

### Under the Giant's Head

J. E. Miltimore, P.Ag., of the Research Station, reports that for the month of June 343.5 hours of bright sunshine were recorded. Previous all-time high was in 1940 when 338.6 hours of sunshine was recorded. The 45 year average of bright sunshine for the month of June is 241.0 hours.

During the past week there was 77.1 hours of sunshine and 22 inches of rain.

	High	Low
June 28	81	54
June 29	71	50

Macs Cafe Aces are still winning ball games and after taking two in a row over Penticton Merchants are still on top of the inter-city senior men's softball league. This Thursday Aces take on second place Osyoos. Game time 7 p.m. in the playground park

A press release from Toronto informs us that Jerry Hallquist, Nick Solly, Tommy Young and Scotty Ritchie are attending the 46th annual convention of Kiwanis International at the Maple Leaf Gardens in Toronto. A total of 17,000 people are on hand for the affair, the largest in Kiwanis' history. The local foursome flew down in Nick Solly's plane.

Among those in residence in Parkdale Place or who have selected rooms are: Mrs. M. J. Gallagher, Jack Mutton, Mrs. Maud Bell, Mrs. R. S. Munro, Mrs. J. Boult, Mrs. McIntosh, Mrs. Eckersley, Mrs. Eveline Gould, Mrs. H. B. McClement, Mrs. Atkinson, Mrs. Tullett, Mrs. Ross Grant, Mrs. Van Syckle, T. J. Garnett, Jack Lawlor and E. E. Campbell

We notice a number of the local restaurants are featuring in-season fruits either in the form of sundaes or pies. One cafe, the Nuway, is featuring a special 75c Saturday night meal to be served from 5 to 9 p.m. in an effort to encourage Saturday night shopping.

This Friday night at 8, the Summerland Junior Red Sox will play Penticton A & W in Penticton ball park under the lights. This will be the first game in junior baseball history to be played under the lights in the valley. In 28 innings this year the Red Sox are ahead by only one run, so it should be a good game.

Have you seen West Summerland's new flower baskets? The Retail Merchants Committee of the Chamber of Commerce have hung six of them, supplied by Don McLachlan, at intervals down the main street.

Summerland RCMP detachment has been increased to three. Constable Art Giesbrecht is now here on a permanent transfer from Penticton where he was stationed for the past 10 months. Previous to this he was at Prince Rupert. Constable Giesbrecht's home is in Myrtle, Manitoba.

## Local woman to teach art at Okanagan Summer School

A change in the instructor for the art classes of the Okanagan Summer School of Fine Arts has resulted in obtaining the services of the well-known Canadian artist, Mrs. A. J. Mann of Summerland and Oyama. The change was necessitated by the illness of Mr. Peter Aspell of Vancouver.

Mrs. Mann, who has been a resident of Summerland, paints

under her own name of Vaughan Grayson. Her work is known throughout Canada as she has exhibited in many Canadian centers.

She has taught art in the Regina Normal School, has graduated from the Art School of Columbia University in New York and has also studied in Boston. She has taught art at the Banff School of Fine Arts

and is a member of the Canadian Serigraph (Silk Screen) Society. She is a very active and dedicated artist and many honors have come to her.

She has made many field trips through the Rockies, at Banff and through the Columbia ice fields, and has many beautiful pictures to show as a result.

A few years ago she was instructor of the night school classes in Summerland and her students were very enthusiastic over the class of instruction and help that they received from her. —MA

## W. J. Arnold dies in boating accident

A boating accident Friday, four miles north of Summerland on Okanagan Lake took the life of Walter Jeremiah Arnold, 84, of Summerland.

His son, Elmer Adelbert Arnold of Vancouver and Harry Howard, 71 of Summerland clung to the overturned boat from 9:40 a.m. to 5 p.m. and managed to paddle and drift ashore. They were treated overnight in

Summerland General Hospital and released. The survivors told RCMP that the elder Mr. Arnold lost his grip on the overturned boat and disappeared into the water about half an hour after the craft was capsized by choppy water. The body has not yet been recovered.

Mr. Howard told the Review Tuesday that he is progressing satisfactorily after his ordeal.

## Trudy Mitchell Queen

Chosen as Summerland's 1961 fall fruit fair queen last Saturday was Trudy Mitchell, daughter of Mr. and Mrs. Harvey Mitchell. She represents the Rotary Club. Her princesses are Dorothy Watson, daughter of Mr and Mrs. Cec Watson, Yacht Club candidate; and Audrey Beggs, daughter of Mr. and Mrs. Gordon Beggs, representing Teen Town.

The girls were chosen at a dessert party held in the IOOF Hall. C of C president, G. C. Johnston was master of ceremonies and made the announcement.

The girls will ride on the Summerland float at the Penticton Peach Festival and at the Kelowna Regatta and will be crowned at the annual fall fruit fair here in September.

TRUDY MITCHELL

## Many attend opening of Parkdale Place

Official opening of Parkdale Place, Summerland's \$160,000 senior citizens home took place last Friday.

Reeve F. E. Atkinson acted as chairman and welcomed the large crowd in attendance.

Opening prayer was said by Rev. Lyle Kennedy, and a hymn of thanksgiving sung by the Melodeers led by Mrs. L. L. Fudge

Heads of committees introduced were Councillor Norman Holmes, chairman of the building committee; Mrs. F. E. Atkinson, chairman of the furnishings committee; Dr. H. R. McLarty, applications committee; E. H. Bennett, chairman of finance and publicity; and Mrs. Gordon Ritchie, chairman of the requirements committee. They introduced the members of their committees and spoke briefly on their work.

Mayor C. Oliver of Penticton spoke on behalf of visiting mayors and reeves.

Also introduced were K. M. Blagborne, municipal works superintendent in charge of the project; Colin Campbell, in charge of the building operations; Roy W. Meiklejohn, architect; and Mrs. Regina Cornish, matron.

The prayer of dedication was given by Rev. P. K. Louie, and Mrs. M. J. Gallagher cut the ribbon to officially open the

building.

The Melodeers then sang, "Bless This House" and inspection of the building followed with tea served in the dining room.

## Two more scholarships announced

Two outstanding young British Columbia students have been awarded second-phase Bank of Montreal Canada Centennial Scholarships worth \$1,500 a year for three years, the bank has announced.

The winners are:

Terrence Chew Leung son of Mr. and Mrs. Chew Chung Leung of Victoria, a science student at Victoria College; and

## Baptists conducting bible school

A vacation bible school is being held at the Baptist Church July 4 to 11 from 9-11 each morning with songs, games, stories and handicrafts, at which it is expected about 85 will attend

Directors are Miss Muriel Banks, primary; and Mrs. John Barg, junior and intermediate. Pianist and assistant will be Mrs. Lorne Bloomfield.

Teachers of the primary groups will be Judy Fitzgerald, 5 year olds; Eyerdien Wouters, 6 year olds; Judy Nicholson, 7 year olds; and Miss Violet Banks, 8 year olds. They will be assisted by Margaret Brown, Lois Milne, Cherle Wellwood and Helga Mitterwalner.

Leaders for the junior and intermediate groups will be Mrs. Nicholas Buddingh, 9 and 10 year old girls; Mrs. Donald Clark, 11 and 12 year old girls; and Mrs. Lennie Fitzpatrick, 9 to 12 year old boys.

A program for friends and parents is to be held Tuesday evening July 11 from 7:30 to 8:45. Highlight of the week's program will be a demonstration and talk on India by Rev. and Mrs. Kenneth Knight, missionaries on furlough from India. Rev. Knight is a former pastor of Summerland Baptist Church

Pat M. Ellis, daughter of Mr. and Mrs. D. C. Ellis, Vancouver, who is studying arts subjects at UBC in Vancouver

Last year, both Terry and Pat received one of the five first-year \$750 scholarships for B.C., among 48 for all of Canada.

Choice of 16 second-phase winners has now been made from those 48 by a national selection committee made up of leading Canadian educators. Ability alone, rather than geographical location, governed the second-phase selection.

Provided the students maintain good grades, the new awards will be worth \$4,500 to each of them during the next three years, financing their college courses to graduation.

## Fudge wins Hankey Cup

Play for the Hankey Cup, presented yearly in men's doubles tennis tournament for the Okanagan, was held at Vernon Country Club last Saturday and Sunday. There were seventeen entries from Vancouver, Kamloops, Revelstoke, Vernon, Kelowna, Summerland and Penticton.

Emerging victorious were G. R. B Fudge of Summerland and E. C. R Cardinal of Penticton who defeated Vancouver in the finals 6-4, 6-2.

This was one of the largest tournaments in years showing that tennis is enjoying a boom in the northern part of the valley.

## MOVES TO ROSSLAND

Mrs. Frank Carey of Trout Creek, spent a week recently at the Home League Camp at Hopkins Landing near Horseshoe Bay. Lt. Irene Carey, her daughter, who has spent the last month in North Vancouver, has been transferred to Rossland, where she will be in charge of the Salvation Army post. This will be a permanent appointment following a week spent in charge of the Home League Camp at Trail.

## Convocation

The local congregation of the Church of God of which Rev. Ira Johnson is pastor, is cooperating with sister congregations throughout Canada in the furtherance of the forthcoming national Campmeeting to be held July 9th through 16th in Camrose, Alberta.

Dr. W. E. Reed, General Secretary of the Board of Church Extension and Home Missions, of Anderson, Indiana, has been selected as speaker for this occasion. Dr. Reed is also secretary of the Department of Home Missions and Secretary of the Department of Evangelism. In addition to a number of excellent books he has written, his voice is frequently heard in the General Ministerial Assembly and on the Executive Council of the Church of God.

## COMINGS AND GOINGS

Miss Elizabeth Creed of London, England, was a recent guest of Mr. and Mrs. J. Kitson.

Mr and Mrs Gordon McDonald of Rossland are visiting Mrs McDonald's mother, Mrs Wm. May.

Rev. and Mrs. K. Knight and family of Parlakhemundi, India, are visiting at Miss Ruth Dale's cottage at Crescent Beach

Mrs. D. Knight of Estevan, and Mr. T. Field of Toronto are visiting Miss Ruth Dale

Mr and Mrs. Bill Maxwell and family visited Mrs. Maxwell's mother, Mrs. M. M. Stephens recently

Mr and Mrs. W. M. Wright have returned from a trip to Winnipeg where they visited their daughter, Mrs H. Turbett.

Mr. and Mrs. F. R. Kerr of Vancouver are visiting Miss Mary Scott.

Mrs. E. Hack has returned home following a visit to Calgary.

Mr. and Mrs. Charles Smith returned to Vancouver last week after a holiday spent with the Fred Schumann's.

Mr. and Mrs. H. McCutcheon and family of Fruitvale are visiting his mother, Miss Sadie McCutcheon

Mr. and Mrs. Carl Inglis and family spent the week end at Princeton with Mrs. Inglis' brother, Mr. Frank Maggs.

Rev. Norman Tannar has been called to Vancouver following the death of his mother.

Mr. and Mrs. Arnold Logan of Trout Creek have their son-in-law and daughter, Mr and Mrs. Alan Roberts of Toronto visiting for a two week vacation.

Mr. and Mrs. Jack Henley spent a holiday on Vancouver Island recently, and last week took a round trip through Merritt and Kamloops. Mrs. S. Henley and Mrs. MacDonald of Vancouver Island visited with the Henley's recently

A successful coffee party was held Wednesday morning at the home of Mrs. E. C. Bingham for members and friends of the W.I. Next party will be held at the home of Mrs M. E. Collas at Crescent Beach on July 12.

Mr Will Brown is in Vancouver on business this week.

Mr. and Mrs. William Logan of Vancouver are visiting with Mr. and Mrs. Clare Eisey this week.

Mr. B. Arnold of Rocanville, Sask. is visiting Mrs. W. Arnold. Also visiting at the Arnold home are Mr. and Mrs. W. E. Curry and Mr. and Mrs. S. Hand of Vancouver.

Mr and Mrs. J. Morphy and Jackie of Saltcoats, Sask. and Mr and Mrs. S. Barber of Saskatoon visited with Mr. and Mrs O. Morphy this week.

Mr and Mrs Gilbert Jacobs of Oregon were recent visitors at the home of Mr. and Mrs. Frank Jacobs.

Visitors at the home of Mr. and Mrs. D. Taylor over the week end were Mrs Elliott Henderson, and children from Vancouver, and Mrs. Taylor's sister Mrs. M. Beaddie of Vancouver.

Mr and Mrs Wyndham White have returned from Victoria after spending a month with their daughter and son-in-law

Mr. and Mrs. Keith Armstrong of Edmonton are holidaying with Mr. and Mrs. Bud Green of the Trout Hatchery.

Mr. and Mrs. Charles Hornby of Vancouver are here visiting Mrs. Hornby's mother, Mrs. William May

Miss Ruth Stoney and family have moved into the residence they recently purchased from Mrs O. T. Williams. Mrs Williams has moved into Parkdale Place.

Kenneth Caple, a former resident of Summerland now living in Vancouver, stayed at the Krahnstover residence over the week end.

Dr. and Mrs. Tom Anstey and family of Lethbridge stopped over to visit friends in Summerland on Monday while on their way to Victoria.

Mr. Fred McKee of Vancouver has been visiting at the home of his brother and sister-in-law, Mr. and Mrs. H. R. McKee. Other holiday visitors at the McKee home were Mr and Mrs L. J. Buchan of Vernon.

The Summerland Review

## Local girl wed in Ottawa ceremony

Miss Dorothy Frances Blacklock, daughter of Mrs. John Blacklock of West Summerland and the late John Blacklock, was married on Saturday, June 24, in Fourth Avenue Baptist Church, Ottawa, to Eric Herbert Murphy of Ottawa, son of Mr. and Mrs. James Murphy of Pubnico, Nova Scotia.

The bride, given in marriage by her brother, Donald Blacklock of London, Ont. wore a wedding gown of white silk organza embroidered with appliques of lace and seed pearls. The full length dress was fashioned on princess style lines with a round neck and long sleeves tapering to points at the waist. Her headdress was made of sequins and pearls and the fingertip veil was of tulle illusion.

The bride carried a cascading bouquet of red roses and white carnations.

Miss Diane Morell of Ottawa was maid of honor. She was gowned in a blue lace with overskirt of silk organza, worn with a picture hat and she carried a bouquet of white and blue daisies.

Best man was David Steele of Dartmouth, Nova Scotia. Ushers were Douglas Murphy and Allan Murphy, both of Ottawa.

A reception followed in the church hall where Mrs. Blacklock, the bride's mother, received in a blue crepe dress with white accessories and a corsage of pink sweetheart roses. The groom's mother assisting was in mauve with white accessories and wore a corsage of white gardenias.

For travelling to the Maritime provinces on their honeymoon the bride wore a blue silk shantung dress with matching jacket, white accessories and pink carnation corsage.

On their return Mr. and Mrs. Murphy will reside at 603 MacLean St., Ottawa.

Out of town guests included

the bride's mother and sister, Mrs John Blacklock and Mrs. Phil Smith of West Summerland.

## Teen-Town Topics

Summerland Teen Town is very proud to announce that Audrey Beggs, its candidate for fall fruit fair queen, was chosen as a princess. Our congratulations and sincere best wishes go out to Audrey.

A total of \$100 was raised by Teen Town for the Parkdale Place furnishing fund. This was raised by holding special dances during the month of May.

Because of the many summertime activities, council meetings will be held only every two weeks during the months of July and August.

There will be no dance this Saturday, July 8.

## You tell them

Many cities are constantly on the alert for opportunities to boost themselves. In this respect they have the co-operation of eager and loyal citizens.

People who go away on their holidays should be armed with folders and pamphlets about Summerland. If they go out of the province they should lose no chance to include the whole of British Columbia in their ambassadorial role.

It is still amazing how many people in British Columbia know little or nothing about the Okanagan and Summerland, and it is also a known fact that people outside of the province have only a vague notion about the beauties of our Pacific province.

Be an ambassador. Before you leave on your vacation call at the Review Office or Lorne Perry's office and pick up some of the Chamber of Commerce's brochures. When you are away be as vocal as possible in extolling the opportunities of Summerland and British Columbia.

—★—

## School's out again!

Last week saw the completion of another year of school activity. Pupils in the local halls of learning, as those in most others throughout the province, have already received their promotions, excepting those in the senior grades who have been required to write departmental examinations, and are free for the next two months to either do nothing or to undertake summer work.

There are many students in our high schools who seek and require summer work, and many of these succeed in finding it in or around Summerland. Such work, to many students, is the deciding factor as to whether or not they are able to continue on their education to university. For it is true that while incomes of families are much higher today than a generation ago, so also is the cost of an education to the seeker of it. To such ambitious students should be given every opportunity of employment during the holiday period.

And of course, now that school is out, motorists are urged to be especially careful on Summerland roads. Watch out for a small child dashing out onto the road, and be extra careful when passing those on bicycles.

## Library Review

by Kay Dunsdon

This week new books in our library seem to be mostly non-fiction. These books are all extremely interesting and most varied in their subjects.

"The SAVING Remnant" is certainly non light summer reading, but one becomes fascinated by this solemn account of Jewish survival through the years. We read of the walled-in ghettos, of starvation and killings and planned mass extermination, but always a remnant survives. The hero of this epic is the American Jewish Joint Distribution Committee, shortened to JDC or just The Joint. This committee and its funds is dedicated to relieving Jewish distress all over the world and has saved many lives and helped millions to re-settle in Israel and other parts of the world. Written by Herbert Agar, he writes with knowledge and full facts.

Now to Scotland and Margaret MacDiarmid's account of her struggles to be a farmer's wife, when her navy husband retires to a farm in his native Argyll. Margaret fears cows and hates the silly sheep, but as a good wife she looks after the house and garden. When her husband dies suddenly, she is faced with running the farm herself, with very little help. Her adventures and problems are poignantly and humorously told.

"Just Add Water and Stir", as the book jacket says is Pierre Berton's latest collection, in his own words of random remarks, satirical essays, thumb-nail sketches, intemperate recipes and crude drawings, all by Pierre. Just find a cool spot and relax over this.

A small book by English writer Muriel Sparks is a very well written collection of short stories. The book takes its unusual name from the main story, "The Go-away Bird."

## In Appreciation

The following article was received from a local Review reader, after he read of the death of Rev. D. C. Davidson, formerly of Summerland, in Scotland.

"Many of the older members and adherents of St. Andrew's United Church, as well as those of other faiths, would experience a sense of regret upon learning from a recent issue of the Review of the passing at Ardrossan, Scotland of the Rev. D. C. Davidson.

During the year 1941 Mr and Mrs. Davidson came into our community, almost unheralded, and at the request of the United Church to fill, temporarily, a vacancy created through the local minister volunteering as an Army Padre.

From the very outset Mr. and Mrs. Davidson fitted into the local pattern of life as if born for it. Mr. Davidson had for many years been a member of the staff of Mokden College, Manchuria, but had to relinquish this post as a result of the prevalence of Chinese-Japanese war, and sought an opportunity of repatriation to their native Scotland, but due to unforeseen

## What makes the difference?

by Rev. Ira Johnson

You may have made the observation, that for some people the Christian religion is largely a matter of dutifully going through certain routine forms which fail to bring any significant change to their lives. There are others, however, for whom the Christian religion is a joyous experience and their lives are transformed, full of purpose and direction. These observations could cause you to ask the question "What makes the difference?"

In our search of the answer let us state simply that the primary purpose of the Christian religion is to provide forgiveness for past sins, plus the making possible of a new life of victory over sin. (Romans 6:11-23).

If the individual does not personally experience these gifts of God's grace in his life through repentance, faith and obedience, he will continue to remain a stranger to the joyous transformed life. For example: A man may live in filth even though he is virtually surrounded with the cleansing agent of water, but unless he applies the water to his need it will not cleanse away the filth.

Likewise, the life-giving, transforming power of the Christian religion will never be experienced in any life until it is applied to the need for which it was given. When sin is truly repented of and Christ enthroned in the life, then a transformation takes place which does make a difference. (II Cor: 5:17).

(war) transportation difficulties were unable to proceed beyond Vancouver, hence the acceptance of the Summerland assignment.

Characterized by a modest degree of reserve, yet nevertheless with a mind richly endowed with natural and colorful observations, and with a co-ordination of unique folklore, Mr. Davidson's discourses and conversations always proved edifying and uplifting, so much so, that after a period of four years amongst us, they decided to resume their journey to the homeland. Their departure was the cause of much genuine regret.

Subsequent letters on the part of Mr. Davidson were always of the same high calibre, and always intriguing to the speculative mind.

It can well be said of him that "here was a man, taking for him all in all, we shall scarcely look upon his like again."

## Square 'em up

President of the Summerland Pairs and Squares, David Munn, and his wife Ruth, held Open House for the club at their home on the Sand Hill on the evening of June 29.

The sudden rainstorm that afternoon caused some anxiety for awhile, but the cool evening made for pleasant dancing on the lawn, and only the dancers' feet were dampened, not their enthusiasm. The Giant's Head seemed to wear an especially benign expression that evening, too. The old chap must approve of square dance music and fun!

Ray Fredrickson's fine calling, with some recorded calls to add variety, provided 2 or 3 hours of happy dancing. Then the guests moved indoors to enjoy a delicious array of sandwiches and relishes, and a wedge or two of cherry pie.

Club members are looking forward to another lawn dance this month at Gladys and Norris Laidlaw's home in Trout Creek. Their beautiful garden, opening on the lake, will be a very pleasant spot to spend a hot July evening.

Plans are all set up for our trail dance on Tuesday, August 1st. Fresh fruit from Summerland's orchards and flowers from her lovely gardens will be featured. The queen and her attendants will be on hand to welcome the visitors. We are looking forward to a wonderful evening with square dancers from all parts of western Canada and the USA. With our own Ray Fredrickson, whose calling is top bracket, in charge, our guest callers are assured of a warm welcome, and a fine, smooth job of emceeing.

There will be a trail dance in Peachland the preceding evening, and we hope some of our members will make a point of attending to advertise our dance up there. Street dancing in Penticton in the morning also provides an excellent opportunity to let visiting dancers know of our party.

Peach City Promenaders pavilion dances are in session every Wednesday evening from now until the end of summer. These dances are free, and open to all square dancers from near and far.

Stadium, Saturday, July 29. Game time is 3 p.m. The game will be preceded by the colorful Grande Parade, one of Seattle's highlights.

## Picking lugs for peaches

Bruising of ripe peaches at harvest can be reduced by picking them into lugs which hold about 17 pounds of fruit, and then stacking the lugs in 25-bushel hauling bins.

The lugs measure 15½ by 11½ by 7¾ inches and are carried by a simple harness like that used for picking bags. They can be stacked 27 to a bin, saving one of the transfer operations which causes most bruising.

A. D. McMechan of the Canada Department of Agriculture's research station at Summerland said tests with lugs showed that bruising could be cut by 30 to 40 per cent over the picking bags.

Whether the savings are enough to pay for the new containers is under study.

The plywood bins used in harvesting apples and pears in the Okanagan Valley, are hauled from the orchard to the packing plant.

# Awards presented at Trout Creek School

The Trout Creek Elementary School held its award day on Thursday. Supervising principal, J. Cooke, commented on the large number of interested parents who turned out for the ceremonies.

Proficiency awards were presented to Debbie Stoney, Sylvia Hodge, Lynn Gartrell, Judy Bonthoux, Susan Wardle, Dale Rae, Allan Rasmussen, Jennifer Morgan and Chris McIntosh. Mr. W. S. Ritchie, trustee of school district 77, presented the awards to the pupils.

The Ellen Youell Memorial Trophies for citizenship were presented by the teaching staff to Christine Corry, Ronnie Ryman, and Gordon Lackey.

A new award which will be made annually was announced by R. McNabb, head teacher at Trout Creek Elementary. This was the presentation of a book prize to the most proficient hand writer. A grade six pupil, Debbie Stoney, received the first award.

Several sports awards were presented. The W. R. Powell Shield for house competition was presented by Mrs. Powell to Susan Lopatecki and Ralph Smith, captains of the Blues.

Mrs. D. L. Gartrell presented the Gartrell Trophies for top boy and girl athlete to Gordon Lackey and Barbara Porritt. The baseball shield was presented to the Reds and was accepted by captains Carol Bombardier and Robert Munro.

Miss M. Lott, Mrs. O. Hackman and R. McNabb of the teaching staff presented several special awards: Art 4, Raymond Halvorson; Art 5, Marilyn Parker, Anne Rae; Art 6, Susan Lopatecki; Penmanship 2, Bar-

bara May; Penmanship 3, David Gartrell; Penmanship 5, Sharon May.

The graduating grade six class presented a gift to the school. Darlene Swinarton presented an engraved wall plaque of award winners to Mr. McNabb who accepted it on behalf of the school.

**APPLICATION FOR A WATER LICENCE**

**Water Act (Section 8)**

We, The Corporation of the District of Summerland of P.O. Box 159, West Summerland, B.C. hereby apply to the Comptroller of Water Rights for a licence to store water out of Trout Creek which flows South Easterly and discharges into Okanagan Lake, and give notice of my application to all persons affected.

The storage dam will be located at existing No. 1 Dam in Headwater Lake.

The quantity of water to be stored is 1,000 acre feet per annum.

The purpose for which the water will be used is additional storage for existing licences.

The land on which the water will be used is Summerland Municipality.

A copy of this application was posted at the site of the dam and on the land where the water is to be used on the 16th day of May, 1961, and two copies were filed in the office of the Water Recorder at Vernon, B.C.

Objections to this application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days of the first date of publication of the application.

The first date of publication is July 6th, 1961.

The Corporation of the District of Summerland

**Music results announced**

The Royal Conservatory of Music (Toronto) piano examinations were held recently in Penticton under the distinguished examiner, Boris Roubakine, concert pianist, teacher and festival adjudicator. Mr. Roubakine, who teaches senior piano classes at the Royal Conservatory commented on the high standard of performance here.

Among some of the comments received by the following students were such remarks as "excellent approach to technique", "intelligent performance", "well-prepared", "sensitive and convincing".

Grade VII: John Rathjen, honors; Douglas Lynn, honors.

Grade VI: Edward Mead, honors.

Grade IV: Judy Hockley, honors.

Grade III: Mary Foster, honors

The following students who passed their grade VII-VIII written work (Theory II) created something of a record. All were awarded first class honors and all had marks over 90. They were: David Mead 98; LaVerne Lynn 97; Julie Brown 95; and Anthea Morgan 92. All are students of Kay Hamilton, ATCM.

This proto-type British Rover car may revolutionize the automobile industry. The car, still in the development stage, uses a gas turbine engine with very few moving parts and capable of using cheap fuels like methanol.

**Rotarians install officers**

Harvey Wilson was installed as 17th president of the Rotary Club at a banquet held in the IOOF Hall on Thursday evening attended by Rotarians and their Rotary Annes. Ray Corner, past district governor, performed the ceremony.

Other officers installed for the year commencing July 1st were: vice president Gordon Beggs, secretary S. A. MacDonald; treasurer Ryan Lawley, and directors Cece Wade, Gordor, Smith and A. J. Longmore. Ted Atkinson, retiring president, was presented with a past president's pin by Francis Steuart.

After the banquet, guests were introduced by Glenn Fell. These included F. Mickey Argue, Rotary president at Oliver; Dick Pritchard, president at Penticton, and Peter Ritchie, president of Kelowna Rotary.

Ted Atkinson gave a review of the past year's operations and accomplishments. He thanked Rotarians for their co-operation and support.

Bob Tingley gave an informal

talk in which he contrasted the characteristics and attributes of the sexes much to the detriment of the male animal.

Two Japanese dances, the Parasol Dance and Village Dance were given by Joyce Arase and Connie Kuroda under the direction of Mrs. Roy Kuroda.

The guest speaker was Cy Day of Kamloops, who gave a talk on his trip to the Rotary International Convention held at Tokyo recently. This was illustrated by colored slides of Japan, Hong Kong and other places visited on the journey.

**Puppetry at art school**

This year for the first time the Okanagan Summer School of Fine Arts will have a course in puppetry.

Miss Kay Bisshop, who teaches at Como Lake High School at New Westminster has worked with puppets for 25 years and in her stock of puppets has about 200, including a complete cast for Punch and Judy, Chinese shadows, rod puppets, both round and flat; and string puppets or marionettes.

Among the plays she has produced are Cinderella, Aladdin, The Emperor's New Clothes, The Legend of the Willow Pattern Plate and others.

At the summer school the senior pupils will be doing Hansel and Gretel with marionettes, and will also study the production of *Pinocchio* and *Judy* with a script adapted from an old original performance.

Students will have a chance to try their hand at making all types of puppets and will appear in one of the performances.

Miss Bisshop is a very enthusiastic person and a good teacher who thoroughly enjoys her work. Applications for the course should be sent to Box 141, Penticton, or phone HY-7361. Courses start Monday, July 10.

## Under the Giant's Head

Summerland Town Band under the direction of Dr. Mason will commence its weekly park concerts shortly. Announcements will be made from time to time in this newspaper. On the band's program lately has been a trip to Princeton July 1, under guest conductor A. Downing, and to Peachland to play at the Regatta on Sunday, July 2.

24 inches of rain was recorded at the Research Station last week with 78.5 hours of sunshine.

	High	Low
July 5	80	63
July 6	65	57
July 7	66	48
July 8	75	54
July 9	80	60
July 10	85	62
July 11	86	68

Preparations are being made by the Provincial Highways Department to change the speed limit from 50 to 60 miles per hour on Highway 97 from Summerland to the Canada-United States border at Osoyoos. The new speed limit will not go into effect until the necessary signs are erected and certified to be in place.

Okanagan Telephone Co. has now announced that we can dial by ourselves to 50 million telephones in Canada and the United States. Although the machines that do this are nearly perfect, there's still the human element involved in the person doing the dialing. And to prove what a small world it is we live in, Walt Setter answered the phone last Sunday, and after a bit of conversation informed the caller he had the wrong number. "Where do you live?" asked the caller. "In Peach Valley" replied Walt. "What state is that in?" asked the caller. Seems he was DDD'ing from New York State and had indeed got the wrong number.

Last Sunday ten members of the Keremeos 4H club and their parents visited the Research Station here to look over the research program and facilities in Animal Science. A pleasant lunch was enjoyed on the lawn following which the group under the leadership of Ken Harker of Keremeos toured the barns. Some interesting information was exchanged regarding bloat in cattle, it having become quite a problem at Keremeos.

It seems that the automatic cut-off on the motors operating the refrigerating plant at the arena, cut-off only too well the other night when a power break occurred, and the ice melted overnight. However all is well now, and steps are being taken to prevent a recurrence.

### SPECIAL ISSUE

Summerland General Hospital  
Thursday, July 13  
A BOY

Publisher: Betty Williams  
Managing Editor: Eric Williams  
Technical Editor: Dr. W. Evans  
A small edition to begin with but scheduled to grow larger (Father and son doing well — mother taking a holiday)

Mrs. M. J. Gaillaugher cuts the ribbon at the official opening of Summerland's senior citizens home, Parkdale Place. Helping her is Reeve F. E. Atkinson and Councillor Norman Holmes, chairman of the building committee.

## Council to assist in educational courses

A deputation from school district 77, Summerland, attended council Tuesday night to explain Interrupted Education courses planned for this fall. The group comprised of chairman K. L. Boothe, trustee John Bennest and B. A. Tingley, secretary treasurer. Mr. Bennest told of the board's proposal to start night school classes in the new program for five nights a week for six weeks before Christmas offering classes in mathematics and English.

Mr. Bennest said: "Depending on the response there is no end to the courses that can be given." These are scholastic courses allowing those who have left school to make up their education. They will be taught by qualified teachers in the community other than the general staff. Tremendous interest has been shown and when interest was aroused first last spring

54 indicated that they would like to take the course. It is concentrated with a year's work done in the six weeks' effort."

Municipal council and the school board agreed that the project was worthwhile even if it didn't pay. Mr. Bennest said he believed that this type of education will be taken over by the department of education in time. In the meantime it is a local education problem. At present it is not possible to get a definite cost figure nor how much revenue would be obtained since the number of students who would attend is not known.

Council agreed to give the courses their backing and a subsidy this fall.

The course is designed for those who have left school for one reason or another and want to improve their grades.

## Report Canyon Dam in good condition

It was reported at council on Tuesday night that Canyon Dam, which was improved last year and has been full longer than any time in its history, is in good condition.

Last week Reeve F. E. Atkinson, Councillors H. J. Barkwill and W. B. Powell, municipal works superintendent Ken Blagborne, Bob Harris, Hans Korbin and two engineers from B.C. Engineering were at the dam site and found everything in satisfactory condition. A close watch is being kept on the dam and it is being inspected every three days.

## Nalos Associates move offices

Mr. Koath Marten of Nalos Associates has moved his office into the old Co-op Royalite Station at the corner of Kelly and Jubilee. The warehouse beside the building has been renovated and will be used as storage for high grade lumber and cedar products for wholesale distribution.

The group visited Headwaters Dam No. 1 and the site of its proposed enlargement. A camp for the work crew will be set up there for an estimated two and a half months while construction is being done.

## Opening of Art school on Friday

The official opening of the Okanagan Summer School of Fine Arts will take place on Friday night, July 14 at 8:15 in the Penticton high school auditorium.

Highlight of the evening's entertainment will be an address by Allan Jarvis, famous artist and convention director of the Canadian Council of the Arts, and former curator of the Toronto Art Gallery. The Chamber Music Group under Willem Bertsch will give selections and Victor Mitchell, drama instructor, will give poetry readings.

Admission to the general public will be 75c. Associate members of the Summer School and students in the various concerts will be admitted without charge.

## Figure skating now in full swing

Summerland Arena is the coolest place for miles these days. For the third year the arena association has installed ice for summer skating, and Miss Dolores Causier and Miss Sandra Mitchel are teaching the art of figure skating to a group of young people from widely scattered points in B.C. and Washington. Miss Causier is well known in the Okanagan for her teaching, her pupils having been very successful in winning many trophies for Summerland and Penticton clubs. Miss Mitchel is a Gold Medallist, which she received when she was only fifteen. This will be her first season as a professional.

Youngsters from Nanaimo, Vernon, Penticton, Summerland, Seattle and Vancouver have enrolled for these summer sessions and the arena has scheduled two patches a day, each followed by a free skating session for the students. There will also be dance sessions every Tuesday and Friday from 8:00 p.m. to 10 p.m.

The first tests are expected to be tried on Sunday, when Ellen Soper of Nanaimo tries her fourth test and Carina Campbell of West Summerland tries her third. Judges will come from Kelowna and Penticton.

Dance and figure tests will be a regular event for the rest of the summer with good results expected from all the pupils.

## No injuries in accidents on Friday

There were no injuries in either of two accidents which occurred last Friday afternoon in West Summerland. In the first, Elizabeth Wendell's car overturned following a blowout of a front tire while she was travelling along Prairie Valley Road. The car suffered about \$300 damage.

Later in the afternoon, \$500 damage was done to two cars on Garnett Valley Road. Alfred Rumpf was charged in Summerland police court Tuesday for failing to travel on the right hand side of the road, when his car was in collision with that of George Archibald Gould. Magistrate Reid Johnston imposed a fine of \$25 and costs.

Also in police court Tuesday was Ralph Forbes Cruickshank of Kelowna who was picked up by police on June 30 for impaired driving. He was fined \$150 and costs.

## Opening of Pennask on July 23

Official date for the Pennask Lake road opening has been postponed from July 16 to Sunday, July 23. On that day the Summerland Rod and Gun Club will hold a fishing derby with hidden weight prizes. Watch the Review next week for further details.

The road to Pennask Lake is now in good condition for cars and the fishing is as good as ever. Last Saturday and Sunday there were over 60 cars counted, with 600 fish going out on Saturday and over 700 on Sunday.

At Okanagan Lake, Trout Creek Headwaters and other lakes in the area fishing is reported as only fair on account of the hot weather.

## New Priest for district

Rev. A. M. Meulenborg, rector of the Roman Catholic parish of Summerland and Westbank, is leaving here after 13 years service to go to Grand Forks.

The new rector here is Rev. Michael Guinan, formerly of Keremeos. Fr. Donald Wilson will come from Cranbrook to Keremeos.

While Father Meulenborg was here the Church of the Holy Child was built in West Summerland and The Church of Our Lady of Lourdes at Westbank. He came from Osoyoos to Summerland.

Father Meulenborg, by birth, has taken a great interest in community work here and was secretary of the Kiwanis Club for many years of office.

Baby "Kao" is only 2 1/4 years old, but she's quickly learning the complicated routines of the Besalou Elephants. Kao, who joined the troupe only last fall, will be making her Vancouver debut this year with the Shrine circus during the Aug. 19 to Sept. 4 Pacific National Exhibition.

#### McKETA IN SEAFAIR BOY

ONE OF THE Seafair high-  
lights will be the debut of  
Canadian professional foot-  
ball in the University of  
Washington Stadium, Satur-  
day, July 29, at 3 p.m. The  
game will also mark the re-  
turn of such great former  
Musky stars as Don McKeta  
(pictured here), Bob Schlo-  
redt, Jim Jones, and the Clar-  
idge brothers, Bruce and Pat.  
It will be one of Seafair's big  
days as the game follows the  
Grande Parade, an event that  
annually draws over 200,000  
people along the extensive  
parade route. The historic  
game pits the Vancouver  
Lions vs. the Saskatchewan  
Roughriders.

## Former local girl married here recently

White flowers graced the  
chancel and were placed on the  
altar on Saturday afternoon,  
June 17, in St. Stephen's Ang-  
lican Church, when at two p.m.  
the marriage of Anne Catriona,  
only daughter of Mr. and Mrs.  
A. K. Macleod of Trail, and  
David Ernest Park was solemn-  
ized. Mr. Park is the son of  
Mrs. W. J. Hansen of Mara  
Lake and the late J. E. Park.

All the pews were marked  
with white ribbon and white  
flowers as the bride walked up  
the aisle with her father who  
gave her in marriage. The cere-  
mony was performed by Ven.  
Archdeacon E. H. Patterson of  
Trail assisted by Rev. Norman  
Tannar.

For her wedding the bride  
wore a floor length white silk  
organza dress over white satin.  
The neckline was outlined with  
a plain white band of organza  
over satin and the simple shirr-  
ing of the bodice was carried  
into short capped sleeves. A  
fitted waistline was dropped  
into points in the front and  
back and the skirt bouffancy  
was fashioned by layers of  
satin, net and organza and three  
pointed tiers, edged with Alen-  
con lace. This was worn over  
a crinolined hoop. A circular  
chapel length veil of net with a  
hand rolled hem, was held in  
place by an organza cap em-  
brodered with seed pearls. Or-  
ganza lily-pointed mittens com-  
pleted the costume and the bride  
carried pale pink roses and  
stephanotis with silver filigree  
leaves. She wore her grand-  
mother's amethyst pendant set  
in pearls and carried an heir-  
loom lace handkerchief.

The bridesmaids, Miss Sharon  
Hansen of Summerland and  
Miss Marilyn Cleland of Pentic-  
ton, wore identical frocks of or-  
ganza over tafetta in a pale or-  
chid shade with pinkish tones.  
They had fitted bodices and  
"apple skirts" and were worn  
with white gloves and white  
satin slippers. Attendants' tiny  
hats were of matching French  
flowers and they carried pink  
roses set with orchid colored  
tulle.

The bride's cousin, Miss Janey  
Cooke of Vancouver was the  
junior bridesmaid and little Miss  
Tricia Cooke was flower girl.  
They wore full skirted frocks

## Building permits increasing

Building still seems to be on  
the increase in Summerland with  
the latest figures released for  
June showing permits issued  
amounting to \$63,150 as com-  
pared with last June when there  
were 17 permits issued for  
\$32,120.

16 electrical permits were is-  
sued during the month of June.  
So far this year 73 permits  
have been issued amounting to  
\$442,375. This is 10 more per-  
mits than last year when in the  
first six months 63 permits were  
issued for \$169,970.00.

This year 15 permits have been  
issued for dwellings amounting  
to \$105,000.00. 44 permits were  
issued for alterations and ad-  
ditions amounting to \$26,235.00.  
Six permits were issued for com-  
mercial and institutional amount-  
ing to \$302,250.00.

of white organza with pale  
blue flower appliques. The  
bridesmaid had a posy of pale  
pink roses and the flower girl  
carried a tiny white basket of  
the same flowers. Their band-  
eaux were of white stephanotis.

The best man was the groom's  
brother, James D. Park of Pentic-  
ton, and ushers were Michael  
Hayne, Cowichan Bay; Keith  
Plant of Vancouver; Bert Revel,  
Salmon Arm and Eddie Matsu  
of Summerland.

H. J. Lupton, organist of the  
church, played softly throughout  
the service. While the bride  
and groom were kneeling at the  
altar a trio comprised of Mrs.  
L. L. Fudge, Mrs. K. L. Boothe  
and Mrs. Flora Bergstrom sang  
"A Wedding Prayer."

A garden reception was held  
following the ceremony at the  
home of Mr. and Mrs. T. M.  
Croil.

Archdeacon Patterson was  
master of ceremonies and read  
a number of congratulatory mes-  
sages. Lorne Perry proposed the  
toast to the bride. The groom  
gave a toast to the attendants  
and the best man replied.

Pouring during the tea hour  
were Mrs. H. C. Whitaker, Miss  
Marion Cartwright, Mrs. E. H.  
Cleland, Penticton, Mrs. Harold  
Hansen, Mrs. R. A. Johnston,  
Mrs. F. E. Atkinson, Mrs. G.  
E. Woolliams and Mrs. R. G.  
Russell.

Serving were Misses Lenore  
Hansen, Lynne Boothe, Elaine  
Dunsdon, Barbara Fudge, Mitzi  
Jomori, Carole Hackman, Anne  
Norah and Eileen Emery, Kath-  
leen Langton of Hammond and  
Judy Gowing of Duncan.

For going away the bride wore  
a pale yellow linen summer  
frock, hand embroidered with  
white hat and white corsage.  
She carried a turquoise and  
yellow checked wool coat.

The young couple will make  
their home at Thompson, Man.

## WI to host American homemakers

The South Okanagan and Sim-  
ilkameen District of the Wom-  
en's Institute will be hosts at  
their International Pot Luck  
Picnic at the Research Station  
on July 18.

Their guests will be the Home-  
makers Clubs of Okanogon  
County, Washington. Demonstra-  
tions will be given by Mrs. B.  
Robinson, Penticton and Miss  
Dorothy Britton, Summerland.

Members are asked to bring  
one item of food, also their  
own plate, cup and cutlery.

Registration begins at 11 a.m.  
and lunch at 12 noon.

## HAULING TENDERS

Scaled tenders will be received by Sun-Rype Products  
Ltd., 1165 Ethel Street, Kelowna, up until 12 noon, July 31,  
1961 for the hauling of process fruit to Kelowna plants.

The contract will be for a two year duration commenc-  
ing September 1, 1961. Specifications can be obtained at the  
head office in Kelowna.

All rates are subject to the approval of the Public Utili-  
ties Commission, Motor Carriers Branch, Kelowna, B.C. The  
lowest or any tender will not necessarily be accepted.

## APPLICATION FOR A WATER LICENCE

Water Act

(Section 8)

We, The Corporation of the  
District of Summerland of P.O.  
Box 159, West Summerland,  
B.C. hereby apply to the Com-  
ptroller of Water Rights for a  
licence to store water out of  
Trout Creek which flows South  
Easterly and discharges into  
Okanagan Lake, and give notice  
of my application to all per-  
sons affected.

The storage dam will be lo-  
cated at existing No. 1 Dam in  
Headwater Lake.

The quantity of water to be  
stored is 1,000 acre feet per  
annum.

The purpose for which the  
water will be used is additional  
storage for existing licences.

The land on which the water  
will be used is Summerland  
Municipality.

A copy of this application was  
posted at the site of the dam  
and on the land where the  
water is to be used on the 16th  
day of May, 1961, and two copies  
were filed in the office of the  
Water Recorder at Vernon, B.C.

Objections to this application  
may be filed with the said Water  
Recorder or with the Comptrol-  
ler of Water Rights, Parliament  
Buildings, Victoria, B.C., within  
thirty days of the first date of  
publication of the application.

The first date of publication  
is July 6th, 1961.

## No barrier

Serious misrepresentations about recommended legislation affecting Canada's own periodicals are being vigorously spread by Time magazine, one member of the colossal U.S. publishing empire of Henry Luce, says the Financial Post. A major bombardment of Canadian MPs is being organized.

A Time spokesman has declared: "There is the need of the free world for more, not less, communication among its citizens. The precedent which this (Canadian) report would set could rapidly lead to restrictions on the press in Asia, Africa and Latin America"

The Royal Commission did recommend legislation which would interfere with Time's so-called Canadian edition, but neither the parent edition of Time nor the parent editions of any other foreign magazine will be barred from Canada. Nothing has been proposed which has the remotest connection with freedom of the press or the free flow of information or opinion internationally.

Publishing in Canada now has no protection against dumping. Here's an analogy: Say somebody tries to manufacture cars in this country — really Canadian cars with Canadian made parts, with Canadian workers. That Canadian effort obviously couldn't survive a month in competition with another manufacturer who was subsidized by an American parent who gave him engines for a nominal \$1 each. The reading matter is the vital part of publications as the engine is of automobiles. Canadian publications must bear the whole cost of the reading matter they present. The so-called Canadian editions of American periodicals spend relatively minor amounts on their reading matter because the bulk of it comes at minor cost from the parent.

If present conditions and trends continue, "the possibility of there being no Canadian voices at all" is emphasized by the Royal Commission. The national periodical field will then be left almost entirely to American magazines. Then news and views about Canadian government policies, about our national, economic and social life, about our national destiny, will be shaped and edited in the United States for Canadian magazine readers.

## CHURCH SERVICES

### Summerland United Church

Minister: Rev. P. K. Louie

Worship Service:  
Sunday 11:00 a.m.

Visitors and tourists are welcome

To all who would know God and do His will — to all who would live and serve to make the world Christian — to all who would seek comfort and would find peace — to saint and sinner, this church opens wide its doors, and in the name of Christ, bids you welcome.

## How to find God

Down through the centuries from one of the oldest dramas in the Bible, perhaps the oldest, comes the wistful cry of Job,

## Dialing system enlarged

The Okanagan Telephone Company made another progressive step in the communication field last week with the introduction of Direct Distance Dialing on a nationwide basis for its subscribers.

Okanagan telephone customers — the very first in B.C. to use DDD — will now find this "do-it-yourself" Long Distance service on a country wide basis will, in effect, place over 50 million telephones throughout Canada and the United States right at their fingertips, a large boost from the more than 400,000 telephones that were dialable within our own province.

Direct Distance Dialing was first introduced in the Okanagan System in May 1960.

"Oh that I knew where I might find Him!" and the cry is taken up by modern writers.

In the main, those who complain that they cannot find God, who say that prayer is unreal, that they never feel His presence, nor experience His love, are perfectly sincere in their quest for God; but since God is what He is, the thing that is hindering them is on their side, not on God's, standing just where they are standing at present. For, though we ask the question, "How can I find God?" a truer way of putting the question would be, "How can I put myself in the way of being found by Him?" God, being what He is, is far more anxious to find us than we have ever been to find Him, and He will never rest until He brings us home.

There is therefore a preliminary question, "Do we really want to find Him?" "With our whole heart" — these are the words which contain the difficulty, and that is perhaps the reason why, for some of us at any rate, the quest for God seems barren and fruitless, and God seems to have withdrawn Himself to a distant heaven.

"If with all your hearts ye truly seek Me ye shall ever surely find Me". The truth is that we want Him and do not want Him, and there is a conflict in our minds. As one man prayed: "Lord, make me holy, but not yet". He was not willing to make a total commitment to God and the way of life in Christ.

Then we must want Him with our whole mind, and want Him for His own sake, and not for what we can get out of Him. God is a spirit and they that seek Him must seek Him in spirit and in truth.

## Juliette to appear at Regatta

British Columbia born singing star Juliette, the blonde charmer of Canadian television fame, will star at the 1961 Kelowna International Regatta on Thursday, August 10, as part of the annual show's evening grandstand performance.

Juliette plans on spending the summer break in B.C. and consented to appear at the Regatta after officials learned of her intention and requested her attendance.

Her appearance at Canada's greatest water show spectacular in Kelowna, will be the first time she has performed before a live audience in her native-born province since she achieved stardom as Canada's most popular television singer. The Regatta runs August 9th through 12th.

## Revise licences

Municipal council has announced a general revision of local trade licences. There are 225 trades licences authorized this year.

Where the maximum basic rate was on annual sales up to \$20,000 now two more brackets have been added with the maximum over \$40,000.

Professional fees went up from \$10 to \$25 for a six months period.

Minimum licence for six months is \$7.50 and maximum \$30 for half a year.

Three new categories were added; that of public laundry, auto courts and undertaker.

A new concept in stewardess uniforms will be introduced by Canadian Pacific Airlines coinciding with the establishment of DC-8 jetliner service on the airlines routes. In the picture at left, stewardess Julie Gillate, of

Montreal, does a last minute mirror-check on her new jet-age uniform and accessories. The unique design concept of the dress eliminates a stewardess' problem common heretofore — how to keep blouses tucked into skirts. In the photo right, three newly-graduated stewardesses are shown modelling the attractive mist blue outfits, featuring a fashionable one-piece dress with bolero styled jackets and matching outer coats. The accessories to the latest thing in airborne attire include gloves, shoes and umbrella handbag, all in a new mink brown shade. Shown in the three basic stages,

dress, jacket and coat, are Miss Natalie Bishop, Miss Jean Anderson and Miss Susan Higgins, all from Auckland, New Zealand

Witness delegates from Summerland were among the attentive crowd of 28,952 at Vancouver's Empire Stadium on Sunday, July 9, to hear the key talk of their six day United Worshipers District Assembly. Nathan H. Knorr, president of the Watch Tower Bible and Tract Society from Brooklyn, New York, delivered the discourse on the subject "When All Nations Unite Under God's Kingdom".

**COMINGS AND GOINGS**

Mrs. W. R. Powell has returned from Mission where she visited her daughter, Mrs. Mac Johnston and family.

Kenneth Haughton of Carrievale, Sask., visited his cousin, Miss Edith Verity on Tuesday.

Mrs. H. Mitchell and three children from Bermuda have arrived to spend the summer with her brother-in-law and sister, Mr. and Mrs. R. Russell.

Harvey Grundy of Venn, Sask. is visiting Mr. and Mrs. A. C. Logan of Trout Creek.

Mr. and Mrs. Wm. Lacey, formerly of Winnipeg, have moved into their new home at Trout Creek.

Mr. and Mrs. Dale Rumball and daughters Pamela and Hilary of West Vancouver, are visiting his mother, Mrs. L. W. Rumball.

Recent guests of Mr. and Mrs. Gordon Dinning were Mrs. James Ferguson of Saskatoon and Mr. and Mrs. Louis Mitten of Vancouver.

The four local Kiwanians who attended the Kiwanis convention in Toronto recently, Nick Solly, Scotty Ritchie, T. B. Young and Jerry Hallquist, extended their visit while in the east and flew down to Madison, Wisconsin, where they visited the Jack Stewart family, formerly of Summerland. Mr. Stewart and his family are staying in Madison while he is working for his Masters Degree.

Former long-time resident of this area, Norman Roddy, passed through Summerland after 10 years residence in Terrace on his way to make his future home in New Zealand.

Mr. and Mrs. I. Barrett of San Diego, California, and Mr. and Mrs. Menitz and family of Vancouver, have been visiting with Mr. and Mrs. Bud Green at the trout hatchery.

Mr. and Mrs. Kiebel of Prince George are in Summerland visiting friends.

Mr. and Mrs. E. R. Butler spent last week in Victoria and visited their daughter and son-in-law, Mr. and Mrs. Furness.

Visiting Mr. and Mrs. J. Benest are Mr. and Mrs. Albert Smith of Toronto and Miss Nancy Smith of Vancouver.

Mr. and Mrs. Weitzel of Sun City, Arizona are visiting Mr. and Mrs. C. B. Snow.

Harry Walmsley of Invermere has been visiting his mother, Mrs. Walmsley and his aunts, the Misses Banks.

Mr. and Mrs. W. C. Parlee of Tacoma are visiting her parents, Mr. and Mrs. F. Nicholls.

Flight Lieutenant and Mrs. A. H. Kirk and family of Comox are visiting with his parents, Mr. and Mrs. Jack Kirk.

Mr. and Mrs. Alex Inch and family have returned from a week's camping at Woods Lake.

An enjoyable coffee party for WI members and friends was held at the home of Mrs. M. E. Collas Wednesday morning. The next coffee party will be held August 26 at the home of Mrs. Fred Schumann at Trout Creek.

Misses Anne and Birdie Bannister of Vancouver have been visiting at the home of Mrs. Vera Foster.

Rev. and Mrs. C. N. Howard and four children were recent guests at the home of Mr. and Mrs. F. A. MacInnes, Beach Avenue. Mr. Howard is a recent ordinand of Union College, UBC and has left to take the pastoral charge at Reston, Man.

Friends in Summerland recently received word of the death of Fred Delay at Kerrobert, Sask. Mr. and Mrs. Delay were visiting there when Mr. Delay's death occurred suddenly.

Miss Janet Ross of Spences Bridge is visiting friends here.

Mr. and Mrs. H. Ward and Mr. and Mrs. E. O. Mortimer have returned from a trip to Salmon Arm and Sicamous.

Mr. and Mrs. Sid Thain of Vancouver are occupying the Gordon Ritchie cottage at Crescent Beach.

Mr. and Mrs. C. Dodwell and family of Vancouver are at their cottage at Crescent Beach and have as guests Mrs. Burwen and three daughters of Burnaby.

Mr. and Mrs. E. Tedder of Kamloops are visiting her mother, Mrs. J. Darke of Victoria Gardens.

Mr. and Mrs. C. A. Gayton have left for a visit to Revelstoke.

Mr. and Mrs. J. Hack and family of Spences Bridge are visiting his mother, Mrs. E. Hack, Victoria Gardens.

Mr. and Mrs. Bridger and family of Vancouver are holidaying at Trout Creek. Mrs. Bridger is the daughter of Alec Steven of West Summerland.

Mrs. L. Lorentzen and Mrs. A. R. Timm of Spokane, Washington, visited recently at the home of Mr. and Mrs. V. Brauner.

# Lovely setting for Dorkin-Bleasdale ceremony

A double ring wedding was solemnized on Friday, June 30, between Marion Jean Bleasdale, West Summerland, daughter of Mr. and Mrs. W. T. Bleasdale of Chase, and Constable Kenneth Albert Dorkin, RCMP at Penticton, son of Mr. and Mrs. G. Dorkin of Toronto, in Summerland United Church. Rev. P. L. Louie officiated.

The bride, given in marriage by her father wore a fitted nylon floor length white wedding gown. The bodice was rounded and the skirt was full and crinolined. A charming headpiece and misting veil completed the bridal picture and she carried a bouquet of red carnations and gypsophila.

Miss Noreen Bleasdale, sister of the bride, attended as bridesmaid. She wore a blue waltz-length nylon gown with fitted bodice and full skirt with a matching nylon net halo head-dress and carried a nosegay of carnations.

Four identically dressed flower girls were Miss Jane Blagborne, West Summerland; Miss Sandra Dorkin, Toronto; Miss Denise and Miss Renee Lind, Vancouver. They were attired in pale blue nylon ballet length frocks embossed in white and carried white straw baskets trimmed with red roses, gifts of the bride. Each little girl wore a blue net halo on her hair similarly curled in long ringlets.

Best man was Constable Owen Maguire of Penticton. Ushers were Constable Robert Garlough and Constable Wesley Knopp of Penticton.

While the register was signed, Mrs. "Bud" Green sang "Let Us Abide." K. M. Storey, organist of the church was accompanist and played for the ceremony.

For the ceremony afterward in the IOOF Hall the bride's mother, Mrs. W. T. Bleasdale received, dressed in a smart blue linen ensemble with large white collar, white flower hat and white accessories. Her cor-

sage was of pale pink carnations. The groom's mother look charming in rose beige with a deep insertion of lace around the neckline and matching hat. Her corsage was of golden yellow rosebuds.

Harry Hackman was master of ceremonies and read telegrams of congratulations from Vancouver and Toronto. Harry Thornthwaite, great uncle of the bride, proposed the toast to the bride.

Assisting in serving were friends of the bride, Misses Lynn Bleasdale, Barbara Fudge; Mitzi Jomori, Carole Hackman, Elsie Karlstrom; Mary Stefanik, Penticton; Donna Strachan, Calgary; Mary Bleasdale, Danny Dunn and Mickey Dunn, all of Chase.

For going away the bride changed to a pretty green polka dotted sheath with a plain green three quarter length coat worn with white accessories.

On their return Constable and Mrs. Dorkin will live in Penticton.

## BIRTHS

Born at Summerland General Hospital to Mr. and Mrs. George Yendrys, a boy, July 11.

## Card of Thanks

I wish to thank all my friends who were so kind to me and my family during my stay in hospital. Special thanks to Dr. MacInnes and the nursing staff at the hospital.  
George Braniff.

## For Rent

FOR RENT — 3 bedroom house, available August 1st. Phone HY4-3033. 3-28-c

This TV love story is real—two young CBC stars who crooned love songs together on "While We're Young" show, are doing it again this year only this time they'll be married. Bonnie Hicks, the daughter of Mr. and Mrs. E. R. Hicks of Prince Albert, Sask., has become Mrs. Tommy Ambrose of Toronto. They want to continue their careers singing as a pair. Their summer CBC show starts this week.

"When did you first notice... "About a year ago... I was eating bananas gave you a slipped on a banana peel... rash?"

# W. O. Mitchell to give readings

W. O. Mitchell, well known writer of books, short stories and radio plays, perhaps best known for his radio series "Jake and the Kid" which is now appearing on television on Tuesday nights, will give a two and a half hour reading from his own works on Wednesday evening, July 19, at 8:15 in the high school auditorium.

Mr. Mitchell's classes in creative writing are well under way at the Okanagan Summer School of the Arts in Penticton and receiving much favorable

comment. For this evening of readings, admission will be 75 cents for students and associated members and \$1.00 for the general public.

Mr. Mitchell is an accomplished and witty speaker and the evening will be one to remember. — M.A.

### PLAN ENTRANCE

Services of J. Russell Baxter, Penticton town planner, are being obtained to assist in deciding which entrance to West Summerland should be developed to the most advantage of the district.

This little motor scooter is about the handiest transportation on Canadian roads, as Joan Fujimoto of Grand Forks, B.C., found out. It folds up inside itself to form what looks like a large suitcase, and it weighs only 65 pounds. It is being handled by importers from Japan. There are no parking problems — you could take it right into the office with you.

**Two public health nurses  
appointed to district**

Summerland will now have two public health nurses to take care of the increased case load in this area and in the school nurse section of public health.

Miss Sally Ney, who obtained her nursing qualifications from the Royal Jubilee Hospital, Victoria will be in Summerland full time.

Miss June Frost, a Vancouver General Hospital nursing graduate, will work three days a week in Penticton and two in Summerland.

Both nurses will live at the Summerland hospital nurses' residence.

Recently appointed full time sanitarian here was Darryl Anderson.

**Mrs. Popplewell  
passes here**

Mrs. Kristin Gudrun Popplewell, passed away in Summerland on July 5 at the age of 62 years. She is survived by her husband, Jack, one daughter, Mrs. Duana White of Baker, Oregon; one son, Ray D. Sanders of Cornvallis, Oregon; five grandchildren and one sister, Mrs. Laura Josephson of Winnipeg, Manitoba. Remains will be forwarded to John Day, Oregon for burial.

FOCUS ON CANADA

**Manitoba**

Area—Land, 211,775 square miles; water, 39,225 square miles; total, 251,000. The sixth largest province.  
Capital—Winnipeg. (Population 260,000.)

Terrain—In the north, the Laurentian plateau, miles of treeless tundra, with limited areas cleared for farming and dairying. The south, where most of the population lives, is dominated by lakes, with rich farmlands. Towards the Saskatchewan border rises the Manitoba escarpment, with heavily-forested highlands. Manitoba has 400 miles of sea coast, as well as large lakes and rivers.

Climate — Extreme variations in temperature from section to section and season to season. Long and intensive sunshine aids summer growth and tempers winter cold. Precipitation is light, averaging 22 inches annually.

Dollar value of main products by per cent.: Factory, 49.5%; farm, 46.4%; mine, 4.1%. Wheat, barley, oats and flax are main crops along with cattle and dairy products. The largest manufacturing industry is food and beverages, followed by iron and steel products. Petroleum is becoming increasingly important.

Winnipeg is the centre of commercial and political life, and is one of the great rail centres of the world.

**The People**

Population—999,000.  
Per square mile—4.01.

Races—The people are mainly English in origin, with a strong admixture of Scots. There are about 17,000 Indians.

Religion — Nearly 80% Protestant, about 20% Roman Catholic. Protestant denominations in order of size: United Church, Anglican, Lutheran, Presbyterian, Methodist.

Politics — Provincial seats: PC, 35; Liberal, 11, CCF, 10; Social Credit, 1. Federal seats: PC 14.

Became province—Manitoba was originally the old Red River settlement. The area was part of the Northwest Territories purchased from the Hudson Bay Company in 1869. The province was created in 1870.

(Compiled by Walter Stewart, Toronto Telegram News Service)

Barkerville Cemetery, where rest many pioneer goldseekers of the 1860's, is being groomed as a memorial along with restoration of the gold community by the Barkerville Restoration Advisory Committee.

**Red Sox play here in double header Sunday**

The Summerland Red Sox played the Keremeos Juniors on Sunday in Summerland and on Tuesday in Keremeos.

The Sunday game went to the Red Sox by a score of 9-1 and in Keremeos the teams played to a four-all tie.

In the Sunday game, Skinner pitched steady ball for seven innings before he tired and walked the bases full. Thompson came in and held the Keremeos Juniors scoreless for the rest of the game.

Tuesday night's game was a pitcher's battle all the way with Sheeley giving up four hits and Evans three.

The Red Sox got off to a good start and scored 4 runs in the first inning, climaxed by Beck's long triple. The Keremeos team came right back with one in the 2nd, one in the 3rd and two in the 5th.

The tying run was scored when the runner took off for home while the pitcher was off the mound. Sheeley threw home to catch the runner and the batter hit the ball. The umpire claimed it was a league play and the game was over as far as scoring went, as both sides went down in order for the rest of the game.

The Red Sox go to Keremeos again Thursday night for a regular scheduled game. It is believed the Tuesday night tie will be broken before the regular game starts.

On Sunday, Merritt will be in Summerland for a double header that is a must for the Red Sox to get at least a split.

### Under the Giant's Head

Old timers in Summerland will remember Rev. S. Everton, principal of the Baptist College in West Summerland, prior to its closing in 1915. The Review learned today that his son, Dr. John Everton, who spent some of his childhood here, has been appointed by President Kennedy of the United States as ambassador to Burma.

Word has been received of the death of G. Lloyd McWilliams who was a druggist in Summerland before the first world war. Mr. McWilliams left here in 1919 to go to Vancouver where he was connected for many years with the Cunningham Drug chain.

74 hours of sunshine were recorded at the Research Station this past week and 40 inches of rain.

	High	Low
July 12	91	68
July 13	97	65
July 14	95	63
July 15	87	64
July 16	73	59
July 17	78	54
July 18	84	56

Everybody in town by now has noticed the face lifting being given to the store front next to the medical centre. Watch for the opening soon of the Valley Style Shop in these new quarters. Mrs. Anderson will be closing her present premises after business hours on Saturday night, and will reopen in her bright new location the latter part of next week.

Three weeks ago the Review reported an accident which occurred on the Mountain View hill in which one woman broke her arm. It appears that she was to have been cook at the Guide camp to be held at Wilson's Landing this coming week, and is now unable to do so. This has posed a problem for the Guides and the camp organizer. No cook — no camp. If anyone would care to go to camp for a week, and cook for a wonderful bunch of girls, they might phone Mrs. Ross McLachlan at HY4-3277. They could use the services of a lifeguard with a bronze medallion too.

It's Mippe and Pippe all the way . . . and to show how contended everybody really is, Mippe, the cat, and Pippe, a baby squirrel, share a basket. Mippe has a brood of her own, but when Pippe the squirrel dropped in on them at their Toronto home, she was eagerly adopted. The only time Mippe's kittens get miffed is when they see Pippe swirl up a tree and they can't do it too.

# The Summerland Review

Thursday, July 20, 1961

West Summerland, B.C.

Volume 16, No. 29

## Fish derby at Pennask this weekend

The official opening of Pennask Lake will take place this Sunday morning at 9 a.m. at the beginning of the road.

Oliver, Penticton, Kelowna and Summerland Rod and Gun Clubs will be taking part. Guests will include representatives of the Parks Branch, Department of Recreation and Conservation, and Provincial Fish and Game officials from up and down the valley.

The big fish derby starts on Saturday morning and entrance tickets will be available at the camp site. Thirty-six prizes of merchandise will be given for hidden weights. Weighing-in will take place at the camp site throughout the two days with the derby closing at 5 p.m. on Sunday.

There are 18 boats for rent at Pennask Lake, but to make sure of getting one, make reservations early with George Stoll or Sandy Fenwick.

Last week end fishing was reported as excellent at Pennask Lake, with most fishermen getting their limits. In other lakes in the district, fishing is reported as fair.

Baked by the hot sun and split into a million pieces, the barren surface of this lake bottom is relieved only by some rolling tumbleweed. The ground is typical of prairie lands in Manitoba. Almost every community in the West is offering prayers for rain.

## Beekeepers field day July 28

Local beekeepers are asked to note that a field day will be held at the farm of A. Faasse, Prairie Valley, West Summerland, under the auspices of the Central Okanagan Honey Producer's Association on Friday, July 28 at 2 p.m.

Mr. John Corner, provincial apiarist, will be present to talk and demonstrate general management and to answer any questions.

President of the local beekeepers association is F. Benison and C. Stent, secretary-treasurer.

## Rebekahs start CARS campaign

Faith Rebekah Lodge No. 32 is undertaking its annual canvass for the Canadian Arthritic and Rheumatism Society this month. Objective of the campaign this year is \$1,000 and a house-to-house canvass will be undertaken in Summerland during the month of July. Mrs. Lloyd Shannon is campaign chairman and Mrs. Mary Dunn secretary.

There is not an active branch of CARS in Summerland. However a physiotherapist comes from Penticton regularly to treat patients in the Summerland area. A travelling occupational therapy van and also travelling consultants from Vancouver visit this area periodically throughout the year.

Since man first began to walk the earth, arthritis has been his enemy. Century after century, the disease has gone on unchecked, reducing millions to helplessness. At present, more than a quarter of a million Canadians suffer the effects of arthritis and rheumatic disease.

Medical science today can prevent crippling in about four out of five cases. Research, while still seeking a preventative or cure, has increased our basic knowledge of the disease enormously. There are more treatment facilities for arthritics than ever before. The public, too, is becoming more aware of the health threat posed by this major health problem.

To support all these activities and provide a way for the individual citizen to help in the

fight, there is a voluntary national agency devoting itself to the arthritis and rheumatism problem, The Canadian Arthritis and Rheumatism Society.

This Society, which has been battling the disease since 1948, has two prime objectives. For one, it seeks to expand its patient care services so that as much relief as possible may be brought to those who suffer now. The other is to find a cure that will wipe out arthritis misery for all time. To this end it supports key research studies in some twenty University Medical School departments from coast to coast. The need is for an ever widening research program for the conquest of arthritis in our time.

A successful drive, enabling the B.C. Division of CARS to continue its patient care and research programs, will provide those who suffer now with hope. Hope for care today — and hope for a cure tomorrow. You can give them both when you support the work of the Canadian Arthritis and Rheumatism Society in Summerland.

## Police court

In local police court this week Magistrate Reid Johnston imposed fines totalling \$85 on two drivers for exceeding the speed limit on Highway 97. A fine of \$35 and costs was imposed on Terence Donald Turnbull of Penticton for being a minor in possession of liquor.

## Apricot picking early this year

Apricot picking is now underway throughout the district. Harvesting of this crop started about five days earlier than in 1960. District horticulturist Alec Watt reports that the quality and size of the apricots this year is excellent. Volume of the crop is expected to be slightly less than in 1960.

The 1961 cherry crop is now just about all harvested. Quality was excellent and size of the cherries better than in 1960. The crop turned out to be larger than originally expected.

The various rain storms which occurred during the cherry season did surprisingly little damage to the crop. Larger and more vigorous cherry foliage

this year tended to protect the fruit from rain and sun.

Some bird damage was found on the cherries but generally this was not as severe as in 1960. Contrary to expectations there were actually fewer starlings observed in the orchards during cherry time than in 1960. This is believed to represent a seasonal shift in the itinerant population or in the feeding areas of these birds rather than a reduction in their population.

Next major fruit in line for picking will be peaches. The first of these will be Redhavens. These should be ready about the first week of August.

Farm Labour Officer Jack Kirk told the Review that he put out 81 apricot pickers from Monday to Wednesday of this week. He reports that there was a shortage of pickers the first of the week but by the middle of the week the supply had caught up with the demand.

## Allstars play Saturday

When the Babe Ruth All Stars play Trail for the interior championship in Penticton on Saturday, there will be three Summerland boys on the team. Kenny Selinger, Ernie Pushkarenko and Joe Beggs are among the boys chosen from six teams in the Summerland-Penticton Babe Ruth League to play on the all-star team. Coach is Summerland's Ollie Egely.

The winners of this game to be held at 6:30 p.m. in King's Park, Penticton on Saturday, will go to Victoria next week to play for the B.C. championship.

In regular league play, the Summerland Babe Ruth team is leading the league. Ollie Egely also coaches this team.

## Salmon Arm farmers visit Station

Last Friday, twenty farmers of the Salmon Arm Farmer's Institute and their wives visited the Summerland Research Station. Included in the group were Des Hazlette, Salmon Arm district agriculturist, and W. Jescot, MLA for Salmon Arm.

Dr. J. E. Miltimore of the Animal Science Department conducted them on a tour of the barns and animal facilities.

Forty years ago these youngsters would have died at an early age from diabetes if it hadn't been for the discovery of two great Canadians, Dr. Banting and Dr. Best. Here they are healthy and laughing meeting Toronto's Dr. Charles Best in London, England, where he addressed the meeting of the British Diabetic Association on the 40th anniversary of the discovery of insulin.

## OAPA visit research station

The members of the Summerland Old Age Pensioners Association spent a very enjoyable afternoon July 16 as guests of the local IOOF Lodge.

They were taken to the Research Station to see the lovely

flowers, then for a drive around Skaha Lake, returning to the IOOF Hall for supper.

Mrs. Sheldon Doherty entertained the group with several accordion solos.

### INSURANCE RAISED

All municipal property replacement insurance has been raised to cover appraised value, council was informed last week. Parkdale Place was included in the insurance coverage and an overall increase noted.

### RECEIVES DIPLOMA

Assistant municipal clerk Glenn Fell has received his junior diploma in municipal administration from UBC. This represents the end of the second year of a four year course he is taking by correspondence.

## W. F. Ward in charge of Okanagan's PNE exhibit

For the past seven years the British Columbia Fruit Growers Association has sponsored an Okanagan Valley entry in the class of District Agricultural Exhibits at the Pacific National

Exhibition in Vancouver.

A BCFGGA committee now is busy planning an Okanagan Valley exhibit for the 1961 exhibition. The Committee is under the chairmanship of W. F. Ward of Summerland. He has had long experience as an exhibitor, or as an official, of agricultural fairs and exhibitions. Working with him are two well known fruit growers, E. J. Hack of Oliver, and W. O. June of Naramata, and P. G. (Jack) James, for many years horticulturist for the B.C. Interior Vegetable Marketing Board.

The award for the best District Agricultural Exhibit is the Dewar Shield. This was offered by Sir Thomas R. Dewar of the House of Dewar in 1905, for perpetual annual competition. The Distillers Company of Canada Limited donates a replica of the shield annually to the winners for permanent possession. In addition to the shield the first prize includes a substantial cash award.

This Okanagan Valley District Agricultural Exhibit at the PNE provides an excellent opportunity for showing the thousands of visitors to the Exhibition the great variety and fine quality of Okanagan fruit, vegetables and other products.

The 1961 PNE will open in Vancouver on August 19 and close on Labor Day, September 4th.

# Announcing Another Profitable Opportunity to Invest in B.C.

*—and Make Your Savings Work Harder*

**BRITISH COLUMBIA PARITY DEVELOPMENT BONDS ARE UNCONDITIONALLY GUARANTEED BY THE PROVINCE OF BRITISH COLUMBIA AND REDEEMABLE ANY TIME AT THE FULL PURCHASE PRICE**

**DENOMINATIONS:** Bearer bonds are available with coupons attached in all denominations — \$100, \$500, \$1,000, \$5,000, \$10,000.

**INTEREST:** Interest at the rate of 5% per annum will be paid quarterly on the 1st day of November, February, May, and August during the currency of the bond.

**DATE OF ISSUE:** August 1, 1961.

**DATE OF MATURITY:** August 1, 1964.

**REDEMPTION:** Should you need the money in a hurry you will be able to cash these bonds at par value at any time you wish, at any bank in the Province of British Columbia.

**REGISTRATION:** Bonds of \$1,000, \$5,000, \$10,000 and \$25,000 can be fully registered.

**AUTHORIZED SALES AGENTS—ALL BRITISH COLUMBIA BANKS, TRUST COMPANIES, AND LEADING INVESTMENT DEALERS**

This new issue of B.C. Parity Development Bonds, like the PGE Bonds and B.C. Power Commission Bonds which were oversubscribed last year and the year before, gives B.C. families an exceptional opportunity to profit financially from our Province's dynamic growth.

You have only to look around you to see evidence of the spectacular surge of British Columbia's economy. Our rate of population growth is twice the national average. The total value of our manufacturing has now climbed to \$2 billion per year. Every day makes B.C. a better place in which to live and work.

Backed by the resources and the future of British Columbia, the new B.C. Parity Development Bonds of the B.C. Toll Highways and Bridges Authority are the soundest bond buy on the market.

**B.C. PARITY DEVELOPMENT BONDS—UNCONDITIONALLY GUARANTEED**

## On pampering fish and fishermen

Because on Sunday the official opening of Pennask Lake road will be held, followed by a fish derby, we thought that this week we should write a little on fish and fishermen.

Fish in Canada's lakes and streams have been pampered by exotic baits for so long, they would rather starve than bite on a worm, according to Franklin Dillinger, one of Northern Ontario's oldest fishing camp guides.

Dillinger, a guide for 50 of his 74 years, recalls some almost unbelievable fish stories. He tells of one recent autumn in Ontario's Temagami district, when the fish weren't even giving the lines a hard stare. "But one fellow was pulling them in by the boatload," he related. "A few of the boys hid out in the bush early one morning and discovered he was using raw tomatoes, dipped in mayonnaise as bait. After a while the fish learned to lick the mayonnaise off the tomatoes without touching the hook. The fellow spent three days trying to sell his hoard of mayonnaise back to local stores."

Two anglers in Fredericton, N.B. were recently given suspended sentences for torturing a fellow fishermen to have him reveal what kind of bait he was using. The guilty parties had strapped their compatriot to a chair, removed his boots and tickled his feet with a feather. "They could have stuck pins in me and I wouldn't have told them," the victim told the judge. He later admitted he had been dipping his worms in rye whisky.

A pound of fish caught by one of Canada's 4,000,000 anglers costs, on a national average, 18.4 times as much as in a supermarket. Few anglers ever eat their own catch. They usually present them to friends and relatives. One Toronto couple, returning to their home after a four day vacation, found a friend had left them a bushel of blackfish, three days earlier, and a note reading: "Thought you'd enjoy these. Sorry, I didn't have time to clean them." It took four scourgings and two coats of paint to restore the place.

However, we know Pennask Lake is just full of fish waiting to be caught with ordinary bait, and we wish the fishermen on Sunday lots of luck.

And congratulations too, to the Summerland Rod and Gun Club, who have spearheaded the drive for a road to Pennask Lake.

## CHURCH SERVICES

### Summerland United Church

Minister: Rev. P. K. Louie

Worship Service:  
Sunday 11:00 a.m.

Visitors and tourists are welcome

To all who would know God and do His will — to all who would live and serve to make the world Christian — to all who would seek comfort and would find peace — to saint and sinner, this church opens wide its doors, and in the name of Christ, bids you welcome.

"Grudge-bearing is nerve-wearing!"

## How to pray

by Rev. G. Leasor

I believe that if a careful survey were made we would all be surprised to discover how many people pray. Not how few but how many. At first glance such a report would be very encouraging: A more thorough study however, would be rather alarming. I'm afraid we would discover that the quantity was high but that the quality was low.

The Bible describes both the right and wrong kind of prayer. Briefly, the wrong kind is this: 1. As the Pharisees - to be seen of men. 2. As described in James 4:3 - selfish prayers. 3. As the Psalmist describes as insincere.

If we were to eliminate all of the prayer from our life that would fall into one of the above mentioned classes how much and what kind would be left?

Again we must turn to the textbook of prayer where we read: The effectual, fervent prayer of a righteous man availeth much." This tells us that to pray aright we must first establish a right relationship to God, and secondly we must develop a proper concept of and attitude in prayer.

## OK Libraries receive grant

A grant of \$18,965 to the Okanagan Regional Library has recently been authorized by the provincial government, through the Public Library Commission.

The Commission, appointed to act on behalf of the Provincial Secretary, is responsible for the administration of the Public Libraries Act and for the promotion, by counsel and encouragement, of the establishment and extension of public library service throughout the province.

Out of its annual appropriation from the Legislature, for assistance to public libraries, the Commission has made the current grant in recognition of the valuable public service being performed by the Okanagan Regional Library.

The money will be used to help in meeting the ever increasing demand for books in the Okanagan area.

IF THAT YOUNG WHIPPERSNAPPER DIFENBAKER KEEPS DRUMMING FOR SENATE REFORM, WE'LL SHOW HIM OUR FANGS...

## Log rolling act will be featured at Kelowna Regatta

If 300,000 people are right, visitors to the 55th annual Kelowna International Regatta this year, August 9-12, are in for an exciting spectacle when the father and daughter team of Russ and Diane Ellison put on their log rolling act. Appearing at the 10 day Los Angeles Parade of Champions at the Outdoor Sportsmen's Show this spring, Russ and Diane thrilled over a quarter million people with their trick and fancy log rolling. They will perform all four days at the 1961 Regatta.

The Ellisons hail from Aberdeen, Wash., where Diane is an

end product of her father's instruction. Russ, a former men's world champion himself, started her on a log rolling career when she was five years old. He originally picked up the art from a couple of Aberdeen-Hoquiam loggers who can now boast of producing two world champions.

Demonstrating their dexterity on a spinning, slippery log, the

Ellisons go through a series of tricky handstands, headstands, and acrobatics that leave the viewer blinking in amazement. The 20 year old Diane is a student at the University of Washington where she will return this fall. This is her first visit to the Regatta although Russ performed at Canada's greatest water spectacular some years ago.

## International picnic held by WI

One hundred and fifty members of the South Okanagan and Smilkameen District Women's Institutes and the Homemakers Clubs of Okanagan County, Washington, attended the seventh annual international picnic which was held at the Research Station, Tuesday, July 18.

Registration began at 11 a.m. followed by a delicious lunch which was served cafeteria style.

The program began at 2 p.m. with the address of welcome by Mrs. R. C. Palmer, district president of the Institutes. Response was made by the County Extension Agent, Mrs. Ruth Hampton, Okanagan County.

Officers of the Homemakers Council and District Institute were introduced and presented with lovely corsages which were made by Mrs. E. C. Bingham of Summerland.

Mrs. V. B. Robinson, Penticton member, gave a splendid talk on Mexico telling in her pleasing way of the customs, schools, churches, food and culture. Mrs. Robinson has spent much time in Mexico and is well qualified to describe the life there. She displayed a number of Mexican made articles.

Highlights of work done by the Homemakers Clubs and by

the Women's Institutes were given showing a wide variety of projects. A number of paintings and handicraft done by members were displayed and admired.

Miss Dorothy Britton was guest speaker and gave a very interesting talk on the use of fruit products and fruit juices. Some delicious cakes and pastries were shown by Miss Britton and sampled by the guests.

Next year the picnic will be held in Okanagan County at Conconully Park on the third Tuesday in July.

## Family reunion to celebrate 25th anniversary

The four sisters and two brothers of Mrs. Harry Hackman gathered at Summerland during the first week in July for a family reunion on the occasion of the Hackman's 25th wedding anniversary, July 8.

Those who attended the affair were: Mr. and Mrs. H. C. Jenner and Mrs. Wm. Thompson of Windsor, Ont.; Miss Marion Jenner, RN of Ann Arbor, Michigan; Mr. and Mrs. Allan Leslie, Marion, Dennis and Keith of Elkhorn, Man.; Mr. and Mrs. J. Currie, Mrs. Lorne Coggar, Barbara, Janey and Judy of Regina; Mr. and Mrs. F. Jenner, Jack, Mary-Jane and Billy of Edmonton.

Other out of town guests who attended the anniversary dinner were: Mr. and Mrs. E. W. Lancaster, Windsor, Ont.; R. Lancaster, Abbotsford; Mr. and Mrs. D. Waimes, Vancouver; and Mr. and Mrs. K. G. Nicolls, of Penticton.

The Hackmans have two children, Carole who has been attending UBC and is home for the summer, and Gary, a student at the University of Alberta, who is taking officer training at Camp Borden this summer.

## Attention Beekeepers

A Field Day will be held at the farm of Mr. A. Faasse, Prairie Valley, West Summerland, under the auspices of the Central Okanagan Honey Producers' Association on Friday, July 28th at 2:00 o'clock.

Mr. John Corner, Provincial Apiarist will be present to talk and demonstrate general management and to answer any questions.

EVERYBODY WELCOME

The largest and one of the most extraordinary churches in Canada is to be built in Etobicoke, Ont., for an evangelistic congregation, The Gospel Temple. It will seat 3,500 and is a geodesic dome of interlocking aluminum sheets designed without inner supports. It will be called the Queensway Cathedral.

Mrs. William Stein entertained with a tea for Miss Rita Greber who was home from New Westminster where she is in training at the Royal Columbian Hospital. Her parents, Mr and Mrs Walter Greber drove her back at the week end.

Mrs. Florence Backman and children Linda and Paul visited Mr. and Mrs. Wesley Davis last week. Mrs. Backman was on her way to Kamloops after completing her studies as teacher of nursing at Alberta University in Edmonton. She has nursed at the Royal Inland Hospital at Kamloops for fifteen years and is returning there as a teacher of nursing.

Mr. and Mrs. G. Kennedy and family of Regina are visiting his brother, Rev. Lyle Kennedy.

Mr. and Mrs. C. Campbell of Prince Edward Island are visiting her brother and sister-in-law, Mr. and Mrs. S. A. MacDonald.

A steak party for the staff of the Super-Valu and Groceries was held at Rumball's cottage at Trout Creek Wednesday night. Approximately 30 were present.

Mr. and Mrs. E. Inglis and family have returned from a visit with their daughter and son in law, Mr. and Mrs. Frank McCann at Kamloops.

Mr. and Mrs. H. Barber left on Tuesday to return to their home in Saskatoon after visiting at the home of Mr. and Mrs. O. Morphy.

Mrs. A. D. Roseborough has returned from Edmonton where she has been visiting her daughter and family.

Mr. Campbell Fraser of Glen Sanderfield, Ont., recently spent a long week end with Mrs. W. F. McPherson.

Mrs. A. McPherson and her grandson Brooke Hudson of Port Alberni were recent guests of Mrs. H. B. Mair and daughter Chris, while enroute to Saskatoon.

Mr. and Mrs. Lloyd Glover of Vancouver are visiting her parent, Mr. and Mrs. A. Johnston. Dr. and Mrs. J. M. MacArthur and family are holidaying at Tofino, Vancouver Island.

Miss Dorothy Dunsdon, RCAF at St. Sylvester, Quebec and Miss Marion Dunsdon, RCAF at Sennterre, Quebec are on a month's leave and visiting their parents, Mr. and Mrs. Art Dunsdon.

Bob Brinton was here from Vancouver over the week end to visit his parents, Mr. and Mrs. Eric Brinton.

Mrs. L. W. Rumball entertained her sons Dale and Les and their families at the Prince Charles smorgasbord Thursday night.

Mrs. R. D. White and daughters Joyce and Janet visited friends in Vancouver over the week end.

Mr. J. A. Reilly and daughter Shella of Guelph, Ont. visited B. P. Davis and the Wardle family last week.

A coffee party for members and friends of the WI will be held Wednesday, July 26 at the home of Mrs. Fred Schumann, Trout Creek, with her mother, Mrs. George Inglis, as co-hostess.

A number of Summerland people set out to climb Snow Mountain on Sunday. Making it to the top were: Don and Ian Tait, Charles and Anne Leinor, and Ronald Embree. They reported that the flowers up there were very pretty but not all out yet, and while they were up there a storm came up.

W. C. McCutcheon and daughter Pat visited over the week-end with Mrs. McCutcheon who is taking treatment at CARS Medical Centre in Vancouver.

Mr. and Mrs. A. F. Crawford attended the Tattoo while in Vancouver last week end.

Dick Leiki has returned home after spending the past two months on the prairies.

Mr. Larry Pruden and wife and family of Terrace visited this week at his brother, Howard Pruden's home in Parkdale. Also visiting the Pruden's were Mr. and Mrs. Wm. Pierce and family of Vancouver.

Mr. and Mrs. Bill-Kennedy of Vancouver are visiting Mr. J. A. Read and Lois of Giant's Head Road.

Mrs. Robert Alstead is in Vancouver this week attending the funeral of her brother, Bill Fisher.

Capt. and Mrs. D. C. Lawford and son David of Edmonton, are visiting Mrs. Lawford's parents, Mr. and Mrs. A. C. Fleming.

Friends of Mr. Will Jenkins will be glad to know he is much improved in health and hopes to be out of hospital by the end of the week.

Mr. and Mrs. Stuart Purvis and family who have been visiting her parents, Mr. and Mrs. Ed Gould for the last two weeks have returned to their home in Edmonton.

Mr. and Mrs. J. Scott of Aldergrove and their two daughters were recent visitors at the home of Mrs. T. W. Boothe.

Mrs. E. Montgomery of Virden, Manitoba, aunt of Mrs. Ken Boothe and sister of Mrs. Myrtle Scott, is holidaying at the home of Mr. and Mrs. Ken Boothe.

Mr. and Mrs. Art McPhail of New Westminster visited Mrs. McPhail's parents, Mr. and Mrs. E. Gould recently.

**Announce contracts for school bus routes**

Transportation contracts have been awarded by Summerland school board to Smith & Henry on a five year basis at 48 cents per travelled mile. Plan is to combine the Prairie Valley and Faulder routes and eliminate the trip up the south Prairie Valley road.

Fourteen children live in the Faulder area and the bus run which formerly went to Meadow Valley will terminate at Faulder. This and elimination of the South Prairie Valley route will cut mileage considerably.

Provisions can be made by the school board to pay transportation allowance to parents living at a considerable distance

from the bus stop if they transport their children to the bus terminal. Rate is \$1 per day per child.

Smith and Henry's rate is the same as last year.

Hill and Co., Summerland, were awarded the contracts at 52 cents per mile for Trout Creek and Trout Creek-Peach Orchard runs. They operate 2 bus runs.

Transportation costs for 390 pupils transported are approximately \$13,000 of which \$4,600 is non-shareable with the department of education.

**Baby clinics Tuesday**

Free baby clinics are held in the health centre every Tuesday afternoon from 1:30 to 4.

Public health nurses in Summerland request that every mother see that her children are up to date in their immunizations and if they are not sure about it to ask at the health centre where files are kept.

Nurses also ask that mothers make appointments ahead of time so that clinics can run more smoothly. Mothers are no longer to be phoned to remind them of appointments.

Adults should get their polio-myelitis shots and may go to the health centre any day but Saturday and Sunday between 4 and 5 p.m.

READ & LOOK AT THE NEWSPAPER AND IN THIS PAPER...

**SPORTS**

**Red Sox drop two to Merritt Sunday**

Summerland Junior Red Sox lost both games of a double header on Sunday when Merritt defeated them by scores of 6-3 and 17-7.

The local team tried hard in the first game but could not overcome a bad fourth inning when Merritt scored four times. Skinner started on the mound and took the loss. He was relieved by Sheeley in the fourth.

The second game was all Merritt after the second inning when the Red Sox tied the score at four all. Brennan started on

the mound and gave four runs. He was relieved by Sheeley who was charged with the loss. In all the Red Sox used six pitchers in the second game, with Thompson, Skinner and DeWitt following Sheeley.

	R	H	E
Merritt	100	410	0 6 7 0
S'land	110	000	1 3 7 3
Merritt	042	704	0 17 11 0
S'land	040	010	2 7 7 8

Next home game for the Red Sox is next Wednesday, July 26 when they meet Keremeos at 6:30 in Memorial Park.

**STILL WINNING**

FOCUS ON CANADA

Quebec

The Place

Area—Land, 523,860; water, 71,000; total, 594,860.  
The largest province.  
Capital—Quebec. (Population, 174,000.)

Terrain—The northern nine-tenths of the province is in the ancient granite core of the Laurentian Plateau, planed by glacial action into rounded hills, rivers, lakes and bogs. Forests cover nearly 60 per cent. of the province. To the south are the lowlands along the St. Lawrence, the centre of agriculture, commerce and industry. The famous Gaspé Peninsula stretches east of the lowlands and south of the river.

Climate—Extreme except in the south. The average annual temperature ranges from 44 degrees F. in the south to 17 degrees F. in the north. Precipitation ranges from 30-40 inches.

Dollar value of main products by per cent.: Factory, 67.4%; farm, 25.6%; mines, 7.0%.

Quebec is rich in minerals, leads the provinces in available water power and is second in production. The thriving lumber industry supports large wood and pulpwood manufacturers.

The People

Population—5,106,000.

Per square mile—8.84.

Races—The people are about 80% French Canadian, with other large groups being the English, Irish and Scots. There are some Indians.

Religion—About 90% are Roman Catholics. Others in order of size are Anglican, United Church and Presbyterian.

Politics—Provincial seats: Liberal, 53; Union Nationale, 41; Independent, 1. Federal seats: PC, 51; Lib., 24.

Became province—Original member of Confederation, 1867.

Commerce and industry have replaced the old dominance of agriculture in the province, and today about two-thirds of the people live in cities.

JEAN LESAGE  
Premier

(Compiled by Walter Stewart, Toronto Telegram News Service)

Modern toys for children are getting so complicated you might expect them to be found in a medical laboratory. Tony Irvine, 12, of Toronto, is proud of this one because he is looking forward to becoming a doctor. Tony's father brought the transparent plastic head with all the organs showing back from New York.

Kiwanis Club Notes

Tuesday night's steak supper was enjoyed on the lawn at Hilly Smith's house. A good view, an hospitable "Mine Host" and steaks done to a turn. It was an interclub meeting, with the president of the Oroville Club and six members with us as guests. There were also five other guests present and it would seem that the fame of Kiwanis Steak Night at Summerland has spread far and wide.

It was announced that Kiwanis collected \$1226.00 for the cancer drive.

It is with great and sincere regret that the Club bade farewell to Father Meulenbergh who has been called to Grand Forks to carry on his work in that area. Father is a charter member of the club and has given us his counsel, advice and support for the last fourteen years. You will be greatly missed, Father. We wish you God speed and every success in your new endeavours. A presentation was made to him by Bill Laidlaw.

In spite of Father's good example and advice, it would appear that another very old member of the club (old in the sense of club membership of course) was caught in the recent down-pour of rain at Penticton and chose to discard his clothes and drive home "as nature made him". It is said that the people of Trout Creek were lined up on the highway to see this "broth of a boy" go by. Anyhow George, it's good publicity for the club. George? you've guessed it; George Henry and none other.

In his rebuttal, George denied this "only nearly so". We accept your explanation George. Members understand that an appropriate fine will be assessed.

A committee meeting to complete arrangements for Carnival Night July 29 will be held at Walter Toeves' house on Thursday night at 8 p.m., and will all committee members please be present.

A letter from our old member

Jack Stewart was received thanking Jerry Hallquist and Nick Solly and company for their recent visit to him.

Jerry gave a good report of the convention at Toronto.

Next week the club will meet at Fred Schumann's house. A special new and large red carpet has been ordered for the event. Be on hand fellows.

# The Summerland Review

Thursday, July 27, 1961

West Summerland, B.C.

Volume 16, No 30

## Under the Sun's Head

59 hours of sunshine and .01 inches of precipitation were recorded at the Research Station during the past week.

	High	Low
July 19	91	61
July 20	95	65
July 21	93	73
July 22	87	70
July 23	94	62
July 24	83	56
July 25	84	58

A continental-make ladies wrist watch has been found at Peach Orchard Beach. Owner can claim it at the local RCMP office.

Two local girls will be attending the Banff School of Fine Arts with scholarships this summer. They are Elaine Dunsdon who received a scholarship from the school for ballet of \$150, and Jennifer Penney who was awarded two scholarships, Nickel Foundation Scholarship, ballet division, and Banff School of Fine Arts scholarship, ballet division, amounting to \$125.

Another local student doing well is Eddie Matsu, who has been awarded the highest standing in a class of 250 at the University of Manitoba and the Canadian German Society's scholarship for German language study which carries with it a year's study in Germany if the student wishes to go there and \$100 in cash. He has also been awarded another \$100 scholarship for second highest standing in the Abraham William Hartman Memorial Scholarship for German in which he tied with another student.

Neil Mason led the way and sailed away with top honors at the Pentiction Regatta Sunday. Second in the under 18 race was another Summerland boy Mike Lopatecki. Neil and Mike and Barry Bomfort of Naramata are now being coached to represent the South Okanagan Sailing Association at the Junior Sailing Olympics in Vancouver next month. Coaches are Charles Tyndall of Naramata and John Kitson of Trout Creek.

Toni Onley, son of Mr. and Mrs. Jim Onley of Summerland, has been chosen as one of nine artists to represent Canadian art at the Paris biennial of art in September.

Vicki McKee of Summerland Teen Town asked council's permission to hold a free outdoor dance next to Bud's Garage on Saturday night in conjunction with the Kiwanis carnival. Permission was granted. Commented Reeve F. E. Atkinson "sounds like a very good project for Teen Town to be sponsoring".

Rev. and Mrs. Bernard Embree and three children of Toronto are visiting his parents, Mr. and Mrs. J. J. Embree. Rev. Embree and family will sail August 10 for Formosa where he will be a teacher in the Presbyterian Bible College there. The Embrees also expect their son Maynard and wife of Port Alberni for the week end when they are planning a family reunion.

## Ice carnival this Friday

Looking for a place to cool off in this hot weather? Well, there will be an ice concert in the Summerland Arena Friday evening, July 28 at 7:30 p.m.

All the skaters taking part in this year's summer figure skating classes will participate. For some it will be a first solo, for others a polished performance, for everyone fun and an opportunity to show what they have accomplished. Admission is free and everyone is welcome. Following the ice concert the skaters and their friends will have a wiener roast and beach party at Powell Beach.

The following skaters recently passed their tests:

Four-figure and three junior bronze dances: Ellen Soper.

Fiesta tango and willow waltz: Beverly Marshall, Penny Worthing.

Preliminary figure: Jill Pruden.

Visitors to the skating sessions have been: Gail Noonan of North Battleford, Sask.; Lois Anderson of Maidstone, Sask.; Dave Ross and Tom and Cathy Gaffney of Vancouver; Diane and Patricia King of Vernon.

## Pennask lake road officially opened

The official opening of the Pennask Lake road and campsite took place last Sunday morning at 9 a.m. Represented were the Kelowna Rod and Gun Club, Summerland Rod and Gun Club, South Okanagan Sportsman's Assoc., Oliver, The Fish and Game Dept., had Game Warden Don Ellis of Kelowna and Butch Tylor of Pentiction on the spot.

The ribbon was cut by George Stoll of Summerland, ably assisted by Jim Treadgold of Kelowna. Since nobody had a pair of scissors, an axe and a powersaw were used to do the cutting.

Pennask Lake, which was chosen by Queen Elizabeth two years ago for a quiet restful holiday, is indeed a beautiful spot and is now open to the public free of charge. The last few miles of the road are a little rough, but since the road was opened, close to 500 cars, panel trucks and jeeps have been in.

Sunday's fish derby was also a success. Out of 40 entries 36 had their limit of fish, prizes donated by merchants of Kelowna and Summerland were won by fishermen from Vancouver, Abbotsford, Oliver, Kelowna, Summerland, and one party from the U.S. There were 34 prizes. The biggest catch was by Harold Richardson of Summerland who had 12 fish weighing 18 pounds.

CBC-TV had a representative present and the whole procedure was recorded on film.

The two game wardens did a thorough job of checking all the boats and fishermen.

The Summerland-sponsored (Continued on back page)

A five day old pony nuzzles farewell to an older sister who's preparing to go on show before one million people. The year old filly will be the big prize in the "Name the Pony" contest at this year's Pacific National Exhibition August 19 to September 4. Donations will go to the Children's Hospital. Joe Holdsworth of Steelhead Ranch at Coquitlam is donating a saddle and bridle along with the pony.

## Summer school will present concerts

by Madeleine Alstead

Summerland has the highest percentage attendance at the Summer School of the Arts of any community participating in this fine and rewarding endeavour. Summerland residents will be especially interested in the two final concerts which close the Summer School for this year. With an expanded program and the many classes it has been difficult to provide a representative program in one evening; therefore the concerts have been planned to cover two evenings of fine entertainment, both for those who have attended classes and their parents and for any interested persons wishing to attend.

These concerts will be held in the Pentiction Auditorium on Friday and Saturday, July 28 and 29 at 8 p.m., the first concert mainly dramatic, with adults and children presenting plays.

On Friday evening, the first play by the younger children will be an improvised pantomime "The Museum" and the older children will present a play "The Shoe Store and the Symphony". A short play in four scenes "The Wise Men of Gotham" will include all young people in the drama group.

The adult drama group is putting on two one-act plays, the first "Small of Burning"

from "Lunatic View" by David Compton, in the cast will be many well known performers: Kitty Wilson, Paddy Malcolm, Bertha Chambers, Nadine Oliver, and John Mathews.

The second play will be "Getting and Spending" and will feature George Patterson, Wendy Mathew, Alfreda Melhuish, Tom Hawtry, Nora Pruesse and John Mathews, all well known to local audiences and experienced and clever actors.

These plays are directed by the drama instructor Victor Mitchell, who has given such satisfaction to those who attended his classes.

On Saturday evening, the drama presentation will start with the Pentiction Puppeteers, a group of Summer School students mostly of high school age, who will present "Hansel and Gretel" with string puppets or marionettes using a full size professional marionette theatre. The marionettes used will be 9-string puppets. The students will enact the classic fairy tale through the media of music, voice and manipulation.

Next on the program will be ballet by the pupils of Miss Lucy Keith, thirty-seven students taking part. A musical program will be given by the string band under Willem Bertach and the Choral Group under Prof. Welke.

## Council to help in mosquito control

Several Trout Creek residents have complained about mosquitos this year and municipal council has hired Eric Brinton to control the mosquitos.

Attending Tuesday night's meeting Mr. Brinton said that there has been no control of the breeding areas for two years and the area is becoming reinfested. He felt that the program should start in February or March and continue for three years. Spray spraying does not control the situation Mr. Brinton said and eradication of the

breeding areas is the only solution to the problem.

Council will work with the Trout Creek Community Association, supplying 50 per cent of the money needed.

Summerland may soon have a commercially operated golf course. V. A. Parker of Trout Creek has applied to municipal council for approximately 80 acres of land on the east side of highway 97, just north of Memorial Baseball Park, it was announced at Tuesday night's regular council meeting.

The area is rough and rocky but would make a very sporting golf course. One thing it has is several beautiful views of Okanagan Lake. The land would be offered for sale by bids before it is sold.

It was reported that there is plenty of water available to supply such a project with grass fairway and grass greens. Water would be obtained from the existing line by the Lutheran Church.

Prime Minister John Diefenbaker will speak in Vernon on September 28, and municipal council has been asked by Mayor Becker of Vernon to prepare a list of those wanting to attend and tickets will be issued.

Although the Prime Minister will speak in the Vernon arena which holds 3,600 it is expected that accommodation will be in heavy demand. Those wishing to reserve seats should phone municipal clerk G. D. Smith.

Present at Tuesday night's council meeting were Reeve F. E. Atkinson, Councillors Walter Powell and Bill Barkwill, municipal clerk G. D. Smith, deputy clerk Glenn Fell, and works/supervisor K. Blagborne.

## Fire destroys local Legion

Summerland fire brigade was called to a fire at the Canadian Legion Friday morning at 3:45 a.m. Damage to the building was extensive with the lounge a mass of charred ruin, and chairs, TV, tables and stools lost in the fire. The kitchen was smoke scarred but all walls are still standing. The loss was covered by insurance. The building was valued at approximately \$20,000 and is over 40 years old, being erected after World War I.

Acting Fire Chief Fred Dunsdon was in charge of the brigade in the absence of Fire Chief Joe McLachan who is at the coast.

The Legion's new building, being constructed beside the old building was undamaged by the fire. It is expected that the new building will be opened early in September. It is reported that the Legion has almost reached its objective in its bond-selling campaign.

## Valley Style Shop in new location

Another new attractive addition to West Summerland's main street is the Valley Style Shop owned and managed by Mrs. Helen Anderson which opens this week in its new location beside the \$1.00 Store.

An eye catching cedar panning around the outside door and the smart window treatment combine to make a very chic store front.

Inside the store is equally smart, the walls are finished in tones of cream and mushroom and the back wall is done in prefinished mahogany.

Mrs. Anderson has used the latest in space saving racks and shelving and has provided two convenient fitting rooms for her customers.

The entire floor is covered in beige British tiles that contrast nicely with the delicate tones used throughout.

A door prize of a car coat valued at \$29.95 and six additional prizes of Shamrock houses will be given away this week end. Mrs. Anderson invites her customers and all interested persons to come in and inspect her new store.

## Royal party off to Oliver

Summerland's Royal Party starts off its rounds of official duties this week end when they attend Oliver Fundae. Queen Trudy Mitchell and Princesses Dorothy Watson and Audrey Beggs will ride in a convertible for the parade in Oliver. This is the first time a Fall Fruit Fair Queen has attended an Oliver Fundae.

Summerland Art Club is in charge of Summerland's float this year and reports are that they have come up with a very attractive design. Actual construction starts next week and any volunteers wishing to help should contact Lorne Berry.

Summerland's royal party will ride the float in Pentiction's Peach Festival parade and the Kelowna Regatta parade. This year Summerland Chamber of Commerce's annual Fall Fruit Fair will be held September 8 and 9 and plans are progressing rapidly under chairman W. A. Gilmour to make this one of the biggest and best fairs ever held in Summerland.

# Comings and Goings

Harold Oxley of Vancouver is spending his holidays at the home of his parents, Mr. and Mrs. R. Oxley.

Visiting at the home of Mr. and Mrs. S. A. Macdonald are their son and family, D. J. Macdonald of West Vancouver.

Mrs. Marion Lidstrand of Springfield, Mass. is visiting Mr. and Mrs. Sandy Caldwell for a month. She will be leaving in August to go to Alaska.

Mr. John Adams of Paul Lake and Mr. and Mrs. J. Bird of Calgary are visiting Mr. and Mrs. C. R. Adams.

Mr. and Mrs. W. Hawthorne of Burnaby spent two weeks at Naramata and were guests of her aunt, Mrs. A. F. Crawford.

Mrs. E. H. Foy and children, Gordon and Maureen of Elliott Lake, Ont. are visiting her parents, Mr. and Mrs. V. Charles, Peach Orchard.

Mrs. Wesley Charles and her daughters, Deidre and Deane of Vancouver and Mr. and Mrs. Gerald Hamilton and three children of Prince George are visiting at the home of Mr. and Mrs. T. H. Joy.

Mr. and Mrs. Bill Jensen and sons of Cowichan Lake were recent visitors at the home of Mr. and Mrs. C. R. Adams.

Mr. and Mrs. G. Ford and Mr. and Mrs. R. Teasdale of Victoria were recent visitors at the home of Mr. and Mrs. Earle White.

Mr. and Mrs. Jim Birtles and family of Alberta are visiting his parents, Mr. and Mrs. Walter Birtles.

Mrs. A. F. Crawford was hostess to twenty neighbours last week when she gave a miscellaneous shower for Margaret Locke. Gifts were presented in a wishing well.

Miss Eileen MacKenzie of Nelson is visiting at the home of her brother-in-law and sister, Mr. and Mrs. J. C. Wilcox.

Mrs. Art Beausoleil and Sarah Thompson and Mr. and Mrs. Ray Barks of Yakima, Wash. were recent visitors of Mr. and Mrs. Richard Neal. While here they visited the former's sister, Mrs. Rose Derosier who is a patient in Summerland hospital and other members of their family in this district.

Mr. and Mrs. George Boyle and son Billy of San Francisco, Calif., have been visiting with their aunt, Mrs. W. D. Laidlaw in Parkdale for the past week.

T. S. Manning has returned from Toronto where he attended the 62nd International Gideon Convention, it being the 50th convention for Canada.

## Swimming is fun but ...

It seems that each year during the summer months the Review prints a list of swimming regulations, reminding swimmers what they should and shouldn't do. But each year, summer vacations spell tragedy to hundreds of families as accidental drowning takes the lives of both children and adults. Next to the highway, the lake, the river or swimming pool is the most lethal vacation hazard.

Swimming is fun and should be enjoyed. However, safety is of utmost importance, and once again we reprint these rules for saving lives.

1. Learn how to swim and teach the children to swim.
2. Do not swim alone.
3. Unless accompanied by a boat, do not swim far from shore. Swim parallel to the shore if you wish to try for distance.
4. Non-swimmers should not float into deep water on inner tubes or other inflated articles. If the float begins to leak the swimmer is in difficulty.
5. Do not swim into unfamiliar waters and do not swim beneath diving boards.
6. If a swimmer is in difficulty, try to rescue him with a boat, a rope or an extended oar. Do not swim to him unless it is absolutely necessary. Often the rescuer becomes a victim.
7. At public beaches, swim near the lifeguard stations.
8. Wait for at least an hour after meals before swimming.
9. Beware of undertows in rough water.
10. Do not swim during lightning storms.
11. Learn how to administer artificial respiration.

## Surprise, Surprise

No one has yet suggested a Royal Commission to look into the efficiency of clubs run by amateur directors, but when the day comes it is to be hoped that this particular group will not be overlooked.

At the final meeting of a very successful year the outgoing president was asked to turn the chair over to a deputy and vacate the meeting room. The board then decided to show its appreciation to the president with a presentation at a surprise gathering two weeks hence. All this the secretary carefully entered into the minutes of the meeting and sent them to the president next morning for his signature.

## Without excuse

by Rev. D. M. Rathjen

"The invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse." Romans 1:20.

How human it is to make excuses! Whether poor or good, they are usually an attempt to justify ourselves in the eyes of our fellowmen. It is often a question if they accomplish the desired results, but in this realm they may serve the purpose. We notice, however, in the foregoing verse taken from Paul's letter to the Romans, that man cannot excuse himself before God by pleading ignorance of Him.

Paul states in the 19th verse: "That which may be known of God, His invisible attributes, His eternal Power and Divinity, God has made quite plain to man through things which He has made and which are commonly seen and known. (Philip's trans.) Paul shows that, in spite of such revelation, there are those who display a wilful disregard for God. They deliberately forfeit the truth of God and will accept a lie.

He then pictures the degeneracy and enslavement of such and their ungodly behaviour to end in the judgement of God of which they have been warned in the Holy Scriptures.

## SEAFAIR FEATURES PARADE, GAME

**BOB SCHLOREDT** is superimposed over a typical Grande Parade scene as symbolic of one of the forthcoming Seafair's biggest days. Schloredt will lead the Vancouver Lions against the Saskatchewan Roughriders in the debut of Canadian professional football in the University of Washington stadium, Saturday, July 29, at 3 p.m. Meanwhile, that same morning, the Seafair Grande Parade will host an expected 200,000 people along the better-than-three-mile course. Schloredt, a former Husky All-American, will join with ex-U.W. stars Don McKeta, Jim Jones, and brothers Pat and Bruce Claridge in the first presentation of the wide-open Canadian game.

## TRACK MEET RESULTS

In the South Okanagan Royal Canadian Legion Zone Track and Field Meet held July 22 in Penticton, two Summerland girls came out on top in their respective classes.

100 yards, juvenile girls: Alice Downes, 0:13.5.

60 yards, juvenile girls: Alice Downes, 0:8.5.

Broad jump, juvenile girls: Alice Downes, 13'1".

Broad jump, midget girls, Teresa Keys, 15'3".

## RESERVE TICKETS EARLY

Regatta headquarters in Kelowna report a much heavier than usual demand for grandstand tickets for the 1961 Regatta. Reason for the upsurge in ticket sales is three fold, appearance of the RCAF's Golden Hawks aerobatic team on August 10, and also on Thursday will be the featured performer in the evening grandstand show. On Friday and Saturday nights, "The Royal Tahitians", a Polynesian singing, dancing, instrumental group will be the headliners in the Aqua-Rhythms presentation. Ticket reservations can be made by contacting Regatta Headquarters, Kelowna.

## Red Sox drop two to Kamloops Sun.

The Summerland Red Sox travelled to Kamloops on Sunday for a regular junior baseball league double header and came back on the short end of the score in both games, 7-6 and 13-1.

The first game was close and had the crowd cheering all the way. The Red Sox started with a bang when the first three batters up walked and Beck drove them in with a drive to centre field. Kamloops came right back with seven runs, climaxed by a three run homer. The Red Sox picked up two more in the third and one in the fifth and had runners on 1st and 2nd when the game ended with DeWitt and Beck striking out.

Sheeley started on the mound and got charged with the loss. Devoren was the winner.

The second game was Kamloops all the way as the Red Sox, being short handed, ran out of pitchers. Ernie Pushkerinko, playing his first game of junior ball, pitched the last three innings and got a big hand from the crowd.

	R	H	E
S'land	302	001	0 6 5 1
Kamloops	700	000	x 7 7 0
S'land	000	010	0 1 3 7
Kamloops	032	080	x 13 13 1

The Red Sox meet Penticton A & W's under the lights in King's Park in Penticton at 8:00 p.m., Friday, July 28.

# Family reunion here to celebrate 60th anniversary

Approximately 40 relatives and friends enjoyed a luncheon at the IOOF Hall Sunday, July 23 on the occasion of the 60th wedding anniversary of Mr. and Mrs. E. Haggkvist of West Summerland.

Mr. and Mrs. Haggkvist came to Canada during the second

world war and farmed in Alberta in the Buck Lake district, moving to Mission and then to Spokane before coming to Summerland two years ago.

Only one daughter and a grandson were unable to attend the dinner.

The table were tastefully decorated for the occasion and a beautiful cake centered the head table.

Guests included: a daughter, Mrs. Andrew Edlund of West Summerland, Mrs. J. Domezy

and her brother Gunder Nystrom of Wetaskawin, Alta.; Mrs. Anna Edlund, Vancouver Island; and daughter, Christina; Mrs. William Peirce, Langley; Mr. H. Edlund, Surrey; Mr. and Mrs. O. S. Haggkvist, and family of Vernon; Mrs. G. Lyons, Mrs. Marjorie Keland, Vancouver Island; Mr. and Mrs. H. Haggkvist and family, Hope and Mr. and Mrs. Errol Haggkvist.

Entertainment provided by the family completed the happy Betuzzi.

# Parish honors Fr. Meulenbeurg

A tea was held Sunday afternoon by the congregation of The Church of the Holy Child, to honor Rev. A. M. Meulenbeurg, who has left for a new post at Grand Forks. Presentations were made to Father Meulenbeurg by Barry Parish, on behalf of the Catholic Youth Organization and Jim Schaeffer and Wm. Horne on behalf of the congregation. Over seventy people were present for the ceremony at the home of Mr and Mrs. G. E. G. Parish, next to the church.

The new priest, Father Quinan of Keremeos will arrive the first week in August.

Sunday was also Communion Sunday at The Church of the Holy Child when 13 children took their first communion. They had attended summer school for the past two weeks under Sister Martina and Sister Catherine Josephine of Kelowna.

After communion the CWL served breakfast to the first communicants and all those who had attended the summer school.

Those receiving their first communion were Monica Schaeffer, Debbie Blumhagen, Barbara McDonald, Patsy Fitzpatrick, Leona Wolfe, George Downton, John Minardi, Larry McAdam, Peter Pagliocchini, Brett Shomat, Delpho Andrucci, Ron Taylor, and Raymond Lenzi.

## Showers for Margaret Locke

Mrs. B. Blagborne gave a miscellaneous shower in her garden with all the Brownies of 1st Summerland Pack of 1956 invited. Thirty-four guests were present for the occasion in honor of bride elect Margaret Locke. Among those present were ex-Brown Owl Mrs. W. Toevs, ex-Tawny Owl Mrs. D. McGuinness and pack leader M. Campbell. The chair of honor was placed under a Guide arch.

Co-hostesses for a shower for Margaret Locke last week were Mrs. T. C. Wilcox, Mrs. J. Marshall and Mrs. G. E. Woolliams. Fifty guests were present for the occasion which was held on the lawn of the Woolliams residence. Gifts were presented in an Ogopogo.

## Square 'em up

All square dancers in the Okanagan are readying themselves for the biggest dancing week of the year.

In addition to the dances scheduled for every night of next week in King's Park in Penticton on the big outdoor floor, trail dances are being held at many of the outlying towns along the route to Penticton.

Oliver is holding a square dance on Saturday, July 29, on their outdoor floor. Peachland hosts a dance on Monday, July 31, with both indoor and outdoor dancing at the Athletic Hall, and Chuck Inglis to emcee.

Summerland Pairs and Squares sixth annual trail dance will be held on our traditional Tuesday night, August 1. Dancing starts at 8 p.m. Ray Frederickson, whose reputation as a caller, is well known, will be emceeing in his usual smooth style. We are looking forward to dancing to all the visiting callers, but make sure you have a spot for some of those singing calls you do so nicely for us Ray.

Signs to lead square dancers to the Youth Centre will be posted at three main points of entry to Summerland. Leaflets are being distributed to motels and camps as well.

In addition to a variety of fresh fruit, Summerland Sweets, donated by Lionel Fudge, will be available for the dancers. The refreshment committee will serve coffee and fruit bread at the conclusion of dancing.

The decorating committee, using fruit and flowers as their theme, will be working on the Youth Centre Monday evening and Tuesday morning.

Summerland gardens will provide the flowers to fashion the lovely corsages which are to be presented to fifteen lucky guests. The corsage committee will be busy gathering up the flowers and making the bouquets on Tuesday.

We hope every member of the Pairs and Squares will make a special point of being on hand to welcome our guests on August 1. We know only too well just how many things keep people on the run these summer days and evenings, but a great deal of effort goes into the preparations for this event, and we need every one of you there to help us make it a real Summerland success.

The club will miss Barbara and George Braden, who are moving north. George's work takes him to Kitimat, and we wish them every success in their new endeavour. We know they will be square dancing, where ever they are.

## Shower for Arlene Biollo

Miss Arlene Biollo of Vernon was honored Sunday evening at a shower at the home of Mrs. J. M. Betuzzi. Mrs. Betuzzi and her daughter, Miss Linda Betuzzi, were co-hostesses.

The bride elect, whose marriage to Mr. Leonard Bergender is to take place August 19, was the recipient of many lovely gifts presented to her in a nurse's cap.

Those attending were Mrs. M. Bonthoux, Mrs. E. Bartello, Mrs. J. Cristante, Mrs. A. Leardo, Mrs. C. Ongaro, Mrs. T. Wilson, Mrs. S. Fabbi, and Miss Jo-Anne Ongaro.

Out of town guests included the bride to be's mother, Mrs. A. F. Biollo, Mrs. F. Morelli, Vernon; Mrs. C. W. Betuzzi, Westbank; Mrs. T. Biollo, Penticton; and Mrs. J. Campbell, Kelowna.

Those sending gifts but unable to attend were Mrs. J. Cuzocrea, Mrs. R. Gilbert and Mrs. R. F. Richards.

At the close of the evening, refreshments, including a lovely bridal cake were enjoyed by all. Those who assist at serving were Miss Phyllis Fabbi, Miss Bonnie Biollo and Miss Judy Bituzzi.
