

Under the Giant's Head

"It looks like another warm day" is the favorite comment heard these mornings, but we don't hear anyone complaining. The research station reports no precipitation during the past week and 72.7 hours of sunshine.

	High	Low
July 25	91	64
July 26	96	64

July 30	90	60
July 31	91	64

If you are looking for a quiet place to spend the week end or longer, we recommend the new provincial government campsite ten miles west of Vernon on Okanagan Lake. We tried it out last week end and it is well shaded with a good beach. Only thing that marred the scene was a teenager with a transistor radio, playing full blast.

A break in the ten inch water main on the back Prairie Valley Road at about 6:00 a.m. Sunday caused low pressure in water systems all over the municipality, however the municipal crew was able to have the main back in operation by four o'clock in the afternoon.

Students from all parts of B.C. are named in the latest list of scholarship winners issued by the University of British Columbia.

More than 300 students are named in the latest list as winners of awards totalling about \$71,000.

Ona Rosalee Willis of West Summerland received the Cunningham Scholarship in Pharmacy of \$250, for proficiency in second year.

Marjorie Joan Brake, daughter of Mr. and Mrs. Frank Brake has been awarded a Royal Institute scholarship for high marks in Grade 13. Her average was 85.7 per cent. She took her grade 13 in Penticton and besides winning the \$200 scholarship was also awarded the \$250 Penticton Bar Association bursary and the \$250 IODE scholarship for having earned Penticton's highest average for Grade 13.

Police court

The following persons appeared in Summerland Police Court before Magistrate Reid Johnston.

On July 24, Ivor Trew of Vancouver, charged with speeding, was fined \$25 and costs.

On July 27, Alton Howard Knuff of West Summerland appeared charged with failing to exhibit a licence on his trailer and was fined \$10 and costs.

On July 31, Wm. Ewart Snowden of Aldergrove was fined \$20 and costs for failing to stop at a stop sign. Emil Pete Stajduhar received a fine of \$25 and costs for passing on a double white line.

Warm weather and sunshine makes bright fruit crop picture

Feature attraction of the Empire Stadium Grandstand, August 20 to September 3 is the famed RCMP Musical Ride. Here the 32 riders execute the lance dipping movement called "The Dome". The Grandstand Show includes a Junior Tattoo, a cannon act, pole climbing by world champion Danny Sailor, two top Hollywood emcee comedians and a spectacular fireworks finale in picture set pieces and exploding aeriels.

School Board undecided about library charges

School districts that wish to continue Okanagan Regional Library service may do so by paying an extra \$1 per capita, it was decided at the summer meeting of the library board held in Penticton recently.

Decision follows the announcement by the Public Library Commission that it would withdraw grants for school library service, starting in September, with six roomed schools and over.

Where schools wish to drop

Fair float in festival parade to-day

Summerland Fall Fruit Fair queen elect Leslie Caldwell, and her two princesses, Darlene Shannon and Vicki McKee started their round of duties this week with an appearance at the Trail Dance in the Youth Centre Tuesday.

Last night they attended the crowning of Penticton Peach Festival Queen in King's Park and the Queen's Ball afterwards.

Today, they will ride the Summerland Float in the Peach Festival parade at noon. The float, a large boat donated by the Yacht Club, and suitably decorated, bears the date of Summerland's Fall Fruit Fair, September 7 and 8.

Next week the girls go to Kelowna to participate in the Regatta parade and the crowning of the Lady of the Lake.

the service, books now on the shelves will be left as a nucleus on which school boards may build up their own libraries.

Summerland School Board has indicated that it is in favor

Open pass on Monday

Leaders of tourist, Chamber of Commerce and similar groups in the Okanagan meeting on Monday for the opening of the Roger's Pass route were not long in seeing the significance of the new short link to prairie points.

It was pointed out recently that it is only ten miles farther to Vancouver by way of the Okanagan than by way of the Trans-Canada and the Fraser Canyon. A group from Penticton formed the only civic official caravan that was present at the opening, bearing banners and placards. This group distributed apricots, leaflets and tourist publicity to American and prairie cars attending the function.

Both the government officials and tourists alike paid high tribute to the scenic beauty of the route and the splendid condition of this new highway, which has ample capacity to handle even the huge line of cars that traversed it Monday. It was remarked that the route provides an hundred-miles-less link to prairie points, and brings the southern Okanagan to within less than eight hours of Calgary and similar points.

in principle of the \$1 levy to carry on the school's regional library facilities, but whether they make the contribution this year or not is as yet undecided. As the entire elementary library budget for buying new books is a little less than \$1000 the Board feels that the \$1 per capita will take a large bite out of the annual allotment.

Members of the Summerland School Board, including chairman K. Boothe, W. S. Ritchie, Dr. W. G. Evans, John Benest and secretary B. A. Tingley recently attended a training seminar at Vernon. Purpose of the seminar was to instruct school trustees in education and public service.

Trail dance attracts many

This year's Trail Dance was the best the Summerland Pairs and Squares have ever sponsored, was the enthusiastic comment of a member following Tuesday night's gala event in the Youth Centre.

Dancers from many points in the United States, including Florida, Arizona, California and Washington, as well as all the four western provinces were in attendance.

Crowd pleasing caller Arne Hagen of Renton, Washington, kept the dancers on their toes.

The visitors were greeted by Queen-elect Leslie Caldwell, who, along with her two princesses Darlene Shannon and Vicki McKee, were guests at the dance.

District Horticulturist A. W. Watt reports the picking of sweet cherries is now completed. Sour cherry picking followed the sweet cherries and is just about finished too. The sour cherry crop is increasing each year due to the relatively large number of young trees in the plantings.

Harvesting of Moorpark apricots is now nearing the peak of volume. Quality is good and size medium. A few cannery apricots, Blenheim and Tilton are being picked but the bulk are not expected until next week. High temperatures during the past few days are speeding up the maturing of this crop.

A few early peaches are ripening but the first Redhaves are not expected for about a week.

Despite the rather cool early summer, apples have sized up well.

Although Bartlett pears are expected to be a smaller crop than last year, Anjous should exceed last year. Apple tonnage is expected to be up over last year with the exception of the Newtown variety.

Spraying for second brood

New minister for Baptist church

It was announced this week that the Rev. Frank Haskins of Calgary will be the new minister of Summerland Baptist Church. He will replace Rev. Lyle Kennedy who is going to Nelson after eight years here.

Rev. Haskins is a former minister of the Baptist Church in Summerland and is well known in the community.

Rev. and Mrs. Haskins will arrive in October, when he will take over his new duties.

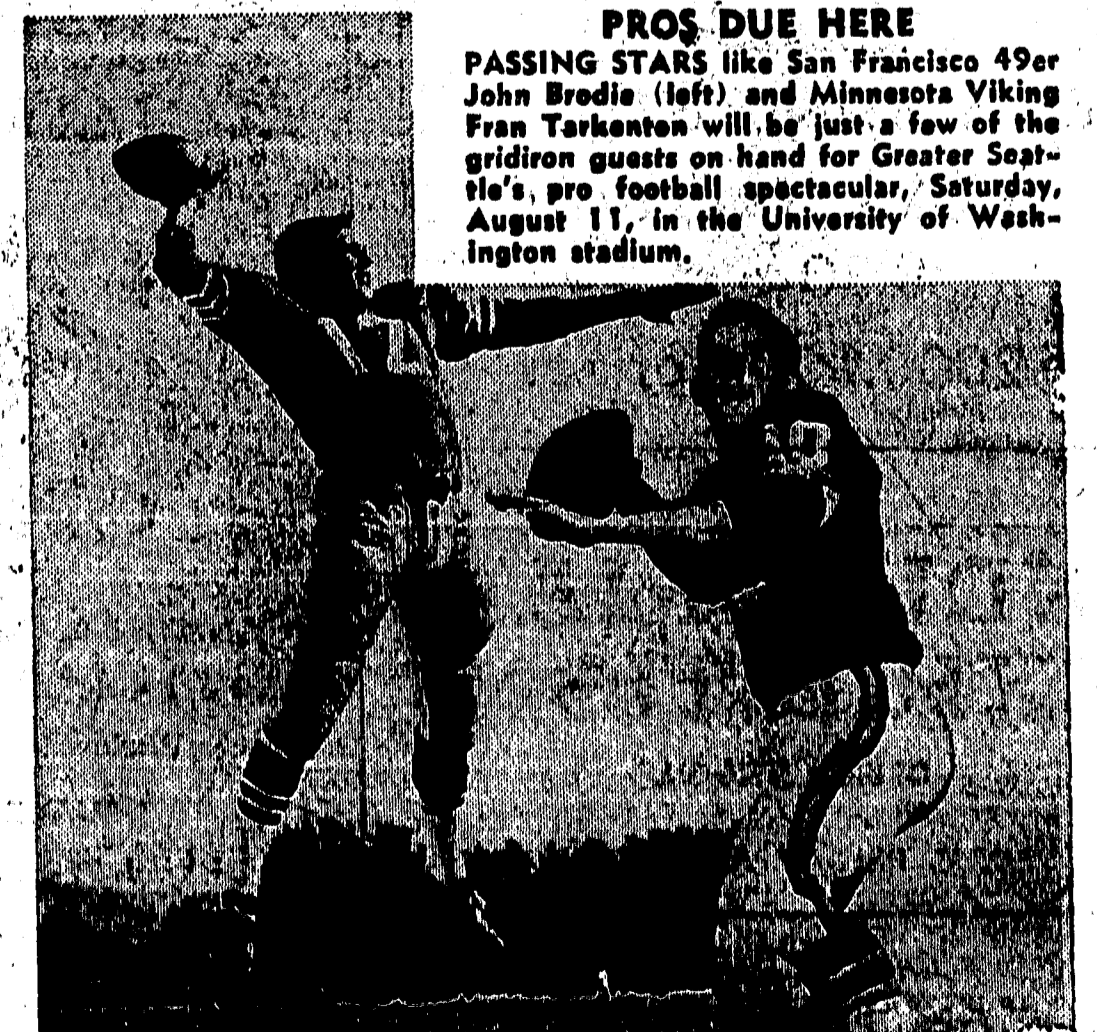

Codling Moth and Mites is now in progress.

Hot weather for the past ten days has favored the increase of insect pests, especially mites. Rust Mites and European Red Mites are much increased over last year. McDaniel Mites are about the same as last year. The mite situation is not consistent from orchard to orchard. It may be serious in one and light in the next. Whereas one orchard will have only one species of mites in quantity, another one will have three species of mites. One particularly bad actor is the Rust Mite which is so small that it requires a magnifying glass of at least 10 power before it can be seen at all. Although relatively easy to control it is often missed because of its small size.

Mites are present to a greater extent on pears this year than last year. They are also showing up in some peach orchards. As usual the most general infestations are found on apples.

Where mites are present in quantity prompt action is necessary to control them before they seriously affect the fruit size and color. It is important to remember that some mites in use today take seven to ten days to be effective.

There has been an increased amount of Fire Blight this year in some orchards. Hot dry weather will usually help to bring this disease under control but once the crop is picked and the weather cools down it will sometimes start up again and run until late fall. From the look of the Blight picture right now, it will mean renewed efforts this coming winter to ensure that all overwintering cankers are removed and burned before next season.

PROS DUE HERE

PASSING STARS like San Francisco 49er John Brodie (left) and Minnesota Viking Fran Tarkenton will be just a few of the gridiron guests on hand for Greater Seattle's pro football spectacular, Saturday, August 11, in the University of Washington stadium.

Peach Festival now underway

The 15th annual Penticton Peach Festival opened last night in all its colorful trappings. Lt. Governor Pearkes and Mrs. Pearkes attended the coronation Wednesday night, followed by the queen's ball.

At noon today will be the big parade, with the Elks' kiddies parade Friday, and a vintage parade featuring Spokane on Saturday.

Four hundred old timers, including residents of Summerland, are expected to gather during the festival for a reunion, a new event sponsored by the South Okanagan Historical Society.

Again the agricultural and industrial exhibition is expanding, and one of the biggest midways ever in Penticton is promised this year.

And of course the rodeo will be underway every evening at 8:30 p.m., providing thrills and spills for everyone.

The square dance jamboree is expected to smash all records for attendance. Dancers will be showing their skills every evening at 8 p.m. in King's Park, with square dancing every afternoon in the streets.

From now to Saturday promises to be an exciting time at the Penticton Peach Festival.

Scouts enjoy camp life

The 1st Summerland Scout Group's annual camp was held from July 18 - 24 at Cathedral Lakes south of Keremeos. Twenty boys attended accompanied by leaders S. M. D. V. Fisher, District Commissioner G. B. Laidlaw, Dr. D. R. Heimoke and Mrs. W. S. Peters. Visiting Scouts who attended were Robert Zilman of 1st Elna Troop Ontario and Ronald Dean of 1st Penticton Troop.

The tents and food went in on a string of pack horses and the party packed is personal effects on foot. The hike-in on the upper trail took 7½ hours for 13 miles and the hike-out on the lower trail (11 miles) took five hours. The day for hiking in was ideal with temperatures around 50 degrees, which was good for feet. Nights were cool in the 40's, but daytime temperatures toward the end of camp rose to the high 70's. The troop camped on Quiniscot Lake at an altitude of 6,800 feet.

Activities were based on taking full advantage of the unique and scenic country, with hikes to adjacent lakes, Pyramid and Lake of the Woods, 6800 feet and Glacier and Ladyslipper, 7200 feet, and to the tops of Bomford, Pyramid and the first of the Cathedral peaks. An item of major interest to most boys was the exceptional shore fishing on Pyramid and Lake

(Continued on back page)

Red Knight will perform at Festival

One of the feature attractions at this year's Peach Festival will be the RCAF's "Red Knight" who will perform aerial acrobatics in a scarlet T-33 jet trainer Friday, August 3. The display will be from 2:00 p.m. to 2:30 p.m.

The pilot, Flt. Lt. D. J. Baker and his ground crew maintenance man, LAC Grant Harrison will arrive in Penticton Thursday at 1:00 p.m. and will leave Saturday at 8:00 p.m.

A Silk Purse and Sow's Ear

Two new routes

While many in the Okanagan have noted the significance of the opening of the Roger's Pass to this area, not many of this community's own residents will link this with a move made by our own municipal council just a week ago.

The importance of the Roger's Pass link to this and other communities in the valley cannot be too heavily underscored. But what may be overlooked is the local council's action in planning Gulch Road as a main access route to West Summerland. Insofar as West Summerland is concerned the one is of equal importance as the other.

Some may challenge this: they may point out that the intention is to provide the new route as a link for traffic northbound, and that the Roger's Pass would funnel traffic from the north, and therefore the new link would not affect this line of travel.

Soon, however, we will have two principal routes into West Summerland, one for north and one for southbound traffic. But we must make sure that they are well marked as to where they lead. The southbound movement is desirous of "seeing the scenery" in the Okanagan, and if they see they can get what they want in Summerland, they'll stop for it. Otherwise, they'll move on.

What council's action will do will be to offset the present difficulty of getting into this community when coming from the south. By straightening and improving this route, the town will have a link that leads directly into the heart of the business district. Again, signs that are significant, appealing and designed to catch the eye, are a must. With this done, Summerland will have the door wide open at each main entrance. If the welcome sign is also sufficiently apparent, then tourists will note this.

It then only remains to make sure that we provide, in our community, the things the tourist looks for in the way of accommodation. To fully understand and appreciate this it must first be realized that said tourist is a guest — and a very welcome one when the value and importance of the "found money", the tourist dollar is established. When we welcome a guest to our homes we naturally endeavour to provide the things that guest enjoys. When said guest has the significance to our own homes that the tourist has for other Okanagan communities, they we will try to provide that which is desired and desirable to the visitor.

The guest in your home looks for and expects you will provide a room, a place, of rest for the visitor. You cannot expect people to "come to stay" until you can assure them of this.

In like token neither can a community. Just ask yourself if Summerland has adequate accommodation, and if not, has it the means to obtain it. To get the tourist trade, this community must have that "place to stay". To get the full benefit from the Roger's Pass and the new Gulch Road we must make certain we have accommodation that will vie with other Okanagan communities.

To sum up: This community badly needs tourist dollars. The Roger's Pass and newly routed northbound traffic will provide them — provided we in this community will arrange for those things our valued guests are seeking.

★

Unfair ganging-up

There has been a great deal written lately about the financial standing of the province of British Columbia. There are no comments from the finance minister, Premier W A C Bennett, but if we are to believe the daily press we are in dire financial circumstances. The papers say our credit is the lowest of any province.

The following statement in one of the daily papers probably inadvertently explains the plight we are in: "On August 1, 1961, Mr. Bennett seized the B.C. Electric. Since then not a single U.S. nickel has been available to the provincial government, not a British shilling, a French Belgian or Swiss franc, nor a Dutch Guilder."

This statement indicates that financial circles are "ganging up" on B.C. in a form of protest over the expropriation of the BCE. The methods employed by the government in taking over the BCE can be criticized, but the fact remains that the people of B.C. have long favored such a step and no doubt stand to benefit from it as has been shown by the financial statement issued lately.

Had the government taken over daily newspaper, a pulp or paper factory, a mining company or a retail chain, the financial world would have cause to be alarmed. Most cities and municipalities run their own public utilities for it is in the best interests of the public. Likewise, the province is justified in operating a public utility like power.

We feel that the province of B.C. is unjustly discriminated against when money is being denied over the BCE issue.

— The Osoyoos Times

A Silk Purse and Sow's Ear

by Rev. P. K. Louie

All of us have heard of the old saying, "You can't make a silk purse out of a sow's ear". This is only a half truth proved wrong many times. In this plastic age nylon, which is finer than silk for many articles, is made out of coal. Many things better than silk have been made out of less promising substance than a sow's ear. So this saying has been discredited.

Perhaps it is just as well.

World's leading spiritual singer, Mahalia Jackson will appear for one night only at the PNE, August 18 to Sept. 3. Her concert will be staged in the Forum on Aug. 20. She comes to the PNE direct from the World Fair in Seattle

Frequently this saying has been applied to persons who seem to be worthless and hold no promise of amounting to anything. If this were true there would be no basis for preaching the Christian gospel of redemption.

Once a young preacher returned to his home town where he was brought up. On the first Sunday when he stepped into the pulpit to conduct the service he found a note attached to the Bible. It was written by one of his former companions with whom he associated before he went into the ministry. The note contained a list of the pranks and escapades that he took part in during his younger days.

The young preacher picked up the note and read it to the congregation. At the end of it he said: "This tells what I used to be, and shows how great is the love of Christ, that could save one like me for a new life". What a testimony that is of the grace of God through our Saviour!

Paul wrote to a young fellow who was quite timid and began to think of himself as a "sow's ear": "This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners; of whom I am chief" (I Timothy 1:15). He wanted it to be known that God can make the best even out of the worst of sinners. It is a demonstration of the extent of God's patience to save even the uttermost.

Parkdale Place report

by Mabel Atkinson

The story of the month is gathered from letters and excerpts sent to Mrs. Maud Read at our home.

Her nephew and his wife in Toronto have been invited to spend two weeks in Munich to act as technical advisers in producing a film based on Paul Brickhall's book describing the great escape planned by 60 or more airmen, who had been interned with 5,000 officers in Stalag Luft III for four years, during the war.

Some 60 planned a tunnel of 350 feet long to escape. Something went wrong and only three escaped, Mr. Clarke Floody one of them.

Mr. Floody, as a Spitfire pilot, was shot down in France October, 1940. He later received the OBE and will incorporate in this visit a trip to England to meet in a reunion 200 British POW's and 86 airmen.

Mrs. Kellogg has received a paper recently from Honolulu showing the flamboyant, weird fantastic, multicolored skies from the explosion on Johnston Island.

We are told that Johnston Island was claimed by the Americans after a bevy of Hawaiian school boys were sent to camp there for a time. Up went the American flag and it became American property.

A noted visitor for the month was Rev. Dr. K. C. McLeod, DD, from Lucky Lake,

Alberta. Although 89, he still superintends four churches and built a new one lately. On his visit here he regaled his listeners with stories of his early experiences in the ministry.

Other visitors numbered 70. The farthest afield came from San Jose, Pacific Palisades, California; Guelph, Hamilton, Toronto, Ontario, Akron, Ohio and many prairie points.

Mrs. K. Crozier has returned after a three week business trip to her old home. We have to thank her for a new visitors' book.

Mrs. E. F. McClement and Mrs. J. E. Daines celebrated birthdays. We wish them many happy returns.

As usual we have to thank so many friends for abundance of flowers and vegetables, especially Mr. and Mrs. Moody of Trout Creek, for the succulent fresh vegetables from their garden. Mr. and Mrs. C. E. Grazley have provided eggs sufficient for two months. G. Braniff made for us some stands for tea pots, well designed; and we enjoyed transportation to the coffee party given in Mrs. Collas' beautiful lawn and groves.

Our best wishes for a speedy recovery goes to Miss Verrier recuperating at present.

Last but not least, we appreciate very much the unlimited attention given us on short notice, of the medical staff; and gracious attention of hospital nurses.

Hot weather tips

The advent of warm weather has brought with it the seasonal menace to motorists of overheated radiators.

B.C. Automobile Associations road service department points out that preventative maintenance is the key to prevention of overheating.

However, if your car starts to overheat despite precautions here are a few simple, on the road rules, by the BCAA to follow this summer.

Don't turn off the engine when stuck in a long line of waiting cars.

Shift to neutral and race the engine moderately for 30 seconds at two minute intervals.

If the radiator continues to overheat, drive the car off the road, turn off the engine, raise the hood and wait until the temperature gauge registers well below boiling point.

Then remove the radiator cap slowly and carefully with towel or thick rag.

Check water level. If low restart engine and add cool or warm water as the engine idles. Never add cold water to

a hot radiator.

If the boil over occurs again have your car checked at your service station.

LAUGH OF THE WEEK

Oscar: "The rapidly increasing divorce rate indicates that America is indeed becoming the land of the free."

Ralph: "Yes, but the continued marriage rate suggests that it is still the home of the brave."

Patient: "I'm all out of sorts. The doctor said the only way to cure my rheumatism is to stay away from dampness."

Friend: "What's so rough about that?"

Patient: "You don't know how silly it makes me feel to sit in an empty bathtub and go over myself with a vacuum cleaner."

Diets are for people who are thick and tired of it.

Everybody changes but us

Effective with April 1, 1963 issue of Okanagan Telephone Directory, telephone numbers for all Okanagan Telephone System exchanges, with exception of Summerland, will be converted from a combination of Letters and Numbers to All Numbers.

On 1 April 1963 Armstrong exchange, in addition to All Number Calling, will also experience changes in the last

four digits of the telephone number, resulting from a change in operation of the exchange from terminal-per-line to terminal-per-station. The latter change will mainly effect party line Subscribers, providing a benefit to such customers when they move from one location to another within the exchange retaining their same class of service. In such cases it will no longer be necessary to change their telephone number.

Summerland exchange, will experience a similar beneficial change in service effective on April 1, 1964, and for this reason it was decided not to introduce a change to All Number Calling in Summerland until April 1, 1964.

The change from a combination of Letters and Numbers to All Number Calling follows a general trend in North America. It will in no way affect the connection of calls which may be placed by dialling the

present combination of Letters and Numbers but is being introduced for ease in dialling. A glance at your telephone dial will reveal that HY2 HYatt 2 - Penticton) is identical to 492, which will be the three prefix digits in future for Penticton. An example of an ANC number in Penticton is 492-9999.

It is anticipated that the continuing rapid growth in the use of Direct Distance Dialling (DDD) will be made easier and more accurate when "all numbers" are dialled. It ends confusion between the letter "O" and the figure "0" (zero), the letter "I" and the figure "1". It eliminates pronunciation and identification problems.

Although other telephone companies are now making similar changes as quickly as practicable some telephone numbers outside of the Okanagan Telephone System may continue to contain letters which must be used when quoting or dialling.

Professional show at annual Regatta

Blain Fairman, winner of the "best actor" award at the B.C. provincial one act play finals in 1960 and winner of nine major acting awards in B.C. and Alberta, will star in "Johnny Dunn", an exciting Canadian Musical by Robert Card being presented as part of the Kelowna Regatta's Wednesday evening grandstand performance on August 8.

Directed by Tom Kerr, well known actor, director and adjudicator and a governor of the Dominion Drama Festival, the play, also features Kelowna Little Theatre players, the Wagonwheelers square dance club and the beautiful Lady of the Lake candidates for the 1962 water show.

Music, color, dancing and an

abundance of humor are wrapped up in the slickly produced play which is the first Regatta night show to be produced, directed and co-ordinated by a professional showman. Mr. Kerr was last year appointed the first guest director for the famous White Rock Play and he brings his wealth of experience in stage production to the Regatta for the first time this year.

REPEAT AFTER ME: I will be careful...

...WITH MATCHES

...WITH SMOKES

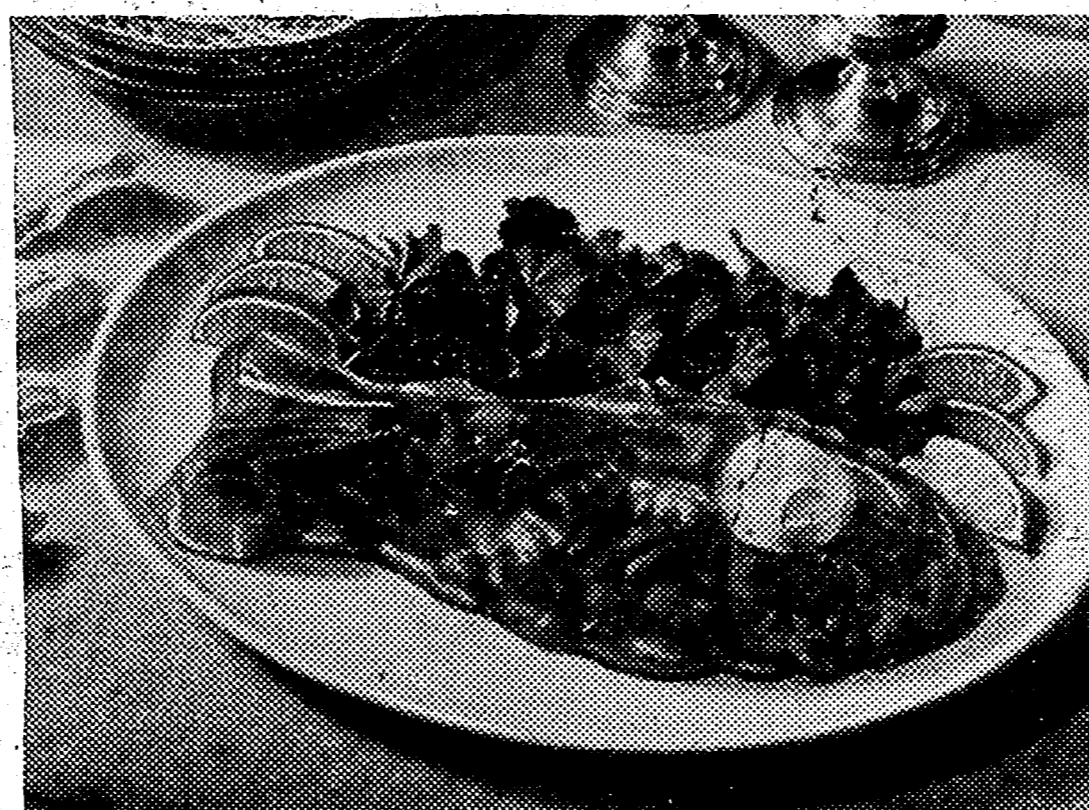

...WITH CAMP FIRES

...WITH ANY FIRE

Remember—Only you can
PREVENT FOREST FIRES!

A gleaming molded salad attractively presented, puts a gleam in the beholder's eye any hot summer's eve. And Salmon Shimmer Slimmer conclusively proves the point. Flaked salmon and crunchy vegetables are encased in glistening lime jelly, accented with lemon and dill weed to effectively set off the salmon flavor.

A fish-shaped mold will enhance the appearance of this salad that's kind to calorie counters. However, any four-cup container suitable for unmolding will do. And if you save side salads, or individual service in mind, use custard cups.

In addition to the recipe for this summer treat, we offer a few handy hints for those who have not always met with success when turning out jelly molds. It's an easy matter, with no special complications, as long as you follow a few simple steps.

Salmon Shimmer Slimmer
½ teaspoon dill weed
½ teaspoon finely grated lemon rind
1 cup boiling water
1, 3-ounce package lime jelly powder
1 cup less 2 tablespoons cold water
2 tablespoons lemon juice
½ teaspoon salt
1 cup canned salmon (1, half-pound can) drained and flaked
¼ cup finely minced green pep-

per-
¼ cup finely chopped celery
½ cup cup chopped cucumber, well drained,
Slices of hard cooked egg or stuffed olives.
Thin strips of green pepper.

Add dill weed and lemon rind to boiling water. Pour over jelly powder; stir until dissolved. Stir in cold water, lemon juice and salt. Lightly brush salad oil over inside surface of a 4 cup fish shaped mold. (A ring shape or other 4 cup mold as well as individual molds such as custard cups may be used). Pour in just enough of the jelly mixture to make a thin layer on bottom of mold. Chill until slightly thickened. (This will take only a few minutes if mold is placed in freezer). Then in jelly in bottom of mold, arrange green pepper strips to outline fish fins and tail and egg or olive slices for eyes. For other molds make an attractive design in bottom with sliced eggs and olives. Return to refrigerator until this layer is firm.

Meanwhile chill remaining jelly mixture until thickened, about the consistency of egg white. Blend in flaked salmon, minced green pepper, celery and chopped drained cucumber. Pour over set layer. Refrigerate until firm. Unmold onto serving dish. Garnish with greens and wedges of lemon or lime. Makes 4 to 6 servings.

DONKEY BALL COMING

The laugh of the season will take place in Summerland on Saturday, August 11, at 6:30 p.m. when Cliff Dunham will have his donkeys at the ball park for a game of donkey base ball.

The game will be between the Juniors and the Babe Ruth All Stars, but the donkeys will be in control of the game. They buck, do tricks and put on a good show. The kids will love them and it is hoped that a good crowd will be on hand to have a lot of fun and help the Baseball Association finance seven Little League teams, four Babe Ruth teams, and the Junior Ball Club.

SPORTS

Red Sox finish season out of league playoffs

The baseball season came to a close on Sunday as the Junior Red Sox travelled to Lumby and lost both ends of a double header to the Vernon Juniors by scores of 13-0 and 13-2.

The playoffs in the Okanagan Junior Baseball League

start next Sunday with Vernon in Keremeos and Kamloops in Kelowna. The winners of this series play the last two week ends in August for the league championship.

Individual batting statistics for the Red Sox are:

Name	AB	H	%
Walton	3	1	.333
Skinner	58	15	.258
E. Pushkerisko	28	6	.214
Nishj	21	4	.190

Pollock	10	0	.000
Team Average	494	77	.156

Kamloops shooter wins Dunsdon trophy

A very successful invitation shoot was held at the Garnett Valley Rifle Range on Sunday, with shooters from as far as Mission City taking part. Twenty-nine competitors registered for the matches and team shoots. This is the largest attendance of any invitation shoots held this year. The high temperature caused mirage which made conditions very difficult for the shooters trying at the 200 and 500 yard distances, and when shooting on the 600 yard range, a strong wind caused the scores of both the veteran and new shooters to drop considerably.

The Dunsdon Shield, awarded for the grand aggregate score over all ranges, was won by Geoge Farquharson of Kamloops, after a shoot-off with Harold Palmer of Enderby and Bill Verchere of Mission City. All three men had scored 138 x 150.

Other results were: Senior, 200 yards, Summerland Cup: E. Work, Kamloops, 47x50; G. Farquharson, Kamloops, 47x50; H. Palmer, Enderby, 47x50; J. Leeson, Penticton, 47x50.

Senior 500 yards, Sport Centre Cup: G. Farquharson, 48x50; W. Lightburn, Peachland, 47x50; R. Weeks, Kelowna, 47x50; F. Verchere, Mission City 47x50.

Senior, 600 yards, Geo. Rose Orchard City Cup: H. Palmer, Enderby, 44x50; F. Verchere, 43x50; J. Leeson, Penticton, 43x50; E. Mork, 43x50.

In the team shoot, held concurrently with the other matches, the trophy was won by the Kelowna team with a score of 661; Penticton scored 653; Summerland No. 1 team, 609; Summerland No. 2, 593.

In the Tyro class it was Bill Verchere of Mission City, all the way, as he took first money at 200, 500 and 600 yards and the tyro grand aggregate. Bob Barkwill and Fran-

ces Bentley were the only local shooters to get into the prize list, as Bob took second place in the 500 yards in the tyro class and Frances placed second at 200 yards in the Junior class.

The Junior competitions were divided between E. Wiltse of Penticton and Garry George of Westbank, with Wiltse taking top money in the junior aggregate.

A great amount of credit is due to the ladies who worked so hard in the kitchen, serving refreshments throughout the day; also to the boys who worked as target markers, especially the non-members who volunteered their service.

This is the final invitation shoot for this season. The next major event at the range will be the club shoot which is restricted to members of the Summerland club. This will be held in August, the date to be decided later.

Cafe Aces take lead in playoffs

Last Monday night in Summerland, the Macs Cafe Aces came from behind to down Penticton 10-6. This was the first game in a best of five league semi-finals, Osoyoos, who won the pennant in the softball league, have a bye and will meet the winner of this series.

Next home game for the Cafe Aces could be Monday night in the Memorial ball park.

Kiwanians report carnival successful

Saturday night the Kiwanis Club was given the keys to the city and proceeded in true Kiwanian style to paint the town red. In July each year the club stages a carnival just early enough not to conflict with the Pentiction Peach Festival.

Chairman Wally Harrison masterminded the organizing and had everything running like the wheels of a clock, assisted by Jerry Hallquist and company who moved stealthily around with their oilers, with a drop here and there to anticipate any possible squeak.

The evening was perfect. The huge bingo game and many other games of skill held the large crowd to the very last, winding up the most successful carnival in Summerland Kiwanis history.

The only blot was when Bob Hardie was all primed to call the police, when he spied a couple of convicts striving to gain entrance to the front of Ken Heales' store, but it turned out to be Scotty Ritchie and Tommy Young with Ken's key, trying to get in to change back from their jail suits to their civies.

In view of the large tourist holiday attendance, it was not too surprising that three of the four main prizes went to the visitors. One chair went to Princeton, one to Oliver, and the other to Mrs. Mike Nolan of Trout Creek, while the Kiwassa hamper went to Alf Ward who was visiting his brother, Bill Ward.

On Tuesday evening it had been arranged to have dinner on Doug Campbell's lawn. However, the "powers that be" whose minds work at top speed 24 hours a day had a different scheme. They started out on a "follow the leader" mystery trip, which landed up at the Totem Inn at Peachland, where a sumptuous smorgasbord dinner was waiting. This was to celebrate the very successful carnival of Saturday night, but don't let the public be fooled. Every member paid his own chit as usual.

Visitors included Harold Richardson, Hugh Hagen, Bill Reid, Brian Adair, E. Daly and Ed and Richard Toevs, while Key Club president-elect Bruce Hallquist introduced six new Key Clubbers.

Scotty Ritchie celebrated his 39th birthday, and for his dollar named a quartette to sing Happy Birthday to him. However, they balked, preferring to pay a fine. Every new group elected to pay their fines and passed the buck. Nobody wanted to sing Happy Birthday to Scotty, but finally one of the Key Club members was bribed dollar to do it. The sheriff had a busy evening.

Next Tuesday all members are requested to meet at the school at 5:15 p.m., the purpose being to have a joint meeting with Oliver club at Oliver.

At an executive meeting following the dinner, it was disclosed that the carnival had netted \$928, including \$140 made by the Kiwassa at their hot dog stand and sale of home cooking. All of this will be plowed back into worthwhile projects for the community.

Fishing News

by Bert Berry

Okanagan Lake

Grasshoppers off the rocks starting and one or two good reports from this type of fishing. Kohanee still biting but no reports of any large trout this week.

Welcome to the Kelowna Regatta

Canada's Greatest
Water Show

August 8-11

ON WEDNESDAY

- * The Ten Provincial Premiers of the Dominion of Canada will appear at the Regatta.
- * Gigantic annual parade with floats, bands and special attractions from all over the Pacific Northwest.
- * Exciting, gala, fun-filled midway. (Kiddies' Day, all rides half price).
- * Glamorous Lady of the Lake pageant and crowning ceremony under the lights. Directed by Dominion Drama Festival Winner Thomas Kerr.

THURSDAY

- * Championship swimming and diving competitions, all ages. Ogoopogo Pool.
- * Thrilling park entertainment with band concerts and precision marching.
- * Professional precision and clown diving featuring Ed Cole, Joe Gerlach and Irene McDonald.
- * Glittering starlight varietes under the Cineramic lights on the unique floating stage in front of the grandstand.

FRIDAY — SATURDAY

- * Blazing power boat races featuring up to 280 class units in spine tingling competition.
- * Western Canada Open Water Ski Championship.
- * Heart stopping kite-man flights soaring hundreds of feet into the air.
- * Aqua-rythms — the Regatta's original production, featuring breath taking water ballet under lights and star-spangled stage entertainment by North America's greatest artists.

Starring Guy Mitchell-on Thur.

For information & reservations Write Regatta, 1470 Mill St. Kelowna

Under the Giant's Head

The Canadian, James Arthur Chamberlin, who is distinguishing himself in the United States, as head of Project Gemini with the task of sending two astronauts on a 14 day earth orbital journey by 1964, lived in Summerland as a small boy according to an article in last week's Star Weekly. He was born in Kamloops in 1915, the son of Mr. and Mrs. Walter Chamberlin. Two years later the boy's father was killed in France, and James and his mother moved to Summerland where they lived for several years before moving to Toronto. Does anyone remember the Chamberlin family?

We know former residents who subscribe to the Review and now live in the prairies, eastern Canada, the United States and England won't believe it, but our weather here as been far from ideal this past week. As a matter of fact, we had over one-twelfth of a foot of rain, 1.12 inches with only 18.1 hours of sunshine.

	High	Low
August 1	87	65
August 2	90	66
August 3	68	59
August 4	62	50
August 5	69	56
August 6	74	55
August 7	67	57

On August 3 Leo Peter Wingarter appeared before Magistrate Reid Johnston charged with uttering a false document. The charge arose a few weeks ago when Wingarter cashed a forged cheque in Summerland. He was sentenced to nine months on the Summerland charge and to one month each for two similar charges in Burnaby and seven in Vancouver making a 18 month jail term.

It's donkey baseball this Saturday

Donkey baseball hits Summerland's Memorial Park this Saturday at 6:30 p.m. Come and see the laugh riot of the season when the Junior Red Sox and the Babe Ruth All Stars take the field on Cliff Dunham's donkeys.

The donkeys are in control all the way with bucking, kicking and general stubborn behaviour giving the fans and players plenty of fun.

As well as the contest the crowd will enjoy donkey ball, donkey races, flag race, tricks and a bucking donkey riding contest with local riders.

The little animals are spunky and enjoy themselves just as much as the audience will. Come along and have fun and help the Baseball Association financially in their Little League, Junior Ball Club and Babe Ruth work. Admission will be \$1.00 for adults and students 50c.

The Association requests that all Babe Ruth All Stars and Junior Red Sox players meet at the ball park at 6:00 p.m. in uniform.

The Summerland Review

Volume 17, No. 34

West Summerland, B.C.

Thursday, August 9, 1962

5c Per Copy

Summerland Chamber of Commerce's attractive nautical float won an honorable mention in last week's Peach Festival parade. The float is constructed over a boat donated by the Summerland Yacht Club. The skirt of the float simulates water with blue paper and trimming. The cabin area was filled with Baby's Breath and other flowers. Sitting in

front was Queen Elect Leslie Caldwell and riding in the back was her two princesses, Darlene Shannon and Vicki McKee. The float was prepared under the direction of Mrs. L. Shanno, Mrs. L. Weist and Mrs. M. Lamb. The float will participate in the Kelowna Regatta this week.

Local school costs rank eleventh lowest in province

Information was received at last week's School Board meeting from the B.C. School Trustees' Association comparing school district operating costs throughout the province on a per pupil basis for the year 1960. These varied from a low of \$254.60 (Surrey) to a high of \$489.24 (Howe Sound). Summerland, at \$287.42, was eleventh from the lowest, in 82 districts.

At the School Board meeting on August 2, E. H. Knuff, engineer-janitor, gave his monthly report to the Board. The Trout Creek School has been repainted and two classrooms redecorated there in addition to minor repairs.

At the MacDonald School, the exterior has been completely repainted to harmonize with the new addition.

RCMP Seeking robbery suspects

Local RCMP are seeking public co-operation in locating the whereabouts of three youths, who are suspects in a robbery which took place about noon Tuesday at the West Summerland Hardware. The thieves got away with binoculars valued at \$25; and two fishing reels, a Zipp reel valued at \$4.25 and a Hornet reel worth \$8.

The suspects are three fair haired youths who entered the store at noon hour. They left Summerland driving a red Ford vehicle. The first three licence numbers are 318 and the car has a badly dented trunk. Anyone having information on these persons is asked to contact the Summerland RCMP.

Two classrooms have been redecorated, three built-in cupboards installed in classrooms and three cloakrooms have been renovated. Work is proceeding on renovation of the two basement washrooms.

At the Secondary School, three classrooms and the staff rooms had been repainted. The commercial room had been enlarged by the removal of a wall. Many repairs had been carried out.

Mr. Knuff estimated that, with the present extra maintenance staff, all maintenance projects provided for in the budget would be completed by the end of August.

Chairman K. Boothe thanked Mr. Knuff for what had been accomplished and stated that the condition of the grounds had aroused much favorable comment this summer.

Chairman Boothe appointed Dr. W. G. Evans as Board representative on the Okanagan Branch Salary Negotiating Committee. An effort is being made to negotiate teachers' salaries for 1963 on a Branch basis, with ten Districts and Teachers' Associations taking part. Meetings will be held in Kelowna to commence in September and continuing to October 13.

Tenders were received for installation to connect the Trout Creek School with the domestic water system: Selinger's Plumbing, \$210.06 and Geres' Plumbing, \$185.00. The contract was awarded to Geres Plumbing.

The Board gave permission for the Inland Natural Gas Co. to make a survey and submit a proposal for the installation

of natural gas heating in the Secondary School. Natural gas has been in use at the MacDonald School for the past three years.

Chain link material has been purchased for the installation of a softball backstop on the school playing area. The Board toured the grounds and discussed advantages of the different suggested locations. Final decision was delayed until the matter of location could be discussed with John Tamblin, acting principal, who was attending the Principals' Conference at the University of British Columbia.

Thrift Shop opens in new location

The Summerland Ladies Hospital Auxiliary has re-opened its Thrift Shop at its new location in the T. B. Young building on Pender Street, just north of the post office.

Mr. Young has made many improvements and alterations to suit the needs of this business and the new quarters provide more room for displaying stock.

A member of the Auxiliary told the Review that the group is very grateful for all the voluntary assistance given them during their accelerated move on the night of July 31, just ahead of the bulldozer coming to level their old building off to make room for the new firehall.

There have been many hours of work by the members of the Auxiliary during the time the shop has been closed in order to prepare for re-opening Saturday, August 11 at 2 p.m. and you are invited to "come in and see for yourself what has kept these women busy lately."

The hospital, the people who shop here and the community as a whole all benefit from this project, and the ladies of the hospital auxiliary wish at this time to thank one and all for their support and patronage, and hope that you will continue to help make the Thrift Shop thrive.

Time races August 19

On Sunday, August 19, the Summerland Yacht Club is planning to hold power boat time races. A committee was set up at an executive meeting this week. Different classes are being arranged for the various sizes of boats. This year, for the first time, it is expected a trophy will be presented at the time races.

Plans are for participants to bring a basket lunch with coffee supplied by the club.

On August 26, the club will cruise to Kelowna Yacht Club for a social visit.

Final work has been completed on the lighting of the Yacht Club breakwater. Thirty six sealed-in spotlights, 75 watts each, have been installed. Cooper and Gibbard Ltd. were contractors under the Department of Transport.

Mr. Michaels, federal government inspector, told Commodore L. A. Smith, that this was one of the best lighted breakwaters he had inspected.

All berths have now been rented at the breakwater, showing the popularity of the Yacht Club among Summerland boat racing enthusiasts.

Building permits down in July

July building permits were down over the same month last year with only \$950 issued last month against \$78,335 for July of 1961 (including the Royal Canadian Legion building).

Three permits for alterations and additions to private dwellings totalled \$550 while one industrial permit for alterations was issued for \$400.

So far this year 95 permits have been issued for \$200,855 compared with 86 in the same period last year for \$520,710

Jim Smith (right) shows G. Staudinger of Rossland two of his racing pigeons which have been winning prizes this year. One of the birds had just completed a race from Smithers to Summerland in 13.75 hours, a distance of 481 miles. An active racing pigeon

club has been formed in Summerland with Steve De Smeit president; Jim Smith secretary and Bill Shannon treasurer. Other club members are George Hartkamp, Robert Cuthbert, Doug Taylor and Ralph Winch.

Davis - Lyseng

On July 21 at 8:00 p.m. in the Summerland United Church, Audrey Joan Lyseng became the bride of Donald Earl Davis of Thasis, B.C. The young cou-

ple are the daughter of Mrs. C. Lyseng and the late Mr. Lyseng of Camrose, Alberta, and the son of Mrs. C. M. Davis and the late Mr. Davis of Oliver. Rev. P. K. Louie officiated at the ceremony.

The bride, who was given in marriage by Mr. Douglas Campbell, wore a pretty ballerina length gown fashioned from white Chantilly lace accented by a bouquet of red roses and carnations.

Matron of honor Miss Darlene Campbell wore a ballerina length gown of chartreuse and Miss Lillian Davie, the bridesmaid, wore a similar gown of pale blue. They carried carnations of matching tones.

The groom's brother, Mr. J. Davies was best man, with Wayne Campbell, Pat Meronek and Harold Stowell as ushers. Mrs. N. Green sang a solo during the signing of the register.

Following the ceremony about 50 guests were entertained at a reception in the IOOF Hall. A toast to the bride was proposed by Mr. Danny Roberts of Oliver, and telegrams from the bride's family were read during the evening.

For a honeymoon to the interior of B.C., the bride chose a white sheath dress with all white accessories.

Mr. and Mrs. Davis will reside in Oliver.

Comings and Goings

Mr. and Mrs. Ross Tingley of Calgary are visiting in Summerland with the former's father, Mr. Roger Tingley and the latter's parents in Penticton.

Miss Ruth Manning, training at Victoria Jubilee Hospital, is home spending her holidays with her parents.

Mr. and Mrs. Fred Medley and Miss Pam Heyworth were week end guests at the home of Mr. and Mrs. S. Heyworth.

Mr. and Mrs. Bertram Long of Cowichan Bay visited over the week end with Mr. and Mrs. C. B. Snow and Mr. and Mrs. J. Broderick.

Mr. and Mrs. Bill Armstrong are spending a week's holiday with her parents, Mr. and Mrs. Frank Bennison.

Mr and Mrs. J. Broderick returned Sunday after attending the World's Fair in Seattle.

Miss Isobel Moore of Montreal has been visiting with Dr and Mrs. W. H. B. Munn and other relatives.

Mr. and Mrs. Ted Wolffe of Vancouver are visiting Mr. and Mrs. A. C. Logan.

Mrs. William McCloud of Melbourne, Ontario, is visiting Mr. and Mrs. Edward Joy.

Mrs. Anne Bingham is returning to Victoria this week after visiting friends in Summerland.

Fumi Inaba of Summerland has been appointed assistant municipal clerk at Keremeos.

Mrs. L. W. Rumball and Mrs. G. Inglis assisted with judging of fine needle work Thursday at the Peach Festival.

Mr. and Mrs. Walter Charles of North Vancouver were recent visitors with his parents, Mr. and Mrs. Vern Charles.

Miss Gladys Cliff of Toronto is here for a week's visit with her niece, Mrs. Cecil Morgan and family.

Born to Mr. and Mrs. John Kitson, a son, August 7, in Penticton Hospital.

Mrs. E. French of Prince Rupert was a recent guest of Mr. and Mrs. H. Ward.

Kiehlbauch - Washington

On Saturday, July 21, at 7:00 p.m., Maryann Ann, daughter of Mr. and Mrs. George Washington, became the bride of Mr. Larry Gerald Kiehlbauch, son of Mr. and Mrs. E. Kiehlbauch of West Summerland.

The candle light ceremony took place at the Summerland United Church, with Rev. P. K. Louie officiating.

The fair haired bride entered the flower banked church on the arm of her father. Her gown was of white Chantilly lace, opening at the back to reveal the scalloped lace overskirting a lustrous full skirted satin underneath. A Sabrina neckline was edged in pearls and scalloping at the front of the bodice revealed the satin underdress. Lily point sleeves, fastened at the wrists with tiny lace covered buttons. She carried a shower bouquet of Johanna Hill roses.

Attendants were Mrs. V. Spearing of Vancouver, matron of honor, charmingly gowned in blue chiffon with a white headdress. The bride's matron, Mrs. D. Skinner; and the bridesmaid, Miss Diane Negrin, both chose orange ice organza over taffeta with white headdresses. All the attendants carried bouquets of carnations.

Mr. Al Kiehlbauch was best man and Mr. Gerald Washington and Mr. Donald Skinner acted as ushers.

During the signing of the

register, the "Wedding Prayer" was sung by Mrs. K. Boothe, Mrs. L. Fudge, Mrs. K. Carter, Miss C. Mair, Mrs. Walter Toews and Mrs. N. Green, all members of the United Church Choir.

Following the ceremony 160 guests were received by the bridal party at a reception held in the church hall. Many toasts were heard and wires of congratulations were read.

For a honeymoon in Banff and Edmonton the bride chose a yellow suit with a white chiffon hat as her going away outfit.

Out of town guests included: Mr. and Mrs. Gerald Washington, Port Coquitlam; Mr. and Mrs. Al Kiehlbauch, Prince George; Mr. and Mrs. Jim Bayhss, Mr. and Mrs. Dick Sharp, Mr. and Mrs. Bernard Kent, Kelowna; Mr. and Mrs. Les Brown, Miss Myrtle Dunham, Salmon Arm; Mr. and Mrs. Val Spearing, North Surrey; Miss Diane Negrin, New Westminster; Mr and Mrs. Harry Braddick, Mr. and Mrs. Don Campbell, Burnaby; Mr. and Mrs. Larry Lemke, Cultus Lake; Mrs. Edna McLellan, Miss Pat Smith, Mr. and Mrs. Derek Chapman, Calgary; Mr. and Mrs. H. Battey, Chuck Thom, Vancouver; Mr. Vernon; Mr. and Mrs. Brian Brede, Nebraska; T. J. Garnett, Mr. and Mrs. E. P. Riley, Celista; Mr. and Mrs. Garnett McLellan, Ottawa; Mr. and Mrs. Michael Marlais, Oliver.

Where's our share?

Before, during and after the Penticton Peach Festival, our neighboring city was crowded. To a large degree, the city is still doing a record tourist business.

This week is Kelowna's turn, with its internationally recognized Regatta.

Stores in both these towns, those dealing in staples as well as the strictly novelty and speciality shops are doing the "biggest business ever", in spite of the poor weather while cafes, motels and hotels are crammed. And to top it off, the Roger's Pass opening brought thousands of tourists to the Valley.

At this point you may remark that "Summerland shared in the visitor influx" — yes, it did. But it only got that portion of the overflow that could not be accommodated in Penticton and Kelowna. Also, it is surprising how our visitors melt away as soon as the pressure is off the bigger communities.

If our meagre portion of the handsomely paying tourist business is "good enough for you" we retort that it isn't good enough for the remainder of the community. Summerland shouldn't have to be relying on leftovers and hand me downs; it should be able to share in the valley's prosperity to a real degree. It should be attracting its own share of those all important, free flowing tourist dollars that could do so much for both the business firms and general public.

Why doesn't Summerland get tourists? Well, what has it done, or is it doing to deserve them? Just what does the tourist — the guest in your town, look for?

First and foremost — good accommodation, with all the amenities. Secondly — a distinctive item or items of attraction — handicrafts, quaintness, climate, setting. Thirdly, a genuine, community wide feeling of welcome, the same warmth you'd extend to a much desired guest in your own home.

We have the climate, we have the setting — and so have scores of other places that have other things to offer as well. We have done so little as a community that we must expect to get but little in return.

What little has been done has been started by a mere handful, conscious of the community's need. Specifically — the "Apple Cart" started by local art and hobbycraft enthusiasts is a definite beginning. But it needs help, the help of the whole community so that it can really thrive and grow. With adequate backing, it could expand its scope, and perhaps develop some distinctive items which would be sufficiently attractive that visitors would come to Summerland to get them — just as they do to some towns in Europe.

Another avenue that is endeavoring to encourage visitors is that sponsoring the "Trail Dance" — seeking to share in the scores attending the square dance, jamboree in Penticton.

And the Yacht Club — offering facilities to the large number of tourists interested in water sports.

That's the kind of spirit that's needed to draw the visitors here, and make them want to stay here once they have arrived. That is — if they can find the kind of accommodation they are looking for. If they don't, they'll just move on and find it — somewhere else than Summerland.

★

Seasonal note

The weeks now weave into that season when a gardener's green thumb ought to grow a nozzle on the end of it. A desert is creeping under the bloom of roses. And the fragrant, dark, soft soil into which the annuals were sown is becoming errant dust.

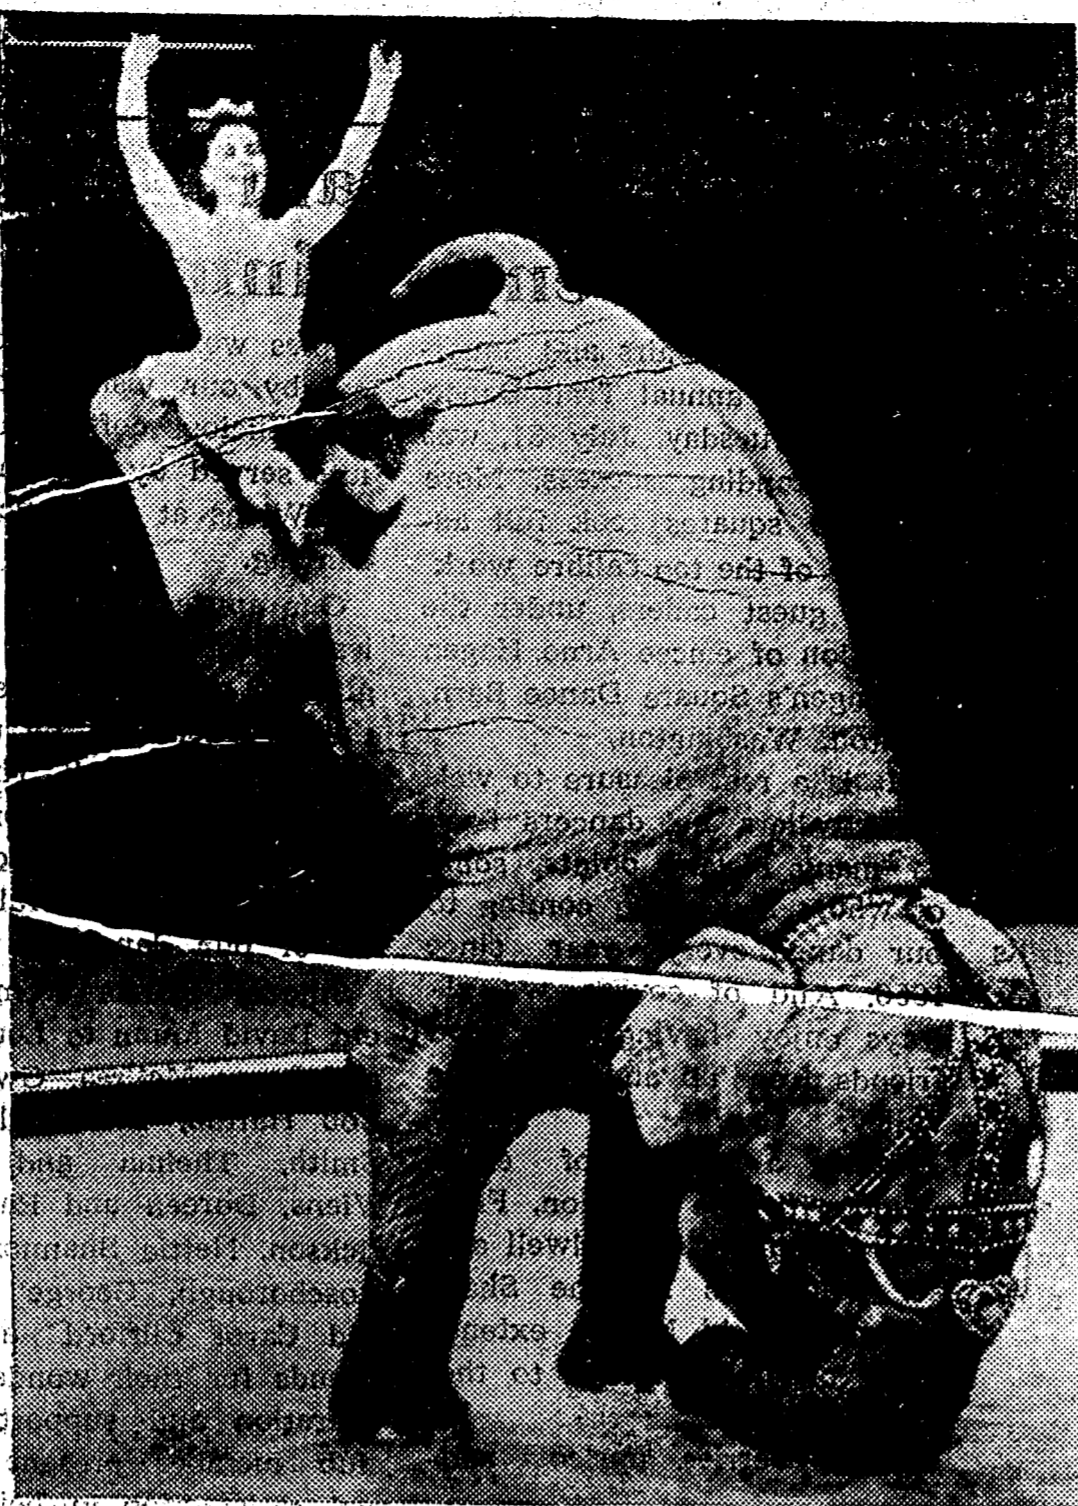

Where a few weeks ago we were watching for greens, and then for yellows, and purples and pinks — the freshest color in the garden now is the silver in the spraying machines or in the arc of the stream from the hose.

Some folks hang at the lawn's edge veritable tapestries of mist, translucent sheets woven on the loom of the summer air out of millions of watery particles from punctured pipes, and brushed into a velvety and swaying softness by a gentle breeze. Others weave vague and questioning philosophies around the irony that where flowers may wilt weeds can abound.

This is the time of year when gardeners' "silent partners", the ones who talk while the gardeners keep wordlessly at work, come into their own. They achieve chairmanships in the domestic corporation — deep, low, reclining chairmanships. Some even promote themselves into presidents emeritus in charge of hammockry.

And those who have maintained these levels of occupation, if not activity, for many seasons will tell you there is no more satisfying experience than to stay in one place and watch the drops of water that come bounding like flying horses from a revolving lawn sprinkler.

— Christian Science Monitor

Peggy MacDonald puts baby Opal through her paces, the youngest performer and pride of the Besalou Elephants. This big act is only one of many in this year's Shrine Pacific National Exhibition Circus which runs from August 24 to Labor Day at the PNE Forum.

It pays to advertise

by Rev. Norman Tannar

An announcer describes a coming event with these words: "The club has gone all out to produce a bigger show than ever." We hear this all the time. "It is bigger than ever. This product is better than ever. There is greater enjoyment for you. This medicine will give you fast, fast relief." Advertising has conditioned us to expect this.

Some of this spirit also gets into the church. A church must be a rip roaring success, and people will go. Why not advertise this way: "Come to the church on Quick Corner. All people go there, because they get quick results. You get a short cut to repentance. It gives fast, fast faith."

Although "It pays to advertise" and the Church must pro-

claim or perish, the above method is not recommended. But we can still take a page from the world of business and advertise according to the slogan of "Ask the man who owns One." Every Christian is a living advertisement to the life proclaimed by Jesus Christ and is also a proclaimer of the Gospel.

The Church has a wonderful product — the new lives of men and women. "Ye are the light of the world. A city that is set on a hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick. Let your light so shine." Matt. 5:14-16. For the sake of the Church, Christians must not hide themselves. They must "advertise" the gospel, call attention to its relevance, proclaim it.

Conciliation board meets

The Conciliation Board, appointed to deal with the dispute between the Okanagan Fruit Packing Houses and the B.C. Interior Fruit and Vegetable Workers Union, Local 1572 (CLC), concluded its sittings in Kelowna on Friday Morning at 11 o'clock.

The Board consisted of Mr. R. Herbert, Dean of the Faculty of Law at the University of British Columbia, as Chairman, Mr. J. C. Munro of Vancouver, nominee, and Mr. Dan Ratford, of Vancouver, Union nominee.

The Union spokesman was Mr. J. Currie, assisted by Union President C. B. Hankin of Summerland and Mrs. A. Fauld of Oliver. The Employers Labour Committee were represented by Mr. W. Mead of Vancouver assisted by Mr. P. K. Wynne of Vernon, Chairman of the committee and L. R. Stephens,

Motorcade starts trip

A 12-car motorcade dipped its rear wheels into the waters of the Atlantic Ocean at St. John's, Newfoundland, the first of August to mark the beginning of a 4,860-mile trip across the nation on the Trans-Canada Highway.

The 12 cars, carrying provincial and municipal authorities and press representatives, will be greeted by local authorities as the motorcade passes through the ten provinces.

The coast-to-coast journey will end September 1 when the cars dip their front wheels into Pacific waters at Victoria B.C.

The motorcade will then turn back to Rogers Pass in Glacier National Park where Prime Minister Diefenbaker will then open the Trans-Canada Highway on September 3.

Mr. Diefenbaker will use a (Continued on next page)

Reduced rates for fruit

A statement issued this week by B.C. Tree Fruits Limited, central selling agents for B.C. fruit growers, reports good progress in recent freight negotiations with Canadian railways. Lower truck competitive rates have been granted which will afford savings of up to 25 per cent for carload shipments of stone fruits, apples, and pears to prairie markets.

Officials of B.C. Tree Fruits Limited have been working with railway rate men for several weeks past. Many of the adjustments approved will go into effect immediately in what is regarded as a preliminary step towards lower transportation costs for B.C. fruit growers.

The greatest reductions will apply to destinations in Alberta, and Saskatchewan, but smaller reductions are also being approved to points as far east and north as Fort William, Winnipeg and Flin Flon.

Powerboat races highlight Regatta

August 11 — the final day of Kelowna's 4-day 56th Annual International Regatta will be highlighted by sanctioned races of the American Powerboat Association. The meet will get underway at 11 a.m. and continue throughout the day, winding up with the presentation of the Schenley Gold Helmet award.

Events this year include four inboard and four outboard divisions.

The Regatta powerboat committee has chosen the most popular class of boat to assure plenty of excitement and thrills for the racing public. The 280 Hydro Inboard class, capable of speeds up to 106 miles per hour, will be competing for the Schenley Gold Helmet.

Other classes include the 225 cu. inch in hydros with speeds up to 114 miles per hour, and with speeds up to 84 mph.

Boating fans in the Okanagan will be cheering the "Miss Kelowna Two" in the 266 class, the fastest class entered with boats hitting speeds of 146 miles per hour. Ara Jones, "Silver Fox" of the Okanagan, owner of the Miss Kelowna Regatta, and although he gave up active driving five years ago at the mellow age of 75 he'll be in the pits servicing his "Miss Kelowna Two".

Outboard classes will include "B" Stock Hydro, "D" Stock, and "B" Stock runabout and "B" Stock racing outboard.

Chairman of the Regatta Powerboat events this year is Bob Thomson who declared boats will be racing under APA Sanction and rules.

Trail dance again popular entertainment

Summerland Pairs and Squares seventh annual Trail Dance, held on Tuesday, July 31, was an outstanding success. More than 29 squares took full advantage of the top calibre work of 20 guest callers, under the direction of emcee Arne Hagen of Hagen's Square Dance Barn, Renton, Washington.

It is a real pleasure to welcome callers and dancers from so many distant points, some of whom have been coming to our dance every year since 1956. And of course we always enjoy having our good friends from up and down the Valley.

Adding a touch of extra glamour to the occasion, Fruit Fair Queen Leslie Caldwell and her princesses Darlene Shannon and Vicki McKee extended an official welcome to the guests.

Fresh cherries, apricots and

apples were very much enjoyed by our visitors, as were the delicious coffee and doughnuts served by convener Thelma Wiens at the conclusion of dancing.

Our appreciation to the ladies who graciously donated gladioli, phlox and daisies from their gardens to be used in decorating the hall. The guests were loud in their praises of the lovely flowers, and several went away with floral souvenirs of our dance.

Sincere thanks from president David Munn to Louise, Leo and Larry McCrea, Gwen and Bob Hardie, Eric and Phyllis Smith, Thelma and Harold Wiens, Doreen and Ray Fredrickson, Nettie Shannon, Beryl Roseborough, George Ryman, and Carol Clifford and her friends for their wonderful cooperation and support. Every club member present felt a real satisfaction in being part of such a happy occasion.

Square dancing is fun? It's much more than that. It's people reaching out to one another in friendship and goodwill. Here's to its continued success in Summerland and everywhere!

MOTORCADE

(Continued from previous page)

golden ceremonial tapper to lay symbolically a section of pavement. The ceremonial tapper provided by the Canadian Tourist Association will be relayed across the country from one provincial tourist association to the other.

The Rogers Pass stretch was the last section of the Trans-Canada route to be opened to traffic. It represents one of the most forbidding natural barriers to highway construction. The national route was laid through here at a cost of up to \$1,000,000 a mile.

At the pass, two memorial arches spanning a mosaic map of the nation have been erected to commemorate Canada's achievement in constructing the highway.

The motorcade was organized by the Canadian Automobile Association and its affiliated provincial clubs in co-operation with the federal department of public works and the Canadian Good Roads Association. Automotive manufacturers and oil companies have also cooperated.

In officially dispatching the motorcade, H. T. Newel, president of the Canadian Automobile Association said:

"This motorcade marks the end of an epoch in Canada, more than half a century in which the pioneers of the motoring and good roads movement have advocated the construction of trans-continental highway. Its official opening is the fulfillment of a dream and dedication of many men of vision. It is a genuine contribution to the fabric of nationhood."

The first cross-Canada trip was made in 1925 by a photographer, Ed Flickenger, who travelled 4,794 miles from Atlantic to Pacific in 40 days.

For 835 miles where there were no roads of any kind, Flickenger put his car on the rails of the trans-continental railway. This lost for him the distinction of being the first person to cross Canada on rubber tires.

Indecisive Driver Causes Highway Hassle

Canadians have always believed in plenty of freedom for everybody. It's in our blood to value things like freedom of religion, of speech, of the press, of sleeping in on Sundays if we want to.

Of course, some people do take unusual liberties with liberty. Like that woman who is always dashing around town. She was out for a drive last week and had a collision — with a man.

The policeman on the scene was a gentleman, so naturally he cross examined the man first, about why he hadn't given the lady her half of the road. The man was pretty mad. He said he was ready to do just that as soon as he could figure out which half she wanted! Which is a good example of what comes of indecision.

Maybe Canadians are not always models of decision, but there is one thing a lot of us made up their minds about a long time ago — and keep it made up. That's the importance of saving regularly for the future at the Bank of Montreal.

A savings account at "My Bank" can mean so many things — an education fund for the children, help for the whole family if there's ever a rainy day, a down payment fund on a new home. If you haven't yet started your own plan for regular saving, plan to visit the West Summerland branch of the Bank of Montreal soon. Don Carmichael, the accountant there, will be glad to show you how easy it is — and how profitable — to operate a B of M savings account.

Notice to Tax Payers

Re: Provincial Home-Owner Grant

Tax Notices for 1962 have now been mailed. Please read the information printed on the back of the middle copy of your tax bill regarding Provincial Home Owner Grant.

In order that we may collect from the Provincial Government, taxpayers eligible to receive this \$50.00 grant are requested to bring their Tax Notice to the Municipal Office as soon as possible regardless of whether or not they wish to pay the balance at this time.

The Summerland Review

Thursday, August 9, 1962

Photo by H. M. Buckna, Creston

Carston - Boffey

Trinity United Church, Creston, was the scene of a lovely summer wedding on Saturday, July 21 at 2:30 p.m., when the Rev. Simpson of Calgary officiated at the marriage of Helen Lillian Boffey to Lorne Ian Carston, son of Mr. and Mrs. Fred Carston of West Summerland.

The church, for the double ring ceremony, was decorated with large baskets of pink gladiolus and ferns. The pew markers were white satin bows. The wedding music was played by Edna Fraser.

The bride, given in marriage by her father, was lovely in a floor length gown of Bomleazine silk and Chantilly lace. The fitted bodice of lace had scalloped edge neckline and petite cap sleeves. The bouffant skirt of silk was accented with lace applique motifs and bustle bow at waist back. The imported illusion veiling was held by a crown of pearls. She carried a cascade bouquet of pink roses and stephanotis.

Attending as matron of honor, was the bride's sister, Muriel Donkersley. She wore blue organza dress with bouffant skirt and flowered head band to match. She carried a colonial bouquet of pink and white carnations.

Supporting the groom, was his brother, Bill Carston, and ushers were Ray Boffey and Charlie Holmes.

The United Church Hall was tastefully decorated with pink and white streamers and flowers for the reception, which was catered for by the F.I.S. Church Circle.

The bride's table was centred with a three tiered wedding cake, embedded in white tulle surrounded with tiny pink bows and banked on either side with white candles and flowers. Bill Herchmer, as master of ceremonies, proposed the toast to the bride, to which the groom responded.

Bill Carston, brother of the groom, read the telegrams of congratulation. Inez Boffey of Seattle was in charge of the guest book.

For her honeymoon, the bride changed to a blue silk print sheath dress with contrasting blue jacket and white accessories. She wore a white orchid corsage.

The couple will leave for a honeymoon trip to California, Seattle and Vancouver, and will spend a few days in West Summerland with the groom's parents, who were unable to attend the wedding. On their return they will make their home in Creston, where the groom is employed with B.C. Telephone Co., and the bride is on the teaching staff of the Creston Elementary School.

Out of town guests included: Mr. and Mrs. Bill Carston and family of Cranbrook; Mr. and Mrs. Albert Boffey and boys of Seattle; Mrs. G. Hobden, grandmother of the bride, of Three Hills, Alberta; Mr. and Mrs. Bernie Delamere and Beverly of Brentwood Bay, B.C.; Mr. Jack Stewart of Ottawa; Mr. and Mrs. Vernon Clark of Orland, Indiana; Mrs. Vera Moans of Cranbrook; Mr. and Mrs. E. Vickers of Marysville, B.C.; Fran Rhodes and Barbara Hallus of Victoria.

Kiwanis Club Notes

The planned joint meeting for Tuesday evening at Oliver with the Oliver Club was cancelled, on account of the weather and held instead in the Summerland Co-operative Growers building.

Twenty five were present, including three visitors, two Penticton Kiwanians, Jim Heaven and Evan Loughea while the third was Claud Usher, Jerry Hallquist's brother in law.

Next Tuesday, weather permitting the delayed Oliver interclub meeting at Oliver will be held and all members are requested to meet at the school grounds at 8:00 p.m.

The Recorder.

Fishing News

by Bert Berry

Okanagan Lake

No large trout caught this last week, however grasshopper fishing off the rocks has produced some nice fishing. Kokanee fishing still good.

Fish Lake Camp

Only one report and it is good. Weather has been bad and if this improves will help.

Garnett Valley Dam

Some nice catches reported from here.

Headwaters Fishing Camp

Some nice reports from here.

Penask Lake

Limit catches from here. Watch the road if rainy weather persists.

Hatheume Lake Resort

No reports but should be good.

Silver Lake

No reports. Should be alright if you can hit it right.

Shannon Lake

Perch and Bass; no report.

Agar Lake

No reports

Bear Lake

One report and good.

Mrs. H. C. Schimpf and Cathie of Calgary have been visiting her mother, Mrs. W. Reid and family for the past ten days.

Mr. and Mrs. Troy Lane and family of LaHabra, California, are visiting Mr. and Mrs. H. Dempster.

Under the Giant's Head

A couple of weeks ago, we ran a short article about James Arthur Chamberlain, head of Project Gemini in the United States, with the task of sending two astronauts on a 14 day earth orbital journey by 1964. Mr. Chamberlain lived with his mother in Summerland as a small boy, and a number of people have told us they recall the name, but nobody has any definite recollections of the family. S. A. MacDonald, former principal of the elementary school, checked the records and found that Mr. Chamberlain had attended grade one in Summerland. One of his classmates is presently chairman of the school board, Ken Boothe. We asked Ken if he remembered his classmate, but he has no memories of him at all. "I just didn't realize at that time" said Ken, "how close I was sitting to fame".

The weather during the past week had its ups and downs, with a high of 86 and a low of 53. The research station reports .04 inches of rain and 48.4 hours of sunshine.

	High	Low
August 15	86	55
August 16	80	61
August 17	78	54
August 18	72	60
August 19	79	53
August 20	81	56
August 21	72	54

Anyone who loves flowers and flower filled scenes must see the display of paintings at the regional library by Miss H. Vincent Foster, an artist who knows what she is doing. Her flower prints, done in soft water colors are a treat to the eye. Her paintings have a master's touch and a freshness that seems to be lacking in the more modern offerings. The first print to catch the eye on entering the library is entitled Sunflowers. The colors are so true that the flowers almost seem to be nodding in the sun. Miss Foster excels in her rose prints. The colors are so exquisite the flowers almost seem dew laden. Her early training was taken in England and many of her scenes are typical old English flower gardens and old Victorian scenes. Many of her paintings have been on display at the Royal Academy in England.

Services for Mr. C. A. Stewart

Charles Alexander Stewart, 66 years of age, formerly of Summerland, passed away in the Summerland General Hospital on Monday, August 20.

He leaves to mourn his loss: one daughter, Mrs. William (Doreen) Krupnik of Vancouver; two grandchildren; three sisters, Mrs. J. (Annie) Gowan of Summerland; Mrs. Isabel Nelson and Mrs. Allan (Hazel) Cross, both of West Summerland.

Funeral services for the late Charles Alexander Stewart will be conducted from the Summerland United Church, Thursday, August 23 at 1:30 p.m., Rev. L. Schuetze officiating. Interment in Peach Orchard Cemetery.

Dr. W. H. B. Munn, chairman of the Rotary-Red Cross Swim Committee, presents Freda Bangma with her award of merit from the Royal Life Saving Society. Presentation took place at the awards night at Rotary Beach last Friday. Watching the presentation are chief swimming instructor Barbara Fudge (right) and her assistant Audrey Beggs. Freda was also an assistant instructor. Dr. Munn also presented 160 youngsters with

awards, won after completing the summer swimming course sponsored by the Summerland Rotary Club. During the evening a demonstration of swimming at all levels, from beginners to lifesaving, was given to the large crowd in attendance. The swimming ended with a demonstration by the Synchronized Swim Group of nine girls, instructed by Barbara Fudge.

Voters must be registered to vote in liquor plebiscite

Harvey Wilson has been appointed returning officer for a liquor plebiscite vote which will be held in Summerland on Monday, September 24. The plebiscite was asked for by the Chamber of Commerce and will be conducted by the provincial government.

Mr. Wilson told the Review that all those whose names appear on the provincial voters' list used in the last election in 1960, and still reside in Summerland are automatically eligible to vote. Anyone who was not on the last provincial vo-

ters' list, has moved to Summerland or reached 19 years of age, must fill in a registration card before Friday, September 14. Only registered voters will

Police court again busy

Appearing in Summerland police court before magistrate Reid Johnston on August 17, Ronald Keith McKinnon of West Summerland was fined \$25 and costs for driving without a licence. Also Pierre M. Anderson of Okanagan Falls was fined \$30 and costs for following another vehicle too closely. The charge arose from an accident which occurred on Gulch Road August 15.

On August 20 Paul Gus Arsons of Penticton was fined \$10 and costs for passing on a double solid line.

August 22, George Peter Kabanoff was fined \$25 and costs for passing on a double solid line.

August 20 Robert Henry Larson of Kelowna, was charged \$25 and costs when found guilty of passing on a double solid line.

RCMP pass a warning on that radar is operating on Highway 97 and they caution motorists to stay within the required speed limit.

WI wins at PNE

Summerland Women's Institute repeated its past performances again this year at the Pacific National Exhibition. With seven entries they won seven prizes.

Contributing members in the Women's Institute were: Plain sewing, 2 articles: first, Mrs. G. Inglis.

Knitted baby set, jacket, booties, bonnet: second, Mrs. G. Inglis.

Crochet tablecloth, ecru over 45": first, Mrs. S. Procuronoff.

Patchwork quilt, hand quilted: first, Mrs. S. Procuronoff.

Applique quilt, hand quilted: first, Mrs. H. J. Mott.

Two articles in tatting, including one handkerchief: first, Mrs. G. Inglis.

Roger's Pass helps local motel business

Despite a season that started in the doldrums, Summerland motel owners are now smiling due to the impact of the increased Roger's Pass trade.

According to Mr. G. Smith, of the L and L Motel, business is much better during the August period, than it was last year at this time, although the weather has not been nearly as favorable. This increase, Mr. Smith feels, is due entirely to the opening of the new pass.

Mrs. Jack Sproule of the Pleasant View Service reports that they have had a notable increase in gas trade and the motel business is also on the increase.

The same report of increased business was received from

Mrs. Len McNabb of the OK Auto Court.

According to statistics from the Glacier National Park gates more people have seen the park in August of this year than in its previous history.

In the first week of August just under 96,000 persons were counted at the park.

One Roger's Pass traveller recently reported that in a roadside check he listed licence plates from eight Canadian provinces and 20 American states. The only Canadian provinces missing were Prince Edward Island and Newfoundland.

Until the fruit season has ended and definite figures are available it will be impossible for valley growers to know how much the Roger's Pass has helped in the definite upswing of fruit sales on the prairies, but the new road and the recent freight reductions have put valley fruit on the western markets at lower prices and the effect is already evident in increased sales.

Request new students to register

Any secondary students (Grades 7 to 12) who have moved into Summerland School District during the summer months are asked to register at the school office from Monday, August 27 to Friday, August 31. The office will be open each day from 9:00 a.m. to 12 noon and from 1:00 p.m. until 4:30 p.m.

Pupils are requested to bring with them any report cards or records available from their former schools. This will help greatly in the assignment of students to their proper classes. If it is not possible to come to the school in person, a phone call to the office (HY4-2501) will be appreciated by the school authorities.

The school would also like to hear from any former students, other than those who have completed their graduation, who will not be returning to the school this fall.

Announcements will be made next week concerning the programme for Tuesday, September 4, the opening day of school

This 38-31-38 figure will be the rave of this year's Pacific National Exhibition. The shape belongs to "Lehra", the transparent talking woman who will be the feature attraction at the B.C. Medical Association exhibit at the fair which lasts to September 3. Lehra — from the German "lehren" to teach — is the name of a plastic model of a woman built especially to teach physiology to the public. She was made in Germany, belongs to the Ontario Medical Association and is making her first trip outside Ontario. Last year she was a big hit at Toronto's Canadian National Exhibition. Lehra was modelled from a 28 year old German woman. Her skin is clear plastic and she has metallic bones. Plastic wires indicate the arteries, nerves and lymphatic system, and the main organs are plastic replicas. A 15 minute tape recording commentary is given by Lehra as she revolves on a pedestal. Her commentary describes the various parts of the body and their function in a manner that has won praise from educators and the clergy. Lehra's original cost was \$20,000.

First Film Society showing set for September 18

"The Sheep Has Five Legs", starring the talented French actor Ferandel, plus Moon Bird will probably be the first film offered by the Summerland Film Society which has been organized this year to bring to Summerland a selection of films of international scope.

The films which have been tentatively chosen are varied in theme and almost all have received acclaim at international film festivals in Europe.

Among other selections to be presented this year is a Greek film "The Girl in Black". A Russian contribution, "The Cranes Are Flying" has received

acclaim in many countries. Tickets for this winter's program go on sale next week. The club is limited to 99 ticket holders, and the \$5.50 ticket will enable the purchaser to see eight very worthwhile movies during the winter.

Mrs. Gordon Noel is chairman of the Film Society and with the assistance of Mrs. L. Lopatecki has done most of the research work which has enabled the club to line up the films.

Mrs. Mel Hyde is acting secretary and will accept memberships, starting next week.

The first film will be shown on Monday, September 18.

New kinds of fruit juices

Experimental packs of several kinds of concentrated fruit juices have been developed by Canada Department of Agriculture researchers at Summerland.

The new concentrates include apple-loganberry and apple-apricot blends; opalescent apple juices from McIntosh and Delicious varieties and orange-apricot and apricot nectar.

The concentrates are diluted to single strength by adding two to four parts of water, says researcher A. W. Moyls. The diluted juices containing 12 to 17 per cent soluble solids are equal in quality to freshly canned non-concentrated juices.

Stability during storage is a bigger problem with concentrated juices than with the non-concentrated kind, Moyls says. Low temperature storage—below 32 degrees Fahrenheit—is necessary for satisfactory shelf life and frozen storage with a temperature ranging between zero and — 20 degrees is preferred.

Low temperature storage is important in preserving the attractive bright red color of the apple-loganberry concentrate, he explains.

Storage temperature also is the key to the quality of opalescent apple concentrate. The concentrate has a shelf life of less than one week at a temperature of 85 degrees; less than two weeks at 32 degrees. But at zero, there is little or no loss in quality for up to six months and, at — 20 degrees, the quality was satisfactory after being stored for a year.

The Answers

ABOUT THE GREATEST

HEATING BARGAIN

EVER OFFERED

1. Q. What gas heating equipment do you have available?
A. Burners to convert existing furnaces which now use oil, coal, wood or sawdust.
Also, independent space heaters
2. Q. Is the equipment available for both home and business premises?
A. Yes, all buildings not presently heated by natural gas.
3. Q. Do I have to buy the heating equipment?
A. No, you lease it from The Gas Company
4. Q. Will you inspect and adjust it free?
A. Yes, gas equipment operates indefinitely without trouble, but if necessary it will be repaired or replaced at no cost to you.
5. Q. Does the gas heating equipment have automatic controls?
A. Yes, full safety controls are included.
6. Q. How can I be certain that the equipment is suitable for my premises?
A. An Inland Natural Gas Company Trained Representative will call and inspect your present heating system and make a survey.
7. Q. Do I have to be a gas customer now to be eligible for this plan?
A. No, if necessary the company will run a new service to your premises provided you can be supplied from a gas main.
8. Q. Will you install the gas pipes and the electrical wiring also?
A. Yes, all normal piping and wiring for the controls is included.
9. Q. Let me get this straight! You say that normally my only outlay for equipment is \$2.00 per month and that you will run a service, do the necessary piping and wiring with Thermostat, inspect and adjust it . . . and that's all there is to it?
A. Yes.
10. Q. What do I do to take advantage of this?
A. Simply call me at the Inland Natural Gas Office.

Inland Natural Gas Co. Ltd. - Growing With B.C.

Editorials

Fall Fair time

Whatever the Fall Fruit Fair may provide in the way of commercial exhibits, entertainment, rides and games, the fact remains that the background of any fair is the individual exhibitor with his or her fruit, vegetables, cooking, flowers and handicrafts.

The prize list for these exhibitors will be out this week end and everyone has ample time to study the entry lists and prepare to exhibit in the fair.

Let's hope that individuals will make a special effort this year to have more and better entries and make the Chamber of Commerce's fair one to be remembered.

It doesn't take a great deal of effort. The flowers, fruit and vegetables will be growing and its just a matter of taking the entry down to the arena. The ladies will be baking anyway — why not an extra pie to show at the fair?

Let's all put an exhibit in this year's fair!

Lone entry for the second year in the Pacific National Exhibition Horticultural District Exhibits is this one from the Okanagan Valley. It has taken the Dewar Shield for six consec-

utive years. The exhibit is made up of products from the entire Okanagan Valley. W. F. Ward of Summerland helped in the preparation of the exhibit.

30 attending convention at Keremeos

More than 80 delegates from the Summerland area will be attending a three day convention of Jehovah's Witnesses at Keremeos this week-end. This announcement was made by Mr. Ervin Felker, overseer of Jehovah's Witnesses in West Summerland.

Mr. Felker announced that the theme of the Assembly would be 'Faithfully Increasing Our Praise to Jehovah'. The climax of the convention will be the public address scheduled for Sunday at 3:00 p.m. Mr. Mills of Toronto will speak on the subject "Who Will Rule the World?"

Seven Congregations from Princeton to Greenwood will be attending the convention to be held in the Keremeos High School Auditorium.

Phony phone numbers

Although Summerland won't have all number telephone dialing until 1964, the rest of our area will have it next year and we'll have to become used to it. We rather enjoyed the recent editorial comment on the changeover in the Kelowna Courier.

"The telephone company tells us that soon we will have another change in our phone system. Gone will be the Linden, the POplar, the AMherst and all the other exchange names and they will be replaced by the corresponding numbers on the dial. Kelowna will no longer be PO2 but 762, while Vernon will not be LI2 but 542. This is being done, the telephone company says, in the name of "progress" and it will be easier for the customer.

Oh? Will it?

There once was a happy time when you could pick up the telephone and simply ask the long distance operator for "Calgary 100". But since those carefree days the telephone companies have been stricken with the modern virus of efficiency and reaching Calgary — or any other place for that matter — has become an exercise in numeral retention and digital dexterity. Instead of relying on the operator, one must now dial 1124031620100 to get that same friend at Calgary. That's right, 13 numbers.

The new method, the phone companies say, is an improvement on the old person to person system. Some improvement, this DDD!

To get a number in the first place, the subscriber usually must ask the operator. And not his operator, but the operator in the place he is calling. Then he must write it down. But what if he is caught at the phone without a pencil, as so often happens? Then, after dialing correctly after the second or third try, he still has to speak to the operator. She insists on knowing his number before the connection is made.

And now they are making it more difficult by replacing even the one word by two more numbers. All numeral phone numbers have infiltrated the whole country and are now in full control of the situation. Though it may be too late, one man in California has assessed the peril and fired the first shot in retaliation. James J. Oppen — history may mark him — is suing the Pacific Telephone and Telegraph Company because it changed his TRIangle exchange designation to 873. Mr. Oppen, who is a lawyer in Van Nuys, claims the switch will cost him business by discouraging clients' calls.

The telephone companies' total conversion to numerals is only the latest and most painful development in the numbers game. Automation threatens to make ciphers of us all. By the time the modern man has memorized the numbers on his automobile and his driver's licence, his dog's tag, his street address, his own and his friend's telephone number, not to mention Miss America's vital statistics, his mental capacities will be exhausted.

Luckily, a new book has just been published to help us penetrate the numeral undergrowth. Its title: How to Survive the Numbers Explosion. Its author? Why bld 1523514 1816165232613114. of course.

It has just about reached the point that it is less frustrating to drive to Vernon than to try to reach a friend there by phone.

Letter to the Editor

The Editor,
The Summerland Review.

Dear Sir,

For the past three weeks, my husband and I have spent the weekends in your lovely little town. Our daughters are skating at the rink. On August 4th, though, I lost my purse, which certainly spoiled our enjoyment. The skaters had planned a trip to Penticton and during the excitement and confusion, I accidentally and carelessly left my purse and three laundry articles on the trunk of the car. This was at 8:30 p.m. and upon our return at 10:30 p.m., we found the laundry on the Anglican Church's stone wall, but after looking around, found no purse. We reported it to the R.C.M.P. then searched again and met two young boys, who told us they'd found the clothing on the road in front of the church, but saw no purse. They said they lived up the road, past the church.

Upon our return this last week-end (11th) I'd hoped my daughter had either found the purse or it had been returned to her. There was a letter in it from her to me with her return Arena address.

I certainly wish, if anyone found it, they would return it.

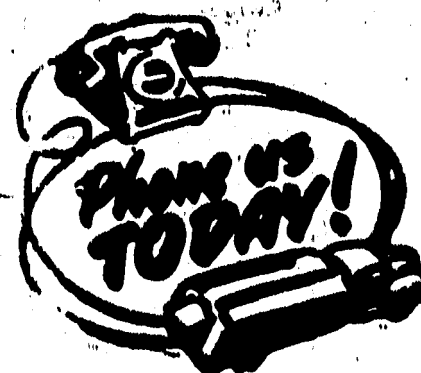

There was a good amount of money in it, two twenty dollar bills and two smaller bills, which naturally I would like to have. But I would like the personal things; my wallet, which was hand-tooled by a friend who is paralysed, my drivers license and car keys, blood donor card, numerous addresses pictures of my family, a new avon black and gold compact and lipstick and sunglasses etc. The purse was a white marshmallow pouch style with handle.

We looked along the irrigation ditch again last week-end, on the road from the rink down the hill towards the highway to Penticton — still hoping. My husband says we might as well forget it, but I'm still hoping and praying it will show up and my faith will be justified that there are honest people in this world.

I thought that through the medium of your paper someone might help.

Sincerely,

Mrs. H. Horner
RR3,
Salmon Arm.

Laugh of the week

"Those new people down the street seem very devoted," said Mrs. Jones to the newspaper which hid her husband.

A rustle of the sheet was all the reply she got, but she was used to that.

"Every time he goes out he kisses her and then he goes on throwing kisses all down the road. Edward, why don't you do that?"

"Me?" snorted the man behind the news. "I don't even know the woman!"

First driver: "I can't stay for a drink, I got to go home and explain to my wife."

Second driver: "Explain what?"

First: "How do I know? I ain't home yet!"

WOMEN'S PAGE

Couple will reside in Summerland

St. Ann's Roman Catholic Church in Penticton was the setting for a pretty afternoon ceremony August 4 uniting in marriage Carole Ann, daughter of Mr. and Mrs. Cecil Jones, Penticton, and Paul, son of Mr. and Mrs. Ted Bartolomeoli of West Summerland. Rev. Louis Viney was the officiating clergyman.

Given, in marriage by her father, the bride was wearing a ballerina-length dress designed with nylon chiffon skirt and lace bodice styled with long sleeves in lily-point and square neckline. A chapel veil

of illusion net misted from a coronet of pearl sequins, and she carried red roses with stephanotis to compliment her pretty ensemble.

ATTENDANTS

Mrs. Gary Wheeler, the bride's twin sister, as matron of honor, was wearing a waltz-length dress of blue floral printed white chiffon with pink accessories. Bridesmaid Miss Judy Betuzzi, the groom's cousin from West Summerland, was

in a pink chiffon dress. She carried white accessories. Flower girl Linda Miardi, also the groom's cousin was wearing a white lace dress with pink accessories. Her nosegay was styled from pink carnations.

John Menu of West Summerland was best man and ushers were Stanley Jones, brother of the bride and Tony Minardi of West Summerland.

Following a honeymoon trip to Banff, the couple will reside in West Summerland.

Comings and Goings

House guests during the past week at the home of Mr. and Mrs. John Pearson, Trout Creek, were Mr. and Mrs. R. A. Dy and Mrs. M. Cooper of Olds, Alberta, and Mrs. Clifford Snyder of Flin Flon, Manitoba. They returned home this week via the Roger's Pass. Other guests during the past month were from Codette, Sask. and Salem, Oregon; Santa Barbara, California, and Port Perry, Ontario.

Visitors with Col. and Mrs. R. B. Berry last week were Mr. and Mrs. Bannister of Smithers; Mrs. B. Walkand of Vancouver; and Mr. and Mrs. J. Crozier of Comox.

Mr. and Mrs. A. L. Bradley and son Mark of Anaheim, California, are visiting at the home of her parents, Mr. and Mrs. T. H. Winter, enroute to Banff.

Grandsons of Mr. and Mrs. W. J. Brambley, Michael and David of Edmonton, have returned home with their uncle, Bob Brambley, via the Roger's Pass. They boys had been holidaying with their grandparents.

Mr. Art Likey of Calgary is visiting Mrs. Mary Felker and other relatives in Summerland.

Mrs. Myrtle Scott has gone to Elkhorn, Manitoba where she will make her home.

Funeral services for Mrs. Maude Witt

Mrs. Maude Augusta Witt of Penticton, passed away on Tuesday, August 21 at the age of 85 years.

A long time resident of Peachland, Mrs. Witt was well known in Summerland.

Surviving her are one stepson, Zeb of Oliver; five sons, George of Vantage, Washington; Joe of Regina; Kermit of Edmonton; Glenn of Fort Benton, Montana; Ralph of Butte, Montana; two daughters: Mrs. Mauda Valentine of Nelson and Mrs. V. L. Lindquist of Blackie,

Alberta; 25 grandchildren and 15 great grandchildren; one brother, Glen Carpenter of Vegreville, Alberta.

Funeral services for the late Mrs. Witt will be conducted from Peachland United Church on Thursday, August 23 at 3 p.m. Rev. C. A. Warren officiating. Interment, family plot, Peachland Cemetery.

Mr. and Mrs. Ross Pomley and four children of Red Deer, Alberta visited Mr. and Mrs. H. J. Mott last week.

Miss Adele Miller, daughter of Mr. and Mrs. Lloyd Miller of Trout Creek is leaving this week to attend a business college in Edmonton.

For Rent

HOUSE FOR RENT — Three bedroom home in Trout Creek, automatic oil heat, mostly furnished, \$90 per month. Ten month lease. Apply J. W. Lawrence Real Estate, HY4-6916.

Visiting for a few days at the home of Mr. and Mrs. W. Greber were their daughter, Reta Greber, RN, and Constable Chuck Hutchinson, of the RCMP, Burnaby. Reta is presently nursing at the Vancouver General Hospital.

Mr. and Mrs. R. D. White were in Seattle Thursday to attend the funeral of an aunt of Mrs. White.

Visiting last week with Mr. and Mrs. C. B. Snow were Mrs. E. Olsen of Vancouver; Miss Nancy Gadberrry of Oroville, Washington; and Mr. and Mrs. W. H. Weitzel of Sun City, Arizona, who have now gone to Vernon to visit with their nephews, Bob and Darryl Weitzel.

The Misses Debbie and Catherine McDougall of Vanderhoof are visiting with their grandparents, Mr. and Mrs. Frank Jacobs.

Mr. and Mrs. E. Fribence of New Westminster, formerly of Prince Albert, Saskatchewan, visited last week with Mr and Mrs. W. J. Brambley.

Mr. and Mrs. H. A. Wallin and children have returned to Edmonton after holidaying with Mrs. Wallin's mother, Mrs. K. Norstrom.

Mr. and Mrs. MacKenzie and Mr. and Mrs. Walker of Nanton, Alberta, visited last week with Mr. and Mrs. John McPhail.

Mrs. Harry Kyne and son Kenneth of Red Deer, Alberta have returned home after visiting Mr. and Mrs. Ross McLachlan and Mr. and Mrs. H. J. Mott.

Alberta visitors of Mr. and Mrs. W. Rothwell during the past week were Mr. and Mrs. Roy Jacques and family of Oyen, Mr. and Mrs. J. Abel and family of Carstairs, and Mr and Mrs. Oscar Berg and family of Calgary.

Misses Lynn, Cathy, Ann and Denise Bennison spent last week with Mr. and Mrs. John Lahoar of Abbotsford. The girls' parents, Mr. and Mrs. Frank Bennison went down on the week end to bring the girls back

Former resident Joe Louie buried in Penticton

Mr. Joe Louie of Penticton passed away in Penticton General Hospital August 8 at the age of 80 years.

Mr. Louie came to Canada in 1907 and worked in Vancouver

until 1916. He moved to Summerland during the first world war and worked in the Wheeler sawmill in Meadow Valley until it closed in 1923. He then worked in the Summerland Box Factory until 1957 when he moved to Penticton.

He is survived by one son in Indianola, Mississippi.

Funeral services for the late Mr Joe Louie were held August 15, Rev. R. C. Gates officiating. Interment in Lakeview Cemetery.

"No Place Like Home" Says Burglar Bill

If you took the advice of Burglar Bill, you'd keep all your valuables at home. Under the mattress, maybe. Or in that old teapot which lost its spout.

But Bill's advice isn't entirely objective. He figures if you leave your valuables at home — even in a "safe" hiding place — he stands a better chance of getting his hands on them.

Much better advice comes from Jock Johnston, manager of the West Summerland branch of the Bank of Montreal. "Keep your valuables really safe in a B of M safety deposit box," says Mr. Johnston. "Your personal strong box, exclusively yours, costs less than two cents a day, and it pays for itself over and over again in peace of mind alone," he adds.

Hundreds of thousands of Canadians use B of M safety deposit box facilities. Their valuables — bonds, leases, stock certificates, insurance policies, deeds, birth certificates, passports and other important family papers — are safe and sound behind the steel doors of the B of M vault.

Forget what Burglar Bill says. Mr. Johnston says: "Clean out those closets, drawers — and teapots. Bring your valuables into the bank instead."

The versatility of sandwich service is limited only by our imagination and creativity. They are a boon these lazy summer days. They can be elaborate or and the mood of the cook — simple — to suit the occasion

With these sandwiches as the basic menu item the light luncheon or supper menu can expand with addition of soup, salad and other trimmings should the weather pull a fast switch and boost appetites of your hungry horde. Here's a new twist on the standard — sandwich Fish Sticks in Toast Coats, a good summer supper suggestion when a crisp tossed salad, assorted fruits and crunchy cookies complete the menu.

Fish Sticks in Toast Coats

1 package frozen fish sticks
10 slices white bread, trimmed
1/3 cup commercial sandwich spread.
1 tablespoon prepared horseradish
Toothpicks

Combine sandwich spread and horseradish. Spread on one side of each bread slice. Arrange one fish stick diagonally across spread surface of each bread slice. Bring two remaining opposite corners to centre over fish stick. Secure with toothpick. Place in hot oven preheated according to package directions for fish sticks. Heat until bread is golden and fish sticks are heated through. Serve immediately.

Pass Rotary-Red Cross Swimming Tests

The following youngsters received their awards last Friday night for passing their Rotary-Red Cross swim tests:

Pollywogs: Michael Adolph, Kelly Bennett, Bobby Brennen, Lucky Campbell, Grant Chadburn, Brett Chomat, Don Cockell, Jeff Estabrook, Grant Gale, Gabriella Giannotti, Lois Goodland, Wally Green, Roddy Halquist, Joey Harrison, Rodney Hickson, Greg Hultgren, Andy Impett, Jimmie Jones, David Kean, Loretta Kropinske, Marjan LaHay, David Lenzi, Irene McCrea, Wade McGregor, Barbara McIntosh, Andrew McKilligan, Lee McLachlan, David McLachlan, Neil McLachlan, Paul McMechan, Shirley Mallett, Ken Mayert, Lee Miltimore, Laurie Moore, Diane Prest, Norman Prest, Richard Ratzlaff, Monica Schaeffer, Donald Shigeyoshi, Dwayne Smith, Marjorie Smith, Heather Smith, Pam Steuart, Erwin Strafeh, Raymond Strafeh, Joan Turnbull, Marlane Walton, Maureen Welsh, Elaine Kropinske, Billy Knuff, David Barclay, Chris Bernhardt, Brian Foster, Joey Nan, Heather Impett, Robert Nicholson, Eric Munn, Marie Etter, Cheryl Tucker, Donna Gould, Jenny Skippings, Tommy Rathjen, Susan Fell

Beginners: Josephine Andreucci, Marianne Boerboom, Janice Caldwell, Susan Downing, Shayne Emerson, Lea Emerson, Joyce Evans, Alan Fisher, Ralph Gerrard, Elizabeth Giannotti, Gail Hickson, Lynne Hughes, Dianne Hultgren, Stephen Johnson, Sandra Kean, Beth Knuff,

Janet Korven, Brian Kuroda, Joe Lacey, Francine Lacey, Eddie Mayert, Chris McIntosh, Ian McIntosh, Linda McLeannan, Mary Mead, Maureen Miltimore, Marjorie Nicholson, Douglas Nield, Kathy Proverbs, Joan Proverbs, Michael Raincock, Susan Schaeffer, Allison Smith, Bryon Watson, Michael Welsh, Brian McLarty, Diane McLarty.

Intermediates: Ted Arkell, George Barkwill, Guy Cockell, Raymond Davis, Colly Eaton, Claudia Evans, David Ganzewald, David Gartrell, Brian Hankins, Stephanie Hyde, Sandra Hubbard, Stephen Hubbard, Pat Impett, Lorraine Kropinske, Gail Makepeace, Beverley Mallett, Anne Miltimore, Lloyd Shores, Marilyn Tucker, Alixe Heal,

Seniors: Robin Agur, Wendy Brennan, Elaine Charles, Pat Gowing, Linda Kropinske, Susan Lopatecki, Marjorie Lewis, Bruce McGregor, Harold McLachlan, Steve Mallett, Jane Miltimore, Marjorie Porritt, Susan Wilson.

Bronze Medallion: Roger Coffey, Nancy Fudge, Merilee McGregor.

Award of Merit: Freda Bangma, Dave Mallett.

Kiwanis Club Notes

Forty-two were present at Tuesday night's meeting, including ten Kelowna Kiwanians who were paying an inter-club visit, also Ewart Woolliams and his son David, Mitz' Hickichi, Henry Woodbird, and Jack Campbell.

Lt. Gov. Doug Campbell reported on his official visit to Yakima, where Wally Mulligan of Penticton was unanimously elected for Lt. Governor of this district for 1963.

It was disclosed that Jack Ratzlaff had arrived at his 39th birthday. It was also found he had sneaked away early, thereby avoiding the usual penalty. However, Jack being the club's sheriff should know the law has a long arm, so his escape is but temporary.

Thursday night Bill Laidlaw is making up a carload for an interclub visit with Oliver.

The evening wound up with a very interesting talk by Ewart Woolliams on the Canadian-Japanese student exchange.

Next Tuesday's steak dinner will be held at the Occidental Friut packinghouse.

Some 500 women, from all parts of life, have registered for the forthcoming CBC conference, The Real World of Woman, to be held in Toronto September 6 to 9. Miss Helen James, CBC supervisor of women's programs (right) and Helen Car-scullen, the conference organizer, pore over letters from women across the country, indicating their interest in the event. The conference will consider the modern woman's role in contemporary society and will present speakers from the United States and Canada, including psychiatrists, sociologists and educationists. CBC will present coverage of the four day conference on both radio and TV networks.

Tips on driving

Canadians died accidentally at a rate of more than one an hour over the past Dominion Day week-end, and 50 of the 85 deaths were caused by traffic accidents according to the All Canada Insurance Federation.

The Federation recommends the following tips from professional drivers for safer motoring this summer:

1. When driving a strange car or if someone has used your car recently - re-adjust the rear view mirror.
2. A straight posture behind the wheel is safer and more efficient than a slouching one.
3. Hands should grasp the rim of the steering wheel, not the spokes. Most professional drivers suggest a fairly high position on the wheel.
4. Most restful position is with the upper arms vertical and the elbows fairly close to the body.
5. Driving should be done when you are relaxed and alert. Times of emotional stress or unusual tiredness are unsafe for driving.

Fungus peril to Geraniums

Want to cut down on the hazards in propagating geraniums.

You can by rooting cuttings in early September, advises G. E. Williams, a Canada Department of Agriculture researcher at Summerland.

He recommends this as a means of avoiding basal stem rot—a disease caused by two species of fungus. It's more troublesome when propagating is delayed until late fall.

The fungus invades the cut ends or through other stem wounds. The tissues become soft and turn dark brown to black as they begin to rot. Affected cuttings do not root and gradually die as the rot spreads up the stem.

There's another way to greatly reduce the disease—by chemical treatment.

Williams advises dipping the

ends of the cut stems in a two per cent ahiram or fergan dust. The dust is prepared by thoroughly mixing two parts of either chemical with 98 parts (by weight) of one of the following: Pyrax, talc, Fuller's earth, or dry, finely screened silt.

Seradix B1, the root-forming hormone, is also beneficial. It is used by mixing equal parts of the hormone with four per cent thiram or fergian dust.

Weather was good and over 200 spectators turned out Sunday to watch the Yacht Club's races on Sunday. Thirty boats were entered making lively competition in all the events.

Yacht Club Commodore L. A. Smith reported that the large turnout was gratifying to the club members, and plans are already being made for a bigger event next year. In charge of the day's races were Teunis Kwak, Don Cristante and Fred Kato. Mrs. Kwak was in charge of the balloon race.

Winner of the time race was Joe Smith, followed by A. Utterhagen and Art Matsu.

First in the balloon race was Bruce Hallquist, and Don Skinner.

In the speed races, over 40 hp. went to Joe Smith with brother Vic Smith second.

In the 40 hp. and under class, first to cross the finish line was Wayne Hendricks of

Penticton followed by Bill Corry of Penticton.

Mrs. G. C. Johnston, president of the Yacht Club Ladies Auxilliary, presented the prizes. Water skiing was demonstra-

ted by club members Tommy Jomori, Fred Kato Vic Smith, Bill Corry, Wayne Hendricks.

This Sunday the club is taking a cruise to Kelowna, weather permitting. The group will

leave at noon and members are asked to bring a picnic lunch.

Plans are being made for a handicap race for all boats early in September. Winner will receive the new club trophy.

SPORTS

On the Rifle Range

by Herb Simpson

Regular weekly practices of the Summerland Rifle Club finished at the Garnett Valley range this week. It was decided at a meeting held at the range on Tuesday evening that the final shoot would be held this Sunday, August 26.

This shoot is open only to members of the club, with trophies for the 200, 500 and 600 yard matches. The Shatford Cup will be awarded to the winner of the grand aggregate score of all ranges, and the Powell Cup will go to the winning four man team.

Members are asked to bring a lunch, and be at the range by 8:00 a.m. It is hoped there will be a good turnout of members for this shoot which will end a very successful season of full-bore shooting.

Fishing News

by Bert Berry

Okanagan Lake

First reports of larger trout this week. One party landed a 4½ to 5 pound trout on Monday and another party landed two of the same size Sunday. Kokanee still biting good. No reports from fishing off the rocks.

Fish Lake Camp

Good reports from here.

Headwaters Camp

No reports but should be OK.

Silver Lake

One report and it was poor. Very moody lake, road good.

Hathume Lake Resort

No reports, but big fish are here.

Pennask Lake

Good fishing. Road rough but passable with reasonable caution used.

Bear Lake

One good report.

Garnett Valley Dam

One good report. Small fish but good.

Rose Valley Dam

No reports but could be good.

Arup Lake

No reports this week but big fish are here. Very moody.

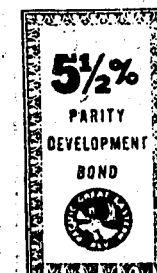

PGE 5½% PARITY DEVELOPMENT BONDS

Something special about these bonds makes them an ideal investment for you

There's no other bond value like it! PGE Parity Development Bonds are unconditionally guaranteed by the Province of British Columbia and they earn you 5½%. Unlike most bonds and other investments, they can never fall in value — the "parity" feature means that you can cash them whenever you wish for their full purchase price. Savings can be the key to a family's most important needs: to education, to a home, to travel, or to retirement. See in these five points why PGE 5½% Parity Development Bonds are the ideal way for you to increase your savings.

1. You receive 5½% per annum on your investment, calculated every 3 months.
2. Your investment is unconditionally guaranteed by the Province of British Columbia. Signposts indicate that 1962 will be the biggest year in our history, with substantial increases in all fields of manufacturing, industrial expansion, mining, oil and natural gas exploration, foreign exports, construction, and income.
3. If you suddenly need the money, you can redeem PGE 5½% Parity Development Bonds for the full purchase price at any bank in British Columbia, or at the principal offices of the Company's bankers throughout Canada.
4. You have the satisfaction of participating in a great public enterprise, vital to the economy of your province. The Pacific Great Eastern Railway is the key to the development of almost two-thirds of British Columbia. Profits on this exciting growth, formerly paid to outside investors, are now kept in British Columbia, helping to add to your province's prosperity and to your own.
5. You can buy PGE 5½% Parity Development Bonds on payroll deduction, if you wish. Your office manager can advise you on this popular method of purchase.

THE ISSUE: This is a Refunding Issue of \$35,600,000. Holders of the previous issue of PGE 5½% Parity Development Bonds maturing September 15, 1962 can continue their investment by arranging to exchange for bonds of this refunding issue immediately.

DENOMINATIONS: Bearer bonds are available with coupons attached in all denominations — \$100, \$500, \$1,000, \$5,000, \$10,000, \$25,000.

INTEREST: Interest at the rate of 5½% per annum will be paid quarterly on the 15th day of December, March, June and September during the currency of the bond.

DATE OF ISSUE: September 15, 1962.

DATE OF MATURITY: September 15, 1966.

REDEMPTION: PGE 5½% Parity Development Bonds can be redeemed at par value at any time at any bank in the Province of British Columbia, or at the principal offices of the Company's bankers throughout Canada.

REGISTRATION: Bonds of \$1,000, \$5,000, \$10,000, and \$25,000 can be fully registered.

August 27	63	50
August 28	67	51

Summerland retail stores will be closed on Labor Day, Monday, September 3. After being open six days a week for the past two months, stores will now revert back to regular Monday closing.

Because of the Labor Day holiday next week, the Review will be published on Thursday afternoon next week.

School opens September 4

Next Tuesday, September 4, at about 12 noon, buses will start to pick up Summerland school students to bring them to the school for the opening exercises which take place at 1:00 p.m.

Secondary students new to the area are asked to register at the school office this week so that they may be assigned to their proper classes thus avoiding unnecessary delays on the opening day. These students are requested to bring former report cards with them to assist the school authorities in placing them in their proper classes.

All pupils attending, from Grades 7 - 12, are to assemble in the Secondary School auditorium at 1:00 p.m. From their they will be assigned to their divisions, given their time-tables and their text book rental fees will be collected. All students are asked to bring \$5.50 on the opening day of school. For Grades 7 - 9 this will pay for their text book rental (\$4.50), a Developmental English Record Book (50c) and a locker rental fee (50c). For Grades 10 - 12 this amount will cover their text book rental (\$5.00) and their locker rental (50c). The 25c assessment for all Industrial Arts and Home Economics students will be collected later by the teachers of those subjects.

Five new staff members will be on the staff of the school for the 1962-63 term. They are: Mr. Grout, formerly with McDonald School, who will have a grade seven class; Miss Lingley, who formerly taught at Goose Bay, Labrador, Science at the Grade 9 and 10 level; Mrs. Orris, formerly of Grand Forks, Girls' Physical Education; Mrs. Sparke, formerly of Penticton, who will be instructing in the Commerce department; and Miss Walsh, a graduate of UBC, in the Home Economics field. Two assistant Principals, Mr. Andrew and Mr. McQuaig, have been appointed. Mr. Tamblin will be acting Principal for the year.

The Summerland Review

Volume 17, No. 37

West Summerland, B.C.

Thursday, August 30, 1962

5c Per Copy

A couple of weeks ago the Review reported on the first use of pneumatic dunnage bags in shipping apricots from Summerland to Toronto. The above picture was taken in the Ontario capital, when the carload of 1,715 crates of cots shipped by Occidental Fruit Company arrived. Only two bags were required for this shipment of apricots, all of which arrived in the eastern metropolis in

perfect condition. Pictured here, left to right, inspecting the test shipment upon its arrival in Toronto are W. Brown, Goodyear representative, and C. Farrell, manager of Gamble-Robinson, Toronto wholesalers. The reusable inflatable bags, manufactured by Goodyear Tire and Rubber Company of Canada, are more economical, safer and faster than lumber for shoring cargo.

Road changes planned

Municipal council is considering using the Baptist Church Hill as a pedestrian walk with railing down the centre and diverting traffic from Parkdale subdivision down the Station Road Hill.

The move, which has not been finalized as yet, was discussed at Tuesday night's council meeting as the most economical and practical way of creating a good pedestrian walk and access road for Parkdale area residents.

Councillor Bill Barkwill was

New classes for swimmers

Do we have a potential Olympic swimmer in Summerland? In order to encourage and train youngsters in competitive swimming next year, a survey is now being made of all interested youngsters.

Classes would be held in swimming for races, with instruction in starts and turning. Classes would be held in conjunction with the Rotary-Red Cross swim classes and assistance would be given by the Rotary Club and the provincial Recreation Commission.

If you are between the ages of nine and sixteen, and would be interested in competitive swimming classes next summer, please contact Mel Hyde, phone HY4-4371 or Gordon Beggs at HY4-6321, before September 8.

WINE SCHOLARSHIP
Mrs. H. Willis of Summerland has won a \$200 scholarship offered by the Pacific Brewers Warehousing Ltd. She will enter UBC in September.

in favor of lowering the grade of the Baptist Church Hill. He mentioned that the grade could be lowered at least six feet as it is much too steep for comfortable walking, and a sidewalk built along the present road, keeping a traffic right of way. This project would necessitate at least a 200 foot retaining wall being built, council was told. An estimated cost of the project was \$3,375.

Reve Norman Holmes felt that this was entirely too much money to spend on such a small strip of road, and after discussion the councillors were in agreement that the Baptist Church Hill Road should be closed and a better access road made on to Station Road.

Works superintendent Ken Blagborne reported that as soon as blacktopping is finished on Station Road, a sidewalk will be built from the top of the hill, leading down the right hand side past Hardie Motors and will connect to the present main street sidewalk. Clearly defined crosswalks will be established for pedestrians. The Station Road project will cost an estimated \$2,075.

It was decided to complete all work on Station Road Hill before cutting off the traffic on the Baptist Church Hill.

The resignation was accepted at Tuesday night's council meeting of E. H. Bennett, as chairman of the municipal park committee. A letter of appreciation from the municipal council will be sent to Mr. Bennett for his many years of service in that capacity. Councillors were unanimous in their praise of the excellent service given by Mr. Bennett.

Fair prize list bigger and better

With the incorporation of the Horticultural Society's annual flower show into the Chamber of Commerce's annual fall fruit fair, the prize list for the fair offers everyone in the community an opportunity to exhibit. Prize lists are now available in local stores and at the provincial horticulturist's office.

The fruit section has been greatly expanded with some very worthwhile prizes offered. A better fruit special for the best collection of three plates of tree fruits offers a prize of \$15 and \$10, donated by the Summerland local of the BCFGA. Best plate of apples in the show will win \$10, donated by Crown Zellerbach.

The junior handicrafts section

Ice skaters end sessions

The Summerland Summer School for skaters finished a successful season on the weekend, with a "Pop" concert on Friday night and corn roast for the skaters. The concert was enjoyed by a number of spectators and featured solos, pairs and dances by all skaters currently with the school. The six Kamloops skaters and their professional, Mrs. Gloria Milliard, had completed their session and returned to Kamloops the previous weekend. Successful tests were held on Saturday and Sunday, with Carina Campbell passing the fourth figure test, Vernon Hartt, the sixth figure test and Jacquie Hay of Penticton, passing the difficult seventh figure test and one Gold dance. This makes the second 7th test passed at the Summerland School this summer. (Continued on back page)

has been tripled in size with classes for all youngsters to enter.

The vegetable section and the junior vegetable section offers an opportunity for all to exhibit the produce of their gardens.

Other classes include poultry, honey, handwork and handicrafts.

The Women's Institute is conducting the fruit pie contest and this year the Summerland Review is offering a prize of \$10 for the best pie in the contest, with a second prize of \$5. Only condition is that the editor must be allowed to sample the winning pies.

This year's fall fruit fair, on September 7 and 8, will present top notch entertainment from throughout the Okanagan Valley. Friday evening, before the queen crowning, the town band will perform, and later in the evening, the newly formed Summerland dance band will make its first public performance in Summerland.

Soloist during the queen crowning will be Miss Elizabeth Beames, Canadian soprano.

Miss Beames will be a guest artist on Saturday evening's performance. A gymnastic team of five girls and five boys from the Kelowna Aquatic Club will present an exhibition of gymnastics and give a trampoline display on the 40 foot stage.

Eight young Summerland dancers, directed by Mrs. Roy Kuroda, will perform Japanese dancing.

A group of dancers from the Loretta Keller School of Dancing in Penticton will give an exhibition of tap dancing.

Also on Saturday night there will be western singing, clowns to amuse the kiddies and fun and games for all.

Services for H. Cartwright

Funeral services for Harold Cartwright, 70 were held Tuesday, August 28 in St. Stephen's Anglican Church at 2 p.m. Rev Norman Tannar conducted the services.

Mr. Cartwright died Sunday, August 26 in Summerland General Hospital.

He is survived by his wife, Isabel; three sisters, Mrs. Stanley Turner, North Vancouver; and two sisters in England.

Interment was in the family plot, Peach Orchard Cemetery with Royal Canadian Legion branch 22 officiating at the graveside services.

J. R. McLachlan, left, outgoing president of the Canadian Weekly Newspapers Association points out the well sculptured horn of an impressive butter buffalo to Charles Nolan, new first vice president, and Miss Janis Evans, daughter of Manitoba Queen's Printer, R. S. Evans. The butter buffalo was sent to the 43rd annual convention of the CWNA, recently concluded at Winnipeg, by the Manitoba Dairy Association. Mr. McLachlan is publisher of the Virden (Man.) Empire Advance and Mr. Nolan is publisher of the Stouffville (Ont.) Tribune.

WOMEN'S PAGE

Mr. and Mrs. Gordon Beggs honored on 25th anniversary

Over 40 friends gathered on Saturday night to honor Mr. and Mrs. Gordon Beggs on the occasion of their 25th wedding anniversary. The group met at the home of Mr and Mrs Don Agur, Crescent Beach, and co-hostesses were Mrs. Earle Wilson, Mrs. A. Dunsdon, Mrs. H. Kean and Mrs. Agur.

Among those present were the best man and bridesmaid of the ceremony 25 years ago, Bob Butler and Mrs. Phyllis Kent (nee Hill) of Penticton.

Mr. and Mrs. Beggs were married in St. Stephen's Anglican Church in Summerland.

The toast to the couple was given in a miniature fruit stand given by Bob Butler. to Mr and Mrs. Beggs by Susan. A sum of money was presented by Agur.

Comings and Goings

A guest at the home of Mr. and Mrs. E. O. Mortimer has been Miss O'Neil of Vancouver. Mrs. Mortimer returned to Vancouver with her to spend a few days.

Mr. and Mrs. Clinton Smith with Bobby and Jerry of Quesnel spent a few days with Mr. and Mrs. J. E. Smith.

Recent visitors at the home of Mr. and Mrs. V. Brawner were her sister, Mrs. C. Embree and her son Arthur of Coronation, Alberta; Mr. and Mrs. A. Worrington of Merid, Sask.; Mr. and Mrs. Don White of Coquitlam; and Mr. and Mrs. Vergil Brawner of Victoria.

Cook over 800 meals

In Keremeous this last weekend at the Similkameen High School, 403 persons filled the auditorium to hear Mr. D. M. Mills, District Supervisor of Jehovah's Witnesses, answer the question, "Who Will Rule the World?"

He pointed out that righteous world rule was not an arrangement born and bred by men but an arrangement set up by Jehovah God and administered by his son, Christ Jesus.

During the three day assembly, Robert Langstroth and Glen Woitte, both of Summerland, looked after the feeding of the hundreds of witnesses an interested persons who attended the Assembly, by preparing and serving over eight hundred meals.

Mr. and Mrs. C. O. (Chuck) Brawner, Cathy and Randy returned to their home in Victoria after spending a week in Kelowna and Summerland. They were guests of Chuck's parents, Mr. and Mrs. V. Brawner.

Miss Dorothy Dunsdon of the RCAF station at St. Sylvester, Quebec, has been visiting her parents. She was accompanied by Miss Pearl Beaman.

Mrs. Gilbert Purss and daughter Sharon of Elliott Lake, Ontario, are visiting at the home of her parents, Mr. and Mrs. F. Pearce.

Mr. and Mrs. L. R. Andall and family of Saskatoon were visiting over the week end with Mr. and Mrs. Ron Andall.

Mr. and Mrs. Alex. Inch and family attended the PNE over the week end.

Mrs. Wm. Brown recently travelled to Vancouver to attend a wedding.

Mr. and Mrs. H. Hackman returned Sunday from a visit with relatives at Edmonton and Calgary. On their return trip they were accompanied by their daughter Carole who had been holidaying in Edmonton after completing her summer school course at U.B.C. She leaves this week for New Westminster where she has accepted a position on the teaching staff of the Lord Calvin School.

Mr. and Mrs. D. R. Walker and their three children have returned to Winlaw after spending the last several months at Crescent Beach.

Rev. and Mrs. Joe James of Victoria are spending a few days in Summerland. Rev. James was a former pastor of the Free Methodist Church.

Mr. and Mrs. Vern Lockwood and their daughter and son-in-law are taking a fishing trip at the Shuswap lake on Thursday. Mr. and Mrs. Cliff Hultgren (Thelma) will also go to the Shuswap with the Lockwoods.

Visitors at the home of Mr. and Mrs. I. Williams last week were their granddaughter and her husband, Mr. and Mrs. B. Brock of Squamish. Also their daughter and son-in-law, Mr. and Mrs. C. V. Long of Squamish. Mrs. Williams has spent a few days in Vancouver with her sister, Mrs. Johnson.

We were literally flooded with Comings and Goings this week, and the rest of them will appear in the next issue.

Present gifts to Kennedys'

On Sunday evening, Rev. Lyle Kennedy terminated eight years of association with the Summerland Baptist Church and to express their appreciation of his ministry and to bid the family farewell, members were hosts at a reception following the church service. It took the form of a 'shower'. Mr. and Mrs. Kennedy and sons Christopher and Russell were escorted to seats of honor in a church parlour filled with well wishers.

Mr. Roy Wellwood explained the purpose of the gathering and then called on various officials to carry out designated tasks. In turn there appeared an assortment of mysterious parcels to be unwrapped by Mrs. Kennedy to the accompaniment of appropriate remarks and much merriment. These included an electric kettle, a coffee table, TV tables, a ceramic tile featuring the church and made by Mrs. Gertie Gayton, a barbeque and a cheque.

Those making the presentations were Mrs. M. M. Stephens, John MacDougald, Miss Dale, Walter M. Wright, Arnold Gayton, Jack MacDougald and Ray Harrington of Peachland.

Finally Mr. Wellwood invited Chris and Russell to lift the corners of the cloth of the folding table on which the gifts were displayed and stated that the table and chairs on which the family were sitting were also included in the gift.

Tea and peach shortcake were then passed, thanks to the planning of the social committee: Mrs. F. R. Ganzevelt, Mrs. W. King and Mrs. D. McWhinnie.

Next Sunday, Rev. Kennedy begins a pastorate in Nelson by special request of the B.C. Baptist Board and his many Summerland friends will wish him and his family well in their new home.

The Fair needs your exhibit

Here we are — with only a week left before the 6th annual Summerland Fall Fruit Fair, sponsored by the Chamber of Commerce.

Committees are hustling, the Queen Crowning Committee is planning for a spectacular crowning, and the entertainment committee has lined up some top notch talent for the Saturday night show. Indeed there will be all the fun of the fair at the fruit fair. But without the exhibits, without the products of our orchards, our poultry farms, our gardens, without the exhibits of local skills and talents, there will be no fall fruit fair.

Truly our fair is a show case — a show case of the community and every additional exhibit adds to the community's stature.

It is recognized only too well that the Fair falls at a busy time of year, but usually it is the busiest people who find, somehow, the time to do that extra job. And so we hope that when fair day comes, when the sound of the merry go round dins on the ear, when the smell of hot dogs pervades the crisp fall air, that the men and women of Summerland will have made the time to get their exhibits in. We particularly hope to see more entries in the junior handicrafts department, as this section has been tripled in size, and should prove an impressive and interesting exhibit at the fair.

In short, regardless of what committees may do, the success of the fall fruit fair depends in the main on the extent of community participation.

★ ★

Parents will be parents

Down in Rocky Mount they have a lot of meetings that take parents away from home, according to Bugs Barringer. The story is most interesting as Barringer went on to relate:

"This town has as many meetings as any town its size in the country. Some folks like to serve on committees and when there are committees there are bound to be meetings.

And then there the kickoff breakfasts, luncheons and suppers. One young man said the other day after attending a meeting or so a night plus some kickoff affairs that he was about ready to kickoff himself.

The story is going around the town about a local man who had been to a meeting of some kind every night for three weeks. Through some mistake he had a night at home with his wife but when he got home found that she had to attend a meeting. Before leaving the house she gave instructions about bathing the children and putting them to bed. When she returned late that night from her meeting she wanted to know did the husband have any trouble getting the children to go to bed.

"Didn't have a bit of trouble with any of the kids except with that red headed boy. He kept arguing about not wanting to sleep in the same bed with Johnny. Finally I told him to shut up and go to sleep," said the husband.

"We don't have any red headed children. That must be Jimmy from down the street," said the wife.

Jimmy's parents had not missed him. Both of them were attending a meeting on "How Modern Parents Can Raise Their Children." The baby sitter was watching TV with her boy friend.

"IT'S A TIME TO GIVE SOME THOUGHT..."

...IN THE SPIRIT OF FREEDOM AND DEMOCRACY...

...TO OUR FREE WAY OF LIFE...

...BUT MOST OF ALL IT'S THAT GREAT DAY...

...OUR RIGHT TO WORK AND BARGAIN...

...FOLLOWING WHICH...

Parkdale Place report

by Mabel Atkinson

Our interest this month has been directed to far away Ethiopia, where T. O. Williams' granddaughter, Jessie, has joined Operation Crossroads, 190 students from Canada and the USA. Some 16 of these students are going to Ethiopia to fraternize with university students there, building up a bridge of understanding between the people of Africa and America.

Jessie's group went to Saka to spend five weeks helping to build an addition to a government school, built of smeared eucalyptus poles, tin roof and earthen floor.

She describes the lush vegetation, markets, donkeys, mud roads, churches in which services are 2½ hours long and conducted in the Gelez language, beggars, women in shams mingled with American films and jazz.

Their entertainment was most elaborate, in spite of unrest among the students, clamoring for a new age to supplant totalitarianism.

The students attended a banhis Imperial Majesty's birthday, quiet of 25 courses to celebrate the food somewhat undescrivable and they also contacted the Sultan of Kaffa, who boasted of having 39 wives and 50 children.

Miss Williams is a student at the University of Manitoba in Winnipeg, and a graduate of the Toronto Conservatory of Music. She has played before Queen Elizabeth. On her return

LAUGH OF THE WEEK

Teacher: "Well, Fritz, what drawing exercises have you done?"

Fritz: "A cow feeding on grass in a meadow".

Teacher: "But where is the grass?"

Fritz: "The cow has eaten it all."

Teacher: "And where is the cow?"

Fritz: "It's gone to another field because all the grass is gone."

After the question, "What were your duties and what was expected of you in your last job?" the girl wrote:

"I was a secretary, and was expected to think like a man, act like a lady, and work like a dog."

she plans on lecturing.

We wish our matron, Mrs. Cornish, bon voyage on her trip to Toronto and hope to hear items from the Toronto fair on her return. Mrs. Elliott officiates while she is away.

We were invited by the IOOF to join the Old Age Pensioners in a trip to the Observatory at White Lake and enjoyed a nice tea on returning.

An invitation to the coffee party given by the Women's Institute to visit Mr. and Mrs. Earle White's beautifully landscaped garden was enjoyable. Many rides have come our way.

Mr. and Mrs. Burton, accompanied by our old friend Mr. T. Garnett, gave an excellent showing of colored films of Japan and the South Seas, depicting the well nurtured gardens and many shrines of the Orient.

Mrs. Crozier received a letter from Major North, living in Singapore. Postage cost \$2.10, and depicted scenes of that far away city. She also has entertained many friends during the month.

We wish to express our appreciation to Mr. and Mrs. Moody for vegetables and Mrs. Stewart for a treat of homemade bread, and the many other donors of flowers and fruit.

Mrs. Emery alone celebrates a birthday. We wish her many returns.

Mrs. Gould, our champion knitter, has completed nine juvenile sweaters for the Red Cross during the holiday season.

Our flyer is not wearing his wings yet. Maybe later.

Visitors numbered 60 with the farthest away from England, Scotland, California and Iowa. Our oldest caller, Mr. Coulter, 95 years old, was going with his wife from Vancouver to Edmonton to see the new Roger's Pass.

Kind thoughts go to Mrs. Maude Read, recuperating in hospital.

Return of a native

A note in a recent circular from the Nanaimo Biological Station of the Fisheries Research Board of Canada says that Sea Otters (*Enhydra lutris*) may become re-established in B.C. and gradually build up a very valuable fur industry. A magnificent marine mammal measuring up to five feet in length and weighing between 50 and 80 pounds spends most of its life at sea off kelp beds, rocky islets and reefs. Apart from man, their only enemy, the killer whale. Once found in great abundance in our Pacific waters, the sea otter was discovered by Russian explorers in 1792 and in succeeding years was hunted so mercilessly by Americans, Englishmen and Russians for their rich fur (a single skin has fetched as high as \$2,500) that by 1900 they had been almost wiped out. Since then the herds have been protected by fisheries authorities.

The world of broadcasting loses two of its most durable performers when Eric Vale and Mary Grannan retire this year from their regular work on CBC radio. Eric Vale is known to listeners of Leicester Square as "The Old Stager" and Mary Grannan is the writer of the children's programs, Mary Muggins and Just Mary. Vale began in showbusiness 50 years ago in Vancouver with his comic recitations and songs reminiscent of the English music hall. Mary Grannan, who has been on CBC radio for 23 years, has had 26 children's books published in three countries.

THE CASTLE
THAT GAS
BUILT...

It was last summer when it all started... the family decided to convert to Natural Gas, and the money saved during the winter months helped them enjoy a good holiday the following year. Also, because the change-over was completed during the summer, they found the service good... and fast.

Why don't you too look ahead and convert to Natural Gas now... you'll discover that Natural Gas will heat your home and provide hot water for less money than any other fuel.

Motorcade covers Canada, will attend opening

The CAA's Motorcade arrived at the B.C.-Alberta border after more than 28 days of driving over the new Trans-Canada Highway. The motorcade, comprised of twelve cars from across Canada left St. John's in Newfoundland on August 1.

The Motorcade's first overnight stop in B.C. was Salmon Arm, where the local Chamber of Commerce supplied an outdoor barbecue for the thirty participants of the cross country drive.

The following evening, August 29, they were the guests of the City of New Westminster at a dinner held in that city's newest hotel, the Royal Towers.

Thursday a short tour through Stanley Park and North Vancouver has been arranged for the group, ending with an official welcome by the City of

Vancouver at the City Hall, after which they'll be given a luncheon by Frank Baker, at the Top 'O' The Towers. From the Towers, the Motorcade proceeds to Horseshoe Bay where they'll leave for Nanaimo, and remain there for a civic dinner to take place at the Malaspina Hotel.

While in Victoria, they'll attend a barbecue, a provincial luncheon at the Empress Hotel, and a buffet dinner at HMCS Naden. However, the highlight at Victoria will be the wheel-dipping ceremony which is to be held at James Bay Anglers Club.

The following day, the group begins a return journey to Rogers Pass, where on September 3, Prime Minister Diefenbaker will officially open the Trans-Canada Highway.

George Dunsdon wins Shattford Cup shoot

Although the weather was far from perfect, ten members turned out to the final shoot of the season at the Garnett Valley Range on Sunday morning. Because of the rain and cool temperature, it was decided to shoot seven-shot matches instead of the usual ten-shot contests.

The Shattford cup for high aggregate was retained by G. Dunsdon with a score of 89x105 with Herb Simpson placing second with 88 points. At 200 yards, Harold Richardson shot a score of 33x35 to win the Munro Cup; second prize went to Herb Simpson with 31x35. The Summerland Rifle Club cup

for high score at 500 yards was won by Herb Simpson after a shoot-off with George Dunsdon, both men having scored 30xv5.

The contest for the Adams-Gartrell memorial cup at 600 yards proved to be a bit of an upset, as two junior members Frances Bentley and Larry Fetterer had to shoot off with veteran George Dunsdon, all having scored 30x35. When the shoot-off ended, Larry Fetterer was the new holder of the cup.

Tyro high aggregate was won by Harold Richardson, score 87x105 with Jim Sheppard in second place. The McCargar trophy for shooters under 19 years of age was won by Frances Bentley with an aggregate score of 87x105. She also won the ladies' high prize.

The range is now closed for the season, and as it is private property, any unauthorized persons found trespassing will be prosecuted, as several instances of malicious damage have occurred during the year.

At this time the club wishes to thank the Summerland Review for space provided for news of club activities during the season.

Kiwanis Club Notes

Thirty met Tuesday night for the usual summer steak dinner held, by courtesy of Clair Elsey, in the Occidental Fruit Co. packinghouse. This included two visitors, Fred Walker, introduced by Jerry Hallquist and Doug Hill, introduced by Doug Campbell. Both of them have decided to join the club.

A big hand was given to Johnny Selinger and Doug Campbell for gratis work done on the portable trailer used for moving Jerry Hallquist's grill kitchen.

Carl Dietrich also received a big round of applause for the delicious steaks he had supplied all summer. The enthusiasm could have indicated to the uninformed that he had contributed them. However, whatever they may have cost, they were worth it, every bite of them.

Bill Laidlaw reported on last Thursday evening's visit to Oliver, where Bob Ainstead was the guest speaker.

President Walter Toevs is organizing another meeting at Oliver this Thursday evening, when he will supervise an executive meeting after the dinner to ensure they are getting away to a good start.

That elusive sheriff, Jack Ratzlaff, has done it again. He again stole away early, thereby avoiding his delinquent birthday penalty, but the day or the night of reckoning is sure.

Depending on the weather next week's steak dinner will be held on Walter Toevs' lawn or again in the Occidental.

— The Recorder

Ice skaters

(Continued from front page) mer, as Bonnie Fuoco passed her 7th two weeks earlier. The Gold Test Panel has come in from Vancouver and Trail and included Granville Mayall and Miss Dorothy Whiteoaks of Vancouver and Ron Beattie of Trail.

Pam Wyles of Penticton and Carna Campbell of Summerland passed one Senior Silver dance each, and Bruce Barritt of Kerisdale Skating Club passed the three Senior Silver dances.

On Saturday, tests passed were Jacquie Horner of Salmon Arm, preliminary figure test; her sister Wendy, the first figure test; and Karen Amos of Penticton passed her first figure test. Passing the second figure test were Harley Andrews and Mary Parkins of Penticton, while Shawny Prentice of Vernon and John and Betty McKilligan of Nanaimo succeeded in passing the third figure test. A good number of preliminary, bronze and senior bronze dances were passed by this group.

A real treat for the spectators on Sunday was a demonstration of the Gold Dances by John and Donna Lee Mitchell of Capilano Winter Club in North Vancouver. They have twice placed second in the Canadian dance championships and last winter represented Canada in the world Championships at Prague, Czechoslovakia. Last winter they trained in England where they learned a new Gold dance, the Rumba, and everyone was very pleased with the demonstration given. The Rumba has not been accepted in Canada or the U. S. as of yet.

Fishing News

by Bert Berry

Okanagan Lake
Trout fishing has started coming in again, both trolling and off the rocks. Grasshoppers are working good for trout off the rocks.

PLAN NEW SKI TOW

An executive meeting of the Summerland Ski Club was held at the home of the President, Don Agur on Sunday, August 19. It was decided to build a cable tow, capable of taking a skier 1,000 feet up the hill and plans were formulated to obtain the necessary parts and a power unit.

The cabin will be improved and a work party is planned for Sunday, September 9, when it is hoped that a large group of helpers will turn out to prepare the cabin and hill for winter use.

Dr. D. M. Lawrason, a Rotary member from Medicine Hat, has made a set of cupboards for the cabin and Holmes and Wade Ltd. have donated a suitable cook stove.

Fish Lake

Fair reports on Fish Lake and good reports on the upper lakes.

Garnett Valley Dam

A couple of good reports but no big fish.

Rose Valley Dam

One good report of fish up to 3 1/2 pounds.

Pennask Lake

Been slower this last week but is improving and will be good again.

Some reports in from northern areas above Vernon and all good. Weather will be a determining factor this week. If weather is good, fishing will be better than average.
