

Services held for W. Dunsdon

William John Dunsdon, 20, son of Mr. and Mrs. A. J. Dunsdon, of Summerland, died in Penticton hospital last Thursday afternoon after being critically injured in a car crash.

William Dunsdon was born and educated in Summerland.

He leaves his parents, Mr. and Mrs. A. J. Dunsdon, and a sister, Elaine at home.

Also surviving are his maternal grandparents, Mr. and Mrs. W. Hemingway; and paternal grandfather, Mr. Harry "Pop" Dunsdon, all of West Summerland.

Funeral services were held Monday at 2 p.m. in Summerland United Church Rev. Philip Louie officiating. Interment was in the family plot, Peach Orchard Cemetery.

Pioneer dies here at age 70

P. G. Dodwell, 70, died at his home in Prairie Valley on Sunday evening, May 1. He had been a resident of Summerland for the past 51 years.

The late Mr. Dodwell took an active interest in civic and in sports affairs.

For many years he was tennis champion of the Okanagan Valley and was an executive member of the Badminton and Tennis clubs in Summerland.

He served on the municipal council and was chairman of the board of school trustees for many years prior to and during the time when Penticton and Summerland schools operated under a district board.

Mr. Dodwell was a member of the well known family of Dodwell Shipping Lines.

He is survived by his wife, Ninette, and two sons, Charles P. of Vancouver; and Miles H. of Calgary. One brother, Guy F., lives in England. There are five grandchildren.

Funeral services were held from St. Stephen's Anglican Church Wednesday.

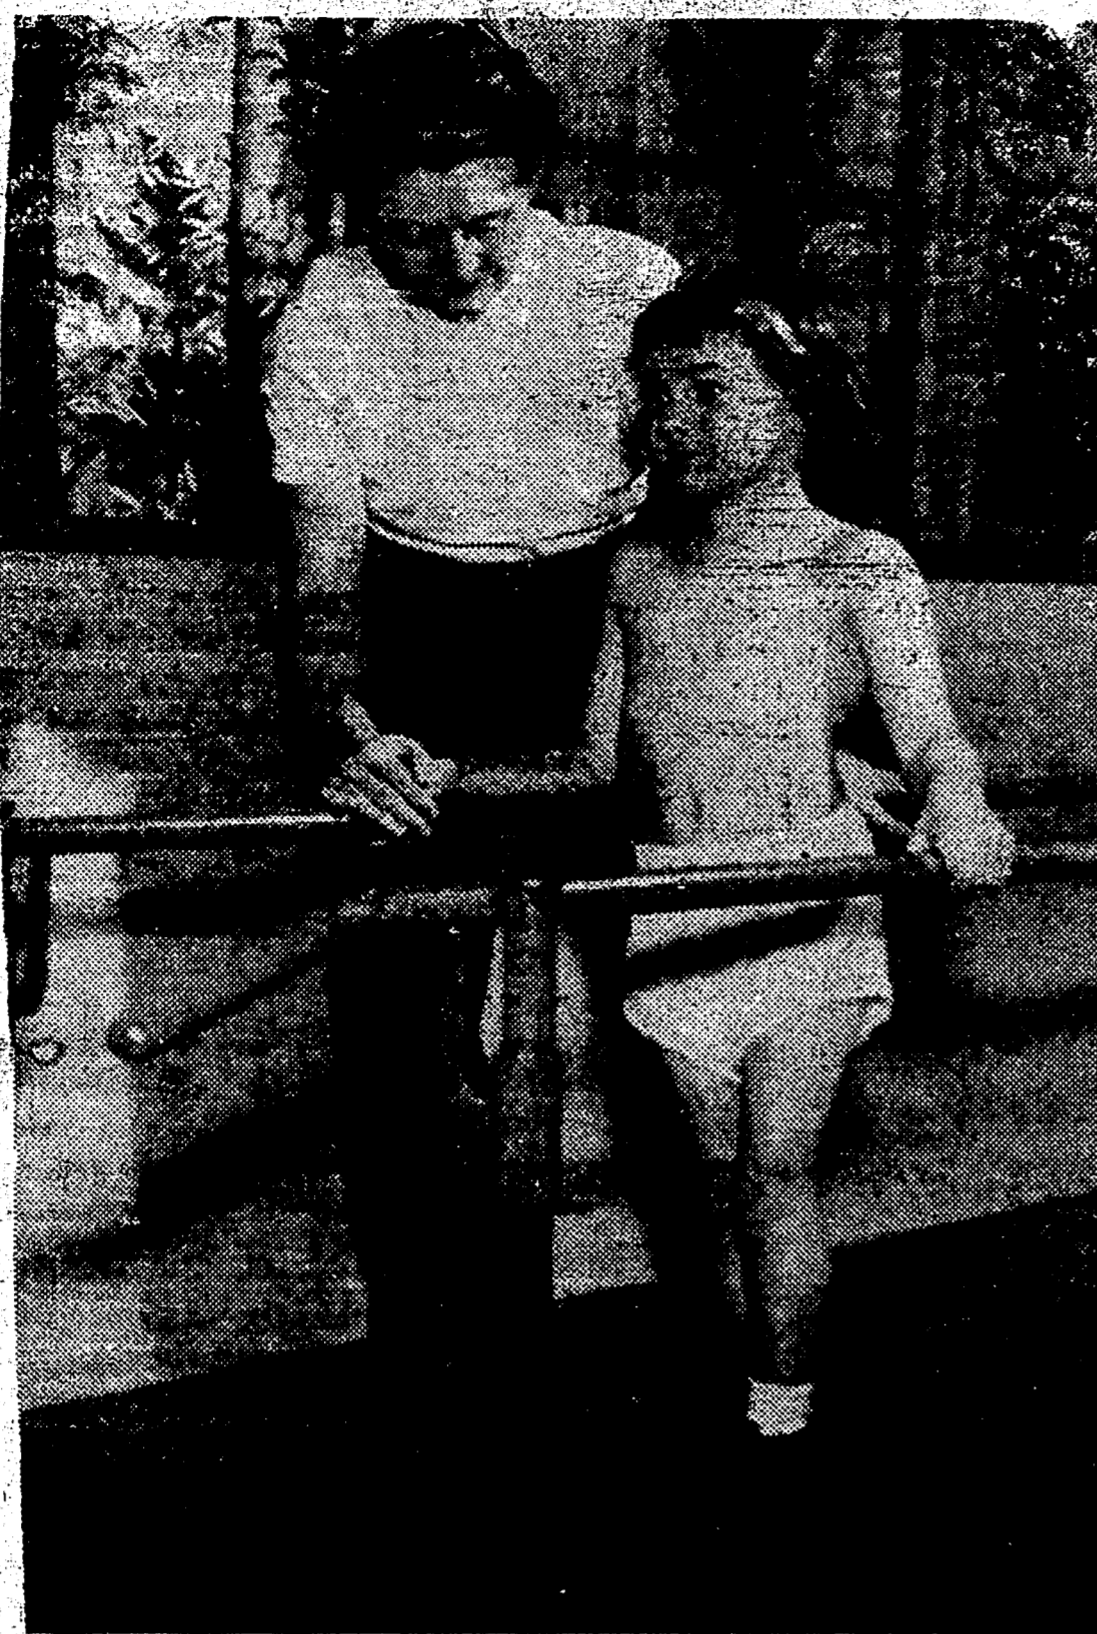

Parks cleaned up in winter works

The works department of the municipality have almost completed its winter works program for this year.

The retaining wall beside Station Road Hill is possibly the biggest project undertaken. The road itself is to be widened in the future and the wall serves the triple purpose of a retaining wall, a sidewalk and a scenic attraction.

The Memorial Park rest rooms are nearly completed and make a fine addition to the lovely little park.

A winter work cleanup of all the other parks, Peach Orchard and Powell Beach have left them sparkling, a

Physiotherapy is helping Marguerite to walk. Marguerite was born with cerebral palsy, and a short time ago was unable to use her legs. With help of Mr. Deirdre McEachran, physiotherapist at Cerebral Palsy clinic at Vancouver, she has learned to walk. Cerebral Palsy Week is May 8-15.

Overture Concert ticket drive underway

Two outstanding events, the Hart House Orchestra, under the famous conductor Dr. Boyd Neel in Summerland, and the Canadian Opera Company singing "The Merry Wives of Windsor" in Oliver are already certainties for music lovers next season in the program of the Overture Concert Assoc.

Summerland members are entitled to attend the Oliver concerts without charge just bring your membership

ticket. This makes membership in the Overture Concert Association particularly attractive financially.

Other musical attractions for Summerland will be decided on Wednesday, May 4 at a meeting in the high school library when George Zukerman, executive director of the Overture Concert Association, opens the annual membership campaign for the week starting May 5.

All Summerland residents will be interested to learn what events will be offered by this Concert Association which gave us such fine programs last year. — MA

Bursary given by teachers

Summerland Teachers' Association has announced its annual \$200 bursary open to all graduates of Summerland high school who plan to enter teacher training.

Graduates may be of this year or members of a grade 13 class or in first or second year at university.

Applications should be addressed to the principal, A. J. Longmore, West Summerland, or further information may be obtained from him.

Club house planned by local Yacht Club

The annual general meeting of the Summerland Yacht Club was held in the IOOF Hall at 8 p.m. on Monday, May 2.

Guest speaker for the evening was Dudley Pritchard of Westbank. He spoke of the tremendous increase in boating in the past five years. He said he felt the Yacht Clubs of the valley had a big part to play in the promotion of tourists. Mr. Pritchard said he felt the yacht clubs should provide facilities for entertaining them.

John Kitson showed a sketch and floor plan of the proposed clubhouse. The proposed building was 40 ft. by 60 feet with an estimated cost of \$12,000. Suggested site was next to the fish hatchery.

It was decided the executive would get together and

outline the program and then call a general meeting.

Officers for the last term were thanked by L. A. Smith

Officers for the new term are: commodore, L. A. Smith re-elected; vice commodore, C. Lackey re-elected; treasurer, R. S. Oxley re-elected; executive, N. Holmes, Ken Heales, John Kitson, Harry Dracas, all

re-elected and Les Rumball and Hilton Hughes.

Mr. Oxley thanked Commodore and Mrs. Smith for their untiring efforts and presented Mr. Smith with a beautiful combination smoking stand and magazine rack and Mrs. Smith with a lovely box of chocolates from the executives and members of the Yacht Club.

School addition to be underway soon

Summerland school board will call for tenders for the MacDonald elementary school addition the first week in June, it is expected. The addition will consist of four classrooms and an activity room.

W. J. Wilson, department of education architect, was in Summerland last Friday to discuss building plans with the board regarding placement of the new structure. He promised that sketch plans would be back

at the end of this week.

The board will meet upon receipt of them and make recommendations to Victoria when the final plans will be drawn.

Building permits down this month

Building inspector Roy Angus reports of the twelve permits issued last month, three were for new dwellings at a total value of \$25,500. There were six permits for alterations and additions on private dwellings for a total of \$10,950, and three permits for commercial alterations at a cost of \$2,850.00.

Value of permits in the first four months of 1960 totalled \$110,850 as compared to \$130,200 in the corresponding period in 1959.

Fire at box factory

About 2 a.m. Thursday morning fire completely destroyed the boiler room of the Summerland Box Co. The cause of the blaze is unknown. A spokesman at the mill said they hope to get the planer going before too long. Employees are notified there will be no work until further notice.

District prexy to address trade board

Mr. Hugh Fitzpatrick of Rutland, president of the Okanagan-Boundary Associated Boards of Trade will be the guest speaker at the next dinner meeting of the Summerland Board of Trade May 12.

Program for summer school of fine arts shows progress

by Madeline Alstead.

At a director's meeting last Thursday April 28, announcement was made of the schedule of courses outlined to date for the Summer School of Fine Arts in the Penticton High School.

These courses will be of first interest to Summerland residents, many of whom are planning to attend first sessions this July. The list is very attractive.

Art classes will be taught by Reg Holmes, UBC instructor. Classes for children up to eight years old will be held each week, Tuesday, Thursday and Saturday mornings, intermediates, nine and over each Monday, Wednesday and Friday morning, all classes 9 to 11 a.m. Adult classes will be in the afternoons and will include field trips.

Mr. Holmes will specialize in water colors bringing out some new ideas and will also take oil painting classes.

Ballet will be taught by Miss Lucy Keith from England who will take charge of the Winnipeg branch of the Canadian School of Bal-

let this fall. She holds a degree from a London School of Dance as well as other honors. Classes for classical dancing for ages 7-11 and 12-15 and character dancing for 11 and over will be held in the mornings. The classes for older children will depend largely on demand and will be announced later.

Drama classes will be held by Victor Mitchell of Victoria from July 4 to 23. Those for children and young adults will be Mondays, Wednesdays and Fridays 7:30-9:30 p.m. in acting technique and theatre speech. On Tuesdays and Thursdays 7:30 to 9:30 the subject will be play production. Other classes in body movement, directing in composition, pictorial grouping and rhythm are hoped for.

Music will be in charge of Willem Bertsch of New Westminster. Beginners' classes in the above will be on Mondays, Wednesdays and Fridays 9-12 a.m. It is hoped a chamber music group may be held in the afternoons, also a lecture series in the evenings on

"What is music?" Naramata Recreation Commission and the Naramata Players are each offering a \$25 scholarship to a Naramata student wishing to attend the school. The Penticton Kiwanis Club have asked for a speaker from the board of directors for their May 10 meeting.

A brochure outlining the classes is expected to be out this week end. The general fee for adult courses is \$35 for a three weeks course. Children's classes are much less.

The writing course has been mentioned before. It will consist of a week of lectures from Lister Sinclair followed by a two week course in creative writing with Miss Edith Sharp and an English course by Mrs. Fraser of Oliver.

Further details of these and other classes, such as a ceramic course which is hoped for, and others which may be asked for will be given later. It is hoped that those wishing other courses will make their desires known to the board of directors.

New steward for Legion canteen

The Canadian Legion canteen has recently acquired the services of veteran Dudley Lipscombe as steward. A bus driver in his native England, Mr. Lipscombe and his wife and small son left their home in Burgess Hill near Brighton to make a new home in the Okanagan Valley.

They have purchased the Biagioni house on Highway 97 just north of town, but are living at present with Mrs. Lipscombe's mother, Mrs. R. Gauchie in Penticton.

A new tractor costing \$13,000 has been purchased for the municipal maintenance department. Equipment includes a back hoe, loader, boom crane and street sweeper.

Gideons honor

V. Durnin

The West Summerland Gideon Camp and friends gathered at the home of Mr and Mrs. V. Durnin-recently to honor them for their many years of service.

Mr. Durnin was presented with a special Gideon presentation Bible and Mrs Durnin was given a token of remembrance by the Ladies Auxiliary.

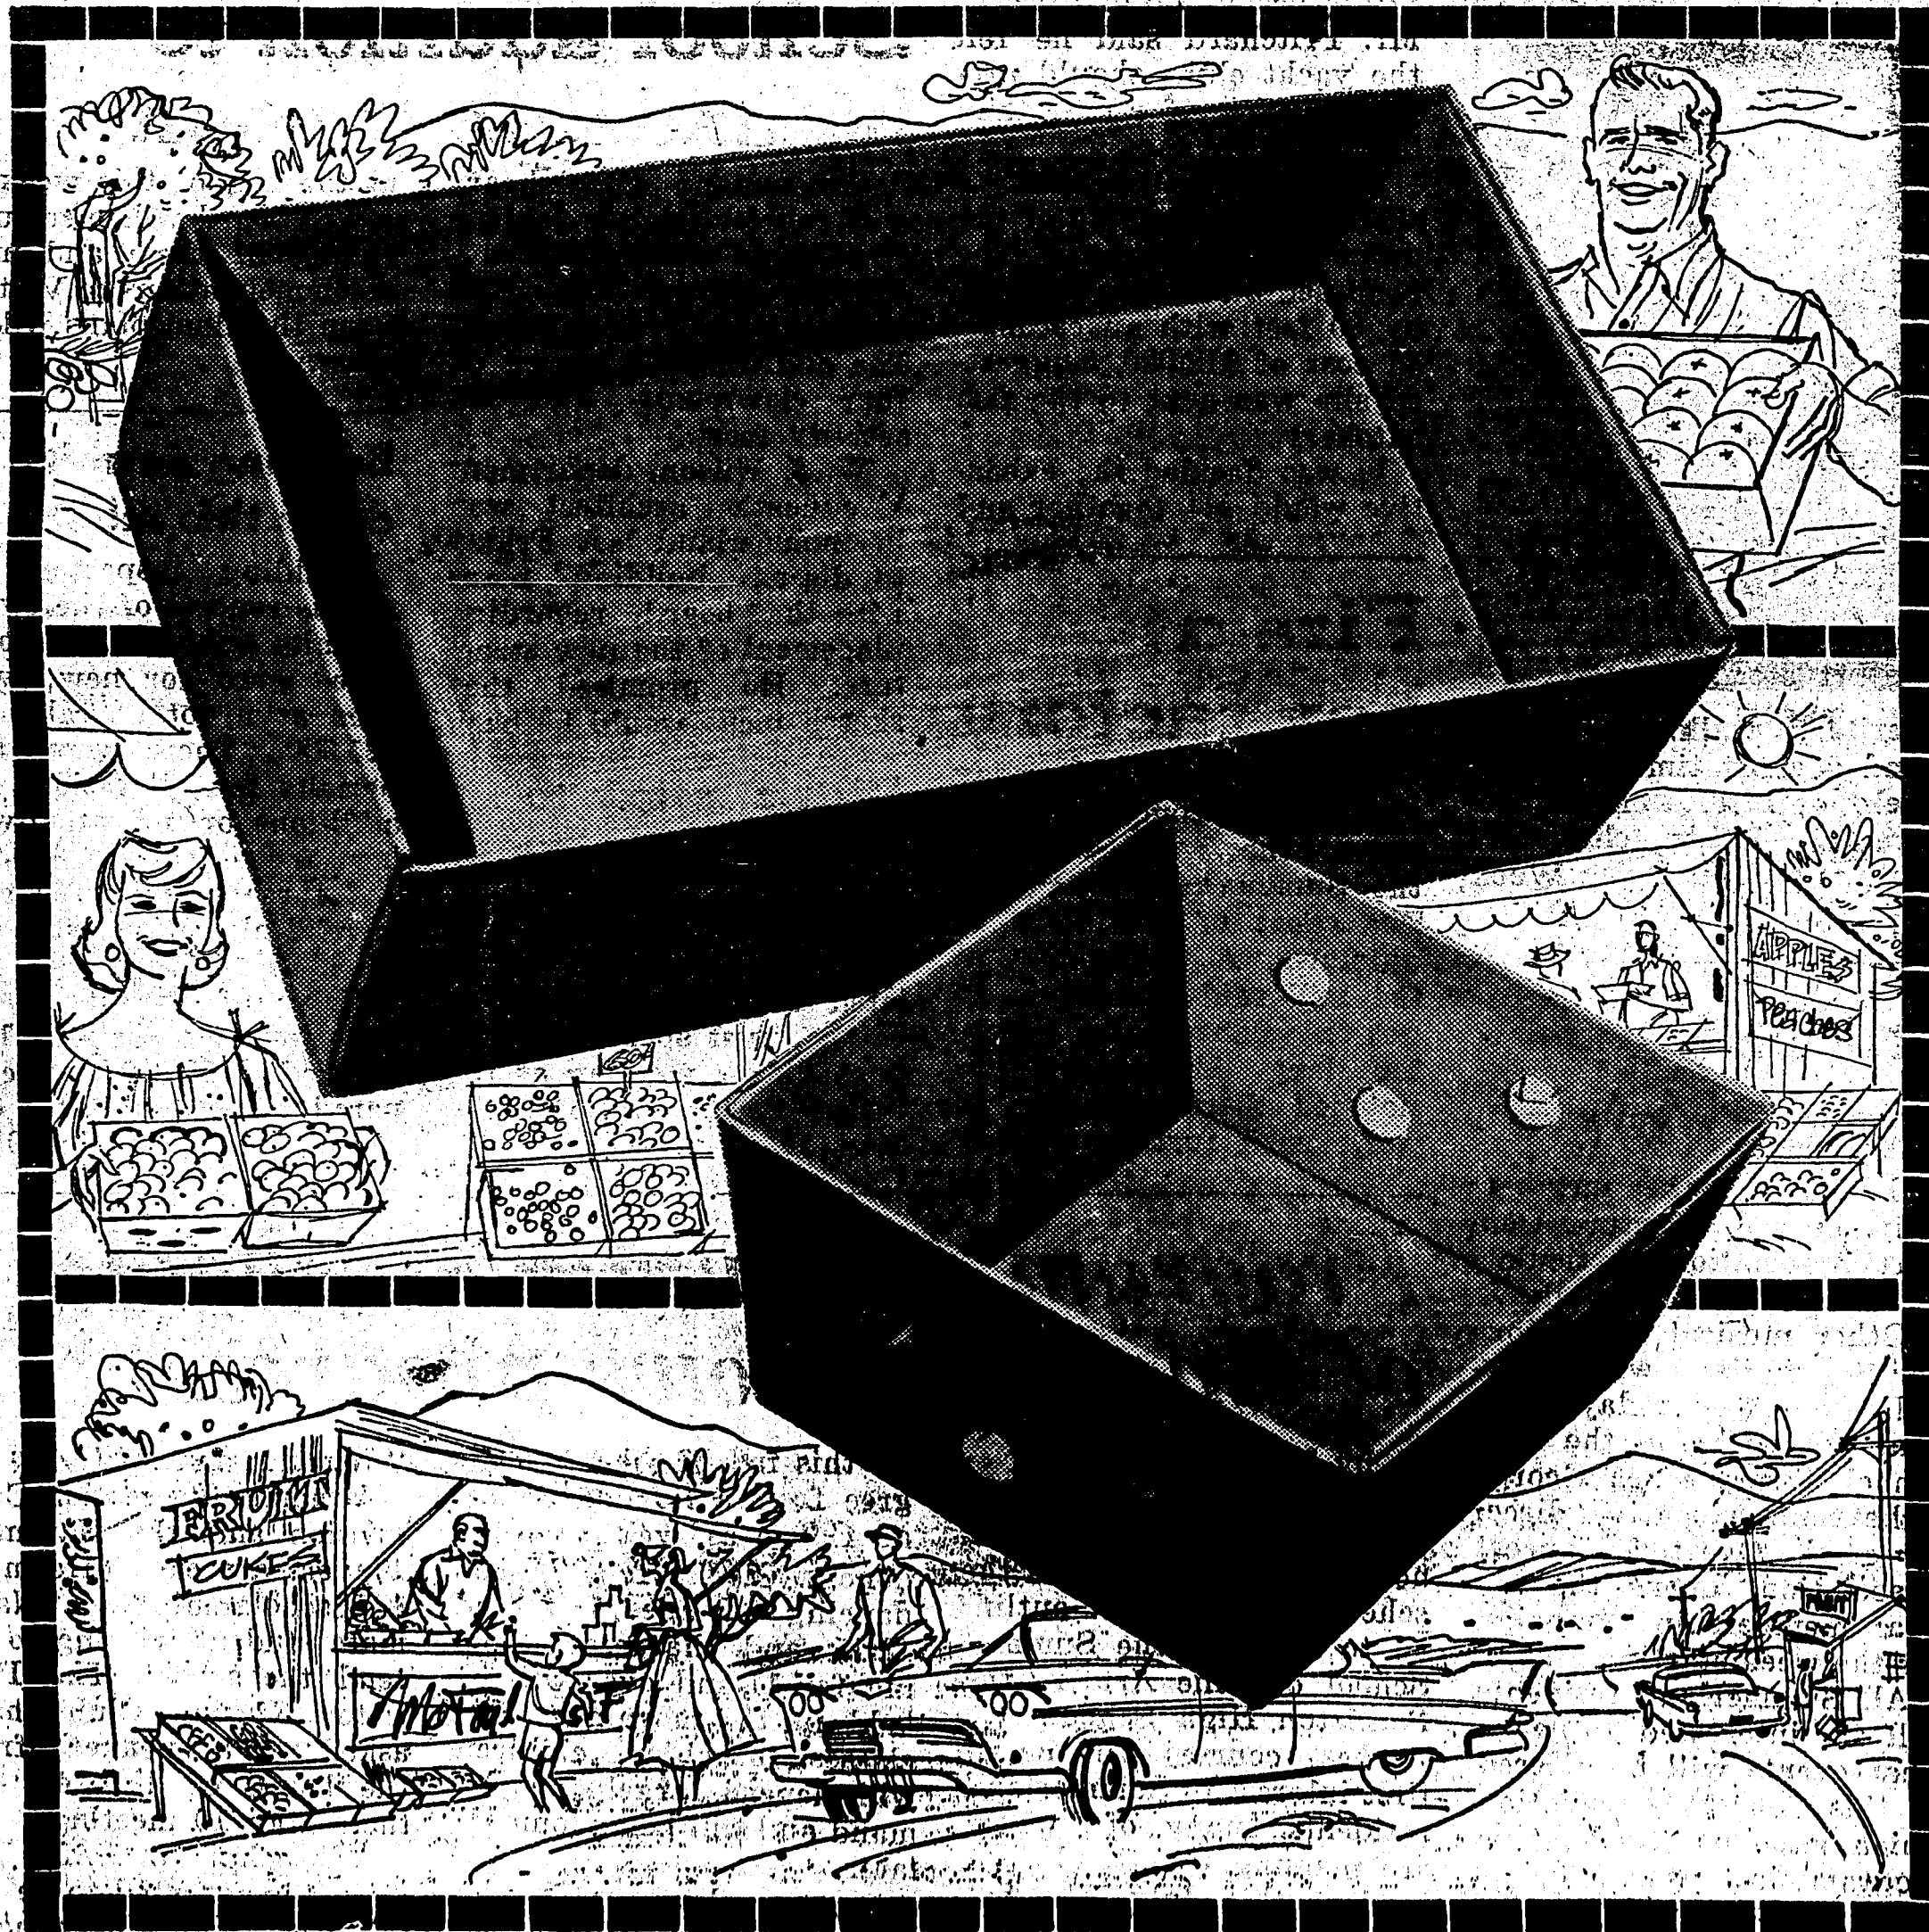

Mr. Durnin was instrumental in forming the local camp and is a charter member.

Mr. and Mrs. Durnin will leave at the end of this month to take up residence in Kamloops.

Careful Fitting at the Family Shoe Store gives you More Miles Per Dollar

Flooding of rivers in southern Manitoba raised alarm through many communities. The only way to get the groceries to this farm house south of Winnipeg was by boat when the Lasalle River surged over its banks, cutting roads and railways. Workmen labored around-the-clock to sandbag weak points at various rivers.

if you operate a produce stand...

display your fruit in economical, corrugated containers—crop-designed by Crown Zellerbach. These handy corrugated containers store flat, are easy to set up, give extra protection to your produce. They're lighter, safer, too . . . no nails or metal to catch and scratch your customers hands. Available in 5 lb., 15 lb. and 20 lb. sizes. Order Crown Zellerbach fruit stand containers from your local packing house or feed store.

CROWN ZELLERBACH CANADA LIMITED

PAPER • PACKAGING PRODUCTS • LUMBER • PLYWOOD

The only manufacturer of corrugated boxes in the B.C. interior.

Local Gideons Host Capsule Convention

The West Summerland Gideon Camp was host to an new endeavour in B.C. Zone 4 conventions. The experiment — a miniature convention in place of the former three day event was held in the Summerland Baptist Church. In the estimation of Gideon members present it was highly successful. The attendance was the best in many years and all Camps from 100 Mile House (South Caribou) to Penticton were represented.

Spiritual instruction and zone business were the highlights of the afternoon.

Guest speaker for the day was Dr. A. Ross Lawson, Gideon businessman and lay evangelist from Calgary. Accompanying him and supplying skilful and delightful music during the day were Dr. Lawson's wife, pianist; and friends, Billy Bennett, saxophonist and vocalist; Mrs. Bennett, organist and pianist and Miss Dawn Homey, soprano.

These talented musicians combined in many ways to bring joy and blessings to all through their sacred music. This group produce a weekly program of The Word and sacred music, over a Calgary radio station, entitled "Musical Moments."

Zone leader Wilmer Aslin of Vernon chaired the afternoon convention. Newly appointed Zone leader is Russel Hawley of Kelowna.

Climaxing the day was a fellowship banquet attended by approximately 115, and held in the Anglican Parish Hall, and catered to so wonderfully by the Anglican ladies. Mr. Bryce Farrow, local Gideon Camp president, was master of ceremonies, and also summarized the Gideon's stewardship here by the local camp and generally throughout Canada. Locally all public guest rooms in hotels, motels and hospitals have been serviced with Bibles. Youth Testaments and Bibles have been supplied where requested in

schools. One thousand copies of the Scriptures leave Gideon head office in Toronto each working day of the year, to every corner of the dominion.

Dr. Lawson challenged all, with his evening message to "Reach for the withered hand that it might become whole in greater service for the Master."

Worth going after

We noticed a news item in a coast paper recently stating that Hugh Shantz, speaker of the Legislature, told a meeting he had recommended Vernon to UBC president Dr. Norman MacKenzie as the site of a junior college. He said there is a good possibility junior colleges will be set up in B.C. when the department of education surveys find the need for them.

Obviously the interior is the logical site for one junior college, particularly if, as is suggested, these colleges are specialized, agriculture, forestry, mining and so on, but we would suggest that there are few, if any, better locations for a junior college in the interior than Summerland.

Apart from its geographic location and other natural advantages, Summerland has the Dominion Research Station which, given the co-operation of federal authorities, would be a tremendous asset to any college, and particularly one emphasizing agriculture.

A junior college would of course be an economic asset to the community and a very desirable one to boot. But such plums do not fall into ones lap without effort.

We suggest that although the idea of junior colleges for B.C. is still very much in the nebular that the Summerland Board of Trade should set up, in association with the council, a committee to prepare a brief setting out the advantages of Summerland as location of a junior college. Perhaps also some consideration should be given to the possibility of making a land grant as an inducement.

It may be next year, it may be five years, it could even be ten years before the idea of decentralization of higher education becomes a matter of practical policy. On the other hand, the idea could become policy before year is out and it would be the better part of wisdom for Summerland to be prepared . . . we can think of nothing more desirable than for Summerland to become the college town of the interior . . . and what is desirable is worth going after.

Adding another industry

Writing in the Toronto Globe and Mail recently, Austin Winch had some good advice for municipalities and others interested in promoting their own towns. We pass it along here feeling that many in Summerland will find it of interest.

Memo to municipalities: attract an extra twenty-four tourists every day of the year and you'll have the equivalent of a manufacturing plant with an annual payroll of \$100,000.

This advice comes from the Canadian Tourist Association, and if followed up could be a big economic boost for those cities and towns which have been by-passed by new industry.

Tourism (the word which encompasses all activity related to travel or visiting other than migration) is big business and it is getting bigger.

Municipalities which could set up a tourist attraction could cash in on this industry. All that is needed is imagination and some promotion.

A classic example: a town in the southern United States needed such an attraction. On looking around they found that one of the local farmers had a very deep well. On further examination it was found that the well was the deepest in the world. The town got together and promoted the well as a tourist attraction. Now the town has more visitors than ever before.

Of many little things

In this space age, speed and vastness are the impressions that daily condition the minds of the young. It may be well for youth to think big and fast most of the time, but flexibility of mind requires that there should be some exercise in minuteness from time to time. Heartening therefore is news that scientists of this continent have set up an organization of youngsters on a brigade, company, platoon system to collect fireflies. Extract of firefly's tail is a useful reagent in some forms of research. Besides earning thirty cents per hundred the operation will give the children a practical appreciation for the little drops of water, little grains of sand philosophy.

INVADER REPELLED

Writers' Club social evening big success

The Writers' Club to which several Summerland members belong, held a very successful social evening, Wednesday, April 27 in the small hall and Penticton library room in the IOOF hall in Penticton. Over fifty people attended from Kelowna, Summerland, Osoyoos, Naramata and Penticton.

Summerland was represented by the published work of eight writers in the display arranged on three tables in the hall. Vernon Hockley, short stories in "Maclean's" magazine and "The Montrealer"; articles by Bert Stent in "The Family Herald" and other publications; Mrs. H. R. McLarty, article which won the "Tweedsmuir Cup" presented to Women's Institutes; Brian Atkinson, a novel in the "Toronto Star Weekly" two books of poetry by Lillian Plunkett; short stories by Madeleine Alstead in "The Canadian Home Journal"; a book, "The Story of Summerland" by the late Dr. F. W. Andrew; "Is It Just" by the late Minnie

Smith, pioneer Summerland teacher. Manuscripts by the late Mrs. John Fall Allison who was the first to write of the Okanagan, going back to 1852, were kindly lent by her daughter, Mrs. J. E. Wright of Trout Creek.

Summerland had the greatest number of writers with published work in the display.

Penticton was represented by Philip W. Keller with his successful book "Africa's Wild Glory" now in its second edition and has a new book "Canada's Wild Glory" in the hands of the publishers; Miss Edith L. Sharp's prize winning "N. Kwala"; Mr. A. S. Hatfield's poems, "Rambling Rhymes" and a short story by Blanche Howard in "Maclean's."

Several volumes of the Historical Society's annuals and other historical material was displayed, also Naramata's play recently performed, "The Trouble with Women" by Val Morche and Nadine Oliver and poetry by the late Florence Wellband, of Naramata.

A delightful tea was served by the co-sponsors of the evening, the Writers' Club held fortnightly at the home of Mrs. W. H. Snelson and the Creative Writing Class of the Penticton Night School under Miss Edith Sharp. Afterwards Mr. Keller gave a short interesting talk on the background of his African book which contains many colored photographs of wild animals taken by himself.

This social evening was planned to bring Okanagan writers together and to further interest in the Creative Writing course to be given by Lister Sinclair at the Okanagan Summer School of Fine Arts July 4-9, this will be followed by a two week workshop writing course, making in all a three week course for writers.

— MA

As His custom was

(This is the first of a series of messages written by members of the Summerland Ministerial Association. They will appear each week on the editorial page of The Review. This week's message is written by Rev. Norman Tannar.)

"It is written, My house is the house of prayer: but ye have made it a den of thieves." Luke 19:46.

Jesus was speaking of the Temple, which He called "My Father's house." Intended as a house of prayer for all people, where souls find God, it had been turned into a "den of thieves", and He fixed the responsibility: "Ye have made it." Each of us has some responsibility for his church. We make it, for better or for worse. Its morale, its friendliness, its spirituality, its attendance is made by us. If the church is failing, if the church is open to criticism and blame, we have made it so.

The great task of the Christian today is not only to get sinners into Heaven, but also to get the saints out of bed.

Jesus, "as His custom was," went to church (the Temple and the Synagogue in His day). He also cleansed the Temple; He remade it. The first and most obvious way of declaring our Christian faith is to be a regular attendant, "as His custom was."

Twilight hour

To a nursing home they're going,
They're unable to continue,
To walk along their separate way,
Without a little care,
They've had to leave the current
They're stranded in the eddy
So they slowly are rejected,
And left to wither there.

Could we — the young — remember
Thro every waking hour
That as they be — then so shall we,
As the years will take their toll,
And we'd be a little kinder
As we march along life's roadway,
We'd know the many stories
Are like dewdrops to their soul.

For these stories tell their greatness,
The times when they were leaders,
And thro the years, these, times have fled;
Into the dim, dim past,
So in these little moments
They are still reliving;
That needed, hopeful part of life;
Before they breathe their last.

So go to see them often,
Give their lives a little meaning,
And they will glow, with pride, that they
Could have such family,
And when their days are over,
We'll not know deep regretting
For the little more we could have done
To close it happily.

Mr. and Mrs. K. Kiefer have purchased the Scotty Ritchie property on Highway 97 north of the Lutheran Church.

Mr. and Mrs. Herb Waterhouse have as guests Mr. and Mrs. W. D. Devaney and Georgina of North Surrey.

Mr. A. R. Laird is visiting his wife this week. Mrs. Laird is a teacher at MacDonald School.

Change in staff at Trout Creek school will come with the resignation of Mrs. J. M. Duncan. She is to be replaced by Mrs. E. M. Dickenson.

Mr. and Mrs. J. Dent of Trout Creek have Mrs. Dent's parents Mr. and Mrs. Ogden of Vancouver visiting with them.

Mr. and Mrs. Herman Glaser were at the coast last week to attend their daughter's graduation from Essondale training school.

Mr. and Mrs. V. Lockwood are away on a fishing trip. Mrs. Douglas Irvine is going to Langford, Vancouver Island to visit her parents. She will also attend her sister's graduation at St. Joseph's Hospital in Victoria.

Mr. and Mrs. James Clark of Keremeos called into Summerland on their way home from Shippers Golf Tournament at Kelowna.

Mr. and Mrs. Roy Soderberg are here from the coast visiting his parents.

Mrs. A. K. Macleod is visiting friends in Summerland.

Mr. E. L. Coates, the local postmaster spent a few days in Melfort Sask.

Mr. and Mrs. Les Aitkens spent a few days in Quesnel visiting friends.

Mr. George Fudge and Mr. Lionel Fudge are motoring to Vancouver over the week end. Mrs. Fudge Sr., who has been visiting her daughter Mrs. F. Beeman, will return with them.

Mr. and Mrs. W. A. Henderson are travelling to Winnipeg for a five week visit with their son. Their daughter Mabel, a missionary in Cuba with the Assemblies of God church will be in Minneapolis for a convention and will meet her parents in Winnipeg.

Miss Rodina Reinertson and Miss Linda Garrow from 100 Mile House were visiting at the home of C. W. Reinertson this past week-end.

Mrs. Regina Cornish had her son Allen visiting her for a few days.

Rev. Norman Tanner left for Banff over the week end to attend a sector school of the Canadian council of churches. He will return on Friday.

Mr. and Mrs. Mack Kuroda; Mr. and Mrs. Frank Kuroda and family; Mr and Mrs. Roy Kuroda and family, Mrs. Tom Kato; Miss Nina Tada; Mrs. Robert Yamabe and Miss Katherine Yamabe were all recent visitors to Vancouver to attend the wedding of Miss Ruth Nakamura.

Seventeen local Masons journeyed to Vancouver last week end for a meeting.

Seems one of the boys inadvertently parked in a bus zone and felt the long arm of Buster's Towing Service. To complicate matters the owner of the car was with another group and no one even had the licence number. They finally straightened matters out and got the car back.

In a parting shot one of the Masons told the police sergeant he lived by Okanagan Lake and why didn't the sergeant come down sometime and drop in!

At the annual meeting of the Summerland Arena Association Doug Campbell was re-elected president; Tiny Haskin vice president, Phil Munro secretary-treasurer and honorary president C. H. Elsey.

Directors for 1960-61 are Gordon Beggs, Bill Eyre, Wandell Schwab, Jerry Hallquist, Dr. Dugal McGregor, Mrs. John Tamblyn, Mrs. Loyle Campbell and Mrs. Stan Porritt.

During hot summer days when appetites become wilted light but nutritious meals are in order. No matter what the temperature soup is the answer to satisfying meals which supply an adequate diet. It brings double dividends in food value when smoothed to a creamy goodness with milk or other dairy products.

With so many canned condensed soups available and so many wonderful ways to serve them, your summer meals will be welcomed treats. Canned condensed cream of chicken soup prepared with milk and served hot or frosty cold is sure to make a hit. Or if you're especially fond of tomato soup try it topped with sour cream for a "something special". The sour cream topping can be varied, too, with chopped chives, parsley, or watercress.

Assorted sandwiches along with celery, olives and carrot sticks complete this easy yet well-balanced menu.

Promenade

About four squares of dancers were present for the workshop held on April 24 in the Youth Centre.

French's Twirlers of Oliver were hosts and Bill French acted as master of ceremonies. Two meetings - the Callers-Teachers and the Okanagan Square Dance Association meetings were held. As a result of these meetings a suggestion will go out to the clubs that they elect delegates who are not callers-teachers, as it is planned to hold the Association meeting at the same time as the Callers-Teachers meeting.

Summerland's Youth Centre will be the square dance spot this week end.

The Okanagan Square Dance Assoc. will hold an intermediate level square dance on Friday night with Ray Fredrickson emcee, and a sack lunch.

Also this week on Saturday night the Peach City Promenaders will be hosts to their friends at a party in the Youth Centre. Dick Cameron of the Vancouver Hayloft will be in charge.

Les Boyer is conducting a very popular square and round dance class on Monday nights in the IOOF Hall Penticton. This is a good opportunity for anyone, especially if you are getting a bit rusty.

Kiwanis Club Notes

Kiwanis Club meeting on Tuesday night was short and to the point. This was owing to all hands turning out on the Cancer Drive for funds. It can be reported, however that Bill Laidlaw requested as many Kiwanians as possible to be on the street on Thursday afternoon between 3:30 and 5 as this is Radio Day and the Recording Recorder will be looking for likely prospects to

introduce to the Mike. It was also reported that during Safety Week, 130 bicycles went through the test. When the meeting adjourned at 7 p.m. a very short directors meeting was held. highlights were:

(a) Next week sees the installation of officers of the Key Club and the meeting will be held at the high school auditorium.

(b) Some 25 members and their wives plan to attend the meeting in Penticton next Friday night for the dinner and dance.

(c) All members are requested to attend the Saturday morning breakfast at the Prince Charles Motor Inn at 8 a.m.

Earl Smith, chairman of the cancer drive outlined the procedure to be followed in collecting subscriptions and for those families who were unable to donate when contacted, arrangements have been made to receive same at either The Bank of Montreal or Smith and Henry.

Guide Cookie Day sale this Saturday

"The Local Association is very essential to the support of the Guide. It is the strength and backbone of the Guide movement." This statement was made in a report given by Mrs. George Ryman at a meeting of the Summerland Girl Guide Association, held in Youth Centre Wednesday March 24. Mrs. Ryman acted as delegate for the Association when she attended the 1960 conference in Vancouver recently. Her report was comprehensive and encouraging and gave members a clearer picture of the functioning of the organization in different parts of the country.

"Work is fundamental in the Movement", she said, "and although there may be no changing of the rules, instituted in 1909 the movement itself is otherwise flexible." Each LA member should study the rules and be thoroughly versed in the Guide and Brownie programme." The fact that it is a children's organization for which the LA is working was stressed, and the "most important work will

always be at pack and company level among Rangers, Guides and Brownies." This latter statement was made by the chief commissioner of Canada when she addressed the convention and is a point which LA members sometimes tend to forget.

Other business dealt with locally included the disposal of light bulbs still on hand. Orders may still be given either at the Summerland Library, or by telephoning HY 4 5481 or 2733. The price remains the same \$1.15 for a packet of four bulbs, two of which are 60 watt and two 100 watt.

The Guide and Brownie cookie sale was then discussed and Mrs. Mel Hyde, vice president of the Association, offered to convene this effort which is a provincial rather than a local affair. The girls and their drivers are asked to meet at the home of Mrs. D. Waterhouse, Campbell crescent at 9 a.m. on Saturday May 13. They will disperse from there to sell in all areas of Summerland.

Other forthcoming events for Guides and Brownies which were mentioned included a semi annual divisional lunch at Nanaimo on May 30; patrol leaders camp May 18 to 15; Wenatchee for Guides in June when possibly 10 Guides will represent Summerland as guests of the Campfire Girls. On June 29 there will be a Gullers camp and in July there will be pack holidays followed by Guide camps in July and August.

With so much activity ahead, it is easily apparent that Guiding in Summerland is very much alive. L.A. members and the public in general are asked to support this very worthwhile organization in the immediate future by buying cookies and light bulbs from their mothers.

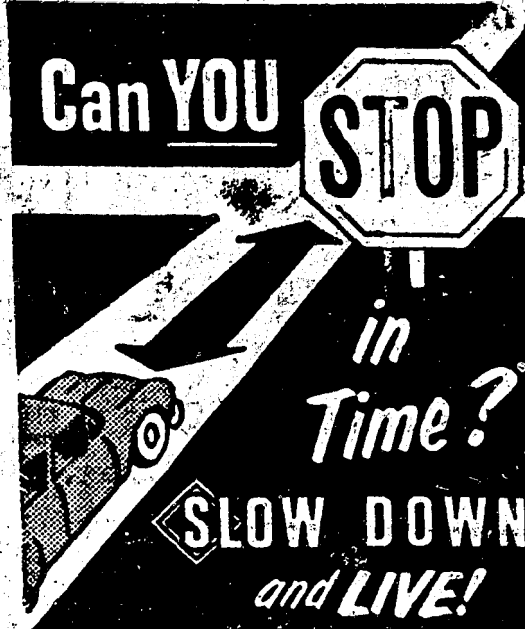

Students home from university

Home this week from UBC are: Eddie Matsu, Barbara Baker; John Adams; Margaret Lott; Ron and Glen Manning; Robert and Bruce Brown; Gail Cromie; Barbara Fudge, Walter Uegama; Eileen Wilcox; John Woolliams; Neil Woolliams; John Menu; John Cuthbert; Jeff Solly; Arlene Embree; Phyllis Fabbi.

Touring with UBC baseball team for a week was Carlton Sheeley.

In Seattle for a few days but home this week is Carole Hackman.

Mitzi Jomori is home from Victoria College and teaching in MacDonald Elementary school.

A quick, convenient new service

becomes available on

Wednesday, May 11th

● DIRECT DISTANCE DIALING — another service "first" for all telephone customers in our SUMMERLAND exchange — commences next Wednesday, May 11th.

● You can then DIRECT DIAL your own STATION TO STATION Long Distance calls . . . swiftly, surely and simply — here's how —

First, dial 112

Then, dial the TWO Letters and FIVE Numbers of the telephone you are calling.

In calls from Summerland an Operator must record your calling number. You will hear a quick double tone after dialing and your should then give the Operator the full Central office Name and Number of the telephone you are using.

This quick, double tone will be heard by all subscribers in Summerland.

Read your DDT Directory Insert for complete instructions.

● You are invited to view our special DDD T.V. programme on CHBC-TV at 7:00 p.m., Tuesday, May 10th.

Okanagan Telephone Company

 Inspector talks
 to students**

Students in the general programme of Summerland High attended a formal tea before which a speech was given by Mr. Rickard, Industrial Arts Inspector.
 He spoke on the various careers awaiting those students who have graduated with a general programme education. He stressed the many jobs available for boys after completing technical training. These jobs vary from carpentry to welding. The choice is somewhat limited for girls. The main opportunities are in stenography and hairdressing. Mr. Rickard gave a film to illustrate his topic.
 The tea served by the grade 12 girls, completed a lovely afternoon.

**Athletes to attend
 Kinsmen meet**

Twenty Summerland athletes will enter 23 of the 42 events at the annual Kinsmen's track and field meet this Saturday in Penticton.
 Led by George Henly, R. Solly and Teresa Keys last season's biggest point winners, the local team will be out to redeem some of Summerland's prestige in the Okanagan Track World.
 The meet is a fair indication of team potential, and will be a preview, to some extent, of the annual Okanagan schools' meet, to be held two weeks later at the same site.

If this baby camel continues to live, it will be the first successful camel birth in Canada. Jasmine, 23 pounds at birth, is the newest addition to Al Oeming's, Alberta Game Farm, 14 miles outside Edmonton. The former wrestler who has his doctorate in zoology, keeps 500 acres for public viewing of wildlife.

**Grade 12 girls
 working on gowns**

Work has gotten underway for Operation Grad Gowns. All day Saturday was spent in cutting out the garments.
 Each grade 12 girl will be responsible for at least one gown and it will be appreciated if anyone else would donate time and talent to make one. The pieces are in a do it yourself kit with simple instructions included.
 We feel this is a very worthwhile project undertaken by the '60 grads.

Attention all senior girls! The grade ten classes are sponsoring the annual Sadie Hawkins Dance. Outfit yourselves in dogpatch-style costumes.

The lighter you are the better, because admission is 1/2 cent per pound body weight. So come girls, grab a partner and bring him to this hillbilly outing.

And girls, he's your slave for three whole days, Wednesday, Thursday and Friday!

**Chemistry 91
 visits Station**

The Chemistry 91 class had an educational tour of the Research Station Monday morning. The 26 students were divided into 4 groups. They went either to the food processing, plant pathology, entomology or the soils lab.

Each group had two hours in which they were shown various phases of the research. The students learned of important developments and discoveries that have been made by the workers at the station.

The girls at the food processing lab tasted a juice developed there and also received a book compiled by Miss Dorothy Britton.

Macs meet Merritt twice on Sunday

Summerland Macs were idle over the week end but will swing back into action on Sunday when Merritt will be in Summerland for a double header.

The Macs will be strengthened by the addition of three UBC players. Carl

Sheeley will be back for mound duties and will bring up Keiran O'Neill, 1st string UBC catcher. O'Neill was all star catcher in the island semi-pro league for two years and is a real hustler. Eddie Matsu will also be back for a crack at infield.

The Macs are ready to start rolling and it is hoped that a large crowd will be on hand for the Sunday games. Game time 1:30 p.m.

SPORTS

Prizes presented at bowling banquet

The 12th annual bowling banquet and dance was held on Friday, April 29 at the IOOF Hall. Under the capable direction of president Bill Austin, the banquet and dance was a big success.

Presentation of mixed league prizes and trophies were as follows:

Scandies grand winners. Winners of divisions: A division, Gibbins; B Tornados; D Hi-Los; E Five Spots and F Outlaws.

Muriel Walker high average 204; Eileen Fell high three 764; Ev Pollock high single 345; Fred Kato high three 833; Don Clark average 212; Don Clark high single 351.

Bill Hepperle presented the Pioneer Cafeteria Trophy

to the Kinsmen for winning A division in the men's league. The Five Blows won sports shirts for coming out on top of B division of the men's league.

An election was held for next year's officers and executive of mixed league. The new slate is president, Bill Austin; vice president Howard Sismey; secretary Mildred Stein; treasurer Muriel Walker; executive Ernie Harrison; Nan Thornthwaite; Bernice MacDonald J. Johnson.

Spring league starts this week for six weeks.

Tennis Club Re-elects Fudge as president

The annual meeting of the Summerland Tennis Club was held Monday evening in the Badminton Hall.

G. R. B. Fudge was re-elected president; Miss Dorothy Britton secretary treasurer and the executive is composed of Mrs. R. L. D. Cuthbert, Miss Shirley Keeley and J. Ruck.

It was decided that fees will remain the same as last year, \$8 for a single; \$13 for married couple and \$15 for family.

Junior play will start on May 13 at 7 to 9 p.m. Instruction will be given by senior members of the club.

"A successful season is anticipated", president G. Fudge told The Review.

Softball practice on Monday

Macs Cafe Ages are calling a soft ball practice for Monday, May 9 at 7 p.m. in the playground park.

Anyone interested in playing softball is welcome.

TNS
Ten-year-old Brian Muir of Hamilton, Ont., who used his trousers to save an injured dog's life, will be nominated for a Veterinary Society award. Brian, shown here with rescued boxer, was walking through a ravine when he discovered the dog bleeding from leg wounds after it had been struck by a car. He quickly ripped the legs off his trousers and used them to stop the flow of blood.

Juniors drop two to Vernon on Sunday

In their first game against Vernon on Sunday, the Summerland Red Sox were leading 4 to 1 until the seventh inning when Vernon came up with four runs. Alan Kowal was credited with the win for Vernon while Ed Menu took the loss. The final score was a close 5 to 4.

In the second game Vernon took the lead from very beginning. Ray Se fins took the win for Vernon and Jim Sheeley to the loss.

Kelowna wins district roll-offs

The men's interior roll off took place on May 1st with the following results:

Kelowna 7042 pins; Vernon 6948; Armstrong 6854; Kamloops 6723; Penticton, 6714; Gayway 6659; Summerland 6647; Revelstoke, 6541; Lumby 6456; Oliver 6253 pins.

High single and high three went to Marv Krantz of Vernon with 327 and 846. Mits Koga of Kelowna rolled 1547 for high six.

At a meeting of the team captains it was decided to hold the roll-off next year at Revelstoke.

ELECTRICITY is the Biggest Bargain in Your Family Budget

In spite of increased costs of living over the past number of years, your West Kootenay Power rate has not been increased. Your Electricity for water heating, cooking and other uses in the home, is available at rates that are among the lowest in North America.

The average cost of Electric Water Heating for a family is less than 9c a day—and, cooking Electrically for the family would add about 2c a day to this low cost.

Town band to provide outdoor concerts

Harry Killick, president of the Town Band, has announced plans for the band to play during summer evenings in the bandshell at the Memorial Park playground.

Starting in the last half of June they will appear every second Wednesday, weather permitting, to play informally for their own enjoyment and for all interested who would care to stop for a while.

Bandmaster Jack Mason has been selecting music all will enjoy and by the summer should have a large selection of favorites that will include something for everyone.

It is the hope of the band that this will add to the attractiveness of living and visiting in Summerland and that people in the community will take this opportunity to hear the band.

Details of time and dates will be released in June.

Sir Saville Garner to visit Research Station

The High Commissioner to Canada for the United Kingdom in Ottawa, Sir Saville Garner, with Lady Garner and their son Jonathan and Mr. David Bower of the U.K. Trade Commission in Vancouver, will visit the Summerland Research Station on the afternoon of Monday, May 16.

They will be accompanied by R. P. Walrod, general manager of Tree Fruits Ltd. Mrs. Walrod, and Mr. and Mrs. J. Bruce Smith of Kelowna. Sir Saville and party will be luncheon guests of Dr. C. C. Strachan, director of the Research Station and Mrs. Strachan.

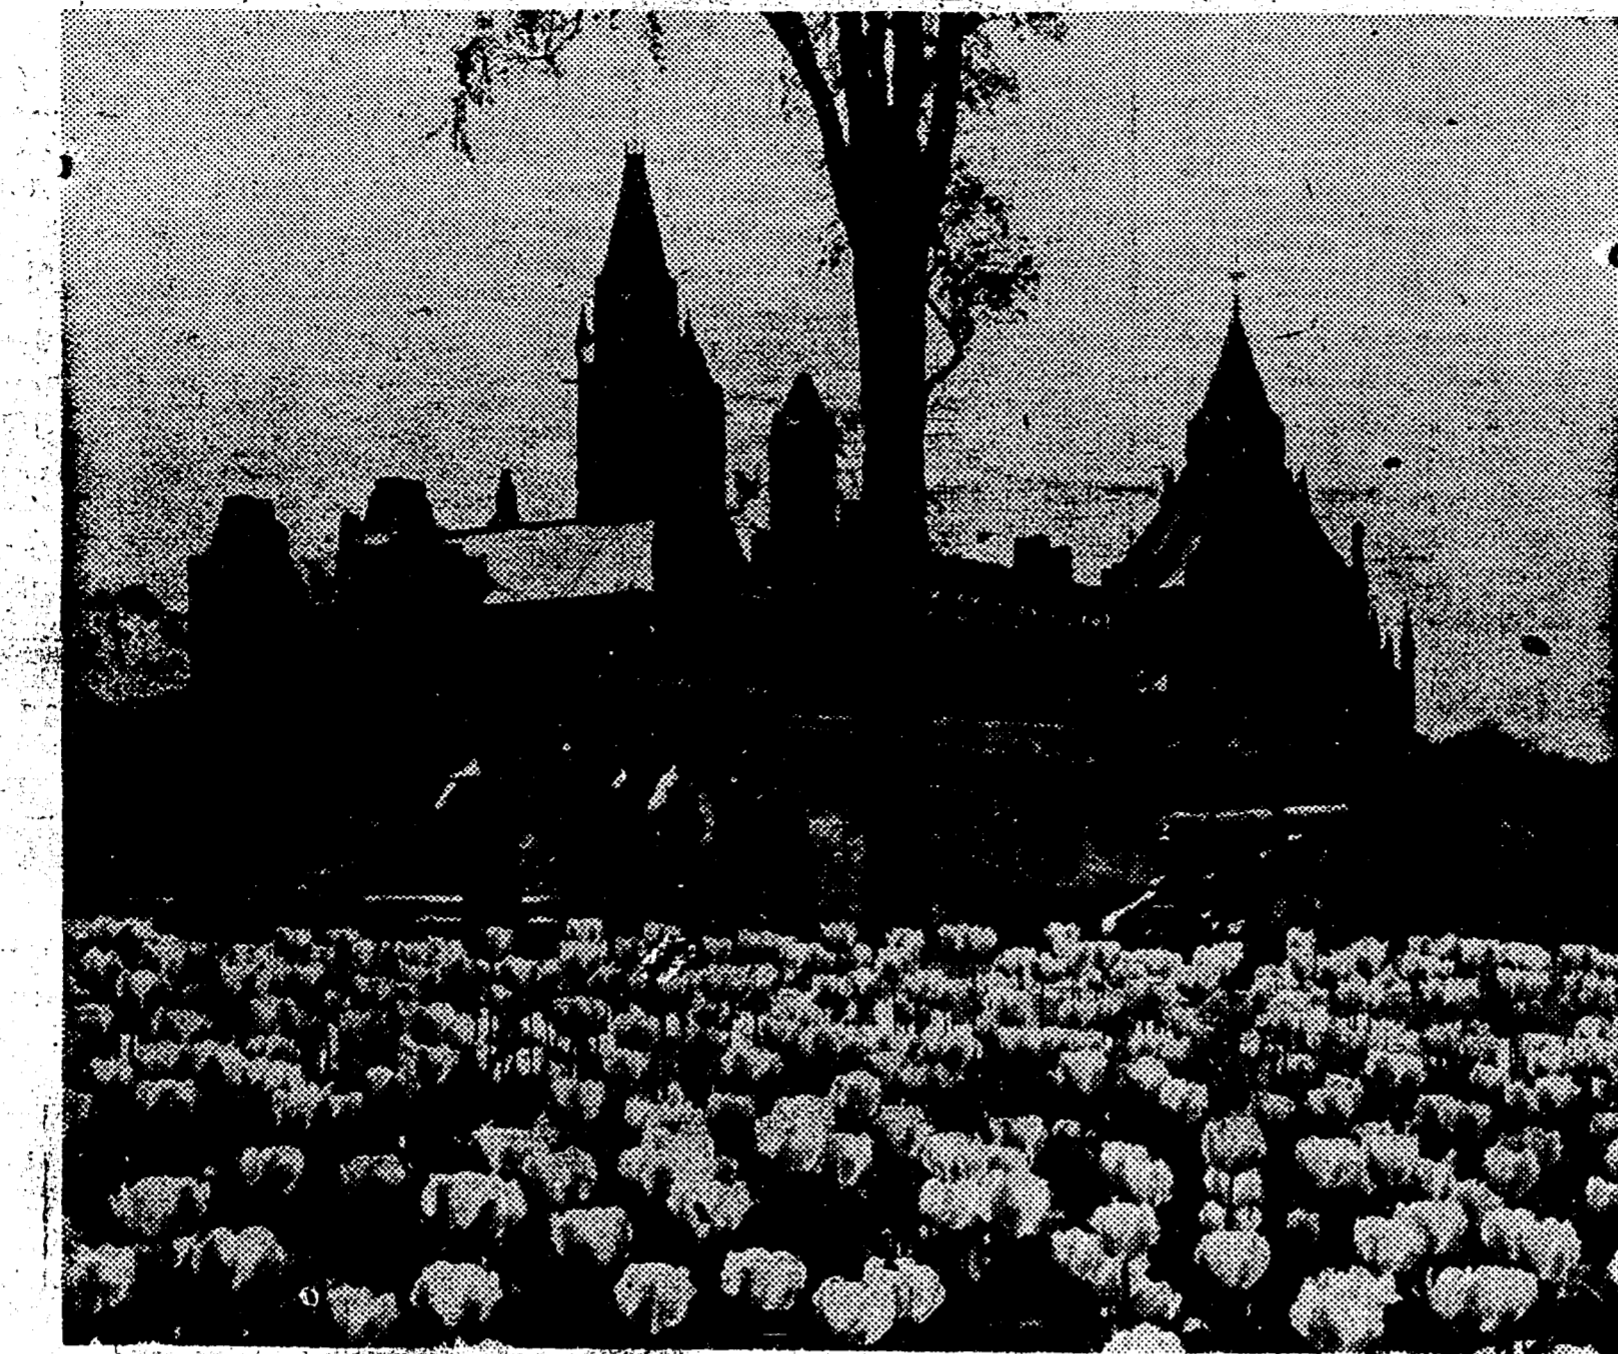

Also attending the luncheon and visiting the Research Station for three days for discussions on research program, are Dr. B. N. Smallman, Dr. A. J. Skolko and Dr. A. P. Arnason of the Program Directorate of the Canada Agriculture Research Branch, Ottawa.

School addition plans given approval

Summerland school board has received and approved plans for the addition to the MacDonald elementary school. A special meeting was held by the board to expedite matters and plans now are to call for tenders the first week in June. The government is drawing working plans.

The new structure will be attached to the north end of MacDonald School by a covered play area. A hall will run the length of the building with three classrooms on the east side, and an activity room and two classrooms on the west side. The school will house 180 pupils.

Access to the Mac

Two traditions of the national capital—its annual fiesta of tulips and its noon-day gun which has been fired since 1867—form a springtime setting for Canada's Parliament Buildings. Over a million tulips will be in bloom in Ottawa for the Canadian Tulip Festival, from May 15 to 30. A three-block section of the main business district will be transformed into a flower-bedecked pedestrian mall.

It's clean-up time again

This week's clean up and paint up campaign of the Summerland Board of Trade draws attention to the improvements made by local merchants lately.

Granville Street has been improved by the renovations now being completed by Bud's Garage. The gas pumps are now well back from the street. Bright attractive wash rooms are now provided for the public. The building has also had a new coat of paint inside and out and the showroom has window space all the way around.

The back shop has been enlarged and re-arranged for greater efficiency with

new equipment added.

Mr. and Mrs. Rusaw are to be congratulated on the fine job they have done.

Just a little further down the street in the former Young's Electric building is the new home of Killick's Photography.

Large display windows show to advantage Mr. Kil-

lick's work. Modern magazine display counters complete the interior.

The portrait room has been modernized.

Mention should be made again of the good job the Men's Club have done on the outside of the United Church, giving that street a fresh appearance.

T. S. Manning heads Retail Merchants

T. S. Manning was elected president of the Summerland Retail Merchants Association annual meeting held Thursday, May 5.

Other officers are first vice president Ken Heales; second vice president Hilton Hughes; secretary, Eric Williams; treasurer, Ron Hodgson; and executive, T. Fisher, Bill Crawford, Steve Sakol and Harry Killick.

Retiring president Jerry Hallquist thanked the merchants for their co-operation during the past years. He congratulated the parks board for their work at Peach Orchard Park, stating it was a big attraction for Summerland.

The Association decided to adopt the same store hours as last year except Saturday night opening will not start until July. Stores will be open Mondays during July and August.

Repairing and painting of signs on the highway was discussed. It was decided signs should be erected at Trout Creek pointing out the road to West Summerland

via Giant's Head as a scenic route and also signs at Trout Creek giving the mileage to West Summerland via Highway 97.

Save a Life Week courses offered here

'Save a Life Week' of St. John Ambulance being held across Canada May 16 to 21, offers the residents of Summerland a free and invaluable service and opportunity as the outdoor season approaches for young and old.

Free instruction in the form of a two hour class in artificial respiration is being arranged by Mrs. Harry Charlton, Box 486, in West Summerland. Classes will be held in West Summerland High School May 17-18 from 8 to 10 p.m.; Trout Creek School May 16 from 8 to 10 p.m. and Masonic Hall in Lower town May 18 from 8 to 10 p.m. Those interested should contact the St. John representative by letter or phone.

Council considers Traffic sign changes

At Tuesday night's municipal council meeting the subject of stop signs was again discussed. Councillor L. A. Smith reported on a survey he and Corporal Larry Martin of the RCMP had made.

Councillor Smith reported they both felt the speed limit within the municipality should remain at 30 mph.

'Yield Right of Way' signs were suggested and approved for the Atkinson corner at the top of Sand Hill Road; at the electric switching station; at the foot of McLachlan's Hill; at the foot of Hospital Hill by Cornwall Cannery; and where the Lower Town road intersects Highway 97.

DDD now in service

DDD started today.

Now some 7650 telephone users in the South Okanagan will be able to dial their own out of town calls since the Okanagan Telephone Company placed its first unit of Automatic Toll Ticketing equipment in service at 1:00 a.m.

Located in the Company's Penticton office this new equipment provides Direct Dialing Service for telephone customers in Penticton, Kelowna, Naramata, Summerland and B.C. telephone subscribers in Oliver and Osoyoos. Now telephone subscri-

ers in these exchanges will be able to dial their own station to station long distance calls to any other dial telephone in B.C. with a 2-5 number—an estimated 435,000 telephones.

A special DDD directory insert containing complete dialing instructions is now in the hands of all customers. Calls from Summerland must have the calling number identified by a checking operator. Subscribers will hear a quick double tone and should then quote the full HYacinth number to the operator.

Figure skaters see movies of carnival

The annual meeting of the Summerland Figure Skating Club was held in the IOOF Hall, May 6 with a good attendance of parents and children.

Mrs. Loyle Campbell, test chairman for the club, reported that during the year 18 children passed their preliminary test, five their first test, 4 their second test and 73 the dance test. Preliminary pins were given to those children who qualified in the most recent group of tests.

Officers elected for the coming year were: president Philip Munro; vice president Pat Minchin; secretary Mrs. Dugal MacGregor; treasurer Mrs. Howard Pruden; past president Loyle Campbell. Executive will consist of Mrs. Irene Hankins, Roy Steele, Mrs. Lewis Fleebe, Leo McCrear, Roy Wellwood, Mrs. Joe McLachlan, Dr. Stan Porritt and Mrs. John

Cooke. Mrs. Loyle Campbell will again serve as test chairman.

Following the business meeting, movies of the recent ice carnival staged by the club were shown by Roy Steele with Maureen Keyes giving the commentary. Movies of some of the competitive skating were also seen giving the skaters an opportunity to see themselves as others see them.

Scouts camporee

The Okanagan South District Association of Scouts are sponsoring a camporee this year. It will be held in the First Summerland troop's cabin near Faulder starting May 13 and continuing to May 15.

In all about 70 patrols are expected from the south Okanagan and northern Washington.

Increase in members for Concert Assoc.

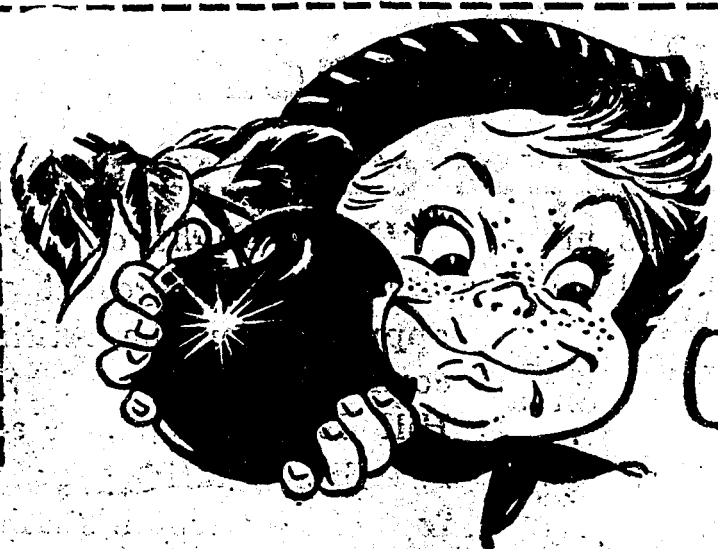

Members of the Overture Concert Association who have been campaigning for renewed and new memberships report an increase in new memberships, according to campaign manager Charles Bernhardt.

This is a source of great satisfaction to the executive of the Association, as it means that artists of high calibre can be chosen for

the two remaining concerts. The famous Hart House Orchestra under conductor Boyd Neel is scheduled for the first concert, late in September. Dr. Boyd Neel is Dean of the Toronto Conservatory of Music.

The Overture Concert Association is looking forward to an interesting and rewarding program for the coming year.

Comings and Goings

Ross Norstrom is home from the University of Alberta for the summer months and is employed at the Research Station here.

Master Charles Hodge of Trout Creek celebrated his 5th birthday recently. Nine of his friends joined him in a treasure hunt and games. Present were Susy and Trish Downing, Richard and Frank Pielou, Joey Harrison, Elizabeth and Michael McCarthur, and his brother and sister Vic and Sylvia.

Dr. and Mrs. H. McClarty are spending a few days at Renata in the Kootenays.

Mrs. C. E. Emery and Mrs. Flora Bergstrom attended the May meeting of the Vancouver community arts council last week.

Mrs. A. W. Watt, Mrs. J. Y. Towgood and Mrs. Ed. Mortimer were the Summerland delegates at the Anglican WA diocesan meeting in Creston recently.

Mrs. Gordon Daines of Trout Creek left today for Calgary to visit her mother.

Mr. and Mrs. Ben Brown sailed on the Orsova on May 10 from Vancouver. An extended one year trip will take them to Australia and New Zealand.

Mr. C. H. Arnold of Rainy River, Ont. is staying at the Walter Arnold home and visiting his relatives in Summerland.

Mr. Walter Bendix, Vancouver visited at the home of his aunt Mrs. Anne Clifford and at his uncle's, Mr. Ray Fredrickson.

Mr. David Hutchenson stopped in to visit his grandparents, Mr. and Mrs. A. Menu on his way to Man.

Miss Dunham and Mrs. Beach were visitors here recently.

Mrs. Karl Dietrich has returned from a two week vacation to Vancouver.

Mr. and Mrs. Bob Weitzel (former Summerland nurse) are moving from Vancouver to Penticton.

Born at Summerland General Hospital on May 10 to Mr. and Mrs. A. Gould, a girl.

Mr. and Mrs. Daryl Weitzel are moving to Vernon from Summerland.

Mrs. Stewart Purvis and baby son visited her parents Mr. and Mrs. Ed Gould recently. Mr. and Mrs. Gould have both just recently been discharged from hospital.

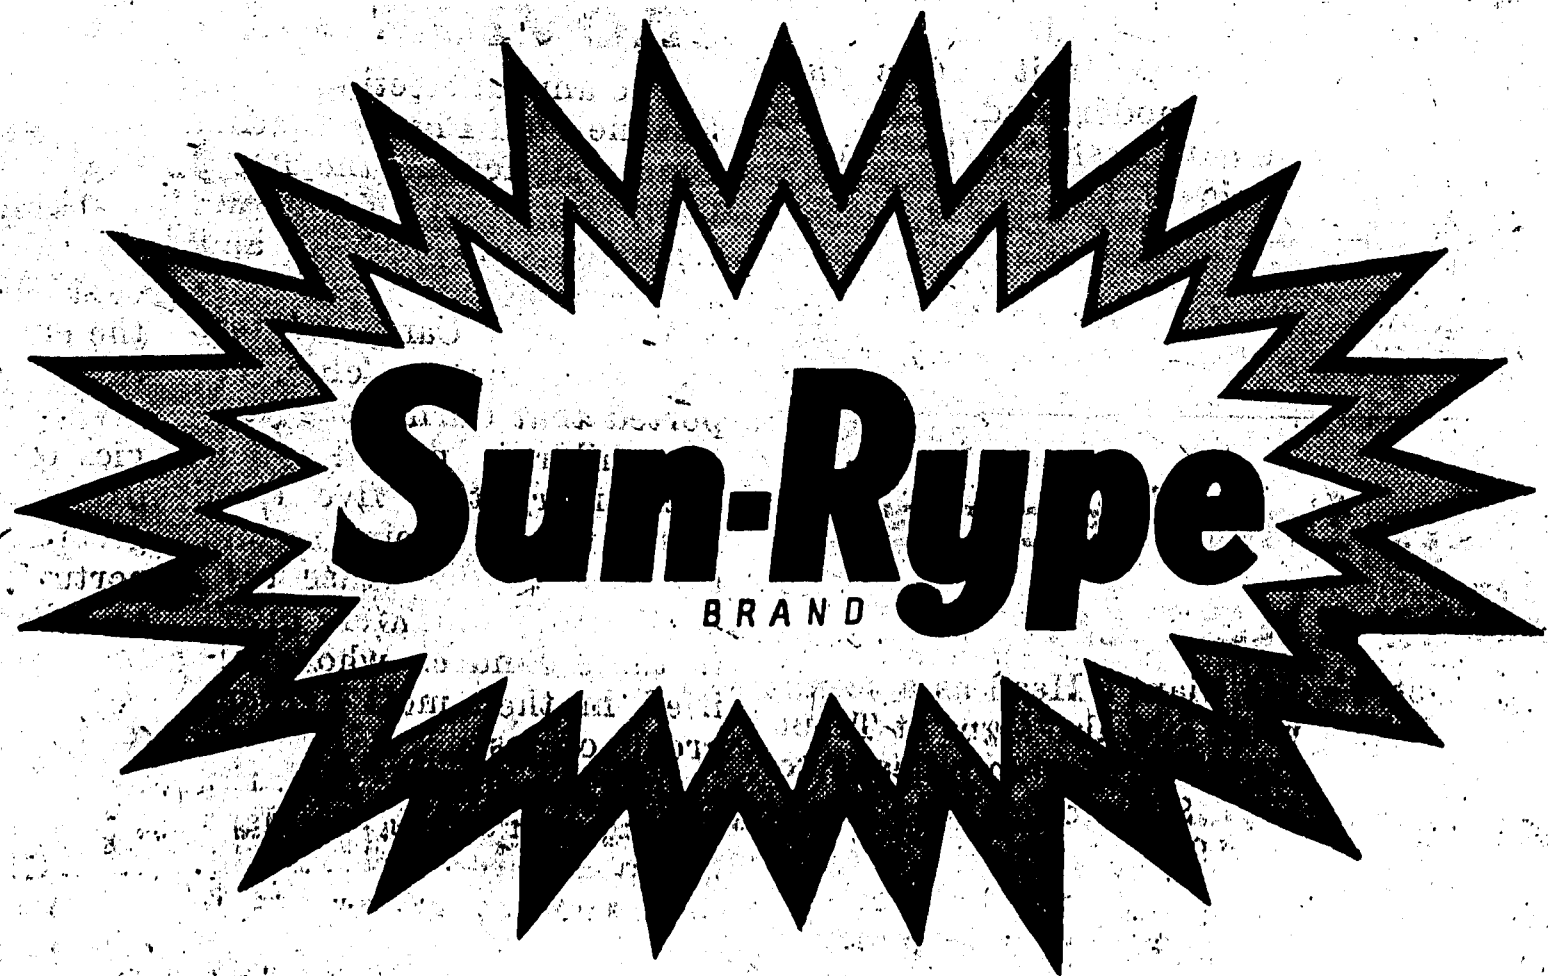

Members of the South Okanagan and Similkameen District Women's Institute met at the Memorial Hall on Thursday, May 5 in Winfield for the annual conference. Delegates gave reports of the year's activities, resolutions were dealt with and discussion groups considered pertinent problems.

Going from Summerland were the delegate Mrs. L. W. Rumball, Mrs. E. O. White, Mrs. Wm. Brown, Mrs. Geo. Inglis and Mrs. W. S. Rothwell. Officers elected for 1960 were president Mrs. R. C. Palmer of Kelowna and vice president Mrs. Rumball; secretary-treasurer, Mrs. Rothwell; board members, Mrs. G. A. Potheary of Oyama, and Mrs. Irene Gaskell, Westbank.

Next year's meeting will be held at Naramata.

This is Clean up. Paint up. Plant up week in Summerland

Once again this year a record number of tourists will invade the Okanagan.

Summerland will naturally attract its share of the tourist influx and naturally Summerland wants to look its best.

That is why your Board of Trade and the local merchants on these pages urge you this week to clean up and paint up.

Also, don't forget your local merchants in Summerland can supply you with everything you need for painting, cleaning, renovating and repairing.

CLEAN UP CLEAN UP

It was mentioned the other day in our hearing Summerland is not only the prettiest town in the Okanagan Valley, it's also the tidiest. This is something for us all to take a great deal of pride in but all homeowners must realize they have a responsibility to the community to bring their property up to this high standard.

It's surprising what a little effort can do. The whole family can spend a few hours working around the home and garden and each place can become a credit to the community.

George Henly tops Kinsmen track meet

Summerland's George Henly won high honors at Kinsmen's track meet in Penticton on Saturday. He won the 880 in 2:04.6, a new record, and also won the mile in 4:58, another track record. George was awarded the outstanding athlete award, an award not usually won by a distance runner.

Other placers in the meet

were: Ralph Henly 2nd in the junior high jump; Jim Jomori, 2nd in 100 yard dash; Theresa Keys, 2nd in junior high jump; and 2nd in junior broad jump.

Roger Solly 3rd in senior high jump and 3rd in senior broad jump.
 Karen Chenoweth, 3rd in senior girls discus; and Dennis Lackey, 3rd in the intermediate 220.

The relay team of J. Jomori, R. Kilback, R. Cooper and G. Madsen placed third. Summerland piled up a total of 29 points, to come 5th in the meet. Keremeos had 30 points.

There is a track meet here in Summerland on Friday, between Summerland and Keremeos. With such evenly matched teams, competition should be keen, and the events should prove interesting to spectators.

Every aspect of science, from astronomy to zoology, will be covered by the CBC's authority on just about anything, Lister Sinclair. The radio series is called Science Review and is aimed at children, but when Sinclair explains a thing, people of all ages find it interesting.

Fun for all at Sadie Hawkin's hop

The annual Sadie Hawkin's dance was held in the auditorium on Friday night. Although the turnout was not what was hoped for, everyone attending certainly had a good time.

Mr. Longmore and Mr. Storey were in attendance, and Mr. Storey favored the delighted dogpatters with his rendition of an appeal.

A "kangaroo court" was held, at the expense of the male contingent with a feminine judge and jury. The costumes were original and hilarious.

B of M announces new scholarships

The Bank of Montreal has inaugurated a seven year scholarship program to provide university training in arts and science for outstanding Canadian high school graduates in all ten provinces, according to an announcement last week end by G. Arnold Hart, B of M president.

First project to be announced by any Canadian organization for the observance of Canada's centennial in 1967, the plan provides for 50 top high school graduates to enter university on B of M scholarships next autumn. The program will culminate in 1967, Canada's centennial year and 150th anniversary of the establishment of the bank. Mr. Hart said, with the conferring of centennial awards on the top scientist and the top humanist.

To be known as "Bank of Montreal Canada Centennial scholarships", the plan calls for 124 awards in all over the next seven years, ranging from \$750 to \$5,000.

Handbooks for candidates giving full particulars of the B of M scholarship plan including application forms are available at all branches of the Bank of Montreal.

Canada Centennial Scholarships A SEVEN-YEAR PLAN

124 SCHOLARSHIPS of \$750 to \$5,000 in VALUE

... Every Starter Eligible for Final Awards

If you are a high-school student — well up in your studies and confident of graduating next month — here is a great opportunity for you.

If you are a parent, with a son or daughter ready for university this year, here is important news.

We are searching for 50 top high-school students graduating this June ... young men and women ready for intensive

university training in the Arts or Sciences.

From these 50 students, we hope to find eight outstanding young scholars for Canada's Centennial in 1967. They will be young Canadians of exceptional scholastic attainment — well-equipped and anxious to blaze new trails for the benefit of Canada ... in scientific research, in the social sciences or in the humanities.

One of the winners could be you ... or your son or daughter.

50 SCHOLARSHIPS OF \$750 ...

In a nation-wide competition opening this week, 50 of the most promising young Canadian men and women, graduating from high-school this June, will be awarded Bank of Montreal Scholarships, valued at \$750 each, for entrance to first-year University next autumn.

These young Canadians will be drawn from all of the ten provinces according to population, with a minimum of two scholarship students from each province.

They will be judged by independent University Selection Committees on the basis of academic standing and character. They will enter a Canadian university of their choice as Bank of Montreal Scholarship Students, to pursue studies in Arts or Science. Professional courses, such as law, medicine and engineering, are not included. *B of M Scholarship Students may hold other monetary scholarships for the first year only.*

48 SCHOLARSHIPS OF \$1,500 ...

In the Spring of 1961, the top 16 of these 50 students will each be awarded a B of M Scholarship of \$1,500 for second-year university training.

In 1962 and 1963, provided at least good second-class grades have been maintained, these same students will each be awarded a B of M Scholarship of \$1,500 per annum ... leading to graduation in 1964.

In developing the plan, the Bank of Montreal is in no way seeking personnel for its own staff, but men and women who — through scientific research and pursuits in the public service — will contribute in some notable way to the common good of the nation in the years ahead.

SEE YOUR BANK OF MONTREAL BRANCH AND MAKE YOUR APPLICATION WITHOUT DELAY ... DO NOT WAIT UNTIL YOU HAVE RECEIVED YOUR EXAMINATION RESULTS. ACT NOW.

24 FELLOWSHIPS OF \$3,000 ...

In the Spring of 1964, the top eight of these 16 students will each be awarded a B of M Scholarship of \$3,000 for one year's study anywhere in Canada or abroad.

In 1965 and 1966, provided a satisfactory standard of work has been maintained, these same students will each be awarded a B of M Scholarship of \$3,000 per annum for further study leading to their Doctorate.

2 BANK OF MONTREAL CANADA CENTENNIAL AWARDS OF \$5,000 ...

In 1967, to culminate this seven-year plan, the two top students — one in Arts and one in Science — will be chosen, from all 50 participants in the plan, to receive the Bank of Montreal Canada Centennial Awards of \$5,000 each for a further year of study anywhere in Canada or abroad.

Thus, to each of these two winners — if they have been participants throughout the plan — the Bank will have provided financial assistance amounting to \$19,250.

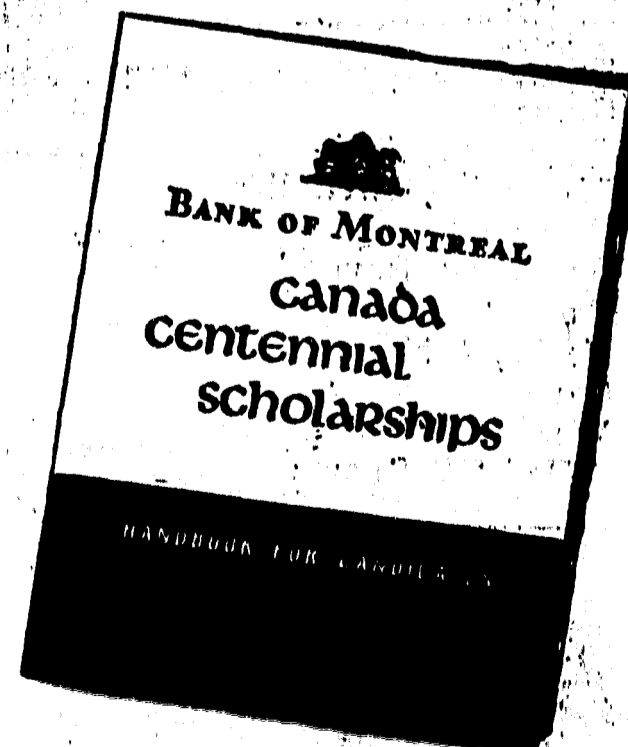

HOW SCHOLARSHIP STUDENTS ARE CHOSEN ...

Scholarship students are chosen on merit alone — academic standing and character — by independent Selection Committees of faculty members of Canadian universities. *The Bank will have no part whatever in the decisions taken by the Committees.*

HOW STUDENTS IN BRITISH COLUMBIA (and Yukon) SHOULD APPLY ...

Interested British Columbian students, graduating from Grade XII this June with High School Graduation Diploma (University Programme), should visit their neighbourhood B of M branch and ask for the "Handbook for Candidates" for the Bank of Montreal Canada Centennial Scholarships. This booklet explains the Scholarship Plan in detail and outlines the simple steps required to register your application for consideration by the Selection Committee of British Columbia for one of the five scholarships available in 1960 to students in this province.

If there is no branch of the Bank in your district, then — and only then — you should address your request to: The Assistant General Manager, Bank of Montreal, 640 Pender Street West, VANCOUVER, B.C.

Yours for the asking ...
this booklet contains your application form

Square Dancers Plan for PARTY NIGHT

At the annual meeting of the Summerland Square Dance Club held on May 5, Harry Hunter and Lorine Potter were elected to the executive and David Munn re-elected. Retiring officers, Don Hermiston, president; Hilda Eden, executive member and David Munn, treasurer were moved a vote of thanks by Doreen Frederickson.

Discussion regarding the summer's dancing plans followed the regular business. Members voted to cancel the May and July party nights. Instead a special dance will be held June 18 with Chuck Inglis emcee, and Ruth Munn refreshment convenor.

The meeting also decided to hold the annual Peach Festival Trail Dance Tuesday, August 2. Ray Frederickson agreed to act as emcee.

The executive met at Nettie Shannon's home on Monday, May 9 and elected the officers for the coming year. David Munn was chosen president; Harry Hunter vice president and Lorine Potter treasurer. Flo Delves continues as secretary assisted by Ruth Munn as press secretary. Fred Smith, Phyllis Smith and Nettie Shannon continue as executive members.

Plans were made to hold an executive meeting during the week following each party night. Arrangements will be made then for the next party night, so that advance publicity can go out immediately. A report will appear in The Review to keep club members informed. All members are invited to attend executive meetings and express their views.

Instruction for next fall was discussed, and it is hoped that similar arrangements to last year's for a beginner's class under Ray Frederickson and an intermediate class under Chuck Inglis can be made. All members are asked to give the president any information on people interested in learning to square dance, or getting back into it again, so that he can contact them. The executive felt that the club members should decide on what night is suitable, and Betty Smith agreed to telephone everyone.

Flo Delves reported that advertising for the Peach Festival Trail Dance has gone out, and requested that members phone in to her names and addresses of any friends living in other towns who would be interested in attending.

As well as the usual press and radio reports a letter to every club and personal letters to callers will go out this week, advising them of our Summertime Party Night, June 18. Every effort is being made to give the dancers the best time possible, a friendly welcome pleasant surroundings, good calling and good food. We hope all square dancers will be on hand to join in the fun.

Key Club Installs Officers

Kiwanis Club members were treated to a very pleasant evening on Tuesday when the Summerland High School Key Club took over the program at the High School. The dinner of sausages and bacon and pancakes was cooked by Jerry Hallquist and Ken Heales, served by high school girls and it was remarkable how much everybody eat.

The occasion was the installation of officers for 1960, and Leigh Trafford was installing officer. Officers installed were: president Ed Schneider; vice president John Lott; secretary Jim Fiske; treasurer, Howard Oxley. Directors installed were Garry Robertson, Ron Bangma, John Beaven and John Lott. Presentation of the gavel to the incoming president was made by Dave Woolliams, and it was accepted by Ed Schneider in a short and well chosen speech.

Guest speaker Dr. J. Marshall was introduced by Wes Schindel and the speaker, who confessed that he'd been asked to keep his speech on a high moral plane, chose as his subject "Ruminations on happiness."

This proved to be full of humor, and the speaker drew comparisons between

boys and girls of today growing up and the children of a generation ago. He pointed out that work at all ages is a necessity, and only from such work can real happiness ensue. A very apt ending to his talk pointed out, that the church, of whatever denomination, must be a part of life and that the chances for happiness are better "in" than "out"! His talk was much appreciated by both the Key Club and members of Kiwanis.

The Scribe

Silver Anniversary

Mr. and Mrs. L. Vergamini celebrated their silver wedding anniversary Saturday, May 7 at their home in Happy Valley.

Forty family members were with them on this occasion. They received a silver tea service and other gifts from their family.

Among those present were Mr. and Mrs. A. Bonoldi, Mr. and Mrs. A. Andreucci, Mr. and Mrs. J. Biagioni, Mr. and Mrs. Leardo, Mr. and Mrs. Ongaro, Mr. and Mrs. J. Betuzzi, Mrs. Bartello, Mr. and Mrs. A. Roccaolo, Mr. F. Lenzi, Mr. and Mrs. E. Pagliocchino, Mr. and Mrs. V. Bravi and 29 grandchildren.

Corporation of Summerland

Applications will be received by the undersigned for a position on the municipal office staff.

Duties to include clerical and administrative duties, good knowledge of office routine required, and ability to meet the public. Applications will be considered from male or female applicants.

This is a permanent position (following six months probation period), group insurance, M.S.A. and pension plan benefits are available.

Please submit your application in writing, with references, stating age, marital status and salary expected. Envelopes must be marked "Application for Position" and be received not later than May 23, 1960. Further information may be received from the Municipal Clerk.

G. D. Smith,
Municipal Clerk.

the easier, faster way
to make
LONG DISTANCE calls

● At 1:00 a.m. this morning we placed our first unit of Automatic Toll Ticketing equipment "in service" . . . to provide a quick, convenient new Long Distance service — DIRECT DISTANCE DIALING — for some 6000 of our customers.

● The first in B.C. to use DDD — subscribers in our PENTICTON, NARAMATA, KALEDEN and SUMMERLAND exchanges can now dial their own STATION-TO-STATION calls almost anywhere in B.C. — to an estimated 435,000 Dial Telephones with 2-5 Numbers.

● As simple as dialing a local call — you'll find it easy as can be to use DDD.

Complete dialing instructions appear in your special DDD Directory Insert — please read them before you dial your first DDD call.

● Your Okanagan Telephone Company is pleased to introduce DIRECT DISTANCE DIALING as another service "first" for its customers served by the PENTICTON Toll Centre.

Good News for Homemakers

Carolyn Campbell

It's Time For Spring Hostessing

No matter how famous you are as a hostess, it's nice to win new laurels. Keep your pantry-shelf well stocked with convenience foods, and you'll be rewarded with elegant but easy party dishes.

For your first luncheon of the spring season delight the gals with Curried Fricassee on Coconut Rice . . . truly company fare. Pieces of cooked chicken, chicken gravy, rice, coconut and condiments . . . all from the pantry shelf . . . are the base of the dish. With these items on hand, you'll always be ready for a party.

FESTIVE SPRING LUNCHEON
Curried Fricassee on Coconut Rice
Chutney Toasted Almonds
Hearts of Lettuce French Dressing
Fresh Fruit

CURRIED FRICASSEE ON COCONUT RICE
1/4 cup butter or margarine
1/4 cup chopped onion

1 cup uncooked rice
2 cans (10 1/4 fluid ounces each) chicken gravy
1/4 bay leaf, crumbled
1/4 teaspoon pepper
1/4 teaspoon thyme
2 cups cooked chicken pieces
2 teaspoons curry powder
1 cup flaked coconut
2 tablespoons chopped parsley

In a saucepan, cook onion in butter until tender. Add rice; cook slowly until brown; about 10 minutes, stirring often. Blend in 1 can chicken gravy, bay leaf, pepper and thyme. Cover; simmer about 15 minutes, or until all liquid is absorbed and rice is done. Meanwhile, in another saucepan, combine chicken and curry and other can chicken gravy; heat. Add coconut and parsley to cooked rice; mix lightly with a fork. Serve hot chicken in golden gravy over rice. Makes 6 servings.

Women's Page

Wedding at coast

A wedding of interest to Summerland and district was solemnized April 21 at the Chown Memorial United Church, Vancouver when Ruth H. Nakamura, daughter of Mr. and Mrs. Robert Nakamura of West Summerland became the bride of Raymond Thom, Duncan, son of Mrs. Charlie Onn Thom and the late Mr. Thom of Vancouver. Rev. J. C. Cronin officiated.

The church was tastefully decorated with baskets of pink and white snapdragons and stocks and the pews were marked with white satin bows.

Bridal attendants were Mrs. George Fugisawa, matron of honor and Misses Barbara Kuroda and Kim Thom were flower girls.

Groomsman was Robert Chung of Portland and the ushers were Roy Kuroda of West Summerland, a cousin of the bride and William Thom of Seattle, a brother of the groom.

The bride, given in marriage by her father, wore a white gown of silk organza over satin. The hooped skirt featured a train. The bodice and bracelet length sleeves of Chantilly lace with pearls and sequin applied on the bodice and the skirt front. Her headpiece was of matching pearls and sequins held the silk illusion scalloped veil in place.

A cascade bouquet of pale pink and white roses and stephanotis completed the bride's ensemble.

The matron of honor wore a beige silk organza dress featuring a scooped neckline in the brown lace bodice. Her headpiece was silk organza petals with green leaves and veiling and she carried pink carnations.

The flower girls wore white embroidered Swiss organza over pink taffeta with a pink satin sash; white accessories and carried a miniature bouquet of pink carnations.

Mr. and Mrs. Nakamura and Mrs. Thom, and the bride and groom received about 80 guests at the W. K. Gardens.

The bride's table was centred with a three tier wedding cake iced with pale pink and white roses. The cake was flanked by lovely pale pink candles decorated with white climbing roses.

Dr. Iser Steinman made the toast to the bride and wires of congratulations were received from Kelowna, West Summerland, Revelstoke, Toronto and Virginia, U.S.A.

Until recently, the bride has been a dietician at the Toronto General and Royal Jubilee Hospital in Victoria. After a honeymoon by car in the U.S. Mr. and Mrs. Thom will live in Duncan.

Lady bowlers place second in tourney

This is the last bowling article for the 1959-60 season and what better way to finish off than by devoting the entire article to the gals.

The first annual ladies bowling championships were held at Summerland Sunday, May 8.

Final results were Kelowna 7082 pins; Summerland, 7074; Penticton 6921; Vernon 6852; Revelstoke 6631,

Our gals did themselves proud and deserve a pat on the back by coming within 8 pins of Kelowna and the first place money. Kelowna not only won first money, but also won Mac's Beverages trophy donated by the Mac's Beverages for this yearly Okanagan competition. Eileen Fell bowled a 366 for high single and Georgie Perron of Kelowna rolled 854 for high three.

After the tournament it was decided to hold second year competition at Revelstoke. They will put up a new trophy next year and commence a mixed league annual competition.

I have a report of the ladies league annual party and presentations. Beatniks were winners of B league and won out over the Rangy Tangs who were winners of A league and therefore won the ladies league trophy.

A. Leki won honors with 355 for high single and 758 for high three. Eileen Fell had high average of 203.

The ladies held an election for officers for next year. President Nellie Newton; vice president Mary Steuart, secretary Clara Kwak, treasurer Lois Read and executive Betty Creighton, Pat Carter, and Irene Robinson.

See you all next September!

SPORTS

Macs on hitting spree against Merritt Sunday

Summerland and Merritt split a weird double-header here on Sunday when the 22-1 and lost the second. Macs took the first game by a 5-0 score.

In the first game the Macs really broke loose, collecting 13 hits and chased five Merritt pitchers to the showers. The game was called after 5 innings on the time limit with the Macs still going strong.

Christante picked up the win, giving up only 4 hits while striking out 7. Ovington was the loser, lasting only part of an inning with out getting a man out. Chapman, formerly with Macs, didn't fare much better, lasting only 2-3 inning, walking three and giving up 5 hits.

Biollo had the big bat for the Macs, picking up 3 for 5. Bonthoux wasn't far behind as he played one of his better games, hitting 2 for four and driving in 5 runs.

The second game was a different story as Ovington came back and handcuffed the Macs for the full nine innings, giving up only 5

hits while striking out six and giving up only one base on balls.

Carl Sheeley was on the mound for the Macs for the first time this season and although not getting into big trouble, was behind the hitters all during the game. It was quite obvious that both he and O'Neill, Macs new catcher were tired after being on tour with the UBC team for a week and travelling 14 hours Saturday night to get to Summerland at 6 a.m. Sunday. Sheeley gave up 10 hits and struck out 9 and walked 4.

Macs next home game will be against Kelowna on May 29. Next week they have a bye and May 23 they play in a tournament at Oliver.

Promenade

Two very enjoyable dances were held in the Youth Centre this past week end. On Friday night the OKSDA sponsored a party with Ray Frederickson emcee, and on Saturday, Peach City Promenaders brought couver Haylofters to call Dick Cameron of the Van for their party night. Both dances were well attended, with representation from nearly all the square dance clubs.

This Saturday there will be a dance at Westbank Community Hall with Vic Graves of Nelson calling. A buffet supper will be served.

The Wheel n' Stars are also hosting a dance in the KP Hall May 14. Bob Emerson is calling this one, so take your choice of a trip.

Don't forget the workshop and OKSDA meeting at 2 to Penticton or Westbank, p.m. on Sunday. All square dancers are invited to attend, and to help select the new rounds to be featured at forthcoming dances.

On April 27 the Summerland Women's Institute celebrated its golden jubilee at the Anglican parish hall.

Fifty members and former members attended the pot luck supper and enjoyed the informal program which followed.

Members recalled meetings activities and incidents of the past 50 years, all of which proved the Institute has played an important part in the development of Summerland during the years.

Two accidents over week-end

Last Saturday, May 14 at 12 noon the left rear wheel of a pick up truck driven by Mrs. Jessie McKenzie gave way, causing the vehicle to turn on its side. Mr. Joe McLachlin was following the truck managed, with help, to right the truck and free Mrs. McKenzie and her passengers, Mrs. James McKenzie and Mrs. R. Tullett. The ladies were taken to hospital for observation and later released. Damage to the truck was about \$150.00.

Another accident causing a total damage of approximately \$1000.00 occurred on Kettle Valley road at 12:15 a.m. on May 15. A vehicle driven by Fredrick G. Lenzi of Station Road collided with a parked car owned by George Carter of Penticton. No one was injured in the accident.

Blind pig in town fifty years ago

Fifty years ago the first police court case in the history of Summerland was heard when a lumberjack was fined for being drunk.

Commented The Review in the news story "Summerland is a prohibition town, but we fear there is a 'blind pig' operating in town."

Penticton delegation at hospital meeting

A delegation of four from the Penticton Hospital Board headed by chairman Frank Laird attended the regular monthly meeting of the Summerland Hospital Society Tuesday night.

They discussed the feasibility of establishing a rehabilitation chronic treatment and convalescent unit in Penticton.

Summerland endorsed the idea in principal and also

Box Factory on double shift

Summerland Box Factory is back in full swing after the fire which destroyed its boiler room.

A fuel bunker has been built but the boiler house itself has yet to be replaced. Very little working time was lost due to the fire.

At the moment they have a double shift on the planer turning out lumber for fruit boxes.

Plan shower for refugee family

The Church of the Holy Child Adopt a Family committee is sponsoring a shower in aid of its refugee family expected to arrive shortly. The shower will be held in the Oddfellows Hall on Saturday, May 28 at 2 p.m.

The public is invited and donations of servicable household articles, canned food, dishes, linen, towels, and blankets will be appreciated. Tea will be served.

Penticton as being in a favorable position as the unit could be built adjacent to the present hospital.

The area covered extends as far south to the border and west to Princeton. The units are built with a ratio of one bed per thousand population.

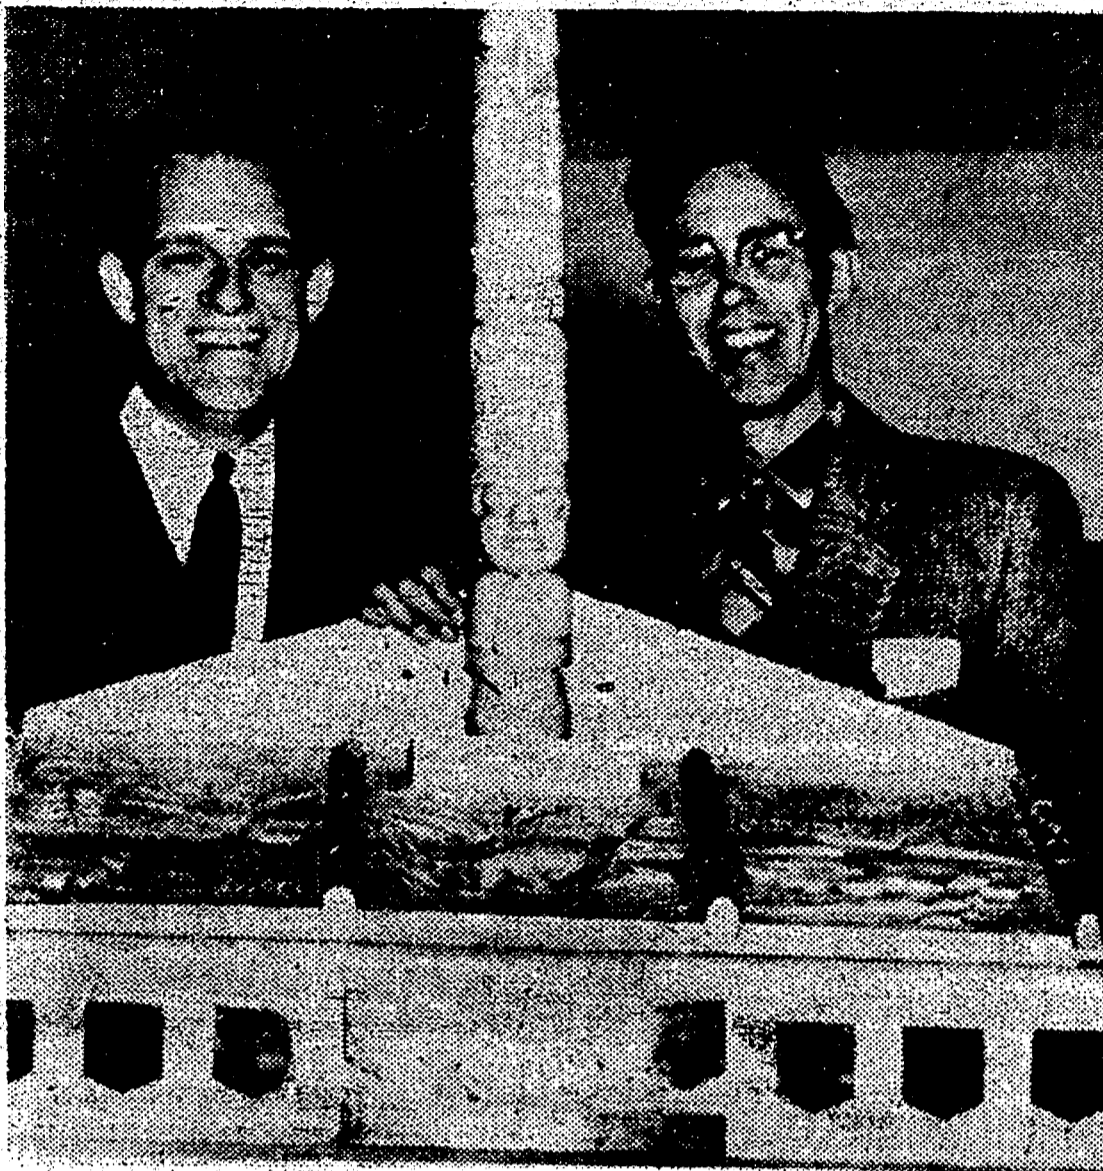

The provincial government is considering the establishment of these hospitals in different regions of the province.

The Summerland Review

Wednesday, May 18, 1960

West Summerland, B.C.

Volume 15, No. 19 20

Most prized trophy to be won by a Fish and Game Club in B.C. is this work of art in native yellow cedar. The O'Keefe Conservation Trophy was presented by David O'Keefe (left) to Albert Rand, president of the Southern Okanagan Sportsmen's Association of Oliver. George Stoll attended the annual meeting in Kelowna as Summerland representative.

Art Club gives 2 scholarships

The Summerland Art Club has decided to give two scholarships to high school students, contingent on their attending Okanagan Summer School of Fine Arts this summer.

A junior art award will be given to grade seven and eight and a senior award for grades nine and ten. Awards will cover tuition and fees for the course.

Mr. and Mrs. Frank Southbothan will conduct a

three week pottery class at the summer school. They have just returned from California where they took pottery courses and have all the latest ideas.

Local winners in poster competition

Breen Bergstrom, student at Summerland High School won a cash prize, and the following pupils were awarded Certificates of Merit in the 35th annual international poster Contest sponsored by the Latham Foundation for the Promotion of Human Education, headquarters in Oakland, California: Dorelyn Ducommun, Ruth Pielou, Allan Smith, Beverly Matsu, and Trudy Schwab.

More than 29,000 entries were received this year in the Latham Contest from students and professional artists from all parts of the United States, Canada and Mexico and 22 other countries.

Services held for D. C. Thompson

Funeral services for the late D. C. (Davy) Thompson were held from St. Stephen's Anglican Church last Thursday, May 13. Rev. Norman Tannar officiating. Interment was in the Anglican Cemetery. Mr. Thompson died in Summerland General Hospital at the age of 77.

He was born in North Berwick, Scotland. He served in the Boer War and World Wars I and II and had been made a life member of the Canadian Legion, Summerland branch 22.

He and his wife Louisa were married in Capetown in 1907. He was an electrician by trade and helped put the first telephone lines in Summerland.

He is survived by his wife, Louisa; a daughter, Mrs. B. T. Washington; a sister Mrs. R. Waddell, Quebec; two granddaughters, Mrs. J. G. McMynn of Midway and Mrs. Rose Axworthy of Penticton and two great-grandchildren.

Trade Board to issue brochure

At last Thursday's regular dinner meeting the Summerland Board of Trade formed a committee headed

by president W. S. Ritchie to work on a brochure publicising Summerland and to have it completed and in print by July 1. A grant of \$250 has been received by the board from the municipal council with the request that part of it be used to have a booklet made.

Hugh Fitzpatrick, president of Okanagan Boundary boards of trade, paid his official visit to Summerland, and was also the guest speaker. His topic was address given by W. C. Mainwaring at the annual meeting of Kelowna board of trade entitled "B.C. Power Complex."

Mrs. T. M. Croil gave a report on the Okanagan Summer School of Fine Arts being established this summer and told of the part Summerland is playing in helping the school to start.

A committee comprising Roy Wellwood and Lloyd Miller was formed to investigate further the possibility of an agricultural or junior college in Summerland.

Youth Centre sees film on Europe

At a meeting of the Youth Centre Association Monday night officers for 1960 were elected. The executive will meet shortly and elect a president.

Elected officers were Miss Doreen Tait, Ralph Blewett, Dr. D. V. Fisher, E. R. Butler, Bruce Blagborne, Mrs. Paul Charles, Ed McGillivray, Mr. and Mrs. G. E. Woolhams, Al McIntyre, B. Barkwill, H. Thompson, W. Toeves, Don Clarke, Mr. and Mrs. David Munn and John Bennest.

Mr. William Halcrow of Penticton was guest speaker and showed slides of his European trip.

Peter Buelah heads Singers and Players

Peter Buelah was elected as the new president of the Summerland Singers and Players Club at the annual meeting held Tuesday night in the Anglican Parish Hall.

There was a large attendance of Penticton and Summerland members present.

K. L. Boothe, retiring president, gave a number of suggestions for the future: that performances should be in the latter part of February or early March; reserved seats are a good idea, one production in a town is better than two; a business and a stage manager should be appointed early in the season; plays other than Gilbert and Sullivan should be undertaken; arrangements made for help when required with sets, stage and electrical crews.

Other officers elected were vice president Gordon

Brockhouse, Penticton; secretary Miss Enid Maynard, Summerland; treasurer Miss Joan Grimdsyck, Penticton; Singers representative Mrs. Ed Danallanko, Penticton; Players' representative Mrs. Carl Jeffrey, Summerland; Penticton representative Wally Westall; orchestra representative John Betuzzi.

Special thanks were given to Mrs. Lee McLaughlin and Mrs. George Inglis for their costume work.

Stan Gladwell, producer, spoke saying that "Iolanthe" was artistically good and that the year had been a satisfactory one for the club in the production field. He thanked Delmar Dunham for his heavy part in the play.

Suggestion was that the McGill Players' show "My Fur Lady" might be done.

Queen candidates to appear at high school band concert

Mrs. Nettie Shannon, chairman of the Fall Fruit Fair Queen committee, has announced the names of girls chosen by various local organizations for the Fall Fair Queen.

Chosen so far are Margery Brake, by the Fire Department; Judy McGillivray

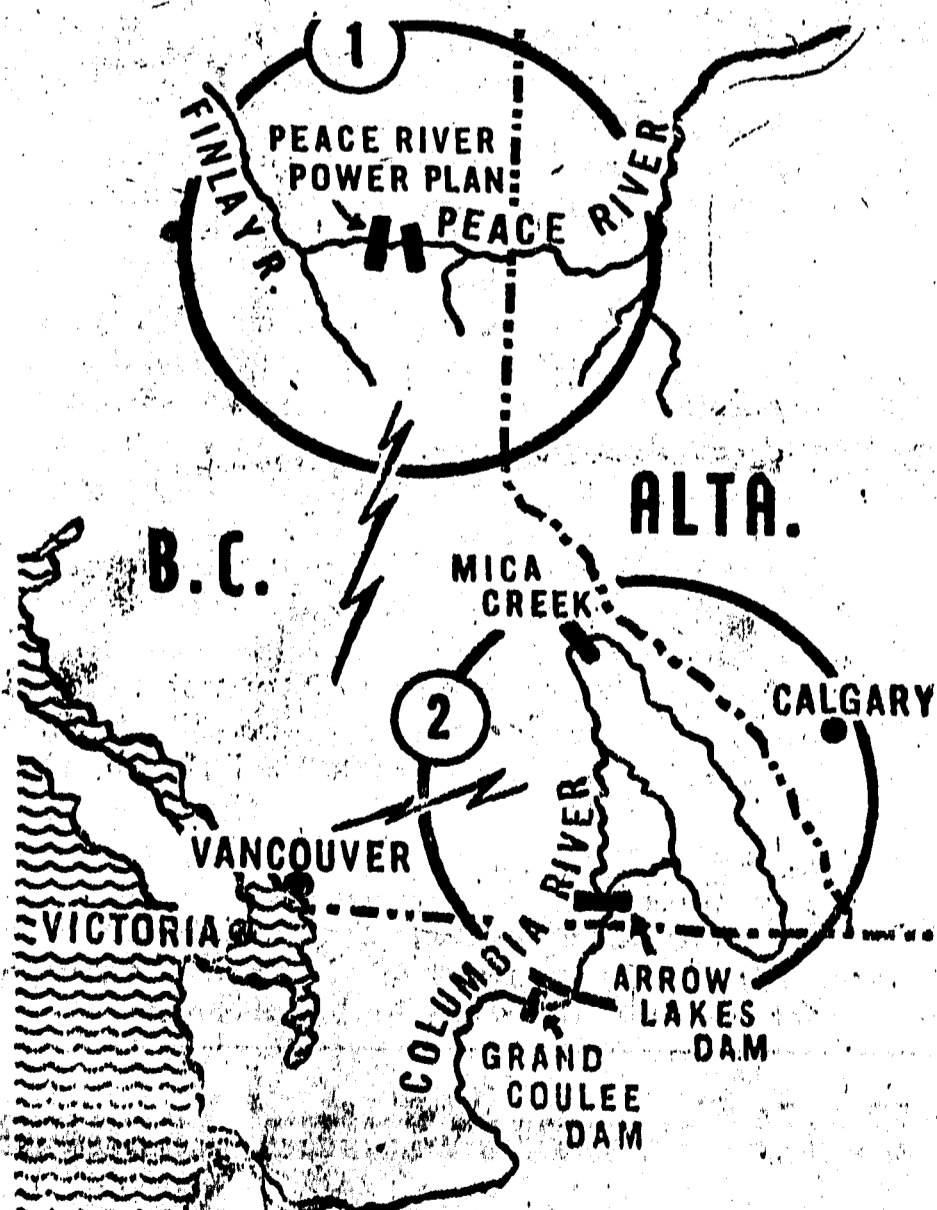

Kiwanis club; Donna Butler, Rotary club; Sigrun Meierhofer, Retail Merchants Assoc.; Caroline Road, Teen Town; Carol Anderson, Canadian Legion; and Linda Betuzzi, Yacht Club.

The girls first public appearance will be on Friday,

May 27 at the band concert in the high school auditorium.

A tea will be held later at which the winners will be selected by the judges.

The girls will also appear at the Palms and Squaros Trail Dance on August 2, at the Penticton Peach Festival and the Kelowna Regatta.

Hugh Fitzpatrick, president of Okanagan Boundary boards of trade spoke to Summerland trade board last week. His address was given by W. C. Mainwaring at the annual meeting of the Kelowna board of trade entitled "B.C. Power Complex". Above map pinpoints Peace River and Columbia River power developments.

The Summerland Review

Wednesday, May 18, 1960

Local Delegates at Library Conference

The convention of the B.C. Library Association in Penticton was attended by several Summerland library workers. Mrs. T. M. Croil, vice chairman of the Okanagan Regional Library attended several sessions of the convention which was held at the Prince Charles Motor Inn on Friday and Saturday of last week.

Mrs. George Harper, custodian of the Trout Creek Branch, Eric Brinton, library representative from the school board and Mrs. Robert Alstead, of Trout Creek library, attended the Saturday afternoon session lecture devoted to Regional Libraries. The librarians from West Summerland and Lower Town were unable to attend as the libraries were open.

Summerland is very fortunate in having three branches of the Okanagan Regional Library, one in West Summerland, one in Trout Creek and one in Lower Summerland. The book circulation in these three branches is impressive.

"Everybody in Summerland reads" — a healthy sign in any community. Mr. George Dew of Kelowna gave an interesting address on the aims of all good libraries; to assemble preserve and make freely available printed material which will help our people to become better members of society socially and politically, to appreciate art and to make a contribution to the sum of knowledge. The main aim is to assist in building a fully literate and

articulate nation, whose members will understand what they read and hear and can say and do what they mean reasonably well.

The Okanagan Regional Library has done a lot of missionary work carrying books over muddy roads to outlying small communities of even fifty people.

A great body of good reading is available to all who wish it. — M.A.

B of M Personal Chequing Service Cuts Banking Costs In Paying Bills

Paying for goods and services by personal cheque is a safe, convenient and inexpensive method of handling household and personal expenses. Now it's been made even more economical by the introduction of Bank of Montreal personal chequing accounts, which reduce the cost of each cheque to only ten cents.

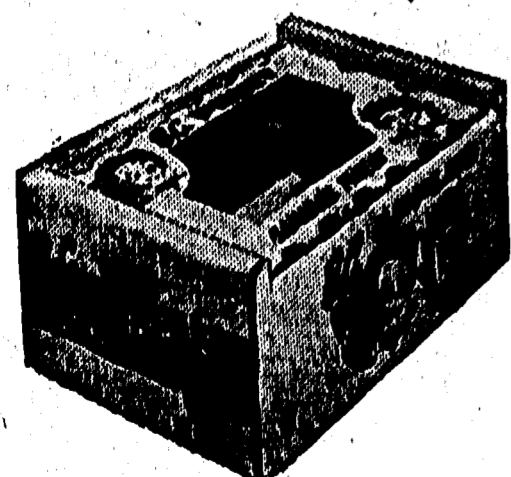

Instead of writing cheques against your savings account, or business-type current account, you can now operate your own personal chequing account at a lower rate. With this new type of personalized account, you are charged a set rate of only ten cents per cheque cashed, thus eliminating extra book-keeping making it possible for the bank to pass on the saving to you.

The B of M also provides you with quarterly statements instead of a passbook, and makes no charge for deposits as in the case of a current account, where ten cents is charged for each entry. Why not take advantage of this new service by visiting the West Summerland branch of the Bank of Montreal. Earl Smith, the accountant, will be glad to explain all the details and to help you open your personal chequing account if you decide you want one. It's the modern way to pay your bills, and your cancelled cheques, which are held by the B of M for twenty years, are always instantly available as perfect receipts for your budget records.

Knocks! Shocks! This Handi-Pak gives locked-in protection

Stronger... safer... shuts out shocks! The Surlok bottom remains firmly locked — even when the punishment is piled on! Extra strong triple ends prevent crushing. Hand holes are now smaller — stacking strength is increased. Walls are made of strong kraft — three layers bonded by top quality waterproof glue to give moisture protection. The Crown Zellerbach Handi-Pak is crop designed — the dependable product of years of research. No wonder your apples travel first class to market!

Manufactured in the Okanagan for on-the-spot supply

50 years of Guiding

In Summerland there are three Brownie Packs and one Guide Company, including in all one hundred and thirteen girls, eight Guiders and two Commissioners. They are supported by the Local Association, an adult group consisting mainly of parents of the girls. Since this is Jubilee Year, and 50 years of Guiding have been accomplished, the following article on the history of the Girl Guides, written by Mrs. Ken Storey, should prove interesting.

The preface to the story of Canadian Girl Guides was written in 1909 when a number of girls appeared at the first Boy Scout rally at the Crystal Palace in London, England, and said they wanted to be "Scouts" like their brothers.

Lord Baden-Powell and his sister, Miss Agnes Baden-Powell adapted the Boy Scout programme for girls, and started a sister movement called the Girl Guides. The name "Guides" was taken from a famous frontier regiment in India, which was noted for its adaptability and self-reliance.

The Girl Guide Movement was introduced in Canada in 1910 when the first company was organized in St. Catharines, Ontario. This company was registered with Imperial Headquarters in England. Their brave beginning was based on "Scouting for Boys", a single sheet containing the Promise and Law, and a few suggestions as to programme and badges. The uniform was a loose white middie blouse, an ankle length blue pleated skirt, Scout hat, haversack and staff — a far cry from our trim modern Guide.

Companies soon sprang up in other parts of Canada, and the need for a national organization was soon felt. This was achieved in 1912 when a Canadian Council was formed with Lady Pellatt as first Chief Commissioner.

Gradually Provincial Councils were established, financial support was obtained, and in 1917 the Canadian government officially recognized the Canadian Girl Guides Association. Since 1921 the government has continued to show its belief in the value of Guiding by making an annual financial grant.

In 1928 Canada became a charter member of the World Association of Girl Guides and Scouts, and is now the country with the third largest membership. Our late founder, Lord Baden-Powell of Gilwell and the World Chief Guide, Lady Baden-Powell have paid many visits to Canada and each time their enthusiasm and singleness of purpose have stimulated us to fresh efforts.

The Girl Guide Movement is a citizenship training programme, which offers to girls from eight years of age to late teens, an opportunity for wholesome recreation and friendships, outdoor activities, after school hobbies and interests that will be of lasting value to every member. Its aim is to develop initiative, self-reliance, and latent aptitude for leadership. It stresses obedience, co-operation and all those qualities required to play an active part in the service of a community.

The Movement is non-political, non-denominational, and without race distinction. It supplements the teachings of home, church and school, and co-operates with educational and other bodies working toward the same goal.

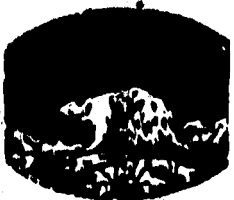

Can you cope?

With vacation time getting nearer, it is a good thing to take stock of abilities that could be called upon in cases of emergency. The person who can swim has less to fear from being thrown into the water or from stepping beyond his depth.

The ability to dive into water and save a child or adult from drowning can also be learned. Often, lack of this knowledge could cause the would-be rescuer to drown too. Lessons in artificial respiration don't require this rescuer to enter the water, either for lessons or to put the ability into action.

The "Save a Life" courses offered this week by the local branch of the St. John Ambulance Society have offered local residents some of these skills without cost.

This Alberta beaver got a little more than he bargained for from Mother Nature. She endowed him with five legs, having a total of six feet, but not enough sense to stay out of traps set by Ward Borst of Edmonton. Beaver has two well-formed feet joined to one leg which projects out of its body near the tail (shown enlarged in inset). Borst had beaver stuffed and mounted.

Why are so many homes on the rocks?

(This is the third in a series of articles written for The Review by members of the Summerland Ministerial Association. This week's article is written by Rev. Ira Johnson.)

This is a problem being faced increasingly by our society. Even if "home troubles" do not reach the divorce courts, their tragic effect upon society is indisputable.

Psychologists and psychiatrists lay much of the blame upon what they call "maladjustment and incompatibility". While this may be true in a sense, these problems should not be viewed as an excuse, but rather as the failure of marriage partners to face up to their responsibilities. There is food for thought in these words of Leslie Ratzlaff.

"So much of the maladjustment and incompatibility that characterizes broken homes is simply a symptom of sin. Members of the home are evading their moral responsibilities as persons charged with the responsibilities of intelligent choice. Human sinfulness and unwillingness to measure up, are more often to blame than the chance influence of past environment."

"Problems of adjustment are to be expected. Wherever there are personalities, individual differences can serve to enrich rather than to disrupt, if the persons involved have the right attitude and proper consideration for each other."

An attitude of responsibility such as suggested above, along with the scriptural admonition of Ephes-

WEEKLY CHUCKLE

A young mother had been coyly stating her age exactly the same for several years, even to her two small sons, whenever she was asked. After the oldest boy started school, he again asked the proverbial question. Receiving the same old answer, he mustered together all the worldly wisdom of a five year old kindergarten, and said, "No, mother this is a new year. You'll have to pick another number."

ians 5:21-33 might help all of us who have the responsibility of a home.

What do you think?

Report from Parliament Hill

By Dave Pugh, MP

Spring has come to Ottawa and it was such a relief after leaving the sunny climate in my constituency to come back and find that winter had gone. Once again the tulips are up and now into full bloom.

I had dinner with Mr. John Kostie of Vernon. We talked of agricultural matters and as you know his interest in all fruits and vegetables made his visit one of importance. Today Mr. and Mrs. Gowans, Mrs. Morgan and Mrs. Nelson, all of Summerland, were here and I must say I enjoyed showing them through the Parliament buildings.

The business of the House has gone on in much the same fashion but as a result of the elections coming on in the Atlantic provinces in Quebec and Saskatchewan, the tone has sharpened. Naturally all Parties are doing their best to show their platforms in the best light. During the week a good debate took place on university grants. Through-

Tree seeds are common prey

Trees produce large amounts of seeds, but all species do not produce seeds every year. Douglas fir, for instance, yields a good seed crop only once every four to seven years, while western hemlock and western red cedar produce good seed crops every two or three years. Since these seeds are regarded as very tasty morsels by many of the smaller forest creatures, it is just as well that they are produced in large quantities. Birds in particular dine greedily on the smaller seeds, while mice and squirrels have a hearty appetite for the larger seeds, such as those of pine and Douglas fir.

The coast region has not had a good Douglas fir seed yield for 14 years now and it is causing some concern to foresters.

Thro the eyes of a friend

(Dedicated to Dr. Marshall from the United Church WA)

The slides he has shown us — of Scotland and England. The places afar — he brought so near. Of Germany, Switzerland, Holland and Belgium. Shots of castles, of moorlands, of homeland so dear.

Were these pictures shown us — upon a cold newsreel. The commentator a stranger unknown. They could not have held us — in rapt concentration. For thro friendship — a closeness is shared, as our own.

We thrilled to the beauty of huge rhododendrons, Saw the true beauty of roses abloom; Felt the moist hottnes of Kew tropical gardens. Saw the huge water-lily, leaves large as a room.

Felt the coolness of Scotland's lush green rolling pastures. Saw the sheep and her lamb — so new as to touch. Heard the Scottish tongue rolling o'er words that were different.

Smelt the bloom, and the heather, the fresh growing earth. Saw the German symmetrical lines in their gardens. The castle of gold, of marble and glass. The huge gilded bathroom, so large as to dwarf us

The roads, where no limit forbade us to pass. The beauty of all we have seen with a knowledge. The eyes we have seen thro — were the eyes of a friend. Tho we never can travel to see all these wonders, He has shared with us pleasures and humor no end.

— Mrs. Mary Squire.

out the debate provincial rights were thoroughly discussed. This of course will be one of the main issues in Quebec and as far as possible all Quebec members participated.

Ottawa as the capital of the country has experienced a series of sharp shocks similar to those felt in other capitals of the world following the so-called spy incident when the American airman was allegedly shot down over Russia. Perhaps we will never know the true story but the feeling here is that the story as related by the Soviet government is too far fetched to be accepted in its entirety. Nevertheless I think it has caused a great many people who were complacent to take a very hard look at our situation and the world situation generally and it has introduced a much greater note of realism. In all the incident was most unfortunate and it cannot help but cloud any summit conference. Some feel that it has brought us closer to war and others feel that it has acted as a thunderstorm in clearing the air.

Guides active during Golden Jubilee year

Under an archway of lilac and cedar boughs, and along a pathway lined with Golden Tulips, four "Golden Hand" Brownies flew up to become Guides at the Youth Centre last Wednesday. Leslie Thompson, Jane Miltimore, Carol Shannon and Margery Lewis were the proud recipients of their "Golden Wings" while Pat Impett, who was presented with her "Golden Shoes", walked along the path also, and was welcomed with the others into the 1st Summer-

Services held for former resident

Miss Maude McLaughlin, formerly of West Summerland passed away May 13 in Vancouver General Hospital. Miss McLaughlin lived a number of years in Summerland before moving to Vancouver.

She was matron of Kingsley school for boys in Vancouver for 14 years, spent 8 years at Ashcroft House as matron, and 8 years at Queen's Hall for girls.

Services were held at Simmon's and McBride Chapel in Vancouver Tuesday, May 17 following which the body was brought to Summerland for a grave side service and interment in Peach Orchard cemetery on Wednesday, May 18, Rev Kennedy officiating.

Only immediate relative is Mr. Lee McLaughlin of Summerland.

REPRESENTS BOARD OF TRADE

Board of Trade president, W. S. Ritchie represented Summerland at the B. C. Chamber of Commerce meeting in Vancouver May 16-17

land Girl Guide Company by Divisional Commissioner Mrs. Bruce Blagborne who conducted the ceremony.

Also taking part was the new District Commissioner, Mrs. Ross McLachlan who was introduced by Mrs. Blagborne. Mrs. MacLachlan, who has been president of the Local Guide Association for the past three years and has helped in many ways both with Brownies and Guides is taking the place of District Commissioner Mrs. Nora Kopp of Peachland who recently resigned.

Decorations for the ceremony were carried out by Mrs. T. Kuoda, Mrs. Len Shannon, Mrs. H. Thompson and Mrs. Ross MacLachlan.

Other Guiding news includes a recent week end camp at the Fenwick cabin near Fish Lake, when five senior Guides with Captain Mrs. Sandy Fenwick spent two days working on their campers and hikers badge in an effort to attain their Gold Cord, the highest award in Guiding.

Also last week end there was a patrol leaders conference at the Girl Guide campsite, 12 miles north of Kelowna, when 28 girls and four leaders from various parts of the valley took part. There were six representatives from Summerland, Patrol Leaders Anthea Morgan, Freda Bangma, Janet Storey, Mona Inaba, and Anne MacLachlan. Divisional Commissioner Mrs. Bruce Blagborne led the conference.

The results of the recent Cookie Sale were excellent. Every packet was sold and \$336 was raised.

A large gathering of nearly two hundred gathered for lunch in the hall of the Oliver United Church following the regular morning service on Sunday to honor Mr. and Mrs. Arlee Gayton who are leaving Oliver to make their home in West Summerland. Mr. and Mrs. Gayton both thanked the congregation. Mr. Gayton said going to West Summerland would be like going home as both Mr. Gayton's parents and Mrs. Gayton's parents came from Manitoba to settle in Summerland at the turn of the century.

Mrs. Harry Charlton and Mrs. Steve Blazeko were in Vancouver over the week-end attending a St. John's Ambulance meeting.

F. E. Atkinson left last week to attend the meeting of the Institute of Food Technologists in San Francisco. He will present a paper on "Yeast Growth as Affected by Sodium Benzoate, Potassium Sorbate and Vitamin K5" prepared by J. S. Bowen, Eric Smith and D. R. MacGregor of the Summerland Research Station.

Mr. and Mrs. W. Verrier have returned from visiting their two daughters, Mrs. Elmer Keller and Mrs. Pat Morris of Vancouver. Mr. Morris, formerly with the Summerland branch of the Bank of Montreal, is being transferred to Toronto.

Born at Summerland General Hospital on May 16, to Mr. and Mrs. Herbert Blumhagen, a son.

Miss Carol Hackman is now home from UBC.

Toni Onley has been home for a brief visit with his parents, Mr. and Mrs. Jim Onley. He is presently in Vancouver renewing acquaintances and attending various art exhibitions.

Victor Smith and family fished at the Shuswap for a few days last week.

Mrs. Younger of Victoria is a guest at the home of Mr. and Mrs. R. A. Johnston.

One of the busloads of Scouts attending the international camporee here over the week got an extra bump when a bridge near Faulder gave way under the bus. No one was injured.

Miss Diane Young, daughter of Mr. and Mrs. Frank Young, formerly of Summerland was married at the coast recently, to Leslie Lawrence of the RCN.

Mrs. Joan Higgin late wife of Mr. Noel Higgin, left a bequest to the Summerland Park Board from her estate. The board hopes to place a permanent fixture in one of the parks with the money.

Mr. and Mrs. Ronnie Mitchell, son of Mr. and Mrs. Harvey Mitchell who is an airframe technician with the RCAF and his family sailed from Montreal for Germany recently.

Miss Dorothy Britton flew to Vancouver for the week end.

Mr. and Mrs. Vicar of Toco, B.C. have been visiting at the home of Mrs. Vera Foster.

Mr. and Mrs. Bob Alstead were visitors to Merritt recently.

Miss Irene Menu, RN, is visiting with her father, Mr. John Menu. Miss Pat Menu of the Bank of Montreal is enjoying two weeks holiday.

Mrs. Harriet Simpson is a patient in the Penticton Hospital.

Miss Diane Durick, daughter of Mr. and Mrs. Wm. Durick has returned home for the holidays from UBC after visiting Miss Nan Solly in Victoria.

Women's Institute hears talk by Miss Empey

At the regular monthly meeting of the Women's Institute held on Friday, May 13, with the president, Mrs. Sandy Fenwick in the chair, it was decided to make a donation to the Red Cross Society, and resolutions were dealt with that will be on the agenda at the bi-annual convention to be held in Vancouver.

The health and welfare committee were in charge of the day's program and had arranged for Miss Empey, public health nurse, to talk to the meeting.

Her talk was very much enjoyed by all present and she dealt with such services

as pre-natal care and supervision of babies up to the age of six years if this should be required. A watchful eye is then kept on them for a further six years, during which time immunization shots are given. The need for pasturization of milk and fluoridation of water were both stressed.

The speaker was introduced by Mrs. E. Hookham and thanked by Mrs. S. A. MacDonald.

Mrs. H. Ward convened the tea, assisted by Miss M. Cartwright, Mrs. E. O. Mortimer, Mrs. T. W. Boothe and Mrs. G. C. Harper, who served tea to the members.

Baalbeck Festival Shows Ancient Glories Revived

The Roman ruins of Baalbeck, 53 miles northeast of Beirut, Lebanon, will once again spring to life in July and August as the 1960 Baalbeck festival gets under way.

Each year at this time the people of Lebanon stage an impressive festival at the site of these ruins which are among the most popular tourist attractions in this Arab country.

The 1960 festival will feature the Beryl Grey ballet, Shakespeare renditions by the Bristol Old Vic Company, a famous

French song and dance troupe, the Stuttgart Chamber Orchestra directed by Karl Munchinger, and classic skits and dances of Lebanese folklore.

Originally known as "Heliopolis," Baalbeck, the city of the sun, boasts such interesting antiquities as the temples of Jupiter, Bacchus and Venus. The architecture of these ancient ruins show an intricate fusion of the majesty of Pharaonic construction with the ornate carvings and decorations of Grecian sculpture.

Miss Doreen Flett honored at shower

Miss Doreen Flett, whose marriage to Mr. T. McGuire take place July 2, was the

surprized guest of honor at a miscellaneous shower on Wednesday, May 11 at the home of Mrs. D. Clark with Mrs. Charley Denike co-hostess. Gifts were presented to the bride to be in a box decorated to represent the high school.

Games were enjoyed and refreshments served, the highlight of which was a lovely cake decorated with white and pink icing and centred with a bouquet of tulips, forget me nots and lily of the valley.

Guests included Mrs. F. Walker, Mrs. A. McIntosh, Mrs. D. Cristante, Mrs. G. Fell, Mrs. W. Wright, Mrs. B. Tingley, Miss S. Kealy, Miss J. Lobb, Miss G. Britts, Miss S. Hansen and Mrs. E. F. Weeks.

Unable to attend were Miss R. Dale, Mrs. Kinah, and Mrs. Vic Smith.

Services for Jean Sheldrake, 31 year resident

Mrs. Jean Euphemia Sheldrake, formerly of West Summerland, died Saturday, May 7.

A resient of West Summerland for 31 years, Mrs. Sheldrake was a long time member of the Summerland Women's Institute and was also active in Red Cross and the WCTU.

She was predeceased by her husband last August.

Mrs. Sheldrake is survived by three sons, Melville, Stanley and Arthur, all of Vancouver; and a daughter Mrs. Ivor (Rhona) Nilson of West Summerland.

Survivors also include 4 grandchildren and a brother Godon Taylor of Sedgewick Alberta.

Funeral services were held from Summerland Funeral Chapel, Rev. Philip Louie officiating. Burial was in Peach Orchard Cemetery.

Kiwanis Club Notes

It is getting to be a habit with the chairman of the programme committee to provide interesting evenings and Tuesday night was no exception.

Three guests were present all connected with the night's programme. Mr. Mike Clay, district superintendent of schools, introduced the speaker of the evening, Mr. Jack Polomcoff, who was selected to attend the Music and Drama Festival at Stratford, Ontario. Jack is from Grand Forks and was accompanied by the vice principal of the high school there. It was quite evident that Grand Forks stresses drama and music and the speaker gave a detailed description of his three day visit to Stratford. He described the acting and work of the theatre there, which consisted of Shakes-

pearian plays. He dealt with the very generous stage facilities, the costuming and all in all it proved to be a very rewarding trip. He was thanked by the president after a lengthy question period which showed the close attention the Club gave to his talk.

Earl Smith reported on the recent concert drive and disclosed that \$1412.50 was collected from 679 donors.

Ed McGillivray spoke on last Sunday's picnic and advised that a family picnic will be held next week and accommodation is available at Lake Okanagan Resort, and the opportunity can be taken to put in a little work on the Guide's Camp.

A hurried check on the attendance competition shows that the two teams are running neck and neck with each watching the other very carefully.

A short directors' meeting followed the club meeting.

Walter Toeves reminds all members that next week will be a most interesting meeting and asks everybody to be present.

The Scribe.

Petra, the Rose-Red City...

Sunlight reflecting from the rose-colored stone, from which this Treasury of the Pharaoh is carved, gave Petra the name "rose-red" city.

Archaeologists from all over the world live in tent cities while working to reconstruct Petra as it was in the days of the Edomites.

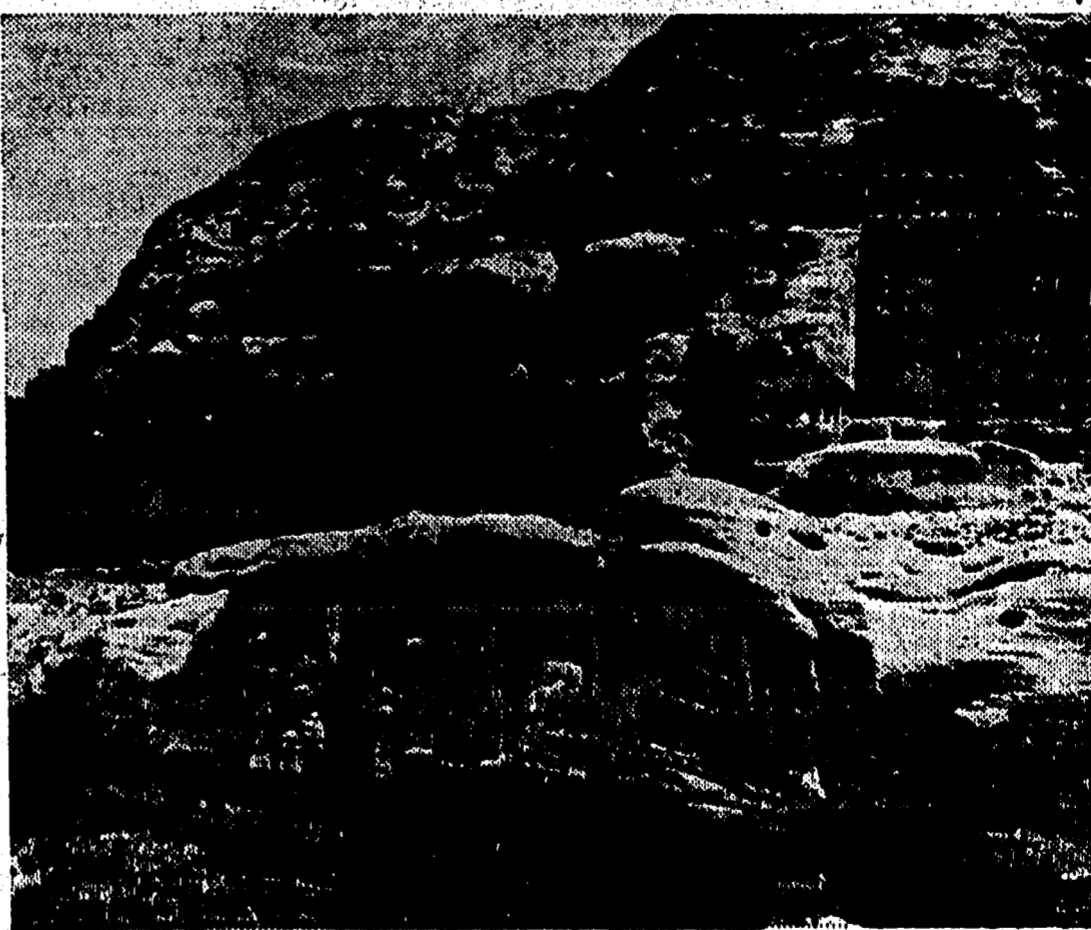

One of the major monumental sites of the Arab world, Petra, the rose-red city half as old as time, lies deep within the Jordanian desert some 95 miles south of Jerusalem.

The gateway to Petra is the little village of El Ji where people still toil in fields terraced with walls which date back to the 1st century B.C. The "gate" to Petra, a tremendous cleft in the face of El Habis mountain, is thought to have been made when Moses brought forth water from the stones.

Petra was settled by stone cutters who carved huge, fantastic dwellings and temples into the solid face of the mountain cliffs. One of the most ornate of these was the Pharaoh's treasury building. It is the reflection of the sun off the rose colored rock out of which this building was carved that probably causes the soft red glow which gives the city its title.

The ancient city was in its heyday sometime in the 8th or 9th century B.C. In the days of the Edomites, Petra was largely a place of refuge and the "Rock" mentioned in the Bible probably refers to the huge crag known today as Umm el-Biyara. It was here that Amaziah came and defeated his southern-most neighbors sometime in the 8th century B.C.

In recent years efforts have been made to resurrect the community of the ancient Edomites in order to learn more about this important civiliza-

Near the dawn of history, the rose-red city, referred to as "the Rock" in the Bible, was a place of refuge for its early inhabitants.

tion. The Jordanian Department of Antiquities began preservation operations in the area in 1954. The next summer a small party from the American School of Oriental Research conducted individual projects on the site.

From various projects conducted in the area came the Anglo-American expedition which took place last summer. Out of the work of this expedition, long-range plans have

been set up for the complete restoration and rebuilding of Petra.

If this dream is realized, students, sightseers, and scholars will eventually be able to walk along the Roman Street of Petra and see the markets, shops, temples, and public buildings rising again from the sand in the full majesty that was theirs at the height of the splendor of the rose-red city half as old as time.

Summerland trounced in dual track meet

Two little girls in St. Louis have been subjected to a series of anonymous daily animal gifts at their home. On eight successive days the Monnig family has received 1 lamb, 2 rabbits, 3 ducks, 4 hamsters, 5 pigeons, 6 white mice, 7 white rats and 8 fish. Mary Monnig, 7 (left) and her 3-year-old sister, Michele, hug Bucky. Mr. and Mrs. Louis Monnig are letting the girls keep the lamb.

UBC Players to present play here May 24

The UBC Players Club will present the play "The Glass Menagerie" by Tennessee Williams on May 24 at 8 p.m. in the High School Auditorium.

Of the eleven students coming, only four will be participating in the acting while the others will be behind the scenes.

Admission for the play is 75c for adults and 40c for students. Tickets may be purchased from any graduate or may be bought at the door.

Proceeds will go towards financing of this year's graduation.

Student teachers introduced at get-together

The teachers, school board student teachers and the Future Teachers enjoyed an informal party on Thursday, May 12.

Mr. Tamblin introduced the high school student teachers while Mr. Cook introduced those of the elementary school.

The guests grouped in tables by matching advertisements cut as jig saw puzzles. Next each table was given the name of a song to the tune of which they composed a jingle advertising the product on their puzzle.

The next game was to define 20 words by drawing illustrations.

This was followed by a sing song led by Mr. Tamblin with Mr. Storey accompanying on the piano.

Refreshments were served and the party disassembled.

Similkameen High School ran away with last Friday's Dual Track meet at Memorial Park, defeating Summerland 50% to 45%. The visitors were convincing as they won all but five out of the twenty-one events.

The outstanding performance of the day was visitor Jim Bush's 20 ft., 9 in. leap in the senior boys' broad jump.

Summerland's only wins were by Teresa Keys, junior broad jump; Ron Dundson, senior discus; Jim Chenoweth, senior mile; George Henly, senior 440; and the Medley relay team of Bob Madsen, 110 yards, Don Graham 110 yards, Ken Béggis 220 yards and George Henly 440 yards.

This week end the local school will send a team of seventeen boys and ten girls to the Okanagan Valley Track Meet in Penticton. The meet begins on Friday afternoon with heats in all sprint events and the finals going Saturday.

Students tour to study jobs

Seven business establishments in Penticton had visitors on Thursday, May 12 when the Grade 11 boys HPD class went on a job study tour.

Teams of two to four boys visited Penticton Engineering, Penticton Herald, the RCMP detachment, OKOK, Howard and White Motors, the veterinary hospital and the Forestry station.

The boys all enjoyed themselves, and widened their scope as to job opportunities

YOUR NEW PUP YELPED ALL NIGHT, EH? HE'S LONELY! JUST PUT A LOUD ALARM CLOCK WITH HIM AT NIGHT! HE'LL HEAR IT TICKING, AND THINK IT'S ALIVE!

THANKS, ELBY! I'LL TRY IT TONIGHT! I HAVEN'T SLEPT SINCE I GOT HIM!

'MORNING, NEIGHBOR! YOU LOOK RESTED THIS A.M.! I GATHER THE PUP WAS QUIET?

NOT A SOUND! THANKS TO YOU, HE SPENT THE ENTIRE NIGHT TAKING THE ALARM CLOCK APART!

SPORTS

Red Sox, Merritt, split double header

Summerland Junior Red Sox and Merritt juniors split a double header here on Sunday. Tom Hatton was the leading hitter, getting on for two. Menu struck out ten and allowed four hits in the first game, final score Merritt 1, Summerland 0.

In the bottom half of the double header Ed Menu won his first game. Summerland led 4-2 until the seventh when Carl Sheeley walked three and allowed a hit. The center fielder banged out a fly and brought in one run. However final score was 6-5 for Summerland. Pitchers Menu and Sheeley struck

out 13 and allowed 11 hits. This Sunday the Red Sox meet Naramata in Summerland at the Memorial Park. Game time is 1:30 p.m.

BABE RUTH WINS

In Babe Ruth play over the week end Summerland defeated Pentiction West Bench 9-8. Winning pitcher was Brennan.

Promenade

Both Westbank and Pentiction had square dancing parties on Saturday, May 14.

Westside Squares were hosts to eighteen squares of dancers, with Vic Graves of Nelson doing a very polished job of emceeing.

Pentiction's Wheel n' Stars entertained ten squares in the K.P. Hall. Bob Emerson's calls kept these dancers moving at a lively pace and a very happy crowd they were.

A meeting of the OKSDA was held in the Youth Centre on Sunday. Since there wasn't a quorum, election of officers could not take place. Another meeting has been called for 2 p.m., June 19 at Ray Fredrickson's home. A directory of square dancing in booklet form will be drawn up, to be placed in hotels and motels so that visitors will know where to go for an evening's dancing.

This was the last Workshop of the season. No new dances will be taught until fall.

Only dance this coming week end is the big square dance jamboree at the Memorial Arena in Kamloops. There is a workshop Saturday afternoon, dancing in the evening and an after-party, with a breakfast party, Sunday morning. A nice way to spend the holiday week end, while the weather is cool enough for pleasant dancing.

James J. Behan, B.C. Manager, Canadian National Railways, and a Director of the Pacific National Exhibition, has been named Commodore of Kelowna's 54th Annual International Regatta, August 10-13.

YOU'LL FIND IT IN THE WANT ADS

OMBL figures Show Macs in sixth place

Official statistics of the Okanagan Mainline Baseball League released May 8 show Vernon in first place with .833. Summerland and Merritt are tied for sixth place with .286 percentage.

Biollo of Summerland is in fifth place among the batsmen with .222 percentage.

League leaders in other divisions are McNabb of Summerland with 1 triple; B. Parker with 6 stolen bases; and the Macs have the most doubleplays with four.

Pitcher Cristante of Summerland has won two with no losses.

This week end the Macs are taking part in a tournament at Oliver.

SOFTBALL OPENER

An inter-city softball league comprising four teams, Summerland, Pentiction, Osoyoos and Keremeos has been formed.

First game for the local Macs Cafe Aces will be here Thursday, May 19 at 7 p.m. in the playground park.

All Summerland home games will be played on Thursday nights.

Indications are for a good season of softball this season in this league.

WEST KOOTENAY POWER

Co-op Growers appoint manager

The Summerland Co-operative Growers' Association has appointed Mr. J. (Wilf) Gilmour as the new manager of their packinghouse with his duties to commence on or before July 15.

Mr. Gilmour was formerly with the United Co-operative Growers in Penticton, where he was packinghouse manager for four years, and also spent seven years with the Osoyoos Co-operative.

It is expected that Mr. Gilmour and his family will move to Summerland in the near future.

Services held for former resident

Verna Maude McLaughlin, a former resident of Summerland, passed away in Vancouver General Hospital Friday, May 13, after an illness of three weeks. The late Miss McLaughlin was born in Economy, Nova Scotia and before coming west she taught school for a time. Since moving to the coast, Miss McLaughlin was matron in Crofton House and Queen's Girls' Schools. Funeral services for the late Miss McLaughlin were held in Vancouver with Rev. Mr. Badger in charge.

Surviving Miss McLaughlin is one brother, Lee of Summerland and several nephews and nieces in different parts of B.C., Nova Scotia and USA.

Concert Association completes campaign

The Summerland campaign for membership in the Overture Concert Association has been officially closed.

Mr. Charles Bernhardt, campaign manager, has announced the results of this very successful campaign and states that there will be at least 340 people, adults and students, attending the Overture concerts in Summerland next winter. This is approximately 100 more memberships than last year. The family tickets proved popular and will enable more young people to attend these events.

Council warns of poison threat at spray taps

It was brought to The Review's attention at Tuesday night's council meeting by works superintendent Ken Blagborne that spray bags, sometimes partially full, are being left around the connections provided for filling spray tanks.

In several instances little children have picked up these bags and played in the powder. Apparently not

Pollution control

Regulations re water pollution control as posted at Kelowna Yacht Club were read at the council meeting Tuesday as a guide to Summerland regarding the local Yacht Club. They were in principle that it is an offence to pollute the moorage basin or foreshore water.

A copy will be sent to Summerland Yacht Club.

all of these sprays are deadly poisons to humans but enough taken could make a child very ill. There is also a danger to animals. A dog poisoning case has already been traced back to discarded spray bags.

Despite the fact that this is a busy time for orchardists, care must be taken to dispose of these bags in a proper manner. Anyone caught in the act of leaving spray bags lying around is liable to punishment by law.

Trout Creek PTA officers named

At the Trout Creek PTA meeting on Thursday, May 19 the following officers were elected for the 1960-61 term: honorary president, M. Tait; president, Mrs. C. Strachan; vice president, Mrs. P. Roberge; secretary, Mrs. H. Smiley; treasurer, Mrs. B. Swinerton. Directors are: program G. Ryman and G. Wardle; social Mrs. S. Porritt; ways and means, Mrs. S. Hodge; publicity, Mrs. Hackman; hospitality, Mrs. Harms; safety, Mr. Sawatsky; membership Mrs. J. Maltimore.

Mrs. R. Alstead spoke on the Okanagan School of Fine Arts to be held in Penticton this summer. Mr. Cooke explained the Telebipocular Tests which were taken of grade four and six pupils this spring. There was no program as Mr. Halcrow, who was scheduled to show his slides of Russia did not attend.

School of Fine Arts bonus classes

by Madeleine Alstead

Brochures for the Okanagan Summer School of Fine Arts are now being distributed. Several posters and brochures with application forms enclosed have been placed in various Summerland stores and more are available on request to all interested in this new project.

A meeting of the Board of Directors was held Friday evening, May 20 in the Penticton High School. The brochures, just brought out were attractive with a sunny cover, and gave classes, time and fees, and an account of the credentials and work of the instructors. Letters and advertising will be sent north as far as Prince George and south as far as Spokane, west to the coast and east to the prairies.

As the Okanagan Valley

The Summerland Review

Wednesday, May 25, 1960

West Summerland, B.C.

Volume 15, No. 21

Nine beautiful girls will compete for the honor of being Summerland's 1960 Miss Fall Fair. In the back row (left to right) Caroline Read, sponsored by Teen Town; Linda Betuzzi, Yacht Club; Alice Vogel, Kinsmen; Donna Butler, Rotary; Elspeth Tavender, Old Age Pensioners; and front row, Marjorie Brake, Fire Dept.; Sigrun

Meierhofer, Retail Merchants; and Carol Anderson. Missing is Judy McGillivray, sponsored by Kiwanis. The girls will make their first public appearance at the high school band concert this Friday when they will be introduced by Board of Trade secretary Lorne Perry.

Little damage done by cool week-end

Mr. Alex Watt, district horticulturist, told The Review that commercially speaking, the frost damage over the week end was negligible. However fruit does need some warm sunshine

to size it up.

Several people have complained of damage to garden plants and flowers. Grapes, in particular have received a setback.

Official temperature recorder at the Research Station was 33 degrees both Saturday and Sunday nights, with a ground temperature of 29 degrees.

BUSINESS CHANGES

New manager of the Advance Chimney Service is Bob Braaten of Penticton. As well as chimney, fireplace and heating unit cleaning, the Advance Chimney Service will now be doing weekly office cleaning.

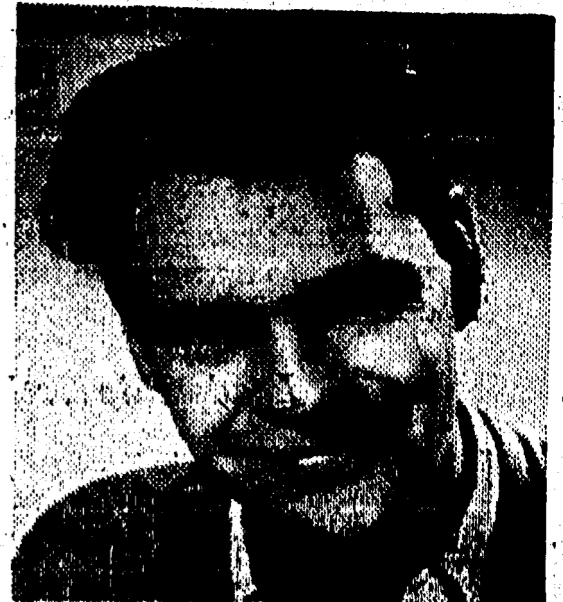

Road repair slowed by poor weather

Ken Blagborne, works superintendent, reported to the municipal council Tuesday night that the reason local road repair has been held up is due to poor weather.

The gravel is too wet to work with, and the recent fire at the mill cut off the supply of steam necessary in making asphalt.

This is a group of the year-old Girl Guides and all have been busy planting tulips. Shown admiring the tulips planted by local guides in front of the Summerland Library are Dorothy Logan, Pat Tyacke and Susan Wilson.

Victor Mitchell versatile young drama instructor from Penticton will conduct an interesting and varied program for those interested in the different branches of theatrical art at the Okanagan Summer School of Fine Arts in July. His course will include "limbering up" for the stage, body attitudes, gestures and diction.

Pensioners seek information on senior citizens' home

The Old Age Pensioners held its monthly meeting in the IOOF Hall with fifty-one members present and president A. Glen in the chair.

Secretary D. Taylor gave a report of the April meeting. Letters were read from the executive of the OAPA by the president. Two members have died in the past month.

After a lot of discussion Mrs. L. Johnson and Mrs. L. Mayne are to find a girl to represent the club in the queen contest.

Mr. Ochs of Penticton

gave a talk about his visits to other old age clubs in the province.

President Glen is to ask a member of council to come to a meeting and tell what progress is being made towards getting a senior citizens' home built here.

Mr. and Mrs. H. Barr are back from their holiday in California. Mrs. Baneroff was pianist for the meeting.

For entertainment Mrs. Gordon Ritchie showed splendid pictures of Scotland and England which she had taken while on a visit to the old country. A hearty vote of thanks was given her for the showing.

Mrs. D. Taylor, Mrs. G. Macdonald, Mrs. L. Johnson served a nice lunch.

Treasurer Macdougald gave the financial report.

BUDWOOD VARIETIES

This year true to name budwood of varieties in limited supply will again be available from the Pomology Section, Research Station, Summerland. Growers and nurserymen are asked to place their orders as soon as possible and not later than July 10. In ordering, approximate date of shipment should be specified.

Budwood is available of the following varieties:

Apple: McIntosh (Summerland Red); Spartan, Delicious (Harrold Red), Wine sap (Mosebar Red); Rome (Cowan and Law); Tydemans Red; Antonovka, Haralson, Charlamoff, Canada Baldwin.

Peach: Veteran, Vedette, Valiant, Golden Jubilee; Red Haven; Solo; Triagem; Fairhaven.

Cherry: Lambert, Sam, Van, Montmorency.

Cost of budwood will be 1-3 cents per bud for all varieties except Herrold Red Delicious for which the charge will be one cent per bud.

Italian couple wed at Church of Holy Child

A lovely wedding was held April 30 in the Church of the Holy Child in West Summerland when Miss Julia Tagliaschi, daughter of Mr. and Mrs. T. Tagliaschi of Antisciona, Italy, became the bride of Johnnie Biagioni of Antisciona, Italy. Rev. O. Meulenbergh officiated.

The bride, given in marriage by Mr. Luigi Vergamini, wore a lovely white floor length gown featuring tiers of Chantilly lace, a lace bodice and lily point sleeves. Her corsage was of red and white rose buds and a pearl headdress held her short veil in place.

Matron of honor, Mrs. J. Vergamini and bridesmaids Miss Luciona Anderucci and Marie Vergamini, all wore identical dresses of taffeta with bouffant skirts and fitted bodice. The matron of honor was in blue and the bridesmaids in pink.

Miss Linda Betuzzi supplied the wedding music.

Mr. and Mrs. Angelo Anderucci and the bridal party received 80 guests at a reception in the Youth Centre.

The bridal table was centered by a lovely three tiered cake. Mr. Peter Calissi proposed the toast to the

bride and Mr. Fred Lenzi proposed the toast to the bridesmaids. Mr. Rennie Linz read telegrams from Italy.

For her going away outfit the bride chose a navy dress trimmed with gold.

The happy couple will live in Summerland.

Out of town guests were Mr. and Mrs. S. Turria, Mr. and Mrs. Martinelli, Mr. and Mrs. G. Ehino and Lettina, Peter Calissi and Erika Penzold, of Kamloops; Miss Emma Terri and Ehino Rintucci of Kelowna; Mr. and Mrs. Boni, Mr. Bechusi and Mr. J. Torrelli, of Penticton.

Awards given to local Observers

Certificates and awards were presented to Summerland members of the Ground Observer Corps recently.

Receiving five year pins were: J. M. McDougald Sr., J. M. McDougald Jr., Mrs. Alma Fudge and Mrs. Dorothy Sheeley.

Receiving junior wing awards were Bruce Bingham, Belia Wouters; and senior wing awards went to Mrs. E. Wouters and Frank Plunkett.

Three year awards went to Robert Cuthbert, Mrs. Zanda Cuthbert.

Certificates were given to Vicky Cuthbert, Mary Cuthbert and Ernest Bingham.

Ceremonies recognizing services of Ground Observers all over the province have been held since the Minister of National Defence announced that the Ground Observer Corps would be disbanded June 1.

During its 8 years of existence, Number 10 Ground Observer Corps Detachment, Vancouver has carried out the vital functions of assisting Air Defence in covering the southern portion of BC by reporting the movements of aircraft, verifying the information obtained by radar stations, as well as covering the blind spots in the radar network. Because of recent technological advances, such as the implementation of the Semi-Automatic Ground Environment (SAGE) there is no requirement for a visual reporting system since all areas are now electronically covered.

The Ground Observer Corps Filter Centre at 1363 Howe Street was opened on June 30, 1952, and since that time has never closed its doors.

TO LOVE, HONOUR — AND PROTECT. Thousands of young couples start life together in partnership with The Mutual Life. Low cost protection through big dividends provides a sound investment for the future.

NOW—THREE BILLION DOLLARS LIFE INSURANCE IN FORCE

RETIREMENT AND FINANCIAL INDEPENDENCE are enjoyed by thousands of Canadians. When they were young they wisely arranged low cost Mutual Life of Canada insurance.

More Canadians than ever before are enjoying the many benefits of Mutual Life of Canada insurance. The Company's insurance in force has grown by Two Billions in the past 12 years, One Billion of which was added in the past 4 years. Insurance in force has grown in each of the past 90 years. A Mutual Life representative will be pleased to arrange an insurance plan to fit your needs and budget, or write to: The Mutual Life Assurance Company of Canada, Head Office, Waterloo, Ontario.

Leadership... through an outstanding dividend record

Hazardous practice

Someone is in for a nasty cut on Okanagan beaches, this swimming season, thanks to an act of thoughtlessness by a boater or fisherman.

We were reminded recently of the broken glass that inevitably litters the lake shoreline and the simple way by which most of it could be eliminated.

The biggest culprits are pop and beer bottles, which show an amazing ability for lake survival and if tossed overboard from a boat chances are good they will bob ashore. Waves soon reduce the grounded bottle to razor-sharp splinters lying in wait for a victim. Every bit as dangerous is the rusted tin can.

Making sure that empty bottle is sent to the bottom or, better still, taken back home, will help keep the beaches clean and spare a foot from painful injury.

Your help needed

British Columbia citizens have one very special responsibility. It is found in varying degrees in other parts of the nation, but nowhere is it more significant than in our own province.

This is the responsibility to be careful with fire of any kind when in our forests. This is a very special and serious B.C. responsibility.

As the social and economic growth of B.C. expands in leaps and bounds, an ever increasing number of citizens are using the forests for an ever increasing array of purposes. The forests are no longer the domain of the logger and trapper. They are now an added dimension in the highly mobile existence of many thousands of citizens who are discovering the beauties and wonders of the forests, the joys of camping, hunting, fishing; hiking and so forth. All these have been recognized by the Department of Lands and Forests for many years as legitimate forest users.

With the expansion of forest use, goes an equal expansion of personal responsibility. More than ever before, everyone must take great care to prevent forest fires and to do their part in the suppression of any fires that do occur.

"Forest Conservation Week," sponsored by the Canadian Forestry Association, is this week May 21 to 28. There is no better time for every British Columbian to take the fire prevention pledge.

All forest fires are disasters, but forest fires caused by human carelessness are a disgrace as well.

In 1959, over 2,000 forest fires were reported, they burned over 274,000 acres of forest land and did damage estimated at \$1,343,000. Forest Service fire fighting costs amounted to \$768,000. This is all a terrible waste.

Of the total, 37,000 acres were burned by fires caused by smokers and campers, and these fires accounted for \$254,000 in damage.

The key to successful forest management and administration is primarily the reduction of losses by forest fires. Each human caused fire gets back this vital programme of development from which we all could benefit.

Mark "Forest Conservation Week" as the time for training yourself and your family in the cardinal rules of care with fire in the woods — the sign of a true outdoorsman and adult citizen.

There are 4 sorts of men

He who knows not and knows not he knows not: he is a fool — shun him.

He who knows not and knows he knows not: he is simple — teach him.

He who knows and knows not he knows: he is asleep — awake him.

He who knows and knows he knows: he is wise — follow him. (Arabian proverb)

Report from Parliament Hill

by Dave Pugh, M.P.

Last week I made mention of the fact that the Quebec provincial election was apparently being fought out on the floor of the House of Commons. This week saw a repeat in much the same fashion. The subject was the Trans Canada highway act. Many people know by this Act the federal government agrees to pay 50 percent of the cost of construction of the Trans Canada Highway within the

provincial border. Additionally the federal government will pay 90 percent of one-tenth of the route. Thus the province can pick that portion of the route that is most difficult and costly to construct.

During the debate the old question of provincial rights came up and the loss of sovereignty which might occur should the province receive monies from the federal treasury. Presently Quebec receives nothing and

therefore the debate was rather farcical. The only reason Quebec receives nothing is that up to date she has consistently refused to enter into an agreement under the Act with the federal government.

The legislation went through finally authorizing an extension of time under the Act and the addition of fifty million more dollars to bring the grand total of federal participation to four hundred millions. The time element was necessary in order to allow the provinces to complete construction. I know that people in British Columbia will be interested to know that we receive an amount second only to Ontario. We receive one hundred and twelve million dollars which is in excess of one-quarter of the total amount to all the provinces.

A Small bit of darkness lifted

"Your child needs reassurance, not sternness, when he first becomes aware of the dark," says a University of Vermont human relations specialist. He advises parents to let children have a night light they can turn on or off for themselves. "Gradually fear will recede," he adds.

This is good advice for all parents. There is also good news, and advice for parents in a study made at Antioch College in Ohio. These researches indicate what many have insisted

must be true ever since the IQ vogue hit American education: That, contrary to initial theories, a child's IQ can and does change, sometimes very markedly, as the disposition to learn is encouraged or thwarted.

The evidence on this score can be a welcome, reassuring gleam of light to persevering parents. It can help dispel fear of one form of darkness, a fear that children are doomed to live with an inborn limitation of intelligence.

—Christian Science Monitor

War Talk

The sputniks flying overhead;
The world all talks of War;
The tenseness tears the leaders' heart,
We've felt this strain before.

And through all these frightening words
Last night I looked and saw,
The sky all dotted, bright and gay,
With a hundred, million stars;

It looked the very same up there;
As when I was a child,
It hadn't changed a little bit,
For War Talk, fierce and wild.

I realized the ever-changing world
Had never changed at all,
That Man is born; and Man must die
And Springtime turns to Fall.

I know that each of us must live
In his own allotted way;
That War Talk is just part of life,
That each must face — each day.

— Mrs. Mary Squire.

Choose Ye!

(Another in a series of articles written for The Summerland Review by members of the Summerland Ministerial Association. This week's message is by Rev. Wilburn L. Sooter.)

Joshua declared "As for me and my house, we will serve the Lord." Joshua 24: 15.

Life is made up of choices. In the day of Joshua, it was a choice between serving the gods of the Amorites (the gods the people served before they crossed the river Jordan) or the Lord God who brought them out of Egypt and delivered them across the Jordan River into the Promised Land.

Our choices determine our destiny. At Kadesh-Barnea, the children of Israel listened to the discouraging report and suffered forty years in the wilderness.

Man without God sees only as his own strength will allow him — if he is strong, his strength allows him to be more courageous — but the weakest man with God can confound the wise for with God out of weakness comes great strength.

Is there a Red Sea before you? A Jordan River at flood stage? Is there an impossible task? Have you a secret ambition you are too weak, too poor to perform? Choose Christ as your strength.

The gods of this world cannot help. They are not alive. Man's advice depends on human strength and is weak.

Christ is living, listening, waiting for you to choose. A choice for Christ brings divine strength. The choice today is your way, or Christ's way. Choose ye!

Comings and Goings

SCOUTS SAY THANKS

In staging this 15th International Camporee a great many people lent a hand, otherwise it would not have been possible to make it the event it was. Possibly the greater part of the load was borne by ADC Gwyn Russell and DCM Gordon Blewett. Mr. Bill Cottrell of Okanagan, Deputy Camp Chief, was another source of help and advice. Dr. D. V. Fisher assisted greatly with the preliminary arrangements and made available the 1st Summerland Campsite at Faulder. Len Hill, Rick Wickett and Duff Chambers of the 1st Pentiction senior patrol did a marvellous job in checking in the units as they arrived and assisting with the inspection duties. They were assisted by the Hound patrol from the 1st Osyoos troop.

We are also indebted to the Canadian Bakeries for a donation of doughnuts and to Joe Henderson who acted as quartermaster for the staff. Also to Jack Ellis, Don McArthur and Stan Krause who so capably looked after the feeding of the camp staff, and to R. Diamond, Ray Findlay, Fred McNeil and Dr. J. M. McArthur for supplying transportation. We would also like to mention the Junior Camp chief Robert Okomoto of the 1st Christina Lake Troop and the Deputy Junior Camp chief Marty Hanson of the Tonasket Post 21 for their loyal support.

Our special thanks to Father Viney and Rev. Johnson for taking time out from their busy schedules to come and conduct our services.

In addition we want to thank the following scoutmasters and their troops for their support and assistance in carrying out various projects connected with the camporee: namely Scouters Stocks, Hobden, Renz, McNeil; Leigh; Winters; Casler and Towgood. In a list of this nature invariably there is some one left out, so to all the others who helped to make the 15th Camporee a success, my sincere thanks. J. B. Laidlaw, Camp chief.

For the last week Howard Pruden has attended an insurance conference in Camrose, Alta. and has also visited in Edmonton. He was accompanied by Mrs. Pruden

Miss Marlyn Washington, who is at Gibsons, teaching is visiting her mother this week. Also visiting at the Washington's are son Gerald and family.

Miss Dorothy Carston of Vancouver is visiting her parents, Mr. and Mrs. Fredrich Carston.

On Monday about forty members of the local Baptist church camp above Peachtist congregation in Summerland drove up to the land for a picnic. About 200 members of the Vernon, Kelowna, Summerland and Pentiction congregations were present.

Born in Summerland General Hospital, Sunday, May 22, to Mr. and Mrs. Stan Taylor, a girl.

Dr. and Mrs. H. R. McLarty have returned from several weeks at Renata to their home in Trout Creek.

Mr. and Mrs. Geo. Harper with Mrs. D. Day of Pentiction, spent the week end in Vancouver, returning through the state of Washington to their home in Trout Creek.

Mr. and Mrs. Ken Williams and Mr. and Mrs. Clarence Lackey went to Chelan, Wash. for the holiday week end.

Mr. and Mrs. Ewart Williams of Trout Creek were in Vancouver last week end.

Mr. and Mrs. Robert Alstead had as their guests at the week end their son in law and daughter, Mr. and Mrs. Jack Rowland of New Westminster with their four daughters.

Visitors at the home of Mr and Mrs. Frank Bennison over the week end were Mr and Mrs. Don Grice and Lois, New Westminster, Mr and Mrs. Wm. Armstrong of Kamloops, Miss Noreen Bennison and John McMaster, of Vancouver.

Over the holiday Mr. and Mrs. A. F. Crawford accompanied by Mr. and Mrs. L. Fudge motored to the coast.

Mrs. Peter returned to Vancouver after spending a week with Mrs. A. D. Glen and other friends.

According to the official count there were 21 cars at Peach Orchard Park over the holiday weekend. Some folks were tenting despite the chilly weather.

These Scouts from Troop 47, Bridgeport, Wash. like the easily carried, two piece pup tents.

Camporee Song

by ADC Gwyn Russell
We are camping!
At Faulder.
Camporee!
Washington and Bee Cee.

(Tune London's Burning)
We are camping!
At Faulder.
Camporee!

Summerland Teen Town council, with their adult adviser, Mrs. Reid, sat in on the regular council meeting Tuesday night. Councillor Norman Holmes was in the chair as Reeve Atkinson was unable to attend.

Mr. and Mrs. Walter Setter and neice Judy McGilivray motored to Spokane for the week end.

Mr. and Mrs. Tom Fookes have their son David from Quesnel visiting them.

Mr. Jack Kirk attended a meeting of Farm Labour Officers in Kelowna Wednesday morning.

Mr. and Mrs. Fred Lobban have Mrs. E. Reeves of Winnipeg visiting them.

Mr. and Mrs. Phil Dunsdon and children spent last week in Vancouver.

Mr. and Mrs. George Lewin of White Rock are visiting for a few days with Mr. and Mrs. T. B. Young.

Mr. and Mrs. Gavin Perry have returned to Naicam, Sask. to live after spending two years in Summerland.

After spending two weeks at his home Gary Hackman returned to Edmonton on Thursday enroute to Tulstoyolstuk, North West Territories to work for the Northern Transportation Co for the summer.

Mrs. Anne Clifford had her nephew Mr. Walter Benison visiting over the weekend.

Mrs. Hughes visited Mrs. Brown in Parkdale last week

WA sees slides on Europe

Members of the Summerland United Church W A and visitors were entertained their quarterly general meeting held in the church hall on Monday evening, May 16, with the showing of colored slides taken by Dr. James Marshall during the trip he and Mrs. Marshall enjoyed last year.

Lovely scenes of English countryside, towns and cities, even a shot of the confusion of Piccadilly Square, were followed by views of Scotland and continental Europe including the Black Forest. Dr. Marshall's interesting commentary added a great deal of interest to the showing of the slides and all those present were enthusiastic in their appreciation of the program.

The program was preceded by a short business meeting with Mrs. Wm. Durick, president, in the chair and Mrs. George Washington reading the devotional. All circles were well represented and each circle reported on the activities of its group.

The evening ended with delicious refreshments being served by the ladies of the Century Circle.

Two new additions to the business section are the smart neon sign on the Bank of Montreal and the phone booth (lighted at night) by Lorne Perry's office.

Congratulations Graduates

International Boy Scout Camporee held at Faulder

On this page the Summerland Review features the Okanagan Valley International Boy Scout Camporee held at Faulder May 13-15. Photos are by Steve Cannings.

Good weather favored the 5th annual Okanagan Valley International Boy Scout Camporee, which was held in the 1st Summerland Troop's campsite at Faulder and this helped to make the outing a success.

The camporee is a camping competition on a patrol basis. Each patrol is checked as they arrive at the camp and from, then until

they leave everything they do comes under the watchful eye of the inspection staff. Packs, equipment, fires, menus; cooking; gadgets sanitation; team spirit and many other features are all examined and points awarded accordingly.

Some 420 boys and leaders took part in the event. They came from the south Okanagan and Okanagan Boundary districts which take in the area from Summerland to the border and one troop from Greenwood. The American contingent was made up from troops

representing some 5000 sq. miles in north central Washington. In all there were 63 patrols in camp, 37 were American and 26 Canadian.

The Camporee is held in Washington and B.C. in alternate years, so next year's camp will be in Washington. It will not return to this district for another 4 years.

Some excitement was caused on Friday evening when the heavy traffic broke one of stringers on the bridge over Trout Creek, just inside the entrance to the camp. However expert help was available and a gang under DSM Gordon Blewett worked all day Saturday effecting repairs.

Saturday afternoon was given over to a Field Day of which another account appears elsewhere.

A mammoth campfire was held Saturday night under leadership of ADC Gwyn Russell. On this occasion the Canadians presented the American contingent with a birthday cake in recognition of this, their 50 year of Scouting. The cake was beautifully decorated by the DeLuxé Bakery, Penticton.

On Sunday morning religious observances were conducted in the camp by Rev. Ivor Johnson and Rev. Father Viney.

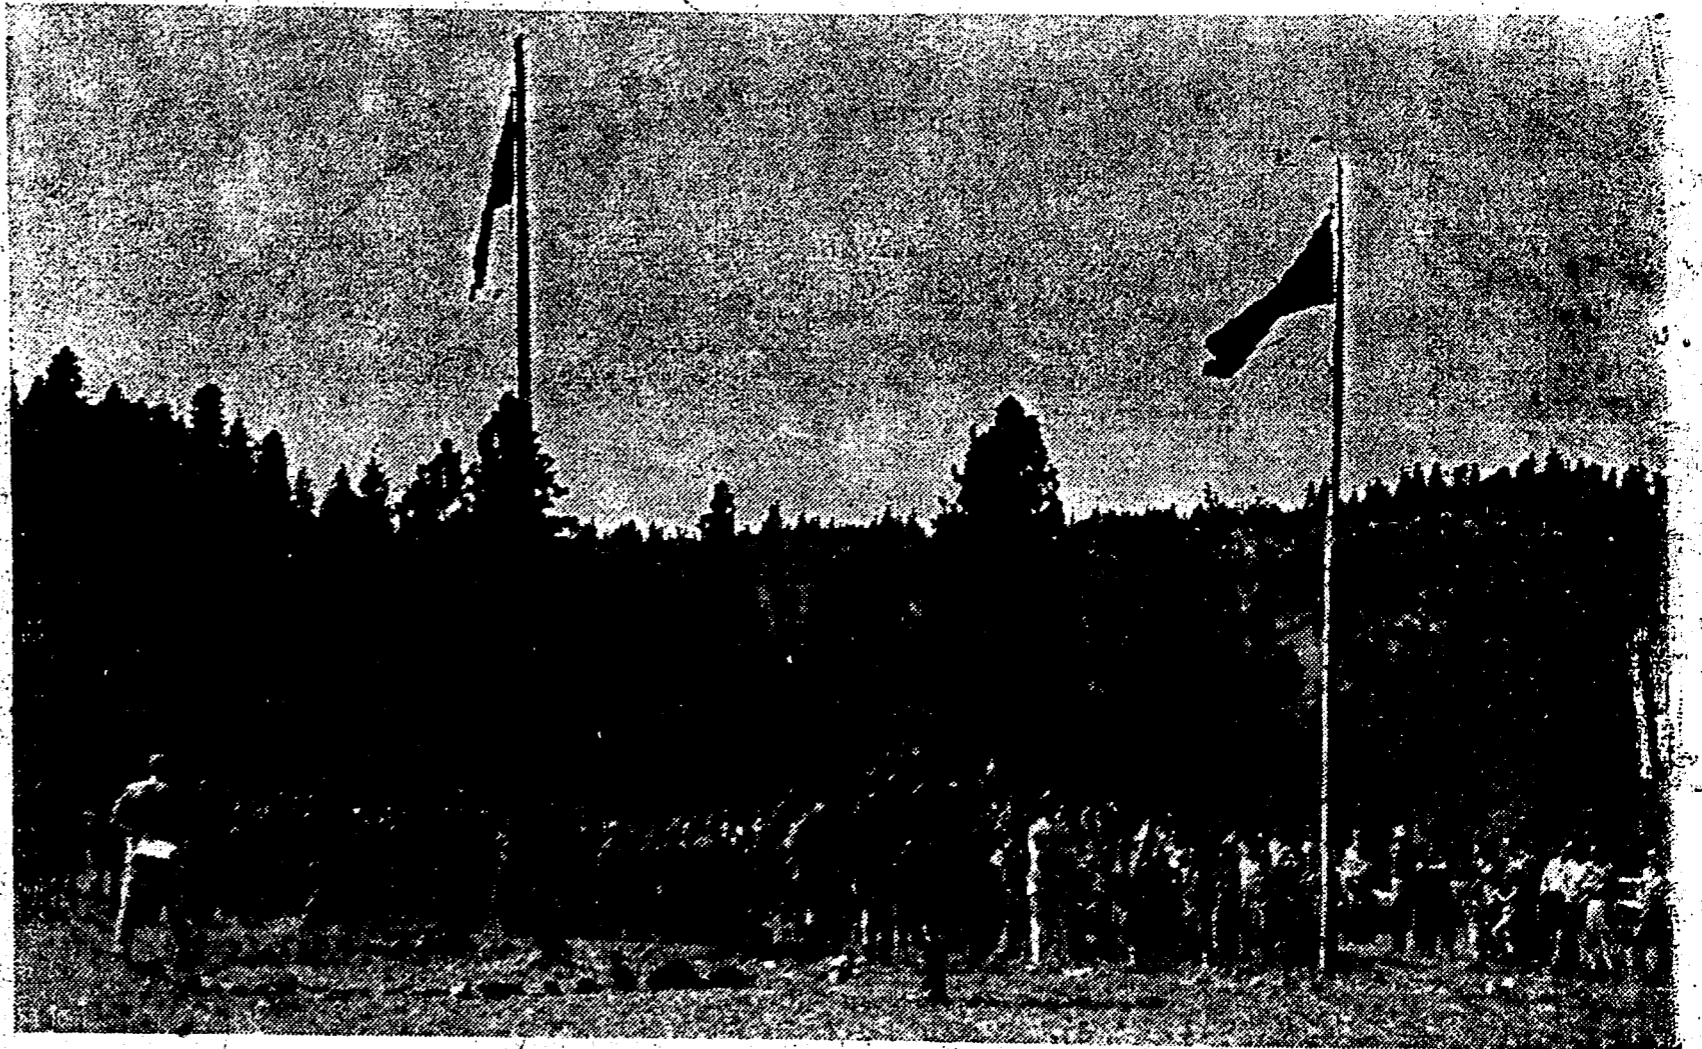

Top marks for the three day competition went to the Rocket Patrol of Omak Troop 25 with 117 points, while the Owl Patrol from the 1st Oliver Troop and the 6th Penticton (Haida) Wolves tied for second with 113 points each.

"Old Beaky" a trophy which is presented annually for the best campfire skit was won by the 1st Summerland Troop. Scoutmaster Fred McNeil of the 5th Penticton Troop who carved Old Beaky many years ago was on hand to make the presentation.

"Old Rattlesnake" another trophy which is presented annually to the patrol which is voted the best in camp was won by Owl patrol of the 1st Oliver Troop.

One section of the camp did a thriving business, that was the first aid tent. Here Jack Wall did a wonderful job contending with some 28 injuries. Only two of these were serious enough to require a doctor's attention and both of these returned to camp after a visit to the Summerland hospital.

Camp Chief J. B. Laidlaw said: "In all we feel the camporee was very successful. The weather was fine, there was lots to eat, and there was an air of friendliness and co-operation about the camp which indicated a good Scout spirit prevailed. Some are already looking forward to next year's event which will be held in Washington.

Closing ceremonies of the 15th Okanagan Valley International Boy Scout Camporee at Faulder. Over 400 Scouts, leaders and visitors enjoyed this beautiful setting under sunny skies as awards were presented and flags of the countries were lowered to end the Camporee.

Camporee Campfire

The rosy rays of the setting sun falling behind the foothills surrounding Faulder camp site gave way to the warm glow of campfires throughout the area. Troops in camp were preparing for their evening's entertainments, songs, choruses and skits around their campfires in preparation of the big council fire on the morrow.

Eight judges had been selected to visit the various displays and activities to assess their quality and select four or five skits for competition on the following evening. The chosen playlets would compete for "Old Beaky", a totem pole awarded annually at the International Camporee for the best troop entertainment at the Council Fire.

After some two hours of valuation and deliberation the judges choose the following skits to compete in the final. The 25 Omak, with satire on wrestling; The 60 Omak, with contagious troubles in the doctor's office; the 1st Summerland, with a burlesque on safety first; 1st OK Falls, with an old melodrama and the 5th Penticton, with dilemma in the choir.

On Saturday afternoon the junior campfire chief John Pleva of Osoyoos and a team of boys cleared away an area in which to build the huge council fire which would provide light and warmth for the four hundred boys, leaders and friends. They built the fire, and guards and provided apparatus to control the blaze should it get out of hand, seeing too that timber was on hand to replenish the fire from time to time.

At eight o'clock the bugler announced that time was near for the opening of the Saturday's entertainment, over four hundred boys gathered in the assembly, warmly wrapped against the cooling night air, then marched in single file into the campfire area, taking their positions for the grand opening. The huge fire, burning brilliantly, was opened by campfire chief Gwyn Russell, and the songs, choruses

yells and spirituals were led by Gene of Tonasket, Jack Scrivener of Vancouver, Bob Winter, Jack Stocks and Gwyn Russell of Penticton. The competition for the skits was interspersed in the program and all proved highly entertaining. The award for the best playlet went to the 1st Summerland Troop whilst the 25th Omak Troop was a close second.

The climax of the evening's festivity was heralded by five Scouts of the 6th Penticton bearing flaming torches and carrying a large birthday cake. The cake, beautifully decorated with the flags of Canada and the

USA showed two Scouts, one of each country, shaking lefthanded in the traditional scout way, and ornamented in each country with the fleur-de-lys, the international symbol of Scouting. This massive cake was presented to the U.S. Scouts contingent to celebrate their 50th year of Scouting in the US. This jubilee present was well received by all the American Scouts there.

So ended another Camporee Council Fire where friends are made and old friends remembered. "For these are the times we shall dream about and we will call them the good old days"

First Prize - Ice cream

Continuous hard work by Senior Scouts of the 1st Penticton group superintended by the Camp Chief's Deputy saw the large assembly area in the International Camporee made ready for the Saturday afternoon's game. The winners were to receive the prize of two and a half gallons of ice cream.

The first event a game of four corner tug of war proved great fun and caused lots of laughter, though the competitors came out of it well and truly dusted.

The second event was in the form of a nature quiz. Here patrols had to identify ten items of natural vegetation native to the area.

The third event was the building of an Indian Travois and a race of one hundred yards when completed, just to prove the job well done, one boy riding the travois and four pulling, caused spills and thrills over the rather uneven ground.

The fourth event under the eagle eye of the Camp First Aider, Jack Wall was a first aid relay where a team of five boys competed in the use of the triangular bandage applied to the head, ankle, thigh and large arm sling. Most unlucky member was the patient, no doubt.

Continuing with the first aid activities, the fifth event was the construction of an improvised stretcher-loading the patient and carrying him for a short distance. Yes, again the unlucky guy was the patient.

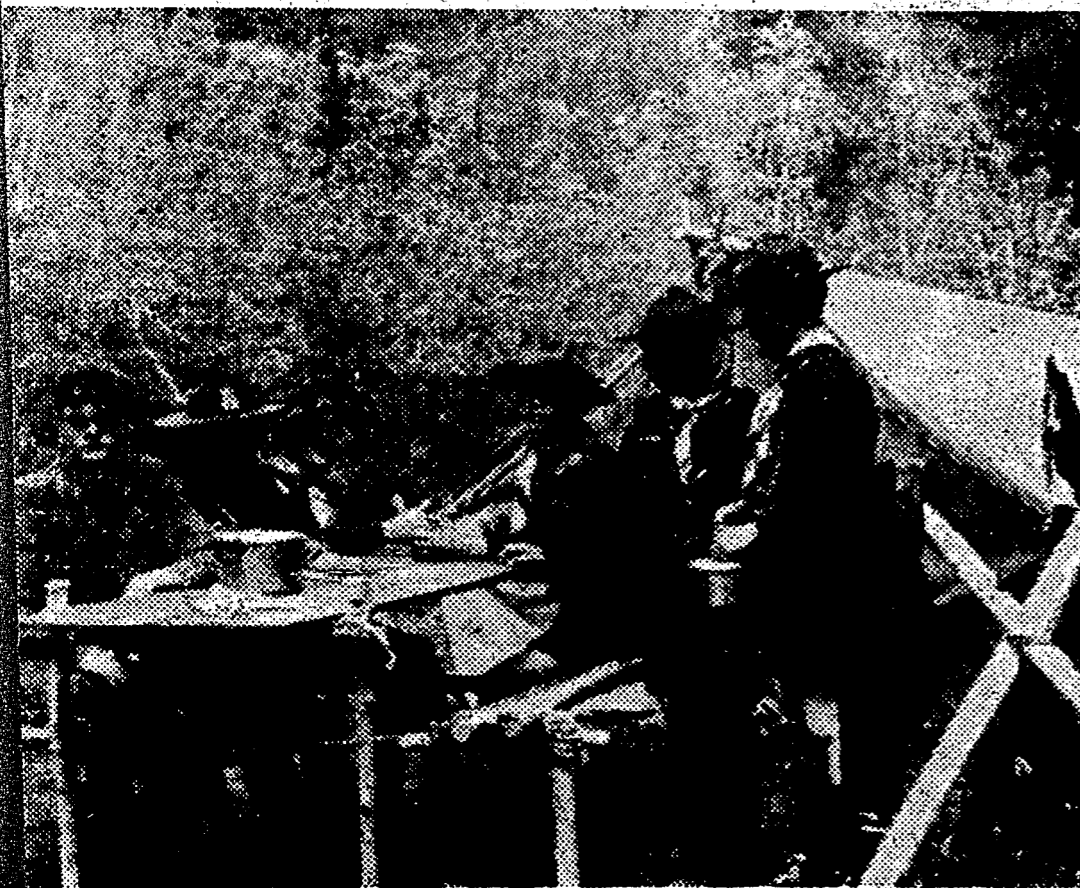

The sixth event, the heaving bar showed teams of two boys tossing a rope over a bar some 15 feet high and hauling a log of some 25 lbs. to its top and tying same to a post. This was a time event and it was done in a few short seconds.

The slalome boat race was great fun and many a crew bit the dust before making it safe fast to the finishing post.

The eighth event, a knotting relay, tested boys in their tenderfoot knots. There are some who still wonder what the use of a square knot is. Any takers.

After two hours of active games the boys competing and all breathing hard awaited the summing up of the judges' points. Boy, that ice cream would be just great at this time. The winners, the 21st Troop of Tonasket, but golly their Cub Scouts had turned up for the day and there was just enough to go around, the Tonasket group.

Hard luck fellas, just a lick of the spoon all round!

Scouts from Christina Lake, B.C. believe in comfort and efficiency. All poles for tents and camp gear, such as this one were brought from home by troops attending the camporee.

Scouts from Oliver (left) and Osoyoos (right) compare forms with new friends from Omak, Wash.

Scouts of the 1st Summerland Troop were right at Faulder for the camp at their own headquarters at Faulder.

MacDonald School Sports day Results

A combined Fun Day and Track and Field Meet was held by MacDonald School on May 13 and completed on May 18. Although the weather was not kind, parents, teachers and pupils alike enjoyed the various races, jumps and other events.

A new feature of the Sports Day was the separation of primary and intermediate grades. The primary children enjoyed the facilities of the Memorial Park. This section featured novelty races. The intermediate grades participated in a more formal meet which featured broad jumps, high jumps and dashes. Two new events were added to this section: (a) a boys' "marathon" race and (b) a girls' softball throw. Popularity of these two events was indicated by the number of entrants. Forty boys started the marathon and eighty-nine took part in the softball throw.

The Sports Day this year featured more events with emphasis on greater pupil participation rather than specialization for a few. Co-operation on the part of parents assured the success of the meet.

Track winners were:
 Dash 50 yd., boys 9: Billy Coates, Norman Stein, Jim Jenner, winning time 7 sec.
 Dash 50 yd., girls 9: Joan Holler, Shirley March, Connie Kuroda (7.35).
 Dash 50 yd., boys 10: Billy Fitzpatrick, Bobby Dunsdon, Robin Agur (7 sec.)
 Dash 50 yd., girls 10: Kay Fenwick, Josephine Rumpf, Donna Holmes (7.5 sec.)
 Dash 50 yd., girls 11: Sheryl Stein, Patsy Bednard Pat Impett (7:4 sec.)
 Dash 75 yd., boys 12: Bobby Wertz, Herman Toews, Ron Fitzpatrick, 11.1 seconds.
 Dash 50 yd., girls 12: Irene Vancha, Rita Rusaw, Joan Dunsdon (7.4 sec.)
 Dash 75 yd., boys over 12: Gerry Beggs, Martin Hoffman, Terry Rempel (10.1)
 Dash 50 yd., girls over 12: Maria Andreucci, Tana Trussell (7.9 sec.)
 Boys Marathon open (400 yd.): Gerry Beggs, Billy Fitzpatrick, Martin Hoffman (62 sec.)
 Dash 50 yd., boys 11: Barry Derosier, Dale Stevenson, Doug Lynn and Harold McLachlan (7 sec.)
 Girls' broad jump, 9 yrs.: Joan Holler, Katy Evans,

Beverly Malett (10'4")
 10 yrs.: Susan Kean, Josephine Rumpf (10'6")
 11 yrs.: Susan Wilson, Sheryl Stein, Deidre Lawson (11'3")
 12 yrs.: Rita Rusaw, Joan Dunsdon, Jane McGillivray (12'2")
 Over 12: Maria Andreucci Tana Trussell (9'4")
 Girls' High Jump:
 9 yrs.: Sheila McLachlan; Donna Biagioni, Lillian Tucker (3'1")
 10 yrs.: Elaine Charles, Jo-Anne Stubbs, Kay Fenwick (3'2")
 11 yrs.: Sheryl Stein, Sharon Biagioni, Shardon McIntosh (3'6 1/2")
 12 yrs.: Denise Bennison, Joan Dunsdon, Beatrice Young (4")
 Over 12: Tana Trussell, Maria Andreucci (2'9")
 Boys' Broad Jump:
 9 yrs.: Arthur Bolton, Norman Stein, James Jenner (10'7")
 10 yrs.: Billy Fitzpatrick, Gilbert Inglis, Robin Agur, 11'6 1/2")
 11 yrs.: Barry Derosier, Lon Blystone, Ron Tycholaz (12'9")
 12 yrs.: Bob Wertz; Ron Fitzpatrick, Phillip Gingel, (11'7")
 Over 12: Terry Rempel, Gerry Beggs, Dennis Head (12'8")
 Boys' High Jump:
 9 yrs., Arthur Boyton, Allan Nilson, Jim Jenner (3'4")
 10 yrs.: Billy Fitzpatrick, Robin Agur, Bruce McGregor and John Bruce tied.
 11 years: Barry Derosier, Dale Stevenson and Harold McLachlan tied. (3'8")
 12 yrs.: Bill Downton, Herman Toews, Bobby Wertz (3'11")
 Over 12: Terry Rempel, Allan Bennison and Jim Robertson (4")
 Girls' Softball Throw, open: Beatrice Young, Deidre Lawson, Maria Andreucci (92'8")
 Individual cup winners:
 Sheryl Stein, 13 points; Billy Fitzpatrick 18 points; Gerry Beggs 18 points.
 Points: Red 209, White 171, Blue 175.
Primary winners (1-3) were
 Boys' winner: Gerritt Faasse, 16 points.
 Girls' winner: Hazel Lynn 14 points.
 Race winners - dashes:
 Girls, 6 yr.: Katie Walker, Mary Mead, Gail Abernathy.
 Boys, 6 yr.: Danny Martin, Kenny Mayert, Lynn Trach.
 Girls, 7 yr.: Barbara Brandon, Margaret Holler, Maureen Smith.
 Boys, 7 yr.: Philip Rathjen, Randy Faasse, Gordon Bennest.
 Girls 8 yr.: Hazel Lynn, Helen Lynn, Elizabeth Gianotti.
 Boys 8 yr.: Herb Dewitt, George Jenner, Paul Walker.
 Girls 9 yr.: Karen Holman, Audrey Young; Rosamond Hyde.
 Boys 9 yr.: Pat Keyes, Bruce Karlstrom, Dale Clark.
 Shoe Race:
 Girls 6 yr.: Brenda McWhinnie, Jessica Ponny, Jeannette Hill.
 Boys 6 yr.: Kenny Mayert, Robby Mack, Daniel

Sooter.
 Girls 7 yr.: Margaret Holler, Barbaa Brandon, Maureen Smith.
 Boys, 7 yr.: Graydon Ratzlaff, Francis Schwab, Philip Rathjen.
 Girls 8 yr.: Leona Wolfe, Marlene Galloway, Heather Wilson.

 Boys 9 yr.: Gerritt Faasse, Dee Eden, Bruce Karlstrom.

HANDYMAN ABOUT THE HOUSE

By GORDON DONALDSON

Today's do-it-yourself project will appeal to the go-ahead, buck-hungry, social-climbing, Jones-chasing, would-be-junior-executive and to most suburban homeowners.
 It is: How to nail a For Sale sign on a two-year-old house.
 When I first crawled under a mortgage to set up home I read that the average Canadian suburbanite got through three and a half houses before finally taking root.
 Apart from thinking mildly that he deserved to end up in half a home if he couldn't be content with the first three, I paid little attention.
 Now I'm beginning to understand the pattern that causes us to shunt around so much. At this very moment an ulcerated \$100,000-a-year man is levering himself into a six-bathroomed palace while an insomniac bank president waits to take over his old place.
 Meanwhile a pill-swallowing vice-president plonks down the cash for the bank president's house and a high-blood-pressure sales executive raises a loan to step into the vice-president's villa.
 This goes on down the line, past the ranch style, the two-mortgage split-levels, the three-mortgage bungalows, the half-paid-for duplexes until, suddenly a bed is empty in a flop-house and a new wino moves in from the gutter.
 Caught in the middle is the man with a NHA mortgage who has been paying for the house for a couple of years and now has just about as much money in it as he can hope to get out of it by selling it. That's why I like the house, but if I could sell it a few more years

nobody will ever pay the down payment I'll need to get out. Why should they if they can buy new homes for half as much down?
 The only way out would be for me to take back a second mortgage. But I don't want mortgages: I want cash to buy a new and bigger place.
 Everybody wants cash; so there's more to that do-it-yourself project I mentioned than hammering up the For Sale sign.
 The house must look its best. Let's start outside and see what can be done to freshen it up.
 The doors, now. Do they shut properly or do they require a mighty slam that jams them tight?
 The hinges may be loose, the frame may have settled and shifted or the door itself may be swollen.
 Test the hinges first by pulling both door knobs together and trying to lift and lower the door. If there is any movement tighten the hinge screws. If there's a lot, replace with larger screws or plug the holes with dowelling and redrill them.
 If the frame has sagged it's easier to alter the shape of the door slightly than replace the frame. Don't get carried away when planing the edge of a door as it may shrink later and you'll have howling drafts next winter.
 If the latch bolt of the lock doesn't enter its hole exactly note just where it strikes and move the plate slightly up or down until the lock closes with a gentle click.
 Next week I'll look at the walls and the roof and consider improvements that may attract a lucky buyer or even keep the present owner happy with the house for a while.

George Henley tops at valley track meet

George Henley's record shattering run in the senior 880 and his easy victory in the open mile; Roger Solly's win in the senior hop, step and jump; and Ron Dunsdon's second place in the senior discus, were the outstanding Summerland performances at the Okanagan Track and Field Meet held last Friday at Penticton's

King's Park.

After a brief suspension of activities in the morning, the meet went ahead as scheduled in spite of adverse weather conditions.

Neither the weather nor the soggy track, however, discouraged Henley from his bid to crack the 880 record. He was forced to run outside his competition for the first 300 yards, finally taking the lead on the inside before going into the second turn. He ran the first 440 in 60 flat and steadily increased his lead to win in 2:03.2, 1.2 seconds under the old record. George's real work was over for the day. He was content to run with the field for the first three quarters in the mile and had no trouble drawing away to a decisive win in a slow race by blistering a 26.5 second final 220.

Roger Solly, performing the hop, step and jump for the first time in competition proved himself better than anyone in the valley by jumping 38.2 to win that event. He also garnered third place in the senior high jump. "Old Reliable" Solly will be missed on future track teams here, he graduates in June. Roger has been a stand-by on Summerland track teams for the past three years. He reached the finals in his events every year, and last year tied the valley intermediate high jump mark at 5 ft. 7 in.

Ron Dunsdon, in his first competitive year in any track event, came through with a creditable second in the discus. Last week he set a school record in this event, flinging the platter 110 ft. 11 in.

Dennis Lackey, after a shaky midseason of broken training because of sickness recovered soon enough to rattle off a third place in the intermediate 220 and not much later in the day, newcomer and darkhorse Ken Beggs won fourth place points in the senior 220.

Other point getters were David Davis 6th in the 16 and under boys pole vault; Linda Rumball, 6th in the 14 and under girls dash; Lance Jones, 5th in the 14 and under boys high jump; and the relay team of Norman Smith, Rodney Kilback, Dennis Lackey and Bob Madsen came 4th in the 16 and under boys relay.

Summerland's total was 27 1-4 points.

As last year's champions, the senior girls softball team will host a tournament this Saturday. This event will take place at the Memorial Park and the first game will commence at 10:00 a.m.

SOFTBALL THURSDAY

In softball last week the Macs defeated Osoyoos here last Thursday. This Thursday they take on Kelowna here at the playground park. Game time 7 p.m. With the good weather coming this is a good way to spend an evening watching good softball.

Kiwanis

Club Notes

At Kiwanis on Tuesday night a very neat dinner napkin was at every place informing of the spring conference to be held in Prince. President expressed the hope that all who possibly could would make the effort to be there.

Birthdays were celebrated by Ken Heales and Doug Campbell.

John Walker of Victoria was present as a guest and it is always nice to have out of town Kiwanians with us.

Bill Laidlaw presented the financial statement for the past twelve months.

Ed McGillivray spoke of the family outing last week end, when quite a bit of work was put in on the Girl Guide camp.

The guest speakers were introduced by Bill Laidlaw, and they were Dr. H. J. Phillips, DDS, DDPH, Regional Dental Consultant of Dept. of Health and Mr. Alcock, of the Sanitorium of South Okanagan Health Unit.

These gentlemen talked on fluoridation, and in a very able and down to earth manner, explained how serious is the dental question of today. The population is increasing to such an extent, that the already overworked dentists cannot possibly hope to cope with the situation, and most important of all cannot give the attention where it is most required, i.e. to the children. They pointed out that at least 40 per cent of present children need attention badly, another 40 per cent have teeth that are only in fair condition, and the remainder are fairly good. That this situation can be overcome by the fluoridation of water, which gives the ability to teeth to resist the onslaught of other strong acids and that tests on the American continent over the past 30 years show that the proportion of one (1) part of fluorine to one million parts of water are in every way harmless. That in the USA there are about 40 million users of Fluorine, and in Canada about one million. Their talk was followed by a very extended question period, all of which argued well for the meeting next week when the club will discuss the matter further. All members are therefore asked to make a special point of their attendance. The speakers were thanked by Walter Toews.

Macs take second money at Oliver

There was no league action for the Summerland Macs on Sunday, instead they travelled to Oliver on Monday for the Oliver invitational tournament. Four teams took part in the one day affair.

The Macs put on their "hitting pants" in the first game against Oliver, collecting 19 hits in all and defeating Oliver 10-6. Hooker started on the mound and was relieved by Sheeley in the 5th. Sheeley picked up the win. Bob Parker with 5 for 5 and Bruce Lemke with 4 for 5 were the big hitters.

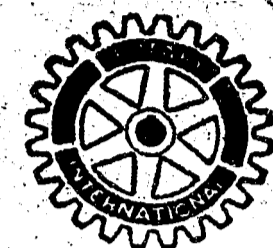

In the second game Penticton defeated Kelowna 5-1 to enter the finals against Summerland.

The finals were the old story for the Macs, they ran out of pitching and the hitters didn't hit. Sheeley started the game and was hit hard. He was relieved by junior pitcher Menu, who did a creditable job for the three innings he worked. Sheeley took the loss. O'Neill picked up two of the

Macs three hits with Hooker getting the other. Final score 10-0.

The next result was that Macs took second place worth \$50.00 and better than staying home.

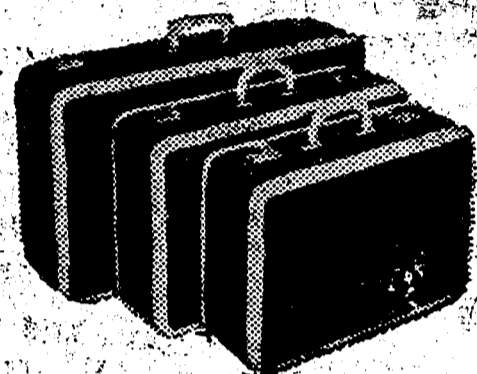

The next league action against Kelowna this Sunday at 1:30 p.m.
