

# SOHU calls for health laboratory

Members of the South Okanagan Health Unit at a meeting held in Oliver last week on Wednesday moved that the board continue to press for the establishment of a Public Health Laboratory in the Okanagan.

The move was made following a letter to the SOHU from the Minister of Health stating that his department felt that a central laboratory could best serve the needs of the people. Public Health Inspector F.R. Alcock pointed out to members of the board that samples taken for the testing of pollution samples were useless if two or three days elapsed before the tests were made.

Dr. Dugal MacGregor reported to the meeting that a total of 1,300 analyses had been made of water from Okanagan lakes. He said sampling ended in June and that data was now being assimilated for report and that the findings would be sent to the Pollution Control Board.

Alcock also reported that the Okanagan Lake water quality survey showed that the lake transparency in the summer had decreased from 33 feet to 25 feet in the past thirty years and he pointed out that a serious deterioration could result

in another thirty years. He felt that this should cause some concern for the continuing and increasing introduction of phosphates into the lake water.

He said that pesticide sampling of the lake water would begin in September suggesting that pesticides could be introduced from packing house waste.

The meeting approved, with reservations, a resolution by the North Okanagan Union Board of Health for presentation during the Associated Union Boards of Health annual September meeting.

The resolution calls for a change in the municipal act concerning fluoridation of water to permit notification of intent to introduce fluoridation within thirty days if less than 30 per cent of the electors petition against it.

If sufficient objection is voiced a plebiscite would be held requiring only 50.1 per cent to carry. Members at Wednesday's meeting felt that the 30 per cent should be reduced to 10 per cent.

Ivor Jack, Peachland, was asked to bring in a recommendation on a resolution by the Central Fraser Valley Board asking for a sex and family program to be introduced into the public school curriculum.

# Mr. and Mrs. E J Schierer celebrate Golden Anniversary

On Sunday, August 7, Mr. and Mrs. E. J. Schierer of Summerland celebrated their Golden Wedding Anniversary.

Many friends and relatives from far and near arrived during the day and at 4:30 p.m. approximately 40 people sat down to a lovely turkey supper, the beautiful lawn and surrounding shrubbery made a wonderful setting for the occasion.

Seated at the head table with the bride and groom of 50 years were their niece and husband, Mr. and Mrs. Al Webber of Richmond; another niece and husband, Mr. and Mrs. Marvin Spielrem of Ponoka, Alta. also Mr. and Mrs. Jack Gummous from Penhold, Alta., friends of the Schierers.

A beautiful wedding cake centred the table which Mrs. Schierer made and decorated

herself. Bouquets of gladioli were brought by friends which added much to the tables.

Many lovely gifts and cards were received, a poem composed by Helen Miller was read by Bert Bryden and Mrs. Marvin Spielrem presented the bride and groom with a purse of money from friends and relatives in Ponoka.

Guests were from Edmonton, Ponoka, and Penhold, Alberta and Vancouver. Pesticion, Trout Creek and Summerland. Mr. and Mrs. Schierer farmed at Ponoka for 29 years before moving to the Okanagan Valley in the fall of 1944.

Western Canada sales representatives of the grower owned processing arm of the B. C. tree fruit industry, Sun-Rype Products Limited, held their annual two day sales meeting at head office, Kelowna, recently. Senior management and sales personnel reviewed policies and strategies for the up-coming season, and plans were discussed

seated at the conference table, from left, are: Edward Moore, Edmonton; W.A. Craig, Vancouver; E.A. Sigurdson, Saskatoon; W.J. R. Green, industry advertising manager, Kelowna; Ian F. Greenwood, General Manager, Kelowna; David G. Allan, sales manager, Kelowna; T.D. Jack, Calgary; M.M. Stoney, Vancouver; L.J. Costa, Regina and W.R. Ross, Winnipeg.

## Founders of British Columbia

(A Centennial Feature)

Rev. Ebenezer Robson always claimed he was the first Methodist missionary to set foot in the crown colony of Vancouver Island.

In fact he was. But he came here in 1859 as one of four missionaries sent from his church. They came from eastern Canada by way of New York, Panama and San Francisco and when they were ferried ashore at Esquimalt, Robson was the first out of the boat. So his claim was made in jest.

Born near Perth, Ontario, January 17, 1835, he spent his boyhood in Sarnia and entered the ministry for training in 1856. He served at Brockville and at Montreal and was ordained in 1858. Soon he was on his way west. From Victoria he was assigned to the golden fields. He made his headquarters at Hope, building his own log house and a school for Indians, then travelling to outposts in a dugout canoe, cooking for himself and sharing the life of the miners.

He was married in Victoria in 1859. He initiated the first missionary work by the Methodist denomination among the Indians and when he was transferred to Nanaimo in 1860, he built a school there for Indian children. He went next to Yale to minister to the men who were building the Cariboo Rd. In 1864 he was in New Westminster. He was known in Chilliwack, Sumas, Maple Ridge, Moodyville and Hastings Mill which was to become the heart of the new city of Vancouver. He also served at Port Simpson and Vernon and even after retirement kept up his preaching.

He died in Vancouver at the age of 76 in 1911 and a Vancouver church still bears his name today. His brother John Robson was a pioneer editor of the

REV EBENEZER ROBSON MD

British Columbia at New Westminster who rose to become Premier of the province.

### 11 accidental deaths in SOHU district

Eleven accidental deaths were recorded in the South Okanagan Health Unit district during the third quarter of 1966.

There were three suicides recorded in the Kelowna district and one in Keremeos, one accidental death in Oliver when a young girl died after being dragged by a horse, four motor vehicle deaths, one drowning and one death due to a fall.

Ronald Embree has returned to Vanderhoof for the opening of school after a week's visit with his mother, Mrs. Mark Embree.

Mr. and Mrs. Les Younghusband of Burnaby are visiting his parents, Mr. and Mrs. Doug Younghusband.

Mr. and Mrs. Frank Hunter have returned from a trip to Vancouver.

Mr. and Mrs. R. D. White and family are home after a week's visit at the coast.

## Orchard tour from Boerbooms

"What's New in Apple Growing" will be the theme of a tour of Summerland orchards to be conducted by A. W. Watt of the B.C. Department of Agriculture this Friday afternoon. The tour starts at the Arnold Boerboom orchard on Garnet Valley Road at 1:30 p.m. Friday, September 2.

### Peachland

By BRENDA DAVIES

PEACHLAND — Mr. and Mrs. C. Todd of West Vancouver spent a few days visiting his mother Mrs. L. Ayres of Trepanier, when leaving for home they were accompanied by their children, who have been visiting their grandmother for the last few weeks. Other visitors this past week at the Ayres' home were Mrs. Ayres' nephew and wife Mr. and Mrs. Earl Donis and son Don from Fort St. John, Mr. and Mrs. Ed Cuthill from Oliver, Mrs. Conolly from Edmonton, and Mrs. F. Bickell and granddaughter from Fort St. John.

Guest this week at the home of Mr. and Mrs. J. Wilson is Mrs. B. Burdikin a former resident of Trepanier who now makes her home in Victoria. Visitors at the Clements home this week are Don and Merie Hallem from Prince George. Don who spent his school days in Peachland is enjoying visiting with all his old friends. Mr. and Mrs. J. Frzle and daughter of Calgary are spending a few days visiting friends in the district. Mr. Frzle is the manager of Eaton's Calgary store.

The fishing bug has bit a new member of our community — C. McLaughlin, fishing from the CPR dock last week was rewarded by a large catch of two squaw fish, the largest weighing in at 2 lbs. 6 ozs.

Visiting her daughter and son-in-law Mr. and Mrs. F. Wilson and son J. R. Davies and family for a few weeks is Mrs. I. M. Davies from Langley.

Correction on last week's Social News — Mr. and Mrs. C. C. Heighway spent their vacation at Kitimat not at Prince George as reported.

Summerland

**AT TEACHERS CONFERENCE**

Dave McMurray, of Summerland, was above during a break in the conference, one of 200 teachers from all parts of the province who attended the annual summer conference of the B.C. Teachers' Federation in Prince George last week. Shown

**Teachers ask politicians for their views on education**

D. G. McMurphy of Summerland stated this week on his return from a B.C. Teachers' Federation conference in Prince George, that the federation has invited political leaders to take a public stand on important issues facing education in the province today.

BCTF president Harley Robertson, of Kitimat, told the conference that he has asked party leaders to state their positions on subjects ranging from class size to educational financing.

"The continuing development of the province's educational system must be a central issue in the forthcoming election campaign," Mr. Robertson said.

He said that while there would, no doubt, be a lot of discussion on the development of the province's physical resources "the federation believes that the development of human resources is far more basic to the future growth of British Columbia."

Mr. Robertson said development of the province's human resources "is being impeded because of certain vital inadequacies in the education system in the province as it affects the teaching profession."

Robertson said that in addition to sending out the letter to party leaders in the province, the question will also be sent to every candidate "to find the general consensus of political thought on these subjects"

Mr. Murray reported that 200 teachers from all parts of the province attended the conference held at Prince George college. Most of the delegates were officers of local teacher associations.

Mr. and Mrs. James Crowley and family of Hickson, B.C. are visiting Mr. and Mrs. Frank Jacobs.

**Fisher sells to Penticton man**

After twenty years in the shoe business in Summerland, Tom and Betty Fisher will turn the keys over to a new owner on Tuesday, September 6th.

The move was not their choice exactly. Tom has had increasing trouble with his arm as a result of a wound he received in France during the last war, and has been advised by doctors to take it a little easier.

He will go to Shaughnessy Hospital, Vancouver for treatment and a possible operation after he has tied up his business affairs.

"It is kind of tough to quit when business is so good", he said, "but on the other hand I guess it is the best time to sell".

They will not leave Summerland but future plans will not be considered until Mr. Fisher's return from the hospital.

Fisher's Shoe Store has been purchased by Mr. Art Hunt of Penticton, who plans moving to Summerland with his wife Nina and their 13 year old daughter, Linda, as soon as they can find a home.

Mr. Hunt's experience in the shoe business has been extensive. In addition to being on the road selling to the retail outlets, he has been in the business in Mission City, Chilliwack and more recently in Penticton.

**Peachland Senior Citizens enjoy party**

PEACHLAND — A pleasant afternoon was enjoyed by all who attended the Peachland Women's Institute Annual Senior Citizens garden party, held at Rusticana, the home of Mr. and Mrs. W. Selwyn on Vernon Ave.

The weather was perfect — with warm sunny skies and exquisite flowers, lawns and carvings made a beautiful background for the snow-white linen on the dainty tables set around the grounds. Members of the W.I. provided a delicious lunch, which included dixie cups donated by a local dairy and a large iced cake which was the contribution from a Valley bakery. The guests strolled among the beautifully kept grounds and chatted with old friends, making this a most successful social afternoon.

**LET'S GET NEWSY . . .**

Mr. and Mrs. Ernie Rhodes of Vancouver visited the Gordon Rhodes and Gordon Dinings last weekend. Mr. and Mrs. J. P. Long are attending the P.N.E.

**ATTENTION PIONEERS**

For the purpose of this award, a pioneer shall be ANY PERSON WHO WAS EITHER BORN IN CANADA OR A RESIDENT OF CANADA PRIOR TO JANUARY 1, 1892.

It is NOT necessary that such a person shall have continuous residence in Canada since that date but MUST BE A RESIDENT OF BRITISH COLUMBIA AT THE TIME OF APPLICATION.

Applications cannot be accepted after November 19, 1966.

The Canadian Confederation Centennial Committee of British Columbia has designed and prepared for presentation to Canadian Pioneers by local Centennial Committees a special commemorative medallion. The medallion will come, complete with ribbon and clasp.

Any eligible Summerland Resident is asked to get their registration forms from the undersigned at the B.C. Shippers office.

Anyone knowing of Canadian Pioneers who move in to Summerland between now and the registration deadline are urged to have them pick up the necessary forms so they may receive their Commemorative Medallion.

Nancy Thornthwaite  
Secretary,  
Summerland Centennial Committee

**Opportunities for all to share in the rewards of British Columbia's progress**

**A new \$500 home purchase and construction grant!**

Your Social Credit Government has always acted to extend the benefits of our Province's progress to all our people. The new \$500 home-purchase and construction grant will be available to families now renting and young couples starting out in life together who wish to own their own home — and the grant will increase by \$25 annually! This far-seeing plan, another "first" from your Social Credit Government, will be backed by a \$25,000,000 fund!

**A \$200 homeowner grant in the next 7 years!**

It's no wonder British Columbia's population growth is double the national rate. Where else will you find a Government that already pays \$110 a year toward the taxes of every qualified homeowner in the Province? In the next 7 years your Social Credit Government will increase the homeowner grant to \$200 — and already the grant has given British Columbians the lowest taxes in the nation.

**KEEP B.C. MOVING AHEAD!**

**Return your Social Credit Candidate on September 12<sup>th</sup>**

### Jim and Lillian Dunsdon win expense-paid Vancouver trip

Jim Dunsdon was very pleased when Review Publisher telephoned him Friday night with the news that he had won the expense paid trip for two to Vancouver, sponsored by the Summerland Review. Mr. and Mrs. Dunsdon will fly Canadian Pacific Airlines from Penticton. They will stay at the Sands Motor Hotel. While there they will enjoy steaks at Hy's Steak House at the Sands. Mr. Dunsdon, an orchardist, is too busy to think about going at the present time, but there is no time limit on the trip so he was pleased to have the weekend to look forward to. The draw was made at the Rotary meeting Friday night, by visiting District Governor Bill Luce of Yakama, Wash.

Here are a happy pair of new subscribers to the Summerland Review who won the expense paid trip to Vancouver. Mr. and Mrs. Jim Dunsdon's name was drawn Friday night at the Rotary Club meeting.

### Demand for pickers expected to increase about mid-month

The Regional Co-ordinator of Farm Labour activities summarizes farm labour conditions effective August 29 as follows:

General situation: Good progress continues with the peach, pear and prune harvest from Osoyoos to Kelowna. Harvest of early apples at Osoyoos about September 2nd. Macintosh apples at Osoyoos about Sept. 2nd. Macintosh apple harvest at Kelowna September 10th to 12th. Increase demand for pickers from all areas expected about Labour Day.

Kereomeos: Peaches, Bartlett and Anjou pears being harvested, sufficient help available... Mac harvest to start September 7th to 10th.

Osoyoos: Harvest of late variety of peaches underway... pear harvest almost complete... early apple harvest start expected September 2nd... adequate help in the area until apple picking commences.

Oliver: Late variety of peaches being picked... Bartlett pear harvest finished... balanced labour situation... demand for apple pickers expected September 15th.

Penticton: Late peaches and Bartlett pears being harvested—sufficient help in the area—shortage of accommodation evident... Macintosh apple harvest expected to start September 5th to 10th.

Summerland: Peach and pear harvest nearing completion... slight surplus of inexperienced help... Macintosh harvest should start September 7th to 12th.

Kelowna, Nutland, Winfield: Peaches, pears and prunes being harvested... sufficient help in the area until Macintosh harvest starts September 10th.

Vernon, Oyama: Beans and tomatoes being picked... Adequate supply of help in the area for present.

### Friends honor Carol Clifford

A miscellaneous shower was held Aug. 23 for Miss Carol Clifford, whose marriage to Mr. Bob McAdam of Summerland, is an event of Sept. 3rd.

Co-hosting were Miss Donna Holmes and her mother Mrs. Norm Holmes, at their Crescent Beach home. They were assisted by Mrs. A. Menu.

Mrs. A. Clifford and Mrs. S. McAdam helped the honoree to open the many beautiful gifts.

Miss Clifford was seated under a canopy of pink and white bells, streamers, pom-poms and a dainty pink shower umbrella. A decorated bridesmaid's cake centred a side table, flanked by pink tapers in crystal holders and bouquets of gladioli.

Servers were the Misses Susan Agur, Joyce Arase, Isla Schepens, Rita Rusaw and Bea Young.

Also present were Mrs. Lois Bolton, Mrs. Tom Croil, Mrs. M. Collas, Mrs. George Foster, Mrs. Ray Fredrickson, Mrs. D. L. Sanborn, Mrs. E. O. White, Mrs. L. Wilson and Mrs. K. Young, Misses Maureen Clifford, Shirley Dunsdon, and Judy Steele.

Unable to attend but sending gifts were Miss Ruth Keys, Miss Bev Matsu, Mrs. Don Agur, Mrs. C. P. Cooper, Mrs. P. G. Dodwell, Mrs. M. Dyck and Mrs. George McAdam.

### Los Angeles honeymoon following Coquitlam wedding

On Saturday, July 16, Miss Joan Bethea Symonds, daughter of Mr. and Mrs. E. J. Symonds of Coquitlam became the bride of Mr. John Leslie Youngusband, son of Mr. and Mrs. N. D. Youngusband of Summerland. The wedding took place in the Blue Mountain Baptist Church, Coquitlam, with Rev. J. K. Rodine officiating.

Given in marriage by her father, the bride wore a long white gown in Lagoda Crepe with attached train. Cathedral length veil with scalloped edges. The headdress was also in Lagoda Crepe with tiny flowers of pearl on it. She carried a lovely bouquet of white orchids and stephanotis.

Maid of honour was Miss Vera Davie. Bridesmaids were Mrs. R. Kelly and Miss Gayle Tory. The three attendants were gowned identically in floor length gowns in a pale aqua shade. The headdress in pale aqua consisted of a flower and springs of Lily-of-the-Valley on net. They carried bouquets of "shocking pink" carnations. The little flower girl, Miss Mary Elizabeth wore a floor length gown, empire style, and

a band of flowers in a pale aqua in her hair. She carried a basket of pink carnations.

Bestman was Mr. Ron Embree of Summerland and ushers were Mr. Bruce Youngusband of Penticton and Mr. Gordon Youngusband of Nelson.

Mrs. Rita Sundvick played music during the ceremony and Mr. Olaf Eriksson and Bonnie Angell were the soloists.

The reception was held in the church hall with Mr. Earl Shrum acting as Master of Ceremonies. Toast to the bride was given by Mr. Thor Sundvick.

The newlyweds left on their honeymoon to Los Angeles, Cal. Upon their return, they will reside at Ste. 121, 6615 Telford Street, South Burnaby.

### S'land skaters pass tests

At the close of the summer figure skating school here this year, 52 skaters had enrolled for regular sessions and a number of others came for individual lessons.

To celebrate the end of the season, a "pop" concert was given by the students at which the "standing room only" sign had to be put out, and a beach party was held at the home of Bud Stewart.

Professional Mrs. Raymond troyer (nee Dolores Causler) who has taught figure skating here and in Penticton for the past nine years, gave her last lessons here to the group consisting of skaters from Seattle, Wash., Clarosholm and Peace River, Alta., Fort St. John, Williams Lake, Kamloops, Summerland and Penticton.

During the last few days a series of tests were given with most of the students showing good form.

Preliminary figures test was passed by Sharon Cooke, Donald Woods and Tera Kavolinos; first figures, Dawn Nott, second test figures, Nadine Kulak, third test figures, Susan Shillitto and Dobbie Day; and fourth test figures, Anne Porritt, Shelvey Erickson, Ann Forster and Halle Fugeta.

A large group of students passed the Dutch waltz test including Sharon Cooke, Barbara Brown, Beverley Papp, Janice Papp, Cheryl Eshloman, Bonnie Ollen, Janice Cooke, Tera Kavolinos, Maria Kascak, Miki Gray, Georgia Woods, Celeste Taylor and Donald Woods.

The same group plus Peni Ham, Dawn Nott and Beverley Bradbeer passed the canasta tango test.

sed by Peni Ham, Cheryl Eshloman, Dawn Nott, Maria Kascak, Celeste Taylor and Beverley Bradbeer.

Ray Campbell, Celeste Taylor and Maria Kascak passed the fiesta tango test while Nadine Kulk and Roy Campbell passed the ten-fox test.

In the willow waltz test Ray Campbell, Shella Day, Don Gardiner and Nadine Kulak passed; and Shelley Blais, Suzan Johnson and Shella Day passed the fourteen step.

The European waltz was passed by Shelley Blais, Susan Johnson, Glen Campbell, Lori Lyster, Susan Shillitto and Cathy Michin.

Passing the foxtrot were Shelley Blais, Susan Johnson, Glen Campbell, Darlene Campbell, Susan Shillitto and Cathy Michin.

In the American waltz test Anne Porritt, Halle Fugeta, Ann Foster, Shelvey Erickson, Sharon Kincaid and Lori Lyster passed; and in the tango, those passing included Anne Porritt, Halle Fugeta, Ann Forster, Shelvey Erickson, Sharon Kincaid, Kim Hutchinsohn and Barbara Porritt.

The rocker foxtrot was passed by Anne Porritt, Dobbie Day, Halle Fugeta, Ann Forster, Shelvey Erickson, Sharon Kincaid, Kim Hutchinsohn and Nigel Blingborne.

In freeskating, Nadine Kulak and Nina Emsdon passed the bronze tests and Nina also passed her silver test.

# Peachland Council explains Centennial project delay

**By BRENDA DAVIES**  
PEACHLAND — I. Jackson, chairman of the Centennial Committee attended the Peachland Council meeting to ask why work on the Centennial project is not going ahead.

Reeve and Councillor Beet explained that officials from the Department of Health, Victoria, are expected here soon to give advice on chlorination intake. If chlorine is to be introduced into pipe at some other place, there would be no need for a manhole to be placed at the project site. Then work can go ahead. Council decided that more fill should be hauled and Councillor Sidebotham was instructed to make arrangements to purchase the needed topsoil.

The survey plans for subdivision of property owned by W. R. Smith on Lipssett Ave. were viewed and clerk H. McNeill was authorized to sign the plans on Council's behalf. A letter was read from Sparks and Hirtle who are working on behalf of School District No. 23. They requested that Council authorize the closing of two lanes so land designated as school property can be consolidated prior to transfer of the land to the school board.

Building bylaw No. 415 was reconsidered and given final reading by Council. The naming of upper Trepanier roads came up again for

discussion. Councillor Clements was asked to make a list of suitable names and submit these at the next council meeting. Regarding Trepanier bridge repairs, Reeve Thwaite said the bridge had been examined and will be re-decked as soon as it can be arranged.

A letter from the Ratepayers Association of Pentiction was read. The letter asked council's support for their stand on the issue of compulsory fluoridation of valley water supplies. Council decided to table the letter as the matter will quite possibly be brought up at the OKVMA meeting in Princeton this month.

Mrs. A. L. Burns of Trepanier was appointed the Municipal Clerk's assistant. She will start on Sept. 1 and Mrs. E. Turner, present holder of this position, has agreed to stay on until September 15 to help in the changeover.

A delegation of residents from the Somerset Avenue - Minto Street area, A. Flintoff, R. Kraft, L. Kraft, A. Ehlers and Mr. Mortinson, interested in buying property in the area and tentatively speaking on behalf of L. G. Bowden, R. Harrington, and P. Whinton, brought to Council's attention that a road starting at the Flintoff's access road and touching all their property lines would be of advantage so all property

in the area would have rear access. All were reported willing to donate the required 50 ft. road allowance to the Municipality. If Council would put in the road, Council stated that this has not been the policy in the past and the rules and regulations on sub-divisions state that all roads on proposed sub-divisions had to be surveyed and the cost born by property owners. When this is done they are then turned over to the Municipality. Reeve and all councillors will meet with the property owners and examine the proposal.

Councillor Beet, chairman of the domestic water department reported that work is being done on the automatic control system. Fire Marshall D. Careless said bulk gas tanks are being installed on residential property without permits. Regulations on this will be checked and letters sent to oil companies serving the district stressing importance of permits being acquired before installation of bulk gas tanks.

Reeve Thwaite informed the council that in view of the proposed building around the cenotaph, that he thought that the Legion president should be contacted and possibly a special meeting of Legion members could be called to discuss the possibility of moving the Cenotaph to a more suitable site.

Reeve Thwaite spoke on the official announcement from Ottawa on the winter works program for 1966-67 and suggested each department chairman draw up a tentative list for council's study so that this municipality can get maximum benefit of this program, starting Nov. 1.

Mr. Joe Sheeley, Summerland, Peachland's official assessor, attended council to explain why Bill 87 is being brought up by the Advisory and Assessors Committee at the DBCAM meeting this month. The bill, and the Equalization Act, are not compatible and taxation won't be spread evenly as this stands now.

Reeve Thwaite also questioned Mr. Sheeley as to why no data on Mr. Bennett's announced tax relief for non-profit organizations, announced last spring, had been received. The Peachland Legion Hall was cited as an example. The tax relief it appears, only applies to unorganized areas, not municipalities. Councillor Clements said, although the provincial government raised the home owner grant by \$10 this year, there is no benefit to the municipality in the case of the taxpayers, who only pay \$1 a year.

Mr. Sheeley stated that there is no solution for this at present, but except an over-all municipal assessment, and this also would raise problems each time the home owner grant was increased.

Mr. and Mrs. Jack Morphy of Saltcoats, Sask. and Mr. and Mrs. Harry Barbon and Mrs. Tony Hoeberer and daughter of Saskatoon spent holidays with Mr. and Mrs. O. Morphy. Visiting with Mrs. Lydia Johnston were her niece and husband, Mr. and Mrs. Russell Hurst of Ontario. Mr. and Mrs. Hurst were on their way to Kelsey Bay where they were boarding the new ferry for Prince Rupert. Visiting with Mr. and Mrs. George Stoll is Mrs. Stoll's brother-in-law from Basel, Switzerland.

## Joan Stump wed in Vancouver

Roses and carnations decorated St. Anthony's Catholic Church, Vancouver, on Saturday, August 20th at 11:00 a.m. when Joan Elizabeth, daughter of Mr. and Mrs. Robert Leon Stump of Peachland, became the bride of Leonard Wayne Yuen, son of Mrs. Nellie Yuen and the late Wallace Yuen of Vancouver.

Father J. Hanrahan officiated at the double ring ceremony and organist on this occasion was Miss Lilly Pearce of New Westminster. The newly-weds postponed their honeymoon trip until a later date. They will make their new home at 815 South West Marine Drive, Vancouver. Out of town guests attending were brothers of the bride, John and James Stump of Peachland, Miss Nancy Lefebvre from Nelson, Chris Bett and Shirley Malfait from Victoria and Mr. and Mrs. Phillips from Burnaby.

The radiant bride was given in marriage by her brother-in-law, Mr. Lionel Burnier of New Westminster. Her gown, a floor-length white corded brocade, featured a sleeveless fitted bodice, with an almost A-line skirt. A single rose head-dress held her shoulder-length three-tiered veil in place and she carried a bouquet of white carnations and pink gladiolus.

Mrs. Lynne Phillips of Burnaby was the bride's sole attendant and matron of honour. She was charmingly dressed in a cerise empire-waisted street-length gown with trailing white chiffon streamers. She chose matching accessories and white gloves. Her head-dress consisted of a single rose and layers of net and she carried a bouquet of carnations and gladiolus. Acting as best man was Mr. William D. Jones-Cook, of Surrey, and usher was Leonard Howard of Vancouver. At the reception held at the home of Mr. and Mrs. L. Howard of Vancouver, the bride's mother received, wearing a two piece dress of navy and white with accessories of beige and white, and chose for a corsage pink carnations. The bridegroom's mother assisted in receiving in a pale blue linen sheath gown with white floral hat and white accessories. Her corsage was also of pink carnations.

Proposing the toast was brother of the bride Mr. R. James Stump, and William D. Jones-Cook, best man. The lovely bride's table was centered with a two-tier wedding cake, topped with wedding bells and lily of the valley.

The Corporation of the District of Summerland  
**MUNICIPAL PROPERTIES FOR SALE**

- Lot 21, District Lot 476, Plan 219 in Prairie Valley, containing one acre, without irrigation. This parcel must be consolidated with the adjoining property on either the north or south boundary. Upset price \$400.00.

G. D. SMITH,  
Municipal Clerk.

August 24, 1966.

## Youngsters lost but recovered

On Wednesday, August 24, the RCMP received a report that Gerry Johnson (4) and Johnny Ducey (8) were missing. The two boys were located near their residence in Parkdale and were taken home.

On August 26, a rear-end collision occurred on Highway 97 in Peachland. Joseph Gvozdanovich of Vancouver was traveling north when he slowed down to make a left hand turn off Highway 97, in Trepanier. James N. Johanson of Summerland was apparently too close and could not stop in time, resulting in a rear-end collision with the Gvozdanovich vehicle. There were no injuries but Johanson is charged with following too close.

Another accident in Peachland took place Aug. 28 at 1:20 a.m. Terry R. Bramhill, Pentiction drove off Beach Ave. The car travelled 134 feet, taking with it a fence, and a power pole, which resulted in a power outage in Peachland and Westbank. Bramhill is charged with driving without due care and attention. He stated that he fell asleep at the wheel.

Richard Anderson of Summerland was travelling north on Lakeshore Ave. near Crescent Beach Aug. 27 at 1:00 a.m. when

**Hankins' home scene of shower**  
 Miss Barbara Allen was honored at a shower held at the home of Mrs. Tiny Hankins, on Sept. 1.  
 The room was beautifully decorated with pink and white streamers and bells.  
 Those attending were: Mrs. Tom Allen, grandmother of the bride-to-be; Mrs. R. Bangma, mother of the groom; Mrs. Ben Hankins, Mrs. Ron Dixon, Mrs. Richard Neal, Mrs. Jake Ganzewald, Mrs. Ron Andall, Mrs. Hans Hanson, Mrs. Don Field, Mrs. Harold Anderson, Mrs. Joe Unterhagen, Mrs. Deely Harrison, Miss Linda Keuning, Miss Cheryl Moore, and Miss Carol Hunt.  
 Those unable to attend but sending gifts were Mrs. Robert Dodds, Mrs. Carl Finch, Mrs. Junius Johnson, Mrs. Moore, and Mrs. Chas. Denike.  
 After the opening of the gifts, games were played, and a beautiful cake decorated for the occasion was cut.

TOM ROSE

Tom Rose, South Okanagan constituency New Democratic Party candidate was born in Welland, Ont. in 1923, but moved to B.C. at an early age and received his education in Kelowna. During the war he served first in the essential forest industry and then in the Army.

It was during the war that he met and married his wife, the former Verna Stansel and they have three children, two daughters and one son.

On returning to Kelowna after the war Mr. Rose took his first year of University at the Kelowna High School having in mind the teaching profession. With the financial pressure of raising a family he turned to the construction industry and then, in 1951, joined the working staff of McGavins bakery where in the ensuing years he worked at every phase of the industry.

He then became deeply involved in the Trade Union movement and, as President of the Kelowna Local of the Bakery and Confectionery Workers Union took a leading part in collective bargaining and watched with satisfaction as wages and working conditions gradually improved. He is now Secretary-Treasurer of the Provincial Bakery Council and has increased his knowledge throughout the years by attendance at Conventions both in Canada and the U.S.A.

Taking an active part in the Trade Union movement led him naturally into political activity. He belonged first to the C.C.F. then to the New Democratic Party of which he is now vice-chairman in the South Okanagan Constituency Association. He feels that acceptance of labor as an equal partner in the continuing development of the country can only be done by a New Democratic Party government, which would repeal the present anti-labor legislation in the province.

Mr. Rose has been an active director for many years of the Boys Club of Kelowna. In his spare time his interests are fishing, swimming and camping with his family.

**John Bennest, Richard Randall win scholarships for university**

British Columbia Government scholarships to help pay the cost of this year's higher education have been won by 3,306 students who wrote spring examinations at the University of British Columbia, University of Victoria, Simon Fraser University, Notre Dame University at Nelson, Vancouver City College, and the British Columbia Institute of Technology, it was announced by the Honourable L.R. Peterson, Minister of Education.

The Government scholarships for University students, along with 1,395 won by students who wrote Grade XII and Grade XIII examinations and which were announced last week, bring the total for the year to 4,701, compared to 3,897 last year. Mr. Peterson said the cost to the Government, including the amount spent on bursaries for needy students, originally was expected to be \$1 million, but with an increase of about 800 scholarship winners and a significant increase in the number of bursaries awarded, provision has been made for a supplementary \$90,000, bringing the total for the year to \$1,090,000. In 1962 the total was \$871,000.

Of the 3,306 University, College and Institute students, 715 won first class scholarships.

All winners of first class standings get one half of their tuition fees paid. Up to 3,500 winners with second class standings of seventy per cent or higher get one-third their fees paid. The figure was previously 2,750. Mr. Peterson said the Government had been pleased to raise the limit because of the significant increase in the number of students seeking high er education.

**Home-made bread, new fair category**  
 The Summerland Women's Institute have expressed concern regarding a new entry they are sponsoring in the Fall Fair this year.  
 They hope everyone knows they have included home-baked bread on their list and encourage homemakers to enter this category.  
 Fair chairman Jack Towgood, said Tuesday, he had received word from Agriculture Minister Frank Richter who will not be able to attend to bring official greetings because he is scheduled to be at the Grand Forks Fair on Saturday.  
 Contact is being made in an effort to have Premier Bennett at the Fair on Saturday night, but nothing was confirmed at press time.

**Area students win scholarships**

A total of 1,395 Grade 12 and Grade 13 students who wrote Government scholarships to help finance their higher education, it was announced by the Honourable L.R. Peterson, Minister of Education.  
 Scholarship winners in this area are, Richard Johnston and Helen Yeomans of Summerland, Margaret MacNeill, Peachland and Diane C. Waterman, Westbank.  
 Mr. Peterson said that 571 students won first class honors of 80 per cent or better and will have half their tuition fees paid by the Government. Thirty-seven of those wrote Grade XIII examinations and 534 wrote Grade XII on the University entrance programme. The scholarships will be granted if the winning students undertake a full year of study at the University of British Columbia, University of Victoria, Simon Fraser University, Notre Dame University at Nelson, Vancouver City College, Selkirk College, the B.C. Institute of Technology or in Grade XIII in the public school system.  
 In addition 824 students won second class awards and are entitled to have one-third of their tuition fees paid. Of these 219 wrote Grade XIII examinations and 605 wrote Grade XII

**President Cup up for grabs**

The 36-hole Medal Play for the President Cup will be held Sept. 11 and 18.  
 The cup is donated by president Robin Wright; Francis Stewart was last year's president. The winner is determined by the handicap subtracted from the score shot.  
 At the social evening to be held Sept. 17, the Match Play Championship Trophy will be presented to Geo. Taylor.  
 Last Sunday, John Tamblin was on the 7th Green when he was informed that his barn was on fire. He looked at the ball and then towards his home. It was a hard decision to make! See you at the Golf Club.

**Diamonds may be a girl's best friend. Real estate is an Investor's.**

Diamonds are attractive. Real estate is more so. And it brings income, through recession or inflation. If you're considering an investment in office buildings, apartment houses, shopping centres, or even undeveloped land, consult a real estate board member.

RECEIVES R. N. DEGREE

Miss Eleanor Martin of Summerland has completed her nurses' training and graduated from St. Paul's School of Nursing on Sept. 4. Eleanor has left for Sarnia, Ont. where she will take up her duties on the staff of the General Hospital. She received her education in Summerland and took Grade 13 in Penticton before entering St. Paul's.

LET'S GET NEWSY . . . . .

Visitors for the weekend at the home of Mr. and Mrs. Norman Reid were their son Bob and son Allan and his wife, Kathy.

Carolyn and Ed Menu and sons Michael and Gregory of Edmonton, Alta., are visiting with Mrs. Menu's parents, Mr. and Mrs. Norman Reid.

Mr. and Mrs. C. B. Snow spent the holiday week end at Trail with the Bob Weitzel family.

# Power squadron go to Arrow Lakes

The Summerland Power Squadron enjoyed a weekend out during the Labor Day holiday in the Arrow Lakes country.

## Shower for Francis Braniff

Miss Frances Braniff was honoured at a shower recently. Her marriage to Mr. John F. Zima took place Sept. 3.

The miscellaneous shower was held at the home of Mrs. C. Adolph. Mrs. Adolph and co-hostess, Mrs. Anne Johnson presented the bride and her mother with rose corsages. Mrs. J. Goodland fashioned a lovely hat from the many lovely ribbons.

Yellow and pink decorations were used and a decorated clothes basket held the many and varied gifts. Games were played and a delicious lunch was served.

Those in attendance were Mrs. G. Braniff, the bride's mother, Mrs. Goodland, Mrs. Fountain, Mrs. McCutcheon, Mrs. McDonald, Mrs. Logie, Mrs. Davidson of Gull Lake, Sask., Mrs. Utterhagen, Mrs. L. Shannon, Mrs. Vi Elliott, Mrs. Brind, Mrs. F. Bennison, Mrs. L. Derosier, and Mrs. Irene Adolph.

Those not attending but sending gifts were Mrs. May Campbell, Mrs. G. Wilson, Mrs. H. Clark, Miss Audrey Clark and Miss Denise Bennison.

Saturday morning they loaded their boats on trailers and travelled to Needles, B.C. Four units and 17 members went from Summerland.

They were met at Needles by the Castlegar Power Squadron who piloted them up channel to upper Arrow Lakes to St. Lyan Lodge.

Sunday they spent sightseeing during the day and participated in a steak barbeque in the evening. They returned home Monday.

Members of the Yacht Club were invited to take in the weekend, but none were able to be present.

LET'S GET NEWSY . . . . .

Visiting with Mr. Vern Charles are Mr. and Mrs. Lawrence Charles of San Jose, Calif.

Mr. Gordon Greber is home visiting his parents for a few days before returning to Trinity College, Langley.

Mr. and Mrs. Bill Barkwill have returned from a fishing trip to Salmon Point, near Powell River.

LET'S GET NEWSY . . . . .

Mr. and Mrs. Dinton E Smith and family of Quesnel were visitors with Mr. and Mrs. J. E. Smith and brothers for a few days.

LET'S GET NEWSY . . . . .

## This plan will do everything to get your youngster a college degree except pass his exams for him

You can't guarantee that a youngster now in high school will get his college degree. But you can guarantee that he will get the chance to try.

That's the essence of the Bank of Montreal University Education Programme — a comprehensive savings-loan plan that enables you to spread the cost of a university education over periods up to nine years.

You start payments when your boy or girl is still in high school and make the final payment a year after graduation. From the first deposit, the special life insurance feature guarantees that his or her education costs will be covered.

Your low monthly payments include interest charges totalling a small fraction of what you would pay on any straight loan programme.

This is a flexible programme . . . adaptable to individual education costs and payable over a varying number of years.

If you have a youngster in the first two or three years of high school now is the time to start. Drop into your neighbourhood branch of the Bank of Montreal and let us fit the plan to your needs.

Then convince your youngster, the rest is up to him!

**PS:** If you need help financing a student already in university — or planning to register this year — talk to your B of M Manager. Chances are he can arrange a tuition loan with extended payments adapted to your circumstances. Or, if your youngster qualifies for a loan under the Canada Student Loans Plan, send him to see the B of M.

**KEEP B.C. MOVING AHEAD!**

*with more and better programs for people*

Under Social Credit administration, per-capita spending on health and welfare services is already 35% higher in British Columbia than in any other Canadian province. During the next seven years your Social Credit Government will increase social assistance rates even more — and further increases will be made to the blind, retarded and infirm.

Your Social Credit Government already pays the highest old age pension bonuses in Canada. During the dynamic years ahead, these bonuses will be steadily increased to further improve the living standards of our senior citizens.

Under your Social Credit Government's massive hospital construction program more than 650 new hospital beds are now being provided. Further projects involving 1,878 more beds are in the advanced planning stage. In addition, your Government will co-operate fully with local authorities to provide new facilities for the chronically ill.

Your Social Credit Government already has spent more on education than any previous administration in the Province's history. This expansion of facilities will be continued at all levels — elementary and secondary schools, universities, technical institutes, vocational schools and employment retraining facilities.

The Social Credit Government pioneered the "money-for-marks" plan which pays part of the tuition fees of many university students. This widely acclaimed plan — still the only one of its kind in all of Canada — will be extended to include thousands more students, and the percentage contribution of fees paid by the Government will be increased even further.

**A TOTAL WRECK**

This is what William Millar's car looked like after leaving the road, coming to rest 75 feet down three miles south of Peachland on Highway 97. The Vernon man lost control when he hit the right shoulder. The car was a total wreck and the driver was taken to the Kelowna hospital with possible back injuries, cuts and bruises. Judging from the condition of the car, he is fortunate to be alive.

## Car total wreck after 75 foot fall

September 3 at 7:45 a.m. a local juvenile was proceeding south on Lakeshore Dr. near Wilf's Tent and Trailer Camp when he lost control of his vehicle. The car turned completely around before going down an embankment. Damage amounted to \$500. No injuries resulted and no charges were laid.

Richard K. Anderson appeared before Magistrate Johnston Sept. 3 and pleaded guilty to driving without due care and attention. He was fined \$50 or in default, 45 days. His driver's licence was also suspended for 60 days.

Also appearing before Magistrate Johnston on Sept. 3 were G. W. Kroll, John W. Calk and David J. Cheswick of Oliver. They were found guilty to contributing to the delinquency of a juvenile female. They were each fined \$300 or six months. The charge was laid Sept. 1 in Summerland.

Sept. 5 at 3:25 p.m. an accident occurred on Highway 97, three miles south of Peachland. William G. Miller of Vernon was proceeding north when his car hit the right shoulder of the road, taking the car over a 75 ft. embankment. Mr. Miller was taken to the Kelowna Hospital by ambulance suffering from possible back injuries, cuts and bruises. The car was a

total wreck. RCMP are still investigating.

### Rotary picnic this Sunday at Government camp

Members of the Summerland Rotary Club were reminded of the area picnic Sunday, Sept. 11 at the government camp north of Summerland at their regular meeting Friday night.

All valley clubs will be represented. It is being arranged by the Pentiction club with assistance from Summerland.

Secretary S. A. MacDonald reported the Swimming Pool Fund has increased from \$400 the previous week \$495 and he anticipates more contributions in the near future.

Guests were from Pentiction, Vancouver and Lacombe (Alta.) Gordon Smith, had as guest a cousin and former resident of Summerland, Alex Smith, who now teaches school in Vancouver.

Mr. and Mrs. Al Boyes and family have been visiting Mr. and Mrs. O. Morphey.

Howard Oxley returned last week from a trip to Mexico. After visiting for a few days with his mother, Mrs. R. S. Oxley, Howard left for Ottawa where he has a position with the research branch of the Bank of Canada.

## Construction down in Summerland

Construction values are down \$68,825 over the same period last year in Summerland according to building Inspector John Khalebach's monthly report to the Municipal Council.

Total permits issued for August was 9 for \$72,250 compared to 20 last year for \$119,280.

For the first 8 months of this year, 109 permits have been issued for a total of \$516,255 compared to 119 for the same period in 1965 for a total of \$585,080.

All building during the month was residential, with the exception of \$200 for accessory buildings.

Thursday, September 8, 1963 Summerland Review — 7

### Please . . . please not by default

It is election day in British Columbia on Monday. It would be the upset of the century should the Socreds be unseated in Victoria.

The Liberals and NDP's are making a game try, but privately, and sometimes not too privately, they will agree that they will not take over the government at this time.

The important thing is to provide the government with a strong - yet just - opposition. It is essential to make our parliamentary system function.

In Summerland, in his acceptance of nomination speech, Mr. Bennett called for all political parties to rally with him to give Social Credit the largest majority yet - providing to the world people are solidly behind the present government.

Should this happen, it would only prove we all think alike, we will deteriorate. Opposition is an essential factor in both business and government.

Mind you, it cannot be expected that the Socreds would tell us to vote for one of the other parties because they need a strong opposition either.

British Columbia has made progress under the leadership of Premier Bennett. They have done well. Bennett is a man to get things done. Other parties have not proved to the people of the province they are strong enough to form a government and the voting will go accordingly.

Leadership ability is evident in B.C., Alberta, and Saskatchewan, Manitoba - more so, than in the federal field and Western Canada can well be proud of their progress. The west is making a great contribution to Canada.

Most of you received the copy of the Social Credit government's manifesto for the next dynamic years.

Be the government Social Credit, Liberal or NDP the increase in service such as schools, universities, hospitals etc. are nothing more than automatic with the increase in population. Who ever is in power, they would have to supply these facilities.

It seems rather like double talking when on one side the province is described as one of great opportunity, a province with a solid future and increased security and at the same time have to offer a \$500 grant to those who are willing to build a new home.

Here we are assisting the people who are the hope of the future, the people who have the opportunity of taking advantage of the growth of the province and to prosper as a result. Why help them? They can and will help themselves.

For every dollar your government helps you, you give a little bit of your hide. A solid citizen is not built by gifts, but by hard work. An elementary rule taught in the home.

The province is progressing - there are untold opportunities here - then why in the name of common sense should we subsidize the man who is reaching or is about to reach his maximum earning power?

This money would be better spent if used for chronic hospitals. The prospective home owner would not begrudge the government of this one bit.

There are two candidates running against W.A.C. Bennett in this riding but they were far from ready.

Leo Matte is running on the Liberal ticket, and Thomas Rose on the NDP. They were not organized in any sense of the word so will only present a token opposition. There was little or nothing done prior to nomination day, in the way of organization.

People vote for the political party yes - but they also vote for the man. It is not fair to the electorate to ask for their support when so little is done to deserve it. There is more to running as a candidate in an election than having your name placed on the ballot.

This is not to influence you in your vote on Monday - this is a wonderful freedom we still, and we hope, always will enjoy. But we do urge you to get out and vote. We don't want anyone to win by default, and the winner by default could be anyone.

## FROM OUR FILES . . .

### BACK FILES . . . 41 YEARS AGO

Lake Okanagan's pesty famous "sea serpent" has now been seen at close quarters by one who cannot be termed a "landsman" and who therefore ought to be an authority. Capt. Roe of the Skookum saw the grisly monster on Monday afternoon and says that if he had a gun with him he could easily have settled the identity of the "demon fish" once and for all, perhaps.

Capt. Roe, who had a very good look at the animal, expresses the opinion that it is a big seal. He noticed the blunt head, described by others and also saw, what he took for large wrinkles on the back of the neck. He estimates its size at about four or five feet long.

The seal theory is something new and can more be red accepted than many other explanations offered which have ranged from a real seaserpent, a pre-historic monster, an American Manati or sea cow, a sturgeon, a log, a upturned canoe, a beaver, a mirage and the suggestion that witnesses had been partaking too liberally of lake. Capt. Roe, however, supported by "home brew" prior to venturing out on the

passengers in the boat, in his assertions regarding the monster.

The Review overheard the assumption that the mysterious inhabitant of the water is in reality a "sea-serpent" being discussed in all seriousness. "But it couldn't be a sea-serpent!" one person declared, who had apparently a knowledge of the habits of that extremely rare animal, "a sea-serpent can't live in fresh water".

Mr. and Mrs. Russel Williams and daughter Ruth who have been staying at the home of Mrs. Estabrook for the past two weeks returned to their home at the Coast Saturday morning.

Miss Jean Blewett returned on Sunday morning after having spent a two week vacation there.

After spending her vacation at her home here Miss Bessie Moffatt returned to Grand Forks, where she will teach Grade 7 for another year.

Mrs. E. Hawkins came in Saturday morning from Crofton B.C. and will remain two weeks, visiting at the home of Mrs. R.H. English and Mrs. F.R. Gartrell.

### Bridge results

Eleven tables took part in the weekly Bridge Day held in the Rosedale Room of the Royal Canadian Legion on Monday evening.

Out of town visitors were: Mr. and Mrs. R. L. Able, and Mr. and Mrs. W. Whytock, Edmonton, Alberta.

N.S. - 1. Mr. and Mrs. Ray Crosby, 2. Mr. and Mrs. Ray Stewart, tied for 3. Marg Berry and Jack Lockie; Mrs. Hilda Able and Mrs. eParl Whitock.

E.W. - 1. Erid Maynard and Ann McClymont; 2. Mr. and Mrs. J. D. Nelson; 3. Bill Whytock and Bob Able; 4. Mrs. Iras Gartrell and Mrs. A. Field.

### Adequate orchard help available until start of apple picking

The National Employment Service has made an appeal to all apple growers in the Okanagan and Similkameen Valleys who have orchard accommodation and who will be requiring pickers to harvest this year's apple crop.

The National Employment Service, in cooperation with the British Columbia Fruit Growers Association and the Department of Indian Affairs, is endeavouring to recruit Native Indian worker to help alleviate an expected labour shortage in September.

Since the recruiting has to be done in remote areas of the province, it is imperative that it get underway without delay.

The 1966 season to date has been successful, in so far as the labour supply and demand situation is concerned. The success is due mainly to the full co-operation of all those involved and concerned.

Apple growers who wish to hire groups of four or more of these Native workers should place their orders with their respective National Employment Service Farm Labour representative immediately.

### LET'S GET NEWSY . . . . .

Mrs. Geo. Steele has just returned from a three week holiday to Prince George, Vancouver and Stewart Lake. While in Prince George she attended the wedding of the late R. P. Hobson, an old family friend. Mrs. Harry Stokes of Kamloops accompanied Mrs. Steele.

Michael Inch has received word that he has been awarded a government bursary of \$120 to further his studies at U.B.C. This is in addition to the scholarship he received last week.

DON'T MISS THE BEGINNING OF A GREAT NEW STAGE IN BRITISH COLUMBIA'S FUTURE

## A check on your tax notice may reveal a tax saving

A Summerland resident appeared before the Summerland council Tuesday night, because he had found out that he had not been getting the full benefit of the home owners grant as it effected his property.

Mr. Ted Logie, told council, he owned four, 25 ft. lots. According to his tax notice, his house was situated on one of the 25 ft. lots, when actually his residence is on part of three lots.

Due to the fact his 35 ft. house was shown as being on a 25 ft. lot, he was not getting the full advantage of the home owner's grant, in that he was paying for the other two lots as separate parcels when they should have been included as being part of the parcel of land his home is situated on, hence becoming eligible under the home owner's grant act.

It was his desire to amalgamate the three lots into one, which, he was told was possible.

Logie wondered how many other people in Summerland had the same situation.

He had previously contacted Municipal Clerk Gordon Smith in this regard, and was told it was his own responsibility to make the municipal office aware of this and that he should talk it over with Assessor Joe Sheeley.

Mr. Sheeley said his lots could be grouped if the buildings extended over the other lots.

Logie felt it was the responsibility of the municipality to make it known to the people that lots could be amalgamated. He said he had overpaid \$45 over the last two years because of this misunderstanding.

Assessor Sheley had instructed Collector Miss Atkinson to group the Logie lots after he had contacted him.

Reeve Holmes said it is up to the owner to apply for this, "it is not up to the assessor."

Solicitor Frank Haar said Mr. Sheeley works under the Assessment Act only, not under the Home Owner's Grant Act where he has not jurisdiction and pointed out that this problem was under Home Owner Grant legislation.

Councillor Schaeffer felt the Assessor should know whether the improvements are on one or more lots or not.

Smith said Sheeley had made a survey of such situations and has corrected them "but he has done this on his own, he is not expected to do it."

**OTHER COUNCIL BUSINESS**  
The population of Summer-

This did not include residents who were enumerated at other points in B.C. which would show in the final figures.

Planning Director John Northey, in a letter to council said more accurate information should be obtained from sub-dividers before approval is given by the planning commission.

He said they should produce a legal plan of the area to scale, showing boundaries, location of buildings drawn to scale and all underground services.

He said topographic information should be insisted upon showing changes in contours of over five per cent. All briefs and cutbanks should be indicated.

Council agreed with this and passed a motion to accept it as future procedure.

Regarding the safeguards from vandals at Powell Beach, it was left to the Parks Board.

Councillor Hill said they had ordered lights for the area, and said it was a possibility that this would be sufficient to keep night prowlers out.

Reeve Holmes said the police thought it would be a good idea to fence the area and install a gate at the entrance, but they had not discussed street lights.

He said it would be cheap regardless of how it was done when the damage done to the area is considered. Damage to the toilets, beer bottles on the beach and so on.

The locking and unlocking the gate would present a problem. Someone would have to clear the area at a designated time and the gates would have to be opened in the morning as well.

It was left to the Parks Board. A tender for the purchase of the land joining the Chas. Grazley property was received from Mr. Grazley for the upset price of \$3500. There are 13 acres. This being the only tender, it was accepted.

Council members will meet tonight (Thursday) to open the bids for the hospital debentures at 7 o'clock. Clerk Smith said he had three inquiries, but did not expect their bids in until Thursday morning.

**BIG FLOWER SHOW WINNER**  
Here are Mr. and Mrs. E.H. Bennett, who are capable of growing some of the finest flowers on the continent. They won the grand aggregate Palmer Memorial Bowl for the most points at the Horticultural show at the Summerland Fall Fair Saturday. Here Mr. Bennett holds an arrangement of the grand aggregate roses that won first place in that class.

## Stores open until 9:00 Friday nites

A meeting Friday night, of the Summerland Business and Professional Service Association changed Friday business hours at a meeting attended by eleven business men. In the past, stores have been open from 8:30 a.m. to 8:00 p.m. during the "winter hours". There was the feeling that 8:00 p.m. closing did not give workers enough time to get home to dinner and get down-

### Kinsmen float leads kiddies parade

Escorted by RCMP Cpl. Bud Stohl, the Summerland Kinsmen float carried Queen Rita Rusaw, Princess Pat Gillespie and Dianne Selinger to lead the kiddies parade, on Saturday afternoon, a feature of the Summerland Fall Fair. They were judged at the Memorial Park (results elsewhere in this issue) then moved off to Victoria Road and west down Main Street to the arena.

### Door prize winners

Door prizes won at the Summerland Fall Fair were Mrs. A. P. Lepper, Billy MacDonald, Michael Smart and L. Dingwall. Ticket number 30105 was drawn but the holder did not come forward to claim the prize. Visitors with Mr. and Mrs. F. F. Beulah are Mr. Beulah's parents, Mr. and Mrs. F. C. Beulah of Victoria; his aunt, Mrs. Grace Macowen of Vancouver and his brother Douglas Beulah.

## Summerland pair swim across Okanagan Lake in two hours

A pair of Summerland swimmers made it across the Okanagan Lake last week. Dan O'Reilly and Janice Beggs took off from Crescent Beach Thursday and arrived at Naramata two hours later. Watching closely from a boat was Jack Barkmill and Susan and Hugh O'Reilly. Dan is 14 years and Janice 16. Janice was one of the swimming instructors at Rotary Beach this summer.

## 10 hour nightmare for Helen Liebert

"Thank God you're here!" These were the first words Victoria University student Helen Anne Liebert, 17 of Summerland, said when rescuers found her lying badly injured 100 feet below the Hope Princeton Highway near treacherous Whipsaw Creek Bridge west of Princeton. She had been there for 10 hours before an unidentified prospector heard her cries for help and brought police and an ambulance to the scene. Her ordeal began at 6 a.m. Saturday when her small convertible sports car blew a tire, swerved across the highway and plunged down a 150-foot embankment. RCMP at Princeton said Miss Liebert crawled up the rocky mountainside for 50 feet despite a badly fractured left leg and

help, clambered down to the highway and stopped Hammer. Hammer had just reached the girl and was giving her a cigarette when R.C.M.P. Const. Bob Garlough, on routine patrol, reached the scene. He quoted the girl as saying: "Thank God you're here! I couldn't have spent another night here." The officer said she was clad lightly in a skirt and sweater and deathly cold and in much pain. A basket stretched and ropes were used to lift her up to the highway where she was taken to hospital in Princeton and transferred Sunday to Vancouver General Hospital.

She told police she left her parents home in Summerland two hours before the accident for Victoria where she was to have registered for this year's term at Victoria University. Mr. Liebert said Tuesday night, she was feeling the effects of shock, and at that time was under oxygen with special nurses 24 hours a day. He said she seemed so bright when they rushed to the Princeton hospital to see her but he felt she was still "running on nerves at that point" and the shock came later. Mrs. Liebert accompanied Helen in the ambulance to Vancouver and is still at her side at Vancouver General Hospital.

## Many trophies won by flower lovers at Fall Fair

E.H. Bennett was the Grand Aggregate winner of the Palmer Memorial Bowl at the Summerland Fall Fair. He scored 49 points, runnerups were Tom Manning with 30 points and W.G. Snow with 25. Manning was awarded the W.H. Malkin Cup for his dahlias, 5 varieties and Snow the C. Napier Higgin Cup for his annuals. Bennett won with his three classes of begonias. Also awarded trophies Saturday evening were Jim Marshall, Noca Cup for his asters, Doreen Tait the Nat May Memorial Trophy for her one bloom dahlia, and Mrs. Alex Inch the Tait Memorial Bowl for the arranged bowl for table decoration.

## It's Bennett again

Premier W.A.C. Bennett posted another landslide victory in the South Okanagan in the provincial election Monday. According to Returning Officer Harvey Wilson, Bennett, Social Credit candidate received 8'33 votes; NDP Thomas Rose 1913 and Liberal Leo Matte 1,237. Here is how it went by polls:

	SC	NDP	Lib
Bear Creek	8	3	1
Benvoulin	374	130	50
East Kelowna	240	81	45
Glenmore South	71	19	5
Kelowna	4412	911	668
Okana. Miss.	407	88	132
Peachland	221	59	25
Rutland	1022	271	73
Summerland	1318	279	202
Westbank	455	72	36
Joe Rich Valley	5		

There were 61 rejected ballots.

### No charge at Costco Mucha

The Costco Mucha & More Cabin is to hold an open house, corn and wiener roast and a birthday party in honour of the many club members' birthdays. Everyone is welcome, just bring your own corn, wieners and buns, the rest will be supplied. Everyone is to meet at the mill above Peachland on Pannask Lake Road, 2:00 p.m. Sunday, Sept. 25. Transportation will be provided from here if your vehicle cannot make the rest of the trip. All age groups are welcome.

## Loan Paid and still in black

Summerland Fall Fair Treasurer, Preston Mott said Monday, the gate receipts were greater this year than last. He estimated that there were over 1,500 who took in the one-day show. The 1965 fair lasted two days. Total taken in at the doors Saturday was \$840. Without all invoices or receipts in some departments in, it was difficult for Mr. Mott to estimate the financial picture, but he thought the day would come out in the black between \$400 and \$600. There is a \$200 bank loan to repay after a deficit was experienced last year. The number of exhibits was about the same as in 1965. Possibly there were fewer items in the art department he said but he was not sure of this. Entries in hobbies and vegetables were greater. He praised the cooperation

### Peachland couple are honored

PEACHLAND — A surprise Silver Anniversary party was held Aug. 29 at the home of Mr. and Mrs. A. Strachan on Beach Ave. Friends of this popular couple gathered to convey their good wishes on this special occasion, attending were Mr and Mrs. C. Hoy of Kelowna, Mr. and Mrs. G. Swartz and Mr. and Mrs. A. Coldham, Mr. and Mrs. A. Oltmans and Mrs. C. Ulbrich of Trepanier; Mr. and Mrs. H. Thwaite, Mr. and Mrs. A. Topham, Mr. and Mrs. J. Clements and Mr. Van Zandbergen of Peachland. A serving tray and a salad bowl rimmed with silver was presented to the couple to commemorate this happy anniversary.

## Improvements requested at Powell Beach

Editor, Summerland Review, Sir: I read that council members of Summerland were going to look into a problem at Powell Beach, regarding lighting and putting of cables between posts to curb parties. But I feel there is also a far more important problem at Powell Beach. This is cleanliness of our main beach for Summerland. The sand on the beach area is filthy and littered with broken glass. My children, and others were cut by the glass not only this summer but last summer also. Has this community not enough pride to keep its main beach clean not only for its local residents but also for the many tourists. A lot of Ameri-

cans and even residents of Pen-ticton use our beach in the summer time. I would like to know why Summerland could not bulldoze some sand off the beach area and into the water, then hire the beach cleaner from Penticton. The change rooms are not fit for a 12 or 13-year-old boy or girl to use with some of the language written on the walls. I am only a renter in Summerland and not a land owner, but there are land owners that are interested in getting this area cleaned up, if not, please turn Powell Beach over to the Provincial Parks Department so that Summerland residents can again be proud of their beach. J. C. HORNBY

## Under The Giant's Head

By KEITH BERGH  
From out and away from the Giant's Head, we doff our hat to the Innisfall (Alberta) Province, who each week, carries a column on B. C. pioneers, in commemoration of our centennial year. More of us should exchange a bit of our neighbouring province and possibly there would be more understanding. We do have more in common than Social Credit, you know. Did you read and see where the latest in ladies' fashion is painting pictures on their legs and freckles on their faces. Guess it is only fair that those with freckles should be on the top of the fashion ladder for a change... but those with dirty legs... that's another thing.

Shoppers should take note that a Summerland merchant has decided to stay open until 9 p.m. on Friday nights rather than the usual 8 p.m. to give customers more time after dinner to get downtown. Tom Ritchie asked me to remind those pioneers who have application forms to fill out, to do so, and give them to the Centennial Committee secretary, Nan Thornthwaite at B.C. Shoppers. Congratulations to the Summerland Japanese Society for the dandy job they did decorating the Tea Garden at the Fall Fair. It, and of course the costumes of the lovely hostesses added much to the show.

Just a little comment to some school students who have their noon lunch on the lovely grass in Memorial Park. Your garbage is showing. Say, I thought the Bennett boys had the exclusive use of the word "dynamic". Not so... the Liberal candidates have apparently heard it so much they couldn't help themselves. They were using it on TV many times during the campaign. A friend of mine said they weren't saying dynamic, but damnit. We owe the family of the late R. P. Hobson an apology for a slip of the tongue last week. We said Mrs. George Steele had attended the wedding of Mr. Hobson, when in fact it was his funeral. Very sorry.

Here are some sharpshooting members of the Summerland Rod and Gun Club who won awards over the weekend. Proudly holding their trophies are from left to right, Harold Richardson, Len Shannon, Carole Shannon and Ken Nielsen.

Len Shannon won high Aggregate with 129 points for the Powell Challenge Trophy as well as the Monro Cup for 46 points for the 200 yard competition.

Carole Shannon in the 500 yard class was credited with 45 points and the Summerland cup. The Adams Gartrell Memorial Trophy and 44 points went to Harold Richardson for 600 yard proficiency and Ken Nielsen, Jr. Aggrate with 92 points and the McGarger Trophy.

### Slight increase in school enrollment in Summerland schools

The office of the Summerland School District reports an increase of thirteen students this year over last September.

In the MacDonald school are 544 compared to 549; Trout Creek school 111 compared to 125 last year and the Secondary school is up to 527 from 549 last year.

### George Taylor and Pat Minchin leading in golf tourney

Here are the first round leaders in the medal play championship now in progress at Sumac Ridge Golf Course for the President's Cup.

These results were obtained after play on Sunday, when the finalists will be determined.

George Taylor	83	13	70
Pat Minchin	89	19	70
Wilf Evans	85	14	71
Bud Stohl	88	12	76
Warren Parker	94	13	76
Francis Stewart	95	19	76
Bill Croft	95	19	76
Ken Williams	93	16	77
Ken Nistor	95	17	78
Bernie Hume Smith	97	17	80
Hilly Smith	102	22	80
Geo Uzawa	97	16	81
Peter Beulah	101	19	82
Vic Parker	102	19	83
Joe Sheeley	99	22	83

Club members and their friends will hold a supper dance at the clubrooms on Saturday night. Live music will be on hand and the presentation of the Sumac Ridge Golf Match Ploy Trophy will be made. Reservations must be made today by phoning Sumac Ridge.

See you at the Golf Club.

### PEACHLAND SOCIAL NOTES

By BRENDA DAVIES

PEACHLAND — Mr and Mrs F. Wilson of Beach Ave. left on a trip to the States where they will visit Mr. and Mrs. C. Payne at Dayville, Oregon and Mrs. Wilson's sister Miss U. V. Davies at Lake Oswego, Portland, Oregon.

Spending a week home between semesters was Roland, son of Mr. and Mrs. C. O. Whinton. When returning to Simon Fraser he received the good news that he has been awarded another B.C. Government Bursary, his fourth. This time for \$120. His marks for last semester were a B average. Congratulations, Rolly.

Back home again after a fishing trip to the Revelstoke district are Mr. and Mrs. C. O. Whinton, while away they visited with friends, Mr. and Mrs. P. Swanson of Victoria at their summer place at Mara Lake.

Visiting his great-grandparents, Mr. and Mrs. Fred Horner is Fred Grey who leaves at the weekend to begin his second year at Notre Dame University, Nelson.

Mr. Horst Geisler left last week on an overseas trip which will take him to East Germany and Austria. The highlight of the trip will be a visit to his parents in East Germany whom he hasn't seen in 23 years.

A pleasant social occasion took place last Sunday when Doctors A. and E. Wells entertained members and wives of the Okanagan Library Board to a buffet luncheon at their home

on Sommerset Ave. Dr A. Wells is Peachland's representative on this board.

Visitors at the home of Mr. and Mrs. G. Swartz, Trepanier last week were Mr. and Mrs. E. Rosolowsky and family from North Surrey, and Mr. and Mrs. A. Green and Bill Boyd from Haney.

Dana Davies and Maureen Todd, two George Pringle '66 grads left for Nelson where they will attend Notre Dame University taking a medical secretary course.

Home again for a short while after a wonderful trip in Europe are Margaret MacNiell and Jennifer Sanderson. Margaret intends to enter U.B.C. this fall and Jennifer will be leaving at the weekend to register at the University of Victoria.

Brian Flintoff left Monday for the coast. Brian will be a Freshman at Simon Fraser this fall.

Another '66 grad left Monday for Nelson. John Topham will take a commercial art course

Home again after a delightful trip are Mr. and Mrs. Stan Elstone. Their journey took them to Dawson Creek, Peace River and Edmonton. One of the interesting highlights was an overnight stay, at Barkerville. They came home through Golden where they stayed for a couple of days visiting Mrs. Elstone's daughter and son-in-law Mr. and Mrs. I. Toews.

Fishing is reported as being excellent in the Peachland district this past week. Art Garro-way and party caught 21 fish in just three hours and another fisherman, Joe Chavalier reported a catch of 27. Even Pete Spackman got the fishing bug and tried his luck off the CN wharf and came home with a two pound rainbow trout proving that something other than cat-fish can be caught from shore.

Visiting the G. Fallowfields last week were Mr. and Mrs. G Dames and Valerie from Edmonton. They were accompanied by Mr. Dames' mother, Mrs. F. Dames from Banholder, Germany, who is at present visiting Canada.

Mrs. Peggy Rice has left to live in Kelowna, where she will attend the Kelowna Vocational School this winter. Mrs. Rice's daughter Marion will stay here with her grandparents, Mr. and Mrs. E. Niel.

Mr. and Mrs. V. Cousins are home again after a week's trip, accompanied by their daughter-in-law and granddaughter, they drove them home to Avola after which they went fishing at Aurora Lake and Blue River arriving home last week. Visitors at their home this week are Mr. and Mrs. G. Smith from Haney.

### Peachland Fall Fair Friday

PEACHLAND — Final preparations for the Peachland Fall Fair on Friday, Sept. 16 were made this week. President J. Hinter reported that all tables and tressels were ready and that the new chairs are expected to arrive any day. A committee to set up the hall was arranged with V. Cousins, J. Hinter and K. Domi in charge and all other members will assist this committee. Mrs. L. Ayres was appointed convener of the kitchen to serve the judges with lunch on Fair Day.

Price of admission was discussed and it was decided to charge 50c for adults and 25c for all students. It will include tea and a chance on the door prize—a fruit cake donated by McGavin's Bakeries.

Mrs. Hinter displayed a beautiful painting donated by Mr. H. Lyon, a local artist. It will be raffled at the Fair.

Members to serve on the prize committee are Mrs. V. Cousin, Mrs. K. Domi, Mrs. M. Goertz and Mrs. E. Sutherland. Arrangements to borrow dishes from Peachland W.I., fair's sponsoring body, were made and all members are asked to bring some squares for the tea.

Mrs. Hinter, chairman of the entertainment disclosed that special attractions that have been arranged for on Friday evening. Mr. H. Lyon will give a painting demonstration; Mr. A.M. Moore will have a rock display; Mrs. E. Tuner will give a spinning demonstration and his collection of Japanese mo-

del. One change this year is that containers for flowers will be available for all exhibitors that wish to use them.

J. Hinter reminded the committee of the Peachland Fair's long successful history — the first Fair, being sponsored 1919 by the Women's Institute, and expressed the hope that this year's Fair would be the most successful yet.

Summerland Review — 3

## The hope of the future

Many of our youth will be away to university within the next few days, some will have gone.

This brings to mind, all the copy we read about the unrest, protests, violence, riots and so on among university students.

It is unfortunate, but all students suffer from such publicity. Some feel that all students are in this violent category, when in fact it is only a very few take such action seriously and influence a few more to get in on the excitement.

We have talked to students about this and all agree the trouble stems from one or two radical crackpots who are not particularly interested in causing trouble. Many are dropouts who have no intention of going on with their studies.

A very large majority are serious minded students, who will have no part and take no part in these disturbances. Many get innocently involved by just hanging around to see what is going on, but have no intention of actually taking part.

We all know students who will head for houses of higher learning this year, and they are anything but thugs.

University students are human beings - and say as you like, it is but a very few people that can be classified as being any-

thing but kind and good.

Faults can be found in anyone - none are perfect. But it is much easier to find the good people - deserving of our respect.

Contrary to some who wish to cry doom and gloom, the youth of today are thinking - they will provide a future for this country. We will be in good hands.

School is open for another year. Youngsters have left home for the first time in their lives. They must become accustomed to the outside world without the protective hand of mother.

They will be on our streets, an experience strange to them. No doubt mothers and fathers have warned them of traffic, but it is our responsibility to do a little thinking for them when driving around town.

We must not expect them to take all the precautions necessary for a safe passage. They may dart out from parked cars, directly in your path. They know better, but they momentarily forgot. It is our duty to do a little thinking for them.

The record of school children safety is an enviable one, motorists and students must be commended for this - but don't let up now. A heavy responsibility rests on the shoulders of the travelling public.

## FROM OUR FILES . . .

### 25 YEARS AGO

Mr. D. L. Milne, principle of the high school, with his wife and family, have taken up residence in the Solly cottage, West Summerland.

Mr. and Mrs. Howard Daniel's, who have returned to Summerland, have taken up residence in Victoria Gardens district, occupying the J.O. Smith house.

Misses Doris & Lillian Mitchell have returned to Summerland after visiting with Mr. and Mrs. H. Mitchell, Moose Jaw. They will remain with their Aunt Mrs. Ritshie.

### 50 YEARS AGO

Mrs. Ron Sinclair of Vancouver is visit-

ing with Mrs. Hespeler.

Mrs. Geo. Gartrell is now visiting at the Coast.

Mrs. James Conway returned on Wednesday morning from a visit to her daughter, at Steven's Camp, near Romeo, eight miles beyond the Coquihalla Summit. She went over to Princeton with her son, J.R. Conway, in his Ford last Tuesday, and from there went on to Romeo, where her daughter, Mrs. Behan, is residing with her husband.

Geo. Robinson came down from Peachland this week and took home his new Ford car which he has purchased from B.L. Hatfield.

### LET'S GET NEWSY . . .

Mr. and Mrs. Lowell Laidlaw of Williams Lake were here over the weekend.

Mr. and Mrs. Leslie Rumball were in Kamloops attending a Super-Valu stores convention.

Mr. and Mrs. J. S. Kirk have returned from a trip to Seton and Pavilion Lakes near Lillooet.

Miss Carol Madsen has gone to Arcata, Calif. where she will attend Humboldt State College.

Guests of Mr. and Mrs. J.S. Kirk last weekend were Mr. and Mrs. Frank Matthews of Kaslo.

Mr. and Mrs. Val Spearing and daughters were here from Trail over the weekend.

James Munn has gone to Vancouver to attend City College.

# Doug Hill Brings civic greetings

Reid Johnston was the master of ceremonies during official greetings at the Fall Fair Saturday night.

Councillor Doug Hill spoke on behalf of the council and the community in the absence of Reeve Norman Holmes.

He said the amount of work done to present a fair was obvious in the many displays and exhibits taking part.

He praised the fair committee, the community and the exhibitors for their very large contribution to Summerland in presenting such a show.

Summerland Queen Rita Rusaw and Princesses Pat Gillespie and Dianne Selinger were presented, who each in turn offered their warm welcome to the good crowd gathered.

Summerland's Good Citizen, Dave Taylor was on stage and spoke briefly about the part the fair plays in the community and encouraged participation in this and other community projects.

Chairman Johnston announced that Fair Chairman Jack Towgood and his wife would be

leaving for an extended tour of various world points, including South Africa where they will visit their son next month.

The crowd responded to wishing the busy chairman and Mrs. Towgood well on their trip.

Member of Parliament David Pugh, was at the Fair during the afternoon and was invited to take part in the official program, but was unable to due, to previous commitments.

Lois Goodland presented a few solos and accordion numbers.

# Sports season underway

by Ron Kostelnik

The sports season is underway with soccer and grass hockey the first items on the agenda. Players are fighting for positions on the Jr. and Senior grass hockey and soccer teams before league action starts. First league action will see the Juniors and Seniors travelling to Princeton Saturday for a soccer double header. The first home action will be on the 21st when the Junior soccer and grass hockey teams tangle with the Princeton Margaret squads.

Six senior and six junior teams will compete in an eight team league consisting of Penicton, Oliver, Princeton, Keremeos, Osoyoos, McNichol Park, Princess Margaret and Summerland. Following soccer and grass hockey will be basketball. To all the teams we wish them good luck in bringing glory to Summerland and especially to the Grade 12's.

### INTRAMURIALS

The four intramural leagues comprised of senior and junior boys and girls will again add sport excitement as they will be trying to dethrone last year's champion wining division. Activities such as grass hockey, soccer, volleyball, basketball, table tennis, track and field, etc. will be carried on throughout the school term.

ART HUNT

INTRODUCING . . . . .

## Art & Nina Hunt

Now proprietor of the business known as

## FISHER'S SHOE STORE

EFFECTIVE SEPTEMBER 6

Tom and Betty Fisher wish to sincerely thank the many patrons who have supported them for so many years.

It is with the same sincerity that they ask the people of Summerland and Peachland to continue to favor Art with their valuable business.

Mr. and Mrs. Hunt pledge to give their customers shoes of high quality and satisfaction, and welcomes you to drop in to get acquainted.

In the future the business will operate under the name,

## HUNT SHOES LTD.

SUMMERLAND

## Happy couple to reside in Calgary following honeymoon

St. Stephen's Anglican Church was the setting of a double ring ceremony on September 3, at 4:00 p.m. when Frances Lorrain Braniff of Calgary became the bride of Mr. John Franklin Zima of Calgary. She is the daughter of Mr. and Mrs. G.T. Braniff of Summerland and Mr. Zima is the son of Mr. and Mrs. F.J. Zima of Calgary, Alta. Rev. Norman Tannar officiated.

Given in marriage by her father, the bride wore a formal length gown of lace embroidered poie de soie over satin, featuring lace bodice and lily-point sleeves. A headdress of white roses and pearls held the waist length four-tiered veil trimmed with imported lace. She carried a beautiful bouquet of cascading sweetheart roses and stephenotis.

Maid-of-honor was Marg Reglin of Kelowna and bridesmaid was Eleanor Balabuck of Calgary. They were gowned in pastel yellow formals of heavy crepe featuring white lace bodices, headdresses of yellow roses, colonial bouquets of yellow roses and pink carnations.

Best man was Mr. Mark Edwards of Calgary and ushering duties were shared by Mr. William Phillipchuck and Mr. Mike Zima of Calgary.

The Church was decorated with pink and white gladiola and the organist was Mr. Lupton of Penicton.

For the reception in the IO-OF Hall, which was decorated in the pink and yellow theme, the bride's mother received wearing a white suit and hat and pink accessories with a corsage of pink roses. The groom's mother wore a beige lace ensemble with hat entone. Her corsage was copportone carnations and yellow roses.

Pink tapers in crystal candleabra and flanked by pink roses looked lovely with the beautiful three-tiered cake set on a Spanish lace cloth.

Mr. E. Logie acted as Master of Ceremonies and Mr. Lloyd Shannon gave the toast to the bride.

Entertainment was provided by the Western Seranadors of Kaleden.

Out of town guests were: the bride's grandmother from Chilliwack, the groom's grandmother from Calgary, and a l.s o guests from Calgary, Ponoka, Drumheller, Chilliwack, Port Alberni, Kamloops, Kelowna, Penicton and Midway.

Before leaving on their honeymoon to points south, the

### THE LOCAL NEWS

Mr. and Mrs. Len Weist have returned from a holiday at Regina. Their son Dale will attend school there.

Gerry Mayo is attending Victoria University.

Miss Donna Taylor is taking a course in practical nursing at the Kelowna Vocational School.

## This Hungry World

Visions of a hungry, over-populated world have been conjured up from time to time ever since Thomas Robert Malthus expounded his population theory back in 1798. Now the vision is rapidly becoming a reality.

Malthus argued that population is necessarily limited by the checks of vice and misery.

I have no statistical information on vice since Malthus' time, but there is ample evidence that loss of life from many diseases has been greatly reduced by medical science, and consequently population has been increasing at galloping speed.

The rise in world population is now approaching the incredible figure of 7000 births over deaths every hour. It now appears that at this rate there will be more than six billion humans to feed, clothe and shelter by the end of this century. That is only one generation away.

Just to feed six billion hungry mouths will be a colossal task for the agricultural industry which seems unable to grow enough food to satisfy the hunger of today's much smaller

population. But it isn't the fault of agricultural science that near starvation prevails in many parts of the world.

It has been said that the culture of a people is inversely proportional to the time and effort required for their subsistence.

On the North American continent agricultural science has made such tremendous strides it now has reached the point where only ten percent of the nation's labor force is required to feed the whole population—and there is a surplus for export.

In some Asiatic countries the production of food requires the labor and time of two thirds to three quarters of the population, and still the people do not get enough to eat.

Ignorance, superstition, religious taboos, political and economic restrictions are the cause of this pitiful condition, and until these are overcome and some control is exercised over population increase, there is not much modern agriculture can do to improve the situation.

## Former Summerland girl weds in West Vancouver

Saturday August 27, at 3:30 p.m. was the day Miss Pamela Kathleen Brinton of West Vancouver and formerly of Summerland became the bride of Mr. Vincent Allan Meneely of West Vancouver.

The bride is the daughter of Mrs. Kay Brinton of Kelowna and Mr. Eric Brinton, Penticton. The groom is the son of Mr. and Mrs. A. C. Meneely of West Vancouver. The ceremony was performed by Rev. R. Smith in St. David's United Church, Taylor Way, West Vancouver.

Given in marriage by the bride's brother, Mr. David Brinton, J. Hamilton, Ont., the bride looked lovely in a white peau de soie, empire mode with Redingote gown, appliqued with lace and ending in a slight train, elbow length sleeves and a scoop neckline. Her Chapel length veil was held by a flat satin bow. She carried a bouquet of White Gardenias and feathered carnations.

Matron-of-Honor was Mrs. Len Raynor of Penticton. Bridesmaids were Miss Mary Cuthbert and Miss Vonda Wade of Summerland. The three attendants were gowned identically in muted emerald satin, empire model, caught in the back with miniature double bows. Their shoulder length green tulle veiling was secured by satin bows.

Best man was Larry Meneely, brother of the groom, with ushering duties shared by Mr. Ross Lorimer, Don Ropchan and Ian McDougall.

The church was decorated with standards of white Stocks and white Gladioli. Organ music was played by the church organist.

For the reception at the groom's home in Candia Place, West Vancouver, the bride's mother received wearing a turquoise silk suit edged with lace

of the same shade, with pink tulle hat and gloves. She wore a corsage of Gardenias.

The groom's mother received wearing a cream beige brocade suit, with hat and gloves on tone. She wore a corsage of cream roses.

The bride's table looked lovely with white candles set in silver candelabra and large bowls of white Gladioli, Stocks and Carnations. The three-tiered cake was beautifully decorated with pink rosebuds.

Mr. Cece Wade of Summerland, made the toast to the bride.

Summerland Review — Page 5 Thursday, September 15, 1966

The happy couple received telegrams of congratulations and good wishes from Summerland, Kelowna and Hamilton, Ont.

Before leaving by car for the Oregon Coast and California the bride changed to a gold and brown tweed with gold accessories.

Upon their return, the young couple will reside in West Vancouver, the groom will continue his studies at Simon Fraser University.

### LET'S GET NEWSY . . .

Guests with Mrs. L. Brind over the holiday weekend were Mrs. W. Davies and Miss M. Forbes of Evansburg, Alta., Mrs. P. Loveless, Lloydminster, Alta., Mr. and Mrs. Allan McFee and daughter of Chilliwack, Mrs. H. D. MacKenzie of Ryder Lake and Mr. and Mrs. L. P. Gamble of Chilliwack.

## New bakery for Peachland

PEACHLAND — The Home Bakery here which opened its doors Saturday was a great success. Mr. and Mrs. Brown did tremendous business—completely selling out of goods and having to rebake three times during the day. Mr. Brown stated it was overwhelming, the interest shown in the new venture.

Reeve Thwaite welcomed the couple and their new business to the town. And at least half the population enjoyed the delicious cake and coffee served throughout the day.

## College increases opportunity for advanced education

A university or college in an area increases a high school graduate's chances of higher education by 50 per cent.

This fact is borne out in a survey by the Alma Mater Society of the University of Victoria, which shows that in the Victoria City area, 50 per cent of students in grade 12 indicated that they would go on to university, while in up-Island schools only 25.3 of high school graduates said they would be going on to a higher education.

Proponents of the Okanagan Regional College, to be located in Kelowna, maintain that, though no similar surveys have been made in this area the percentage of high school students going on to higher education will greatly increase once the college is built.

The Victoria survey, which has been described as the most potent arguments advanced to date for the establishment of a regional college in the Okanagan, shows clearly that location is one of the greatest factors in college attendance.

The survey also showed that sons and daughters of families earning less than \$5,000 a year in School District No. 61 (Victoria) indicate 33 per cent probable attendance rate. In the same area, those in the parental income bracket of \$8,000 and up indicate a 67.8 per cent probable attendance.

## David Wagner shows champion

"This stock will do well at the Vancouver Show". These were the words of judge M.W. Marshall of Kelowna after his duties were over at the 4-H Show in Summerland Saturday.

Marshall was referring to the Vancouver 4-H Fat Stock Show and Sale which will be held in the PNE grounds on Friday and Saturday, Sept. 23-24.

He judged the Grand Champion in the South Okanagan 4-H Club to be one shown by David Wagner, Okanagan Falls, who was also the winner last year, and took Reserve Grand in Vancouver.

The Reserve Grand went to

Grant Rolston, Summerland and third spot went to Rollie Dunn.

The winner of the Sr. Showmanship award, judged by District Agriculturist Murray Soder, Oliver was Cathy Wagner, of Okanagan Falls, followed by Jerry Norrish of Summerland.

In the Junior Showmanship class it was Cathy Wagner, first and Grant Thompson, second. They are both from Okanagan Falls.

## UBC students make tour of station

Eight girls and thirty-five UBC Agriculture students took some practical instruction at the Summerland Research Station Tuesday afternoon.

Their host of the day was Dr. McArthur. Four faculty members from UBC were on the tour as well.

Dr. Gordon Eaton said such tours last one week and are an annual practise. Third and fourth year students participate, which is a must before they graduate.

They also visited the Fraser Valley and from Summerland went to Kelowna where they went through the Sun - Rype plant and on to Vernon to see fruit processing and to view a cheese manufacturing plant.

The students included those who were going through horticulture and agriculture.

During the week they will have seen modern dairy operations, commercial feed lots, study on the spot soil and animal science, plant pathology, irrigation, plant nutrition, entomology and agricultural engineering.

After the tour of the Summerland Station, they went to Eric Tait's orchard for a tour conducted by Mr. Tait.

Besides Dr. Eaton from the

faculty, were Mr. Jan DeVries, soil scientist; Mr. Gordon Landon, B.C. Dept. of Agriculture and Dr. Gordon Winter, Head of the Dept. of Agricultural Economics at UBC.

## Shakespeare '66 coming Tuesday

Shakespeare comes to Summerland on Tuesday, September 20th.

The Holiday Theatre, a Vancouver group will produce what they advertise Scenes and Songs from Hamlet, Twelfth Night, As You Like It, Othello and other plays directed by Miss Joy Coghill.

It is sponsored by the students council of the Summerland Secondary School and will be presented in the auditorium.

shops, and full productions of classical plays, as well as maintaining the tours created and presented by Holiday Theatre.

Joy Coghill says, Holiday Theatre has always looked forward to the day when there would be a professional company in B.C. with which it could co-operate to bring richer theatre fare to the communities served, as well as greater experience to young actors and technicians in their company. The establishment of the Playhouse Theatre Company, now recognized as one of the most successful regional theatres in Canada, means that this hope can be realized.

With the forming of Holiday Playhouse, both companies have co-operated to pool their resources to train young talent, improve artistic quality, and to increase the services to educational and amateur theatre in Vancouver and the province.

Holiday Playhouse will arrange to bring speakers, work-

### CHILDREN PLAY THEIR PART

In a moment the parade will be on its way. This picture shows some of the many children who took part in the Summerland Fall Fair parade Saturday afternoon. They

take this portion of the day very seriously. One oldtimer commented "This parade is getting better every year. They are taking so much interest".

## Trail riders win at Kelowna meet

Twenty-five Summerland Trail Riders attended the Okanagan Light Horse Improvement Show held at Kelowna. The weather was perfect which made the two and a half days of riding, fun.

There were 227 horses taking part in the events during the weekend.

Linda Hardwick held up the name of the Summerland Trail Riders by bringing home two firsts and Latimer challenge trophy. She did an outstanding job of showing her Arab colt.

The results are as follows:

Showmanship 14-16 years 3. Bev Bye showing Flicka;

Reining Class, 3. Alice Bye riding Flicka;

Section Ride Western 4. Bev Bye riding Flicka, Lynn Gilchrist riding Tammy; J o a n Grimsdich riding Kelowna Babe and Chris Withers.

Stake Race (team) 4. Bud Bye riding Becky; Bev Bye riding

Trixie; Alice Bye riding Flicka; Bareback Equitation, 3. Wendy Stevenson riding Commande. Junior Jumping, 2. E d i t h Johnson riding Darkey; Barrel Race (team) 4. Bud Bye riding Becky; Bev Bye riding Trixie; Alice Bye riding Flicka  
4. Isobel Powell, English Hack.

LET'S GET NEWSY . . . Bill Shannon will be attending UBC this fall.

Allan Smith is attending Vancouver City College this year.

Mr. and Mrs. Keith Haskins, who spent the summer here in Summerland have returned to Clinton where they will continue teaching school.

Misses Trudy Gartrell, Helen Liebert and Dorelyn Ducommun are attending Victoria University.

Miss Frances Whittaker, Vernon is visiting her sister-in-law, Mrs. H. C. Whittaker at Crescent Beach.

Visiting at the home of Mr. and Mrs. McAllister on Turner Street is James Harper, a cousin of Mr. McAllister, from Bolton, Ont.

## Colorful display by trail riders

The Summerland Trail Riders had many compliments on their display at the Fall Fair. The display was very colorful and added much to the surroundings.

The Trail Riders also put on a small show which was watched and enjoyed by many spectators.

The results were as follows:  
Jr. Showmanship—12 and under  
1. Shirley Pruden showing Becky; 2. Shirlene Potter showing Goldie; 3. Susan Agur showing El Sano.

PEACHLAND — Mr. and Mrs. M. Shaw and Ron and Kenny of Trepanier drove to Burns Lake on the weekend to visit Reg and Ann Bennett and family. While there they also had a short visit with Mrs. H. Birklund, another former Peachlander.

## Money Can Work Hard For You If You Give It a Real Chance

Did you know the Summerland Branch of the Bank of Montreal is equipped to help you start a safe and successful investment program to make spare cash do a real job of work for your future?

It is true. Buying and selling of securities is one of the many help services offered by the B of M. When you want investment information, the manager will be glad to put his knowledge of the security markets at your disposal. Indeed, he will call on his head office securities department if need be. Then when you have made a decision the Bank will attend to all the details in both the buying and selling of any securities.

The state of your current income and savings will best determine the scale of your investment program. But from time to time it's a good idea to take stock of your situation by reviewing your holdings. As a result of market changes, on which your bank manager can provide full information, it might be advisable and profitable for you to sell certain securities and buy others.

Either way, you can always be sure of getting helpful information and convenient service at the Summerland branch of the Bank of Montreal. And anything you discuss with Jock Johnston, the manager, or any of his staff, will be in absolute confidence, of course. Advt.

## JUMP FOR JOY

(This is a great place to be)

Tens of thousands of visitors know it. Our Chambers of Commerce know it and we agree. We're the members of the Okanagan-Mainline Real Estate Board who work at making this an even better place in which to work, live and play. We try to do the best job possible and we try to be active and constructive in community affairs. (We even give annual scholarships worth \$1,000 to students who study real estate at U.B.C.)

On the whole, we are, perhaps, more enthusiastic about where we live than any other board in the country.

Can you blame us? This is the Okanagan-Mainline country. A really great place to be.

For peace of mind, always place your property problems in the competent hands of a professional Realtor, a member of the

OKANAGAN-MAINLINE REAL ESTATE BOARD

Forms may be obtained at the Municipal Office.

The names of "Owner-electors" wh oare eligible to vote will automatically be placed on the List.

"G. D. Smith"  
Municipal Clerk.

# Students may be asked to avert picking crisis

Mr. Eric Tait attended the School Trustees meeting Thursday night, to discuss the possibility of there being a shortage of apple pickers in the area and requested the feeling of the board about asking the assistance of high school students.

Tait, president of the Summerland local of the BCFGA said they had a meeting the previous night to discuss this.

That group had mixed feelings about the move and didn't want to have high school students dismissed unless it was a state of absolute emergency.

The Pentiction National Employment Service office in Pentiction had deemed the situation to be much more serious and requested the BCFGA locals speak to school boards in Pentiction, Summerland and Naramata in advance so the way would be cleared if it was necessary to use students.

The Farm Placement Officer felt the situation could become critical between Sept. 21 and 27.

Tait felt if there is a crisis in Summerland, it would arrive a week later, but didn't feel it would come about.

"I am reluctant to ask because we feel it is not a good thing for students, and we are afraid the students who do go picking are the ones who cannot afford to miss school," Mr. Tait noted, but did not com-

pletely discount the fact growers may be in trouble.

Principal John Tamblin said "When students take time off like that, they really have a load when they come back. Some just don't get caught up."

Before Tait left he added "We will make no further request until the situation is desperate." The matter was taken up in committee.

School Board Chairman John Bennest said Friday morning, they had decided not to make any commitment now, but would take a good look at it should it become necessary.

Bennest observed it has never been necessary to do this in Summerland, but has in other parts of the valley. He said Summerland growers are more diversified.

## Wedding bells ring for Summerland - Pentiction couple

On Saturday, September 3, at 8:00p.m. in the Pentiction United Church, Joni Louise Hooper, only daughter of Mrs. Ethel Hooper of Pentiction became the Bride of Mr. Vernon Elliott Gillespi, youngest son of Mr. and Mrs. E. Gillespi of Summerland. Rev. A. J. Dronin officiated.

Given in marriage by her grandfather Mr. S. A. Conrad, the bride wore a white poie de soie gown in empire line with lace applique, a floor length veil of tulle bordered with scalloped lace was caught in an auroa borealis crown. She carried a bouquet of red roses and white carnations.

Attending the bride were Miss Sandra Faber and Lynne Emsland. They both wore emerald green gowns of peau de soie, empire line. Their head-dresses were self fabric flowers surrounded with green tulle.

They carried bouquets of pink carnations.

Best man was Mr. John Myers and ushers were Mr. Melvin Gillespie and Mr. Duane Dickenson.

The reception was held in the Heather Room of the Prince Charles Motor Hotel.

Centered on the bride's table was a three-tiered wedding cake flanked with white tulle in which were tucked pink and rose Gladiolus and triple canelabra on each side.

The guests were seated at small tables which were centered with pink Geranium and white and royal blue Petunias.

Mr. Norman Emsland gave the toast to the bride.

For a honeymoon by car to Santa Cruz, Calif., the bride looked lovely in a teal blue luxury wool crepe fitted suit with black patent accessories and a pink corsage.

Out-of-town guests were: Mrs. D. Hooper and Bob Hooper, Mr. and Mrs. K. C. Lockheart, Mr. S. A. Conrad, and Mr. and Mrs. D. M. Lockheart, all of Vancouver; Mr. Gordon Gillespie of Winnipeg, Man., and Mrs. May Smith of Rhode Island, Conn. The newlyweds will reside in Pentiction.

### LET'S GET NEWSS . . .

Mr. and Mrs. Mel Ducommun motored to Victoria over the weekend to bring daughter Darlynn back to begin her second year at the University of Victoria.

Mrs. B. E. Nesbett of Powell River is visiting Miss Ruth Dale and other friends before leaving for a trip to Ontario.

John Kitson was in Vancouver last week on business for the research station.

Principal John Cooke of MacDonald School told trustees he was very pleased with the bussing situation and how it is working out. "We had a few minor difficulties the first few days, but with the co-operation of Secretary Jim Hack and bus drivers, we managed to work it out into a smooth routine. There is 40 to 45 minutes less teacher supervision involved" he said.

He feels he has one of the best staff in years. Six on staff have degrees and at the rate others are taking courses he expected that number to double in the next two years.

He said that student grouping this year has been done extremely carefully in order that every child will be working on the proper level.

Trout Creek Principal Ray McNabb who has also started the year with a levels system from Grades 1 to 4 said it is working out very well.

"The major purpose of the levels system of continuous progress is to enhance pupil success by making it more possible for a student to proceed at a

rate in keeping with his own ability" he said. "It does not involve radical changes in teaching methods, but is primarily an administrative arrangement which attempts to provide a better learning climate for all types of pupils."

He added, "Pupils are working, basically, in groups which match their ability and are moving from level to level with relative ease. This movement occurs when the pupil has mastered certain fundamental skills, not a given time or date."

"The reaction of pupils, parents and teachers has been most favorable in the short period to date," McNabb concluded.

## Ownership change takes place in Smith and Hill Ltd.

There was a change in the ownership of Smith and Hill Ltd., effective September 15th.

Mr. Doug Hill purchased Hilly Smith's interest in the business but there will be no change in the company name.

Mr. Smith told the Review, he has no definite plans for the future but was going to take some time off to get in some golfing and possibly some traveling. They hope to continue residence in Summerland.

Hilly has been in the Summerland business for 38 years, first as a truck driver and in later years he took over managerial duties.

Mr. Hill is in his fourth year since he amalgamated his trucking business with this firm.

## Game count up according to latest figures released by department

The first hunting report issued by the Fish and Wildlife Branch of the Department of Recreation and Conservation shows that 244 hunters have gone through the Cache Creek checking station.

Figures released show a substantial increase in game taken during the corresponding period last year.

Here are the 1966 figures, (1965 in brackets) released by the branch:

Moose 78 (56) up 22;  
Deer 9 (17), down 8;  
Goat 29 (4), up 25;

Sheep 12 (3), up 9;  
Grizzly 7 (2), up 5;  
Black Bear 7 (11), down 4;  
Caribou 19 (9), up 10;  
Elk 2 (0), up 2;  
Grouse 2 (0), up 2;

**HUNTERS**  
Resident hunters: 149 (191)—down 42; non-resident 105 (53), up 52.

More and more young families enjoy

## ELECTRIC HOME HEATING

Gentle, even warmth . . . that's what families look for in home heating comfort and Electricity has the answer. No other heating system provides such fast, sunshine warmth that spreads evenly across floors, penetrates hard-to-heat corners in seconds. Only modern Electric Heat has fingertip control . . . every room in your home can have its individual thermostat. Electric Heating is CLEAN, too . . . draperies, furniture, walls and ceilings stay so dust-free you'll hardly believe it. And best of all, Electric Heat COSTS LESS THAN YOU THINK because it's so easy to install and so dependable. With no moving parts, there is little to get out of order . . . it's practically maintenance-free!

No wonder thousands of satisfied home-owners select ELECTRIC HEAT . . . it's the smartest investment in your future.

IT'S *Flameless*

WEST KOOTENAY POWER

**LET'S GET NEWSY...**

Mr. and Mrs. H. S. Benner arrived home from their trip to Calgary where they attended their grandson's wedding at Pincher Creek. Their grandson, Kenneth Parsons and bride, are spending part of their honeymoon here and will return to Edmonton where he is employed in the Royal Bank of Canada.

Mrs. James Marshall has returned from two weeks vacation to Wenatchee and Portland.

Mr. and Mrs. William Wotton have returned from Houston, B. C.

Larry Young and Gerry Beggs have returned to Flin Flon for another hockey season with the Jr. Flin Flon (Man.) Bombers.

Donald Karlstrom is attending first year of university at UBC.

Mr. and Mrs. George Naylor are in the Cariboo country for two weeks visiting with friends and are enjoying some hunting.

**Better housing through research**

Through the National Building Code, a set of building regulations has been established to control the quality of new homes built in Canada. These are known as the Housing Standards and have been adopted by Central Mortgage and Housing Corporation for all homes built under the National Housing Act.

Numerous municipalities across the country have patterned their own building by-laws after the National Building Code Housing Standards. The thickness of concrete walls, the length of a wooden beam not requiring supports and the grade of lumber to be used to ensure a sound structure are all laid down in the Housing Standards.

The minimum amount of wall and ceiling insulation needed in various parts of Canada according to the severity of the climate is also explained. The National Research Council's Division of Building Research under whose guidance these regulations are prepared are experimenting all the time to find ways of building better homes.

Manufacturers are also busy testing new home building materials before putting them on the market. Based on all this information changes are made in the Housing Standards from time to time to keep them up to date.

**FINAL PLANS FOR B.C. WINERY REVIEWED**  
KELOWNA - James Stewart (left) General Manager and Bruce Smith, director, Mission Hill Wines Ltd., review final plans as the new \$600,000 winery in the Kelowna area of B.C.'s Okanagan Valley nears completion. Initial capacity of the new winery is expected to be approximately 240,000 gallons, with production of first inventory scheduled for this fall.

**NEW B.C. WINERY NEARS COMPLETION**

An artists conception of the \$600,000 winery constructed on mission Hill, near Kelowna, B.C. overlooking Okanagan Lake. Built in the architectural style of a California mission, the plant and grounds will be a tourist attraction for those travelling highway 97. Eventual production for the company is planned at an annual output of one million gallons, in North America's fastest growing wine drinking region, the province of British Columbia. Per Capita consumption in the province is 24% above the national average.

**Optimist in winery future**

Kelowna - Wine consumption in British Columbia has shown a greater rate of increase over a five year period, than any other region on the North American continent.

Wine sales rose from \$3,867,000 in 1960 to \$6,540,000 in 1964 and per capita consumption in British Columbia stood at .62 gallons in 1965 - 24% above the national average. Making these statements in a feasibility survey conducted for Mission Hill Wines Ltd., former general manager, the late R.P. "Tiny" Walrod, said he foresaw a Western Canada wine consumption total of 5,556,000 gallons annually by 1975.

Mission Hill Wines Ltd. located near Kelowna could reasonably expect to be supplying this marketing area with one million gallons annually by 1975, stated Mr. Walrod in his survey.

Mr. James Stewart, General Manager, says Mission Hill Wines will produce its initial inventory of wines this fall, and "the initial capacity will be approximately 240,000 gallons."

He said the plant will be extended, if warranted, during the next two years, and "we expect to have an eventual annual production of one million gallons."

Mr. Stewart said the designation of the Okanagan area as one which is covered by the federal Area Development Incentive Act, will considerably facilitate financing.

"We are also offering a limited number of shares to the public at the rate of two dollars net per share, and we expect to meet all cash requirements from operating profits by June, 1967," he said. This would be augmented by "normal bank borrowings under the provisions of the Canada Bank Act," added Mr. Stewart.

A chemistry graduate from the University of California, Mr. Stewart is also a member of the Institute of Chartered Accountants of British Columbia, and has had many years experience in the agricultural industry in the Okanagan region.

Mr. Stewart said the company was very fortunate in having Henryk Schoenfeld as its winemaker. Born in Poland, Mr. Schoenfeld came to Canada in May, 1945 and has worked for a leading Ontario winery and a Canadian brewery prior to joining Mission Hill Wines Ltd. He has won many awards at international wine competitions, and was the first president of the Canadian Society of Oenologists and a charter member of the American Society of Oenologists.

**New teachers get acquainted**

By J.T. Grinder

Summreland Teachers Association held a successful "get acquainted social on Thursday September 15th to acquaint the new teachers with the district's school staff.

The new teachers had a chance to meet District Superintendent of Schools, Mr. Gordon Paton and his wife; School Trustees, Mr. and Mrs. John Bennest, Mr. and Mrs. Ken Booth, and Mr. and Mrs. Bob Barkwill; and Secretary-treasurer, Mr. Jim Hack and his wife. Maintenance and secretarial staffs were also guests of the Summerland Teachers' Assn.

The social was held at the Summerland Yacht Club and was catered to by the Royal Purple Lodge. Happy smiles and heaping plates showed that the food was very much appreciated. Ken Storey's tape-recorded progressive swing music provided an effective atmosphere. Mrs. Paul Roberge, Mrs. Pat Carter and Mrs. Ted Weeks were the teachers who organized the enjoyable social.

The 13 new teachers seemed to be enjoying the social which was held on their behalf. There are eight new staff members in the Secondary school, four in the MacDonald Elementary and one at the Trout Creek Elementary.

At the Secondary School, Kay Thompson from Penticton will be teaching Home Economics; Elaine Johnson, New Brunswick, Social Studies 8, French 8, and French 9; Arthur Halleran, N. Vancouver, Commerce; Fred Bevis, Enderby, Occupational Class; Lloyd Christopherson, Prince Rupert, Physical Education and Geography; and Ken Carrington, South Slocaan (B.C.), Industrial Education. Jim McKee and Leo Chow are two student interns who will be on the staff of the Secondary School until Christmas. They are presently enrolled in the Professional Development Program of Simon Fraser University.

Summerland teachers welcomed the return of Fred Bevis

and Kay Thompson who were previously on staff here.

At the MacDonald School, David Clements from Victoria will be teaching Grade 5; Margaret Stevenson, Vancouver, Opportunity Class; Audrey Johanson, Saskatchewan, Grades 3 and 4; E. J. Robertson, Cache Creek, Grades 5 and 6.

At the Trout Creek Elementary, Anne Luckhart from Vancouver will teach Grades 5 and 6.

Summerland teachers welcome their new colleagues and hope they will soon feel at home in our progressive district.

**Another record for Multiple listing**

The Okanagan-Mainline Real Estate Board reports that the dollar volume of sales through its Multiple Listing Service for August increased by a record 42 per cent over August of 1965.

August sales totalled \$2,660,358 as compared to \$1,870,892 during the same month last year.

Total sales for the year so far are 24 per cent above the same period of 1965 according to the Board. Sales for the first eight months of 1966 reached \$15,693,827, an increase of \$3,053,259 over the same period last year.

204 individual properties were sold through M.L.S. in August to bring this year's total to 1,155. Last year, August sales were 158 for an eight month total of 1,037.

The August record was set despite the fact that listings, the number of properties offered for sale through M.L.S., showed a slight decline this year at 3,165 as compared to 3,237 during the same period of 1965.

Forty foreign ships loaded 21.5 million bushels of Saskatchewan wheat at Churchill, Manitoba during the 1964 season.

Inbound ships also bring varied cargoes for Western Canada.

**Thank You**

We wish to thank the many individuals, organizations, Summerland Municipality and Business firms who so kindly assisted us with the Fall Fair again this year.

## Robert Stump weds Nelson girl -- will reside in North Surrey

Yellow and white gladioli decorated the Church of the Blessed Sacrament at Nelson, for the mid-afternoon wedding of Nancy Anne Lefeaux, daughter of Mr. and Mrs. K. Laurence Lefeaux of Nelson, and Robert James Stump, son of Mr. and Mrs. Robert Stump of Peachland.

Rev. Fr. Boyle performed the ceremony while Miss Patricia Shuttly played the organ.

The bride had made the long gown of white polished and embossed cotton which she wore. It featured an empire waistline accented by a matching bow, lilypoint sleeves and a long A-line skirt. A shoulder-length veil, worn previously by two of the groom's sisters, fell from a coronet of tulle and satin flowers. For jewellery, the bride wore a pair of tiny cultured pearl earrings. Her bouquet was made of white rosebuds intermingled with cascades of green ivy.

Miss Barbara Low of Ladner attended the bride as maid of honor. She also made her gown, which was of pale yellow cotton covered with tiny embroidered flowers. It was similarly styled to the bride's gown but featured short sleeves rather than long. A large flat yellow headpiece matched her gown and she carried a cluster of yellow rosebuds with cascades of green ivy. Attending the groom as best man was the brother-in-law of the groom, Mr. Lionel Burnier of Vancouver.

Following the wedding ceremony, the newlyweds cut the three-tiered pale yellow and white cake, baked and decorated by the bride's mother, and served their guests at the reception, held at the home of the bride's parents, which was decorated with huge bouquets of gladioli from the garden of Mrs. P. Cannell.

The bride's bouquet was caught by Miss Pat Webber and the bride's blue garter was caught by Jim Masterman.

A mint green crepe suit with beige accessories and an orange rosebud corsage was worn by the mother of the bride and a navy blue linen suit with white

Mr. and Mrs. Keith Young and family attended the Christening of Tanya Margery Ann Watchorn, daughter of Mr. and Mrs. Ernest Watchorn (nee Joan Young) in Vancouver, on Sept. 18 at St. Helen's Anglican Church.

Bert Simpson is out of the Pentiction Hospital where he spent ten days undergoing tests.

## Peach'd Centennial committee active

By Brenda Davies

The first Fall meeting of the Peachland Centennial Committee was held September 13 in the Municipal Hall. K. Domi, decorations committee chairman said that painting of a mural on the concrete retaining wall was not feasible as it would not last more than two or three years. Perhaps a mural could be painted on the backdrop of the stage instead.

Entertainment committee chairman, P. Spaceman reported on the shows held this year at the lakeside stage and suggested it would be ideal for a Christmas scene. As to whether the committee wishes to keep on lighting this stage, he said he would donate a time clock, saving power and more economical for lighting of skating rink this winter. Council will be informed of the gift and requested to defray expenses of lighting same.

A plaque to be placed at the site will be in bronze, as suggested for centres with a population of under 2500.

Mrs. V. Cousins will contact

vies and T. Stewart will be submitted to Council for appointment on the Centennial Committee. Mrs. Davies to serve on advertising committee and Tom Stewart to be appointed to celebrations committee.

Ivor Jackson explained the reason for hold-up on project work. Council is waiting for the Victoria engineers to advise and inspect chlorination system. Lawn seeding cannot be done before the spring.

A letter of thanks will be sent to Westlake Paving for topsoil received. T. Stewart will arrange for more to be hauled, if possible. The next meeting will be Tuesday, Oct. 11, 8 p.m. in the Centennial Hall.

President J. Hinter presents Mrs. V. Cousins with her trophies as the grand aggregate winner in the flower show. She scored for having the best Asters and most points in flowers.

## Witnesses to hold conference

School Trustee Bob Barkwill, who is also active in the Summerland Boy Scout and Youth Center organizations, expressed thanks to the board for the coal they donated to the Youth Center.

Scout leaders and the boys moved the coal themselves from the school with the assistance of a truck from Milne's Cannery.

Barkwill said "it was gratefully received".

The cost of moving the flume going through the north end of the school grounds known as the Dunham property, will be studied, with this information available at the next meeting.

Secretary-treasurer J.B. Hack said the new busses are operating well and they are receiving good co-operation from the municipality, who staff and maintain the busses.

He said they are having overload problems so they may have to revise routes.

The Jehovah's Witnesses requested the rental of the gym, auditorium, kitchen and two classrooms for Nov. 11, 12 and 13 for a conference.

Arrangements were left to Secretary Hack who was authorized to go ahead on the condition the auditorium not be used until after noon, Nov. 11.

Nov. 11 is Armistice Day and the auditorium is always made available to the Summerland Royal Canadian Legion as a standby, in the event of inclement weather and their memorial services cannot be held in the park.

Jehovah's Witness Minister Felker told the Review that although complete arrangements have not been made for that date, he felt plans would go ahead.

Trustees will meet Sept. 27 to discuss resolutions to be presented to the annual meeting of the BCSTA in Vancouver Oct. 2 to 5.

## Rebekah President visits Summerland

Mrs. Clarice Arthurs of New Westminster, president of the Rebekah Assembly of B. C., made her official visit to the members of Faith Rebekah Lodge No. 32, Summerland, on Sept. 14.

While in our community she was the guest of Mr. and Mrs. Rupert Brown, Trout Creek. Prior to the evening meeting, Mrs. Arthurs accompanied by Mrs. Fred Downes, noble grand, and Mrs. Earle Inglis, vice grand, visited Parkdale Place and shut-in members, after which a cup of tea was enjoyed at the home of Mrs. F. E. Atkinson.

Introduced in the president's suite were Mary Bell, Assembly marshal, New Westminster; Mrs. Frank Taylor, past president, Mrs. Ira Betts, past president, both of Pentiction; Mrs. F. E. Atkinson, past president; Mrs. C. Dewhurst, district deputy president, Kelowna, and Mrs. Rupert Brown, district deputy president of Faith No. 32.

Received into membership at this meeting were Mrs. Lillian Ayres of Peachland and Mr. and Mrs. E. McAllister of Whitehorse, Y.T., now living in Summerland.

Visitors were welcomed from Kelowna, Pentiction, New Westminster and Port Alberni. At the close of the meeting, a social hour was enjoyed when delicious refreshments were served under the general convener-ship of Mrs. Jack Raincock.

## G.A. Laidlaws honored at party

Mr. and Mrs. G. F. Clark hosted a family dinner party Sunday, Sept. 11, in honor of Mr. and Mrs. G. A. Laidlaw's twenty-fifth wedding anniversary.

Among the guests were Mr. and Mrs. Ken Stewart, Mr. W.A. Stewart, Mr. and Mrs. Bill Laidlaw, and Mr. and Mrs. Jim Clark of Keremeos.

# Peachland council requests Cenotaph location change

By BRENDA DAVIES

PEACHLAND — Reeve Thwaite read a letter sent to the Royal Canadian Legion, Branch 69 and Peachland W. I., in reference to the Cenotaph:—  
“At the last regular meeting of the Peachland Municipal Council, held on August 24th, 1966, tentative plans for the enlargement of the Totem Inn, and for the erection of a motel complex on which is now the parking lot, were submitted by the manager of Totem Inn, and were approved in principle by Council. The implementation of this progressive program, together with the necessary parking facilities which will be required, will tend to hem in and detract from the Cenotaph at its present site.

“Whilst we cannot stop the wheels of progress, it is the responsibility of all interested citizens and organizations to be ever vigilant to protect, and whenever possible, to improve the image of this Memorial to those of our Community who paid the supreme sacrifice in order that we should remain free to build for ourselves a better life, and to progress in accordance with our democratic process.

“Our Municipal Centennial Project has produced an ideal location in front of the Municipal Hall, which, if properly developed and dedicated, could be a very suitable site to which to move the Cenotaph, if this should be the popular wish.

“It is therefore recommended that all interested individuals and organizations make an effort to view the proposed building expansion program and the Centennial site, and consider this proposal with calm and fitting dignity.

“If the general reaction would appear to be in favour of a move, a Plebiscite could be taken in December, and if this were favourable, it is hoped that your Municipal Council would approve, and make the Centennial Project a fitting place to receive the Cenotaph.”

Cleanup work on the beach will be completed this week and some cleanup at the cemetery has been done.

Garbage pickup in the municipality will change to the winter programme at the end of the month. Pickup will be once a week until Oct. 1 and every two weeks after that date.

A letter was sent to P. Gagliardi, Minister of Highways thanking the Dept. for help in construction and paving of the Princeton Avenue.

L. Mercier in a letter asked Council's support of the plan to connect Shuswap and Okanagan Lakes by canal. He suggested a committee be formed in each municipality and a meeting of all the committees is arranged for in Coldstream Oct. 22. Council did not make a decision, until all members have had time to study the proposal.

No plans on Princeton Ave. survey have been received and the Reeve will visit the offices of Hirtle and Sparks to obtain information.

Reeve Thwaite proposed that a letter be sent to all hotels, motels and businesses in the municipality, asking them to attend a meeting to arrange for brochures on Peachland and district. This is a vital need and now is time to get started so

that they'll be ready next year. K. Domi attended council with surveyor's plans for subdivision of a half-acre lot on which he plans to build his new house. H. C. MacNeill was authorized to sign the plans. Domi also requested permission to build a water tank on property owned by the Municipality on the side of York Street. Council will inspect the site and inform Domi of their decision at the next meeting.

Mr. Hoffman stated that according to his completed survey Somerset Ave. runs through his property. Reeve and Councillor Clements will discuss the matter with Mr. Hoffman.

Former sub-division plans of P. Yandell, Trepanier were accepted by Kamloops but not by Victoria officials. Mr. MacNeill was instructed to sign revised plans.

Sub-division plans of Mrs. P. Smalls, Beach Ave. were refused because they did not comply with half-acre sub-division requirements in the rural area.

Wes Fennel's sub-division plans for three lots of his property, was given Council's approval in principle.

Clerk H. C. MacNeill as approving officer, was authorized by Council to sign the following subdivision plans: The plans submitted by Lorne B. Shaw, Trepanier; Wes Dunkin, Bul-year Ave.; Nick Lingor, Highway 97; and Ted Topham, Beach Ave.

Mr. Sidebotham queried renewing of insurance policy to cover Reeve and Council on municipal business. It was decided this policy will be continued, as it has for the last 4 years, as it is also protection to the municipality.

A. Topham, A. Flintoff, Al Ehlers and Mrs. M. Topham requested that the original Ellison Ave. road be reopened. It still is a municipal road on the map, and was used 40 years ago.

A problem is a ravine that must be bridged or filled. Flintoff and Ehlers offered fill from their property.

Councillor Clements stated that money shortage is a problem and to take advantage of the offers, it must be done in the near future. Reeve and Mr. Clements will look over the road.

Councillor Sidebotham tendered his resignation on the Centennial Committee. A replacement will be appointed.

Reeve Thwaite said inspection of the chlorination and waterways will be completed this month, and said plans for the Centennial project could now get underway again.

The Centennial Committee asked council's approval of appointment of Mrs. J. R. Davies and T. Stewart to their com-

mittee, and approval was given.

A letter from School District No. 2 stated the request for school bus service in Trepanier has been forwarded for consideration to their transport committee.

MR. AND MRS. K.E. SMITH

## Popular Summerland couple exchange vows at St. Stephen's

Donna Marie Thompson and Kenneth Edward Smith were united in marriage at a double ring ceremony at St. Stephen's Anglican Church in Summerland Sept. 3.

The principals are the daughter of Mr. and Mrs. Wesley Thompson and the son of Mr. and Mrs. E. F. (Hilly) Smith, all of Summerland.

Officiating clergyman was Rev. Norman Tannar. John Steele of Vancouver sang "Because" during the signing of the register. Organist was R. A. Moore of Seattle.

Given in marriage by her father, the bride chose for the occasion an empire style formal gown of peau de soie with overdress of organza. Seed pearls decorated the bodice with appliques of lace down the front of the gown. A full length lace coat with lily point sleeves and stand-up collar, completed the ensemble.

Her four-tiered chapel length veil of illusion net was secured by a single rose fashioned of organza. She carried a cascade bouquet of deep red roses.

The bride's only jewelry was a pair of pearl earrings the gift of the groom.

The three attendants were Miss Lynn Fidler of Selkirk, Man., as maid of honor, Miss Glenda May of Vernon as bridesmaid and Sherree Nistor of Summerland, flower girl.

The maid of honor wore an afternoon length gown of turquoise satin crepe in the empire style and carried a bouquet of white chrysanthemums intertwined with coral ribbons.

Similar gowns of coral bond-

ed lace were worn by the bridesmaid and flower girl. The high empire waistline was accented with matching velvet ribbon bows and they carried bouquets of white chrysanthemums intertwined with turquoise ribbons.

All three wore headresses of velvet bows matching their gowns, securing nylon net veils.

Jim Munn, Summerland was best man and Bob Thompson and Sandy Berry also of Summerland shared the ushering duties.

**RECEPTION**  
The bride's mother greeted the guests at the reception in the Rosedale Room of the Royal Canadian Legion, wearing a blue Rome brocade sheath with silver accessories and a pink carnation corsage.

Assisting was the mother of the groom who wore a bone colored cocktail suit with brown accessories and a red carnation corsage.

The bride's table was covered with a lace cloth and centred by a three-tier wedding cake made by the bride's mother. It was flanked by tall white tapers.

The toast to the bride was given by Fred Gale, and to the bridesmaids by Bill Swordy.

**BOUQUET PRESENTED**  
The bride presented her bouquet to the great-grandmother of the groom, Mrs. E. F. McClement.

Before leaving for a honeymoon at Coulee City, Spokane

## Royalty attends Rock Creek Fair

Summerland's Royal Party, Queen Rita, and Princesses Diane and Pat, travelled to Rock Creek Saturday to attend the Boundary Fall Fair. They were accompanied by Mrs. K. Bergh and Mrs. F. E. Atkinson as chaperones.

Visiting at the home of Mr. and Mrs. F. E. Atkinson this week was Mr. Joe Cubey, managing director in charge of processing of the New Zealand Apple and Pear Board, of Wellington, N.Z.

Visiting at the Keith Bergh home over the weekend were Mr. and Mrs. Bob Watson, Camrose, Alberta.

and other U.S. points, the bride changed to a double knit suit in a wineberry tone with black accessories.

On their return the newlyweds will live in Penticton.

Out of town guests included friends and relatives from Vernon, Enderby, Mara, Armstrong, Vancouver, Burnaby, Seattle, Nanaimo, Oroville, Wash., Selkirk, Man., Penticton and Kelowna.

Jim and Lillian Dunsdon, Summerland, waved good-bye as they boarded the Thursday morning CPA flight for Vancouver from the Penticton airport. They were the winners of the Summerland Review subscription contest. Besides the trip they will enjoy an expense paid stay at the Sands Motor Hotel and enjoy a steak dinner at Hy's at the Sands. They arrived at home on the evening flight Monday.

## Regional planners suggest slow-down in subdividing

Mr. M. Prokopenko appeared before the Summerland council Tuesday night to speak on his own behalf regarding subdividing his property in Trout Creek.

A request for subdividing was before the council last week, but before they would approve it, they requested a ten-foot land dedication to provide for the draining tile.

Years ago, Trout Creek was surveyed for draining tile because of the wet conditions existing. The tile was laid, cooperatively by the owners but it was never registered.

Prokopenko was informed by letter of the conditions he must comply with before he could subdivide so he obtained legal advice.

He said he did not have to give the municipality an easement and did not intend to do so.

He said the present drain goes under his garage and yard which is all landscaped and he didn't want any digging in it if the drain plugged up.

Reeve Holmes said they actually do not have to see that the drains are clear, but felt it was their duty to protect other residents in Trout Creek so they wouldn't have flooding conditions.

Prokopenko said the drain has been covered up for weeks and they have had no trouble. He said the only one who has trouble with water in his basement is Dave McIntosh.

Works Superintendent Ken Blagborne will take a look at it and report to council next week.

Councillor Bill Barkwill, who is on the Hospital Board as well, said Building Superintendent Bill Smith expressed his appreciation for the co-operation he has received from the municipal crews in hooking up the utilities at the new hospital.

A letter from the Dept. of Municipal Affairs explained the winter works program this year. The federal government will pay 50% and the province 40% of the labor costs if the workmen are those presently on social assistance.

If the workmen are not on social assistance, but are registered with Unemployment Insurance Commission but are no longer receiving UIC cheques, the provincial share decreases to 25 percent and the federal remains at 50 percent. These are the only conditions the municipality may take advantage of any winter works program this year.

The public were informed, if they wish to purchase any of the Summerland Hospital Debentures, they may do so through the Bank of Montreal, Summerland.

The Regional District of Ok-

anagan-Similkameen planners, at the request of council made a "residential lot supply-demand study".

They said their findings should not be the final guidance but that it would rather be a starting point and that the supply and demand should be watched closely, and adjustments made as time goes on.

A general introductory statement said further subdividing at present should be discouraged as there are sufficient lots available to supply the demand but for reasons of variety, possibly there could be more made available in the Parkdale area. Council will study the report as will the Planning Commission.

A request from Percy E. Miller of Trout Creek to have some trees removed on a road allowance will be investigated by Blagborne.

A joint meeting with the Summerland Centennial Committee will be held on Oct. 4. The meeting was requested by the Centennial Committee.

Reeve Holmes, Councillors Hill and Schaeffer will sit on the 1966 Court of Revision on the Voters List on Nov. 1 at 2:00 p.m.

### Albert Cowland passes away

Mr. Albert Louis Cowland of Summerland passed away Monday, Sept. 19 at the age of 71 years.

The late Mr. Cowland served with the Canadian Expeditionary Force from 1915-19. Surviving are his loving wife Sarah, Summerland; one sister and three brothers.

Funeral services were conducted from Wright's Funeral Home Sept. 22 with Capt. Wagner, Salvation Army, officiating. Graveside service was by Royal Canadian Legion, Branch 22 of Summerland. Interment was in Peach Orchard Cemetery and Wright's Funeral Home were entrusted with arrangements.

### Teen Town combines fun and profit

By RON KOSTELNIUK  
At the Teen Town meeting the issues decided upon were a fishing trip and a bake sale—the latter to be held at Super-Valu, starting 10 a.m. Oct. 1.

The fishing trip will be held at Fish Lake near Agurs cabin Oct. 2, 7:30 a.m. to 6:00 p.m. About 30 members are expected to be making the trip.

The next meeting for Teen Town will be Oct. 9, 7:30 p.m. at the home of Terry Green.

### CNIB campaign opens in Sum'land

The CNIB Chairman, Mrs. W.S. Rothwell a long time citizen of Summerland, This week announced the opening of the agencies fund raising campaign.

The funds raised through the canvas will provide a wide range of services to blind persons in this community including rehabilitation and employment as well as braille and talking book library services. Your dollars will also support research into the causes of blindness and the Eye Bank of Canada which makes possible the corneal transplant operation to restore sight.

### Sideswipes are being investigated

At noon on September 23, on Highway 97 at the Solly Road intersection, Nick Rossi stopped at the intersection then proceeded south on to the Highway. Ronald Wilkinson of North Kamloops also travelling south, on overtaking the Rossi vehicle attempted to pass and in doing so, sideswiped the Rossi vehicle. No injuries resulted. Damages amounted to \$200. RCMP are still investigating.

An accident occurred at 10:50 p.m. Friday, Sept. 23 on the Antler's Hill, Highway 97, two miles south of Peachland. Peter A. Stocklassa and his wife of Edmonton were travelling north on the Antler's Hill when their car sideswiped a car-transport truck driven by Eugene Clark of Vernon. After striking the carrier, the car went over a steep embankment. Mr. and Mrs. Stocklassa were taken to the Kelowna hospital. Mr. Stocklassa died at 5 p.m. Sept. 24, as a result of injuries received in the accident. An inquiry has been ordered by the coroner. The Stocklassa vehicle was a total wreck and damage to the carrier was estimated at \$250-\$300.

The Brenda Lake Road was the scene of another accident Saturday, Sept. 24. Lionel C. Moss, of Langley, left the road near Headwater, and his car rolled down a five ft. embankment. Mr. Moss received no injuries and damage to the car amounted to \$375. The accident is still under investigation.

### BRIDGE RESULTS

Thirteen tables took part in the Monday night Bridge Play in the Rosedale Room of the Royal Canadian Legion.

North-South: 1. Mr. and Mrs. Ray Stewart; 2. Mr. and Mrs. Ray Crosby; 3. W. Evans and Anne McClymont; 4. V. Andrew and Ray Bowman; 5. Clare Elsey and Bill Mackelaine.

East-West: 1. Sandra Williams and Al Skuce; 2. Mrs. G. Fisher and Mrs. Marie McKenzie; 3. Bill Hepperle and Mrs. Olga Bowman; 4. Mrs. E. Landers and Mrs. E. Willmat; 5. Gordon Hepperle and Jack Garraway.

The South Okanagan C.I.A.B. has developed a second Bridge night during the week. As well as Monday nights in the Rosedale Room there will be Thursday night bridge in the Heather Room of the Prince Charles Motor Hotel, Penticton. The first session starts tonight.

### Reeve Norman Holmes elected to executive of UBCM Friday

Summerland Reeve Norman Holmes was elected to the Union of B.C. Municipalities, at the annual convention held in Penticton last week. Mayor Herb Gardner of Williams Lake was elected President, succeeding Burnaby Reeve Alan Emott.

Reeve Murdo Frazer of North Vancouver District and Mayor Joe Palygo of Trail were elected vice-presidents; Mayor Peter Wing of Kamloops, treasurer;

C. M. Loeblich, chairman of the Kinnaird Village Commission was named the village representative on the board. Ald. Ernie Broome was named Vancouver's representative. The Union this year changed its by-laws to allow for a separate appointment of a Vancouver representative.

Other members of the executive are Reeve Henry Anderson, Richmond; Mayor Fred Bishop, Alberni; Reeve H. A. Curtis, Saanich; Mayor G. W. Haddad, Cranbrook; Reeve Sam Lindsay, Kitimat; Reeve D. C. Morton, North Cowichan; Reeve D. W. Poppy, Langley District.

### Keith MacInnes is awarded Molson Hockey scholarship

The first winners of the Molsons Hockey Scholarship Program have been announced in British Columbia.

The eleven winners will be attending first year university in British Columbia and will have the costs of their tuition fees paid by the sponsors of the program, Molson's Capilano Brewery Ltd.

One Summerland student is included in the winners: Fredrick Keith MacInnes from Penticton Secondary School was assistant captain of the El Rancho Broncos. He will be enrolling in first year Arts at the University of British Columbia.

The other winners in British Columbia are Ronald A. Tomasi, Trail; Douglas J. Aldridge, Vancouver; Glenn A. Lonoy, Vancouver; Barry Wilcox, New Westminster; William D. Calder, Chapman Camp; Paul K. Smith, Kamloops; Thomas G. Vunnos, Rossland; John D. Moores, North Kamloops; Christopher W. Lotham, Salmon Arm; and Kenneth A. Shields, Prince George.

The trustees said that the

## Everyone taking part in Summerland Centennial

It has been confirmed, that the "Best of Barkerville" troupe will visit Summerland and present a show in the Summerland Secondary School Auditorium. This was revealed at Centennial Committee meeting of the Summerland group.

They will be here on Saturday, Feb. 18 and will feature Fran Dowie and Candy Kane portraying famed personalities of the original Barkerville show and play of the early days, performed in that B.C. town.

The program will include songs of yesteryear together with all the nostalgic trimmings of the music of the early pioneers. The group will be touring the province.

Bert Stent told the committee he has received nine plans submitted by five people of a Centennial Cairn to be placed in the Giant's Head Park. The selection will be made by the committee this week.

Al McMechan, at the request of Chairman Jim Marshall had looked into the possibility of pumping water to the park, and had met with a number of the committee to explain possibilities and estimated costs.

He suggested an alternative would be water being hauled up in tank trucks to a reservoir. It was estimated the cost of a pump, motor, pipe and an electrical control line to be \$2,000. This did not include toilet facilities, storage reservoir, fountain, etc.

No decision was made, but it was generally felt the matter should be tabled until the indications of demand appeared obvious.

The Centennial Committee will request a meeting with the Summerland Municipal Council to discuss this and other aspects of park development.

"What a fine introduction to a Centennial project", said Chairman Marshall in reference to the new stone gates at the base of the road up Giant's Head.

Mr. Stent estimated the cost of the gates to be about \$800. Municipal crews poured the foundation and Bruno Falzi was contracted to do the rock work.

The gate consists of two large posts, each with curtain walls extended to the left and right. During slack periods this winter, municipal crews will make metal numbers and letter for

either side. On the left curtain will be 1867 - 1967 and on the right curtain, Giant's Head Park. Double gates will be installed.

The gate got its financial start, when the Summerland Women's Institute donated \$200 for the construction, which has been paid to the Centennial Committee.

There will be a Centennial Evening sometime next year. What form it will take is not definite, but the Camera Club is compiling a series of comparative pictures of the early days and what the exact location looks like today. It is hoped that a choir may be formed to make up a concert of Canadian songs.

These two groups would cooperate to form an evening's entertainment. It has been suggested they have an evening each but this is not definite.

The Summerland Kiwanis requested a meeting with the committee to discuss some ideas they have regarding Centennial celebrations and methods of

## Hospital building is on schedule

All is going well with the construction schedule right up to date at the site of the new Summerland Hospital.

Building Superintendent Bill Smith said they expect to have the building closed in by the end of November and May 31 is the target date for completion.

Smith said he has a crew of about 25 laborers and carpenters. The laborers, in the main from Summerland and as many available local carpenters are employed with the balance coming from Penticton. Sub-trade workers number about 15 much of the time.

The main floor was poured Tuesday and from now on the building will be "coming up" from the foundation. The basement is almost closed in.

Mr. and Mrs. J. V. Hicks of Vancouver and Mrs. A.M. Hicks of Victoria came Saturday to visit Mr and Mrs. R. D. White. Mrs. A. M. Hicks remained for a longer visit with her daughter and family

raising money.

Marshall noted that November 19th is the deadline for pioneers to make application for their Centennial Medallion. They must have resided in Canada on January 1, 1892. It is not necessary that they constantly resided in Canada since that time, but they must be residents of B.C. now. Application forms may be obtained from Secretary Nancy Thornthwaite at the B.C. Shippers Ltd. office.

Chairman Marshall had accompanied Mr. W. R. Treleven up to the top of Giant's Head Mountain last week.

Mr. Treleven is compiling material on selected Centennial projects throughout Canada for a special issue his company, the Dominion Steel Co. is publishing next year.

He told Marshall, "The most worthwhile feature of your project is the combined community effort that is being put forth. It seems all organizations are taking part. In many cases in Canada, all the committee does is sign cheques."

### School Trustees to attend BCSTA ann. meeting in Penticton

Summerland School Board chairman John Bennet, Trustees and their wives will attend the annual meeting of the British Columbia School Trustees Association convention Monday, Tuesday and Wednesday. It will be held in the Peach Bowl, Penticton. Secretary-treasurer Jim Hack and Mrs. Hack will also attend.

The convention will be opened by Hon. Frank Richter, B.C. Minister of Agriculture at 9:00 a.m. Monday and the opening address will be given by Hon. Dr. L. N. Peterson, Minister of Education.

Keynote speaker will be Dr. Gordon Shrum, Chancellor, Simon Fraser University, to be heard later in the morning.

### Fall Fair results from Peachland

PEACHLAND —  
List of winners at Peachland  
Fall Fair held Sept. 16:

#### Section 1, Mrs. E. Niel, chair- man, Cooking.

Six cookies, Squirrel Peanut  
Butter: Mary Smith, Mrs. F. S.  
Andrews, Mrs. V. Cousins.  
White Bread: M. J. Smith.  
Brown Bread: Mrs. Domi, Marie  
Enns, Cinnamon Buns: Mrs. V.  
Cousins, Mrs. Domi, Milk Rolls:  
Mrs. V. Cousins, Mrs. H. Wi-  
berg, Raisin Bread: Mrs. F. S.  
Andrews, Mrs. Domi.

Angel Food Cake: Frances  
MacNeill, Applesauce C a k e:  
Mrs. E. Niel, Single Layer  
White Cake: Bety Sutherland,  
Mrs. V. Cousins, Two-Layer  
Chocolate Cake, Fry's: Frances  
MacNeill, Mrs. V. Cousins, Mrs.  
Domi, Chocolate Cake: Mrs. V.  
Cousins, Banana Loaf: Mrs. V.  
Cousins, Mary Smith, Date and  
Nut Loaf: Mrs. Mussel, Mrs. E.  
Niel, All Bran Muffins: Mrs. V.  
Cousins, Jelly Roll: Mrs. Domi,  
Mrs. V. Cousins, Walnut Slice:  
Bety Sutherland, Baking Pow-  
der Biscuits: Mrs. V. Cousins,  
Mrs. Domi, Gingerbread: Mrs.  
E. Neil, Lemon Pie: Mary Smith,  
Mrs. Spence, Peach Pie: Mrs.  
W. Walker, Apple Pie: Mrs. W.  
Walker, Mrs. Wilma Mackinnon,  
Canned Fruits: Mrs. W. Walker,  
Collection Canned Fruit: Pat  
Clements, Mrs. W. Walker, Jams:  
Mrs. J. Wilson, Mrs. Mussell,  
Jellies: Mary Smith, Relishes:  
Mrs. E. Niel, Canned Vegetab-  
les: Mrs. W. Walker, Mrs. E.  
Neil, Dozen Brown Eggs: Marg-  
aret Goetz, Dinner meat, vege-  
tables and fruit in pint jars:  
Mrs. W. Walker, Salad Dres-  
sing: Mary Smith, Fruit Salad:  
Mrs. W. Walker, Marmalade:  
Mary Smith.

#### Section 2, Mrs. V. Cousins, chairman, Flowers

Dahlias: Mrs. V. Cousins, E.  
Hinter, Dahlias Cactus: Mrs. V.  
Cousins, Pansies: Mrs. V. Cous-  
ins, E. Hinter, Asters: Mrs. V.  
Cousins, E. Hinter Petunias, Dou-  
ble: Mrs. V. Cousins, Marie  
Enns, Petunias, Single: Mrs.  
Wilma Mackinnon, Mrs. G.  
Bawden, Carnations: Mrs. F. S.  
Andrews, Gladioli: Mrs. Domi,  
Collection Annuals: Mrs. V.  
Cousins, Collection Perennials:  
2nd Mrs. J. Wilson, inias: Mrs.  
J. Wilson, Cosmos: E. Hinter,  
Mrs. G. Bawden, Centre-piece:  
Mrs. V. Cousins, Mrs. W. Walker,  
House Plant, Blooming: 2nd E.  
Hinter, Large Marigolds: Mrs.  
D. Davies, Mrs. V. Cousins,  
Small Marigolds: Mrs. G. Baw-  
den, Mrs. J. Wilson, Collection  
Garden Flowers: Mrs. J. R. Dav-  
ies, Mrs. V. Cousins, Foliage  
Plant: Mrs. H. Wiberg, E. Hin-  
ter, Roses, 3 Stems: Mrs. H. Wi-  
berg, Rose: Mrs. J. R. Davies,  
Rose, Named: Mrs. J. R. Davies,  
Mrs. Wilma Mackinnon, Arrange-  
ment Dried Grass and Berries:  
Mrs. W. Walker.

#### Section 3, Mrs. I. Jackson, chairman, Needlework

Needlework Picture, framed:  
Mrs. W. Walker, Mrs. F. S. An-  
drews, Runner, embroidered:  
Mrs. V. Seppanen, Pillow Slips,  
embroidered flour sacks: Mrs.  
V. Seppanen, Pillow Slips, em-  
broidered in color: Mrs. Sep-  
panen, Mary Smith, Knitted  
Sweater, adult: Mrs. Seppanen,  
Mrs. Riggs, Child's Cotton  
Dress: Mrs. E. Niel, Child's  
Knitted Sweater: Mrs. J. Wil-  
son, Mrs. Oltmans, Two Cro-  
cheted Dollies: Mrs. Seppanen,  
Print Apron: Mrs. W. Walker,  
Mrs. F. S. Andrews, Fancy Apr-  
on: Mrs. W. Walker, M a r i e  
Enns, Anything made f r o m  
flour sacks: Mrs. E. Niel, Re-  
made Garment: Mrs. Stella  
MacNeill, Best Dressed Doll:  
Mrs. W. Walker, Joy Spackman,  
Hoked Rug: Mrs. Spence, M. J.  
Smith, Crocheted Tablecloth: E  
Hinter, Fancy Cushion: Mrs.  
Wilma Mackinnon, Mrs. Riggs,  
Any article of fancy work not  
listed: Mrs. V. Seppanen, Mrs.  
Wilma Mackinnon.

#### Section 4, K. Domi, chairman, Fruit

McIntosh Apples: E. Suther-  
land, Frances MacNeill, Spartan  
Apples: Mrs. Mussell, David  
Paynter, Newton Apples: K.  
Domi, Red Delicious Apples:

ces MacNeill, E. Sutherland,  
Red Haven: Mrs. W. Walker,  
Other named variety peaches:  
David Paynter, Early Prunes:  
David Paynter, Italian Prunes:  
K. Domi, David Paynter, Plums:  
David Paynter, K. Domi, Bowl  
of local fruit: Mrs. W. Walker,  
D a v i d Paynter, Grapes: H.  
Thwaite, Mrs. V. Cousins, Straw-  
berries: Mary Smith, Ann Suth-  
erland.

#### Section 5, Vegetables, V. Cou- sins, chairman.

Vegetable Marrow: David  
Paynter, Mr. Hannam, Hubbard  
Squash: Mr. Hannam, Mr. Rob-  
inson, Acorn Squash: Mrs. Han-  
nam, E. Hinter, Buttercup  
Squash: Mrs. J. Wilson, Pie  
Pumpkin: David Paynter, Heav-  
iest Pumpkin or Squash: David  
Hannam, Cucumbers: Mrs. Han-  
nam, David Paynter, Carrots:  
Bety Sutherland, Mrs. H. Wi-  
berg, Beets: Mary Smith, J.  
Champion, Cabbage: Mrs. H.  
Wiberg, Michael Bawden, Corn:  
Margaret Goetz, Mary Smith,  
Potatoes, Netted Gem: 2nd Mar-  
garet Goetz, Potatoes, any oth-  
er named: Mrs. F. S. Andrews,  
Mrs. W. Walker, Tomatoes: J.  
Champion, David Paynter,  
Beans, Scarlet Runners: D. Tur-  
ner, Margaret Goetz, Beans,  
named variety: Margaret Goetz,  
Mrs. G. Bawden, Peppers: Da-  
vid Paynter, Onions: Mrs. Han-  
nam, Mary Smith, Egg plants:  
David Paynter, Collection Vege-  
tables: I. Jackson, Margaret  
Goetz, Odity in Vegetables: Da-  
vid Jaynton, I. Jackson, Best  
Peachland grown Tomatoes: Pat  
Clements.

#### Section 6, Photography

Black and White Prints, 6: J.  
R. Davies, K. Domi, Colored  
Prints, 6: K. Domi, Bobby Pay-  
nter.

#### Section 7, Handicrafts, J. Hin- ter, chairman

chell, Frances MacNeill, Oil,  
Copy: 2nd Mrs. R. D. Mitchell,  
Pastel, Original: Mrs. R. D. Mit-  
chell, Mary Smith, Pastel, copy:  
2nd Mary Smith.

#### Teen Section, Marina Davies, chairman

Laver Cake: Marina Davies,  
Sewing: Delories Wiberg, Wood-  
work: John Coldham, Hobby  
Article: Ken Wayne.

#### Junior Section

Cookies: Debbie Bouvette,  
Joy Spackman Centennial Pos-  
ter: 2nd Joy Spackman, Rock  
Collection: Steven Davies.

#### MANY SERVICES LINK THE NATION

Canada is a challenge to com-  
munications from the stand-  
point of population, topography  
and climate. Telephone calls  
and television programs travel  
the entire width of the nation  
via microwave radio relay at  
the speed of light — 188,000  
miles per second — and services  
are being extended to remote  
northern territories. Complex  
installations providing commu-  
nications for national defence  
span the country.

### Peachland described by pioneer

The following poem was found while the history of  
Peachland's Cenetaph was being researched by Mrs. W. D.  
Miller. It was written in 1921 by S.J. McGirr an old timer  
of the district. Mr. McGirr who arrived in Peachland in 1902  
was a veteran of the Riel rebellion and was a member of  
the council and active in all veteran's activities in the district.

#### PEACHLAND

On the famous Okanagan  
Close along its western shore,  
Lies the pretty town of  
Peachland  
Where a wealth of charms  
abide.

Cosy lanes in pleasant gardens  
Dot her landscape everywhere,  
And surrounding them in  
summer  
Orchards perfume the air.

If on duty, or for pleasure,  
We a hillside path pursue,  
Fifty miles of scenic valley,  
Spread their beauties to our  
view.

Nowhere else in our Dominion  
Is more balmy climate found,  
For restoring the enfeebled,  
It is far and wide renowned.

On her sunny slopes and  
benches,  
In due seasons of the year  
Laden trees and fertile gardens  
Riches for the owner bear.

For a town of twenty summers  
Whereabouts can critics find,  
Any place surpassing  
Peachland,  
For the blessing there  
combined.

Altho' Peachland is no city,  
Few altho' her people be,  
Yet from her in time of danger,  
Sixty soldiers crossed the sea.

And of them ther's scare a  
dozen  
Came unwounded from the  
strife,  
While a score in France and  
Flanders  
For our cause surrendered life.

Therefore, Peachland justly  
merits  
Honest praises for her charms,  
But the highest honors due her,  
Are for men who wielded arms.  
(Written by S.J. McGirr in 1921)

#### ISLAND BEATS HOME

The island of Martinique has  
three times as many French-  
men to the square miles as me-  
tropolitan France.

**MORE**

## George Taylor wins once more

George Taylor with good steady playing over the 36  
hole distance was declared the champion of medal play  
at Sumac Ridge Golf Course. Two nine hole rounds were  
played by the competitors over two Sundays.

He had finished his rounds in  
plenty of time to watch all his  
closest contenders "balloon"  
their scores.

First round leaders, Pat Min-  
chen, Wilf Evans and Bud Stohl  
had agonizing rounds according  
to Wilf but Ken Nister jumped  
from a tie of 8th and 9th after  
the first round to second spot  
in the finals with a net 69  
which was the best score of the  
tournament.

The 6th hole was the undoing  
of Stohl who took an 8 and Ev-  
ans who scored a big 11.

Evans said, "You don't beat  
Taylor, who is usually steady,  
with holes like that."

Pat Minchin had no comment.  
Here are the scoring leaders,  
indicating their handicap and  
total after 36 holes of play:

- George Taylor, 13 and 143;
  - Ken Nistor 18 and 146;
  - Warren Parker 18 and 150;
  - Wilf Evans 14 and 150;
  - Bernie Hume-Smith 17, 154;
  - Ken Williams 16 and 155;
  - Francis Stewart 19 and 155;
  - Pat Minchin 19 and 156;
  - George Uzawa 14 and 157;
  - Ernie Harrison 19 and 159;
  - Bud Stohl 12 and 160;
  - Don Clark 21 and 161;
  - Vic Parker 19 and 162.
- Taylor is also the match play  
champion and was presented

with his Sumac Ridge trophy at  
a club party Sept. 17, so it looks  
like they will have to have an-  
other get-together to present  
him another one. Possibly when  
the ladies are finished playing

for their championship and the  
Les Rumball trophy.

Summerland Review — 3

## In appreciation

The Summerland branch of the Canadian National Institute for the Blind will make a canvas for funds during October. Saturday has been declared "Tag Day" when you will see these faithful volunteers on the street asking for your help so more blind can see or to train the blind so they may adjust to everyday life in a suitable vocation.

Being blind does not mean you need to be a part of a lost generation, because today the blind can lead an almost normal life. Almost, because, naturally, there are the limitations of not being able to see.

Blind students are going to university, blind housewives are running their own households, blind secretaries are faultless

typists and many blind husbands are holding down responsible jobs in industry.

Today young people who are blinded are trained and given the confidence to lead a self-sustaining life in the normal work-a-day world. The elderly are taught recreational activities to develop the same feeling of independence.

This is all made possible by the Canadian National Institute for the Blind. They ask for your support when the Summerland branch volunteers call at your door.

Fitting, it is, that October be declared the month when we all have an opportunity to assist the blind. Thanksgiving Day is in October. What better way can we express our thankfulness for our sight than to assist those who remain in darkness.

## Our Centennial Project

It is difficult to get dollar for dollar value for anything these days, but every once in a while a real bargain comes along. Our Centennial Park is one of these.

It wasn't many months ago, when everyone thought the building of a road up Giant Head Mountain was far out of reach for a community of this size. Some optimists, or call them dreamers if you like, would not concede that this was the situation and did some probing.

Don Agur tramped up, down and around the mountain and decided the job could be done for less than ten thousand dollars - a figure one quarter of that estimated by the highways department.

The purpose of the road was to gain access to a Centennial Park, 200 feet below the summit of the mountain.

After considerable deliberation on the part of the Municipal Council and the Centennial Committee, it was considered feasible so Agur was given the green light to go ahead with his heavy equipment.

We don't imagine Don would be making ends meet if he invoiced everyone on the same basis as he did the Centennial Committee but his bill was considerably under the estimate. The municipality put a grader to work on the road and it is now as good as any mountain road in the country.

In all fairness to the Highway Department's estimates of construction, it should be noted they included engineers fees, survey crews and all the frills which were bypassed by Agur by using the years of knowledge he has accumulated in building roads.

The road is built - now for the park.

## Peachland Legion asked to relocate Cenotaph

The regular meeting of the Royal Canadian Legion was held last week with president J.R. Davies in the chair.

Discussion took place regarding a letter received, asking for views on possible moving of the Cenotaph. After some debating it was decided to contact all Legion members and at the next regular meeting, Oct. 3, the matter would be fully discussed before it is put to a vote.

Copies will be ordered for the poppy campaign and Teen Town will be asked to canvas as usual. All other arrangements were tabled until the

October meeting.  
H. Thwaite, service officer, requested an audit of the poppy fund accounts before the next meeting and H.C. MacNeill was appointed to do this.

**SOCIAL & BINGO SEPT. 30**  
A committee was formed to take charge of the next Bingo and Social Night to be held on Friday, Sept. 30. Members of this committee are J. G. Sanderson, H. Thwaite and L. G. Bawdon.

## Centennial Report

1867 | 1967

by JOHN W. FISHER  
CENTENNIAL COMMISSIONER

RCAF planes flying over Canada's isolated communities in the far north are going to be air-dropping some unusual cargo in the months ahead.

During the coming school year the planes will be making air-drops of bright new medallions, souvenirs of Canada's Centennial, to the school children of the north. Why air-drops? Well, some of those communities are so isolated there simply is no other way for deliveries to coincide with distribution of the medallions to the rest of Canada's school population in time for presentation in class rooms by June 1, 1967.

Six million of the Centennial medallions for school children are now being produced for the Centennial Commission by the

Royal Canadian Mint at Ottawa. Each medallion, one inch and a quarter in diameter, will be packaged in a special envelope bearing the Centennial symbol on the outside.

The first delivery of medallions from the mint will be a special one - 2,000 to the Centennial Commission at the end of September for the air-drop allotments. Then the mint will make direct shipments to all the provinces and territories by April 1, 1967. Departments of education will redistribute to all their schools for presentation toward the end of the school year.

For Indian children, attending federal schools, the mint will make direct shipments to those schools operated by the federal government. The Department of National Defence will distribute medallions to all Canadian school children at military bases overseas.

In the medallion design, shown here, was recommended this past spring by a special advisory committee to the Centennial Commission. The choice of the design was made following a contest conducted last year among five experienced Canadian designers. Winner of the Commission's award for the obverse side of the medallion was Thomas Shingles of Victoria, B.C., and for the reverse side, Mrs. Dora de Pedery Hunt of Toronto, Ontario.

The medallions will be of lasting significance to all in the new generation. Perhaps they will be passed along from generation to generation of families and a number will appear again on the 200th anniversary of Confederation.

### FARMERS BORROW MORE

Farmers continue to increase their borrowings from Farm Credit Corporation to expand and adjust their businesses. Loans approved during the year ended March 31, 1966, were up 34% from the preceding year, to an all-time high of nearly \$209 million. The number of loans, 11,238 was a 10.8% increase.

## Lincoln - Kennedy links startling

(Editor's Note: The following article has appeared in numerous publications throughout the United States and Canada since the assassination of president J. F. Kennedy. No one seems to know who wrote the item. It's been requested by several readers and we are pleased to reprint it for those who may not have read it before.)

It is very interesting, and makes one stop to meditate, to think of the startling comparison between the U. S. presidents Abraham Lincoln and John F. Kennedy.

Lincoln took office in 1860 - Kennedy in 1960.

Both were deeply concerned with the Negro question.

Both were slain on a Friday in the presence of their wives. Both their successors were named Johnson and were South erners. Both successors were Democrats and had served in the U.S. Senate.

Andrew Johnson was born in 1808. Lyndon Johnson was born in 1908.

John Wilkes Booth was born in 1839. Lee Harvey Oswald was born in 1939.

Both Booth and Oswald were Southerners with unpopular ideas. Both were murdered before their trials could be arranged.

Lincoln's secretary whose name was Kennedy, advised him not to go to the theatre. Kennedy's secretary whose name was Lincoln, advised him not to go to Dallas.

Who points the way for the moving finger of history?

There is a wedding in the family

## Unemployment Insurance coverage for farm workers after April 1

Employment in agriculture and horticulture will be insurable under the Unemployment Insurance Act as of April 1, 1967.

The extension of unemployment insurance to agriculture, for which farm organizations have pressed for some time, should be of material help in making farm labour employment more attractive and in overcoming difficulties which farmers have experienced in securing capable farm help states a federal Labour Department release.

Under certain conditions, casual farm help hired for a few days only may not be insured and casual workers who do not

ordinarily derive their livelihood from insurable employment will be exempt.

The farm employer in such circumstances will not have to pay unemployment insurance contributions.

### FARM WAGES QUITE LOW

Annual wages of male farm help as at May 15 this year averaged \$1,865 with board, up from \$1,670 a year earlier. Without board, wages are \$2,560 compared to \$2,340 for 1965.

# CANADA'S CENTURY

A news background special on the Centennial of Confederation

## Child Of Political Expediency

(Fourth Of A Series)  
By WALT McDAYTER

Canada was born of many needs, but was spawned by political expediency.

From the very beginning the politicians of Canada East and Canada West — today's Quebec and Ontario — showed more enthusiasm towards Confederation than those from the other British North American colonies. They took the initiative in trying to create a new nation because they knew union offered them the only possible avenue of escape from a deadlock that had been plaguing their politics for four years.

Between 1861 and 1864, there had been no less than four changes of ministries in the two Canadas, and the politicians were becoming exhausted from playing this Parliamentary musical chairs. They felt that the only hope of any party gaining a majority of support in the government was through the creation of a national political structure. This would change the makeup of voters and representatives, and one party might then be able to command enough seats to govern efficiently.

With this in view, in 1864 the Liberal-Conservative Party, led by John A. Macdonald, and the Liberals, headed by George Brown, agreed to form a coalition government. This coalition's ultimate objective was to create a union of all British North America.

Brown approached this coalition with great misgivings, and these soon proved all too justified! In the negotiations prior to Confederation, in Charlottetown, Quebec, and London,

Arch-enemies John A. Macdonald, right, and George Brown agree to form a coalition government in the two Canadas, 1864.

Macdonald assumed leadership, and Brown was more and more pushed into the shadows of obscurity.

It took the politicians of Canada East and West three years to convince two other colonies of the advantages of nationhood, and to weld the idea of federation into a reality. On March 29, 1867, the British Parliament passed the British North America Act, which united four provinces — Ontario, Quebec, New Brunswick and Nova Scotia — into the Dominion of Canada.

Canada officially became a nation on July 1, but the first national election was not held until August. And as the election results were slowly gathered, politicians from Ontario and Quebec wondered: would one of the parties gain the majority of seats needed to conduct the new nation's government?

On November 7, 1867, Canada's first federal Parliament

met at Ottawa. Macdonald's coalition party had won a decisive victory, although anti-Confederates in Nova Scotia, led by Joseph Howe, had almost completely captured that province.

George Brown, who had in 1864 agreed to coalition with Macdonald for the good of the country, was defeated in the first election held in the nation he had helped create. He would never run for office again.

One of the main motivations for Confederation was to establish a stable government. Under Macdonald this was achieved. He remained prime minister throughout Canada's formative years, ousted only once, in 1873, because of the Pacific Scandal. However, in the very next election, 1878, his hands once more held the reins of power, and he never again loosened his grip until he died, in 1891.

## Bridge championship goes to Summerland couple

Two Summerland bridge players won the championship in a tri-club competition between South Okanagan (Summerland), Kelowna and Vernon.

Peg MacRae and Al Skuce were the winners after play competition in Kelowna September 21.

Summerland won their own competition at home on September 12 but Kelowna went on and took a four point lead on September 15 at Vernon but Summerland came through last Wednesday and took the lead by a single point.

Mrs. MacRae and Mr. Skuce were big winners but Bill and Gordon Hepperle were close behind in that section.

Mrs. E. Fields and Mrs. W.F. Gartell of South Okanagan were first in the green, north-south section and Dr. W. Evans and J. Garraway were second.

## ORCHARD RUN

By Wally Smith

### Then -- And Now

Two or three generations ago days when horses tilled the farm produced much of what was required to keep it running.

The farm was largely a self-priming, self-generating institution that could withstand the shock of crop failure from hail, frost or locusts, and rebound next year, after a period of adjustment and belt tightening, and without borrowing large sums from the money lenders.

Our fathers and grandfathers didn't need much cash. They could quickly recuperate after a couple of bad years because they somehow managed to get enough feed for the horses that provided power and transportation, for the cows that provided milk and butter, for the hogs and beef animal that provided the family with meat. And there was always something harvested from the well managed garden.

With that much to go on the farmer was still in business in spite of disaster. He could still plow the fields, plant his seed, and harvest another crop.

How different it is today. The modern farm can't operate without money—lots of it. Today's farmer needs money for a new tractor, or costly repairs for the old one. In the

Gasoline and oil are a prime essential of today's farm program. You need hard cash for tractor fuels and lubricants — they don't grow in the fields like oats and hay.

Insecticides and fertilizers cost each of us hundreds of dollars every year. The farmer used to spend little for these items.

With such a heavy annual cash outlay on the modern farm it is readily understandable that the man who incurs all this risk would wish to carry insurance to guard against heavy crop losses and possible bankruptcy.

Many Okanagan fruit growers are interested in their own insurance scheme now in the planning stages. Federal and provincial governments are to share in this scheme which is designed to protect the grower against tree loss and crop loss from a number of causes.

It is interesting to note that somewhat similar insurance coverage will be available to fruit growers in parts of Oregon and Washington next year.

Today's highly specialized agriculture is a delicately balanced business. Tree and crop insurance will help keep it in balance.

## Rug making to start next week

The Summerland Art Club held a meeting on Monday, September 26 to form plans to start the rug making which proved so popular last season. Rug making will be held throughout October and November, beginning October 7, 1:00 p.m. to 4:00 p.m. in the Red Cross Room at the back of the library.

Mrs. Olive Wilson has consented to again be on hand to assist beginners. Those wishing to make rugs will be expected to supply their own materials and hooks. There will be a supply of materials for exchange and frames will be available on loan.

Also this season, Mrs. I. Phillips will be teaching "Crewel Embroidery" and "Stitching" for those interested in learning these crafts, and it is hoped that the Art Club can acquire a loom and if so, there will be

demonstrations of weaving during the season.

The Crafts sessions are a community project made possible by the co-operation of the Municipality of Summerland with financial assistance from the Recreation Commission and sponsored by the Summerland Art Club.

This recreation is open to everyone interested and we hope to see all the familiar faces as well as many new ones on Friday, Oct. 7.

# Quick!

Do you know the name of your insurance company?

Don't be surprised if you find it's the "Royal". After all, it's the largest general insurance group in Canada. Chances are you didn't know that! You see, the Royal does not have salesmen. It deals through independent agents, like us. We are neighbours to you; we're impartial — the best kind of insurance men to know your needs. It's an arrangement that works well for you.

## Summerland students away on student exchange program

Part of a province wide Centennial student exchange program, four students from the Vancouver area arrived in Summerland Sunday, and two Summerland students left to visit other areas of B.C.

Arriving to spend a week at Summerland Secondary School were Judy McLean of Vancouver, Cheryl Sheh of Richmond, Charles Northrup of Port Moody and Peter Dent of North Vancouver.

A tentative program of activities has been drawn up and school officials here hope to take the group to visit all aspects of the fruit growing industry in the area.

Visits to the Research Station, the provincial fish hatchery, a

packinghouse, cannery and the Sun-Rype plant at Kelowna are tentatively planned.

For entertainment, a boat ride on Okanagan Lake, a trip to the top of Giant's Head, to see the progress of Summerland's centennial park project and participation in school sports activities, have been proposed.

Summerland students who left at the weekend were Connie Roberge who has gone to Kimberley and Richard Baker to Surrey.

**Helen Liebert making good recovery**

Mrs. Brenda Liebert is home after a stay by the bedside of her daughter Helen in the Vancouver General Hospital following an accident Sept. 10 when her car left the road west of Princeton on the Hope - Princeton Highway.

Mrs. Liebert said Helen is making a good recovery and is back in a ward after constant watching for many days. She will be in the hospital for three months.

She said her daughter has had many friends call to cheer her up and she is receiving a host of cards, flowers and letters.

She received a nice letter from the prospector who found her below the highway. He was Mr. Martin V. Ravey of North Vancouver.

It was Mr. Ravey who stopped a RCMP patrol car after checking on the girl, and only left when he could see he could be of no further help and when the police were threatening to issue tickets to cars stopping, thus impeding traffic. Some were stopping to take pictures of the ordeal.

It goes without saying, the Lieberts were very appreciative of the assistance by Mr. Ravey.

**LET'S GET NEWSY . . .**

Mr. and Mrs. Michael Kitson and family of Gibson's Landing, visited the John Kitson family during the week.

Guests of Mr. and Mrs. Walter Rothwell were Mr. and Mrs. H. Robinson of Carstairs, Alta. and Miss M. Robinson of Calgary.

Mr. and Mrs. Rob Towgood were at Vancouver over the weekend.

Mr. and Mrs. H. Enzo Loop of Poulsbo, Wash. are visiting Mrs. Loop's sister, Mrs. W. R. Powell this week.

Mr. and Mrs. Robert Parker of Vancouver were here over the weekend.

**LET'S GET NEWSY . . .**

Visiting at the Keith Bergh home Monday were Mr and Mrs. Grand Field, Bowden, Alberta.

Mrs. George Inglis won 12 firsts one one second for handiwork at the Armstrong Fair.

Miss Donna Laidlaw, who is attending Simon Fraser University and Doug Laidlaw of Vancouver were here to attend the Parker-Wade wedding.

Mr. and Mrs. Bob Rogers were at the coast over the weekend to attend a wedding.

Dawson Creek, is U.B.C. pre-med student Greg Powell of Edmonton. He has a summer job with an Imperial Oil seismic party camped in the area. The Company has spent nearly \$70 million in the past 10 years on exploration

B.C. Oil And Gas Hunt - The Stony Lake area of British Columbia's northern interior is a wilderness from the air and makes for tough going on land. Sloshing through a muddy stream near Stony Lake, about 60 miles south of

**Soft fruit prices increase sharply over '64 prices**

The selling price of peaches and prunes have gone up considerably over the 1964 prices according to a report released by B.C. Tree Fruits Ltd.

Vee peaches are selling for \$155 a ton as compared to \$110 a ton in 1964. Elbertas have gone up from \$100 a ton to \$145 per ton. Cell packs Hales have jumped from the 1964 price of \$2.35 to a high of \$2.90 in 1966. McIntosh apples have a 150 shown an increase of 10 to 15 cents per handi-pak.

Fresh fruit shipments to markets have decreased slightly over the 1964 figure. Apricots dropped to 463,974 Vu-Paks in 1966 as compared to 552,564 in 1964.

Peach shipments totalled 435,885 this year as compared to 680,200 in 1964; prunes dropped to 336,105 as compared to 389,487 in 1964 and Bartlets are down slightly with 196,192 boxes being sold this year.

The terms of reference for a special committee set up by the growers boards have been spelled out. They are:

1. Examine regulations and policies as they apply to processing and fruit stand operations.
2. Determine if regulations and policies as presently laid out are in the best interest of the grower body.
3. Submit progress reports from time to time to the Directors of B.C. Tree Fruits, Sun-Rype Products Ltd., Executive of the B.C.F.G.A. and members of the B.C. Fruit Board and a final report to be submitted in writing to these Boards

Members of the committee are S. A. Mephum, H. Stoll, A. R. Garrish, F. N. Ritchie and A. Claridge. The members will elect their chairman at their first meeting to be held early in November.

**NEW SIZING EQUIPMENT**

B. C. Tree Fruits reports that unique sizing equipment has been installed at the Kelowna Sun-Rype plant. It is currently sizing 100 tons of fruit per day on two eight-hour shifts.

The principle involves the use of water to empty the bins and to convey the fruit over three sizing belts where the separated fruit is floated over drying rollers to a bin loader.

Is looking at hockey Canada's favorite pastime?

No. We say it's looking at other people's homes.

When you're trying to sell your house, you're not apt to feel very sporting about it. But you're always ahead of the game when you see a real estate broker. He'll show your house only to real prospects, save you wear and tear on your floors and nerves.

Look for these emblems; only a board member can display them.

"Realtor" is a professional service provided by a real estate broker who subscribes to a strict Code of Ethics as a member of the local board and of the Canadian Association of Real Estate Boards.

## Founders of British Columbia

(A Centennial Feature)

The search for gold made many early B.C. prospectors rich, but one of the most successful of this pioneer brotherhood was a man who found not gold, but coal. And the first time he found it, he passed it up as insignificant.

William Fernie was laying a trail through the Crow's Nest Pass, accompanied by his brother Peter. They saw a coal outcropping, but at the time they paid it little heed. It wasn't until years later, in 1887, when railway construction was starting and coal had a new importance, that they formed a company to find that body of coal again and develop it.

WILLIAM FERNIE

The result was the famous Fernie coal enterprise and the town of Fernie that built itself around the mines.

William Fernie was born in Huntingdonshire, England in 1837. He left school at an early age and sought adventure in Australia, New Zealand and South America.

Finally in 1860 he arrived in the Crown Colony of Vancouver Island. But that was too tame for him too. So he headed into the wilderness of the adjoining colony of British Columbia.

Success didn't come easily. He was just 21 then. For the next 27 years he worked his way through the mountain settlements and lonely valleys of B.C. He knew Rock Creek, the Similkameen and the Columbia River and he mined for a time in the Kootenays and then tried cattle ranching.

Between 1873 and 1882 he was a government gold commissioner and he did short stints as a customs collector and coroner of the Kootenay district. Then when he had reached an age when many men are ready to shorten their horizons, Bill Fernie earned his fortune through his involvement with the B. C. Southern Railway and Crow's Nest Pass Coal Company.

He lived many years in the

Kootenays and was past 60 when he came again to Victoria to build a home and settle. He died there at the age of 84 in 1921. He never married. He was respected in the community for many charities while he lived and when he died there was provision in his \$253,000 estate for gifts of \$50,000 to old friends and \$10,000 to the city's Jubilee Hospital.  
B.C. Centennial Committee)

### MUSHROOMING CITIES

The explosive growth of cities was apparent in recent figures released by DBS, which showed that in the 4 years following the 1961 census, Toronto's population gained by 13.2%, Montreal's by 10%, Calgary's by 15.7%, Edmonton's by 14.1%, Vancouver's by 7.6%.

Pictured above are Mr. and Mrs. John F. Zima who were married September 3, in St. Stephen's Anglican Church, Summerland. The bride is the daughter of Mr. and Mrs. G.T. Braniff of Summerland and the Groom, the son of Mr. and Mrs. F.J. Zima of Calgary.

## CNIB campaign during October

You own the most wonderfully sensitive and miraculous camera in the world - the human eye. Yes, sight is a miracle of nature's engineering but unlike man-made cameras, eyes can never be replaced. They must last a lifetime; there are no spare parts or returns.

Much of what a child knows, he learns through his eyes which change with growth. A regular, professional eye examination before entering school and once a year thereafter is the most sensible procedure to be followed for real protection. During the growing years, eye problems are fairly common. An estimated one in every four children need some kind of eye care; delay can result in permanent damage to their vision as well as serious psychological and education handicaps. Neglect of children's eyes has even caused blindness.

Little is known of the causes of most of the eye diseases which lead to blindness, but modern medical science, through funds provided by the CNIB, has learned much about how their damage can be halted. Periodic examination by an eye doctor will help prevent needless tragedy. As we grow

older, we become more likely to be attacked by such diseases of the eye as glaucoma, cataracts, uveitis and others. You can protect the golden years of life by having regular eye examinations every two years, particularly after age 40.

Failure to be certain about eye health can be tragic. About 100,000 Canadians over the age 40 today have glaucoma; fully one half of them are unaware of their conditions, and many will not find out until it is too late. Your eyes are Nature's Great Miracle . . . But Nature Needs Your Help.

When you support The Canadian National Institute for the Blind current campaign for funds in your community you make possible research which may find a way of preventing many of these blinding diseases.

## BRUCE MORRIS

President of Grove Motors, Penticton, extends a warm welcome to residents of Summerland and district to the first showing of the '67 array of General Motors' new and exciting cars and trucks.
