During the past couple of weeks, you probably received a copy of the baseball association's new telephone directory in the mail. But if you didn't receive one, or would like an extra one, a few copies are still available at the Review office.

A telegram has been received by Mr. and Mrs. Walter Smith from their son Hubert, who resides in Amherst, N.S. informing them their grandson, Thornton, his wife and two small children, had perished in a fire recently.

There were 23 rinks in the ed Sunday night. Winner of open mixed bonspiel that end the A event was the rink of S. Sakal, H. Hackman, B. Eden and G. Smith. Winner of B event was the rink comprising D. Skinner, P. Eden, H. Eden and A. McIntosh.

The regular draw started on Monday with 22 rinks in play. Saturday night is being organized to start another series. If you are interested contact A. McIntosh.

Senior curlers are now organized and play two afternoons weekly.

Rev. Norman V. Hovland of Penticton will be guest speaker at the services in the Baptist Church next Sunday when he commences a series of meetings.

On Monday there will be a meeting for men, on Tuesday the meeting is for young people. On Wednesday evening Mr. Hovland will speak on "The Calling of the Cross".

The Women's Mission Circle on Thursday evening and the Couples' Club meeting Friday will also be addressed by Mr. Hovland.

## Tenants move into new building

Final touches are now being added to the new Schaeffer Building at the eastern end of Granville Road, and already some of the occupants have moved in. Others who will occupy premises in this new business block will move in before the end of the present month.

The large office suite at the rear of this attractive stone-fronted building is occupied by Dr. W. G. Evans and Dr. V. J. Guttormsson. Dr. Evans formerly occupied a suite at the Medical Health building; Dr. Guttormsson formerly practiced in California before coming to Summerland.

Ken Steuart, chartered accountant, will occupy the next office suite. He formerly had an office on Sooth, Victoria Road. The Pentecostal Assembly office, headed by Rev. C. W. Lynn, now in an office on Sooth Victoria Road, will move to the office adjacent to that taken by Mr. Steuart.

At the front of the building will be the suite occupied by Nu Art Hair Fashion, operated by Miss Edna Dyck. She expects to be in the new quarters by Tuesday of next week. The staff at the Nu Art includes, in addition to its proprietress, Miss Doris Dyck and Miss Maureen Clifford.

## PROVINCIAL PRESIDENT VISITS EAGLES AUXILIARY

Proceeding the regular meeting of the Auxiliary to the Fraternal Order of Eagles, a dinner was held last Wednesday at the home of Mrs. Lois Bolton. The function was in honor of Mrs. Peggy Farren, provincial president of the order, who was making her official visit to the group.

The ladies and members of the Eagles held a Halloween party on October 26 which was well attended. The ladies group reports their bazaar and tea, held Saturday afternoon was very successful.

## LUCKY NUMBER PAPER STARTS AGAIN

This week we are starting the lucky paper contest we ran so successfully a few years ago. Somewhere in each paper, in an ad, is a number, but only one paper has the lucky number, which this week is 751. If your paper has the number 751, bring it to our office, answer a question about Summerland, and you win \$2.

# Referendum will be held, Trout Creek ratepayers told

New president of B.C. Weekly Newspaper Association, Fred Cruice of the Coast News at Gibsons, succeeds Will Dobson of Cowichan Leader at Duncan.

## Must show vehicle weight

Vehicle licences are charged in accordance with the weight carried, hence the gross vehicle weight must be clearly marked on all trucks.

One Summerland resident found lack of such a sign a costly matter this week. The minimum fine for the omission, \$50 and costs was levied on Nona Marie Barson on Tuesday, on a plea of guilty.

RCMP officers point out that it takes only a few minutes and a little paint to letter in the gross vehicle weight on trucks. Such lettering must be in a permanent media, and of sufficient size to be clearly distinguishable at a distance.

Also in court this week were Jane Stevens of Kelowna, fined \$15 and costs for following another vehicle too closely; John Bielak of Baleden, fined \$10 and costs for failure to stop at a stop sign; and Keith Andrew Davis, for failure to yield the right of way, who paid \$10 and costs.

Two juveniles, apprehended on charges of breaking and entering and theft at a house in Trout Creek were found guilty. One was sent to the Brannan Lake school, the

## TEACHERS ATTEND

The Board of School Trustees of School District No. 77 has arranged for the elementary schools to be closed on Tuesday, November 12 in order that the elementary teachers of this district can take part in a workshop on elementary arithmetic, being held in O'Connell School in Penticton. Over 230 teachers from the Okanagan are expected to attend. Local arrangements are being made by the district superintendent of schools, E. A. Matheson, and by E. F. Weeks, acting on behalf of the Summerland Teachers' Association.

The workshop will deal with the teaching of arithmetic concepts that are contained in the new courses recently introduced in British Columbia schools. Most school districts in the province will participate in similar workshops. The Department of Education and the British Columbia Teachers' Federation regard this series of work, as another phase of the extensive in-service education program in mathematics

Need for providing Summerland with a completely integrated water supply system was outlined to Trout Creek ratepayers at a special meeting with council Monday night. Reeve Norman Holmes, and water chairman Councillor W. B. Powell were key speakers, and endeavored to indicate to the Trout Creek residents both what is planned in the use of the \$20,000 surplus, and what will be the eventual over-all plan for the community.

Crux of the Trout Creek problem is to eliminate, as far as possible, use of irrigation supply for their domestic installation. To accomplish this, the reeve said, will require a new pipeline to the reservoir, that will cost approximately \$225,000. This line would benefit both West Summerland and Trout Creek.

While complete elimination of the irrigation supply will not be possible at the present time, use of the \$20,000 will cut the irrigation-use time from four months to two months each year. This arrangement will only be possible through use of the new Peach Valley domestic line, now under construction, which will give the needed volume required for the augmented Trout Creek supply at the time when it is urgently needed — in the spring and summer.

The \$20,000 surplus left over from the construction of the Trout Creek domestic supply system, saved through use of winter works and other plans. It will be required during 1964 to complete a link from the Peach Valley line to the Trout Creek tank. Consent of the ratepayers to diversion of this fund is essential.

In regard to other uses of the surplus it was pointed out that under the municipal act, the money could be used to redeem debentures issued under the original bylaw.

Reeve Holmes also answered another query regarding possibility of spending the money within the scope of the original bylaw. He said this would not be within the area provided, although it would be for the benefit of the Trout Creek system.

He stated that the number of users on the system had increased from the original 120 to 158 at the present time. He forecast a drop in the extra mill rate paid by Trout Creek residents, from four to three mills in the new year by reason of the increase.

Should the present trend continue and the increase grow larger, it is quite conceivable that, within a few years, the extra mill rate levy would be dropped, and the bylaw paid entirely out of revenue from the system.

Date for the referendum has not yet been decided, but it will either be at the December civic election or early in the new year.

## New Courses Offered at School

A new course on power mechanics is now being offered at the secondary school as an option for pupils in grades 9 and 10. The course is under Ray Brown.

Ten second-hand engines have already been obtained, and more are being sought. In particular, the school has been anxious to obtain a single cylinder engine so that workings of this machine may be studied at close hand.

Another new course this term is that in agriculture, another subject deemed of particularly practical value in this area. This course is under I. McCuaig and Mr. Brown. Students in this class have already been on several field trips during which they were able to see items in actual operation they had studied in theory in class.

A Royal Canadian Legion award for the best essay on Remembrance Day will be presented at a special general assembly on Friday. Legion members will be in attendance. Rev. Norman Tannar will speak on the meaning of the occasion

# REMEMBRANCE DAY

Remembrance Day will be fully honored in Summerland on Monday not only by veterans of both world wars, but also by the general public as well. On Monday morning Scouts, Guides and Cubs will gather

with members of Branch 22, Royal Canadian Legion and its Auxiliary at the MacDonald school grounds. This will be at 10:20 a.m., when they will march to the cenotaph at the park under parade marshals

Steve Dundon. Legion members are requested to wear medals and berets. Services at the cenotaph, conducted by Summerland ministers of Summerland, will start at 10:40 a.m. On Monday evening the an-

nual Remembrance Day banquet will be held in the Rosedale Room commencing at 6:30 p.m. Speaker at this function will be James Roe of Penticton. The dinner and social evening that follows is open

to all veterans, auxiliary members and partners. Poppy Day will be Saturday when Scouts, Cubs and Guides will sell poppies in a house to house campaign, while Legion Auxiliary members will be selling the emblems in the

business district. Reeve Norman Holmes has declared the current week, November 3 to 9 as Remembrance Week in Summerland, commending the work of the Legion in the community and the nation.

### BOWLING HI-LITES

After two weeks of play the Split Levels have captured first place in A League with seven points to their credit, a one point lead over the Boobs. High single games were won by Muriel Walker with 262 and Bill Austin 301. High three was taken by Muriel Walker with 690 and Shane Mihalic with a 751 total. High team was the Occidentals with 3212.

In B League the Accidentals and Dodgers are in first place with seven points each. The ladies high single and high three were captured by Alice Bye with 194 and 533. Men's high single and high three went to Barry Parish with 300 and 76p. B League also won the team hidden score prizes which went to The Exits: Bud and Alice Bye, Bill Sherwood, Doreen Settle and Norris Laidlaw.

In C League the Meaps and the Five Duds are out in front. Marilyn Brown seems to be leading the ladies' single games so far and has captured high single game again this week with 205. Hugo Harks took the men's high single with 253. High three was taken by Doreen Miore with 513 and Hugo Harks 644. High team last week was the Meaps with 2223.

The ladies afternoon league is now in full swing with more fun, more swing than exceptional scores, although Ann Parish hit an afternoon high of 167 Thursday. Don't get disheartened ladies — your scores are sure to improve with time!

The junior bowling teams are now completed and they roll their first game on Saturday, Nov. 9 at 2 p.m. sharp.

Local men Chuck Hill and Albert Hailstone have entered the B.C. championship playoffs. Lots of luck, fellows!

## Remembrance Day

Students in the secondary school this year wrote essays on the observance of Remembrance Day. The winners in the junior and senior groups will have their essays judged in a provincial and national contest.

This week, the week before November 11, we are happy to print the two winning essays. Winner of the senior contest was LaVerne Lynn, daughter of Rev. and Mrs. C. W. Lynn, with second place going to Joan Dunsdon, daughter of Mr. and Mrs. Steve Dunsdon. Winner of the junior group was Cathy Caldwell, daughter of Mr. and Mrs. A. B. Caldwell, and second was Susan Wilson, daughter of Mr. and Mrs. Harvey Wilson.

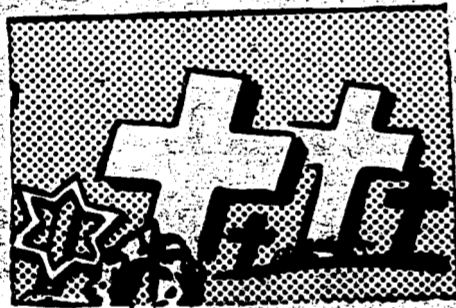

**"We Will Remember Them"**  
by LaVerne Lynn

"At the going down of the sun, and in the morning, we will remember them. These words conclude the reading of the roster in the Remembrance Service, held each Armistice Day. It is fitting that we hold this ceremony to honour and pay tribute to those who "gave their tomorrow for our today."

As modern young people, we are inclined to take for granted the peace which our country enjoys. We need to be reminded that Canada's freedom has been purchased by blood and pain, if we are to be diligent in our own attempts to preserve our liberty.

Freedom cost yesterday's youth a great deal. Millions of the world's finest young men gave their lives and futures gladly and willingly. Young women bade farewell to their husbands and sweethearts, knowing they might never see them again. As yet, no price has been placed on our freedom and we live happy, carefree lives, but are we as self-sacrificing? Would we as willingly give up our plans in order to fight for our country?

By observing Remembrance Day, we show our appreciation and respect to those who have died for us and for our nation. To them we owe our peace and prosperity. In the solemn hush, as that beautiful hymn, "Abide With Me" is played, and memorial wreaths are placed one by one on the cenotaph, let us resolve and determine to offer in the struggle for peace, lives as willing and dedicated as those given freely during two World Wars.

**The Importance of Observing Remembrance Day**  
by Cathy Caldwell

As I stand here at the cenotaph on Remembrance Day, during the two minute silence, I think of all the men and women who gave their lives for the freedom of our country and the rest of the world. Young people left their families and homes to enter a new and different life, not knowing if they would ever again see their beloved ones. They entered foreign lands to die without anyone knowing who they were or where they came from.

Men left their familiar jobs to take up the unfamiliar and dangerous task of freeing the world from oppression. Many are buried in foreign soil. Others returned to their homes maimed for life.

Remembrance Day is observed on or near November 11th, the date that peace was declared in 1918, but on Remembrance Day we do not just remember those who fought and died in the First World War, but all the others as well. When we observe Remembrance Day it helps us to remember our responsibilities to those who gave so much to the cause of freedom.

This reminds me of: "To you from failing hands we throw the torch, be yours to hold it high." Let us all do our part to hold the torch high, to make the world a better place for everyone.

## Letters to the Editor

The Editor,  
The Summerland Review.  
Dear sir:

The Penticton Herald and Chamber of Commerce are providing the best entertainment over the proposed by-pass that we have had for quite some time. About eight years ago a letter in the Herald advocating a by-pass went by unnoticed. Later, when a by-pass was advocated a real storm developed in Penticton — even to the extent of having to take a straw vote.

While all this was happening, outside communities, trucking associations, etc. were pressing to have the by-pass built. When Flying Phil was asked about the by-pass at a Kelowna Regatta lawn social he replied in effect: why should I get mixed up in an internal dogfight in Penticton, when there are so many places in B.C. that want roads and with which there is no friction.

And so the years have gone by! Now, however, the cow has gone dry, all the streets have been widened and paved and bridges built with Provincial Government support and all of a sudden there is a tremendous demand for a by-pass. Now the Herald says: "If Mr. Richter really has the welfare of his constituency at heart, he will immediately start a well-organized campaign in Victoria to keep the by-pass "action now" program clearly before his cabinet colleague. Flying Phil, and his energetic leader, the MLA for the adjoining electoral district of Okanagan South. The government that gets things done? Now let's see them do it."

Let's be fair. We neighbors want the by-pass too. But with all the muddling from Penticton we realize it can't be built over night but will take a little while to be put back on the track. The government will get it done.

Yours truly,  
For Fair Play.

The Editor,  
The Summerland Review.  
Dear sir:

Are we to infer, from a recent news item regarding our

### TEACHERS ATTEND VARIOUS CLASSES

Summerland's elementary school teachers have been giving up a lot of their spare time this fall in order to acquire special training along various lines.

Five teachers: Mrs. Marion Kean, Mrs. Maureen Robergem, E. F. Weeks, J. Quiggm and David McMurray, regularly give up most of every Saturday to attend lectures on Philosophy of Education in Kelowna.

Some fifteen go every Monday to the library of MacDonald School for instruction in art by Robert Borsos.

On Saturday, November 2, two elementary teachers, Mrs. Maureen Roberge and Mrs. Mary Emery, went to Oliver to attend a special workshop in music. Teachers from all over British Columbia were present, and experts from the Washington State College and from Canadian Army bands gave much valuable information and advice.

local hospital, that the right to practice in the Summerland Hospital is not an automatic right for any qualified doctor? As reported, it seems that a special privilege was given the doctors mentioned. If this is so, then I would suggest that something is wrong. Further, I would ask, for whom is the hospital operated and maintained? Is it for the patients or is it for the doctors?

Prior to the advent of provincial hospital insurance, there may have been some excuse for such a situation. I can see no such excuse now. Surely,

with province-wide hospital insurance coverage, a patient admitted to the Summerland Hospital is entitled to the care of a doctor of his own choice. It would appear, however that he would be restricted in his choice to only those doctors who have special privileges to use the hospital.

Under such circumstances it would seem to be highly desirable to have all hospitals under the control of the Provincial Government. This possibility was recently reported in the coast press.

Yours truly,  
Hesiod.

## Parliament Hill report

by Dave Pugh, MP

The work of the House is going ahead with a certain amount of dispatch and there is more good humour in the air than the news seeping out of Ottawa would suggest.

The work in the various committees is tremendously interesting. My chief attention is to Veterans Affairs. We now have a Private Member's Bill before us for consideration — the effect of which would be to provide a judge to hear the final appeal on pension claims. As it is now, members of the Canadian Pension Commission hear this final appeal even though they have judged on the matter twice before. Amongst some of those who are finally turned down, there is a feeling of resentment. My view is that the veteran is entitled to his appeal being heard by other than the Canadian Pension Commission, or at least, if the Canadian Pension Commission hears it — then a judge should be sitting along with the Commission. This would dispel any feeling the veteran might have

as to impartiality.

This Committee is hearing evidence from the Canadian Pension Commission, its Legal Branch, the Canadian Legion and others. Jack McIntosh, a Conservative Member of Parliament, introduced the Bill, and already there is growing support in many quarters. The aftermath of the Gordon Budget is still before the House and all administrative changes necessary to give it effect are now being hammered out. The objections are that the proposed changes will continue to harm Canada's economy and work against fuller employment, one of the declared objects of the Budget. On such a basis, the debate cannot help but be long and interesting. It has already covered such subjects as: designated areas, with holding taxes, relationships and Canada's image with other countries, business generally and provincial rights and consultation with the provinces. The proposed tax changes are far reaching in effect; hence the necessity for all views being recorded.

## Museum Group honors early Summerland pioneers

The pioneer residents of Summerland were honored guests at a tea held on Sunday afternoon, October 27, in the elementary school auditorium. Assisting the Summerland Museum Society in conducting the function were members of the Rotary and Kiwanis Clubs.

Exactly 100 of those who had come to Summerland prior to

1914 attended. Decorations included some of the earliest photographs of Summerland, as well as some other links with the past. Total attendance at the event exceeded 150.

John Cooks was general chairman for the tea, and was assisted by S. A. MacDonald and F. E. Atkinson, chairman of the museum committee.

Mr. Atkinson talked of the museum group's aim, which, he said, is to present the history of Summerland from its commencement to the present time.

Reeve Norman Holmes spoke briefly of the place of the museum in the community. C. Wade, head of the Rotarians, and W. A. Laidlaw, president of the Kiwanis club welcomed the guests.

Pupils of grade 4, under their teacher, Miss Farrow, sang some numbers for the entertainment of the group.

The annual sale of poppies prior to Remembrance Day takes place this Saturday, Nov. 9. Scouts, Cubs, Guides and Brownies do their good turn by helping the Legion in this way to raise money in aid of disabled veterans.

Scouts will meet at the Health Centre at 9:00 a.m. and will be busy until about 11 a.m. They will be driven around in cars, but should wear patrol uniform with warm windbreaker.

The Remembrance Day parade starts from MacDonald School at 10:45 a.m. on November 11. All Scouts are expected to be present in uniform with warm outer jackets. Short trousers are optional.

There will not be a Scout meeting on Monday next because of the Remembrance Day holiday.

Last week end the Buffaloes patrol went on a week end camp to Fish Lake, attended by all patrol members. Four other Scouts helped the Scoutmaster prepare patrol sites for Lake December 27.

The winter camp at Crescent Point scores for patrols are: Eagles 124, Beavers 123, Buffaloes 121 and Hawks 103. — D. V. Fisher, Scoutmaster.

## Remembrance

by Rev. George Leasor

Next week we pay our respects to the memory of those who have fallen in battle. This is only right. They made the supreme sacrifice for us. We should do more, however, than pay our respects. To discover what more we should do, let's ask ourselves the question: why did they die?

Wasn't it primarily to preserve our basic freedoms? To save us from bondage, tyranny, and possibly death. Life was not counted dearer than liberty, rights and dignity.

The laying of wreaths, making of speeches and saying of prayers have their place, but their is much more that can be done. Briefly it is this: live the life they died to preserve. Exercise the freedoms and

choices they died to save. For example, freedom of (not from) worship, the right to speak, the right to vote. To fail to exercise these rights and others is to allow apathy to accomplish what guns and tanks could not do.

Freedom is like a muscle, if you fail to use it or abuse it you lose the use of it. Let's endeavor to deserve the sacrifice which was made for us.

Remembrance Day reminds us of another sacrifice which was made for us. It reminds us of Christ who fought a decisive battle at Calvary against sin and its tyranny. After absorbing the full force of sin's ultimate weapon — death — Christ rose triumphantly over it and promises equal triumph to all who follow him. Let's live the life that he made possible through his death and resurrection. A life of faith, hope and victory over our spiritual enemies.

## Kiwanis notes

Tuesday night, thirty, including three visiting Key Club members, Ken Smith, John Grazley and George Hauschild enjoyed a wonderful chicken dinner. The only complaint was from those who sat at the table ends, as by the time the platter arrived there, everything was picked out but the wings and necks.

President Bill lead the singing. This is the first time in a year for Bill. At that time it was said he should be in Perry Como's show, but this time it was felt he should take his place.

Blood donor chairman Locky McKilligan assigned to each member his list of names to be contacted for the clinic to be held Friday, Nov. 22.

John Tamblyn, in introducing the three Key Club members, advised they would have to leave early, having been delegated to go down to Penticton to discuss with Penticton club, the possibility of organizing a Canada-wide Key Club convention to be held in Summerland.

President Bill is celebrating a very important birthday. It being his 39th, but was charged no more than the customary dollar for the happy birthday refrain.

By a strange coincidence, Lucky McKilligan, Ken Heales and Johnny Selinger are all celebrating their 14th wedding anniversaries.

Hilly Smith introduced the speaker, Bernie Hubbard who proceeded to give a highly interesting story of the operation of the Okanagan Telephone Co., and their plans for the near future. He was thanked by Preston Mott.

### OVER \$700 FOR CNIB

The Summerland Branch of the CNIB collected a total of \$701.84 in this year's drive. Of this amount, \$276.34 was donated on the tag day, Oct. 5, and the balance of \$425.50 was received from letter contributions to the treasurer, Mrs. J. H. Dunsdon.

## Minor Hockey

by Glenn Fell

Minor hockey season will get underway very shortly with the Midgets and Juveniles commencing their regular league games with other Okanagan centres.

The first juvenile home game will be played against the Vernon squad on Sunday, Nov. 10 at 12 noon.

I know the boys would like to have a good home town turn out. You'll see good hockey and enjoy yourself if you come out to the games.

## The Corporation of the District of Summerland Proclamation

Dear Fellow Citizens:

November 3rd to 9th will be observed as REMEMBRANCE WEEK throughout Canada. It is a time of double significance for all of us. We recall with pride, and with deep compassion, the men and women who have died so bravely in the service of their country; we also are reminded of the great scope of the community services being carried on by surviving comrades who work through Royal Canadian Legion branches everywhere.

It is with considerable pride that I commend the vast amount of volunteer work and financial support the Legion gives to this community through scholarships, sponsorship of young people's sports and continuing dedication to the welfare of veterans.

The Canadian Legion is the largest service organization in numbers in the province. This year the Legion celebrates its 38th anniversary and increased support will bring new vitality to the Legion organization and greater benefits to many in our community.

Showing at the recently reopened Rialto Theatre this week end will be Walt Disney's Tiger Cat and The Hound Who Thought He Was A Raccoon.

Points of interest to everyone living in this municipality will be discussed at the annual ratepayers' meeting in the school auditorium on Monday, November 25.

Plan now to attend — you will meet your council, and hear reports on the past year's work, as well as plans for the future.

To press time it would seem there will be no municipal election here this year. Nominations for school board and council close Monday.

Retiring reeve Norman Holmes and councillors Eric Tait and W. S. Ritchie have indicated they will run again. On the school board Ken Boothe and Bob Barkwill will seek another term.

A meeting of the Summerland Local of the BCFGA will be held next Wednesday evening in the Anglican Parish Hall to consider local resolutions for the 1964 annual BCFGA convention in Kelowna.

The lucky number was not found last week and now it is worth \$6. This week the number is 560 and we will give you a hint — look at Cranna's ad.

# Hospital plans delayed, directors seeking action

### ORAL POLIO CLINICS HERE

You slip it, you have no trouble swallowing it — in fact, it's quite tasty.

What is it? The Sabin oral poli vaccine. The Municipal Council took theirs on Tuesday night. The rest of the community will have the opportunity to follow suit on Monday, Nov. 25 or Thursday, Nov. 28, with a special session at Trout Creek School on Tuesday, Nov. 26. For Summerland, the clinics will be at the Health Centre 10 to 11 a.m. and 3 to 4, and 7 to 8. For Trout Creek the morning session has been eliminated.

This municipal clinic is a safeguard against the spread of the Kinsmen's Mother's March and has the full endorsement of all medical men and of the South Okanagan Unit Board of Health, under whose auspices the clinics are conducted.

The present dose is the second shot for most in this area. A third one is planned for May of 1964. There are no after effects to the shot. It can be given to babies over six months, and no one should refrain by reason of infirmity or multiple years, for it not only protects the individual but also helps safeguard others.

Unwarranted delay in the progress of plans for a new hospital in Summerland is being caused in Victoria, hospital directors felt at last night's regular monthly meeting.

This was decided after a letter was read from A. W. E. Pitkethley, construction manager of B.C. Hospital Insurance Society, which said that although approval in principle had been received from Premier Bennett and Health Minister Martin, for plans to be drawn up for a 30 bed hospital, the writer felt that for

MRS. EVA JAMES

formerly of Summerland, and now studying music in Toronto will sing in Massey Hall Saturday with the Toronto Symphony Orchestra, directed by Walter Susskind.

improvements to Summerland's new south entrance via the Gulch Road were before council on Tuesday. This time the points debated covered prices to be allowed for land needed, and for bearing fruit trees.

### COUNCIL TO BARGAIN WITH LAND OWNERS

All residents of the area, where portions of property had been sought were heard from it was reported. The municipality had offered prices based on a formula that set \$1,500 per acre as land price and up to a limit of \$35 per acre for trees, depending on age and other factors.

The owners, involved had it was indicated, suggested they considered the municipality's offer too low. The matter has now been left in the hands of the real estate committee of council, which group will enter into negotiations with the owners.

### SCHOOL SOCCER

On Saturday, November 16, Penticton's Carmi School and the MacDonald School met at the Summerland school for two soccer games. The games commenced at 10:15 a.m. under rather windy conditions.

The girls' game was won by Summerland by a score of 1 to 0 on a goal scored by centre forward Diane Hultgren. Carmi won the boys' game by a score of 2 to 0.

An interesting feature was Summerland's cheerleaders who gave both teams encouragement. They were Jean Pelletier, Heather Wilson, Judy Clark and Pat Morrissey.

Referees for the games were Fred Trussel and Lars Poulson. Mr. A. Raham and Mr. D. McMurray were Summerland's coaches.

les, Harvey Eden and John Caldwell.

Tribute was paid at the meeting to the many years of work for the benefit of the fruit industry given by Eric Tait. Mr. Tait has indicated that he will not seek re-election this year, after serving in the BCFGA for the past nine years.

a number of reasons, the plans should be changed for a smaller bed hospital with no maternity or obstetrical ward. The writer gave as reasons for his opinion the fact that Summerland was only 10 miles from Penticton, and could easily be served by that city's hospital, especially if an addition was built. Mr. Pitkethley also said that because the Summerland hospital only had 44 births in 1962, an average of four births per month, a maternity ward would not be needed.

Directors reacted strongly to the BCHIS official's letter, saying that if they acted on this opinion, they would have to start all over again on work that has taken two years to reach the present point. One director said that the present plans needed require in a case

community hospital was a maternity ward as it was a focal point of such an institution. It was also felt that this type of hospital would not be eligible for a federal assistance grant.

After a thorough discussion on the letter, directors moved that the present plans be pressed forward as soon as possible. Assistance in this has been asked of council and the Chamber of Commerce, and the directors will meet with Premier Bennett in Kelowna at Christmas.

Directors felt that the community must have an opportunity to vote on a hospital that would not only meet present but future needs, and that the present plans were not the best that could be made.

### THE CONCORDE SUPERSONIC JET

The Concorde supersonic jet will be the successor to the Caravelle, France's first passenger jet achievement, and one of the world's most popular aircraft. Air France, which has 40 Caravelle jets, has flown well over six million passengers on the world's largest Caravelle jet network and fleet.

The Concorde supersonic jet is now being designed and built by the French aeronautic firms, Sud Aviation, and Marcel Dassault, with the cooperation of the British Aircraft Corporation.

The new 1,450 m.p.h. jetliner is scheduled to fly in 1968, and passenger service inaugurated in 1969. Air France Concorde jets will fly Montreal-Paris in 2 hours and 30 minutes, and cover the New York-Paris route in 2 hours and 45 minutes.

There will be a high degree of cabin comfort, since the Concorde will fly ahead of the sound of its aft-mounted jets. The cabin will have 45 double-pane windows on each side. The supersonic jetliner will be 189

feet 11 inches long, and have a wing-span of 77 feet 1 inch. The 104 passengers will be accommodated in 26 rows of paired seats on each side of the aisle.

Power will be supplied by four Bristol Siddeley MK-593 engines, mounted in pairs midway on the underside of the trailing edge of the delta-shaped wing. The supersonic jet will pass the sound barrier at 39,400 feet altitude, reach cruising speed at 53,000 feet, and continue to rise gradually to 63,000 feet.

Air France has kept abreast of early design work, and as was the case with the now-famed Caravelle jet, the French Airline is today playing an important role in the Concorde's development.

## New soft fruit regulations explained to growers here

An explanation of the principles of the Anderson report and how these had been applied, was given to the annual meeting of the Summerland Local of the BCFGA on Monday, by K. W. Kinnard of Vernon, chairman of the soft fruit peeling committee.

Mr. Kinnard said the Anderson recommendations had been applied to cherries, apricots and plums during the 1963 season, but not to peaches. Reason for omitting peaches was that the report was received after the peach crop marketing had commenced,

and it was therefore too late to implement it adequately.

Key of the Anderson recommendations is that prices shall follow a "trend" line rather than the former "time period" formula. Growers are paid on a basis of market prices on delivery date.

Alan Claridge of Oyama addressed the gathering on the two party contract now replacing the old three party contract. The contract is now between the shippers, and the sale agency, and even it is required only because of Sun-type financing. Mr. Claridge

said: "Because the growers own the sales agency, through the BCFGA, and because the shipper makes his livelihood through growers' efforts, the growers' control is as tight as ever."

In the annual elections, Charles Bernhardt was unanimously reelected chairman; James Dunsdon vice-chairman; Brian Liebert secretary treasurer, and Hans Stoll, Colin McKenzie, Adam Huys and Douglas Grant named as delegates to the 1964 convention with alternates, Wm. Gallop, Arnold Boenboom, Paul Char-

## The Corporation of the District of SUMMERLAND

### Notice of Election

Public Notice is hereby given to the Electors of the Municipality of Summerland that I require the presence of the said Electors at the Municipal Office, West Summerland, B.C. on the

25th day of November, 1963

at the hour of 10 o'clock in the forenoon,

For the purpose of electing persons to represent them as

Reeve, Councillors  
and School Trustees

The mode of nomination of candidates shall be as follows:

Candidates shall be nominated in writing by two duly qualified electors of the municipality. The nomination paper shall be delivered to the Returning Officer at any time between the date of this notice and noon of the day of nomination. The nomination paper may be in the form prescribed in the "Municipal Act" and shall state the name, residence and occupation of the person nominated in such manner as to sufficiently identify such candidate. The nomination paper shall be subscribed to by the candidate.

In the event of a poll being necessary, such poll will be opened at the

Municipal Office,  
West Summerland, B.C.

on the

5th day of December, 1963

between the hours of 8 a.m. and 8 p.m.

of which every person is hereby required to take notice and govern himself accordingly.

Given under my hand at West Summerland, B.C., this 13th day of November, 1963.

A. F. Calder  
Returning Officer

## "Export sales? We work through our local bank"

Helping to move the goods that mean so much to so many Canadians is an every-day service of the chartered banks. Manufacturers, producers and shippers increasingly use the local bank—not only to help finance the movement of goods in and out of the country but for assistance in overcoming problems of distance, currency and regulation.

Today the chartered banks are able, through their

network of branches across Canada and their foreign branches, agents and representatives, to provide traders and travellers with the facilities of one of the world's largest international banking systems. This world of service is available to customers of any branch in any town or city. It provides quick business communications, speeds delivery of goods, helps Canadian companies to compete in markets everywhere.

## Library costs

It has just been announced that in the coming year library costs in the Okanagan will jump up by 30 cents per capita. Moreover, there'll be a further increase in 1965.

Some may grumble over this "added burden on the taxes", even if it only means a couple of dollars or so per year. Instead, they should be glad this condition exists, for it means the Okanagan people — and Summerland is a high point on the list, are reading more books, better books, despite the counter-attractions of television and other entertainments.

Even if we only use the library for "entertainment reading", where, for one dollar and thirty cents per capita can you get its equal? That amount might buy a couple of paperbacks, but you'd have to more than double it to buy one of the well-bound volumes on the library shelves you have the privilege of reading.

Let us learn, and help others to learn, how to use our libraries more, and to better advantage — and let us be thankful they're there, to help roll back the fog of ignorance and bring the light of understanding into our lives.

## Report from Parliament Hill

by Dave Pugh, MP

Trusteeship of the Maritime Unions is very much to the fore. Trouble seems to be breaking out everywhere, and it may well be that before too long many hard decisions will have to be made. In Canada, some Unions are in favor of trusteeship — others against

it, and the shadow of Hal Banks hangs like a cloud over the whole scene. As between Unions, the struggle for power will continue. For years there has been a knock down and drag-em-out fight, and this cannot help but be intensified as Banks' power is curtailed. Also, because of their international aspect, the American Unions are now in the fight. Here again, all Unions do not see eye to eye, and it could make for an exceedingly difficult time in our shipping. Over and above this, dealings between Canadian and American governments have become touchy in the extreme. Bad treatment towards some of our ships in American ports is most marked, and Canada, of course, has protested. The American government has taken certain steps — but one wonders just how serious these steps are in view of a number of statements made by some Americans in authority. These remarks have not been in the best interest, as far as the relationship between our two countries is concerned.

All members are heaving sighs of relief over the fact that there will now be few, if any, Votes of Confidence before the Session ends at Christmas. By arrangement, we have had five Supply Motions in as many weeks. Each Supply Motion, by tradition, demands a "Want of Confidence" motion by the opposition, and also sub-amendments by one of the lesser Parties, thus for two days in each of the last five weeks we have had to go through the solemn process of castigating the Government. I am sure the people of Canada are as fed up with it as we are, and let us hope this jamming up of Supply Motions won't happen again. It proves an altogether unusual spectacle in Parliament.

## A costly religion

One day King David was moved with an impulse to set up an altar where he might worship God and offer up a sacrifice. Out in the country he found a suitable place owned by Ornan the Jebusite. It isn't just every day that the king comes to a farmer's premises, and Ornan seemed quite overwhelmed by the honor. He eagerly offered the king his place for the purpose. "Take it, and let my lord, the king, do that which is good in his eyes. Lo, also, I give thee the oxen for sacrifice, wood for the fire, and wheat for the offering. I give it all."

It was then that David came back with one of those majestic and magnanimous touches so characteristic of his inner fineness and nobility that made him a man after God's own heart. He said, "No, I want to pay for it. I want to pay the full price for it. I will not take what is thine for the Lord. I will not offer unto the Lord my God that which hath cost me nothing." (II Samuel 24:24).

Here is the word of a gentleman, the mark of a thorough bred; indeed the prophetic quality of the true Christian approach to life. David simply scorned a faith that made no demands on him. He refused to be a religious hitch hiker. He would not ride to God's kingdom at another man's expense. I want to pay my own way. I want to put down the full price; make my own contribution for that which I cherish as worthwhile. For religious faith is not merely an emotional sentiment, a good feeling about things. It does not begin to have meaning until it carries in it a sense

of personal obligation and indebtedness. Almost all the things we get for nothing cost more than what they are worth. The only thing that costs more than religion is irreligion.

Fishermen in Labrador often tell visitors about a certain barnacle in their waters which when it was born, was a free swimming creature, but later learned to fasten its fat head to a boat bottom and spent the rest of its life kicking food into its mouth with its hind legs; a parasite — living off everything, giving back nothing. Our religion doesn't begin to have substance and power until it begins to talk like David, "I want to pay something for this. I will not take the rich heritage of the ages as a hand out. I will not worship the Lord my God with that which has cost me nothing. I want to make some contribution of my own."

Goethe said: "That which thy fathers have bequeathed thou must earn anew to possess. It is not a hundred yard dash in which you win the cup and set it up in the cupboard as a permanent possession. It is more like a relay race. Every generation must take it up, pay down the cost of it, carry its hopes and dreams into the future."

**WI HOSTS TO SENIOR CITIZENS**

The young entertained the elderly at a recent session held under auspices of the Women's Institute citizenship department. Senior citizens were guests of the WI in the IOOF Hall.

Entertainment was provided by Miss Farrow's grade four class and the Jack and Jill Kindergarten group. The 36 children sang action songs and acted out stories that thoroughly delighted the older guests.

**TROUT CREEK PTA ENTERTAINS WITH CARDS**

Members and friends of the Trout Creek PTA enjoyed an evening of telephone whist and bridge last week. Mrs. Stan Porritt convened for bridge and Mrs. George Wardle arranged the tables of whist.

Top score in bridge was by John Tamblin and low score by Mrs Ken Williams.

Winners at whist were Bill Lacey and Mrs Ed Wright.

**KEY CLUBS**

**MEETING HERE**

The active part played in the community by its Kek Club will be connoted this coming week end when Key Club members from several centers gather here for a convention. Representatives come from Penticton, North Vancouver and Burnaby.

Summerland pupils if Miss Kay Hamilton will be heard over the Penticton radio this Saturday at 2:30. They include Marilyn James, Lynn Gartrell, Georginia Storey, Lenard Geres, Graydon Ratzlaff, Sharie Randall. The program is conducted by the Okanagan branch of the B.C. Registered Music Teachers Assoc. and will be heard weekly with artists throughout the valley.

Visiting over the week end with Mr. John Pledge were his son Tom and grandson John of Burnaby.

Mrs. R. S. Oxley returned last week from Vancouver after attending the wedding of her niece. She also visited her son Howard.

Mrs W. H. B. Munn visited in Vancouver with her brother and sister in law, Mr. and Mrs. Harold Cameron last week.

Visiting with Mr and Mrs J. E. Smith last week end were Wesley Smith and son Brian.

Over \$40 was raised for the Handicapped Children's Association at a violet sale Saturday. This was reported at the group's meeting this week at the home of Miss Dorothy Britton. Contests of naming African Violets formed the entertainment portion and refreshments were served by the hostess.

Next meeting will be December 9 at the home of Mrs Charlie James and will be a Christmas pot-luck supper.

Mr. and Mrs. Eric Tait and son Ian were at the coast for the week end.

Frank Davis of Vancouver is visiting his sister, Mrs. G. Wardle and family while here on business for the RCAF.

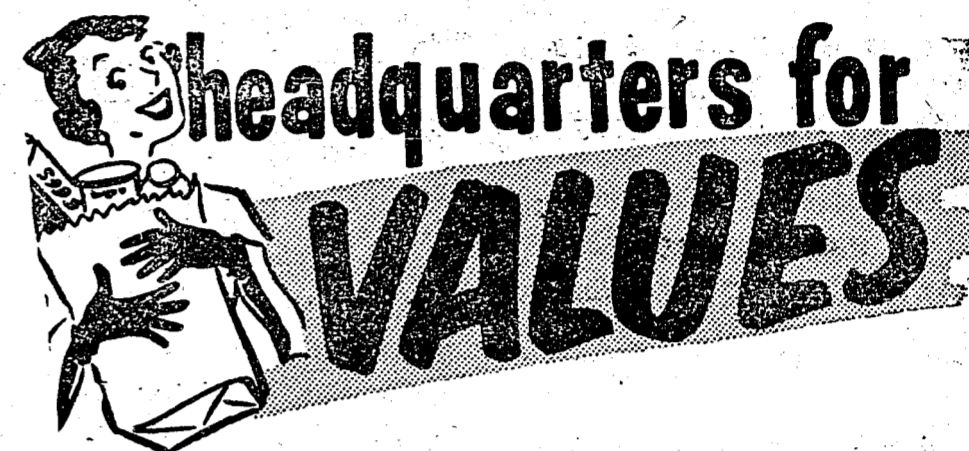

Mr. and Mrs. Cecil Morgan and daughters, Dr. and Mrs. L. Lopatecki and Mrs Jack Dunsdon and daughter Elaine were visitors at the coast.

The Summerland Midgets continued an unbeaten record of two wins for two games. The latest game, with the Salmon Arm Midgets, resulted in a 19-5 victory for the local team.

Summerland scoring was accounted for by Peacosh, with seven goals; White put in three for a hat trick; Campbell and Wertz each accounted for two; and Agur, Fenwick, McInnes, Krasuin and Bullock one each.

Salmon Arm goals were scored by McTavish, Hobbs, Sutherland, Gray and Robinson.

Home town fans are in for some good hockey this Sunday at twelve noon when the Summerland Legion Juveniles will play host to the Kamloops Juveniles. See you at the game!

On Saturday, at 11:30 a.m. the Summerland Pee Wees meet the Pentiction Pee Wees in the local arena.

Phil Nimmons, one of the country's top jazzmen, appears on the Nimmons and Nine group every second Friday on Jazz Club over the CBC radio network.

## Local artist addresses WI

A very interesting and amusing talk given by the well known local artist, Robert Borsos was the highlight of the regular meeting of the Summerland Women's Institute last week.

Mr. Borsos gave his interpretation of the meaning of art, saying that often times we do not appreciate art because we do not understand it.

The speaker was introduced by the president, Mrs. A. Inch and thanked by Mrs. Vera Barrs for his entertaining talk.

Mrs. Inch thanked all who helped with the fall sale to make it such a success. Gifts to go to the Mental Health Association for Christmas, giving to mental patients will be selected by Mrs. E. Hookham and Mrs. W. Brown. Cash donations were made to the Queen Alexandra Solarium in Victoria, the Children's Hospital in Vancouver and the Lady Aberdeen Scholarship fund.

The citizenship committee under Mrs. Barrs and Mrs. S. A. MacDonald will serve tea and arrange entertainment for the OAPA, on their November meeting.

Mrs. G. Dinning of the Cultural Activities committee presented a gift to Mrs. E. O. White for many contributions given to them for their booth at the fall sale.

Roll call was answered by naming the favorite pastime. Many amusing answers were given by the 35 members present.

Tea was served by Mrs. Gladys Chadburn, Mrs. D. I. Gilman and Mrs. M. Collas following the program.

The annual meeting will be held on December 13. Mrs. E. O. Mortimer agreed to bring in a slate of officers. Members were reminded that member-

ships are due at that time and conveners are required to bring written annual reports.

## Winter best time to make Home Improvements

"You can save yourself much time and trouble", says Jock Johnston, manager of the Summerland branch of the Bank of Montreal, "by having your indoor home improvements done in the winter when building tradesmen are not tied up on outdoor construction.

"And it's often more economical, too," continues Mr. Johnston, "to have all those repairs or improvements done at once."

Of course, there's always the chance that you haven't the ready cash to make those repairs and improvements now. If that's your problem, drop in at the B of M and have a chat with Mr. Johnston about a Home Improvement Loan. H.I.L.'s are available for all kinds of worthwhile purposes — from insulating the attic to wiring the basement playroom.

B of M Home Improvement Loans are inexpensive — only 6 per cent interest per annum — and they're repayable in easy monthly instalments. Why not drop in at the B of M tomorrow. Mr. Johnston will be glad to give you full details about a B of M Home Improvement Loan.

Parents of pupils attending Summerland Secondary School are asked to come to the school auditorium Thursday afternoon and evening in order to meet the teachers and pick up the first report card of the school term. Report cards will be available from the home room teacher from 3:45 to 5:15 and cards not picked up on Thursday will be mailed home at a 7 to 8:30 p.m. Any report later date.

The Christmas examinations will be held December 12, 13 and 16. December 17, 18, 19 will be full teaching days and all classes will be held as usual.

### LARGE ATTENDANCE AT CONVENTION IN KELOWNA

682 persons filled the Kelowna Senior High School Gymnasium Sunday afternoon to hear D. M. Mills of Toronto, talk on the subject, "The Bible Triumphs in a Scientific World". The discourse was the climax of a three day convention arranged by Jehovah's Witnesses.

Mr. Felker, overseer of the local congregation said: "We certainly appreciated the convention program because it showed us how to be productive ministers and pointed out the responsibility resting on all who call themselves Christian."

# RED CROSS BLOOD DONOR CLINIC

FRIDAY,  
NOVEMBER 22

UNITED  
CHURCH  
HALL

1:30-4:30 p.m. AND 6:30-9:30 p.m.

## A Challenge to the Citizens of Summerland

THE PEOPLE OF SUMMERLAND WILL AGAIN HAVE A CHANCE TO PROVE THEIR VALLEY-WIDE REPUTATION FOR PULLING TOGETHER FOR A WORTHWHILE CAUSE. THE BLOOD DONOR CLINIC WILL BE HERE THIS FRIDAY AND IT OFFERS US A CHALLENGE. OUR OBJECTIVE IS OVER 350 PINTS. LET'S DO IT!

J.Y. Towgood, Chairman  
Blood Donor Committee

For transportation to the  
blood donor clinic and  
baby sitting service  
phone: HY4-5301  
or during clinic hours  
phone HY4-6181
