairman of the Penticton adopt-a-family group who gave more information and answered questions.

Committee of the family adoption plan in Summerland is comprised of William Horne, chairman; A. D. McMechan, secretary; Mrs. G. E. Logie, treasurer. Committee members are Mrs. F. Delay, Mrs. S. Fabbi and Wendell Schwab.

World Refugee Year was launched last June with a view to help clear the refugee camps of Europe. Sixty three nations including Canada are taking part in this endeavor. His Holiness Pope John XXIII, has given it his whole hearted support and has urged Catholics of the world to "collaborate efficaciously in making a success of this World Refugee Year."

Basically the plan calls for the adoption by Canadian parishes of a refugee family with a member or members who may be afflicted with a physical handicap, a non-communicable

disease or other disabilities and who could not otherwise gain entrance to this country. This proposed program is distinct from the government's movement of 100 tubercular refugees and their families as a contribution to World Refugee Year.

## Wedding

Miss Mary Wolffer and E. L. Farnham, both long time residents of this community were united in marriage on Saturday afternoon, February 20, by the Rev. P. K. Louie. The ceremony took place at the home of the bride's brother, and sister in-law, Mr. and Mrs. L. T. Wolffer.

Members of the family were present and L. T. Wolffer gave his sister in marriage. Mr. and Mrs. K. S. Geryluik of Penticton, brother in law and sister of the bride were best man and matron of honor attending the couple.

For the occasion the bride wore a pretty blue wool en- and a mink jacket and corsage with pleated skirt sage of pink carnations. Mrs. Geryluik was in a rose costume with white carnation corsage.

A reception was held at the Prince Charles Motor Inn, Penticton, after which the bride and groom left for a short honeymoon trip.

They will reside in Summerland.

# Credit Union Declares Four Percent Dividend

A four per cent dividend on shares for Summerland and District Credit Union members was voted at the sixteenth annual meeting held in the Youth Centre Friday, February 26. A pot board of directors are W. S. Gallop, Dr. J. M. McArthur, E. F. Weeks and Phil Munro, board secretary J. H. Thomson and George Mott were elected to the supervisory committee for a three year term, replacing Ken Williams, former chairman and member of the committee for eight years, and Ian McCuaig, a five year member. Others on the supervising body are Ken Hickson, W. M. Wright and K. O. Lapins.

Credit committee is comprised of G. R. Beggs, E. F. Smith and Herb Lemke. Education committee members are Mrs. Lloyd Shannon with new members Eric Williams, Stan Taylor, Don Randle and Mrs. T. Waterhouse.

Regret was expressed at

luck supper preceeded the annual meeting.

The money will be paid on the net profit of \$30,577.20 after 20 percent has been put into reserve which amounts to \$24,460. To this is added last year's undivided surplus of \$1,502, making a total of \$25,962 on which the four percent will be paid. Balance sheet for 1959 indicated a total of \$1,262,125.38. Membership at the year end totalled 1,973.

J. Litchenwald was re-elected president and L. W. Shannon vice president.

Two new directors, John Khalebach and Don Blagborne, were elected to fill vacancies of F. R. Ganzeveld and D. J. L. Mason, whose terms expired. Others on the the resignation of former manager, W. T. Bleasdale, for health reasons. An il-

luminated scroll of appreciation and a sum of money is to be presented to Mr. Bleasdale. Dr. Mason displayed the scroll made by Mrs. Mason and read the citation.

T. H. Waterhouse, the new manager, gave some of the statistics of the Summerland Credit Union operations, saying that over five million dollars had gone over the counter, in and out last year. Mr. Waterhouse paid tribute to the staff, Hans Meierhofer, Mrs. Herb Lemke and Mrs. Melvin Hyde.

Visitors at the meeting were J. W. Blogg, Kere-meos, president of the Southern Interior chapter, Rob Goe, manager of the Kelowna Credit Union, and Mrs. T. H. Hawtree, a Penticton director.

## Men's Club Hears Talk on Science

The regular meeting of the Summerland United Church Men's Club was held Thursday, Feb. 25.

Jim Gourley led in a ten minute musical program which was highlighted by two violin solos by Ron Downes.

Ken Storey gave a most interesting talk on science subjects. He gave an outline of the outstanding progress made in the last 25 years and told of probable astounding new discoveries and progress in the next 25 years.

Mr. Louie outlined the aims and objectives of the club and then installed its officers, president, Art Fleming; vice president, Will Jenkinson; secretary, Cyril Stent; treasurer, Jim Gourley.

The president, in his remarks stressed that the club to be a success, required the combined effort of every man in the church. Our suc-

cess is measured only by the effort we are willing to put in he said. If we are willing to put our best in the club, we shall not only succeed but will have a great deal of pleasure in the doing. He said that the executive are determined to make our programs a combination of instruction, study and entertainment, and a suggestion box was provided for new program ideas. He extended an invitation to all men of the church to join this their club, and help make it the success we all want it to be.

Club projects were discussed and Dan Spencers suggested that the club consider the stuccoing of the outside of the present church as a first project. The probability of building a new church within the next five or six years is doubtful, and as the cost will be small, the club accepted this suggestion and instructed the executive to approach the committee of stewards for permission to proceed with this work.

Mr. Louie closed the meeting with a short worship service.

Young men of the church willing to volunteer a few hours of time to help put up paper and stucco wire, will please contact Will Jenkinson. The next regular meeting of the club with ladies invited will be on Thursday, March 24 commencing at 6:30 p.m.

### Shower

Mrs. Ernie Farnchon (nee Mary Wolffer) whose wedding was Saturday afternoon gave a tea Wednesday afternoon. Mrs. Joe Van Gameraen and Mrs. L. Wolffer surprised the honored host with a cup and saucer shower. Those present were Mrs. F. Dickinson, Mrs. Roy Gilbert, Mrs. W. Greber, Miss Doreen Tait, Mrs. J. Mott, Mrs. F. Jacobs, Mrs.

G. Allen, Mrs. P. Austin, Mrs. I. Nilson, Mrs. R. Gibbard of Penticton, Mrs. J. G. Batstone, Mrs. C. Lewis, Mrs. K. S. Geryluik.

Those sending gifts, but unable to attend were Mrs. M. Sunderwood, Mrs. C. D. McDougald, Mrs. F. Gale.

After the gifts were opened the host served lovely refreshments assisted by Mrs. L. Wolffer, Mrs. K. S. Geryluik and Mrs. J. Van Gameraen.

Billets are still required for the 65 Wenatchee band members.

## Penticton Takes Second Place

On Wednesday the 24th and Thursday the 25th a total point series was held between Summerland and Penticton to break the dead lock for second place.

The first game was held in Summerland and the second in Penticton. Both games were lost under the heavy force of Pen. High's sharp shooting. The Summerland boys seemed unable to score baskets because of close checking by their opponents.

Summerland lost the first game by 15 points and the second by 17 points.

The high scorer in the first game was Gordon Smith and Richard Toeves in the second game.

The team now rests in third place at the end of the season.

Here's to you! says 6 year old Brad McFarlane as he downs another glass of milk. Mary Ross, director of the B.C. Department of Agriculture's Evergreen Kitchen recommends that all youngsters should drink at least three glasses of milk per day. If they did, it would raise the consumption of milk in B.C. to that of other Canadian provinces. Lowest in Canada in the consumption of milk, B.C. adults lead the nation in the drinking of liquor.

## Observations Continue For Grade 10 Girls

In the past few days, the grade 10 girls were given the opportunity of visiting several occupational centres in our community. Besides the hospital, the elementary

school and the experimental farm, these include the 5c to \$1.00 store, Penny's Beauty Shop, Macil's, Dr. Ratzlaff's office and the Health Centre. The object of these visits is to help the students to decide the type of work they would like to do after completing their basic education.

As a Summerland student I would like to thank all the business people involved on behalf of myself and my fellow classmates. We fully appreciate them giving up their precious time in order to instruct us.

## Mac's Seeks Support For Sunday Game

Lat Sunday Macs Cafe Aces defeated Greenwood 10-5 at Summerland.

This Sunday, March 6 the Macs Cafe Aces will meet an all Indian hockey team from Pateros, Wash. Game time is 2:30 p.m. in Summerland Arena.

This team from Washington is a very good hockey team and it is the first time an all Indian hockey team has played in Summerland.

Let's see a good turn out on Sunday to support the Macs Cafe Aces.

## "No Place Like Home" Says Burglar Bill

If you took the advice of Burglar Bill, you'd keep all your valuables at home. Under the mattress, maybe. Or in that old teapot which lost its spout.

But Bill's advice isn't entirely objective. He figures if you leave your valuables at home - even in a "safe" hiding place - he stands a better chance of getting his hands on them.

Much better advice comes from Jock Johnston, manager of the West Summerland branch of the Bank of Montreal. "Keep your valuables really safe in a B of M safety deposit box," says Mr. Johnston. "Your personal Strong Box, exclusively yours, costs less than 2c a day, and it pays for itself over and over again in peace of mind alone" he adds.

Hundreds of thousands of Canadians use B of M safety deposit box facilities. Their valuables - bonds, leases, stock certificates, insurance policies, deed, birth certificates, passports, and other important family papers - are safe and sound behind the steel doors of the B of M vault.

"Forget what Burglar Bill says. Mr. Johnston says, "Clean out those closets, drawers - and teapots. Bring your valuables into the bank instead."

Before the regular Tuesday meeting a committee meeting of all members dealt with the objective of Citizenship Quotient, and it was decided to actively promote this matter and a special committee of six has been named to deal with the matter.

Nick Solly was given a cheerful welcome on his return to club meetings.

Not so cheerful was the news that Bob Alstead has so many other meetings on Tuesday night that he is no longer able to attend Kiwanis. Our loss is the community's gain as on this night he is serving the hospital board and council meetings. We are very sorry to hear the news Bob but the club is proud that you are giving of yourself to Summerland.

Jack O'Mahoney celebrated a birthday this week, and the club is richer by one dollar. Jack said that in five years time he will stop counting them.

A Kiwasa dance is being held in Kelowna on Friday night and any members who can possibly go are urged to do so.

The Girl Guides hold their Light Bulb Sale on March 7 and the club will provide transportation for them. Will members with their cars please meet at the Youth Center at 6:15 p.m.

Jerry Halquist and Bill Laidlaw will attend the Key Club this week.

Walter Toeves introduced the speaker Walter Powell, municipal chairman of the water board who told the club just what the council will face if the municipality puts in fluoridation. His talk was very closely followed by members and strangely enough the cost would be very reasonable. He was suitably thanked by Fred Schuman after a question period.

The president impressed on all committees the necessity of getting action on their projects and he wants ACTION.

Mr. T. Garnett has returned home after a two month visit at Vancouver Kamloops and Celesta. Mr. and Mrs. Ed Riley of Celesta accompanied Mr. Garnett home on Saturday.

George Stoll left Tuesday for Vancouver where he will take in the figure skating championships. While there he hopes to interest skating pros and figure skaters in a summer session at West Summerland this summer.

Mr. and Mrs. Freeman of Vancouver have moved to the U.S. where Mr. Freeman has purchased Young's Hardware at San Leandro, Calif. Mrs. Freeman is the daughter of the late Mr. V. Sharman, former magistrate of Summerland.

## Request Nominations For Good Citizens

The Reid Johnston Good Citizen Cup, presented annually since 1938 to a Summerland citizen who in the opinion of the Summerland Board of Trade has proven herself or himself worthy of the honor will be awarded for 1959 at the Board of Trade annual banquet on Friday, April 8.

The selection committee requests that any individual or organization who have names to propose for this award, submit such names with record of service in writing by Saturday,

March 19 to Board of Trade past president J. Biollo, or secretary Lorne Perry.

The cup has been awarded previously to E. R. Butler, C. E. Bentley, Mrs. H. A. Solly, Dr. F. W. Andrew, S. A. MacDonald, A. Stark, W. R. Powell, C. J. Huddleston, Mrs. A. K. Elliot, Alf McLachlan, F. J. Nixon, Dr. R. C. Palmer, E. H. Bennett, Dr. A. W. Vanderburgh, G. Woitte, Miss Ruth Dale, Mr and Mrs. F. E. Atkinson, J. R. Campbell, Mrs. A. W. Vanderburgh, Stan Gladwell, Mrs. J. E. O'Mahony.

## Local Juniors Sweep Badminton Tourney

Summerland's young badminton players made almost a clean sweep at the Penticton junior badminton tournament against tough competition from all parts of the South Okanagan.

The Summerland youngsters came home winners of five-and-half titles.

In the under 14 singles, Mary Cuthbert won out in an all Summerland final over Sonny Boyd; and then in the under 14 doubles, Mary and Sonny combined to win the title.

In the mixed doubles under 14, Sonny Boyd and Freddie Gartrell defeated Mary Cuthbert and Mike Lopatecki in another all-Summerland final.

In the under 18 singles, Summerland's Anne Emery triumphed and then combined with a Penticton player to sweep the girls' doubles under 18.

Winners of the boys doubles were Summerland's Cliff Dunsdon and David Krause.

## Trade Board Panel On Tourists And S'land

A look at Summerland's tourist potential is planned at this Thursday's Board of Trade meeting. President W. S. Ritchie states that tourism is now Canada's third largest industry and could be an important factor in Summerland's economy.

Whatever you do for a living, whether you are in industry, farming, retail

trade or in some other business or profession you can be sure that part of your income comes from visitors to our community or to our country.

A panel discussion featuring representatives of motels, camp sites, fruit stands, fishing camps and the yacht club will answer members' questions and lead discussion on "where do we go from here" in the tourist industry in Summerland. James Moore of the Okanagan Lake Park will present views of campers who form the largest number of Summerland visitors at present.

Mr. John Bennest, a member of the school board will speak briefly on the forthcoming school building referendum. Board standing committees will have an opportunity at the close of the meeting to meet in committee. Meeting starts with dinner at 6:30, Thursday, March 10 at the IOOF Hall.

## Red Cross Blitz Here on Monday

Red Cross in Summerland will be a one evening blitz, Monday, March 14, undertaken by the Rotary Club, with J. Green as convener.

Objective is \$2500. For some years Rotarians have conducted the annual Red Cross canvas for funds.

G. A. Laidlaw is president of the Rotary club and assisting Mr. Green are members who will be canvassers.

## Fire Estimates Include \$16,000 For Truck

Council received the volunteer fire brigade estimates last night.

Costs listed totalled \$20,542 which included a new fire truck at \$16,000. The statement was referred to the annual budget.

Council will look into the cost of a new fire hall not necessarily for immediate action but to have figures available when needed.

R. F. Angus, building inspector, reported that conditions at the Mountain View Home were satisfactory. Report from the Okanagan Health Unit concurred. The Health Unit has agreed to a maximum of 20 elderly people being in the Home but permission has been given for only 10 until changes have been made by providing extra wash-room facilities.

Last night the municipal council gave permission to the Rink Association to go ahead with promoting ice for the summer months, at no cost to the municipality.

George Stoll, rink manager, is at the coast at present to acquaint figure skaters with the facilities in Summerland and of last year's successful operation.

Arbitration on the McCargar seniority grievance.

## Kiwanis Sponsor Exchange Of Students

The Summerland Kiwanis Club is sponsoring a student exchange with the Oroville, Wash. High School the week of March 14.

A. J. Longmore, principal of Summerland High School, has arranged an interesting series of extra curricular activities for the visiting students.

The Summerland students visiting in Oroville for the week will be Linda Betuzzi, Audrey Henly, Stan Krause and Keith Skinner.

Members of the local Kiwanis Club will take the Summerland students to the border where they will be met by Oroville Kiwanians escorting the U.S. exchange students.

## New Anglican Rector Inducted By Bishop

Right Rev. Phillip Beattie Bishop of Kootenay, conducted the service of induction for Rev. Norman Tanner, new incumbent of the parish of St. Stephen's Anglican Church at Summerland St. Margaret's at Peachland and St. George's at Westbank. Mr. Tanner has come to the parishes from Burnaby. There was a large attendance from Summerland, Peachland and Westbank.

Assisting in the service

were Ven. Archdeacon D. C. Catchpole of Kelowna, who delivered the address; Rural Dean Canon A. R. Eagles of Penticton, and Rev. W. Beames of Naramata who has been serving the parish until the new rector arrived.

The service was followed by a reception in the parish hall during which church warden E. F. Weeks presented Mr. Beames with a gift in appreciation for his work in Summerland.

## Summerland Expected To Play Big Part In School Of Fine Arts

Summerland, so well known for its interest in the arts, is being counted on for whole hearted support for this fine project of an Okanagan Summer School of Fine Arts with headquarters in Penticton. Summerland has not only a great deal to gain from such a school but a great deal to give with its large and active art group, its experienced and famous Singers and Players music, pottery classes and other art forms. It has been suggested that some of the classes may be held in Summerland. A meeting to consider the formation of this

school was held Friday night in the Prince Charles Motor Inn.

A resolution to go ahead with plans for this project for the whole Okanagan Valley was passed by an enthusiastic group of forty people. There were two present from Summerland, one from Kelowna and one from Oliver, the remainder from Penticton.

It was resolved to make application to the Koerner Foundation in Vancouver for funds as it is hoped to make a beginning this summer. The school will be under the extension depart-

ment of the UBC and instructors will be supplied by the university. A board of directors with eight members from Penticton and 2 each from other Okanagan centres was suggested.

It is hoped that Vernon, Osoyoos and other Okanagan communities who may be interested, will send representatives. These communities are asked to name their representatives as soon as possible to give time for plans to go ahead for starting the summer school in July.

Courses suggested were (Continued on back page)

## Member Reports

by Dave Pugh, MP

As far as our constituency is concerned, the best news recently was the promulgation of fair value for duty. As you all know, this has long been fought for by the fruit industry, and it may well prove the basis of better dealings so far as imports from the United States are concerned. The fight to obtain this measure has been a long and hard one and great credit should go to the Canadian Horticultural Council for its unanimous stand Canada-wide. The legislation applies to fresh fruit and vegetables. The holdup on promulgation arose because of GATT. Negotiations have been proceeding since 1957 and much is owed to the firm stand taken by those Ministers who recently met their American opposites. The Ministers concerned were the Minister of Agriculture, the Minister of Trade and Commerce, the Minister of National Revenue and the Minister of External Affairs.

The amendment to the Act is based on a weighted three year moving average of actual imports into Canada rather than the cost of production in the country of origin. Fair value for duty together with the increase in specific duties should prove a help to the industry.

The debate on capital punishment has not yet finished. I have been asked for my views and would state that I agree in principle that capital punishment should be abolished. However, at the present time I think we are not quite ready for it. Certainly as far as the bill is concerned, I would vote against it. This bill would retain capital punishment for treasonable acts and in my view this retention negates most of the arguments of those who were for the bill. However, I would like it clearly understood that I am not in favor of the present legislation. This legislation makes it mandatory that on a conviction for murder the death penalty will be imposed. This is a harsh measure and I am sure is against the general feeling in Canada as is shown by the great preponderance of remissions by the cabinet. There is room now for a change more in line with British law, in which differentiations are shown in the cause leading to murder.

There is tremendous interest in this debate among all members. What the final result of the debate will be, I am not at the present time prepared to state. However, I do feel that the bill will be defeated.

## Red Cross Month

This is Red Cross Month and again this newspaper is pleased to draw attention to this commemoration. It is our way of paying tribute to the Canadian Red Cross Society, a great national organization. It is also an opportunity to salute the many people in this community who serve as willing volunteers and carry on traditional Red Cross work.

These men, women and children are devoted to their various tasks and willingly assume additional duties whenever there is a call for their services. They give their time, their talent, their blood and their money to help others. They ask nothing in return because they have the satisfaction that they are people helping people. These Red Cross volunteers have a serious concern for the welfare of others, one of the most admirable of human attributes.

Every day we see these citizens carrying on their duties. In our schools the Junior Red Cross is a most important project and through it our children are developing an interest in the other youth, the community and generally learning to be good citizens of the future.

Our women of this community are the background of the Red Cross Women's

Work Committee. They devote hundreds of hours of their time to knit and sew to provide many essential articles for people in need here at home and abroad.

And there are the blood donors, the men and women who share their good health to help victims of disease and accidents and willingly donate their blood regularly to the Red Cross.

Another group is made up of the people who knock on our doors and request financial support for the annual appeal.

There are also men and women who serve as officers of our local Red Cross branch. They give their time and talent to guide the many programmes, services and interests of the Red Cross.

On Monday, March 14, a volunteer Red Cross canvasser will knock on your door. They are doing a very essential work because money is needed to back up the work of the Red Cross volunteer. That money must come from every one of us. Dollars and volunteers are needed to carry on the essential services and programmes of the Red Cross. This year the need is greater and your generosity will keep the Red Cross on the job!

## Education And Human Resources

By Dr. N. A. M. MacKenzie  
President, University of British Columbia

The slow, delicate and subtle process whereby the knowledge, skills and maturity acquired by one generation are passed on to the next is called education. While it is true that each individual is the sum total of an infinite number of stimuli, unordered, disparate and chaotic, which fall upon his senses, the responsibility of transferring knowledge in a formal and methodical manner is given over by society to its schools and universities. And so, since there can be nothing more important to human beings than the passing on of their customs, traditions and knowledge it follows that the quality of our education, its content and its methods, is in a very fundamental way the measure of our maturity, stability and value as a people. Our educational institutions are those agencies which alone ensure that the knowledge hard won by one generation will be handed on to all the generations that follow. Indeed, it is through education that we perpetuate ourselves as individuals and as nations.

From the earliest times man has wondered over this process of education, always questioning it, testing it, reforming it: who should be educated, to what level, by whom, for what purpose? There are no absolute answers to such a question, for each succeeding generation has new demands to make of its educational system, depending on the social and political needs of the time. If this process of critical examination were not going on constantly education would run the grave risk of standing still, of becoming retrograde and so declining. However, one principle seems to emerge clearly: the first responsibility of a nation is to guarantee for each citizen the possibility of attaining his maximum potentiality as a man. This means, in other words, that each citizen should have the opportunity of educating himself to the highest level commensurate with his

intelligence, aptitudes and natural endowment. A society is as good as the quality of the collective mental energies of the men and women who compose that society; and a nation is successful and progressive to the extent that it possesses human resources which permit it to carry out the complex and varied tasks of modern society. The physical world slowly yields its secrets to the physicist and the chemist; disease declines through the patient investigation of medical doctors; our beliefs, customs and mores grow and evolve through the researches of our social scientist, lawyers, psychologists and humanists. But all these fields of human endeavour require an ever growing number of highly trained persons who must spend many years at universities preparing themselves. The growth of human knowledge over the past four or five decades has been outstanding and unparalleled in history. And yet, vast new fields of human endeavour now only imagined by small groups of specialists will open up within our own lifetime, and they in turn will make their own demands on our reserves of trained men and women. There is then a basic and ever growing demand by society for the products of our universities which we cannot avoid if we are to continue living at our present level and in the kind of world we have fashioned for ourselves.

# R. Alstead Re-elected Head of Hospital Board

The annual meeting of the Summerland Hospital Society was held in the IOOF Hall Thursday night, February 23. It is hoped that next year more residents of Summerland will attend the annual meeting which is open to the public. The Summerland hospital belongs to the Summerland people; it is their hospital and everyone is welcome.

Robert Alstead, chairman of the Board, gave his annual report of the work done in the past year. Before proceeding with the business of the meeting, Mr. Alstead paid tribute to the work done by the late Dr. W. O. McDaniel and said the hospital would feel his loss keenly.

Mr. Alstead said expansion of the hospital facilities is planned by establishing an Outpatients' Department on the lower floor of the hospital which would lend itself well to this change. Also it is planned to make possible additional bed space upstairs which would be made possible by the installation of an elevator from the basement to the second floor. Mr. Alstead said that this expansion will undoubtedly have to be carried out as the hospital is becoming big business.

Plans of the proposed expansion have been submitted to the provincial government for approval. They will then be submitted to the municipal council. J. E. O'Mahony, administrator said that costs are now shared three ways with the federal and provincial governments and the municipality each paying one third under a new "renovating" grant.

A \$300 deficit appeared on the \$99,312.61 financial report, which when bad debts of \$2800 are realized would become a profit.

Retiring members of the board, G. C. Johnston, Dr. M. F. Welsh and J. M. Betuzzi were returned to the board. As Mr. Alstead is now a councillor and represents the municipality on the Board it was necessary to elect another member and F. M. Stewart, former councillor and hospital board representative was elected. Officers of the Board are Robt. Alstead, president; Harvey Wilson 1st vice president; John Betuzzi, 2nd vice president; J. E. O'Mahoney, secretary and administrator. Other members,

Wm. Eyre, Mrs. T. B. Lott, Norman Holmes, S. A. McDonald, F. M. Stewart, G. C. Johnston, Dr. M. F. Welsh, Mrs. C. R. Adams, Hospital Auxiliary representative and Mrs. G. Butler, matron.

Many new pieces of modern equipment were purchased by the board during the year: new and modern case room instruments and operating room instruments, mobile cleaning cart, dividing curtains in three wards, small autoclave, much painting and floor tiling, intravenous stands, repairs to call system and red lights, additional linen cupboards, several operating room accessories permitting the doctors to perform new operations.

A male orderly was an important and much needed addition to the staff.

The most important and valuable piece of equipment installed in the year was a new operating table presented to the hospital by Ed Matchett and is one of the most modern available. The Hospital Auxiliary, as part of their donations provided an operating light, thus making a complete unit.

In presenting this table to the Hospital, Mr. Matchett said it was his desire to do this in return for the wonderful service and attention he had received from the hospital, medical and nursing staffs. The president of the Board, on behalf of the people of Summerland then presented Mr. Matchett with a life membership in the Summerland Hospital Society in appreciation of his gift.

The Ladies' Hospital Auxiliary contributed \$2800 in hospital equipment during 1959 and were given high praise. Mrs. Don Clark, Auxiliary president, read the report of the year's work.

Mr. O'Mahony praised the excellent services of the hospital cook, Mrs. Brambley, who had prepared over 30,000 meals during the year, all of high standard.

Reeve Atkinson expressed interest in the expansion program and new equipment purchased and planned for. He praised the Auxiliary and said that this group of women could make money without risking a penny.

Dr. J. J. Pragg, regional pathologist of Kelowna was the guest speaker. He heads the re-established laboratory all hospitals from Kelowna which services

to the border. He reported a staff of nine technicians including two chemists, a bacteriologist and an histologist. This lab gives clinical pathological service with detailed bacteriological and bi-chemical investigations, does autopsies, and tissue pathological examinations including a quick section service. Dr. Pragg announced that new lab equipment is to be put in the Summerland hospital to improve service here.

Tea was served by members of the Ladies' Hospital Auxiliary.

# World Day Of Prayer Well Attended

The Women's World Day of Prayer service held in St. Stephen's Anglican Church on March 4 was well attended. The service this year was arranged by the Women's Inter-Church Council of Canada with the theme "Laborers together with God".

Representatives from six churches took part, with Mrs. Towgood as leader and Mrs. Rathjen, Mrs. Lillian James, Mrs. Lazenby, Mrs. Garrick, Mrs. Harvey Mitchell, Mrs. W. Davis and Mrs. Bob Barkwill assisted. The address was given by

Mrs. Ted Mortimer, who spoke on the purpose of the World Day of Prayer, and the missionary work the offertory would help.

For special music the Melodiers sang "My Task" which was greatly enjoyed by everyone. Mrs. Oliver played the organ for the service. Mrs. Eric Smith and Mrs. C. Bingham were the ushers.

**Kiwanis**

**Club Notes**

At Kiwanis meeting on Tuesday night, two members of the Key Club were present as guests of the club and were introduced by George Henry. They were Stan Kruse and Ron Bangma.

The club was both amused and disappointed. Amused to see Bill Gilmour pouring coffee and disappointed that the sheriff was not in his usual form. Nobody was fined and we did not hear George Henry's box rattle once. Doug Campbell led the club singing.

Ed McGilivray thanked members for their support in providing cars for the Girl Guides light bulb sale. He also reported on the exchange program for students from the US. Two boys and two girls will be here next week for the whole week and we understand that a full program has been arranged for them.

George Henry held forth at length on the CWL supper to be held March 17th in the Youth Centre. This is one of the important events of the year and the club decided to go en masse.

Scottie Ritchie reported on the good time had last week at the Inter-club meeting south of the border.

D. Campbell and J. Selinger will visit the Key Club this week.

The speaker of the evening was introduced by Hilly Smith. Mr. Emery Smith, district forester, Penticton. Mr. Smith gave a very interesting talk and made one realize how important it is for everybody to be most careful during the summer months to help prevent fires. He rightly said, "You all have ashtrays in your cars, please use them." With some surprise we heard that the forest industry produced some \$637,000,000 last year. Another interesting point was that there is a good possibility of a pulp mill being established in this area. Campers are reminded that from May to October permits are required before any fire can be lighted. He then showed a film of our forests and streams. The pictures were good and made one realize what a delightful province we live in. He was warmly thanked for a very interesting evening. The Scribe.

**Elect Officers For Concert Association**

Officers elected for the forthcoming season of the Overture Concert Association were Mrs. Ewart Williams, president; Mrs. F. E. Atkinson, past president; J. A. Wouters.

It has been decided to hold the campaign in April.

A list of artists for the coming year was presented and created great interest.

Mrs. Atkinson in her address stated that she felt that the effort to bring music to Summerland had been most successful and that we had pleased the majority of the members.

Square dancing is the style, even the juniors and teen agers are taking up this form of recreation. Juniors and teenagers under the direction of Chuck and Muriel Inglis have been progressing very favorably and are now taking part in the fun level dances in the area. Speaking of square dances, there are two dances in the area again this week end. At Westbank a fun level dance with Ray Fredrickson as emcee. Guest callers. Sack lunch.

At Penticton the Wheel-N-Stars are having as their emcee Bill French. This is also a fun level dance. At press time there is no information as to the lunch details. Both the above dances will be lots of fun for all. Bill and Ray have lots of experience with emceeing dances.

The Okanagan Square Dance Association has appointed a committee to draw up a schedule for party nights. It is hoped to get this matter straightened out before the start of the fall season. Briefs will be presented to the individual clubs after the March meeting.

# Teen Town Elects Mayor At Sat. Dance

At an election dance held in the Youth Centre Saturday March 5, Teen Town elected their council for the coming year. Mayor Bryan Baillie will take over the

reins of office from retiring mayor Lynn Bleasdale at the next Teen Town meeting to be held March 13.

The following members will be sworn in as executives at this time, and elected to the various offices Brian Adams, Leigh Trafford, Eddie Toevs, John Beaven, Jim Jomori, Dianne Bonthoux, Ann Marie Bonthoux, Audrey Beggs, Pat Kennedy, Judy McGillivray and Alice Vogel. Remaining on the council for a second man Smith and Bob Reid who is deputy mayor.

Teen Town has had a very successful year under mayor Lynn and has provided regular dances for the young people in the community.

Among other community efforts they led a successful March of Dimes campaign, provided a Christmas hamper for the welfare and contributed to the Kinsmen Mothers' March.

The purchase of a new stereophonic record player and many new records is representative of their financial success during the past year. Teen Town is also sponsoring several junior members in the badminton tournament to be held March 12 and 13.

Teen Town is sponsored by the Kinsmen and has as adult advisor Mrs. N. Reid. Parents and Kinsmen have been kind enough to chaperone the dances and their help is greatly appreciated.

Some parents have taken advantage of the open invitation to attend Teen Town dances at any time, free of admission, and it is hoped more parents will do so.

## SCHOOL DISTRICT NO. 77 (Summerland)

### Auditors' Report

Kelowna, B.C.  
February 8, 1960

To the Chairman and Members,  
Board of School Trustees,  
School District No. 77 (Summerland),  
Summerland, B.C.

We have examined the Balance Sheet of School District No. 77 (Summerland) as at December 31, 1959 and the Statements of Revenue and Expenditure for the year ended on that date and have obtained all the information and explanations we have required. Our examination included a general review of the accounting

procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying Balance Sheet and Statements of Revenue and Expenditure are properly drawn up so as to exhibit a true and correct view of the state of affairs of the School District as at December 31, 1959 and the results of its operations for the year ended on that date, according to the best of our information and the explanations given to us and as shown by the books and records of the School District.

# The Red Cross is on the Job

And you are there too—through your financial support. It is your help that keeps the Red Cross on the job—active and strong to carry on its many humanitarian endeavours.

With your help in 1960 the Canadian Red Cross will continue to serve this community, this province and this nation. When help is needed in distant lands you know the Red Cross will be on the job!

Money alone cannot buy the many services and programmes provided by the Red Cross. Combine it with the voluntary effort of millions of Canadians, and the Red Cross will be able to meet its round-the-clock demands. You can do your share by giving a generous donation when a volunteer Red Cross canvasser calls on you. If you are not at home when the canvasser calls, please send your contribution to the address below.

## Serve again by giving to the RED CROSS

If you are not at home when your canvassers call on Monday, March 14, please leave your contributions with Gordon Smith at the Municipal Office, Laidlaw & Co., or Green's Drug Store.

## Delegates Report On School Conference

Thursday, February 25, David Woolliams and I, Lynn Bleasdale flew to Vancouver as Summerland High School delegates to attend the 13th annual high school conference. Following registration Friday morning we heard speeches of welcome from Bob Dickie, past chairman of the conference, Dean Andrew, assistant to the president; Ann Martain, chairman of the conference; Peter Meckison, president of the alma mater society.

Dean Andrew elaborated on the role of the student in university life.

After a sample lecture we returned to Brock Hall, the student's administration building for the film "Tum Est" which is the motto of the university and means it's yours or it's up to you. This was followed by a speech on the value of a university education by the inimitable Dr. Malcolm McGregor. The girls and boys were then divided to discuss extra curricular activities. Early Saturday morning

### Dealers Win Over Seniors

The BA Dealers of Penticton proved once more that youth does not always win. They were able to back up this statement by tromping Summerland Senior A's 90-73. Victory was not certain however until the second half when the Dealers took a decisive lead and never looked back.

The newly formed ban-tam team lost its first game played this year. They went down to defeat at the hands of the Penticton Commercial Bantams 46-35.

the day began with campus tours. Dean Walter Gage spoke on scholarships and bursaries. Eight lively discussion groups were formed in Buchanan building with eight different speakers of various faculties working in rotation to cover the academic life of the campus.

Brock Hall was decorated for the banquet with flowers supplied by the faculty of agriculture. Dean Neville Scarfe was the speaker for the evening. He suggested that the years spent in university are the gift of an interval, time to read, think

and operate in freedom, the only freedom people ever have. Perhaps the most thought provoking part of the dean's address came at the close when he said our society has faith in its youth, it has faith in freedom as the great means of developing high quality citizens.

Sunday we left weary and note laden after two sunny and action packed days. We had been given enough information, I hope, to help us and our fellow students to decide for or against a university education.

## Letter To The Editor

The Editor:-

Is the student's council so wealthy that it can afford to buy pins for all its members. It seems the council has put through a motion by which they receive pins at the expense of our student council treasury. This cost the treasury approximately 27 dollars. We strongly disapprove of their spending the student's money for their personal gain.

They are elected to their positions to work for the betterment of the school, not themselves. If the honor of representing their fellow students is not payment enough, there is always a way out. Resign.

This is a formal complaint registered not by a radical few, but by the voice of many. It has been drawn up with careful consideration, only after a careful and deliberate census of opinion.

### House 3 Wins Indoor Track Meet

Bedlam broke loose Friday afternoon as House 3 won the indoor track meet. They came from behind to defeat House 2 by 8 points.

House 1 has the best yelling ability, but they placed third in the finals with 55.

House 2 won the cross country race which was 15 laps around the gym. They finished 4th with a score of 48.

At about half time House 3 surged ahead of House 4 to finish with a score of 81.

House 4 started strongly, but finished with 73.

This was a very good show of school spirit and everyone enjoyed themselves

## Let's Stamp Out TB

One of the biggest threats to health in British Columbia today is tuberculosis. An average of 50 new, active cases of the disease are found every month, and there are 21,500 known cases in the province.

And since TB is a contagious disease, every unknown case is a potential danger to other citizens.

What's more, tuberculosis hits everyone's pocketbook. It costs \$15,000 to treat and rehabilitate an average TB case and, since treatment is given free by the government, everybody helps pay for it through taxes. The tragic thing about the high cost and the suffering caused by tuberculosis is that it is unnecessary.

# Macs Start Spring Training At School

The Summerland Macs baseball team has rented the school gym for two nights a week starting Tuesday, March 15 at 8 p.m. Every Tuesday and Thursday until further notice all juni-

or and senior ball players are asked to turn out and get in shape for the coming season.

The Macs are looking forward to a good season with most of last year's team turning out, including Taylor, Hooker, Biollo, Parker Bonthoux and Chapman.

Most of last year's championship junior team will be moving up to senior ranks this year including McNabb Sheeley, Shannon, DeWitt, Gillard, Eyre, Parker, Matsu and Lemke.

Season tickets will be on sale soon and with 8 teams in the league it means 14 home games for ball fans.

Carl Sheeley reports that UBC is going in more for baseball this year. They

have 19 games lined up so far with US teams. There are 40 men turning out with 15 pitchers. He has a good chance of making the team as they are short of left handed chuckers. Eddie Matsu is also rying out for the team.

## Cafe Aces Host Oliver On Sunday

Last Sunday's hockey game between Pateros, Wash and Macs Cafe Aces was cancelled due to a car accident to some of the Indian team.

This Sunday, March 13 at 2:30, Macs Cafe Aces are playing Oliver. This team has shaped into a hard skating hustling hockey team.

From past performances between these two clubs this should be a good game.

**Piano for the Playroom**

An antique white piano for the playroom may sound like film star luxury for a woman, but it's a practical possibility if there's a do-it-yourself fan in the house.

Mrs. Rene Lamarre of Pierrefonds, Quebec has this luxury in her playroom. Her recipe calls for a handy husband, an old fashioned 40 year old piano, a few yards of antique white Fabrilite wall covering and about 20 hours work.

First of all renovator Rene removed the old curved legs and gave the piano a more modern appearance by enclosing the top of the sound and by placing a false top board with a cupboard door further down. Above the door there are shelves which hold souvenirs and books and reach to the ceiling.

When the piano had acquired a new fashioned look Rene proceeded to give it a new finish. He sandpapered the varnished surface and took off nine removable parts. The front panel usually slides out of place and the lid, front edges and blocks besides the keys are fastened with screws. When these parts are removed only the sides and curved

arms supporting the keyboard remain.

Cutting the material to fit the different parts of the piano is a tricky job, and

Rene managed it with care and patience. The modern legs were inserted after the supporting blocks had been covered

music, drama, writing, ceramics and other suggestions will be welcome. The Penticton High School has been promised for classes.

Directors appointed in Penticton were George Gay, Ralph Flitton, Frank Laird, Mrs. Victor Wilson of Naramata, Miss Edith Sharp, Dr. Hugh Barr or another member of UBC Alumni, a council member and one appointed by the school board. The present steering committee composed of F. Laird, chairman; Mrs. E. H. Cleland, member of the B.C. community arts conference; and Miss Edith Sharp will carry on with plans for the school and will call the next meeting.

The meeting also passed a resolution to form an Okanagan Regional Arts Council with Mrs. H. E. Cleland acting as co-ordinator.

In Penticton, Mrs. H. P. Barr stated that the Diamond Jubilee Chapter of the IODE was prepared to make a financial donation toward the school and it is hoped that other organizations will do likewise.

# Handbook Going to Every Canadian Home Clarifies True Choice For Free World

TORONTO, March 7 — In a nation-wide distribution through the Post Office every home in Canada will receive a manifesto which is clarifying for hundreds of millions of people across the world the issues created by the cold war.

A handbook, "Ideology and Co-Existence", prepared by Moral Re-Armament, will this week go to 4,300,000 Canadian homes. Patriotic Canadians determined that Canada play her part to put the free world on the ideological offensive have taken this initiative.

Canadians will join the ranks of 18 million families throughout Europe who have already received "Ideology and Co-Existence" which expresses the ideology of the free world in clear terms and presents an answer to Communism. It has gone to every home in Denmark, Norway, Sweden, Finland, Iceland, Holland and Switzerland. Within the next weeks it goes to 40 million homes in Britain, France, West Germany, Italy, Australia and the key areas of Asia, Africa and Latin America.

In this handbook are expressed the forthright convictions of world statesmen such as: M. Robert Schuman, former Prime Minister and Foreign Minister of France; Prime Minister Diefenbaker; Chancellor Konrad Adenauer; John Riffe, late Executive Vice-President of the CIO; US Admiral William H. Standley; and Dr. Douglas Cornell, Executive Officer of the National Academy of Sciences, Washington, D.C.

Moscow has attacked "Ideology and Co-Existence" in over 100 articles noting that "it is putting an end to the ideological softening up of the free world".

In Switzerland, General Henri Guisan, wartime Commander-in-Chief of the Swiss Army, wrote in a foreword, "Our country follows a non-committal policy in international affairs. On the ideological plane, however, neutrality can be dangerous, for refusal to fight for what is right plays the enemy's game."

In Cyprus former EOKA freedom fighters distributed the booklet by hand to every Greek home.

The German Foreign Office ordered 1200 copies for its officials. National distribution will follow.

In Holland, "Volkskrant", the official organ of the Prime Minister's Catholic Party, stated, "In an age in which statesmen from the West are negotiating with great difficulty with the Kremlin to achieve peaceful co-existence... when representatives of trade unions and parliaments hurry to Moscow to undergo friendly brainwashing in this age Moral Re-Armament hoists the storm signal: co-existence is impossible. The Catholic community of Holland wholeheartedly subscribes to the present call."

Scandinavia warranted the all-out attack of Moscow when "Ideology and Co-Existence"

went to 6,700,000 homes in five Nordic languages. Earlier, Premier Khrushchev had been forced to cancel his visit to Scandinavia by a group of leaders who had planned a strategy to keep their nations free from totalitarianism. These same men again took the lead to distribute the handbook. It went to every home from the West Coast of Greenland to Finnish villages on the Russian border and the northernmost town of Norway's Arctic coast to the Danish-German border. On the East Coast of Greenland it reached tiny villages and snow-huts by sled. In remote areas it was dropped in postbags from aeroplanes.

In Kerala, India, recently freed from a Communist administration, leaders of the liberation movement are giving their State a unifying idea. "Ideology and Co-Existence" was carried in full by twelve main newspapers and will go to a million families.

### National Gallery Representative To Speak At Library Monday

A showing by the B.C. Society of Artists will be hung in the Summerland Regional Library next week and co-incident with this display Miss Nora McCoulough, western representative of the National Gallery at Ottawa will give a talk, illustrated with films, in Summerland Library on Monday at 8 p.m. Miss McCoulough will speak here under the sponsorship of the Canadian Arts Council.

### Board of Trade Panel Reviews Tourist Facilities

Thirty thousand people stayed at Okanagan Lake camp last summer according to government figures cited at last week's board of trade meeting by James Moore, camp superintendent. Mr. Moore was one of a panel of five speaking on the tourist industry and tourists.

The School Board, by circular letter, advertisements and posting of notices, is informing the residents of the School District of the need for school building expansion and the steps proposed to fill this need for a three year period. The referendum, to be voted on by the owner-electors on March 26, will give the Board the authority to proceed on the basis outlined. The program is the result of two years careful planning and covers basic requirements, all of which have been approved by the Department of Education.

A public meeting is planned on March 24 in the High School auditorium. At that time the whole building program and the reasons for it will be explained, and questions from the audience will be invited.

### Overture Concert Association Readies For Membership Drive

The executive committee of the Summerland Overture Concert Association held a meeting Monday evening at the home of the president, Mrs. G. E. Williams.

Plans were discussed for the coming season and the membership campaign for 1960-61 which will be held the first week in May. Mr. Charles Bernhardt is campaign chairman.

The local group has had a successful year and it is hoped that the new season will be as interesting and rewarding.

HOLDERS of memberships in the Overture Concert Association are entitled to attend concerts in other centres where the Association operates, such as the concert in Oliver on April 2nd, featuring the well known baritone, Robert McFerrin.

#### 'Ted' Atkinson Heads Rotary Club

F. E. Atkinson was elected president of Summerland Rotary Club at the regular meeting Friday evening.

Harvey L. Wilson is vice-president, S. A. MacDonald secretary and Ryan Lawley treasurer.

Directors are Gordon Beggs, Leo McCrea and Jim Green.

Installation will take place later.

One again it is carnival time for the Summerland Figure Skating Club.

Mothers of these young ice artists have been busy sewing and designing costumes and properties to make this year's carnival even better than last year. Come early and cheer your special favorites. Tickets can be bought from the young skaters or they can be purchased at the door the night of the carnival, Saturday, March 19.

### Enthusiastic Group Organizes Summerland Arts Council

A meeting held last Thursday morning at the home of Mrs. T. M. Croil resulted in the formation of Summerland's own first Community Arts Council.

The meeting was called by Mrs. Croil and Mrs. Robert Alstead who had attended the meeting in Penticton on March 4 under the steering committee, Frank Laird, Mrs. H. E. Cleland and Miss Edith Sharp, who are in charge of the formation of the new Okanagan Summer School of Fine Arts.

As stated in last week's Summerland Review, each community in the Okanagan desirous of taking part

in the Summer School of Fine Arts is to form its own community Arts Council which will send representatives to the Regional Arts Council which is in the process of being formed.

Many Summerland art groups were represented at the meeting on Thursday: Mrs. Croil, Summerland Municipal Council and the Board of Trade; A. J. Longmore, principal of the Junior-Senior High School, Mrs. N. O. Solly, UBC Alumni; Mrs. John Tamblyn, president Summerland Art Club, Mrs. K. L. Boothe, Summerland Singers and Players

## Kiwanis

## Club Notes

Tuesday night at Kiwanis proved to be very interesting. The four exchange students from Orville, U.S.A. were present as guests of the club and they were Miss Darlene O'Neil, Ceceila Ray, Garry Thrasher and Gene Wiley. A forum was held by Garry Thrasher and in turn, Cecelia gave a broad outline of high school social life, Darlene spoke on school government and the student council, Garry gave an over all picture of sports, and Gene handled the academic life and outlook with both wit and eloquence. All in all, a very complete picture of high school life in Orville was presented and earned the warm thanks of president John Tamblyn, who, as is known, is himself a teacher of no mean repute. Mr. Harvey Wright gave a short talk on the coming referendum for monies for added class rooms in both McDonald School and the High School.

Jerry Halquist obliged with some "record" singing. About the best show he has put on so far.

A letter of thanks was read from the Girl Guides for the help they received in their recent Light Bulb blitz. Apparently it was quite successful.

An amusing letter was read from the Kiwanis club at Roseburg, Oregon, and at first it was thought an interclub meeting was being arranged. Members held their breath while they heard the clubs that were included were as far apart as New York and Chicago, but it turned out to be a "ham radio" effort. Scottie Ritchie was asked to look into the matter as quite a bit of interest was shown.

The president reminded all members of the St. Patrick's supper on the 17th of Old Ireland, and members have agreed to meet at the Youth Center at 6:15 p.m. next Thursday night. George Henry promised everybody - all they could eat.

The directors held a meeting in the president's house after the club meeting.

Ernie Jenkinson reminded members that next Sunday is "Church Sunday" and requested all to please attend the church of their choice.

Bill Laidlaw has purchased a new receipt book and so is now fully equipped to accept this year's dues. "The Scribe".

## Capacity Crowd Attends First Local Concert

On Sunday afternoon a capacity audience with a large representation from Summerland attended the first Penticton concert given by the Okanagan Valley Symphony Orchestra in the Penticton High School Auditorium. Three Summerland artists, Dr. J. L. Mason, Harry Killick and Ronald Downes were performers in the orchestra.

The orchestra has received much praise in its previous concerts in Vernon and Kelowna.

The work done by this group is amazing when it is realized that the orchestra is a short five months old and rehearsals under the conductor Willem Bertsch, could only be held twice a month.

The audience was very receptive and appreciative and the program was a happy choice for a first concert. Haydn's "Surprise" Symphony No. 94 in G Major; Gershwin's "Rhapsody in Blue"; "Sheep May Safely Graze" by Bach; "Turkish March" Beethoven; "L'Arlesienne" Fantasia, Bizet, Waltz from ballet "The Sleeping Beauty" by Tchaikowsky.

Great credit is due to those who worked so hard to bring this promising orchestra into being. Prime movers were Mrs. Frank Laird and Mrs. H. E. Cleland; the latter was presented with a beautiful bouquet of flowers in appreciation of her untiring efforts on behalf of this new organization. A large measure of praise is also due to its dynamic conductor, Willem Bertsch, conductor and director of the New Westminster Civic Orchestra who drove up from the coast every other week, sometimes under great difficulties, and praise above all to the musicians who come from many Okanagan centres including Summerland to work together to create this fine orchestra, with hopes for greater successes in the future.

Many Summerland residents who attended the concert were entertained at the tea hour at the home of Mr. and Mrs. C. E. Emery.

Time?

7:45 p.m.

From 7:45 p.m. to 8 p.m. Rev. Elgar Roberts will play classical and sacred music on the Baldwin Electronic Organ. You are cordially invited to attend.

The following personal information will introduce you to Rev. Elgar Roberts and his accomplishments: Rev. T. Elgar Roberts is widely known throughout Western Canada as the Musician Preacher. He is staff evangelist for the Baptist Union of Western Canada. Born in Wales, of the kind of musical family for which the Welsh are famous, his father was seven times named as winning conductor in the Welsh National Choral Festival. Coming to Canada as a young man, Mr. Roberts conducted the Canadian Pacific Male Voice Choir in Calgary and played the big Casavant pipe organ in First Baptist Church there. Some of his distinctive piano and organ stylings have been commercially recorded and sold. He has been for some time the honorary organist for the Edmonton Eskimos football team, playing at all their games. He has had a part in the founding of a number of new churches in various parts of the Baptist Union area, including Kitimat and Fort St. John.

## Remote control banking aid to modern living

Getting to the bank to make a deposit or transact other financial business can sometimes present quite a problem — especially for older people and people who live some distance from the nearest bank. That's why, today, so many Bank of Montreal customers find it convenient and simple to conduct their banking by mail with their local branch.

Banking by mail is designed to give you prompt service in all kinds of transactions. Soon as the mail arrives, the staff at your B of M branch handle the deposits and other matters that have come in from out-of-town customers. You avoid waiting, avoid transportation costs and save time that can be profitably spent doing something else.

If you would like more information about this special B of M banking-by-mail service, write to Joek Johnston, manager of the West Summerland branch of the Bank of Montreal. He'll be glad to send you the B of M's banking-by-mail folder which tells you how the B of M and the post office can get together to help fill your special banking needs.

**South. Council Notes**

Aid for tree losses, deficiency payments, quality control and Jonathan diversion highlighted discussion at the Southern District Council meeting March 12 at Penticton.

Mr. Luthy reporting for the executive at the March meeting said that assistance re November 1955 tree losses was still being considered by the provincial government. Mr. Bartlett, design-

er of the grader being tried out this year at the Vernon Fruit Union, will come out to check on the grader's performance in the Okanagan. The report of the committee on change of election methods will be submitted to the District Councils for approval before expensive legal drafting is undertaken.

Mr. Steve Webster, of Tree Fruits, who presented the industry's case for lower freight rates at the recent hearing has been commended by the executive for an extremely able presentation. A meeting last year with representatives of Washington fruit areas had contributed to a better understanding and better relations between the two areas, and a similar meeting is to be held this year in May.

In answer to a question on price support for apples, Mr. Garrish said that a difference of opinion between producing areas made it difficult for areas needing assistance to secure deficiency payments. Ontario and Quebec growers opposed marginal producers in business, thus perpetuating over-production. Mr. Garrish felt this thinking was unrealistic as any decrease in production would be met by imports from neighboring areas in U.S. In other words, price levels are determined by total U.S. and Canadian production rather than by any local situation.

## 107 Sign Petition, Presented To Council

What made Victor "rise up in rightful wrath and smight them hip and thigh with the jawbone of an ass?" The fact that the senior student's council paid out \$27 for pins for all the council members.

A petition was circulated stating "that the members of the senior council should withdraw the motion stating that the council buy pins for council members. As an alternative the council pass a motion stating that individual members pay for their own pins". 107 students signed this petition and a delegation was sent to a council meeting.

Vic Blewett, chairman of the delegation, had the petition read and told council that with the amount of support the petition had received the issue shouldn't be allowed to slip by.

It was pointed out to the delegation that the motion had appeared in the council minutes 3 times previously and that no opposition had

been raised. The delegation replied "better late than never".

After more debating it was decided that council had three alternatives.

1. That the council return the pins.

2. That a motion be passed that members wear the

pins for the year, then pass them on to next year's members.

3. That any money bylaw go through the student body

Unfortunately, as this goes to press, the final decision of the council has not been made and so cannot be put into print until next week.

## Girls Fashion Show Set For Friday

Hours of preparation and practice will come to an end on Friday evening. The senior girls, under the direction of Mrs. Bouey, will be modelling garments made by themselves.

The theme of this year's show is "Around the world to Summerland". Several girls will be modelling authentic costumes of other countries making the title appropriate.

A great deal of work has gone into the planning of this year's style show. A special thanks should be given to the girls who headed committees and Frances Kita, who is over all convener.

Mrs. H. Wright, beauty counsellor and consultant is coming from Penticton to help the girls with their make-up. We are glad to have Mrs. L. Fudge as our pianist again this year.

The program will be interspersed with skits and musical arrangements. We are sure everyone will enjoy the style show to be held Friday, March 18.

## Pick Play For Drama Competition

After much hard work and continual practice, the Drama club and drama class were able to present the first Summerland drama festival. The purpose of the festival was to select the best play of all the school productions in order that it might represent Summerland at the International Drama Festival to be held in Oliver on March 16.

The adjudicators, Mr and Mrs. G. Morche of Naramata

and Mrs. T. Croil chose "The Courting of Marie Jenvrin" as the winner over "The Emperor's Nightingale", "The Happy Journey" and "The Wonder Hat".

As the best actress they selected Anne McLachlan of "The Emperor's Nightingale" while the best actor's award was divided between John Downton, David Krause and Don Stayanowski, all of "The Courting of Marie Jenvrin".

## Let's Stamp Out TB

One of the biggest threats to health in British Columbia today is tuberculosis. An average of 50 new, active cases of the disease are found every month, and there are 21,500 known cases in the province.

And since TB is a contagious disease, every unknown case is a potential danger to other citizens.

What's more, tuberculosis hits everyone's pocketbook. It costs \$15,000 to treat and rehabilitate an average TB case and, since treatment is given free by the government, everybody helps pay for it through taxes. The tragic thing about the high cost and the suffering caused by tuberculosis is that it is unnecessary.

## Promenade

Reports on the dances in Pentiction and Westbank last week end were very favorable. Both dances were well attended. An encouraging note is the number of new dancers who are now attending the party nights.

Dancing at Vernon Friday night with the Kalamalka Squares will be under the direction of Al Berry, popular caller and teacher now residing in Hope, B.C.

Square dancers from far and near are beckoned by the Summerland Pairs and Squares this week end to come and enjoy dancing to the ever popular caller and teacher Les Boyer. A buffet supper will be served.

Lessons are now drawing to a close for new and intermediate dancers but the dance calendar is still full. Every Saturday night there will be dancing in one more place until mid summer.

# Carnival

(Continued from page 1)

This fine little club has come a long way under the direction of Dolores Causier.

In four years of operation Summerland has managed

to capture three Okanagan-Mainline championships, Wess Campbell, juvenile men 1959, Teresa Keys juvenile ladies 1960, and Lance Jones and Anne McLachlan juvenile pairs 1960. These young champions, along with over 100 other skaters, many of them club

champions will be taking part in the carnival, built around the Mother Goose theme.

A very fine skater from the famed Minto club of Ontario, Marion Cartwrite, will take part in two numbers. Penticton's Delightful Fours will be guest artists.

## Canvass for refugee family now underway

A meeting of the canvassers for the Catholic Church refugee fund was held last week. Canvassers are out calling on each and every parish member for donations to this worthy cause. Mrs. J. Logie, treasurer, will be from any interested party. happy to receive donations. Official receipts will be issued.

## Cassel concert March 25

Baritone Walter Cassel, one of the most versatile artists on the roster of the Metropolitan Opera, will appear in Penticton March 25, at the High School Auditorium, bringing to a close the 1959-60 season for the South Okanagan Community Concerts Association.

## Facilities

(Continued from page 1) Hill at the south entrance to Summerland, reported a good buying response to home made preserves and that Okanagan honey sold well.

Commodore L. A. Smith of the Summerland Yacht Club and John Kitson spoke on further plans for development of water activities with construction of a clubhouse.

Mr. Smith thought that the clubhouse could not be successful unless a private club licence is obtained.

Suggestion was made that an information booth on the highway would be a valuable asset to tourists and that local handicrafts, peach pies and peach ice cream could be sold to advantage.

The Camera club was unable to send a member, but expressed its interest in the project.

Mrs. Gordon Ritchie was elected secretary and another meeting will be called soon to outline activities and constitution.

The hope was expressed that each organization will be an active member of the council and that one or two small industries may result from the future work of the Arts Council.

Mrs. Croil and Mrs. Alstead will report on the formation of the Summerland Arts Council at the next meeting called by the steering committee.

# Singers & Players To Present "Iolanthe"

## Paintings on Display at Local Library

Penticton Art Club members were guests of Summerland Art Club at the regular meeting Monday. Visitors enjoyed seeing the paintings of the B.C. Society of Artists, a travelling exhibit on view in the West library this week.

Mrs. John Tamblyn, president, welcomed the Penticton group and others who attended. Mrs. Tamblyn thanked Mrs. N. O. Solly who showed films on early Canadian painting and the Dykeman patterns in Nova Scotia.

The local art club has obtained new modern means of displaying paintings, installed by Gordon Whitaker and Ted Miles with help from R. S. Oxley, A. Toews and Hank Wouters. This equipment makes the exhibit more attractive.

Summerland Singers and Players are in final rehearsals for their spring presentation of Gilbert and Sullivan's "Iolanthe" which will be staged here in the High School Auditorium on Monday, April 5.

The Players will also continue tradition with a performance in Kelowna Wednesday, April 7 and two performances in Penticton, April 9 and 11.

Playing leading roles are Laura Boothe (Iolanthe), Margaret Millward (Queen), Ethel McNeil (Phyllis), Joe Morrison (Stephen), Gordon Brockhouse (Lord Mount Tolloller), George Patterson (Lord Mount Av aunt), Geoff Alington, sentry.

Supporting this starry cast is a chorus of 30.

Director is Stan Gladwell, conductor Phil Harris, and vocal coach Ethel McNeil.

## \$351,497 School Bill Submitted To Council

The 1960 school budget is going up 10 per cent above last year according to figures submitted last night to the regular meeting of municipal council by K. A. Boothe, trustee and B. A. Tingley, sec-treas.

Total Summerland school budget amounts to \$351,497 an increase of \$32,661 from last year. Largest increase is in teachers' salaries which have soared another \$22,515. Total salaries are \$233,905.

Administration, instruction, operation, repairs and maintenance amount to \$301,210; conveyance of pupils \$13,510; auxiliary services \$4,030; non operating expenses \$4,100; debt service \$30,635, and new equipment \$1,500, making total expenses \$354,985. This is reduced by grants and recoveries of \$5,200, less 1959 deficit of \$1,712 or

## Summer Art School Opening In July

The new Okanagan summer school of fine arts will open the first week in July. Lister Sinclair, writer and scientist, will be a feature attraction from July 4-8.

Directors and committees were elected at a meeting in Penticton High School on Friday evening, attended by delegates from Summerland, Naramata, Oliver and Osoyoos as well as Penticton.

Dr. D. E. Yates, Penticton will be head of the summer school. George Gay will be

## Grads to Present Music Festival

The graduating class will sponsor a concert of festival music on Thursday, April 7 as a project to raise money for graduation.

This concert will feature top Summerland talent chosen from the music festival entries. It is also hoped that musicians and dancers from neighboring districts will be on the program.

A ticket blitz will be held on Monday, April 4.

the director. Chairman of several committees were elected: Ralph Flitton, finance; Miss Edith Sharp, promotion; and Mrs. T. M. Croil, publicity. Chairman for advertising, membership and transport will be named soon.

E. H. Cleland represents Penticton School Board and Ald. J. D. Southworth will represent council on the board of directors of the new school.

An art instructor will be provided by the UBC extension department and Willem Bertsch, Okanagan symphony orchestra conductor will be in charge of the music classes.

Courses in ceramics, creative writing, weaving and ballet are some of the classes hoped for, as well as art, music and drama.

Inquiries have already been received by the school from Saskatchewan.

Indications are that this new project will be a great asset to the whole Okanagan Valley.

## T.B.'s Operation Doorstep Coming

Operation Doorstep, a free service sponsored by Christmas Seals begins in the Summerland area April 2. Two large mobile vans will provide free skin tests and X ray for the total population from six months of age and up.

Dr. C. C. McLean, medical director for the survey hopes that everyone in the area will take advantage of the free service as a safeguard against TB. He said only by total public participation can TB be beaten.

The total area will be canvassed by three organizations, Kinsmen, Kiwanis

and Rotary under director Bob Towgood. All clerical work has been undertaken by the Women's Institute.

## Key Club Sponsoring Film Show Monday

Summerland high school Key Club is sponsoring a two hour color movie of Yukon wildlife in the high school auditorium on Monday, March 28 at 7:30 p.m. These thrilling films will be presented by Mike Nolan, an internationally known big game guide and fisherman.

## Rink Association Seeks Improvements

The rink association operated with a deficit of \$794 during the period October 15 - February 29, according to the financial statement read at last night's council meeting. It is expected that March operation will bring the deficit to \$319.40, but added to this is insurance not yet paid, so that the estimated deficit is about \$1,000.

The rink association has asked the council for a five year plan for area repairs, changes to dressing rooms and other facilities at a rate of \$2,000 per year.

Last year K. M. Blagborne reported that \$4000 was spent on the arena including the work on the creek behind the building.

Council will get estimates on cost of changes sought by the association.

## Irish Invade Summerland

A crowd of about two hundred gathered at the Municipal Hall last Thursday to welcome the thirty-four people who took part in the St. Patrick's Day hike from Penticton to Summerland. Leaving Penticton at 8 a.m. they made no attempt to establish a speed record, so with frequent coffee breaks along the way and favored with perfect weather they all agreed that it was a most enjoyable outing.

Among the hikers were years of age, 68-year-old W. Mrs. Venables of Oliver, 83 Herrington of Penticton and Joe Larrett of Summerland who, at 74 years of age had walked to Penticton in the procession. All said they early morning hours to join were feeling fine, and Mrs. Venables said she hopes to do it again next year.

Mayor Charles Oliver and a letter of greetings from Aldermen of Penticton was presented to Reeve F. E. Atkinson, to which Mr. Atkinson made a suitable reply, and extended a welcome to the hikers. He then introduced "Mayor-for-the-day" George Henry with his gay Irish hat and real Irish shelaigh.

## School Expansion A Must

This Saturday, March 26, between the hours of 8 a.m. and 8 p.m. the taxpayers of Summerland will go to the polls to pass judgement on the school loan bylaw, a bylaw which, if approved, will authorize the School Board of District 77 to borrow up to \$229,000 for school expansion.

This referendum is long overdue — additional school accommodation is urgently needed. Additional accommodation could, perhaps, have been in use this very day, but here in Summerland we have a school board which stands firmly on its own feet, a school board which believes, with unanswerable logic, that it knows better what is required and what will best serve the interests of the community, than some person viewing the scene from the Olympian heights of Victoria. In consequence, the local school trustees stood firm against the doctrine of decentralization advocated by the Department to such good purpose that the local board was heeded and now, only the sanction of the ratepayers is required to permit start of well thought-out construction, designed to best meet Summerland's needs.

We cannot by any stretch of imagination see the referendum going down to defeat in education and youth conscious Summerland, although a 60 percent majority is required. There is one danger though — the aginers are apt to turn out in force while the assenters are inclined to think "Oh it will go through alright — I don't have to bother." But there is danger in

such attitudes. So play safe and vote on Saturday.

The school board has done a good job of informing the voters on the issues involved in a series of letters and there seems no point in further belaboring the matter, especially as on Thursday night, March 24, the school board has called a public meeting in the High School at 8 p.m. where ratepayers can get the fullest information.

Actually, it boils down to this, Summerland's school population is increasing at the rate of about 5 percent a year. It stood at 882 in September 1954, it was 1117 in 1959 and it is expected to be 1287 in 1962.

There is only one answer — more schools — and we can't have school expansion without spending money.

# Guide Association Sells 3,000 Light Bulbs

"Over 3,000 light bulbs and approximately three-quarters of our supplies were sold in the district on the night of March 7th," it was stated at a recent meeting of the Local Association attached to guides and brownies of Summerland held in the Youth Centre March 16. Mrs. Ross McLachlan who together with Mrs. John Tamblyn convened the sale, gave a report relating events both preceding and during the night of March 7. Special mention was made of District Commissioner Mrs.

Bruce Blagborne, the Melodiers and a Brownie and a Guide, all of whom appeared on television March 4th. Thanks were also offered to Wes Tavender for his contribution in the drawing of a cartoon, John Tamblyn and Ed McGilivray who mustered 27 cars, drew detailed maps of the district, and generally directed the drive were much applauded, also those valient men of the Kiwanis, Kinsmen and Rotary clubs who so patiently drove. Earl Smith, it was stated did a magnificent job counting the money, and Jerry Halquist was to be congratulated on his excellent coffee which was provided for all at the conclusion of the sale.

Owing to sickness and other extraneous circumstances, fifteen of those who had volunteered to help earlier withdrew their names on the afternoon of the sale insomuch that a number of other people outside the Local Association were called in to help at the last moment. Thanks were given to all who offered their services including the Guides, some of whom were baby-sitting so that parents could sell, others who served at the Youth Centre, and the large company who spent time during the previous week packaging the bulbs.

It was felt that the project had been well worth while. \$885.35 was collected during the two hours of the sale which after all expenses are paid will yield a profit to date of \$224.76.

President Mrs. K. Storey announced that approximately 300 packages of bulbs were still in hand, owing to the fact that a greater quantity had been delivered than ordered. It was decided that these should be kept and sold rather than returned, and orders may be taken any time either at the Public Library or by telephoning HY4 5481, 3666 or 2273. The packages and price will be the same, two 60 watt and two 100 watt bulbs for \$1.15.

Ideas and criticisms were called for after the report

and a discussion followed during which Divisional Commiss. Blagborne gave reasons why Guides and Brownies are not permitted to sell in the streets in uniform. Owing to a misunderstanding, advertisements over the radio had stated that the Guides would be selling the bulbs, not the mothers. This led to numerous complications and repercussions throughout the valley. It was pointed out that Guides and Brownies have their own ways of making money, and this was essentially a Local Association, or "Mothers' Group" effort. The guides themselves however, did help in ways already mentioned.

## Fashion Show Rated Successful

Exchange students from Oriville, Wash. who were here recently were Darlene O'Neil, Ceceila Ray, Garry Thrasher and Gene Wiley. They were sponsored by the local Kiwanis

The senior girls fashion show, held here on Friday night and emceed by Mrs. G. Bouey, was accorded a great success by the capacity audience of over 300.

Girls of the senior home economics department modelled dresses which they made in class.

Between modelling scenes musical entertainment was provided by high school students. Lynne Boothe and Laurane Bonthoux sang "Goodbye to Rome" and were joined by David Davis and Bela Wouters to sing and dance the Charleston and to sing "Around the world" the theme of the show.

Everdeen Wouters, Jean Stevenson and Pat McCutcheon sang "The Little Dutch Mill". Jennifer Penney and Elaine Dunsdon each danced a number. The grade 9 girls put on a skit, and Sheila Green recited "What do I do with my hands."

Mrs. Bouey was presented with a bouquet for her work and Mrs. Fudge and Mrs. Wright were presented with corsages for their help.

## Report on trip to Oriville

Summerland's exchange students to Oriville, Audrey Henly, Linda Betupzi, Keith Skinner and Stanley Krause came back with a favorable impression after a six day stay. The following report was given by Audrey Henly "The first impression I got of the school is that it is less formal than ours. The students are allowed to chew gum and snack in class. The student-teacher relationship is also much less formal than ours. Oriville's school offers many more courses than our school does. Some of these are audio visual, chorus, band, driver training, speech, journalism, contemporary world problems, agriculture, orientation and physical science.

The four Summerland students attended a Kiwanis dinner on Wednesday and also an organized meeting. They also visited the sawmill, went bowling, visited Grand Coulee dam and Chief Joseph dam.

## Elgar Roberts

Outstanding organist and speaker

is coming next week

Beginning March 28, 29, 30 and 31

and April 1 and 3

Summerland Baptist Church

From 7:45 p.m. to 8 p.m. Rev. Elgar Roberts will play classical and sacred music on the Baldwin Electronic Organ. He will also be speaking. You are cordially invited to attend.

The following personal information will introduce you to Rev. Elgar Roberts and his accomplishments: Rev. T. Elgar Roberts is widely known throughout Western Canada as the Musician Preacher. He is staff evangelist for the Baptist Union of Western Canada. Born in Wales, of the kind of musical family for which the Welsh are famous, his father was seven times named as winning conductor in the Welsh National Choral Festival. Coming to Canada as a young man, Mr. Roberts conducted the Canadian Pacific Male Voice Choir in Calgary and played the big Casavant pipe organ in First Baptist Church there. Some of his distinctive piano and organ stylings have been commercially recorded and sold. He has been for some time the honorary organist for the Edmonton Eskimos football team, playing at all their games. He has had a part in the founding of a number of new churches in various parts of the Baptist Union area, including Kitimat and Fort St. John.

## Baseball Season Here Soon

The Summerland Macs will hold their first outdoor work out of the season on Sunday, March 27 at 1:00 p.m. at the ball park. All ball players are asked to turn out.

Workouts are continuing in the high school gym Thursdays and Tuesdays at 8 p.m. The boys are working out the winter kinks under the direction of Mr. Wendell Schwab and should be in good shape for the season opening about the middle of April.

The South Okanagan Junior Baseball League held its annual meeting in Summerland Sunday, March 20.

All of last year's teams will be back in the league again this year. They are: Merritt, Kamloops, Vernon, Kelowna, Summerland, Naramata, Penticton and Keremeos.

Art Geory of Kamloops was elected president with Roy Ottem of Kamloops as secretary treasurer. Allen Collett of Merritt was chosen vice president.

The executive will draw up the schedule with the first games to be played on Sunday, April 24. Each team will play 28 games.

The constitution was changed so that any player must sit out two weeks after transferring from any team.

The league will co-operate with Merritt on their labor day tournament and give them exclusive rights to that date.

Summerland Red Sox are defending champions.

## Promenade

At Summerland on Saturday night a good crowd of dancers enjoyed the calling of Les Boyer. Guest callers were Les Arkell and Rita Hermiston.

This week end there will be two more dances. In Oliver under the direction of Bill French a surprise dance is featured. Callers are invited to bring their records. Supper served. In Peachland with Les Boyer emcee, buffet supper served.

The Okanagan Square Dance Association will hold its meeting March 27, there will also be a workshop with Oyama Twirlers hosts.

**Let's Stamp Out TB**

One of the biggest threats to health in British Columbia today is tuberculosis. An average of 50 new, active cases of the disease are found every month, and there are 21,500 known cases in the province.

And since TB is a contagious disease, every unknown case is a potential danger to other citizens.

What's more, tuberculosis hits everyone's pocketbook. It costs \$15,000 to treat and rehabilitate an average TB case and, since treatment is given free by the government, everybody helps pay for it through taxes. The tragic thing about the high cost and the suffering caused by tuberculosis is that it is unnecessary.

**Club  
Notes**

Tuesday night at Kiwanis saw both the president and vice-president fined for "neglect of duty."

The president reminded members forcibly of their duty to advise him by noon Tuesday, if they cannot be present at the meeting. All members should take this matter seriously as it affects the catering and the number of dinners to be provided. Will all members therefore please note, that they are expected to advise the president at his home (phone HY4-3666) on those days that they cannot attend. A little co-operation in this matter will help the club considerably.

Jerry Hallquist and his "Musical Doodlebug" provided leadership for the club singsong and it was quite enjoyed. Good going Jerry.

Ken Heales introduced Wally Harrison, who we were pleased to hear, is a prospective member.

Clare Elsey provided the club with a little financial help on the occasion of his birthday, but refused to give the number of years.

The Key Club is sponsoring a film next Monday night at the high school, and it is hoped that all Kiwanians that can will support the boys.

On April 26 the Winthrop club (US) will visit us and present us with a new flag. More will be heard about this later.

Three car loads of our members will leave Friday for Seattle to enjoy the convention there on Saturday, returning on Sunday.

George Henry introduced the speaker of the evening, T. B. Young who showed some excellent pictures taken on his recent trip to the Barbadoes and Puerto Rico. They were very much enjoyed and he was warmly thanked by Walter Toeves. "The Scribe"

## Estimates

Continued from page 1

\$3,488. Last year total expenses were \$318,836.

Non shareable local expenses are for transportation \$3,498, equipment \$1500 and debt service \$21,544. Teachers salaries in Summerland are \$64,008 in excess of the government scale and this average is a non shareable expense which the municipality must raise, making the non shareable portion \$90,550. The levy of 12 mills on assessment, representing \$79,620, thus fringes the aggregate municipal share of school cost to \$166,095.

Mr. Boothe said the only place the school board can cut down is in pupil conveyance or equipment. The board cannot change teachers' salaries, he said.

## Horticultural Club Sees Slides of Calif.

On March 18 the Summerland horticultural society held its regular meeting in the parish hall with president Mrs. Inch in the chair. Nat May's timely topics

He noted press reports that the government will increase the grant for teachers salaries and said it could bring some relief since school boards have borne the steady increases alone.

Last year Summerland school board received \$13000 in a supplementary grant.

included the names of various roses that have been winning the top awards of merit. Two climbers especially suitable for archways are crimson shower and golden showers.

Due to April 15 being Good Friday the regular meeting will be on date advertised.

Alex Watt spoke of the destructive habits of starlings and urged their elimination whenever possible.

During the rest of the evening Tom Ritchie took members and visitors on a photographic trip of very interesting parts of California on behalf of the members by A. Calder. Tea was served by Miss Tait and Mrs. Dining.

## Operation "Doorstep" Underway Saturday

On Monday step 1 in operation doorstep got underway in Summerland when 1,000 school children received a free TB skin test.

Those found to be tuberculin positive which means infected with TB germs will receive free chest X-rays next week. A positive tuberculin test does not necessarily mean they have active tuberculosis disease but simply that they have been infected and are potential patients.

Step 2 beginning Saturday will give all adults a tuberculin test and chest X-ray and at the same time, pre school children from 6 months up will be offered just the skin test. Adults and pre schoolers will be asked to return to the Health Centre 2 or 3 days later to get results of chest X-ray and to have TB skin test read.

An objective of 2500 has been set for Summerland.

While the purpose of the survey is to find TB early X-rays are also examined by a chest specialist for other chest conditions including lung cancer, and heart disease.

Dr. C. C. McLean, medical director of the survey has made a special appeal to parents to make doubly sure pre-school children are tested.

Schedule for Operation Doorstep, the anti tuberculosis program for the Summerland area is:

## School Referendum Wins Big Majority

Summerland's \$229,000 school referendum passed with an 82.75 per cent majority Saturday, March 26.

Affirmative ballots totalled 403, while 78 voted no. There were six spoiled ballots. Only 30 per cent of owner electors turned out to the polls.

Department of education architect J. H. Wilson will visit the school board at the end of this month, officials said. At that time exact location will be determined. Departmental plans will be adjusted to local needs.

This will be the first phase of the program. Officials said the high school addition is not likely to start this year.

## High Marks For Local Entries In Festival

Summerland results to date in the musical festival being held in Kelowna are:

Johan Bergstrom, entered in the Bach open for pianoforte, 1st with 85 marks.

Donna Powell, pianoforte under 16, class 208, "The Shepherdess" by Henry Duke, 3rd with 83 marks.

Sherrie, Peggy Lee and Ida Wellwood entered in their respective classes for spoken poetry, Sherrie came 2nd in her class.

Elaine Dunsdon entered with a group of girls in the "group character dancing" open. They came 1st with 86 marks.

John Rathjen, pianoforte, class 207, under 15, 82%.

Anthea Morgan, pianoforte class 207, under 15 years 84%.

Dr. Norman MacKenzie, president of UBC.

## UBC President To Address B of T April 8

Dr. Norman MacKenzie, president of the University of British Columbia will be the speaker at the Summerland Board of Trade annual banquet on Friday, April 8 at 6:30 p.m. in the school auditorium. Dr. MacKenzie's topic will be "The future of higher education in British Columbia."

President W. S. Ritchie, board of trade president, states that following board practice of recent years the annual banquet is open to everyone and in fact is a community banquet. It is hoped that a large and representative audience will attend to meet and hear such an outstanding speaker.

Banquet tickets are \$1.50 each and must be purchased by Thursday, April 7th at Boothe's Grocery, Roy's Mens Wear, Lorne Perry's or from board executive members.

Award of the Reid Johnston-Good Citizen Cup for the year 1959 will be a feature of the banquet. This will be the twenty-second time this presentation has been made.

## Kinettes Hold Charter Night

Charter night for the newly formed Summerland Kinettes Club was held in the form of a banquet and dance at the Oddfellows Hall March 15 with 48 present.

W. A. Pollock, president of the local Kinsmen club, was master of ceremonies.

Leo Heroux, deputy district governor from Merritt installed the officers: president Mrs. W. A. Pollock, secretary Mrs. Frank Kuroda, treasurer Mrs. Gordon Stein.

Speakers for the occasion were Bill McEwan of Vancouver, public relations officer, Bud Longley, expansion officer from Vancouver and Mr. Stringer from Kelowna. A message of welcome was given by acting reeve Norman Holmes.

A wire of congratulations was received from governor Ed Turner of South Burnaby who was unable to be

## Singers and Players "Iolanthe" Plays Here Wednesday, April 5

Summerland Singers and Players, veteran troupers all, are nevertheless having the usual jitters as opening night for their presentation of Gilbert and Sullivan's "Iolanthe" nears, but they can be relied upon to have settled down when the curtain goes up.

The Summerland Singers

will open in Summerland Monday, April 5, curtain time 8:15 at the high school auditorium.

The Players will go on the road Wednesday, appearing in the Parish Hall at Kelowna Wednesday evening and then they will hit Penticton for two performances, one on Saturday April 9, and again on Monday,

April 11.

In their long history as the valley's premier theatre group the Summerland Singers and Players have played "Iolanthe" twice previously, but it will come as fresh as spring to the audience, old and new, for it was thirty years ago that "Iolanthe" was last played here.

# Kiwanis

## Club Notes

The Kiwanis club meeting Tuesday night was full of surprises and was very pleasant. Kelowna club's president, vice president and a past president were present in the persons of Frank Griffin, Bill Hillier and Harold Johnson and they were introduced to the club by Bill Hillier.

Another pleasant surprise was the presence of Wally Mulligan and Angus Thomas of the Penticton club. You were all very welcome fellows and we were very happy to have had you with us.

In addition were present two members of the Key Club, Jim Fiske and Richard Toeves who gave a short report on the recent Key club convention.

Jerry Hallquist gave a "command performance" in community singing and repeated his program of last week. It was "elegant", Jerry and enjoyed by all.

Hilly Smith celebrated a birthday and although he was not present, he may rest assured he will be able, and called upon, to pay the usual fine next week.

Wally Mulligan (Penticton) advised that May 6th will see the presence of the International President at Penticton, and clubs from Trail to Vancouver and Kamloops to the U.S. border have been invited to attend. This will be a gala night and the club is expected to be present in full strength with, we understand, their wives and any friends they would like to take as guests. A dance will be held afterwards and also a breakfast on the following morning, Saturday, which the Summerland club will most probably sponsor. Mark this date on your calendar with a big red circle.

Jack Towgood advised of the coming TB mobile service on Saturday next and members are asked to call the names on the slips given to them, reminding those people of the service available to them.

Bill Hillier introduced the guest speaker from Kelowna, Frank Griffin, who gave a most interesting discourse and told the story of optical lenses, the work entailed in their grinding, illustrating on the blackboard the mystery of spheres and cylinders, etc. His talk was in layman's language and was found very interesting and enjoyable. Walter Toeves thanked him for his talk.

## Key Club Attends Convention

A riotous Pacific Northwest Key Club convention was well attended by the Summerland club. Twelve boys and three advisors

made the trip to Seattle on Friday, March 25 and returned Sunday. Clubs from Oregon, Washington, Idaho and B.C. attended with

Summerland and Wallace, Idaho travelling farthest.

The main convention was held Saturday in the Doric New Washington hotel and over three hundred boys attended. Fifty two official delegates elected Bob Esty of Scappoose, Oregon the new district governor and Steve Cheney of Anacortes, Wash. district treasurer.

Congratulations to Leigh Trafford the new Lieutenant Governor for division 5.

The boys all had a ball, and thanks go to the Kiwanis advisors Mr. Randle, Mr. Ritchie and Mr. Chalmers who made the trip possible.

## Car Wash Successful

Twenty four grade 12 boys each donated two hours of hard labor washing cars Saturday. It was all for a worthy cause to make money for graduation expenses.

Forty two cars and one truck shone both inside and out to keep the boys busy all day. The shifts started at 8:30 and the last auto was completed at 5:30. Harry DeRosier was the general supervisor.

## Mike Nolan Thrills Large Audience

Monday night the Key Club hosted Mike Nolan and his outdoor films. Mike Nolan, an experienced big game hunter (both with camera and gun) showed two excellent films on wild life. Both "Yukon Big game Trails" and "Springtime in the Yukon" were very well received by an enthusiastic audience.

Division 12 was allowed in free for selling the most tickets in the school.

on Sunday at  
St. Stephen's**

It was just 50 years ago last Sunday that the first service in the present St. Stephen's Anglican Church was held.

The Rev. Solly, who later became Archdeacon took the service. He was the first resident rector of the Summerland church.

St. Peters, the building formerly used stood where the Anglican cemetery now is and was burned to the ground some years later.

At the time of opening, St. Stephen's was only partially completed with some additions in later years.

Present rector is Rev. Norman Tanner.

**Summerland Enjoys Vancouver Symphony**

A large number of Summerland residents attended the concert given by the Vancouver Symphony Orchestra under Irwin Hoffman in the Penticton High School auditorium last Wednesday night. It was a real privilege to hear this fine orchestra. The first number on the varied program was Mozart's "Jupiter" Symphony and was played with fine tonal quality and delicate shading in the four movements. The second number was Dvorak's Four Slavonic dances, colorful and emotional with great contrast of mood. The third number, William Walton's "Johannesburg Festival Overture", dramatic with a surprise ending off-key. The Bach "Brandenburg Concerto" for strings was brilliant in execution with fine light and shade and the final number, Rimsky-Korsakoffs "Russian Easter Overture" was typically Russian in character with a scintillating finale.

The enthusiastic audience demanded two encores; the stirring and fiery "Russian Sailor's Dance" by Gliere and the "Hora Staccato" by Dinicu.

Before the concert, Summerland members of the executive of the Overture Concert Association met George Zukerman, who plays in the orchestra at a dinner meeting in the Prince Charles Motor Inn to make plans for the coming season and the campaign for membership in the Overture Concert Association which will take place the first week in May.

### Insurance Directors Re-elected

At the Annual General Meetings of the B.C.F.G. Mutual Hail Insurance Company and the Fruit Growers Mutual Insurance Company held in Kelowna on Saturday, March 19, 1960, delegates re-elected the outgoing Directors for further terms of office in the Hail Company. Due to the expressed desire of Mr. E. A. Titchmarsh that he wished to lighten his duties for health reasons and therefore he could not stand for re-nomination to the Board of the Fruit Growers Mutual, Mr. Louis Hanic of Nelson was elected to fill the vacancy created on the Board.

Reports of the Companies operations were received and approved. An air of optimism for the future was evident among delegates.

The Executive Officers of the Companies are:

B.C.F.G. Mutual Hail Insurance Company  
E. A. Titchmarsh - President and Chairman of the Board.

N. R. C. Pooley - Vice President  
K. C. L. Jones - Manager

## Macs hold first outdoor practice

Summerland Macs base ball team held its first outside practice Sunday in preparation for league play which is scheduled to start Sunday April 10 with those old rivals Penticton.

After two weeks in the gym most of the boys are in good shape and with cooperation from the weather man should get off to a flying start.

At the present time it looks like the team will be made up from a mixture of seasoned regulars from last year's team and most of last year's champion juniors. Those returning from last year are Taylor, Hooker, Biollo, Bonthoux, Parker and Jomori. Up from juniors are Warren Parker, McNabb Eyre, Chapman, DeWitt, Shannn. Sheeley and Lemke. Geordie Taylor has been appointed captain of the team. Ollie Egley coach and Joe

Sheeley manager.

Season tickets are now being sold at \$5.00 for 14 home games which figures out to 35c a game. They may be purchased from any member of the executive, Tom Hooker president, Tom Charity, vice president, Bert Simpson sec. treas., Ralph Spillsbury, Tiny Hankins, Geo. Stoll, Geo. Taylor and Joe Sheeley.

Practice times are Tuesday and Thursday in the gym at 8 p.m. and Wednesday and Friday at the ball park at 5 p.m. and Saturday and Sunday at the ball park at 2 p.m. Any ball players who are interested are asked to turn out.

## Why give the burglar An engraved invitation

"You might as well give a burglar an engraved invitation to help himself at your house, if you leave valuables lying about," says Jock Johnston, manager of the Bank of Montreal's Summerland branch.

Mr. Johnston adds that behind the steel doors of a B of M vault is the safest place for valuables such as bonds, leases, stock certificates, insurance policies; birth certificates, deeds, passports and other important family documents.

"It costs less than two cents a day to rent a B of M saety deposit box," he says, and explains that hundreds of thousands of Canadians use B of M safety deposit facilities, an indication of the popularity of this service. "It pays for itself again and again in peace of mind alone" he says.

"Give the burglar a brush-off at your house," Mr. Johnston advises. "Keep your valuables in your personal strong box — it's exclusively yours — in the Summerland B of M vault."

Drop in soon and see Mr. Johnston about renting a safety deposit box... it will set your mind at rest.

**Are You POSITIVE?**

**TB Works In The Dark**

Tuberculosis is a sneaky disease. Its germs can lie inactive in a person's lungs for years and then, one day when resistance is low, the germs get to work to destroy precious lung tissue. The germs work slowly and quietly.

In the early stage, there is no pain, no serious loss of weight, or hacking cough... no sign at all to warn you that a serious disease has strick.

What to do: Have an X-ray so that doctors can study the photo of your lungs and have a TB skin test to find out if TB germs have ever entered your body.

**Basketball Teams**

**Travel to Osoyoos**

Saturday, March 12 two basketball teams and a bus load of spectators travelled from MacDonald school to Osoyoos to take part in an elementary basketball tournament held there.

Although MacDonald school has as yet no gymnasium in which to practice both boys and girls teams made a good showing.

Girls section of the tournament was won by Orville and they were also victorious in the boys tournament.

Members of the girls team were Sandra Stein, Sharon McIntosh, Donna-Jean Taylor, Denise Bennison, Jean Felker, Lana Trussel, Beatrice Young, Janet Tamblyn, Rita Rusaw, Maria Andreucci and captain Sheryl Stein.

Members of the boys team were Ronnie Gilmore, Frank Fenwick, Herman Toews, Robert Lenzi, Gerry Marsh, Martin Hoffman, Alan Bennison, Harold McLachlan, Jim Robertson and captain Jerry Beggs.

**Promenade**

It's going to be a difficult choice this week end with three dance parties on the dance calendar.

Going north to Vernon, Scottie Hitchman has a party with the Okanagan Landing group at the Sutherland Arms Hall. Take along a sandwich and meet all the folks from the north.

At Kelowna in the Centennial Hall the Wagon-wheelers have Vic Graves of Nelson as emcee. Supper served.

In the Youth Centre at Summerland the Peach City Promenaders will hold a party with Percy Coulter as emcee. Supper served. Callers are asked to bring their records.

On Friday night juniors and adults will gather at the IOOF Hall to hold their last square dance lesson of the season.

### Shower held for Sheila Bennison

A shower in honor of Miss Sheila Bennison was held at the home of Mrs. Tom McDonald on Monday night.

Hostesses were Mrs. McDonald, Mrs. C. Denike, Mrs. G. Henery, Mrs. K. Elliot, Mrs. L. Shannon and Mrs. J. Dunsdon.

Guests of honor Sheila and her mother Mrs. Frank Bennison sat by a gift container representing a basketball net. A pleasant evening was spent with games and a lovely luncheon.

The guest list included 29 of Sheila's friends.

## Miss Dorothy Britton Addresses W.I.

A well attended meeting of the Summerland Womens Institute was held recently in the Anglican Parish Hall. Miss Dorothy Britton was guest speaker and gave a very interesting talk on the use of fruit and fruit products. She also showed colorful slides of food she had prepared in the test kitchen of the Summerland Research Station. Mrs. A. Holler thanked the speaker for her enjoyable program.

Several door prizes of fruit products were given out and recipe books were distributed to the members and many guests who were present. In keeping with the cooking theme roll call was answered by naming the food that person enjoyed preparing most.

The delicious tea also featured a variety of fruit squares. The Home Economics committee responsible for the program and tea is composed of Mrs. H. C. Whitaker, Mrs. G. Dinning, Mrs. A. Holler, Mrs. D. I. Gilman and Mrs. G. Morgan.

During the business meeting, Mrs. Whitaker thanked everyone for their very generous donations to the Un-Itaian Service Committee layettes. Many of the garments were on display. Mrs. W. M. Wright reported on the T.B. survey organizational meeting. Mrs. Wright also reported on the sale of cook books and stated she still had a supply on hand.

The president, Mrs. A. A. Fenwick was named delegate to the Biennial Conference to be held in Vancouver May 30, 31, June 1 and 2. Mrs. G. Ritchie and Mrs. D. I. Gilman will attend as visitors. A resolution to be sent to the conference will ask that a school for physio and occupational therapy be established at UBC.

A donation was made to the Salvation Army and a motion was made that a name plate, suitably inscribed, be placed on the desk which was presented to the library last year.

The next meeting will be April 8 and guest speaker will be Wm. Brown who will talk about Cuba.

Earle E. Smith is home after undergoing a serious heart operation which was successful in Vancouver General Hospital.
