

Under the Giant's Head

On Monday, Feb. 27, presentations were made against the rezoning of the south-east corner of lot 1, District lot 473, to commercial property. The matter was again discussed at the regular council meeting when council decided to put the matter in the hands of R. Baxter, town planner and architect, to consider his opinion on rezoning if the property is rezoned it is planned to construct a Taste-Freeze on the site.

The annual meeting of the Summerland curling club will be held March 3 in the high school library at 8 p.m. A new executive will be elected and discussion will follow on the summer bonspiel and planning will start for the remodelling of the waiting rooms in the arena.

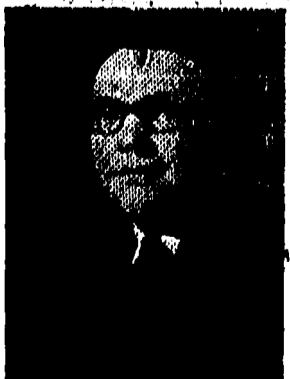

The Summerland African Violet Society is having a showing of slides of violets in the Regional Library, Friday, March 6 at 8 p.m. This show should be well worth seeing, as the pictures are from the Merilees African Violet firm, and would be of interest to camera fans as well.

Bridge play continues at the IOOF Hall Friday nights. High last week were Mrs. Millwood and Miss Joan Grimsdick, both of Penticton with 7,730. Runners up were Mr. and Mrs. Morgan of Penticton, 7,410.

According to the weather report from the Research Station we received a few more hours of sunshine last week with 13.6 hours and .61 inches of precipitation.

	High	Low
February 22	50	34
February 23	43	33

At a committee meeting held Monday evening, ten of the twenty two resolutions to be presented to the B.C. Parent-Teacher convention at Surrey during Easter week were chosen for discussion at this Thursday PTA meeting. Mr. Ken Bothe, chairman of the Board of School Trustees, will be on hand as resource man. These resolutions are of vital interest to all who have children attending school, and it is hoped that they will turn out to take part in the discussion.

Rev. Robert Roberts continues his evangelistic mission this week at the Summerland Baptist Church. Meetings start at 7:30 each evening. Rev. Roberts will speak on Sunday at 11 a.m. and 7:30 p.m. All are welcome.

\$365,795 School Budget presented to Council

This is the 1961 Paris mode for gentlemen, according to the National Federation of Master Tailors of France. The pipe-wearing fellow on the left sports a pure wool jacket in green, beige and blue check. His hat is green and gray straw. The casual fellow on the right is in a beige check outfit, the jacket sporting four invisible buttons, the ski pants in green wool, the hat fur.

Chairman K. Boothe and members of Summerland School Board, attended council Tuesday night to present the 1961 school board budget.

The 1961 total net estimate was \$365,795, a hike of approximately \$15,000 over last year.

Teachers salaries were up about \$10,000 and the other increase was spread over the rest of the expenditures.

Transportation takes a big bite with a yearly cost of \$13,000 and the school secretary said the provincial government is sharing less of transportation costs each year.

A breakdown of the 1961 estimate shows: administration \$13,320; instruction \$256,218; operation \$33,213; repairs and maintenance \$13,805; conveyance of pupils \$13,000; auxiliary services, \$4,885; non-operating expense \$3,900. Debt service account is \$33,622; and under the current capital account equipment accounts for \$1,850, and total debt and capital, \$35,472, giving a total of \$374,713. 1960 surplus amounted to \$3,518 and total grants and recoveries amounts to \$8,918. Total net estimate is \$365,795.

Hospital presented with Civil Defence kit

At the annual meeting of the Summerland Hospital Society, held in the IOOF Hall on Thursday, Feb. 23, reports showed an excess of expenditures over revenue of \$402.15 for the year 1960.

Total revenue for the year was \$106,989.37 against expenditures totalling \$107,391.52. Salaries were the biggest expenditure amounting to \$76,596.45.

In his report of the year's work, president Robert Alstead stated that the hospital is adding new equipment and more features for patient care and comfort.

Most of Mr. Alstead's report was devoted to discussing the plans for the proposed renovations, which the board hopes to start in the not too distant future. A modern up-to-date out-patient department, modern nursing station and admittance rooms were some of the improvements mentioned. Mr. Alstead stated that he hopes more and more Summerland residents will take advantage of the fine medical care and facilities available offered at the local hospital. Mr. Alstead also paid tribute to retiring administrator J. O'Mahoney for his many years of faithful service.

Elected president for 1961 was Bob Alstead; first vice-

president, G. C. Johnston, 2nd vice president, Don Clarke, and secretary treasurer, Harvey Wilson, who will take over as administrator April 1st. Elected directors for a three year term were Mrs. H. Lott, W. Ayre and F. Steuart; two year term, R. Alstead, and one year term, Mrs. C. Adams and Dr. Duogald McGregor.

Mrs. J. R. Butler, hospital matron, reported that there were 37 major operations and 306 minor operations performed in the local hospital.

One of the highlights of the evening was the presentation of a Civil Defence cupboard by T. W. Butters, Central Zone Civil Defence co-ordinator from Kamloops. Mr. Butters said that the emergency hospital plan, prepared by the hospital administrator, in co-operation with local civil defence authorities, was one of the few accepted in the province. The 25-bed emergency kit contains drugs, medicines and first aid supplies to be used in the event of a local or national disaster. Mr. Butters stated that his headquarters was extremely pleased with Summerland's Civil Defence preparations and the presentation of the emergency kit to the hospital was just another step forward in local civil defence preparation.

Meeting called for Junior Red Sox

A meeting of the junior baseball club, the Summerland Red Sox has been called for Wednesday, March 8th, at 7 p.m. in the Nuway Annex. Players between the ages of 15 and 20 parents and all those interested in an active baseball club in Summerland are asked to be on hand. Officers for the team will be elected and an advisory committee planned.

Present plans indicate an active junior club this year and

a good season of baseball can be anticipated.

It is understood that the Summerland Macs, the senior baseball team, has applied for a year's leave of absence from the Okanagan-Matane Baseball League.

Gives Talk on Civil Defence

T. W. Butters, civil defence co-ordinator from Kamloops, gave an informative talk on civil defence in Canada at the annual Hospital Society meeting on February 23.

In his opening remarks, Mr. Butters said that civil defence has now taken on a new concept known as emergency measures. The federal government, Mr. Butters said, feels that due to the decreased warning time and increase in the size of nuclear weapons, the responsibility for civil defence lies not only with a voluntary organization as before but in every level of government, dominion, provincial and municipal. The army has been given many of the jobs formerly held by civil defence personnel.

In the new concept, as ex-

Apricot Price guaranteed

An agreement has been signed between the federal government and the British Columbia apricot growers; under the terms of the Agricultural Products Co-operative Marketing Act, to guarantee the price of the 1960 crop of apricots grown in the Okanagan Valley.

The agreement between Agriculture Minister Alvin Hamilton and B.C. Tree Fruits Ltd. of Kelowna authorizes an initial payment of \$61.08 per ton to primary producers of apricots. The payment will be made by B.C. Tree Fruits, who are selling agents for the producers, on apricots delivered for sale on a co-operative plan.

B.C. Tree Fruits Ltd. undertake that processing, carrying and selling charges will not exceed \$91 per ton. On its side, the government agrees to make up the difference if the selling agent is unable to get a wholesale price of \$152.08 per ton, which is the total of the payment to producers and the company's costs.

The agreement will remain in effect until June 30, 1961, for all varieties of apricots sold to the fresh fruit market from the 1960 crop.

HOCKEY SUNDAY

This Sunday, March 5 the Summerland Mac's Cats Aces play host to the Kelowna Intermediate hockey club. Game time is 3:00 p.m. in the local arena. Come out and support the boys and see a good hockey game at the same time.

Work 50% completed on Parkdale Place

Parkdale Place furnishing and finance committees are hard at work finding ways and means to furnish the senior citizen's home that is rapidly taking shape in West Summerland. It was reported at the council meeting Tuesday of this week that the home is nearly 50 per cent complete. The brick work will be almost finished by March 10 if the excellent weather the workers have been enjoying continues. It is understood that the large heater provided for warmth on chilly days has only been started twice.

Officers elected at a recent meeting of a ways and means committee were W. A. Laidlaw, chairman; Miss Ruth Dale, secretary, Mrs. F. E. Atkinson,

chairman of the requirements committee and E. H. Bennett, chairman of the finance committee. Publicity and public relations will be handled by F. Schuman.

On February 27, a well attended meeting was held in the municipal hall of the ways and means committee. Mrs. F. E. Atkinson reported on a trip her committee had taken to Penticton and Oliver senior citizens home, looking for ideas to be incorporated into Parkdale Place.

E. H. Bennett reported that financing plans were proceeding satisfactorily.

Meetings of the advisory committee are held every second Monday in the municipal hall

Career Day at school set for next Tuesday

Tuesday, March 7 is "Career Day" at Summerland Junior-Senior High School. Twenty-four speakers from a variety of occupations will talk to Grade 10, 11 and 12 students about the requirements and responsibilities of their jobs.

The day or afternoon has been planned to assist the students in selecting a future vocation. Speakers have been secured by the school with the co-operation of the local Kiwanis Club.

Students will attend three sessions during the afternoon

from 1:15 to 3:15. Parents are invited to accompany their students to these lectures. Interview times with the speakers have been planned from 3:30 to 4:30 and 7:30 to 8:30.

The speakers will be the guests of the Summerland Kiwanis Club for dinner Tuesday evening.

Some of the vocations to be covered are: airline pilot, pure science, hair styling, receptionist, television production, police work, public health, psychiatric nursing, apprenticeships and farming.

Now's the time to plan for your Child's College Career

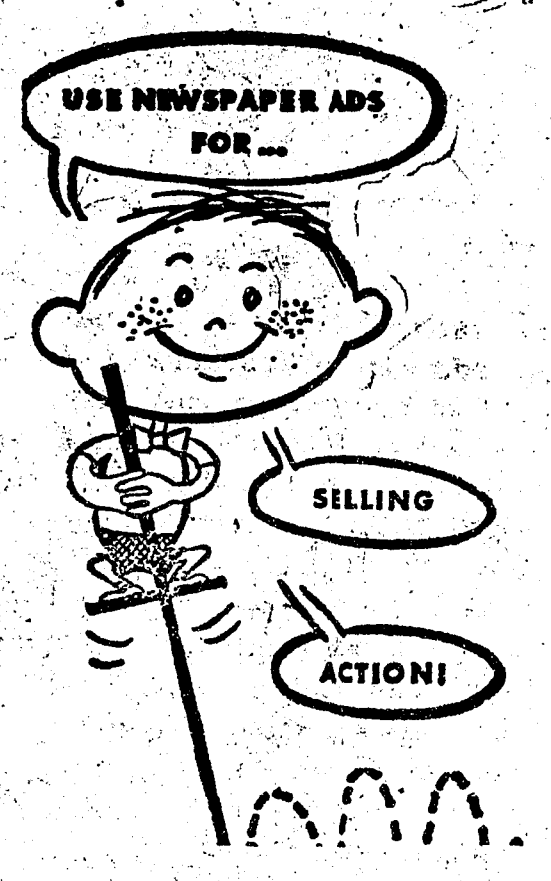

Like everything else these days, the cost of getting a college education keeps going up. If you wait until your son or daughter is ready to start college, the money required might well be beyond your means.

That's why the practical plan is to start saving systematically while your youngster is still very young. Many parents who can afford it begin by earmarking their family allowance cheques for a special educational fund at the Bank of Montreal. They find it adds up tremendously over the years. Cheques for one child, saved in a B of M account until the age of 16, total more than \$1,600, including the interest, the bank says. And, of course, the money is always available in case it's needed for some unexpected emergency.

Jock Johnston, manager of the Summerland branch of the Bank of Montreal, will be glad to give you a copy of the B of M's folder designed to help you calculate the cost of your youngster's higher-education program. What you save today can do a good deal towards improving your youngster's chances to get the best possible start in life when high-school days are over.

Prime Minister John Diefenbaker seen here talking to President John Kennedy at their meeting in Washington, has got the U.S. President to agree to come to Canada in June to address a joint meeting of Commons and Senate.

Final concert of Overture Series interesting, unusual

by Madeleine Alstead

The Summerland Overture Concert Association presented its last concert for the season on Wednesday, Feb. 22 in the High School Auditorium. The young French artists, Janine and Nico, singers, actors and instrumentalists, gave a performance that was delightfully different, original and unusual in its appeal.

This talented couple's program, selected with care and imagination, consisted of French "Love Songs Through The Ages", "songs gay, sad and amusing, all the varying moods enveloped in an aura of romantic love and youth." Their songs took the audience back to Old France of the 13th century, through the years to present day Paris with its cafes and modern music. Some of these last were composed, words and music, by Nico himself. Nico and Janine introduced the songs in English and their descriptive,

light-hearted acting gracefully interpreted their songs with artistic understanding, wit and humor, so that the audience could follow the songs all in French, with appreciation and enjoyment.

The instruments used were a guitar and two recorders, the recorders producing the harmonics of soprano, alto, tenor and bass.

One short number in the modern section, "Moi-Moi" (Me-Me) transformed by love to "Toi-Toi" (Thee-Thee), was a little gem of interpretation, amusing and tender, beautifully sung and acted.

The whole program was cleverly built and was a good contrast to the preceding concerts. It proved a popular climax to a successful season of fine music, and with the Oliver concerts gave a winter of wide musical entertainment.

A very pleasant reception af-

ter the concert was held at the home of Dr. and Mrs. J. L. Mason in Trout Creek. The young artists were friendly and informative about their concert, instruments and careers and were especially pleased to talk with some of the guests who spoke French.

The Overture Concert Association has done well by the Oknaagan this past year with the Hart House Orchestra in Summerland in September, the Canadian Opera Company with "The Merry Wives of Windsor" in Oliver in December, the wonderful mezzo-soprano Betty Allen in Summerland in January, a very fine pianist, Marie Warrot, who delighted Oliver in February, Janine and Nico in Summerland in February, with Oliver's last concert still to come, Balladeers Archer and Gile on March 18. Summerland members please note the last item.

Men's Club to paint church hall

The regular supper meeting of the United Church Men's Club was held on Thursday, Feb. 23. Bert Stent showed pictures of the trip he, and his family took to Mexico last year. Both the pictures and the commentary were excellent and in the words of Lew Wright, who thanked the speaker, the next best thing to taking a trip yourself is to see pictures of it and have it described in such an excellent manner.

The new officers of the Club were installed by Rev. Louie. The new officers are George Ryman, president; Cyril Stent, vice president, Franklin Stent, secretary; Dan Spencers, treasurer. The president, Mr. Ryman spoke of the projects to be considered by the club this year; the first one being the painting of the old Church Hall. Several

volunteers signified their willingness to assist in this work.

In his religious instruction, Rev. Louie spoke on the "Purpose of Worship." This proved of great interest and a general discussion took place, after which the Benediction was pronounced.

3. Watch for displays of practical work in local stores.

MacDonald School

1. "OPEN HOUSE" on Tuesday, March 7, from 2:00 to 3:00 p.m. Everybody welcome.

Trout Creek School

1. "OPEN HOUSE" on Thursday, March 9 from 2:00 to 3:00 p.m. Everybody welcome.

Education shapes
Canada's future

Senior Citizens needed

The Editor,
The Summerland Review,
Dear Sir:

In the matter of the recent conversation referred to in your editorial of February 16, I feel I should try to put my idea more clearly to you and if you will, through the columns of The Review to the people of Summerland and district.

We have here a serious lack of employment made more serious by the closing of the sawmill and box factory. For the present no doubt, partly cushioned by the building of the Senior Citizens Home and possibly some unemployment insurance payments. House building has stopped and a number of new houses stand empty as well as building lots already surveyed. Some construction workers have gone to other places for lack of work here. Places such as Kelowna, Dawson Creek and Fairview, Alberta. Some who are remaining here are finding it very difficult to keep up payments on their homes. We definitely need more building here until such time as the much hoped for industry can be found to give profitable employment. It is well known here that our economy is very lopsided being based almost entirely on the fruit industry. Any different source of income would tend toward more balance. So with this thought in mind, I offer the following:

My idea was and is to make the advantages of living here known to those of retirement age who live in the colder parts of Canada, particularly the prairies. We could even include the wet and foggy coastal areas as well. We have a number of good folks from there already and I see no sign of their going back.

Among the advantages Summerland has to offer I would mention the following: the most congenial climate in Canada, fine friendly people, reasonable land and building costs, plenty of good water, very low cost electricity, moderate taxes, a well and carefully run corporation, efficient police, first class stores, garages, banks, lumber yards and many other places of business. Also fine churches, schools, library and health center, good hospital, doctors and nursing staff, beautiful mountain scenery and lots of lakes for boating and fishing, convenience to the Pacific and the large centers along it. Good roads and bus service. Most kinds of indoor and outdoor sports, parks, camp grounds, beaches, etc. and hunting in season.

These are the things older people who are through work-

ing and are tired of cold or fog, rain and congested cities are looking for and we would be doing them a great service to let them know.

Now what would these people do for Summerland?

They would either buy, build or rent homes. If they built there would be work for a lot of people from the first excavation until the last shingle was laid. There would be business for the lumber and supply people, also for those dealing in furniture and all appliances from refrigerators to lawn mowers. Before the home is completed likely more than \$10,000 will have been expended. If they buy a home already built they will just have repaid what some one else has spent.

They will pay taxes that support schools and other necessary services. In fact if all the idle lots were filled the present mill rate would possibly be lowered.

They would also support the churches, charities and various clubs, lodges and organizations of their choice. Some who have experience might be a help in civic and community affairs. They might also bring in some new ideas and might be able to help start some industry here. Our mild climate here would be a help in this regard. In the severe climate of Manitoba some of the smaller centers are getting little industries going, if as you mention they had been living a life of self-denial and thrift, their example would do no harm here.

Some of the things these older people would not likely do are: add any further burden on the schools, compete for jobs, or cause the police any trouble. As far as people from the prairies are concerned we know just about what to expect as a very large percentage of our present population came from there.

Many company people are retired at 65 whether they like it or not and while still active and have various skills and training. One already here was a highly skilled candy maker at Eaton's in Winnipeg for many years.

I have talked to quite a few "well do to" business men in Saskatoon, Edmonton, Calgary and even Prince Rupert and all were keenly interested in this as a place of retirement. In fact I had a phone call from an official of the Shell Oil Co. in Edmonton. He wanted to know among other things how much snow we had and what was the temperature. Said he was at Peachland last summer and planned to come back.

There is an unlimited number, including retiring farmers,

who are looking for just what Summerland has to offer and in the absence of an industry here the business they would create if they come here to live would help a great deal. The cost of the necessary advertising would be small and the benefits would last for years.

When the Rogers Pass is opened the prairie people can drive out here very easily and if we make the advantages of living here known to them, will very likely do so. I see Kamloops is planning to have as many as possible go that way.

Any couple living here in average comfort will spend around \$100 per month, most of it around the stores, gas stations, etc. Even if they only have old age pensions to spend don't look down on them too much. You might be surprised to know that they put in circulation right here in Summerland just around \$18,700 per month. Couldn't do without them could we? New people coming in will not displace those now living here so their business will all be in addition to what we already have. I don't see how we can lose.

Respectfully submitted,
Thos. F. Ritchie.

New books at the library

by Kay Dunsdon

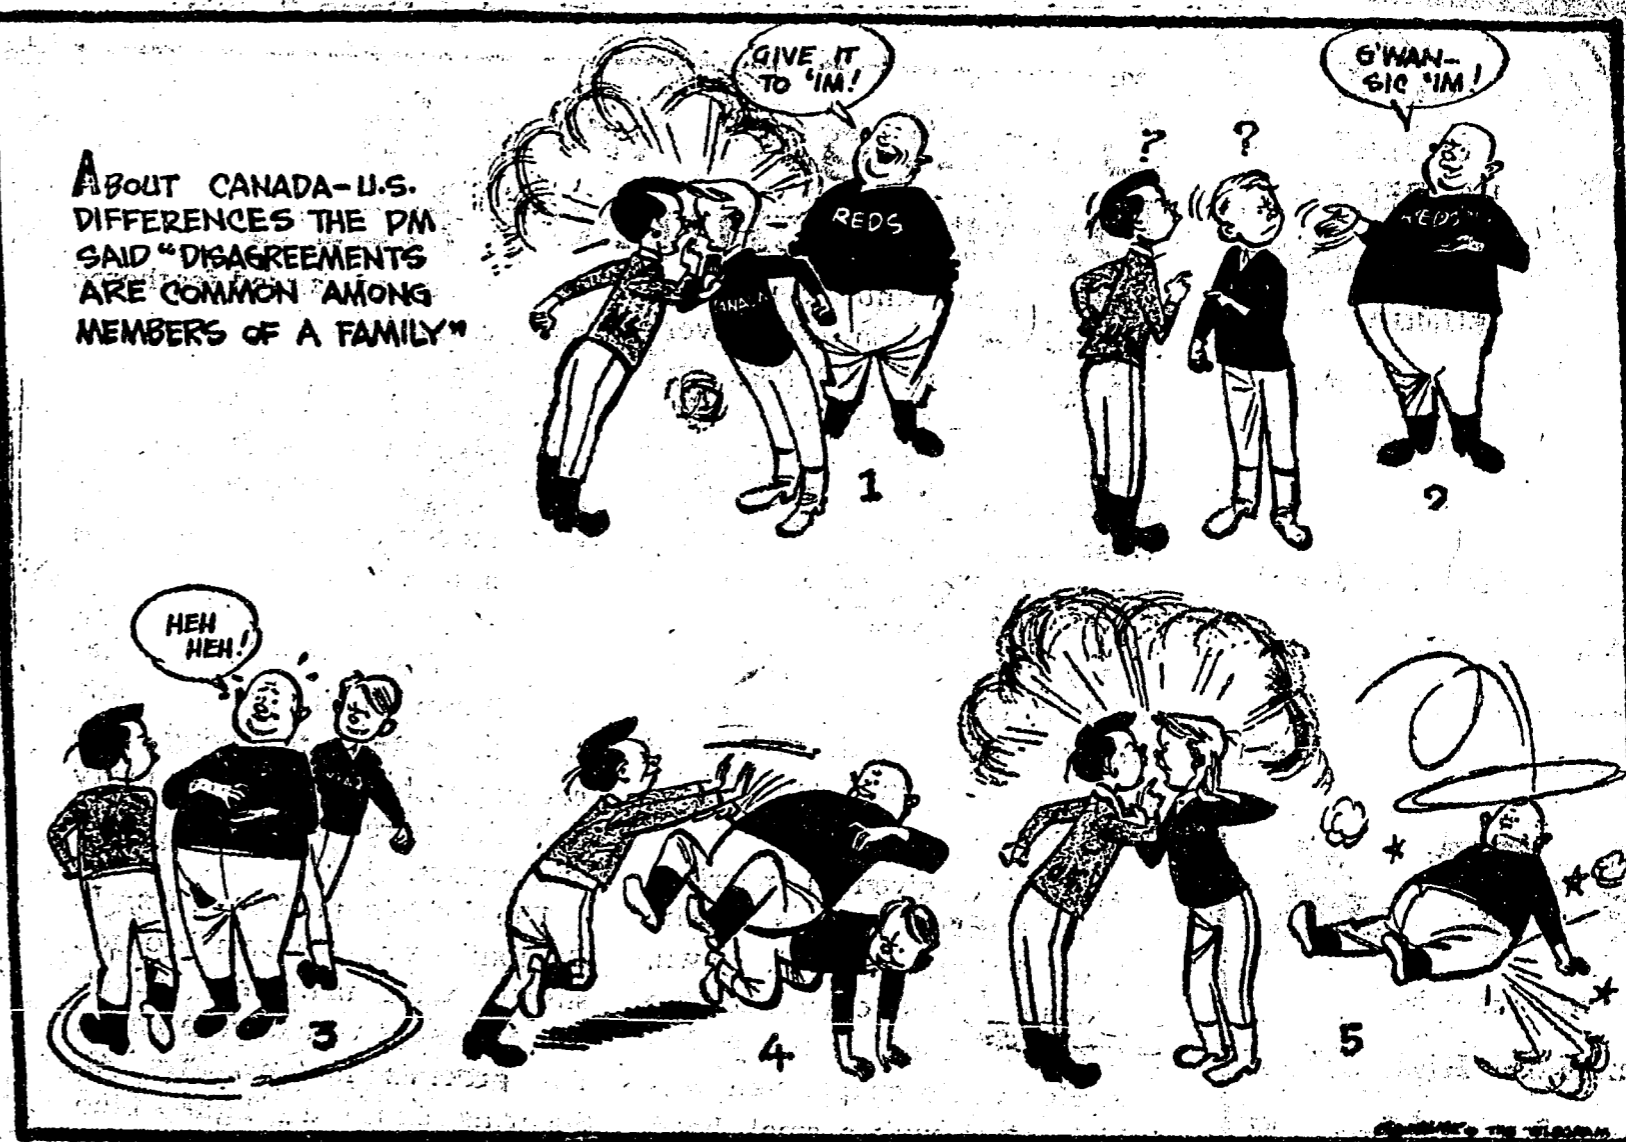

The following are several new fiction books in the Summerland library. They prove to be well-written and make good reading.

"A Sense of Values" by Sloan Wilson. A story in the modern, fast moving dialogue of Nathan Bond. A commander of a tanker in the war in the South Pacific, on coming home, he determines to become a success, which means to him amassing money. The book tells of his success and the impact of wealth, and the resulting publicity, on his entire family, driving some to desperation.

"The Nunnery" by Dorothy Charques, author of The Dark Stranger. This is a well written, interesting story set in the time of King Henry VIII. It is a period when the dissolution of the monasteries, brought about revolutionary changes in the country which was full of disbelief and unrest. The tale starts from a small nunnery on the borders of Warwickshire, and Worcestershire. Events lead to Greenwich Palace and the story tells of the deepening crisis in Queen Anne Boleyn's life. This is a historical novel, written with regard to historic truth, but also a very personal story of people's lives. A good story by a foremost woman novelist.

"The Widening Circle" a biography by John Van Druen, playwright and novelist, gives us a well written book about his younger years in England, his decision to become an American, and tells of his successes and failures, written with the modesty of a reflective man. He has numerous plays to his credit, the ones we remember best are: "I Remember Mama", "Bell, Book and Candle" and "Leave Her to Heaven."

Another biography of F. E.

THE OUTSIDER

What do you worship?

by Rev. Ira Johnson

God's rightful place of worship is being overlooked in the lives of many people today because of a tendency to worship that which is spectacular and thrill-producing. Even professing Christians have a tendency

sometimes to worship personalities in a way that is overdone. In Acts 14:8-18 we are told the story of Paul and Barnabas and the healing of a crippled man. No sooner had the man been healed through the power of Christ than a great mob swooped down upon Paul and Barnabas with the intention of worshipping them! To these ignorant people Paul says in verse fifteen, "Sirs, why do ye these things? We also are men of like passions with you, and preach unto you that ye should turn from these vanities unto the living God, which made heaven and earth, and the sea, and all things that are therein. . ."

If the apostle Paul spoke so plainly to these ignorant peo-

ple about whom they should worship, what would he have to say to multitudes of people today who, although they know about God, seem to give their highest devotion to the fleeting fancies of this passing world. Is it not true that multitudes of people worship the "stars" of stage, screen and sport, with a far more intense devotion than they do the "Living God"? Do not others worship their bank books, their achievements and even their pets, more than they do the Living God? While it is only right to appreciate all that is worthwhile on our earth, should we not lift up our hearts in worship to our Creator, Sustainer and Redeemer . . . Our Living God?

MISSING HEIRS

Local girl wed in United church here

The United Church in West Summerland on Saturday evening, Feb. 25 at 7:00 p.m. was the scene of a pretty wedding when Diane Olive, daughter of Mr. and Mrs. Leslie Rumball of West Summerland, exchanged vows with Val Spearing, son of Mr. and Mrs. O. Spearing of Vancouver. Rev. P. K. Leue officiated. The church was tastefully decorated with baskets of daffodils, iris, tulips, and California acacia.

The bride, given in marriage by her father, wore a white chiffon ballerina length gown, featuring a high cowl neckline and cummerbund at the waistline. Her white chapel veil was held in place with a small head dress of orange blossoms and to complete her ensemble she carried a bouquet of red roses, orchids and croton leaves.

The bridal attendants, Miss Marilyn Washington and Miss Linda Rumball were similarly attired in blue chiffon gowns with white feathered hats, shoes

and gloves and carried feathered pink carnations.

Groomsman was Mr. Norman Whitehead of Vancouver, and Mr. Douglas Rumball and Mr. Don Jones acted as ushers. Mr. Ken Storey provided the wedding music.

Fifty-seven guests were received at a reception in the Heather Room in the Pince Charles Motor Inn following the ceremony, by the wedding party and the parents of the bride and groom.

The bride's mother, Mrs. L. Rumball wore a brown brocade sheath with matching jacket, and a corsage of mauve orchids. The groom's mother, Mrs. O. Spearing chose a light blue gown with black accessories and a corsage of cymbidium orchids. Following the wedding supper the guests danced to music provided by Mr. and Mrs. Freeman Reid.

For her wedding journey the bride chose a brown sheath dress with green accessories and a corsage of green orchids. The young couple travelled by car to Portland and Vancouver Island. They will make their home in Vancouver.

Out-of-town guests were Mr. and Mrs. Dale Rumball of Vancouver, Pam and Hilary; Miss Marjorie Clausen, Mr. Michael Laurius, Mr. Don Jones, Mr. John Matheson, Miss Helen Russell, Mr. and Mrs. M. C. Saunders and Helen, Miss Mary Murray, Mr. and Mrs. O. Spearing and Sandra and Mr. and Mrs. Dan MacDonaid of Vancouver.

Teen Town Topics

The big election dance will be held Saturday, April 1, at the Youth Centre from 9 to 12. Dress will be casual, but definitely no slacks or blue jeans. Music will be by the Moon-gloves. We urge everyone to turn out and elect your new council. A special invitation is extended to all adults to attend our election dance and see your Teen Town in action.

Eight delegates are going up to Armstrong next week end for the Parliament of Okanagan Teen Towns conference. Because of this there will be no dance Saturday, March 4. A report of the conference will be given in this column next week.

Due to a lack of halls there will be no dance March 11 or 18, but there will be a dance March 25. Vicki McKee

Mr. and Mrs. W. G. Thibert travelled to Vancouver last week-end to attend the "capping" of their daughter Vicki, nurse-in-training at Vancouver General Hospital.

WILL FIND IT IN THE WANT ADS
Summerland Review

Fr. and Mrs. A. Fierwell and family of Seattle were guests at the home of her parents, Mr. and Mrs. Frank Nicholls over the week end. They returned to Seattle on Monday.

Mr. and Mrs. Ralph Blewett's son, Vic is home after a walking tour of Mexico.

Mr. and Mrs. W. Beattie are home from a two month holiday in California. They saw many Summerland friends while there both folks who are now permanent residents and winter holidayers.

Miss Jean Young, daughter of Mr. and Mrs. Keith Young, left Sunday to take the course in nursing offered at Essondale Hospital.

Mr. C. C. Strachan left Tuesday for Victoria where he will speak to the B.C. Natural Resources Conference on "Keeping Our Soil Productive and Fertile". Before coming back to Summerland he will go to Ottawa on research business.

Dr. S. W. Ferritt and Mrs. A. W. Mole are in C'lewa attending meetings of the Canadian Committee on food preservation. Dr. Ferritt will visit the Research Station at Kentville, Nova Scotia, before returning home.

Mrs. C. Smith of Vernon, a sister of Mr. Reid Johnston, visited at the Johnston home over the week end.

Across the American continent come the tender, juicy Bartlett pear halves to be combined with the cream-smooth, tangy blue cheese that is flown across the Atlantic ocean from Denmark for a wonderful, flavorful party dessert for Canadian hostesses.

When an ultra special occasion looms upon the social horizon, the hostess usually sits down with a stack of cookbooks, a file of neatly indexed recipes and a bundle of dog-eared, yellowed recipes that are old time favorites.

When the exactly right recipe appears, the biggest problem is solved. A successful dessert means a successful party. Below is just such a recipe, called:

Pearadise Pie
½ pound Danish Blue Cheese, ¼ cup light cream pressed through sieve
Blend together, set 6 tablespoons aside for topping for each pear half.
1 (1 lb.-13 oz.) can Bartlett pear halves, drained, chilled 2 envelopes lime or lemon flavored gelatin
1 cup cold water 2 cups boiling water
Soften gelatin in cold water, dissolve in hot water. Set aside to cool.
Add the cheese mixture to gelatin mixture, mix well. Pour into 9-inch glass baking dish.
Chill until set. When ready to serve, arrange pear halves on top of pie.
Fill each pear half with cheese mixture set aside for the purpose.

Bissett-Cardno rites held February 11

The double ring ceremony uniting Shirley Evelyn Cardno and Kenneth George Bissett was solemnized by Rev. F. H. Golightly in the Cloverdale United Church on Saturday evening, February 11th. Shirley is the daughter of Mr. and Mrs. George Cardno of 6166 180th Street, Cloverdale, B.C. Ken is the only son of Mr. and Mrs. A. G. Bissett of Summerland.

The bride, given in marriage by her father, looked beautiful in a floor length gown of white satin brocade, in princess style, with lily point sleeves. A heart shaped headpiece of pearls and sequins held her elbow-length veil. Shirley carried a bouquet of red roses and white carnations in a cascade effect.

Shirley chose as her matron of honor her twin sister, Mrs. Ed Baye. Bridesmaid was Bev. Main, and bridesmatron was Mrs. Gordon Nixdorf. Shirley's youngest sister, Norma Cardno, was junior bridesmaid.

The attendants were gowned in rich red velvet, with fitted waistline and fully pleated skirts, featuring round necklines and three-quarter length sleeves. The headpieces were of intertwined hearts, and they carried heart-shaped bouquets of red carnations with lace trim.

Best man was Don Campbell, and ushers were Constable Ed Baye and Earl Smith of Williams Lake.

At the reception, held in the Wander Inn, Chuck Kuhn was the master of ceremonies, and Louis Hawkes proposed the toast to the bride.

The parents of the bride and groom received the guests at the door. Mrs. Cardno wore a medium blue printed chiffon over taffeta dress with pink accessories, while Mrs. Bissett chose a light blue printed silk over taffeta, with beige accessories.

For their honeymoon to Vancouver Island and points south, the bride changed into a deep purple box suit, with white accessories. Mr. and Mrs. Ken Bissett will reside in Enderby where Ken is with the Bank of Montreal staff.

SHOWER

A novel idea for gift presentation was enjoyed by the guests at the home of Mrs. Geo. Washington Thursday, Feb. 23, at a shower for Dianne Rumball, bride elect of last week.

The gifts were hidden under a little teepee decorated with Kraft food labels and two of the hostesses were dressed as an Indian maiden and brave.

Hostesses for the shower were Mrs. Art Dundon, Mrs. F. M. Stewart and Mrs. Mel Duckworth.

As well as the guest of honor and her mother and sister, Mrs. I. Rumball and Linda, those present included: Mrs. J. Dundon, Mrs. H. Wilson, Mrs. Leo McCrea, Mrs. B. Berry, Mrs. D. Clarke, Mrs. Ted Weeks, Mrs. B. Larkwill, Miss Mae Howard, Mrs. W. Durick, Mrs. M. Elliott, Mrs. I. Shannon, Mrs. W. Downton, Mrs. E. Wilson, Mrs. T. Washington, Mrs. S. Taylor, Mrs. I. Mann and Mrs. G. Beggs. Ten ladies sent gifts but were unable to attend.

Trout Creek PTA

Twenty-six members were present at the February meeting of the Trout Creek PTA. The treasurer reported that \$36 was realized at the card party.

A paper of Dr. I. Macintosh, Mrs. J. Noel, Mrs. J. Towgood and Mr. B. Stent discussed the Chair report.

The report was discussed at length and the group went on record as favoring most of the recommendations of the Chair report.

Local couple wed in colourful ceremony

A honeymoon in the U.S.A. followed the marriage vows between Rosalie Mary Beatrice Young, daughter of Mr. and Mrs. Kendrick Young of West Summerland and Jacob Charles Ganzeveld, son of Mr. and Mrs. Jacob Ganzeveld of West Summerland. The wedding took place at the United Church in West Summerland, February 24 at 6:45 p.m., with Rev. P. K. Louie officiating.

The bride, given in marriage by her father, looked lovely in a traditional gown of white satin trimmed with lace, a rhine stone tiara held a short veil in place and a bouquet of red roses completed her ensemble.

Marilyn Inglis of Peachland, as matron of honor, was attired in a blue chiffon cocktail length gown and carried matching carnations and white mums. The bridesmaid, Miss Leuella Young of West Summerland, wore a pink chiffon gown and carried matching carnations and white mums.

Groomsman was Donald Ganzeveld of West Summerland and Robert Brafbley and Robert Brambley Jr. of Oliver acted as ushers.

Mr. Ken Storey provided the wedding music.

At a reception in the Japanese Hall about 120 guests were received. W. S. Ritchie acted as master of ceremonies. Toasts were heard and congratulatory telegrams read.

For travelling the bride chose a green sheath dress with a matching jacket and brown accessories. Following their honeymoon, the young couple will make their home in Oliver.

Out-of-town guests were Mrs. Ray Soderberg, Vancouver; Almer Soderberg, Calgary; Mr. and Mrs. Russ Varty, Vernon; Mr. and Mrs. John Young, Salmon Arm; Mr. and Mrs. Rex Ganzeveld and Mr. Engle Ganzeveld, Vernon.

Another shipment of half sized Silk Dresses have arrived.

Grades 5 and 6 visit Review on Friday

Students from Division III, Grades 5 and 6, of MacDonald Elementary School visited the Review office on Friday, Feb. 24, at 2:00 p.m. They were accompanied by their teacher, Mr. Raham.

Grade 6 students visiting the Review were: Beverley Bye, Laverne Campbell, Eric Clermont, Joyce Dickinson, Jane Foster, Terry Green, Dennis Head, Nancy Inaba, Dale Jenner, D. Khalembach, Isla Schepens, Gary Smith, Marilyn Tucker and Betty Walton.

Grade 5 students were: Dick Baker, Jacky Barkwill, Donna Biagioni, Judith Brown, Shirley Farrow, Karen Fenwick, Harold Hockley, Joan Holler, Donny Johnson, Stanley Kita, John Liebert, Billy McCuaig, Rosemary Munn, Linda Murphy, Dawnys Norgren, Jane Perry, Connie Roberge, Georgina Storey, Howard Wiens, and Donny Wright.

Rev. Roger Green, Children's Missioner for the Children's Special Service Mission of the Baptist Church in Canada, is putting puppets in the pulpit—and packing the kiddies into church. He travels from centre to centre in Canada holding week-long meetings for the children after each day's schooling and brings the Bible alive for them through his puppets.

Ice Carnival March 18

The Summerland Figure Skating Club, under the direction of its club professional, is preparing for its Annual Carnival on Saturday, March 18, in the Summerland Jubilee Arena.

Mrs. Doris McLachlan is convening the Carnival with Mrs. Nina McLachlan heading the

costume committee with the assistance of Mrs. Allie Tamblin and Mrs. Fenwick.

The theme for the junior number is based on the "Wedding of the Painted Doll" followed by a Ballerina number and the main senior number will be "Winter Wonderland" and also

an Irish number, together with several solos by the top skaters of the club.

The Glengarry Four of the Penticton Club will do a very pretty number and the Comedy Act, which appeared at the Vernon Winter Carnival, will provide a good deal of amusement to young and old.

It will be noted that there has been a great improvement in the calibre of skating by the Summerland skaters, and each year shows considerable improvement in the calibre of entertainment provided by the Carnival.

Tickets are now in the hands of the club members, who will be calling on the residents of the district to sell tickets in advance.

Square 'em up

Al Berry at Peachland and Ed Stebor at Oliver gave dancers in the area good partying last Saturday.

This Saturday, March 4, Kelowna Wagon Wheelers have Les Boyer emceeing their dance. Naramata Circle N's have Ray Frederickson that same night, and Peach City Promenaders have Ed and Irene Stebor. Refreshments will be served at all three dances.

Sheila Waterhouse is convening the decorating of our March 18th party night. She's working on an Irish theme, of course and there'll be shamrocks, leprechauns, shillelaghs, clap pipes and Paddy's pigs adorning the walls of the Youth Centre that night. She'll be looking for helpers among the young dancers, so if you'd like to give her a hand, just let her know.

Last Friday's lesson night was as energetic as usual. Two squares of intermediate dancers attended, as well as the regular adult class. Teen dancers ranks were depleted because of school activities. Instruction on "Dixie Revel" and "Fold the Line" and a new two step round dance called "Del Rio" gave us some new material to work on. Some good fast squares, incorporating all the things we've learned up to now, made us realize how necessary it is to keep dancing regularly for quick response to the caller's commands.

A couple of hours of last Friday night's good company and good fun is the best sedative I know. See you there when Ray squares 'em up this Friday at 8:15!

Bantams win title in close game

A Kiwanis Report

February 27 is a day that the Summerland Bantam All Star Hockey Team will remember for some time. Monday night at the Kelowna Arena was the second game of a two game total point series to decide the winner of the George Meikle Trophy, emblematic of Bantam hockey supremacy in the Okanagan Valley.

Going into the game Summerland was trailing by one point. At one stage of the game Summerland was trailing by two points. The local boys finally tied up the game in the third period with approximately two minutes to go in regulation time.

RUBBER STAMPS

of any kind
for any purpose

Summerland Review

merland was trailing by one point. At one stage of the game Summerland was trailing by two points. The local boys finally tied up the game in the third period with approximately two minutes to go in regulation time.

At the end of a ten minute over time period, the game was still tied. The game then went on into a twenty minute, sudden death period. Summerland carried the play into the Kelowna zone, then with some spectacular passing play, it was just a matter of minutes until Biagioni scored the winning goal.

Biagioni was the outstanding player of the night, scoring three goals with Wertz (2), Selinger, McAdam also hitting the nets. Assistants went to Anderson (2), Selinger, McAdam.

The team now travels to Kamloops for the first game of a two game, total point series on Saturday, March 4, for the Okanagan-Mainline championship. No date has been set for the return game which will be played in Summerland.

Pee-Wee All Stars

Summerland Pee-Wee All Stars played their first game of a two game, total point series in the local arena Friday, Feb. 24, with Summerland defeating Penticton 4-2. Point getters in this game were Haddrell (3), D. Jenner with assists going to Lackey (2) and Kroswin.

Second game of this series was played in Penticton Tuesday night of this week. In this game Penticton boys were winning all the way ending the series with a 11-4 total point win. This is the last game for the Pee-Wees.

Defence

(Continued from page 1)

plained by Mr. Butters, at the municipal level the chief magistrate, in the case of Summerland, the reeve, is in charge and each person within the framework of the municipal government has a vital role to play. The civil defence organization supports the existing municipal government to help develop it into an emergency force.

Mr. Butters went on to say that a comprehensive study of the food resources of B.C. showed the Okanagan to have the biggest stock piles of food, enough to last the present population for 718 days.

Following his address Mr. Butters was asked by Mr. John Cooke, principal of MacDonald Elementary School why no civil defence instruction has been given to the schools. Mr. Cooke stated that to his knowledge during the past five years no instructions on how to cope with any emergency situation, either local or national, had reached his office.

In reply, Mr. Butters stated that although some of the provincial government had reorganized and were doing a good job in the civil defence field, but unfortunately the department of education was not among them. Partially due, he said, to a fear of unduly disturbing the children. Mr. Butters said a letter would go from his office to the department of education regarding this matter.

The sari and buckskin blend harmoniously as East Indian meets North American Indian at the Brantford, Ont., Six Nations Reserve. Journalist Mrs. Amrita Mahler (left) from New Delhi, India, visits the reserve on her coast-to-coast tour of Canada. Greeting her is the chief's wife Mrs. Joe Logan, Jr., of the Mohawk tribe. Mrs. Mahler is on a Canadian Women's Press Club fellowship in cooperation with UNESCO.

Parkdale "Place"

(The following letter to the Editor was received in the form of a poem)

By whose sense of humor the "Parkdale Place" was chosen,
As name for that fine building we eagerly can see
To spell "Home" and "Comfort" secure and friendly
To house the Municipalities Senior Citizentry.

I cannot help but feel there must be — in our English language,
A word that designates the thought of home, of dignity,
A broader word, a deeper word, a word that has some meaning
To spell the depth of comfort the "home" is meant to be.

Citizens today are the Senior ones tomorrow
Would you like to spend your days over at the "Place"
Robbed of dignity, of decency — the name detracts and ages,
So send your letters, raise your voices; this effrontery erase.

— Mrs. Mary Squire

(Editor's note: We have had many favorable comments on the name chosen for the senior citizen's home. Certainly the favorable comments far outnumber the unfavorable. We feel that Mrs. Squire's opinion of the word "Place" entirely unfounded. Our encyclopedia gives, in part, the following definition of "place": "a building or apartment adopted or used for a specific purpose, such as to serve as accommodation for particular objects or persons". Therefore "place" appears to be a far better descriptive word than "manor" or "hall" which were submitted by a few contestants. No Mrs. Squires, we feel the name has been chosen and is very suitable, and to those whose particular choice of name was not used, we say, it's all settled now, so let's enjoy the sight of this fine new senior citizen's home "Parkdale Place".

Kiwanis Club Notes

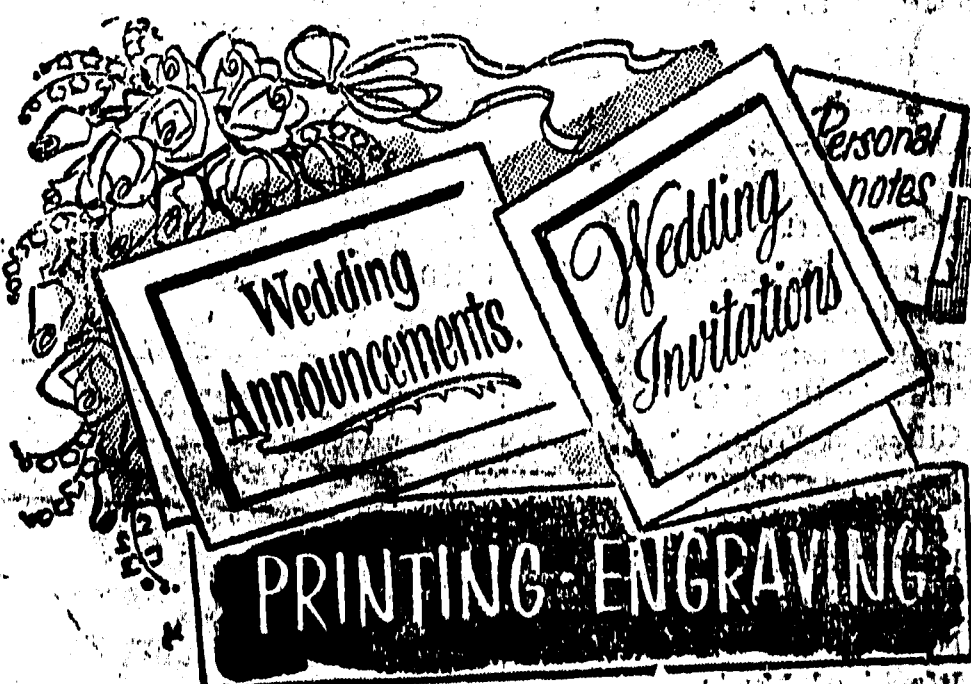

Tuesday night the Club was treated to stories of the pioneer days by Hector Whitaker. Hector, introduced by Jack O'Mahoney, told the club of the real tough times surveyors had prior to World War I. He started working in the holidays on survey teams in Manitoba, when transport, horse and buggy, cost \$5.00 per day, including driver. After leaving school he came west to New Westminster and soon was on a survey job, cravelling from Ashcroft to Quesnel and on to Fort George by stage and dog team. From there he worked in a westerly direction towards the Skeena River, and surveyed between Prince Rupert and Hazelton. He paid tribute to the help and service given by Indians in those days, and all in all, his talk was most interesting, and made us wonder if it is not true that we have "gone soft" these days. Thank you for a very interesting half hour Hector. He was suitably thanked by Jack Towgood.

J. Selinger reported on the junior sports program. It is apparently proving very popular. Jack O'Mahoney celebrated his 45th birthday.

March 8th will see the Key Club from Okanagan Summerland visiting with our boys here. Fred Schuman led the club singing, and for once, he escaped the eagle eye of the Sheriff and was not fined.

After the meeting, the club members went off to pick up their wives and all met at the curling rink for an evening's fun.

The Scribo.

SUMMERLAND REVIEW

NOTICE

South Okanagan Electoral District

Extraordinary Traffic Regulations

Pursuant to Section 199 of The Motor Vehicle Act and Sections 27 of The Highway Act

No person shall operate any vehicle over any paved road or highway in the South Okanagan Electoral District having a single axle weight in excess of 75% of 18,000 pounds or a tandem axle weight in excess of 32,000 pounds, with the exception of Highway No. 97, which is limited to legal highway loadings. Nor operate any vehicle over any other road in the South Okanagan District having a single axle weight in excess of 50% of 18,000 pounds, or a tandem axle weight in excess of 80% per cent of 32,000 pounds. These restrictions to be effective 12:01 a.m. March 2nd, 1961.

The LX factor will be disregarded in calculating the allowable load.

Vehicles with solid tires are prohibited.

Dated at Kelowna, British Columbia, this 27th day of February, 1961.

W. M. UNDERWOOD,
District Superintendent,
Department of Highways.

Court House,
Kelowna, B.C.
February 27, 1961.

Under the Giant's Head

At the last executive meeting of the Summerland Horticultural Society, it was decided to distribute one dozen glads, four each of three good varieties to any paid-up club member who would like them. Those accepting the glads must consent to exhibit the blooms at the 1961 flower show. Persons wishing to become members can do so by paying the fee of \$1.00 and in doing so will receive all the benefits of belonging to this worthwhile club. The next meeting will be Friday, March 17.

Badminton bridge play continues this week at the IOOF Hall Friday evening. Last week's winners were Mrs. C. Bernhardt and Mrs. W. Evans with a score of 8,570. Second place went to W. Hepperle and Dr. W. Evans with 7,440. Third place saw another Summerland couple win with Mr. and Mrs. C. Haddrell scoring 7,280.

This week at the library, a collection of pictures from the B.C. Society of Artists is displayed. This group is one of the oldest art groups in the province, founded in 1909 in Vancouver. The travelling exhibition has water colors, drawings and graphics by such well known artists as Bruno Bobak, Bess Harris, Alistair Bell and Donald Jarvis to mention only a few. The paintings are on display this week at the library in West Summerland.

In order to make time for the Bantam All Star playoffs at the local arena on Sunday the public skating has been changed to 3:30 p.m. The second game between the local bantams and New Westminster starts at 1 p.m. First game in the series is Saturday night at 8:30 p.m.

Seek furnishings for Parkdale Place bedrooms

The furnishings committee of Parkdale Place is seeking donations towards the furnishing of the bedrooms. A donation of \$300 will furnish a bedroom and a plaque in the building will bear the names of the donors.

Red Cross drive on Wednesday

The annual Red Cross drive for funds will be held in Summerland Wednesday, March 15. The Canadian Red Cross Society is in serious financial trouble. For three consecutive years its campaign revenues have failed by a substantial sum to reach the minimum objective required for operating needs. Its modest reserve has been seriously depleted as a result. Total reserves now amount to less than one month's operating expenses. The Summerland Rotary Club is again conducting the local campaign. Chairman Jim Green told the Review there is a definite shortage of canvassers this year and more volunteers are hoped for to help. Persons wishing to volunteer for this worthwhile work can contact Mr. Green or Mrs. J. Y. Towgoode.

Recommend traps for Starlings

Members of the BCFG local starling control committee met recently to discuss the plan proposed for the control of birds that had been put forth at a general meeting held two weeks ago. At that time a plan had been endorsed whereby each orchardist was asked to contribute a set sum, according to acreage, toward the construction and maintenance of starling traps.

After consideration of the starling problem in this area, the committee decided that the most practical approach to the problem for this year is to encourage the building of the traps by individual orchardists.

It is the belief of the committee that growers will benefit from the operation of traps in their area. Plans for construction and information concerning the traps can be obtained from district horticulturist Alex Watt.

The committee also suggested that a record should be kept of all traps built and the results obtained, this information would be useful in formulating community plans another year.

It was reported at the meeting that starlings are starting to appear in considerable numbers in this area and the flocks will probably continue to build up between now and cherry time.

Committee members were Hans Stoll, F. R. Ganzeveld, Harvey Mitchell, John Holman, Eric Tait, Alex Watt and Don Orr.

Ladies' spiel successful

The Summerland Ladies annual curling bonspiel was completed Sunday with the Mabel Ferguson rink of Penticton taking the A event.

The B event went to the Amy Boggs rink of West Summerland. The Hilda Eden rink of West Summerland picked up the C event and the Annie Dunsdon rink of West Summerland took the D event.

The first rink to be eliminated was the...

The Summerland Review

Thursday, March 9, 1961

West Summerland, B.C.

Volume 16, No. 10

Summerland residents will have the opportunity to see and hear the Okanagan Valley Symphony Orchestra on Saturday, March 11. The Orchestra made up of more than forty players from Summerland, Vernon, Enderby, Oyama, Kelowna, Westbank and Oliver will perform in the High School auditorium with the Summerland PTA making the arrangements and selling tickets. Proceeds will go to the PTA bursary. Soloist will be Jean Bulman (above) flautist, of Vernon. She will play the Concerto No. 1 in G Major for flute and orchestra by Mozart. Also assisting the orchestra will be the Penticton Festival Chorus under the direction of Ethel McNeill, who will sing with the orchestra "A Mighty Fortress is Our God" by J. S. Bach.

27 speakers at school's Career Day

Career Day was held at the High School on Tuesday afternoon, from 1:00 p.m. until 3:30, for students in grades 10, 11 and 12. During the afternoon students attended three lectures each, and there were 27 specialist lecturers, presenting information on a wide variety of occupations. About 200 students took part in the afternoon program. From 3:30 until 4:30, time was made available for private interviews between students and lecturers.

In the evening, between 7:30 and 8:30, parents of the students were given an opportunity to meet with the specialists and discuss any matters of interest concerning vocations which the students might choose.

The lecturers were taken on a tour of the Municipality by members of the Chamber of Commerce, and a reception was held for them at the home of president G. C. Johnston. The Summerland Kiwanis Club completed the entertainment with

a dinner for the guests. During the afternoon, light refreshments were served by the girls of Grade 8, under the supervision of Mrs. Thomson.

To appear on TV

On Friday afternoon at 4:00 p.m., six teachers and twelve students from Grade Eight, Division 11, of the Summerland High School, will travel to Kelowna to take part in a special TV broadcast, as the final feature in Education Week. The purpose of the broadcast is to demonstrate how the school is attempting to handle the different ability groups in the school.

The TV show will illustrate how the enrichment program at the Grade 8 level is being carried out in such areas as Science, Social Studies and French.

Members of the staff taking part in the program include Mr. Longmore, Mrs. Boultoe, Mr. Tamblyn, Mr. Loan, Mr. Storey and Mr. McInnes.

Two teams in provincial playoffs

Summerland can feel very proud of the showing of our Bantam All-star hockey team. The boys defeated Kamloops, winning the Jack Robinson trophy, emblematic of bantam hockey supremacy of the Okanagan Mainline.

On Saturday, the team played in Kamloops and won the close fought encounter by one point, which gave them the lead in the two game total point series.

In Summerland this Tuesday, the boys fought a see-saw battle with Kamloops to win again, with only one point to spare. Both teams played good hockey all the way.

Team members were R. Anderson, D. Wertz, D. Biagioni, K. Selinger, L. Young, J. Beggs, B. Pollock, B. Holmes, R. Fitzpatrick, G. Boothe, D. Stevenson, B. McAdam, R. Clarke, W. Campbell and H. McLachlan.

Summerland Bantam All Stars now enter the semi-finals for the B.C. Bantam Championship, in a two game total point series against New Westminster. Both games will be played in the Summerland Arena, the first game Saturday, March 11 at 8:30 p.m. and the second

game Sunday, March 12 at 1 p.m.

If the boys win this series they go to Trail for the B.C. Bantam finals. Be sure to turn out this Saturday and Sunday and give the youngsters the support they deserve.

Summerland Rockets captured the Okanagan High School Basketball Championship at Kamloops over the week end.

The local team defeated Salmon Arm, Kamloops and Oliver to win the cup. The winning of the valley title climaxed a brilliant year for the Summerland team as it gave them the Okanagan Basketball Championship Trophy, the Summerland Invitational Trophy and the Kamloops Invitational Trophy.

The Rockets will now go to the annual High School tournament in Vancouver March 15-18, the final hurdle on the way to a B.C. championship.

Team members are: Dick Dunsdon, George Henley, Gordon Smith, Richard Toevs, David Davis, Frank Carey, Brian Adams, Ken Beggs, Keith Skinner and Jim Jamori. Coach is Don Puddy and manager Howard Oxley.

Trout Creek ratepayers approve master plan

A well attended meeting of Trout Creek ratepayers held in the high school auditorium on Tuesday evening voted in favor of adopting the master plan presented by municipal council.

The meeting was called by municipal council to give the ratepayers an opportunity to see the master plan prepared for Trout Creek and to give ratepayers an opportunity to express their views on its feasibility.

In his opening remarks chairman Reeve F. E. Atkinson said that a few years ago requests were made to council to formulate a plan in which Trout Creek, a rapidly growing area in the municipality of Summerland could be made into a well laid out living area, with extra facilities added as needed.

Mr. Atkinson said that to this end, Mr. R. Baxter, town planner and architect, was called in to prepare such a plan.

One of the first questions asked was, how will this plan affect those property owners not interested in subdividing.

Town planner R. Baxter said that no one is being forced to do anything, the plan is there only to be used when needed. If the plan is passed, then subdividing should be done according to it. Dr. M. Welsh, former head of the Summerland Town Planning Commission spoke in favor of the plan. He said that at the rate the Trout Creek area is growing it is entirely unrealistic to expect it to remain a rural area. Such a plan would

speed up development and also speed up the planning for the Trout Creek domestic water system.

After much discussion, pro and con, it was moved by Eric Tait, seconded by J. R. Towgoode that the meeting go on record as being in favor of the plan, and a referendum should be placed before Trout Creek ratepayers in the near future.

A majority of those present voted for the motion, with only a few dissenting votes.

When asked to comment on the Trout Creek domestic water system, water committee chairman, Councillor W. B. Powell, said that plans are progressing rapidly and that approval of the master plan should help speed up the water plan.

Poor attendance at PTA meeting

At the Summerland High School PTA meeting last week it was voted not to send a delegate to the provincial convention in Surrey this year.

In view of this, the meeting decided to forego discussion of the resolutions as there were only twelve members present.

A brief discussion on the advisability of disbanding took place, with the suggestion being put forth that the PTA continue with a skeleton executive, with a general meeting to be called only if the executive deems it necessary.

Comings and Goings

The Summerland Review

Thursday, March 9, 1961

Commissions will be presented to 20 of the 200 cadets in the annual tri-service parade at the UBC armoury on Friday. Among those receiving scrolls will be P.O. M. E. Wilcox, daughter of Mr. and Mrs. J. C. Wilcox.

Mrs. M. E. Creese of Westbank is visiting Mrs. E. Hookham.

Mr. and Mrs. Bud Rusaw are in Selkirk, Man. for a two week holiday.

Mrs. Earle White flew to Little Rock, Arkansas, to be with her mother who is ill.

Mrs. Don Wright and daughter Ann and Mrs. R. H. Wright were in Vancouver over the week end.

Mr. Alec Stevens has returned from Vancouver where he spent the winter with his daughter.

Mrs. Audrey Steele of Vancouver is visiting with her parents, Mr. and Mrs. M. Sloper.

Mr. F. R. Gartrell returned March 4th from Buffalo, N.Y. where he has spent the past few months with relatives.

Mrs. S. G. Gutteridge has left for Dewdney, to visit friends.

Mr. and Mrs. Walter Arnold quietly observed their 63rd wedding anniversary March 4. They have two sons, Adrian of West Summerland and Elmer of Vancouver, three grandchildren and four great-grandchildren. Mr. Arnold, who is 84 and Mrs. Arnold, 81 came to Summerland from Roganville, Sask. thirteen years ago.

Mr. and Mrs. Norris Laidlaw were at Enderby on Sunday to visit Mrs. Laidlaw's uncle, Mr. Graham Rosoman who is 100 years old. Mr. Rosoman was born in London, England and later came to Canada. He received letters of congratulation from Prime Minister Diefenbaker and Premier Bennett.

Mrs. Mark Embree entertained a number of friends March 1st in honor of Mrs. M. James who celebrated her 80th birthday. Guests included Mrs. D. Youngusband, Mrs. N. L. Laidlaw, Mrs. E. Miller, Mrs. A. C. Johnson, Mrs. J. Paul, Mrs. C. Stevenson, Miss Edith Varity and Mrs. McFarland of Richmond. A special guest, Mrs. J. Wilson of Penticton was wished bon voyage as she is leaving shortly for England where she will visit relatives and friends.

Born on Feb. 22 at Fredericton, New Brunswick, to Corp. and Mrs. R. B. Turnbull, a daughter Catherine Elizabeth. Corp Turnbull is the youngest son of the late Mr. Dave Turnbull and Mrs. Turnbull, formerly of West Summerland and now living in Victoria.

Mr. and Mrs. Alex Inch entertained out-of-town members of the provincial and district welfare departments Tuesday evening at their home. Present were Mr. M. Rogers and Mrs. Williams of Kamloops, Mr. R. Struger and Mrs. M. Young of Vernon, Mr. T. Hamilton of Kelowna and Miss Joan Bennest of Summerland.

Mr. and Mrs. Carl Dietrich were honored by their friends during a pot luck supper at the Lutheran Church on the occasion of their 25th wedding anniversary. They were presented with a scroll commemorating the occasion and an electric frying pan.

These friends from the Springhill, N.S., mine disaster in 1958 met again recently in Toronto. Maurice Ruddick, the singing miner, and father of 13 children, who kept his fellows cheerful during nine days of entombment, met Patrick Taylor who was working above ground at the time. The mine was closed. Since then Ruddick has not had a day's work and Taylor has been back and forth across the continent without finding steady employment.

**Concert Assoc.
elects Officers**

The annual meeting of the Summerland Overture Concert Association was held in the High School recently.

The following officers were elected for the coming season: president, A. J. Longmore; 1st vice-president, Mrs. C. C. Strachan; 2nd vice-president, Ray McNabb; secretary, Mrs. J. L. Mason; treasurer, Mrs. Flora Bergstrom; immediate past president, Mrs. E. Woolliams. Directors were: publicity, Mrs. T. M. Croil; and Mrs. Robert Aistead; arrangements chair- man, Ken Storey; campaign chairman, Harry Killick; Dr. D. McIntosh, Miss Kay Hamilton, Mrs. N. O'Soily; Mrs. W. G. Evans and Mrs. G. Noel.

Kiwanis

The Club spent a delightful evening on Tuesday, this week being Career Week. Representatives of almost all professions and the services, were at the high school, and they came to dinner almost to a man. Some twenty-eight guests were with us, and each one was introduced by the Kiwanian sitting next to him, or her. Ladies too were well represented by the Nursing Sisters present. No business was conducted while the guests were with us, especially as they had to be back in the high school by 7:30 p.m.

After the Queen was sung, and the guests were bidden farewell, a directors meeting was held, attended by the majority of Club members.

Four guests were with us from the Penticton Club, headed by Bill Rathbun.

Ed McGillivray advised that some twelve to fourteen boys from Omak will be at the Key Club meeting in the High School on Wednesday. It is their intention to form a Key Club and this visit is in the nature of a preliminary canter, as it were.

The president hopes that the good record of attendance for this year will be maintained and urges members to do their utmost to keep up the high percentage that has been "chalked up" so far. The Scribe.

**Womens Institute
Prepares for
annual Bazaar**

Under the auspices of the Arts and Crafts Committee of the Women's Institute, some twenty members met on Thursday afternoon at the home of Mrs. H. R. McLarty for a work session followed by a benefit tea, with Mrs. Gordon Ritchie as convener and members Mrs. Gordon Dinning, Mrs. A. Fenwick, Mrs. Inglis, Mrs. Roseborough, Mrs. H. Whitaker and Mrs. Walter Wright. The committee hopes to have a good display of linens, toys, knitwear clothing and novelties for the Institute's annual bazaar in the fall. Plans are for similar teas to be held at the homes of other members.

**Teen Town
Topics**

A tired but happy group of Teen Towners returned Sunday night from the Parliament of Okanagan Teen Towns conference in Armstrong. It was felt by all concerned that much was accomplished during the business meetings. Everyone thoroughly enjoyed themselves.

The Election Dance will be held in the Youth Centre, Saturday, April 1st, from 9-12. The Moonglows will be playing and admission will be \$1.00 per couple and 75c for singles.

Dress will be casual but definitely no slacks or blue jeans. Everyone is invited.

Vicki McKee.

1st Summerland Scout Troop

During the past two weeks the troop has spent a lot of time getting ready for the annual Parent and Son Night. Since the climbing ropes have been repaired with the help of DSM Gordon Blewett, we have had rope climbing competitions. With the help of our accordionist, George Hauschild, the troop has also been catching up with singing, something we have not done for several months.

Harold Richardson has been out to the last two meetings to examine boys on the Marksmen Badge. Thanks to Mr. Richardson we shall have 14 Marksmen Badges to present at the Parent and Son Night. Those boys wishing to complete the distance estimation in connection with the Marksmen's Badge should meet at Stan Krause's place on Prairie Valley Road at 10 a.m. this Saturday.

Plenty of hard work is going into signalling and we hope to have several boys through their second class signalling soon.

Next Monday, March 13 being the Parent and Son Night we hope to see a full turnout of boys with fathers or mothers to enjoy a good meal and entertainment. Remember, full uniform.

In the patrol competition, points are Buffaloes 256, Beavers 206, Hawks 189 and Eagles 165. Duty patrol for March 20 is Buffaloes.

MACS CAFE ACES IN HOCKEY PLAY-OFFS

Macs Cafe Aces are entering in an Okanagan Intermediate Hockey League Round Robin play-off series. Teams are entered from Kamloops, Vernon, Penticton and Summerland. A trophy has been donated by a Vernon man for the valley intermediate hockey championship.

Play-offs will start shortly, so be sure to come out and support the boys for play-off hockey.

SPORTS

Busy preparing for Ice Carnival March 18

The figure skating sessions at the arena are busy ones these days as practice for the coming carnival, March 18, is now in full swing, with the different routines smoothing out and improving at every session. The mad scrambling of a few weeks ago is being replaced by orderly drills and intricate maneuvers of these young skaters.

Tests have also been held during the past week and the following skaters were successful in passing tests: preliminary test: Maureen McLachlan, Kaye Fenwick, Lillian Hankins and Janice Solvey; first test: Griselda Evans and Trudy Gartrell; second test: Ruth Keys.

Square em' up

27 members of the Pairs and Squares attended Naramata Circle N's party last Saturday night. Ray Frederickson was MC, with Glenn Ashcroft, Bill French and Wayne Inglis guest calling.

Three parties are scheduled for Saturday. Fred Proulx emcees the Wheel 'n' Stars dance at the KP Hall in Penticton. Buffet supper. Bob Emerson emcees the Westsyde Squares party in Westbank Community Hall. Buffet supper. Scottie Hitchman emcees the Okanagan Landing Squares party in the Japanese Hall at Vernon. Sack lunch.

Saturday, March 18, is our St. Patrick's dance here in Summerland. We're looking forward to dancing that night to Bob Emerson, whose wonderful singing calls and friendly manner are well known. Lil Nistor is convening refreshments. We'll be hearing from you and your committee regarding our contributions, Lil. The young dancers are busy at the decorations for the hall as their part in making the dance a success. Looks like things are shaping up for a happy evening.

Two other clubs are holding parties that night. Oyama Twirlers have Chuck Inglis as MC and Penticton Alamos are holding their first party night at Kaleden with Ray Frederickson emceeing.

Just two more Friday night classes before we wind up the season with our March 18th party. Two parties are scheduled for the summer, one in June and the Trail Dance in August. We'll be getting together to attend dances in other towns and are looking forward to some private parties when the warm weather comes.

More tests are to be held this week for those skaters ready to try them and others will be pre-tested.

Rockets to play here Friday

The undefeated Summerland High School Rockets will meet the Salmon Arm High School Basketball Team in an exhibition game at the High School gymnasium on Friday night at 7:30 p.m.

Proceeds for this game are in aid of expenses which will be incurred in sending the Rockets to the coast to compete at the University of British Columbia for the provincial championship.

Admission will be fifty cents for adults and twenty-five cents for students. A special surprise feature is being planned for entertainment at half time.

Public skating on Sunday at the arena will be changed to 3:30 p.m. as the Bantam playoffs will be at 1:00 p.m.

L. Shannon heads local Credit Union

A 3 per cent dividend on shares was voted for at the annual meeting of the Summerland and District Credit Union.

A pot luck supper was enjoyed by members and their families before the meeting.

L. Shannon was installed as president replacing J. J. Lichtenwald. W. Gallop is vice president. Directors are J. Berg, J. Khalembach, Don Blagborne and J. Lichtenwald with P. Munro as secretary to the board.

The supervisory committee consists of E. Famcheon, Ken Hickson, K. O. Lapins, J. H. Thomson and L. S. Jones.

The credit committee consists of G. R. Beggs, H. Lemke and F. E. Smith (re-elected).

The 3 per cent dividend will be paid on a net profit of \$19,269.55 after 20 per cent has been put in a reserve fund.

The balance sheet at the end of 1960 showed total assets of \$1,318,957.47 and the membership at the end of the year stood at 2,008, a gain of 35 members over the previous year.

During the year 579 loans were applied for, totalling \$462,871.28.

Mr. Hans Meierhofer, manager, in presenting his report thanked his staff and members of the board of directors and their committees for their cooperation.

The education committee will be appointed by the board of directors.

A standing vote of thanks was moved for the late Mr. A. Smith, pioneer member of the local Credit Union.

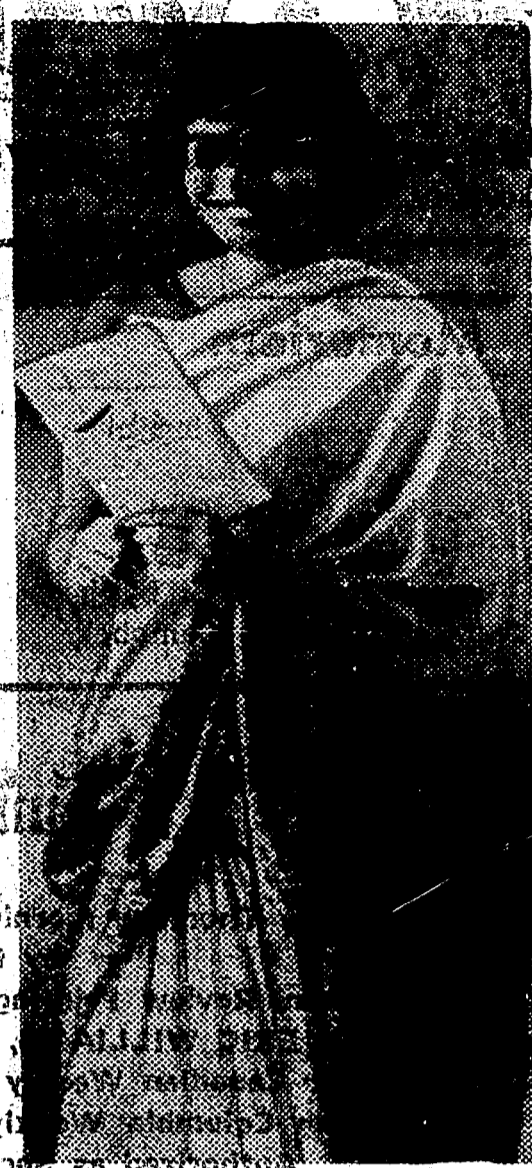

Services held for Mrs. K. Anderson

Mrs. Irene Elsie Anderson, 39 years of age, formerly of West Summerland, passed away in the Summerland General Hospital on Wednesday, March 1.

Besides her loving husband Ken, she leaves to mourn her loss, one son and three daughters, Richard, Carol and Marion, all at home, and Shirley of Vancouver; her parents, Mr. and Mrs. J. Wolff of West Summerland, and eight sisters.

Funeral services for the late Mrs. Anderson were conducted from Summerland Baptist Church, Saturday, March 4, at 2 p.m., Rev. L. Kennedy officiating. Interment in Peach Orchard Cemetery.

Roselawn Funeral Home entrusted with arrangements.

Canada is giving a big assist to underdeveloped countries through her universities, training in everything from engineering to secretarial work. Pretty Nirmalene Dasanayake from Colombo, Ceylon, is taking a course through the Association of Administrative Assistants in Toronto, to be a secretary.

Showers held for bride-elect Carolyn Reid

Bride elect Carolyn Reid has been honored by friends and neighbors at several showers recently.

On Feb. 23 a kitchen shower was held at the home of Mrs. Ed McGillivray.

Miss Lynn Boothe, one of the attendants for the March wedding, gave an amusing skit

of a radio announcer. The bridegroom, Mr. Ed Menu, has just completed an announcer training course in Winnipeg.

Guests included Caroline and her mother, Mrs. N. Reid, Mrs. L. Shannon, Mrs. Doug Campbell, Mrs. R. Smith, Mrs. Don Randle and Mrs. W. Setter, the Misses Alana Steuart, Lynn Boothe, Lorraine Bonthoux, Jo-Ann Ongaro, Audrey Henley, Darlene Campbell and Sigrun Meierhoffer.

Unable to attend but sending gifts were Mrs. H. Meierhoffer, Mrs. B. Blagborne, Mrs. Bouey and Miss Mildred Clarke. Refreshments were served at the end of the evening.

Another shower for Miss Reid was held at the home of Mrs. Doug Campbell with Mrs. Ed Lekei as co-hostess. The lovely gifts were presented to Caroline in a box decorated like a home.

Those present included the bride's mother, Mrs. N. Reid, Mrs. R. Blewett, Mrs. H. Thornthwaite, Mrs. A. Menu, Mrs. E. Brennan, Mrs. J. Raincock, Mrs. D. Hill, Mrs. R. Gibbard, Mrs. R. Burns, Mrs. J. Selinger, Mrs. V. Singer, Mrs. R. Kennedy, Mrs. A. Etter, and the Misses Darlene Campbell, Pat Kennedy and Audrey Henley.

Eight ladies sent gifts but were unable to attend.

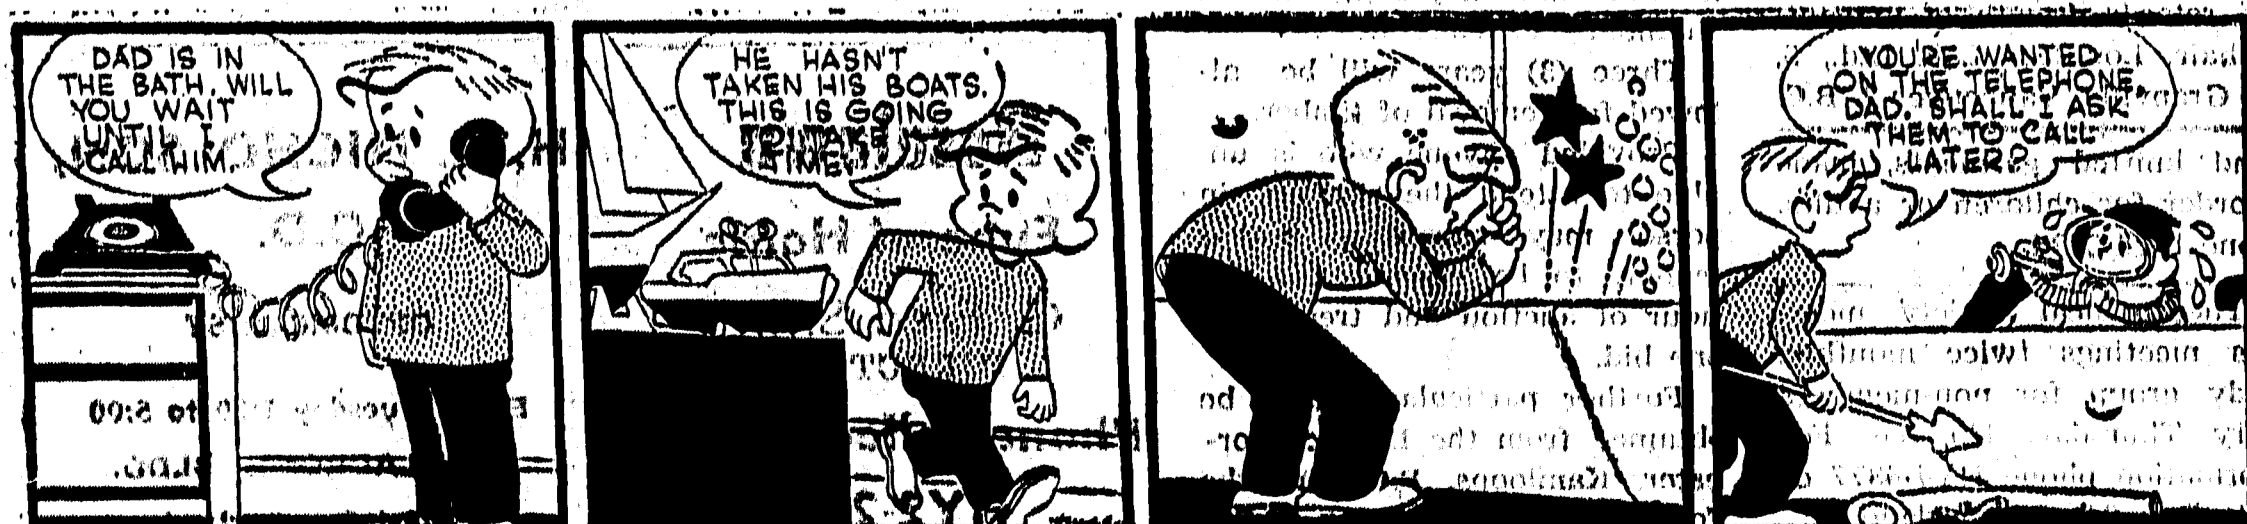

Lovely new wool skirts by Colorcraft made to match your favorite Dalkeith sweater. New shipment of Stanfield's lingerie just arrived at Valley Style Shop.

Get your ready mix exterior paint now! A new shipment of B-H paints has arrived at T.S. Manning. For All Your Building Needs Phone HY4-3256

Under the Giant's Head

Latest word from Vancouver re the Summerland Rockets basketball team is that they lost their first game Wednesday against the White Rock High team. Summerland was the only undefeated team to enter the provincial finals at UBC. A. J. Longmore and Don Puddy are accompanying the boys.

The eighteen members of the ceramic class of the night school finished the season Tuesday night with a social evening.

The Rod and Gun Club will hold its monthly meeting on Tuesday, March 21 in the IOOF Hall. A talk on the local fish hatchery will be given.

The annual supper meeting of the Summerland Retail Merchants Association will be held this coming Monday in the IOOF Hall at 8 p.m.

The Summerland winner of the CNIB essay on blindness is Gloria Tilbe, daughter of Mr and Mrs. Frank Tilbe. This was announced Monday by Mrs. W. S. Rothwell, president of the local CNIB. The contest was open to all grade 10 students and is under the direction of English teacher, J. C. Clement. Gloria will receive an award of merit certificate and the Alstead trophy. Her essay now goes to Vancouver to enter provincial competition.

Saws are once again humming on the Nalos Saw Mill site five miles out of West Summerland. Work started on the morning of Tuesday, March 14.

About fifteen men are employed at the operation, including the loggers.

Mr. Keith Marten told The Review that dependin on market conditions they hope to have a steady operation. Lumber markets have shown a slight improvement recently.

A letter was read at council Tuesday night from the RCMP regarding council's request for a part time officer to help out during the summer months. The letter stated that it was impossible to secure an officer under such an arrangement.

After much discussion it was moved than in order to have adequate police protection here another full time police officer should be requested for Summerland.

St. Patrick's Day

Faith and begorra, 'tis nearly March 17, and would be a grand thing to see the wish in this poem come true. Written by Nat May, the poem is respectfully dedicated to George Henry.

"Shure, me heart is oft returning to a land across the sea,
Where all the days of bygone years come sailing back to me.
And oft me heart is yearning for that little Isle so grand,
I'll be happy when they move it to dear old Summerland.

If the river Shannon flowed down Prairie Valley,
Begorra that would be the day,
And Shannon's bells rang out from old St. Andrew,
And Killarney's lakes flowed into Siwash Bay.

If O'Connell Street ran east and west on Granville,
For my native land I'd never shed a tear.
Shure George Henry could be seen, wearing clothes of emerald green,
If we only had old Ireland over here.

Volume 16, No. 11

Donate day's pay to Parkdale Place

Summerland municipal employees led the way this week with a donation of almost \$1,000 toward furnishings for Parkdale Place.

Works superintendent K. M. Blagborne reported to council Tuesday night that this donation was an entirely voluntary effort on the part of the men, instigated and carried out by themselves. The sum was collected from the regular municipal crew and all the men who have had winter employment in the building of Parkdale Place and represented about one day's pay from each of the men.

Mr. Blagborne told council that he felt this gesture shows the high calibre of the men who work for the municipality, and also shows the appreciation of the men who had benefitted from the municipality's winter works program.

Council voted that a letter of thanks go out to the men from Reeve Atkinson.

At a meeting Monday of the administration committee, Mr. Bill Laidlaw resigned the chairmanship of this committee in view of business pressure. He

was unanimously replaced by Mrs. F. E. Atkinson who will head this committee in the future. Mrs. Gordon Ritchie will replace Mrs. Atkinson as chairman of the furnishings committee and the finance and public relations committee will be headed by Mr. Ernie Bennett.

After a lengthy discussion it was completely endorsed by the committee that patrons would be allowed to furnish their own rooms in full, or in part, if they so desired.

While cash donations are of the greatest importance, furniture and articles that can be used for the furnishing of Parkdale Place will be greatly appreciated, and provisions have been made for the storage of these. It was made clear that such articles which could not be used in the home would be auctioned at a later date to help raise the necessary funds, unless it was the donor's desire to have them returned. It was also decided that pledges for cash would be most acceptable.

C of C meets

Once again their was good attendance and lively discussion at the regular meeting of the Chamber of Commerce monthly meeting last Thursday.

It was reported that apple juice will be sent with the compliments of the Chamber when the Summerland Rockets go to the coast.

The Chamber will support a resolution of the Automotive Transport Association of B.C. (Continued on back page)

Work starts on Shippers

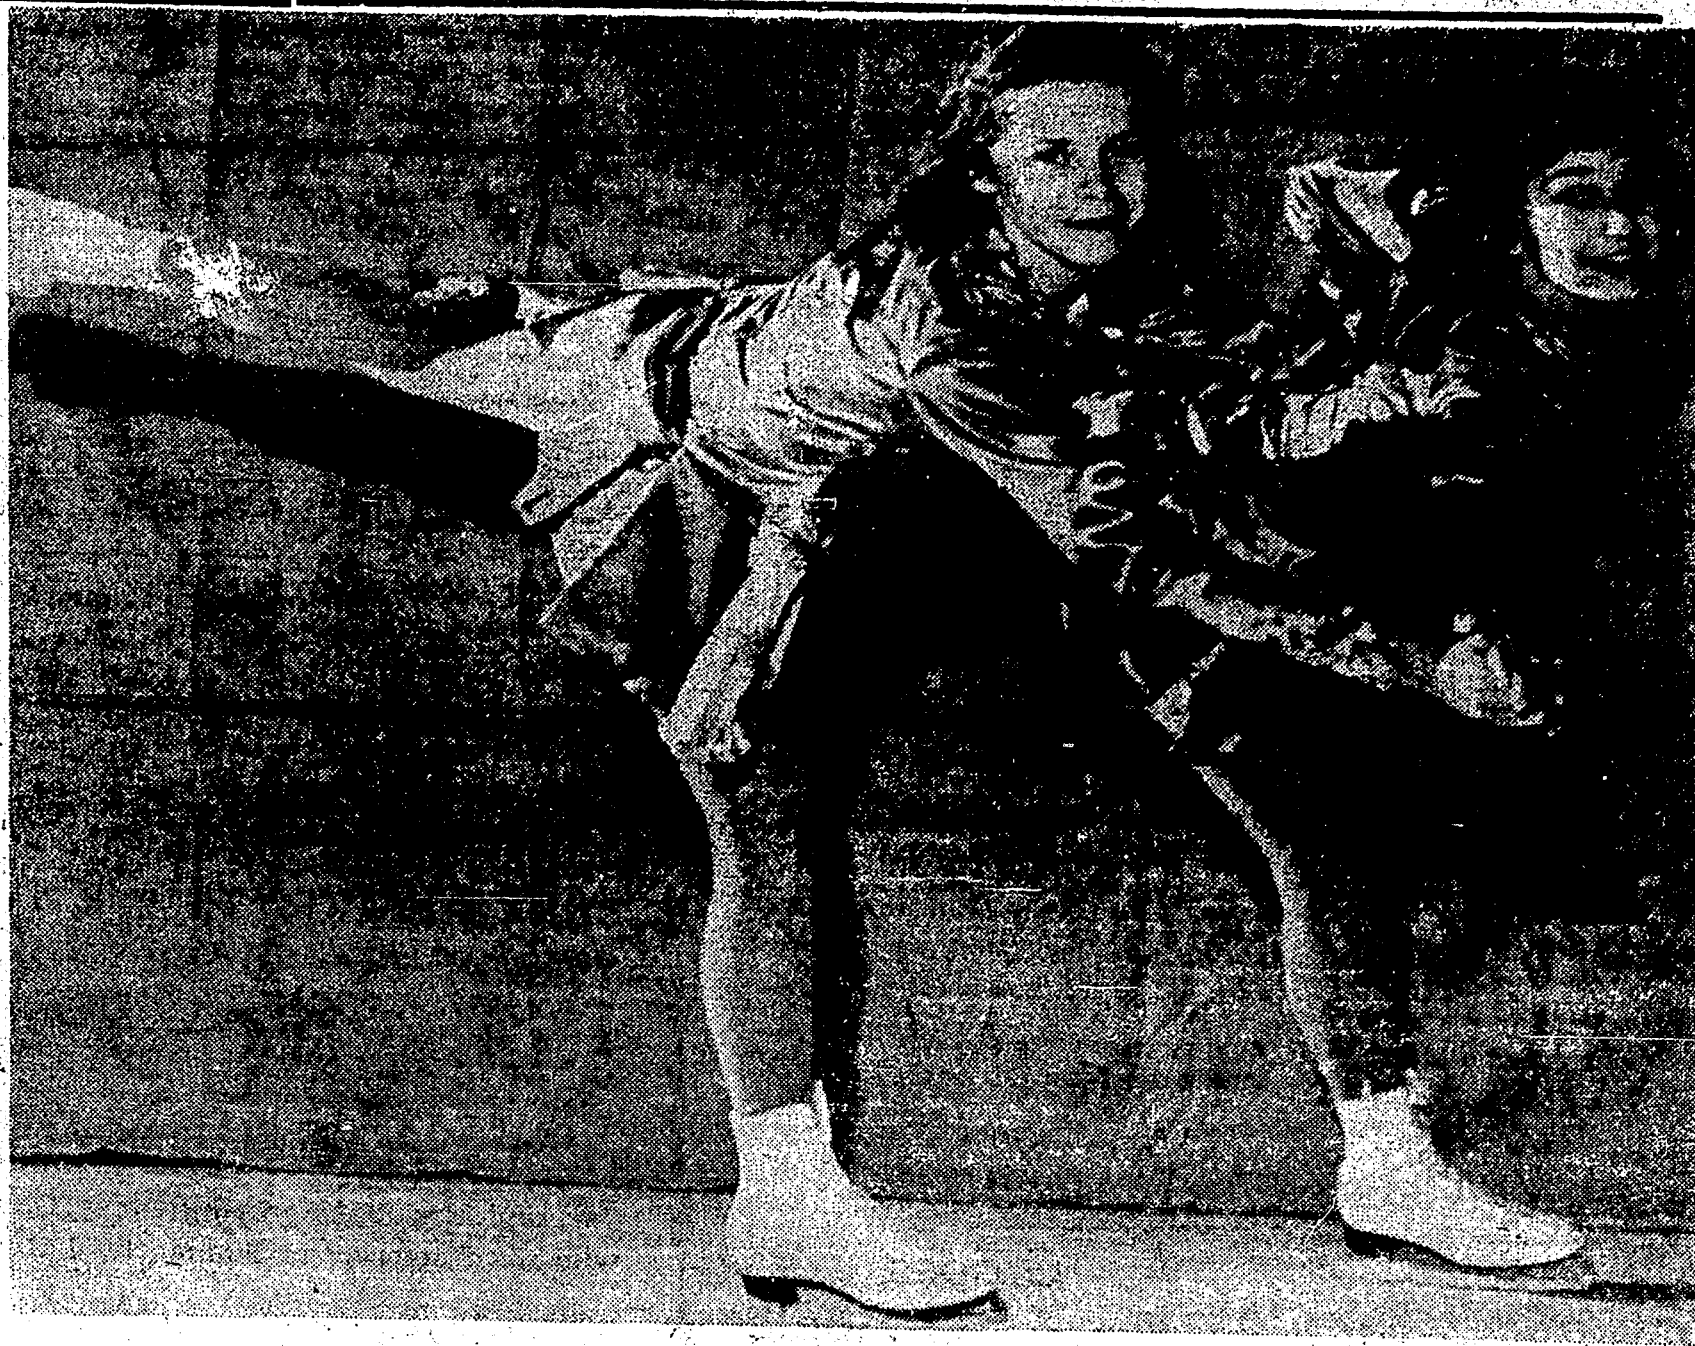

Work commenced on March 2nd on B.C. Fruit Shippers new packing plant and cold storage in West Summerland. J. Russell Baxter, of Penticton is the architect with Dalrymple Construction Co. the general contractor. Mr. Dalrymple has undertaken to use Summerland help and materials as much as possible. It is expected 20 to 30 men may be employed at the peak of construction.

The building is a combination of pumice block, frame and concrete structure designed to minimize fire hazards. It is set back eighty feet from Victoria Road, thus eliminating the traffic hazard created by the old building.

When completed the new plant will be fully equipped to handle produce in bulk bins or the conventional apple box. Total capacity of cold storage will be 110,000 boxes.

A washer is being installed in the production line to take care of the increasing incidence of spray and aphid residue.

The contract calls for the building to be completed by June 30th.

Lillian Hankins (left) and Cheryl Ann McCargar who appear as a pert little pair in the carnival.

Annual Ice Carnival Saturday

The final touches and last-minute drills that precede the rehearsal have been finished. This Saturday at 8 p.m. will see the culmination of weeks of work by the parents and children of the Summerland Figure Skating Club in a huge and spectacular Ice Show and Skating Carnival that promises to be the best that this club has had in a series of very good carnivals.

The Club is very fortunate in having a large group of Intermediates, thus enabling the show to feature large groups doing advanced skating.

The show begins with a dance number, followed by a solo and pair, then the junior number featuring "The Wedding of the Painted Doll"; a pair and solo, the Glengary Four, a very fascinating number, and then a group number.

Then comes intermission, two solos followed by "Winter Wonderland", a very colorful production, the comedy act, a real side splitter; a solo, two pairs and us a grand finale, an Irish number, thought by many to be

the outstanding production in the carnival.

The Club hopes to have a good turnout to this show as it is of a very high calibre and well worth seeing.

Skaters passing their tests this week are: preliminary, Marjorie Lewis, Barbara Porritt,

Patsy Ryman, Cheryl Moore, Dianne Selinger and Colleen Jones. First test: Wendy Toevs, Marjorie Porritt and Janet Tamblin. Second test: Janet Munro. Third test: Linda Munro. More tests are being held this week with some of the seniors taking their tests.

Discuss fire protection

At the regular municipal council meeting Tuesday night, fire chief Joe McLachlan was present to discuss ways and means of fire control in this district. Discussion centered around whether it would be more advisable to spent \$4,000 as a down payment on a new fire truck or spend that sum placing more hydrants throughout the district.

Fire chief McLachlan said that although more hydrants would be very good, he felt that a new fire truck such as the one proposed recently, that (Continued on back page)

Married in Trail ceremony

St. Andrew's Anglican Church in Trail February 18 at 4:30 p.m. was the scene of a double ring, candlelit ceremony between Maralynn Elizabeth Richardson, daughter of Mrs. Helen Corth and Mr. Frank Richardson, and Francis Mel Gould, son of Mr. and Mrs. Les Gould of West Summerland. Rev. E. H. Patterson officiated.

The bride, given in marriage by her father, looked lovely in a floor length white gown, featuring a chantilly lace bodice with a scooped neckline and lace paniers in the tulle skirt. Her bouquet was a cascade of red roses.

The matron of honor, Mrs. Beda Laurie, chose a full skirted taffeta gown of sapphire blue which was set off with a small circular veil. The junior bridesmaid, Miss Alannah Baldassi, wore a similar gown of aqua blue.

Groomsman was Mr. Allan J. Gould and the usher was Mr. John Hackett.

Organist was Mrs. Crosse and Mrs. Ralph Milne sang "The Wedding Prayer"

A reception was held at the home of the bride's mother with approximately 100 guests present. The bride's table was spread with a lace cloth and centred with a three tiered wedding cake.

Wires of congratulations from Vancouver and Victoria were read.

For a car trip to Spokane, Wash., the bride chose a blue wool suit with beige accessories.

Out of town guests included Mr. and Mrs. Leslie Gould, Mrs. Mary Egly and daughter Evelyn, all of West Summerland; Mr. and Mrs. A. Gould; Mr. G. Uzawa, Penticton; Mrs. Evelyn Gould and Mr. and Mrs. F. Bleasdale, Kelowna.

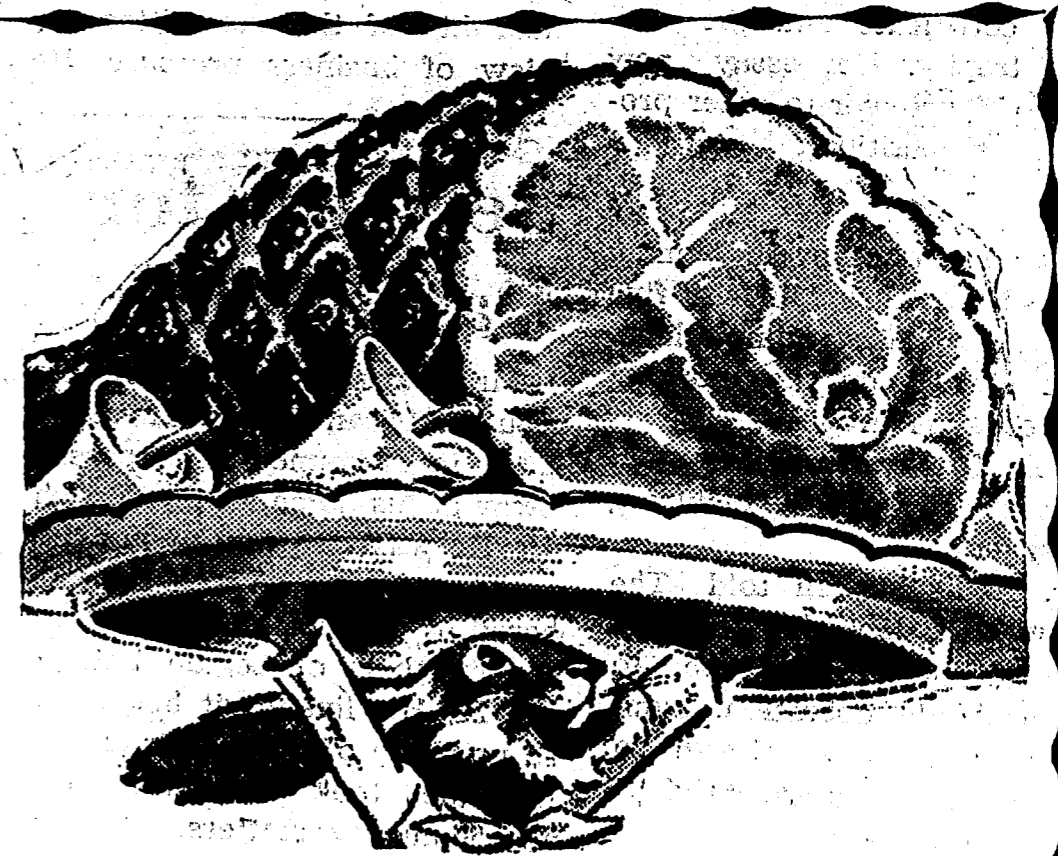

CGIT hold Open House

The Summerland CGIT groups held open house, Wednesday, March 8 to terminate their Mission Study programme.

The mothers and visitors present were given a short synopsis of the countries studied, and several song selections followed by a very impressive candle lighting service with each of the girls taking part.

The visitors were then invited to view the posters, raised maps, flags, etc., made by the girls during mission study, followed by a smorgasbord type of lunch consisting of Monkey Curry (India), Fried Rice (China) Rye Bread (Germany), Mealy Cake (Africa), Hang Yen Bang (China), Ontbijkook (Holland), Deep Fried Shrimp (China), bannanas, peanuts (Africa). Tea and coffee were served to bring the evening to a close.

Married here on March 10

Mr. William Dunbar Bisset and Mrs. Dorothy Ethel Holmwood were united in marriage in a ceremony performed in the First United Church of West Summerland by the Rev. P. K. Louie on Friday, March 10th.

Friends and relations were present at a reception held at the couple's new home in Prairie Valley Road, West Summerland.

Women's Federation hears talk by Hong Kong missionary

The Women's Federation of Summerland United Church had the pleasure of hearing Miss Arnie Thexton from Hong Kong at a special meeting recently. Several Protestant churches from other countries and their missionaries do work with the Chinese church called the "Church of Christ in China" and Miss Thexton is one of the two sent to by the United Church of Canada to Hong Kong in 1954. Rev. Lem Burnham, who spoke at the Sunday morning service is the other one. Miss Thexton worked in the interior of China from 1918 to 1951 when Christian missionaries were forced to leave, and will be retiring at the end of this month. Ninety-nine per cent of the people in Hong Kong are Chinese, and many of the thousands of refugees from China are second or third generation Christians and have gradually built their own churches in Hong Kong. Many mothers began teaching children at home, a grade to each home, there being no school space for them, but gradually the church built schools and got teachers. Language was a problem for the refugees as they spoke Mandarin and Cantonese is spoken in Hong Kong. A few capable students were chosen at first and given scholarships to attend the Christian Leadership Training College and in return they were to give ten hours a week free teaching in one of the welfare schools which worked in shifts, to make best use of the limited space available. Eight fifteen year old boys sons of widows, were given a

two year mechanics' course to fit them for work in garages and to support their mothers.

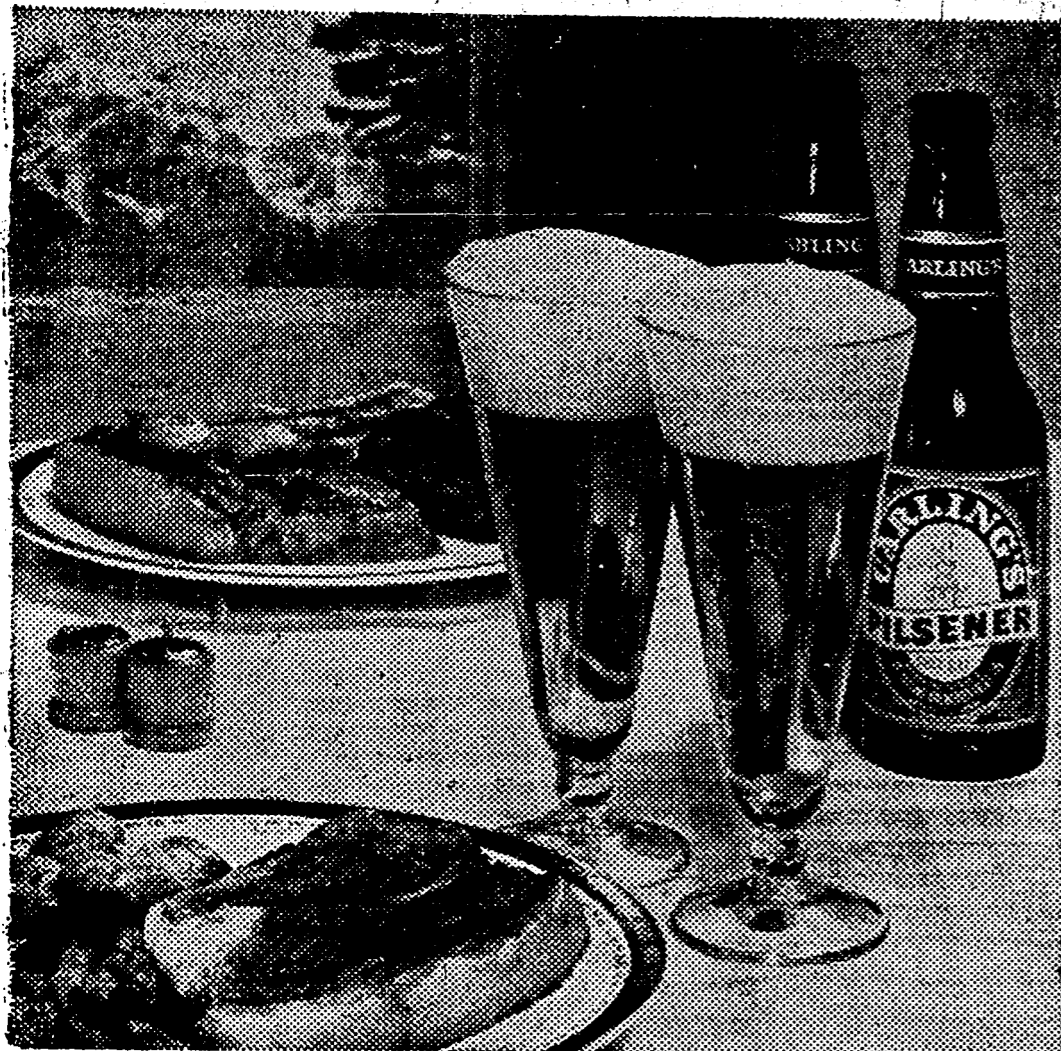

Families of fishermen, who live out their lives on junks, going out each morning to catch fish, returning to their anchorage each evening, were gradually persuaded to let their children spend the day learning at a school built on shore. From that, the parents finally came too and now have a flourishing church and school of their own and are learning Christianity.

During Miss Thexton's talk, pictures illustrating her subject were shown. The beautiful country around Hong Kong actually could be pictures of the Okanagan except that the blue water one sees is the ocean, not a lake.

Before Miss Thexton's talk, a beautiful solo "My Creed" was sung by Mrs. A. J. Longmore, accompanied at the piano by Mrs. L. Fudge.

Tea was served as the group waited for the Mission Band and CGIT to arrive after school. Tea was served by Mrs. O. J. Lazenby, Mrs. V. Charles, and Mrs. Walter Ward.

The speaker was thanked by Mrs. A. C. Fleming.

Gold Cords presented in impressive ceremony

Presented with Gold Cords by Divisional Commissioner Mrs. B. Blagborne (left) were Janet Storey and Ruth Lapins. Lt. Mrs. A. A. Fenwick (right) was instrumental in training the girls.

Two Summerland Guides, Janet Storey 15, and Ruth Lapins, 17, reached the peak of their career in Guiding Tuesday evening, when each was awarded their Gold Cord at the Mother and Daughter Banquet, held at the Youth Centre.

When making the presentations, Mrs. Bruce Blagborne, Divisional Commissioner for the South Okanagan, paid tribute to the Guiders Captain Enid Maynard and Lt. Mrs. A. A. Fenwick, who had trained the girls. She also praised District Commissioner Mrs. Ross MacLachlan and the testers who set the standards, and thanked the parents for their encouragement. In congratulating the girls themselves, Mrs. Blagborne spoke of the many years of hard work which they had undertaken in order to achieve their goal, the highest award in Guiding, and mentioned that they would be going to Victoria at Easter with other Gold Cord Guides to be presented to the Lt. Governor.

Freda Bangm, an All Round Cord Guide, received the Pares Memorial Cup on behalf of the Rose Patrol. This cup is presented annually to the outstanding Guide or Patrol of the Year, in memory of Mrs. Helen Pares who started Guiding in Summerland more than forty years ago.

The Divisional Commissioner also awarded an all-round cord to Anne MacLachlan and presented Brown Owls Mrs. W. Evans and Mrs. G. Ryman with their Pack Certificates and Pins.

Head table guests at the banquet included Reeve F. E. Atkinson who replied to a toast to the community made by Ruth Lapins, Mr. and Mrs. J. Hallquist, representing Kiwanis, Rev. Philip Louie, representing the clergy, and Mrs. J. E. O'Mahoney, a veteran of Guiding in Summerland. The Legion ladies, who served the meal, were represented by Mrs. E. B. Gerard, and the Guide Association president, Mrs. P. Roberge, made the introductions.

DEPARTMENT OF LANDS AND FORESTS B.C. Forest Service NOTICE

Examinations for Scalers' License will be held at the following places on the specified dates, starting at 8:00 a.m.

Place	Date (1961)	Logs To Be Scaled At
Lumbly	April 7	Lumbly Timber Company Ltd.
Armstrong	April 11	Armstrong Saw Mill Ltd.
Sicamous	April 13	Shuswap Timbers Ltd.
Penticton	April 19	W. A. Clarke Sawmill

The mornings will be taken up with scaling logs and the afternoons with the written paper.

Candidates should bring a pencil and if possible, a B.C. Scale Rule and a Ten Times Cubic Rule.

Examination fee is Five Dollars (\$5.00) and is to be paid to the examiner at the examination, except that a candidate who has paid for and holds a valid "Appointment of Acting Scaler", is not required to pay the \$5.00 fee. They will be required to produce a receipt as evidence of payment.

Applicants who have previously tried the examination and paid the \$5.00 fee will be required to show a receipt.

Completed application forms must be in the hands of the examiner before the examination. Old forms previously submitted are unsuitable for this examination.

Application forms and further information may be obtained from the local Forest Ranger or the District Forester, Kamloops, B.C.

Letter to the Editor

The Editor,
Summerland Review,
West Summerland, B.C.
Dear Sir

You are to be commended on a well written report of the Trout Creek Point master plan. However I was misquoted on a meeting held to discuss the point about which I feel rather strongly, and therefore would like to set the record straight.

I did not say that the plan would speed up development. On the contrary I said that it was not designed in any way to speed the pace of subdivision. It is presented rather as a means to ensure that there is a sound plan to follow as subdivision and other development proceeds at its normal pace. I said that there are so many islands of subdivision already that it seems unrealistic to hope that the trend can be changed, especially since domestic water is expected to increase the pace of development.

I believe that everyone concerned in planning for Summerland is convinced, as I am, that fruit growing is the commun-

ity's basic industry, and that everything possible should be done to maintain fruit acreage, at least on the most suitable orchard sites. Although I can see no way in which conversion of Trout Creek Point to a residential area can be prevented, I hope the transition will be slow, and I do not believe the adoption of a master plan will speed it up.

The other point that might have been made more strongly in your report, and one that was made strongly by Mr. Baxter, is that the principal purpose of the meeting was to acquaint ratepayers with the general nature of the plan, and recruit their assistance in improving it further. A planner can apply the principles of good planning for a district, but the local residents are in a better position to indicate how well the plan adapts itself to their local areas. I hope residents will take advantage of the opportunity to participate in perfecting the plan.

Yours very truly,
M. F. Welsh.

Who are your guests?

by Rev. D. M. Rathjen

"Behold I stand at the door and knock, if any man hear my voice and open the door, I will come in, and will sup with him and he with me." Rev. 3:20.

We human beings seem to be creatures that must share our lives with others. Many and varied are the guests we invite into our lives. Perhaps few of these have lived up to our expectations - they do not fully understand us nor are they able to help us solve our deepest problems.

The above text, taken from the Word of God, pictures the Lord Jesus Christ as waiting admission at the closed door of our hearts. He will not intrude or impose Himself upon us but awaits our welcome. Because of

His divine knowledge He knows our individual needs and they are such that He alone can meet. He is prepared to "come in and sup with us", to "share our bread of sorrows." He it is that is "touched with the feeling of our infirmities." Heb. 4:15.

He also says that it will be our privilege to partake with Him. In Psalm 23:5 the Psalmist, David, spoke of the "table." His Lord had spread before him in the presence of his enemies. He will take us to the banqueting house (S. of S. 2:4) where all our needs may be supplied.

When He waits to be gracious, how sad and tragic is the fact that many who are in dire need of God's help have failed to heed His voice and have shut Him out of their lives.

B of M Personal Chequing Service Cuts Banking Costs in Paying Bills

Paying for goods and services by personal cheque is a safe, convenient and inexpensive method of handling household and personal expenses. Now it's been made even more economical by the introduction of Bank of Montreal personal chequing accounts, which reduce the cost of each cheque to only ten cents.

Instead of writing cheques against your savings account, or business-type current account, you can now operate your own personal chequing account at a lower rate. With this new type of personalized account, you are charged a set rate of only ten cents per cheque cashed, thus eliminating extra book-keeping, making it possible for the bank to pass on the saving to you.

The B of M also provides you with quarterly statements instead of a passbook, and makes no charge for deposits as in the case of a current account, where ten cents is charged for each entry. Why not take advantage of this new service by visiting the West Summerland branch of the Bank of Montreal. Simon Kouwenhoven, the accountant, will be glad to explain all the details and to help you open your personal chequing account if you decide you want one. It's the modern way to pay your bills, and your cancelled cheques, which are held by the B of M, for twenty years, are always instantly available as perfect receipts for your budget records.

WI donates \$300 to Parkdale Place

As an indication of the interest and pride of Summerland folk in their new Parkdale Place, the members of the Women's Institute at their meeting on Friday voted unanimously to contribute \$300 for the furnishing of a bed-room. The forty members present listened with interest to the plans for furnishing and the desirability of cash donations for more advantageous buying through the central committee as detailed by Mrs. G. Ritchie, their representative to this committee.

A vote also allotted \$10 for the current Red Cross collection. Mrs. A. Fleming of the Home Economics committee read a list of basic articles for layettes requested by Unitarian Services Committee and invited donations from members or friends of our community to be collected by early May.

Notes from the Monthly Newsletter reported that Institute headquarters in Victoria has been moved to larger and more convenient offices and that the provincial budget contains estimates for a full-time secretary-treasurer and for the services previously provided by the government.

Members of a committee to receive social news items for The Summerland Review are Mrs. Inch, Mrs. Wm. Brown, Mrs. G. Inglis and Mrs. Rothwell.

The program, which was in charge of the Cultural Activities Committee featured Mrs. Odetta Mathias in an address on "The Place of Women in the Modern World".

Mrs. Mathias reviewed woman's status from cave man times when her value was reckoned in her ability to bear sons and contribute to ministering to her family through Greek agrarian society where she was its backbone, and on to Roman times when she had civil right by law

but by custom it was negligible. During the dark ages of Europe she was merely a chattel and even in Victorian England her activities and rights were sharply curtailed. Not until 1843 in Queen's College, London, was she allowed her first formal education but was not permitted to take a degree. And not until Florence Nightengale made it so was a profession in public considered respectable.

Although B.C. has the highest per capita enrollment of colleges in Canada, the proportion of women is low. In government, on a Russian scale, there would be 90 women in our federal House of Commons and Denmark would have 14 for every 179 people. Ceylon leads the world in having the first woman Premier and in India the Congress is one-third women. At world conferences, the speaker stated, it is a constant source of surprise and bewilderment to women of other nations to note the attitude of Canadian and American women toward taking their places in the political life of the respective nations.

As faults, she cited an intellectual inferiority complex, a lack of the discipline necessary to obtain a good education and a tendency for our girls to marry too young, thus cutting themselves off from opportunities for study and maturity of judgement based on knowledge. Adults, she felt, should seek to help girls realize their potential in influencing future ideas in the development of this great land.

Mrs. Collas thanked Mrs. Mathias after which tea was served.

Square em' up

Westside Squares were host to over twenty squares of dancers last Saturday night. Fifteen members of the Pairs and Squares joined in the fun, and although the hall was too crowded for comfortable dancing, it was wonderful to see so much enthusiasm. Gregg Scriver, winner of one of the teen-ager callers awards at the Armstrong Festival, gave the dancers a sample of how he did it. Hope next year we'll have a representation from Summerland.

Big news for this week is our St. Patrick's party night on Saturday, March 18. Shella Waterhouse and her committee will gather at the Youth Centre on Friday evening shortly after 8 p.m. to put up the decorations. Perhaps, with all the Irish green around, some of the "little people's" magic will be there to enchant us all at this party! Anyway, we know the Pairs and Squares will be there, and so will Bob Emerson, and that should be magic enough to make any party a happy one.

This Friday's class night was moved ahead to Friday, March 24. We hope all the members will be there that night to enjoy a private party together. Please bring along some sandwiches and cake. We'll make coffee and tea.

These Friday night sessions have been such fun. We're certainly going to miss them, are we not?

Kiwanis Club Notes

A curious draw was held at the Club meeting on Tuesday night, and was won by Bill Laidlaw, but the "curious" part is, that the prize seemed to have disappeared, at least nobody saw it. We hope Bill managed to salvage it before he went home.

Jim Schaeffer led the Club singing.

Doug Campbell spoke on behalf of Parkdale Place, the senior citizens home now being built, and advised that the time for furnishing is getting very near. All donations, either in cash or furniture will be warmly welcomed. One organization in town has already undertaken to furnish a room, and, of course, the Kiwanis Club is considering how they can help in this very important matter. More will be heard about this next week.

Mr. Wally Cousins, traffic officer of Penticton, gave an interesting talk on traffic problems, and Penticton's efforts to keep abreast of the times.

A directors meeting was held in President Jerry's house after the meeting.

The Scribe.

Magic Lady
by Exquisite Form

The new type of underwear that makes every other underwear old-fashioned! It gives the wearer both the real and the psychological comfort of adequate coverage . . . but with one important difference . . . LIGHTNESS.

Magic Lady is the underwear that slims!
Perfect under shorts, slacks and sheaths, detachable garters.

AUDITORS' REPORT

Kelowna, B.C.
February 24, 1961.

To the Reeve and Members of the Council,
The Corporation of the District of Summerland,
West Summerland, B.C.

We have examined the accompanying balance sheets of the Corporation of the District of Summerland as at December 31, 1960 and the statements of revenue and expenditure for the year ended on that date and have obtained all of the information and explanations we have required. Our examination included a general review of the accounting procedures and such tests of the accounting records as we considered necessary in the circumstances.

In our opinion the accompanying balance sheets and statements of revenue and expenditure are properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Corporation as at December 31, 1960 and the results of its operations for the year ended on that date, according to the best of our information, the explanations given to us and as shown by the books of the Corporation.

RUTHERFORD, BAZETT and CO.
Chartered Accountants.

Comings and Goings

Miss Nellie Holden is in Vancouver General Hospital recovering from surgery.

Mr. and Mrs. Tom Winter are home from a trip to the coast.

Miss Doreen Tait is in Vancouver this week visiting with relatives.

Mr. and Mrs. S. A. Macdonald have returned from Long Beach where they spent the winter.

Mr. and Mrs. Gordon Ritchie have returned from a trip to Vancouver.

Mr. and Mrs. D. E. Nesbitt of Kamloops visited Mrs. Nesbitt's mother, Mrs. Walden over the week end.

Mr. and Mrs. B. A. Tingley were in Chilliwack over the week end visiting their daughter, Mrs. Valarie Tumbridge and family.

Mr. and Mrs. Fred Gale went to a wedding at Cache Creek last week.

Mr. and Mrs. O. Morphy spent a few days in Vancouver recently.

Mrs. R. Oxley went to the coast for a few days and returned with Mr. Oxley.

Wally Lutz of Toronto and Jim Gowan of Hamilton, now stationed at Chilliwack, were week end visitors at the home of Mr. and Mrs. Steve Blazeko.

Mrs. Dorothy Amm is back after spending several months visiting friends in Vancouver.

Mr. F. E. Walden of West Vancouver visited his mother, Mrs. Walden, last week.

Members of the Summerland Old Age Pensioners Association were given complimentary tickets to the Okanagan Valley Symphony concert on Saturday by the local PTA.

Mrs. W. S. Rothwell and Mrs. Olive Rumbell attended the 40th anniversary tea of the Okanagan Falls WI on Tuesday.

Mrs. D. I. Gilman has returned home from a trip that took her almost around the world. She visited a son in Ceylon and then travelled on to visit a daughter in England.

Mr. and Mrs. Otto Nurnberg and daughter Ursula have returned from a ten week trip to Europe.

Mrs. L. W. Rumball and Miss Mary Scot have returned from spending two months in Long Beach, Calif.

Marion Allan, harpist with the Okanagan Valley Symphony Orchestra, which played to an appreciative if not large audience here last Saturday under conductor Willem Bertsch. The money raised by the local PTA in sponsoring the orchestra will help to provide a bursary for a Summerland student.

FIRE PROTECTION

Continued from page 1)
could carry 600 gallons of water, as to the present truck's capacity of 300 gallons, would be more useful. He said that the capacity of both trucks would be adequate to put out 98% of fires.
He said the idea of hydrants is very good but in firefighting laying out long lengths of hose is very timeconsuming and a ready source of water enables much quicker action in confining a fire before it becomes dangerous.

Further study will be given by council on the type of fire protection need.

Province of British Columbia DEPARTMENT OF HIGHWAYS Similkameen Electoral District

NOTICE OF ROAD RESTRICTIONS

Made pursuant to Section 199 of the "Motor Vehicle Act" and Section 27 of the "Highway Act".

For use in the loading restrictions hereinafter noted, the "maximum load" is as follows:-

- (a) 18,000 pounds on a single axle.
- (b) 32,000 pounds on a tandem axle.

The LX factor is disregarded. Vehicles with solid tires are prohibited from using highways. The following highways are restricted to:-

- (a) 75% maximum loads:
No. 5 Princeton-Kamloops Highway - From Princeton to North boundary of the Similkameen Electoral District (approximately 23.8 Miles North of Princeton.)
- (b) 50% maximum loads:
All side roads lying West of Stirling Creek Bridge. (Approximately 20 Miles East of Princeton.)

(c) All remaining loads are limited to legal highway loadings. Effective 12:01 a.m., Tuesday, March 14th, 1961.

J. M. Hamilton,
District Engineer

This Week In Your Orchard

(This is the first of a series of weekly columns for local orchardists by Alex Watt, district horticulturist).

Dormant Sprays

Now that supplies are on hand the application of the dormant spray should not be delayed any longer. This is particularly important with the dormant spray for Peach Leaf Curl. Should the weather be rainy during the rest of March, Peach Leaf Curl could become established if the dormant is not applied as soon as possible.

Zinc Sulphate

If Zinc Sulphate is being applied it will be necessary to put it on before applying any dormant oil sprays. This is because the oil tends to prevent absorption of the zinc if the oil is applied first. Zinc Sulphate must be applied as a separate dormant spray. It cannot be combined with other dormant sprays.

Spray Calendar

The 1961 Spray Calendar contains directions for applying all sprays. Spare copies are available at the Horticultural branch office.

Bantams lose in semi-finals

Summerland Bantam All-Stars met New Westminster over the week end in a two game, total point series in the provincial semi finals. The first game on Saturday night, played in the local arena saw the boys lose to the New Westminster team 10-4.

Sunday's game was a different story with the local team playing a brilliant game and winning 7-6. New Westminster won the series with total goals of 10-11.

Excellent crowds turned out

at both games to give the local boys vocal support.

Outstanding player for the season has been Richard Anderson, who played consistently good hockey, especially in the playoffs.

The Bantam All Stars were coached by Rocky Biagioni and Don Wertz.

Badminton players win in Kelowna

Summerland Badminton Juniors were very successful in the Okanagan Valley Junior Badminton tournament held at the Kelowna badminton club last Saturday and Sunday.

Sixteen members attended from the club here, mainly in the under 15 age group. The young people returned with two titles. Mary Cuthbert won the girls under 15 open singles, defeating Gillan Miles in the final.

Mary Cuthbert and Sue Lopatecki teamed up to win the girls under 15 trophy.

In the mixed doubles final Mary Cuthbert and Fred Gartrell lost to a strong Kelowna pair.

In the men's single under 19 David Krause was a runner up and a Kelowna partner won the men's doubles.

Kathy Chambers and David Krause won the mixed doubles.

Services for Mrs Pledge

Mrs. Edith Pledge of Victoria Road, Julia Street, West Summerland, beloved wife of John H. Pledge, passed away in the Summerland Hospital March 13, at the age of 78 years.

Besides her loving husband she leaves to mourn her loss: two sons, Thomas of Burnaby, Reginald of Vancouver and 3 grandchildren.

Funeral services for the late Mrs. Edith Pledge will be conducted from St. Stephen's Anglican Church, Thursday, March 16, at 2:30 p.m. Rev. Norman Tannar officiating. Interment in the Anglican cemetery.

Roselawn Funeral Home entrusted with arrangements.

START TASTE-FREEZE

Construction work has commenced on the site adjoining the Esso station, on a new Taste Freeze building.

According to Harvey Pomrenki, owner, the work should be finished early in May and he hopes to be in business by the time the tourist trade starts.

The building will be a self-service with two drive-in entrances and a window for serving customers. Inside are 10 stools for anyone wishing a snack. The grounds around will be landscaped with planters and lawn.

C OF C MEETS

Continued from page 1)
in their request to the provincial government to make arrangements for quarterly licensing of commercial vehicles in high cost licence brackets. Doug Hill said support of the resolution would be appreciated by local trucking firms.

President G. C. Johnston sparked a discussion on a hotel and modern catering facilities for the community. He stated examples of business going elsewhere because of lack of adequate facilities here. It was mentioned that first class banquet rooms, without liquor licences have proven successful elsewhere, and this possibility could be investigated here.

E. H. Bennett spoke on Parkdale Place and asked the Chamber to consider a donation to purchase furniture for the home.

At an executive meeting held on Tuesday plans were discussed for a raffle or auction to raise money to help furnishing of Parkdale Place. Final plans will be made at the next regular monthly meeting.

Also discussed was Chamber of Commerce Week, April 16-22. An intensive membership drive will also be started shortly by the Chamber.

Telegrams have been sent by the municipal council, the C of C, and the Retail Merchants Association to P. A. Gaglardi, Minister of Highways, requesting that his department take over snow removal and maintenance of the road to the proposed Apex Provincial Park. It is felt by the three groups that this development is opening up a wonderful recreation area that will be used by the South Okanagan-Simalkameen area.

The report from the Rsearch Station this week shows only 29 hours of sunshine and .40 inches of rain.

	High	Low

This week is the last play of the local badminton club bridge tournament. Winners for Friday, March 10 were Mr. and Mrs. Morgan of Penticton with a score of 7,930 and in second place Mr. and Mrs. Foster Cunningham of Summerland with a score of 7,860. Last week's winners were Mr. and Mrs. Robert Cuthbert with 9070, second, Phipps brothers of Penticton, 8,780; and third Mrs. W. G. Evans and Mrs. W. Evans with a score of 8,770.

On Saturday, March 25, the 1961 graduating class will hold a car wash to raise funds for the graduating exercises. Students will be at the high school parking lot from 9 a.m. to 6 p.m. to clean and wash your car for only \$1.00.

Antique cars dating back to 1904 will roll their ancient wheels again in Vancouver on Easter Sunday.

After last year's success, which drew 25,000 people, the B.C. Automobile Association decided to repeat the event which will feature costumes the same vintage as the cars.

The vehicles will gather at Oakridge shopping centre at 1 p.m., be judged and then parade downtown streets to BCAA headquarters on Burrard.

Entry forms for participants, whose cars must be 1935 models and earlier, may be obtained from the auto club.

At a meeting of the Penticton Babe Ruth Association recently, the Summerland Babe Ruth baseball team was accepted as a league team.

Last year Canadian Legion branch 22 of Summerland bought uniforms for the Summerland boys and they will this year see league play under the managership and coaching of Ollie Egely.

It is hoped an association can be formed soon to further this aim and help the boys to the top of the league. This is the culmination of much work and effort on the part of Jimmy Heavysides, Ed. Brennan, P. Reid and Mr. Schwab to enter a Summerland team in league play.

The Summerland Review

Two years in penitentiary

Ronald Lorne Cowan, age 21, received a two year hard labor penitentiary sentence in Penticton on Tuesday. Cowan was sentenced for breaking, entering and theft of goods from the West Summerland Hardware. He also received a concurrent sentence of six months for theft of a vending machine from in front of the Summerland 5c-\$1.00 Store.

Morris Herbert Ketter of West Summerland, 22 years of age, received two sentences of three months definite and six months indeterminate at New Haven or Haney on the same count.

It was spring cleaning time recently at the Thrift Shop. These ladies members of the Summerland Hospital Auxiliary, are giving the Thrift Shop a spring cleaning, preparatory to getting out their "summer stock." Show are (left to right) Mrs. F. E. Atkinson, Miss Doreen Tait, Mrs. Wilf Evans, Mrs. A. F. Crawford and Mrs. Wm. Brown

Badges presented at Scout banquet

The Cub and Scout Parent Night held recently at the Youth Supper took the form of an informal supper rather than the usual banquet with toast list. Altogether about 135 were present including guests from 2nd Summerland Troop and 1st Penticton Troop, district officials and other friends of the Group.

ASM Horne called up the Cubs and Troop for breaking of the flag, followed by grace sung by the cubs. During the dinner chairman R. J. Barkwill introduced the guests and leaders and P.L. Lopatecki thanked the Legion Ladies Auxiliary for their kindness in preparing the dinner.

Following the dinner the tables were cleared for the program. The following badges were presented: to Cubs: Collectors, Bill McCuaig and Ron Downes; House Orderly, John Leibert and Bruce Lane; Swimmers, Allan Barkwill, Ron Taylor, Jack Barkwill, Team Player: Ron Barkwill.

The following badges were presented to Scouts: Pathfinder, Gartrell, Beaven, Tamblin, Fiske, Wilson, R. Blagborne, and MacGillivray.

Ambulance Man: MacGillivray, Wilson, Anderson, Tamblin, R. Blagborne, Mason, F. Trussell, R. Bangma, Fiske, Beaven and Lopatecki.

Public Health Man: Anderson, Mason, Gartrell, R. Blagborne, F. Trussell, Fiske, Beaven, R. Bangma.

Marksman: N. Blagborne, Wilson, Inch, Myers, Lackey, D. Trussell, Tamblin, Bennet, Mac Gillivray, R. Bangma, Baron, and Smiley.

The Bookbinder, Artist and Carpenter Badges were won by Mason, and the Interpreter's Badge by Hauschild.

A Cords were won by Mason and Beaven and Queen's Scouts Awards went to Beaven, Fiske and R. Bangma.

The Cub badges were presented by district cubmaster Dr. McArthur and the Scout badges by district commissioner J. B. Laidlaw.

Entertainment followed which featured a cub-parent participation game, and a game of

(continued on back page)

Large crowd at annual Ice Show

The Summerland Figure Skaters annual carnival was very successful both in the quality of the show and financially, as Saturday night the show went on to a packed house in the Summerland Jubilee Arena. The colorful and intricate show went off smoothly and without incident as the parents and children combined to make a very efficient and smooth working team.

The scenery, prepared by the Summerland Art Club was very effective and the improvements in lighting greatly enhanced the beautiful costumes.

The "Wedding of the Painted Doll" featuring 80 young skaters was enthusiastically received as were the solos and pairs, but the "Winter Wonderland" and a "Little Bit of Ireland" were also very pleasing numbers.

The boys in the comedy act "Matador" excelled themselves and put a new twist in the act. The ballerina number was very pretty with the large silver columns and blue lighting giving this number a very nice effect.

The Dolor's Causier trophy, donated by Loye Campbell to the Summerland skater who has made the most progress in the season was won by Linda Munro one of the senior skaters, who in turn presented a bouquet of flowers to Miss Causier from the club to wind up the show.

Camera Club sees prize slides

Twelve members attended the monthly meeting of the Camera Club at the Health Centre Building on Monday evening. Slides taken by local members were shown, with a commentary by members of the judging committee. Two pictures taken by Enid Maynard on her recent visit to Banff were awarded 1st and 2nd places, with a slide of red roses, photographed by Bert Simpson, being given third rating.

An invitation from the Kelowna Club was accepted, and several members hope to attend their meeting on April 5th.

A series of slides from the Color Photography Association of Canada, entitled "Pictures the judges liked" proved to be most interesting and instructive. Each series of slides from CPAC is accompanied by a written commentary of the technical details and judges remarks. The CPAC now has 65 clubs across Canada, with a membership of 1850. Numerous Canada-wide contests are being held in which several of the local club members have entered slides.

MINOR HOCKEY

The Minor Hockey annual banquet will be held Thursday, March 30 in the IOOF Hall at 6:30 p.m. One parent is invited with each player.

Retail Merchants may join Chamber

Summerland Retail Merchants Association voted Monday night to investigate the possibility of becoming a bureau of the Chamber of Commerce. The new executive will meet with the Chamber of Commerce executive shortly.

Elected president of the Association is Ken Heales, vice-president W. A. (Bill) Laidlaw, secretary, Eric Williams, treasurer, Mrs. Carl Anderson, executive, Carl Deitrich, George Smith, Jack Dunsdon, and Steve Sakal.

Dinner guests at the annual meeting held in the IOOF Hall were Sigrun Meierhofer and Judy McGillivray. Sigrun was the merchants candidate for last year's Fruit Fair queen.

G. C. Johnston, president of the Chamber of Commerce was guest speaker. He spoke of the need of eliminating duplication of services of the two groups, and said that closer co-operation would prove of mutual benefit. He also said that more should be done to increase attractions for out-of-town business.

Summer store hours were set the same as last year. Stores will be open six days a week during July and August, staying open Saturday nights to 9:00 p.m. commencing July 8th.

The Association will seek the co-operation of the Chamber of

Commerce in eliminating out-of-season fruit signs on the highway, as well as out of date political posters, and meeting notices.

A bulletin board will be erected at Peach Orchard Park this summer to inform tourists of the services and activities of West Summerland.

Rod and Gun Club sees fish slides

The Rod and Gun Club meeting Tuesday night in the IOOF Hall was very well attended. Membership in the club now stands at 183.

Bud Green, of the Summerland Fish Hatchery, showed very interesting slides of the work carried on at the Hatchery, starting with the catching of spawners, the growth of the young fish, and their release into the various lakes. Pictures were shown of the poisoning of some lakes and their restocking. As well as being informative, the club members enjoyed the camera shots of the local lakes. Mr. Green was thanked for his interesting presentation.

The club will soon begin work parties at Garnett Valley Dam lake and later on at Pennask Lake.

Buy a Guiding Light Monday, March 27

"Buy a Guiding Light" is the theme once again for the annual light bulb sale discussed at a recent meeting of the Local Guide Association, held in the Youth Centre.

The sale will take place on Monday, March 27 this year, between the hours of 6 p.m. and 9 p.m. It is the mothers, not the Guides who will be selling, and once again the bulbs will

be in packages of four. The price is set at \$1.10 per package, five cents cheaper than last year.

Other business discussed at the meeting included a report on the recent Mother and Daughter Banquet which was financially successful. Also plans were put forward for the Girl Guide Cookie Sale which will take place April 27th.

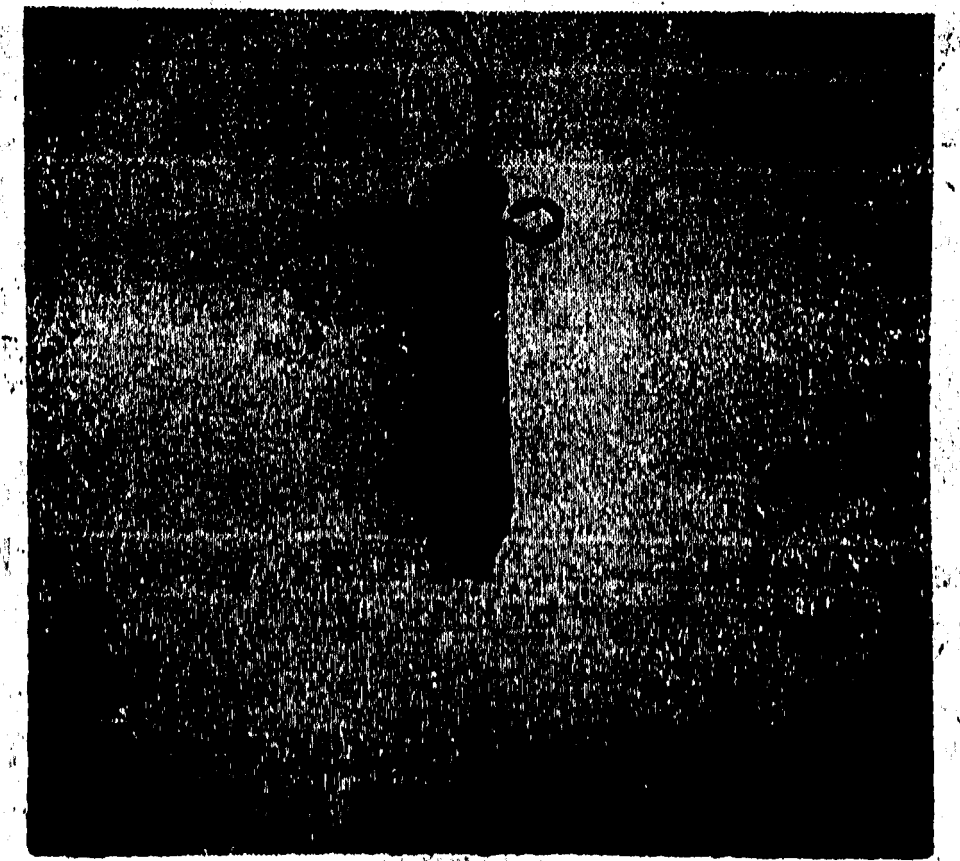

Change in ownership

Mr W. A. Laidlaw has recently announced that he has purchased his brother's, G. A. Laidlaw, share of the firm Laidlaw and Company.

The store came into the Laidlaw family in 1925 when Mr. W. D. Laidlaw, the boy's father took it over. At that time it was a general store selling groceries, ladies wear, men's wear, boots and shoes.

Just prior to the second war the grocery department sold out and became what is now Boothe's Grocery and the dry goods department became what is presently Macil's Ladies Wear.

Jerry and Bill went into the business together in 1946 and have been partners since that time.

Larry Fetterer, son of Mr. and Mrs. A. F. Fetterer on Gayton Road, brought in this unusual garden specimen recently. Believe it or not (to coin a phrase) when Larry dug up the carrot he found it had grown through a link of a chain and was perfectly developed on both sides of the chain.

Nat May speaks to Society

Mr. Nat May was guest speaker at the monthly meeting of the Summerland Horticultural Society held on Friday, March 17 in the Anglican Parish Hall.

Mr. May is the second speaker in a series concerning landscaping ideas and problems designed to interest the new home owner. Mr. May is a well known professional gardener in the Okanagan and recently entered the landscaping and nursery business. He is therefore well qualified to speak on his subject of basic plantings of shrubs. It is regretted that more gardeners did not turn out for this meeting. Guests and visitors are al-

ways welcome and it is felt they will profit by these talks.

Mr. E. Bennett outlined to the meeting the financial needs of Parkdale Place and a cheque for \$50 was donated by the Society.

Delegates elected for the forthcoming meeting of the Okanagan Valley Horticultural Society in Kelowna are Mr. E. Bennett and Mr. A. Watt.

The evening closed with a festive tea in St. Patrick's day theme. This was managed by Mrs. E. Bingham and Mrs. F. Ward.

The next meeting will be on Friday, April 21, in the Anglican Parish Hall.

Thankoffering meeting held by Womens Federation

The March meeting of the Women's Federation of the United Church opened with a devotional theme on Easted and was the thankoffering meeting. Mrs. Boothe aranged the devotional part of the meeting and spoke on events leading up to the Crucifixion. Mrs. Bancroft read from Luke, chapter 22.

Mrs. Washington's favorite hymn was sung "Never Further Thou Thy Cross. Mrs. Boothe gave a suitable reading on "Sacred Passion of the Redeem-

er". Prayer followed led by Mrs. Clarke. A lovely solo was sung by Miss Lynn Boothe "I Walked Today Where Jesus Walked" closing the devotional period. Mrs. Delmar Dunham accompanied Miss Boothe on the piano.

The business session followed. The treasurer's report showed a balance on hand of \$292 after the quarterly allocation of \$121.25 had been met. The friendship fund balance is \$607. Mrs. McLachlan was in charge

of the home cooking table at the meeting for the friendship Fund.

Mrs. Alf McLachlan reported that 28 cards had been sent out; members had made 77 hospital visits and 17 home visits during the past quarter.

Mrs. W. Ward said a parcel of good women's clothing had been sent to Crease Clinic. There was some disussion on whether to send relief parcels to Hong Kong or Korea, the need in both areas is so great. The meeting decided to leave it in the hands of the committee under Mrs. Ward as to disposal of the next parcel.

Miss Chambers reported that Mr. Will Jenkinson had made a cupboard for the hall in which to house the library books.

Mrs. S. A. MacDonald read a letter from Mrs. McWilliams on the theme "Into All The World Together" and in this letter she stated that the 1961 allocation had gone up to \$485. It was voted to accept the allocation. Prayer partner this year is Mrs. Daphne W. Rogers.

A card of thanks was read by Mrs. Fleming from Mrs. Alex Smith and Mrs. Washington Sr.

An interesting belated Christmas letter was read from Elda and Ernest Struthers of Korea.

The conveners for the tea and sale of work on March 25 are Mrs. A. C. Fleming, home cooking; Mrs. W. Ward, aprons; Mrs. Rex Chapman, tea.

Following the business meeting the CGIT affiliation service with the WMS group was held. This service was very ably conducted by ten CGIT girls and their leaders Mrs. Dan Spanser, Mrs. M. Squires and pianist, Mrs. V. Foster. Mrs. Lazenby, Women's Federation president, presented the group with the CGIT badges and the girls made a presentation of a gift of money to the treasurer of the women's group. Each group repeated its own benediction and the meeting adjourned for a social hour and tea. The conveners for the tea were Mrs. Alex Gayton, Mrs. M. Babcock and Mrs. D. Mowat.

Editorials

A step forward

Is an amalgamation between the Summerland Retail Merchants' Association and the Chamber of Commerce a desirable objective. We feel it is, provided the Retail Merchants retains its identity in the form of an active executive which has control over store hours and other matters pertaining specifically to merchants.

Many of the activities of the two groups at the present time are being duplicated: Signs, publicity, and Christmas promotions which presently are being actively sponsored by both groups, could be done much more effectively, and perhaps more economically, under the leadership of one association.

The Chamber of Commerce has some ambitious plans for this season and to have its active membership increased by a large group of Retail Merchants may very well mean the difference between a fair year for Summerland and a good year.

★

Starling control

Did the growers miss the boat, in not endorsing the plan for "starling control", wherein each grower would contribute a small set sum for the construction of a goodly number of community traps. We do not pretend to be an authority on fruit growing, or for that matter on the control of starlings, but it does seem logical that any plan whereby everyone puts his fair share in the pot and works on a community basis, is far superior to the "go it alone idea."

Recent reports from Vernon and other parts of the North Okanagan indicate that the starling menace is increasing at a terrifying rate. Now is the time for a concentrated effort on the part of the growers to get rid of the pests. No reason to wait until an entire crop has been lost. Detailed plans on the building of inexpensive traps have been prepared, and further information can be obtained from our District Horticulturist.

★

Don't be so complacent ...do something about it!

What are you doing about Emergency Measures (Civil Defence)?

If you are like the overwhelming majority, you have done exactly the same as we do — nothing. That is the typical example of most Canadians, both here and throughout the nation.

The apathetic attitude of most people, and we speak of the entire nationwide population, is shockingly complacent. It should be obligatory to the point of conscripting their attention that they be made acquainted with the facts — and they are not very nice facts if we are to be honest with ourselves.

It all boils down to a simple matter of preparing ourselves for survival in the event of an enemy nuclear attack. Such an attack — God forbid that it will ever take place — can conceivably be launched against North America within the next two years.

In our particular area the possibility of direct bomb-blast is relatively remote, but we are well within the range of designated target areas and the threat of heavy radio-active fallout is very real. Hence, C-D officials are urgently stressing the construction of basement or underground fallout shelters.

The almost flippant attitude of a great many that if a nuclear attack comes — "we might as well be dead . . . there's no point in living" is actually not a serious one. By inherent nature, we humans have an undeniable desire to live.

The thought of a nuclear attack with all its resultant radio-active aftermath is sobering if not frightening. However, scientific research has given re-assurance that survival is possible if certain precautions are taken.

Don't you think it's time we began to give some serious thought to such an eventuality? . . . then do something about it!

New books at the Library

by Kay Dunsdon

A number of new books have arrived at the library recently, and of the fiction group, the story "Mortlake" is outstanding. Griffin Taylor has given us a strong and moving story set in Finland. The scene is a remote logging camp near the Russian border, just before the Second World War. Mortlake, a young Englishman, is sent by his firm to learn the lumber business, as part of his training for a large lumber concern.

He hates the isolation and cold, and at first feels very superior to his Finnish friends. But of course a beautiful girl, Aino, helps him to understand his fellow workers, and his admiration deepens as he sees them endure the dangers of being so close to the Russian border, where death may strike at any moment. This is a fine novel of action and intrigue, by an Englishman who has worked in Finland and knows of what he writes.

"Enjoy, Enjoy" is a collection of newspaper stories and magazine articles written in the outspoken and highly original style of Harry Golden, who wrote "Only in America". He has comments amusing and satirical on many aspects of our modern ways, and opens our eyes to the little things in life, which are priceless, but which we too often take for granted.

"The Far Sands" is a new book by Andrew Garve, written with his usual flair for mystery and suspense, concerning a set of twins and their husbands.

A very readable reference book is "Musical Comedy in America" by Cecil Smith. The style is witty and informal and traces the changes in American entertainment from the first play "The Black Crook" to the extravagant "South Pacific". Many personalities are mentioned, famous show folk of minstrel shows, burlesque and light opera.

Letter to Editor

The Editor,
The Summerland Review,

Dear sir:

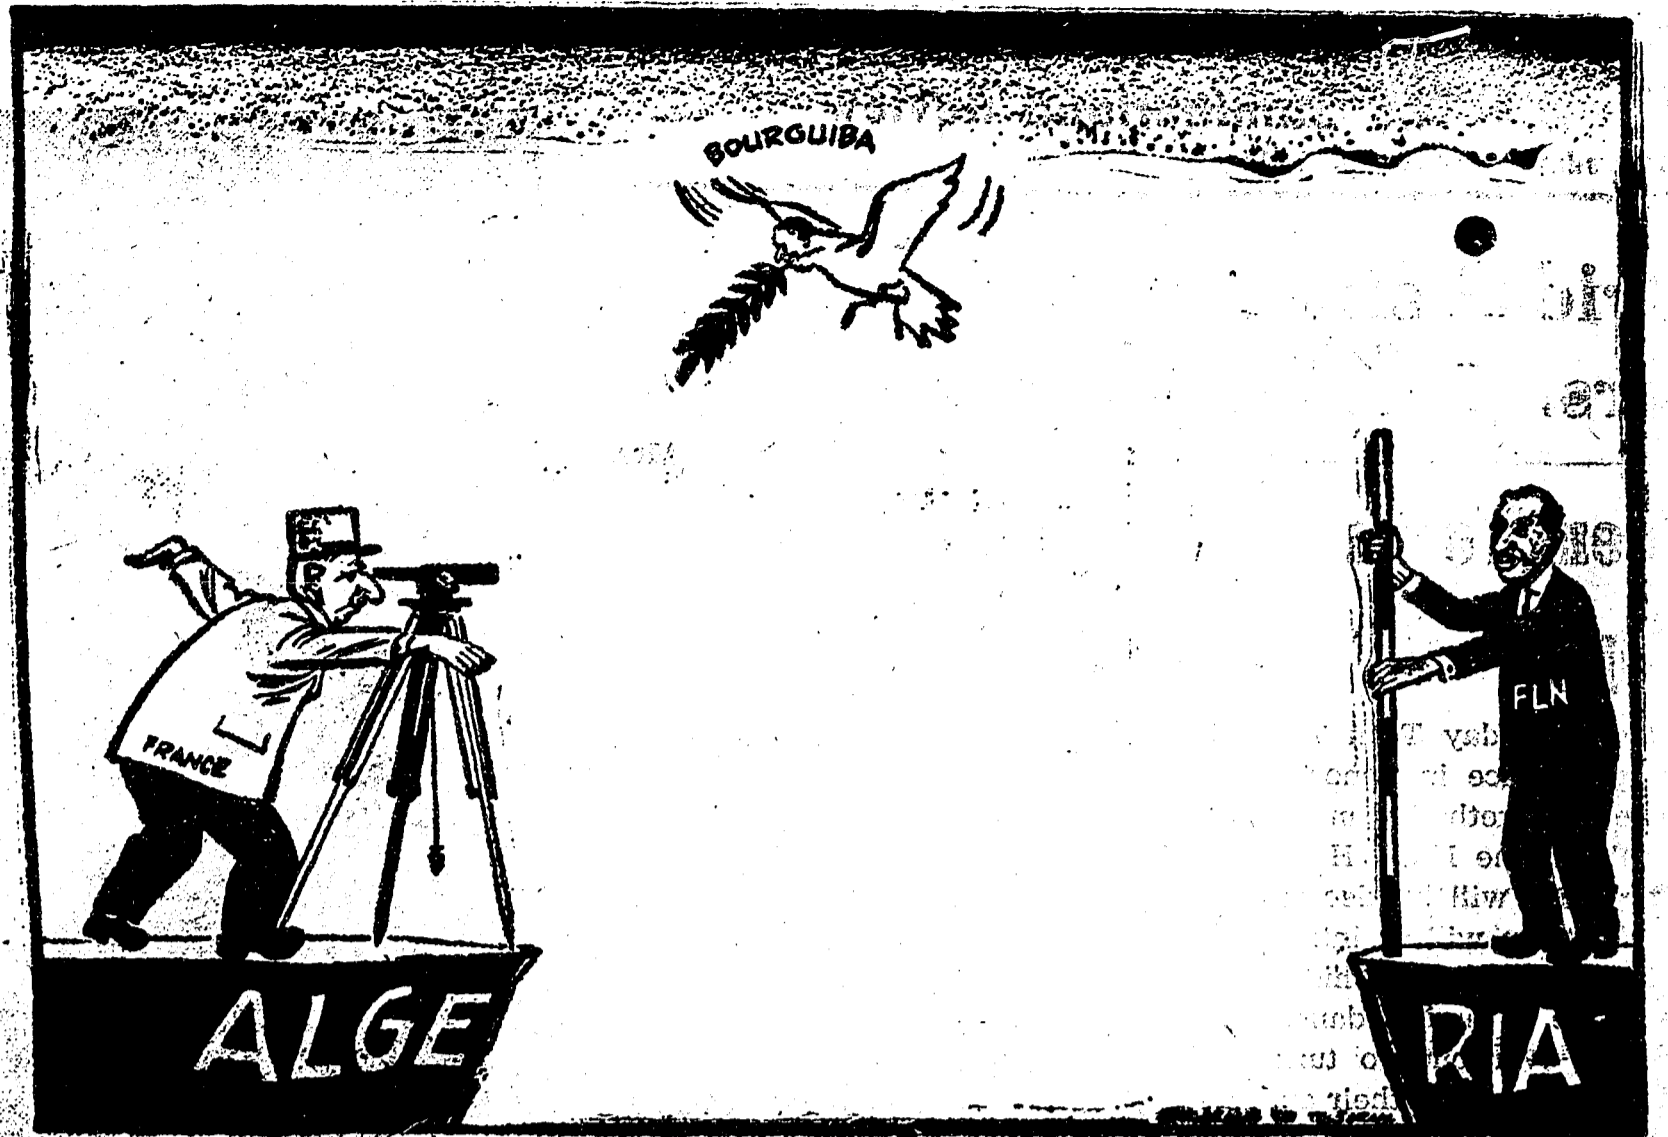

It has been our pleasure to have the boys from your basketball team, at our home, during three tournaments here.

The parents of these gentlemen, and Summerland, can be very proud of the way they conducted themselves while in Kamloops.

Sincerely,

Mr. and Mrs. Les Smith

Kamloops.

Remember Palm Sunday

by Rev. P. K. Louie

On this coming Sunday we remember the triumphant entry of our Lord into Jerusalem. Christians remember that Hosannas were sung to Him that day, and people, spread palm leaves before Him as He entered Jerusalem. There was great rejoicing, for He was hailed then as "He that cometh in the name of the Lord."

Day by day His steps led to the Cross; but truly the people sang, "Hosanna", for He went down into the grave to arise again the third day, to live forever and ever. He lives to draw all men unto Him — all men who confess His name and with faith cling also to His Cross. "And I, if I be lifted up from the earth, will draw all men unto Me." (John 12:32).

This drawing of men to the cross has been like the drawing of fish in a net. They move toward it but struggling, seeking, fighting to get away. Men must be caught in the net of life before the cross exerts its spell upon them. Afterward, they find themselves released in a wider sea of experience. They get a new view of the mundane habitat in which they live. It all comes about because they see the meaning of the Cross.

However, mind you, Christ makes his power to draw man depends on his being lifted up. Can you paint to any heathen community that has been won to decency by any gospel that had not at its very heart the story of God's redeeming love on the Cross? What took David Livingstone to Africa? What gospel made Whitefield and Wesley the saviours of their country from moral and social ruin, no less than spiritual death? Was it the gospel of the social reformer, the moral tea-

cher, the spotless example? Or was it the gospel of the pierced hands, of the head bowing under the load of a world's sin; of "the blood shed for many for the remission of sins?"

There is but one answer: Christ on the Cross is the magnetic pole of the Gospel, which when lifted up from the earth, will draw all men — all manner of men — unto Him.

Bridal shower for Mrs. G. Hartskamp

Teen-Town Topics

This Saturday Teen Town is giving a dance in honor of the Rockets basketball team. It will be held in the IOOF Hall from 9-12. There will be decorations and the team will be introduced during the evening. This promises to be a terrific dance and we urge everyone to turn out and show the boys their appreciation for the wonderful season the team had.

The election dance will be held Saturday, April 1 in the Youth Centre with music by the Downbeats. Dress will be casual but definitely no blue jeans or slacks. More news about the council candidates next week.

A bridal shower for Mrs. George Hartskamp was held on Thursday, March 16 at the home of Mrs. Mary Felker.

The bride was presented with many lovely gifts and a social evening topped off with a lovely lunch was enjoyed by every one present.

Guests included, Mrs. Hartskamp, the bride's mother-in-law, Mary Carter, Anne Kozack, Isa Nakamura, Emily Smith, Shinake Yamabe, Helen Matkovich, Sabra Crooks, Pearl Walker, Glenys Clark, Lisa Wiensche, Anne Bloomfield. Unable to attend but sending gifts were Ida Lekei, Mary Cabor, Olga Pushkarenko, Grace Smith, Ellen Soderquist and Mable Bowen.

Mr. and Mrs. Hartskamp were married in California and will reside in Garnett Valley. Mrs. Hartskamp is the former Gail-
een Shannon of Penticton.

With a candle for his campfire and a pot from hotel kitchens, Paddy McDonough shows how prospectors used to cook up a batch of "hard tack" in the days back-when. His spellbound audience at the Prospectors and Developers Association annual meeting in Toronto last week were, left to right, Mrs. E. O. Chisholm, of Port Credit, Ont., Mrs. J. W. Campbell, of Flin Flon, Man., and Mrs. A. D. Strain, of Esterhazy, Sask.

Greens Drug Store

Comings and Goings

Mr. and Mrs. T. B. Young are home after a holiday trip that took them to Australia and New Zealand.

Mrs. W. R. Powell is visiting her sister in Bellingham, Wash. for a few days.

Mr. and Mrs. Walter Charles of Vancouver, are visiting his parents, Mr. and Mrs. Vern Charles this week. Mr. and Mrs. Bern Charles are celebrating their golden wedding anniversary this week. The Lakeside WA also dropped in on Mrs. Charles for a surprise social evening.

Mrs. Sid Feltham and Mrs. Charles Bleasdale, head of the Cancer Dressing Division of the Eastern Star, presented Mrs. George Washington with a cut glass prior to her leaving Summerland. Mr. Washington has taken over the management of the Pines Drive-in Theatre in Penticton and they plan on moving to Penticton shortly.

Mr. and Mrs. K. B. Thomson have returned from the Barbados where they vacationed for two months.

Mr. and Mrs. Lorne Bloomfield are back from Los Angeles and other parts of California, where they have been holidaying for the past month.

Mr. and Mrs. Robert Dent and baby left for Squamish Saturday after visiting with his parents Mr. and Mrs. Gerald Dent. Donald Orr and daughter Elizabeth were in Vancouver over the week end.

Reeve and Mrs. F. E. Atkinson, Mr. and Mrs. Les Rumball, Mr. and Mrs. F. Stewart, Mr. and Mrs. Harvey Wilson, and Mr. and Mrs. Mel Ducommun attended the annual Rotary district conference at Ellensburg, Wash. over the week end. Reeve Atkinson was one of the speakers at the annual meeting.

Miss Marilyn Embree, nurse in training at the Royal Columbian Hospital, New Westminster, was home for the week end.

Mr. and Mrs. Jack Kirk are home at Trout Creek after spending the winter in the southern states.

This Week in Your Orchard

by Alec Watt,

Most varieties of tree fruits are now out of the dormant stage. Some, like the pears and peaches are in the late or delayed dormant stage. Apricots are for the most part in the pre-pink stage.

There is a full crop of fruit buds on practically all varieties.

Peach Leaf Curl
The weather pattern is tending to be wetter than usual for March. If this keeps up it could turn into a bad year for Peach Leaf Curl. The critical infection stage for Peach Leaf Curl is from early March until blossom time. This week, or better still, earlier than this, is the time to apply control sprays of lime sulphur, Ferbam or Ziram. Once the blossoms begin to appear it will be too late!

Grafting
It will soon be time to start grafting fruit trees. The question of just when to start is important. Most trees will graft readily when the bark is "slipping." This means that the sap must be moving freely so that when a flap of bark is cut it will lift or "slip" cleanly away from the wood. If the bark tears and tends to leave shreds adhering to the wood it is too early to graft. The appearance of the first green tips on the buds usually marks the beginning of the grafting period but the best guide is to see whether or not the bark is "slipping."

Shopping around

This week we start a new column in your hometown newspaper, designed to point out the

excellent variety of goods available in our local stores. We also hope it will tactfully remind you that you can't do better anywhere, because Summerland stores have everything one needs, plus courteous and friendly clerks to wait on you.

To start the column I'd like to commend our local variety store for one of the finest Easter window displays I've seen. Most of the items are in the medium to low price bracket and the merchandise is arranged in an eye catching manner. On the hat rack inside something new and different. A straw Cloche from Italy in the most vibrant Easter shades. These little hats fit well and are very flattering.

Still on the distaff side, one of our hardware stores has recently put in a line of economy priced sewing machines. Smartly styled these machines are precision built and come in beautiful decorator colors. One of the features I find interesting and should prove a boon to all mothers with active children is the built-in patchomatic.

One thing about being a wife, mother and printer's devil is that it doesn't leave much time for gardening, but I can still find time to drop into the various stores gazing at the displays of seeds. To my mind there is nothing more picturesque than a stand full of packets of garden seeds and flowers. I notice roses and some of the hardier perennials are now in evidence on the shelves.

I'll see you next week, and remember "Shop in Summerland". — MEW

Ski Club elects officers

The annual meeting and election of officers of the Summerland Ski Club was held on Wednesday, March 15. The following officers were elected: president Don Agur; vice president George (Slim) Pennington; treasurer Walter Powell; secretary Phil Munro; and executive committee of Ian McCuaig, Howard Oxley, Bob Barkwill, Don Hermiston, Charles Leinor and Enid Maynard.

A motion was passed at this meeting endorsing the sale of the old tow to Apex Alpine Recreations Ltd.

A lively discussion followed regarding the benefits of using the Apex hill or Meadow Valley hill. The improved skiers naturally wish to devote their efforts to Apex, but the former skiers at the meeting felt that there was a place for a small rope tow on the Meadow Valley hill for family groups and children unable to get to Apex. The decision will rest with the

interest shown here in the Meadow Valley hill and anyone wishing to see a small tow on this hill should contact any of the above officers.

Square 'em up

Over 13 squares attended our St. Patrick's party, to wind up the winter dancing season very satisfactorily.

Although a large percentage of the dancers were from Penticton, there was also a good representation from Kelowna. Other visitors attended from Dawson Creek, Vernon, Omak, Vancouver, and Rossland.

Caller Bob Emerson kept the dancers very active and very happy in his usual accomplished manner.

Ernie Coates of Penticton was the lucky winner of a delicious cake donated by Betty Smith.

Thanks, Doreen and Earl Edge and Thelma and Harold Wiens, for greeting the guests at the door.

Lil Nistor and her committee (including Kenny!) handled the refreshments very competently. Thin slices of bread and butter served with a variety of dips, celery and carrot curls, pickles and green jellied salads, as well as a beautifully decorated St. Patrick's Cake, made a pleasant change of menu.

Congratulations to our young dancers for the very attractive decorations and for their help in straightening up the hall.

We are also grateful to the efficient crew who handled the dish washing detail.

We were sorry that some of our members were unable to join in the fun because their children were participating in the Figure Skating Carnival. We very much appreciated their contributions on such a busy week end.

We look forward to seeing you all this Friday at our final class night.

BUILDING A NEW HOME?

HEAT BETTER, ELECTRICALLY

AUTOMATIC—The temperature of each room can be independently controlled.

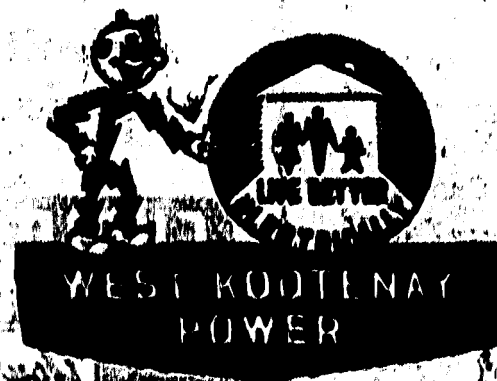

CLEAN—Flameless. No soot—no smoke—no fumes.

DEPENDABLE—Just like an electric light.

SPACE SAVING—No furnace or fuel storage space required.

ECONOMICAL—The annual operating cost of an Electric Heating system is comparable with other Automatic Systems—cleaning bills are less. With Electric Heat, original home construction costs are less—and, you save space.

Call on your Contractor—ask him how you can Heat Better, Electrically.

School District No. 77 (Summerland)

AUDITORS' REPORT

Kelowna, B.C.,
February 24, 1961

To the Chairman and Members,
Board of School Trustees,
School District No. 77 (Summerland),
Summerland, B.C.

We have examined the balance sheet of School District No. 77 (Summerland) as at December 31, 1960 and the statement of revenue and expenditure for the year ended on that date and have obtained all the information and explanations we have required. Our examination included a general review of

the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying balance sheet and statement of revenue and expenditure are properly drawn up so as to exhibit a true and correct view of the state of the affairs of the School District as at December 31, 1960 and the results of its operations for the year ended on that date, according to the best of our information and the explanations given to us and as shown by the books of the School District.

RUTHERFORD, BAZETT and CO.
Chartered Accountants.

B. A. TINGLEY, Secretary-Treasurer

Old Age Pensioners hear talk on furnishings

Fifty members were present at the regular monthly meeting of the Old Age Pensioners Association in the IOOF Hall on March 21. President B. Mayne

was in the chair. At the close of the business session, Mrs. G. Ritchie, chairman of the furnishings committee for Parkdale Place gave a talk on the home and what would be required for furnishings, etc. Afterwards she showed lovely pictures taken on a holiday trip through Spain, Switzerland and Holland, which were much appreciated by the members.

The ladies of the social committee served delicious refreshments to bring a very enjoyable meeting to a close.

(continued from front page) Bat-the-bun by Scout fathers. Slides were shown of the recent Scout winter camp at Headwaters followed by a short staged program of skits, songs and acts by Scouts. Scout George Hauschild provided popular entertainment with his accordion accompaniment and solos. The evening concluded with the flag lowering and God Save the Queen played by Scout John Bessett.

Kiwanis Club Notes

Most of Tuesday night's meeting was given over to Club business. John Tamblyn led the club singing and two birthdays were celebrated, by Wally Harrison and Clare Elsey. Jerry Halquist reported on the directors meeting held last week last Thursday at the interclub meeting at Omak. Bob Alstead reported on the party that went down by car, and his report brought to light that Omak is making an intensive investigation to find out "what happened to the missing song book". It further came to light that Mr. R. Alstead landed on the Canadian side of the border with a new song book in his pocket. He assured the club this was not by design.

Mr. Longmore, high school principal, wrote thanking the club for its donation of \$25.00 towards the expenses of the boys' basketball team that went to Vancouver recently.

April 6-9 will see a Key club convention in Portland and tentative plans are being made to have four cars go and take members of our Key Club.

Vice-president Walter Toevs, asked all committee chairman, to accompany their reports with said report in writing, to be handed in to the secretary. This will facilitate the Club's report to the district governor. Will committee chairmen please note.

A most instructive and entertaining 15 minutes was passed when Ken Storey displayed the clavichord made by him. He compared it with the harpsichord, described the detail of construction, and played two sample pieces, one by Bach and the other by Purcell. Ken is to be admired and congratulated for his beautiful workmanship. It is a pleasure to behold. Thank you, in the name of all the members, Ken. The Scribe.

NOTICE

Department of Highways Similkameen Electoral District Road Restrictions

Pursuant to Section 27 of the Highway Act, the following load restrictions are hereby imposed, effective 12:01 a.m., Monday, March 27th, 1961 until further notice:

No person shall operate any vehicle over the following highway having a single axle weight in excess of 75% of 18,000 pounds or a tandem axle weight in excess of 75% of 32,000 pounds.

No. 3 Southern Trans-Provincial Highway from Stirling Creek Bridge (approximately 23.6 miles East of Princeton) to Sumallo Lodge (12 miles East of Hope).

The LX factor will be disregarded and vehicles with solid tires are prohibited.

Dated at Penticton, B.C. this 21st day of March, 1961.

J. M. HAMILTON,
District Engineer.

Corporation of Summerland Property for Sale

Area	Irrigable Area
Block 29, D.L. 2196 10 acres)	
Block 31, D.L. 2196 8 acres) -	10 acres.
Block 30, D.L. 2196 11.7 acres	Nil

There is no domestic water available for these lots. The electric light will be extended at a cost, if requested.

Tenders will be received on any or all of the above properties, the highest or any tender not necessarily accepted.

Please mark envelope
"Tender for Paradise Flat Property".

Further details may be obtained at the Municipal Office.

G. D. SMITH,
Municipal Clerk.

Under the Giant's Head

Councillor R. J. Barkwill reported at council Tuesday that 545 feet of new sidewalk has been laid this spring and to date 4,700 feet of fill has been put into the Peach Orchard Park beach area.

A little tan and black puppy came to our attention this week. The little fellow has either been lost or abandoned in this vicinity. He's a very appealing dog not much more than a few weeks old, and we'd like to find his owner or failing that, a person who will care for him. For further information call HY4-2937.

The Rink Association's annual meeting and election of officers will be held at the home of Doug Campbell on Thursday, April 6 at 8 p.m. All interested persons are asked to attend.

Another old Summerland landmark is coming down. The old CPR water tower in West Summerland is being demolished this week.

The annual Easter sunrise service will be held again this year, but instead of going up Giant's Head Mountain, the service will be held in the Park in West Summerland. The Ministerial Association is in charge of planning. Service will be from 7:30 to 8:30 a.m.

Three Queen Scouts from Summerland John Beavan, Jim Fiske and Ronald A. Bangma will receive a special certificate from Lt. Gov. Pearkes marking their achievement of receiving Scouting's highest rank, at the annual Queen's Scout ceremony at Government House in Victoria on Thursday, April 6.

It looks like "spring has sprung" and the weather report from the Research Station shows 33.3 hours of sunshine and 42 inches of rain during the past week.

	High	Low
March 22	47	30
March 23	54	40
March 24	51	35
March 25	55	31
March 25	52	42
March 27	55	34
March 28	61	33

We didn't see it ourselves, but we're told that some local youngsters went in swimming on Wednesday at Rotary Beach. Wednesday, by the way, was March 29!

Saturday night the junior badminton club held the finals for the club tournament. Mary Cuthbert won the girls' singles, and Gillian Miles was runner-up. Mike Lopatecki won boys' singles with Fred Gartrell as runner-up.

In girls' doubles, Anthea Morgan and Pat Barkwill won with Gillian Miles and Ruth Pielou runners-up. In boys' doubles, Mike Lopatecki and Richard Ganzefeld won over Fred Gartrell and Neil Mason in a very close game.

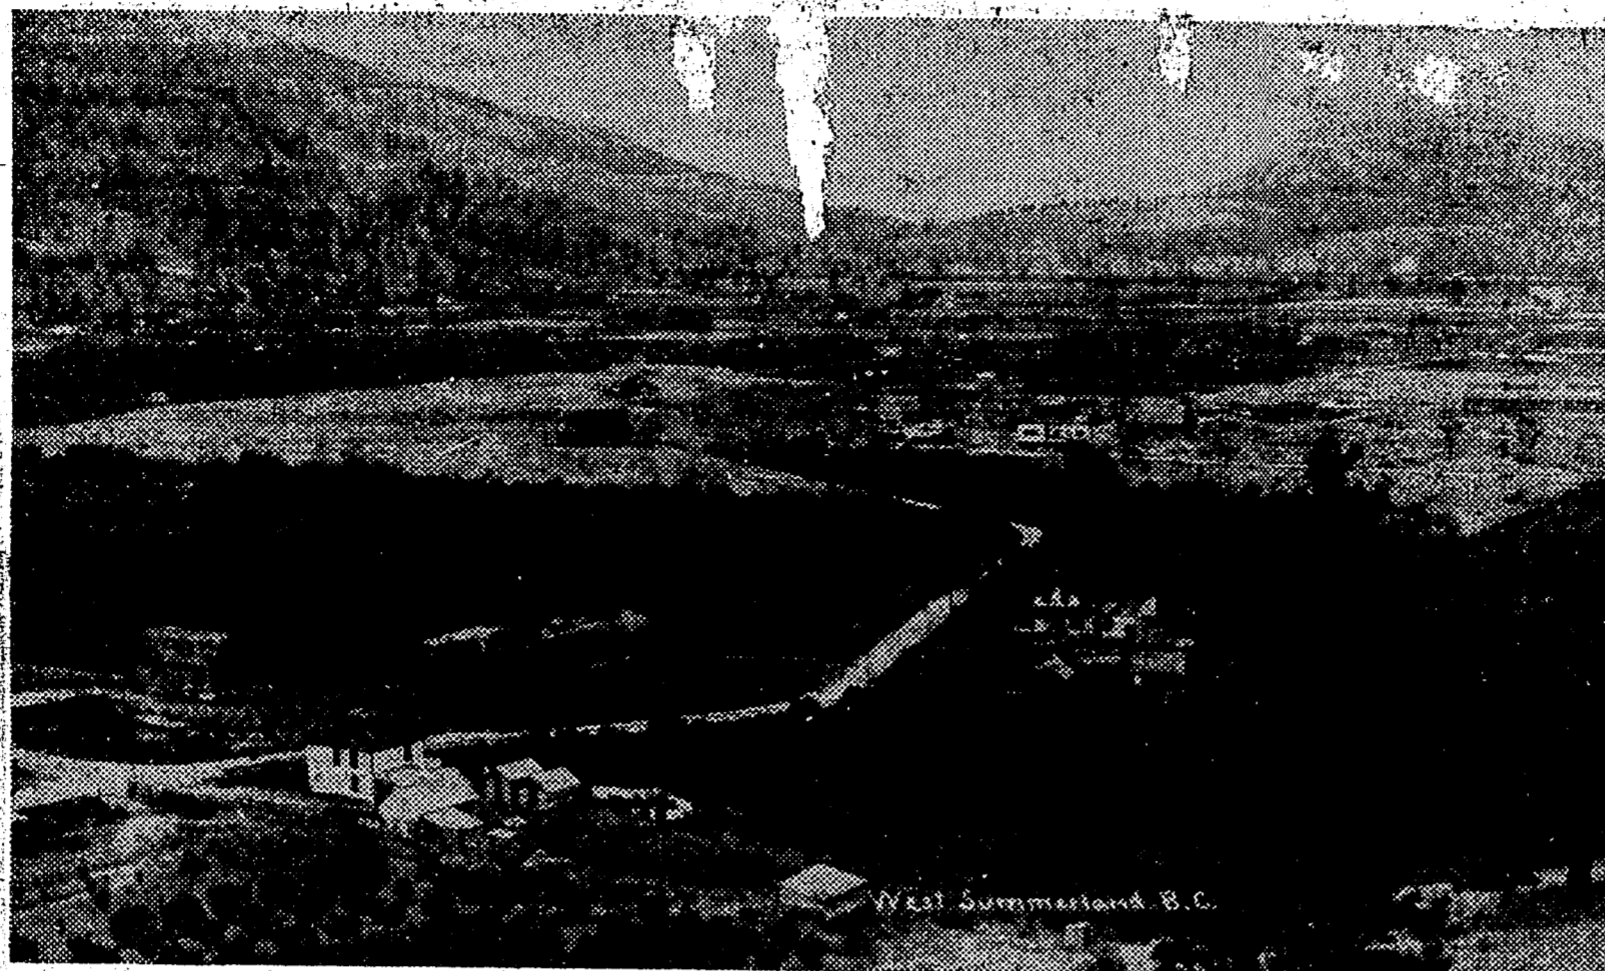

In mixed doubles, Anthea Morgan and Bill Wilcox defeated Mary Cuthbert and Neil Mason.

The Summerland Review

Thursday, March 30, 1961

West Summerland, B.C.

Volume 16, No. 13

West Summerland 50 years ago consisted of only a handful of widely scattered buildings, as can be seen in this old photograph, taken between 1909 and 1912. The West Summerland branch of the Bank of Montreal was established in one of the two buildings, seen here centre right, and will mark its 50th anniversary tomorrow. The premises now house the Cake Box and the B of M operates in its familiar Grnaville Road building.

Report on Parkdale Place

Councillor Norman Holmes gave a report at the regular council meeting Tuesday, from Rev. Norman Tannar, head of the applications committee for Parkdale Place. The report stated that of the applications received to date, ten had been approved, three postponed to the future and three referred to Mrs. Preddy of the Welfare Department (of these two were approved). Mr. Holmes went on to say that it is the feeling of the application committee that some persons are not applying as their only income is the old age pension of \$55. Municipal

Clerk Gordon Smith stated that there is a provincial bonus for such persons, the bonus, plus an allowance from the welfare department brings the income of such persons up to the necessary amount, plus \$10.00 for incidentals.

Reeve Atkinson requested that persons in this position wishing information should see Mr. Smith at the municipal hall.

A letter was read to council from Miss Ruth Dale regarding furniture brought to Parkdale Place by an individual wishing to furnish his own room. The committee wished to have clarification on disposal of such furniture if the tenant should leave. Council passed a motion that on admission the individual sign a form stating what they wished done with their furniture when they leave.

Councillor Holmes suggested that the sidewalk by Parkdale Place should be completed back

to the retaining wall. It was felt that this would add to the appearance of the arena. Council passed a motion to this effect.

Municipal Clerk Gordon Smith reported that the accounting is not completed but approximately \$75,000 has been spent on Parkdale Place. Works superintendent Ken Blagborne reported that the plumbing and electrical material has almost all been purchased.

Council discussed the formation of an administration committee for Parkdale Place. It was suggested by Councillor W. B. Powell that the ideal number for this committee would be three persons, a member of the municipal council and two others. Council felt that probably some of those presently doing committee work for Parkdale Place would be willing to take an appointment to the permanent administration committee.

Services for Mrs. Steuart

Mrs. Louella Kate Steuart passed away in Summerland General Hospital, Sunday, March 26. Mrs. Louella Kate Steuart was born in Brandon, Manitoba in 1873, one of a family of eight. She moved with her husband, Basil Steuart to Vernon, living there for four years before moving to Summerland forty-four years ago. Mr. Steuart passed away in 1948.

Mrs. Steuart was a faithful worker in the United Church, and was for many years a member of the Women's Federation.

Funeral services for the late Mrs. Steuart were held in the Summerland United Church on Tuesday, March 28, at 2:00 p.m. Rev. P. Louie officiating.

Pallbearers were A. J. Dunsdon, George Henry, Ron Hodgson, Gerald Laidlaw, David Munn and Joe McLachlan.

Left to mourn her passing are one daughter, Edith, Mrs. R. L. (Dick) Sharp of Kelowna; and one son, Francis of West Summerland; one sister, Mrs. Enid Henderson of Winnipeg; four grandchildren and one great-grandchild.

Regional conference on education to be held in Vernon

A Regional Conference on Higher Education, the first of its kind in the Okanagan-Mainline, will be held in Vernon on Saturday, May 6th, under the sponsorship of the UBC Alumni Association.

Invitations to participate in the Conference have been extended to senior faculty members at UBC and Victoria College, authorities on vocational and technical education, and business leaders.

Dean G. C. Andrew, deputy to the UBC president, will give the keynote address and the Honourable Leslie Peterson, Minister of Education, has been asked to address the closing banquet.

There will be two panel discussions at the day-long meeting. The first will attempt to

answer the question "What does higher education cost and is it worth it?", and the second will deal, in specific terms, with the "Future of higher education in the Okanagan-Mainline area".

Ample opportunity will be provided during the conference for parents, students and the general public to meet informally with University faculty members and other speakers.

All residents in the area are invited to attend the conference which will take place in the Vernon Junior High School, commencing at 9:30 a.m.

The conference committee is under the general chairmanship of Dr. E. M. Stevenson of Vernon. The local committee is Mrs. N. O. Solly, permanent chairman; Frank Haar, A. J. Longmore, Mrs. C. C. Strachan and J. Y. Towgood.

Hospital to send plans to Victoria

Discussion centered around the plans for a hospital addition at the first monthly meeting under the new board of the Summerland Hospital Society. Included in the plans are an outpatient department, administration offices, waiting room and nurses station. It was decided to authorize the architect, R. Meiklejohn, to go to Victoria to personally discuss

the plans with the provincial head of hospital construction.

Committees appointed were: house committee: John Bettuzzi, W. Eyre, Mrs. T. B. Lott and Mrs. C. R. Adams; personnel: S. A. Macdonald; N. Holmes and Mrs. T. B. Lott; civil defence: Dr. D. McGregor and W. Eyre; public relations: G. C. Johnston, D. Clark and W. Eyre; by-laws: Dr. McGregor and N. Holmes; advisory board: R. Alstead and G. C. Johnston; Hospital Auxiliary: Mrs. R. Fiske; finance: D. Clark, G. C. Johnston and N. Holmes; government representative: D. Clark; matron, Mrs. G. Butler.

Commencing April 1st, Mr. Harvey Wilson will take over the duties of administrator, replacing Mr. J. O'Mahoney, who is retiring after 20 years service. Mr. O'Mahoney will continue until April 30.

Board president R. Alstead welcomed Dr. D. McGregor to the board. Dr. McGregor replaces Dr. M. Welsh.

Fire hydrant for schools

T. S. Manning and John Bennet appeared before council on behalf of the Summerland School Board. They asked that added fire protection be planned for the schools, saying that since the new addition had been added it partially blocks off the existing hydrant.

Council was told that the school board had approached the provincial department of education on the matter of a new larger hydrant and was told that fire protection is not the department's responsibility.

Mr. Bennet went on to say that fire chief Joe McLachlan has said he would like a large hydrant near the buildings. Such a hydrant would cost \$1,500.00, one third of the cost being borne by the Department of Education.

Reeve F. E. Atkinson suggested that within the next two weeks the chairman of the fire committee could meet with the fire chief to discuss this matter further.

Rotarians elect officers

The Summerland Rotary Club has elected officers for the new year commencing July 1: president, Harvey Wilson; vice president, Gordon Beggs; secretary, S. A. MacDonald; treasurer, Ryan Lawley. Directors elected are: Cecil Wade, A. J. Longmore and Gordon Smith. F. E. Atkinson is past president.

A Rotary conference was held in Ellensburg, Wash. on March (continued on back page)

It's daffodil time across the country, and particularly in British Columbia where the flowers have been up on the lower mainland for some time. Beverly Rutledge grew her own in North Burnaby, especially for Easter.

This Week in Your Orchard

by Alec Watt,

Flowering Almond trees in the Memorial Park are on the verge of blossoming. These are among the earliest flowering trees and usually precede apricot bloom by a week or ten days! The first truck loads of young fruit trees are now being delivered from the nurseries. A few words about tree planting may therefore be appropriate.

Planting Fruit Trees

1. When trees are received from the nursery it will pay to open up the bundles and spread the trees out to see if the roots have become dry. If they appear to be dry soak them in a barrel of water overnight before planting.

2. If you cannot plant the trees for a few days dig a wide trench on the north side of a building and "heel" them in. Be careful to spread the trees out in the trench and cover them thoroughly with about a foot of soil. Be sure the soil sifts in around the roots. Soak them with water.

3. When digging tree holes make them wide enough to accommodate all the roots. Place the excavated surface soil in one pile and the sub-soil in another.

4. When transporting trees to be planted keep them in a barrel of water. A clean 45 gallon drum sitting on the trailer is the usual procedure.

5. When actually planting it is a good idea to trim the broken roots with a pair of snips. Place tree in the hole and check its alignment. Make sure the roots are spread out in the hole.

6. The top soil you placed in a separate pile should now be placed around the roots and tamped in lightly. The hole can then be filled with water which is allowed to rain away. (This will help settle the soil around the roots). Then the sub-soil can be placed back in the hole and tamped down firmly.

7. Semi-dwarf and dwarf apple trees should be planted with the bud just above the surface of the ground. All other fruit

trees are planted with the bud an inch or two below soil level.

8. After the soil has been firmly tamped around the roots place a little loose soil on top to act as a mulch.

9. One tree in every bundle will have a label attached to it. Be sure to remove this or it will throttle the branch it is wired to!

And finally don't put any fertilizer in the bottom of the tree hole when you are planting. This can burn the roots.

Next week - care of the tree after planting.

ATTEND FUNERAL

Two married sons of Mr. John H. Pledge, Tom and Reg, and their families were in West Summerland recently to attend the funeral of their mother. Mr. Pledge and the late Mrs. Pledge had been residents of West Summerland for the past 22 years. They spent four years in Penticton before moving here.

YOU'LL FIND IT IN THE WANT ADS

Nitrogen triples grass seed

Fertilizing the native range grass of Southern British Columbia with nitrogen fertilizer has multiplied seed production three times. This treatment could become an important conservation practice for the rancher who wants to restore depleted rangelands.

Tests by J. L. Mason and Dr. J. E. Miltimore at Summerland

showed that only three pounds of seed per acre was produced by native bluebunch wheat grass when fertilized. Applying 150 pounds of ammonium nitrate increased seed production to nine pounds per acre.

The fertilizer had no harmful effect on germination, the amount of seed per spike, or percentage of good seed.

"Matter of fact, there were only two other buildings on Granville Road when the Bank of Montreal brought banking to West Summerland. It hardly seems possible that it was fifty years ago.
 "It was 1911 ... the year the Kettle Valley road was built. Business was just beginning to move away from the lakefront up to the benchland at the time.
 "Well, the B of M first opened for business on Granville Road, between Pender and Hastings — you know where I mean ... where Beer's Shoe Store used to be ... and where the 'Cake Box' is now.
 "Well, West Summerland people did their banking at that location until about half way through the First World War ... 1916 or '17. That was when the B of M established its first full-time office, just one block east. And that's where we've been banking ever since.
 "West Summerland has seen lots of changes since

the B of M became one of our earliest businesses. From a pioneer settlement, we've become a prosperous community with modern homes, surfaced roads, good stores ... to say nothing of a Library and Health Centre and, of course, our famous Curling Rink.
 "Guess as a community we've accomplished quite a lot in these past fifty years. It's good to know that for the years ahead we can still rely on the services of an old trusted friend like the Bank of Montreal."
 Here, and throughout the length and breadth of the nation, the Bank of Montreal has grown with the community, sharing in its growing pains as well as in its achievements.
 And, in hamlets and villages, towns and cities, the B of M is still pioneering with the men and women who are building the Canada of tomorrow.

We hope it works

Sometimes at Chamber of Commerce it appears hard to think of new ideas of promoting the district. There seems to be a trend to follow the old "fried and true" methods, quite often because of lack of funds and support.

Therefore we were quite pleasantly surprised to see the ambitious project undertaken by the Osoyoos Chamber of Commerce. According to the "Osoyoos Times" the objective of the Chamber is to bring in over 200 out-of-province curlers into Osoyoos next fall. The target for the plan is the three prairie provinces. And the object is a three-day mixed curling bonspiel for curlers from Alberta, Saskatchewan and Manitoba on November 16, 17 and 18. Briefly the plan is as follows: the objective would be 50 out-of-province rinks, with the Chamber arranging for the entertainment of the visitors, good prizes and suitable advertising to take home with them. Business firms of Osoyoos would pay the entry fee of \$25 to sponsor the entry of one outside rink.

Letters have been sent to all business places in Osoyoos asking their support, and according to the "Times" a good many local businesses have already promised to pay the entry fee of \$25.

We hope this bonspiel, which should be beneficial not only to Osoyoos, but the whole Okanagan, is successful.

★

Junior poetry

(The following poems were judged the six best in a recent competition of grade six students here. Class teacher is Mr. E. F. Weeks.)

POETRY

A verse or two of poetry,
Of rhythm, rhyme, and song,
What subject shall I write about
To save from doing wrong.
I racked my brains,
I scratched my head,
But nothing came to me,
I guess that I'll never write,
This piece of poetry.
I thought of this,
I thought of that,
And tossed them in the basket,
Now finally I've given up,
'Cause I just blew a gasket.

— Robin Agur.

SCHOOL TIME

How long until the bell goes,
How hard this wooden seat.
A boy takes aim and then he throws;
How hard his hands are beat.
How quick time flies when we are out,
How soon our pleasure ends.
Reluctantly we turn about
And leave our school-time friends.

— Bruce MacGregor.

MY TEDDY BEAR

Each night my Terry sleeps with me,
And every night you will always see
Teddy and I kneeling to pray
To thank the Lord for this lovely day.
Though Teddy can't eat a meal,
It's fun to pretend he's real.
He's fuzzy all over from head to toes
And he has button eyes and a big shiny nose.

— Carol

WHICH CAME FIRST?

An egg, a larva, and pupae one day,
Met with a pretty moth.
They all put on a great display,
And filled each one with wrath.
"Now I came first!" they each exclaim
(Their arguments absurd).
The disagreements overcame,
When swallowed by a bird.

— Peggy Lee Wellwood.

THE APPLES

Apples are grown
Near our home
In the Okanagan Valley.
We like to see
Apples on the tree
In the Okanagan Valley.
In the spring they spray
All the bugs away
In the Okanagan Valley.
We are lucky I say
To eat apples all day
In the Okanagan Valley.

— Sandra Hubbard

BEN GUNN

Ben Gunn, he was a pirate then,
But that's not any more,
He disobeyed a rule did Ben,
And they put him on the shore.
He stayed there for a year or two,
A living off the land,
All he had eaten and this is true,
Had all been caught by hand.

— Marlene Charles

The Easter Gospel

by Rev. Norman Tannar

"He is risen; He is not here." The Resurrection of the Lord was the core and climax of every sermon the apostles ever preached. An examination of the recorded sermons in the Acts of the Apostles makes this clear beyond a shadow of doubt. For "Jesus and the resurrection" was the very heart of the early Church's proclamation.

The plain fact is that if Jesus Christ had not risen from the dead, the apostles would have had nothing worth preaching that would be different in any way from other moral and ethical teachers. But they had the Good News to share with mankind, "He is risen." They had no gospel that stopped short at Bethlehem and Calvary. There was no meaning to the gospel

apart from the resurrection. What imparted saving value to all that Jesus Christ had done was the empty grave. This was the faith, the dynamic living faith, of the apostles, "That Christ died for our sins according to the scriptures; and that He was buried; and that He rose again on the third day according to the scriptures." I Cor. 15:3-4.

The message of Easter is the Christian message, and the Christian Church is the Church of the Resurrection; and the Church still proclaims this Easter Gospel of the risen and victorious Lord, which is indeed the most amazing good news the world has ever heard. It flashes its bright light over every area of human life and scatters the dark shadows of fear and failure, of despair and defeat. For the Resurrection is the

victory of life over death, good over evil, God over the devil. The Resurrection means that sin has been dealt with once and for all and that the sacrifice of the Cross is invested that man's salvation is secured with eternal efficacy. It means that He who overcame the sharpness of death has opened the kingdom of heaven to all believers.

"The Lord is risen indeed."

Letter to the Editor

The Editor,
The Summerland Review,
Dear sir:

May I express my thanks and appreciation for your timely editorial of March 23.

The complacency and apathy that you write of, has for long been a major obstacle to Civil Defence planning at all levels.

For my own part, I like to think that this natural reluctance of the individual to ignore unpleasant facts, stems largely from lack of knowledge of that which may be required of him or her, during a period of emergency.

Whatever our views and they are many and diverse, certain it is that in the event of hostilities breaking out this country by virtue of its geographical position and its war potential, would assuredly be embroiled. Fall out is no respecter of frontiers, boundaries or peoples.

In spite of the fact that all levels of government have a responsibility for the general welfare of its peoples, not only during times of peace, but also during periods of disaster, without the co-operation of the individual in the communities, whether they reside in the target area or like our own area, as a reception area, the measure of help and relief afforded rests largely with the citizen.

The whole concept of Civil Defence can be summarized thus: With the exception that the individual must be trained to look after himself, the foundation of Civil Defence is mutual aid. If individuals, families, communities, cities, areas, provinces and indeed countries be organized, trained and ready to give succour to fellow citizens in distress, only then can Civil Defence be complete and effective.

Having recently returned from a refresher course at Provincial Headquarters, may I say how greatly impressed I was with the sense of urgency that prevails amongst those at top level administration.

Lastly, may I say that I am entirely at the service of any member or group of the community that desires information on Civil Defence matters.

Yours very truly,
Ivan E. Phillips,
Civil Defence Officer,
Summerland and District

APRIL 26 AND 27

WA to host Diocesan annual here

The Afternoon and Evening branches of St. Stephen's WA will host the Kootenay Diocesan annual meeting April 26 and 27.

The theme this year is "Unity" and already the planning shows that the theme is truly being carried out. Mrs. W. C. Baker and her helpers are busy organizing billets for the delegates as well as arranging meals and many other details.

The United Church ladies will be serving one of the mid-day meals, and the Peachland WA will serve tea on the second day. Reeve F. E. Atkinson will open the meeting at which Mrs. G. S. Moore, Diocesan WA president will preside. Right Reverend W. R. Coleman, Bishop of Kootenay will celebrate Communion on the first morning and will address the delegates later in the day.

About seventy-five delegates are expected from all parts of the Diocese and about twenty-five visitors and clergy.

April 7 Is World Health Day

—photo by National Safety Council

"Accidents Need Not Happen" theme for 1961

Though she doesn't know it, this little lady is playing with danger. For the scissors she holds can be, in hands as young as hers, as deadly as a loaded pistol.

And accidents such as the one this child is courting are all the more tragic because they need never have happened. In the majority of cases, simple safety measures on the part of adults could prevent the thousands of accidents that yearly bring tragedy to homes around the world.

It is in recognition of accidents as a growing health problem throughout the world that the World Health Organization has chosen "Accidents Need Not Happen" as the theme for the celebration April 7 of the 13th anniversary of its founding.

WHO and its 105 Full and four Associate Member States are working to reduce the hazards to health that accidents of all description represent — in the home, on the farm, in industry, aboard ships at sea, planes in the air, trains on land, and in the streets of the world's cities and towns.

Of all accidents, those affecting children are perhaps the most costly and tragic.

For the loss or maiming of a child not only brings sorrow to his family — it also robs the nation of a part of its future.

Yet this year such adult oversights as a tube of aspirin left within a child's reach, an unguarded kettle of boiling water, or a forgotten pair of scissors or sharp-edged tool will make more cripples and kill more children around the world than polio and tuberculosis combined.

WHO and its Member States are doing their best to eliminate such needless tragedy. Their global campaign against accidents needs more than purely official support, however. It needs the help of all parents, indeed of all men and women everywhere who would reduce this dreadful toll on human life and well being. It needs your help.

Comings and Goings

Mr. and Mrs. Jim Onley journeyed to the coast to bring their two granddaughters home for the Easter holidays.

Mrs. Campbell went to Vancouver to visit her husband who is a patient at Shaughnessy Hospital.

Mr. and Mrs. J. Young and family of Vancouver are visiting with his parents, Mr. and Mrs. Jack Young.

Mrs. Frank Turner of Kamloops visited over the week end with Mr. and Mrs. Charles Bleasdale.

—Mr. and Mrs. George Bradford of Kerremuir, Alberta, left Tuesday after a visit with Mr and Mrs. Paul Bonthoux.

Mr. and Mrs. O. Morphy visited with relatives in Kelowna over the week end.

Mr. and Mrs. E. R. Butler have returned from a winter holiday in California.

Mrs. E. R. White of Kamloops visited with Mrs. C. McCutcheon this week end.

Mrs. Donald Orr has returned from a three weeks visit to Vancouver.

Mr. and Mrs. A. R. Rothwell of Calgary are visiting Mr. and Mrs. Walter Rothwell this week.

Mrs. L. Dohm of Kamloops is visiting at the home of her brother, Mr. and Mrs. Frank Jacobs.

Mrs. Elizabeth Kilwerth of Salziburg, Austria, has been visiting her daughter, Mrs. L. Koessl, here recently and has now left for Tacoma, Washington, to visit another daughter, Mrs. J. Bailey. She will leave early in May by jet for home.

Dr. and Mrs. Wilf Evans and Mrs. C. P. Evans are at the coast where Dr. Evans is attending the convention of the Dominion Association of the College of General Practitioners.

Mrs. E. O. Mortimer left on Wednesday for a week's visit to Hinton, Alberta.

Mr. and Mrs. Art Crawford have returned from a motor trip to San Francisco.

Mr. and Mrs. Lionel Fudge have returned from a motor trip to Coulee Dam and Sacramento.

Mr. and Mrs. Harks have taken up residence in Parkdale, having just arrived from Vancouver.

Mrs. Earle White is home again after a visit with her mother in Little Rock, Arkansas

Mr. and Mrs. Norman Gilliland and Kenneth, were week-end visitors at his sister's home Mr. and Mrs. Earle White.

Mrs. Aubrey Beggs and her mother are spending a few days in Spokane.

Mrs. N. Walden left this week for Kamloops to visit her daughter and son-in-law, Mr. and Mrs. Nesbitt. They travelled together to Vancouver to visit with Mr. and Mrs. Frank Walden.

Mr. and Mrs. Hugh McCutcheon and family of Trail are visiting his mother, Mrs. Clarence McCutcheon over the Easter holidays.

Obituary

STEUART — Louella Kate, passed away in Summerland General Hospital, Sunday, March 26 at the age of 87 years. Born in Brandon, Man., a resident of West Summerland for the past 44 years. Survived by one daughter Edith, Mrs. R. L. (Dick) Sharp, Kelowna and one son, Francis, West Summerland; one sister, Mrs. R. J. Henderson, Winnipeg; four grandchildren and one great grandchild. Funeral services were held in the Summerland United Church on Tuesday, March 28 at 2 p.m., Rev. P. K. Louie officiating. Interment in the family plot, Peach Orchard Cemetery. Summerland Funeral Home in charge of arrangements, J. V. Carberry and Associates, directors.

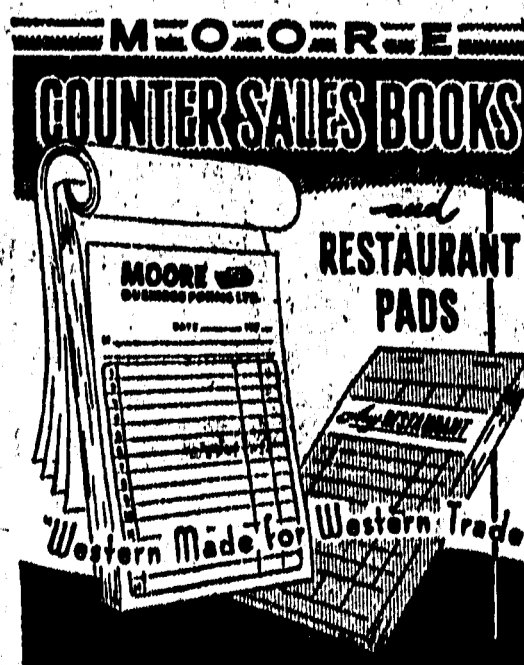

1st Summerland Troop

A coming event of interest to all scouts of 1st class standing is the 3rd Canadian Jamboree to be held this summer from July 6-15 at Ottawa. Two scouts from this troop are going and there may be others. Deadline for application is May 1st. The cost inclusive of rail transportation there and back and all meals and accommodation is \$165. Including transportation time the trip should take about 15 days. About 330 boys are expected from B.C. Any parent requiring further information should phone Scoutmaster D. V. Fisher.

On April 15 the boys of the three Summerland groups will participate in Apple Day, the annual fund raising event.

Since 1st Summerland plans to attend the International Camporee near Omak, Washington, May 19-21, the Camporette has been sent by the patrol leaders for April 21 and 22 at Headwaters. Purpose of the camporette is to brush up on camping procedures, and cut the necessary construction material to take to the Camporee.

There will be no regular meeting on Monday, April 3, except for test passing, but meetings will resume April 10. D. V. Fisher, Scoutmaster.

Local girl married in Penticton ceremony

— Photo by Killick

A wedding of interest locally took place March 11 at 12 noon in St. Anne's Church in Penticton with Father Quiplin officiating. Carolyn Joan Reid, daughter of Mr. and Mrs. Norman C. Reid of West Summerland, became the bride of Edward Menu of Summerland, son of Mr. John Menu of Kelowna.

The bride, given in marriage by her father, looked lovely in a traditional white satin gown. Her shoulder length veil was held in place by a pearl tiara, and a bouquet of white gardenias and narcissis completed her wedding ensemble.

The bridal attendants, Grace Lethbe, matron of honor and Lynn Boothe and Ilana Steuart were gowned in blue nylon and carried yellow and white narcissis.

The groomsmen were John Menu and Ron and Clifford Dunsdon acted as ushers.

In the evening about eighty guests were received at a reception in the IOOF Hall in West Summerland.

The bride's mother, Mrs. Norman Reid, wore a blue brocade sheath with a nylon overskirt and a small matching jacket. Master of ceremonies was Mr. Steve Dunsdon.

Out of town guests included: Mrs. L. Edwards of Vancouver, the bride's grandmother; Mr. and Mrs. Nelson Reid of Cloverdale; Mr. and Mrs. W. Berry, Langley; Mr. and Mrs. C. Reid, Surrey; Mr. and Mrs. H. Edwards, Oliver; Mr. and Mrs. J. Buckley, Naramata. Mr. and Mrs. Harry White, Vancouver; Mr. and Mrs. C. Menu, Mr. and Mrs. F. Menu, Peachland, and Mr. and Mrs. W. Moore, the bride's grandparents.

The young couple are residing in Kelowna at present.

Kiwanis

Club Notes

Kiwanis was treated to a very sensible talk on Tuesday night by Tim Eaton, an insurance adjuster, who dealt with the liability of car drivers on public highways, and the various type of accidents an adjuster is called upon to handle. He was well versed in his subject and pointed out the three main types of accidents that happen: rear end collisions, change of direction accidents and right angle collisions. It is most important he pointed out, that witnesses should be secured whenever possible and never argue the case with the other driver involved, and do not make statements of liability or non-liability no matter what the circumstances. Leave this for the insurance adjuster to unravel or for the courts to decide. His description of an adjuster's work was aptly put and was sound in detail. His talk was enjoyed by the members.

Guests with the club were: Frank Haar, John Keyes, Bernard Hubbard, J. Johnson and T. B. Young.

Scottie Ritchie led the club singing and of course insisted on singing Loch Lommond.

A birthday was celebrated, and paid for by Hilly Smith.

Blake Brandon advised that the cancer drive for funds will come on later in April and more information will be forthcoming at a later date.

A most excellent supper was provided by "Joe" of roast turkey. It was good, Joe.

The Scribe.

Shopping around

It's spring and a young man's fancy turns to love, but we still have to feed the "brutes" and for the gourmet's taste, there is something new and different at the West Summerland Lockers. They are now producing authentic old country sausage. Just recently they acquired the services of an experienced sausage maker, Hugo Harks, of West Berlin, Germany. Mr. Carl Deitrich, owner, suggests that anyone wishing a special sausage can call in and talk over his desires. These sausages are delicious and will no doubt fill many picnic baskets this summer.

Seems to me most Summerland folks do their holidaying in the winter, but for the girls who are planning a "summer jaunt" it's not too early to start thinking of the endless variety of drip-dry clothing. One of the smartest little labor savers I've seen of late is a nylon Marquise make-up cape. Fits right over miladies hair and a quick flip of a zipper covers your makeup while you pull on your dress. Just \$1.25 at Macil's.

BIRTHS

Born at Summerland General Hospital:

Violet Society plans for May show

Eight members and one guest were present at the regular meeting of the Summerland African Violet Society held Monday evening at the home of Mrs. F. W. Pohlman in Peach Orchard.

Plans were discussed for the forthcoming show and sale to be held on May 20. Mrs. Pohlman served a lovely lunch after which a pleasant chat was enjoyed by all. Next meeting will be held on Monday evening, April 17 at the home of Mrs. Jack Wilson, Peach Orchard.

On Wednesday evening members of the Summerland African Violet Society gathered at the home of Mrs. J. Brown, Hospital Hill, to view slides received from Fisher's Green House. Many new and beautiful varieties were shown. Coffee and a short visit ended this enjoyable evening.

Pea Pickers 29, Pin Pals 27, Beach Combers 19, Left Overs 18, Peach Pals 17, Hot Shots 11.

High single: Vera Cox 221; high three: Eileen Fell 618; high team: Pea Pickers 2505.

Real activity has been taking place on the indoor range during the past week. On March 16 fourteen local members visited the Pentiction range for an inter-club shoot which proved to be an enjoyable evening. The Pentiction club was victorious in the team shoot with a score of 2614 to 2537. Harold Richardson took top individual score with 298 out of a possible 300.

On Wednesday evening of last week ten Pentiction members paid us a return visit. This time it turned out different, as our ten man team scored 2911 points to 2902 for Pentiction. That's real close competition. Again, Harold Richardson took top honors by shooting a perfect 300 aggregate. Congratulations, Harold. At both meets matches were shot from prone, kneeling and standing positions.

After completing the regular matches at the local range, the "rabbits" were set up, with teams from both clubs taking part in the competitions. These moving targets got many favorable comments from the Pentiction shooters.

The regular weekly practice was held on Thursday evening, attended by 13 members. Roy Bertram scored a very fine aggregate of 295, with Bob Barkwill and Teunis Kwak tied for second place with scores of 288.

It was decided to contact the Kelowna Club and try to arrange a meeting with them before the range closes for the season.

Remember, regular practice on Thursday at seven o'clock. See you at the range.

SPORTS

Mike Nolan to show films

The Summerland Rod and Gun Club is sponsoring a showing of original wildlife pictures by Mike Nolan. These wonderful outdoor pictures depict grizzly and other big game hunting in the Yukon.

Mr. Nolan is well known for his skill as a hunter and photographer.

The showing will be held in the High School Auditorium on April 7 at 8 p.m. and should prove of interest to young and old.

Sandy Fenwick and George Stoll of the Rod and Gun Club took a trip up past Headwaters over the week end and report over 30 inches of solid snow. The road has been plowed but fresh snow has fallen since then.

NO SENIOR TEAM

Summerland Macs have been granted a year's leave of absence from the OMBL because of a lack of players.

Bank of Montreal celebrates 50th Anniversary here

West Summerland branch of Bank of Montreal will complete its first half century on Saturday, George C. Johnston, manager of the local B of M has announced: It was the community's first permanent bank: Mr. Johnston said the office was established on April 1, 1911, and operated at the offset as a sub-agency to the bank's Summerland branch.

Located in the premises now occupied by the Cake Box on Granville road, the B of M office was one of only three buildings on the main street at this time. The others were the Summerland Supply Company and J. Ritchie's combined post office and repair shop. The local population was only about 1800

By November, 1917, increasing demand for banking service in West Summerland had made it necessary for the B of M to expand the services it provided and the office became a full branch, no longer under direction of the Summerland B of M. The change also meant that the branch was able to provide a complete range of services not previously available.

In addition to the change of services, the B of M moved to new, larger premises on Granville road at Kelley street. Edward B. May, the bank's first manager, designed these new premises, an unusual feat for a bank manager. Erected by the late Fred T. Harvey, the building still serves the B of M.

It has been modernized from time to time, however, and up-to-date banking machinery has been installed over the years.

G. C. Johnston

Edward May, the first manager, remained in charge of the office from 1911 to 1919, and was subsequently followed by E. J. White, 1919-22; C. B. Winter, 1922-25; J. N. Cran, 1925-30; A. G. Duncan, 1930-39; Walter Wright, 1939-45; H. E. W. Woodford, 1945-47; James Muirhead, 1947-50; and Ivor H. Solly, 1950-1957.

Mr. Wright has been living in Summerland since his retirement in 1952.

Mr. Johnston, the present manager, is a native of Vernon. He came here in November 1957 from Sidney where he was manager for five years. Interested in community activities, he is president of the Summerland Chamber of Commerce, vice-president of the Hospital Society and a member of the Rotary Club and the Canadian Legion.

Although it completes its 50th year on Saturday, the Summerland B of M is only a "youngster" compared with the

parent institution which was founded in 1817 by nine Montreal merchants and which has had an important role in the development of Canada since.

The B of M issued Canada's first native currency. It also founded the branch-banking system - considered to be one of the finest in the world - when it opened a second office at Quebec City, two weeks after its opening in Montreal. Branches soon followed at York (now Toronto) and at other outposts and trading centres across the country.

Today, with more than 850 branches throughout the ten provinces, the B of M also has offices in the United States, England and France, and at Canadian Army and RCAF bases in France and Germany.

In conjunction with the Bank of London and South America, the B of M in 1958 founded the Bank of London and Montreal Limited, now operating in Latin America and the Caribbean.

ROTARY

(continued from front page)
18 and 19 which was attended by F. E. Atkinson, Harvey Wilson, Les Rumball, Keith G. Marten, Francis Steuart and Mel Ducommun and their wives. In reporting on this conference the delegates stressed the warm welcome they received when it was known they came from Summerland. It appears that the exchange of students between the high schools of Ellensburg and Summerland last year has put Summerland on the map as far as Ellensburg Rotarians are concerned. Our local students made a very good impression while they were guests in the Washington city and the Ellensburg students have taken home glowing reports of the welcome and entertainment they had received during the week they spent here.

Two bedroom home
This modern house is almost new, features a built-in garage, natural gas heat, 220 wiring. The large lot is fully landscaped. A splendid location close-in. Price \$9,700; needs a reasonable cash down payment.

A Family Home
Two bedrooms upstairs with an additional two bedrooms in the basement. A pleasant feature of this fine home is a fire place and also a built-in breakfast nook in the kitchen. Natural gas heat, four piece plumbing, 220 wiring, plaster finish on walls. This home has 1190 square feet of space, beautifully landscaped with flowers and trees and a nice garden plot. Price \$13,200 with a good cash payment, mortgage, 5 per cent interest.
