The Summerland Review

Thursday, January 5, 1961

West Summerland, B.C.

Volume 16, No. 1

Jimmy's Meatateria has sold out to the Summerland Groceteria and on January 1st, Mr. Jimmy Heavysides will be operating a plant at Westbank manufacturing and distributing X-L Meat seasoning throughout B.C.

Mr. and Mrs. Heavysides will continue to live in Summerland.

For the moment the Summerland Groceteria staff will carry on the meat sales, with fresh meat to come in daily.

In the near future new self service equipment will be installed to give added convenience to their customers.

1960 prize winner of the District Canadian Cancer Society High School essay contest was Miss Carole Williams of the Summerland High School.

December was a busy time at the Summerland General Hospital with the following births recorded in December and January:

Dec. 3, a girl to Mr. and Mrs. Bill Vanderburg.

Dec. 4, a girl to Mr. and Mrs. Jimmy May.

Dec. 5, a girl to Mr. and Mrs. N. Aoki.

Dec. 18, a girl to Mr. and Mrs. Alfredo Bonaldi.

Dec. 30, a boy to Mr. and Mrs. Peter Beulah.

The first baby of the new year a boy, was born to Mr. and Mrs. Len Giannotti January 1st.

Jan. 2, a boy to Mr. and Mrs. John Gilmour.

Jan. 2, a girl to Mr. and Mrs. James Royer.

A total of 46 babies were born in Summerland General Hospital in 1960 compared to 41 in 1959.

The annual meeting of the Canadian Red Cross Society will be held Tuesday January 10th in the Health Centre at 3 o'clock.

Mr. J. E. O'Mahoney is retiring March 31st from his post as Administrator of the Summerland General Hospital after 20 years.

Mr. and Mrs. O'Mahoney came to Summerland in 1923 from Calgary and purchased an orchard on the Front Bench. In 1941 Mr. O'Mahoney was appointed as Administrator of the hospital, and intends to continue to live in Summerland following his retirement.

Applications are now being accepted until January 16th by the Hospital Board for the position of Administrator.

The most disastrous fire in 1960, B.C. Shippers Packinghouse and cold storage plant burnt to the ground in October. Large crowd watched as firemen fought a losing battle to save the cold storage plant.

Committees named for 1961 Council

Committees for the year were named by Reeve F. E. Atkinson at Tuesday afternoon's statutory council meeting. Councillor Norman Holmes was elected acting reeve.

Reeve Atkinson said that the senior citizen's home will be the biggest project for this year and it is hoped that a start will be made in obtaining domestic water for Trout Creek residents.

Declarations were received from Councillors W. B. Powell and H. J. Barkwill, the former re-elected for a two year term and the latter returning for a two year term after being out for a few years. Councillor Holmes filed his papers for the one-year unexpired term of Bob Alstead who resigned.

The provisional budget was submitted for perusal and will be discussed further at next week's council meeting.

Following are the committees and appointments:

water, W. B. Powell, H. J. Barkwill; arena, L. A. Smith; roads, Barkwill, Powell; fire, Smith, Reeve F. E. Atkinson; light, Norman Holmes, Powell; pounds and refuse, Smith; finance and insurance, Barkwill, Holmes; real estate, Holmes, Smith; senior citizen's home, Holmes; hospital representative until the annual meeting, Bob Alstead, then Holmes; south Okanagan health unit representative, Mrs. T. M. Croil; Okanagan regional library representative, Mrs. T. M. Croil; civil defence officer, I. P. Phillips, council C D representative, Reeve Atkinson; parks' committee, Holmes, appointed by reeve, L. L. Fudge, E. H. Bennett, Wm. Snow.

Council meetings will continue to be held the second and fourth Tuesday evenings at 7 p. m. The reeve and council constitute the board of health to act in national or local health disasters.

YAMABE WINS B of T LIGHT-UP CONTEST

Mr. and Mrs. R. K. Yamabe were awarded the first prize in the holiday lightup contest sponsored by the board of trade and will be given the F. E. Atkinson cup and a \$25.00 gift certificate from Macill's Ladies Wear, donated by store owners, Mr. and Mrs. E. O. White.

The Yamabe house near the entrance to Garnett Valley was chosen first as exemplifying the true spirit of Christmas. A Nativity scene was arranged on the lawn, spotlighted so that the shadows of the figures fell effectively on the house wall.

Second prize of \$10.00 goes to F. R. Ganzeveld on the KVR Road. Mr. and Mrs. Fred Schumann, Trout Creek, placed third, winning \$5.00.

Honorable mention was given many others. Among them were former prize winners, Al McIntosh, Dr. Jack Ratzlaff, H. P. Hodgson, and T. B. Lott.

Special mention also went to K. M. Blagborne, Garnett Valley, Larry Hunter, Garnett Valley, C. V. G. Morgan, Trout Creek, Miss Darlene Dixon, Parkdale, Mrs. Olive Rumball, Mr. and Mrs. Leslie Rumball, Mr. and Mrs. G. C. Johnston, Quinpoole St., H. W. Brown, KVR Road.

BROODER HOUSE BURNS

A brooder house belonging to Harold Hutton was destroyed by fire early on the morning of December 23rd.

The Summerland Fire Brigade had the fire under control when the water supply dwindled, making it impossible to save the building.

Loss has been estimated at \$5000., with 2,400 two day old chicks being smothered by smoke as well as the building and equipment that was destroyed. The loss was covered by insurance and the Huttons intend to rebuild shortly.

WORK TO START ON HOME SOON

If the weather permits, building will start on the Senior Citizens Home in West Summerland, about the middle of January. The home, to be constructed on the Health Centre lot will be constructed under the Winter Works program using municipal crew and local skilled tradesmen, at a cost of about \$160,000.00. Councillor Norman Holmes told the Review, that bond sales to an amount of \$65,000.00 will commence shortly and, applications can be made now, to G. D. Smith, municipal clerk. Bonds will be in denominations of \$500. and \$1,000. They will bear six per cent interest. All \$500. bonds will be redeemed in the first ten years.

The boarding rate at the home will be \$75.00 a month and applications are invited now. It is hoped the home will operate to capacity.

ANNUAL MEETING OF B of T JANUARY 12.

Annual meeting and election of officers of Summerland board of trade will take place on Thursday January 12, at the regular meeting.

The annual banquet and presentation of the Good Citizen Cup will be held on Thursday evening, Feb. 2. Maurice Finnerty of Penticton, president of the B.C. Chamber of Commerce, will be the guest speaker.

MOUNTAIN VIEW HOME CLOSED

Mountain View Home is closed. "Pop" Whyte and the few of the staff left here have gone to New York to join Mrs. Whyte who has taken a house there. The present plan is to go to Nigeria in a few weeks to operate a home or homes for unwanted children.

HAPPY TIMES AT SUNDAY SCHOOL PARTIES

St. Stephen's Sunday School parties are over for 1960. The Primary Department held theirs on Dec. 16, and as usual was much enjoyed.

The Senior Department, under the sponsorship of the teachers and the Secretary held their party in the Parish Hall on the evening of Dec. 28

Different teachers were responsible for the games and had plenty of co-operation by the children, Mr. A. Cook provided lively music on the piano. Many team games earned prizes of candy, and provided much fun and hilarity. Doughnuts, pop and ice-cream rounded out an enjoyable evening.

The evening of Dec. 29 was given over to the Juniors. From the opening "Musical Chairs," through the Treasure Hunt, Egg and Spoon race, Balloon race, Life-savers' race there was not a dull moment. Mr. Bert Berry was on hand with projector and movie. While this was in preparation the children sang carols to the accompaniment of Miss P. Mead at the piano.

After the hilarious picture doughnuts, ice cream and pop were served, and the best party of the year came to an end. Many of the children expressed their thanks to the teachers for this happy event.

BARBARA FUDGE GOING TO SASKATOON

Miss Barbara Fudge, daughter of Mr. and Mrs. L. L. Fudge, a second year education student at UBC, is one of a team of five chosen to fly to the University of Saskatchewan at Saskatoon in January to attend an education conference.

One student from 5th year, one from 4th, and three from the 2nd year education course have been chosen to attend the discussion group.

Representing organizations at important points not new to Barbara who went to New York a few years ago on the Oddfellows' United Nations' student pilgrimage as a delegate from the south Okanagan.

Mr. and Mrs. Arley Gayton were at the coast for Christmas.

1st Summerland Troop

During the Xmas holidays the Troop's activities consisted of a two night winter camp at Trout Creek Headwaters back of Peachland. Seventeen scouts took part and three leaders. Mr. Fisher, Mr. Towgood and Mr. B. T. Blagborne. The troop set out from the end of the Lake and hauled in tents and supplies on five tobaggans over the ice to the campsite at the location of the old Municipality Cabin. The cabin, which was fixed up two years ago by the scouts and Mr. Wilson of the F.

cook house and place to dry out clothing. The scouts set up three tents on tramped down snow and severed guy lines to logs either side of the tents. The boys cut spruce boughs for the floor and laid tarpaulins on the boughs and put their sleeping bags on the tarpaulin. Each patrol constructed a reflector fireplace in front of the tents with green logs for the base on which to light the fire.

Activities consisted of snow shoeing, tobogganing, skiing and ice fishing. Despite 18 inches of snow and night temperatures around 10 degrees F. everyone kept warm by use of suitable clothing. In the evenings a program of games, stories and singing in the cabin rounded out the days activities.

The whole program proved to the boys how pleasant and comfortable outdoor winter camping can be when properly planned. The weather cooperated by not being cold and by sunny days. The leaders proved that even tents are unnecessary by sleeping on a bough bed outdoors covered with a tarpaulin.

At the last Scout meeting, scouts Nigel Blagborne and Doug Trussell were invested which completed the tenderfoot training of all new boys in the troop. Scouts who have not already done so are reminded that the 3 dollar annual fee consisting of two dollars dues and one dollar registration is now due and we are anxious to clean this up right away.

Next meeting is Monday January 9 and we hope for a full turnout in full uniform.

THE GREEKS HAD A WORD FOR THIS TOO

It was Archimedes who said "give me a lever long enough and a fulcrum strong enough and single handed I can move the world." It is a good thing to know in case things ever get that bad!
With devices like the lever, primitive man multiplied the power of his own muscles. Today he joins other energy sources to work.
Only a small fraction of work in Canada is done by man's muscles—the rest is done by machines. Oil to power these machines and to fill other energy needs has been made available by companies like Imperial at reasonable prices wherever it is needed. Because of this, Canadians have turned to oil for more than half their energy requirements—they use it at the rate of more than 1,000,000 gallons an hour.

THOSE WEAK-KNEED RESOLUTIONS

Nearly everyone pauses at this time of the year and gives a little thought to what has happened in the twelve months just slipped by, and makes some sort of a resolution to do a little better in the year to come.

Not many people, however, give it very deep or prolonged thought and the few good intentions that enter their minds filter out again without much effort being taken to retain them.

It is good for the soul and good for self-discipline to make some New Year's resolutions. However, it is wise not to try and cure all things in one fell swoop for the task will be greater than the human ability to undertake them. Much better would it be to make a little change this year and a little next year and so on. Before too many New Year's have passed a real achievement would be noted.

Most of us try to minimize our faults and failings and rationalize them out as natural characteristics we possess. It would be one of the best New Year's resolutions we could make if we would just be honest with ourselves and try to do a little better with our own selves during the coming twelve months.

DRIVE SAFELY - ACT SAFELY - LIVE

New Year's driving will result in more than 100 fatalities this year unless motorists and pedestrians take the strictest precautions, warns the All Canada Insurance Federation.

Officials of the Federation urge motorists and pedestrians to take every precaution against accidents due to winter driving conditions and increased traffic.

Four major factors—speeding, drinking and driving, driving on the wrong side of the road and refusal to yield the right of way—are responsible for most accidents, said insurance officials. They estimated that 50 per cent of all traffic accidents are caused by speed alone.

The "human factor"—negligence and irresponsibility—accounts for most traffic accidents, according to safety

Experts warned also against drinking and driving, still a major cause of holiday accidents despite increased police vigilance. They pointed out that the effect of alcohol on a driver varies from person to person, so that it is impossible to determine what amount of liquor can be drunk before a driver becomes impaired.

"The best precaution is to keep drinking and driving separate. After a party, take a taxi whenever possible, but if you must drive, make the one for the road a cup of tea", they said.

Member Reports

By Dave Pugh, M.P.

This will be my last report from Parliament Hill as the House will be recessing shortly and I would like to take this opportunity to wish you all a Merry Christmas and a Happy New Year.

The Christmas break will see the close of one of the most forceful periods of legislation for a long time. A record was set when the first legislation went through and in point of time each succeeding Bill has shown to all the desire of all members to place effective legislation on the books—legislation designed to create employment and better Canada's future.

This week has been discussion on the new Productivity Council—legislation designed to provide expanding opportunities to increase employment and trade and a rising national standard of living. The Bill states that it is in the national interest to promote and expedite continued improvement in productive efficiency in the various aspects of Canadian economic activity. The Bill is not yet through but much of the discussion is centred on employment. Comparing this Bill with those on vocational training, national housing and loans to small business, the Government's desire to create employment is becoming more apparent. Mr. Diefenbaker announced in the House the other day that these Bills were the most important as a start and the further legislation is now being considered.

The effect is being felt already under the vocational training program, one large school having been announced in the last few days. Numerous requests are being put in by municipalities under the sewer section. This is not surprising when it is known that only one-sixth of urban municipalities have adequate sewerage disposal.

The national Housing Bill will keep such applications under the Loans to Small Businesses Bill. I have talked to many members who report that already they have had numerous requests under this act.

I feel that there is only one way to describe the session so far and that is to call it buoyant. Members from all parties have praised the legislation and at the same time carried out their traditional role of opposition and criticized where they have felt that criticism is justified. In fact some very fine speeches have been made by opposition members.

As the effects of the legislation are felt, it will be interesting to watch the employment situation.

Come and Pray

by Rev. N. Tanner

So the motto says, "Prayer changes things". Does it? Sometimes, because a saying has a religious connotation it is blithely accepted by the credulous. A Christian, however, should not be marked by blind belief and the acceptance of every religious sounding saying, but rather by his questioning search for the truth.

Now the important thing about prayer is not that it changes things (if it ever does, because "things" are material) but that prayer changes YOU and others to such an extent that we triumph over "things," whether they be a disagreeable environment, or an unpleasant task, or perhaps an inexplicable trial.

Essentially prayer should be rationally selfish, in that we should pray for ourselves first rather than our enemies. For how can we pray for our enemies when our lives are marred by hate, jealousy, spite,

envy, prejudice or bias etc. "First cast out the beam out of thine own eye, and then shalt thou see clearly to cast out the mote out of the brother's eye."—Math. 7-5 Prayer puts us right with God, and then, and only then, are we put right with our fellow man and are fit to pray for him too.

Prayer is a call to God that His will, not yours, be done. Pray, if you dare, because prayer changes YOU.

INVESTITURE OF ANGLICAN BISHOP

On Friday of this week a consecration service for Dr. William Coleman, newly elected Anglican Bishop of the Kootenay will be held in Christ Church Cathedral in Victoria.

Archbishop Harold Sexton will preside at the service which will be held on the Feast of Epiphany.

HERE'S WHY-----

Mr. Joe Sheeley, municipal assessor has released the following statement to the Review for the information of our readers.

It is pointed out that this years assessment notice should not be compared with last years tax notice as improvements are not taxed at 100%.

There are several points relative to assessments which a great number of owners do not understand, and for clarification purposes here are the most prevalent ideas that assessors are called upon to explain.

Question 1. That the level of assessment is dictated according to the wishes of the Reeve and Council and their financial policies.

Answer: This is not so. The Level of assessment Province-wide is dictated by the Provincial Government in Victoria for equalization purposes and the Municipal Council has no regulatory powers insofar as assessments are concerned.

Question 2. That the Municipality needs more money therefore the assessment level has been ordered raised.

Answer: This is not so. The assessment of any property is for equalization between individuals or districts, or areas, in accordance with the actual value of their property or properties and is not adjusted because of the abundance or lack of tax monies.

Question 3. My property assessment went up 50% whereas my neighbor's property only went up 10%. This is discrimination.

Answer: The test is not one of a percentage or an across-the-board amount. Real estate, like persons, or cars, or apples, does not all deteriorate or appreciate at exactly the same rate.

Question 4. I have done absolutely nothing to my property and yet you have raised the assessment this year over last.

Answer: The assessment

on any property applies only for the year it is designated for and may not have any relationship to any other assessment of the same property in previous or later years. The level of assessment is not set by assessment policy in each individual year. This policy is now initiated by the Assessment Commissioner's Office at Victoria. Assessments therefore can fluctuate from year to year in accordance with Government policy.

Question 5. You have raised my assessment. How much extra taxes does that mean?

Answer: I don't know. Tax policies using assessments as a base are determined by Municipal Council when they set the mill rate in accordance with the operational requirements of the municipality. This is not the field of the Assessor and therefore he does not know. Also a raise in assessment value does not necessarily mean an increase in tax.

Question 6. I am an old age pensioner (or a widow) and cannot afford to pay higher taxes. Why don't you raise the assessments higher on those speculators in local real estate who have the ability to pay?

Answer: The Assessor is sworn to value all properties with total disregard of ownership or the owner's personal conditions. He can not assess one section of society at a different level to any other section. It is contrary to law to do so.

Question 7. If I paint my dwelling and put on a new roof will my assessment go up?

Answer: No. Maintenance and necessary replacements are not assessed.

The Assessment Roll is open for inspection by any Rate-Payer in the municipality, during office hours, for the month of January.

The Assessor will also be in the office during the month of January to answer any questions relative to assessments.

COMINGS AND GOINGS

Holiday guests at the Ian McCuaigs were Mrs. McCuaig's parents, Mr. and Mrs. W.T. Baverstock of Vernon. Miss Nancy McCuaig was home from Vancouver for Christmas, also.

Bruce and Robert Brown were home from UBC visiting their parents, Mr. and Mrs. H. W. Brown. Other guests with the Browns were Mr. and Mrs. W. Maxwell and family.

Miss Mae Bateman of Vancouver visited with Miss Ruth Dale. Miss Bateman and Miss Dale spent Christmas in Kelowna with the Corners.

Kiwanis Club News

Tuesday night saw the first meeting of the New Year, with Jerry Halquist, President Elect, occupying the Chair. It is with regret that the Club saw Jerry acting under somewhat difficult circumstances, as due to his accident over the New Year (occurred up in the snow on the hills) his right leg is in a cast, and Jerry navigates on crutches.

Bob Hardie, owner of the Texaco Gas Station, was with us as a guest, and will become the first new member this year. Glad to have you with us Bob, and we hope and feel sure that you will enjoy Kiwanis.

John Tamblyn was thanked for a very successful year at the helm of the Club in 1960.

The new Committee Chairmen were announced, and in order they are: Boys and girls work - J. Sellinger; Key Club - Ed. McGillivray; Vocational Guidance --- Don Randle; Support of Churches - Ken Heales; Public and Business affairs ---- Blake Brandon; Membership Committee --- Doug Campbell; Interclub - John Tamblyn; Kiwanis Education ---- Jack Towgood; Programme Committee ---- Wally Harrison.

Doug Campbell gave a short and serious talk to new Committee Chairmen, saying that they had been picked for their ability to do a good job for the Club, and to never forget that this Club or any Club, cannot stand still, it will either improve or get worse, and it depended on them as to what would happen to the Club in 1961.

All Committees met for a short while and a Directors meeting followed.

The installation of Officers will be held on Friday 13th at 6:30 p.m., followed by a dance.

Installation Night is a must for all Kiwanians, and a full turn out is looked for.

Miss Wendy Wright, a nurse-in-training at Vancouver General Hospital, visited at Christmas time with her parents, Mr. and Mrs. D. M. Wright.

Mr. and Mrs. Homer Bloomfield of Kamloops were Christmas visitors with the Lorne Bloomfields.

Mrs. Saxon-Crossley of Vancouver spent the Christmas holiday with her mother, Mrs. W. S. Nield, her brother, Dennis Nield and family and her sister, Mrs. Kathleen Sanborn.

Dr. and Mrs. Knox Hambley of Vancouver who were in Kelowna for Christmas visited for a few days with Mr. and Mrs. William Brown in Parkdale.

Mr. and Mrs. T. B. Young have left for a winter trip to New Zealand. After touring the Islands they will return by way of the Orient.

Mr. Don Woodbridge from Victoria College, Victoria is home for the Christmas vacation.

Miss Ona Willis and Miss Arlene Embree, second year UBC students are home for the holiday season.

Miss Orla Raham of Kelowna spent Christmas at home.

Miss Marilyn Embree, nurse in training at the Royal Columbian Hospital is spending a month's holiday at the home of her mother, Mrs. Mark Embree.

Miss Louise Shannon of Royal Columbian Hospital, New Westminster, spent the holidays at the home of her parents Mr. and Mrs. Lloyd Shannon. She was accompanied by Miss Lewanna Letkman of Abbotsford, They returned to New Westminster on Monday.

Home to spend the holidays with their parents, Mr. and Mrs. D. Younghusband were Miss Lauriel Younghusband of Kelowna, Gordon of Vancouver, Leslie of Tofino, Vancouver Island, and Neil of Port Coquitlam.

Miss Bonnie Ganzeveld, a nurse-in-training at Esson-dale was home for the holidays.

Miss Magda Wouters and Miss Shirley Anderson, nurses-in-training at Vancouver General Hospital, were home for Christmas.

Miss Vicki Cutnbert, in training as a nurse at VGH, and John Cutnbert who attends UBC were home for Christmas.

Mr. and Mr. Murray Jackett and Patsy, motored to Raymond, U.S.A. to spend the holidays with Wilma's sister.

Mr. and Mrs. Karl Brandl of Roseburg, Oregon, were holiday guests at the home of Mr. and Mrs. Robert Mitterwallner in Parkdale.

Mrs. Margaret Babcock is spending the holiday season with friends in Calgary.

THREE YEAR ACCREDITATION RECEIVED BY
LOCAL HIGH SCHOOL

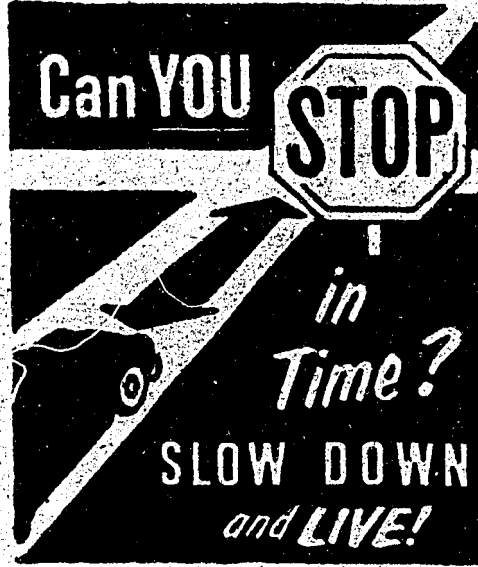

Word has been received recently at the Summerland High School that the Department of Education has seen fit to accredit the Summerland Junior Senior

High School with the privilege of recommending students for the next three years.

This means the Department is satisfied with staff, standards and facilities at the High school. Also the department takes into consideration the interest shown by the district as a whole before granting the privilege of recommending students.

J. Longmore, considers this action of the department of education an honor to the school and to the community.

Schools re-open Thursday, January 5th.

"We've given up GOING WITHOUT for New Year's"

"Our New Year resolutions this year have a lot more to do with getting rather than giving up... thanks to the B of M.

"Seems that for many Old Years past our money appeared to just melt away, when there were so many things wanted around the house... a modern stove... a desk for Dad's den... a decent TV. Finally, it was Dad who put his foot down.

"Starting with the New Year," said Dad, "we're going to get some of the things we've gone without for far too long. We're going to finance all the things we really need under a new purchase plan I've been looking into -- the Bank of Montreal Family Finance Plan. It's a modern plan that's designed for people just like us. Come the January sales, we'll get what we need at bargain prices and do our paying for what we buy with a single payment each month."

"So this year, we'll all have to watch our pennies a little more closely, but it's a challenge and the whole family is going to pitch in. Mother's the keenest of all. It's hard to say whether it's the life insurance protecting the loan, or the prospect of a new stove, that pleases her most.

"Anyway, we're one family who figures we've found the ideal New Year's resolution for 1961. How about you? Isn't it time you considered giving up going without?"

Similar Happy New Year Resolutions may be put into force for YOUR family at your neighbourhood branch of the

WAGES DECIDED

The arbitration board consisting of W. Kirke Smith chairman, C. H. Bland, School Board appointee and Frank Haar, for the teachers, has made the award in the salary dispute between the School Board and teachers of the Summerland School District. The award gives increases to all teachers ranging from \$50.00 to \$350.00 per year depending upon certification and experience. The overall payroll increase will be 2.88% and will cost the municipal taxpayer about 1 mill additional.

The lowest salary for a fully qualified elementary teacher (no experience) will be \$3350. increasing to \$5400. after eleven years and elementary advanced from \$3750. to \$5950. The fully qualified secondary teacher will start at \$4600. and advance to \$7300. after twelve years experience.

The teachers had pressed for changes in or elimination of certain clauses in the salary agreement but the arbitration board, although it heard argument on these matters, did not feel it has jurisdiction to make alterations.

TO THINK IT MIGHT HAVE ENDED LIKE THIS

Primitive man had it tough—most of the other animals were bigger and stronger. Fortunately, man had brains... and a wife... or he might have ended up on the wrong side of the plow.

In the early days men competed with earth's other creatures—today men compete with other men to develop energy sources. In the process our standard of living has sky rocketed.

Competition has helped Canadians achieve one of the world's highest living standards. Take the way it works in the oil business—Imperial Oil and hundreds of other companies compete to supply Canadians with oil. As a result, oil is available at reasonable prices wherever it is needed—and Canadians have turned to oil for more than half their energy needs.

The annual meeting of the Summerland Chapter of the Association for Retarded Children will be held in the High School Library, January 30. A new slate of officers will be elected. Mrs. Earl Wells, president of the Penticton Chapter will be the guest speaker.

Since the Whytes left the Mountain View Home last month, a breaking and entry has occurred by person or persons unknown. An undisclosed amount of goods was taken. A permanent caretaker will be at the Mountain View Home from now on.

Annual general meeting of your Rod and Gun Club to be held January 16th at 8 p.m., Oddfellows Hall. Every sportsman should attend this important meeting. Election of new executives, resolutions to fish and game convention. Activities for 1961, erection and placing of conveniences for sportsmen at different lakes, more parking on Pennask Lake and many other important matters.

When the 72nd annual convention of the British Columbia Fruit Growers' Association meets in Kelowna next week the Summerland Research Station will undoubtedly receive its usual amount of praise. This aerial view of the Research Station shows some of the buildings and laboratories which contribute so much to the well-being of the fruit farmer.

Hans Stoll was nominated as director of B.C. Tree Fruits Ltd., on Tuesday, at a meeting of the Summerland BCFGA local in the IOOF Hall.

The group heard a report given by Charlie Bernhardt on meetings held recently with packinghouse representatives regarding amalgamation in Summerland. No common ground was found to pursue the matter further, so it was dropped.

Among resolutions discussed, those giving this area the most concern, were on starling control and soft fruit pooling. Resolutions 19, 20 and 23 advocating separate early pools on apricots and peaches will be opposed by the Summerland delegates to the forthcoming convention, Charles Bernhardt, Hans Stoll, John Caldwell, Jim Mayne, Don Orr, Paul Charles, and George Stoll.

It was reported that there is some interest among Peachland growers to amalgamate with the Summerland local, and the executive were authorised to enter into discussion should a formal approach be made.

TWO RECEIVE FINES

On December 12th two men giving Edmonton, Alberta as their address appeared before the Magistrate charged with obtaining food and lodging by defraud in West Summerland. Jack James Couvrette and Mark Wray received fines amounting to \$50.00

Council notes

Acting Reeve Norman Holmes presided over the regular council meeting at the Summerland municipal hall in the absence of Reeve Atkinson. Council heard Mr. Lloyd Parker of Trout Creek question an access road that leads through his property into Trout Creek. Council had proposed brushing out the road to give an access if needed. The road cuts seriously into Mr. Parker's lawn and if the brushing proceeds many trees at the back of the lot will be destroyed. Mr. Parker felt the road serves no useful purpose. Councillors Powell and Barkwill and Acting Reeve Holmes were in accordance in their views that the roads could be in the future very necessary, and should be defined. After much discussion it was decided to leave the matter at the moment. Mr. Parker expressed his willingness to buy another piece of land on which to build an access road.

Mr. Barkwill reported to some length on the condition of the access roads leading into points of Trout Creek and the Okanagan. Mr. Barkwill and Mr. Powell made a survey of the areas and found in some cases homeowners had buildings and plantings on the roads. It was decided by council to proceed with the brushing on the municipal access roads leading by the properties of George Fudge, Crescent Beach; Fred Schuman,

Trout Creek; Miss Ritchie, Crescent Beach; and between Joe McLachlan and Reid Johnston.

The provisional budget has been drawn up for 1961 for an amount of \$401,971.10.

Fire Chief Joe McLachlan waited on council to ask if four new members could be added to the present fire brigade bringing the number up to 20 and the chief. Council agreed to the proposal. Acting Reeve Holmes remarked the number of applications are a tribute to Mr. McLachlan's enthusiasm and good work, as the job carries little monetary reward.

Police Court

Seven persons were charged before Magistrate Reid Johnston in December for overtime parking in front of the Summerland Post Office in the 5 minute zone and fined \$2.50.

A fight involving two local youths occurred in front of the Overwatea store Saturday night about 8:30. A window of the store was broken and Garry Bennison, one of the youths involved, received a deep gash on his back necessitating several stitches. The other boy was a juvenile. Both are charged with causing a disturbance on the street.

SUMMER ART SCHOOL TO MEET JAN. 13

Any interested Summerland residents are invited to attend the general meeting of the Okanagan Valley Summer School of the Arts to be held at 8 o'clock in the cafeteria of the Penticton High School on Friday night, January 13.

Progress made last year will be discussed and plans for this summer's classes will be talked over. Ideas will be welcomed. Dr. Yates, president, says.

Committees comprise programming, promotion, scholarships, finance, entertainment and other.

Summerland people and organizations supported the school with 19 scholarships last year, an indication of the interest in the various arts in this community.

B.C. Shippers to rebuild

Growers who ship to B.C. Fruit Shippers Ltd., unanimously voted to rebuild the packing house, at a meeting Monday last. About 80 percent tonnage was represented.

Mr. Sterling, General Manager of B.C. Shippers, said on behalf of the management that he was happy with the expression of the meeting and with the excellent representation of growers present.

Mr. Bleasdale told the Review that he hopes work will start on the Packinghouse at the end of February.

Civil Defence Officer, Ivan E. Phillips, expresses satisfaction at the result of the B.C. Exercise which took place on Friday and Saturday of last week.

With survival as the keynote of all Civil Defence Planning, Summerland and Districts role in the event of a National Emergency would be the reception, care and feeding of some thousands of homeless people.

The primary purpose of this Exercise, which incidentally, served as a prelude to the Federal Operation which is to be staged in late April or early May, covered all aspects of Civil Defence Planning.

Chief aim was the necessity to practice, improve and speed up the dissemination of information through the Attack Warning System.

In addition the Exercise encouraged all levels of active government partici-

pation, from Provincial down to Zones, Areas and Municipalities, thus, ensuring that the necessary background of procedures and the like may be easily followed and be familiar to all concerned, should unhappily a National Emergency ever arise.

The two days operation was divided into two phases, the first being devoted to the precautionary period when preparations were completed for the testing of the lines of communication, the manning and operating of Emergency Control Centres and co-ordination between Provincial Headquarters, Zones, Areas and Municipalities.

The second day could be described as the attack phase during which much valuable information of an urgent and pressing nature was channeled through the appropriate medium of communications.

To summarize, much valuable data and experience was acquired during the operation and it is pleasing to note that the Area Co-ordinator Group Captain, E.C. Tennant, has expressed his pleasure at the over-all result.

Mr. and Mrs. Mel Ducommun leave Sunday on a banana boat of the United Fruit Lines for a month's holiday in Ecuador.

Rings and vows were exchanged Tuesday, December 27, in West Summerland at the home of the bride, between Ruth Arline Gronlund of Shalalth, B.C. daughter of Mr. and Mrs. Art Gronlund of west Summerland, B.C., and Fred Alfred Miller of Shalalth, B.C., son of Mr. and Mrs. Fritz Miller of Shalalth, B.C. Officiating clergy Rev. P. K. Louie of West Summerland.

The Gronlund home was tastefully decorated with pink and white streamers, wedding bells and Christmas lights.

The bride, given in marriage by her father, wore

a diamond brocade dress of ballerina length, featuring a fitted bodice. A halo of pearls and sequines held the veil in place. The bride carried American beauty roses.

Miss Evelyn Gronlund, sister of the bride acted as bridesmaid. Her gown of mauve taffeta featured a nylon net overskirt, she carried pink and white apple blossoms.

Mr. Edward Tulhurst acted as groomsman.

Following the ceremony a reception was held in the home of the bride with about thirty guests present. The table was centred with a three-tiered wedding cake.

A toast to the bride was proposed by Mr. William Hackle and responded to by the groom.

Out of town guests were Mr. Fritz Miller, Shalalth, B.C., Mr. Edward Tulhurst, McBride, B.C., Thomas Shanahan, Fort St. John, Miss Claudine Savoie, New Brunswick; Marilyn Embree, Vancouver; Ruby Gronlund and Rhonda Lawley of Kelowna.

For a motor trip to points in the USA the bride chose a brown wool suit with white fur trim and white accessories.

The young couple plan to make their home in Shalalth, B.C.

OUR FORMER RESIDENTS

Readers will have noticed the nice comments which come from time to time from subscribers to The Review, many of whom live far afield.

Denny Layzell, Calgary Herald magazine editor recently remarked on sentiments similar to those expressed by our subscribers, now living away from the old home-town. Mr. Layzell wrote as follows:

"No matter where a man travels there is one thing that always brings back memories. It is a copy of his hometown newspaper, particularly if he comes from a smaller centre and knows most of the folks who are subjects of the pen of the weekly editor.

"The weekly, with its homey approach to matters of interest, plays an important role not only in the community but in the life of the hometown boy who has wandered far afield but still likes to know what is happening on 'Main Street'."

Items which appear in The Review are avidly scanned by our away from-home subscribers.

Lodge and service club news, shopping items, personals, city council, hospital and Board of Trade activities and particularly news about old-timers, are all of especial interest to them.

When you acquaint The Review with such items of interest, you are performing a community service. Let's all co-operate to give our former Summerlanders a full measure of local coverage.

FREEDING THE YOUNG

In deference to New Year's custom, the adult population that runs the world has made its annual bow in the direction of the fresh leadership symbolized by a diapered child.

It is unfortunate that this symbolism does not persist on calendars year-round as a reminder. For too often the world's basic problems are caused by adults wishing not only to live their own lives but to preplan their children's as well. This is a tragic misuse of man's talent for being the only creature to pass along accumulated knowledge to his off-spring.

This past year, for instance:

Adults in parts of India, Ceylon, and other countries continued political disputes over language differences. This was done to assure the children that they would be able to speak as their fathers had. But it perpetuates political factionalism that may prevent their speaking to to each other.

Nikita Khrushchev and other devout revolutionaries of his generation adopted various measures to prevent the younger generation of Soviet citizens from losing doctrine fervor and exploring Western ideas. Ostensibly these were intended to prevent decadence and delinquency. But they are more likely to promote xenophobia and lopsided knowledge.

The list is much longer. But all examples point in the same direction. It is as if the adults in each case feared that their own sour grapes would not set their children's teeth on edge and so determined to force-feed the new generation the grapes of the old, for the children's own "good".

It is often difficult to root out of human thinking because it clings parasitically to its opposite and admirable human attitude, parental love. Properly conceived such love strives to free children as individuals not created or owned by parents -- to present them with the opportunity to choose freely their social, economic, and political systems. In this attitude the constants taught are love and freedom, not suspicion and perpetuation of feuds.

To do so -- to adapt to outward political, social, physical, or diplomatic change -- requires citizens inwardly grounded in the changeless understanding of freedom, not in a heritage of teeth set on edge.

What Can I Do With A Day?

by Rev. Lyle Kennedy

"This is the day which the Lord hath made, we shall be glad and rejoice in it." Psalm 118: 24.

The 118th Psalm contains a healthy-minded attitude with which I might begin each: "This is the day...." Here is a frank recognition of the importance of the day to which I am just awakening, a day created by the Lord God, a day full of opportunity to use the resources of God for significant and purposeful living.

How sentimental to lament the lost opportunities of yesterday and how foolish of me to worry about tomorrow when this is the day in which God has awakened me with His morning light in a call to action now.

1. This is the day in which I can learn some new ideas. Certainly I don't want to have an allergic reaction to every new idea that comes along. The new ideas are remaking my world: new ideas in production in household and office management, in scientific procedures, in politics and religion. No doubt you remember the united thanks to Dr. Salk because he opened his mind to new possibilities for the development of a polio vaccine.

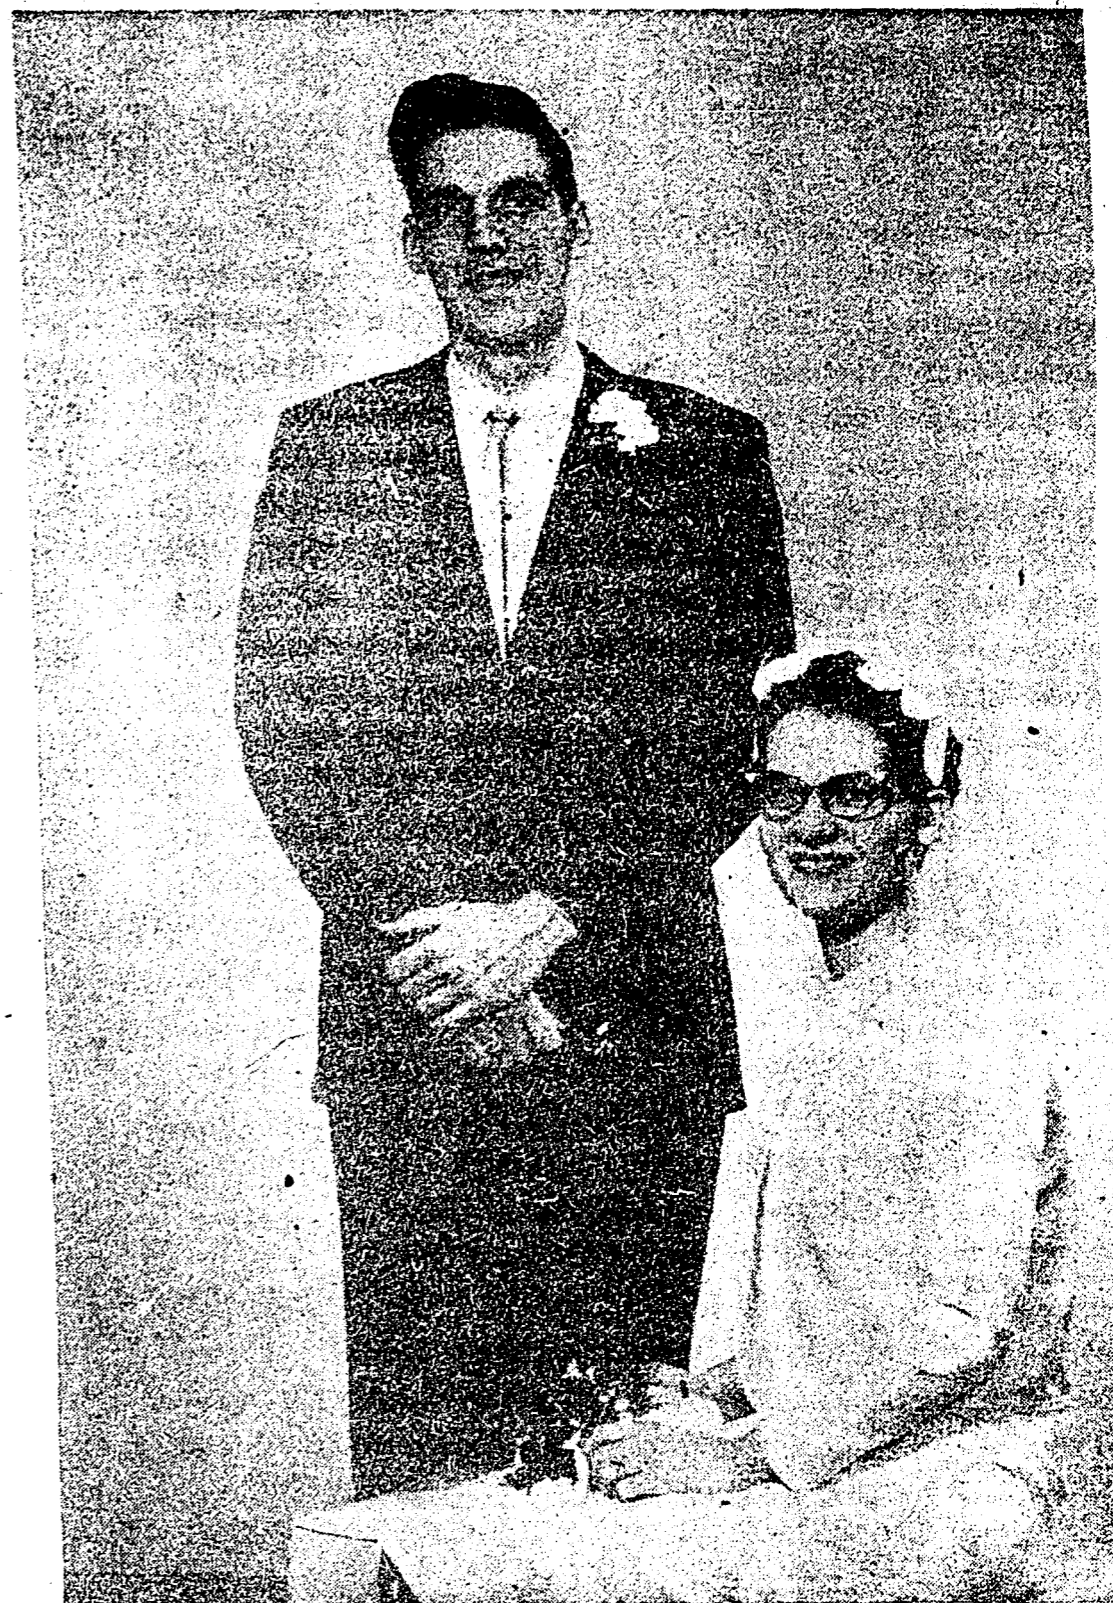

2. This is also the day in which I can turn out a good job. Sometimes I stall, procrastinate and otherwise delay my work. How futile! How foolish! Why should not I take the attitude of the artist and fine craftsman who delights to turn out the best possible job? I can become a good follower of the Master, who turned out many a good job every day.

3. This is the day to lend a helping hand, to accept an invitation that will broaden my life or the lives of others, to say a prayer and to recognize the opportunities which God has opened for me.

FUNERAL SERVICES FOR MIKE MATKOVICH

Mr. Mike Matkovich, 60 years of age, formerly of West Summerland passed away in Vancouver, January 5, 1961. Besides his loving wife Anne, he leaves to mourn his loss six sons and two daughters: Mary; Mrs. L. Soare, Tony, Cyril, Paul, Victor, Wilma; Mrs. R. Langstroth, all of West Summerland, Wesley of Toronto, Ont., and Dale also of West Summerland. Twelve grandchildren. Three brothers: Joe, of Beaverdale B.C., Cyril, of Nipigon, Ont., and Wencil of West Summerland. Roselawn Funeral Home entrusted with arrangements.

Committal: Peach Orchard Cemetery.

MR. AND MRS. GERALD LESLIE SMALL

On Thursday evening, December 22, at 7 p.m. in Summerland United Church, Joyce Elizabeth Harbicht, a daughter of Mr. and Mrs. Elmer Harbicht, West Summerland, became the bride of Gerald Leslie Small, the son of Mr. and Mrs. G.A. Small of Cumberland Bay, N. B.

Rev. P. K. Louie, minister of the church, performed the ceremony.

Given in marriage by her father the bride wore a white brocade sheath in street-length with a long sleeved matching jacket. She wore a small white veiled hat to match and carried a prayer book crested with trailing roses.

As her sister's bridesmaid, Miss Lois Harbicht of

Bantt wore a mauve brocade sheath styled similarly to the bride's, with matching hat. She carried a shower bouquet of white mums.

The bride's brother, Darwin Harbicht, West Summerland, was the best man and George Pohlman ushered.

The couple have returned to their RCAF base at Cold Lake, Alberta

Among out-of-town guests were Mrs. E. Harbicht, Rossland; Mrs. Mabel Small, Edmonton; Mr. and Mrs. Robert Harbicht, Kelowna; Miss Shirley Harbicht, Mr. and Mrs. Ed. Rehbiel, Ed. Bauck, Mr. and Mrs. Jack Morrow, Mr. and Mrs. W. Schramm, Mr. and Mrs. Dick Gartner, all of Pen-ticton.

The subject of four new postage stamps to be issued during the first six months of 1961 have been announced by the Postmaster General, the Hon. William Hamilton. All will be of the five-cent denomination.

The first issue, a large-size stamp in red and green to be released on February 8th, will be a tribute to the development of Canada's Northland and the increasing activity there in recent years.

On March 10th, a special five-cent stamp will be issued to commemorate the centennial of the birth of Emily Pauline Johnson, Indian poetess. According to most authorities, Miss Johnson, a Mohawk, was born on March 10th, 1861, at "Chiefswood" on the Six Nations Indian Reservation in Ontario. She died on March 7th, 1913, at Vancouver after having made a unique contribution to Canadian letters.

In keeping with tradition, the late Rt. Hon.

Arthur Meighen, a former Prime Minister of Canada, will be remembered in a special issue which will be released on April 19th. Mr. Meighen served two terms as Prime Minister from the 10th July, 1920 to the 29th December 1921 and from the 19th June, 1926 to the 25th September, 1926. Mr. Meighen died at Toronto on August 6th, 1960.

The 10th Anniversary of the Colombo Plan will be

**BUILDING IN 1960
OVER \$5,000,000**

Building in Summerland in the past 15 years totalled over \$5 million according to figures issued today by Roy F. Angus, building inspector.

Among projects included in this total are the high school and its later enlargement amounting to about a million dollars, two new packinghouses, the arena and the addition to the Mac Donald School at a cost of \$102,000.

Highest year in construction in the 15 year period was in 1947 when 342 building permits were issued. In the last five years building permits have averaged 124. Last year there were 108.

During 1960 twenty-one new houses were erected at a total cost of \$167,900. There were 61 alterations and additions to dwellings amounting to \$46,900, eight new commercial and institutional licenses totalling \$18,200 and 18 alterations and additions in the commercial and institutional class including the elementary school addition, estimated at \$131,065, making a total for the past year of \$364,065.

During last month, total building permits were four amounting to \$3,390.

Last year 132 electrical permits were issued as compared with 127 in 1959. Twelve electrical permits were given out in December.

Although, according to the report, there were 20 more building permits issued in 1959 than in 1960, building costs were up \$18,245 last year over the previous year.

marked by a special stamp to be issued on June 28th, in time for the official Colombo Plan Anniversary to be celebrated on July 1st. Canada has participated actively and substantially in the fields of both capital and technical assistance to fellow Commonwealth Countries and more recently to other countries, under the terms of the Colombo Plan.

The Post Office Department has plans for other postage stamp issues which will appear in the latter part of the year, and these will be announced as soon as the subjects have been confirmed.

WORLD'S FIRST FUEL DELIVERY

The first man who picked up a burning faggot and carried it into his cave was making a delivery of fuel. A bit unreliable, perhaps, but it was a step in the right direction.

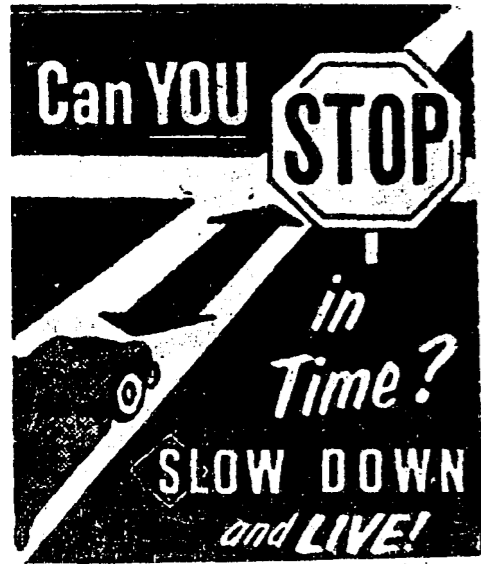

Man has taken many steps forward since then. One of the greatest was when he learned to use oil.

Because oil products have

been made available at reasonable prices everywhere in Canada, oil heats more than half our homes. And speaking of reasonable prices—over the past 10 years the price Imperial receives for home heating oil has risen far less than the cost of other things—only one-third as much as the general cost of living.

INQUEST HELD ON FATAL ACCIDENT

Moments before a fatal car-truck crash north of Summerland Dec. 20, the driver of the swerving auto thought he was going to avoid a collision.

So said George Malpass, 21, a university student from Enderby, as he told a coroner's jury last Thursday night of the fatal crash on Highway 97 seven miles north of Summerland.

Robert P. Reid, 30, driver of a loaded trailer truck, was crushed seconds after the collision when his vehicle left the highway, throwing him from the cab and rolling on him.

He leaves a wife and two children.

A seven-man jury, after hearing testimony of police and survivors of the crash, returned a verdict of accidental death, with no blame attached to either driver.

It added a recommendation that highways be more intensively sanded during icy periods.

George Malpass estimated his vehicle was skidding at a maximum angle of 45 degrees when the truck struck. Rear left corner of the car was sheared off.

Said Malpass: "I don't think I ever exceeded 45 miles per hour."

He estimated his speed at about 30 mph when the crash occurred.

All but one of the five occupants sustained minor injuries. Miss Mary Hambly was treated for pelvic damage.

Coroner Dr. William White, summarizing an autopsy report, said Mr. Reid died "almost instantly" of multiple brain and heart injuries. The three and a half-hour inquest was prolonged by cross-examination of two lawyers, Peter J. de Vooght of Vancouver appeared on behalf of George Malpass, and G. G. Beeston of Kelowna represented the dead man's estate.

Two policemen, Constable Ernest Best of Summerland and Victor Edwards of Penticton, testified that the highway was covered with "glare ice".

OFFICERS INSTALLED BY HOSPITAL AUXILIARY

At the annual meeting of the Ladies' Hospital Auxiliary, held in the Health Centre on Monday evening, the following officers were elected for the coming year: President, Mrs. Rose Fiske; 1st Vice-president, Mrs. Leslie Rumball; 2nd Vice-president, Mrs. Betty McIntosh; Recording Secretary, Mrs. James Onley; Treasurer, Miss Doreen Tait; Publicity, Mrs. Mel Ducommun.

Membership in the auxiliary now stands at 41, four last year, average attendance at the ten meetings held during the year was 23.

In addition to the fees and donations, several money-making projects were carried out by the members these consisted of the Thrift Shop, catering, tag day, sale of knitting, sale of rags, golden rulers, calendars, raffle and sale of Christmas cards and gifts.

A separate X-ray fund has been set up with the sum of \$2,573.00 now on hand, of which \$2,000.00 was earned by the Thrift Shop. Numerous other pieces of equipment were bought for the hospital during the past year. These consisted of a humidifier, over-bed table, six chairs, soap dispenser for the case room, tonsil instruments and head-light, stool, five mattresses and an anesthetic table.

At the conclusion of the meeting a gift was presented to Mrs. Don Clark, retiring president, by Mrs. Wilson. Refreshments were served by members of the executive.

Miss Lynne Bleasdale has returned to UBC.

LOCAL SKATERS WIN IN KAMLOOPS MEET

The combined benefits of the Summerland Summer School of Skating, and the Figure Skating Professional Dolores Causier, paid off handsomely at the Valley Championships, held in Kamloops.

With one hundred and eighty entries from Prince George to Penticton, Dolores Causier pupils skated off with twelve top trophies in the nineteen events, second place in eight events and third place in four events.

Miss Causier's pupils put on a good show. A very nice tribute from the Past President of C.F.S.A., Granville Mayal, was given Dolores Causier, when in speaking to the skaters and audience he praised the improved calibre of skating seen in these young champions, and particularly of Miss Causier's pupils who not only won many of the trophies but placed high in all events. Local winners were:

Novice men - Wess Campbell, Juvenile Men - Lance Jones, Novice Mixed Pair - Ann McLachlan - Lance Jones, 2. Janet Munro - Wess Campbell. Juvenile Ladies pair - Anne McLachlan - Sharon McIntosh placed second. Novice Ladies Pair - Linda and Janet Munro placed fourth. Bronze Dance - Janet Munro - Wess Campbell placed fourth. Bonnie Fuoco, a member of the Summerland and Penticton Clubs, swept the field, winning in four events. This charming skater has skated with the Summerland Club for the last two seasons and has attended the Summerland Summer School of Skating during its operation.

1st Summerland Troop

The first meeting of the new year was marked by good attendance with most boys in full uniform. There are still a few boys who do not own or wear shorts and we would appreciate it if parents would look into this matter. If any boy needs to earn the money for uniform parts, please see the Scoutmaster. The outstandingly uniformed patrol was the Buffalo under Patrol Leader Fred Trussell. Patrol points were: Hawks 6, Beavers 33, Eagles 21 and Buffalos 38.

Games for the evening consisted of a patrol signalling contest, Riders and Bulldogs. Instruction centred on Ambulance Mens Badge, Kim game, knotting and signalling.

The meeting concluded with sing-song aided by George Hauschild with his accordion. We are indeed fortunate to have so gifted a musician in the troop as George. Patrol Leader J. Fiske received his A cords for being the owner of 6 or more proficiency badges.

There has been an excellent response to the call for dues and we hope this will be cleaned up shortly. Duty patrol next week Hawks.

BUSY SEASON AHEAD FOR HOCKEY TEAMS

Sunday afternoon the Summerland Macs Cafe Aces battled their way to a 7-3 win in a hard fought game with the Armstrong Warriors.

This weekend Summerland will be in Greenwood, so the next home game will be January 22 at 3 p.m.

On Saturday, January 12 at 8 a.m. the Summerland Bantams No. 2 team will play host to the Penticton Bruins and on the same day at 4 p.m. the Summerland Bantams No. 1 team travel to Penticton to play the Penticton Hawks.

Kiwanis Notes

Tuesday night was the last meeting before the Installation of Officers, this Friday, at 6:30 p.m. sharp in the IOOF Hall. After dinner and the installation, dancing will start at 9:00 p.m. It is sincerely hoped by the Past President and the President Elect that all members will make it their business to be present.

Members are asked to note that the Installation on Friday night, takes the place of the usual meeting that would have been held on Tuesday 17th.

Under the Giant's Head

The Review printing plant is back in operation this week. Unfortunately parts for the Linotype did not arrive when expected, consequently this week's edition is a little late.

The Summerland Association for Handicapped Children will meet January 30 at 8 p.m. in the high school library. Interested people are asked to attend.

Joe Sheeley, municipal assessor, tells us that there will be only four appeals at the court of revision Feb. 1, the lowest number in years.

It could only happen on Friday, the 13th! Kiwanis were just preparing to sit down to their annual installation dinner when a group of strangers arrived.

Of course the group was cordially welcomed and soon were busy chatting with the members. One lady looked at Jack O'Mahoney's Kiwanian name card. With gales of laughter and shouts of astonishment it soon became clear that the group was invited to the Rotarian meeting above Mac's Cafe. They quickly left with everyone amused except late arrival Jack Ratzlaff who had gone to the regular Kiwanian meeting place at Mac's Cafe and met the Rotary club!

When Kiwanians install a new sheriff they do it in style. Not only was John Tamblin, dressed in full regalia, with hat, vest, chaps spurs and six guns, but a real live horse was led into the hall and John was soon mounted on the horse, looking like a refugee from a TV horse opera.

Figure Skaters seek judges for club competitions

Summerland Figure Skating club would like to say "thank you" to the nine contestants and chaperones who attended the valley championships. To Lance Jones, Anne McLachlan and Wes Campbell who brought back trophies, congratulations.

Club competitions are coming up Feb. 2 and 3. These competitions will decide not only the club cups, but will be an important part of the carnival.

Attention, mothers and fathers of junior group skaters. Volunteers are needed for judge's duties. No judge will be asked to judge their own children's group, judging in competitions will give you an opportunity to assist your club and understand what is expected of your youngsters.

Anyone who could help in this duty please contact Mrs. I. Campbell, phone HY4 2531 or president Phil Murray HY4-5944.

Local delegates support unity at BCFGA convention

A sentimental gesture at an NHL game brought this smile to 9-year-old Colin Caldwell's face to wipe away tears and a bitter lesson in the careless greed of the adult world. Colin was nipped in the ear by a flying puck. In the scramble for the puck, Colin was left behind by his elders and for a while all he had to show for his experience was a tingling ear and welling eyes from disappointment. But before the end of the game the tears had turned to a huge smile when a Maple Leaf trainer handed him a puck as a souvenir.

Street signs to be Trade Board project

G. C. (Jock) Johnston was elected as the new president of the board of trade at Friday night's annual meeting. Vice president is W. A. Gilmour; secretary Lorne Perry; treasurer, E. R. Butler. Executive is Fred Schumann, Keith Marten, Mrs. Doreen Smith, Mrs. Marjorie Croil, Hilton Hughes, E. O. White, Bud Rusaw and Eric Williams.

W. S. Ritchie, in his president's report, showed the board had a successful year completing a number of projects for community betterment.

Convenors reports were

Police court news

Three men have been arrested in connection with a robbery at the West Summerland Hardware in the early morning hours of Friday, January 13.

Approximately \$700.00 worth of small appliances was taken. The break-in occurred at the rear of the store.

Charged with the offence are Alvin Kenneth Likei, Morris Herbert Ketter and Ronald L. Cowan.

The stolen goods were recovered at the Nalos lumber mill. Also found was the bubble gum vending machine from in front of the 5c to \$1.00 store. To date, Likei has appeared before Magistrate Reid Johnston and was remanded to Jan. 25.

given by Mrs. Lloyd Shannon, E. O. White, Wm Fell, G. C. Johnston and Alex Watt.

In discussion of projects for the coming year, street signs were an unanimous choice as a major project. Help will be requested from municipal council in this ambitious undertaking.

Work starts on senior's home

Work started Monday morning on Summerland's senior citizens home.

Saturday morning at 10 a.m., E. H. Bennett, original chairman of the project, turned the first sod.

Reeve F. E. Atkinson was master of ceremonies, and spoke briefly. Short talks were heard from Mr. Bennett and councillor Norman Holmes.

Committee members assisting Mr. Holmes are Chuck Bleasdale and L. Rumball.

Foreman in charge of construction is Mr. Colin Campbell. K. M. Blagborne, municipal works superintendent, will assist along with members of the municipal crew.

To date, 20 applications by persons wishing admission to the home have been received by municipal clerk Gordon Smith. Application forms are still available and can be obtained at the municipal hall.

KELOWNA -- "It's shaping up as the most placid convention in years. That is the opinion of veteran delegates as the 72nd annual BCFGA convention reached the half-way mark at noon, Wednesday.

Resolutions 20 and 23 did, at one time threaten to provoke civil war, a war between north and south, but appeals for unity won out over talk of split and threats to "go it alone", and bitter charges of sectionalism.

Resolution number 20 submitted by the Osoyoos local asked establishment of an early apricot pool to be open until apricots were generally available when a season pool would be opened.

HOCKEY JAMBOREE

This Saturday night at 7 p.m. is minor hockey night at the local arena. All the youthful players will have their turn on the ice to give them a chance to show off their stuff to parents and friends.

Highlight of the evening will be an appearance by figure skating star Shirley Winters who is presently holidaying in Trout Creek.

During the evening the young players will take on the old timers and will no doubt give them a good run for their money.

Remember, Minor Hockey Night this Saturday in the Arena. Bring don't send your youngster.

This was interpreted by a majority of delegates to be seeking establishment of a principle which could threaten the whole concept of pooling.

Summerland delegates were particularly vociferous in opposition to this resolution. Charlie Bernhardt contended that the resolution was designed to benefit early maturity areas to the disadvantage of the later areas and that this was contrary to the principles of pooling.

Southern delegates argued that all they were asking was an extension of the apple deal designed to give the grower as close to market value returns for his product as possible. It was pointed out, in answer, that in the case of apples, it was pooling between varieties, not between areas.

Resolution 20 was overwhelmingly defeated, but another resolution, number 23, which dealt with peach pools was carried.

On this one, as in the verbal battle over resolution 23, northern growers accused southern growers of a selfish attitude and failure to realize the Association is a co-operative one.

George Stoll, Summerland said if Osoyoos and Oliver growers couldn't fit in with the present peach pooling regulations they should "take power saws and axes and remove the problem."

Southern delegates mut-

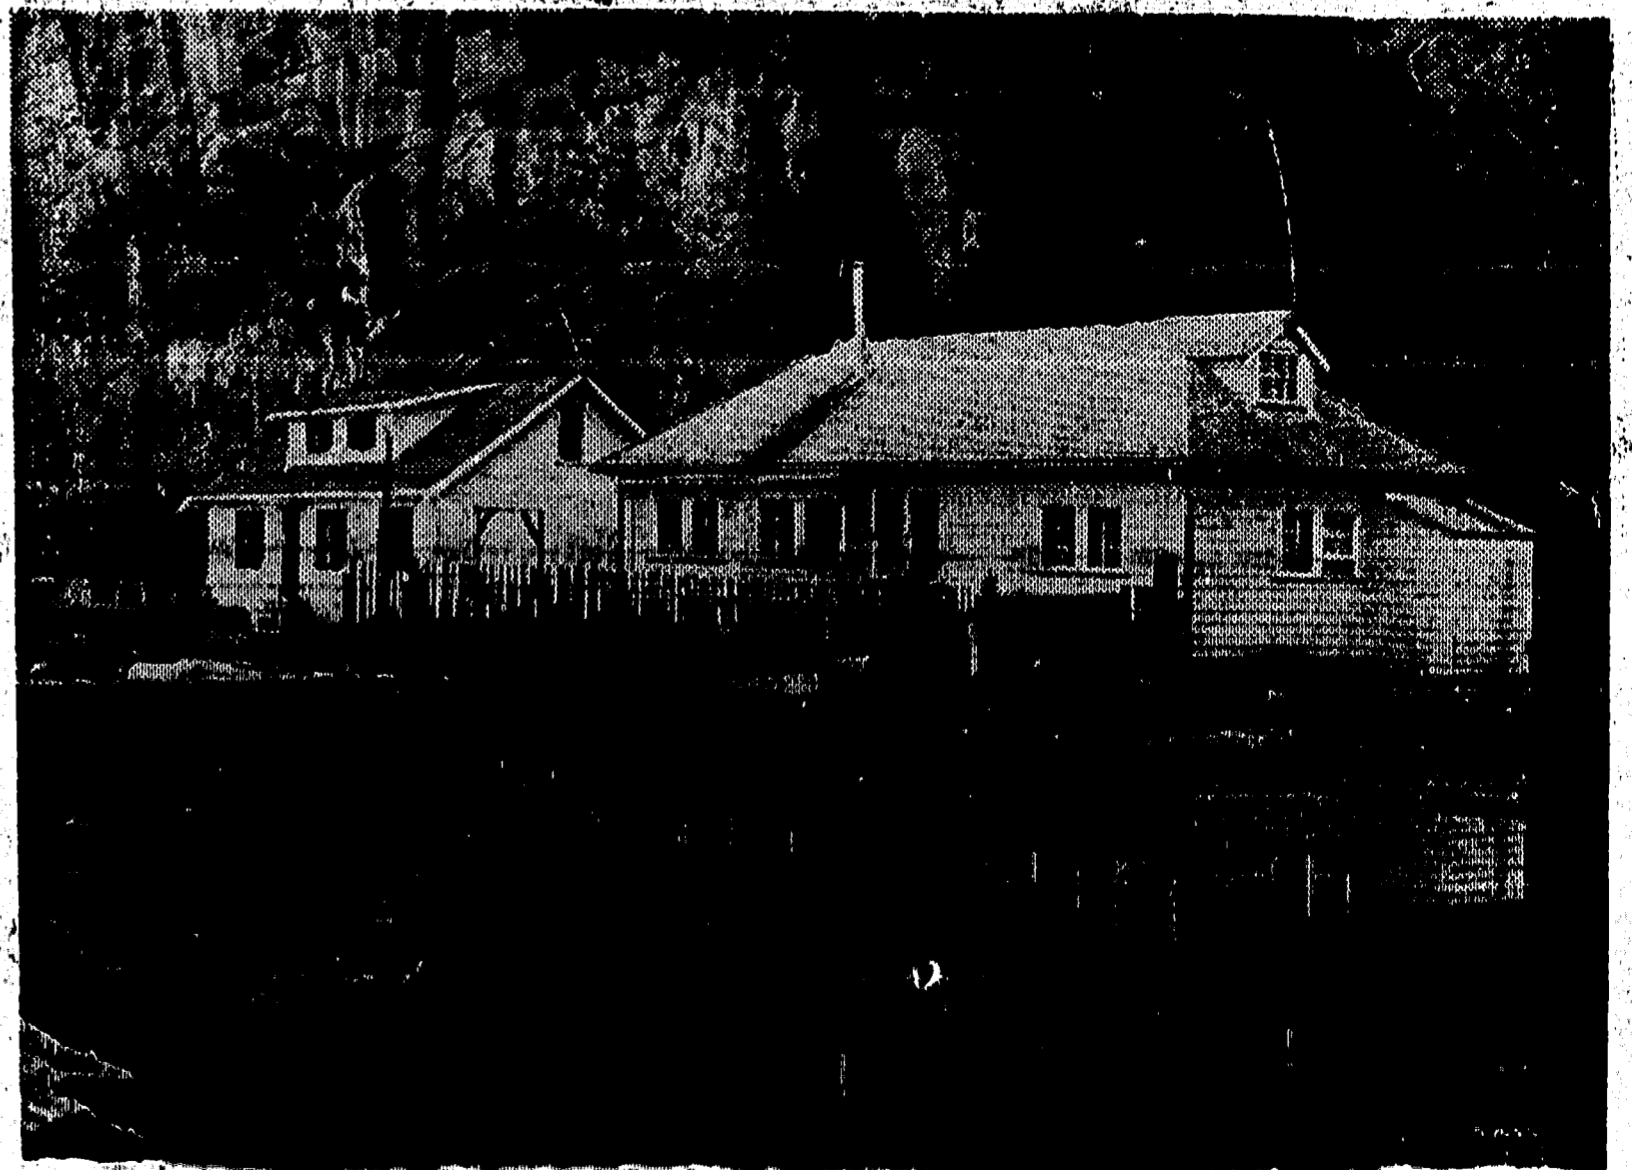

tered threats of "looking after themselves" and R. P. Walrod, general manager of B.C. Tree Fruits, along with B.C. Tree Fruits president Gordon Wight endeavored to pour oil on the troubled waters.

Mr. Walrod said the Osoyoos resolution was not as many seemed to think "an attempt to wreck anything. It is a realistic resolution calling for thorough investigation.

Earlier, following president A. R. Garrish's opening address, B.C.'s newly appointed Minister of Agriculture, Frank Richter, MLA for the Similkameen, spoke at some length and impressed the convention with his obvious sincerity and desire to assist the industry.

When questioned, the Minister of Agriculture refused to commit himself on the matter of compensation for trees winter killed in 1955-56, but said that he had on his desk very detailed and comprehensive reports. He felt that until he had time to assimilate them and was prepared to take the matter before the Cabinet, it would be unwise to express opinion.

Another highlight of the convention so far was the report of general manager, R. P. Walrod, who departed from his written report to emphasize the prevailing conditions in which the tree fruit industry must compete.

The shore is so rocky that many northern British Columbia loggers and their families live in homes like these built on booms anchored to the shore. Their lawns are fenced in and part of the floating flower garden in the foreground is growing in an old bathtub. The Pacific Ocean provides a perfect mirror.

Of equal value to all residents

"The Board of Trade, THEY..." Such a statement coming from someone outside our community is a normal remark. But when it is uttered by local residents it is wrong. The Board of Trade is not "they", to people living in Summerland, it is "we."

Once in a while the "they" comes from actual members of the Board of Trade, and in such instances the statement is completely out of focus and out of true perspective.

As we start a new year it would be in the interests of the community to take a closer look at what the Board of Trade in Summerland has meant and what it has accomplished.

We are confident that the record for the past year has been an excellent one. Under president W. S. (Scotty) Ritchie the Trade Board has carried out to successful completion numerous projects for civic betterment. A float was entered in the Kelowna Regatta

and the Penticton Peach Festival, two thousand brochures were circulated for tourist advertising, and litter cans were placed in Summerland and West Summerland, to name only a few projects.

This year the Board hopes to start the much needed project of street signs in the municipality. The co-operation of the municipal council is hoped for in this undertaking.

What has been accomplished in the past should serve as an example of what can be attained in the future. Through co-operation, we, the members of this community, can bring about more and greater progress, for as the community grows there is always more that it needs and as a result a wider scope for operation. It is up to all to bring about developments.

And we can see no more effective method than by active participation in 'our' Board of Trade in 1961.

WI hosts husbands at annual meeting

As a prelude to the January meeting of the Women's Institute, members entertained husbands and guests at a pot luck smorgasbord luncheon in the Parish Hall. On behalf of the visitors, Mr Wm. Brown expressed appreciation for this increasingly popular annual event.

With the new president, Mrs. W. Rothwell in the chair, the meeting came to order. The treasurer, Mrs. Lawrence Rumball, reported a credit balance to begin the year of \$419.42, and new committee convenors were named as follows: Mrs. Tait for agriculture, Mrs. S. A. Macdonald for citizenship; Mrs. Gordon Ritchie for cultural activities, Mrs. A. Fleming for home economics and Mrs. J. MacLachlan for social welfare. In charge of teas will be Mrs. H. Moors; Mrs. W. Wright cook book sales; Mrs. Inglis of cards to the sick and others, and Mrs. McLarty of publicity. Phoning committee members are Mrs. Dinning, Mrs. Fleming, Mrs. Inglis, Mrs. V. Charles and Mrs. Mair. Mrs. Ritchie was given \$10 toward supplies

for the annual bazaar. It was announced that the District Conference will meet May 2 in Naramata.

Interesting sidelights were provided by reading of the recipe for the U.S. president's inaugural cake and the suggestion of the executive that birthday box penalties for friendship contributions be based on the assumption that no member ever gets older than 39.

Exerpts from the Newsletter recalled that Women's Institutes founded the Queen Alexandra Solarium and the Hospital for Crippled Children and still contribute to them. More assistance was requested for a favorite project, that of stamp collecting. Mrs. Tait volunteered to take charge of contributions and divide them equally between the local Cub groups who are present recipients and the hospitals.

The February meeting which celebrates the founding month of Women's Institutes will follow the usual pattern of a Valentine party for members and guests, with members of the executive as hostesses.

TIPS FOR PARENTS

By HELEN R. HEWSON
Parent Education Associates

ADOLESCENCE is a time of intense feeling, of devotion to "causes," to the team, to the dress and customs of the crowd.

It is also a time when many parents criticize and oppose youthful loyalties of their sons and daughters that are alien to their own ideas, manners and habits.

They need to feel free to discuss their thoughts and feelings.

During the Christmas holiday season, 115 members of the Older Boys' Parliament of Ontario met in Toronto.

The sessions last for several days and are sponsored by the Boys' Work Boards of the Churches. They provide a forum for boys from 18 to 20 years, who represent church youth groups, to meet and discuss their views on public affairs.

Many adults are shocked or startled by some of the ideas put forth. They are willing to permit young people freedom of expression as long as the ideas expressed coincide with their own.

But it is interesting to note how conservative these young men become after a few days of free debate.

This session's topics included "too much Bible for boys" and labeled an eminent clergyman-author as an example of the "malignant forces" that preach psychology in the guise of Christianity.

On the final day this interdenominational parliament passed unanimously a resolution calling on each member to re-dedicate himself to the service of Christ.

These are the future builders of Canada. Let them examine critically the materials that go into the building!

WELL, ALMOST EXCLUSIVE

Freedom - For What

by Rev. Ira Johnson

We hear a great deal of discussion these days on the subject of freedom. Most often, of course, people are thinking of freedom in a national sense. People do not like to be in bondage to a foreign power.

An extraordinary type of freedom is spoken of by Christ in the eighth chapter of St. John's Gospel, verses thirty-one to thirty-six. In the 36th verse Jesus declares: "If the Son therefore shall make you free, you shall be free indeed." Doubtless Christ was speaking here of becoming free from the bondage of sin and selfishness. This is a freedom that can be enjoyed regardless of where men live, and is not bound even though evil forces may be limiting the national free-

dom of peoples.

However, I sometimes wonder if professing Christians fail to understand what Jesus meant here. The freedom Christ brings, comes only through discipline of life so that the individual is FREE to do those things which are truly good and which have some eternal significance. Just as the music pupil or the sports enthusiast constantly disciplines himself and thereby

gains increasing freedom in his field of endeavor, so the Christian by appreciating and abiding by the disciplines of Christ, is able to be free indeed to give himself to worthy accomplishments for Christ.

Therefore - instead of chaffing at the disciplines of the Christian life, let us recognize these disciplines as being necessary to our greatest freedom.

North America's first hydrofoil ferry, the Flying Fish, is skimming across the Georgia Strait from Washington State to Vancouver Island at speeds up to 50 miles an hour. The 69-foot craft is designed to carry 60 people. So far it has run in to some trouble because of deadheads which are apt to knock off her "stilts," or hydrofoils which are fitted like skis on legs on either side just behind the bow and lift the bow out of the water.

Old Timers to play Penticton January, 15

For entertainment at its best visit the Summerland Arena at 8:30 p.m. on Jan. 26. At that time Doug Mason of CKOK will bring his club 18 to town to challenge the old timers to one of the best hockey games seen in Summerland for many a year. Penticton is trailing Summerland by 6 points and are out to bring it down to 4 points.

All proceeds will go to the March of Dimes.

Summerland has in its line up such prominent players as Vic (Blocker) Parker, Gordon (half back) Blewett, George (Rocket)

Chadburn, Tiny (Sprint) Hankins, Ken (Streak) Hunt, Butch (Referee) White, Ron (Wrong Wing) Akels, Steve (Off Side) Dunsdon, as well as Ross (Heads Up) Fitzpatrick, Ken (Eagle Eye) Push, Don (Red Line) Wertz, Frank (Legs) Jones, Bud (Egg Beater) Gould, Doug (Shaky) Hill, John (Icer) Harsenow and Doug (Two Line) Campbell.

So if you would like to help the March of Dimes as well as enjoy a bang-up game of hockey visit the Arena Wednesday, January 25th at 8:30 p.m.

Hockey

The Summerland Bantams came out on top in both games played Saturday.

The No. 2 Bantams took on the Penticton Black-hawks at the local arena winning 11-3. Summerland goal getters were Biagonni with one goal and four assists, Beggs 1(3), Sellinger 5 (1), Gowing 2, Tressell and Campbell one each and Boothe one assist.

One the same day in Penticton the No. 1 Bantam team defeated the Penticton Bruins 5-3. Anderson was top scorer with 3 goals, McAdam 2, D. Wertz 2 assists and Inch 1 assist.

The boys are sponsored by the local Kiwanis Club.

This is "burnt art," as the beatniks call it, and the University of Manitoba is pretty burnt up about it. Artist Dieter von Rechenberg uses grimy bed sheets, old socks, cigar burns, and he is a protege of a professor of art at the university's art college. In mid-December Professor Marshall Teitelbaum launched his protege on Winnipeg with an exhibition at the Java Shop, a downtown beatnik hang-out. As a result the university has suspended the professor with pay, and it is understood, told him he can look elsewhere to teach. Prof. Teitelbaum says he will fight the case for his rights.

Jerry Hallquist heads local Kiwanis Club

The annual Kiwanis installation dinner was held last Friday in the IOOF Hall.

Members and guests saw Jerry Hallquist installed as president by Lieutenant Governor Gordon Serurier. Past president is John Tamblyn.

Walter Toevs was installed as vice president, Brian Tiebert secretary and W. A.

Laidlaw treasurer. Directors are Doug Campbell, Don Randle, Carl Dietrich, John Selinger, George Henry, Ed McGillivray and Nick Solly.

A number of violin selections were played by Bill Brown.

A dance followed the installation.

Highly impressed with Liberal convention

W. A. Gilmour returned this week from the Liberal convention held at Ottawa. Mr. Gilmour attended as a delegate from this constituency and as vice president of the provincial Liberal Federation.

Asked by the Review for his impressions of the convention Mr. Gilmour said he thought the convention represented the return of Liberal policy to the rank and file members of the party.

Mr. Gilmour went on to say he was highly impressed with Liberal leader Lester Pearson, who he felt "as held not only in high respect, but affection, by all

those present.

Mr. Gilmour was a member of the agricultural sub-committee, and acted on the master policy committee, through which all sub-committee reports and resolutions were approved before they went to the general assembly.

Asked his opinion of a federal election in the near future, Mr. Gilmour said he saw no indication of an immediate election but the general feeling was for 1962 and therefore the rally concerned itself with Liberal policy rather than an election platform.

NHL players look out in about five years! Young Dick Johnson, 14, is about the hottest young hockey player in Canada. The Alvison, Ontario, player scored 103 goals as a bantam player last year. In seven games this year he has scored 21. He learned to skate "down on the old farm pond" and has been playing hockey for six years. How does he do it? Says Dick: "You just have to live the game the same as anything else to be successful. I try to get as much rest as possible before any game for without it no player can be at his best."

Last Minute Advice Nets Author Fortune

Most of us will dispense a "bit of advice" at the drop of a tam-o'shanter but few of us ever follow it as eagerly. Yet a few chance words can prove very fortunate sometimes.

Years ago, an unknown young author had his book accepted, and the publisher asked which he preferred, a hundred pounds for the copyright or a royalty arrangement.

The young man chose the hundred pounds, but while the publisher went out to prepare the contract, someone whispered, "I'd take the royalty if I were you."

Swinging around, the author observed an elderly clerk already back at his work. The author didn't take long to decide. He went back into the publisher's office and settled for royalties.

The book, "King Solomon's Mines" by Henry Rider Haggard, became an all-time best-seller and what that advice cost the company no one has dared to compute.

Now here's a "bit of advice" you'll find worth heeding. The easiest, safest and surest way to avoid financial stress and strain is to make regular deposits in a Bank of Montreal savings account. Then, when an unexpected need or opportunity arises, you have the ready cash waiting for you. You'll be amazed at how handy it can prove. To start your account, visit the Summerland branch at the B of M soon. Simon Kousanovien, the accountant there, will show you how easy it is, and how profitable into the years to come.

We have at hand a little booklet brought in by E. L. Famcheon. Entitled "The Dreamer" it was printed in Summerland in April, 1922, in conjunction with a series of lectures given in the Rialto Theatre. It has an interesting article from the journal of David Thompson and his discovery of the Okanagan in July 1811. Only trouble is that it is continued in the May issue, so if anyone has a copy of the May, 1922 issue of "The Dreamer" we would like to have a look at it to finish the article by Mr. Thompson.

B of T Banquet next Thursday

The annual Board of Trade community banquet and presentation of the Reid Johnson Cup will be held Thursday, February 2 at 6:30 p.m. in the IOOF Hall. Guest speaker will be Maurice Finnerty, of Penticton, president of the B.C. Chamber of Commerce.

This dinner is open to all community minded citizens. Tickets are \$1.50 and are available at Macil's Ladies' Wear, Lorne Perry's office, or from Trade Board executive members. Tickets must be purchased by 5:00 p.m., Wednesday, February 1, to facilitate the catering.

G. Stoll heads sportsmen

At the annual meeting of the Summerland Rod and Gun Club, George Stoll was elected president; Harold Richardson vice president; and Pat Vernon secretary. Executive consists of Bob Barkwill, Sandy Fenwick, Bob Richards, Sandy Munn, Harold Felker, Nels Charlton, Harry Howard, Hans Meierhofer, Ivan Austin and B. McCutcheon. It was decided to hold monthly meetings.

The club endorsed having the deer season the same as last year, with no open doe season, as opposed to a shorter deer season.

Allowing fisherman two holes to fish through the ice instead of the one which is presently allowed, found favor with the meeting.

More work will be carried out by the club this summer at Pennask Lake. More and boat launching sites will be prepared.

More improvements will be made at Agur Lake and Garnet Valley Dam. President George Stoll reports that with the restocking of Garnet Valley Dam, fishing should be good there this year.

Former pilot Hank Oudman, 25 of Vancouver, is still in touch with aircraft. Hank, who was in an aircraft mishap that almost proved fatal, is working for an aircraft firm after two years treatment at the G. F. Strong Rehabilitation Centre. Hank is one of numerous disabled persons assisted by the Poliomyelitis and Rehabilitation Foundation of B.C., through funds raised in the annual Mothers' March. The 1961 objective for this Kinsmen sponsored campaign is \$300,000.

Mothers March this Monday evening

Monday, January 30, from 6:30 to 8:30 p.m. is the date set for the Mothers' March in Summerland.

Sponsored by the local Kinsmen Club this year's drive will be done by 72 marching mothers. Peachland will also be canvassed but due to complications it will not be covered until Monday, February 6.

Funds raised by this drive will go directly to the Poliomyelitis and Rehabilitation Foundation.

"During the past year" reports Kinsmen publicity chairman, Bob Towgood, "monies raised aided a total of five Summerland children. Throughout the province the foundation spent over \$300,000 on behalf of the disabled." Here in the Okanagan

OAPA elects Ben Mayne

There were 35 members present at the Old Age Pensioners meeting in the IOOF Hall on Tuesday afternoon, January 17.

The following officers were elected for 1961: president, Ben Mayne; vice-president, Mr. Shaw; secretary, Mrs. Lydia Johnston; social, Mrs. Mayne and Mrs. Potter; public relations, W. Haddrell; entertainment, A. D. Glen; press correspondent, Mrs. McDougald; auditor, Len Trippie.

Council to name three committees for home

At the regular council meeting held Tuesday, Councillor Norman Holmes, reported that work on the Senior Citizens Home is progressing rapidly. Councillor Holmes asked that a suitable name be found for the home and a contest may be held soon for this purpose.

Following a suggestion from N. Holmes, council moved that a furnishing committee be formed. Also to be established are screening and administrative committees.

Councillor Barkwill reported that work will continue on the Station Road Hill and this will necessitate closing the foot path in the near future. Works superintendent K. M. Blagborne said this will just be a temporary measure until a new foot path is built.

A letter was read from RCMP Corporal Larry Martin regarding another policeman for this area. Council discussed the matter at some length and decided to explore the possibility of an extra man during the summer months.

Councillor Barkwill brought up the matter of unsightly road allowances. He said that because Summerland is becoming a tourist centre, all should be made aware of their role in keeping the community tidy.

Works superintendent K. Blagborne cited one or two cases where home owners had tidied up their lots by the simple expediency of moving all the stones and roots onto the road allowance. Council disagreed with this method and it was pointed out by Reeve F. E. Atkinson that roots and stones must be cleared off road allowances and the same left free for municipal crews to work on.

Singers & Players cease production

Summerland's Singers and Players Club has ceased production for this year. The group was working on the show "Merrie England."

President Peter Beulah told the Review that the club was having trouble in finding voices for the lead roles, also they have been very short of tenors, a problem peculiar to all singing groups today.

Mr. Beulah said that the club has come to the conclusion that with the talent available, productions can not be kept up to the same high standards which has been a trademark of Singers and Players in former years.

The annual meeting of the organization was held on Tuesday, January 24, in the Anglican Parish Hall and a new executive was elected. Peter Beulah was named president; Delmar Dunham vice president; Enid Maynard secretary and Doreen Tait treasurer.

The group is planning to remain active and is contemplating doing straight choral work for the time being, said Mr. Beulah.

Guide assoc. elects officers

At the annual meeting of the Guide Association held in the Summerland Youth Centre last Wednesday evening reports were given by Brownie and Guide leaders and also District Commissioner Mrs. Ross McLachlan.

Election of officers took place under the direction of Mrs. W. Durick and Mrs. P. Roberge was elected as the new president. Mrs. T. Davies and Mrs. G. Wardle were elected to 1st and 2nd vice presidents respectively, and Mrs. S. Hodge was re-elected as secretary. The new treasurer is Mrs. H. Pruden and a special events committee was formed consisting of Mrs. O. Morgan, Mrs. B. Brandon, Mrs. Lloyd Parker, Mrs. K. Young and Mrs. Hazel Ganzefeld. A decorating committee of Mrs. J. Tamblyn, Mrs. H. Thompson and Mrs. M. Ducommun was also chosen.

Tickets for a performance of "Doctor in the House" by the Penticton Theatre Club were sold. The Guide Association is selling tickets for this play which is to be held in Penticton High School Auditorium on Monday. (Continued on back page)

Harvey L. Wilson named Hospital Administrator

Harvey L. Wilson has been appointed administrator of the Summerland Hospital effective April 1st.

A full board meeting held Monday night chose Mr. Wilson from the twelve applications received. Eight applications were received from Summerland and four from other points.

Mr. Wilson has been a member of the Hospital Board since 1948 when he was elected as council representative, following which he was elected to the Board and has served ever since.

The new administrator came to Summerland with his parents, the late Mr. and Mrs. Clark Wilson in 1912. Mr. Wilson was married in 1936 and has two children. He has been an orchardist here since 1937.

Mr. Wilson has served on Summerland municipal council, is an active member of

the Rotary club, and is secretary of the Temple Association of A.F. and A.M.

He has been returning officer for the South Okanagan since 1942.

Mr. Wilson succeeds Mr. J. E. O'Mahoney, administrator for the past 20 years who retires this spring.

Hospital Board president Rob Alstead told the Review this week that plans for the modernization of the Summerland General Hospital are going forward.

The plan includes a completely up-to-date outpatient department in the basement, including X-ray rooms, examining rooms and laboratory facilities. The upstairs addition will include waiting room, nurses station and administration offices.

Five new board members will be needed this year to bring the slate up to full strength.

THE RIGHT IDEA —AND THE RIGHT PLACE

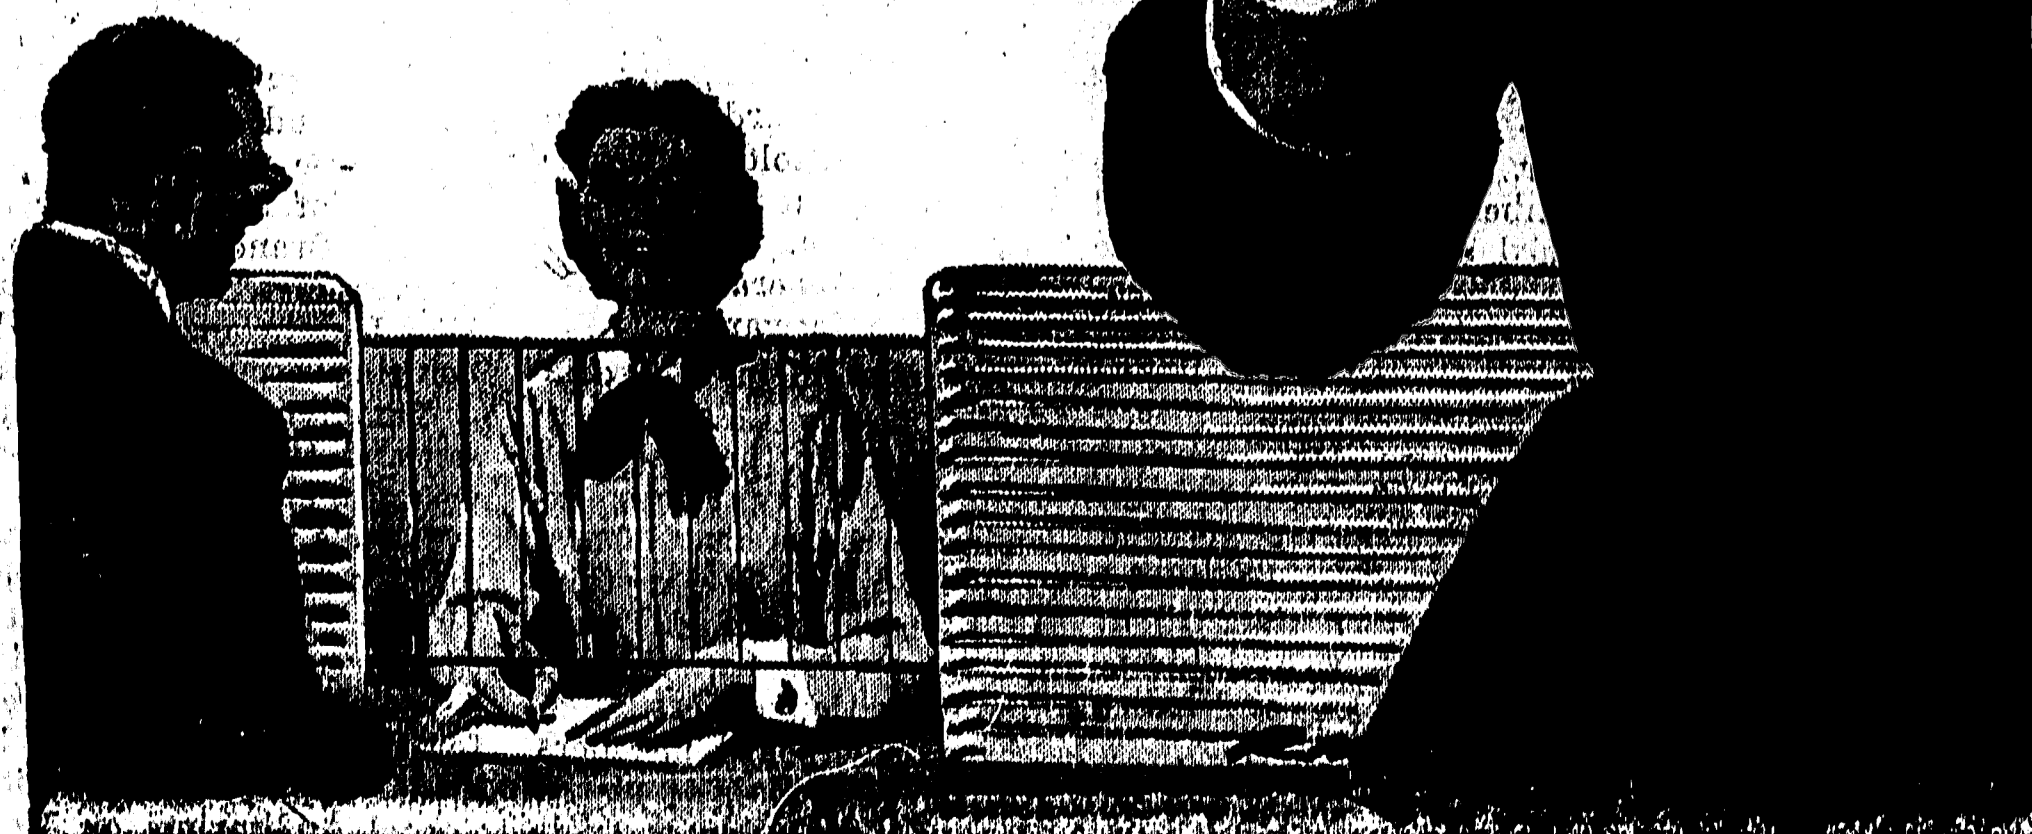

A glance at her bank book and there's a smile of satisfaction and reassurance—the money is there when she needs it.

Like so many others, she has learned the value of regular saving... the safety, convenience and usefulness of a bank account.

There are millions of Canadians like her. They maintain 12 million deposit accounts in the chartered banks, 10 million of them personal savings accounts.

But a chartered bank is *more* than the best place to keep your savings. It's the *only* place offering a full range of banking services. It's the right place to do *all* your banking.

Best year ever for Manufacturers - Life

The Manufacturers Life Insurance Company's new business of \$562 millions in 1960 was an all-time high for a year's operation, representing a gain of 20 per cent over the 1959 figure. At year end the Company's business in force amounted to \$3,544 millions.

Total payments to policy owners and beneficiaries in

1960 also set a new record with Manufacturers Life paying out \$61 millions in death claims, matured endowments, annuity payments and other policy benefits, including \$8.5 millions in dividends to policyowners. The total benefits paid since the incorporation of the Company in 1887 exceeds \$840 millions.

Violet Soc. plans show for May 20

Ten members of the African Violet Society gathered at the home of Mrs Fred Downes recently for their regular monthly meeting.

The group discussed the possibility of having an early summer show, and it was agreed to hold this event on Saturday, May 20. In addition to violet classes, there will be an afternoon tea and something new this year, a table of novelties in the violet theme. In keeping with these show plans the group heard a reading on the growth, grooming and care of show plants.

Mrs. Downes served a lovely lunch, and a short visit was enjoyed. Mrs. Ryan Lawley invited the group to her home for the next meeting on Monday, Feb. 20th. Anyone wishing to show violets in our May show is welcome to come out to this meeting and pick up a few tips to help their plants carry home a prize ribbon.

A few days work can mean a lot

A few days work for the unemployed means a great deal. It will greatly improve the lot of those who are being forced to be idle through no fault of their own.

Here in Summerland a great deal of local labour is being used in the Senior Citizens Home, being erected by the municipality under the winter works program. However, there is still improvements and repairs that could be done at this time of year by local householders and businessmen.

Whereas we realize that a few small jobs done in Summerland does not look much when compared to the national scene, it all contributes to help alleviate unemployment.

For that reason we are stressing the "Do It Now" campaign which is being launched in an effort to cut down on unemployment. A little job here and something else there will add up and certainly help those who are not working.

Library Review

by Kay Dunsdon

When looking over new books to our library, we were struck by the different countries represented. In fiction we have Arabia, India, Hong Kong, and in travel books, Persia, Iran, and Japan.

Arabia is the locale of our first book "A Doomed Oasis" by Hammond Innes, author of Harvest of Journeys, which was so enjoyed by many readers. This is a story of two men and their efforts to save an oasis from encroaching sands. Colonel Whitaker, the main character is obsessed by the lure of oil. His natural son, a tough from the Cardiff docks, comes to Arabia to be a geologist. The story is of the friction which develops between them.

"The Householder" by R. P. Jhabvalas, has an East Indian setting, and tells of the life of the boy Prem, his student days and how he becomes a teacher and early trials and anxieties as he becomes a householder Mrs. Jhabvalas story is of Indian life as lived today.

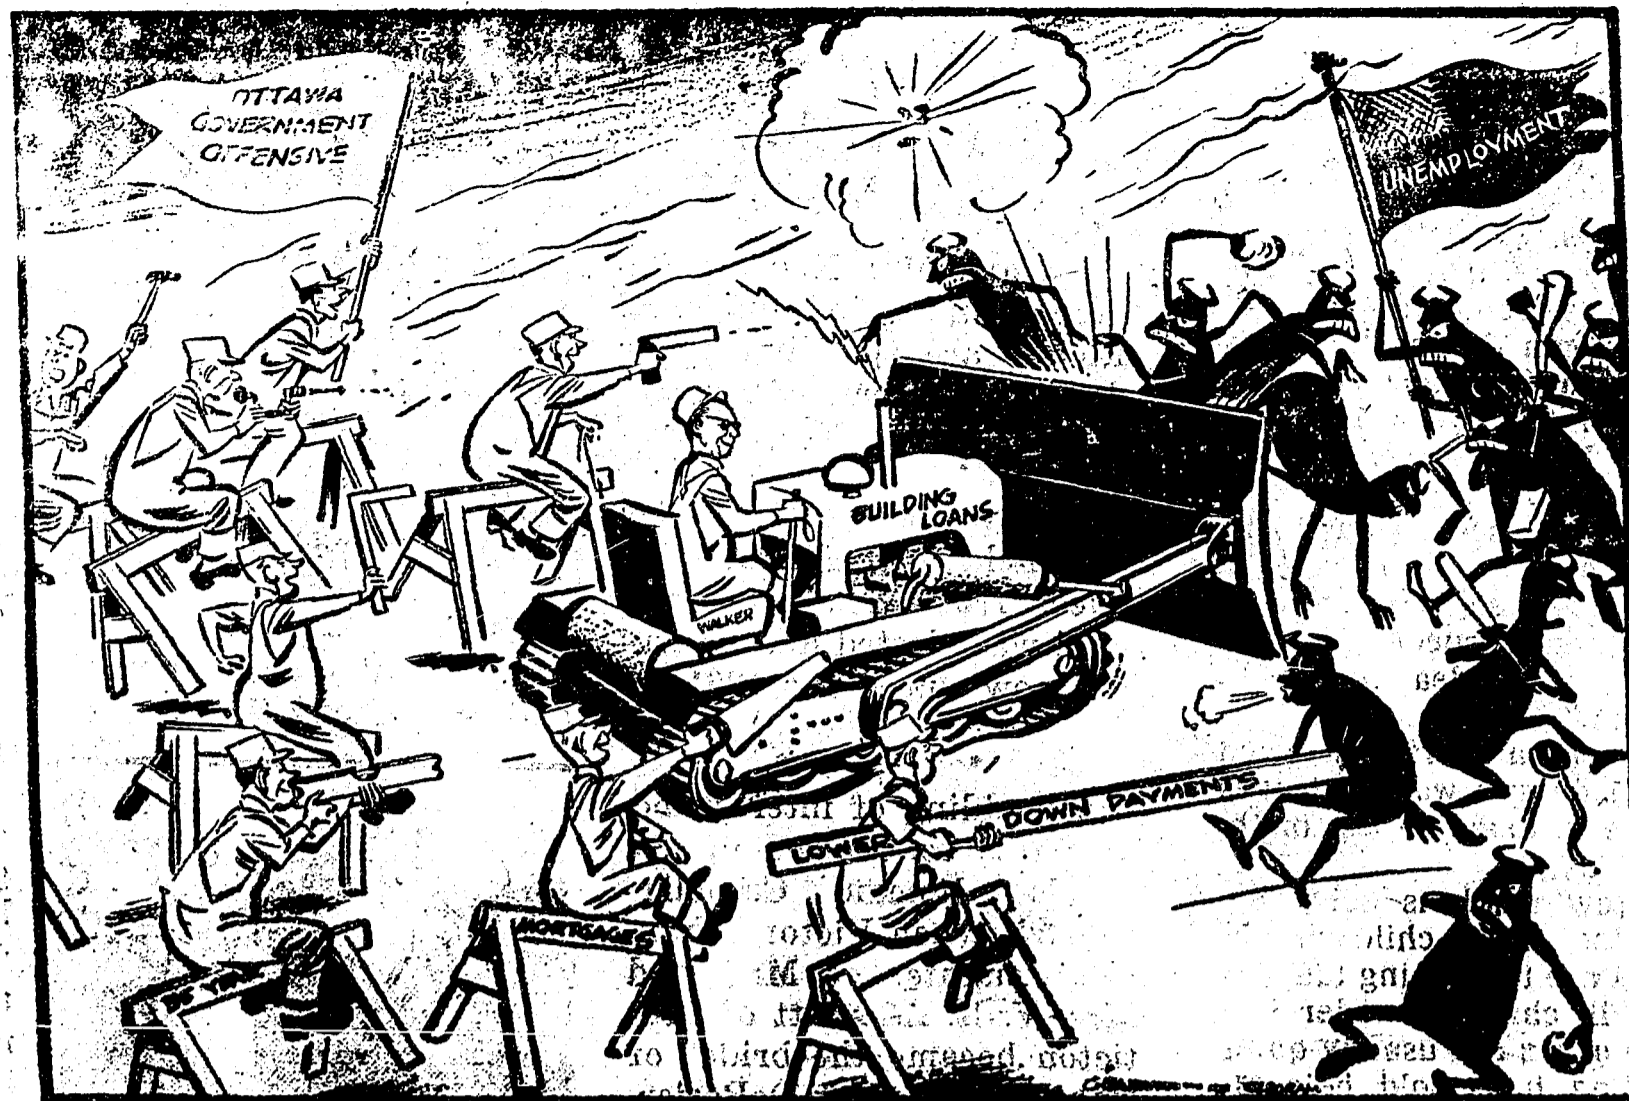

"Hong Kong" is a novel by Mona Gardner, not a new book, but new to our library. This is an historical tale of Old China and the early days when sailors putting in at a small beach to get fresh water from a waterfall there, were told by fishermen that its name was Hong Kong which meant Fragrant Waters.

Author Austin Coates has again written an easy to read book of travels through India, Iran and many cities like Istanbul and Lahore, to name a few.

"The Crossing Point" by Gerda Charles, is set in the world of Jewish life, found within our large cities. The two main characters are the rabbi, Leo Norberg, searching for a girl who will fit the position of rabbi's wife, and Sara Gabriel, for who's sake he will have to make sacrifices. Miss Charles has written a story of Jewish life with understanding and love. This book has had excellent reviews in English literary news.

Friends of the library will be interested to hear that during 1960 our total circulation was 31,533 and of this 10,856 were children's books. Our new joiners were making a total of 1042 adult 96 and juniors 155, members and 834 juniors.

More books will be reviewed in next week's paper.

THE BATTLE IS JOINED

Words vs. Pictures

Are books doomed by television?

There is much agitation on this subject today with pessimistic book lovers expressing fear that TV and radio programs are weaning away readers.

The emphasis is especially on the effect the picture screen at home is having on children at the age when they normally become interested in reading.

Mary and John are getting so absorbed in watching westerns, puppet shows and so forth that they are ignoring their books, the argument runs. Children's classics like "Alice in Wonderland" and "Treasure Island" gather dust on the shelves.

The pessimists contend that little can be done to salvage the adult TV addict. He or she is so wrapped in the nightly visual performances coming over the air waves that books and magazines are merely scanned and tossed aside.

But the struggle for the child's attention between the printed word and the picture or the voice isn't a new development. It was in evidence when the movies were in their heyday. In fact it has existed ever since pictures first were drawn.

The first words formed by primitive man were in the form of pictures or symbols. There has always been a close relationship between the two. Those who foresee the death of the printed word can take courage from this. The two media are complimentary, not neces-

sarily competitive.

If children live where television is turned on most of the time or the radio is played by the hour, these things will engage their attention.

If Dad and Mother read and provide books for Mary and John to read too, there is a good chance they will be read. If Mary or John says "Tell me a story" and if Dad or Mother do that, they are on their way to join the ranks of book lovers.

John may graduate to pouring over space age fiction and Mary may become absorbed in schoolgirl romance yarns. But the principle is there. Whatever the allurements or counter diversions like TV and radio, the young readers are likely to find enough time to keep booksellers, book publishers and authors in business during the foreseeable future.

WEEKLY CHUCKLE

A crowd of the elite were dining in a smart restaurant when a customer entered, sat down, coughed loudly, and tied his napkin under his chin. In great embarrassment the head waiter called his waiter over and whispered, "Try to make him understand, as tactfully as possible, that that isn't done anymore."

The waiter approached the offending diner, leaned suavely over his shoulder and said: "Shave or haircut, sir?"

A Lion on the loose

by Rev. G. E. Leasor

We are living in a day when a person is branded a fanatic who seeks other than stalemated or co-existence with evil. "Live and let live" is the philosophy of the day, of the unsuspecting anyway. Is it wise, however, to advocate co-existence with a lion? That's what the Bible calls the devil. "A roaring lion walking about seeking whom he may devour." And thus is revealed the nature of evil.

Isn't it suicide to practice non-resistance against a relentless, murderous aggressor? That is what evil is. When will we awaken to the fact that avarice, lust, pride, selfishness, and disbelief are preaching co-existence but practicing aggression.

How may such a wily foe be dealt with? The Bible suggests sobriety of thought and vigilance of action. In

another place we are told "to put on the whole armour of God that we may be able to stand against the wiles of the devil." This armament consists of truth, right living, faith, salvation, the Word of God and prayer.

Evil is a positive, aggressive reality and is on the prowl. Only when the forces of righteousness become more positive, more aggressive,

and more real will the feared pursuer be put to flight.

Going to church is not synonymous with putting on the helmet of salvation, but it does make a good fitting room. If you are having a moral or spiritual battle in your heart or home take the first step toward victory by taking a step toward God.

WRITES one perplexed mother: "How can children be persuaded to do their few household chores, to accept responsibility without being constantly reminded?"

"I can do the work myself in less time and with much less wear and tear. But I still cling to the notion that it is good for children to help around the house."

"However, I am not having much success in getting this idea across to them."

When a perfectly good idea doesn't work out, it is time to examine the methods used.

How much is being expected of the children and how are they being taught? Small children under the age of six are usually quite willing household helpers.

We can make use of their willingness by making it easy for them, encourage self-help as much as possible and let them take a hand at the dusting and dishwashing even if it slows us down now and then.

The children still need mother's helping hand now and then and certainly a smile and word of appreciation.

The older child who has started to school has many demands on his time and his energies. He has many adjustments to make, to new friends, new experiences, new ideas.

Family chores are pushed into the background, the novelty has worn off, they are just routine matters to be skipped through as quickly as possible or forgotten.

Try another approach. Don't depend upon verbal reminders, and reminders will be necessary. Use the blackboard or a check list.

Responsibility develops not only with the doing but with the planning of work to be done. And it develops best when the supervision is not too constant or demanding.

Comings and Goings

Dr. and Mrs. Norman Anderson and twins Judy and Rickey are spending a few days at the home of Mr. and Mrs. C. V. G. Morgan.

Friday evening the junior high held their annual snow queen frolic, Sharon Biagonni was elected and crowned snow queen for 1961.

A wedding of interest locally was solemnized in St. Ann's Roman Catholic Church when Victory Francis, daughter of Mr. and Mrs. V. R. Allercott of Penticton became the bride of Harold Clifford DeRosier, son of Mr. and Mrs. Ray DeRosier of West Summerland. The couple plan to make their home in West Summerland.

Miss Grace Johnson, daughter of Mrs. Harry Farrow of West Summerland became the bride of Herbert Lethcote in Coeur D'Elane, Idaho on January 3.

Mr. and Mrs. Findlay Frazer, formerly of Tisdale, Sask. and now living in Ontario have been visiting friends in Summerland.

Mr. and Mrs. S. A. MacDonald are holidaying in California.

Mrs. W. R. Powell is visiting with her son and daughter in law and family, Mr. and Mrs. George Powell in Vancouver.

Tom White of Vancouver and a friend Gordon Burroughs were recent visitors at the home of Tom's parents, Mr. and Mrs. Earle White.

Mr. and Mrs. Sam Fabbi are taking their son Allan back to college in Nelson this week.

Dr. Maurice Welsh is in Guelph, Ont., attending a virus conference.

Holidaying in California are Mrs. Lawrence Rumball and Miss Mary Scott.

New York's fashion houses are turning to the longer, slimmer look with short sleeves and straight lines. Pauline Trigere likes red, white and blue stripes. This slim column of red silk, on view at previews last week, is striped with dark tones. The hemline is set into motion by a flounce.

Women's Federation reviews past year

The January meeting of the Women's Federation of the United Church of West Summerland opened with the singing of the favorite hymn of Mr. Alex Smith, "Abide with me."

President Mrs. A. J. Lazebny welcomed twenty members and two visitors to this annual meeting. Many thank you notes were read, some from members who had been ill and some from organizations in our church at home and elsewhere to whom we had sent donations. A thank you note from a former member who now resides in Nova Scotia, Mrs. Joek Duguid, was enjoyed and she sent her best wishes to all of us for 1961.

Minutes of the December meeting were read and approved, and also the treasurer's report read and approved. Mrs. Chapman stated balance on hand January 1961 was \$381,563, Friendship Fund balance \$11.58.

Then the annual reports available were given. Mrs. McLachlan reported on Community Friendship home visits 132 and hospital visits 298 for 1961. Mrs. MacDonald being absent, her two reports were not available on Christian Stewardship and Christian Citizenship. In December she had given a report on "World Refugee Christmas 1960," reviewing the beginning of the present world refugee situation in Russia in the 1917 revolution and spreading and increasing during the 2nd world war. She told of positive things being accomplished in several countries among refugees.

The treasurer, Mrs. Chapman reported that received during 1960 was \$1,225, and disbursed \$844. She also sent, as instructed in December meeting \$10.00 to the Presbyterian treasurer as the share to help expenses in this area of the Presbyterian.

Mrs. Ward reported on Teas and Supply. Tea was served at ten regular meetings and a special tea was held in September when Mrs. Munns spoke on India. A tea was served at our Easter sale of work at which we had a good attendance. Nearly all members assisted the WA bazaar by making mince pies and other cooking in November. A report on parcels sent away during 1960 with a value of \$117 without postage, three going to Korea and one to Burnaby House for Girls, also a supply parcel to the Indian School at Fort Simpson. Two lovely quilts were sent to the Burnaby Home.

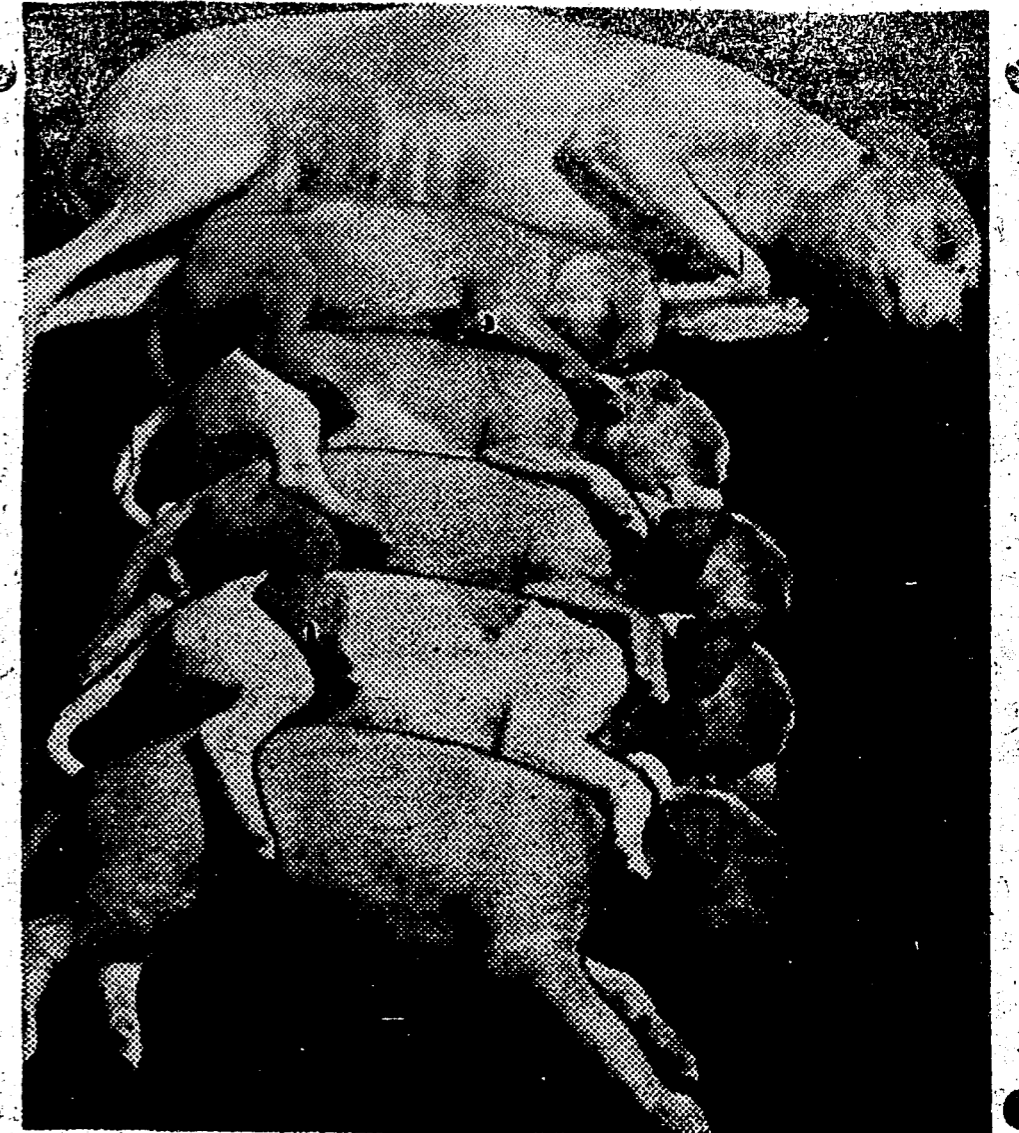

Mrs. Drakas offered a suggestion for a new way to make extra money. Her idea will be looked into further.

The president then asked Rev. P. K. Lonie to conduct the service of installation of officers for 1961. The theme chosen "Power To Live By" was found in the text

in Luke 24:13-563. He mentioned that Christ gave assurance to his disciples by his resurrection, He came back through death; also religion is an every day necessity. The ten officers were installed in a very impressive ceremony. Four were absent through illness or

unavoidable things. All members joined in singing the hymn "Take my Life and Let It Be". Members repeated Mizpah Benediction.

The meeting adjourned and tea was served by Mrs. Angus, Mrs. Cox and Mrs. Drakas.

When mama sleeps, everybody sleeps. Or so it would appear. After running around for several hours, these five little whippet pups settle down with mum for a well organized nap at their kennel in Bristol, England.

Hort. society re-elects Mrs. A. Inch pres.

A showing of a most interesting collection of wild flower pictures followed a brisk annual meeting of the

Society Friday, Jan. 20.

Mr. Nat May included in his "Timely Topics", a suggestion to buy shade trees and shrubs early since they are in short supply. He also recommended an unusual new rose "Orangeade", which will glow in the dark when a light is held near.

A short and informative question and answer period followed.

Mrs. D. McLachlan was presented with a small memento in appreciation of her many years as club secretary.

Mr. W. F. Ward was also presented with a small gift in recognition of his many years serving the club as treasurer.

Officers elected by acclamation were: president, Mrs. A. Inch; vice president, Mrs. A. Calder; secretary, Miss Doreen Tait; treasurer, W. F. Ward; executive, Mrs. L. Bingham, Mrs. W. S. Harrison, J. Mott, G. Dinning, and A. Watt.

Miss Doreen Tait then showed a beautiful collection of wild flower pictures. It is interesting to note that most of these flowers grow in local areas.

Also shown were many lovely slides of floral displays from the 1960 PNE taken by Mr. W. F. Ward. The evening came to a close with a friendly cup of tea and pastries.

Local Girl wed in Calgary church

A wedding of local interest took place in the Pleasant Heights United Church in Calgary January 6. Miss Bonnie Lane Wilson, daughter of Mr. and Mrs. Doney Wilson of West Summerland, became the bride of Mr. Russel Peter Kizan, son of Mr. and Mrs. William Kizan of Edmonton. Rev. D. Carr officiated.

The bride, given in marriage by her father, looked lovely in an ivory gown of Chantilly lace and Bombazine silk. The flared skirt ended in a train. A pearl and rhinestone tiara held her mother's veil in place, and her bouquet was orchids, yellow roses and Stephanotis.

Her three attendants, Mrs. Dorothy Creighton, Vancouver; Miss Rose Steckler of Calgary and Mrs. Anne Diegel of Calgary were identically attired in silk sheaths of peacock blue and wore white headdresses. They carried white glamelias.

Mr. Robert Hancock sang the 23rd Psalm and "Because" during the signing of the register.

Mr. William Kizan Jr. acted as groomsman and ushers were Mel McCann and Barry Wilson.

Following the ceremony a reception was held in the Southern Alberta Memorial Building. The bride's table was centered with a three-tiered wedding cake topped with candles and yellow roses. The bride and groom's parents assisted with the receiving. A toast to the bride was proposed by S. J. Parkinson and was responded to by the groom. William Kizan proposed a toast to the bridesmaids.

For a honeymoon in Banff the bride chose a travelling costume of white wool with blue accessories.

The bride's mother chose

a gown of champagne lace and a corsage of pale green orchids. The groom's mother was attired in pale green wool and her corsage was white orchids and roses.

Out-of-town guests were Mr. and Mrs. Doney Wilson and Randy of West Summerland; Mr. and Mrs. Tom MacDonald of West Summerland; Mr. and Mrs. William Kizan Sr., of Edmonton; Mr. William Kizan Jr. and Mrs. Dorothy Creighton of Vancouver.

Shower for Grace Johnson

Miss Grace Johnson, recent bride of Herbert Lethebe of Osoyoos was honored at a shower January 10 at the home of Miss Jo-Ann Ongaro. A box, decorated to represent a garage, filled with many lovely gifts, was presented to the bride.

Games were played by the guests followed by a lovely luncheon which featured a cake made by the bride's mother.

Guests attending were Mrs. Kay Ongaro, Mrs. Rose Skinner, Mrs. Jean Unrau, Mrs. Chuck Bleasdale, Mrs. Grace Bramley, Mrs. Ann Young, Mrs. J. M. Betuzzi, Mrs. Meyers, Mrs. A. Leardo, Mrs. J. Pohlman, Mrs. M. Vokes, Mrs. Manny Young, Mrs. Tom Washington, Mrs. Viola Krianki, Mrs. Roy Gilbert, Mrs. S. Fabbri, Mrs. Iris Stewart, Mrs. F. Cafe Aces vs. Lumby here Sun.

In the senior men's hockey division, Summerland's Mac Cafe Aces came well out on top in the Sunday game with the Greenwood team. Aces romped away with a score of 19-5.

Jim Ayers was top scorer with five goals and six assists.

The next game will be this Sunday afternoon when the Aces play host to the Lumby Flying Frenchmen in the local arena. Come along and see some good hockey.

Square em' up

Party nights for Beginner Dancers are the news for January.

On Jan. 14 Okanagan Landing and Westbank had wonderful attendance at their dances, as did Oyama and Summerland Jan. 21.

The Pairs and Squares were host to about twenty squares of dancers last Saturday night. Couldn't help feeling very proud of our Ray Frederickson. His usual smooth performance as MC kept the rollicking crowd moving at a lively pace.

The delicious hot casseroles and jellied salads prepared by the ladies of the club, under convenors Nettie Shannon and Phyllis Smith, were very much enjoyed after such an active evening.

Sixteen adults and twenty eight teenagers were officially welcomed into the Pairs and Squares by president David Munn. We are very happy to have such friendly and co-operative people in the club, and especially appreciated their help in clearing up after such a big crowd. Harold Wiens, Leo McCrea and Bob Hardie have been well initiated after manfully washing dishes for 150 people. Bravo boys!

There will be no square dance lessons this Friday night, Jan. 27, because the hall is not available. A beginner's level party is scheduled at Peachland for Saturday, Jan 28 with Chuck Inglis MC. Sack lunch. Also on that night there is a March of Dimes benefit dance at Oliver, emceed by Percy Coulter, with supper provided.

Teen aged dancers are reminded to bring their instruction fees to the next lesson night, Feb. 3. Fees are \$2.50 for teen agers, as there are 10 lessons in the series. We will send in another badge order, if those who want them will please let us know.

Several members have been laid low by the flu bug. We hope you and your families will all be back in good health very soon, and dancing with us again Feb. 3rd.

Junior Hockey

In a game played at Penticton last Saturday afternoon the local No. 2 Bantam team defeated Penticton Red Wings 9-2. It was a fast clean hockey game with the only penalty going to Summerland.

Local goals were scored by Campbell 2, Boothe 1, Selinger 1 (2), Beggs 2, Trussel 1, Holmes 1, Biagonni 1. Assists went to Gowling 3, and Young 2.

the one **GUARANTEED** investment

The graph of family life may have its ups and downs—its happy highs and occasional lows. This is the unpredictable nature of life. But the graph of family financial security, plotted wisely, need never show such an uncertain pattern. For family security can be guaranteed through Life Insurance. As so many men have found, wise investment in Life Insurance, more than any other investment, does safeguard their family's future welfare and their own carefree retirement.

To families who made this investment, Manufacturers Life paid out, in 1960, over \$61 millions.

These were important dollars for they were received when needed most, at a time when income ceased through death or retirement.

Each year, more and more men and women look to the Manufacturers Life for this financial security. If you, too, want guaranteed financial security for yourself and your family, why not call the Man from Manufacturers today.

Actors have been putting the show on the road for years, but here is an actor who is putting the acting school on the road as well. Each week William Gréaves (right) covers 1,000 miles to visit classrooms in Montreal, Ottawa and Toronto. Here he gives instruction to Dennis Stanway and Renee Greenberg in Toronto. He then heads home to Montreal by plane and the next day goes by train to Ottawa.

Kiwanis Club Notes

Jerry's first meeting after the Installation Ceremonies a week ago went off with a bang. It was an Inter-club meeting with nine members from Penticton present. John Tamblin was also in great form on his first night as Sheriff (minus the horse this time) and he not only managed to fine nine members (much to their disgust) but scooped in the rewards of three birthdays, Johnny Betuzzi, Bob Alstead and his own. John was quite penitent (apparently) when he produced a wire from Bill Gilmour, sent from Ottawa, which had somehow got mislaid, and should have been read at the Installation, so Bill Gilmour had the unique experience of reading his own wire ten days after it was sent.

The speaker of the evening should have been Bruce Morris of Penticton, but Bruce is suffering from throat trouble, and so Les Cribbs acted for him, and gave a very interesting talk on "The Big Brother Movement." In a word this is a scheme whereby Kiwanis investigate cases of underprivileged or needy children, mostly boys without a father, and a suitable member of the Club is chosen who acts as a "Big Brother" supplying interest, advice, and help in many ways, to take the place of the father, who is no longer there. Penticton has nine such "little brothers" and the Vancouver Club has some forty or more, and dozens of concrete cases exist, where thanks to the Big Brother's help, the "little boy" has grown up to be a credit to not only Kiwanis but to his community. Les Cribbs gave an excellent description of the movement and

HIGH SCHOOL NEWS

Friday night basketball, curling and badminton team journeyed to Penticton and were very successful.

The senior A boys basketball team was victorious over Penticton Lakers by a close one point.

The senior B boys won also. Curling teams downed Penticton curlers and the badminton team won about half the games they played.

Saturday night Summerland was host to Trail basketball teams. Summerland Rockets won over Trail Crowhawks, and the senior B boys defeated the corresponding Trail team. The senior girls lost to Trail 20-21.

TEEN TOWN TOPICS

The March of Dimes campaign is over for the year and the amount donated by the citizens of Summerland totals \$400.12. We wish to thank everyone for their generous donations and for supporting our campaign so well.

Regular weekly dances are held every Saturday night in the IOOF Hall with memberships available at the door. We would like to thank Mr. and Mrs. Fetterer and Mr. and Mrs. Ray Mayert for chaperoning our January 14th dance and Mrs. H. R. McKee and Mr. W. Harrison for chaperoning our Jan. 21 dance. Any adults interested in helping out with the chaperoning of our dances please call me at HY4-6231.

much interest in his talk was shown by those present. He was thanked by Bill Gilmour.

Bob Alstead performed wonders in leading the club singing, and last, but by no means least, Scottie Ritchie won the prize in the special draw, and the package was heard to "gurglo" loudly.

Is Your Home Getting The Care It Deserves?

Failure to make repairs to your house immediately can be downright expensive. One piece of falling plaster that is overlooked or left to take care of itself so often leads to another. And then the financial expense is much greater.

If your house is in need of improvements, repairs, paint jobs, and the like, and your ready cash can't take care of the cost, see Simon Kouwenhove, Accountant at the West Summerland Bank of Montreal branch

about a Home Improvement Loan. H.I.L.'s are available at the B of M for all kinds of worthwhile purposes about the house.

They're inexpensive, too, the interest is one-half of one per cent a month, and you repay in easy monthly instalments, plus interest. So, if you have repairs or improvements on your mind call on Mr. Kouwenhove at the B of M tomorrow. He will be glad to show you how an Home Improvement Loan can help you.
