

WE INVITE YOU TO THE FALL FRUIT FAIR

Under the Giant's Head

For about the first time this summer the Research Station reports no precipitation during the past week. There were 79.9 hours of sunshine.

Summerland entries did well in the Pacific National Exhibition just completed.

A big winner in the horticultural section was Walter F. Ward. He placed first in the district fruit exhibit, the first year he had entered this class. Mr. Ward also won 15 firsts and 2 thirds in the horticultural section.

In the vegetable section Darlene Muir won 1 first, 1 second and 4 thirds; Lawrence Muir, 3 firsts and 1 second; and Stan Muir 1 second and 3 thirds.

In the honey section, Stan Muir won 1 first, 2 seconds, and 1 third.

Ron Reinertson won first place and a trophy in Western Equitation at the Valley Horse Show held in Kelowna over the week end. He was riding Dr. Newby's horse "Bonnie Lou". Four Summerland horses were taken to the event by members of the Summerland Riding Club.

Ladies! Have you entered the Women's Institute fruit pie contest in the fall fair? Entries will be received in the arena until 11 a.m. Friday morning. The Review is offering a \$10 prize to the pie judged best in the section with a \$5 second prize. Only condition is that the editor receives a sample of the pie.

Film society membership now on sale

At a meeting of the Summerland Film Society held at the home of Mrs. Gordon Noel last week, Mrs. Noel was elected president of the Society with Mrs. Mel Hyde as secretary treasurer. The group decided to join the Canadian Federation of Film Societies.

The Summerland Film Society has been formed for the purpose of making available to all persons who are interested, films produced by a variety of countries, many of which have won recognition at various International Festivals.

Only those buying a membership to the society may attend. The cost is \$5.50 per person for a season during which eight evenings of films will be presented, starting on the evening of Monday, September 17.

Memberships are now on sale and can be obtained from Mrs. M. Hyde at the Credit Union, Mrs. J. Dunsdon, Green's Drug Store, or any film society members.

Volume 17, No. 38

West Summerland, B.C.

Thursday, September 6, 1962 5c Per Copy

Small increase in school population

1,186 students were registered in Summerland schools on Tuesday of this week, 23 more than started the season last year.

Eighty-nine of the total number are registered at the Trout Creek Elementary School where Ray McNabb is the head teacher, assisted by Mrs. Harry Hackman, and a new graduate of Victoria College, Miss Heather Lawford, granddaughter of Mr. and Mrs. A. C. Fleming, long-time Summerland residents. John Cooke, elementary school principal commented on the splendid redecorating job that has been done on the Trout Creek School this year. The school has been painted inside and out.

The MacDonald Elementary School has an enrollment of 502 this year, which is down 33

from last year. The drop is partially caused by the secondary school absorbing the biggest grade six graduating class in history. One hundred and ten pupils made the transition from elementary to secondary school class rooms to start their grade seven studies.

Miss Muriel Isbister of Denman Island, a Victoria College graduate has joined the MacDonald school staff and will teach grade two this term. E. F. Weeks has been welcomed back to the grade six room after a leave of absence at UBC where he received a higher certificate.

The Secondary School has a record enrollment of 595 students. Last year the enrollment figure stood at 543 students.

Building down again

Building permits issued this year are down as compared to last year.

Total permits issued up to the end of August for 1962 total \$229,155. For the same period last year permits equalled \$570,110, a difference of \$305,995.

In August of this year nine permits were issued for \$28,300 while in August of 1961 there were 11 issued for \$49,400.

Permits for last month were for one new dwelling, \$8,000; six residential alterations and additions, \$3,900; two commercial alterations and additions, \$16,400.

Twelve electrical permits were issued in August.

Liquor vote date now October 1

Returning officer Harvey Wilson told the Review this morning that the date of the liquor plebiscite in Summerland has been changed to Monday, October 1. He has received word that due to unforeseen circumstances the date had been put back one week from September 24 to the first of October.

Registration date, by which all voters, 19 years of age and over, must be registered on the provincial voter's list, has been changed to September 24. Voter's registration cards and copies of the provincial voters' list are available at the municipal office, Leonard's Insurance Agency and Farm and Garden Supply.

Annual Fair features attractions for young and old

The big week end is here—When everybody takes time out to attend the fall fruit fair which will be held in the arena Friday and Saturday, September 7 and 8.

The doors of the arena open at 2:00 p.m. Friday, with the official opening Friday night at 7:45 p.m. Reeve Norman Holmes will open the fair, and the town band will play before the queen crowning at 8:00 p.m. The 14 members of the Summerland Dance Band will perform after the crowning ceremony.

On Saturday the fair will start with a Children's Parade in the afternoon. The parade will assemble at the Memorial Park at 1:30 p.m. with judging

at 1:45 and a parade down the main street at 2:00 p.m.

First and second prizes will be awarded for best fancy dress, best comic costume, best historical costume, most original costume and best decorated bicycle.

Three prizes will be awarded for the best pets exhibited in the parade.

Consolation prizes will be given for each entry.

The arena will open at 2:00 p.m. on Saturday.

The program Saturday evening starts at 8:00 p.m. with top notch talent from throughout the valley.

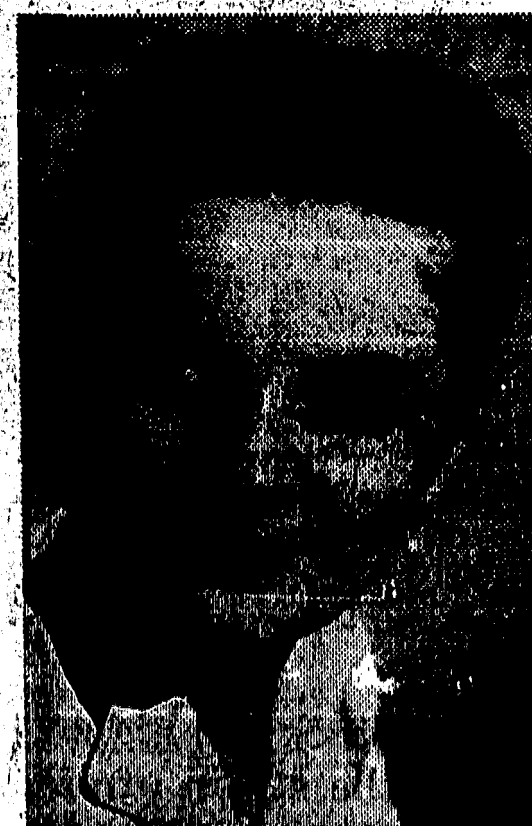

Canadian soprano Elizabeth Beames will be guest artist on Saturday night, and will also sing a solo Friday evening during the queen-crowning.

Other attractions include a trampoline and gym display by five boys and five girls of the

Kelowna Aquatic Club; tap dancing by pupils of the Loretta Keller School of Dancing in Penticton; performances by 8 Summerland Japanese dancers; Shayne Mahalik will give a sample of western singing, and there will be clowns for the kiddies and fun and games for the adults.

If you enjoy seeing films, Tom Ritchie will be showing free movies of Florida Friday night after the queen crowning. On Saturday night he will be showing slides taken on a recent trip to New Zealand.

Entries in all classes have been coming into the arena today, and the Horticultural Society's annual flower show, is promising to be a big event. This is the first year the flower show has been held in conjunction with the fall fair, and the many exhibits should provide a lot of color in the arena.

ELIZABETH BEAMES

Canadian Soprano, will be soloist at the queen crowning on Friday night, and guest artist on the program to be presented Saturday night at the fair.

She is a well known singer in the Okanagan and has sung in operas at the coast recently.

Police court news

A radar trap placed within the municipality on Highway 97 has been keeping the police court fairly busy of late.

On August 28, Philip Eugene LeBerun of Kelowna appeared, charged with speeding and was fined \$20 and costs.

Also appearing that day on the same count was John Samuel Johnson of Vancouver who was fined \$20 and costs.

August 28, Jacob Schinkel of Rosedale was fined \$20 and costs for speeding.

Adam George Leik was found guilty on a charge of driving without due care and attention and was fined \$25 and costs. The charge arose from an accident which occurred August 4 on Rosedale Avenue when Leik

smashed into the rear of the local taxi.

It probably would have been more economical to run over the skunk as Raymond James Dunsdon found out on August 26. He swerved to avoid the animal while driving along Peach Valley Road and ran into an apple tree on the orchard of Fred Clarke doing \$300 damage to his vehicle and \$100 damage

(Continued on back page)

Comings and Goings

(The following Comings and Goings were left over from last week).

Mr. and Mrs. W. Hanson of Calgary and Mrs. Young of Nar-amata visited with Mrs. O. Murphy and Mrs. G. Inglis last week.

Mr. and Mrs. Loop of Bel-lingham Washington, have re-turned home after a visit with her sister Mrs. W. R. Powell.

Mrs. W. R. Powell and her daughter, Mrs. R. M. Johnson from Mission, have travelled to Alberta via the Rogers Pass.

Miss Florence and Miss Eva Howden have returned to Van-couver after spending the sum-mer at their Trout Creek Home.

Nearly 50 ladies attended a coffee party at the home of Mrs. E. O. White, Mrs. William Brown was co-hostess. This is the last of the coffee parties for the summer.

Mr. and Mrs. A. B. Caldwell had as recent guests Mr. and Mrs. R. H. English and family of Edmonton. Also Mr. and Mrs. W. A. Swift and family of Towfield Alberta. Mrs. W. C. Swift of Edmonton visited her sister, Mrs. David Dickson. Miss Eleanor English accompanied her grandmother, Mrs. Swift, on the Summerland trip.

Mr. and Mrs. James Towgood of London Ontario are here visiting his parents Mr. and Mrs. J. Y. Towgood. The family have all gone to Clearwater on a fishing trip. Mr. and Mrs. J. Y. Towgood are now living on hospital hill in the Gatley home.

Mr. Hilton Snider of Calgary and his cousin, Mrs. Armitage of Saskatoon, visited a few days with Miss Ruth Dale. Miss Ruth Dale travelled to Vancouver with them.

Mr. and Mrs. Leonard Shannon and Mr. and Mrs. Robert Shan-on are in Banff for a few days.

Mr. and Mrs. Cormie McCar-ther and four children of Daw-son City are visiting her parents Mr. and Mrs. H. McEachern.

Mr. Dale Rumball came from Vancouver Saturday and return-ed Sunday with his wife and 2 daughters, who have been holi-daying the past 10 days.

Mrs. A. J. Beers of Pacific Palisades California is here vis-iting Mrs. L. W. Rumball.

Miss Shiley Skaros was a guest of Mr. and Mrs. E. O. White last Thursday.

Mr. and Mrs. Jack Baker of Richmond are visiting friends in Summerland.

After a brief summer vacation, Tommy Hunter and his regular supporting cast, The Rhythm Pals, Al Harris and Wally Trau gott, are back to their five a week schedule of programs on the CBC Trans Canada radio network. From this October, Tom my and the boys switch to a new format with programs on Monday, Wednesday and Friday. Special guests will be on hand each Monday and Friday, while Wednesday will be devoted to country and western music.

Editorials

Weekly newspapers meet in Winnipeg

Will we get our share?

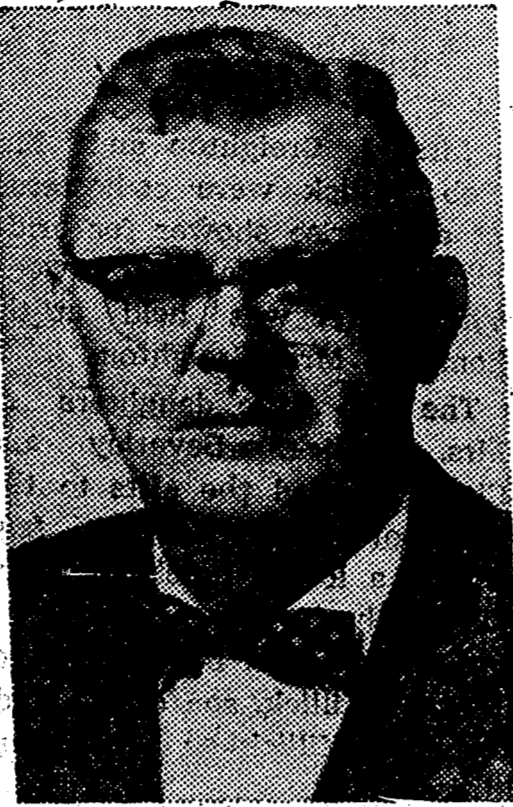

The Trans-Canada Highway is now officially opened, and while driving up to the opening held Monday of this week, we spent some time observing the tourist awareness displayed by towns on the way. We also spent a little time driving through most of the towns that are comparable in size to ours, to see what they are doing touristwise, and to pass along anything we may have gleaned.

The one impression gained from being at the opening itself is that tourism is becoming very big business. We heard plenty of good natured-boasting between provinces regarding tourist attractions, but after driving through the Roger's Pass, we believe that no province can offer more than British Columbia.

One thing we did notice — every town between Summerland and Revelstoke had a hotel — good hotels, doing a good business.

But accommodation is just one phase of attracting tourists. When they stop, they must have something to do. We have the best beaches in the Interior — but only one (Rotary Beach) has been fully developed. Powell Beach and the beaches in Summerland new cleaning and fixing up in preparation for the big influx of visitors that can be expected next summer.

Now's the time for municipal council, the chamber of commerce and the merchants in this community to evaluate what we have for the tourists, and start preparing for next summer.

JOHN PINCKNEY,

publisher of the Rose town (Sask) Eagle, was elected president of the Canadian Weekly Newspapers Association at the 43rd annual convention just concluded at Winnipeg.

Honorary Life memberships highest awards which can be made by the Canadian Weekly Newspapers Association, were tendered by two veteran newspapermen and a public relations man.

The new life members are Alfred William Hanks, mayor of St. James, Manitoba, and long-time publisher of the St. James Leader; Hugh Templin, publisher of the Fergus (Ont.) News-Record for the past 60 years, and Toronto public relations man, Ross Cameron.

Mr. Hanks purchased the St. James Leader in 1933 and ten years later founded the Springfield Leader. He has since sold both papers.

Mr. Templin is a former president of the CWNA and has written for many Canadian newspapers in addition to his own. He was a member of the committee which set up the school of journalism at the University of Western Ontario and later received an honorary doctorate from that University.

The Canadian Weekly Newspapers Association will ask the Canada Council for a grant to microfilm all the back files of all weekly newspapers in Canada.

A resolution passed at their 43rd annual convention called for an unspecified fund to be set up for use by provincial associations to do the microfilming and set up complete files in provincial archives.

Moved by Jeff Hurley of the Burlington (Ont.) Gazette, the resolution reflects a worry on the part of many association members that invaluable files containing the history of Canada will be lost forever if not gathered for safekeeping in the near future. Already many papers have incomplete files due to changes of ownership and

LAUGH OF THE WEEK

What the mother of small children usually saves for a rainy day is the last aspirin in the bottle.

The judge pounded his gavel for the court to come to order, then turned to the woman in the witness box, "The witness will please state her age," he ordered, "after which she will be sworn in."

Fast workers

Car thieves are getting more efficient all the time. For proof, listen to these latest statistics.

It takes an experienced thief less than 1 minute to break into a car, start it, and drive it away. It only takes him 2 minutes. What about hub caps? He can be off with anything in your locked glove compartment or locked trunk under 2½ minutes. What about hub caps? He will lift all four in just under 15 seconds.

California Raisin Crumb Cake
All Time Favorite

This moist, rich cake is laden with the taste surprising flavor of California raisins. It's a grand dessert for all occasions—afternoon tea, dessert parties or a snack after school.

Homemakers enjoy making crumb cakes because they can be stirred up quickly and are good keepers. The buttery baked on topping eliminates the need for icing.

Raisin Crumb Cake

| | |
|----------------------------------|----------------------------|
| 2 cups brown sugar (packed) | 3/4 cup California raisins |
| 2 1/4 cups sifted flour | 1/2 cup chopped walnuts |
| 3/4 teaspoon salt | 1 teaspoon soda |
| 1/2 cup shortening (part butter) | 1 cup buttermilk |
| | 1 beaten egg |
| | 1 teaspoon vanilla |

Stir together sugar, flour and salt. Cut in shortening until crumbly. Take out 3/4 cup of this mixture and set aside for topping. To remainder add raisins and walnuts. Stir soda into buttermilk, add egg and vanilla, and stir into flour mixture, just until blended. Pour into greased 9-inch square pan; sprinkle reserved crumbs over top. Bake in moderately slow oven (325 degrees F.) 50 to 60 minutes. Makes 1 (9-inch) cake.

Many visitors to Banff over new pass

Many Summerland residents travelled to Banff over the long week end, the new Roger's Pass making it a relatively short trip and giving the traveller the best in scenery.

Mrs Helen Anderson and Mrs Mary Carter drove to Banff and on to Alberta points over the holiday.

Other Banff visitors were Mr and Mrs. W. W. Setter, Mr. and Mrs Robert Mitterwallner and family and Mrs Jack Dunsdon.

Travelling up to the Roger's Pass were Mr. and Mrs. W. B. Powell and family, and Mr and Mrs W. S. Ritchie.

WOMEN'S PAGE
Shower for September bride-elect

Mrs. J. Creighton and Mrs. Bob Killick were co-hostesses at a surprise shower for bride-elect Valerie Fox last week. The shower was held at the home of Mrs. Creighton.

The two little daughters of Mrs. Killick, Beverley and Cindy, handed the gifts to the guest of honor. After a few games, a lovely lunch was served by the hostesses.

Miss Fox will be married to Kenneth Killick, son of Mr. and Mrs. Bob Killick on September 15.

Those present were Mrs. J. Smith, Miss Evelyn Cook, Miss Leona Gordon, Mrs. W. Milne, Mrs. J. Chapelle, Mrs. J. Mott, Miss Carol Williams, Mrs. T. Graham of Vancouver, Mrs. B. Fleming, Miss Lela Weiss, Mrs. O. Bolton, Mrs. J. Harden, Miss V. Harris, Mrs Doreen Settle, Mrs Minnie Felker, Mrs. K. Beggs, Mrs. B. McClure, Mrs. J. Graham, Miss M. Graham,

Mrs. H. Miller, Mrs. L. Fox, mother of the bride elect, Mrs P. Bartello, Mrs. N. Wakefield, Miss Elsie Vanshaw, Mrs. H. DeWitt, Mrs. Christmas, Mrs. Alice Polesello.

Those sending gifts but unable to be present were: Mrs. H. Moore, Mrs. Martin, Mrs G. Leason, Mrs. Mary Felker, Mrs. Alma Vogel, Miss Florence Taylor, Miss Francis Wesley.

Comings and Goings

Visiting Mr. and Mrs. John Coates from New Westminster over the last couple of weeks were: Mr. and Mrs. Quayle, Mr. and Mrs. R. Moore, Mr. and Mrs. Gray, Mr. and Mrs. D. Mosdele, Mr. and Mrs. Perkins, son and family, Mr. and Mrs. R. Magee, Mr. and Mrs. B. McIntosh, Mr. and Mrs. R. Chesney, Mr. and Mrs. M. Smith. Also Mr. and Mrs. W. Coates and Mr. and Mrs. R. McCaskell of Edmonton.

Recent visitors at Mr. and Mrs. C. R. Adams were Mr. and Mrs. John Bird of Calgary. Also Mr. and Mrs. F. Sibfon of Michigan USA.

Visiting Mr. and Mrs. W. M. Brown were Mr. and Mrs. E. Ingo of North Vancouver.

Mrs. Howe Thompson leaves Saturday with her mother, for a six week trip to Scotland. It will be Mrs. Thompson's first visit to her former home in sixteen years.

M. and Mrs. Frank Bennison are leaving this weekend for Vancouver to attend the wedding of their daughter Noreen.

Mr. and Mds. R. D. Andall had Mr and Mrs. E. Andall, Saskatoon as guests over the holiday

Mr. and Mrs. Allan Hickey and Carole, of Vancouver, visited last week with Mrs. Hickeys mother, Mrs. W. Wright.

Douglas Rumball has returned home from Quesnel, where he was employed.

Mrs. J. Young and her daughter and granddaughter of Calgary have been visiting Mr. and Mrs. Rothwell

Mr. and Mrs. Godfrey Chadburn and family have returned to their home at Chilliwack after a visit with his mother Mrs. G. Chadburn.

Miss Aretia Caldwell will attend St. Ann's Academy in New Westminster for the coming term.

Mr. and Mrs. E. Crocker and grandchildren of Saskatoon visited last week with Mr. and Mrs. Blair Bullivant.

Visiting with Mr. and Mrs. Verne Charles were Mr. and Mrs. Fred Spersinger of Prince George.

Miss Gwen Simmons, of Vancouver, visited last week with her grandmother, Mrs W. Wright

**Prime Minister opens
Trans-Canada highway Monday**

With bright sunny skies and beautiful scenery, Prime Minister John G. Diefenbaker opened the longest national highway in the world — 4,680 miles of paved road. The ceremony took place Monday afternoon at the summit of the Rogers Pass.

Master of ceremonies was the Minister of Public Works, Hon. E. Davie Fulton. He described the road as a billion dollar highway. Up to August this year,

more than \$700,000,000 had been spent on its construction, with the federal government's share coming to \$450,000,000.

Stuart Fleming, MP for Okanagan Revelstoke, in whose constituency the pass lies, welcomed the guests, and said that 105,000 cars carrying 347,000 people have crossed the Roger's Pass since August 1.

Representatives from each of the provinces unveiled the coats of arms of the 10 provinces, the Yukon and the Northwest Territories.

Prime Minister Diefenbaker unveiled the coat of arms of Canada and said this was an event of national importance to Canada and Canadians could be proud of the highway. He officially opened the highway by tamping a two foot square piece of pavement into place.

Having difficulty recognizing this man? He's better known to CBC radio listeners as Ol' Rawhide or: Max Ferguson. He will be heard this fall in a new program called Start with Max, presenting his famed Little Theatre Group and Rawhide brand musical offerings from Toronto, Winnipeg, Montreal, Vancouver and Halifax. Start with Max will be heard each morning, Monday to Friday, on the CBC radio network.

Shower for recent bride

Ursula Nurnburg, was honored
August 26th at the home of

ed at a kitchen shower held
Mrs. Hans Meierhofer. Mrs.
Ludwig Koesal was co-hostess.

Ursula received many useful
gifts presented in a prettily de-
corated umbrella. Guests included
brides mother, Mrs. Otto Nurn-
burg and the grooms mother,
Mrs. Jim Dunsdon. Other guests
attending were: Mrs. Jack Geres,
Mrs. H. Moors, Mrs. W. Stein,
Mrs. G. Stein, Mrs. F. Walker,
Mrs. A. McIntosh, Mrs. O. Ring-
stad, Mrs. C. Lapins; Mrs. H.
Hauschild, Miss Ella Lapins,
Miss Anne Ringstad, Miss Mar-
ilyn Dunsdon. Mrs. Robert
Young and her two daughters
Jean and Mary from Alberta,
and Miss Sandy Lee of Van-
couver. Unable to attend but
sending gifts were Mrs. Bob
Burns and Mrs. G. Stoll.

Fishing news

by Bert Berry

Okanagan Lake

Has improved this week again
on trout. One party landed a
15 pounder last Friday, plus an
8' and 3 1/2 pounders. Kokanee
still biting good.

Garnett Valley

Lots of small Easterns.

Fish Lake Camp

A couple of good reports from
here.

Agur Lake

No reports but could be good.

Shannon Lake

No reports but lots of bass and
perch here.

Headwaters Camp

Couple of good reports.

Rose Valley Dam

One very good report from here.

Pennask Lake

Some good reports again from
here.

Hatheume Lake Resort

No report but must be good.

Generally speaking fishing has
been improving and should be
better from now on.

Legal

Hereunder is a summary of Regulations pursuant to The Highway Act, which govern the erection of buildings, signs and other structures adjacent to or on highways.

1. Outside Municipalities — all buildings must be set back at least 25 ft. from the edge of the Right-of-Way of Provincial Highway, Road or Street.

2. Outside Municipal Boundaries — No signs are permitted within 1000 ft. of the Right-of-Way of any Provincial Highway, Road or Street with the following exceptions:

(a) Certain directional signs for Motels and resorts may be erected on the Right-of-Way under permit.

(b) Certain signs on business properties may be erected beyond the Right-of-Way boundaries. For details on this, please check with your local District Official.

3. Inside Municipal Boundaries — No signs may be erected on the Right-of-Way of Provincial Highways, except under permit. (Ref. 2(a) above). Signs on private property are controlled by the Municipal authorities.

4. Entrances, pipes, etc. to be built within the Provincial Right-of-Way will require a permit from the Department of Highways.

For further details, please contact the Department of Highways District Office.

POLICE COURT

(Continued from page 1)

On September 4 Eric William Chapman appeared on a speeding charge and was fined \$40 and costs.

Kalmas Borsovesky of Naramata was fined \$25 and costs for driving without a licence.

Joseph Stanley Horsefell of Qu'Appelle, Saskatchewan appeared before Magistrate Reid Johnston charged with assault causing bodily injury. Charges arose from a fist fight which occurred at Peachland on September 1, when a man was hospitalized. Fisticuffs arose over a criticism of Horsefell's cooking. He was found guilty and fined \$100 or in default 60 days in jail.

On September 4 Frank Oliver Bowsfield of Penticton was fined \$25 and costs for passing on a double solid line.

Sunday dinner at the Williams house consisted of roast beef and Yorkshire pudding and one helping each of peach and apple pie. The two pies were the winners in the W.I. Fruit Pie Contest at the Fall Fair. The Review offered prizes for the best two pies and winners were Mrs. George Wilson and Mrs. Colin McKenzie. Both pies were judged delicious by the family.

We're now enjoying excellent fall weather, with the research station reporting 19 inches of rain and 51.6 hours of sunshine during the past week.

Services for former resident

A former Summerland resident, Mrs. Harry (Marion Ellen Kathleen) Atkinson, passed away in Summerland General Hospital on Saturday, September 8, at the age of 63.

Born in Gladstone, Manitoba, Mrs. Atkinson was a 54 year resident of B.C. Her home was in Kelowna.

She is survived by her second husband, Harry "Pete" Atkinson of Kelowna; two sons, William and Jack Impett, both of Summerland; and 7 grandchildren.

Funeral services were conducted from St. Saviour's Anglican Church, Penticton on Wednesday, September 12, at 2 p.m., with Canon A. R. Eagles officiating. Interment Lakeview Cemetery.

Propose museum here

A historical museum containing artifacts from Summerland pioneering days has been proposed by a group of interested citizens. A list of 79 names representing a cross section of the community were signed to a petition presented to council Tuesday night.

The petition suggested that the community has a number of articles of great historical value that should be preserved for future generations.

Reeve Norman Holmes favored the idea of a historical museum but he said that it should not be a municipal project so much as a community project. The reeve also remarked that as well as historical value, a museum is a great tourist attraction, something that Summerland is very short of. We have not invested very much money in tourist attractions and no one can deny that it is big

business these days, the reeve added.

Councillor H. J. Barkwill was more skeptical in his views. He felt that it would be a better move to give the artifacts to the presently established Penticton museum so as to create one good museum. He went on to say that in order to have a good museum it must be properly established and maintained.

Councillor Eric Tait said he felt it would be too costly to go after an old building that might cost more to move than its worth. He also questioned whether a community the size of Summerland could properly maintain a museum. Historical objects that are not properly displayed and described soon lose their value, he said.

The petitioners will be asked to form an organization or study group, and make specific proposals to council.

Hospital in good financial condition

Bank account in black, no trouble meeting payroll

"Our hospital finances are in good shape and our bank account is in the black" Summerland hospital board chairman Les Rumball told the Review today.

"We are not having any trouble meeting our payroll and do not anticipate any difficulty" Mr. Rumball added.

Hospital administrator Harvey Wilson agreed. He said that in order to meet its budget the board had reduced its nursing staff by one. That person will now be employed on full time relief work. The nursing staff now consists of the director, eight nurses and one relief nurse. The same situation applies to the domestic help, which has been reduced by one, and that person will be employed in relief work. Before extra help had been hired for relief work. Mr. Wilson said that it was foolish to suggest that the hospital had any financial difficulties. "We have had no trouble meeting payrolls nor do we anticipate any" the hospital administrator said.

Services for J. C. Barkwill

Mr. John Charman Barkwill, 78 years of age, formerly of West Summerland, passed away in Vernon September 11th, 1962.

He leaves to mourn his loss two sons: H. J. (Bill) and R. J. (Bob) both of Summerland; 11 grandchildren and two sisters, Miss Hannah Barkwill of Penticton and Mrs. Eva Steuart of West Summerland.

Funeral service for the late Mr. John Charman Barkwill will be conducted from St. Stephens Anglican Church, W. Summerland, Thursday, September 13th at 3 p.m. Rev. Tanner officiating. Interment Anglican Cemetery.

Roselawn Funeral Home entrusted with arrangements. Fred and Wilf Smith, directors.

In lieu of flowers, donations will be received by the Roselawn Funeral Home for the Chancel Fund of St. Stephens Church.

TWO BREAKINS LAST WEEK

Two breakins occurred on Saturday of last week while homeowners attended the Fall Fair. The residence of Clive Atkinson on Sandhill Road was entered and the thieves made off with a collection of old coins and a diamond ring. Total value of the stolen goods was about \$270. On the same afternoon the home of Sam Kubokawa of Peach Valley was entered and netted the thieves about \$40 in cash. Police are investigating

Queen Leslie reigns over 1962 Fair

Over for another year, the Chamber of Commerce's sixth annual fall fruit fair was judged an outstanding success by officials and visitors alike.

Friday night saw the queen crowning when retiring queen Trudy Mitchell, placed the crown on the new queen's head, Leslie Caldwell, and draped the red velvet cloak of honor around her and then turned over the insignia of office.

Retiring princesses were Dorothy Watson and Audrey Beggs, who spoke briefly thanking the community for their support during the past year. Queen Leslie and her two princesses, Vicki McKee and Darlene Shannon, spoke, wishing for continuing prosperity in the community in the year ahead.

F. E. Atkinson, chairman of the fair committee, introduced Reeve Norman Holmes, who officially opened the event.

The stage was decorated with a blue and silver background

and large baskets of colored gladioli. Chairman of the queen crowning was Mrs. Lloyd Shannon.

Visiting queens and princesses were present from Vernon, Penticton, Kelowna, Keremeos and Shuswap. Prior to the crowning the town band, under Dr. J. L. Mason, provided entertainment. Soloist for the evening was Mrs. Elizabeth Beames. Following the crowning the Summerland Dance Band provided an enjoyable period of entertainment.

Providing color for the fair was the flower show sponsored by the Horticultural Society,

which filled one end of the arena.

Saturday afternoon the Summerland Riding Club led the way down main street, followed by over 100 youngsters who took part in the children's costume and pets' parade. Prizes for the various sections were presented in the arena. Convener of the parade was John Dunn.

Saturday evening a large audience was in attendance for the program with G. C. Johnston acting as master of ceremonies.

Performing were Shayne Mahalk, western singer; Elizabeth Beames, Canadian soloist; Summerland Japanese dancers directed by Mrs. Roy Kuroda and Mrs. Frank Nakagawa; Loretta Keller School of Dancing from Penticton. Large applause greeted the acrobatics of the gym team from the Kelowna Aquatic Club, directed by J. Brown.

At the end of the evening 34 door prizes were drawn.

Top exhibits at fair

This year's fruit fair, last Friday and Saturday, featured a wide range of exhibits and live fish and game birds and displays by local clubs and organizations.

The Summerland Fish and Game Club had a booth with fish bond.

The Summerland local BCFGA booth showed some of the top quality fruit grown in the Okanagan. It was prepared by W. F. Ward.

Other exhibits included W. W. Borton's table of woodwork; the Summerland Art and Craft Society stall selling popcorn and balloons and featuring local handicrafts.

The Royal Canadian Legion Ladies' Auxiliary sold personalized cook books; and exhibits were placed by the Summerland branch of the Canadian Cancer Society, Summerland Sweets, WCTU, research station and the Ministerial Association.

POLICE COURT

James Alexander McArthur of Trout Creek was fined \$25 and costs and suspended from driving for six months by magistrate R. Johnston.

Did you notice this cabbage in the fair? It was grown by Mr. Fred Pierce of Prairie Valley. The cabbage, shown here in his garden measures three feet overall and the heart is 18 inches across.

Plastic roof for arena

Summerland curlers can expect dryer curling this year. At Tuesday's council meeting, it was moved that a plastic roofing should be erected at an approximate cost of \$600, as an temporary cure for the leaky roof which has been bothering curlers in the arena for the past years. Council hopes it will last for at least two years.

Curling club president Harry Hackman and arena association member Walter Toevs attended the meeting to discuss the curling arena situation with the councillors.

Mr. Toevs said that curling in Summerland last year had been very impractical with the roof dripping so badly. He went on to say that in the past 10 years the rink association had paid the municipality \$8,000 in fees. He said that he hoped the arena situation would be improved this year as a number of the curlers felt that using the Summerland ice was impossible under the present circumstances.

During the discussion, Reeve Norman Holmes said that he felt replacing the roof was impossible at this time as it would cost approximately \$15,000 for the whole building.

Councillor Eric Tait remarked early in the discussion that if the building was to be of use to the community, council might be well advised to put the new roof on, raising the funds through a money bylaw.

Works superintendent K. M. Blagborne pointed out that the re-roofing project would have to be done during the summer months. As the project has become urgent, council then moved that the plastic be used in the hopes that in the next two years, a permanent solution for the drip may be found.

New plane service between Penticton and Kamloops

Penticton Flying Services Ltd., formerly Penticton Air Charter, has received an operating certificate from the Department of Transport in Ottawa to run daily round trip flights from Penticton to Kamloops, with a stop in Vernon.

Flying time from Penticton to Vernon is 40 minutes, Ver-

non to Kamloops 45 minutes, with the complete trip taking approximately 1½ hours.

Passengers arriving in Penticton on the morning flight from Vancouver will now be able to proceed immediately by air to Vernon and Kamloops.

The return flight from Kamloops will also stop in Vernon,

and arrive at the Penticton airport in good time for passengers to connect with the 4:45 p.m. flight to Vancouver.

Mr. William Gaede, president of Penticton Flying Services Ltd., announced that service will commence immediately, using four place Cessna Skyhawks.

RUBBER STAMPS

The Summerland Review

Do You Know Your Squash?

In the foreground are the pale yellow Vegetable Marrow and the dark green Zucchini which are known as summer squash. The hard shelled ones in the background are the fall and winter squash which are at their best when fully matured. Left to right are: the Acorn or Pepper, the bell shaped Butternut, and the turban topped Butter squash. The Consumer Section, Canada Department of Agriculture suggests

that summer squash be cut in pieces and cooked with skins on — boiled, steamed or fried. The winter squash can be baked in the shell and also steamed or boiled.

Bootlegging of fruit reported

A press release from J. G. Campbell, chairman of the British Columbia Fruit Board, says that bootlegging of fruit out of the Okanagan is going on. The release states:

"A number of unscrupulous people are using cars, with the back seat out, to run bootlegged fruit from the Okanagan to the Fraser Valley, Vancouver and other points. They buy fruit from growers who evidently do not care what happens to the main part of the crop which must be sold through the regular channels of trade.

"These illegal shipments upset confidence in orderly marketing and cost you — the grower — many hard earned dollars in sales and in cost of control.

"With your wholehearted support and co-operation this bootlegging can be stopped. If you have any information about these people, call collect giving: Name of Bootlegger, Make of Vehicle and Licence Number to the Secretary-Treasurer, British Columbia Fruit Board at POplar 2-5144 Kelowna or to any Fruit Board Inspector."

A special message to all parents of boys and girls now in high school

You can guarantee your youngster's College Education in partnership with "MY BANK"

BANK OF MONTREAL UNIVERSITY EDUCATION PROGRAMME

A comprehensive, life-insured plan for financing a college education for boys and girls now in high school

If you are like most parents with children in high school, you are probably wondering how you are going to meet the costs of financing your youngster's college education. To help parents solve this problem, the Bank of Montreal has introduced its University Education Programme—the first life-insured plan of its kind in Canada.

Under this comprehensive programme, parents, guardians and sponsors of high-school students can spread the cost of a university education over periods of up to nine years, thus keeping monthly payments to amounts they can afford without hardship. And the cost to the parent is only a fraction of the interest paid on a straight loan programme.

HOW THE PROGRAMME WORKS

Under the basic plan, the parent agrees to make monthly payments to the Bank starting, say, two years before the student enters university, and terminating one year after graduation. In return, the parent receives an annual sum from the Bank at the start of each of the four university years.

VARIANTS OF THE PLAN

Several optional plans are available under the programme, and these vary as to the number of years in which the parent wishes to make monthly payments, as well as to the amount required annually for university expenses. Plans are based on objectives ranging from \$1,000 to \$8,000 payable to the parent in four annual instalments.

Here is an example of how one of the basic plans can be varied to suit your needs:

OBJECTIVE: \$4,000
To be paid to the parent in four annual amounts of \$1,000 each

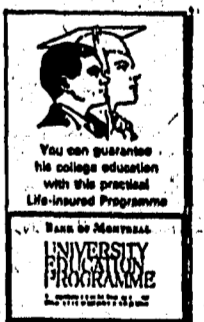

| OPTIONS | YOU PAY MONTHLY | PERIODS OF PAYMENT | YOUR PAYMENTS BEGIN |
|---------|-----------------|--------------------|---------------------------|
| Plan A | \$49.55 | 7 years | 2 years before university |
| Plan B | 42.78 | 8 years | 3 years before university |
| Plan C | 37.56 | 9 years | 4 years before university |

LIFE-INSURANCE FEATURE

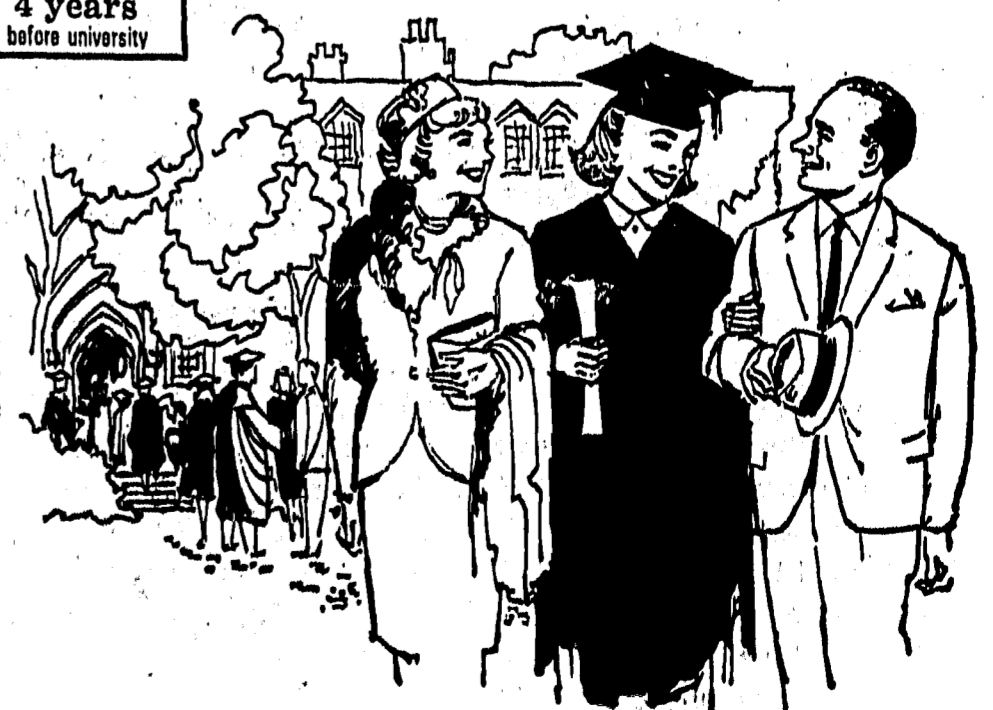

If the parent concerned should die after the start of the programme, the funds for education specified in the agreement will be advanced by the Bank each year without any further payments being made by the family or the estate.

HOW TO JOIN THE PROGRAMME

See the people at your neighbourhood B of M branch. You will receive a warm welcome from a staff who will be pleased to give you further details and to help you select a plan suited to your needs. Ask for your copy of the Bank of Montreal University Education Programme folder.

P.S. If you need help in financing a student already in University — or planning to register this year — talk to your B of M Manager. Chances are he can arrange a tuition loan with extended payments adapted to your circumstances.

Editorials

Why all this stress on behaviour?

We have a traffic problem

In a recent trip to the Roger's Pass we found that the worst traffic tieups were between Summerland and Kelowna. The Okanagan definitely has a traffic problem and we agree with the following editorial from the Oliver Chronicle:

"The time is at hand when more serious consideration should be given to the summer traffic load borne by Highway 97 in the Okanagan . . . and more particularly the congestion created when the highway passes through the cities of Penticton, Kelowna and Vernon.

Okanagan cities and communities each year spend thousands of dollars attracting tourists from both the U.S. and Canada, and by the volume of traffic their efforts are well worthwhile. The opening of the Roger's Pass has further increased this traffic, and it is logical to assume a further increase will take place when the southern provincial route is completed next year.

Traffic congestion on the highway as it passes through the three major cities . . . particularly Penticton . . . is becoming more than just a nuisance. It's becoming downright aggravating to those of us who live in the Okanagan and we can well imagine the thoughts of many a tourist as he creeps along for five or six miles of heavy traffic through Penticton.

We who live in communities outside Penticton realize the importance of tourists to the city's economy, and we can understand the concern of businessmen when talk of a "bypass" is discussed. But it is time the Penticton business men realized that, for the overall benefit of tourist business in the valley, a more practical and direct route or bypass around the city is inevitable.

Reducing the congestion within the city by routing "through" traffic around it will make Penticton an even more pleasant vacation center than it is at present, and will contribute greatly to making Highway 97 in the Canadian Okanagan a more pleasant drive for tourist and "native" alike.

"Don't be a cloud because you can't be a star."

by Rev. D. M. Rathjen

"That, knowing the the time, that now is high time to awake out of sleep; for now is our salvation nearer than when we believed. The night is far spent, the day is at hand . . ." (Romans 13: 11-14)

The above quoted text is the answer to the query, "Why all this stress on behaviour?" "Philips' Translation" of this text in modern English, needs little explaining: "The present is of the highest importance — it is time to wake up to reality. Every day brings God's salvation nearer. The night is nearly over, the Day has almost dawned. Let us therefore fling away the things that men do in the dark; let us arm ourselves for the fight of Day; let us live cleanly, as in the daylight, not in the "delights" of getting drunk or committing immoral acts, nor yet in quarrelling or

Bank offers new loans

Introduction of a combined savings and loan plan to spread costs of a four year university education over a period up to nine years and embodying full life insurance protection, has been announced by G. Arnold Hart, president of the Bank of Montreal

The plan, to be known as the Bank of Montreal University Education Programme, will make it possible to finance college studies through modest monthly payments at substantially less cost than would be possible on a straight loan basis, Mr. Hart said.

Under the programme, a parent, guardian or sponsor will undertake to make monthly payments during a student's last two, three or four years of high school, continuing through university, and terminating a year after graduation. In return, the parent will receive a lump sum at the start of each of the four university years, with built-in life insurance coverage throughout to guarantee funds even if the sponsor dies.

Keep Spartans Longer

Researchers have found a way to give a new "lease of life" to Spartan apples in storage.

The new variety, now being grown in British Columbia and Nova Scotia, normally has a storage life of three to four months, says Dr. S. W. Porritt, of the research station here.

But tests in controlled atmosphere storage during the past three years at Summerland have shown apples can be kept in good condition for double the normal period by maintaining two to three per cent oxygen and five to seven per cent carbon dioxide in the room.

So far, no storage disorders have been encountered in fruit kept by this method for six to eight months.

However, further tests are needed with fruit grown under a greater range of conditions and harvested at different sizes and stages of maturity before the method is given full approval for commercial use, Dr. Porritt points out.

jealousies. Let us be Christ's men from head to foot."

From many other Scriptures we learn of the imminence of Christ's return, which will be the dawning of God's Day of Salvation and the end of the night of sin. It is of the utmost importance that we prepare at this present time for that Day by conversion.

Jobs reach 1962 peak

Job opportunities for persons in the area served by Penticton National Employment Service reached the 1962 high, according to H. I. Moss, local office manager.

In the orchards, packing houses, canneries and hotel-motel industries alone, well over 900 placements were made as a result of local employers listing their needs with NES.

There is still an acute shortage of female workers seeking work in the area's fruit packing houses and canneries, and the office is exploring every local source of possible supply. Owing to a fairly plentiful supply of male applicants applying for fruit picking, there is a slight overall increase in total male and female job seekers—634 as compared to 561 in August 1961.

The building construction industry, both locally and in nearby areas, are hard pressed for qualified union carpenters.

The Summerland Review

After the summer steak meetings, and with the cooler weather coming on, 31 members gathered at the old stamping grounds under the careful supervision of Mac's Cafe. A delicious dinner was enjoyed by all.

Flash Jack Ratzlaf has paid his delinquent birthday penalty and just to show the kind of guy he is, voluntarily paid double.

Bob Alstead uncorked his usual high class talent and gusto in leading the sing song.

Discussion covered many matters, including the start and meeting dates for the Key Club; work bees for moving the newly built school children's bus shelter; and erection of winter quarters for the portable kitchen and trailer; repainting of the church sign on Highway 97; the possibility of creating a second bursary for another deserving student; and a cheque to the Fall Queen.

Bill Laidlaw stressed the importance of the receipt of committee head reports.

The meeting closed with a talk on membership and attendance given in his usual able and forceful manner by Lt. Governor Doug Campbell. It is always a rare treat to listen to Doug.

SUMMERLAND REVIEW

Killick Photo

The Summerland United Church was banked with glad-jolias for the marriage of Ursula Edeltraut Nurnberg and Vernon Sinclair Dunsdon which took place at 5:30 p.m. on September 1.

The principals are the daughter of Mr. and Mrs. Otto Nurnberg of West Summerland and the son of Mr. and Mrs. James Dunsdon also of this district. Rev. P. K. Louie officiated.

The bride wore a traditional length gown of white net and lace over satin. The attractive square neckline was set off with sequins and pearls. She chose a shoulder length veil of illusion net and carried a white bible with dark pink roses on top.

Miss Marilyn Dunsdon, sister of the groom, was matron of honor, and Miss Sandy Lee, bridesmaid. They wore identical pink gowns and carried dainty bouquets of yellow roses and carnations.

Mr. Ernest Gove acted as groomsman and ushers were Mr. Robin Caldwell and Mr. Clifford Dunsdon.

During the signing of the register Mrs. Bud Green sang the Wedding Prayer, accompanied by Mr. Ken Storey on the organ.

Following the ceremony the guests were received at the

IOOF Hall, which had been attractively decorated for the occasion by Mrs. Wm. Mortimer. The bride's table was centred with a lovely three tiered pink and white cake which had been baked by the groom's mother.

The bride's mother received the guests wearing an attractive-green lace sheath with beige accessories. Her corsage was of yellow roses. The groom's mother received in a beige lace gown with a corsage of coral roses.

Many toasts were heard during the reception where Dr. Ratzlaf acted as master of ceremonies.

Later in the evening the guests danced to the music of Tony Stolz orchestra.

The young couple will make their home in West Summerland.

Visitors here from England

Visitors at the home of Mr. and Mrs. F. E. Atkinson for the past week have been Dr. and Mrs. A. Pollard from Long Ashton, England. Dr. Pollard heads the cider, wine and fruit-juice department of the Research Station in England that deals with cider-making as well as fruit culture and horticulture. While here Dr. Pollard visited the local Research Station, also the winery and the Sunrype plant at Kelowna. He was also taken to other points of interest in the Valley including the Summerland Fall Fair. Over the week-end the visitors were taken on a fishing trip to Dee Lake. Both Dr. and Mrs. Pollard were very interested and thoroughly pleased with their visit here, remarking on the extreme beauty of the Valley. They left on Monday for Vancouver, then on to visit at the Kentville Research Station, Nova Scotia, before returning home.

Open Thrift Shop three days a week

The Summerland Ladies Hospital Auxiliary met Monday night in the Health Centre with president Mrs. L. W. Rumball in the chair and 19 members present.

The coming convention of the B.C. Hospital Auxiliaries was discussed. It will be held in Penticton on October 17-19.

Mrs. F. E. Atkinson will conduct a workshop on Thrift Shops.

It was decided to purchase an electric clock for the case room in the hospital.

Information was given on Christmas cards and gifts and members were reminded to place their orders early.

A letter of thanks will be sent

to the municipality and the fire brigade in appreciation for the use of the old municipal hall.

It was announced that the Thrift Shop will now be open three days a week: Tuesday, Thursday and Saturday from 2 to 5 p.m.

Win trip to Armstrong Fair

Eight excited Summerland children will leave for the Armstrong Fair this Saturday morning at 9 a.m. conducted by A. W. Watt and Len Weist.

The eight are the first prize winners in the highly contested garden contest that is held annually in conjunction with the Fall Fruit Fair. The youngsters are asked to be at the MacDonald school at 9.00 a.m., with a rain coat in case of emergency and a sack lunch. The expense free trip is being provided by the Chamber of Commerce and a hot meal will also be given to the children later on in the day.

Locals

Ruth Manning left Sunday to start her second year of nurses training at Victoria Royal Jubilee.

Guests with Mr. and Mrs. W. Engle last week were Mr. and Mrs. Jack Loumala, of Inntspiel, Alberta and Mr. and Mrs. Ralph Lowheed of Benalto, Alberta and Mr and Mrs George McNichol, of Calgary.

Visiting with Mr. and Mr. M. Lamb were Miss M. Barbara Starkey, of Vancouver and Mrs. S. M. McCullugh of Prospect Lakt, Vancouver Island.

SUPER-MARKET

Milady Votes For Independent action

The ladies, bless 'em, have improved their lot a good deal since the days of the kitchen woodstove. Now bright, white appliances stand ready for their command; frozen foods are in the freezer; and little cans of pre-cooked goodies line the shelves.

Makes you wonder why they need a stove at all — a gas burner and a few candles to heat them might do fine!

Actually, all these kitchen improvements are a good thing. With fewer chores at the stove, milady has much more time to enjoy life, and who can blame her for taking advantage of progress? A wife should have independence; it makes for happiness all around.

Nowadays, if the modern wife wants to visit in the next city, she goes; if she feels a new hat coming on, she buys it without reference to the Master for every penny she wants to spend. That's financial independence. A wife likes to feel she hasn't lost all her independence to become "just housewife."

You know, it's surprising how quickly this "independent" feeling grows when she has her own Bank of Montreal savings account. She deposits small amounts regularly, and when she wants ready cash for a new hat or pair of shoes, it's there at the B of M, with interest.

Why not visit the Summerland branch of the B of M soon? The accountant, Don Carmichael, will be glad to show you how easy it is — and how profitable, to open a B of M savings account.

We don't know if they won any prizes, but these are some of the youngsters who turned out Saturday afternoon for the children's parade. There were over 60 entries and approximately 200 spectators watched the parade down the main street.

SPORTS

Cafe Aces once again softball champions

Mac's Cafe Aces are once again the South Okanagan Softball Champions. They won the title after defeating Penticton 3 games to 1 in the semi-finals and Osoyoos 3 games to 2 in the finals.

The final game was played last Thursday in Oroville when the Macs defeated Osoyoos by a score of 5-2. They now keep the Adams Trophy for another year.

Highlight of the final game was Al Hooker's two run homer

in the first inning. Ken Pushkerenko brought in the winning run with a homer in the fourth inning.

The Aces played one of their better games with the outfielders coming up with some outstanding catches.

Dave Davis pitched all the way, allowing only five hits.

The Macs Cafe Aces management wishes to express its appreciation to the ball players for a fine year and also to the ball fans that supported them.

Intermediate A hockey in Valley this winter

Baseball finished this week, and already plans are being made to present hockey in Summerland this winter.

The formation meeting of the Okanagan Intermediate A Hockey League was held Sunday in Vernon. Representatives were present from Kamloops, Vernon, Kelowna, Summerland and Penticton.

Elected president was Bill (Moose) Martin of Penticton, with W. G. Gillard of Summerland as secretary-treasurer. The executive will consist of a representative from each of the five cities.

A number of the members will attend the B.C. Amateur Hockey League annual meeting in New Westminster this month. The Okanagan League will be

associated with the BCAHA.

South Okanagan representatives in the new league will be the Twin City Macs who won the Coy Cup last year. The team consists of players from Summerland and Penticton, and this year a number of junior players will be brought up to play in intermediate ranks.

Games will be played in the Summerland and Penticton arenas.

Your crops deserve this protection.

Stack 'em high. These corrugated boxes are designed for Okanagan crops... made to stand the strain of stacking and shipping. Made to protect the juicy goodness of apples and peaches, all the way to market. And these boxes, developed through years of research, are made right in the Okanagan. Give your crops the protection they deserve by ordering Crown Zellerbach Handi-Paks, Tray Packs and Cell Packs. There's a CZ box for every crop.

The only manufacturer of corrugated boxes in the B.C. Interior.

Radiation produces mutation of apricot

Radiation has been used to produce a mutation of the Blenheim apricot variety that features lighter sets of larger, earlier maturing fruit.

In an experiment at the Canada Department of Agriculture's research station here at Summerland, the mutant — known simply as 119B — produced fruit 20 per cent larger than that of the original variety and which matured four to six days earlier.

The mutant is self-sterile and its pollen produces poor sets in other varieties in contrast to the self-fertile Blenheim which produces very heavy sets, researcher K. O. Lapins explains.

Last year when the apricot set was heavy, thinning to commercial standards required the removal of five times as much

fruit from Blenheim trees as from those of the mutant.

In 1956 dormant scions of the Blenheim variety were sent to the Brookhaven National Laboratory in New York for treatment with radiation, after which they were returned to Summerland for propagation by grafting.

The resulting trees now have been growing in the orchards for five years and have gone through three crop years. However, says Mr. Lapins some of the trees are completely sterile as a result of the treatment and some others have produced misshaped or otherwise undesirable fruit.

Other than the variations in sets, size of fruit and maturity, the characteristics of the mutant are similar to that of the Blenheim variety.

Farm News

CANADA DEPARTMENT OF AGRICULTURE
OTTAWA

It pays to train pickers

A little time spent training picking crews pays off in fewer bruises and stem punctures of apples.

Most of the worst offenders do not realize they are damaging the apples until the need for careful picking is pointed out to them, suggests A. D. McMechan of the Canada Department of Agriculture's research station at Summerland.

Studies in the Okanagan Valley have shown that some pickers damage twice as many apples as others in the same crew.

Most frequent causes of damage are: squeezing the apples when picking, dropping the ap-

ples into the picking bag, pressing the apples in the bag against the ladder by reaching too far, walking too far with a full bag and not emptying it carefully enough into the bin or box.

Checks on picking speed revealed that slow pickers are not necessarily careful pickers and fast pickers are not necessarily careless.

The need for instructing picking crews is especially important for McIntosh apples, which are very susceptible to damage.

Legal

NAVIGABLE WATERS PROTECTION ACT, B.S.C. 1952, CHAPTER 193
THE CORPORATION OF THE CITY OF PENTICTON HEREBY GIVES NOTICE that it has, under Section 7 of the said Act, deposited with the Minister of Public Works at Ottawa, Ontario and in the office of the District Registrar of the Land Registry District of Yale, at Kamloops, British Columbia a description of the site and the plans of an earth fill and breakwater proposed to be built in Okanagan Lake at Penticton, British Columbia in foreshore leases Lots 216S and 3965S, Similkameen Division Yale District, near the foot of Front Street.

AND TAKE NOTICE that after the expiration of one month from the date of the first publication of this notice, The Corporation of the City of Penticton will, under Section 7 of the said Act, apply to the Minister of Public Works at his office in the City of Ottawa for approval of the said site and plans. DATED at Penticton, B.C. this 27th day of August, 1962.

H. G. ANDREW,

Students must register by September 17

Enrollment at Summerland Secondary School may well reach over the 600 mark this fall, reports acting principal John Tamblyn With the biggest grade 7 class ever, 120 students in all, plus an apparent trend for students to stay and finish their higher education, and a further influx of students re-entering the school to finish grade 12 after a year or two absence, the teaching staff is busy indeed getting everyone settled. Mr Tamblyn expressed pleasure at the increased number of enrollments as an indication that Summerland young people are anxious to complete their education.

He explained that two program changes are being instituted in the school this year. The staff has planned a series of development English courses for grades 7, 8 and 9. The emphasis will be on reading,

where the course will develop speed and comprehension, coupled with extra spelling training, handwriting and oral English.

The second change is in the introduction of reference periods in the auditorium. Reference books are being placed in the auditorium and the students will use one period in every eight in each subject to work from the reference library as assignments. These assignments will be marked and form part of the year's work.

Monday, September 17 is the last day for registration at the secondary school. Any students who are contemplating returning to school this year should contact the secondary school immediately and register for the 1962-63 school year.

Because of the increased enrollment some of the courses, especially in the specialist areas, are already full. Any students coming in later in the year might find it impossible to fit in their required courses. Any student who has not been in regular attendance at school and wishes to come to school after the September 17 deadline must make special application to the school board explaining why it was not possible to start school at the beginning of the term.

Prize winners at annual Fall Fruit Fair

A complete list of prize winners in the annual fall fruit fair Friday and Saturday of last week.

Section Two — Fruits

Apples: McIntosh — 1. Eric Tait; 2. Harvey Eden.

Spartan — 1. F. R. Ganzeveld; 2. Eric Tait.

Red Delicious — 1. F. R. Ganzeveld; 2. John Dunn.

Newtown — 1. John Dunn; 2. Joe Bordas, Penticton.

Golden Delicious — 1. McKenzie Orchards; 2. F. R. Ganzeveld.

Red Rome — 2. Harvey Eden.

Any other named variety — 1. McKenzie Orchards; 2. John Manning.

Best plate of apples — John Dunn.

Pears: Bartlett — 1. Harvey Eden; 2. John Manning.

Flemish Beauty — 1. Mrs. A. Inch; 2. Harvey Eden.

Anjou — 1. Harvey Eden; 2. McKenzie Orchards.

Any other named variety — 1. Chas Bernhardt; 2. Gordon Bennest.

Peaches: Valiant — 1. F. R. Ganzeveld; 2. Harvey Eden.

Veteran — 1. Eric Tait; 2. John Smith.

Red Haven — 1. Eric Tait.

Any other named variety — 1. R. Yamabe.

Better fruit special — 1. F. R. Ganzeveld; 2. Eric Tait.

Other Fruits: Hyslop Crabapples — 2. Harvey Eden.

Italian Prunes — 1. J. O. Likei; 2. Mrs. A. Inch.

Any variety of plums, named — 1. Miss D. Tait; 2. Mrs. A. Inch.

Bowl or basket of local fruit — 1. Mrs. Eric Tait; 2. Mrs. H. De Witt.

Grand Aggregate — F. R. Ganzeveld.

Section 3: Vegetables

Beans, wax bush — 2. Mrs. N. Laidlaw.

Beans, Scarlet runners — 1. Mrs. N. Laidlaw; 2. Nat May.

Beets, globe — 2. S. Oliver.

Carrots, intermediate — 1. E. O. Mortimer; 2. F. J. Manning.

Cabbage — 1. R. Yamabe; 2. Mrs. J. O. Likei.

Cucumbers — 2. Mrs. N. Laidlaw.

Onions — 2. W. M. Dorev.

Parsnips — 1. Mrs. J. O. Likei;

2. Mrs. N. Laidlaw:

Peppers — 1. Mrs. J. O. Likei; Potatoes, late — 1. R. Yamabe; 2. Magnus Tait.

Pumpkins, two — 1. Mrs. T. H. Waterhouse.

Pumpkins, heaviest in show — 1. Herbie DeWitt.

Sweet Corn — 1. S. Muir.

Tomatoes, red — 1. Mrs. T. H. Waterhouse.

Squash — 1. Mrs. E. O. Mortimer; 2. Mrs. Norris Laidlaw.

Vegetable Marrow — 1. Stan Muir; 2. Magnus Tait.

Herbs, green — 1. Mrs. T. H. Waterhouse

Section 5: Honey

Honey — 1. Stan Muir.

Section 7: Junior Gardens

Girls:

Beets — 1. Colleen Jones; 2. Lorraine Bennest; 3. Lorraine Etter.

Carrots — 1. Colleen Jones; 2. Sheila Smith; 3. Lynn Gartrell.

Potatoes — 1. Colleen Jones; 2. Lynn Gartrell; 3. Audrey Young.

Pumpkins — 1. Lynn Gartrell, 2. Lorraine Bennest; 3. Heather Wilson.

Beans — 1. Lorraine Bennest; 2. Colleen Jones; 3. Heather Wilson.

Boys:

Beets — 1. Ronney Pratt; 2. Robert Stevenson; 3. Ronny Ryman.

Carrots — 1. Billy Walker; 2. Ronny Ryman; 3. Robert Stevenson.

Potatoes — 1. Ronny Ryman; 2. Billy Walker; 3. Robert Stevenson.

Pumpkins — 1. Herbie DeWitt; 2. Amando Bravi; 3. Ronny Ryman.

Beans — 1. Ronny Ryman; 2. Billy Walker; 3. Amando Bravi.

Competition for best junior garden, judged on site:

Girls — 1. Lorraine Etter; 2. Loraine Bennest; 3. Lynn Gartrell and Colleen Jones (tied).

Boys — 1. Billy Walker; 2. Ronny Ryman; 3. Herbie DeWitt and Robert Stevenson (tied).

Section 10: Handicrafts

Any hobby — 1. Mrs. Stan Lowen; 2. Mrs. John Richards.

Section 11: Junior Handicrafts

Girls: age 6-9 years: Art work

1. Maureen Wagoner.

Table decoration — 1. Janice Cooke.

Boys, age 6-9 years: Any hobby — 1. Ian McKenzie.

Girls, age 10-12 years: Art — 1. Anne Miltimore.

Sewing — 1. Heather Wilson; 2. Judith Miles.

Boys, age 10-12 years: Collection, stamps, coins, etc. — 1. Michael Weeks; 2. Danny Spancers.

Table decoration — 1. Tommy Inch.

Boys, age 10-12 years: Other hobby (models) — 1. David Steuart; 2. Bruce McIntosh.

Girls, age 13-15 years: Portrait — 2. Murdene Murdock.

Sewing — 1. Sandra Hubbard; 2. Evelyn Rathjen.

Embriderly — 1. Joyce Dickinson.

Copper work — 1. Sandra Hubbard; 2. Murdene Murdock.

Boys, age 13-15 years: Collection, stamps, coins, etc. — 1. Richard Johnston.

Portrait — 1. Jim Rathjen; 2. Richard Johnston.

Woodwork — 1. Michael Inch

Any other hobby — 1. Richard Johnston; 2. Roddy Akitt.

Section 12: Canned Fruit in Glass Jar

Cherries — 1. Mrs. John Dunn; 2. Mrs. E. Holgate

Apricots — 1. Mrs. John Dunn

2. Stan Muir.

Peaches — 1. Mrs. John Dunn

2. Mrs. H. DeWitt.

Plums — 2. Mrs. E. Holgate.

Women's Institute Contest: Handwork:

Three piece baby outfit: Mrs.

George Inglis, Mrs. A. O. Mortimer.

Three or four ply knitted cardigan, child's or adults: Mrs. Olive Rumball; Mrs. Inglis.

Socks: Mrs Inglis, Mrs. Rumball.

Any other article: Mrs. M. Procuroff, lace tablecloth; Mrs. W. H. Lacey, hot dish mats.

Quilts: Mrs. H. J. Mott, Mrs Procuroff.

Hooked rugs: Mrs. Engle, Mr. E. A. Gillespie

Fruit Pie Contest

Special prize for best pie in snow: Mrs G. Wilson; Mrs. C. McKenzie.

Apricot: Mrs. Rumball.

Peach: Mrs. Wilson, Mrs. C. McKenzie.

Apple: Mrs Colin McKenzie, Mrs. John Dunn.

Plum: Mrs. John Dunn

Cherry: Mrs. Lydia Johnston, Mrs H. DeWitt.

Flower show prize winners will be published in next week's issue.

Children's Parade

Best Comic Costume — 1. Shelagh Welsh; 2. Joanne Berry.

Best Historical Costume — 1. Jeff Estabrooks; 2. Michael Wellwood.

Best Original Costume — 1. Ray Stevenson; 2. Sheila Smith.

Best Fancy Dress — 1. Three Proverb sisters; 2. Shawn Beames.

Pet Contest — 1. Jimmy Pratt; 2. Irma Klix; 3. Kenny Pratt.

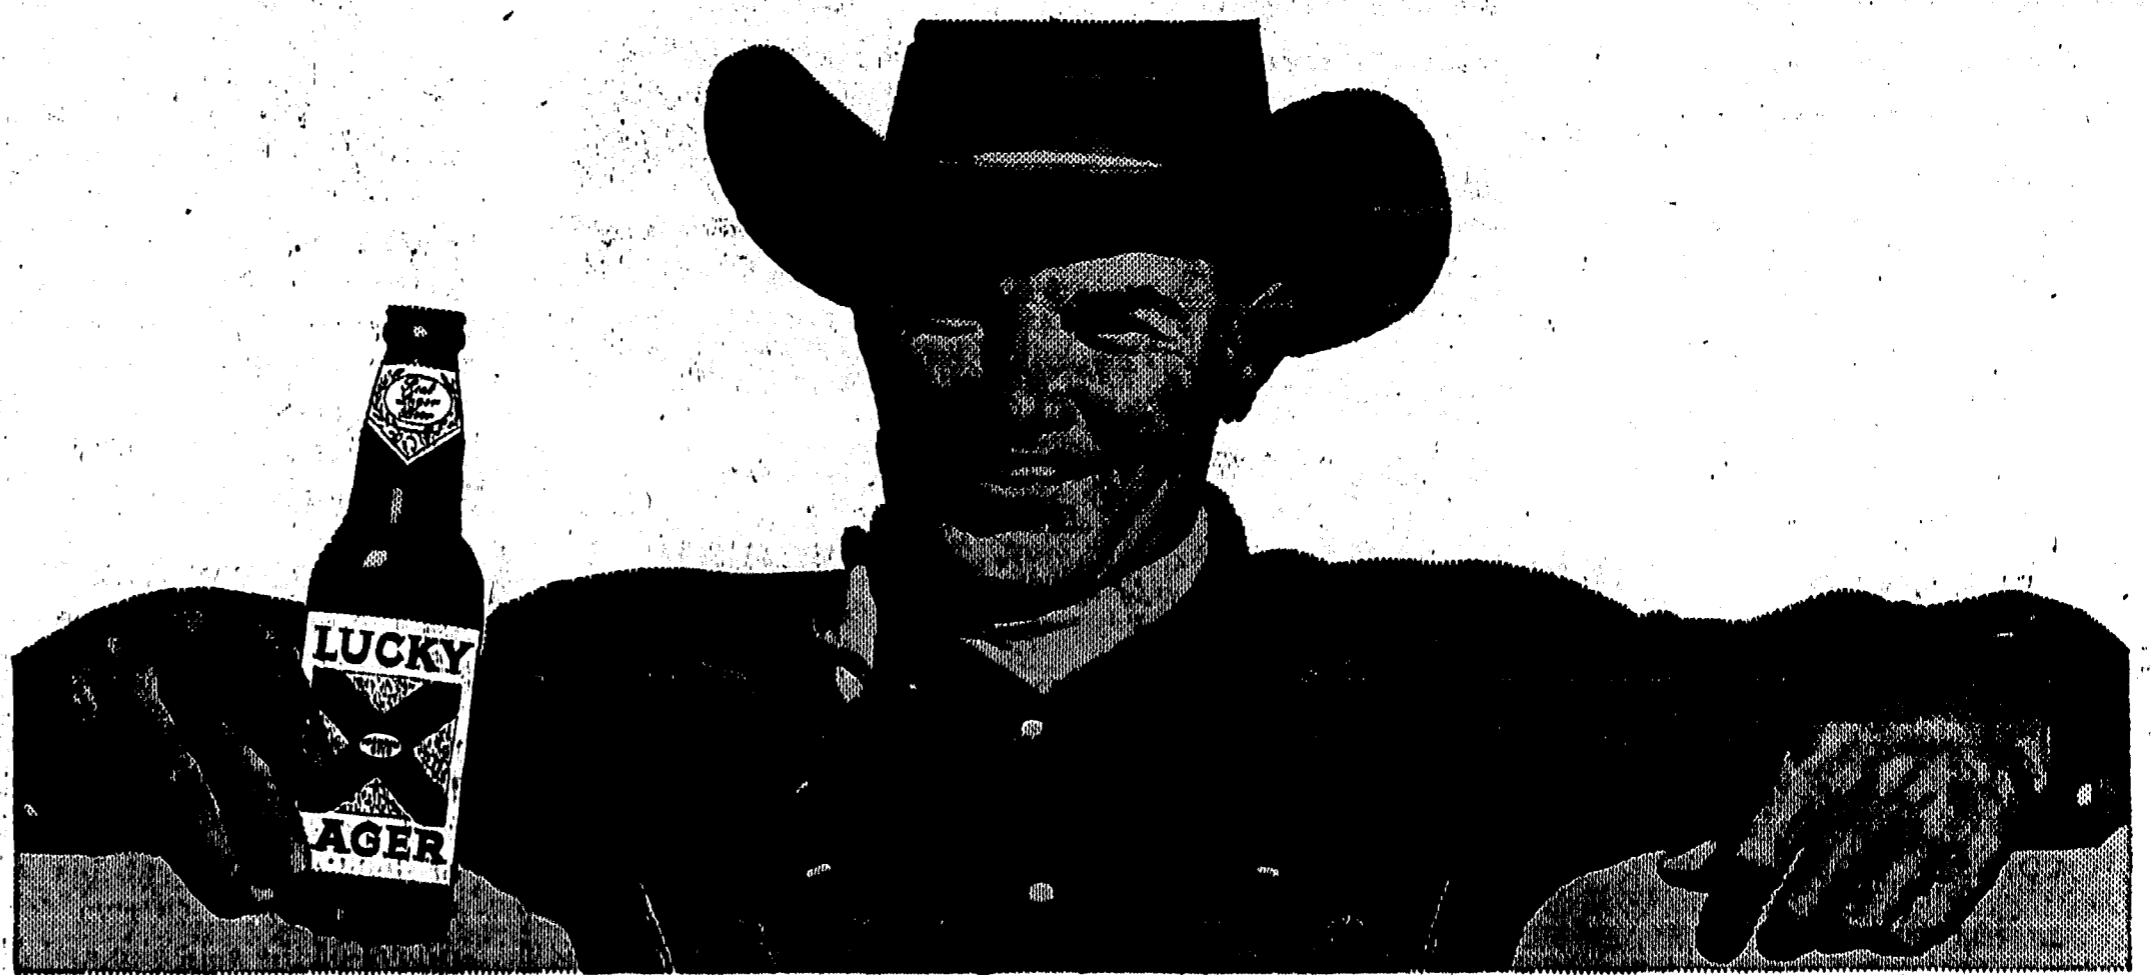

Best Decorated bicycle in Parade — 1. Kenny Ackles; 2. Grant Spelsburg.

Corporation of Summerland

The power will be off in West Summerland on Monday, September 17th, 1962 from 3:00 to 3:30 p.m.

Affecting all of the West Summerland Area.

G. M. Fell,
Acting Municipal Clerk.

Under the Giant's Head

Riding club member Ron Reinertson won third in Western Equitation at the Armstrong fair last week end. He was showing Bonnie Lou for Dr. Newby of Kelowna. Bonnie Lou came fourth in the Palamino Pleasure with Ron up. Total ribbons for the club this season is six, won by Ron Reinertson, C. W. Reinertson and Beverly Bye.

The badminton season starts Tuesday, October 2 in the badminton hall. President Mrs. Z. Cuthbert reports the group is anticipating another active year and invites all newcomers interested in the sport to attend the first evening. The junior season will be starting shortly.

Although it seems as if we had a cool wet summer, the research station reports that during the past few months we have about the same number of hours of sunshine as during an average year with only a shade more rain.

Word was received here recently of the death in Victoria of P. G. Koop, a pioneer resident of Summerland. Mr. Koop came from England to Summerland shortly after the First World War and purchased the T. J. Smith property. He moved to Victoria in 1938. He is survived by his widow who resides in Victoria.

First showing of Film Society

"The Sheep Has Five Legs" was the first film showing on Monday night of the newly organized Summerland Film Society. The film was presented in the elementary school auditorium to a capacity crowd. The Society's president, Mrs. Gordon Noel, welcomed the group to the initial showing.

The film starred one of France's top comedians, Ferandel, and was the story of a father and his five sons, unique in being the country's only quintuplets. The city fathers in the boys' home town organized a reunion for the five on their 40th birthday, with the incidental objective of giving the home town a little boost in the tourist trade.

The role of the father and all sons was played by the talented Ferandel who was in turn a window washer, a beauty salon operator, a grimy boat captain, a love lorn columnist and a priest. Each role was adeptly handled but some of the film was drastically cut, leaving the audience at loose ends in some circumstances.

The English subtitles were very well done, rather longer and funnier than in many of the European movies of today.

West Summerland, B.C.

Thursday, September 20, 1962 5c Per Copy

FALL RAINS are giving lawns a new spurt as Canadian gardeners do their annual reseeding and fall planting. Kelly Hills, a New Westminster, B.C., 17-year-old, wears hip-waders and shorts to be safe rain or shine as she tackles the backyard growth.

Fruit Fair reported successful venture

A meeting of the fall fruit fair committee was held last week to assess the recently concluded event. All considered it very successful and were sufficiently enthusiastic to recommend to the executive of the Chamber of Commerce that the fall fair committee be established as a standing committee so as to give it more permanence with continuous planning throughout the year.

The committee also feels very indebted to the scores of people who assisted in staging the fair. A community event of this nature cannot be successful without a great amount of help from various sources.

Fair committee chairman F. E.

Atkinson said: "It is interesting that here in Summerland we have such an abundance of enthusiasm for projects of this type. It is impossible to send personal 'thank you's' to all who helped but I hope that through the medium of the press all the individuals will feel that what they did was sincerely appreciated."

It is felt that with the experience that has been gained and the enthusiasm from a large number of people that the Summerland fall fair can be developed into an outstanding event for this district every year.

\$1500 fire at station

Fire caused an estimated \$1,500 damage to the lounging, pole barn at the research station, located north of the main barn.

Fire started in shavings in the loft and it is estimated that the aluminum roof and roof rafters will have to be replaced.

The fire was first reported at 4:50 Tuesday afternoon and the blaze was fought by the station's own fire brigade and the Summerland Volunteer Fire Brigade.

Animal science head Dr. J. E. Millmore paid special tribute to the Summerland brigade, which arrived at the scene of the blaze less than ten minutes after it was called.

No insurance is carried by the federal government.

New business moving into box factory

The Summerland Box Factory, which closed last spring, has been sold, and will now be used as a manufacturing plant for furniture. It was announced this week that the Georgian Bay Rustic Interiors Co. of Penticton will move to Summerland about the middle of October and commence operations in the former sawmill and box factory.

The furniture company will

be bringing its own equipment and employees from its Penticton plant but hope to employ additional local help in the near future.

Owner of Georgian Bay Rustic Interiors is Rob Horne of Penticton.

Mr. Eric Cunningham, manager of the firm, told the Review Tuesday that the firm is embarking on an expansion program and feels that the Sum-

merland location will prove ideal.

The furniture company moved to Penticton from North Vancouver this spring. They have four employees at present in Penticton, but feel that the operation could expand to 20 or more employees.

Although the bulk of their furniture sales are to motels and hotels, they have a retail outlet in Vancouver and are increasing their sales to individuals.

Mr. Cunningham said that they plan to clean up the buildings and will landscape the property.

The box making equipment and other machinery in the building has been sold to Ritchie Bros. Auctioneers of Kelowna who will be holding an auction in Summerland on Saturday, September 29 at 10:00 a.m. All the equipment, including the boiler and smoke stack will be offered for sale.

School board okays pupil dental program

At the School Board meeting on Thursday evening, a report was received from Dr. D. A. Clarke, Director of the South Okanagan Health Unit, on the operation of the Preventive Dental Clinic for the year 1961-62. It was noted the 50 Grade I pupils received dental treatment during the year with an average time of treatment being only two hours and twelve minutes. The only cost to the parent is a \$3.00 registration fee, the balance being paid by the School District and the Provincial Government.

The proposed program for 1962-63 involves the treatment of 70 pupils at an estimated total cost of \$1645.00. This, the school board approved, their proportion of this amount being well within budget allotment.

Notification was received from the Department that the Okanagan Valley teachers' Convention would be held at Penticton on October 12 and 13. The Board approved the closing of local schools on October 12 to

permit teacher attendance.

The Board made a contribution of \$1.00 per Grade XII student to the Penticton Junior College Group to help defray preliminary organization costs. The plan is that an equal amount will be solicited from the Municipality for the same purpose.

A request for Boarding Allowance for her child was received from Mrs. Norma Johnson who lives five miles beyond the bus stop in meadow Valley. This was approved by the Board for presentation to the Department.

The British Columbia Trustees' Association Convention will be held at Victoria on October 15, 16, and 17. K. L. Booth, Chairman, W. S. Ritchie and B. A. Tingley, Secretary-Treasurer, are planning to attend.

The Board approved the purchase of twenty-four lockers for the Secondary School, made necessary by the increase in enrollment of 54 over June, to a total of 597.

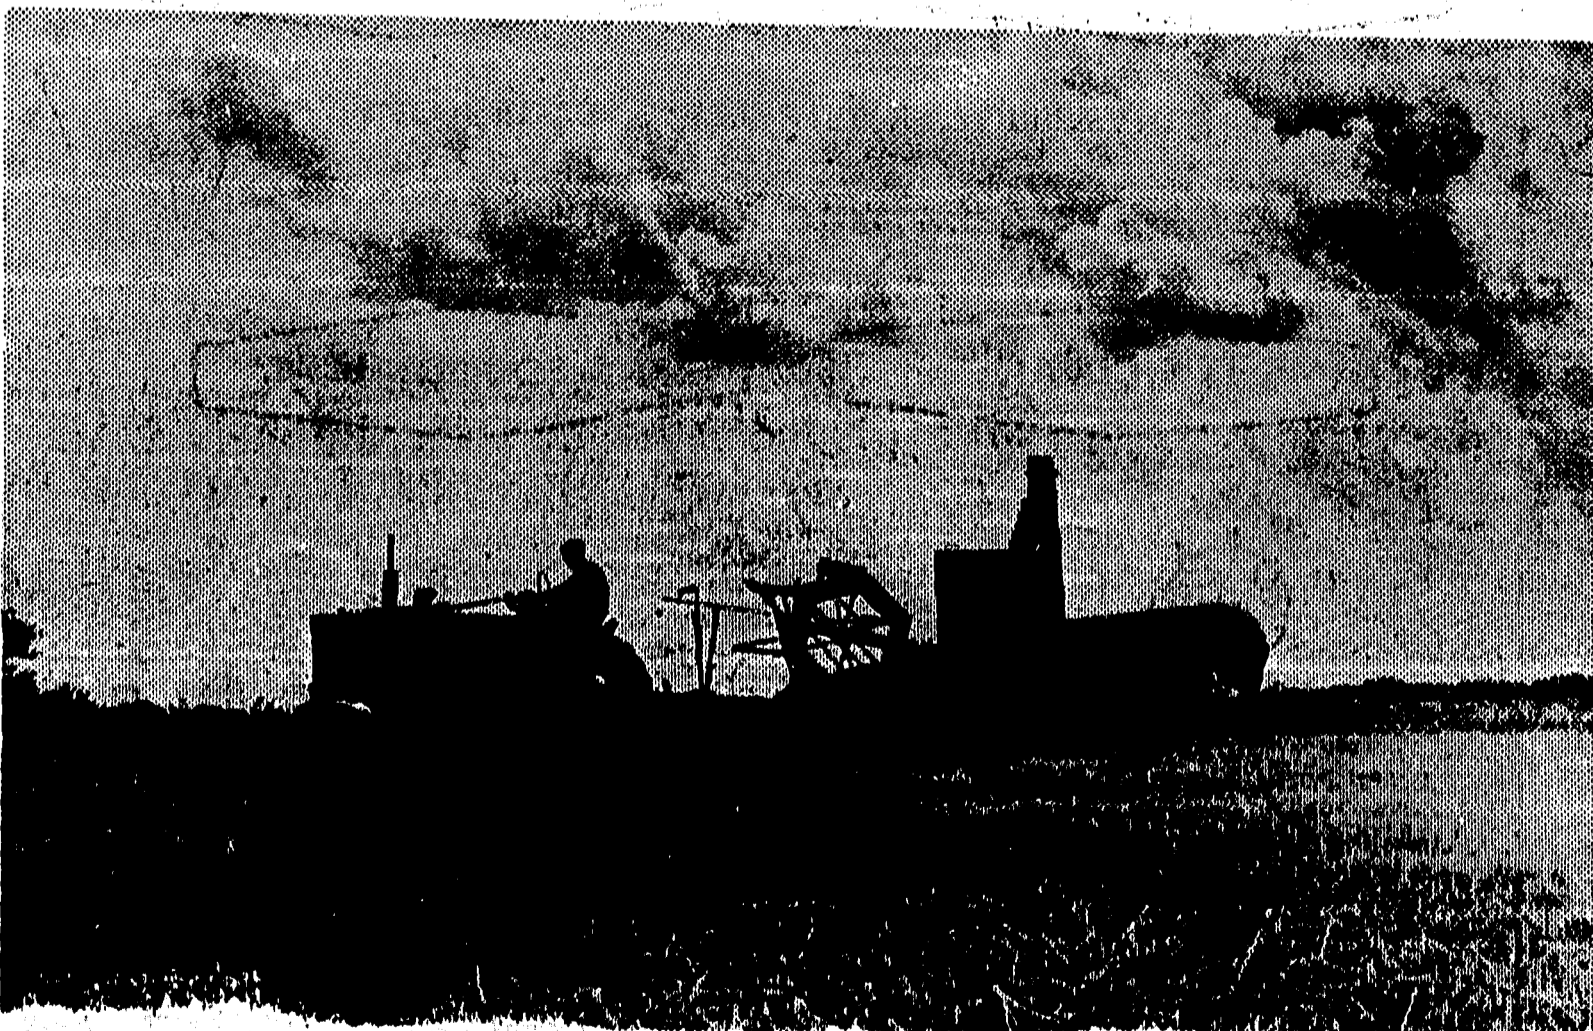

Attend UBCM convention

Attending the Union of B.C. Municipalities convention at Kamloops last week were Reeve Norman Holmes, Councillor W. S. Ritchie and municipal clerk G. D. Smith.

There were two attempts by Victoria delegates attending the convention to put through a resolution condemning "obscene literature". While some delegates agreed there might be some room for improvement in this field, it was stated that (a) this is not a municipal field, and therefore would be difficult to administer; (it was shown the Municipal Act has one clause covering the field but on too general terms); (b) that expensive legal procedure might entail establishing the exact meaning of "obscene literature"

Attempt by one municipality to obtain a ruling whereby special utility and similar concessions for old age pensioners would be possible also fell on the rocks. It was stated that making such a ruling municipally would "leave too wide a door for abuses", no matter how morally right the move was. It was generally agreed that every possible aid should be extended to pensioners, but that this was not the way to do it.

There was almost unanimous support for a resolution asking for amendments to both prov. Continued on back page

WEATHER WORRIES. This prairie farmer takes little time off as he harvests his wheat crop before the frost sets in. Last year, farmers in Alberta, Manitoba and Saskatchewan were hit by drought—this year their harvests are being delayed by heavy rains. If slow-ripening crops are not damaged by an early frost, a bumper crop of \$1 billion is expected.

Drivers must stop for school buses

Many car and truck drivers in B.C. are breaking the law without realizing it. The "offence" is failure to stop for school busses taking on or discharging children along the highways of the province. Most drivers who fail to stop

as required, do so because they are unaware of the regulation. It has received comparatively little publicity, either by direct publication or as a result of prosecution of offenders.

Section 142 of the Motor Vehicle Act requires that "the

driver of a vehicle, upon a highway outside of a business or residential district," shall stop when meeting or overtaking a school bus "which is receiving or discharging school children." The section states the car or truck driver shall stop "before reaching the school bus and shall not proceed until the

school bus resumes motion or until the driver of the school bus signals to other drivers that it is safe to proceed."

Stripped of its legal phraseology, the section means simply Don't pass a school bus which stops on a highway to load or unload passengers.

Pat Patterson, a versatile performer and writer in Canadian radio and television has been named permanent hostess of Trans-Canada Matinee, the women's program heard Monday to Friday afternoons, on the CBC network. Pat, who became known to listeners through her Sunday evening Dominion network show, Pat's Music Room, has worked on Trans-Canada Matinee since 1954, selecting and introducing much of the music used.

POLICE COURT

On September 8 about 12.15 noon, 3 cars were involved in a rear end collision that caused a total of \$2300 damage. A Kamloops driver, Mrs. Jeanette Hook was unable to stop in time and slammed into the rear of a vehicle driven by Mervin Rowe of North Surrey which had slowed at Five Corners. The Rowe vehicle then struck another car driven by Donaall Campbell of Penticton. The passengers were all shaken up, and one person received medical attention at the scene of the accident. Mrs. Hook has been charged with following too close behind another vehicle.

Who's the culprit

As has been well publicized elsewhere, Premier W. A. C. Bennett indicates he will increase the home owner grant to \$100, and eliminate the per capita grants that have been paid to municipalities for the past several years.

Naturally, the municipalities are viewing this with considerable consternation. For some of the larger centres this wiping out of the grant will put a serious crimp in development plans; for some of the smaller ones in the Okanagan and elsewhere it means little short of sheer disaster. A sudden increase of 12 to 13 mills in taxation, just to maintain municipal works and services at existing levels (this is an average suggested by some municipalities) would bring calamity.

Why is Victoria making this highly unpopular move at the present time. Reasons outlined at the recent UBCM convention in Kamloops, two main themes are behind the move. One is that municipal government by "handout" is not a sound basis and that some other channel for such financing must be found; the other, and principal reason is that B.C., like several other provincial governments, is being hit, and hit hard by a combination of the austerity program, and the new federal-provincial income tax arrangement.

As was pointed out by civic leaders attending the UBCM meet at Kamloops, British Columbia, as one of Canada's "rich" provinces — the others are Ontario and Alberta — will suffer a loss in income from the new arrangement. The former "rental" agreement operated well, but still did not provide a big enough return. It now appears that the new plan will reduce the return coming to B.C. by an estimated \$6,000,000 annually.

The austerity program having curtailed other sources of revenue, and also having slowed down expansion and development programs that would up returns in other spheres in B.C., the province finds it must "cut its losses" and it is therefore passing on part of the loss in income to the municipalities.

This then means that the local governments must insist that Ottawa, as the real root cause of the problem, make definite plans to aid the municipalities. The present may not be able to achieve this; but some government in the not too far future must do it.

Avenues of aid suggested are multiple. The federal government could make available "cheap" money — as was done during the depression years — over long terms, to aid civic development, utility and construction programs. It could — despite statements to the contrary, aid in the costs of education, which today is a national rather than a provincial matter. Grants in aid for education, made to the provinces, and administered by existing avenues would present no conflict of purpose or authority.

Similarly, the federal authorities could continue in the road building field. With the completion of the first trans-Canada highway, Ottawa could conceivably aid in building a second one, utilizing mainly existing routes as is done in the USA and elsewhere.

No doubt, in the coming months there will be considerable disgruntlement and disagreement with the action now contemplated by Victoria. But in all this grumbling it might be well to remember just who the real culprit is — and to make sure Ottawa knows we know it.

What are you lifting up?

by Rev. P. K. Louie

In these days of guided missiles and satellites, a good deal of fresh study is being given magnetism, that invisible, powerful drawing force that "pulls" all things together. We could not exist here for one second without magnetism in its many and varied forms. There is the magnetism of the sun pulling on us with terrific strength, the magnetism of the moon pulling in the tides twice a day, lifting them up in some spots, sixty feet. Magnetism is everywhere, and there is nowhere where it is not.

Up in the realm of mind and spirit we still have magnetism. There is the magnetism of ideas, virtues and values. Men are sometimes drawn to them, respond to them, feel the pull of them, spend their lives revolving around them. Here in our time we have seen terrible ideas become magnetic, lay hold on the minds of millions, fascinate them, thrill them, become the center around which their fierce loyalty resolve. Ideas whether they are bad or wrong have "attractive" power in them.

A second fact is the universal tendency to be drawn to the thing that is lifted up. Popularize anything and you magnetize it. If you say a thing often enough, loud enough, lift it up long enough by continued suggestion and emotional stimulation, even though it is morally wrong and harmful, will sink in, and get results among the gullible. By a thousand indirect and subtle stimulations the harmless delights of drinking, "the man of extinction", moral infractions, violence and crime are made to look exciting and glamorized by the process of repeated suggestion. You cannot lift up an idea without making it attractive, giving pulling power to draw.

What are we lifting up? That is a right important question to ask ourselves in our conflict of values.

In our community and in our homes, what are we exalting, popularizing, lifting up? That — whatever it is, good or bad, will draw our generation and the next generation into it.

Long ago Socrates pointed out that it is not what youth is verbally taught concerning virtue that youth recognizes to be virtue, but what youth hears applauded in the market place and the assembly. How true this is even today. What a youth hears applauded or condoned on the main street, the

commercial center and the governing body — that to him is virtue and the criterion of moral values.

In the light of this we can see how tremendously important it is for us to discern what is good for the welfare of the whole community. Ours is the task and responsibility of lifting up against the strong pull of the world, the counteracting, civilizing, Christianizing forces. And we are not as helpless in the matter as we sometimes imagine. We often underestimate the attractive power of the moral values we hold. We sometimes complain about the pull of the world and deplore the fact that youth imitates their elders, walk in the paths of their parents. But that really is not our despair. That is our hope, our chance and it makes very clear our task and duty.

For one thing, against the pull of the world, against the desire for private gain at the expense of moral values and human personality, we can lift up the drawing of great traditions that are conducive to clean living, growth in personality and wisdom and progress toward truth. They have real magnetism. The dictionary defines tradition as a custom continued so long that it has almost the force of a law. That is, it is not a written law to coerce us but an inner law to hold us, a law within to which we give our loyalty and support.

Then too, we can lift up against the pull of the world the attractive power of good taste. Over against the vulgar, degenerated standards of the world's life, we can set the picture of wholesome, clean enduring values which make life beautiful and rich. Never underestimate in children the attractive power of good taste. They will be drawn to that if we will only lift it up.

One of the finest heritage the home and the community can bestow upon a child is the heritage of good taste; that inner quality that discriminates, that knows the difference. If you build that in him, you can trust him on his own. He will see

false values exalted but he won't fall for them. He will spurn them because through you he has come to know the difference.

Are you trying to do these things all alone in your home or in the community? There is a stronger power there, and a mightier magnetism than any word of ours — for the One who said: "I am the way, the truth and the life" also said: "And I, if I be lifted up will draw all men unto me." You can count on that.

WI planning for tea and bake sale October 20

The first fall meeting of the Summerland Women's Institute was held Friday, September 14 at the IOOF Hall with 31 members present.

Guest speaker was Mrs. J. F. Evans of Evan's Hobby Shop in Penticton. Mrs. Evans demonstrated the making of flower centerpieces and corsages. This proved very interesting to those present and Mrs. Evans pleas-

ing personality and deft fingers made the demonstration most enjoyable. Mrs. John Gray thanked the speaker for coming and expressed the wish that she would return in the future.

During the business meeting a review of the summer's activities was given. The International Picnic at Conconully Park, near Omak, Wash. on July 17 was attended by 10 members from

Summerland. Seven coffee parties were held during the summer and were a popular and easy way to raise funds.

Helping at the fruit fair was also reported. The tea garden and pie contest were considered successful but there were few entries in the fancy work section. It was decided to notify the Chamber of Commerce that the Institute was not interested in providing the tea garden next year but would be glad to carry on with the pie contest, canned fruit and fancy work.

Letters of thanks from the Solarium for used postage stamps were read by the secretary, Mrs. L. W. Rumball. Stamps are brought to each meeting and sent to the Solarium by Miss Ruth Dale.

The annual fall sale and tea will be held in the IOOF Hall on Saturday, Oct. 20 beginning at 2 o'clock. The conveners and their booths are: Mrs. Joe McLachlan, good used clothing; Mrs. John Gray, home baking; Mrs. E. C. Bingham, vegetables; flowers and fruit; Mrs. Vera Barrs, opportunity; Mrs. E. O. Mortimer, fancy work and gift articles; and Mrs. Hans Moors, tea.

Members are asked to bring the dressed dolls and any other articles for the gift booth to the next meeting, also the cardigans for the Unitarian Service Committee.

The next meeting will be Oct 12 at the Parish Hall.

Card of Thanks

I wish to thank the Drs. Evans and MacInnes, the nurses and staff of the Summerland Hospital and all my friends who sent cards, flowers and visited me during my recent illness.

Mrs. Carl Deitrich.

Double ring ceremony in United Church

A pretty off-white suit was chosen by Ann Valerie Fox for marriage to Robert Kenneth Killick of Summerland. Principals are the daughter of Mr. and Mrs. G. Fox of Penticton and the son of Mr. and Mrs. R. G. Killick of West Summerland. The double ring ceremony was held at 2 p.m. September 15 in the Summerland United Church with Rev. P. K. Louie officiating.

The bride was given in marriage by her father. Attending her was Miss Evelyn Cook who was dressed in a suit of soft

green. The groom's brother, Clifton Killick acted as best man and Jack Creighton was usher.

Following the ceremony, 25 guests were received at the home of the groom's parents, which was attractively decorated for the occasion. The bridal table was centered with a lovely bouquet of dahlias.

Following the reception the couple left on a motor trip to Calgary where they will make their home.

Local girl wed in coast ceremony

A wedding of interest locally was solemnized at the Frazer-view United Church, Vancouver on Saturday, September 8, at 8:00 p.m. when Frances Noreen Bennison became the bride of Andrew Meggitt of Victoria.

The bride is the daughter of Mr. and Mrs. Frank Bennison, West Summerland and the groom is the son of Mr. and Mrs. Anton Stanker of Brooks, Alberta. Rev. H. Parker officiated.

The bride, given in marriage by her father, wore a white Peau De Soie gown featuring a bell skirt and a small Chantilly lace jacket, a rhinestone tiara held a chapel veil in place. A bouquet of red roses completed her wedding ensemble.

Her bridesmaid, Miss Bonnie Birrell of Vancouver chose an attractive blue nylon gown accented with pick carnations.

Best man was E. Cornelison of Victoria, and Garry Bennison, brother of the bride, was usher.

Following the ceremony the bridal party received the guests at the home of Mr. and Mrs. Don Grice of New Westminster.

The bride's mother received wearing a blue figured tie silk suit with matching velvet and satin hat. The mother of the groom was attired in a brown and green ensemble.

For her going away outfit the bride chose a turquoise blue outfit accented by a white orchid corsage.

The newlyweds will live in Victoria where the groom is stationed with the RCN.

2 members honored

Two members of the Trout Creek Community Church of God Youth Group were honored September 2 at a farewell gathering held in the recreation room of the church.

Gifts were presented to Miss Mary Popow and David Davis, who are both attending UBC this fall.

Refreshments were served, after an evening enjoyed by 19 members of the Youth Group.

Mr and Mrs Eric Tait, Mrs. M. L. Laidlaw and Mr Magnus Tait were among those from Summerland attending the Armstrong Fair

SUMMERLAND REVIEW

Comings and Goings

Mr. and Mrs. Leo Heyworth have had as recent visitors Mr and Mrs G. R. Heyworth of Vancouver; Mr and Mrs. C. Smith of Scotland and Vancouver and Mr and Mrs W. S. Hudson of Ocean Park.

Born at Edmonton to Mr. and Mrs. Niel Watson (Vera Miller) twin daughters, weighing 4 lb. 8 oz and 4 lb. 10 oz., on Wednesday, September 19. Vera is the daughter of Mr and Mrs. Lloyd Miller, Trout Creek.

Mr and Mrs A. C. Logan have returned from a month's visit to Brandon, Manitoba and different points in Saskatchewan.

Dr and Mrs H. R. McLarty have had as guests Mr. and Mrs Murray McConnell, Altadena, California, and Mr. and Mrs. J. Kilgore, Los Angeles

W. F. Ward once again won the Dr. Palmer Trophy for the best show of tree fruits at the Armstrong Interior Exhibition.

With his show of fruit, the veteran exhibitor won 15 firsts, (including the best boxed fruit) and 11 seconds.

F. R. Ganzeveld also showed up well in the clean sweep the Summerland growers made of the prize money. He took nine firsts and six seconds.

Mrs. E. C. Bingham won 7 firsts and 9 seconds and Jake Ganzeveld six firsts and two seconds.

Trail Riders enjoy outing

The Summerland Trail Riders made good use of the lovely weather last Sunday by having a trail ride. They began at C. Reinertson's with six riders, and took the trail over Conkle Mountain to the old golf course picking up more club members along the way.

They were met at the old golf course by Carol Jensen and a spaghetti feed with coffee. The total number of riders was 14. The club welcomes Judy Steele as a new member.

Visitors were Mrs. Mel Hyde, Bob Chalmers and Nancy Fudge.

Re union for Shower

A reunion of Mrs. Bouey's homeroom class of 1961 was held September 11 at the home of Miss Vicki McKee, Parkdale. The reunion took the form of a surprise shower for a former classmate, Miss Carol Williams, whose marriage to Mr. Gary Matkovich took place Saturday, September 15. The guest of honor was seated in a decorated chair and presented with a corsage and many lovely gifts.

Games were played and refreshments were served to round out the evening.

All of Carol's former classmates were present in addition to the bride's mother, Mrs. K. Williams; the groom's mother, Mrs. W. Matkovich; and the hostess' mother, Mrs. H. R. McKee.

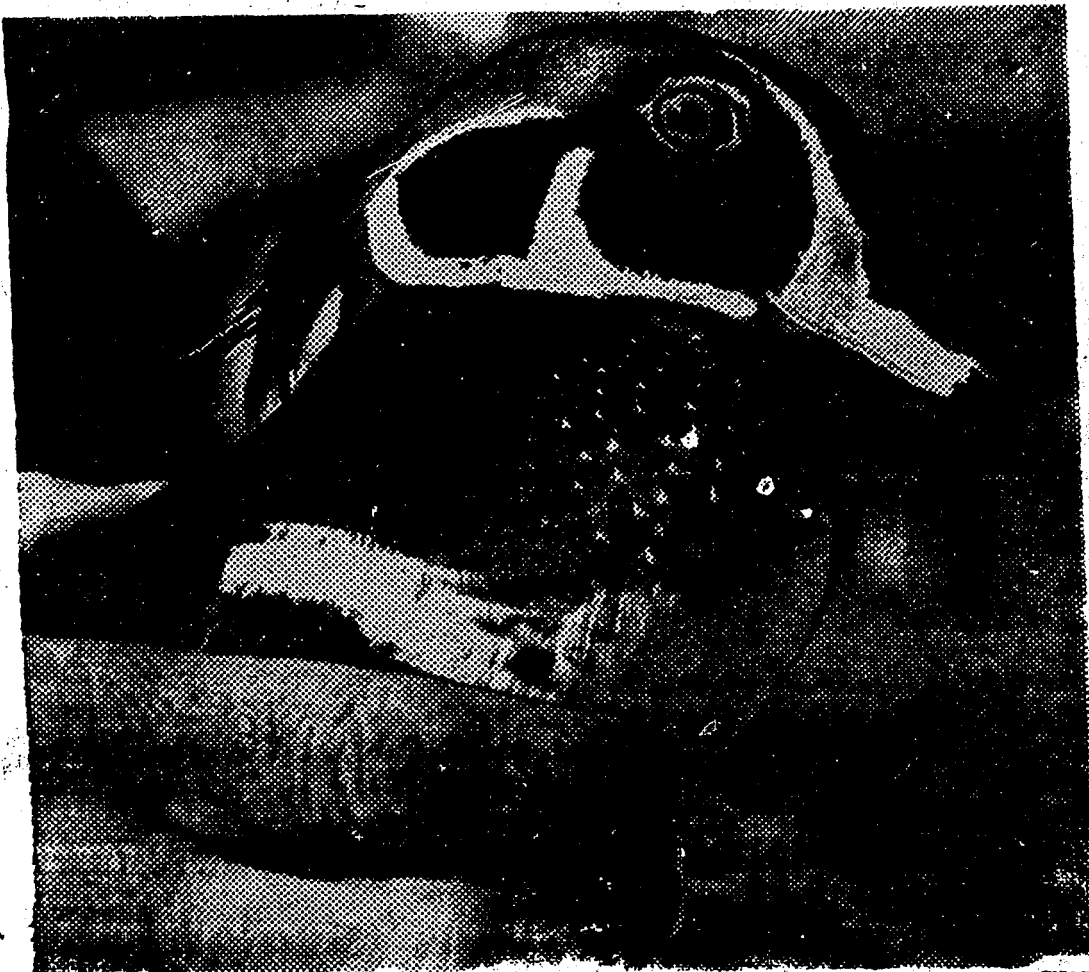

Unable to attend but sending gifts were Mrs. A. Bouey and Mrs. A. Boulbee.

Mr and Mrs R. D. White announce the arrival by adoption of a son, Donald Sidney, a brother for Joyce and Janet

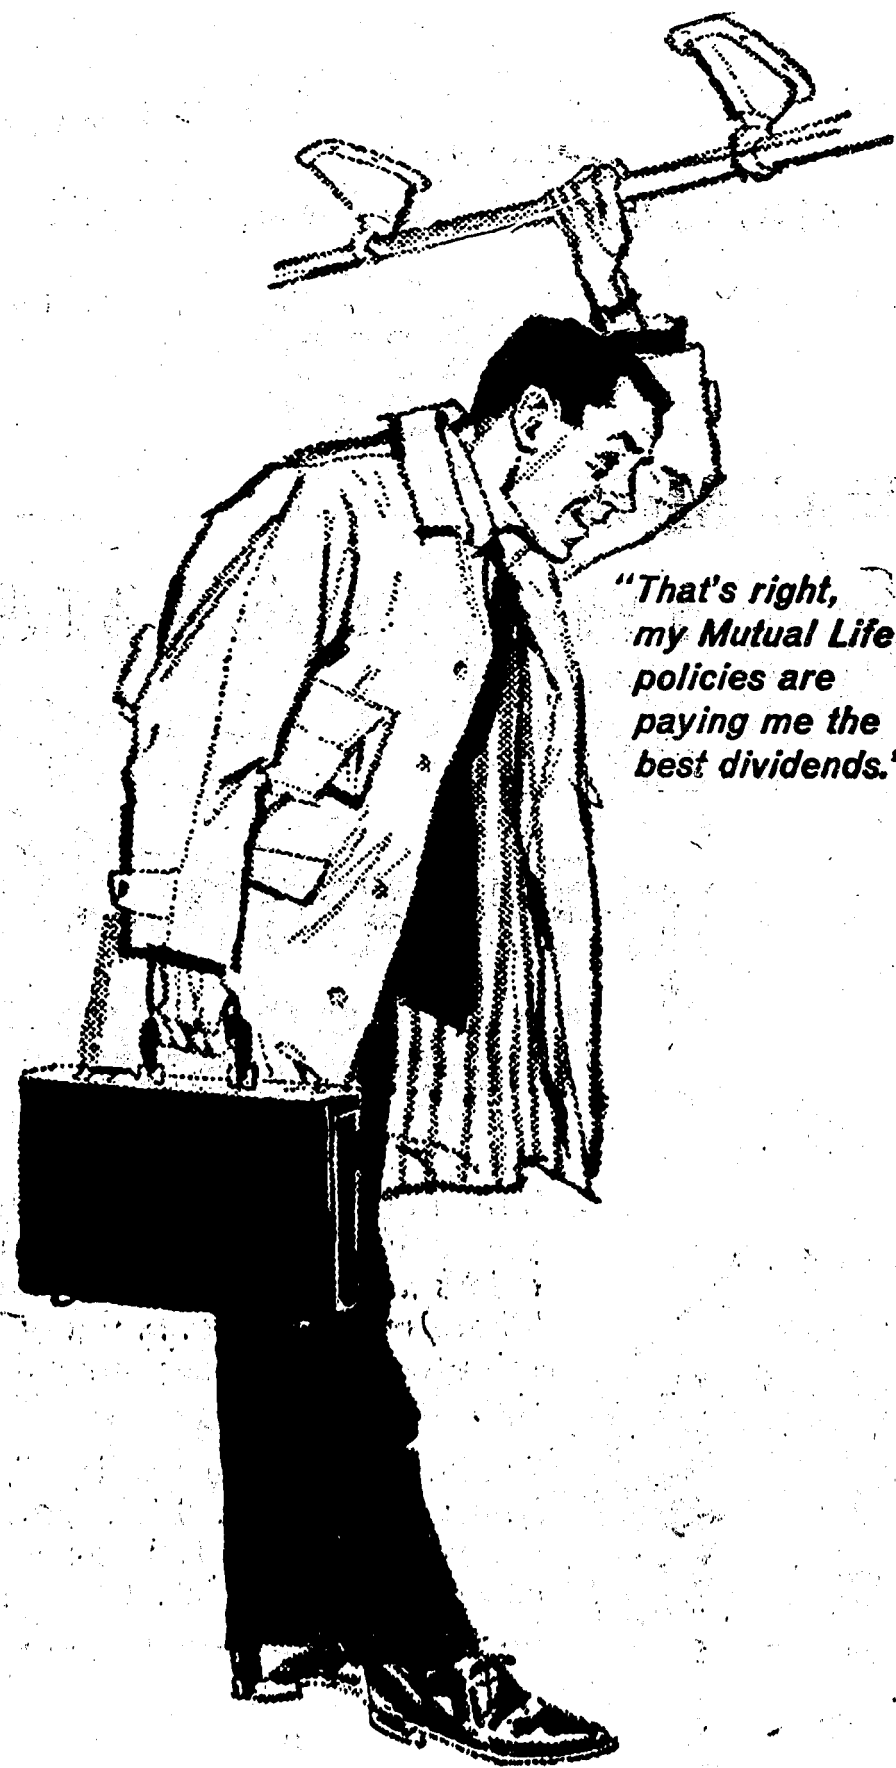

Mrs L. W. Rumball and Mrs G. Inglis were in Armstrong last week where they served as judges in the needlework, hobby and 4H sections of the fair.

Mrs F. E. Atkinson leaves on Friday for Trail where she will attend the meeting of the Rebekah West Kootenay District Association No. 5, IOOF to be held in that city on Saturday.

Mrs. Atkinson, past president of the Rebekah Assembly of B.C. is supervisor of the West Kootenay district. She will be returning on Sunday.

BIRD IN THE HAND. Hunters may easily recognize this as a Wood Duck, but could they recognize one in the air? This year, duck hunters are being warned to be sure before they shoot. Wild life agencies will crack down on hunters who shoot protected birds **EVEN BY MISTAKE**—especially the Redhead and the Canvasback, both facing extinction.

Concert Assoc. announces season

The South Okanagan Community Concert Association has now completed final arrangement of the dates on which concerts will be heard during the 1962-63 season. The concert series will be launched with the presentation on Saturday, September 24, of Oriental dancers Sujata and Asoka, performing dances of India, Tibet and Japan.

The previously announced presentation of Puccini's opera "La Boheme" by the Canadian Opera Company will be the second of the series on Wednesday, December 12.

After the New Year. Dorick Yarick, soprano of the New York Opera Company appears on Thursday, February 21, while the final concert will present pianist Theodore Lettvin on Monday, March 25.

All performances will be in the Penticton High School Auditorium. Concert time is 8:15 p.m.

Newcomers to the district who have arrived since the end of the membership campaign in May may still obtain membership for the coming season at Harris Music Shop, Penticton.

Work is presently going ahead on membership cards and Miss Jean Norris, secretary, reports that all cards will be mailed within a few weeks.

PROTECTION ACT, B.S.C. 1952, CHAPTER 193

THE CORPORATION OF THE CITY OF PENTICTON HEREBY GIVES NOTICE that it has, under Section 7 of the said Act, deposited with the Minister of Public Works at Ottawa, Ontario and in the office of the District Registrar of the Land Registry District of Yale, at Kamloops, British Columbia a description of the site and the plans of an earth fill and breakwater proposed to be built in Okanagan Lake at Penticton, British Columbia in foreshore leases Lots 216S and 3965S, Similkameen Division Yale District, near the foot of Front Street.

AND TAKE NOTICE that after the expiration of one month from the date of the first publication of this notice, The Corporation of the City of Penticton will, under Section 7 of the said Act, apply to the Minister of Public Works at his office in the City of Ottawa for approval of the said site and plans. DATED at Penticton, B.C. this 27th day of August, 1962.

H. G. ANDREW,
 City Clerk,
 The Corporation of the City of Penticton,
 Penticton, B.C.

Kiwanis Club Notes

Only 27 members attended the Tuesday night meeting. Those who were absent missed an excellent dinner.

President Toevs stressed the importance of attendance. A turnout smaller than the dinner guarantee of 34 means a loss to the club.

George Henry started a lively discussion about the progress of the Prairie Valley school children's bus shelter. Did he gain his point? Nobody knows.

Key club meetings for the fall will be held in school room No. 15, starting at 12 noon.

Lt. Gov. Doug Campbell brought up the matter of arranging a nominating commit-

tee for 1963 election of officers.

President Toevs organized another visit to Oliver last night to render them further assistance in getting away to a good start.

A letter was read from Mrs. Jack Towgood, secretary of the Summerland Red Cross, lauding the club for its assistance in the past, particularly emphasizing the valuable services of the Red Cross chairman, the late Nick Solly. The club was asked to carry on, and as a result Jack Towgood volunteered to carry out the balance of Nick's 1962 year.

Rev. Norman Tannar gave a highly entertaining and at the same time a thought provoking talk which was very sincerely appreciated by all present.

— The Recorder.

CONVENTION

incial and federal laws — such as the Lord's Day Act — to permit paid-admission Sunday sports. Some Vancouver and Victoria aldermen opposed this on moral grounds, but were overwhelmed by the other delegates.

The Okanagan resolution regarding continued municipal operation of power utilities, in

the event the B.C. Hydro takes over the West Kootenay (or other power firms) was adopted. This resolution emanated from Penticton but had full support from Summerland and Kelowna.

INCREASE DIVIDENDS

A substantial increase in dividends to be distributed to policyholders in 1963 has been announced by E. A. Rieder, president, The Mutual Life Assurance Company of Canada. The dividends to be paid to ordinary policyholders in 1963 will total \$15,150,000, an increase of \$1,250,000 over the amount paid in 1962. Since the company confines its operations

to Canada, it will be Canadians who benefit from this increased dividend distribution.

In addition, the interest rate paid on accumulating dividends and other amounts on deposit with the company will be increased to 4¾%.

Mr. Rieder stated that the increases have been made possible primarily through a continuation of the favourable trend in the company's surplus earnings.

FOR TOP CROP YIELDS AND HIGHER PROFITS

... check the table below for the Elephant Brand fertilizers recommended for your crops. Then, for a more detailed recommendation discuss your fertilizer program with your Elephant Brand dealer.

| CROPS | RECOMMENDED ELEPHANT BRAND FERTILIZERS FOR THIS AREA | |
|-------------|--|---------------------|
| CEREALS | 11-48-0 | Nitraprills |
| FORAGE | 16-20-0 | Nitraprills |
| ROW CROPS | 13-16-10 | 16-20-0 Nitraprills |
| SMALL FRUIT | 13-16-10 | Nitraprills |
| TREE FRUIT | Nitraprills | Ammonium Sulphate |

CHOOSE ELEPHANT BRAND FERTILIZERS AND GET THESE PLUS VALUES

- Uniform Size
- Free-flowing
- Pelletized
- All-fertilizers highly water soluble

"LIQUOR-CONTROL PLEBISCITES ACT"

Proclamation of Returning Officer

PROVINCE OF BRITISH COLUMBIA

In Licensing Area No. 114, as designated under the
"Government Liquor Act, 1953"

TO WIT:

PUBLIC NOTICE is hereby given to the electors in Licensing Area No. 114 comprising The Corporation of the District of Summerland that I have received Her Majesty's Writ to me directed, and bearing date the 14th day of September, 1962, commanding me to cause the following question(s), namely:—

A. Are you in favour of the sale of beer, ale, and stout only under a public-house license for consumption on licensed premises?

(NOTE.—A public house licence will be similar to the present beer parlor licence.)

B. Are you in favour of the sale of beer, ale, stout, and wine only under a dining-room licence for consumption with meals on licensed premises?

(NOTE.—Dining room licences will be granted to hotels, restaurants, clubs, railway cars, steamships and resorts.)

C. Are you in favour of the sale of liquor under a dining-lounge licence for consumption with meals on licensed premises?

(NOTE.—Dining lounge licences will be issued principally to what are commonly known as cabarets, and to clubs.)

D. Are you in favour of the sale of liquor under a lounge licence for consumption on licensed premises?

(NOTE.—Lounge licences will be issued to cocktail bars. They will be granted only to clubs, hotels, resorts, railway cars and steamships.)

to be submitted according to the "Liquor-control Plebiscites Act" to the said electors in the licensing area aforesaid; and, further, that in obedience to the said Writ a poll shall be opened at 8 o'clock in the forenoon and shall be closed at 8 o'clock in the afternoon on the 1st day of October for taking and receiving the votes of the said electors aforesaid at the respective places in the said licensing area as follows:—

POLLING-PLACES
