

Under the Giant's Head

Guest speaker at the annual banquet and good citizen presentation night of the Chamber of Commerce on February 8th, will be F. D. Mathers of New Westminster. He is president of Royal City Foods Ltd. and Delnor Frozen Foods Ltd. Mr. Mathers' father in law was J. M. Robinson who founded Summerland.

We have a request from the residents of Parkdale Place to thank all those who contributed to their holiday festivity, and especially the staff who worked so hard during the holidays.

Miss Marion Dunsdon, RCAF, daughter of Mr and Mrs Art. Dunsdon made a surprise appearance in Summerland homes Christmas night. CHBC-TV carried a short feature on the RCAF station at Senneterre where Marion is stationed and she was among the featured personnel. Her twin sister, Dorothy, also in the RCAF is stationed at Sylvester, Quebec. The girls spent New Year's together.

Just one more Christmas story before we pack it up for this year. Young Terry Mitchell, six year old son of Mr and Mrs H. L. Mitchell, had a real, honest to goodness CPR telegram from the North Pole via Mayo in the Yukon. The telegram read "Dear Terry: I have been working very hard in my toy shop this year and if I hear that you have been good I may have some nice things for you, (signed) Santa." Leads one to believe that the modern Santa must have an advertising budget.

Fire completely destroyed a barn owned by Mr. Harry Westerlaken of Garnett Valley about 3:30 a.m. on Monday, January 1. The fire brigade was called to the scene but the small frame building burned to the ground very rapidly. The barn housed a number of animals including five pigs. Two pigs were burned, one of which weighed over 600 lbs. Mr. Westerlaken estimated his loss at approximately \$1,000.

Mr. and Mrs. Don Clarke of West Summerland and their three daughters escaped virtually unharmed when their 1952 Dodge car slipped off the Hope-Princeton highway and rolled down an embankment.

The Clarks, travelling to Vancouver for Christmas, were just about seven miles east of Hope when the accident happened. Apparently the car hit the shoulder of soft snow, rolled, and landed on its top. Mr. Clarke managed to scramble out of the car and was able to help the other members of his family to safety.

A member of Mrs. Clarke's family drove out from Vancouver to pick the family up. The car was a total loss.

Vol. 17 No. 1

Board starts plans for new hospital

At a special meeting of the hospital board, Wednesday night January 3, a letter was read from Hon. Eric Martin minister of health and welfare giving formal government approval for a new hospital for Summerland.

The letter was a confirmation of a promise made to the board by Premier Bennett at a cabinet meeting in Oliver October 3.

In the letter Mr Martin asked for figures regarding proposed number of beds and diagnostic and treatment services needed.

A committee was set up at last night's meeting to meet with the architect to finalize plans of the hospital. It is expected that it will be from 25 to 30 beds, costing between \$300,000 and \$400,000.

Assessment notices in mail

The 1962 assessment notices have now been mailed to the ratepayers of Summerland.

Municipal assessor J. Sheeley told the Review that a different method of assessment went into effect this year. He said that the amounts for both land and improvements represent 50 per cent of actual current value, based on sales within the municipality over the past two years.

Mr Sheeley said that this was a change from 1961 when the base year was 1953 for improvements and 1955 for land with 60 per cent being the value for assessment purposes in both cases.

Even though a lower percentage figure is being used this year, because of rising values in real estate, assessments will remain approximately the same and will in some cases be higher.

Week of Prayer from January 7-12

The annual World Week of Prayer, arranged locally by the Summerland Ministerial Association will be held from January 7-12.

(Continued on back page)

Growers meet January 15 to discuss resolutions

The 72nd annual British Columbia Fruit Growers Association convention will be held January 23, 24 and 25 in the Vernon Legion Hall. Summerland delegates to the annual fruit growers parliament are Chas. Bernhardt, Hans Stoll, Jim Mayne, George Stoll, F. R. Ganzeveld, John Holman and Bill Baker.

Convention portfolios containing various committee reports are now in the hands of the local delegates for study prior to attending the proceedings. A meeting of the Summerland B.C. FGA Local to discuss the resolutions will be held on Monday, January 15 in the IOOF Hall at 8 p.m. President Charlie Bernhardt told the Review that

A committee was also set up to pick a new site for the hospital, as the present location is felt to be inadequate. This committee will work closely with the municipal council in picking a site and in construction of the hospital.

The present 26 bed hospital is approximately 25 years old.

Hospital board chairman R. Alstead told the Review that he is extremely pleased with the letter, and that the board will go to work immediately finalizing plans for the new building.

Approve sale of land for Golf Course

At the last council meeting of 1961 on Wednesday, December 27, council accepted the tender of Victor Parker to purchase a 65 acre area for \$4,000. The area, located north of the baseball park on Highway 97, will be made into a golf course by Mr. Parker. Plans are for a nine-hole course with grass greens, fairways and a clubhouse. The main entrance to the property will be from the south.

Council will re-zone the property from rural to recreational classification.

Mr. Parker told the Review on Tuesday of this week, that while his plans are not completely finalized for the golf course.

In other council business, it was decided to amend the subdivision bylaw to include a statement of acreages on subdivision plans. At present surveyors are not required to include this statement unless there is a municipal bylaw requesting it. Building inspector R. F. Angus recommended the purchase of a planimeter for measuring acreages.

The 1962 provisional budget was presented and will be finalized at the next council meeting this coming Monday.

Building boom in '61

1961 was a year of building for Summerland. Early in the year a five room addition to MacDonald School (shown top) was opened. It accommodates some 170 students. In March work commenced on the new B.C. Fruit Shippers packing house. The big modern plant was completed and in operation by July 1st. Meanwhile work had commenced on both the \$170,000 senior citizens home (shown middle picture being opened)

and the attractive club building of the Summerland Yacht Club. Both buildings were completed and opened early in the summer. Later in the summer work started on a new Legion clubhouse. This modern attractive building (pictured bottom) opened early in September. Summerland Co-op packing house added a \$72,000 addition to their cold storage plant. On main street an attractive Taste Freez building was erected.

Editorials

A Record of achievement

Seventeen years of service ended on December 31 when Reeve F. E. Atkinson retired. During that time Mr Atkinson has contributed a great deal of time and talent towards the betterment of this community. The influence of his guidance has been felt in so many projects that it is difficult to pick out any in particular.

The building of our senior citizens home, Parkdale Place; development of a domestic water scheme for Trout Creek Point, a start on development of Trout Creek Point in an organized manner; a new public health centre and library; new municipal hall; improved roads; a municipal electrical system that compares favorably with any such system in B.C.; further development and stabilization of our municipal water supply by the building of new storage dams, renovation and enlargement of existing dams — these are only a few of the many municipal projects that Mr. Atkinson participated in.

In addition to his municipal service, he is also an active member of the Summerland Rotary Club, serving as president in 1960. He is a member of the Chamber of Commerce; a Mason; an active member of St. Stephen's Anglican Church. He is a fellow of the Agricultural Institute of Canada; was president of the Okanagan-Kootenay local AIC, and served on the provincial council. He is also on the board of management of the B.C. Research Council.

The above record is one of outstanding personal service, one that the community recognized when Mr. Atkinson and his wife were awarded Summerland's Good Citizen award a few years ago.

Although he has retired from municipal life, we are sure that the district will continue to receive the benefit of Mr. Atkinson's experience in the years to come.

On behalf of the community, the Review would like to say, "Well done sir — and thank you".

"This is the season of the heart".

Prayer changes many things

by Rev. D. M. Rathjen

"The effectual fervent prayer of a righteous man availeth much." James 5:16.

The statement in the preceding text gives the assurance that such praying is rewarding. The Bible is full of illustrations of the way in which the prayers of the godly are answered, and much has been accomplished through prayer since bible times. It has been rightly stated, "More things are wrought by prayer than this world dreams of."

God has made the limitless resources of heaven available through the avenue of prayer. Through His Word He has given us every encouragement to pray. He has also given us the conditions of prayer and for what to pray.

God has said, "Men ought always to pray." As we begin the New Year an opportunity for united prayer will be given in the Week of prayer. God has promised to answer such harmony of prayers. Matt. 18:19, "If two shall agree on earth as touching anything that they shall ask, it shall be done for them of My Father which is in heaven."

The needs of our world, our nation, our community and ourselves are such that only God can meet. Let us pray individually and unitedly the prayer

of the righteous until prayer avails and much is accomplished by Heaven's intervention.

Three day conference at Princeton

Climaxing three days of "assisting one another to do God's will", Jehovah's witnesses from the South Okanagan and Similkameen concluded their convention at Princeton with the stirring public address "Uniting Men in a Split-up World".

Mr D. M. Mills of Toronto delivered this address to 400 persons assembled at the High School Auditorium on Sunday afternoon, December 24. He stated that world unity could only be brought about by Jehovah God, "the Most High over all the earth", by means of his Kingdom which will be ruled over by his only begotten son Christ Jesus.

Mr. Ervin Felker, presiding minister here, said that much enthusiasm was shown over the "New World Translation of the Holy Scriptures" being featured in their ministry during December.

R. Langstroth and G. Woitte, participated in the instructive assembly program, illustrating from the Scriptures how Jehovah's witnesses can improve their ministry.

Letter to Editor

The Editor
Summerland Review
Dear sir:

Your editorial of November 30, re the purchase by a British company, of three weekly newspapers in the Fraser Valley, that you deplore, and that the editor of the Oliver Chronicle finds so distressing, could prove a healthy change and perhaps filled with even more vitality, and insight that the present local ownership.

As you know, it is the policy of many English newspapers to voice the feelings and needs the people — the general public.

Mr. Editor, you would have cause for concern if it were another take over or purchase by a United States publishing company, that already control many of our big daily newspapers across Canada, to say nothing of our newsstands being flooded by U.S. publications.

Yours sincerely,
A. O. A. Wright,
Trout Creek

The Editor,
Summerland Review,
Dear sir:

With the fast approaching close of 1961 I would like to take this opportunity of expressing our sincere appreciation for your kind co-operation and help in publicizing the work of our Society in your community.

Through you we would like to thank our large number of supporters for their volunteer work and continued support.

Again thanking you and wishing you the compliments of the season,

Yours sincerely,
S. L. Howar
Commissioner,
Canadian Red Cross Society

Local school tops in "Let's Spell"

Friday night, December 29th, television viewers saw the "Kool Kätz" spelling team, comprised of Connie Roberge, Gina Storey, Jane Perry and Rosemary Munn (accompanied by the spare player Donnie Wright) make their first appearance on the "Let's Spell" program and win the final match over the "Wizzards" also of MacDonald School.

The win entitled each member of the team to receive a Bulova watch and to obtain for their school a prize of \$100.

The "Wizzards" team, made up of Joan Holler, Linda Murphy, Harold Hackley, Judy Brown and spare Judy McWhinnie, had been regular players on the "Let's Spell" show, appearing on the show for six consecutive weeks, before losing to their own classmates, pupils of Mr Austin Raham.

So impressed were the staff of CHBC-TV with the ability, tenacity and good sportsmanship of these students throughout the series that, in a surprise move, they awarded similar Bulova watches to the participating team members, instead of the pens originally offered by the sponsors. Thus, the Wizzards have set a precedent for other teams, in future series, who may appear for at least six weeks.

Summerland School District can be proud of the achievement of all students who entered the contest. From the time (Continued on back page)

When this little pig goes to market he provides us with a wonderful variety of fresh pork cuts for winter time meals. Fore quarter cuts shown here are Boston Butt, Picnic Shoulder and Pork Hocks. Center sec-

tions show chops, loin roast, tenderloin and spare ribs. The hind quarter shows the leg and leg steak. Knowing cuts of meat and where they come from makes shopping easier and more interesting.

Record number of birds recorded

The annual Christmas bird count for the Penticton-Naramata-Summerland area was held on December 26th when a total of 65 different species were seen. This is the highest number recorded so far and an increase of nine over last year's count.

The count area is bounded by a 15 mile diameter circle centred just west of Gerry Mt. Lookout. This includes Summerland north to Crescent Beach, Naramata, the Penticton benchlands and Skaha Lake, Allan Grove on the Green Mt. Road and the Gardner Ranch on Shingle Creek.

Christmas bird counts have been made all over North America for many years. Vancouver or Victoria usually lead the rest of Canada in number of species recorded. Victoria Natural History Society counted over 120 species this year. Vernon's old established North Okanagan Naturalists Club holds the Okanagan record of 74 species counted in 1958. A Kelowna group are holding their first count on December 30th.

38 observers took part in the local count this year. Penticton observers were Mr. and Mrs. Trevor Punnett and family, Mr. and Mrs. Avery King and family, Mr. and Mrs. Steve Cannings and family, Mr. and Mrs. Les Hill and son Michael, Mr. and Mrs. A. Shipton, Mr. and Mrs. Atlee Hanson and Mr. Andy Bennie.

Those taking part from Naramata were Mrs. Les Gibbard, Mr. Bob Gibbard, (Mr. Les Gibbard saw a Franklin Grouse near Chute lake but he was outside the assigned circle) Rev. R. Wallace and Mrs. Wallace, Miss Helen Hurd, Mr. and Mrs. Fred Ritchie and Mrs. Nancy Tinning.

The Summerland area was covered by Mr. Eric Tait with sons Don and Ian, Mr. Jack McDougal, Mr. Cyril Stent, Mr. Allan McKenzie, Mr. Bert Simpson and Mr. John Woollams.

Mr. and Mrs. Trevor entertained the observers on the evening of the count when notes were compared and results compiled.

Following were the birds seen on Boxing Day between 8 a.m. and 4:30 p.m. with numbers shown. Large numbers are estimates.

Horned Grebe 59, Western Grebe 3, Canada Goose 3, Mallard 12, Green-winged Teal 6,

American Widgeon (Baldpate) 1, Redhead 60, Canvas-back 3, Greater Scaup 1, Lesser Scaup 21, Common Goldeneye 15, Barrow's Goldeneye 2, Buffle-head 50, Ruddy Duck 9, Common Merganser 1, Red-breasted Merganser 1, Goshawk 1, Prairie Falcon 1, Sparrow Hawk 1, Ruffed Grouse 2, California Quail 372, Ring-necked Pheasant 12, Gray Partridge (Hungarian) 17, American Coot 6,000, Killdeer 2, Herring Gull 7, Ring-billed Gull 18, Mourning Dove 2, Rock Dove (Pigeon, wild) 40, Short-eared Owl 1, Belted Kingfisher 2, Red-shafted Flicker 51, Lewis' Woodpecker 4, Hairy Woodpecker 4, Downy Woodpecker 7, Steiler's Jay 7, Black-billed Magpie 62, Common Raven 15, Common Crow 1, Clark's Nutcracker 10, Black-capped Chickadee 102, Mountain Chickadee 22, White-breasted Nuthatch 4, Pygmy Nuthatch 108, Dipper 5, Winter Wren 3, Long-billed Marsh Wren 3, Robin 78, Varied Thrush 4, Townshend's Solitaire 6, Golden-crowned Kinglet 5, Bohemian Waxwing 215, Northern Shrike 5, Starling 32, House Sparrow 462, Western Meadowlark 2, Red-winged Blackbird 31, Cassin's Purple Finch 8, House Finch 91, American Goldfinch 47, Common Redpoll 8, Red Crossbill 6, Oregon Junco 972, White-crowned Sparrow 3, Song Sparrow 37.

Total Species 65. Total individuals 9,150.

Additional species seen during the count period (Dec. 20th to Jan. 1st) were Hooded Merganser, Cooper's Hawk, Golden Eagle (not definite), Bald Eagle, Chucker Partridge, Pygmy Owl, Yellow-shafted Flicker (not definite, may have been hybrid), White-headed Woodpecker (this is the rarest woodpecker in Canada and was seen by Mrs. Gibbard Dec. 27), Horned Lark, Western Bluebird, and Evening Grosbeak.

The Ruddy Ducks sighted by Cyril Stent and Jack McDougald of Summerland are probably the first ever recorded for the B.C. interior in winter. Other interesting records were the Short-eared Owl seen by Mr. Les Hill's family and the Yellow-shafted Flicker reported by Mrs. Tinning and seen by other observers in the same Naramata area a few days later.

On the Rifle Range

by Herb Simpson

The Summerland Sporting Rifle Club will commence practice at 7:30 p.m. on Friday evening at Barkwill's Cannery. Anyone interested in the sport will be very welcome.

Only rifles of seven pounds or under are permitted in the competitions for buttons and crests which are awarded by the Dominion Marksmen Association.

It is hoped that competitions will be held with Penticton and other valley centres during the season. In addition to the regular target practice, a set of mechanical "rabbits" add interest to the sport, as they prove to be a real test of the shooters' skill.

GOOD NEWS FOR MEN AND WOMEN OVER FORTY

With good health comes good sleep — good appetite and good mental attitude.

NOW FOR THE FIRST TIME IN CANADA

SUPER IRMARON TABS

After years of research, this Super Tab has been found and proven with five essential vitamins for most members of the family, especially for those over forty.

Low depressed feeling — lack of confidence — dizziness — nausea — faint run down feeling — worry about nothing — irritable — always tired and brooding — all can be caused by deficiency in minerals and vitamins.

Don't despair no matter how long you have been afflicted. Get back on the road to good mental and physical health.

IRMARON is a new Super Tab absolutely guaranteed. Money gladly refunded if after 30 days you are not satisfied with results.

Now available 30-day treatment — \$5.00
(immediate relief throughout Canada)

How to obtain Irmaron

Send cheque or money order (do not send cash) to:

Natural Remedy Company

774 - 1/2 Yonge Street

Toronto 5, Ontario

Sole Distributors of Irmaron for Canada

This could be your year!

Got something in mind you've always wanted? ... something that would add greatly to your anticipation of the year ahead? A new car, perhaps ... a hi-fi ... or an up-to-date TV ... or even a cottage in the country?

There's no need to let an after-holiday, empty-pocket feeling interfere with the way a shiny New Year could look to you as it gets underway. 1962 could be the year for getting things you want for you and yours.

Resolve now to start things off by dropping into your neighbourhood branch of the Bank of Montreal. The people there will be glad to discuss a low-cost, life-insured loan through the B of M Family Finance Plan. It's one resolution that's well worth keeping!

BANK OF MONTREAL

Services for pioneer Pastor

Rev. C. P. Stewart, pioneer minister of the Free Methodist Church in the Okanagan, passed away early Christmas morning at his home in Winfield.

Pastor of the Summerland Free Methodist Church from 1939 to 1943, during which time the present church was built, Rev. Stewart also served at Kelowna and Kamloops. Following his ministry in the Okanagan, he served ten years as pastor in New Westminster and three at Victoria. He returned to Win-

field two years ago.

In his pioneering days, Rev. Stewart supported his family by contracting and carpenter work. He was considered an able builder in both the spiritual and physical realm.

Surviving are his wife Addie, four children, three brothers, and one sister. One son Robert operates a hunting and fishing resort in northern B.C.; another son, Wesley, is president of the Moose Jaw Bible College. A daughter, Muriel, teaches in a Seattle school; and a son, Allen is on the staff of a Moose Jaw newspaper.

Funeral services were held at the Kelowna Free Methodist Church with Rev. C. W. Burbank, superintendent of the B.C. Free Methodist Church and Rev. G. W. Stevens of New Westminster conducting the service. Five other ministers participated.

WEEK OF PRAYER

(Continued from page one)
7th to 12th. The theme this year is "personal religion".

On Sunday, January 7 services will be held in each church.

On Monday, January 8 services will be held in the Free Methodist Church with guest speaker Rev. E. McCormick of Oroville, Washington.

Guest speaker on Tuesday will be Rev. C. Warren of the Peachland United Church. Services will be in the Summerland Baptist Church.

Mrs. M. Tasker, who spent 25 years with missions in India, will speak on Wednesday in the Trout Creek Church of God.

Thursday services will be in St. Stephen's Anglican Church, with Rev. D. Rathjen of the Pentecostal Church giving the message.

The concluding service will be held Friday in the Summerland United Church with Rev. K. Iwayoshi of Kelowna Baptist Church guest speaker. Rev. Iwayoshi is a former Summerland resident.

All week day services begin at 8 p.m.

SPELLERS

(Continued from page three)
Its first team of youngsters competed, no team outside of the district was ever a winner.

The Trout Creek "Wise Guys" Sylvia Hodge, Sharon May, Ann Rae, Linda Keuning and spare Dyke Noel, whose teacher is Mr. Ray McNabb, had become a legend in their own right by competing for four weeks in a row before meeting the first MacDonald School team.

Mr. Choke, principal of MacDonald and Trout Creek schools, has maintained a lively interest in the venture on the part of his students during the last ten weeks. He states that while it is extremely gratifying that the children were winners, his main interest has been in the opportunities provided for the students to broaden their horizons and to develop and maintain good standards of courtesy and fair play.

The students and teachers agree that many valuable lessons were learned, quite apart from sharpening up their spelling know-how.

Police Court

Over the holidays two cars hit flower planter on Granville Street. December 24 Kenneth E. Beck of West Summerland hit the planter, totally wrecking his 1941 coupe. Beck suffered a fracture of the lower jaw.

On December 23 Herman J. Bartel of West Summerland hit the same planter and did \$400 damage to his small foreign car. Bartel was subsequently fined \$100 and costs for driving with his licence suspended.

Deer have been very plentiful on Highway 97, with heavy snows driving the animals down for food. RCMP report two motorists have struck deer on the road, Fernand Vandenberg of Armstrong and Alvin Nickel of North Surrey, causing extensive damage to both cars.

Gerald Matkovitch appeared in local police court on two counts last week. He was charged with being a minor in possession of liquor and driving without due care and attention. He received fines totalling \$35 and costs on the first count and \$54 and a six months suspension of his driver's licence on the second charge.

Kenneth Robert Burke of Penitton was charged with being a minor in possession of liquor and was fined \$35 and costs by Magistrate Reid Johnston.

On January 3, deputy magistrate Robert A'Island imposed a fine of \$35 and costs on Frederick Kebeber of Vancouver for speeding.

Excellent displays shown for holidays

Winner in the Chamber of Commerce's annual lightup for Christmas competition was W. H. Lacey of Trout Creek. He will receive the F. E. Atkinson Cup at the annual meeting of the Chamber. Second prize winner was Ron Hodgson of Jones' Flat and third prize was won by F. R. Ganzeveld on Station Road.

An new innovation by the judges this year was honorable mention for various areas of the municipality. These went to: Sand Hill Road, Mel Cousins; Trout Creek; K. D. Carter, Fred Schumann, J. N. Pearson; Crescent Beach: Norman Holmes; Peach Orchard: Hilton Hughes; Switchback Road: T. B. Lott; Jones' Flat: George Clark; Garnett Valley: H. B. Hunter, K. Yamabe; Peach Valley: Ken Nistor; West Summerland: Rev. Norman Tannar; G. C. Johnston

Record number of entries in annual turkey shoot

Boxing Day saw the most successful turkey shoot ever staged by the Summerland Rod and Gun Club. In the seven hours of contesting, over 100 events were shot off, with five marksmen in each event. Prizes were 32 turkeys and 56 hams.

In the most difficult event, the miss and out, Ron Wade of Kelowna was the winner. At 100 yards, Mr. Wade was still in the competition without a miss.

Winners of the lucky shoots were John Selinger, Bill Reid, Bud Gould, J. R. Butler, Harvey Wilson, Bill Laidlaw, Mrs. Hilda Eden, Phil Smith, Ted Mori, Matt Koboyashi, E. Sherritt, R. McDonald, Mrs. Norman Holmes, J. Larson, Mrs. Reinertson, Don Taylor and John Kalemback.

Wives of local club members sold coffee to chilly participants and spectators.

A sub-zone meeting of the in-

terior Fish and Game Association, chaired by George Stoll, will be held this month in Penitton at the new club house on the West Bench. Members will discuss business to go before the April convention.

Under the Giant's Head

A word of praise this week to the municipal crew for the fine job they did of removing the snow from the streets last Sunday. The new Adams grader was out early Sunday and worked all day clearing away the heavy snowfall. They also did an excellent job in December. From the comments we've heard it would seem our neighbour to the south could take a few lessons in snow clearing from our municipal crew.

Electrical service in Summerland was disrupted early Sunday morning when two telephone poles fell into an orchard on Quinpoole St. West Kootenay Power Company crews were busy Sunday and Monday repairing lines in the Kelowna district which were downed by heavy snowfall.

A ravine south of the dairy barn at the Research Station has been filled, giving access to another ten acres of land. About two acres of fill has been put into an area about 100 feet wide, 200 feet long and 30 feet deep.

The new pasture opened up will be used for a corral and a special area for 'bloat' research.

During the past week, .79 inches of rain and 2.4 inches of snow were recorded at the Research Station. Only 2.1 hours of sunshine were recorded.

Summerland Rod and Gun Club will hold a ladies night on Friday, January 26 at 8 p.m. in the IOOF Hall. A short business meeting will be followed by films on wildlife and refreshments will be served. A dinner meeting of the club will be held February 23. Plans are being made for a guest speaker and dancing will follow the meeting.

Police court

In charge of police court this week was Deputy Magistrate R. Alsop.

On January 3, Fredrick Keber of Kelowna appeared on a 1961 speeding charge. He was fined \$30 and costs.

January 9, Elsie Douglas McLeod of Kelowna was found guilty on a charge of driving his truck without having proper mud flaps. His fine amounted to \$13.

Mrs. C. Day of West Summerland was charged with driving with an expired licence. She was fined \$15 and costs.

Mrs. L. Richards of West Summerland appeared in police court January 9. Charged with crossing a single solid line Mrs. Richards was fined \$13 and costs.

On January 4, William Eged of Penticton rolled his car on Highway 97, near Trout Creek. \$400 damage was done to the car. Eged was charged with driving without proper insurance.

"Operation Snowbound" completed successfully

Brian Herron, B.C. Telephone man in charge of microwave relay stations was brought out from a mountain 20 miles west of Summerland late last night. He had been snowbound in the station for more than two days, after his snowmobile broke down, Monday, while he was on a routine checking trip into the station.

"Operation Snowbound" commenced normally, when Mr. Herron travelled west of Summerland on the private road to the relay station, picking up his snowmobile at the customary point.

This snowmobile is an unusual vehicle, equipped with special wide trac-treads, and has a cab similar to that on a car mounted on top. Normally, this vehicle will proceed along a snowbound road without difficulty. This time it didn't.

At a point about two miles from the station the machine broke down. Mr. Herron quickly discovered there was no means of repairing it on the spot, so he decided to make his way up the mountain to the relay station, where he would have telephonic communication. At that time he thought the snow was about two feet deep, but he

soon found that it was considerably more than that depth.

This made hard, almost impossible going, but eventually he made it. He telephoned for aid, and the B.C. Telephone Co. engaged Biollo & Harris of Penticton to go in and pick up both Mr. Herron and the stranded vehicle. George Agnew and Walter McCarthy of Penticton made the trip with a big bulldozer that was considered essential for the job. But it took one day for them to plow out the road to the vehicle; they quickly decided not to attempt loading it in the dark but started out early Wednesday morning to complete the job.

Meanwhile Mr. Herron lived on emergency rations at the relay station — items which had never previously been called on for such requirement. He ran out of coffee and cigarettes but had some tinned dinners and some Okanagan apple juice to fortify him.

Mr. Herron was taken to L. A. Smith's about 7 p.m. where he had his first real cup of coffee in three days. From Smith's, Mr. Herron telephoned his wife who was indeed glad to hear that all was well.

December snowfall long way from record

Because of the heavy snowfalls recently, the following report by Mr. Lloyd Uzick at the Research Station contains some interesting figures.

The station reports that the 45 year winter snowfall average is 30.84 inches. In 1949-50, 69.9 inches of snow established a new record. In 1957-58, the least amount of snow yet received was recorded. In that season 8.2 inches were received.

There are only two seasons in which it has snowed every month during the months of October to April inclusive. In 1919-20 and 1935-36 snowfalls were recorded in each month of the winter season. In some seasons, snow falls during very few months of the year and in 1928-29 snow was received during the months of December to February only.

There have been many inquiries with respect to the snowfall received in the month of December. The inquiries probably arise from the fact that it has been 10 years since we have had as much snow in December as we had this winter. In December 1961, 15.2 inches were recorded, whereas it is necessary to go back to December, 1951 before a comparable snowfall of 15.8 inches was received.

In December 1949 a record for one month was established when 49.7 inches of snowfall were recorded. This is greatly in excess of the 46 year average for December of 9.31 inches. The most snow ever recorded in a day at Summerland occur-

ed December 27, 1949, when 18 inches of snowfall was recorded.

Total snowfall to date for this winter as of December 31, 1961 has been 18.5 inches.

Wait ten days - then baby(s) arrive

The stork was slow in coming to Summerland this year, but when he finally did arrive on January 10, he made his presence known.

First baby of the new year was born to Mr. and Mrs. James Jones of West Summerland, at 8:55 a.m. on Wednesday, January 10, when a daughter arrived. Second baby of 1962 was born to Mr. and Mrs. John Symonds of Peachland — a boy — who arrived 55 minutes after the first baby, at 9:50 a.m. on Wednesday, January 10.

Rinks busy in playoffs

Three curling rinks are busy representing Summerland in various zone playoffs taking place in the valley this month.

On Sunday the Dick Topping rink won the right to represent Summerland in the Briar zone playoffs in Kelowna later this month. Other members of the rink are Bill Croft, third; Merrill Birch, second; and Hunt McKay, first. They won by defeating the Jerry Hallquist and Bill Baker rinks on Sunday and will travel to Kelowna on January 27 and 28.

A ladies rink travels to Osoyoos on Saturday and Sunday to represent Summerland in the zone playoffs for the provincial championship. Members of the rink are Mrs. Helen Tilbe, skip; Mrs. Martha Gronlund, third; Mrs. Hazel Ganzeveld, second; and Mrs. Mary Carter, lead.

A high school curling team will also go to Osoyoos on Saturday and Sunday to take part in zone playoffs leading to the (Continued on back page)

Municipal budget increased in 1962

Municipal council Monday afternoon approved a provisional budget of \$434,808.34 for 1962. This is an increase of nearly \$40,000 over last year's budget. However an increase in revenue could lower the increase to \$20,000. The mill rate for general taxation equals \$6,243, which could mean an increase of three mills in taxes. This year's tax roll has not yet been received by council, so no definite figures are available yet.

Increased allowances have been made in the budget for social welfare, up \$18,000; and schools, up \$3,884. Also increased are fire protection, police costs, street lighting, and the purchase of a new grader.

Council remuneration is unchanged at \$2,700, general government is set at \$11,150, and public works are unchanged at \$46,875. Sanitation costs remain the same at \$1,000; health unit, hospital grant, and health centre operation are up slightly to \$1,515; school requisition is up this year to \$140,000, a slight increase; recreation services remain the same at \$1,350, community services are unchanged at \$15,012; winter works projects total \$4,983.75; debt charges, which includes sinking fund, and serials, debenture interest, bank charges and loan interest is \$58,426.10.

Retiring reeve F. E. Atkinson administered the oath of office at Monday's meeting to new reeve Norman Holmes. In presenting the gavel, Mr. Atkinson said that its head, made of lilac wood, indicated freshness of approach and open mindedness, and the handle of rohn wood

symbolized perseverance and steadfastness. Following his remarks to Reeve-Holmes, Mr. Atkinson gave credit to municipal clerk G. D. Smith for a responsible job well done.

In accepting the gavel, Reeve Holmes said, "I have never felt more humble in my life, but with Mr. Smith as municipal clerk and the present council, I have all the faith in the world (Continued on back page)

C of C annual meeting tonight

The Summerland Chamber of Commerce annual meeting and election of officers will be held Thursday, January 11 in the IOOF Hall. The dinner meeting will commence at 6:30 p.m. The nominating committee, W. S. Ritchie and Ken Heales, report that they have a large list of candidates drawn up with elections assured for nearly every office.

The annual banquet and good citizen presentation will be held on Thursday, February 7. The guest speaker will be Mr. F. D. Mathers of New Westminster. Mr. Mathers is president of Royal City Foods Ltd. and Delnor Frozen Foods Ltd. This year he is also president of the Canadian Manufacturers' Association.

President G. C. Johnston has announced that nominations for Good Citizen will be accepted until the end of the month. The names, and reasons for the nominations, should be made to the secretary, Lorne Parry.

Residents and staff got together during the holiday season to have their picture taken. First row (left to right): Mr. T. O. Williams, Mrs. Eva Braniff (maid), Mrs. Regina Cornish (matron), Mr. J. M. Schultz, Mrs. May Campbell (maid); second row: Mrs. E. F. McClement, Mrs. M. J. Callagher, Mrs. J. E. Dajhos, Mrs. A. M. Read, Mrs. K. F. Crozier, Mrs. B. G. Caldwell, Mrs. J. I. Lilloco, Mrs. R. Tullett; third row: Mr. J. Mutton, Mr.

T. J. Garnett, Mrs. M. Atkinson, Mrs. M. M. Grant, Mrs. G. M. Ashbee, Mrs. P. E. Gould, Miss A. M. Chambers, Mrs. J. B. Kellogg, Mrs. F. E. Eckersley; fourth row: Mrs. V. Elliott (assistant matron), Mrs. N. Mooljelski (cook), Mr. N. Kydd, Mr. J. Adams, Mr. G. H. Williams, Mr. J. Lawler, Mr. J. B. Ellis, Mrs. J. Doult was absent when the picture was taken. Winter rain

Winter rain is gray and cold and cheerless. It smells of ice and it has the touch of sleet. It comes from a gray sky, and it drenches a frozen gray earth, draining swiftly into gullies and runs that have none of the spring song of flowing water in April. This is a cold winter splashing without even the tinkle of honest ice.

Leafless trees drip and sodden leaves slither underfoot. Rocks, only a few degrees colder than the rain itself, begin to glaze over. And the more vigorous little streams run only faintly roiled, for there is little silt that can be carved from its anchor of frost. Ponds show milky ice beneath the drain-off water that comes down from the hills.

But there is promise in Winter rain, March promise, and April promise. There are no flowers in it, and no eager buds, but there is something warmer than January ice. Not yet spring, and not yet a break in the cold procession; but a promise that spring does lie up there ahead. A foot of snow is so much more winter, even if it should melt next week. But an inch of rain is change and a sign that the depth of the frost is not limitless, nor is its duration without end.

March rain, too, is chilly rain. And April rain is somewhat less than steamy. But even in March there is a background of spring approaching, and there are days that might belong at least to April. And in April there are buds and birds and crocuses, at least. In January there is only rain and promise. And the fact that January is at last at hand. You accept the rain, and you cherish the promise, a warm promise in a cold rain.

"This is the season of the heart".

Somebody is watching you

by Rev. P. K. Louie

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven". Matthew 5:16. In the fifth chapter of Acts it is recorded that people were healed when Peter's shadow passed over them. Whether or not we believe that Peter's shadow had any healing power, we do believe that we do cast shadows of influence for good or ill.

It is a sobering thought to realize that somebody is watching you; that somebody is catching a glimpse of you — and unconsciously following you because he knows no other way. No one is so small or insignificant that he does not determine by his example the life of someone else. Somebody is watching you.

Our influence is usually unconscious. Someone has well said that "unconsciously, even more than consciously, you are making this world a better or worse place; you are adding to its pile of happiness or its heap of misery; you are shedding light or spreading gloom."

Peter no doubt was completely oblivious of the effect his shadow was having on people as he passed down the street.

Parkdale Place report

by Mabel Atkinson

Aladdin surely waved his magic lamp over Parkdale Place during the festive season.

Such munificence in gifts: the Frozen Food Lockers provided a 21 lb. turkey; Super Valu, 2 boxes of oranges; Groceteria, chocolates; Grade 9 Home Ec. class, cookies and candy; CGIT girls, candy; Joe McLachlan, cut flowers; and many others to numerous to enumerate sent fruit, confectionery, books, potted plants. To one and all, we express our sincerest thanks.

The Summerland Art Club, the Key Club, municipality workers and Mrs E. C. Bingham provided decorations.

The CGIT group, bell ringers, Mariposa Circle, Brownies in regalia, Melodiers, Future Nurses Club, and children from the Free Methodist Church entertained in good style with pantomime and song.

Christmas dinner was celebrated on Sunday with Nellie at the helm, ably assisted by Mrs. Campbell and Mrs Braniff. Residents were thus able to visit with friends and relatives on Monday.

Three birthdays were celebrated during the month of December: Mrs G. Ashbee, Mr J. Lawler and Mr J. Ellis. The birthday cake was provided by Mrs S. Bissett.

Few visitors from afar called, while 100 local folk signed the register. Several letters came from afar and provided interest. Mrs. Crozier heard from Major North, Commanding Pay Officer for RAPA in Singapore, giving a vivid description of Christmas in the tropics. Mr A. J. Beer, an old time Summerlander sent Mr T. Garnett a copy of a lecture he delivered to the Pacific Pyramid Home on Idealism in government.

We quote Grandma Moses as a New Year's resolution: "Old age is what you make it. It can be a joy".

Little did martyred Stephen, going to his death with body bleeding from the cuts of ugly stones, ever realize that at his death that day was a young man who was destined to become the greatest missionary the world has known since the time of Christ. No one will know the influence of Stephen's loyalty in the conversion of Paul.

Phillips Brooks once said "No man or woman of the humblest sort can really be strong, gentle, pure and good without the world being a better place for it, without someone being helped and comforted by the very existence of that goodness."

Yes, somebody is catching a glimpse of you.

Average stay in hospital costs \$185

If any member of your family has been in hospital during the past year it's most likely that the stay in hospital was under ten days, and that the B.C. Hospital Insurance Service paid about \$185 towards hospital expenses.

It's also likely that if it was Dad that was in hospital he was being treated for a heart condition or cancer; if Mom was the patient then chances are she was bringing a baby brother or sister home; and if it was junior who went to hospital he probably was having his tonsils and adenoids removed.

These are averages, according to the statistics received by the B.C. Hospital Insurance Service from B.C. general hospitals, for every patient admitted for treatment.

Some people, however, receive hospital care for highly unusual conditions. For instance, a man

from the Interior was treated for a rattlesnake bite, which is considered pretty much of a rarity in this day and age. There has also been a case of Psittocosis, more commonly known as "Parrot Fever", caused by a contagious virus carried by parrots, parakeets and budgies.

Two children living in the Okanagan were admitted with "Tick Paralysis", a condition caused by the poisonous bites of a tick parasite or "wood tick." The temporary paralysis that sets in is relieved upon the removal of the tick.

Considered even more uncommon was the diagnosis "Takayasu's Disease" for a Lower Mainland patient. This is an extremely rare vascular disturbance called the "pulseless disease." Its symptoms include ocular disturbances and the disease was first described by a Japanese ophthalmologist in 1908. Its cause is unknown.

Baptist women review successful year's work

For their annual meeting on
January 5, members of the
Shirley Knight Circle of the
Baptist Church were invited to
the home of Miss Ruth Dale.

A worship service preceding
the business session was led by
Mrs. Arch. Nicholson. The pre-
sident, Mrs. J. Barg, then called
for the minutes and reports.

It was gratifying to the 30
members to note that over \$500
had been raised and given to
various enterprises, as well as
donations of goods. The budgets
to Mission Boards had been met
and special gifts of cash had
gone to White Cross, gifts and
food parcels to missionaries.
Kenana bed, TV in Quebec, Park
dale Place, the local welfare
committee and two Christmas
hampers packed. A Christmas
toys parcel and over 300 lbs.
of used clothing went to Mrs.
D. Miller of the manse at Daw-
son Creek in December. A letter
from Mrs. Miller gave an indica-
tion of how welcome the cloth-
ing was when she stated that
requests filled according to need
had practically used up the
supply. Jams and jellies were
collected for Carey Hall at WBC
which Robert Brown took with
him for delivery. Much White
Cross work was done, with
large parcels of bandages being
sent to India and a quilt to
Dawson Creek. Study and work
materials were provided for the
Mission Band and each Cradle
Roll mother was given a sub-
scription to the "Mother's Mag-
azine."

A letter was read from a
former pastor, Rev. K. Knight
and Mrs. Knight, on furlough
from India and presently in
Hamilton, Ont reflecting their
busy life with speaking engage-
ments and courses at McMaster
University. A pleasant incident
had been a visit with another
former pastor, Capt. Don Knip-
fel and family at Oakville.

Elections made Mrs. Lorne
Bloomfield the new president;
Mrs. Barg vice president, with

Coming Events

The Summerland Horticultural
Society will hold its annual
meeting January 19 in the Ang-
lican Parish Hall at 8 p.m.

Legal

Department of Agriculture

TENDERS

SEALED TENDERS, in duplicate,
addressed to the undersigned,
marked "TENDER FOR THE
IMPROVEMENTS TO THE
VIRUS ORCHARD ROAD", will
be received until Thursday,
January 25th, 1962, 12 o'clock
noon, for the construction of
approximately 1,000 feet of
gravel road bed.

Plans, specifications and ten-
der forms may be obtained from
the Director, Research Station,
Summerland, B.C.

Tenders will not be consider-
ed unless made on or according
to these forms and in accord-
ance with conditions set forth
therein.

The amount and form of secu-
rity required are described in
the tender form.

Director,
Research Station,
Summerland, B.C.
January 9, 1962.

Miss Dale continuing as secre-
tary and Mrs. D. McWhinnie the
new treasurer. Current events
will be under Mrs. A. McIntosh,
programs under Mrs. Lyle Ken-
nedy and Reading Course and
pianist Mrs. H. McLarty. Mrs.
W. Wright continues as director
of church decorating and Mrs.
E. Krause of White Cross.

Refreshments were served by
Mrs. N. Blacklock, Mrs. Mc-
Whinnie and Mrs. H. Woeters.

Scout Shorts

During the Christmas holidays
15 boys and three leaders en-
joyed a three day winter camp-
ing trip on Headwaters No. 3
lake, on the site of Mr. Joe
Sheeley's cabin. Tents were set
up in 26 inches of snow and
guylines were tightened to dead
tree trunks either sides of the
tents, in the snow. Snow against
the tent sidewalls and under the
tarpaulin floors made for com-
fortable sleeping quarters. The
cabin was used for cooking,
drying clothes and get-togethers.

For the first day patrol lead-
ers Tamblin, Lopatecki and
Trussell set off with a toboggan
for a 16 mile return first class
journey, which took them well
beyond Crescent Lake. This was
an excellent opportunity for
using Scouting skills in cooking,
freighting, keeping warm, etc.

The boys enjoyed snoeshoeng,
and excellent tobogganing, but
were disappointed in the ice
fishing. A group discussion pe-
riod was conducted by the lead-
ers on how to prevent getting
lost in unknown country and
what to should one become lost.
Some very interesting points
were brought out which could
well be considered by any per-
son going off into the woods.

The first meeting of the new
year showed an attendance of
23 out of 25 boys. Next week
we expect to be 32 with seven
Cubs coming up from the pack.
Games of floor hockey were
played and instruction centered
on 2nd class bandages, 2nd class
tests, and pioneer knot tying.

District Scoutmaster Blewett
visited the troop and instructed
in knot tying.

Dues are coming in well, but
a few boys still have their \$3.50
to pay. We would appreciate
having this cleaned up shortly.

Next meeting, January 15,
duty patrol Beavers.

— D. V. Fisher, Scoutmaster

Increased membership for rifle club

by Herb Simpson

The Sporting Rifle Club got away to a good start on Friday evening when the first practice was held at Barkwill's Cannery. There was a very good turnout of shooters and enthusiasm was high. The Penticton club has been contacted regarding a suitable date for a shoot at their new range on the West Bench, so definite arrangements will be made within the next few days.

In previous years, the cannery warehouse was very cool, as the heating system had little effect on such a large area. This condition has now been overcome as an enclosure has been made of plastic sheets and plywood where the shooters can sit while awaiting their turns on the firing point. Gas heat makes it very comfortable, and hot coffee adds to the enjoyment of the evening.

The "rabbits" were not set up for the first practice, but will be put in operation in the near future.

The next practice will be held at the range on Friday evening, so we will look forward to seeing you. More news next week.

SELINGER'S Plumbing & Heating

WHY WAIT FOR SPRING?

Is your home getting the care it deserves?

Failure to make repairs to your house immediately can be downright expensive. One piece of falling plaster that is overlooked or left to take care of itself so often leads to another. And then the financial expense is much greater.

If your house is in need of improvements, repairs, paint jobs, and the like, and your ready cash can't take care of the cost, see Simon Kouvenhover, accountant at the West Summerland Bank of Montreal branch about a Home Improvement Loan. Loans are available at the B of M for all kinds of worthwhile purposes about the house.

They're inexpensive, too, the interest is one-half of one per cent a month, and you repay in easy monthly instalments, plus interest. So, if you have repairs or improvements on your mind call on Mr. Kouvenhover at the B of M tomorrow. He will be glad to show you how an Home Improvement Loan can help you.

SPORTS

Trainers' Institute will be held in Kelowna

A community recreation leaders institute for the Okanagan, Similkameen and Boundary Region will be held in Kelowna on February 2 and 3. The Institute is organized through the Community Programmes Branch office in Kelowna, and sponsored jointly by the CPB and the Kelowna Recreation Commission, and the School Board of School District 23.

The Institute will be held in the Kelowna Junior and Senior High Schools. Classes will be Friday evening from 7 to 10 p.m. and Saturday from 8:30 a.m. to 10 p.m. A banquet will be held Saturday evening in the Royal Anne Hotel.

Courses include physical fitness with instructors Dick McKeen, W. Kootenay Recreation Consultant; Mrs. Jack Cooper, instructress for Kelowna gym classes; Tom Ruben and his wife, recreation consultant for the Fraser Valley; Jon MacKinnon, recreation consultant for the East Kootenays. A special instructor is Roy Cavallin, who is the trainer for the B.C. Lions football team and the Vancouver Canucks hockey team.

Instructors for the arts and crafts classes include Mrs. Lou Jennens, Derek McCooey, recreation consultant for northern B.C. and Leroy Jensen. Mr. Jensen has just recently moved to Kelowna, he taught three years for UBC extension department, had his basic education in China and Japan, studied art in Denmark and Paris.

Guest speaker for the banquet on Saturday will be Mr. Dave Turkington, physical education teacher for the Winfield High

School. He spent last year in Sweden, and will talk on his experiences in Europe, also on some of the ways the school and community may co-operate in our country, regarding physical education and recreation programmes.

Anyone interested in community leadership may attend the

Macs meet Merritt Sunday

Mac's Cafe Aces will be playing an exhibition game of hockey this Sunday against Merritt. Game time will be 3 p.m. at the Arena. The Merritt team has some former Summerland boys playing for it so don't forget to turn out on Sunday and watch a good game of hockey.

institute. The Summerland Recreation Commission will pay registration fees and meals, and transportation will be provided. Please contact Mrs. R. D. White, Trout Creek, phone HY4-7391. Entries must be in by January 25.

3 salmon steaks, fresh or frozen
½ cup melted butter or margarine
½ teaspoon salt
½ teaspoon paprika
½ cup crushed saltine crackers
½ cup crushed potato chips
Lemon wedges
Parsley

If frozen steaks are used, let them thaw on refrigerator shelf. Dip each steak into melted butter, seasoned with salt and paprika. Roll in combined crushed saltines and potato chips. Place

in preheated broiler 4 inches from source of heat. Drizzle half remaining butter mixture on top. Broil until golden brown, about 5 minutes. Turn steaks carefully, drizzle with rest of butter and broil 5 to 8 minutes more or until fish flakes easily when tested with a fork. (A good rule is to allow ten minutes total cooking time per inch thickness of fresh or thawed fish. Garnish with parsley and lemon slices. Makes three servings.

BOWLADROME BLDG.
West Summerland

Mr. and Mrs. John Holman and their three children, David, Philip and Karen have returned from Mesa, Arizona, where they visited with Mr. and Mrs. Blair Underwood, former residents of Summerland.

Mr. and Mrs. John Mott are visiting relatives in Vancouver.

Messrs Glenville and Ronald Manning visited at the home of their parents, Mr and Mrs T. S. Manning over the holiday season. They also were to Banff to attend the wedding of Mr. J. Davidson. On Sunday, January 7, they returned to Vancouver to continue their studies in medicine and industrial arts.

Norman Holmes and Cec Wade, flew to Vancouver this week on business.

Mr and Mrs S. A. Macdonald are leaving for California next week, and will travel by boat from Vancouver.

Mrs. Gladys Chadburn has returned from Chilliwack where she visited her son Godfrey and family.

Mrs. E. R. Butler visited her son in law and daughter, Mr. and Mrs Furness in Vancouver for Christmas and then left to spend the winter in California.

Mr and Mrs. Myles Dodwell of Calgary were holiday visitors with Mrs. Philip Dodwell. Also visiting were Mr and Mrs. Charles Dodwell of Vancouver.

CURLING

Continued from page one) provincial playoffs. Team members are Brian Eden, skip; Keith Skinner, third; Russell Beasdale, second and Jim Sheeley, lead.

The heavy snowfall and warm weather over the week end kept the staff at the curling rink busy. Leaks in the roof caused water to drop on the ice, and at one time over 20 pails were on the ice catching the drips.

Annual meeting of Horticultural Society Jan. 19

The Summerland Horticultural Society will hold its annual meeting on Friday, January 19 at 8 p.m. in the Anglican Parish Hall. Guest speaker for the evening will be Dr. Jack Wilks. Dr. Wilks is well known for his work in the plant pathology laboratory at the Research Station. His subject for the evening will be Japan, based on his visit to that country in 1960. Slides will illustrate his talk.

Two regular monthly features, the question box and Timely Topics, will also be held. Those interested are reminded that visitors are always welcome. It is hoped that many with an early eye to spring planning will come and exchange problems, plans and new ideas. The evening will conclude with a social hour and refreshments.

Hospital Auxiliary reports very successful year

At the annual meeting of the Summerland Hospital Auxiliary held Monday night Mrs. Rose Fiske was re-elected president for a second term. 1st vice president is Mrs. L. W. Rumball, and 2nd vice president Mrs. Betty MacIntosh; secretary Mrs. H. Thompson; publicity Mrs. B. Weeks; and treasurer for the Thrift Shop, Mrs. M. Ducommun.

Thirty one members were present for the annual meeting, plus five new members. Miss Doreen Tait was given a vote of thanks for her five years as treasurer.

It was reported that there is now over \$6,000 in the X-ray machine fund. This month two pairs of bed rails and a hair dryer were purchased for the hospital.

COUNCIL

Continued from page one) as I look forward to two good years."

Reeve Holmes announced his committees as follows (chairmen announced first): water, Councillor W. B. Powell, and Councillor E. M. Tait; electric light, councillors W. S. Ritchie and Powell; roads, councillors H. J. Barkwill and Ritchie; electricity, Barkwill, Holmes; finance, Tait, Barkwill; refuse and pounds, Tait; insurance, Barkwill, Powell; real estate, Powell, Barkwill; fire protection, Barkwill, Holmes; Library, Mrs. T. Croil; arena, Tait, Ritchie; parks, Ritchie, Tait; health unit, Ritchie; Parkdale Place, Powell; hospital board, Barkwill; Civil Defence; and acting reeve, W. B. Powell.

Under the Giant's Head

Join the navy and see the world. This saying is coming true for Pat Mead, daughter of Mr. and Mrs. Roy Mead. Pat called home this week from Key West, Florida, where she and 11 other WREN's have been posted for a special six week course. Miss Mead is studying navigational plotting in the RCN. Following the Key West posting Pat will be stationed at Shellburn, Nova Scotia.

The 8:30 a.m. fire alarm on Wednesday was for a chimney fire at the home of Mr. W. Rothwell, Trout Creek. The blaze was confined to the chimney and the Rothwell home was not damaged.

Snow, snow and more snow! Weather report from research station shows 4.2 inches fell during the past week with only 7.1 hours of sunshine.

Back home again and sporting a bit of sun tan is the Les Rumball family. Away almost three weeks, Mr and Mrs Les Rumball, Linda, Doug and Kevin travelled first to Long Beach, Los Angeles, then spent a few days in Mexico, on to Palm Springs (90 above) and then home.

Mrs J. E. Jenkinson is in the Penticton hospital, being treated for a broken hip. She will return to Summerland hospital shortly to recuperate.

The regular meeting of the Old Age Pensioners Association was held in the IOOF Hall on Tuesday, January 16. In spite of the cold and snowy weather 35 members turned out.

An interesting account was given of the past year's activities by president Ben Mayne.

Members are writing down outstanding events in their lives which will be told at meetings of the association, and later reprinted in the Review.

Optometrist H. A. Nicholson spoke to the Rotary Club last Friday evening, on new colors for hunters.

A Massachusetts research team who conducted color tests using soldiers and dummies wearing vests of various colors reports daylight fluorescent orange stays visible after sundown much longer than other colors.

Red showed up as a poor protector of hunters because it can't be seen at dawn and dusk and can't be distinguished by color blind hunters. Yellow is okay in good light, but appears gray or white after the sun goes down.

The Summerland Review

Thursday, January 18, 1962

West Summerland, B.C.

Volume 17, No. 3

Snow and cold weather are slowing work on the big pipeline for the Trout Creek domestic water system. The above picture shows the big ten inch main coming down at the back of the J. Y. Towgood property. It is connected to the storage tank on the top of the hill. The tank, when completed will have a 100,000 gallon capacity. The big line is about five feet underground.

Operator of the back hoe digging the hole for the water pipe is Dave Taylor. It is expected frost will delay digging for a while until warm weather arrives.

Chamber urges change in postal service

G. C. Johnston was re-elected president of the Chamber of Commerce at its annual meeting last Thursday night. New vice-president is T. S. Manning, secretary Lorne Perry and treasurer Ken Heales. Executive members are Hilton Hughes, Charlie Bernhardt, Bud Rusaw, Mrs. T. Groil, Mrs. George Smith, Keith Martin, D. H. Hill, and Eric Williams.

In reporting on the year's activities, president Johnston stressed the large amount of work that had been done by the chamber. He mentioned the fruit fair, which had been the most successful in its history. Reports by committee chairmen showed that all committees had been active during the year.

F. E. Atkinson moved a vote of thanks to the president and his executive.

A lively discussion was held on the subject of only one name for Summerland post offices. F. E. Atkinson proposed the elimination of "West" from the main post office and the calling of the post office in lower town "Summerland by the lake" or Summerland Postal Station A. It was decided to write to the director of postal services and to MP Dave Pugh to consider the change in name.

Business phones would cost up to \$12.90 per month, instead of \$5.70 if toll free telephone service was given between Summerland and Penticton. This was stated by F. E. Atkinson, who reported on a talk with M. Conroy, manager of Okanagan Telephones. Private lines could increase from \$3.90 to \$8.20 with smaller increases for party lines. (Continued on back page)

Local Growers meet to prepare for convention

Summerland local of the BCFGA met Monday night in the IOOF Hall to discuss the resolutions to be presented to the annual convention in Vernon next week. Over 40 growers were present, with president Charlie Bernhardt in the chair.

During the general business, a letter was read from A. T. Biech, requesting the Summerland local to give him an opportunity for a debate between himself and A. R. Garrish. In his letter, Mr. Biech said that he felt there had been a great deal of misinformation in reports in the press, radio and other media, and he would like an opportunity to clear up many points.

The president said the matter was up for discussion and the growers moved it be tabled. George Stoll said he felt the Local did not want to become involved with Mr. Biech at this time. "I hope he gets an opportunity to speak at the convention, the delegates can discuss his proposals then," said Mr. Stoll.

In discussing the resolution dealing with a nursery certification program, which was drawn up by the BCFGA executive, growers voiced approval. The resolution, as explained by Eric Tait, dealt with a certification program for nursery stock. According to Mr. Tait, growers have been asking for some years to be supplied with trees that were true to name and strain. In order to supply such stock the nursery needs a source of budwood from tested trees that are free of the known virus.

Mr. Tait went on to say that much work to this end has been done at the research station, and to date the cost has been borne by the station. The resolution proposes an enlarged program in which the research station would make available an isolated block of orchard in which the stock could be developed. Mr. Tait said that it is hoped that by the sale of budwood to growers and nurserymen the project would be self-supporting.

Summerland's resolution regarding lower orchard tractors was discussed briefly. Mr. Bernhardt remarked that such a

Police Court

Allen James Mitchell, 22 years of age, was arrested Saturday afternoon for creating a disturbance. In the process of ejecting him from the local pool hall, for starting a fight, a plate glass window and the door glass were smashed. RCMP were called and Mitchell was taken to the hospital for medical attention and later to the Penticton jail.

He appeared in police court Monday morning before magistrate R. Alstead where he was fined \$25 and ordered to pay for damages to the pool hall.

tractor has been developed in England although it is still in the experimental stage.

The Vernon-Oyama resolution regarding the price of gasoline locally as compared to the coast was amended, deleting mention of the possibility of marketing gas through a co-op. George Stoll said that on a recent trip to the coast he found a difference of up to 14¢ per gallon in the cost of gasoline. Growers felt that the situation should be pointed out to the oil companies.

J. Y. Towgood felt that a co-op marketing plan could go into effect on a purely wholesale basis. Walter Toevs felt that the idea of a co-op gas company would be too expensive and not feasible at this time.

The Penticton resolution regarding federal inspection costs was discussed at some length.

The resolution asks the federal government to assume the full costs of the inspection service. Mr. Bernhardt explained that the BCFGA now pays one quarter of the total inspection costs. W. S. Ritchie said that he felt the BCFGA would be well advised to continue the present (Continued on back page)

1961 BUILDING FIGURES

A near high in building was set in Summerland in 1961. Building permits were issued for \$622,970, as compared to \$364,065 in 1960.

December was a very tight month with only six permits for alterations and additions amounting to \$4,600.

Eight electrical permits in December brought the 1961 total up to 253 as compared to 132 during 1960.

Doug Campbell was installed as Lieutenant-Governor of district Kiwanis Clubs at the local club's annual banquet Friday night. He received his pin from past Lieutenant Governor Gordon Serrurier of Washington.

First job for Doug was installing Walter Toevs as president for 1962 of the Summerland Kiwanis Club. Other officers are Bill Laidlaw, vice president; Jack O'Mahony secretary; and Simon Kouwenhoven treasurer. Directors are Wally Haddison, Harry Smith, Carl Dietrich, Bob Hardie, Jack Towgood, Jim Schaeffer and Ed McGilivray.

Orchard

Eight acres situated in a good fruit district. A nice 12 year old 2 bedroom home fully modern. This 12 year old orchard is fairly level. Planted to mixed varieties of apples, pears and apricots. A good buy at \$10,500 with \$3,000 cash.

Three Bedroom Home

A nice quiet home situated on a two acre lot, with 1 1/4 acres in garden and fruit, three bedrooms, living room and bath. Nicely finished — full basement with furnace. Domestic and irrigation water and garage

Sale announced of Cider operation

The Board of Directors, Sun-Rype Products Ltd., have confirmed the sale of B.C. Sparkling Cider operation, including inventory, to the Growers' Wine Co. Ltd., Victoria.

Sun-Rype Products Ltd. have contracted to supply fruit juices to Growers' Wine Co. for the future production of cider and cider-type beverages.

Factors which promoted the sale were the closing of the Princeton Brewing Co. plant at Princeton were B.C. Sparkling Cider was formerly made, and the plan of Growers' Wine Co. to extend the distribution of the product through its nationwide sales facilities.

As an entirely new product, B.C. Sparkling Cider has been well received in Western Can-

ada. In the hands of specialists in the alcoholic beverage field, it is expected to become an increasingly important outlet for apples, and possibly pears, to the fruit growers of B.C.

Obituary

EDLUND — Miss Ida Elizabeth Edlund passed away in Summerland General Hospital, on Monday, January 8, 1962, at the age of 81 years. She was born in Sweden and is survived by one sister, Mrs. John (Davida) Ogren, Edmonton; one niece, Mrs. Lloyd (Nettie) Shannon, West Summerland and several nephews and nieces in Alberta. Remains were forwarded to Vancouver for burial.

Farm News

CANADA DEPARTMENT OF AGRICULTURE
OTTAWA

Ever since severe damage was caused to fruit trees by the early frost of 1955, Okanagan Valley orchardists have been interested in protection against this weather hazard.

As a result of tests undertaken at the Canada Department of Agriculture's research station at Summerland, Dr. J. C. Wilcox concludes that early frosts is not likely to severely damage fruit trees standing in grass sod.

With a legume cover or clean cultivation under fruit trees, leaves of the trees may still be green on November 1, but, with a grass cover, the trees show normal fall covering and are properly hardened off by that date.

Evidence of the relationship between cultural practices and early hardening of the trees was obtained in experiments begun in 1957 on a block of Veteran peach trees.

In the first year of the tests,

the trees in all cover-crop plots matured in good time, but those in the plots kept clean by cultivation or with herbicides remained a deep green until hit by the first frosts.

In subsequent years the picture has changed somewhat. The trees in grass sod now harden early; those in alfalfa harden late, and those in ladino clover or clean culture in between. Even when extra nitrogen is applied to grass sod to obtain good tree growth, the trees still harden early.

Freezing twigs artificially confirmed the findings in the orchards. From the tests and observations it can be recommended that only those cultural practices be used that induce normal yellowing of the tree leaves by the time there is danger of a severe frost. Avoid too much nitrogen, especially on a heavy cover crop of legumes, and stop cultivating after the end of May.

HOW MANY KEEP THEIR SAVINGS IN A BANK?

Probably all of them / There are 10 million savings deposit accounts in the chartered banks, by far the most popular type. They are used by all sorts of people — wage-earners, businessmen, housewives, farmers, students — who know their money is safe, earns good interest, and is available whenever needed. And they like the efficiency and courtesy of the men and women who serve them / Your nearest branch is the place for your savings — and the one place you can do all your banking.

Editorials

Fine example

At the present time the new Summerland municipal council is commencing the annual job of setting up the civic budget. The preliminary estimates having been adopted, the next step is to prepare the final totals.

While this is going on, everybody in the community who owns property is wondering just what their taxes will be. We cannot answer this — nor can the council, until the tax roll has been completed.

One thing we can tell, however, is that from the figures available, this year's local rate won't be too oppressive, judging by tax levels in other nearby communities. In fact, it is one that can justify us patting ourselves on the back, as one of the thriftiest, and economically soundest communities in B.C.

Whenever one sees a civic financial statement of any kind and finds that the item "debenture charges" is down as low as ours, one can state such a community is either one that has denied itself the basic requirements of modern living — or else has so arranged its "buying" of such items that there is no heavy "charge account" (bond issues or debentures) remaining.

Summerland is certainly not without all the good things that can be bought municipally. It has excellent equipment; it has its own electrical system; it has good streets, and other facilities. Yet it has accomplished all of this without a mountain of debt.

We feel this is a good example for our new council to follow. Let them be as prudent as others have been in the past — and Summerland will always be known as a progressive, yet thrifty community — and decided attraction for those who are looking for new places in which to build homes or business ventures.

"This is the season of the heart".

Greatness of smallness

by Rev. Norman Tannar

Many times we get the idea that deeds are too small or ordinary to be of importance, yet if we but think a bit we could recall incidents which although insignificant when they happened, were forerunners of important events — a boy watched the selling of slaves in New Orleans, Lincoln freed the slaves; a spider fastened a web, Robert Bruce returned to win a battle; a traitor bestowed a kiss, Jesus was crucified.

Small acts often result in large consequences. The mere flick of a switch will change a room from darkness to light, or from light to darkness; there is only the turn of a wheel between the highway and the ditch.

In this age of superlatives we are so eager for the large and spectacular that we often fail to perform the smaller deed which may be very important. We see the large gift of some one else, and neglect the little which we are able to give. We see the terrible crime of some one else, and let pass our own little lie. We see some one else's great kindness, but neglect the kindly word of thanks or praise which we could give to those near us.

Things are large or small according to what comes of them when they are ended.

"And he said, Go forth, and stand upon the mount before the Lord. And, behold the Lord passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind; and after the wind an earthquake; but the Lord was not in the earthquake; and after the earthquake a fire; but the Lord was not in the fire; and after the fire a still small voice." I Kings 19: 11 and 12.

Principals meet

The principals from nearly all elementary schools in the Okanagan area, which embraces school districts from the border to Revelstoke, met at the Dr. Knox Jr. Sr. High School at Kelowna to discuss matters of mutual interest and concern regarding the teaching profession, and to hear reports regarding new trends in educational methods.

During the afternoon session, Mr. A. J. Longmore, Summerland, president of the Provincial Principals' Association, reported on the activities of the Association. He noted that it was gratifying to see the Principals' Association was getting greater representation on the curriculum committee, and there by a greater voice in curriculum changes and modifications. Every effort is being made to acquaint the principals of B.C. with the results of pertinent research in developments which are particularly applicable in the area of administration.

The conference reviewed the trends which have taken place in the schools. The emphasis on instruction has ranged from introduction to the grade level only to instruction of each individual at his own level. Mr. Guidi reviewed these and briefly summarized the Hamilton Plan, which deals with instruction at the achievement levels of individual pupils.

First meeting of United Church Women

The inaugural meeting of the United Church Women of Summerland United Church Women was very well attended Monday night. Held in the church hall the meeting with Rev. P. K. Louie in the chair, opened with the call to worship by Mrs. Wm. Durick. The hymn, "The Church's One Foundation" was sung and the scripture was read from the New English Bible by Mrs. O. J. Lazenby, the text being from I Corinthians, 12:1-11 on the theme, "Spiritual Gifts". This was followed by a lovely rendition of the 23rd Psalm, sung as a duet by Mrs. K. Boothe and Miss Christine Mair. The devotional closed with a prayer by Mrs. J. C. Wilcox.

Record dividends for Mutual Life

An increased scale of dividend distribution to the policyholders of The Mutual Life Assurance Company of Canada in 1962 has been announced by the president of the company, E. A. Rieder.

The dividends to be paid to ordinary policyholders this year will exceed \$13,600,000, an increase of \$1,300,000 over the total in 1961. All Mutual Life dividends go to policyholders.

Mr. Rieder stated that the increase has been made possible primarily through a continuation of the trend toward higher investment earnings.

Rev. Louie addressed the meeting, opening with the hymn "Creation's Lord". His interesting message outlining the purposes of the new United Church Women, pointed to the real challenge of the work of the church and the larger part the women will share under the guidance of the new organization, calling for greater dedication of our lives, and the use of whatever gifts we may be endowed with. Rev. Louie outlined a program for general circle meetings with greater emphasis being put on Bible Study and reading of books on the work of the church in our own community as well as reaching out to the ends of the earth with evangelical and missionary services. Every woman in the congregation will be able to find Christian fellowship and fulfillment in some phase of the work undertaken by the United Church Women.

The meeting proceeded with the election of officers as follows: president: Mrs. J. C. Wilcox; 1st vice president: Mrs. C. Campbell; 2nd vice president: Mrs. H. Mitchell; 3rd vice president: Mrs. A. Gayton; recording secretary: Mrs. J. Brown; corresponding secretary: Mrs. R. Chalmers; treasurer: Miss L. Atkinson.

Monthly circle meetings will continue to be the medium used to conduct the program, with a monthly meeting of the executive and a quarterly meeting of all groups. Circle conveners

are: Mrs. A. Fleming, Mrs. C. Campbell, Mrs. E. Brinton, Mrs. J. Mayne, Mrs. J. Sheeley, Mrs. H. Lemke and Mrs. M. Morrill. Installation and inaugural service will take place at the regular morning service in Summerland United Church, Sunday, January 21, Rev. Louie officiating.

The meeting closed with the hymn "Lead On O King Eternal", followed by the Lord's Prayer, after which refreshments convened by Mrs. W. F. Ward, were served.

INCREASED DIVIDENDS FOR MUTUAL LIFE POLICYHOLDERS.

The Mutual Life of Canada policyholders are accustomed to big dividends. The company is famous for its outstanding dividend record.

The increased dividends that will be paid to policyholders in 1962 will further reduce the low net cost of their insurance. The Mutual Life has been providing policyholders with insurance coverage at the lowest possible cost since 1869 and has been applying the same principles to group insurance since the company entered that field.

You can share in the dividends that go with Mutual Life of Canada policies. Your nearest Mutual Life representative will provide complete information on the advantages of Mutual Life of Canada protection.

The Mutual Life ASSURANCE COMPANY OF CANADA

Thrift Shop has another big year

The Summerland Ladies Hospital Auxiliary have pledged \$8,600 to the fund for the new X-ray machine, which has been ordered by the hospital. There is over \$6,000 now in this fund, over \$3,000 of which was raised by the Thrift Shop during the past year.

Nothing is wasted in the Thrift Shop and even cotton rags, sorted and sold to the garages and machine shops, brought in \$50 last year. Clothing that is of no further use as such is sold for quilts and rug making. Furniture and household articles are always in demand and curtains, drapes, etc. go out as fast as they come in. There is also demand for costume jewelry and cosmetics. The mainstay of the store's stock

of course, is always good, clean clothing and shoes for both children and adults. Every day is bargain day with new items on display every time the store opens.

With Christmas in mind, items suitable for gifts were put away during the year, also toys which were mended where necessary and dolls, restored to respectability and dressed by members of the auxiliary. These were put on sale in December and the Thrift Shop enjoyed its own little Christmas rush.

Speaking on behalf of the auxiliary, Mrs. A. Crawford told the Review: "The Thrift Shop is a community project and the Summerland Ladies Auxiliary wish to thank you for your wonderful support. This is your store, run by the auxiliary for the benefit of your community and your hospital, and your generous donations make it a continuing success."

"Please remember when house keeping to help us enjoy another successful year by setting out articles you no longer need that might be of use to someone else and bring them to our shop."

The Thrift Shop is open two afternoons a week, Tuesdays and Saturdays from 2 to 5 p.m.

Women's Institute has busy schedule

About a score of husbands and a dozen women guests shared in the annual pot luck luncheon given by the Women's Institute on January 12. Appetites did full justice to the smorgasbord table, and a vote of thanks proposed by Dr. McLarty was heartily endorsed.

The regular meeting which followed was presided over by the continuing president, Mrs. W. Rothwell, secretary treasurer Mrs. W. Rumball gave the net balance on hand in December, \$195.03. She also read a letter of congratulation from the WI provincial secretary, stating that with 61 paid up members, the local institute was by far the largest in the province.

New committee conveners were named. Mrs. E. C. Bingham for agriculture, Mrs. Barrs for citizenship, Mrs. E. O. Mortimer, home economics; Mrs. J. MacLachlan, social welfare; Mrs. N. Moors; cards, Mrs. G. Inglis, used stamps for Solarium Box Mrs. G. Morgan.

The phoning committee is Mrs. Dinning, Mrs. A. C. Fleming, Mrs. V. Charles, Mrs. G. Harper and Mrs. I. Wilson.

The president requested volunteers to knit wool sent by the USC for cardigans 2-4 years. Pamphlets are on hand giving

patterns and listing articles acceptable. Any Summerland woman interested in helping may contact any executive member or Miss Mary Scott.

As a project for their 65th anniversary, the Federated WI's are undertaking the advancement of their work in the North West Territories and the local branch voted the requested donation.

Mrs. J. MacLachlan reported for the social welfare committee stating that two very large hamper were prepared for Christmas. In place of the third one, it was found possible to buy a pair of much needed blankets from special donations.

Mrs. John Gray for home economics offered several copies of the "Work Basket" magazine featuring patterns for knitting, toys, and other home interests.

Mrs. Rothwell reminded members that news items to the Review had netted some \$70 last year but that members must take responsibility for furnishing these if this source of income is to continue. Reporters are Mrs. Rothwell, Mrs. G. Inglis, Mrs. W. Brown and Mrs. Inch.

Cookbooks may now be ordered in the second printing from Mrs. W. Wright at \$2.25 each.

Contests were announced for the Tweedsmuir Cup, Cairine Wilson Cup and the B.C. Tree Fruits prizes. Particulars may be had from the president.

The March meeting was advanced to Friday, March 2nd in order not to conflict with the World Day of Prayer. The Valentine party on February 9 to which members may bring guests will, as usual, be given by the directors. The usual charge of tea, however, will be collected for "Pennies for Friendship" — a contribution to the ACWW.

A good contralto voice is rarely heard. A truly great one occurs less than once in a generation. Canadian contralto Maureen Forrester will be singing to the 2nd subscription concert of the Southern Okanagan Community Concerts Association the evening of Monday, January 22 in the Penticton high school auditorium.

So highly regarded by her own country's government is this great artist, that during the past season the National Film Board of Canada prepared a motion picture of her life, filmed primarily on location at the Casals Festival during her engagement there as guest soloist. It is indeed a signal honor to be thus immortalized within one's lifetime, and the majestic, breath takingly perfect voice of Miss Forrester has assuredly made of her a living legend.

Figure Skaters hold club competitions

The Summerland Figure Skating Club's annual competitions were held in the arena Thursday and Friday of last week.

Over 120 members took part in the competitions. Judges were Mr. and Mrs. L. Campbell, Mrs. John Tamblin, Stan Porritt, Ralph Downing, Pat Minchin, Linda Munro, Carna Campbell, Mrs. J. Wilson and Mrs. John Bennest.

Winners were: Beginners or juvenile group (girls) 1. Leona Wolfe; 2. Laurie Wagner; 3. Mary Lou Dunn; (boys) David Minchin; Lori Fabb; Rodney Hickson.

Novice group (girls): Audrey Young, Donna Ratzlaff; (boys): L. Campbell, Larry McCrea and Randy Wilson (tied), Ricky Ratzlaff.

Juvenile ladies: Jane Perry, Anne Forster, Josephine Andrucci.

Juvenile men: Stephen Richards, Robert Perry, Bruce Gartrell and George McCrea (tied). Novice ladies singles (trophy): Beatrice Young, Barbara Porritt, Cheryl Anne McCargar.

Novice men's singles (trophy): Bruce MacGregor, Nigel Blagborne.

borne.

Junior ladies singles (trophy): Anne McLachlan, Griselda Evans, Wendy Toevs.

Senior ladies singles (trophy): Linda Munro, Carna Campbell, Janet Munro.

Senior men singles (trophy): Wess Campbell.

Juvenile ladies pairs: Barbara Inch and Audrey Fountain; Heather Wilson and Sylvia Hodge; Anne Forester and Ann Ganzeveld.

Novice ladies pairs: Kay Fenwick and Maureen McLachlan; Elaine Charles and Marlene Charles; Barbara Brandon and Jill Pruden.

Junior ladies pairs (trophy): Trudy Gartrell and Marjorie Porritt; Linda Brandon and Becky Downing; Cheryl Anne McCargar and Lillian Hankins.

Senior ladies pairs: Anne McLachlan and Sharon McIntosh; Linda Munro and Janet Munro; Carna Campbell and Becky Downing.

Junior mixed pairs (trophy): Nigel Blagborne and Trudy Gartrell; David Gartrell and Lynne Gartrell; Bruce MacGregor and Griselda Evans.

Senior mixed pairs (trophy): Wess Campbell and Janet Munro; Robert Munro and Marjorie Porritt.

Junior fours: Maureen McLachlan and Susan Wilson, Sheila McLachlan and Kay Fenwick; Marjorie Porritt, Robert Munro, Trudy Gartrell, Nigel Blagborne.

Senior fours: Linda Munro, Anne McLachlan, Janet Munro, Sharon McIntosh; Carna Campbell, Wendy Toevs, Becky Downing, Linda Brandon.

Dutch Waltz: Marjorie Porritt, Bill Wellwood; Barbara Porritt, Robert Munro; Elaine Charles, Marlene Charles.

Preliminary dance: Wendy Toevs, Beatrice Young; Marjorie Porritt, Trudy Gartrell; Lillian Hankins, Cheryl Anne McCargar. Bronze dance: Anne McLachlan, Linda Munro; Janet Munro, Wess Campbell; Carna Campbell, Betty McInnes.

Artistic award, presented by club professional Dolores Causier: Carna Campbell.

The club is now busy making plans for its annual carnival, which will be held March 17.

Comings and Goings

Mrs. L. W. Rumball left Tuesday for Vancouver where she will go by jet to Long Beach, Calif. and Pacific Palisades. She will be away two months. Mr. and Mrs. Carl Finch of Flin Flon, Man. will stay in her home while she is away.

Many bargains on our \$1.00 table. More items added. Macil's

Mrs. Myrtle Scott has returned from Trail where she visited her brother.

Mrs. W. R. Powell has returned from Mission, where she visited her daughter and family, Mr and Mrs R. M. Johnston.

Mrs. W. R. Powell and Mrs. Florence Stark are leaving for Santa Barbara, Calif. for the winter.

Visiting at the home of Mr and Mrs. Colin Campbell over the New Year's week end were their daughter, Marjorie and friends, Miss Dori Roseburgh and Miss Sharon Douglas. The three are nurses at the Royal Columbian Hospital.

A children's rack of skirts, dresses, jumpers, \$2.95. Macil's.

Mr. John Kitson was in Vancouver last week on business.

Dr. D. V. Fisher is in Toronto to give an address to the Ontario Fruit and Vegetable Growers Convention. He will also attend a meeting of the American Pomology Association.

Our skirt rack has many bargains. So match up one with the sweater of your choice at Macil's.

Mr. Fred Gartrell of Trout Creek, who left last fall to stay with a cousin Mrs. Loretta Taylor in Buffalo, New York, has returned home. Mrs. Taylor passed away on January 7 at the age of 96. Mr. Gartrell is staying with Mr. and Mrs. Donald Orr of Summerland.

Mrs. Colin Mann and family were holiday visitors at Clearwater, B.C. with Mrs. Mann's brother.

Our children's wear department has a 20% reduction, with many more items further reduced at Macil's.

Mrs. L. Fudge and Mrs. J. P. Sheeley were recent visitors in Vancouver.

Coats, housecoats, dresses, flannelette nightwear, all carry reductions at Macil's.

Mrs. G. Hack of Vancouver spent last week with her mother, Mrs. W. L. McPherson.

Mr. and Mrs. Charlie Smith of Vancouver visited the Fred Schumann's over the week end.

Mr. Alan Broadbent of Vancouver is visiting Mr. and Mrs. Fred Schumann this week.

Miss Mederi Matsu, who is teaching in Vancouver, spent the Christmas holidays with her parents, Mr and Mrs A. Matsu.

Eddie Matsu, who is attending the University of Manitoba, flew home from Winnipeg for the Christmas holidays.

Mr and Mrs George Fassi and children of Kamloops were holiday visitors at the home of her parents, Mr. and Mrs Bill Eyre.

Wool blankets, household effects, all reduced 20 per cent at Macil's.

Ideal reading for a winter evening

by Kay Dunsdon

In choosing books to bring to your attention, we find two are written with a boy's school as background. "Mr. Olin" by Ernest Raymond, is a delightful novel of an old school master and his unorthodox methods of teaching French and Latin. Al-

though he irritates and even shocks his colleagues he is beloved by his boys, and by his strength of character moulds his unruly pupils into becoming better men. This book is well written for good reading these winter evenings.

Raymond is an English author and frankly says he has used his old school, St. Paul's for his background.

In the "Custard Boys" by John Rae, another group of boys are living out the early war years as middle class evacuees at school where their one aim is to join in the war when old enough. Stimulated by the war, they play war games and live by a harsh military code. Into their close knit group, a Jewish Austrian lad, a refugee from Nazi persecution, is put under the care of John Curlew, one of the head boys. As friendship ripens, the boys gradually accept him, but during a fight, he proves a coward and their pun-

ishment, harshly given out is nearly fatal. Then they realize their standards of right and wrong need to be re-thought out. This is a first novel by John Rae, a Cambridge University teacher of history.

"The Fraud" by Paul Rader has a background of big business, which seems very popular with many American writers and readers. The author was born in oil country of Oklahoma and received his degree in literature from Columbia University. He is also a Hollywood story writer and editor. "The Fraud" has big business background, but deals mainly with people as they are busy accumulating great wealth. This is not a new theme, but here the tension is built up of politics, greed and corruption arising from the presence of a million dollars, used to play the stock market. Multi-millionaire Osbert Crowe, under strange circumstances, offers a young real estate man from Boston a job as manager of one of his projects at triple his old salary. Although feeling it is all faintly dishonest, the young man decides to escape dull respectability and take the challenge. Of course he has to compromise with his ideals, until he realizes he has to make his own decisions and live by them. Readers who enjoyed "Grass Beyond the Mountains" will be pleased to hear that Richmond Hobson Jr.'s book "Rancher Takes a Wife" is in our library. Hobson again gives us interesting tales of ranch life in the Chilcotin country.

Twin City Macs win at Chilliwack

The Twin City Macs, comprised of hockey players from Summerland and Penticton, journeyed to Chilliwack January 13, and defeated the Chilliwack Steelheads 5-2 in an exhibition game.

The Macs did all their scoring in the first period, while Chilliwack scored once in the first period and once in the second.

Six penalties were given out in the fast game, with four going to the Macs, and two to Chilliwack.

Scoring for the Macs were Walt Peacosh (2), Red Bosscha (2), and Joe Fisher.

Saves on goals were Penticton 29, and Chilliwack 22.

On the Rifle Range

by Herb Simpson

Twenty three adults and several juniors attended the second weekly practice at the indoor range on Friday evening. Several new members have enrolled this year, and to them we extend a hearty welcome.

Starting at the next practice, scores will be recorded and averages posted. This will add considerable interest to the shoots, as the shooters will see how well they are progressing.

In future the range will open at 7 p.m., with the first hour being for juniors. This will give them plenty of shooting and allow them to go home early.

The "rabbits" are again in action and proved very popular.

Gordon Lackey was presented with a cup which is awarded to the junior scoring 100 points in the prone position. He will retain it until another junior can equal his score.

Cafe Aces beat Merritt in fast game

On Sunday, in the local arena, Macs Cafe Aces defeated Merritt 7 to 2, in a hard checking, fast skating hockey game.

In the first period Summerland outscored Merritt 2-1; in the second period it was 4-0, and in the third both teams scored once.

Marksman for the Aces were Warren Parker (3), Gordie Taylor (2), and Steve Tomlin (1).

This Sunday, Macs Cafe Aces take on their old rivals, the Penticton All Stars of the Industrial Leagues. Rivalry is always high when these two teams meet, so if you want to see a good hockey game, turn out to the Summerland arena this Sunday at 3 p.m.

In observance of minor hockey week, all minor league players will be admitted free of charge to Sunday's game.

Square 'em up

Three very fine dances have provided good fun for square dancers the last two Saturday nights. Bob Emerson emceed Kelowna Wagon Wheelers dance with 22 squares on hand, Jan. 6th. With no other dance in the Valley that night, this was a real get-together of all the clubs.

Ray Fredrickson emceed the first beginners level dance of the season at Westbank January 13, with a wonderful time reported by all who attended.

Wheel 'N' Stars held its dance in Penticton that same night. Both these dances had more than 20 squares in attendance.

This Saturday the Pairs and Squares are looking forward to its first beginner's level party of the winter. A warm welcome is extended to all dancers, with a special invitation to beginners. Ray Fredrickson will be our emcee, and his wife Doreen is convening a hot buffet supper, just to make this a family affair — a very appropriate way to introduce the beginner dancers to the family of square dancers. We know we can count on the Fredricksons for a gala evening.

All members are asked to be at the Youth Centre at 8 p.m. to welcome their guests. An empty hall doesn't start the evening off very enthusiastically. Remember how uncertain you felt that first party, and how glad you were to find friendly, understanding people to help you when you got bogged down? That's our job this Saturday, and its going to be fun doing it.

GOOD NEWS FOR MEN AND WOMEN OVER FORTY

With good health comes good sleep — good appetite
and good mental attitude.

NOW FOR THE FIRST TIME IN CANADA

SUPER IRMARON TABS

After years of research, this Super Tab has been found and proven with five essential vitamins for most members of the family, especially for those over forty.

Low depressed feeling — lack of confidence — dizziness — nausea — faint run down feeling — worry about nothing — irritable — always tired and brooding — all can be caused by deficiency in minerals and vitamins.

Don't despair no matter how long you have been afflicted. Get back on the road to good mental and physical health. IRMARON is a new Super Tab absolutely guaranteed. Money gladly refunded if after 30 days you are not satisfied with results.

Now available — 30 day treatment — \$5.00
(immediate delivery throughout Canada)

How to obtain Irmaron —

Films discussed at Camera Club

by Herb Simpson

The monthly meeting of the Camera Club was held at the Nurses' Residence on Monday evening. Unfortunately there was a small turn out due probably to the weather and road conditions.

Lugo Redivo of Penticton was the guest speaker. He illustrated his talk with colored slides of scenery, close-ups and portraits, pointing out the techniques used in taking the various types of pictures.

Following the lecture, several of the members submitted slides which were criticized by Mr. Redivo. Everyone agreed that it had been a most enjoyable and instructive evening.

Curling News

Representing Summerland at the Legion zone playoffs in Princeton will be the Bill Croft rink. This rink, comprised of skip Bill Carse, Penticton; Bill Croft, third; Pete Eden second; and Bill Snow lead; defeated the Walter Toevs rink in the finals. Other members of the Toevs' rink were Howard Pruden third, Stan Porritt second and Hilly Smith. Four rinks took part in the Legion event, the others being the rinks of B. Hubbard and B. Baker.

Last week end the Helen Tilbe rink took part in the ladies zone playoffs in Osoyoos. They lost to the Joyce Smart rink of Kel-

owna, 13-11.

Also in Osoyoos last week-end the high school zone playoffs were held, with Summerland's Brian Eden rink losing to Penticton by one point in the last end. Final score was 4-3 for Penticton. Playing with Brian were Keith Skinner, Russell, Bleasdale and Jim Sheeley.

A further playoff in high school curling takes place this week end in Summerland, when Salmon Arm meets Penticton.

Several rinks from the high school are travelling to Kelowna this week end to attend a mixed bonspiel.

Services for E. A. Hanson

Emil Algot Haason, formerly of West Summerland, passed away in the Summerland General Hospital on Friday, January 12, at the age of 83 years.

Born May 19, 1878 in Oxsatra, Swedea, Mr. Hanson came to America with his parents in 1889, and they settled on a homestead in South Dakota. He married Hannah Hansen in 1904. He operated a general store in Butler, South Dakota for six years. In 1914 he moved to Big Valley, Alberta, with five children, where he farmed for 18 years. Two children were born on the farm. He operated a general store in Big Valley, until he retired to Vancouver in 1944. In 1948 he moved to

Milner, B.C. where he lived until 1956. He lived with two sons and a daughter in Big Valley until 1957, when he moved to West Summerland, and built a new home.

All his life Mr. Hanson was interested in politics, and took an active interest first in the United Farmers of Alberta and then in the CCF. He attended the first convention of the CCF in 1932, then last summer he made an automobile trip to Ottawa by himself where he attended the last convention of the CCF and the founding of the New Democratic Party.

In 1948 Mr. and Mrs. Hanson made a trip back to Sweden, where he visited his old home.

He is survived by his wife, Hannah; three sons, Reuben of Big Valley, Alta.; Arnold of Pine Lake, Alta.; Thorwald of Calgary; three daughters, Mrs. W. D. (Ethel) Watson of Okanagan Landing; Mrs. Audrey Swick of West Summerland; Mrs. Henry (Hazel) Larsen of Ottawa; 11 grandchildren and nine great-grandchildren.

Funeral services for the late Mr. Hanson were held in the Summerland United Church on Tuesday, January 16, at 2 p.m. Rev. P. K. Louie officiating. Interment in Peach Orchard Cemetery.

(Continued from page 1) policy and thus retain a share of control. It was pointed out that nowhere can government inspection certificates be obtained without some cost to the producers. Hans Stoll felt that the money being paid toward a government inspector should be used to pay the B.C. Tree Fruit's inspectors. Mr. Stoll said he felt these latter men have done a very good job in bringing the packing house grading up to a standard, and he said they were more valuable to the growers.

According to J. Y. Towgood, the inspection in question was not in the interest of the consumer but in the grower's interest. Their job is to maintain a product that can be marketed, and in his opinion the government men have given the grower considerable service.

The resolution from Oliver, regarding the pooling of soft fruits did not meet with favor from local growers. The resolution is a bid for a better price in the soft fruit pool, due to the early Oliver and Osoyoos maturity date. Growers felt that Oliver is now asking for a new pooling plan for all soft fruits, incorporating the principles of true market value as is now applied to the pooling of peaches.

Kinsmen prepare for drive

President Bud Green of the Summerland Kinsmen Club has announced that Rob Towgood will again head the Kinsmen sponsored Mother's March for this area in February. Directed by B.C. Kinsmen, 20,000 mothers will voluntarily canvass homes throughout the province. They will canvass here on February 5th at 6:30 p.m.

Serving as head mothers for the Summerland and Peachland areas are Mrs. Mildred Stein and Mrs. Flo Sismey. It is hoped that all women who are con-

tacted will respond to their telephone appeal for Marching Mothers.

POST OFFICE
(Continued from page 1)
Also mentioned was the fact that Summerland would lose its identity in the telephone book, coming under Penticton listing. The Chamber has opposed any change in the listing.
The annual banquet and presentation of good citizen cup of the chamber will be held on February 8.

Corperation of Summerland DOG TAX

All owners of dogs within the Municipality are notified that the above tax for 1962 was due and payable on the 1st of January. The tax is \$2.00 per dog.

TRADE LICENCES

The Trade Licence Fees for the first half of 1962 are due and payable on or before January, 15th, 1962.

It seems that every week we hear from a Summerland resident who has deserted us temporarily for a sunnier climate. This week it was the Vern Lockwood's at Venetian Square, Long Beach; and the Reid Johnston's, whose address is Sleepy Hollow Lane in Laguna Beach, California.

Re-elected president of the Summerland Art Club was Mrs. John Tamblin. Other officers are: Ted Miles, vice president; Mrs. J. L. Mason, secretary; Mrs. George Lane, treasurer.

Parents of Grade 12 students are asked to a meeting Monday night in the high school. Principal A. J. Longmore will conduct a discussion on commencement, scholarships and senior matriculation.

Summerland Kinsmen are busy preparing for their Mother's March February 5th. Provincial objective is \$300,000.

Night school art courses will commence January 24 in the secondary school. They will be conducted by Mr. Leroy Jenson of Kelowna. A well-known B.C. artist, Mr. Jenson has taken training in the Orient, Denmark and Paris. He has had shows in several points across Canada and very recently had a show in the Penticton Jubilee Pavilion.

Chautauqua set for January 31

The annual Chautauqua meetings will be held in Summerland Wednesday, January 31. This year two group discussions will be held, one in the afternoon and one in the evening. Meetings take place in the IOOF Hall.

The afternoon meeting, starting at 2 p.m., will be a panel discussion on "Orchard Operations. Peach growing will be featured in southern meetings, but all orchard questions not dealt with by Group II will be handled. Speakers will be prepared to answer questions on soil moisture, hardy stocks, varieties, sod versus cultivation and other aspects of orcharding.

The panel will consist of Mr. Dugald R. MacGregor of the research station; Mr. K. Lapins of the research station; Mr. John A. Smith, supervising horticulturist, Kelowna; Mr. W. Frank Morton, district horticulturist, Kelowna.

Group II will start at 7:30 p.m. Up for discussion will be "Spray Machines and Pest Control" conducted by Mr. M. P. D. Trumpour, district horticulturist, Penticton. Also on the program is a discussion of "Orchard Diseases"

Local ski hill regaining popularity

SUMMERLAND SKI HILL AT THE HEIGHT OF ITS POPULARITY

Despite zero weather, over 40 enthusiastic Summerland and Naramata skiers turned out at the Summerland Ski Hill on Sunday. A 1,200 foot rope tow was in operation for the first time at the ski hill located in Meadow Valley.

Determined efforts by members of the local ski club and a carload of Naramata skiers put the rope tow into operation on Saturday. The tow was constructed by president Don Agur and is powered by a motor loaned to the club by Mr. Agur.

Don Agur, Bob Barkwill, Paul Charles, George Gould and Ashley Austin worked most of the week end on the tow to put things in shape. The rope was obtained from Apex Alpine Recreations Ltd., who have been very helpful to the Summerland Club in its efforts to re-open the hill. Shannon's Transfer lent one of their trucks to transport George Gould's tractor up for snow clearing purposes.

The club expects to operate the tow until the end of the season, which is expected to last at least six more weeks.

The hill is situated about 10 miles north west of West Summerland, on the Fish Lake road. This road is plowed regularly.

Sheltered from south winds, the hill has a western slope, with gentle slopes for beginners and steep slopes for the more experienced skiers. It has a total available vertical rise of 1,400 feet and is fairly free of trees and rocks. At the moment the only disadvantage is the mullet, which will be mowed this summer, and be out of the way next year.

In 1948 the Summerland (Continued on back page)

Growers permit electioneering at annual convention in Vernon

VERNON — Delegates this afternoon will return home after attending the annual British Columbia Fruit Growers convention in this city.

A 73 year old tradition was shattered in Vernon yesterday when the British Columbia Fruit Growers Convention voted to permit electioneering and granted Alfred T. Biech of Oliver, challenger for the presidency of the BCFG, 15 minutes to state his case, with equal time defending incumbent president A. R. Garrish, who summed up his position in one brief sentence: "I am wholeheartedly and unashamedly for the compulsory control we are now enjoying. History has taught us that compulsion is the only way."

Mr. Biech charged that the BCFG convention, although called the growers' parliament, was not. "It's just a caucus," he said. He continued: "The central selling agency is operating well below efficiency level, and is not using its terrific potential."

Mr. Biech said that the fruit board was hindering rather than helping the growers. They should be helping the growers find a market for his fruit, not telling him what he can't do. Mr. Biech continued. He asserted that wholesalers are dominating the selling agency, and said there was little effort to cut costs of distribution and fruit board personal were failing the growers.

Mr. Biech denied that he was for open markets. "I am not in favor of wide open markets. I have never said that. I have said

that if one agency doesn't work then let's try two. I am not out to wreck this industry, but I say this: If you don't improve the present system, you are going to have me to contend with for a long time."

Mr. Garrish, speaking quietly, said that he completely disagreed with Mr. Biech. "Compulsory control of fruit products is

the only way. It is not possible for growers to market their own fruit successfully to fullest advantage." He said that the present sales policy, which has lengthened channels of sales ensures growers of year-round consistency. He continued that during peak and slack periods, selling to fly-by-night outfits would only hurt the market

and jeopardize present wholesalers that we now have.

Mr. Garrish supported the present method of electing directors of B.C. Tree Fruits, whereby delegates to the convention appointed them.

Mr. Biech is directly opposed to this, stating that each and every grower should be given a ballot.

Summerland delegates lead fight against pooling resolution

VERNON — On Tuesday night at the 73rd annual BCFG convention in Vernon, the Summerland Local led the fight against resolution 32, a resolution seeking the setting up of a new pooling plan for all soft fruits, incorporating the principle of true market value, as is presently applied to peaches. In a nutshell, southern growers claim that because they bring in quality soft fruit at an early date when markets are

highly receptive, they should receive the true market value, rather than low returns resulting from soft fruits maturing in more northerly areas at later dates, resulting in lowering of prices in the pool.

Hans Stoll, spokesman for the Summerland local, charged that this resolution, if implemented, would make second class soft fruit growers of those not in early maturing areas. He argued that as one desk selling is based on compulsion, there should be no favoritism shown to any area or group of growers.

He warned of the serious effect such action could have upon the economy of Summerland. He said that Summerland and its close neighbors have grown quality peaches and apricots for 50 years and on the strength of this four canneries have located in this area.

Mr. Stoll stated that growers in our area will go out of soft

fruit growing if this resolution goes through and the canneries could not operate in the resulting short season.

Delegate, Charlie Bernhardt, said that the growers should stand together or fall together.

After prolonged discussion, the resolution went down to a crushing defeat.

INSURANCE BUSINESS SOLD

Another Summerland business has changed hands. Lorne Perry announced Wednesday that he has arranged to sell his insurance business to Mr. Howard Pruden of the firm of Read and Pruden, West Summerland, effective February 1.

Mr. Perry has been in the insurance business in Summerland for the past sixteen years. He told the Review that his immediate plans are not finalized, but he hopes to continue to live in Summerland.

Seek nominations for good citizen

Nominations for the Good Citizen Award for 1961 are requested by the Summerland Chamber of Commerce. Names, with reasons for the nomination, should be submitted in writing to president G. C. Johnston or secretary Lorne Perry, Box 468, West Summerland, by Jan. 31.

The award will be presented at the annual banquet of the Chamber on Thursday, Feb. 8. Guest speaker for the event will be F. D. Mathers of New Westminster.

Those who have received the Good Citizen Award since its inception in 1938 are: E. R. Butler, C. E. Bentley; Mrs. H. A. Solly, Dr. F. W. Andrew, S. A. MacDonald, A. Stark, W. E. Powell, C. J. Huddleston, Alf McLachlan, Mrs. A. K. Elliot, F. J. Nixon, Dr. R. C. Palmer, E. H. Bennett, Dr. A. W. Vanderburgh, George Wajto, Miss Ruth Dale, Mr. and Mrs. F. E. Athlison, J. R. Campbell, Mrs. A. W. Vanderburgh, Stan Gladwell, Mrs. J. E. O'Mahony, George Stoll, Mrs. H. C. Whitaker.

A NIGHT SCHOOL

Art Course

will commence

Wednesday, January 24

at the SUMMERLAND SECONDARY SCHOOL

From 7:30 to 9:30 p.m.

for ten consecutive weeks.

For further information phone HY4-3666

ANNOUNCEMENT

I have arranged to sell my insurance business to Mr. Howard Pruden of the firm of Read and Pruden, Box 69, West Summerland.

Mr. Pruden will assume control of my insurance business effective February 1st, 1962, and I know that he is capable of serving you to your satisfaction.

The confidence placed in me over the past sixteen years is sincerely appreciated.

Lorne Perry

To Policy holders of Lorne Perry Insurance Agency

As you see above, this office will assume control of Lorne's business as at February 1st, 1962.

We intend to continue your policies with the same companies represented by Lorne, and will endeavour to give you the same good service which you enjoyed with Lorne in the past.

"HELP THEM WALK AND WORK AGAIN"

You will be asked to help on...

MONDAY, FEBRUARY 5

"Sorry, but I'm heading back to Summerland for hockey night"

It's hockey night here on Saturday

In observance of minor hockey week in Canada, the Summerland Minor Hockey Association is holding a hockey jamboree Saturday night in the Summerland arena. Over 140 young Summerland hockey players will show their skill and ability to, what the coaches hope, will be a capacity crowd. Children will be admitted free, while adults will pay only 50c. Game time is 7 p.m. sharp.

Summerland minor hockey players pay \$7.50 a year in dues, considerably more than in adjacent areas, but for their money the boys are allotted a good proportion of ice time, more than other teams in the valley.

The minor hockey association provides each boy with a sweater and also provides all the goalie equipment.

This year's coaches include: for the Atoms, Ron Ackles, Bob Richards, Dennis Nield; for the

Pups, John Dunn, Corky Hadrell; Bantams, John Selinger, Don Wertz, Ken Anderson, John Jenner; Midgets, Tiny Hankins, Colin Mann; and Pee-Wees, Norman Campbell and Frank Jones.

The coaches work with the boys at least three hours every week, as well as time spent at exhibition games. This year Sunday afternoon games have been organized between the Vernon, Kelowna, Penticton and Summerland teams giving the young players experience in other arenas.

As well as drives for money by booster nights and sales of tickets the teams receive financial assistance from the Summerland Kiwanis, Kinsmen and Rotary Clubs.

Come to the arena Saturday night and support minor hockey in Summerland. You may be watching a star of the future.

Snow causes accidents

On January 18 two accidents occurred in Summerland.

At 2:45 p.m., a car driven by Keith Martin collided with a truck driven by Wm. Bates. Both men are of West Summerland. The accident occurred on a blind corner near the municipal dump. The Martin car was damaged to the extent of \$400 and \$100 damage done to the Bates' truck. The truck was not properly insured and was subsequently impounded.

On the same afternoon at 3:25 p.m. cars driven by Mrs. E. Hookham and Mrs. B. Weekes were in collision at the intersection of Kelly St and Granville Road. Charges were laid against Mrs. Weekes for not yielding the right of way.

On January 22, Ronald Derickson of Westbank appeared before Magistrate R. Alstead

Charged with obstructing a police officer Derickson was fined \$50. In his remarks Magistrate Alstead said that, considering the seriousness of the charge a jail term had been contemplated, but since Derickson is leaving shortly for a job in Fort St. John, he received only a fine. The charge arose when a local constable was checking the accused's car, parked six miles north of Summerland. The constable requested Derickson to hand out a bottle of beer, and when Derickson deliberately smashed it on the door, the charge was laid.

Also appearing January 22, was John Nickel of Salmon Arm. Charged with impaired driving, he was fined \$150 and costs.

Comings and Goings

Miss Sally Ney, local Public Health Nurse, is in Summerland Hospital, following an emergency operation Sunday night.

Further reductions on winter coats at Macil's.

Mr. Jim Hack and daughter of Spences Bridge, spent last week end with his mother, Mrs. E. Hack.

R. D. White was in Vancouver over the week end on business.

One rack of dresses, priced at \$5.95 at Macil's

Among those attending the BCFGA convention in Vernon this week are C. Bernhardt, Hans Stoll, Eric Tait, James Mayne, George Stoll, F. R. Ganzeveld, John Holman and Doug Baker.

Mrs. Eva Beames of Summerland has been chosen from 18 contestants to have an opportunity to sing in the Metropolitan Opera regional finals in Seattle, January 28.

Balance of ladies skirts going at half price at Macil's

Miss Tobie Fichtner, Miss Gayle Tory, and Miss Marilyn Embree, senior nurses at the Royal Columbian Hospital in New Westminster, visited last week at the home of Mrs. Mark Embree.

White Sale as advertised in last week's Review still on at Macil's.

Dr. and Mrs. M. D. Proverbs and four children have returned from Barbados where they have spent the past month visiting with relatives

Teen Town donates record player to junior students

The Summerland Teen Town club has presented a record player to the opportunity class of Macdonald Elementary School

The presentation was made by Brian Adams, Vicki McKee and Rosemary Day at a school assembly last Friday afternoon.

In making the presentation Teen Town president Brian Adams said "This donation was possible because of the fine support of Teen Town by the community." Secretary Vicki McKee said "We are very happy when we can help other young people". Treasurer Rosemarie Day mentioned a few of the services of Teen Town, including collecting for the March of Dimes.

The Teen Town representatives were thanked by Chris Parish, Gay Derosier and Diane Parish. Nancy McCuaig received the record player on behalf of the class. Their teacher is Mrs. Mary Emery.

The grade three class then presented a colorful sing song featuring music from around the world.

Salute to boys and coaches

There's no doubt what Canada's National Sport is... you can see it all around you this time of year, especially so, if you have a boy in the family. The sports writers can go on telling the public that football has finally caught up with hockey, but we don't believe it! Maybe the big cities do turn out en masse every fall to keep the football imports in the top salary brackets, but countrywide — it's all hockey. What other sport anywhere has 124,682 kids, ages 9 or under to 18, flocking to rinks. The same kid whom you can't wake up with ten alarm clocks for school, is yelling his "where is?" early in the morning if there's a hockey game or practice scheduled. You can't deny it, hockey is in a young Canadian boy's blood.

We don't expect one house is different from any other, insofar as hockey is concerned, except you can multiply the hockey talk by the number you have around. The general conversation, breakfast, dinner and supper, is interrupted by such questions as: "Who plays tonight?; did Mahevovich get another goal?; is Plante still wearing the mask?; and or "boy, you shudda seen our last goal, was it ever slick!"; "come on over Saturday, Mom, I'm gonna get a goal, I know it." And so on and so on!

"Too much emphasis on sport" is a common complaint of teachers, but this should be the parent's problem rather than the teacher's. There should be rules for study as well as for sport, and we'll be the first to admit the parent has to wield his disciplinary rod with forceful gusto.

And this week being Minor Hockey Week in Summerland, we'd like to give special rating to all those who are making hockey possible for our boys, here and everywhere else. Their bonus is the enthusiasm of the young tykes they supervise. It's a joy to see! Don't forget the jamboree Saturday night.

Dedicated living

by Rev. Lyle Kennedy

"Whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him" Col. 3:17.

We are busy doing whatever. We can't write up our whatsoevers and sell them as a "My Day" to the press, but all

Manufacturers Life has record year

The Manufacturers Life's new business of \$591 millions in 1961 was an all time high for a year's operation, representing a gain of five percent over the 1960 figure. At year end the Company business in force amounted to \$3,963 millions.

Total payments to policyowners and beneficiaries in 1961 also set a new record with Manufacturers Life paying out \$68 millions in death claims, matured endowments, annuity payments and other policy benefits, including \$9.5 millions in dividends to policyholders. The total benefits paid since the incorporation of the Company in 1887 exceed \$900 millions.

Assets held in trust for payment of future policy benefits now total more than \$1 billion. Government and other public body bonds constitute 20 per cent of assets, while other public utility and corporation bonds total 28 per cent; mortgages and real estate held for investment make up 35 per cent; preferred and common stock seven per cent; cash and other assets amount to 10 per cent. The net rate of interest earned increased to 5.59 per cent.

President George Holmes reports that higher interest rates have made possible a substantial reduction in the yearly out of pocket costs of life insurance to Manufacturers Life policyholders. He indicated that the Company would pay out 100 per cent more in policy dividends in 1962 than would have been 12 years ago on the same business.

Mr. Holmes predicts that 1962 will be a favorable year for Manufacturers Life and will see a considerable increase in the Company's services.

of us have our unwritten columns and they are important. Some days they seem to add up to something worth while. On other days we accomplish nothing, and as for doing any great thing we become disillusioned and feel that the great deed will never be done by us.

Granted that the great deed may never be done, it does not follow that the great life will not be lived. Ordinary doing may be cumulative unto extraordinary living. How often it happens as we review the life of one who has recently died that we cannot discover that any great deed was ever done by the person, but we do discover that a great life had been lived.

It was lived by the persistent doing of small duties well. The deeds done may have seemed trivial at the time, but let us remember that the great limestone ridges have been built by the accumulation of an infinite number of almost microscopic parts.

We lift our deeds above the trivial and the casual by doing them, the least of them, the greatest of them, all of them, the "whatsoevers", by doing them in the name of the Lord Jesus. The times demand less casual living, less indifferent living, and more dedicated living.

The text at the beginning suggests that more dedicated living will bring more thankful living. The thankful spirit is a joyous spirit. All this is cumulative unto great living.

CHILDREN FREE

When can a father afford to relax?

A father can only afford to relax when sufficient income is guaranteed for the family no matter what may happen to him.

The investment a father chooses to safeguard his family's future is undoubtedly the most significant purchase of a lifetime. Each year more Canadians look to the one guaranteed investment—life insurance. With a practical life insurance program, a father can build assets to realize future dreams while he protects, daily, all that he holds dear.

In 1961, Manufacturers Life paid out over \$68 millions to families who made this investment in their future—vital dollars, for these were received at a time of greatest need! It was a record year for payments and a record year in protection for new policyowners. If you too want to guarantee a financially secure tomorrow for yourself and your family, why not call the Man from Manufacturers today.

HERE ARE OTHER HIGHLIGHTS OF THE 75TH ANNUAL REPORT

Winter bouquets featured at Violet Society meeting

The spring African Violet show will be held this year on May 5. The date was announced at the regular meeting of the Summerland African Violet Society, held January 15 in the Health Centre.

Guest speakers at this meeting were Mrs. R. Wellwood and Mrs. Sayers who described methods used in drying flowers and grasses for winter bouquets. Several attractive winter bouquets were made up to illustrate the basic construction of

these arrangements.

A number of small African Violets, supplied by Mrs. J. H. Brown, were sold by the club to those present. Refreshments were served by Mrs. F. Downes.

The next meeting will be held February 19, at the home of Mrs. I. Siegrist. All interested in African Violet culture are invited to attend. Members are asked to bring an African Violet feature suitable for a breakfast tray.

Timely Topics

by Nat May

Seasonal advice concerns evergreens, with a reminder to shake off heavy snow from the branches to avoid breakage. Snow also pulls the tree out of shape and sometimes bends the branches to the ground where they could possibly freeze to the ground.

Greatest activity of the gardener these cold days is sitting comfortably by the fire studying the new catalogues. Some outstanding things to look for are:

Hardy rhododendrons which will take a temperature of 20 below.

In petunias, White Sonata is still the best double white.

Best in African marigolds is Climax.

Dwarf marigold recommendations are Rusty Red and Tangerine.

In the snapdragons Rocket Snaps are best for exhibition purposes.

Local Guide Association re-organizes for new year

The first meeting of the Guide Association for 1962 was held last Wednesday, January 17 at the Youth Centre.

A re-organization plan was introduced and approved. It was decided to re-organize into group committees. Each

Brownie Pack and the Guide Company will appoint a pack or company mother to head a committee of mothers. The mothers will form part of the executive and will act in a liaison capacity.

Elected officers for 1962 were Mrs. T. H. Waterhouse president; Mrs. Harvey Wilson vice president, and Mrs. Paul Roberge 2nd vice president. Re-elected as secretary and treasurer were Mrs. Syd Hodge and Mrs. Howard Pruden.

Mrs. Lawrence Charles will be badge secretary and Mrs. W. S. Impett publicity.

The annual Mother and Daughter banquet has been set for February 21 in the Youth Centre, and plans were discussed for the third annual light bulb sale in Summerland.

D. McIntosh heads local Gardener's

Dr. Dave McIntosh was elected president of the Summerland Horticultural Society at its annual meeting held on January 19 in the Anglican Parish Hall.

Other officers elected were vice president: L. Wright; secretary Miss D. Tait; treasurer F. W. Ward. Elected to the executive were Mrs. E. C. Bingham, Mrs. E. Williams, Mr. Nat May, Mr. A. Calder and Mr. G. Dinning.

Guest speaker was Dr. Jack Wilks, of the plant pathology lab at the research station. Dr. Wilks showed slides of his recent visit to Japan.

Last week eight new boys went up from the Cub Pack at a Pack-Troop Going-up Ceremony. The cubs who entered the troop as recruits were Bill McCuaig, Ted Arkell, Jack Barkwill, John Johnson, John Leibel, Doug McIntosh, Jim Haddrell and Howard Wiens. Good luck and good scouting, boys.

At the meeting, newly invested Cubs, Lane and Wright were presented by Cubmaster Mc. Kenzie with "Leaping Wolf" badges.

This week was given over to instruction in .22 calibre target shooting under the auspices of the Summerland Small Bore Rifle Club. The shooting was at Barkwill's Cannery indoor range and each boy had two rounds of 10 bullets. A fair number obtained the 80 percent score required in partial fulfillment of the requirements for Workman's Badge.

Next week's meeting at the Youth Centre at 7:00 p.m. Duty patrol, Hawks.
D. V. Fisher, Scoutmaster.

Obituary

Mrs. Elizabeth Jane Powrie passed away in the Summerland Hospital on Thursday, January 18 at the age of 81 years. Born in Henderson, North Carolina, she had been a resident of West Summerland for the past 15 years.

She is survived by her husband, Alfred David; one son George, of West Summerland; and one sister, Mrs. W. O. (Viola) Baptist, Foam Lake, Sask.

Funeral services for the late Mrs. Powrie were held in the Summerland United Church, on Monday, January 22 at 2 p.m. Rev. P. K. Louie officiating. Interment Peach Orchard Park.

Funeral services for Mrs. Flora Jenkinson, a resident of West Summerland for many years, were held in the Summerland United Church on Tuesday, Jan. 23 at 2 p.m.

Mrs. Jenkinson, 87, died in Penticton Hospital January 19, following a lengthy illness. She was born in Woodstock, Ont. and had been a resident of B.C. for the past 42 years.

She is survived by her husband, John Ernest; two brothers, Walter Wilson of Calgary; and Edwin Wilson of Winnipeg, as well as many nephews and nieces in Ontario.

Rev. P. K. Louie officiated at the services, with interment in the family plot, Peach Orchard Cemetery.

Births at Hospital

Born at Summerland General Hospital to:

Mr. and Mrs. John Biagioni, a girl, January 19.

Mr. and Mrs. Doug Foster, a girl, January 18.

Born to Mr. and Mrs. Harold Felker, a girl, at Penticton Hospital on January 18.

SELL PAINT STORE

Mr. and Mrs. Mel Cousins have announced that they have sold their paint and wallpaper store to a Penticton couple. They will be moving to California shortly.

The Summerland Review

Thursday, January 25th, 1962

SHOWER

A bridal shower was held for Rosalie Hoffman at the home of Mrs Harry Charlton on January 22, with co-hostesses Mrs. Ken Young, Mrs. George Kennedy, Mrs. Don Fountain. The bride was dressed in a Super-Valu uniform and cap and sat in the bride's chair.

There were 36 ladies present and two male guests, who were busy taking pictures during the evening.

A few contests were held and interesting recipes were read.

Keith Taylor and Brian Charlton then brought in a lovely bride's cake which was made by Mrs. M. Parry. While the bride cut the cake, the boys took pictures.

The gifts were brought in by the boys dressed with Super Valu hats.

Unable to attend but sending gifts were Mrs Harry Milley, Mrs. Ralph Gibbard, Mrs. Clarence Adolph, Mrs. Tiny Hankins, Mrs Joe Novick and Mrs. Harvey Farrow.

Curling notes

Three high school rinks took part in a mixed bonspiel in Kelowna last week end. Coming home with a trophy was the Brian Eden rink of Rosemary Day, Russel Bleasdale and Donna Laidlaw. They defeated the Brian McCormick rink of Kelowna in the finals.

Summerland curlers picked up a couple of prizes in the Osoyos International Curling Club bonspiel over the week end.

Taking 2nd prize in the B event was the Herb Lemke rink of Don Turnbull, Peter Beulah and Tommy Jomori. Winning third prize in the B event was the Jerry Hallquist rink of Howard Pruden, Bill Read of Merritt and Don Skinner.

The Bill Croft rink goes to Kelowna on Saturday and Sunday to represent Summerland in the Briar zone playoffs.

Three Summerland rinks are participating in the Penticton ladies club bonspiel this week.

If you would like to pick up an extra game of curling, just drop into the arena on Monday afternoons.

SKI HILL

(Continued from page 1)

Board of Trade contributed \$250 towards construction of a ski jump and the work was carried out that fall. Bulldozers and draglines moved earth to create a steep landing hill, capable of jumps up to 125 feet. The jump will not be used this year, as it requires some work to put it back into shape.

The ski lodge, built in 1947 is still sound, but badly in need of minor repairs. Mr. Agur has installed a heater which uses four foot logs. At the moment there is a decided shortage of wood and skiers going up are asked to take along some wood to help out, until a large supply can be stockpiled. Plans are being made to provide hot drinks for the skiers.

The hill is in very good condition for skiing now. A two foot base of snow, with about ten inches of powdered snow, makes skiing very enjoyable.

Several members of the local ski club have taken instruction courses and hold instruction certificates. Instruction by these people will be available to beginners at dates, to be announced shortly.

At an executive meeting held Tuesday night of this week, tow rates were set at: daily, elementary children 50c and high school and adults \$1. Season tickets are: family (including children up to 13 years) \$8; high school, \$3.50; elementary, \$2.50; adults \$5.

According to secretary Phil Munro, plenty of small fry have a wonderful time with their toboggans and everyone is invited to come up on Sunday.

WHY WAIT FOR SPRING?

Inadequate Wiring One Of Nation's Top Fire Hazards

"The fire was caused by faulty wiring." How often have you read this at the bottom of a newspaper account of some fire?

It's inevitable, perhaps, in this electrical age, that circuits in many older homes should become overloaded with the many appliances in use today. A good idea is to call in your electrician and get him to check over the wiring in your home. And now is the time to do it, when he's not tied up with outdoor construction.

Of course, there's always the chance that you haven't the ready cash to repair or replace your present wiring. That's where Jock Johnston, manager of the Summerland branch of the Bank of Montreal, might help you with a home improvement loan.

Home improvement loans are available at the B of M at the lowest rate — one half of one percent interest per month — and can be used for all kinds of worthwhile repairs and improvements. If you have wiring worries on your mind, it will pay you to have a chat with Mr. Johnston at the B of M today.

WHY WAIT FOR SPRING?

DO IT NOW WITH A HOME IMPROVEMENT LOAN

Home Improvement Loans are available through your bank under the National Housing Act for alterations and repairs to the exterior or interior of a home and for a wide variety of other improvements. You may borrow up to \$4,000 with up to ten years to repay. These loans are also available to the owners of rental properties.

DO IT NOW WITH A FARM IMPROVEMENT LOAN

Farm Improvement Loans, backed by the Dominion Government are available from your bank — up to \$7,500 at five per cent simple interest and up to ten years to repay. These loans cover the purchase of all types of farm equipment and improvement to the farm house and farm buildings.

DO IT NOW WITH A SMALL BUSINESS LOAN

Enquire about Government-backed loans for improvements to small business establishments through the chartered banks — up to \$25,000 and up to ten years to repay.

For advice and assistance, call your local National Employment Office.

Issued by authority of Hon. Michael Starr, Minister of Labour, Canada
