

Under the Giant's Head

Over \$1,200 was collected in the annual Kinsmen sponsored Mothers March on Monday. Sixty five Summerland ladies and 12 Peachland mothers participated in the drive against polio.

Residents of Parkdale Place surprised and pleased the ladies who called, with a very sizable donation they had collected among themselves and had ready to present to the ladies.

Greenwood Cleaners donated the proceeds from all the ties they had cleaned during the past week, and L. A. Smith Ltd. donated a percentage of all gas sales last Saturday.

The marching mothers enjoyed a cup of coffee, courtesy of the Kinsmen Club, after the drive.

The B.C. division of the Canadian National Institute for the Blind is again sponsoring its essay contest. The contest is open to all grade 10 students in the province. The essay judged best locally is sent to Vancouver and the three best in the province receive cash prizes.

In Summerland the writer of the winning essay is awarded the Alstead Memorial trophy, presented by R. Alstead.

Summerland winner in 1959 was John Downton. 1960 contest was won by Elaine Dunsdon and last year the winner was Gloria Tilbe.

Only .19 inches of precipitation was recorded at the research station last week with 23 hours of sunshine.

	High	Low

At the annual meeting of the Summerland Association for Handicapped Children held last week, George Lane was re-elected president. Ed Krause is vice president; Mrs. J. P. Sheeley, secretary; and Hans Meierhofer treasurer.

Elected to the executive were Dr. Fred McInnes, John Tamblin, Miss Sally Ney, PHN, Ed McGillivray and John Prior.

Guest speaker at the meeting held in the high school was Dr. McInnes, who spoke on the RH factor in the newborn as related to mental retardation and on the rare malady in infants, phenylketonuria, which also will cause retardation in children.

Mac's Cafe Aces travelled to Merritt over the week end and won two games. In a close contest Saturday night they won 4-3. On Sunday afternoon they came from behind to win 5-3. The whole team played well as they extended their winning streak.

This Sunday, at 3 p.m. in the Jubilee Arena, the Aces will meet the Lumby Flying Frenchmen. Coached by a former professional, Bob Balance, this team is currently leading the Northern Hockey League.

All school children will be admitted free Sunday, as the Aces try to extend their winning streak to six games.

Court of revision hears six appeals

The Court of Revision to hear appeals against the 1962 assessment roll was held in the municipal office on Monday, February 5.

Chairman F. E. Atkinson and members J. R. Butler and Lorne Perry heard six appeals, allowing a reduction in two cases and sustaining the assessment in four.

F. W. Schumann obtained a reduction of \$2,000 on his dwelling and Phyllis Ella Haar had her land reduced by \$425.

Fred Desbrisay Mathers

Funeral Service for S. Dodman

Mr. Seth E. Dodman of West Summerland passed away in Summerland General Hospital on January 29, at the age of 75 years.

Besides his loving wife, Olive he is survived by eight sons (Ila) Moorman, Rutland; Mrs. and five daughters: Mrs. Glen Ted (Iya) Ellingsen, North Surrey; Mrs. Leslie (Lois) Hunt, Nipawin, Sask.; Mrs. Bob (Mari) Cloakey, Nipawin; and Mrs. Beryl Ricke, Choiceland, Sask.; Delmar, Codette, Sask.; Lorne, Glen and William of Calgary; Irvine, Swift Current; Bert, Beinfait, Sask.; Ted and Orville, West Summerland; 52 grandchildren and one great grandchild; a brother Thomas, Fort Langley; a sister, Mrs. Mary Couch, London, Ontario.

Funeral services for the late Mr. Seth Dodman were conducted from Summerland United Church, Saturday, February 3, at 2 p.m. Rev. Phillip Louie officiating. Interment in Peach Orchard Cemetery, Roselawn.

will be the guest speaker at the annual Chamber of Commerce banquet in the IOOF hall tonight (Thursday).

Mr. Mathers is president of Royal City Foods Ltd., and Delnor Frozen Foods Ltd., New Westminster.

He was born in Neepawa, Man., and educated in Vancouver, Edinburgh University and McGill University.

He is a commissioner of the International Pacific Salmon Fisheries Commission; past president of the Canned Foods Association of British Columbia; past president of the Canadian Food Processors Association; president of the Canadian Manufacturers Association, and a past president of the New Westminster Board of Trade.

Mr. Mathers is married to Gladys Catherine, daughter of John Moore Robinson, first reeve of Summerland, and one of the founders of this municipality.

Highlight of the banquet will be the presentation of the good citizen award.

Large turnout of growers at annual Chautauqua

The annual Chautauqua meeting held in Summerland last week had a good turnout, as over 80 growers listened to the interesting discussions.

The first speaker at the evening session was Maurice Trumpour, Penticton district horticulturist, who discussed spray machines and pest control. Mr. Trumpour stressed the great importance of having a spraying machine that is mechanically efficient.

He told the growers that in tests carried out by the horticulturist last year, only one sprayer in five was found to be doing an efficient job. The remaining four, due to mechanical defects, were not properly spraying the orchard.

He said that in order to have efficient spraying, the air blast should be at least 100 mph and the volume of air blown out at least 7,000 cubic feet per minute for concentrate sprays.

Mr. Trumpour highlighted the 1961 insect control program, stressing where the valley had fallen down and the improve-

ments he hoped to see for the coming season. He mentioned the importance of the spray calendar, which he said would be in the mail shortly.

Mr. G. Oswell, district horticulturist from Vernon, used

colored slides to illustrate his talk on fruit diseases and their control. He also talked on virus disease in fruit trees, telling the growers that as yet no spray has been devised to control virus.

Report cattle losses during fall roundup

Local ranches are expressing concern again this year over the number of cattle missing from their summer range. The animals are rounded up late in November from the range back of Peachland and the ranchers were short about 20 head this year.

A local rancher told the Review that this has been the case for a number of years now, usually about 20 head cannot be accounted for. The ranchers do a lot of riding every year, but no trace of these animals has been found.

In dollars and cents this re-

presents a very substantial loss. This year some of the local ranchers were out five or six head, running their loss, in some cases, close to \$1,000. The average price of a good animal on the hoof is about \$150.

About six Summerland ranchers with large herds, drive their cattle into government ranges. They pasture on Garnett and Meadow Valley ranges in the spring and fall, and then drive the cattle up behind Peachland to pasture for the summer.

It is from this range that they have been losing stock.

Famed Baritone here Feb. 15

In the second of this season's concerts, the Summerland Overture Concert Association will present baritone McHenry Boatwright on Thursday, Feb. 15.

Internationally acclaimed in concert, opera and oratorio, Mr. Boatwright possesses a voice extraordinary both for size and flexibility.

He sings in six languages and has appeared with equal success in such varied oratorios as the Verdi Requiem, Carmina Burana, Messiah, L'Enfance du Christ and the Beethoven Ninth. He starred as Porgy in the Gershwin opera before an audience of 20,000 at the Hollywood Bowl and has been heard on the CBS broadcasts of the New York Philharmonic Symphony. His vocal range extends from low F to high B flat without fluctuation in quality, permitting him to sing both baritone and bass roles.

Since his New York debut, Boatwright has earned an enviable reputation among the leading conductors. Leonard Bernstein describes him as "a truly great voice" and signed him for the New York Philharmonic Opera Gala broadcast in 1960. Harriet Johnson of the New York Post reviewed the event as follows: "As Mephistopheles, McHenry Boatwright had the biggest singing opportunity of the afternoon and he met the challenge magnificently. His rich, vibrant quality poured out with intensity while his scorn when he proposed to destroy Faust's soul was superbly portrayed."

As a singing ambassador, Boatwright has defied the normal expectations of a young

artist. His 1958 tour of Japan included 32 concerts, all of which were sold out. Variety, the show business weekly, devoted two columns to the unprecedented success of a serious singer in Japan, particularly among the Japanese youth. It was during this tour that Boatwright conceived the idea of using himself as accompanist for his group of spirituals. His Japanese accompanist was unable to perform an encore request for Deep River at his concert at Osaka, so McHenry sat down at the piano and improvised an accompaniment on the spot. The reaction was so enthusiastic

that he now performs all his spirituals in this manner.

The artist also devotes many hours to piano practice and developing new arrangements of spirituals. It is the sacred character of this music that is most important to McHenry, so he sings his group of spirituals without the interruption of applause.

First in this year's series of Overture Concert presentations, was Lords Puppets, which played to a capacity audience. The third program will be the Morisset and Bouchard duo piano team who will perform here April 5.

Skiing still popular

The annual meeting of the Summerland Ski Club will be held Saturday, February 17 at 8 p.m. in the Nuway Annex. All land and the future development interested in skiing in Summerland of the hill are asked to be present for this meeting.

With new snow and more in the offing, skiing should be quite good this week end. Last Sunday over 100 people were at the hill. The week end started out fine, with good skiing Saturday, but a rainfall that night made conditions very icy on Sunday.

Don Agur and Bob Barkwill were both on hand to give instruction to novice skiers. Both these men hold certificates and instruction is free.

Joe MacLachlan will be driving young skiers up to the hill on Saturdays. Those wishing a lift are asked to be in front of Smith and Henry's at 1 sharp.

The chalet has proved to be very popular this year. Mrs. Don Agur keeps the coffee pot boiling and hot dogs are available to chilly skiers.

The club is hoping to be able to make skis, boots and poles available to those who haven't adequate equipment. To do this they are hoping for donations

of used equipment from anyone in the community. Particularly needed are children's sizes. At the moment, many of the kids using toboggans would be skiing if they had equipment.

Donated equipment may be left at Shannon's Transfer. It will be made available at the chalet.

Services for Mrs. Janet McNab

Funeral services for Mrs. Janet McNab, 84, who died suddenly in Summerland General Hospital, January 30, were held at 3:30 p.m. Friday, February 2, in Summerland United Church. Interment was in Peach Orchard Cemetery with Rev. P. K. Louie officiating.

The late Mrs. McNab had lived in Summerland for the past 12 years. She was born in Rayburn, Manitoba and is survived by two sons, Malcolm, of Field and Charles, of Calgary. There are two grandchildren.

A brother, Dan Spiers and a sister, Mrs. Jane Nelson, live in Summerland.

T.S. Manning
LUMBER YARD

Formerly a featured singer with Lawrence Welk (right) and his band, and seasoned by five years in the entertainment business in the United States, Maurice Pearson (left) returns to Canadian radio. He can be heard each week in two radio shows on CBC's Trans Canada network — with the Bud Henderson combo in the "Maurice Pearson Show" each Thursday and with Lordaine McAllister and the Dave Pepper Orchestra in "On a Sunday Afternoon", heard alternate Sundays.

**School plans for
June commencement**

At the secondary school, the 1962 grade 12 parents meeting held recently had a good turnout. 33 families out of a total of 44 were represented. As well as laying the foundation plans for the 1962 commencement, which will be held the first Friday in June, parents and teachers discussed scholarships, bursaries and loans available to students wishing to take higher education.

University entrance requirements were discussed by principal A. J. Longmore. Parents were told that students who do not pass all exams in June will not be accepted. In the past, students writing summer supplementals successfully could enter university in the fall.

Summerland parents were very interested in the possibility of a grade 13 class. According to Mr. Longmore, the initial survey made last fall, showed 17 students interested in the course.

The Snow Queen frolic, the juniors formal party, was held last Friday. Sharon MacIntosh of grade seven was crowned queen. A number of parents turned out to watch the games and dancing.

The next assembly, featuring a public speaking contest, is slated for Wednesday, February

14 at 9 a.m. Richard Johnston represents house 1, Daralyn Ducommun house 2, Laverna Lyn house 3 and Ruth Pielou, house 4

Mr. Longmore hopes to have a Home Oil representative present the \$400 scholarship won by the students representing the school on the TV program, "Reach for the Top".

Also a representative of the Pepsi Colo company is expected to present the curling trophy won by the Brian Eden rink in Kelowna.

Eleanor Martin and Ron Embree were chosen to represent Summerland at the annual students conference at UBC. The two day event starts on Friday, February 22.

Teacher P. Ochs is sponsoring a chess tournament at the school. Sixteen boys, from grade nine up, are enjoying the play, and are now in the semi finals. Playing are M. Lopatecki, H. Oxley, B. Popow, I. Sayers, L. Poulson, M. Tamblin, J. Rathjen and D. Holman

Births at Hospital

Born at Summerland General Hospital to:

Mr. and Mrs. Geoffrey Solly, a son, February 1.

Mr. and Mrs. Vernon Borton, a son, February 2.

Mr. and Mrs. George Braden, a daughter, February 7.

Comings and Goings

The Onleys, Jim and Florence, dropped in to tell us of some of their experiences during a recent trip through northern B.C. and the Peace River country. Jim is doing promotional work for the Seattle Times in connection with the gigantic Seattle world fair. He tells us that accommodations are now booked solidly back as far as Chilliwack, and the fair isn't due to open for some time yet. Jim feels that the Okanagan will enjoy a great influx of visitors from the Exposition this year.

Drs J. Milmore and J. Mason are attending the Western Canada conference on range management, in Kamloops this week. Dr. Mason is presenting a paper on range fertilization.

St. Stephens elects officers at annual meeting

At a well attended meeting of St. Stephen's Anglican Church, last week Alex Inch was appointed people's warden and Bruce Blagborne as rector's warden.

Elected to the church committee were Dr. S. W. Porritt, Dr. D. V. Fisher, A. W. Watt, Ron Hodgson, T. B. Washington, Norman Holmes, H. W. Beames, Roy Mead, W. C. Baker, Frank Maddocks, Howard Prudt, H. Waterhouse and Fred A. F. Calder was elected as Downes.

vestry clerk, Mrs. F. V. Harrison treasurer, E. O. Motimer envelope secretary, and G. C. Johnston auditor.

Lay delegates are F. E. Atkinson and A. F. Calder, with K. B. Thomson alternate.

Afternoon Branch WA representative is Miss Marion Cartwright and Evening Branch representative Mrs. C. M. Robinson.

Smooth sleeping ahead in tailored pyjamas of 65 per cent Terylene and 35 per cent cotton. Contrasting piping on the fine batiste pyjamas matches the light weight robe in solid colored 100 per cent Terylene crepe. Both pyjamas and robe are machine washable and will require touch-up ironing only.

The B.C. Opera Players spectacular double bill Pagliacci and Cavalleria Rusticana starring Eva Beames of Summerland, opens at Vancouver's Queen Elizabeth Theatre Wednesday February 14. William Flavin and Russel Christoph, New York opera stars will sing the male leads.

In Victoria this week are Mr. and Mrs. K. Blagborne, enjoying a few days holiday; also in the capital city is Mrs. Ted Dunsdon who is visiting her mother.

Out of town for a week is Miss Bernice DeWitt, daughter of Mr. and Mrs. Howad DeWitt. Bernice is visiting Mr. and Mrs. M. Wright at Rutland.

Rev. and Mrs. G. Leasor are entertaining his mother, Mrs. F. Leasor of Burlington, Wash.

Attending a meeting of the Western Canada Food Processors in Vancouver this week are Miss Dorothy Britton, Dr. C. C. Stachan, F. E. Atkinson, Dr. R. D. MacGregor and John Kitson.

In Vancouver this week are Mr. and Mrs. Walter Wright. Mrs. Walter Dymouski visited last week with her daughter Kay, and Mr. and Mrs. John Embree are visiting friends there this week.

Also visiting the coast are Mr. and Mrs. R. J. Barkwill.

Mr. and Mrs. John Jardine were called to Lacombe, Alta. because of the death of his mother

Mr. and Mrs. Irvine Adams have had her brother, Mr. Gerald Milson of Montreal as a guest recently.

Creating Industry

There is a disease that blights much of this valley, that some, for lack of a better name, have dubbed "Okanagan apathy." This "slow it down" and "what's the use" attitude has deflated many worthwhile efforts in many communities.

It has had its most insidious inroads in some of the larger cities, retarding efforts on the part of a few hardy souls to obtain industries, and payrolls. Not the least sufferer from this is our neighboring city of Penticton, which put too many chips in the tourism pot and utterly ignored warnings that this would mean a lopsided economy. Penticton leaders know, today, how apt that warning was.

Just recently we came across an instance of a complete contrast to this negative approach, and with it an example their Summerland may well profit from.

The little town of Altona, Man., is a community of 2,000 population. Need of payrolls to supplement a slender economy led a few hardy individuals to develop a scheme whereby they raised \$70,000, organized a limited company, in which most of the community had shares, and then built a garment factory. This little venture was soon bought out by a private concern — on terms, but at a considerable profit — and this firm is now employing about 35 local women, steadily, in garment making. Eventually, say the new owners, it will be a \$1,000,000 industry employing many more than the present 35.

The idea took initiative, courage and vision. No doubt some of those in Altona called the scheme "hare brained", senseless, or even worse. But the venture paid off. It demonstrated a fact that we read about recently, when an industrial development expert stated that, to get industry, a community must go out after it, or, better still, create it out of local resources and initiative.

Let's face it: Summerland needs industry and the diversified economy it brings. Such industry won't come to us, asking, "please, may we come to your town?" — not with 3,000 towns looking for industry, and bidding high to get it.

Therefore, we'll have to go about it differently — or we, too, will become a town that, in place of an expanding economy will be like a clock that is gradually running down and will eventually stop.

And — in a final word — don't merely nod your head, and agree "this is a good idea" and let it go at that. Do something about it, if only to talk it up among your friends.

Misusing Cars

In Russia, farmers who "misuse" tractors, combines and other farm equipment can be sent to prison for up to three years under a new decree aimed at increasing agricultural output.

This offers the germ of an idea for increasing safety on our highways. The number of local drivers who "misused" their automobiles during this winter's ice and snow skirmish was quite appalling, and quite indicative of a lack of knowledge of the laws of physics, mechanics and simple safe driving rules.

Motorists by the score tackled hills with poor tires and even bald tires; going up they achieved little more than to wear off more precious rubber as they spun their wheels under the mistaken notion that more pressure on the gas would get them somewhere else than where they were headed: the ditch. Coming downhill, many of them should have turned prematurely grey and been faced with a cleaning job as their brakes, locked in a frenzy of ignorance, turned their vehicles into sleds.

Others bounded along black-iced roads at 25, 30 or more miles an hour, displaying a smug smile at all the "chicken" drivers who put on chains or at least had snow tires or who wisely stayed off the roads altogether. Only the miracle of not having to stop in a hurry saved them from being the cause of tragedy, for anyone who travels much above twenty mph on this type of road is advertising that he knows little or nothing about defensive driving and incipient hazards.

There used to be, in the Model T days, a saying about any car that was battered and worn: There goes an accident looking for a place to happen!

In any unusual weather around here, such as a sudden snowfall we have more than our share of accidents looking for places to happen.

Safe driving with a modern car today offers few challenges to a driver's skill, so automatic have cars become. But it is a source of satisfaction to be able to handle one expertly when the need does arise. And it's a lot easier on your passengers and those who case what may happen to you.

The MV "City of Victoria" was accepted by Premier W. A. C. Bennett, chairman of the B.C. Toll Authority Ferry System, in a ceremony at Victoria on Saturday, Feb. 3. President Harold Musband of Victoria Machinery Depot turned over the ship in a ceremony at sea during a cruise with 700 invited guests. The City of Victoria is the third new ferry completed for the system which provides service to Vancouver Island, the mainland, the Sunshine Coast and the Gulf Islands. Plans have been announced to bring the fleet up to 17 ships.

Unemployment possibility

by Rev. G. Leasor

There is the possibility of a move this spring that could increase unemployment in some vocations as much as one-half at least. In fact this possibility has existed for several years now. Such drastic reduction in employment could occur in the ranks of the R.C.M.P., juvenile court judges, marriage counsellors, probation officers, and other related fields of labour. The possible move spoken of is not automation in this case. No substituting robots for men in the aforementioned occupations is anticipated. The move that could be responsible for all this would be a move to

ward God by leaders of our homes. If enough fathers would make and carry out the following resolutions some of our policeman friends and social workers would be out of a job. These are the resolutions:

1. I will accept the God Given responsibility of spiritual leader in my home. (Deuteronomy 6:7)
2. I will read the Bible and pray daily with my family. (Ephesians 6:4)
3. I will ACCOMPANY my family regularly to the place of worship. (Hebrews 10:25).

How about it, Dad? I'm sure our unemployed friends could find a job in some less wise community.

An unfortunate Inventor

Armstrong Advertiser

Questioned recently about the origin of paper, we decided to give Ts'ai Lun of Lei-Yang, the inventor of paper, some belated explanation in our editorial column.

Few people remember Ts'ai today, since he neither passed laws, wrote poetry or won battles. He was well known in his day as an officer in the court of the Emperor Ho Ti.

One day when he had very little to do, which was most of the time, he invented paper. He conceived the idea of manufacturing a substance out of old cloth and the bark of trees, to replace bamboo. All one had to do, he thought, was beat these substances into pulp, smooth them out and let them dry on a flat rock in the sun.

Mr. Lun proceeded to do this and in the year 105 AD presented a few sheets of his paper to the Emperor with his compliments.

The Emperor congratulated the inventor, but, like so many other government heads, shelved a good idea. However some years later the Emperor wanted to correct a fact which no longer suited his purpose.

He called in Mr. Lun and commanded: "Write a new his-

tory changing this error into a truth which will be in keeping with our dynasty and publish this history in your paper"

Mr. Lun carried out his Emperor's instructions and the new history was distributed far and wide in the kingdom of Lei-Yang.

Unfortunately for Ts'ai Lun, the Emperor who ordered this change died soon after. The Emperor who replaced him did not share his predecessor's opinion about the historical error. He ordered the arrest and imprisonment of Mr. Lun, whom he called a traitor. But before Mr. Lun could be caught he repented of his action. Having bathed and dressed in his most elegant robes, he found a vial of poison and drank it.

The new Emperor, however, saw how Mr. Lun's invention could be used, and he planned to use it often. He had Mr. Lun's cottage appropriated in lieu of back rent. The stones which had formed the mortar for the first paper he had transferred to the Imperial museum where they have become a humble monument to the man who first profited from paper and first suffered by the use of it.

Parliament Hill Report

by DAVID PUGH, M.P.

I would not call last week in Parliament startling, but supplementary estimates have provided plenty of political fireworks.

First of all acreage payments to western farmers was lauded on all sides, but the then directly challenged by the opposition as not payment based on drought losses — and if so, too late. The Government's answer was that total revenues from the prairies were down slightly under fifty percent and that this was compensatory. Further the Government's position was that high crops losses were adequately covered under the Prairie Farm Assistance Act.

The next item provided payments to fishermen. These were attacked at length on the basis that it was a meager payment compared to what western farmers got. It was the first time that I have seen Mr. MacLean, Minister of Fisheries, other than completely calm. In a short biting speech he pointed out that Newfoundland fishermen were in complete agreement with the payment and that it covered thirty-five percent of the losses of income whereas payments to the western farmers had totalled only ten percent of the drop in income. He silenced all opposition when he demanded that his opponents move that instead of a \$300,000 payment, only one dollar should be allowed. This stopped the debate and the item passed immediately.

To those of you who take Hansard, I would suggest that you read the Minister of Lab-

our's speech on winter work and vocational training.

This debate is not yet finished and I will include it in my remarks for next week.

Letter to Editor

I would like to express the pleasure that I am sure the community must feel in observing the efforts of our local Teen Town. During the past few years our young people have proved that Teen Town can be a very useful community organization.

In holding their dances and activities they have the usual expenses incurred by any group and yet, through their own efforts, they collected a record amount for the March of Dimes — \$620. Their contribution of record player to the school at the many other ways in which they have helped their community prove the usefulness of such an organization.

But doesn't it ring rather sour note when they have continually beg adults (they needn't be parents) to spend one or two evenings a year to chaperone their dances? Teen Town is doing what the older citizens don't do — providing a healthy outlet for young peoples' energies and keeping them off the street, every Saturday evening.

Come on folks — let's give them a hand and show our appreciation of their efforts. Put one of their council and your name on the list for the first free Saturday evening we have, even if it is several weeks from now.

SCOUT SHORTS

1st Summerland Troop

Troop turnouts continue to be near perfect with only three absentees this week due to sickness. A near perfect score was also recorded this week in uniforms worn, this despite a change in the weather.

Highlight of this week's meeting was the showing of a film "Wings Across the Border" depicting some of the work of the international Ducks Unlimited organization. The troop is indebted to Mr. Powell for projecting the film which proved one of the best we have seen in wildlife conservation. We hope to borrow more of the films provided by this organization.

Instruction dealt with Tenderfoot tests, second class lashings and 1st class estimations. The older boys received instruction on the Fireman's Badge from Ma. McLachlan at the fire hall. This past Saturday six boys passed their Trees and Shrubs Test with Mr. Towgood.

Patrol scores are now: Buf-faloes 142, Beavers 135, Eagles 129 and Hawks 125. Duty patrol for next week, Eagles.

— D. V. Fisher, Scoutmaster

Summerland student at Wisconsin U.

John A. Stewart of Summerland is among the approximately 1,000 foreign students from 75 countries and six continents who are studying at the University of Wisconsin in Madison this year along with about 19,225 American students from all of the United States and the U.S. Territories of Puerto Rico, the Virgin Islands, and Western Caroline Island.

About one out of every 20 students studying at Wisconsin this year is from a foreign nation. A total of about 800 of the foreign students are enrolled in advanced graduate studies in the university's graduate school, with the remaining 200 foreign students enrolled in undergraduate studies.

The foreign students come from countries which vary in size from as large as Australia to as small as Lebanon, and in distances from Canada to Japan and South Africa to Sweden. Students from Asia form the largest group of foreign students at Wisconsin again this year, followed by those from the Americas. There are also large groups of students from Mid-Eastern countries, western Europe and the countries of Africa.

India has sent the most students to Wisconsin's University this year, with 203. China is second with 114 followed by Canada, 111; Japan, 35; Egypt, 32; Korea, 31; Thailand, 30; Hong Kong, 27; the Philippines, 24; Mexico, 21; Indonesia Republic and Norway, each 17; and Venezuela, 16.

If your house is looking its age — or older — you may find it hard to be enthusiastic about welcoming guests into your home.

Best way to fix it — so you will really want to take your turn entertaining the bridge club or social group — is to have your house put shipshape by means of a low-cost Home Improvement Loan from the B of M.

Home Improvement Loans at the B of M cover just about all kinds of home repairs and improvements — and that goes for flats and multiple dwellings, too, whether you live in them or not!

NOW'S THE TIME to become happily house-proud once more. It's the slack season for many trades, so, with a loan from the B of M, you'll get the job done when you want it, how you want it and at a price you can afford to pay. Why not talk it over with the people at your neighbourhood branch of "MY BANK" right away?

FRANK WIGGENHAUSER, formerly of West Summerland, B.C., deceased.

NOTICE IS HEREBY GIVEN that Creditors and others having claims against the estate of the above-named deceased are hereby required to send them to the undersigned Frank R. Haar, solicitor for the Executor, at Granville Road, West Summerland, B.C. before the 9th day of March, A.D. 1962, after which date the Executor will distribute the said estate among the parties entitled thereto having regard only to the claims of which he then has notice.

ANDREW TURIGAN Executor. FRANK R. HAAR Solicitor.

Legal

Province of British Columbia Department of Highways Similkameen Electoral District ADVANCE WARNING OF LOAD AND SPEED RESTRICTIONS ON HIGHWAYS

During the Spring break-up it will very likely be necessary to impose load and speed restrictions on some roads, pursuant to Section 199 of the Motor Vehicle Act. These restrictions may be imposed on short notice and trucking and transportation companies should govern themselves accordingly, and are requested to take advantage of the present road conditions.

The restrictions will limit the axle loads of trucks and buses, and will restrict speed. Vehicles with solid tires will be prohibited from using the highways.

Your co-operation in the protection and elimination of damage to all roads would be appreciated.

P. E. BISHOP, District Engineer.

Dated at Penticton, B.C. this 5th day of February, 1962.

Fashioned by Gominco craftsmen from silver mined and refined in the province, these miniature silver stones provide a fitting prize for Grand Aggregate champions in the B.C. Curling Association Bonspiel, being held this week in Summerland and Penticton rinks. The Consolidated Mining and Smelting Company has been making and giving the famous silver rocks since 1925. In the early days they were presented every 4th year when the B.C. spiel was held in Trail. Later, silver stones were awarded to B.C.'s Grand Challenge champions and more recently to the Grand Aggregate winners. Stones are 3 1/2 inches in diameter and weigh approximately 1 1/2 lbs. each.

Kiwanis Club Notes

At Tuesday night's meeting, Bill Laidlaw occupied the chair in the absence of Walter Toevs.

Four guests from out of town were with us to enjoy the good pork chop supper. They were Mack McGuinness, Evans Loughheed, Jim Park and Bill Towgood.

John Tamblyn led the singing which was enjoyed.

A rash of birthdays helped George Henry's "little box" no end, and those celebrating — and paying — were Bob Alstead (who was absent, but will receive attention next week), John Tamblyn, Johnny Betuzzi, Jack Towgood and Blake Brandon. Happy birthday, fellows.

The annual Cancer Society meeting will be held on Wednesday, February 14, and Scotty Ritchie has been asked to represent the Kiwanis Club.

A letter was received from the Canadian Girl Guides, thanking the club for help given last

year in paying the rent for them at the Youth Centre.

Another letter was received from Tommy Young, who is on holiday in Long Beach, California, saying that it is cold and wet. From sheer boredom, it appears that he went to the court house to listen in and promptly went to sleep. When he awakened, court was over and everybody had gone home. What do we think? Well, well! Don't do it again, Tommy, and come back home, the sun shone yesterday. Come on back.

Being work night, committees met, discussed their projects and reported to the meeting.

— The Scribe.

Badminton players top two Westbank teams

Members of the Summerland senior badminton team hosted the Westbank club on Sunday afternoon. A good afternoon of playing was enjoyed with Summerland team winning. A return match will be played in Westbank this Sunday.

Members of the Summerland team were: Mrs W. F. Evans, Mrs R. L. D. Cuthbert, Mrs L. Lopatecki, Mrs P. Pielou, G. R. B. Fudge, W. F. Evans, J. Tamblyn and F. McInnes.

The junior badminton team sent eight players to Westbank, and won over that club's junior team.

Playing for the juniors were Mary Cuthbert, Gillian Miles, Sue Lopatecki, Anthea Morgan,

Mike Lopatecki, George Horschiel, Edgar and Gerald Mosley.

The Westbank juniors will play here on Sunday.

Arrangements are being made for the local club to meet Kelowna and Penticton.

Summerland Review

The Summerland Review

Thursday, February 15, 1962

West Summerland, B.C.

Volume 47, No. 7

Under the Giant's Head
Summerland's young people keep their names in the news. Congratulations to John L. Adams, son of Mr. and Mrs. C. Adams, who along with 30 other UBC graduating students, received his forestry ring at a graduating class banquet Wednesday. Other students in the news are Miss Magda Wouters, daughter of Mr. and Mrs. Hank Wouters and Miss Shirley Anderson, daughter of Mr. Ken Anderson. The girls, student nurses at the Vancouver General Hospital, have recently done field work in public health nursing at the Summerland Health Centre.

Two rinks of Rotarians entered the Salmon Arm Rotary Bonspiel and came back with top prizes. A rink skipped by Norm Holmes, with Dave McInnes, Cece Wade and Allan Cross took first in the B event. The other rink with Dr. W. H. B. Munn, Gordon Beggs, F. R. Ganzeveld and Earl Wilson placed second in the "A" Event. Most of the fellows had not been curling this winter and were pleased with their success. Rinks from all the valley Rotary clubs entered the spiel.

Also our good friends and neighbors currently enjoying the rain in California had a Summerland luncheon at Venetian Square, Long Beach, on February 9th. Present were Mr. and Mrs. S. A. MacDonald, Mr. and Mrs. Jack Kirk, Mr. and Mrs. Jack Gowan, Mr. and Mrs. V. M. Lockwood, Mr. and Mrs. Reid Johnston, Mr. and Mrs. Blake Milne, Mr. and Mrs. H. Milne, Mrs. W. R. Powell, Mrs. Florence Stark, Mrs. A. Walden, Mrs. G. Morgan, Mrs. C. McCutcheon, Mrs. Isobel Nelson, Mrs. E. R. Butler and Mrs. L. W. Rumball.

There were .49 inches of rain, .5 inches of snow and 4.6 hours of sunshine recorded at the research station during the past week.

	High	Low
February 7	36	21
February 8	36	32
February 9	37	32
February 10	43	34
February 11	41	33
February 12	46	33
February 13	40	36

The Rod and Gun Club will meet February 19 to make preparations for the big game banquet February 23. On the menu will be moose, deer and possibly cougar.

Last Sunday, Macs Cafe Aces and Lumby Flying Frenchmen played to a 6 all tie in a very exciting hockey game in the Summerland arena.

At the end of the first period Lumby led 2-1, at the end of the second frame the score was 4-4, and both teams scored twice in the third period.

Aces will meet Lumby again in Summerland in the near future.

Honored on 60th anniversary

On Saturday, February 10, at the home of Mr. and Mrs. Graham Bouey, friends of Mr. and Mrs. D. B. Bouey called to add their personal good wishes to the numerous cards, telegrams, and beautiful bouquets received by the happy couple on their diamond wedding anniversary.

The event was made particularly memorable when Father Guinan presented them with an engraved parchment scroll from the Vatican, containing the papal blessing of His Holiness, Pope John XXIII.

Father Guinan also read telegrams from Her Majesty, the Queen, Prime Minister Diefenbaker, Lieutenant Governor Parkes, Premier Bennett, Frank Richter, MLA and Dave Pugh, MP.

Local organizations sending congratulations were the Summerland Municipal Council, the Catholic Women's League, and the staff of Summerland Secondary School.

Dancers plan Valentine party Sat.

Square dance classes are in session every Wednesday evening at the Parish Hall, with Bob and Mary Emerson instructing.

A new round dance is taught every two weeks, in addition to the good square dancing, and our instructors report that we have shown great improvement since lessons started in November. The newer dancers are mastering the rounds much quicker, now that they have learned the basic steps.

We are happy to welcome back Lorine and Roy Potter and Goldie and Paul Charles, who were unable to attend the first series of lessons.

Members of the Pairs and Squares have been enjoying party nights at Kelowna, Westbank and Penticton, and are looking forward to entertaining visitors from other towns at their Valentine party night this Saturday.

Bud Corrier will emcee this fun level dance, with visiting callers welcome. Teen age dancers in Summerland should make a point of being on hand to welcome guests of their own age group from other clubs.

Louise McCrea is convening refreshments and the ladies of the club will be hearing from her regarding contributions. We will also be the host club at the Okanagan Square Dance Association meeting and workshop on Sunday, February 25. Stella Martin will convene the supper served to the dancers that night.

Miss Marion Cartwright was named Summerland's good citizen of the year at the Chamber of Commerce's annual banquet Thursday night. She received the Reid A. Johnston Cup from J. E. O'Mahony. Miss Cartwright was the first secretary of the Women's Institute marketing service through which the fruit was first shipped out of Summerland, a charter member of the Riding Club, an active member of the Singers' and Players' Club, the Horticultural Society, and is an accomplished figure skater. She has been an active member of St. Stephen's Anglican Church, and a mountain and a lake in Summerland have been named after her family.

52 rinks entered in annual bonspiel

The first rock of the Summerland Curling Club's 10th annual bonspiel was thrown last night. Curling will continue today, Friday and Saturday with the finals on Sunday. Fifty-two rinks are entered in the 'spiel which will be held on the Pentiction Granite Club's ice, as well as the Summerland ice. President Harry Hackman reports that this is the largest bonspiel to date.

Four events will be played off: the "A" event with the Oc-

cidental Fruit Co. trophy, the "B" event with B.C. Fruit Shippers trophy, "C" event with Walters Ltd. trophy, and "D" event with the Holmes and Wade trophy.

Highlight of the bonspiel will be the annual smorgasbord style banquet in the Anglican Parish Hall on Friday night, catered by the ladies curling club.

Society seeks good turn-out

President Dave MacIntosh has planned a vigorous re-organizational program to be presented to the regular monthly meeting of the Summerland Horticultural Society, on Tuesday, February 20, in the Anglican Parish Hall. Everyone is advised to note the change of date.

It is hoped for a large turn out for this important meeting. All members, past and present, will be advised by mail. Subjects to be discussed include re-organization of meeting dates, shows and programs.

Program for the evening will include a special showing of movies of interest to all gardeners.

The evening will conclude with refreshments and a social hour.

Enjoy trip to Naramata

Seventeen members of the Summerland United Church H-C Group, and their counsellors, Mr. and Mrs. David Munn, drove to Naramata on Sunday evening, to be the guests of the Naramata Youth Training School.

The young people first attended a church service, conducted by three students from the Youth Training School, in Naramata United Church. Afterwards, they joined in a fireside group held at the Training School, in the beautiful new Columbia Hall.

The inspiring messages given by the students and by Dr. MacLaren and the wonderful fellowship with other young Christians, made this an occasion to remember.

Plans are already underway to return the invitation, and all members of the Summerland H-C are eagerly anticipating their next get together with the Naramata Youth Training School students.

Work progressing on storage tank

Water chairman W. B. Powell reported to council at the regular meeting Tuesday that all the cement for the Trout Creek water Tank has been poured. Walls of the tank are now up, with the crew pouring 80 yards of cement Tuesday. The top section of the water line is now ready for testing. Works superintendent Ken Blagborne told council that this will be done by giving the pipe a 100 per cent overload and holding it for half an hour. He said such a test would show up leaks and prevent trouble in the future.

Mr. Blagborne reported that he had consulted with aluminum roofing specialists in Vancouver

regarding the leaks in the arena roof. He was told that a great deal of the drip is caused by condensation and the only preventative measure is to place insulation beneath the roofing when the building is going up. Reeve Norman Holmes said that Salmon Arm had found that plastic lining was not satisfactory either. An Alcan Aluminum engineer will look at the arena roof in the near future.

After hearing from the town planning commission, council will write Mr. J. C. Sproul stating that they are not in favor of rezoning to commercial the district where his service station is located.

C of C Banquet hears distinguished speaker

"I believe that the European Common Market is the hope of the world", said Mr. F. D. Mathers, president of the Canadian Manufacturers Association, in his address to the annual banquet of the Summerland Chamber of Commerce, last Thursday.

Mr. Mathers told his attentive audience that even a few short years ago, many of the countries now in the ECM would not have dreamed of working together for the common good. He went on to say that countries who have been traditional enemies for years are now sitting at the same conference

tables working out problems of trade. Marketing discussions are common ground for all nations and peoples of the world, said Mr. Mathers.

The speaker was introduced by Ken Boothe and thanked by Hilan Hughes.

Entertainment for the banquet was provided by the Melodeers, directed by Mrs. L. L. Fudge.

Mrs. F. E. Atkinson presented the Atkinson Cup for the light-up for Christmas contest to Mr. and Mrs. Lacey of Trout Creek.

Reeve Norman Holmes installed the 1962 officers of the Chamber.

Eric Vale, as the "old stager" stars with John Dunbar and Harry Pryce and his Orchestra, on Leicester Square, Canada's oldest variety show still on the air. This Thursday, February 15, they are joined on CBC radio's Trans Canada network by Audrey Farnell in a salute to the anniversary of the opening of CBC studios in the Hotel Vancouver — 25 years ago this week.

February weddings

CAMPBELL — McNABB

One p.m. on February 10 was the time chosen for the wedding of Leona Marie McNabb and Flying Officer Thomas Marino Campbell, with Rev. P. K. Louie officiating in Summerland United Church. Daughter of Mr. and Mrs. L. W. McNabb, West Summerland and son of Mr. and Mrs. T. W. Campbell of West Summerland, the young couple will live at Namao Air Force base near Edmonton.

Given in marriage by her father, the bride looked lovely in a floor length white gown, featuring a fitted bodice and a full skirt. Her veil was held in place by a pearl tiara and she wore a cultured pearl pendant, gift of the groom. She carried a heart shaped bouquet of red

roses.

The brides five attendants, Mrs. Guy Bürsey, matron of honor; Miss Joan Young, Miss Dianne Soquist, Miss Irene Pennington and Mrs. Don Skinner, wore identical gowns of emerald green satin with matching headpieces. Their jewellery consisted of pearl drop pendants, gifts from the bride.

Groomsmen was Mr. Bill Ward of Merritt and the ushers were Jim McNabb, Vancouver; Terry Campbell, West Summerland; Don Campbell, Vancouver, and Tom Jamori, Summerland.

Wedding music was supplied by Mr. Ken Storey and Mrs. Bud Green sang a solo.

Later, at a reception in the IOOF Hall, the bride and groom and their parents received 125 guests. The hall was decorated by Mrs. Wm. Mortimer, with the bride's table being centred with a four tier wedding cake. Mr. Peter Andrew acted as master of ceremonies.

For their honeymoon in the USA, the bride chose a suit of avocado green.

TAYLOR — HOFFMAN

A trip to Seattle by car followed the candlelight ceremony at the Summerland United Church at 6:20 on February 10, which united Rosalie Marie Hoffman and Douglas Stanley Taylor in marriage. Daughter of Mr. and Mrs. Paul Hoffman and son of Mr. and Mrs. Stan Taylor, both of West Summerland, the young couple were married by Rev. P. K. Louie.

The bride entered the church, which was decorated with green and yellow candles and spring daffodils, on the arm of her father. Her gown, which she fashioned herself from white peau de soie satin, featured lace inserts on the skirt, an Elizabethian neckline trimmed with mother of pearl sequins, and lily point sleeves. A pearl tiara held her shoulder length veil in place. Her wedding ensemble was completed with a bouquet of carnations and roses.

Matron of honor, Mrs. Pauline Marshall and bridesmaid Miss Evelyn Hoffman, wore identical aqua blue dresses with white accessories. They carried bouquets of white carnations. The flower girl, Miss Marilyn Marshall was charmingly attired in pink velvet.

Best man was Keith Taylor, brother of the groom, and Ken Marshall, Phillip Taylor and Keith Hoffman were ushers.

Following the ceremony, the bridal party, the bride and groom's parents, and the groom's grandparents received 133 guests at the Rosedale Room of the Royal Canadian Legion. Mr. Les Rumball acted as master of ceremonies. The guests enjoyed a dance later in the evening.

Comings and Goings

Miss Sheryl Aiken was a recent guest at the home of Mr. and Mrs. Les Rumball.

Mrs. C. Adams had her son John and his wife as recent guests.

Recent visitors at the home of Miss Mary Scott were Mr. and Mrs. D. Hamilton of Okanagan Falls. Also visiting was Mrs. E. Taylor of Regina.

Newcomers to the Trout Creek area are Dr. and Mrs. D. R. Heincke, who have purchased the Ralph Smith home. He will work in the pomology section at the research station.

Mr. and Mrs. Roger Tingley spent last week end in Vancouver.

Miss Sally Ney, PHN, recently a patient in the Summerland Hospital, is spending two weeks visiting her brother in Florida.

Mrs. Robert Troup of Peace River is visiting with Mrs. Tom Ritchie.

Mr. Will Jenkinson flew to New York recently and from there motored to Florida to visit relatives.

Also out of town, Miss Doreen Tait has been in Vancouver to visit her brother in law and sister, Mr. and Mrs. Herb Rice. Miss Ruth Dale spent last week at the coast.

Mr. and Mrs. Percy Rand of Vancouver Island spent the past two days with their parents, Mr. and Mrs. Scott Rand.

See the new Home Gardener Guide

PACKED WITH SCORES OF INFORMATIVE ILLUSTRATIONS INCLUDING 64 PAGES IN MAGNIFICENT FULL COLOR!

SOLVE ALL YOUR GARDENING PROBLEMS
The Garden Guide will help you to understand the characteristics and cultural needs of your plants, trees, shrubs, vines; fruits, perennials, lawn grasses, and the fertility and management of the soils in which they grow. You'll learn how to raise plants from seeds; the procedures involved in cuttings, layering, grafting, budding; pruning; staking, mulching and weeding; and how to wage war against garden pests and diseases. Become familiar with the kinds of plants best suited to the climate and soil in your locality; knowledge that will save you money, and hours of fruitless toil. In short, all the invaluable knowledge gained by horticulturists over many years is at your fingertips in this great, new Illustrated Home Garden Guide.

Thousands of Articles Covering Every Garden Subject
As any good book should, the Illustrated Garden Guide not only tells you what to do, but also shows you how to do it. There are scores of illustrations, plans and charts — even a complete, year 'round Garden Calendar to help you plan ahead. Your home can be the most attractive, both indoors and outdoors in the community — simply by using the practical information offered by this tremendous volume.

Democracy in America can also be heard each Thursday on the Trans-Canada network of CBC radio.

Editorials

It's your Hill

Large cities surrounding Summerland have made much of the wonders of their several "hills" for skiing. They are developing these sites into large winter attractions. And there is, no doubt but that Apex or Silver Star, for instance, can provide months of fun for the serious skier.

But here in Summerland, we have a unique ski hill — one that is ideal for children (or for the Saturday skier who does not want, and may be ill-adapted to the more serious slopes).

Granted that the present skiing season is at best drawing to a close, and that only a few weeks remain for the enjoyment of this sport. Yet that is no reason for ignoring the future opportunities that our ski hill can bring to the community.

For the remaining time this present season lasts we can, individually and collectively, aid those who are endeavoring to introduce local younger generations to this exhilarating sport. That done, we should not allow the matter to hibernate for the summer.

One way we can help is by turning out to the annual meeting this Saturday. A report of the past year's activities will be given, plus ideas for next year. And when it comes time for the election of officers — by all means let your name stand. With a strong executive, and an active club, Summerland will have a ski hill everyone can enjoy.

Acceptance with God

by Rev. D. M. Rathjen

"God is no respecter of persons: but in every nation he that feareth Him, and Worketh righteousness is accepted with Him." Acts: 10:34-35.

We all like to be accepted by our fellowmen. Much of our usefulness and happiness in life depends upon this. How much more important it is to be accepted by God, for upon this depends our eternal wellbeing. The Apostle Peter recognized the Divine truth that God has no favorites but does accept those that reverence Him and live godly lives. This, however, is not man's concept of righteousness, but God's standard of holiness as revealed in the Bible.

In Paul's epistle to the Romans 3:10 and 23, "There is none righteous, no not one." "For all have sinned and come short of the glory of God." Here is portrayed the utter depravity of man. This is not acceptable with God.

However, God's love has made possible our acceptance by Him on the grounds of Christ's finished work of redemption. By faith in Christ as our Savior the righteousness of God is accounted to us. Romans 3:21-28. Paul, writing to the Ephesians 1:6 says, "Wherein He hath made us acceptable in the beloved." Thank God for His wonderful grace.

DEEPEST SYMPATHY

"Collections for this and collections for that: Dig deeper and shell out some more! Every week there is someone out passing the hat Till my pocketbook hand's getting sore.

Well, hard oil to you, friend. It's certainly tough That you're asked to cough up every week. Especially now, when the going's so rough And the prospect of gain is so bleak.

But the persons for whom the collections are made Would gladly trade fortunes with you. The conditions that put them in need of your aid Are a little bit tough to take, too.

Is your buck for the Cancer Society hard To part with — or do you give ten? There's someone who'll trade you a tumor, old pard. For your need to donate now and then.

Do you find it a bore to dig down in your jeans For the fund to promote mental health? Be thankful you've got a whole mind for it means Far more than a bankful of wealth.

Behind every cause that invites you to give, There's a story of anguish and woe And people who'd much rather not have to live On the hand-outs that trouble you so.

— RSR in the Klondike (S.S.K.) Clarion

Letter to Editor

Summerland Review

The Editor,

Dear Sir:

What does conservation mean?

Does it mean the stopping of the killing of all non-predatory animals and the killing of the hated predatory animals?

Answer no, it means the keeping of all natures plants, animals and birds in a proper balance.

For all natures outdoors, for a strong healthy survival of all for the future ever lasting for nature and people alike.

Animals, when over protected be come too plentiful and kill them selves off by eating themselves out of a home, food and health.

The same can be said for the predator and like wise the same can be said for people, when we are concerned for ourselves only and we allow our over-crowding to obliterate all natures natural surroundings.

We spoil this proper balance, so conservation means. With plants, birds, fish, animals and people all in harmony together for ever.

This land and nature has been loaned to us for to look after and use, protecting it for the future as our most valued possession is our duty.

Mrs. John Gray

Report from Parliament Hill

by David Pugh, MP

Today, February 9, concludes another good week in the House of Commons. High on the list was the debate on the winter works program. For the last number of years the federal government has paid one-half the labour costs of a broad list of municipal works. In fact it covers practically every type of work not previously within the scope of other Acts. Originally started as a "make work" program, it now appears to be tied in with federal aid to municipalities.

All parties voted for the bill but voiced their opposition as of course they should. It was stressed that employment was not created and that because of financial difficulties the municipalities could not take advantage of it. From the government side both points were thoroughly gone into and I know you will see from the following figures the tremendous importance of the winter works program across Canada. The federal government share paid on direct payroll costs totalled

\$32,000,000. British Columbia received \$4,200,000. Again many days work provided this year in Canada totalled over 4,600,000. British Columbia totalled over 430,000.

Projects completed by municipalities this year were in excess of \$250,000,000.

Perhaps the best way to find out about these works is to see your local city, town or municipal office. You will find contributions made on skating arenas, park improvements, bush clearance, sidewalk construction, road construction, installation of drainage systems construction of community theatres, cemetery fencing, construction of additions to city workshops and municipal halls, and many others.

I have just come down from the House and an amendment is being put through to the Blind Pensions Act, similar to the Disabled Persons Act and the Old Age Pensions Act. These were concluded this week to bring increases in line with last week's old age pension raise.

WITH THIS MAN

CAME SECURITY

This man was one of many responsible for more than one billion dollars of Sun Life insurance being sold last year and for Sun Life passing the ten billion dollar mark of life insurance in force. Through his diligence, funds that might not otherwise have been available were provided for widows' livelihoods, for retirement incomes, for advanced education and for emergencies.

Perhaps this man brought security to you and your family.

This man is the Sun Life representative in your community.

New Life Insurance Sold In 1961	\$ 1,129,922,229
Total Life Insurance In Force	\$10,185,070,715
Paid to Policyholders And Beneficiaries In 1961	\$ 194,628,661
Assets At December 31st, 1961	\$ 2,480,916,134

Sun Life announces new dividend scales which, for the thirteenth consecutive year, will result in an increase in the total amount to be paid in dividends to its participating policyholders. Over \$45 million will be paid out in the form of dividends in 1962, an increase of more than \$3½ million over the corresponding amount in 1961.

A copy of the Sun Life Annual Report for 1961 will be sent to policyholders; copies may also be obtained from any of the 150 offices of the company from coast to coast.

A sewing haven, away from the family hubbub, can be created in a quiet corner. The sewing machine should be placed near a window to take advantage of natural daylight. A small work cabinet stores sewing aids — and keeps them handy.

Weather halts construction

Throughout the area served by Penticton National Employment Service office there was, according to H. I. Moss, Manager, little change in employment opportunity for men and women. A cold weather spell during January forced Municipalities and Cities to stop several of their municipal winter works projects thus creating a small temporary increase in the number of job seekers registering at the NES office.

Logging and sawmill operations were, in the main, operating to capacity during this same month.

Employers in the area listed 101 orders for workers with the local office reporting 169 job vacancies and 152 persons were also placed in employment by the National Employment Service during the same period.

In addition, 25 young men and women sought the counselling advice of the NES special placements officer and were referred to vocational training schools in the valley area and

in other centres.

A total of 37 municipal winter works projects were expected to get under way very soon, weather conditions permitting.

Summerland Supreme wins approval in England

Summerland Supreme, a variety of lavender which originated at the Canada Department of Agriculture's research station at Summerland, has won an award of merit from the Royal Horticulture Society.

The award was made following the Society's 1961 competitions at its grounds at Wisley, England.

Summerland Supreme was the result of an unexpected deviation from the normal variety of lavender, according to re-

searcher L. G. Denby. Stocks were maintained for some years by the research station's head gardener, Nat May, who retired last year.

Supreme is a hardy dwarf that blooms early and has large spikes of intense purple. Mass plantings and low hedges of this woody perennial at Summerland have sparked public enthusiasm, Mr Denby reports.

Parent material for propagation is available to licensed nurserymen in Canada.

Advance Warning of Load and Speed Restrictions on Highways

During the Spring break-up it will very likely be necessary to impose load and speed restrictions on some roads, pursuant to Section 199 of the Motor Vehicle Act and Section 27 of the Highway Act. These restrictions may be imposed on short notice and transportation companies should govern themselves accordingly, and are requested to take advantage of the present road conditions.

The restrictions will limit the axle loads of trucks and buses, and will restrict speed.

Vehicles with solid tires will be prohibited from using the Highways.

Your co-operation in the protection and elimination of damage to all roads would be appreciated.

ELECTRICITY POWERS PROGRESS

The pioneers and leaders in the Electrical Industry are especially honoured each year during National Electrical Week. Thomas Alva Edison's inventions and work reached far beyond the electric light and the electrical industry. A complete new era commenced with Edison's inventions. Old industries were re-vitalized and new enterprises born to change the whole economy of our nation and the day to day lives of our people. The work of the pioneers is now a part of science, engineering, industry and every day living which depend tremendously on electricity.

National Electrical Week is a good time to think about the future—the future of our country and our future as individuals. That which is fantastic today will probably be commonplace tomorrow. Climate-controlled homes, completely automatic lighting, face to face telephone conversations and many other profound advancements will be within easy reach. Television sets that are no thicker than the picture on the wall, vacuum cleaners with electronic brains will clean on their own initiative, and a kitchen that will automatically program and produce meals for days ahead, indicate some of the future developments we may expect.

Industries not yet dreamed of will develop into giants of the future and contribute tremendously to the national prosperity of our country.

Electricity Powers Progress — it has done so in the past and will power future progress.

THE ANNUAL MEETING OF THE

Summerland Hospital Society

WILL BE HELD ON

Wednesday, Feb. 28, 1962

AT 8:00 p.m.

In the Health Centre

— EVERYONE WELCOME —

H. L. WILSON,
Secretary.

Valentine tea Saturday

A herald of spring is the Valentine Tea and home baking sale that the Evening Branch to St. Stephen's Anglican Church is arranging for Saturday afternoon, February 17, in the Anglican Parish Hall at 2:30 p.m. Decorations throughout the hall are to be in the Valentine theme and the table

from which tea will be served and the tea tables will be in the same dainty theme.

Home baking is a feature of the afternoon and a good variety is expected.

Members are working toward a successful afternoon and everyone is invited to attend.

1st Summerland Troop

The troop had another full uniform turnout with almost perfect attendance. The older Scouts practiced 1st class signalling. Mr. Fisher instructed on estimation of distances, Mr. Towgood on signalling and Mr. Wiens passed Tenderfoot tests. Any recruits wishing to pass Tenderfoot tests should try to do so during the week with any of the four leaders. Next week Mr. McLachlan will be on hand to pass Fireman's Badge tests.

Recruit Louis Bangma was invested into the World Brotherhood of Scouts. The scoutmaster outlined requirements for the Carpenter's Badge which is a badge almost any Scout can win. For those boys with an artistic bent, the Artist's Badge requirements were given. This requires an original piece of work in painting, sketching, carving, design, pottery, etc. Mr. Stent has passed many boys for the Artist Badge in this troop over the years.

Scout standings are Buffaloes 187, Eagles 178, Beavers 177 and Hawks 144. Duty patrol next week, Beavers.

— D. V. Fisher, Scoutmaster

Kiwanis Club Notes

Tuesday night could well be called "Bob Alstead Night". Our Bobby really distinguished himself, not once, but "All Through the Night". I'm sure you heard it put to music. Very early in the evening, without any invitation or urging, Bob sang "Happy Birthday to Me". It is suspected that he thought that this would soften up the Sheriff (the man with the little box) but it did nothing of the sort. His birthday of last week was duly remembered (and paid for) as was also that of Lloyd Shannon. Happy birthday fellows.

This put Bob in good fettle as the speaker of the evening. He spoke to us about mining, principally on the cause and effect of explosions. Bob had a very graphic way of telling us of the reasons for gas accumulation, various causes of ignition and the terrible havoc and suffering to miners trapped in galleries that explosions cause. Not for a long time has the club listened to such an interesting talk and given by one who has first hand knowledge of such matters. Thank you, Bob, it was most interesting.

As for the rest of the evening — well — we welcomed the president back to his club, it was nice having you with us Walter. Bill Laidlaw led the club singing and Jack O'Mahony reported on the interclub meeting with Penticton earlier in the day, when it was learned that Penticton hopes to start their own Key Club.

Hans Meierhofer celebrated 34 years of married life. Good going Hans, you're just getting your second wind — keep going.

Hold baby shower

Two co-hostesses entertained recently at a combined baby shower for Mrs. Ernie Best of Summerland and Mrs. Max Stroud of Penticton. Mrs. Larry Martin of Summerland and Mrs. Jack Fraser of Penticton, at whose home the shower was held, were hostesses.

Lovely gifts were presented to the honored guests by Mrs. Fraser's little daughter, Donna.

Delicious refreshments were served, including a lovely decorated cake in the shape of "baby booties", made by Mrs. Fraser.

During the evening, contests and games were enjoyed.

Among those present were Mrs. Tommy Crow, Mrs. Wes Knopp, Mrs. Ken Watson, Miss Mildred Baron, Mrs. Karl Von Brevern, Mrs. John MacNam-

ara, Mrs. Bob Dawson, Mrs. Ken Dorkin, Mrs. Wally Stokes, Mrs. Jim Parks, Mrs. Harvey Boswell and Mrs. Frank Scotti. Unable to attend but sending a gift was Mrs. Larry Hanson.

Baptist women raise donation

In view of encouraging growth and a good cash surplus, women of the Shirley Knight Circle of the Baptist church accepted the recommendation of their executive to raise their basic mission budget to \$200.

The Secretary, Miss Dale, read letters from the Dean Richardson of Carey at U.B.C. thanking members for the jams and jellies sent for the boys' fireside evenings and from Mrs. Don Miller of Dawson Creek expressing appreciation for the personal gifts sent to the manse. Warm mittens in the parcel had gone into immediate use in temperatures which held at near -40 F. for some weeks.

The devotional program was presented by Mrs. D. McIntosh, the missionary material by Mrs. J. Likei and Mrs. John Brown and the Current events by Mrs. D. McIntosh. Dime boxes for White Cross collection in April were distributed by the Treasurer, Mrs. D. McWhinnie and a brief description of the Reading Course books was presented by the convenor, Mrs. McLarty. The president, Mrs. Lorne Bloomfield, asked members to remember the special meetings to be held Feb. 25 to March 4 with Rev. Ian Hind as speaker.

Refreshments were served by Mrs. J. Barg, Miss Dale and Mrs. Bloomfield.

Shower for bride-elect

A shower was held recently for Miss Rosalie Hoffman at the home of her mother, Mrs. Paul Hoffman. Co-hostesses were Miss Evelyn Hoffman (a bridesmaid at the wedding on Saturday) and Miss Margaret Garland.

The bride to be sat in a decorated chair with white and pink bells, bows and balloons and flowers. The gifts were placed in a matching decorated basket.

The shower cake was made by Mrs. Stan Taylor and decorated by Miss Margaret Garland. The cake was an angel food cake and a doll was placed in the middle with a veil and the cake was decorated to resemble a doll's wedding dress, with lace icing and a small bouquet.

Contests were held and a lunch was served later in the evening.

The bride to be received many beautiful gifts.

Over 20 guests were present for the shower, with nine sending gifts but unable to attend.

Under the Giant's Head

A delightful St. Valentine's masquerade dance was held in the Yacht Club Saturday night. Freddy and Wilma Flintstone rubbed shoulders with Nero, Cleopatra, Robin Hood and Maid Marion. Freddy, the Freeloader and King Henry the Eighth danced to the tune with the Devil, Boy Blue and several very authentic Mexican couples. The costumes were of such variety and style that the judges were unable to pick winners and the prizes were divided among all the contestants. Four couples from Kelowna attended the dance.

The ballroom dancing classes that Mr. and Mrs. Fred MacInnes have been conducting at the Yacht Club, are almost finished for this season. Reports are that some very good dancers have blossomed at these practices.

The weather report from the research station shows .30 inches of rain and 16.7 hours of sunshine during the past week.

When Leonard Rose appeared as solo cellist with the New York Philharmonic under Leonard Bernstein in the fall of 1960, music editor Jay Harrison of the New York Herald Tribune noted: "Mr. Rose, as the world knows, is a master musician and an instrumentalist of regal endowment. The strings sang beneath his bow and their song had the eloquence of poetry deep and revealing. His was a performance that will not escape fast from the mind." His tenth annual coast to coast concert tour of the U.S. and Canada brings him to Penticton on Friday, February 23 under the auspices of the Southern Okanagan Community Concerts Association.

Don Agur was re-elected president of the Ski Club for the coming year at the annual meeting held last Saturday. Executive members are Don Hermiston, Phil Munro, Charlie Hannah and Miss Gwenneth Atkinson.

Mr. Lionel Chevrier will be guest speaker at the Okanagan-Boundary Liberal Nominating Convention this Saturday. The meeting is slated for 8 p.m. in the Jubilee Pavillion in Penticton. Only candidate so far for the Liberal nomination is Elmore Philpot of Okanagan Falls.

At the hospital auxiliary meeting earlier this month, members ray machine for the hospital were informed that the new X-ray will be arriving shortly.

President Mrs. Rose Fiske urged all members to attend the annual hospital meeting to be held in the Health Centre on February 28 at 8 p.m.

The Summerland Review

Thursday, February 22, 1962

West Summerland, B.C.

Volume 47 No. 8

Fall Fair will be discussed

At an executive meeting of the Chamber of Commerce on Tuesday, President G. C. Johnston stressed the need for a large attendance at the March 8 meeting of the Chamber. A decision will be made at this meeting on whether or not a fall fruit fair will be held. So far, a chairman to head the fruit fair committee has not been found. Planning for the fair must start soon, so all those interested in the future of this annual event, are asked to be present at the March meeting.

The resignation of Lorne Perry as secretary was accepted with regret. Leonard Weist was appointed to fill the position.

Committee chairmen appointed were: membership, T. S. Manning; publicity and tourist, Eric Williams; traffic and safety, Bud Rusaw; retail merchants, Ken Heales; civic affairs, Hilton Hughes. T. S. Manning will bring in resolutions to be presented to the provincial convention.

Game banquet will have varied menu

A fish and game banquet, featuring wild game on the menu, will be held this Friday in the Yacht Club. The varied menu includes venison, moose, elk, caribou and Kamloops trout. Local sportsmen, who furnished the menu, hope this will become an annual banquet in Summerland.

Guest speaker for the dinner will be Dr. McLaren, a biologist from the Department of Recreation and Conservation.

Dancing will be held later in the evening.

The dinner starts at 6:30 p.m. Tickets are available from members of the executive of the Rod and Gun Club, the Sports Centre, or at the door.

Gym Club display

Parents and other interested persons are invited to attend a physical education display in the secondary school this Friday, at 7:30 p.m.

Over 220 students from grades 7 to 12 will be participating in the display which takes in most indoor aspects of the physical education program.

Featured will be demonstrations of callisthenics, square dancing, clubs and medicine balls, broom hockey, rope climbing and other displays.

Teachers in charge of the display are Miss Pauline Richardson and Mr. Don Puddy, physical education instructors at the school.

This is the first attempt by the secondary school to put on a sport show of this sort and the young people are hoping for a good turnout. The 25c admission fee will go toward the financing of school sports.

BOY SCOUT WEEK

FROM SEA TO SEA

This is Boy Scout Week, celebrating the birthday of the founder of the movement, Lord Baden-Powell of Gilwell, who was born February 22, 1857. This week is celebrated all over the world and is the occasion of window displays, special good turns, church parades and other gatherings. This Sunday, February 25, the 1st Summerland Scout Troop and Cub Pack will parade to the Summerland Baptist Church.

Out-of-town curlers take top trophies

Summerland curlers showed they were good hosts by allowing outside rinks to take most of the prizes at the annual bonspiel held over the week end. Fifty two rinks were entered in the spiel which started Wednesday night and ended Sunday.

Friday night a smorgasbord dinner was held, with the ladies curling club catering. As well as the Summerland arena, curling was held on the ice in Penticton's Granite Club.

Winner of the A event and the Occidental Fruit Company trophy was the Bill Bell rink of Kelowna. Teammates were Bill Copell, Art Drew and Fred Harris. They defeated Bill Baker in the finals, with third place going to Keith Douglas of Penticton and Chuck Dinning of Penticton winning fourth.

In the B event, the Jack Young rink of Penticton won the B.C. Fruit Shippers' Trophy. On the rink were Eric Larsen, Don Ewert and Jake Danderfer. Second place went to Ted Wray of Naramata, with Ken Fulkes of Peachland third and Bill McCutcheon of Summerland taking fourth spot.

A Summerland rink won

Lose to Westbank

The Summerland Badminton Club has been very active the past two weeks. Two Summerland teams met the Westbank Club on Sunday, February 11 and came out on the short end of a 15 to 9 score. Playing for Summerland were Mrs. R. L. D. Cuthbert, Mrs. P. Pielou, Mrs. N. Reid and Miss J. Frost. S. Krause, B. MacDonald, J. Quigg and M. Lopatecki.

The juniors also played their Westbank counterparts the same Sunday and lost 11-5.

Bridge players are reminded of the annual spring tournament starting March 9 in the IOOF Hall. Entries can be phoned to Mrs. R. L. D. Cuthbert

the C event, with Herb Lemke's rink of Gordon Beggs, Frances Stewart and Peter Beulah taking the Walter's Limited Trophy. Placing second was Harvey Eden, with Bill Calvert, Salmon Arm third and Lochie McKilligan of Summerland, fourth.

In the D event the ACT rink of Rudy LaBonte of Penticton copped the Holmes and Wade Trophy. Second place went to Jake Lichtenwald of Summerland; with Walter Toews of Summerland third; and Hans Korven of Summerland fourth.

Reports on Civil Defence

Mr. Ivan Phillips, local civic defence officer, reported to the municipal council at its regular meeting last week, on a recent civil defence conference in Victoria.

Continuity of local government and the shelter of such government in case of a nuclear attack was stressed by Mr. Phillips. He went on to suggest that a survey be made of local shelter facilities that could be used should the need arise.

Rescue courses for members of the municipal crew are most essential, said Mr. Phillips. He reported that 13 Summerland residents have attended rescue courses in the past year.

The Victoria conference discussed the dangers of contaminated water supplies. Mr. Phillips was of the opinion that several underground springs in this area could be used to provide water to the municipality in the event of water contamination.

Mr. Phillips asked for and received permission to purchase a battery operated transistor type radio to be stored at the municipal hall. The radio would be used to receive communication broadcasts in the event of a power failure.

Recreational facilities will be surveyed

A comprehensive survey of Summerland's recreational facilities is now being carried out by the Summerland Recreational

J. C. Wilcox heads Cancer Society

The annual meeting of the Summerland Unit of the Canadian Cancer Society, was held in the Health Centre last Wednesday, February 14.

Dr. J. C. Wilcox, in opening the meeting, spoke of the great loss the Unit had sustained in the death of E. R. Butler, who was the local treasurer. He also expressed the thanks of Cancer Society to the Kiwanis Club for handling the campaign collection drive.

Miss Hazel Whittington of Kelowna, supervisor of the South Okanagan Health Unit, was guest speaker. She said every cancer patient can be helped, and a great many can be cured if the disease is caught in time.

Officers elected were: honorary president: Reeve Norman Holmes; president, Dr. J. C. Wilcox; vice president, Nat May; secretary, Mrs. J. E. O'Mahony; treasurer, H. Pruden.

The board of directors, made up of representatives from the various organizations in the district, is comprised of: W. Brown, Harvey Wilson, W. S. Ritchie, Walter M. Wright, Mrs. Joe McLachlan, Mrs. G. Lewis, Mrs. J. W. Raincock, Mrs. R. Alstead, Mrs. S. Blazenko.

Services for W. Wright

Mr. Walter Wright passed away Sunday, February 18 in the Summerland Hospital.

He came to Summerland in 1939 as the manager of the Bank of Montreal. He was later transferred to Penticton and was there until his retirement in 1952.

Well known and respected locally, he had an excellent singing voice and was the leader of St. Stephen's Anglican Church choir for many years. He was also well known in Vancouver musical circles and in Santa Barbara, California, he was a valued member of the Episcopalian Church choir.

He was a member of the Masonic Lodge and the Rotary Club, giving freely of his time and talent to many organizations.

He is survived by his wife, Katie Florence, and two daughters, Mrs. Gordon (Phyllis) Corrie of Calgary and Mrs. A. E. (Sylvia) Sutton of Stoke-on-Trent, England; and seven grand children.

Funeral services for the late Mr. Walter Wright were held in St. Stephen's Anglican Church on Wednesday, February 21 at 2 p.m. Rev. Norman Tanner officiating.

Commission, chaired by Mr. John Keys. Members of the committee are Mrs. R. D. White, Mr. John Kitson, Mr. John Benest and Mr. Bob Chalmers.

The object of the survey is to study existing facilities and recreational programs, both public and private, to find out how adequate such programs are for permanent residents and tourists. The committee will compare these conclusions to standards found in relating communities. The survey takes in all forms of recreation, from drawing classes to horseback riding.

Much of the leg work is being done by Mr. Bob Sarginson of Penticton, who has had previous experience taking recreational surveys. Mr. Sarginson is taking an extension course in recreational work from Queen's University.

The material, when correlated, will be presented to a special steering committee headed by Dr. H. R. McLarty.

The commission will meet today at noon in the council chambers to start discussion on existing facilities with particular emphasis on indoor and outdoor public areas in Summerland.

Will conduct Baptist services

REV. IRA HIND

who will be special speaker at the Summerland Baptist Church during the special evangelical services sponsored by the Okanagan Baptist Association from February 25 to March 4.

Rev. Hind has served in Baptist churches in eastern Canada and in Saskatchewan, where he was pastor of the Cameron Memorial Baptist Church in Regina. He is presently serving at Chilliwack.

Among his many and varied talents, Rev. Hind has a fine baritone voice and will be singing during the services.

Everyone is invited to come and bring a friend to this inspirational mission.

WI celebrates anniversary

Fifty two women literally wore their hearts on the "outside" — red for members and white for guests — as they gathered in the parish hall for the annual Valentine and birthday party of the Women's Institute.

The meeting opened with the Creed and an expression of congratulations to Miss Marion Cartwright, good citizen of 1962. It was noted that this is the second year in succession that a WI member has been chosen and that five of the present members hold this honor.

Each member introduced her guest and six ladies from Parkdale, Place were welcomed, guests of Miss Dale. One, Mrs.

Crozier holds a life membership from Armstrong.

Roll call responses answered the question of what or who each member would like to be if she were not herself. Not a few echoed a slight envy of our friends sojourning in warmer climates.

Under committee reports, Mrs. E. C. Bingham of agriculture, asked for suggestions for the June meeting and Mrs. G. Dining offered her beach home for same.

Mrs. Barrs, of citizenship, gave interesting and amusing items from material sent her, such as that calcium content of valley milk is the highest in Canada; or the names of some twenty cows of the district which have won prizes; or that 20,000 cars per day are expected through Rogers Pass to the World Fair. She defined citizenship in relation to the Institute's motto,

"For Home and Country" and pointed out that the welfare of our homes and those too, of the world, should be our concern. We should be aware of and contribute to our laws, but

political and sectarian controversy has no part in our program. A suggestion that members learn to count to ten in each of the ethnic languages represented in Summerland was endorsed.

Mrs. Mortimer of cultural activities has brought wool and materials for making of bazaar articles.

For home economics, Mrs. Gray displayed a heart shaped cake about 18 inches in diameter, featuring a well filled with red jelly and iced with a cream type of frosting for which she had recipe sheets. She demonstrated the making of this or any other shaped form from cardboard. Later, members did full justice in sampling the cake.

Mrs. Procurinoff and Mrs. Inglis requested that articles for layettes be in by March 15 for judging and that each member bring to the next meeting a cake of ivory soap, a towel or four diaper pins.

President Mrs. Rothwell announced that resolutions to be presented at the annual district rally, to be held in East Kelowna May 5, must be brought to the next meeting, March 2. A special feature will be a talk on some phase of education by Mr. A. J. Longmore. Nylons for toys and Christmas cards for seals are still requested.

Mrs. Myrtle Scott moved adjournment after which Mrs. W. Brown and Mrs. Tait took charge of directing games. A circulating musical parcel with assorted articles of clothing to be donned as forfeits proved to be a source of high entertainment.

A Valentine birthday cake featuring the 65th anniversary of Women's Institutes' founding centred the tea table and hostesses were the executive members: Mrs. Rothwell, Mrs. W. Brown, Mrs. McLarty, Mrs. Tait Mrs. E. O. White and Mrs. Rumball, who also sent Valentine greetings from Long Beach, California.

Heads Campaign For Foster Parents' Plan

MRS. JOHN G. DIEFENBAKER

Mrs. John G. Diefenbaker has consented to act as honorary chairman for Canada for the 1962 25th Anniversary Campaign of Foster Parents' Plan. Campaign objective is to double the 3,000-odd individuals and groups in Canada who are currently assisting distressed children in Europe, the Philippines and the Far East through the Plan. Mrs. Diefenbaker herself is foster parent to a little Chinese girl now living in Hong Kong. Information on how to financially "adopt" and correspond with such a child may be obtained from Foster Parents' Plan, P.O. Box 65, Station B, Montreal.

DO IT NOW

It will pay you to have all those jobs around your home and place of business done during the winter. Men and materials are available now and smaller jobs of interior renovation, redecoration and general maintenance work receive better and faster attention.

Inquire at your bank about home and farm improvement loans.

So help yourself and at the same time help your local Community to increase winter employment.

Why wait for spring --
do it now

Plan Day of Prayer

The annual executive meeting for the World Day of Prayer was held on Wednesday afternoon, February 14 at the Pentecostal parsonage.

Eleven representatives from five churches were present, including Mrs. Wilfred King, Mrs. Bloomfield, Mrs. G. Leasor, Mrs. Miller, Mrs. W. Davis, Miss Verity, Mrs. W. Cook, Mrs. C. Adams, Miss Cartwright, Mrs. Rathjen and Mrs. J. S. Mott.

Mrs. Rathjen acted as chairman. Arrangements were made for the service to be held in the Pentecostal Church on Friday, March 9.

The theme this year is "God's Love for the Whole World". It is a service arranged by Mrs. de Svetogorski and Miss Cavalero, both of Motevideo, Uruguay, South America.

Editorials

Freedom - works both ways

We have, for years, been urged by many groups to "safeguard our freedom" from various ist and isms. No doubt some danger does exist, whether it be from outright Communism or from the "welfare state".

Recently, there have been many bulletins and warnings from the Canadian Chamber of Commerce, regarding these horrors. We feel, that such a project as undertaken by the national body may be harmful as well as beneficial.

That danger may lurk in sweeping statements and vague generalities was voiced at the recent meeting of the Okanagan Boundary Associated Chambers of Commerce. We understand that not one, but many of those present at that gathering said that danger to freedom could come from reactionism as readily as from the dire things stated by the Canadian Chamber, in their profuse bulletins on the topic. In particular, the John Birch movement and its actions in California. The society has not only become a threat to freedom, but has actually undermined it.

The small businessman or professional man, the bulk and backbone of the Chamber membership, does not want to see a wide-open, hand-out system develop in Canada. At the same time, any sane businessman will acknowledge the need for unemployment insurance, for pensions for those no longer able to care for themselves. That such things should be on a contributory basis as far as possible goes without question.

Surely we Canadians, known throughout the world as tolerant, reasoning people who are not prone to extremes, can find a "middle of the road" formula for protection of the needy, the unemployed, the disabled, without falling into the trap that has blighted some parts of the world. And, equally surely, we need not become ensnared in the reactionism that has gripped some parts of the land to the south of us.

Yet, we shall not find that path if we follow blind dictums of those who lean too heavily either one way or the other. Nor shall we find it if, in avoiding one danger to freedom, we inadvertently fall into a greater one.

★

Man with a mission

In almost every community in Canada, you will find this man. He is engaged in one of the most exciting tasks known, he works with boys — he is a man who gives freely of his leisure time to open many doors for many boys through his knowledge of resources.

A man with a mission and an extremely popular man in the eyes of the boys he serves — this is the Scoutmaster.

New million dollar home for livestock at the Pacific National Exhibition is being examined in model by architect William Noppe and PNE president Thomas R. Fyfe. Tenders are being called and work is expected to commence within a month. The building will seat 3,500 and more than double present livestock capacity at the fair. The outdoor theatre has been demolished to make room for the new building, financed jointly by the provincial, federal and civic governments and the PNE.

Parliament Hill

by David Pugh, MP

Here it is February 16 and my one regret is that I was unable to be in Penticton on the 16th along with the Minister of Northern Affairs. Up to the last minute I had hoped to go but because of a sore ankle I could not make the trip.

A number of visitors have been here during the week. The annual meeting of the Canadian Horticultural Council brought among others Arthur Garrish, Gordon Wight, Bill June, J. B. Lander, R. P. Walrod, L. R. Stephens, Harry Van Acheron and Bill Campbell. This is an important meeting for fruit and vegetable growers throughout Canada as the Council provides a control and go-between most important with the government and the growers. Hon. George Nowlan spoke at a luncheon and stressed the early history of fair value for duty and the problems which might be posed by the European Economic Community. I was particularly pleased with his reference to fair value for duty because it was my greatest problem on arrival in Ottawa.

Mayor R. F. Parkinson of Kelowna and Stewart Harrison-Smith were here on many matters pertaining to the city.

Legislation is flowing through smoothly. The benefits of War Veterans Allowance has been extended to a great number of civilians included in seven categories. I was very pleased to see merchant seaman included and said so in a speech in the House.

Letter to Editor

The Editor,
The Summerland Review,

Dear Sir:

The B.C. Tuberculosis Society and Diamond Jubilee Chapter, IODE, Penticton wish to take this opportunity to thank every one for their co-operation in making this year's Christmas Seal sale so successful. In all \$5,881 has been contributed to date, which while not up to the objective of \$6,000 is an increase over last year's returns.

On behalf of the Society, and all who benefit by our work, we would like to thank most sincerely those who support our TB prevention efforts and those too, who assist with this work.

Colin Dobell,

Chairman, Board of Directors,
B.C. Tuberculosis Society.

Edith Chalmers
Convener, Seals Sale,
Diamond Jubilee Chapter IODE.

Hold Whist drive

The Trout Creek PTA held a very successful whist drive at the Trout Creek School Friday evening, February 9. Under the direction of ways and means committee chairman, Mrs. Jocelyn Noel, a pleasant evening of whist was enjoyed by the 17 tables present.

Winners of the whist were Mrs. George Ryman and Dr. H. R. McLarty.

Proceeds from the whist will be used by the PTA for its project for the Trout Creek School and to provide refreshments for the school children at their Sports' Day to be held in May.

Spiritual growth

by Rev. P. K. Louie

Text: Ephesians 4:13-16

Of course one does not commit oneself to growth. That doesn't make sense. As we cannot lift ourselves by our bootstraps, so we cannot grow by the exercise of the will. Our commitment must be to the fulfilment of the conditions of growth.

Of these the principal ones are food and exercise. The disciple who neglects the resources of inner strength will soon find that he has ceased to grow. The same is true of the disciple who evades his God given opportunities for Christian service. The note said to have been found in Oliver Cromwell's Bible after his death is literally true, "If we are not growing better, we are growing worse." There is no standing still.

Christian growth must include growth in knowledge. A "disciple" is, by derivation, a learner. And when he stops learning and is convinced that he knows everything worth knowing, he ceases to be a disciple. The true disciple will always remember (as John Robinson the Puritan wrote in his journal three centuries ago) that "God has ever some new light ready to break forth from His Holy Word." And in that new light, as it shines from more to more, he will walk "till travelling days are done."

Letter to Editor

The Editor,
The Summerland Review,
Dear sir:

The presentation of the Good Citizens Cup to Miss Marion Cartwright was a well deserved tribute.

I noted that Mrs. Mather was present at the banquet. Her father was the late J. M. Robinson who was the first reeve of Summerland, also the founder of Peachland, Summerland and Naramata. He was the first man to foresee the Okanagan as a great fruit-growing area with a wonderful winter climate.

Over 60 years ago, when prospecting in the Okanagan he saw a peach tree laden with ripe fruit growing on Mr. Lambly's ranch. This gave him the idea that Canadians from the prairies who were moving to California could instead settle in the Okanagan on fruit farms. At that time and for some years this was thought to be impractical and impossible, but in spite of all obstacles he carried on and we can see the result of his hard work today.

Summerland, I think, should erect a memorial to him recording the beginnings of this community. He deserves this tribute to his memory.

Tourists would be interested in reading about the history of the district.

Yours truly,

F. Munro,

Penticton.

Shower for bride elect

Bride elect Miss Margaret Hutton, daughter of Mr. and Mrs. Robert Rutton, formerly of Summerland, was the recipient of many attractive gifts at a miscellaneous shower held in her honor at the home of Mrs. G. M. Wood, Abbott St., Penticton with Mrs. William Smith as co-hostess.

Gifts presented in a miniature replica of a railroad station, were opened by Miss Hutton, with the assistance of her mother, Mrs. R. E. Hutton. A social hour of games was followed with refreshments served by Mrs. Wood and Mrs. Smith.

Miss Hutton's marriage to Mr. Thomas Richard Trupp of Penticton will take place February 24 at 4 p.m. in the Penticton United Church.

Among guests attending the shower were Mrs. D. Harbour, Vancouver; Miss Jeanette Prentiss, Mrs. M. Dorkin, Mrs. A. E. Hutton, Mrs. C. F. Trupp, Mrs. Murray Mutch, Mrs. Edward Menu and Mrs. L. Young, all of Penticton; Mrs. H. Pohlman, Mrs. M. McKechnie, Mrs. R. Brennan, Mrs. Earl Inglis, Mrs. Norman Reid, Mrs. B. Fell, Mrs. P. Pelletier, Mrs. Mark Embree, Miss Bertha Bristow, Miss Doreen Tait and Miss Eve Pelletier, all from Summerland.

Invited guests unable to attend but sending gifts were Mrs. R. Campbell and Mrs. K. Bissett.

WOMEN'S PAGE

Local boy wed at Vanderhoof

A double ring ceremony by candlelight united Mildred Anne Stewart, daughter of Mr. and Mrs. Thomas C. Stewart, Vanderhoof; and Robert William Mountford, son of Mr. and Mrs. Leonard W. Mountford of West Summerland on February 5th, in Vanderhoof United Church. Rev. J. K. Challoner officiated.

Given in marriage by her father, the bride chose a white lace gown and carried a bouquet of tiny yellow roses and hyacinths.

The matron of honor, Mrs. Don Weaver, sister of the bride, and bridesmaid Mrs. Daniel Norgaard, wore identical dresses of deep rose satin and carried white roses.

Mr. Keith Mountford, brother of the groom, acted as best man and the ushers were Daniel Norgaard and Niel Stewart. Wedding music was provided by Mrs. J. E. Johnson and the soloist was Mrs. Janette Silver. The bridal party, with the parents of the bride and groom, received over 100 guests at a reception held in the Vanderhoof Memorial Arena Hall. The toast

to the bride was given by her uncle, Mr. George Clark of Dawson Creek.

For a honeymoon to points south the bride chose a red suit with black accessories.

Out of town guests included Mr. and Mrs. Daniel Norgaard, Victoria; Mrs. L. Poulson, Edmonton, aunt of the groom; Mr. and Mrs. Leonard Mountford

and Ken, West Summerland; Mr. and Mrs. George Clark, Dawson Creek; and Mr. and Mrs. W. Tingley, Francis and Ken of Prince George.

Following the honeymoon the bride and groom will make their home in Victoria. The groom is a Leading Seaman in the Royal Canadian Navy.

Bridal shower for Miss Joan Lloyd

A bridal shower for Miss Joan Lloyd was held on February 14 at the home of Mrs. Ken Young.

The room was decorated with a Valentine theme, as were the cake, the gift basket and bridal chair decorations.

Guests included Mrs. E. Lloyd, Miss Carol Lloyd, Miss Susan Lloyd, Mrs. Arlitt and Bev of Penticton; Mrs. W. Brambley, Mrs. H. Farrow, Mrs. J. Gan-

zeveld, Mrs. Lottie Pohlman, Mrs. G. Chadburn, Mrs. Ron Andall, Miss Donna Bystrom, Miss Joan Crawford and Miss Faye Young.

Sending gifts but unable to attend were the grandmother of the bride elect and Miss Carol Rogers.

Assisting the hostess in serving lunch were Mrs. W. Brambley, Miss Joan Crawford and Miss Faye Young.

Comings and Goings

Miss Bernice Dewitt has left to take employment in Winnipeg. Mr. and Mrs. John Mott have

Mr. H. J. Barkwill recently attended the B.C. Cannery convention and the North West Cannery convention, both held in Vancouver.

Other out of town guests at the Taylor-Hoffman wedding were Mr. and Mrs. Ernie Deaust, Penticton; Miss Sylvia Arase, Vancouver; Mr. and Mrs. Stan Cunliffe, Penticton; Miss Darlene Dixon, Kelowna; Gerry Sander, Kelowna; Doreen Schular, Kelowna; Mr. and Mrs. E. Marshall, Brookmere; and Mr. and Mrs. Lacey Fisher, Salmon Arm.

Guest at the Taylor-Hoffman wedding was Richard Blagborne. A student at UBC for the past three years, Richard is planning a trip around the world to start shortly. On his return he will continue his studies at UBC, toward a degree in architecture. He is the son of the late Flight Lieutenant Blagborne and Mrs. Lacey Fisher of Salmon Arm.

Visiting in Summerland for the Campbell-McNabb wedding were: Mr. and Mrs. Donald Campbell, Mr. and Mrs. Donald Ganzefeld, Mr. and Mrs. James McNabb, Raymond Dunsdon, Mr. and Mrs. C. Falk; James Eyes, Miss Nancy Graham and Kenneth Stoll of Vancouver. From Port Coquitlam were Ronald Jackson, Miss Carol Mortenson, Miss Irene Graham, Miss Diane Sjoquist, Miss Joan Young; and from Merritt, Charlton Sheeley and William Ward. From Penticton were Mr. and Mrs. C. P. Cousins and Mr. and Mrs. Bruce Skelton.

Visiting from Vancouver Island is Mrs. Lopatecki at the home of her son and daughter, Dr. and Mrs. L. Lopatecki.

Mr. and Mrs. A. W. Nisbett have returned home after several weeks spent with their daughter in Oregon.

Mrs. G. Cormie of Calgary was here for the funeral of her father, Mr. W. Wright.

Mr. Alan Hickey of New Westminster is visiting his mother, Mrs. W. Wright.

Mr. and Mrs. A. F. Crawford are home after a week spent in Vancouver.

Mrs. Howie Thomson is in Edmonton due to the illness of her mother.

Ronald Dunsdon flew from Spokane to California recently, where he will receive officer's training in the United States Army. Son of Mr. and Mrs. G. Dunsdon of Harrowdene Ranch, Garnett Valley, Ron was a winner in the Review's contest that named Parkdale Place, Summerland's senior citizen home.

Visitor this week at the home of Mr. and Mrs. J. Y. Towgood is George Young of Tacoma Air Base.

Mr. Gordon Nixon left Saturday for his home in Ottawa after a visit with his sister, Mrs. Alec Watt.

Mrs. G. C. McDougald has returned from a trip to Victoria. She was accompanied from Vancouver by Mr. R. E. Reid, Mr. James Voykin and Mrs. L. Reid. The latter is staying with Mrs. McDougald for a visit.

Mrs. Gordon McArthur is visiting on Vancouver Island.

returned after spending two months at the coast visiting with their family.

In news from the research station, Dr. C. C. Strachan is in Winnipeg this week attending the Western Canadian Society for Horticulture convention. He will return via Edmonton where he will attend the Canadian Institute of Food Technology convention. Librarian Miss Nora Dowling is in Ottawa for two weeks.

Mr. and Mrs. Bud Rusaw, accompanied by Mr. and Mrs. John Manning were Victoria visitors last week. While there they attended the Capping Ceremony at the Royal Jubilee Hospital, where student nurse Miss Ruth Manning received her cap.

BA dealers team may play finals here

The BA Dealers Basketball team defeated Kettle Valley All Stars 75-43 in an exhibition game in the Summerland secondary gym last Saturday evening.

High scorer for the Dealers was Chuck Preen with 26 points, while for the All Stars it was Serge Hlookoff with 24 points.

The BA Dealers have five five Summerland players on their team: Don Puddy, coach; Ed Menu, Gordon Smith, George Henley and Frank Carey.

If the Dealers defeat Kelowna Royalities in the Okanagan finals

on Saturday, there is a possibility that one or more interior finals against Quesnel will be played in Summerland, a club spokesman told the Review.

Kiwanis Club Notes

At Tuesday night's meeting, two or three little things happened that are of interest to Kiwanians. From a world news point of view, it was a thrilling day, John Glenn came back to earth safely out of orbit. In its own small way, the Summerland Kiwanis Club welcomed back the Lt. Gov'nr, Doug Campbell, who has also been "in orbit" since last December 12. How he didn't "burn up" on the way back we don't know. Glad to see you back Doug.

Our one and only "Bobby" — (Bob Alstead) was so busy writing out a series of speeches on mining that he forgot to attend the last Key Club meeting, and his apology to the Club is being considered. We believe it has every chance of being accepted.

Kenny Smith, of the Key Club was with us as a guest.

The evening was nicely rounded off by Allan Elsey (Clair Elsey's son) who is here from Bella Coola and who showed a film on the local fishing in his home area. Reports from various members of the club show that it was very thoroughly enjoyed. Some members even went straight home and got out their fishing tackle and started to dream. Thank you Allan, from everybody.

Queen reports on trip to Carnival

by Trudy Mitchell

Hut C4 at Vernon's Military Camp provided a home, away from home, when Vernon's Winter Carnival entertained 21 visiting queens and their chaperones from February 16 to 18.

Friday evening we were provided with a welcome supper at the hut, then on to Polson Park where we participated in the ceremonies crowning Queen Silver Star II, with a beautiful ice palace as a backdrop. We were then taken to the Vernon civic arena to see the Silver Blades Ice Revue, and then to round off a busy evening, we attended a "sock hop" in a private home.

Saturday morning was taken up mainly with press and photographers, before taking part in an hour-long parade. Mr. Kyle Steele kindly brought his car to Vernon to drive me along the parade route. After the parade we were entertained at a coffee party at the Yacht Club. Saturday evening the city of Vernon entertained at dinner all the visiting civic dignitaries, queens and chaperones. We then finished the busy day by attending the Skier's Ball.

Sunday morning we were allowed to attend the church of our choice. Then in the afternoon we were taken up Silver Star to view the Alpine Ski Championships, after which we were provided with a farewell dinner before returning home. All visiting queens were presented with an engraved silver spoon as a memento of Vernon's 1962 carnival.

Vernon's Carnival committee are to be congratulated on such a tremendous undertaking. The welcome we received I will always remember. Thank you, Vernon.

Throughout his long career, W. O. Mitchell has been a farm worker, an egg container salesman, a hobo; even a professional high-diver in Biarritz. He is still best known, however, for his writings on prairie life as exemplified in his stories of Jake and the Kid and his new radio series, Foothill Fables. This latter series is heard Sundays on the Trans-Canada network of CBC radio.

Bob Barkwill heads Sporting Rifle Club

A well attended annual meeting of the Summerland Sporting Rifle Club was held at the range in Barkwill's Cannery on Friday evening. Officers elected for the year were: president, Bob Barkwill; vice president, Harold Richardson; secretary, Louise Atkinson; treasurer, Junius Johnson. Range officers are Ken Blagborne, Jim Doherty, Roy Bertram, Colin Mann and Raymond Maddocks; score keeper, Mrs. Roy Bertram; refreshments, Mrs. J. Bentley; publicity, Herb Simpson.

The idea of having a separate night for junior members was discussed, but it was decided that such a plan was not practical, so it was agreed that the juniors will shoot for one hour, commencing promptly at seven o'clock. This will give each member time to shoot at least two targets. The range will be opened at 6:45, so all juniors are asked to be there by 7 p.m.

A change was made in the awarding of the cup for juniors scoring 100 in the prone position. It will now be presented to the one making the most number of perfect scores during the season. However, any young shooter who shoots a perfect score will be given a small crest with the number 100 printed on it.

Two juniors turned in scores of 100 on Friday evening and Jim Sheppard, a senior, made a perfect 100 score with all the shots being in the "X-ring" of the bulls-eye.

All members favored inter-club shoots so Penticton and other centers will be contacted, and it is hoped that these competitions can be arranged.

1st Summerland Troop

This Monday we had a turnout of 29 boys, everyone in complete uniform. We hope to keep up this record now the weather is warmer.

Mr. Joe McLachlan passed the following boys for Fireman's Badge: M. Lopatecki, Fred Trussell, M. Tamblin, N. Mason and R. Blagborne. Other Tenderfoot and Second Class tests were passed.

In the patrol competitions, point standings are Buffaloes 235; Beavers 222, Engles 221 and Hawks 189. Duty patrol next week, Buffaloes

— D. V. Fisher, Scoutmaster.

Teachers prepare for Education Week

Preparing for Education Week March 4 to 10, the Summerland Teachers' Association has named the members of the Education Week Committee. With chairman John Tamblin; Mrs. H. Bouey, Ray McNabb, Bert Stent and Dave McMurray are discussing many proposals for observing this year's theme "Education — Measure of a Nation"

All schools in Summerland are planning special events for Education Week and several teachers will address local clubs on various aspects of education. A special education section being prepared by the teacher's committee will be included in this newspaper on March 8.

BOY SCOUT WEEK - FEBRUARY 18 - 25

The Scout law, motto and promise comprise a code forming a promising basis for good citizenship. It would do much good if we all resolved to commit them to memory this week.

Fisher's Shoe Store

Scouting gives our boys invaluable training in good citizenship. Our thanks and congratulations to those who keep the movement alive.

West Summerland Building Supplies

Training in good citizenship is more important today than it has ever been before. We are happy to extend congratulations to the scouters of this town.

Killick Photography

Scouting is for boys, but Boy Scout Week is for all of us — to help us remember that this work is not carried on without great sacrifices made by many of our neighbours.

Overwaita Ltd.

In a world where many young men lack any opportunity to learn the lessons of citizenship, we have reason to be grateful to those who make this opportunity available, through Scouting, to the youth of this district.

West Summerland Hardware

All too rarely do we have an opportunity to give public recognition to the fine work of the Scouting movement. Boy Scout Week offers such an opportunity and we seize it gladly.

Bank of Montreal

Bringing Scouting to youth in a community is like sowing registered seed in a field. It promises a cleaner, harder, more vigorous and more useful crop.

Trout Creek Service

We are proud to participate in this tribute to the Scout Movement which, through the years, has done so much for boys the world over.

L. A. Smith Ltd.

We think it a good thing that Boy Scout Week will focus the spotlight on local Scouting. We can't all give time to this worthy work but it behooves us to give recognition to the efforts of all who do.

Selinger's Plumbing & Heating

Our youth has been justly called the most valuable of Canada's natural resources. We salute the movement that has done so much in the profitable development of that resource.

Cranna's Jewellery

Scouting is good citizenship expressed in terms of good fun, but only the leisure time of many worthy people, given freely for the benefit of others, makes that helpful form of expression possible.

Holmes & Wade

Congratulations to our Boy Scouts and their leaders. The whole community benefits from their training in good citizenship.

Shannon's Transfer

"To help other people at all times." How simply the Scout law puts this basic rule of good citizenship. How valuable it is to a community to have its young men taught respect for such rules.

Laidlaw & Co.

The transition from boyhood to manhood is ever a difficult experience but it can be much less difficult if boys have the advantage of Scout training. We salute those who give of their time to make that training available in this district.

Summerland Esso Service

It is our pleasure to offer congratulations to the scouts and scouters of this district. The efforts of both are deserving of enthusiastic support.

Lamb Motors

We congratulate the local leaders of the Scout Movement. The work they are doing today confers on the community benefits which will endure for many years to come.

Super-Valu and Groceteria

Once a Scout, always a Scout. Scouting confers a lifetime benefit on boys. We are happy to salute the Scouts and Scouters of this district.

OK Engineering Works

We extend congratulations to all who have played a part in keeping Scouting alive in this district. They deserve the admiration and gratitude of every citizen.

Summerland & District Credit Union

Scouting is a good thing for boys; a good thing for communities; a good thing for the future of the world. We salute those who have made it a reality in this district.

Trout Creek IGA Food Market

Let us all resolve that we will make Boy Scout Week an occasion for learning at least one new fact about the work of the Boy Scout movement in this district.

D. H. Hill & Co.

Scouting teaches boys to be resourceful and to use their resourcefulness in the service of others. Such training is of great value to the boys and to the society in which they will, one day, be citizens.

Leonard's Insurance Agency

Congratulations to our Scouts, their parents and their leaders. Their support of Scouting and participation in it helps to build a better Summerland and a better Canada.

T. S. Manning Lumber Yard

The world is in a distressing state but we need not lose hope as long as the rising generation has the benefit of influences such as the Boy Scout movement.

Smith & Henry

A Scout is taught to be loyal to his own faith, and tolerant toward that of others. What a wonderful thing it would be if, during Boy Scout Week, we all learned that lesson from the Scout movement.

Green's Drug Store
