THE SUMMERLAND REVIEW - BULLETIN

Vol. 22 — No. 14 Thursday, April 27, 1967 — SUMMERLAND, BRITISH COLUMBIA 8c per copy. A year's subscription \$10.00

Rod & Gun Club launch membership drive in Sum'land

The Summerland Rod and Gun Club reports that 1967-68 memberships are now available from any executive member and will soon be on sale in local stores. Due to a lack of publicity, sales to date have been disappointing.

POLLUTION PROBLEM

Harold Richardson is in Victoria attending the huge annual B.C. Wildlife Federation convention (May 3-6) at which province wide resolutions are dealt with and future campaigns against pollution and other misuses of natural resources laid out. Watch for a full report in the Review from Richardson.

The Trap Club is reported to be doing well in recent months with practise shoots being held every two weeks. Everyone is having a "ball" trying to break the elusive clay pigeons — but you'd be surprised at how much is made on reclaimed birds at the end of a day. The shoot is open to anyone of course, so bring the old scattergun along and have some fun. Watch for a complete summer schedule of shoots in next week's issue.

A reminder that the 1st of May was the start of the fire season, and campfire permits are now a must. Also, please be careful with smokes and campfires — thanks!

Catholic Women's League gather

On April 26th, the ladies of the Catholic Women's League gathered for a "Day of Recollections". Their retreat master was Rev. Father Gillis, O.M.I., of Penticton.

The day started with mass in the morning followed by the first and third lectures. Between the lectures, three records were played that were interesting to all. Silence was maintained throughout the day, and free time was spent in reading, meditation and prayer.

Father Gillis was available for confession and consultations. Of the two prayers, the Rosary was led by Mrs. Helen Schaeffer, and the "Way of the Cross", by Mrs. R. Allen. A lively discussion period followed and the day ended with a final benediction.

Growers warned about dumping spray in Garnett Valley Creek

A Summerland orchardist has been warned not to dump poisonous spray in to Garnett Valley Creek.

Councillor Walter Powell told the meeting this week he had received a complaint of this being done and instructed Works Superintendent Blagborne to go out and issue them a warning and explain that such action causes pollution.

Last year, two head of cattle died of poisoning in that area, attributed to spray being dumped in the creek. A letter will be sent to the offender confirming the verbal action. The person's name was not disclosed.

Vivian Kinvig is one of the candidates for Miss Summerland for the Centennial year and is being sponsored by the Summerland Elks Lodge. She is the daughter of Mr. and Mrs. Elgar Kinvig. Vivian is a member of the Future Teacher's Club and plans to become a primary teacher. Photo by Killick Photography.

Valley Chambers meet to discuss Brenda situation

Presidents of the Vernon, Kelowna, Penticton and Peachland Chambers of Commerce met in Kelowna Tuesday evening to discuss the Brenda mines question.

Noranda, which has taken up the option on the properties, is not willing to go ahead until they have assurance that the three-year tax-free legislation will remain in force so that they may take advantage of it when they go into production in about a year's time.

Harold Lyons, president of the Peachland Chamber, told the Review Wednesday noon they were waiting for an announcement from Finance Minister Mitchell Sharp and expected this at any time.

If Sharp's announcement is negative, the joint chambers will register a protest. Summerland Chamber presi-

dent Eric Tait had no knowledge of the Tuesday meeting and Westbank as well as centres south of Penticton were not represented either.

Lyons was informed of the meeting by the Kelowna group.

By Keith Bergh

There is a by-law in Summerland stating that dogs running at-large is unlawful. A complainant may, if they can identify the animal that caused any harm to his or her yard, may lay a charge against the owner. In fact, if the dog is just in their yard they can lay the charge. I think there are plenty of dogs who wander around causing no harm — but it is nice to know something can be done about those that do. The dogcatcher just can't nab them all. Ever try to get close to a strange dog?

Say — how about all those songbirds and actors we were privileged to hear and see at the Secondary School Auditorium Friday and Saturday night... they were great! And so were you — dear readers, you showed up in droves — more than a thousand of you. For a newcomer like me who has known some of these people for almost two years and to see them sing and act so professionally is somewhat shock-

Trout Creek 'spit' may be shortened

Frank Haar told council Tuesday night Trout Creek residents are still anxious to improve their beach. Holmes added.

He said he has found out from the water rights branch that the "spit" just north of his home does not belong to anyone, and it is generally agreed that it is the cause of the stagnant water.

He asked council if they would have any objection if permission was obtained from authorities to remove the spit.

It was his opinion that any improvement made below the spit (to the south) would be useless until it is removed.

If this isn't done, the next four or five properties would be in the same condition in two or three years as theirs he asserted. He said when the trees that are planted on the spit grow up he and his neighbors will not have much view of the lake to the north.

He said they are trying to get the neighbors together to remove "at least some of the spit."

He referred to it as the Kitson spit. He said Rothwells, who live adjacent to the spit, were not aware of the feeling of the people to the south.

Council gave its approval to proceed pending permission being granted by the water rights branch.

"I am all for any moves to

LADIES DAY FOR GOLF

Ladies day was held at the Sumac Golf Club on April 27th with 20 present. Glennis Clark had the low net, and Mary Parker won the hidden hole. An executive meeting followed.

MARY-DAWN GRAZLEY was one of 50 Notre Dame University of Nelson students to graduate at the Spring Convocation ceremony Sunday, April 30. Miss Grazley, daughter of Mr. and Mrs. C. E. Grazley of Summerland, received a Bachelor of Arts degree. She attended Summerland Secondary School and is a graduate of Argenta Friends School. Born in Edmonton, the 20 year old student belonged to Notre Dame's Film Society, Club International and the University Choir. She was the recipient of government scholarships and bursaries. Miss Grazley plans to take a year of education and then teach in a high school.

Under The Giant's Head

ing. It was a wonderful show and we owe the singers, players, directors, stage hands, etc. a debt of gratitude... Sorry there is no 'review' in this issue—which there should be but I can't write one of those somehow—those and weddings. I thought I'd take a few pictures Friday night to put in this issue, but was told it was not the thing to do as it would distract the performers and the audience... THIS was a new wrinkle to me but so many people saw the show I suppose it isn't important. In any case Summerland should be proud of the performance.

I got a note from Wilf Evans that a Calcutta sweepstake will be made at the golf course from the first 16 players to be auctioned on Saturday night... guess there is a 'do' at the club but it is too late (even for the doctor on a Tuesday night) to phone him about it for details.

I see where a plebiscite seeking the approval in principle, of the electors in nine Vancou-

ver Island school districts for the establishment of a regional college has been authorized. The site chosen (?) is adjacent to but, north of Nanaimo... Hope they can get along better than the Okanagan districts did.

I may be talking through my hat — but I don't understand why there is the talk around the school board table about needing another school. As far as I can figure out, our enrolment is not increasing, so what's the deal? The great white father in Victoria gave us a healthy unexpected grant this year which made us the envy of many B.C. school districts but I doubt if this will go on forever. And watch this one... There is talk (and I point no fingers because I'm not sure where to point) that we should amalgamate with the Penticton school district. I have to hear some powerful and good reasons to stop me from fighting this move.

And remember the blood do-

Government asked to assure Brenda of tax concessions

By B. Davies
The Peachland Chamber of Commerce this week sent the Prime Minister a telegram

urging the government to give assurance that a threeyear tax concession, and other benefits be given Brenda Mines for the

proposed mine west of Peachland, pointing out that the operation would give a great boost not only to Peachland but the economy of the entire Okanagan.

Reeve Thwaite says to hold the line in spending

PEACHLAND — The municipal budget for 1967 was discussed and finally passed at last week's meeting of the municipal council.

Even with increases in school costs, debt purposes, the council managed to decrease the mill rate by .5 to 49.5 mills in 1967. Breakdown as follows:
General purposes 12.41
Debt purposes 5.90
School purposes 31.19
SCHOOL COSTS ALARMING

Reeve and councillors were perturbed about the sum a 11 grant School District No. 23 received from the provincial government. Reeve H. Thwaite said taxes cannot keep going up, up, Peachland must hold the line if it wishes to induce people to settle here.

In other council news:

C. O. Whinton asked permission to bring a pipeline under Princeton Ave. He will detour traffic through his property while the work is being carried out. Council agreed providing Whinton restores the

road to the same condition as before.

A special meeting was held May 3 regarding the replotting of Block 490.

A petition to be forwarded to the Lt. Gov. in-Council was read which dealt with Bylaw 424 pertaining to closing of 9th and 10th streets and by-law 425 which petitions closing of connecting roads between Beach and Lipsett avenues and 16 ft. of Lipsett.

Council gave permission to A. K. Chippendale to construct his own water system under the same agreement as granted to R. C. Seed.

Canada West Real Estate of Vancouver requested information and zoning by-laws governing construction of duplex-type houses.

Mr. and Mrs. G. Wallace and G. Smith confronted council to ask about surveying of a road adjacent to their properties. They were told by the reeve that survey costs would be quite high, and suggested that

A combined meeting of all Chambers of Commerce in the Valley has been scheduled for Tuesday at 6:30 p.m. at Shops Capri, Kelowna to plan further action.

Peachland Reeve Harold Thwaite sent the following telegram to Prime Minister Pearson on Monday:

"Grave concern is felt by the people of Peachland at the prospect of seeing the Brenda Mines development, so auspiciously begun, abruptly terminated through lack of assurance of continuation of federal concessions to mining companies. Most earnestly request that the necessary assurance be given by the government to Noranda Exploration to enable latter to proceed with its \$60,000,000 Brenda development, which is so vital to the welfare of the whole area."

the Inland Natural Gas Co. be asked to construct its pipeline along the lower fence line so the road can be straightened at a later date when funds are available. The petitioners were in agreement with the plan.

The Corporation of the DISTRICT OF SUMMERLAND

NOTICE

Re: Zoning By-Law No. 1118

PUBLIC NOTICE is hereby given that a Public Hearing will be held in the Municipal Office, Summerland, B.C. at 7.00 p.m. on Tuesday, May 16th, 1967 on proposed By-Law No. 1123 and 1124 to consider the following amendments to the Zoning By-Law.

- (1) That Lot 1, District Lot 473, Osoyoos Division Yale District, Plan 9007, be rezoned to R-1, Single and Two Family Residential Zone.
- (2) That that part of an area plan for the subdivision of Lot B, District Lot 473, Osoyoos Division Yale District Plan 1813, and lot 3, District Lot 473 Osoyoos Division Yale District, Plan 15071, and Lot 20 (Except Plan B6739) District Lot 2561, Plan 463, as adopted by the municipal Council, south of and including the southerly interior road be rezoned to R-1, Single and Two Family Residential.
- (3) That the remainder of the aforementioned area plan be re-zoned to A-1, Agricultural. 6

All persons whose property will be affected by such Zoning By-laws may appear in person or by Attorney or by Petition. A copy of proposed By-law Nos. 1123 and 1124 may be seen at the Municipal Office, including Plans.

Dated at Summerland, B.C. this 2nd day of May, 1967.

G. D. SMITH,
Municipal Clerk.

Summerland Review — 3

Thursday, May 4, 1967

Give blood on Friday

Summerland citizens will have an opportunity Friday to give something that costs nothing, but you will be assisting in saving lives by giving at the Red Cross Blood Donor Clinic in the United Church Hall. There is plenty of time allocated, giving everyone an opportunity to attend. The clinic will be open from 1:30 to 4:30 in the afternoon and from 6:30 to 9:30 in the evening.

The Summerland Kiwanis Club are the sponsors of the clinic as they have been for a number of years, and publicity chairman Walter Toevs urges everyone to take part. He says many of the old faithfuls have reached the maximum age and their contributions are not being replaced with younger blood.

Through the Red Cross Blood Transfusion Service and the many thousands of volunteer blood donors, any person in a Canadian hospital who needs blood, receives

it free of charge. The service is truly national in scope and every hospital is assured of adequate supplies of blood for its transfusion therapy needs. The technical and laboratory standards of the Red Cross are amongst the highest in the world, and efforts are continually made to improve them.

The transfusion service is a boon to every Canadian who is seriously ill or seriously injured. We can never tell when we will need blood ourselves so it is our obligation to participate.

It is not possible for everyone to enter the medical profession and allied sciences in order to help preserve human life directly, but it is possible for healthy individuals to help the medical profession in its great task. That help can be given by donating blood tomorrow, Friday, May 5, at the United Church Hall. It is one of the best ways for us to help maintain man's most basic right; his right to live.

From Our Back Files

42 YEARS AGO

With the exception of about 15 ft., the work on the new Garnet Valley Dam has been completed, and the water has been running since April 25th.

Mrs. Frank Mossop's mother & father who have been visiting her, and Mr. Mossop's mother, left here a few days ago for Calgary.

W. C. Kelly was a visitor to Princeton on Friday as solicitor of the assignee of D'Arcy Mountain Lumber Co. Ltd.

Mrs. S. R. Darke has moved down from Meadow Valley and is now living in Victoria Gardens with her son Robbie who is attending high school.

Mr. & Mrs. S. Angrove and Mr. & Mrs. J. Tait were visitors to Vernon Sunday.

43 YEARS AGO

The establishment of a fish hatchery on a large scale was urged at the Board of Trade meeting on Tuesday evening. The point was emphasized that Okanagan Lake needs re-stocking with fish, and Summerland was the logical place for the hatchery to be established. The matter will be looked into by the board and representations made to the Gov't.

Mr. W. H. Hayes left on Monday for Halycon Hot Springs where he will remain for 2 weeks.

Mr. & Mrs. T. G. Beavis arrived home on Wednesday from the coast where they have been attending the W.M.S. meetings.

Miss Alva Garnett passed her 1st. year at U.B.C. with 2nd. class honours. Mr. M. Marshall was successful in passing his 2nd year work.

Lois Goodland wins trophies and certificates 'by the bucket'

Lois Goodland, daughter of Mr. and Mrs. Jack Goodland entered the Kiwanis Musical Festival and received two trophies.

Lois, who travelled to Vancouver with her parents, received a second class certificate for her Bach Class under 14, with a mark of 78. She received a 1st class certificate for accordion under 12, with a mark of 86.

Lois tied for the J. Bordignon and Sons Trophy with the highest mark in all accordion classes under 20 years, the other winning girl being Gail Pishop. Each girl is to have the trophy for 5½ months. Lois also won the Mona Drury Trophy, which is the Junior Championship trophy for the winners of all classes under 14 years. She will be returning to Vancouver to participate in the "Stars of the Festival Concert," on May 7th, at which time she will receive her trophies.

POINT OF LAW

by A Practicing Lawyer

Q.: What is the difference between a joint tenancy and a tenancy in common?

Answer: These are two of the several ways that land may be jointly owned. Let us assume the simple case of A and B each owning half interest in a parcel of land. If the land is owned by joint tenancy, when one joint tenant dies his half must go to the surviving joint tenant and nothing that is said in the will of a deceased concerning that land can have any effect. If the land is owned in tenancy in common the rule is the reverse, and when one tenant dies his interest goes to the person named in his will — or according to the rules of intestacy, if he has no will.

Joint tenancy is common among spouses. If however there should be a separation or divorce either party may wish to draw a will leaving his entire estate to say, the children — or another person. In this case a lawyer should be consulted. He can breach the joint tenancy and convert it in-

to a tenancy in common very easily. This of course could be a two edged sword and may operate against the party breaking the jointure, that is the other joint tenant may die first and the person who has broken the jointure would not inherit.

Two joint owners may hold in any proportion, one half each, three quarters to one quarter or nine tenths to one tenth. There may be three joint owners and they may hold half of the land between them by joint tenancy and C, D and E may hold the other half by tenancy in common. There are literally an infinite number of combinations that interests in land may be held.

Question: I am a partner in a firm and my partner and I are thinking of forming a company. Is this of any advantage?

Answer: Generally, yes. Every company name must contain the word "limited". This is no mere form and means

that the liability of the shareholders for the company debts is limited to the amount unpaid on their shares — which may be nothing. Any two or more persons can form a private company and subscribe for one share each — at a price of \$1.00, if they wish.

The company is a separate legal entity — an individual "person" in the eyes of the law, capable of making contracts, buying and selling goods suing and being sued, etc.

In the business world perils are ever present — bankruptcy — law suits — losses and claims of all kinds. A partnership or sole proprietorship is fully liable for all losses.

Moreover, each partner is liable for the acts of the other partners, relevant to the business whether he knows of them or not. Each member is personally liable and his own assets — house, car, bank account, etc. — can be seized.

In the case of a limited company, only the company itself is liable and only its assets may be seized and these may be trifling or nonexistent. Many "dummy" or "paper" companies don't even own a typewriter — it is rented!

Incidentally, one should, for this reason be more wary of extending credit to a company than a firm.

Janice Strachan buried in Peachland

PEACHLAND —

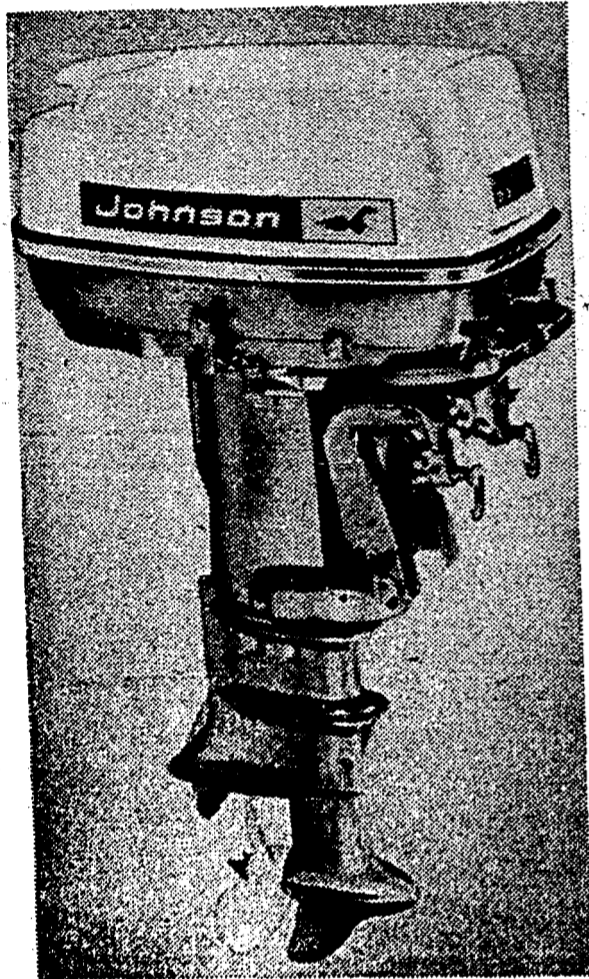

Funeral services for a Peachland, teenager, Janice Kathleen Strachan were held April 25 from St. Margaret's Anglican Church with Rev. N. Tannar of Summerland conducting the service.

Janice, who passed away as a result of a car accident in Kelowna April 21, was born in Vancouver 17 years ago. She leaves to mourn her loving parents Mr. and Mrs. A. Strachan, Peachland; two sisters: Mrs. R. (Pat) Flannigan, Vancouver; and Linda at home; also one brother, Ian, at home.

Interment was in the Peachland Cemetery. Pallbearers were Ken Topham, Norman Enns, Lyle Enns, Fred Ulbrich, Erich Ulbrich; and Brian Buck, Vancouver. Wright's Funeral Home was entrusted with arrangements.

LET'S GET NEWSY . . .

Mr. and Mrs. Norm Reid are being congratulated on the birth of a grandson. Geoffrey was born to Ed and Carolyn Menu of Edmonton and formerly of Summerland on Tuesday, May 2.

Garbage collection By-Law getting closer to reality

Councillor Jim Schaeffer told council Tuesday night he had a survey made of the more populated areas in the municipality to determine the number of pick-ups involved in the proposed municipal garbage collection.

He came up with a figure of 975 residences; 72 commercial, 12 industrial and 11 institutional. This survey included Trout Creek. A plebiscite must be held to authorize a garbage pick-up by-law.

In other council business:

Council will make application to extend their A.R.D.A. work for another year so work can be completed on two more dams.

Works Superintendent Ken Blagborne said they are having trouble with the gate at the Garnett Valley Dam. The stem pulled out but they have it under control now so there should be no disruption in irrigation service. The gate is partially closed so they are using a siphon system.

At the request of two Trout Creek residents, the drain pipes at two locations will be extended out in the lake 50 ft. Blagborne estimated the cost to be \$100.

Dr. Barr, Trout Creek, will be able to dig a channel from his yard to the lake deep enough to get his row boat out (about 18 inches) if he obtains permission from authorities. Council has no authority on foreshore but their sanction is requested where work is done.

The usable area in the new cemetery location has been rented to John Dunn for the payment of water rates and the equivalent of taxes.

The tender of Royalite Oil was accepted to supply the municipality with asphalt this year. They were three cents under the next lowest bidder. Other companies submitting bids were Standard Oil, B-A and Imperial. The figures were not disclosed.

Councillor Schaeffer had high praise for the program presented by the Summerland Centennial Choir and the Summerland Players over the week

end. They presented two concerts on Friday and Saturday nights.

"It's nice to see that these people still have the ability to perform and I would like to see them carry on each year. The show was outstanding," he added. (Over 1,000 people attended.)

Each week, minutes of council meeting are sent to the head office of the Regional District in Penticton. Barkwill brought the word back that this office said the Summerland recordings of meetings are complete and to the point and are the best they receive.

Ken Boothe and Bernice Hume-Smith were re-appointed to the Summerland Planning Commission. Boothe represents the school and Hume-Smith the Chamber of Commerce.

The area embracing Giant's Head Park will be reserved — not dedicated. It is a matter of terms, leading to the same end according to Frank Haar, municipal solicitor.

To have the area dedicated, a two-thirds majority of the electors is necessary and the expensive routine of having it surveyed has to be done. To have it reserved it may be done by outlining the boundaries by map and passed by a resolution of council. The latter was carried out.

Also in the by-law will be a stipulation that no flowers may be picked or trees cut. There will not be any open fires allowed because of the dry conditions of the park.

It would appear there will be plenty of water to supply Summerland's needs this year. Superintendent Blagborne said there was no snow at Canyon or Crescent last year at this time but this isn't the case according to the dam report.

At Canyon there was 34 inches of snow at the end of the month with a water content of 10.7 inches. At Crescent, the snow is 26.5 inches deep, and very wet with a water content of 10.3 inches and the ground appears to be saturated. The creeks have not started to flow as yet.

Shorter work week not real aim of strikers, claims W. Kootenay

The demand of striking electrical workers for a shorter work week is really only a play for more pay, the president of West Kootenay Power and Light Co. said this week.

Bill Gwyer made his comment in his continued campaign to publicize the real issue behind the 23-day old strike of utility linemen, helpers and other trades.

Gwyer said that although the electrical workers' union wants a 37½-hour week, it still expects the union men to work 40 hours.

"The extra 2½ hours is to go toward longer vacations which is, in effect, higher pay," Gwyer said.

"The recommendation of the conciliation board would give the strikers annual increases from \$960 to \$1,400. A shorter work week would add an average of \$500 per man additional costs.

The union has demanded the shorter work week to provide more jobs for its members in

the face of automation. Gwyer said this reason is not a valid one.

"There is no proven relationship between hours of work and rate of employment," he said.

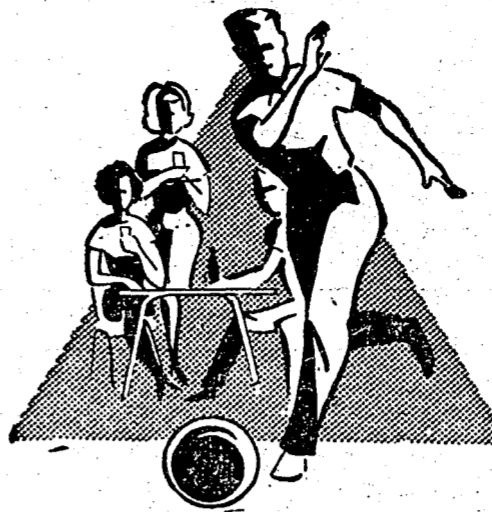

"We are employing more people today than we were ten years ago despite the use of some automated equipment in our plants. In 1957, West Kootenay Power and Light had 203 hourly wage employees. Today, we have 231.

"No one in our operations has been thrown out of work by automation. In fact, we've spent more than \$10,000 re-training some men for work in other jobs.

"The 37½-hour week is not going to create more jobs. It's only going to put more money into the pockets of the men already in those jobs.

"We say the conciliation board recommendation is generous enough, and we urge the men to accept its terms and get back to work," Gwyer said.

BOWLING LEAGUE SCOREBOARD

By Ron Kostelniuk

Candy Kisses upset the A League champs, to win the grand championship. After Thursday's action, the Sugar Plums led the Candy Kisses 2133 to 2044 in total pins. Although the A League champs won the Friday action, 2208 to 2156, they still fell 37 pins short. High games included Betty Creighton, with a 254, and Lil Smith, with 262 for Candy Kisses on Friday. Sugar Plums wound up with 4289 pins; Candy Kisses with 4252. Members of the Grand Champs are Elsie Howard; Jean Skipplings; Mary McCauley and Irene Chatten.

The Ladies' League banquet will be held on the 12th at the Yacht Club, starting at 8 p.m. There will be a presentation of

trophies and election of officers at the banquet.

The Spring League got underway last week, with the following results:

Emm-its	3
Beachcombs	3
Bear Frames	2
4-Squares	2
Its	2
Strikers	2
Narod	2
Hyacinths	2
Alleycats	1
Sprinters	1

High single: Bill Tewnton 279; May Ramsay 294; high three: Alan Gould 679; Barb Robert 734.

HEN-DUCK DOES ALL WORK

During summer, mallards ducks like the shallow marshes where they can find water plants to eat. These, and water insects, are their main food. At night they rest on small islands of marsh plants or swim to open water. When fall comes, they may start feeding on corn or other grains in the fields. With freezing weather, most ducks will fly south for the winter. In the spring the hen will return, with a mate, to her old nesting place in this marsh. The drake doesn't help with the nest, and he doesn't help raise the ducklings. The hen hatches the eggs and raises the brood.

There are ten different native kinds of pines and six of spruce in Canada.

Institutional buildings given recommendation by council

Two buildings are closer to renovations would be required. being used for what their owners intended following the meeting of the Summerland Council Tuesday night.

The Seventh-day Adventist Reform Movement was given the green light to carry on with a missionary school. They said they do not expect more than six or seven students this year and that none would be "living in".

Building inspector John Khambach reported the building to be sound and that the main flood would be suitable for that many students but as the enrollment increased some facilities would also have to increase.

Assistant Fire Marshall Joe McLachlan inspected the building and said the main floor was suitable for up to 15 students—more than that and re-

The old hospital was also approved for a nursing home.

The building inspector and the department of health had previously given their seal of approval on the building pending some minor improvements—this time it was the fire marshall's branch that made their report.

McLachlan said there should be an increase in the capacity of fire extinguishers, and the laundry chute should be metal lined and recommended other minor improvements be made. It will accommodate 24 persons.

These inspections were requested by provincial authorities. Final approval does not rest with council.

Island areas to vote on College

A plebiscite seeking the approval in principle of electors in nine Vancouver Island school districts for the establishment of a regional college has been authorized by the Provincial Government, it was announced by the Hon. L. R. Peterson, Minister of Education.

Peterson said that the brief from the Vancouver Island Regional College Co-ordinating Committee requesting the plebiscite, which was received earlier this month, stated that the nine districts were in agreement that the college should be built at a site "adjacent to but north of Nanaimo."

OVER 8 MILLION BCs

Whist winners announced

The closing whist party of the season was held in the Rosedale Room of the Legion with 13 tables in play. After lunch hosted by Mrs. H. J. Brown, and Mrs. Campbell, prizes were presented.

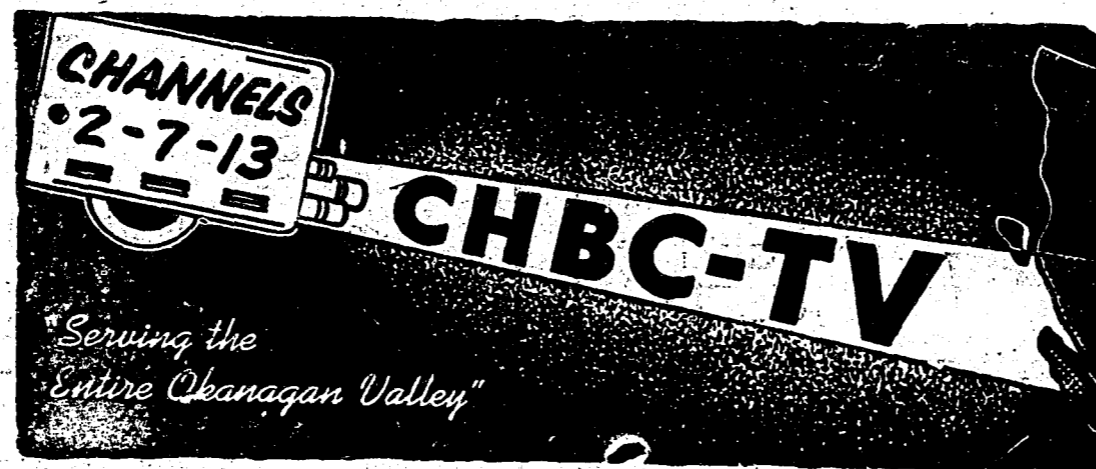

The ladies high score was won by Mrs. B. Fleming, gentlemen's prize was cut for by J. Williams and O. Gaaski. Williams won the draw. Ladies consolation went to Mrs. H. Howard, and again the gentlemen tied for low score, and Mrs. Campbell (playing as a man) won a screw-driver instead of Mr. C. Cooke.

The ladies door prize was won by Mrs. Campbell, while the men's was won by Mr. A. Crawford.

The aggregate seasonal winners were Mrs. J. Bryan, but as she was the donor of the prize, second place winner Mrs. B. Fleming took it home. Mr. J. D. Peddie won the men's aggregate prize.

Mr. Mortimer thanked all hostesses and all others who helped so much. Mr. J. Williams and Mr. S. Drosnowich were thanked for donating the prizes, and Mr. Bert Schon for acting as score card computer.

After a word of thanks the Legion vice-president presented Mr. and Mrs. Mortimer with a metal garden table, as a token of appreciation of the work they had put into these functions.

Order with Summerland Review

Ministerial Association will hold Centennial service June 25

It was disclosed at the Summerland Centennial Committee meeting last week that the Summerland Ministerial Association will hold their special services to commemorate Canada's 100th birthday June 25.

Proceeding the services, in the Memorial Park, where all denominations are expected to take part, the Summerland band will present a concert starting at 7:30 p. m. and the service will begin at 8:15. The Centennial Choir may also take part in the program.

The dedication time of the Japanese Lantern placed in front of the new hospital will be conducted at 8:00 p.m. on July 1 rather than in the morning as previously announced. The committee felt there would

be a lull here between the park opening ceremonies and the fireworks display.

LET'S GET NEWSY . . .

Mr. Pat Minchin was in Vancouver recently to attend his father's funeral.

LET'S GET NEWSY . . .

Mrs. A. V. Holm, Mrs. Harry Einarson, Mrs. Wm. Arneson, of Gimli, Man.; Mrs. W. G. Johnson of Winnipeg, and Mrs. E. G. McAndless of Calgary, have arrived in Summerland to attend the wedding of their niece Miss Joanne Campbell to Fred Gartrell on May 6.

The Summerland Hospital Society became richer by \$512 Saturday when two cheques were presented to president Les Rumball, right, on the front steps of the hospital now under construction. Florence Kohlhaser, President of the Auxiliary to the Fraternal Order of Eagles and E. Harbicht, president of the mens group each gave Les a cheque for \$256. The money was raised by the two organizations sponsoring various functions.

"Slave" labor available

Teen Town will participate in clean-up week by holding a slave day Saturday from 9 a.m. to 5 p.m. Let a slave do your chores for you. The pay will be by donations. Phone 494-1707 during the daytime if you require a "slave".

Teen Town will also build two walking trails on Giant's Head.

On April 17 members went by bus to the Teen Town dance at Greenwood and April 30th they played baseball on the high school grounds.

YOU AND YOUR CAR INSURANCE

In the belief that education is an important step in accident prevention, READ & PRUDEN, in co-operation with the WAWANESA MUTUAL INSURANCE CO. and Canadian Handbook's Safety Guide Book, will present in the Review, a series of articles designed to improve your driving habits, and in so doing, become a safer driver and enjoy your driving more.

SECTION "A" —

YOUR LEGAL LIABILITY TO OTHERS

Injury to other persons or damage to property — This section protects you or anyone who personally drives your car with your consent, against any claims resulting from the death of or injury of other persons caused by your car, also from damage to the property of others. If you are involved in an accident, your insurance company will handle any claim against you, will defend you in any civil action and pay costs, and will pay the amount of the award up to the limits of your insurance. The company also will reimburse you for you for any immediate medical aid which may have been required at the time of the injury. There are certain exclusions which are given below.

Liability to passengers — Your policy covers your legal liability arising out of injury to your passengers. It must be remembered that the laws definitely limit your liability.

Drive other cars — Your policy covers liability of both you and your spouse not only while driving your own car but while personally driving another's car with the owner's consent.

"A" DOES NOT COVER

Immediate family — This particular section of the policy excludes members of your immediate family or the family of anyone you allow to drive your car if such injuries are received while they are being carried in or upon or entering or getting in to or alighting from the automobile. Thus, if your SISTER is injured while in your car the policy does not apply.

Also excluded is: — Any liability imposed by any Workmen's Compensation law.

Liability for injuries to any employee while engaged in the operation or repair of the automobile is excluded.

Liability to any person in the business of a garage, repair shop, service station or automobile dealer, while operating or repairing your car in the course of such business.

Loss or damage arising directly or indirectly out of a nuclear energy hazard unless permission is granted by the attachment of R-4 endorsement, permission to carry explosives or radio active material.

Summerlanders travel to Expo -- slowed down by blizzard

Same Summerland people are at or are on their way to Expo this week.

Mrs. Doris McLachland flew east with her mother, Mrs. Lydia Johnston and stopped off at Selkirk, Ont. on the way where they visited friends and relatives. Mrs. Johnston, 81, visited a woman near Selkirk who once was her school teacher. Doris was expected to ar-

rive in Montreal Monday.

Keath Marten, his son and daughter-in-law, Mr. and Mrs. Lee Marten left here Friday by car and Mrs. Marten received word Monday that they were stranded in North Dakota over the weekend due to blizzards. They are also on their way to Expo and will visit friends and relatives around Ottawa as well.

SUMMERLAND Review -- 7
Thursday, May 4, 1967

LET'S GET NEWSY . . .

Mr. and Mrs. A. Hettrich of Keremeos were guests of Mr. and Mrs. E.O. White last week.

Mrs. R. Wilburn had as visitors recently her son and daughter in-law, Mr. and Mrs. E.C. Wilburn, and children, Rodney, David and Marcia of Vancouver.

Jack Kirk has spent a few days in the hospital.

Kiwanis hope to hit quota at Red Cross Blood Donor Clinic

John Tamblin is the Chairman of the Kiwanis committee in charge of the Red Cross Blood Donor Clinic to be held in the Summerland United Church Hall on Friday

They started off with a telephone canvas and this has been followed up with reminder cards mailed Tuesday.

They said their response to the telephone plea was very encouraging. The Clinic will be open from 1:30 to 4:30 and from 6:30 to 9:30 p.m. on Friday, May 5th.

WE BELIEVE \$10,000 A YEAR IS A GOOD WAGE

That's what the average West Kootenay Power lineman will be making next year if the Union accepts the same majority Conciliation Board award that the Company has accepted.

The Company is prepared to pay \$4.08 an hour and this means that linemen, with the usual standby, callout and overtime experienced in the past, will earn from \$9,275 to \$10,600 a year.

Helpers, without training, will earn \$6,350. The average for ALL employees will be \$7,630 a year.

What does this mean in extra pay? It means at least \$960 a year in the smallest pay packet and \$1,400 more at the top.

This represents a fair and substantial increase. Anything more will mean that other people working for a living in this area will have to settle for a smaller portion of the total wage pie available to the economy of this region.

West Kootenay Power and Light Company, Limited

1967 budget is well received

The 1967 annual budget was presented to the Summerland Council Tuesday night, and it met with general approval.

Spending for General expenditures raised three tenths of a mill for which Reeve Holmes praised the Finance Committee consisting of Bill Barkwill, chairman, and Doug Hill and treasurer Reid Henderson, for holding the line.

The new hospital in debenture payments, will cost taxpayers an additional four mills and the school went up from 23.8 to 28.5 mills. Total for 1967 is 51, compared to 43 mills last year.

Barkwill said rates in northern centres such as Enderby and Armstrong ranged from 60 to 61 mills so he felt Summerland was well in line.

Last year 30 percent represented school expenditure. This year it rose to 38 per cent.

"I think you have done a marvelous job", Holmes said. "We have no control over the hospital and school but to keep our budget to an increase of only three tenths of a mill is wonderful."

Here is just a brief outline of expected expenditures for the year:

General government ...\$41,775
 Protect. to persons, prop. 37,483
 Public works 56,460
 Sanitation 3,250
 Public health 1,240
 Social Assistance 87,100
 (\$59,100 of this is paid back in grants by provincial and federal governments);
 Education 249,630
 Public recreation 39,086
 Debt charges 111,618
 Capital expenditures ...62,656
 Construction to

irrigation system4,000
 Total budget \$694,298
 \$439,478 will be collected through taxation and the government grant will amount to \$104,562.

The budget was broken down to show the anticipated expenditures in the domestic water fund, the irrigation fund, and the electric light fund as well as general expenditures.

Councillor Powell praised the committee and Mr. Henderson for this format. "This way we have some idea of what we are doing," he said.

BRIDGE RESULTS

Fourteen tables took part in the visitors and guests night at the Rosedale Room Monday night. Here are the results:

North-South: Frank Brodie and L. Hawkins; Gordon Hepperle and Ray Wilkinson; Anne McClymont and Ethel Wilmot; Bill Hepperle and Fred Evans; Mr. and Mrs. Vern Oakes;

East-west: Mr. and Mrs. V. Andreev; Ruth Buchanan and Nina Gray; Harold Hunter and Fred Steeves; Mr. and Mrs. A. E. McBride. Tie for fourth and fifth were Bill Mackclaine and Clare Elsey with Mrs. M. Nelson and Tony Adams.

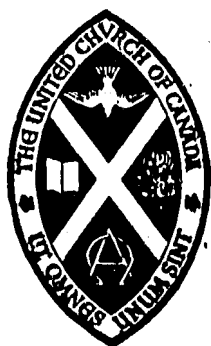

In Penticon Thursday night it went like this with the ten tables of players participating:

North-south: Tie for first and second, Bill Hepperle and Fred Evans with Ray Stewart and Frank Brodie; Mr. and Mrs. Dennis Purcell; Jack Lockie and Bert Berry.

East-west: Mr. and Mrs. Bert Sloman; Mr. and Mrs. Wes Funnell; Mr. and Mrs. A. E. McBride; Marv Tucker and M. Osborne.

SUMMERLAND

Candidates serve at Yacht Club Tea.

Saturday afternoon the Royalty candidates served tea at the Summerland Yacht Club.

The tea, sponsored by the Ladies Auxiliary to the Yacht Club, was the second this year, that the girls have served at.

The girls serving were: Katy Evans, Miss Rotary; Linda Keuning, Miss Yacht Club; Sandy Stein, Miss Kinsmen; Elizabeth Orr, Miss Kiwanis; Linda Flebbe, Miss Royal Canadian Legion; Sharon May, Miss Teen Town; Ellen Davis, Miss Firemen; Vivian Kinvig, Miss B.P.O. Elks.

The tea table was decorated with a carnation center-piece and candles, and the girls took turns pouring tea, serving and selling baked goods. A chiffon cake, made by Mrs. Fred Schumann, and decorated by Mrs. O. Morphy was raffled, the winner being Mrs. Ann Young.

Mrs. Bertha Porritt buried Saturday

Mrs. Bertha Porritt passed away in Kelowna Thursday, April 27 at the age of 86 years.

Surviving are: two sons: John, Victoria; Stanley, Summerland; five grandchildren;

Also, one brother: John Edwards, Banff, Alberta; one sister Mrs. C. K. Walker Santa Barbara, Calif.

She was predeceased by her husband, John, in 1926 and a daughter Catherine in 1932.

Funeral services were conducted from St. Stephen's Anglican Church on April 29 with Rev. Norman Tannar officiating. Interment was in the Anglican Church cemetery; a n.d. Wright's Funeral Home was entrusted with arrangements.

NEW LOOK for the Bank of Montreal includes a stylized "M" and new typography for the name and slogan; plus adoption of "First Bank Blue" as the official color. These will be used

to introduce new standard identification of all bank buildings, advertising, stationery, cheques and forms for many millions of items at more than 1000 offices in Canada and abroad.

Summer School urges early registration

Registrations at the Okanagan Summer School of the Arts now stand at over 100. Hostel reservations have reached over 40. It is possible that the popular courses such as drama, ballet, painting, pottery and band will be filled early this year and local residents are asked to get their registrations in as soon as possible to avoid disappointment.

Enquiries this year have been pouring in at the rate of 15 to 20 a day and accommodation for adults and students, other than those 13 to 17 year olds for whom the hostel is provided, proves a real problem to the Summer School in Penticton.

Promotional trips by Mr. and Mrs. George Gay to the Prairies and Washington state and Mrs. Holmes-Smith to Prince George, Vancouver and Victoria have proved their value by the number of registrations and enquiries coming in from these areas.

Summerland residents will be able to avail themselves of the bus that is being provided by the school district for the Okanagan Summer School students. This is sponsored by the Summerland Kiwanis Club. A similar undertaking is underway in Oliver and Osoyoos where the Oliver Chamber of Commerce is sponsoring a scheme to get local clubs to financially support the bus offered by School District No. 14. A substantial donation of \$100 by the Okanagan Valley Teachers Association sends this project off to a fine start.

Only two qualify for meet

Ron Mayne and Patsy Norris were the only Summerland qualifiers, for the Kinsmen track meet to be held in Penticton Saturday, in an elimination meet held in Summerland Thursday. Princess Margaret and McNichol Park schools provided the competition for the Summerlanders.

The small number of qualifiers is attributed to the poor turnout for track and field this year.

Valve shortage may mean restrictions

There is a shortage of flow control valves in Summerland and as a result, residents may be asked to revert back to the regulations of last year for the watering of lawns.

Stores and packing houses have sold all they have and it is not known when more supplies will arrive.

This was brought up at Tues

day's council meeting where Reeve Holmes, a hardware merchant, said as far as he knew there were none to be had in B.C. Suppliers are waiting for shipments from the U.S

Centennial parade being organized

Another feature has just been added to Summerland Centennial celebrations.

The Kiwanis Club has undertaken to spearhead a parade for July 1st, and according to chairman Jack Towgood, some ambitious floats are already in the planning stage.

"The Centennial theme offers much scope for imaginative and exciting participation in the parade", Towgood said — "the parade committee hopes for many and early applications from clubs and service organizations, from business, industry and individuals."

First and second place ribbons will be awarded to each of the following categories:

- Best float in parade;
- Best commercial;
- Best organization or club;
- Best comic;
- Best children's entry (under 16 years).

Kick-off time for the parade will be 1:00 p.m.

With Jack on the committee

are: Lloyd Shannon, George Henry, Bill Fell and Steve Turner.

LET'S GET NEWSY . . .

Mr. and Mrs. Cy Knight of Red Deer, Alberta, were visiting in Summerland for the past few weeks and liked it so well that they're planning to return next winter. They were visiting Mr. and Mrs. Ed Solverson.

Dr. Harold Madsen, Dr. M.D. Proverbs, Cecil Morgan and Mitsu Kikichi are on a steel-head fishing trip this week in the Bella Cooola area.

V. Uegama is home for a visit from Vancouver.

Mrs. Charles Bernhardt visited her parents in New Westminster last week.

Mr. and Mrs. Jas M a y n e were in Victoria last week and were accompanied h o m e by their son, Gerry who is a student at Victoria University.

Building values rise again

Summerland building continues to increase with the construction value this year exceeding a quarter of a million dollars so far.

Building inspector John Khalembach reports the total value of the permits for the month of April was \$76,195 compared to \$59,000 during April of last year.

Total for 1966 to the end of April was \$171,985 and for 1967 it rose to \$290,170 for an increase of \$118,185.

Body of fisherman located Wednesday

Wednesday ordered an inquiry into the death of William Edward Johl, 75, of McPherson Rd., in Summerland, whose body was pulled from the reservoir Wednesday, by RCMP.

Mr. Pohl left home about 12:30 p.m. to go fishing at the dam Tuesday. Neighbors went looking for him when he hadn't returned by supper time.

The body was located about a mile down from the dam on the north shore.

NEW TREE GROWTH

It is amazing how trees will adapt themselves to meet adverse conditions. There are instances where floods and avalanches have removed the soil away from roots leaving the central tap root exposed. Where the tree has received shelter, the exposed root has developed bark and become part of the trunk, whereas, the tip of the roots have extended further into the soil to pick up moisture and anchor the tree. A notable example of this occurs in the Valley of the Crooked Trees in Jasper Park.

One of the greatest wastes of wood in Canada is caused by a surplus of old trees. In the long run, the highest average yield of wood from a forest is obtained by cutting before growth slows down due to old age.

CREDIT GWENETH LLOYD

The Royal Winnipeg Ballet owes its origin to Gweneth Lloyd who created over thirty original ballets for the company which is renowned for its sprightly presentation.

Busy schedule for band

The Summerland Secondary School will leave on a band trip today. They travel to Salmon Arm for a public concert, and spend the night.

Friday they continue on to Lillooet, where they will give a concert at the school in the afternoon, and a public concert in the evening. They will be staying there the night in dormitories, and on Saturday they have a choice of hearing a lecture by publisher "Ma" Murray, or going out to pan for gold. After a luncheon planned by Lillooet, they will make the

return trip via the Fraser Canyon, where they plan a stop at Hell's Gate and on home via the Hope-Princeton highway—arriving home Saturday night.

The following week, Friday, May 12, over 200 band students from Salmon Arm and Summerland Secondary School will

Three quarters of all forest fires in Canada are caused by people.

Summerland Review Page 12
Thursday, May 4, 1967

give a concert in the Summerland Auditorium.

Saturday the Secondary Junior Band from Summerland will compete in the Okanagan Music Festival in Penticton, and the Senior Band and Salmon Arm Band will compete against each other in the provincial Centennial competition. There will be a total of sixteen band competing in the Festival

Canada's forests contain 135 different species of native trees.

Former Summerland resident passes away in Surrey

Word has been received of the passing of Mrs. Janet Collins in a private hospital in Surrey. Mrs. Collins was a long-time resident of Summerland and will be remembered by many friends here. She was 77 years, and is survived by one son, David of Vancouver.

Graveside services were held April 25 at Valley View Memorial Gardens, with Rev. P. R. Ellis officiating.

THE SUMMERLAND REVIEW - BULLETIN

Vol. 22 — No. 15 Thursday, May 11, 1967 SUMMERLAND, BRITISH COLUMBIA 8c per copy. A year on \$3.00

Minor baseball is in the move

The Summerland Minor Baseball League officially began play on Tuesday, May 9. There are five teams in this league, and the coaches are all volunteers.

Some of the coaches are as follows: Frank Kuroday, Don Cristante, Steve Sakal, Harvey Reid; Don Wertz; Doug Irving; Gordon Day; C. Greenough and others.

There weren't enough boys interested to form a Babe Ruth League in Summerland, but there is one team going from here to Penticton to take part in the League there. They played their first game Monday, May 8 and suffered defeat.

Art Club makes plans for rug show

At last week's luncheon meeting of the Summerland Art Club, held at the home of Mrs. Katy Madsen, plans were finalized for the Rug show on May 20 and annual Art show June 9 and 10.

Mrs. Menu and Mrs. Dyck were welcomed as new members. Mrs. C.V.G. Morgan, club president presented Mrs. Madsen with a small housewarming gift.

All members are urged to attend the next meeting on Friday, May 26 at 10 a.m. in the Craft Centre.

Drama Club Wins best performance

The Summerland Secondary School Drama Club travelled to Salmon Arm for the recent Centennial Drama Festival there, and brought back honours to the school. The play, "The Tenth Word" was directed by Jane Foster, and received the award for the best visual performance, and was runner-up for the best play. Anne Ganzeveld won the award for best supporting actress in her role of Justicia.

Six plays were presented at the two-day festival, and drama clubs from schools in Merritt, Chase, Summerland, Keremeos and Oliver participated.

George Taylor and George Uzawa took advantage of the practice putting green at the Oliver Cherry Grove Golf and Country Club to warm up their putters prior to taking part in the Cherry Blossom Open held Sunday.

Blind Institute to hold meeting

Each organization in Summerland is asked to send a representative to the Canadian National Institute for the Blind meeting at the Health Unit on Monday, May 15 at 7:30 p.m.

Guest speaker will be Bert Johnson, CNIB field secretary. The general public is also urged to attend the meeting.

By Keith Bergh

This jet service can catch up to a guy. You find you are staying up all day and night. In this case it was a real long day. Ted Atkinson has returned from a business trip to Europe. He left Frankfurt, Germany at 5:30 a.m. and was in Edmonton 10 minutes later, at 5:40 a.m. Ted put in some long days on both ends of this trip.

I guess we don't live right. After the Okanagan got the big freeze in '64, every organization from the BCFGA down was after some assistance. After months of chewing, some relief came. Southern Alberta had a big snowstorm in which ranchers suffered cattle losses.

Federal Agriculture Minister J. J. Green was "Johnny-on-the-spot" and sent out experts to assess the extent and nature of the losses and to determine what particular assistance the federal government might be able to provide in order to supplement that which will be available from provincial and other sources.

Some difference!

DON'T BILE THE CULLORD!
Probably most of us take our telephones and other modern

Sewage control is investigated

Building inspector John Kahlbach, at the request of the municipal council, has made a report on the sewage control in Summerland Lakeshore. He and Stan Hursch, sanitary inspector checked on homes from the Trout Hatchery south to Rotary Beach.

They found there were six households discharging their sewage through open pipes into the lake and there was evidence of some who disposed of it on the ground but there were no visible pipes.

Hursch will be asked to submit a report as well.

Councillor Barkwill said, "it is not too long before we will have to think about a sewage disposal system down there."

POLLUTION MEETING

As many of the Summerland council members as possible, will attend an Okanagan Watershed Pollution Control Council meeting in Penticton May 17. They wish to discuss the problems Summerland now faces. Councillor Powell is the official Summerland representative.

TAXES DUE IN SEPT.

Taxes will have to be paid a month earlier this year to escape the 10 percent penalty. Previously the date was Oct. 15 but this was moved up to September 18th at Tuesday's council meeting.

Works Superintendent Blag-

borne checked the domestic water pressure in Summerland Lakshore, and it ranged from 18 to 35 pounds. As a result, council exempted this area of having to install flow-control valves but quantity limitations will still apply.

Seven exemption applications for flow control valves on irrigation systems were approved due to lack of pressure. One was rejected and another will be checked. Five domestic applications for exemptions were received as well. They will be checked by Blagborne who will report back to council.

A flat rate per day for councillors and municipal employees away on business will be considered rather than the submission of receipts upon their return. \$25 and \$20 per day for hotel and meals was suggested. Transportation is extra.

The by-law reserving Giant's Head Park as a park was given first readings.

It will be unlawful to pick, cut or damage shrubs, trees and flowers in the park. No soil can be removed and open fires are prohibited. No grazing of livestock will be permitted but you may ride up there as long as the horse is under control at all times. Firearms will not be allowed, and of course no hunting.

Under The Giant's Head

conveniences too much for granted. But imagine what a great-grandmother would think if she could see how we live today! A glimpse at one of her typical days shows how far we have come.

Such a glimpse is provided by this authentic "receipt" for washing clothes, preserved from the past in its original spelling;

This is Grandma's "receet" as given to her "chile's child" in the mountain of Kentucky:

- Bild fire in backyard to heat kettle of rainwater.
- Set tubs so smoke won't blow in eyes if wind is pert.
- Shave one hole cake of lie soap in billin' water.
- Sort things; make t h r e e piles — one pile white, one pile cullord, one pile work britches and rags.
- Stir flour in col' water to smmthe, then thin down in billin' water.
- Rub dirt spots on bord, scrub hard, then bile — white ones only. Rub cullord, don't bile, just rench in starch.
- Take white things out of kettle with handle of broom, then rench, blew and starch.
- Spred the towels on grass to sun.
- Hang ol' rags on wire fence.
- Pore rench water in flower

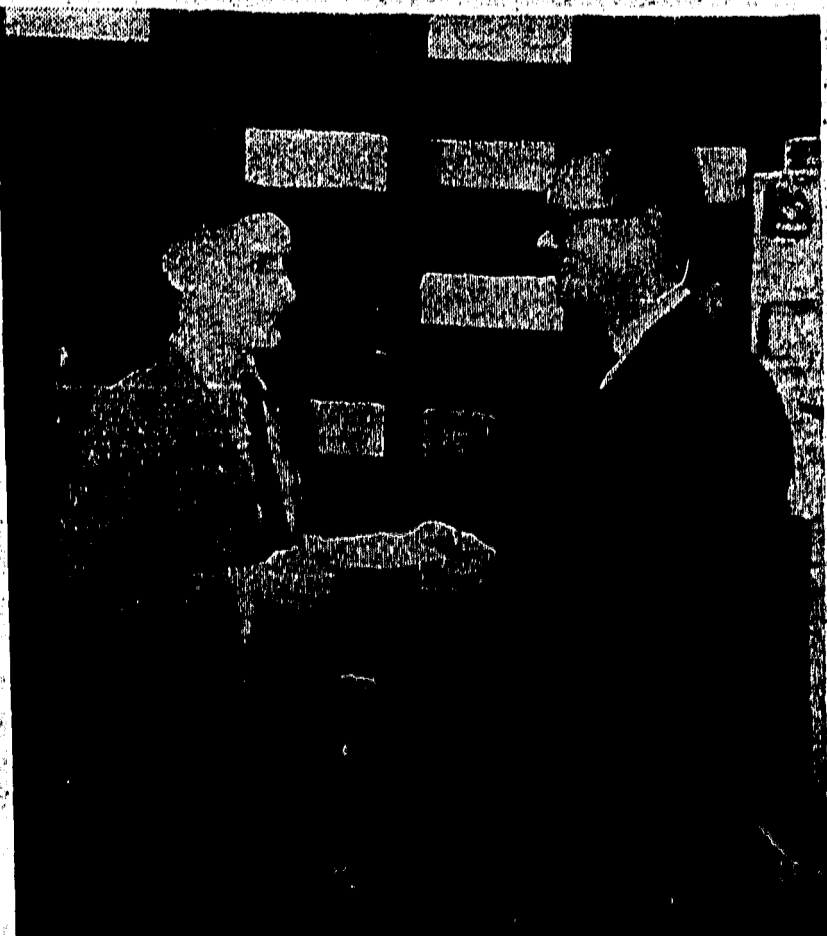

- bed.
- Scrub floor of porch with hot soapy water.
- Turn tubs and kettle upside down.
- Go put on clean d r e s s, smooth hair with side comb, brew cup of tee, set and rest, and rock a spel, and COUNT.

YOUR BLESSINGS.

(Suggestion: Paste this "receet" to cardboard, and hang above automatic washer and when things look bleak, read it again.)

"Coppied" by O. J. Tillson from Orlando (Fla.) Sentinel, by "Women's Comfort", clipped by Mrs. Earl White and "coppied" by Keith Bergh.

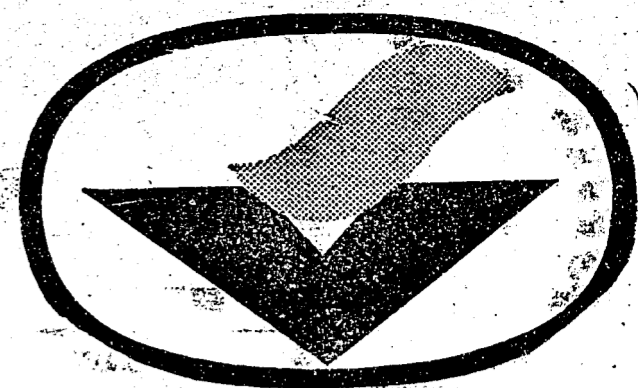

It seems this is the week to steal copy. Vern Charles brought this one in, clipped out of the Castor (Alberta) Advance. In part it mentions an old minute book of the Pollux School District that was found where it states "that Mr. Geo. Ries was engaged in the 1912 school year, as teacher, at a salary of \$295 per ANNUM. Salary to be paid monthly provided funds were on hand. The teacher was also to do sweeping and to dig the coal for the school at the coulee bank near Sullivan Lake."

Review Bulletin Publisher Keith Bergh presents Keith King a cheque for \$20.00 for his efforts on an essay contest sponsored by the paper.

Summerland Review-Bulletin 3

Include all Chambers of Commerce

A joint meeting of the chambers of commerce was called in Kelowna last week but apparently it wasn't too "joint".

It was called to discuss the delay in Brenda getting started because they fear the Carter Report will become law by the time they go into production. This report recommends that three year tax free clause for new mines be eliminated and Brenda wants assurance from the federal government that when the get into production about a year from now (if they go ahead) they will be in line for this. This is a reasonable request.

The big three, Vernon, Kelowna and Penticton were advised as was Peachland Summerland and Westbank were not represented because they knew nothing about it. This is what we mean by not too "joint".

Both Westbank and Summerland are more than a little interested in following developments on the Brenda properties and have a burning desire to co-operate wherever they can.

We hope it was just an oversight on the part of those who were making arrangements for this very important meeting. Actions such as this do not make for good public relations.

As a matter of fact chambers south and west of Penticton should have been in on these discussions — they have mines in their vicinity and any change in the Carter report will affect them too.

Be it the Brenda mine or any other — any development will be an asset, not only to the centre close to the operations, but to the Valley as a whole. There is power in numbers and we should be using the knowledge and strength of all Valley chambers to gain our end.

The invitations for this meeting came out of Kelowna and no doubt there was a time element involved and possibly because of this some were not reached. We don't for a moment believe there was any intent to slight other valley chambers, but it is bad business to leave anyone out.

Tell her you love her

Sunday is for Mother. For that person we take for granted until some minor crisis occurs — she is the one with the calm deliberate reasoning power. She is the one our children run for sympathy and understanding . . . or to show their under average report card to before Dad comes home from work so she will soften the blow.

Then of course there are the mothers who have been raised to the stature of being grandmothers — bless them. They have the unqualified right to spoil grandchildren — give them candy and gum, give them the run of the house, laugh when the chocolate

pudding falls to the floor . . . and allow them to do about seventy-five percent of the things they spanked their grandchild's mother and father for. The children love 'em and their parents put up with it because they know grandma's love is so deep and sincere she is helpless to do anything about it — besides mother can get the children back to normal again in a day or so — when they get home.

Yes Sunday is Mother's Day. It is common practice to buy her a little card or gift, but there is one thing we can all do that will mean more than anything — let her know you love her — tell her so Yes Mom we all love you.

FROM OUR FILES

42 YEARS AGO . . .

Mrs. Fish and Mrs. T. B. Williams of Penticton were guests of Mrs. T. A. Walden. Mrs. G. R. Hookam went down to the coast Sunday.

Mr. and Mrs. L. W. Rumball have moved into the Barr Cottage on Shaughnessy Ave., immediately south of A. M. Leslie's. Jack Lawler arrived home from the east Friday night. He will probably remain here for about a

month.

43 YEARS AGO . . .

Mr. and Mrs. Newton were guests over the weekend of Mr. and Mrs. T. G. Beavis, leaving here on Monday to return to Cawston. It is reported that the box factory will commence operations next Monday. It is now controlled by Mr. Nair Stuart. Mrs. B. Nelson and Mrs. A. E. Nelson left on Wednesday for a trip to Victoria.

HOW IS YOUR typewriting or adding machine working? Have them repaired or cleaned in our office. Summerland Review Bulletin.

Bingo-bango-bongo won by L. Williams

On Ladies Day at Sumac Ridge Golf Course last week, Louise Williams won Bingo-Bango-Bongo, and Eileen Hack won the Hidden Hole prizes.

There were 24 girls present. Qualifications for the Rumball Trophy are to be in by May 17.

Summerland bands in Salmon Arm

The Summerland Secondary School Band members were participants in a very enjoyable band trip, which started last Thursday. Upon arrival at Salmon Arm, they were billeted to the various homes and in the evening gave a concert at the school. Over 250 band students from Summerland and Salmon Arm participated in the concert.

band chaperones Mr. and Mrs. Chalmers, and Mr. and Mrs. Grinder, as well as to the band members. These were constructed from local jade and soapstone. The trip home included a tour down the Fraser Canyon, with supper at Pine Woods Lodge, arriving home about 9 p.m. Saturday.

The trip was enjoyed by all band members and special thanks are due to the chaperones and band director for arranging the trip, and helping the students to enjoy it to the fullest.

Local residents will have a chance to hear the Summerland and Salmon Arm bands perform Friday, May 12 at the Secondary School Auditorium, at 8 p.m. This should be an excellent performance as the students from all bands, some 210 of them, will participate in the Okanagan Musical Festival in Penticton May 13. Proceeds from this concert will help the band to finance next year's band trip.

Saturday morning the travellers headed for Lillooet, via Cache Creek and Marble Canyon. That afternoon the band performed for the secondary and elementary school students, and in the evening played a public concert.

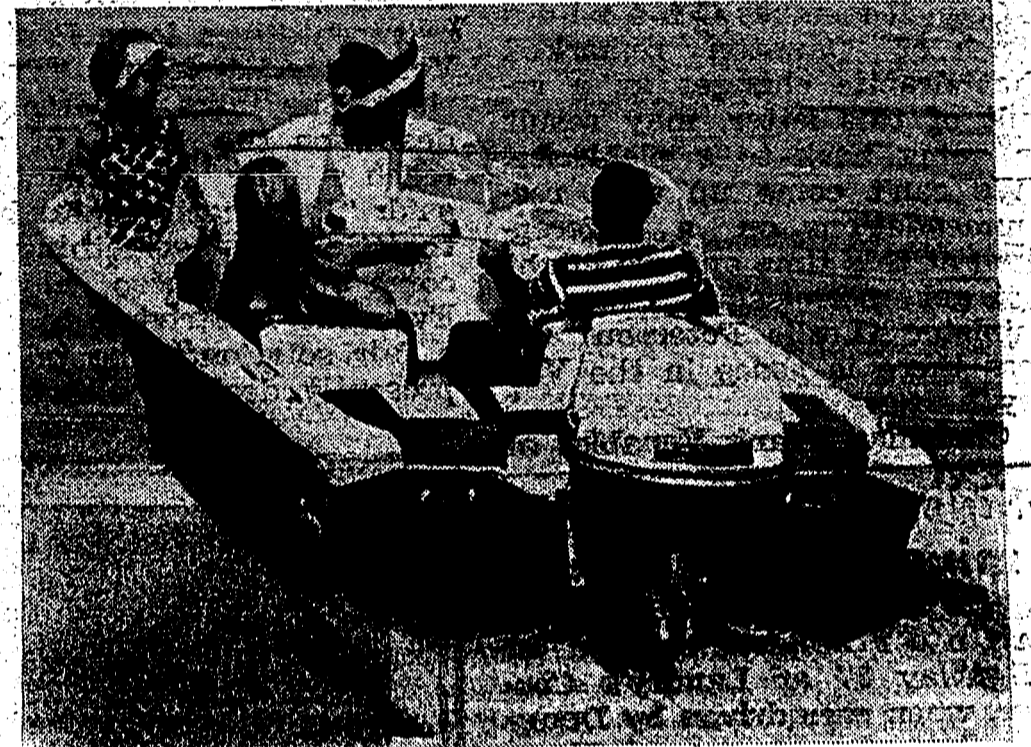

It would seem that the concert got off with a bang, when director Jim Grinder fell off the stage. The people in Lillooet were particularly impressed with soloists Carole Shannon (first trumpet), Sandra Dunn (accordion concerto), and Divi Wouters, (timpani). There was much praise given to the band wherever and whenever it performed.

Saturday morning saw forty band members panning for gold. David Ask Ann Ganzeveld, and Ken Dunsdon were fortunate to find gold.

Souvenirs were presented to

Summerland Rod and Gun Club practice shoot schedule announced

As promised, here is a schedule of practice shoots at the Trap grounds for the balance of this year.

(Contributed)

Wednesdays — 6:30 p.m.:
May 24, June 7, 28; July 12, 26; Aug. 9, 30; Sept. 13;
Sundays, Dec. 3, 17 at 12:30 pm
and Tuesday, Dec. 26, annual Boxing Day turkey shoot.

Practice shoots will not be held in October or November due to the hunting season. There will probably be one or two money shoots during the summer—and these will be given ample publicity.

The club is going to try to obtain the St. John's Ambulance artificial respiration dummy for the June meeting. I

need not point out the value of knowing what to do if one is ever involved in an emergency where artificial respiration may save a life, it can happen anytime. We would like to see the I.O.O.F. Hall packed to capacity for this demonstration. This also will receive ample publicity prior to the date.

Contrary to what seems to be public opinion, our general meetings are open to anyone who wishes to attend, refreshments are on the house, and there are plenty of chairs. The next meeting will be held Monday, May 15 at 8 p.m. in the IOOF Hall.

Remember, conservation is YOUR responsibility.

Catholic Women hold informative meeting

The regular meeting of the Catholic Women's League was held in the Parish Hall last week and was opened with the League Prayer, after which Mrs. Allen gave a reading starting with Psalm 13:6, and ending with John 15:11.

In part it said few people realize how much our happiness, security and prosperity are dependent upon ourselves. Giving of friendship and love to those about us is a determining factor in experiencing deep satisfaction, happiness and joy. Giving of our love and understanding of others widens the circle of our friends which in turn brightens our life, and adds spiritual grace and beauty to it.

After the usual business was dealt with, the standing convenors reports were given.

Since the week of May 7th is National Safety Week, Mrs. Logie chose as the theme of the programme, "Safety in the home." If you are buying night-wear, you should always ask for non-flammable materials. It is only by creating a demand that the manufacturers will be encouraged to put such material to use and our children will benefit.

Father Guinan then addressed the meeting, and carried on the theme of safety in areas of amusement, and on highways.

After the closing prayers were said a social hour was enjoyed by all with Mesdames Mary Matton, and Rita Allen acting as hostesses.

ancial formula for the College.

A letter from Westbank Indians representative Don Ursaki indicated the band is trying to get permission to offer 100 acres of land for sale as a College site. This is the acreage west of the old ferry slip.

A source in Vernon set the price at \$140,000.

Kelowna asks new college plebiscite

A letter from School District No 23 (Kelowna) asking for a new plebiscite, should the formula for establishment of the Okanagan Regional College be altered, was read at the College Council meeting on Monday in Kelowna.

The letter also asked that the Penticton School Board (not a member of the College Council) be requested to hold a plebiscite on the present formula and these alternatives be proceeded with and intentions declared by June 30.

Council member Charles Finch of Cawston remarked that drastic changes as a result of this letter, may result in going back to a plebiscite. "We can't come up with recommendations on a referendum at this time and we might not get permission from the minister (Leslie Peterson) unless there is peace in the Valley."

Chairman Frank Venables of

Oliver reported Mr. Peterson had informed him that the eight new members allowed under the change in the School Act, had not been appointed as yet. He indicated this would take about two more weeks. Mr. Venables said the minute new members were appointed, a Council meeting would be called immediately.

College president Norman Walker was asked to report on discussions the advisory committee has been holding with representatives from Penticton, Vernon and Kelowna. "The spirit of the talks indicate great desire on the part of all to reach a fair agreement," he said. "It is not rash to be optimistic that something will come out of these meetings. Everyone is striving to obtain a fair solution." The talks are presently dealing with the fin-

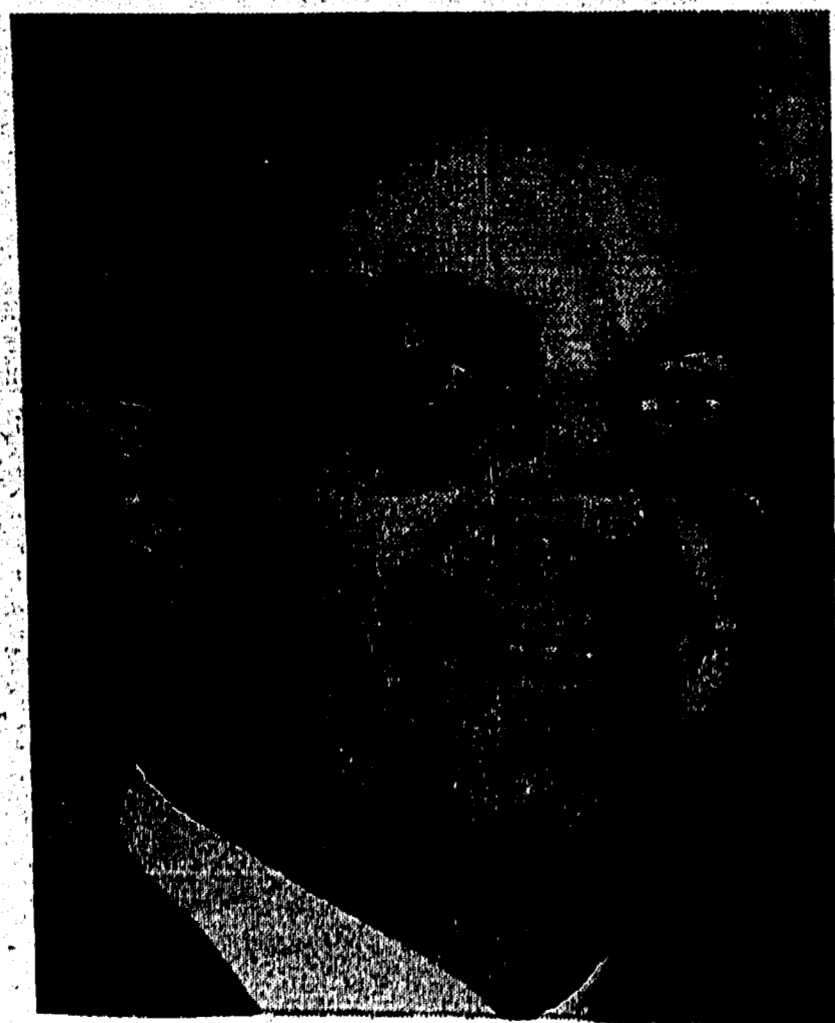

Sideswipe causes minor damage

On May 7th at 5:15 p.m. a minor accident occurred on Highway 97 at Landry's Corner, when cars driven by Douglas Sylvester Holden of Kamloops and Robert Morrison of Okanagan Center were involved. Both cars were proceeding north in a line of slow moving traffic, when the Holden car pulled out to pass. At the same time, the Morrison car pulled out and fenders were scraped as the Holden car was forced into the ditch. There was \$75 damage and a passenger in the Holden car received a bump on the head.

Willard Cockell of Trout Creek appeared before Magistrate Reid Johnston on May 9 and pleaded guilty to a charge of failing to file an income tax return. He was charged \$25 and given time to pay.

Two Peachland juveniles appeared before Magistrate J. B. Hack in juvenile court at Summerland, and pleaded guilty to charges of breaking, entering and theft. The charges arose out of an incident on April 25, when they broke into a private dwelling in Peachland, and stole \$30 and four bottles of beer.

One juvenile was placed on probation for two months with conditions, and the other remanded until May 13th for a probation officer's report and sentencing.

MY RESPONSIBILITY AS A CANADIAN
By Keith King, 15,
Summerland Secondary School

It's 1967, Canada's Centennial year. The year when all Canadians will be looking at MAN AND HIS WORLD; the theme of EXPO '67. But, during this time we will not only be studying "Man and His World", but also "Man's Responsibility to His World"! This brings me to the topic of this essay; what I feel is our responsibility to Canada and the World.

Of course most of us have a fairly good idea of what "Responsibility" means, but since I'm certain that some of my readers don't know exactly what this word means in exact dictionary language, I will now quote the meaning from "Cassell's New English Dictionary"—Being responsible for one's actions, the ability to act according to the laws of right and wrong.

In my opinion there are four very important responsibilities. Our first responsibility as a Canadian should be to God. When I talk of "God", I'm referring actually to the ideas of righteousness and perfection that we usually associate with God. In other words, our first and most important responsibility is to establish a proper code of morals. Of course it's not always very simple to spot the right from the wrong, but if we are to live up to the "image of honesty" we must search ceaselessly for the highest possible moral standards. Some very good and logical advice concerning morals was once given to me by my Grandfather. It ran like this: "IF YOU KNOW SOMETHING IS WRONG, DON'T DO IT! AND IF YOU HAVE DONE SOMETHING YOU KNOW IS WRONG, DON'T DO IT AGAIN!"

The second of our four responsibilities is to the Government. Our Government is actually an indirect extension of our thinking power, therefore we should be willing to give the Government our helpful support. If we feel that something is not right in our Government we shouldn't "ignore" it, nor should we march around with protest signs in a useless gesture to attract attention. What we should do is taken an active part in our Government by using our voting right, and giving helpful suggestions to our member of Parliament. If action is not as quick as we would prefer, we should organ-

ize a respectable group of intellectual public speakers (that would be listened to) and send this group to investigate the situation. But whether we are for or against our Government, we should respect our Government and be willing to share our responsibility.

Our third responsibility as a Canadian is to be well aware of public affairs both in the world and in our own community, and we should attempt to take an active voice in the proceedings. Many people who could benefit the country's welfare never voice their opinions because of a fear of public speaking, but if we want to improve our position as a world power, we must not be afraid to voice our opinions.

Our last, but certainly not least responsibility as a Canadian should be to live up to the highest and most honourable of all emotions, the love of our fellow man—known as "Brotherhood". This reminds me of the golden rule in a slightly modernized version, "Do to others only what you would like them to do to you". So it

is only fair to accomplish this, we should treat those around us in a kind, and fair way. We should also stand up against any "injustice" to brotherhood. Whether it is North Vietnam exploiting the south or persecution of Jews in the last war; in fact we don't have to go out of Canada to spot injustice to brotherhood. Look at our own trouble with Indians, a problem close to home we shouldn't ignore.

Many people are alarmed by the sudden flood of leisure time that the computer age is bringing upon us. But if we live up to our responsibilities as Canadians, that is if we—

1. Search for a good code of morals
 2. Take an active part in our Government
 3. Voice our opinions on public affairs, and
 4. Support brotherhood,
- we would find that we could use up every bit of our leisure time given to us by the machine age of today, and this is what we must do if we are to better understand our position with "AN AND HIS WORLD."

Keith King wins first prize in essay contest

Keith King, a Grade 10 Summerland Secondary School student has submitted the above essay, "My Responsibility as a Canadian" as an entry in the Centennial essay contest sponsored by the Summerland Review. Prizes at the local level were \$20, \$10 and \$5.

The contest is nation-wide, and was organized by the Canadian Weekly Newspaper Association, in co-operation with its members. There are more prizes at the provincial level and a trip to Ottawa will be the grand prize for the best essay submitted.

Keith's essay will now advance to the provincial level as the next step.

Keith King hopes to make career of comic strip writing

Keith King, winner of the Review - Bulletin essay contest was born in Edmonton on July 3, 1951. After several moves back and forth between Alberta and British Columbia, his family moved to Penticton, and from there to Summerland—where they hope to remain.

Keith's hobbies are writing, drawing scenes and cartoons, and public speaking. His ambition is to become a professional cartoonist of the first "comical" Canadian comic strip.

Keith began his public speaking when he entered a contest in Calgary. Unfortunately he lost, but upon moving to Summerland tried again when he entered the Knights of Pythias public speaking contest and won the B. C. championship. He went on to the Pacific Northwest contest in Spokane, but was edged out there, and again this year. He plans to enter the IOOF public speaking contest next year.

Keith will be speaking at the Okanagan Music Festival in

Penticton May 12 in the speech contest.

Keith entered the Royal Canadian Legion essay contest last year, winning \$10, and again this year when he won \$20.

PEACHLAND NEWS

Ask survey of

Shuswap canal

By Brenda Davies
Miss Margaret MacNeill has completed her freshman year at U.B.C. and is home to stay with her parents Mr. and Mrs. H. C. MacNeill for the summer. Visitors at the home of Mr. and Mrs. C. O. Whinton was their son Roland and friend. They left last week for Montreal where Roland will work for the summer, returning in September to continue his studies at S.F.U.

Visiting his parents Mr. and Mrs. H. F. Wilds was son John from Burnaby.

Miss Jennifer Sanderson, the daughter of Mr. and Mrs. J.G. Sanderson and Miss Carol Flack of Victoria are practising teaching at the Peachland Elementary School; Miss Sanderson, grade 5 and 6 and Miss Flack, grades and and two. Both are staying at the Sanderson home.

Mr. and Mrs. Ernest Ross were holidaying at the Pincushion Bay Motel and have now returned to their home in Vancouver.

The United Church Women's Spring Tea and Plant Sale will be held in the church basement Friday, May 19 at 2:30. Ladies of the district are asked to attend in Centennial costume if possible.

Centennial Day to be recalled on film ;

PEACHLAND — Slides of Peachland's Centennial Day will be shown May 17th at 8 p.m. in the Athletic Hall.

Mr. K. Komi, Mrs. L. Ayres and Mrs. J. R. Davies will be in charge and if you have any slides contact Mr. Komi at his home or Don Wilson at the store.

The Fall Fair Committee also approved final changes in the Fall Fair lists and a new entry will be featured this year. It is a contest for baking a fiftieth Fall Fair birthday cake.

The Fair committee will again meet at Mrs. E. Sutherland's home on June 6, 8 p.m.

Forty-five official delegates to the proposed Okanagan-Shuswap Canal Project meeting in Vernon last Thursday voted unanimously to press for a second feasibility study of a navigable waterway.

A \$50,000 feasibility survey financed by the federal government's A.R.D.A. program and by the provincial government dealt primarily with an agricultural irrigation water way.

Sidney McQuillan of Kelowna, an authority on marine highways in both Canada and the United States, called for a navigable waterway with pres-

surized water for farmers along the route. He predicted it wouldn't cost the farmers a cent, but would be a joint project of the senior governments.

The Hon. Pat Jordan, B. C. cabinet minister and MLA for North Okanagan said the provincial government has mixed feelings about the scheme. "I think you can sell it to the government," she said, "but it has to be sold with a united voice, it has to be proven economically feasible, and there has to be assurance that virtually every organization and interest is going to support it."

YOU AND YOUR CAR INSURANCE

In the belief that education is an important step in accident prevention, READ & PRUDEN, in co-operation with the WAWANESA MUTUAL INSURANCE CO. and Canadian Handbook's Safety Guide Book, will present in the Review, a series of articles designed to improve your driving habits, and in so doing, become a safer driver and enjoy your driving more.

HOW MUCH INSURANCE?

When you buy automobile insurance, you choose the amount of protection you want. For example, you may have limits of \$10,000 to cover claim for the death or or injury to one person, \$20,000 for death of or injury to more than one person and \$5,000 for damage to property of others. In Alberta, British Columbia, Manitoba; Ontario; and Quebec; the minimum limits are \$35,000 inclusive, and an insurance company may not sell any less. If you are held liable in damages for a higher amount than you have bought insurance protection for, the excess must come out of your pocket.

For a modest additional premium you can increase these limits. Or you may get "inclusive coverage" which is a stated amount available for public liability or property damage claim. For example, \$100,000 Inclusive Coverage provides protection to this amount in any one accident, regardless of whether it is injury or death or damage to property.

YOUR MEDICAL BILLS

This section provides that if anyone is injured while in your car, the policy will cover reasonable expenses incurred within one year following the accident for medical, surgical, dental; ambulance; hospital; professional nursing and funeral services.

You or your wife are covered under this section if injured while driving any private passenger car other than your own, provided it is not a car you drive regularly, one belonging to an employer or someone living in your home or one used for carrying passengers for compensation, such as a taxi. You or your wife are also covered while riding as a passenger in any private passenger car or station wagon, other than your own. Such payments, however, are in excess of any insurance carried by the owner of the car involved in that accident.

For example, suppose you are a passenger in your friend Jack's car when an accident occurs and you are injured. If Jack has \$750 medical payments insurance and you have \$750 and your total bill is amount to \$1,000, Jack's insurance company will pay the first \$750 and your insurance company will cover the balance of \$250.

Sold in Units — Medical payments are sold in units. You choose the amount which will be paid to each person who is hurt and the premium is based on this amount. If you take \$1,500 insurance, the policy covers up to \$1500 for medical costs of each person who is hurt, i.e. if five are injured the maximum under this section is \$7,500.

A limited number of Safety Guide Books are available at

READ & PRUDEN

494-5706

SUMMERLAND

Peachland Reeve Harold Thwaite, Princess Loraine Flemming greeted Duke Butler, right, of the Independent Star-News, Pasadena, California when the Blue Waters Press Tour arrived at the government campsite south of Peachland Monday. They were entertained by members of the Peachland Community.

Peachland Legion continue bursary

PEACHLAND — It was disclosed at the monthly meeting of the Peachland branch of the Royal Canadian Legion that arrangements will be made to present the \$100 bursary at graduation ceremonies. Application forms for the Pacific Command scholarships have also been given to the principal at George Pringle Secondary School in Westbank.

Mrs. E. Beet has won the Legion jackpot.

C. C. Houghtaling reported that work on the roof would start as soon as the weather warms up.

Next meeting will be on June 5th at 8 p.m.

LET'S GET NEWSY . . .

Mr. and Mrs. E. O. White visited their daughter Mrs. Frank Carpenter and family at Midway on Sunday.

Mrs. Diann Spearing and family of Trail visited a few days last week.

Barry Holmes was home for the week-end. He will be going to the Queen Charlotte Islands for the summer to work with the survey division of the Forestry Department.

Power Squadron members will graduate at 'change of watch

At the recent annual meeting of the Summerland Power Squadron (a group of boating enthusiasts), June 9 was set as the date for the "Change of Watch" and graduation at which time the following officers will be installed:

Harvey Edwards, Squadron Commander; Maurice Trumppour, executive officer; Adrian Moyls, first lieutenant; Leighton Lopatecki, secretary; Ross Scott, treasurer; Norman Reid, supply officer; John Kitson, training officer; Jack Harlock, entertainment officer; Gordon Ritchie, public relations; and Ralph Downing, safety officer.

Training officer John Kitson along with the candidates writing the "piloting" and engine maintenance examinations were highly commended by the District Training Officers for the fine caliber of work as evidenced by their results.

Power Squadron members plan to participate in a Centennial Cruise in July to commence from Penticton, gathering participants and groups as they progress up the Lake to

Vernon, overlanding to Enderby and thence to Mara and Shuswap Lake.

Thus the local Power Squadron, a part of a nation-wide association of Canadians looks forward to a summer of establishing a high standard of skill in handling small boats and an increase in the safety and pleasure of boating.

A little kindness

Summerland's fame is spreading because of a courteous local citizen. Mr. Gordon Begg's received a letter from Mr. John Howard of Santa Paula, California, who has been asked to write an article on roadside fruit stands for the publication "Trailer Travel Magazine". He wishes to mention Begg's Fruit Stand as a representative of the Okanagan Valley, and requested permission to do so, and to ask for a photograph of the stand.

Mr. Howard also mentioned their appreciation of the courtesy shown them when they stopped there last summer.

Summerland, OK Falls 4-H'ers take awards at Cawston judging

OKANAGAN FALLS — South Okanagan 4-H Club members accompanied by their leader, Ray Thomas of Okanagan Falls were invited to attend the Keremeos-Cawston Field Day on Sunday, May 7th.

The members, who were divided into junior, intermediate, and senior groups, held a judging competition on bulls, cows, heifers, and dairy cows. Official judge was Wayne Sellers of Princeton.

Dianne Head, Summerland, junior, placed second on the overall total of points. Judith Davies, Summerland, placed first in the intermediate and Grant Thompson of Okanagan Falls placed fourth. In the senior division, Ann Davies of Summerland and Cathie Wagner of Okanagan Falls tied for fourth place.

The Corporation of the DISTRICT OF SUMMERLAND

NOTICE

Re: Zoning By-Law No. 1118

PUBLIC NOTICE is hereby given that a Public Hearing will be held in the Municipal Office, Summerland, B.C. at 7.00 p.m. on Tuesday, May 16th, 1967 on proposed By-Law No. 1123 and 1124 to consider the following amendments to the Zoning By-Law.

- (1) That Lot 1, District Lot 473, Osoyoos Division Yale District, Plan 9007, be rezoned from R-1, Single and Two Family Residential Zone, to I-1 Light Industrial.
- (2) That that part of an area plan for the subdivision of Lot B, District Lot 473, Osoyoos Division Yale District Plan 1813, and lot 3, District Lot 473 Osoyoos Division Yale District, Plan 15071, and Lot 20 (Except Plan B6739) District Lot 2561, Plan 463, as adopted by the municipal Council, south of and including the southerly interior road be rezoned to R-1, Single and Two Family Residential.
- (3) That the remainder of the aforementioned area plan be rezoned to A-1, Agricultural.

All persons whose property will be affected by such Zoning By-laws may appear in person or by Attorney or by Petition. A copy of proposed By-law Nos. 1123 and 1124 may be seen at the Municipal Office, including Plans.

Dated at Summerland, B.C. this 2nd day of May, 1967.

G. D. SMITH,
Municipal Clerk.

Blue Water press tour welcomed

The Blue Water press tour of British Columbia were greeted by Peachland citizens in Centennial dress at the government campsite south of Peachland Monday evening.

The party consisted of writers and editors of newspapers and magazines as well as TV personell from as far south as California and east to Montreal.

The tour, the fourth of its kind, is being sponsored by the B.C. Travel Bureau. John Buckley was in charge of the tour. He said they have had wonderful co-operation from travel bureaus and chambers of commerce throughout the tour.

They started in Victoria and stopped in such places as Gulf Island, Vancouver, Merritt; Kamloops; Salmon Arm; up to Three-Valley Gap and back to the O'Keefe Ranch in Vernon,

Wedding of interest to Summerland

A marriage of interest to residents of Summerland was performed in Lillooet on April 29th. At a quiet ceremony taking place at the Catholic Church, Pearl Mary Dashwood of Bralorne was united in marriage to Donald Marcel Larocque also of Bralorne.

The bride is the eldest daughter of Mr. and Mrs. George Dashwood of Lake Cowichan, B. C., and eldest granddaughter of Mrs. Mary White, and niece of Mr. and Mrs. Ronald Ackles of Summerland.

down to Kelowna and then to Peachland.

They were greeted by Indians in full tribal dress and of course Ogoogo was there. Peachlanders turned out in large numbers dressed in 19th century clothing. It was sponsored by the Peachland Chamber of Commerce and arranged by Doug Pittman.

Reeve Harold Thwaite gave an address of welcome as did Chamber president Harold Lyons. Thanks were extended by Dave Carrington, Dallas Times Herald travel editor.

They were given refreshments and food during the 30-minute stop. Included on the menu were buffalo sausages.

LET'S GET NEWSY . . .

Mrs. Sandy Fenwick and Miss Marjorie Fenwick entertained at a coffee party and miscellaneous shower for Miss Anne Leinor at the home of the former, last Thursday morning. Those present were Mrs. R. C. Murphy, Mrs. R. Klix, Mrs. K. Lapins, Ruth Lapins, Mrs. J. Kirk Mrs. J. Young, Mrs. J. Sheeley, Mrs. E. Tait, Mrs. M. L. Embree, and Marilyn, Mrs. C. Morgan, Mrs. A. McKenzie. Unable to attend were Mrs. Bud Bye, Mrs. B. Trafford, and Miss Enid Maynard.

Chamber pledges support for laboratory in the Valley

The Summerland Chamber of Commerce voted to support the South Okanagan Union Board of Health in their plea to the provincial government for a laboratory to be located in the valley.

A letter from Dr. Clark, Medical Health Officer was read at the regular meeting of the group last week, asking for united support from chambers in the valley.

The brief pointed out that there is a population increase being experienced in the valley as well as an increase in industrial and mining development. The growing tourist industry was mentioned as well. With a laboratory in the area a closer watch could be made of the amount of pollution in lakes.

BROCHURE HERE SOON

Keith Bergh of the brochure committee said they are being printed and he expected they would be available for distribution in two or three weeks. Ten thousand are being produced by a Kelowna firm.

President Eric Tait said the membership committee had made a one-day "blitz" of business places for memberships and signed up 60 and collected a total of \$545. Total membership last year was 75 and a goal of 100 members for 1967 has been made.

Bernie Hume-Smith will report on the May meeting of Okanagan Canal Association next meeting.

Charlie Berahardt reported on the meeting of the Associated Chambers of Commerce held in Cawston.

He said they voted in favor of supporting West Kootenay Power and Light Co. in the strike question, and a committee was appointed to study the Carter report and they will report their findings at their next meeting in Peachland in September.

Walter Wright will be asked to head a committee to write a brief history of the Chamber for the Review-Bulletin centennial issue to be published in late June.

LIFE IN NORTH

Mr. Len Miller gave a talk

on the years he and his wife spent in the Yukon. He also had pictures to show.

The couple will open a nursing home in the old hospital if arrangements can be made. They plan to move to Summerland from Penticton in June.

If they open the home, it is estimated they will employ 8 to 10 people.

LET'S GET NEWSY . . .

Among the students home from U.B.C. are Miss Ruth Lapins, Miss Anne Leinor, and David Storey.

Mrs. Gordon Smith has returned from a visit with relatives in Saskatchewan.

Mrs. Olive Smith of Prairie Valley Rd. is visiting her sons at the coast. While in Victoria, she met the James Maynes' there one evening.

Here are two of the lovely Summerland Queen candidates: At top is Sandy Stein, Kinsmen's choice and Linda Fleebe, Miss Royal Canadian Legion.

Sandy is a 17 year old blue eyed brunette and has ambitions to become a pediatric nurse. She is a member of the Summerland Future Nurses Club at Summerland Secondary.

Linda is a 16 year old blue eyed blonde and hopes to become an air stewardess or a practical nurse.

Outer space exhibit at Creston festival

The major attractions at the Creston Valley Blossom Festival to take place from May 19 to the 22nd will be two free Outer Space Missile Exhibits.

This will be the only Canadian showing other than Expo. The exhibits are put on by the United States Air Force and the National Aeronautics and Space Administration. The theme of the festival is "100 Years from Stagecoach to Space Travel".

Capsules Gemini and Mercury will be on exhibit and rockets Titan III and Thor Minuteman.

This will be the largest blossom festival in the Creston Valley in 26 years.

'What it means to be a girl', topic at C.G.I.T. banquet

The CGIT (Canadian Girls In Training) group of the Summerland United Church, under

Group promoting "Water Highway"

Summerland Councillor Jas. Schaeffer told council Tuesday evening the Okanagan - Shuswap Canal group is planning to petition the government to make a feasibility study of constructing a 'water highway' connecting the two water systems.

He said a report had been made by ARDA but it was only concerned with irrigation and water conservation and the meeting Schaeffer attended in Vernon Thursday night, wanted the project to go further than that because it was agreed that such a waterway would be a great tourist attraction.

The irrigation and conservation report said this would enable another 18,000 acres of land to be irrigated and make the area attractive for vegetable production. The survey cost \$50,000.

Clerk Gordon Smith will write Victoria requesting a copy of the study.

In other council news:

Works Superintendent Ken Blagborne said they are building a sidewalk on Victoria Rd. across from Shannon's Transfer. The two entrances will be made of asphalt. He said they will be asphalted streets this week.

George Fudge has applied to make some building lots on his lakeshore property but according to present by-laws, he needs a depth of at least 100 ft. which he has not. Council suggested he purchase the foreshore but he may run into problems here as well because the Health Act requires sewage disposal to be at least 100 ft. from the lake.

There was some doubt that this act would apply under all conditions, so they will request sanitary inspector Stan Hursch to report and clarify the regulations.

According to present bylaws, council may alter the frontage distances by resolutions; but not the depth. Solicitor Frank Haar will look into this.

Councillor Schaeffer said the Health Unit should spell out these regulations in writing. This will be requested of Mr. Hursch.

EDUCATION COSTS

At a recent executive meeting of the Union of B. C. Municipalities it was decided to ask the province to pay more salary costs because of the increasing costs of education.

A telegram was sent to Premier Bennett, followed up with a brief asking the province to accept all shareable costs of teachers salaries and they asked for financial experts to study education financing.

A request to use the ball park from the Summerland Minor Baseball Association was granted.

Mrs. S. A. Baldwin wrote council telling of an incident on Victoria Road and Quinpoole when a speeding car turned the corner, struck and killed a dog on the street. She estimated the driver was exceeding the 80-mile-per-hour speed limit. "It could just as easily have been a child", she stated.

She also expressed concern

the leadership of Mrs. Vera Foster and Miss Jane Foster held their Mother and Daughter banquet on Tuesday, May 2.

Thirty-eight mothers and "mystery mothers" sat down with their daughters at Centennial theme decked tables. Guest speaker was Mrs. Jean Louie of Summerland. Mrs. Louie spoke on "What it means to be a girl". She was presented with a cup and saucer as a token of the CGIT's appreciation for her help during the past years. Other guests present were Mrs. Forsythe, Anne Forsythe, Mrs. Mayne, and Donna and Dianne Louie.

The hall was brightened by hung baskets and floral bird cages. Each mother was given dainty mitten book markers made by the girls.

Master of ceremonies for the evening, was the president, Sharon Potter. The toast to the church was given by Jennifer Morgan and replied to by Mrs. Forsythe. A tribute was given to the Mothers by Joan Turnbull, and replied to by Mrs. G. Wardle. The Mystery Mothers were acknowledged by Alma Dunsdon and replied to by Mrs. S. A. MacDonald.

Guests, mothers, and mystery mothers joined in a laugh-filled skit "A New Mother's Day Hat", led by Alma Dunsdon. This was followed by an unusual unveiling of the truth, "Four Love Letters to the Beatles".

Later on a space age skit was presented to represent a look into the future—"Ticket to the Moon—2c". The surprise of the evening was a charming duet by Donna and Dianne Louie—"Greetings".

In conclusion a service was held for Sharon Potter who graduated from C.G.I.T. Mrs. Foster presented her with the graduation pin and Mrs. Forsythe, representing the adult congregation gave her a lighted candle to carry on the work in the church. The singing of Taps brought a very enjoyable evening to a close.

BRIDGE RESULTS

Thursday night, May 4 saw ten tables of Bridge playing in Penticton. Winners were:

North-south: 1. Ray Stewart and Frank Brodie; 2. Bill Heperle and Shirley Purcell; 3. Merle Stewart and Ray Wilkinson; 4. Ken Beck and Don Welch;

East-west: 1. Dr. and Mrs. W. G. Evans; 2. Mr. and Mrs. M. Barnes; 3. Mr. and Mrs. F. Vader; Clarence Kallhood and Delma Hemming.

In Summerland on Monday, May 8th, it was Master Point Night. There were also ten tables taking part here, and the winners were as follows:

North-south: 1. Gordon Heperle and Frank Brodie; 2. Mr. and Mrs. Ray Stewart; 3. Mrs. E. Willmont and Mrs. M. Allen; 4. Jack Lockle and Bert White.

East-west: 1. Mr. and Mrs. M. Barnes; 2. Mrs. Peggy McRae and Mrs. Phyllis Bettsch; 3. Mr. and Mrs. V. Oakes; 4. Mr. and Mrs. V. Andreeves.

over young drivers, 16 years and up, who seem to be testing their old cars on Summerland streets between noon and 1:30 p.m. Council will draw the matter to the attention of the RCMP.

Summerland Review - Bulletin

THE SUMMERLAND REVIEW - BULLET

Vol 22 — No. 16 Thursday, May 18, 1967 SUMMERLAND, BRITISH COLUMBIA 8c per copy. A year on \$3.00

PROVE TO THE PEOPLE
 THAT YOU ARE
 THE BEST
 OF THE BEST

Katy Evans, Miss Rotary and candidate for Miss. Summerland this year, is serving a presentation of Pioneer Medallions Saturday afternoon. All candidates were serving Medallion Pioneer, Ed Britton during the day afternoon.

Condition of Trout Creek water brought to attention of council

Dr. Juergen Hansen, a resident of Trout Creek brought two jars of domestic water samples to show the Summerland Municipal Council Tuesday evening.

The water was cloudy and had sediment on the bottom. He also had a cone shape filter, through which he had previously poured a quart of water that had considerable evidence of particles having been in the water. He said he didn't think it was dangerous because it was chlorinated—but it was unpleasant.

Reeve Holmes said this was the time of the year when you get murky water due to runoff. Works Superintendent Ken Blagborne said when the runoff gets to capacity, they could expect such conditions.

He said conditions are not as serious up-town, because the

water is stored in a reservoir whereas in Trout Creek, it is stored in a tank which is drained every two weeks.

Hansen suggested a simple sand filter be installed, but Blagborne said it would take a very large unit because 75 percent of water used in Trout Creek is for sprinkling purposes.

A feasibility check on a filter system was suggested by the Reeve but felt a heavy expenditure could not be justified when this condition exists for only one month to 6 weeks each year. However, he thanked Dr. Hansen for bringing the matter to the attention of the council.

He said the Penticton water is so bad that some residents are getting their drinking water from Summerland in five gallon quantities.

By KEITH BERGH

I take no responsibility for the golf news in the paper this week. The publicity chairman of the Golf and Country Club didn't want me to give him a credit line — but I did type it from his handwriting. There are few people who write worse than editors — but but doctors are the exception. Ever try to make out two pages of prescriptions?

Speaking of golf, I see Chuck Bleasdale qualified for Championship row in Penticton with a 78 . . . and he missed a 14-inch putt. I would drive a two-inch putt to the next fairway if I could come up with a score like that. Chuck was fourth, I believe, out of the 16 that qualified.

The appreciation shown by

Summer skating classes scheduled

At the Summerland council meeting Tuesday night, Phil Munro, speaking on behalf of the Arena Association was given permission to use the arena for skating instructions again this year. They will start putting the ice in June 23 and have six weeks of instruction lined up. John Khalembach will supervise the operation of the machinery. He will be paid by the association.

Some routine maintenance work will have to be done and Works Superintendent Blagborne will take care of this.

In other council news:

Council decided that anyone wanting water for irrigation purposes in Trout Creek from the domestic water system may apply for it. This applies to those not in the Trout Creek Irrigation District. They are having trouble with the flow control valve bylaw as it applies to domestic water and are not, according to law, able to use enough outlets.

TO LOOK AT DREDGE

Municipal clerk G. Smith, on his way home from an Administrators convention in Victoria, will stop over in Harrison Hot Springs to look at the dredge that village has said is for rent. Blagborne will go down by bus and meet him there and they will negotiate with officials and find out when it may be available. The time of year apparently does not matter because the level of the water is not a factor and Blagborne was wondering if they could not do it under the winter works program this year.

Municipal employees will make a systematic check of flow control valves starting on June 1 and will make a report to council. The check will take about two weeks.

RESIGNATION ACCEPTED

Mrs. Eva Braniff offered her

letter of resignation as janitor for health reasons.

Building Inspector J. Khalembach reported on the recent convention of the B.C. Building Inspectors Assn. held in Prince George. He was elected to the executive of that association.

The Zoning Board of Appeal ruled in favor of Jock Johnston, allowing him to place his new home 19 feet from the road allowance rather than the required 25 feet because of conditions making it impossible for him to comply with the bylaw.

Works Superintendent Blagborne said the creeks are starting to run and expect them to be going at capacity before long. There was 13.8 inches of snow yet at Headwaters while at the same time last year, there was none. There is still 23.7 inches of snow at Canyon Dam.

Mr. H. J. Clausen wants to extend his store to the rear, but he is now in C2 zone (local commercial) and this cannot be done because he must have at least 16 feet clearance from the alley in that classification so he applied for C1 (central commercial).

This was refused by the District Planner and the Summerland Planning Commission, because it did not fit in with the long range planning and that it was in the centre of a residential district.

However, the Summerland Commission suggested Mr. Clausen make an appeal through the Zoning Board of Appeal in an effort to make the alterations and stay in the present zoning.

"We want to help them", said Councillor Hill, member of the Planning Commission, "but we don't want to rezone."

"Does he understand that if it was zoned to C1 he would
Please turn to Page 8, see
COUNCIL

Under The Giant's Head

the pioneers when they were presented their Centennial Medallions Saturday afternoon was nothing short of wonderful. The Centennial Committee owe a debt of gratitude to Tom Ritchie for seeking out so many eligible people . . . They are the salt of the earth. What a representative group we had that day — Canadians in the true sense of the word — and proud of it!

Thanks a million for the "Special Today" marked paper we found under the door Monday morning to whoever put it there . . . but it is in Japanese (I think), so I'll need a little help. I have had many requests to put this and that in the paper — but this tops them all. We kinda' figure Tom-Jomori

may have had something to do with it.

The municipal officials are making exceptions regarding their valve bylaw because all Summerland suppliers are sold out of them. I had a fellow phone me Tuesday evening, informing me they are available elsewhere and was wondering how come they had to originate from Summerland . . . I never thought of it at the time, but I know that local stores have hundreds of them on order and if they were left holding the bag it would mean quite a large investment loss. I doubt if there will be too much demand for them after everyone gets his present requirements . . . but I know, law is law and users should have the valves . . . then again?

Car accident on Summerland hill

An accident occurred on Summerland Hill Sunday morning with cars driven by Arlie Dale Hintz of Penticton, and Andrew Khalebach of Summerland being involved. The two cars were both proceeding north up the hill when the Khalebach vehicle hit the rear end of the Hintz car. Approximately \$225 damage was done, and Mrs. Khalebach, passenger in her husband's car, received a bump on the head. The accident is still under investigation.

Also on Sunday, a Summerland juvenile was driving on Quinpoole Road, and upon making a left-hand turn, failed to straighten out quickly enough, and the vehicle rolled over 15 ft. embankment. There were no injuries sustained, and about \$200 damage to the vehicle resulted. He was charged with driving without a license.

On May 13 a Summerland juvenile appeared before Juvenile Court Magistrate J. B. Hack on charges of breaking entering and theft. He pleaded guilty. The charge arose out of an incident arising when an investigation was made of the entering of a private local home May 5, and the sum of \$20 was stolen. The juvenile was remanded until June 12th for sentencing.

The second Peachland juvenile involved in a breaking, entering, and theft charge in Peachland appeared in juvenile court May 15, and was placed on probation for a period of six months under the supervision of the probation officer.

Mrs. Rothwell District president of Women's Inst.

The regular monthly meeting of the Summerland W. I. was held Friday with 22 members present.

Mrs. J. L. Brown reported on 'work' received for the Fall Fair.

Mrs. Kenwig reported on the facilities for handicapped people and children being built at Expo 67—which includes wheel chairs and ramps for same.

All Institutes will contribute \$1 to an emergency fund to be used either provincially or local, as the need may arise.

Mrs. Brown reported on the recent Oyama conference at which Mrs. W. Rothwell was elected publicity convener, and new district president.

The new project is child welfare in Bogata, Colombia.

The annual picnic will be held in Osoyoos, July 18. Next year's annual conference will be held in Osoyoos.

The next meeting will be on June 9 at the home of Mrs. Inch and members are asked to bring folding chairs if possible and those in need of transportation, should phone Mrs. W. Rothwell.

LET'S GET NEWSY . . .

Mayne McCutcheon will leave Friday for Sidney, Australia after a six-week visit with his parents, Mr. and Mrs. W. C. McCutcheon.

Brian Kopp of Prince George has been visiting his grandparents, Mr. and Mrs. J. Helchert.

Summerland Riders take ribbons at Horse Show in Oliver

Summerland riders did well at the International Horse Show in Oliver during the weekend, considering the tough competition they faced in British Columbia's second largest horse show. Participants were from as far away as Oregon, Edmonton, Dawson Creek and Washington state.

The Summerland Trail Riders attended the Saturday and Sunday events of the three-day show. Eleven Trail Riders participated and they had many Summerland spectators cheering them on. There were 350 competitors and the Trail Riders brought home 21 ribbons. The club members will attend the Enderby-Armstrong horse show this weekend.

In the Trail Horse class for juniors under 13, E. Johnson, riding "Darkey" placed second and in the same class for riders over 14, A. Bye placed fourth riding Flicka.

In the team flag competition fourth prize came home to Summerland with S. Potter on Golden Lee, E. Johnson on Darcy, L. Hardwick on Lita and M. Molliett on Copper Tamberine.

In the three-legged sack race G. Pruden and B. Bye placed second riding Becky and Robot respectively. Placing fourth in

the same event was L. Hardwick and M. Molliett on Lita and Copper Tamberine respectively.

The popular family ride was entered into by Alice, Bud and Beverley Bye riding Flicka, Trixie and Lita. They placed fourth in this event.

In the scurry by pairs Alice and Beverley Bye riding Flicka and Trixie placed first and Linda Hardwick on Lita and Madeline Molliett on Copper Tamberine placed second.

The four-man Summerland Texas barrel race team placed fourth with Gerg Pruden riding Becky; Chuck Neild riding Trixie; Alice and Beverley Bye riding Flicka and Robot.

In the pack horse class Beverley Bye placed first with Robot.

LET'S GET NEWSY . . .

Mr. and Mrs. R. Lunn of Vancouver are visiting Mr. and Mrs. J. H. Parsons.

Visiting Mr. and Mrs. C. B. Snow is Mrs. Snow's sister-in-law, Mrs. W. Weitzel of Calif.

Dr. and Mrs. J. Hansen were in Banff over the weekend where they met Dr. Hansn's mother, Mrs. Carla Hansen and his aunt Lotte Fritze who had come from North Germany to visit Expo and are now visiting in Summerland.

United Church organ put back in top condition

The organ in The Summerland United Church has undergone a major overhaul in the past week. Mr. Robert Kaiser of San Francisco, California has been working all week putting the organ back into top condition.

Mr. Kaiser has been organist since he was 12, and has been interested in electronics, and in particular electric organs since 1920. Since his retirement, he has spent most of his time servicing organs, particularly the Wuritzer organ (which is the make of the organ in the church) which he considers to be one of the finest.

During his week here he rebuilt the electronic parts of the organ, and is due back next weekend to finish work on the speakers. The organ now sounds like a new instrument, and Mr. Storey organist of the Church is well pleased with the results.

INLAND ANNOUNCES 4th REDUCTION IN NATURAL GAS RATES

EFFECTIVE MAY, 1967

OLD RATE 1-RESIDENTIAL

EFFECTIVE AUGUST, 1966

First 1.0 Mcf or less	\$2.50
Next 3.0 Mcf	@ 1.50 per Mcf
Next 6.0 Mcf	@ 1.10 per Mcf
Next 6.0 Mcf	@ .85 per Mcf
Excess over 16.0 Mcf	@ .75 per Mcf

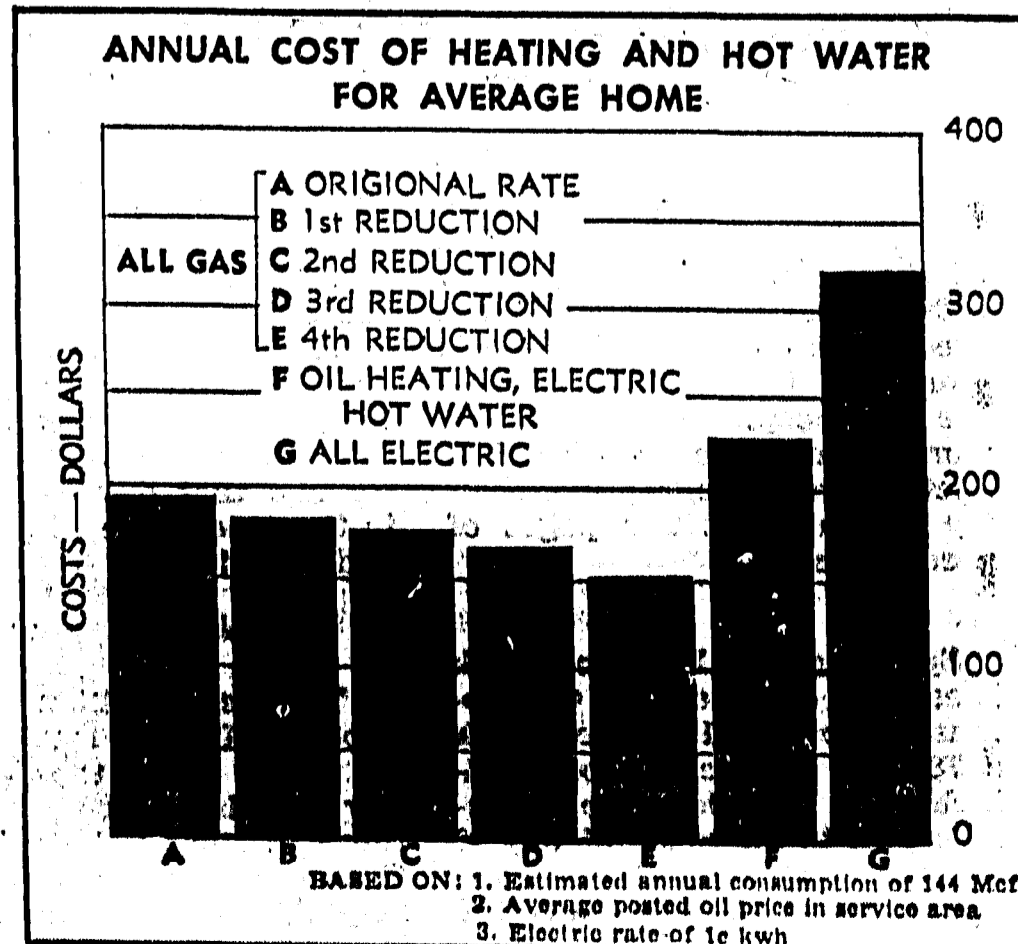

Minimum Monthly Bill — \$2.50

NEW RATE 1-RESIDENTIAL

EFFECTIVE MAY, 1967

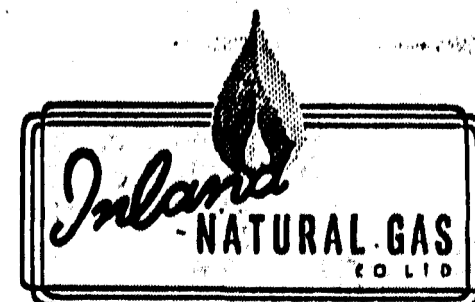

First 1.0 Mcf or less	\$2.50
Next 3.0 Mcf	@ 1.25 per Mcf
Next 6.0 Mcf	@ 1.00 per Mcf
Excess over 10.0 Mcf	@ .75 per Mcf

Minimum Monthly Bill — \$2.50

The Public Utilities Commission has approved another substantial rate reduction to residential customers by Inland Natural Gas Co. Ltd. This follows three previous reductions over the last 17 months. When all of these reductions have been effective for a full year, they will result in an approximate total annual saving of \$1,100,000, which will place natural gas in the position of being by far the most economically priced automatic fuel in the interior. Find out how easy it is to benefit from these new low gas rates —

Summerland Review-Bulletin 3

From the cradle to the grave

School Trustee David McIntosh brought up some interesting questions at the school board meeting last week.

He asked the Principals present if it was necessary to work children fourteen hours each day—five days per week. He estimated fifty per cent of students are doing this, and he wondered if it was necessary. An interesting question that we will not attempt to answer—only make a few observations.

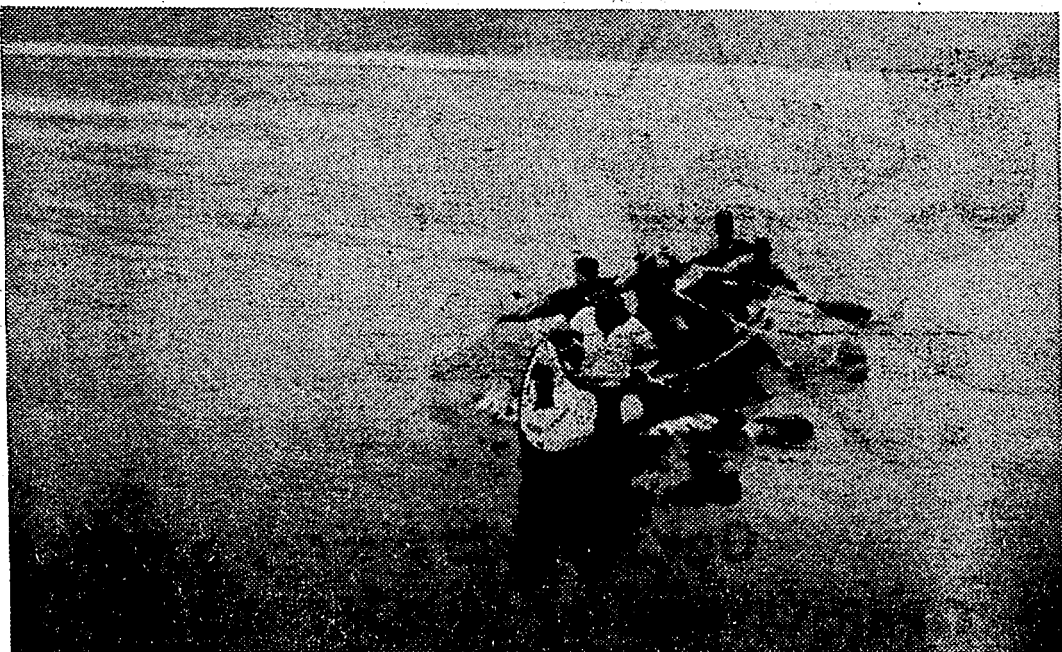

It would seem there would be no pat answer to the problem. No doubt some students require more homework than others. Possibly teachers feel the extra work is necessary for the students to attain standards expected of them. Then on the other hand, one teacher may have more difficulty getting the knowledge across to the children than another, and as a consequence the child must do more at home in order to keep

up to the curriculum timetable.

Whatever it may be, it seems we are putting our children into the pressure of our space-age rat race too soon... but possibly this is part of their training too... so they may cope with the terrific pace in today's world.

The Principals Tamblyn, Cooke and McNabb are expected to have an answer we'll be interested to hear what they have to say.

We realize there are many good points for kindergarten training—but here too it is a pity to take those little ones from the wonderful world of fantasy, to a minor for a group conformity at such a tender age. We hope the pace doesn't increase in their lives in the same ratio as it has in ours. However it is quite reasonable that it will—possibly we should throw the books at them continually from the cradle to the grave.

Despite the inclement weather, very welcome—though unexpected guests arrived in Peachland via the Lake route on Thursday forenoon. They were members of the B.C. Simon Fraser University Centennial Canoe Team who were in training for the forthcoming cross-Canada Canoe race and pageant.

This race gets started on the 24th May at Rocky Mountain House. Members of this team are from all walks of life, some salesmen, some millworkers and many other professions. All are residents of the Prince George and Kamloops areas. Peachland residents wished them lots of luck and bon voyage when they departed, having lunched in Peachland.

Bowling highlights

By Ron Kostelniuk

In the second week of the Spring League, it's took over sole possession of top spot. Springers, from last place tie to three way tie for second, and Alley Cats, from last place tie with Springers to fifth, made the biggest jumps. Five teams are tied for sixth and last place. Here are the results of action of May 1-2:

It's	6
Hyacinths	5
4-Squares	5
Springers	5
Alley Cats	4
Emm-ts	3
Beachcombers	3
Beer Frames	3
Strikers	3
Narod	3
High single: Bev Formo 310; Jim Clubb 295;	
High triple: Bev Formo 750; Jim Clubb 657;	
High average: May Ramsay 225; Barney Furyea 219;	
High team: Springers 2630.	

Two daughters of Summerland pioneers poured tea for the honored guests and relatives when 67 Canadian pioneers were presented Centennial Medallions in Summerland. Here Mrs. Francis Steuart, daughter of pioneer George Williams, is seen wearing her grandmothers wedding gown; complete with parasol. Both Mr. Williams and Mr. Gartrell received medallions.

Bridge players earn red master points in Victoria

Some Summerland people took part in the Regional Bridge Tournament held in Victoria last week.

In the Charity Game Monday night, Mr. and Mrs. Dennis Purcell met a pair of giants of the game, Mr. and Mrs. Oswald Jacoby, known throughout the world of bridge. The Jacobys won the 15-table movement.

All the Okanagan people in attendance won some red master points... "not many, but some", Wilf Evans added.

LOCAL COMPETITION

Here are the winners of local bridge competition. Results from seven tables in Penticton Thursday were as follows:

North-south: Ray Stewart

and Gordon Hepperle; Jack Lockie and Bert Berry; Mrs. T. W. Hall and Frank Brodie;

East-west: F. Vader and Len Hawkins; Mrs. Ken Moyles and Mrs. Doreen Frederickson; Mr and Mrs. Ed May;

In Summerland on Monday:

Ten tables in play, North-south: Jack Lockie and Gordon Hepperle; Mrs. T. W. Hall and Bill Bander; Mr. and Mrs. Vern Oakes; Bill Hepperle and Fred Evans;

East-west: tied for first and second were: Bert Berry and Bert White with Mr. and Mrs. Ray Stewart; Enid Maynard and Warren Palmer; Mrs. Peggy Macrae and Phyllis Bettshan.

Medallions given to pioneer citizens

No doubt Tom Ritchie was very pleased with the turnout of pioneers who were on hand to receive their Centennial Medallions Saturday afternoon. Sixty-seven of the eighty-three registered attended.

Ritchie was in charge of the committee to seek out residents of Summerland who have lived in Canada since 1897 and he did a creditable job.

Master of Ceremonies was Centennial Committee member Keith Bergh and civic greetings were given by Reeve Norman Holmes, who expressed great pleasure in doing so.

He credited the pioneers with their accomplishments and thanked them for what they have meant to Canada and in particular to Summerland.

M. C. Keith Bergh said the attendance was beyond the expectations of the Centennial Committee, but that they were very pleased that they were so

great in number that they could not seat them all at tables, and apologized for the inconvenience it had caused.

Candidates for Miss Summerland 1967 were present to assist with serving tea, poured by members of families of Summerland's oldest pioneers. Mrs. Francis Steuart and Mrs. Donald Orr, granddaughters of pioneers Williams and Gartrell respectively who arrived here before the turn of the century.

The medallions were presented by Reeve Holmes with the assistance of Princess Dianne Selinger to:

Roy Angus; Alexander Bell; Mrs. Jessie Blacknell; Mrs. Mary Blewett; Mrs. Octa Bolton; Walter Bolton; Alexander Brighton; Mr. and Mrs. J. E. Britton; Rupert Brown; Vernon Charles; Mrs. Mary Dawes; Mrs. Aretia Dickson; Arlington Gayton; Mrs. Millie Glen; Mr. and Mrs. William

Henderson; Mrs. Una Inglis; Philip Jackett; William Jenkinson; Mrs. Lydia Johnston; Mr. and Mrs. Tom Joy; Mrs. Maria Laidlaw; Mrs. Bertha Lott; Sherley MacDonald;

Alexander MacDonald; Gilbert Mascott; Benjamin Mayne Mr. and Mrs. Charles Minshall; Mrs. Jessie Montague; Mrs. Granville Morgan; John Mott; Mrs. Tressa McArthur; Mrs. Ada McBurney; John McDonald; Mrs. Alf McLachlan; Mrs. Isabel Nelson; Cornelius Pauls; John Peddie; William Peter; Scott Rand; Tom Ritchie; Mrs. Mary Rutherford;

Miss Mary Scott; Mr. and Mrs. Robert Shannon; Mrs. Florence Sloper; Mrs. Olive Smith; Ralph Taylor; Mr. and Mrs. K. B. Thomson; Roger Tingley;

Mrs. Nellie Walden; Roy White; George Williams; Walter Wright and Mr. and Mrs. T. B. Young.

Mrs. Peg Bergh accepted her

father Norman Elliott's medallion, Mrs. Lennie Fitzpatrick for her mother Mrs. Hannah Preston and Mrs. Margaret Fleming for her mother Mrs. Florence Stark.

Delivered by Reeve Holmes were medallions for Mrs. Mabel Atkinson; Mrs. Mary Butler; James R. Campbell; Miss Agnes Chambers; Gordon Dinning; Allan Etter; Mrs. Jessie Fisher; Fred Gartrell; Mr. and Mrs. Gould; George Hile; John Lawler; Mrs. Sadie McCutcheon; Alf McLachlan; Mrs. Tom Ritchie; Miss Winnie Shantz; Miss Susan Shantz; Mrs. Margaret Stephens, and Arthur Wright.

Catering for the event was the Auxiliary to the Royal Canadian Legion who were praised for doing such a creditable job, coping with a crowd far larger than anticipated.

Mr. Bergh thanked the many who attended and told them

that many did not look like they were old enough to be eligible for the medallions, but quickly added, "not that I think any of you were cheating."

Following the presentations, an award of \$25 was made to Mrs. E. C. Bingham.

The Centennial Committee sponsored a contest to get ideas for a cairn to be placed at the summit of Giant's Head Mountain. Her drawing was the closest to what was used.

The MacDonald Elementary School Choir under the direction of Mrs. Paul Roberge, accompanied by Bernice Geres sang four numbers with special words and arrangements emblematic of the Centennial year, saluting Canada's pioneers.

Chuck Bleasdale was in charge of arrangements.

Tamblyn requests program expansion

Secondary School Principal John Tamblyn made a report on the progress they have made towards individualizing instruction through continuous progress to the Summerland School Board last week, and asked for recommendations as to whether they should continue with an expanded program.

He stressed the fact that it is very important for the students to "learn how to learn".

Tamblyn said the majority of students like the program.

"For example, in a survey made just before the Easter holidays, with the Math 11 students, 83% of the students in the class wanted to carry on with some form of the group teaching while 17% wanted to return to a more traditional type of classroom environment", he said. "We are able to state that the teachers involved observed a positive and real increase in the acceptance of the responsibility for their own learning by the students. The teachers have also felt that the stimulation they themselves received from working with other professional staff members has had a positive effect upon the learning of the students."

He explained they have had no formal evaluation from the parents but there has been no violent objection. They have had several positive statements in favour of what they are trying to do to develop the responsibility for learning in the individual student.

"Throughout the evaluation, it is apparent that we are dealing with young people who do not only learn at different rates in different ways, but who are predisposed differently towards learning," the principal said.

"In order to simplify the situation we considered a breakdown as follows: those students who are highly self-directed, those who are average in self-direction and those who are low in self-direction."

He explained that those in the first category can go along at their own speed, not being held back by the traditional teaching methods. Those in the average class are demonstrating better progress when given the opportunity and incentive.

The same holds true in the third group but because they are low in self-direction, they need constant guidance and

supervision.

"Perhaps those in this category will be working in jobs which may be eliminated by various forms of automation", Tamblyn said, "therefore we feel that it is essential that these students be given the opportunity to learn by themselves. It is apparent, however that they will have to have a great deal of supervision, especially at the beginning of their training."

Tamblyn said it is their desire to extend the program to other subjects and more grades. They wish to extend the community recreation programme to Grade 11 and continue it in grade 12; continue the science program; establish various English and Social Studies teams at the grades 8, 9 and 10 levels and institute a program of continuous progress in the mathematics from grades 8 to 12. "This program is a major step in the re-organization of Mathematics classes" he said. "In this way, some students may complete two years of mathematics in three and others may complete three years in two. The students will not attempt the next unit until they have mastered the previous one."

He said they would have to create a resource centre which can be used for individual and independent study research.

Trustee Ken Boothe asked how much it would cost to put this program in motion.

Tamblyn said he realized there was nothing in the budget for it this year, but he would like to get started with it in September with the facilities now available. He said he would not increase his budget more than last year and when the program is in operation, it will function on the same budget as the traditional method of teaching.

"We have to consider money", Boothe said. "We got an extra grant of over \$40,000 this year but I don't think the 'Great White Father' will continue with this. I like the programme, but before we go further I think we should have an estimate of what it is going to cost", he added.

Trustee Bennest liked the idea and chairman Miltimore said "I think we should keep abreast of what is happening. Your report shows initiative on the part of yourself and teaching staff."

Mr. Tamblyn will come up

Summerland Secondary School honor students named

The following students were on the honor roll list of the Summerland Secondary School for the past quarter:

Grade 12: Sherilyn Shenton, Gio Andreucci, Jane Miltimore;
Grade 11: Linda Scott, Linda Murphy, Joan Holler, Dawnys Norgren, Gina Storey; Donna Holmes, Ken Lee, Ken Madsen, Harold Hockley, Stan K i t a, Tom Randall;

Grade 10: Lindsay Strachan, Sheila Smith, Lynn Gartrell, Mervin Barg, Ken Roberge, Elizabeth Giannotti, Jill Pruden;

Grade 9: Patsy Norris, Kathy Wrest, David Gartrell, Neil

Andrews, Susan Wardle, Barbara Porritt, Lenard G e r e s, Sharie Randle, Anneliese Wouters;

Grade 8: Cathy Minchin, Shirley Pruden, Ralph Impett, Michael Welsh, Gail Abernethy, Dale Rae, Margaret Till, Jeanette Hill, Anne Porritt, Kathy Shannon.

Librarian to speak to Trout Creek PTA

The final Trout Creek PTA meeting in this school year will be held tonight, May 18 in the Activity Room at 8 p.m. Speaker will be Mrs. Ruth Schell, librarian at Carmi Elementary School in Penticton.

Her topic, "A Library in Action" will put emphasis on reading and will include the aspect of using the library for resource material, role of the central library in the new curriculum and the part parents can play in stimulating a reading interest in children and how they should care for the book.

Good reading is a vital foundation for learning and all parents are encouraged to take advantage of this opportunity to hear Mrs. Schell.

with an estimated cost for their next meeting.

ENGAGEMENT

Mr. and Mrs. Ronald Clifford Metters of Victoria, formerly of Summerland, announce the engagement of their son, Robert Ronald Metters, now of 246 South 2nd East, Rexburg, Idaho, to Kay Jean Carlson. She is a recent resident to Rexburg, having moved there from Glendale, California. She is employed at Ricks College, as Secretary to the Administrative Assistant. He is a graduate of Ricks in the Class of '66 and is also an employee of the College as their landscape designer. He will attend Utah State University at Logan, Utah this Fall, where he will be working towards a Master's Degree in Landscape Architecture, Environmental Planning, and Horticulture. While a resident of Summerland, Robert worked for Rumball's Super-Valu supermarket.

The couple plan an August 19th wedding in the Idaho Falls L.D.S. Temple.

Rebekahs attend provincial assembly

The 59th session of the Rebekah Assembly of British Columbia, I.O.O.F. convened in New Westminster from May 7 to 11. Representing Faith Rebekah Lodge No. 32 of Summerland as official delegate was Mrs. E. G. Gillespie and alternate, Mrs. Rupert Brown. Also attending were Mrs. Irene Doherty and Mrs. F. E. Atkinson, past president of the Rebekah Assembly.

At this session Mrs. E. G. Gillespie was officially appointed district deputy president, comprising lodges Redalnd No. 12 in Pentlton and Faith No. 32 in Summerland. Her official duties will commence when her commission is read at regular meetings of both lodges, May 23 and May 24 respectively.

Golf Tournament time near

(Contributed)
Keith Bergh set the ancient game of golf back 100 years with that picture of two left-handers on the front page of the Review last week. Worse still, he had to have George Taylor putting.

Not that George is a bad putter... but the stance! Taylor has a better baseball stance as a golfer than he ever had as a baseball player. The trouble is that Taylor holds all the trophies that are to be played for soon in the Club Championship matches.

The kick-off for these activities is Sunday, May 28th when the Captain - Vice-Captain match is to be played. Captain Ken Nistor will select his team and Vice-Captain George Uza-wa will pick his team and after the game there will be a luncheon and other activities

—naturally the losers have to pay.

Starting June 1st, ending on June 10th, every member of the club will be putting in one 18-hole qualifying score for the club match play championship and the Parker trophy.

The first 16 players qualify to play for the trophy and all others are put in flights of eight.

On June 10th, at 9 o'clock comes the big party and with it the Calcutta draw for the winning 16 horses. Get your tickets.

We haven't even started to have fun yet, after all this is the year of the "Big M". See you at the golf club.

Order at Summerland Review

Ted Weeks to receive degree

The Summerland School Trustees learned at their May meeting that Ted Weeks will receive his B. Ed. degree at the University of B.C. on June 1. He will be given a leave of absence to attend the ceremonies.

In other school business: A committee from the Summerland Teachers' Association requested a meeting with the board to discuss the teacher-pupil ratio as it affects Summerland schools. The date set was May 23.

Approval was given to purchase desks for the MacDonald School in the amount of \$210 and for Trout Creek costing \$178.50.

The Trout Creek school grounds have been seeded to grass.

Summerland representatives to the Okanagan Regional College Jas. Miltimore, told trustees President Norman Walker has been in touch with officials of the three cities, and said there is now an earnest desire to come to an agreement. "The council is very encouraged and things are moving along", he said. He was optimistic that Penticton would be in soon.

Trustee Bennest expressed concern because the government appointees' time of office on the college council isn't spelled out in the act. Secretary-treasurer Jas. Hack was asked to relay the board's concern to the Minister of Education and to have it clarified.

Board members and their wives were invited to the Commencement Exercises, held in the Secondary School May 26.

Mr. and Mrs. J. L. Wolfe of Vancouver visited friends in Trout Creek last week.

One of these or one of the six other candidates for Summerland Queen may be crowned at the Queen's Ball scheduled for June 3 at the Yacht Club. Left is Sharon May, Miss Teentown. She has blue eyes, blonde hair and is 5 feet tall. She is Deputy Mayor of Teentown and is on the executive of the South Okanagan Teentown Association. She

plans to be a teacher.

The other lovely young lady is Linda Keuning, the choice of the Summerland Yacht Club. She is a 17 year old brunette with green eyes. She bowls, swims and will become a hairdresser when she graduates from Summerland Secondary School. (Photos by Killick Photography)

Rug Show this Saturday

Citizens of Summerland are invited to attend a rug show Saturday, at the IOOF Hall in Summerland between 2:00 and 9:00 p.m. The show is sponsored by the Art and Craft Club, and it will feature hand-crafted rugs by local people.

Also featured are Mrs. Grule's hand woven rugs from Osoyoos, and those of Mr. and Mrs. Al Shipton from Penticton. The rug that was made depicting Centennial year will be on display at this show.

Refreshments will be served and everyone is welcome.

Jolly good show

Editor, Review-Bulletin,
Sir:

Could you please find space for my wife and I to express our appreciation for an enjoyable two hours on Friday evening last at the Summerland Secondary School.

We are sure the Director, Mr. J. T. Grinder must be very proud of the performances of both the Junior and High School Bands.

Also the members of both bands are very proud of their conductor, especially since, (we understand,) that he has held that position such a short while.

The Junior Band is to be commended in that they have worked together to produce such good results in such a short length of time and the Senior Band also, in that they have given up so much of their leisure time to the monotony of practice, and Mr. Grinder is to be doubly commended in that if his efforts had been less, the results would have been less.

So, thank you Mr. Grinder, and thank you Summerland School Bands, and last — but not least a vote of thanks to the Salmon Arm Secondary School Bands, and their director Mr. W. G. Robertson.

Yours truly,

D. L. and A. J. Williams,
Summerland.

Commodore Schumann presides at banquet

The Summerland Yacht Club held its annual Commodore's Ball on Saturday, May 13. The hall was tastefully decorated with streamers, balloons, and spring blooms.

Head table guests welcomed by Commodore and Mrs. F. W. Schumann were: Vice-Commodore and Mrs. Ken Bruce of Kelowna; Commodore and Mrs. Phil Wakefield of Westbank; Commodore and Mrs. Carew Gibson of Penticton; Reeve and Mrs. Norman Holmes; Mr. and Mrs. Bob Payment, representing Summerland Kinsmen; Mr. and Mrs. L. Weist, Rotary; Rev. and Mrs. N. Tannar, Kiwanis; Mr. and Mrs. C. Bernhardt, Chamber of Commerce; and Mrs. Ken Boothe, President of the Ladies Auxiliary of the Yacht Club.

The evening was enjoyed by all present. The next dance to be held at the Yacht Club will be June 10, 1967.

Royal Purple hold birthday party

The Summerland Order of the Royal Purple held their birthday party on Tuesday, May 9th in the Elks' Hall. Visiting lodges were Penticton with 15 ladies and Vernon Lodge with four ladies, including P.S.H.R. Lady Mabel Redman who instituted Summerland Lodge No. 286 four years ago. Following a short meeting, a hat fashion show was displayed by the Summerland Ladies, which brought forth many laughs and applause. A delightful smorgasbord supper was then enjoyed by all. Lady Isabel Smith won the raffle.

On May 12th, the Bro. Elks treated the Ladies to a Mothers Day supper. The annual Spring Tea and Bazaar is to be held Saturday, May 27th in the I.O.O.F. Hall commencing at 2:30 p.m.

Installation of officers takes place in the Elks Hall June 9. Dancing to follow with "Music Indeed" by Freeman Reid.

Glenda Chatten honored at shower

PEACHLAND — Pink and white streamers and bells decorated the Legion Hall for a bridal shower held in honour of Glenda Chatten of Summerland, formerly of Peachland. Glenda is the daughter of Mr. and Mrs. Clifford Chatten of Summerland and is soon to be married to Robert Henry, son of Mr. and Mrs. Herman Henry of Summerland.

The bride to be and her mother were presented with dainty pink and white corsages made by Mrs. E. Chisholm.

Miss Vicky Bradbury assisted the bride to be in the opening of many beautiful gifts.

Delicious refreshments were then served by five of Glenda's former school mates, Dana and Marina Davies, Maureen and Glenna Todd and Margaret MacNeill. A beautifully decorated cake made by Mrs. E. Chisholm was served. Hostesses were Mrs. A. Oltmans, Mrs. E. Chisholm and Mrs. Thelma Mitchell.

Band concert well received

By Ron Kostelnik

The Summerland Secondary School Band presented the 15th annual Spring Concert in the high school auditorium Friday. The program got underway at 8:00 p.m. with the Junior Band playing Finlandia.

The Grade 8's then played "This Old Man" and the Grade 9's played "Blue Nocturne" with Village Charm closing out the junior band selections.

The Senior Band played five numbers, including "Timpati" which featured soloist Wivi Wouters. After the fourth number, Bill Fitzpatrick presented gifts to Jim Grinder and Bob Chalmers for "putting up with them" in the recent band trip.

After the intermission, the visiting Salmon Arm band, under the direction of Walley Robertson, played to the packed audience. The Grade 10 band played three numbers and the Sr. band five.

Both comedy and perfection were featured at the concert. Bob Chalmers was M.C. and Jim Grinder was the Summerland School band director.

Little League ball off and running

Summerland Minor Baseball Little League is now in full swing. Five teams are in the league. The Yankees are coached by Steve Sakal and manager is Harvey Reid.

The Mounties are coached by Doug Irvine; the Dodgers are coached by Frank Kuroda and manager is Don Cristante. The Pirates are coached by Ed Robertson, assisted by Gordie Day, and Chas Preen. The White Sox are coached by Don Wertz and manager is Alex Keen.

During a recent Trail Rider's meeting, a Queen and two princesses to represent the Summerland Trail Riders in the Valley Horse Shows were voted in. The Queen chosen is Madeline Moilliet, daughter of Mr. and Mrs. Ted Moilliet, First Princess is Bev Bye, daughter of Mr. and Mrs. Bud Bye, and Linda Hardwick is second Princess. She is the daughter of Mr. and Mrs. Ed Hardwick. These three girls will be participating in Horse Shows up and down the Valley, along with other Trail Riders, representing our club. See the mand all the other riders at our Summerland Junior Horse Show.

May 20 deadline for OK Falls Centennial Day parade entries

By Audrey Steeves

OKANAGAN FALLS — The Centennial Day parade committee wish to remind members of the community that May 20 is the deadline for entries to be in for the June 3 parade.

Prizes will be awarded for all sections, there will be a cash prize for the best float, also cash prizes will be awarded for the most original, comic and fancy in the individual entries. In the kiddies section, there will be a 1st, 2nd and 3rd prize given for decorated bicycles, comic, and fancy dress.

The parade will assemble at the South Shore Motel for judging, and then proceed along the lakeside road to Main Street to the Centennial Park.

The MacDonal Elementary School Choir was the Director accompanied by Bernice Geres on the piano. They sang four Centennial numbers. They entertained the pioneers and families attending the Centennial Medallion presentations Saturday afternoon. Mrs. Paul Roberge

Bowling highlights

By Ron Kostelniuk

The Spring League tightened up with three teams moving into a first place tie. Alley Cats are in fourth; Narod jumped to fifth; and Beer Frames dropped into last place.

The Ladies' League banquet was held Friday with the election of officers for the coming year: May Rogers, president; Jean Harrison, vice-president; Patt Gowing, secretary; Barb Robert, treasurer.

Trophy winners for this year are: Barb Robert and May Rogers, "300" Pins; Elsie Howard, Most Improved; Barb Robert, high average (202); May Rogers, high single (301); Beryl Flebbe, high three (693);

Jaw Breakers, perfect team attendance pins and b o o b y prize (Pat Impett, Rose Chomat; Daphne Impett; Anna Hauschild;

Round Robin: Tiger Tails — Nan Thornthwaite, Jean Harrison, Florence McLachlan and May Rogers.

Semi-final A League: Candy Kisses—Marg Payment, Mary Dickenson, Betty Creighlan and Lil Smith;

Semi-finals B League: Sugar Plums — Elsie Howard, Jean Skippings; Mary McCauly and Irene Chatten.

Hyacinths	9
Its	9
Springers	9
Alley Cats	7
Narod	6
4-Squares	5
Emmits	4
Beachcombers	4
Strikers	4
Beer Frames	3

High single and triple: Bill Ramsay 804, 808; Barb Robert 300, 780

High average: Bill Ramsay (spare) 269; Barney Furyea 216; Barb Robert 225;

High team: Springers 2556.

Mrs. Joe Maddison is home after visiting for six weeks in Scotland. Her sister-in-law, Mrs. Dave Taylor jr. and Mrs. H.R. J. Richards met her in Vancouver.

School committee makes report on improvements to MacDonald

The Building Committee of the Summerland School Board submitted a report to the board as a whole last week, pertaining to school additions to the MacDonald Elementary. They made the following recommendations in a written report but no discussion took place.

They suggested that only essentials be considered for the proposed referendum and outlined the following:

(a) Provision of library facilities at a location to be recommended by the architect.

(b) Provision of kindergarten facilities, the location of which to be recommended by the architect.

(c) Provision of maintenance shop facilities. The architect be requested to recommend either renovations to present facilities or facilities at a new location.

"Upon receipt of these recommendations from the architect, the Board's approval to be sought before further steps

are taken.

"If the architect's recommendations are approved by the board then the architect be requested to submit plans and estimates for the renovations to the heating system, electrical system, stairwells, windows, shade screens, doors and hardware, stair treads, insulation, etc.

"The architect would also be requested to submit a long-term plan or proposal, for the eventual elimination of MacDonald School with a view to establishing intermediate facilities around the present annex complex with primary and kindergarten facilities to be located on a new site.

"This still allows the Board to consider a new site and primary complex when justified by enrolments."

These proposals were studied by the board following the meeting and it was decided to go ahead with the building committee's proposals.

Summerland's Ann Davies wins high aggregate at field day

OKANAGAN FALLS — Shingle Creek Ranch was the scene of the Southern Okanagan 4-H Club field day activities on Saturday, May 13. Okanagan Falls members attending were David and Cathie Wagner, Grant Thompson, Brian Thomas, Beverley Duncan and Luana Chapman.

Winner with the highest aggregate number of points gained in the judging competition of beef and dairy cattle, was Ann Davies of Summerland, who won a feed bucket presented by official judge Wayne Sellars, Princeton.

The steer, weight guessing competition was won by Brian Thomas.

G. Davies and R. Dunn, Summerland gave a demonstration of the various cuts of beef and a pancake making demonstration was given by Judith Davies, and Mary-Lou Dunn.

A "pot Luck" lunch was provided by the parents who accompanied the members.

Students complete rigid Centennial athletic program

Trout Creek School principal Ray McNabb told trustees last week they have just completed the Centennial athletic awards program.

They started practice in February and awards will be presented at the awards day ceremony in June.

The awards crests are in gold, silver and bronze. Each participant who does not qualify for a placement crest receives a red participant's crest.

"The awards are distributed on a very strict basis so pupils who receive gold, silver or bronze crests will value them greatly", he said.

There are three compulsory events and three optional events and the demands are rigid the trustees thought. A similar program was carried out in the MacDonald school.

To qualify for a gold crest, a pupil had to qualify for gold ratings in the three compulsory events and in one optional event. If a pupil received three gold ratings in the compulsory events and a bronze rating in the optional event, they were awarded a bronze crest, etc.

Both, McNabb and MacDonald School principal J. Cooke agreed that the rules were too tough but the program was carried out according to national rules, so nothing could be done.

In Trout Creek, 18 students received gold awards, 11 silver, 24 bronze and 24 red.

Although McIntosh and Bennet felt the method of distribution of the awards was un-

fair, they praised the basic idea and felt some such program should continue.

McNabb said they thought at first the standards were too high, but with practice many of the students came up to standards.

75 BEGINNERS EXPECTED

Both elementary schools will hold orientation day on June 7 when the September beginners will visit grad one classrooms for half a day, "in order to get rid of any fears they may have about coming to school", Cooke said.

Cooke said he expects about an average number of students starting in September, which is 75.

He said Mrs. Roberge has planned a Centennial program for the school and general public. Many people in the community are lending numerous articles from the past. They will be displayed in the gym on Thursday and Friday, June 1 and 2.

The maintenance staff will be alerted to take all security precautions possible while these items are in the school.

Joanne Campbell honored at shower

Miss Donna Laidlaw and Mrs. Warren Parker were co-hostesses at a recent miscellaneous shower held at the home of Mrs. C. Wade and honouring Miss Joanne Campbell whose marriage to Fred Gartrell took place May 6.

The gifts were presented in a replica of the Bank of Montreal.

After the gifts were opened a dainty lunch was served featuring a beautifully decorated cake.

Invited guests included: Mrs. T. Campbell; Mrs. L. Gartrell; Miss Trudy Gartrell; Miss Lynn Gartrell; Miss Coleen Gartrell; Mrs. A. Swift; Mrs. W. Gartrell; Mrs. M. Butler; Miss Marg White; Miss Linda Bell; Mrs. R. Henderson; Mrs. J. Moore; Mrs. R. Holm; Mrs. J. Wilson; Mrs. W. Krause; Mrs. R. Evans; Mrs. E. Scott; Miss Linda Scott; Mrs. H. Thomson; Miss Lynn Thomson; Miss Leslie Thomson; Miss Sheila Thomson; Miss Gillian Miles; Mrs. I. McDougal; Mrs. D. Crstante;

PEACHLAND COUNCIL BRIEFS

PEACHLAND — Municipal council here last week discussed the natural gas pipeline which will serve the community.

Des Loan of the pottery studio, Summerland, attended the council meeting to seek information on zoning and construction of a studio on the Grierson property. After he submits plans an applications may be passed to re-zone the property concerned to commercial from residential.

Mr. and Mrs. Oltmans asked if road work will be done in Trepanier this year and were told surveyors have done some work on one road and plans are being arranged to straighten the road by cutting across the gully above the Swartz property. "Problem is mostly money, but work will be done this year", said Councillor Clements.

The government has been asked to supply surveyors to work on problem roads here. Council said Trepanier roads have priority this year.

Reeve Thwaite revealed that at a recent meeting regarding re-plotting of D.L. 490 19 of the 20 property owners present were in favor of the move.

The Minister of Recreation

in reply to Council's letter requesting lights at Deep Creek Park washrooms stated the Antlers Beach Park was designed for daytime use only and felt lights in the buildings could bring about undesirable uses of the buildings.

A letter from C. A. Miller and signed by numerous 12th Ave and Beach area residents complained of dogs running at large and creating untold damage to newly-planted gardens. Council will advertise the by-law warning dog owners that drastic steps will be taken to solve the problem.

Councillor E. Beet reported on the Recreation Commission meeting. Council is requested to hire workmen to check local beaches every two weeks for broken glass.

No word has been received about insurance repairs to the Recreation Hall. Council will try to get action on the matter.

Work on Blue Waters roads is nearing completion.

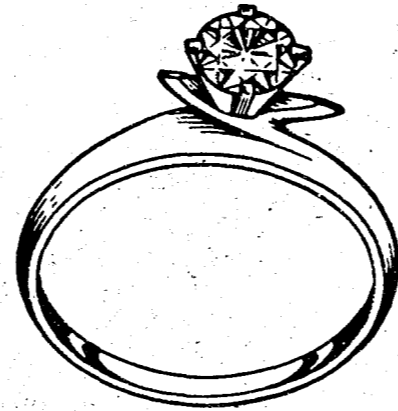

Stagecoach in Peachland June 10

PEACHLAND — The Centennial Stage Coach will visit Peachland on Saturday, June 10 and staying in town overnight.

tawa had assured them that tax concession for mining development will be extended until 1974.

Chamber of Commerce president Harold Lyons said "the Chamber wishes to extend sincere thanks to the Hon. Mr. Sharp, Minister of Finance for the mining concessions. This will mean that Brenda and Noranda will proceed immediately with construction of the \$60 million mill here, which will pour more than two million dollars annually in payrolls to the valley. Brenda Mines is the brightest sun that ever filled the economic sky and benefits will not only profit Peachland but the valley as a whole.

"The Chamber foresees an explosive affect on business in the community, also large increases in population and new homes. The Chamber will be available to encourage and help local and new business ventures in the area."

YOU AND YOUR CAR INSURANCE

In the belief that education is an important step in accident prevention, READ & PRUDEN, in co-operation with the WAWANESA MUTUAL INSURANCE CO. and Canadian Handbook's Safety Guide Book, will present in the Review, a series of articles designed to improve your driving habits, and in so doing, become a safer driver and enjoy your driving more.

The section covered last week excludes — Amounts paid under hospital plan, accident insurance, etc. The policy provides that payments made under the medical payments section shall be in excess of any amounts you may collect under any medical, surgical or hospital insurance plan, under any other insurance policy or under Workmen's Compensation.

Suppose you are covered under a hospital insurance plan and that you also carry \$750 medical payments under your automobile policy. If you are injured in an automobile accident, your hospital plan will pay your hospital bills and the \$750 medical payments may be used toward private room accommodation in hospital, or against, other expenses such as cost of ambulance, doctors' bills and special nurses. Also, if you have personal or group Accident Insurance you collect under it first. Then if it does not cover all your expenses your automobile medical payments will apply toward the difference.

This section does not cover medical expenses of anyone engaged in the business of selling, repairing, storing or parking automobiles if injured while operating your car while engaged in the course of such business. Thus, if the operator of a parking lot is injured while moving your car your policy does not cover his medical expenses.

The policy does not cover medical expenses of anyone injured as a result of radio-active material.

A limited number of Safety Guide Books are available at

CALCULATING REDUCTIONS — The billing department of Inland Natural Gas Co. Ltd., a portion of which is pictured above, is a little more hectic than usual this week preparing for the reductions in residential gas rates which were effective May 1st. The latest adjustment

will bring natural gas rates down approximately 10 percent for twenty-five thousand interior customers and follows three previous reductions by the company, providing a total savings to Inland customers of over \$1,000,000 yearly.

School trustee questions amount of student homework

Summerland school principals attended the May meeting of the Summerland School Board.

Trustee Dave McIntosh said he had read that juvenile delinquency is more prevalent among poor readers. He asked the principals if they were aware of this possibility, and if they had any recommendations to offer if there is any connection.

Secondary school principal John Tamblyn answered yes to both questions so the board asked the principals to make a study of it and make suggestions as to what action should be taken.

McIntosh directed more questions to the administrators.

He wondered if local students were working too hard and estimated that 50 per cent of the students are working 14

hours a day, five days a week. He said they are doing homework until 10 p. m. and wondered "if it doesn't deaden their interest in learning. What can be done to reduce this? What is the effect on elementary homework assignments?"

McIntosh asked if it is necessary to give work assignments rather than review. He also wanted to know if one teacher knows what the other one is doing regarding homework to avoid piling too much on the students at any one time.

He also suggested that possibly there is too much emphasis on completing high school as a means to an end rather than a means to go on.

The principals will make a report on these questions when they meet with trustees in June.

KIWANIS 'DOINGS'

Summerland Kiwanis Club doesn't have 'happenings' but 'doings' — planned, organized and carried out.

The present 'doing', if you wondered what was going on in the lumber yard on Henry Street Tuesday, is the construction of the picnic tables and benches for the Giant's Head Centennial Park. Overseers and taskmasters of this project are Harry Hackman and Lachy McKilligan.

Once a doing is done it's on to the next; but they have two happy Kiwanians from the first week of May; Walt Toevs and John Tamblyn and their committees are still happy from the record success of the Cancer Canvass — \$1,707 and 235 donors for the Red Cross Blood Donor Clinic. Of course, they are reminded that it's not all their doing; in fact no ser-

vice club could do a really good job if there were not an informed citizenry. Thanks, Summerland citizens!

Speaking of citizens, Kiwanian Jack Towgood and his committee hope all Summerland will get the parade spirit for July 1st and enter a float, a clown or etc. in the parade. Be a participant in this Centennial event, or next best thing come out and watch and cheer your parade along at 1 p.m. on July 1st.

Teen town assist with Giant's Head park project

Jack Barkwill was elected mayor of Summerland Teen Town this past week, succeeding Bruce McGregor.

Other officers elected were Howard Stein, vice-mayor; Maureen Fitzpatrick, recording secretary; Janet May, corresponding secretary; Patty Stevenson, treasurer; and Heather Wilson, public relations officer.

Teen Town thanked Mrs. Randle and sponsors for the past year. This organization completed one of the Centennial trails on Giant's Head, with the help of the Sr. Curling Club, and Penticton Teen Town.

IMPROVEMENTS SOUGHT

Canada has one of the best national and provincial park systems in the world. In spite of this and the current expansion of this system, a major recreational problem exists now and in the future to provide adequate space for leisure within 75 miles of all cities in Canada.

No Lilac Day -- store hours are set for summer months

Ten business firms were represented at a meeting of the Summerland Business and Professional Services Association Friday night, and it was decided not to hold a Lilac Day this year, and summer store hours were set.

It was decided that they hold a "Centennial Costume Day" on June 30th — the day before the dedication of Giant's Head Park rather than Lilac Day which has taken place on a Saturday in May since 1961.

Tom White, President, chaired the meeting.

The resignation of Dick Randall as vice-president was accepted, with regret.

Stores will commence staying open every Monday during the summer months, starting July 3. They also voted to stay open until 8:00 p. m. Friday nights from that date to the

end of the year. Last year they remained open until 9:00 p.m.

The secretary was instructed to request the Chamber of Commerce to write the Liquor Control Board and M.L.A., Premier Bennett, thanking them for extending the Summerland liquor store hours. The store is now open six days each week from five days.

Future Planning

Our way of life TODAY and IN THE FUTURE, emphasises the necessity for HIGHER EDUCATION, either academic or technical, for your child.

HOW are you prepared to help your youngsters meet these standards?

HAVE you the funds now or will you have them when they are needed?

The time to consider these questions is NOW!

One answer could be — a savings account in your local CREDIT UNION. Your Family Allowance cheque, deposited every month, will accumulate to over \$2,000 by the time your child is 18 years old.

Let us help you help them!

WHATEVER YOUR FINANCIAL NEEDS—

Hallquist wins with "Second Wife"

Bruce Hallquist, who made a name for himself by driving in valley destruction derbys last year, proved he is a great competitor going around cars as well at the opening day of the Billy Foster Memorial Track at Westbank on Sunday. He took first place in his classification.

In the first heat, he took third spot which made him eligible to enter the final heat. His pit crew, Joe Elliott and Arnold Fenton had the car in top shape so Hallquist was able to take an early lead and hold that position throughout the 25-lap final. But it wasn't a pushover.

His starting spot was in the third row at the rail so he had to get past five cars to take the lead. He had little difficulty in keeping ahead of four of them but a Ford, driven by Roth of Kelowna was on his tail all the way but didn't have the speed to get past the Hallquist car.

Sponsors of the car are two Summerland firms, Parkdale 66 and Summerland Welding & Machine Shop Ltd.

The M.C. on the P.A. system go a lot of miles out of the name the boys have dubbed the car—"Second Wife".

There were over 3,000 spectators at the race and they will hold competitions every Sunday until Labour Day.

The track was named in memory of Billy Foster, a Victoria driver who was killed last year in a race at Daytona Beach, Florida and it was officially opened by his widow.

Please turn to Page 6, see RACING CHAMPION

Main Street was getting a new coat of asphalt here last week. The same equipment completed other streets in the downtown area as well. This is the second year the Municip-

ality has used hot asphalt mix for roads rather than the cold mix.

(Review Photo by K. Q. Bergh)

No teacher - pupil ratio problems are anticipated

Summerland teachers and trustees met May 10 to discuss the current class size campaign which is being waged by the B.C. Teachers' Federation. The teachers, at their Easter convention, voted to give support to any teacher who refuses to teach classes of forty or more pupils next September.

In the case of School District No. 77 at the present time, no problems exist. While the Trout Creek Elementary School is well within entitlement, MacDonald Elementary and the Jr. Sr. Secondary each have one teacher over, or in excess of, entitlement. In the event that there is a problem of classes of forty or more in Summerland next September, it was agreed that the total learning situation, as it then exists would be given top priority for discussion between the teachers, the principals, the District Superintendent of Schools, and the Trustees, with a view of correcting the problems.

No disruption of the learning situation is anticipated as a re-

sult of the good relations which exist between the professional educators and the Board of School Trustees in this district.

Rotary swim classes start on July 3

Rotary swimming classes are being organized in Summerland once again this year.

Head instructor will be Janice Beggs, with Jeanette Jacques, Rosilind Hyde; Ann Millimore; Margo Clarke; Stephanie Hyde assisting her.

The classes will start on July 3rd at the Rotary Beach, and will run morning from 9 to 12, six days a week.

You are asked to get your registrations in as soon as possible so the task of sorting the youngsters out into classes can begin. The final date for registrations is June 10 1967 — NO LATER. You may register at Farm & Garden, Holmes and Wade; Daniels Grocery; and Trout Creek Shell Service.

Private lessons may be arranged if desired by contacting Miss Beggs.

By KEITH BERGH

Peg and I received an invitation to attend a Centennial gathering to be held at a country school near our old home town in Alberta. It was written with such sincerity and warmth I don't believe this dear old friend would mind me passing it on to you. Here it is:

Dear Friends:

To celebrate Centennial we are planing a big parade for Summit folks, past and present. It will be Sunday afternoon, June 18th at the Nisbet school. We'll all eat together at about two o'clock.

We're asking each family to bring a pie and a casserole or salad. We'll get the wieners and buns. Please bring dishes. Tea will be served in the afternoon.

We'd like to know ahead of time if you might be able to come so we can get enough wieners and buns.

If you have any interesting old photos, would you bring them along.

Under The Giant's Head

We'll have a guest book for all to sign, and afterwards it will be put into the Bowden Museum.

There will be races of all sorts, ball games and lots of visiting and talking. The picnic will be indoors if the weather is not good.

Hope to see everyone at the picnic on June 18th.

Sincerely,
 Aggie Dixon,
 For the

Centennial Committee

Centennial dress worn at Church Tea

PEACHLAND — The United Church Women held a colourful tea and plant sale Friday afternoon in the church basement.

The hall was daintily decorated with lilacs, which blended beautifully with the lovely Centennial costumes worn by the ladies.

The home baking table and plant sales did a brisk business — making the event very successful, socially and financially.

Now isn't that a kind invitation—one that is very tough to refuse? And do you know something? We now have a flying son so we might just hop over to the Nisbet School that Sunday, Aggie.

Only one accident over long weekend

Summerland and district was fortunate to have no accidents reported in this area over the holiday weekend, other than one on May 20 on Highway 97, two miles south of Peachland.

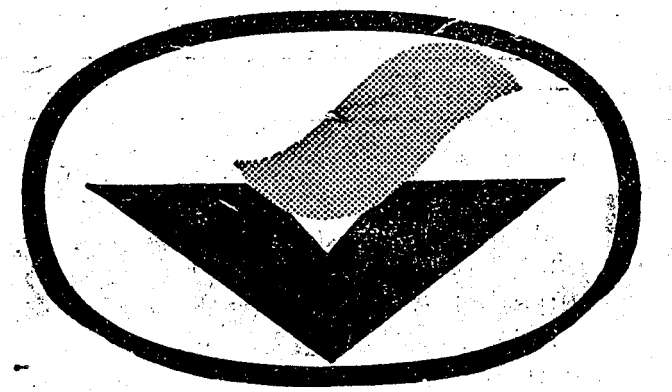

Mr. Ian Roy Hunter of Summerland was travelling south when his vehicle went over the right side of the highway. He said he was forced off the roadway by an approaching vehicle. There was approximately \$400 damage, but no injuries were sustained.

Rug Show a first for the Okanagan Valley

Over 70 hand-crafted rugs were on display in Summerland Saturday at what is believed to be the first show of its kind in the Okanagan Valley. Many were designed and worked at the rug making classes sponsored by the Summerland Art and Craft Club during the past winter. Mrs. Olive Wilson and Mrs. Margaret Babcock were the instructors at the well-attended classes.

It was interesting to note the diversity of materials and methods used and the individual look of each rug.

Deserving special comment was the work of Mrs. Don Blagborne; Mrs. Allie Tamblin; Mrs. Peggy McCall; Mrs. Vicki Rae; Mr. and Mrs. Herb Waterhouse and the rugs from the Village Inn.

Mrs. Suse Gruhl of Osoyoos and Mr. and Mrs. Al Shipton of Penticton had kindly loaned examples of their fine work. Mrs. Gruhle showed several hand loomed rugs using natural sheep wool and carded wool. The colors and designs were excellent. Mr. and Mrs. Shipton had used local Indian pictograph designs in their work, making them truly unique.

Mrs. W. Barton jr. of Anglemont displayed a Chatelaine Centennial rug which evoked

much interest. Also on display was the wall hanging, designed and executed by the Art Club as a gift to the new hospital.

Adding greatly to the atmosphere of the show were the old-fashioned utensils and lanterns and a refreshment table beautifully decorated by Mrs. Russ Kazan of Calgary.

Judging from the interest shown by the public, this show could become an annual happening in the community of Summerland.

Bowling highlights

By Ron Kostelniuk

In bowling action, last week, Hyacinths broke up a three-way tie for first, pulling ahead of Its and Springers. Its fell to second and Springers dropped into a third place tie with 4-Squares. Emm-ts jumped into fifth and Beachcombers dropped into last place. Here are the results of action of May 15 and 16:

Hyacinths	13
Its	11
Springers	9
4-Squares	9
Emm-ts	8
Narod	7
Alley Cats	7
Beer Frames	6
Strikers	6
Beachcombers	4

High single: Ray Maddox 328 and Lorraine Irvine 264;

High three: Alan Bennison 667 and Barb Robert 591;

High average: Ed Antonovitch 212; Barb Robert 218;

High team: Strikers, 2389.

BASEBALL SCOREBOARD

In Little League baseball action this past week, five games were played. On May 12, the Dodgers romped over the White Sox 18-2, with 12 runs in the first inning. Kuroda, Knuff and Huva came with doubles for the winners. On the 16th, Yankees overpowered the Dodgers 16-9. Harrison and Sakal shared the pitching for the winners.

On the 17th, the White Sox went down to another defeat, this time at the hands of the Mounties by a score of 12 - 5.

Massive hunt for rooms underway

Preparations for the largest religious convention the South Okanagan has ever seen began over the weekend in Penticton with many Summerland residents being involved. Sponsored by the Watchtower Society, the gathering is slated for the Arena and Peach Bowl in the last part of June.

The four-day assembly will officially draw thousands of delegates from an area which includes the Upper Fraser Valley and Caribou in addition to the South-Central Interior of British Columbia. However, visitors are expected from other provinces as well as the United States.

Convention accommodation supervisor, Lewis LePoidevin, of Penticton, said, "No doubt this will involve the largest hunt for rooms in the history of this city. We have, of course, anticipated the holiday weekend at the beginning of July and made advance reservations in motels and hotels in the area.

"So far," he continued, "we have accommodation for fifteen hundred people in public facilities but we will be needing many more rooms and we have now begun a month-long hunt in private homes throughout the area. The search got underway Sunday morning.

Mr. LePoidevin who is one of the local Penticton congregation overseers, said the 110 adult Witnesses from the city will be aided by qualified canvassers from Oliver, Summerland and Kelowna in the accommodation search.

"Jehovah's Witnesses in the region will temporarily decrease their activity in the public house-to-house ministry to concentrate on the search for rooms as they prepare to host an estimated 3,000 delegates to the convention which opens on June 29th".

The Yankees then walked over the Mounties 24-4. On the final game, Dodgers got past the Pirates 17-13.

In Babe Ruth action, A & W downed Summerland 11 - 8 in Summerland May 19. Gordon Reid was the losing hurler.

Next action in Babe Ruth is May 26th when Summerland hosts Sands. On the 30th Summerland vs. Taylors. On June 1st, Longs travel to Summerland. On June 5th, Summerland vs. Downtown.

Busiest weekend at Sumac Ridge

There were more golfers at Vic Parker's Sumac Ridge Golf Course over the weekend than they have ever experienced since they opened in 1965.

Parker said there was no let-up all Saturday, Sunday and Monday. Summerland Golf and Country Club members were out in full force and visitors were registered from all over B. C., some parts of U.S. and Alberta.

There were quite a few from Kelowna and Penticton play the 9 hole course.

Marsh, Stevenson and Norris break track and field records

By Ron Kostelniuk

In the Valley Track and Field qualifying meet held in Penticton on May 15 and 16 Summerland athletes finished fifth in a field of eight schools. Oliver finished first with 175 points; Penticton had 173; Princess Margaret 128; McNichol Park 11; Summerland 67; Osoyoos 57; Princeton 33; and Keremeos 23.

Summerland athletes breaking records were Gerry Marsh, in the boys 19 and under triple jump, with a jump of 38' 2 1/2"; Dale Stevenson in the boys 19 and under pole vault, set a record with a jump of 10'6".

Patsy Norris set two records, in the girls 15 and under high jump of 4' 4", and in the 220 yd. Only the first two finishers qualify.

Boys 19 & under—

Long jump: 3. Gerry Marsh;
Triple jump: 1. Gerry Marsh;
Pole vault: 1. Dale Stevenson;

Boys 17 and under — high jump: 1. Ron Mayne;
220 Yds.: 2. Rob Munro;
100 yds.: 3. Rob Munro;
Pole vault: 3. Garrit Faassee;
Boys 15 & under — high jump: 3. Herb Dewitt;

Shot put: 1. George Jenner;
880 Yds.: 2. Peter Nan;
Girls 19 & under—Shot put:
2. Bev Bye;
Girls 17 & under — 75 yds.:
3. Karen Holman;
Girls 15 & under — High jump: 1. Pat Norris; 3. Barbara Berry;
100 yds.: 1. Pat Norris; 3. Marg Till;
880 yds.: 3. Barbara Porritt;
4 x 100 relay team.

Interior IWA unions to ask for parity with Coast lumberworkers

I.W.A. Local Unions in the Interior of British Columbia will demand that the Northern and Southern master agreements be amended this year to provide complete parity with contract conditions now in effect throughout the Coast lumber industry. This was the unanimous decision of fifty delegates representing the four Interior Local Unions in attendance at their Wages and Contract Conference in Kelowna Saturday.

Negotiations with the employers open early in June as the existing agreements expire August 31, 1967.

The Union's proposals will extend to Interior woodworkers the contract provisions recommended by Mr. Justice N.T. Nemetz and accepted by the Union and Management in the 1966 Coast settlement, said a statement released this week by the union.

The conditions of parity demanded by the Interior Local Unions will provide an across-the-board wage increase of 50 cents an hour to raise the present Interior base rate of \$2.26 an hour to \$2.76 an hour, the statement outlined.

It listed other contract conditions recommended by Mr. Justice Nemetz and now observed in the Coast lumber industry include:

1. Six months advance notice of technological changes likely to cause displacement of workers with an opportunity for the Union and management to accomplish manpower adjustment with the payment of severance pay for those displaced, not to exceed 26 weeks pay.

2. An improved job evaluation program in the plywood section of the industry with elimination of female rates and increases for certain categories

ranging from four to ten cents an hour.

3. An increase of the rates for afternoon and graveyard shifts to ten cents an hour.

4. Improved contract conditions regarding statutory holidays, leave of absence, seniority and travel time for loggers.

5. Provision for consultative and remedial measure designed to protect employees affected by contracting-out.

The Interior employees will be requested to initiate job evaluation program for all categories in the manufacturing section of the industry not now included in the job evaluation program adopted for the plywood section.

Emphasis was also placed by the I.W.A. Interior Conference on the development in principle of training and apprenticeship programs now undertaken in the Coast lumber industry.

The conditions of parity, it is proposed, will require revision of rates for categories in the logging section of the industry.

Movies of parade shown

PEACHLAND — The Fall Fair Committee's showing of slides and home movies taken at Centennial celebrations in Peachland to date was a great success with over 150 persons attending. Kelowna's Centennial parade marshall congratulated Peachland on the April 1 parade and urged participation in Kelowna's June 26 Centennial parade.

To end the evening, a Canadian Film Board full-length motion picture, "The Drylanders" was shown.

SUMMERLAND REVIEW BULLETIN

Happy Summerland couple enjoy California honeymoon

Pink and white blossoms and white tapers in twin candelabra decorated the Summerland United Church for the May 6th wedding of Joanne Campbell and Frederick Lloyd Gartrell of Summerland. The bride is the daughter of Mr. and Mrs. T. W. Campbell and the groom is the son of Mr. and Mrs. D. Lloyd Gartrell, all of Summerland.

The evening ceremony was performed by Rev. P. K. Louie assisted by Rev. Roy Ashford of Salt Spring Island. Mr. Ken Storey accompanied soloist, Mrs. Bud Green.

The bride who was given in marriage by her father wore a full length gown of Peau d'eleance with empire waist, lace bodice and scalloped lace train. A hand-made satin rose held the three-tiered, shoulder length veil veil of nylon tulle. She carried a cascading bouquet of red and white roses and wore a string of pearls, a gift of the groom.

Mrs. Warren Parker was the Matron of Honour and bridesmaids were Miss Donna Laidlaw, Miss Micki Jomori of Vancouver and Miss Trudy Gartrell of Summerland.

Their full length gowns were of pink nylon over crepe with white lace empire bodices embroidered with pink rosebuds; their satin shoes matched their gowns and their headdresses of nylon net with pink rose in Cloche style. They carried cascading bouquets of pink and white carnations with white satin streamers.

Warren Parker of Summerland was best man and ushers

were Rick Gartrell of Penticton and the brides' brothers, Don and Terry Campbell of Burnaby and New Westminster respectively.

For the reception, at the Summerland Yacht Club, the bride's mother received wearing a dress of turquoise nylon poplin with a matching three quarter length coat flowered turquoise hat and white accessories. Her flowers were white and tinted carnations.

The groom's mother was in a dress of apricot crepe with a matching lace coat, apricot shoes and white hat and gloves, her corsage was of white carnations.

For the honeymoon in California the bride wore a suit ensemble in off-white wool with pink accessories.

The happy couple will reside in the Lamplighter Apartments at 130 W. Keith Road, North Vancouver.

Out-of-town guests attended the wedding from Salt Springs Island, Victoria, Vancouver; Golden; Penticton; Kelowna; Calgary and Winnipeg and Gimli, Manitoba.

BRIDGE RESULTS

Thursday, May 18th saw nine tables of bridge in play at Penticton. The winners were as follows:

North-south: 1. A. J. Berry and Jack Lockie; 2. Frank Brodie and Wilf Evans; 3. Mr. and Mrs. A. E. McBride; 4. Gordon Hepperle and Ray Wilkinson; East-west: 1. Mr. and Mrs. Ed May; 2. Mrs. Mary Tucker and Mrs. Muryl Osborne; 3. Fred Lloyd and Mrs. Dot Stewart; tie for 4: Mr. and Mrs. Len Hawkins and Mr. and Mrs. Frank Vader.

In Summerland on Monday, May 22nd there were eleven tables at play, and the winners were:

North-south: 1. A. J. Berry and Jack Garraway; 2. Bill Hepperle and Fred Evans; 3. Miss Jean Bennet and Mrs. Margaret Berry; 4. Mr. and Mrs. Ray Stewart;

East-west: 1. Mr. and Mrs. Jack Lockie; 2. Gordon Hepperle and Ray Wilkinson; 3. Bert White and Ray Crosby; 4. Mrs. R. Campbell and Mrs. H. Brodie.

The object of the bridge story about the Jacoby's last week was that the Purcell's won the 15-table event not the Jacoby's.

Okanagan Valley Unit teams of four championships will be played in Kelowna May 28th starting at 12:30 p.m.

Parlor show at Horticulture meet

The regular meeting of the Summerland Horticultural Society was held May 16th with John Graham, president in the chair.

During the business meeting a garden trip to three Kelowna gardens was planned for Sunday, June 4th. Cars are to meet on the Super-Valu parking lot at 2 p.m.

Mr. Bennett gave a report on the business meeting of the Okanagan Valley Horticultural Association which was held in Kelowna April 29th. At this time plans were made for the 7th Annual Okanagan Valley Horticultural Association Convention to be held in Vernon on October 14th.

A parlour show was held and the winners were:

Class 1: Bowl of Tulips — 1. Mrs. Inch; 2. Mrs. E. DeRosier; 3. Mrs. W. Ward;

Class 2: Miniature arrangements under 5 inches—1. Mrs. Inch; Miss D. Tait;

Class 3: Decorative arrangement of spring flowers—1. Mrs. Inch; 2. Mrs. Bingham; 3. Mrs. Ward.

Class 4: Composition of rockery plants—1. Mrs. W. Harrison; 2. Mrs. Inch;

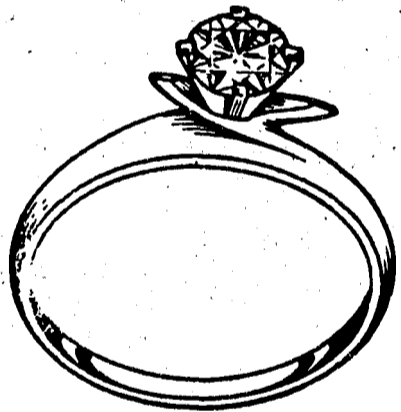

Class 5: Bowl of Narcissus — 1. Mrs. J. Marshall; 2. Mrs. W. Ward; 3. Mrs. Inch;

Class 6: Arrangements of flowers for dining table: 1. Mrs. Inch; 2. Mrs. Bingham;

Class 7: Bowl of Polyanthus — 1. Mrs. W. Ward; 2. Mrs. Inch.

The judges were Mrs. E. H. Bennett, and W. G. Snow.

The guest speaker of the evening, Mr. J. Y. Towgood was introduced by Mrs. Ewart Williams. He showed excellent slides of his recent trip to East Africa. The slides were particularly meaningful because of the most interesting commentary by Mr Towgood.

SUMMERLAND

RACING CHAMPION continued from Page 1

before the races.

According to Joe Elliott, they were entered in the 'early-late' classification, which means the cars must not be newer than a 1953 model with the original engine. The Summerland car was a 1952 Chevrolet powered by a 235 motor.

The prize money was not known on Tuesday. It depends on the gate receipts Hallquist said, but did not indicate what he expects. But he does know he will be there each Sunday from now to Sept. 4.

ENTERED ANOTHER

They also entered the 38-car open class final for the Centennial Cup and purse of \$50. It was a 50-lap race.

Hallquist was running seventh in the 36th lap but was struck from behind which spun him around and into the infield which automatically disqualified him. There were only eight cars finishing this race.

Hallquist picked up 13 points for his first place win. This total will accumulate during the season.

TEEN PULSE

By
GORDON
STENNER

DEAR GORDY: Recently I became a Christian. Within one week I denied Christ by some act. I feel like I slapped God in the face! Can He now forgive me? How can I know that I am forgiven?

—UNCERTAIN TEEN
Dear Uncertain: Jesus is terrific at mathematics. When it comes to forgiveness He always uses the multiplication table. His formula is "seventy times seven."

It is only right that you feel remorse and sad over what you have done.

But, remember Peter? The Big Fisherman told Christ that he'd never deny Him by any action! Within twenty-four hours he had done so three times.

Did Jesus forgive Peter? The instant Peter asked Him to, he was forgiven.

The forgiven teen does not creep around on tiptoes with tensed nerves "wondering" if Christ can forgive. He simply takes God at His Word.

Young people cheat on exams, steal money, commit adultery, tell lies, and break laws. All rebellion comes under one heading with God.

God's Word was written that you would "know" that you are forgiven.

For need . . . Not greed

It is time for new blood in government. It is time we are told the truth. It is time we are told that the present level of government spending must stop — not by editors but by top brass in Ottawa and provincial capitals.

The thirty-five thousand member youth wing of the Liberal party hit the nail right on the head in a brief to Ottawa recently.

They called for the government to heal Canada's social, political and economic ills. In this brief to the cabinet, they said rugged individualism died in the depression of the thirties and the Second World War.

"Today's youth has grown up into a socially-oriented interdependent world. They expect government initiative in pursuit of national goals in the social, economic and cultural worlds".

The brief called for national policies to allow for full development of individual potential.

The government is so busy making hand-outs there is nothing left for those who are deserving. The welfare bill is a giant in every province and on the federal level. In many cases there are able bodied "bread winners" receiving bigger welfare cheques than many conscientious workers.

The proposed medicare plan will be forced on Canadians who still wish to remain individuals and pay their own way, costing the government millions of dollars per year. It's fine to pay the medical bills for those in need, but that is as far as it should go.

Then there are the forgotten people. Our pensioners. They are being asked to live on minimum means, and the only time they get a raise is when our politicians feel they need a gimmick to get votes.

Our pensioners went through hell's fire

to bring our country to where it is today. They deserve more than the distinction of being the butt of the game of political football.

Out of almost 1,100,000 Canadians who receive the \$75 monthly old age pensions, 708,121 of them applied for supplementary old age pensions, with 355,516 being approved for the maximum payment and 196,032 others for lesser amounts. We should be ashamed of ourselves.

What we are giving them is an insult. It is time we remembered that they went through a depression. A situation, not of their own making. It was impossible in those days for the average or even the above average to earn a decent living.

They were unable to save a cent. Many went into debt. Others were on the breadlines. To provide one's family with security was to run head first into an unyielding wall. No amount of courage, ingenuity, muscle or brains could give the average individual the ammunition necessary to lick a world-wide economic collapse.

So, thirty years later, and the seeds of that generation's misery has come to full ripening. Here, in one of the world's wealthiest nations, where two-car garages and luxury cruises are second nature to the young, the generation that was in its prime in the thirties is continuing to be penalized for a tragedy that struck the world unawares.

We are getting to an age when able-bodied Canadians yell subsidy every time they get in trouble financially, we want our government to pay our medical bills just pay pay.

It is fine to spend millions on Expo and for our Centennial, but why forget those who made it all possible. The money should be distributed for reasons of need, not greed.

FROM OUR FILES . . .

20 YEARS AGO . . .

The Golf Club officially opened last Sunday with 16 players taking part.

Eric Tait has been elected president of the Summerland Co-op Growers Ass'n.

The Living Memorial Parks scheme has been progressing greatly in the past few weeks. Trees and shrubs have been planted.

Mr. and Mrs. A. W. Nisbet, and Mrs. F. Fudge left by motor for Vancouver, where Mrs. Fudge will visit at the home of her daughter.

R. A. Johnston and Joe McLachlan were visitors to Princeton on Monday to attend the weekly meeting of the Princeton Rotary Club.

Mr. and Mrs. Chas. A. Stuart and daughter Doreen were visitors to Vernon where Doreen participated in the Music Festival.

Mrs. A. B. Caldwell has returned from Vancouver where she attended the United Church Conference.

Mr. and Mrs. S. A. MacDonald attended the Music Festival in Vernon.

Miss Dorothy MacDonald returned from a visit to points in California.

Mr. and Mrs. Don Agur have returned from their honeymoon and have taken up residence in West Summerland.

Mrs. A. W. Vanderburg and Mrs. R. Tingley attended the Okanagan Music Festival held in Vernon on Monday.

Mrs. A. K. Macleod was the delegate from Summerland Women's Institute to the South Okanagan District Rallies held in Keremeos.

Mr. and Mrs. A. W. Nisbet returned to Summerland over the week-end following a motor trip to the coast. They were accompanied here by their daughter Miss K. Nisbet, and Miss Barbara Hare who returned to Vancouver Monday. Mr. Fred Gartrell left for a two-week visit to Vancouver.

15 YEARS AGO . . .

Mr. and Mrs. Rumball left for a short holiday to Edmonton.

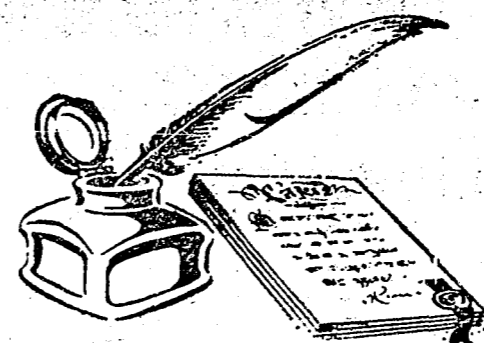

Mr. and Mrs. N. O. Solly left Monday accompanying Mr. and Mrs. Frank Pollock of Kelowna to Marsh Lake, Yukon where they will engage in a grizzly bear hunt.

Dr. R. C. Palmer left for Nelson and Kaslo. Mr. Joe Biollo Okanagan Telephone manager here attended the Telephone Pioneers Association of America convention in Vancouver. Mr. and Mrs. H. I. Dempster who have spent the winter months in California, have returned to their home in Summerland.

Mrs. Geo. Inglis returned Friday from a three-week visit to the Prairies. Mr. and Mrs. C. N. Higgin motored to Kamloops to visit Mr. Larry Higgin.

Curlers sign contract for arena artificial ice plant.

Work of laying final stakes for the modernized highway between Penticton and Trout Creek is being undertaken now from the Penticton end. Harvey Wright of Summerland is assistant to engineer Tom Clark of Naramata on this work.

POINT OF LAW

by A Practicing Lawyer

Q.: What is the difference between a joint tenancy and a tenancy in common?

Answer: These are two of the several ways that land may be jointly owned. Let us assume the simple case of A and B each owning half interest in a parcel of land. If the land is owned by joint tenancy, when one joint tenant dies his half must go to the surviving joint tenant and nothing that is said in the will of a deceased concerning that land can have any effect. If the land is owned in tenancy in common the rule is the reverse, and when one tenant dies his interest goes to the person named in his will — or according to the rules of intestacy, if he has no will.

Joint tenancy is common among spouses. If however there should be a separation or divorce either party may wish to draw a will leaving his entire estate to say, the children — or another person. In this case a lawyer should be consulted. He can breach the joint tenancy and convert it into a tenancy in common very easily. This of course could be a two edged sword and may operate against the party breaking the jointure, that is the other joint tenant may die first and the person who has broken the jointure would not inherit.

Two joint owners may hold in any proportion, one half each, three quarters to one quarter or nine tenths to one tenth. There may be three joint owners and they may hold half of the land between them by joint tenancy and C, D and E may hold the other half by tenancy in common. There are literally an infinite number of combinations that interests in land may be held.

Question: I am a partner in a firm and my partner and I are thinking of forming a company. Is this of any advantage?

Answer: Generally, yes. Every company name must contain the word "limited". This is no mere form and means that the liability of the shareholders for the company debts is limited to the amount unpaid on their shares — which may be nothing. Any two or more persons can form a private company and subscribe for one share each — at a price of \$1.00, if they wish.

The company is a separate legal entity — an individual "person" in the eyes of the law, capable of making contracts, buying and selling goods suing and being sued, etc.

In the business world perils are ever present — bankruptcy — law suits — losses and claims of all kinds. A partnership or sole proprietorship is fully liable for all losses.

Moreover, each partner is liable for the acts of the other partners, relevant to the business whether he knows of them or not. Each member is personally liable and his own assets — house, car, bank account; etc. — can be seized.

In the case of a limited company only the company itself is liable and only its assets may be seized and these may be trifling or nonexistent. Many "dummy" or "paper" companies don't even own a typewriter — it is rented!

Incidentally, one should, for this reason be more wary of extending credit to a company than a firm.

CENTENNIAL MEMOS

In 1913 large scale riots broke out in Nanaimo and 1,000 miners took possession of the town, looting and burning and destroying property. They were infuriated by the use of Chinese and Japanese strike breakers at Nanaimo, Extension and Cumberland. The militia went in to break the strike.

CNIB discard tag days

Bert Johnson, field secretary for the Canadian National Institute for the Blind was the guest speaker at the annual meeting of the Summerland branch of CNIB last week in the Health Centre. He explained that the tag day for the blind has been eliminated in Canada, and that new methods will now be used to raise CNIB funds.

Representatives of the other organizations attending this meeting suggested that CNIB ask service clubs and lodges help with a house to house canvass in October, by furnishing drivers and canvassers.

A meeting has been called for May 29 at 7:30 p.m. in the Co-Op Cafeteria to make further plans.

The representatives from other organizations and lodges were: three from the Rebecah's; two from Legion Ladies Auxiliary; Hospital Auxiliary; Women's Institute; Elks; Eagles and Chamber of Commerce.

Officers re-elected were Mrs. W. Rothwell, chairman; Preston Mott 1st vice-chairman; Mrs. Eric Tait, 2nd vice chairman; Mrs. H. Lemke, secretary; Mrs. J. H. Dunsdon, treasurer; Miss Lois Read and John Caldwell, directors.

Johnson disclosed that a total of 2800 people in British Columbia are dependent on CNIB services. This accounts for approximately 10 per cent of the Canadian total. An additional 200 to 250 persons are added to the list each year. Seventy-five percent of the blind people are sixty years old and over. The office in Penticton serves about 300 blind people in the Okanagan.

He explained that CNIB was started by a Colonel Baker who himself was left sightless during war service. He was rehabilitated in an English Institute for the Blind and when he returned to Canada proceeded with plans for a Canadian Institute. The present CNIB staff has increased since 1918 from one teacher and one social worker to sixty teachers and eighty field secretaries.

A perfect example of the results of CNIB services is Mr. Johnson himself, who blinded through Hallowe'en tom-foolery at the age of fifteen has completed his education and dedicated his life to serving others afflicted with sightlessness. He is available as speaker to any organization, and may be contacted at his office in Penticton.

Members asked to register for golf tournament

As many as possible please register for the captain, vice-captain event on Sunday, May 28. If you can't get in please phone the club. If you can't do either, BE THERE, at 9:00 a.m. May 28th anyway.

Starting June 1st to June 10th every member should play their qualifying rounds, so get your qualifying card from the office before you play.

The party for June 10th has been cancelled and the Calcutta has been scratched so everyone can concentrate on their golf game. SEE YOU AT THE GOLF CLUB.

Hunt for Women's cool sandals

Wards married fifty years

A gathering was held in the Pentecostal Church on Friday, May 19th in honor of Mr. and Mrs. R. Ward, who celebrated their fiftieth wedding anniversary.

Rev. J. R. Coughlan was the master of ceremonies. Solos were rendered by Mrs. J. Manning, Mrs. E. Joy and Miss Geraldine Evans. Appropriate pieces of poetry were read by Mrs. J. Nygard, and Mr. W. Henderson. Rev. J. Nygard brought a message based on Prov. 16:31 - "The hoary head is a crown of glory, if it be found in the way of righteousness."

The presentation of a pole lamp was made by Mr. H. Mohr on behalf of the members of the Summerland Pentecostal Church and interested friends in the community.

To climax the evening, lunch was served in the lower auditorium of the church.

Mr. and Mrs. Ward were married at Shellbrook, Saskatchewan and resided in the Parkside area until 1949 when

they moved to Summerland.

One son, Wallace, resides at Williams Lake, B.C.

Summerland players go international

Members of the Summerland Kiwanis Club attended a giant interclub meet in Okanogan, Wash. last weekend, and took part of the entertainment with them.

Mr. and Mrs. Bill Laidlaw, Mr. and Mrs. Doug Campbell, and families and Rev. Norman Tannar brought the cast of the play "Someday Perhaps" which was presented by the Summerland Players in the Centennial Concert.

The cast included Bill Laidlaw, Bjorn Bjornson, Lorraine Shannon, and Maureen Roberge. Mr. and Mrs. Alan Butler, and Mrs. Gwen O'Leary also went along to help with

make-up, etc. The festivities included a children's pet parade which had a real baby buffalo as a participant. LET'S GET NEWSY... Mr. and Mrs. L. Gartrell are attending a convention and visiting Expo.

"WHAT'S THE NEW CANADIAN DAIRY COMMISSION DOING ABOUT FEDERAL GOVERNMENT PRICE SUPPORTS?"

■ The new Canadian Dairy Commission took its first step in furthering the development of a sound, efficient dairy industry in its stabilization program for the year starting April 1, 1967.

■ It is supporting market prices of major dairy products at levels which are equivalent to about 29 cents a hundred more than a year ago for manufacturing milk testing 3.5%.

■ The federal government is providing funds to the Commission for a subsidy to manufacturing milk and cream shippers equivalent to \$1.21 a hundred for 3.5% milk. The rate last year was 85c. From the \$1.21 there will be a holdback equivalent to 11c for export price equalization, with any unused amount refunded at the end of the year.

■ Basis for the payment will be the volume of manufacturing milk and cream required for the Canadian market, approximately the amount for which subsidies were paid

to manufacturing milk and cream shippers in 1966-67.

■ After mid-May, when 1966-67 records are completed, each registered producer will be informed of the volume for which he will be eligible for subsidy in 1967-68. This will be based on the volume for which he received subsidy in 1966-67. The amount for the year will be broken down into monthly quotas, based on the normal percentage of milk and cream marketed each month. Those who received subsidy for less than 50,000 pounds (1,750 pounds butterfat) last year will be eligible for subsidy up to that amount this year.

■ This new program, in terms of price support and subsidies, represents an increase of 65c, or 1.6%, over the federal program for 1966-67. It is over a dollar, or 33%, higher than in 1965.

■ What's the new Dairy Commission doing to help improve the dairy industry? Quite a lot. And it's only the beginning.

HON. J. J. GREENE, MINISTER

Summerland's garden

By Rev. Frank Haskins,
Summerland Baptist Church

People driving around Summerland often get a lift from glimpses of flower gardens. What a humorum world this would be without the happiness and pleasure brought to us by gardeners! This is a season of the year when the attractiveness of local gardens reminds us that those who grow flowers for all and sundry to see as they pass by earn a hearty vote of thanks.

Orchards with their showing of spring blossoms and the numerous flower gardens make Okanagan communities places to delight and we should not be slow in thanking the Good Lord for the gifts of beauty.

Long-time Okanagan residents who recall the struggles to get the fruit industry out of the doldrums and who were present at the Summerland Centennial Concert no doubt got a thrill out of the song which unabashedly praised the Okanagan. Is it the mercenary age in which we live which makes people reluctant to praise community or country? Is our lack of thanksgiving for blessings due to the fact that we are all so skilled from an early age in the art of evaluation and criticism of everything so that doubts come before "faith, hope and love."

A beautiful garden is the place to visit to deepen faith in God and restore saner thinking in the issues of life.

A good garden requires patience and constant work. The successful fight against weeds and pests develops character. Dandelions and quack grass like sin in life are always ready to take over.

Gardens are mentioned frequently throughout the Bible. Jesus and his disciples went into a garden for meditation and prayer. It was in the Garden that the soldiers found Him to take Him prisoner after He had prayed to God: "Thy will be done." He had told his disciples, "Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak." Jesus' experience in the Garden teaches his followers to seek God's will for their lives even in times of suffering and trial. Christ revealed the source of spiritual power.

Margaret Arase honored at shower

School friends of Margaret Arase honoured her on Tuesday, May 16th with a surprise bridal shower. The shower was held at the home of Mrs. Ralph Blewett, with Miss Suzanne Blewett as hostess. Miss Arase's marriage to Mr. Roy Yamaoka will take place May 27 in Summerland.

The bride-to-be, and her mother were presented with lovely carnation corsages. After being seated in a decorated chair, the guest of honour was presented with a tastefully decorated box overflowing with gifts. Games were played, the winners of the games being Kathy Barkwill, Linda Charles, Jeanne Lepper and Betty Brown. Refreshments were then served, ending with a beautifully decorated shower cake.

Federal contribution approved for preparation of urban scheme

The purpose of the scheme is to revitalize the area and to provide an attractive lakeside setting for the downtown and civic centre complex.

Robert Williams and Associates, Town Planners in association with Watts Marketing Research Limited, both of Vancouver, will prepare the scheme which is expected to take nine months to complete at an estimated cost of \$19,325.

The contribution is made under a section of the National Housing Act which provides federal aid to municipalities

undertaking the preparation of an urban renewal scheme.

Approval of a \$9,662 federal contribution for the preparation of an urban renewal scheme in Kelowna was announced Friday by the Honorable John R. Nicholson, Minister responsible to Parliament for Central Mortgage and Housing Corporation.

The scheme will cover an area of approximately 200 acres adjacent to the central business district located on the lakefront.

MacDonald students to present Centennial display and program

The MacDonald School Senior Choir and divisions 1 and 2 are presenting a Centennial Program, "Canadian Heritage" at 8 p.m. on Friday, June 2.

According to Mrs. Roberge, Director, the generosity of the Summerland citizens has been fabulous. They called for items of historical interest and the response has been very good.

About eighty-five students will participate in various ways, all in proper costume.

Following the program by the students, the public will have an opportunity to view a large museum display of everything from clock to an old organ.

Growing Families need LOTS of HOT water . . .

Make your next addition a GAS water heater!

(at \$1.95 per month installed, it pays its own way)

Over 16,000 homes on Inland's system have added this little baby to their family. All of them will tell you that it's almost impossible to run out of hot water. The secret is that it can heat water faster than you can wash diapers, clothes, dishes or take baths. The nicest thing about it is that at \$1.95 per month installed, it can actually pay for itself in savings from other utility bills. Why not call your local Inland office fast — like a gas water heater.

Parents entertained at Trout Creek

(Held over from last week)
Grade six and seven pupils at Trout Creek School entertained their parents and guests at the school on Thursday afternoon. A large group of adults were entertained in the boys' gym club with a gym display and by the senior girls' choir. The grade six and seven girls served tea, coffee, and refreshments which were all prepared by the girls. Parents were enthusiastic about the event and many expressed their delight with the program.

Under the direction of Mrs. I. Luckhart, the girls' choir sang some seasonal songs including "Maria", "June is Busting Out All Over", "The Sound of Music", and "Scarlet Ribbons". The boys' gym club which has met each Friday after school since October concluded their year's activities with the display. The club is under the direction of R. McNabb. The agility of the boys and the confident way they performed their skills impressed everyone. The advanced work with the vaulting box drew remarks from many of the fathers.

The results of the school's new activity room were most evident to all those present. Mr. McNabb noted that this is the first year when a complete program could be undertaken in the activity room. It is certainly proving to be an asset to the school.

Wedding bells featured at shower for Linda Scott

Mrs. Lloyd Shanon and Mrs. Les Rumball were co-hostesses at a recent miscellaneous shower held at the Rumball home and honoring Miss Linda Scott, a bride-elect of July 8.

The bride-to-be was seated in a special chair, which was decorated with yellow and white streamers, and a white wedding bell. The gifts were presented in a yellow decorated basket.

After the gifts were opened, a dainty lunch was served, and the guest of honour was asked to cut a beautifully decorated cake, in the shape of four hearts.

Invited guests included: Mrs. dith Scott, Mrs. J. Newton, Mrs. T. Whitfield grandmother of the bride; Mrs. J. Hornby; Mrs. C. Wade; Mrs. T. McDonald; Mrs. R. Crawford; Mrs. Bud Watson; Mrs. T. Washington; Mrs. W. Wright; Mrs. H. Allison; Mrs. R. Chapman; Mrs. G. Laidlaw; Mrs. Ted Atkinson; Mrs. G. Washington; Mrs. Mel Ducommen; Mrs. C. Reinertson; Mrs. A. Walden; Mrs. R. Cornish; Mrs. W. Durick; Mrs. Viola Darke; Mrs. H. Shannon; Mrs. D. Campbell; Mrs. F. Steuart; Mrs. Ted Wilson; Mrs. R. Hardie; Mrs. J. Selinger; Mrs. F. Hunter; Mrs. R. Wright; Mrs. E. Wilson; Mrs. G. Hallquist; Mrs. Velma Feltham; Mrs. A. Dunsdon; Miss Maida Morrell; Mrs. E. Poole; Mrs. H. Hackman; Mrs. Ken Blagborne; Mrs. P. Louie; Mrs. J. Marshall and Mrs. H. Mitchell.

Summer rounds begin for Summerland Trail Riders

The Summerland Trail Riders had another busy weekend, on Sunday they attended the Enderby - Armstrong Horse show, and on Monday the Keremeos Rodeo.

Twelve Trail Riders went to Enderby with six participating. The competition was keen but the Trail Riders rode well and were victorious in many events. Linda Hardwick on Lita, won the Junior Aggregate for most points for class under 16 years of age. Madeline Moilliet was third on Tammy for points and Jill Pruden on Becky was fourth for points. Results were as follows:

Matched Pairs (Western) — 2. Alice Bye on Flicka; Linda Hardwick on Lita; 4. Madeline Moilliet on Tammy; Bev. Bye on Trixie;

Junior Stake Race — 1. Jill Pruden on Becky; Linda Hardwick on Lita; Madeline Moilliet on Tammy.

Senior stake race: 1. Gale Mielke on Di Apache; Alice Bye on Flicka; Bev Bye on Trixie;

Junior Pole Bending: 2. Jill Pruden on Becky; Linda Hardwick on Lita; Madeline Moilliet on Tammy;

Junior Barrel Race — 1. Jill Pruden on Becky; Linda Hardwick on Lita; Madeline Moilliet on Tammy;

Bev Bye on Flicka and Linda Hardwick on Lita placed in the Finals of Western Pleasure. Jill Pruden on Becky placed in finals in Junior Western Equitation.

At the end of the show Linda Hardwick was presented with the Aggregate Ribbon.

On Monday four Trail Riders participated in the Keremeos Rodeo. Mr. and Mrs. Letts rode in the parade, and Alice and Bev Bye participated in the Ladies Barrel Race.

Agatha Letts was presented with the Bank of Commerce Trophy for the Best Parade Horse.

Bev Bye placed third in Ladies Barrel Race riding Robot. On June 4 the Summerland Trail Riders will be taking in the Kelowna horse show.

Record sale of Rotary apples

The Summerland Rotary Club reported record apple sales this year.

Gordon Beggs, who is in charge of the project said this week they are all sold out after selling a total of 620 boxes. They were stored and handled by Chuck Bleasdale, another Rotarian, at B.C. Shippers Ltd. Beggs expressed gratitude towards the many who purchased the apples during the winter and spring.

Shower held for May bride

Mrs. Jim Mayne, Mrs. Len Shannon, and Mrs. Win Potter were co-hostesses at a bridal shower held at the home of the latter in honour of Miss Dawn Potter whose marriage to Mr. Allan Sears of Penticton took place May 12th.

After a few humorous games were played, gifts were presented to the bride-to-be, who was seated under a beautiful flower decorated umbrella. A dainty lunch was served, with a lovely bride's cake being presented with best wishes from all.

Invited guests included Mrs. D. Dunn, Mrs. R. Norris, Mrs. T. Dunsdon; Mrs. H. Dunsdon; Mrs. S. Dunsdon; Mrs. W. Laidlaw; Mrs. H. Schaeffer; Mrs. A. Gould; Mrs. G. Smith; Mrs. B. Brandon; Mrs. P. Charles; Misses: Judy Hockley; Wendy Toëvs; Margaret White;

Out-of-town guests were: Mrs. C. Sears; Mrs. W. Sears; Mrs. A. Metivier; Mrs. C. Agnew; Mrs. J. Nutal; Mrs. F. Gibson; Mrs. S. Cannings; Mrs. F. Trimble; Miss Barbara Nuttal; Miss Betty Cannings; Miss Colleen Trimble. Friends unable to attend but sending gifts — Mrs. K. Blagborne; Mrs. M. Elliot and Mrs. R. Bertram.

WORKING ON THE NEW TAX FORMULA

College Council reports on progress

(Editor's note: The Okanagan Regional College Council has commenced publication of a series of reports dealing with activities of the council and progress towards realization of the College. Here is the first of the reports.)

This is to let you know what is happening with your Okanagan Regional College. From time to time, we will send out the reports, so that interested citizens from Osoyoos in the south to Revelstoke in the north, will be aware of the current position of the College.

Steps are now being taken to evoke a new tax formula, to evaluate the site and to add new members to the Council. Bill 44, an Act to amend the Public Schools Act passed at the last session of the B. C. Legislature, makes provision for a broader representation on the Council. Education Minister Leslie Peterson is expected to make known new appointments shortly.

Members of the College Council at present include chairman Frank Venables of Oliver, a long time school trustee, and orchardist; C.L. Finch, Cawston, school trustee and orchardist; Dr. J. E. Miltmore, Summerland school trustee and research scientist; Charles Buckland, Kelowna school trustee, orchardist; F. J. Orme, Kelowna, superintendent of schools in School District No. 23; A. D. Green, Salmon Arm school trustee and postmaster; Dr. W. H. Letham, Salmon Arm, dentist, government appointee; D. J. McEwen, Grindrod, school trustee and dairyman; E. Dixon, Armstrong school trustee and Credit Union official; Oscar Domke, Revelstoke, school trustee and machine shop operator; A. C. Mickelson, Vernon school trustee and pharmacist; Mrs. Vera McCullough, Vernon, executive and government appointee; Norman Walker, Kelowna, pre-

sident of the College.

In addition to President Norman Walker, there are two College staff members. D. W. Ford is Administrative Assistant and William Partin is the Director of Applied Arts and Technology Programmes.

★ ★ ★

At present, there are only two, two-year colleges operating in British Columbia. One is Vancouver City College in Vancouver and the other is Selkirk College at Castlegar. Educators anticipate there will be at least five operating within the next ten years. Vancouver's North Shore has expressed the wish for a college, also Richmond, Surrey, Delta and Coquitlam municipalities in the Lower Mainland. In addition to this, nine Vancouver Island school districts have been given government authorization to hold plebiscites on a proposed regional college to be built just north of Nanaimo, also Prince George.

★ ★ ★

Byron Olson, architect and former coordinator for the Okanagan Regional College has been chosen to take part in the Yukon Alpine Centennial Expedition this summer. Mr. Olson, a wellknown mountaineer, is one of 60 climbers who will scale, in first ascents, unclimbed peaks in the St. Elias Range in the Yukon. Climbers from across Canada will form the 12 teams of four men each, and one with four women. Mr. Olson will climb Mount B. C., 10,200 feet, led by Ralph M. J. Hutchinson of Nanaimo. Other team members are Andrew Grust of Vancouver and Karl Winter of North Vancouver.

Administrative Assistant, Don W. Ford, was asked to address students at Penticton Secondary School, April 28 on objectives of the College. He has been invited to return and speak to students again on the

economics of higher education.

President Norman Walker addressed the professional engineers in Kamloops April 14 on the education of the engineer in the United Kingdom. On April 16 he addressed the Catholic Youth Deanery at Summerland. He told the young people why a college is necessary and what it will be like to "work" in a college. The "once and for all" idea of education is not good, he pointed out. He likened this view to the rocket being set off on a pre-determined course to arrive at a pre-determined destination, with no provision for refueling in flight and those that got off target were discounted. Walker reminded the group that college students had a responsibility along with their freedom and student demonstrations, such as those reported in the press at the coast recently, could not be considered responsible.

On May 18, Mr. Walker will address the year-end banquet of the Kamloops University Womens Club.

President Walker attended an invitational conference on the "Design and Preparation of a College" April 24 to 27 in Seattle, at the University of Washington. He also visited Washington's first comprehensive junior college at Everett, opened in 1958, when Dr. Frederick Giles was president. Dr. Giles is well known to residents of the Okanagan from his visits and attendance at meetings and seminars connected with the College.

Director of Applied Arts and Technology Programmes, William Partin, is looking into 80 occupation areas and doing analyses of occupations required in the Okanagan Valley. Among these are community services agriculture, hotel and motel administration. He is making contact with persons in these fields to get a picture

of what courses will fit student needs.

College Council meetings scheduled for May-June are: May 8, and June 12, 1967. Regular meetings of the executive council, information, finance and building committees have been held.

LET'S GET NEWSY . . .

Mr. and Mrs. H. S. Ward were here from Prince Rupert visiting Mr. and Mrs. Hubert Ward over the holiday.

Mr. and Mrs. A. K. Macleod of Trail were guests of Mrs. H. C. Whittaker. Also visiting Mrs. Whittaker were Mr. and Mrs. Neidermann of Duncan.

Farewell tea for Mrs. Hilda Steele

Mrs. Eric Soderquist was a hostess to a farewell tea given for Mrs. Hilda Steele Wednesday afternoon May 17 when a number of friends and neighbours met to wish Mrs. Steele happiness in her new home in Vernon.

A lovely lunch was served and a gift of a travelling bag was presented by Mrs. G. Benner.

Among the guests present were Mrs. Steele, Mrs. Edith Lawson, Mrs. Bertha Sivertson Mrs. Joyce Gould, Mrs. Verdetta Stanley, Mrs. Audrey Swick and Mrs. Grace Benner.

Mrs. Steele has sold her home to Mr. and Mrs. Carl Jenson of Benalto, Alberta who will take up residence here the first week in June.

Peachland volunteer firemen avert possible disastrous fire

PEACHLAND — The prompt turn out of the Peachland volunteer fire department at 3:45 a.m. averted what could have been a disastrous fire at the Trautman and Garraway Sawmill Sunday morning.

Damage was confined to a few stacks of lumber and part of the sawdust pile. What started this fire is not known, as the whole mill and boiler room was shut down for the holiday, and no exact estimate of loss is as yet available.

Plans made to complete Peachland Centennial project

PEACHLAND — Arrangements for celebrations to be held in conjunction with the visit of the Provincial Centennial Stage Coach on Saturday, June 10 were discussed at the Centennial Committee meeting.

Verna Oak, Lloyd Kraft and John Norman Pratt were appointed to arrange for all activities. Suggestions included a barbecue supper, an evening street dance on Beach Ave.

The stage coach will arrive at about 3 p.m. and six passengers can be accommodated for the trip into town.

The committee hopes to invite some of Peachland's Pioneers and their wives to be passengers—Mrs. W. D. Miller, Mr. and Mrs. Ferdie Brent, Mr. and Mrs. Tom Redstone and Archie Spence.

Official greetings will be on the Centennial Lakeside stage, with Reeve Thwaite, Centennial Queen Helga and Princess Lorraine extending the welcome.

J. G. Sanderson outlined the work still to be completed on the centennial project and a work party will be called to complete the project and seed a lawn before June.

Garry Topham will be in charge of entering a Peachland float in Centennial parades of neighbouring towns. The project will be under the direction of the Peachland Chamber of Commerce.

J. Norman Pratt was appointed to take charge of arrange-

ments for the Centennial Caravan scheduled to arrive Aug. 31.

Another Centennial Committee meeting will be held May 30 at 7:30 p.m. in the Municipal Hall, said chairman I. Jackson.

Peachland W. I. plan Fall Fair

PEACHLAND — The May meeting of the Peachland W.I. was held at the home of Mrs. C. C. Heighway.

Care of the cenotaph was discussed as Mr. H. F. Wilds, who has done this for many years has resigned; and names of possible replacements were suggested.

The Women's Institute Fall Fair trophy to be given as grand aggregate in Needlework was discussed, and Mrs. Domini was appointed to take charge of this. This year's winner will be given a centennial spoon.

The annual W.I. flower show was discussed. It will be a costume affair, to be held June 16 in the Athletic Hall. The usual trophy will be given as well as ribbons. An art show and white elephant table will be added attractions.

Plans will be finalized at the next meeting to be held June 9th at 2:30 p.m. at the home of Mrs. Wm. Selwyn.

Guest speaker was Mr. Alex Watt, District Horticulturist for Summerland-Peachland.

A black look for Summerland streets

The uptown area of Summerland is getting a black look these days—but in this case, it isn't a dirty look.

Asphalt crews have completed Main Street and Victoria Road and before they leave town, they will have a new surface on all connecting streets between Jubilee and S o l l y which includes Victoria, Henry and Kelly.

Some stores have taken to a paint brush to freshen up their fronts in one way or another. They are Summerland Hardware, Laidlaw's Men's Wear and Overwaitea.

PEACHLAND NEWS

PEACHLAND — Visitors at the home of Mr. and Mrs. G. Fallowfield recently were Mrs. Jean Svekla and Mr. R. Fallowfield from Edmonton; also Mrs. V. Hedberg from Jasper. Mr. E. Nordstrom is back from Penticton Hospital and convalescing at the Fallowfield home.

Mr. and Mrs. Frank Bradley are home again after a trip south. Mr. Bradley attended an irrigation course in Vancouver, while Mrs. Bradley visited her daughter and son-in-law and family Mr. and Mrs. D. Lohman at Mount Vernon, Wash.

Guests at the home of Mr. and Mrs. L. Mitchell in Trep-anier recently were three cou-

Auxiliary discusses Peachland carnival

PEACHLAND — At the May meeting of the Ladies Auxiliary to the Peachland branch of the Royal Canadian Legion the president Mrs. E. Chisholm thanked all who donated food for the V.E. Day social recently.

Tentative date of the annual Legion Carnival is July 14. It was decided to make the affair a costume occasion, and also suggested were side shops and novelty stalls. A committee of three was appointed to discuss carnival plans. They are Mrs. E. Chisholm, Mrs. A. Coldham and Mrs. J. R. Davies.

A donation was sent to the Penticton SPCA animal shelter. Mrs. E. Chisholm offered to pay for painting of the hall kitchen which was accepted with thanks. The auxiliary will meet again June 20, 2:30 p.m.

New Method helps determine timing for codling moth sprays

SUMMERLAND — Newer and more accurate methods have replaced the bait pan technique of trapping codling moths to determine timing of insecticide applications to control the pest, says Dr. H. F. Madsen, head of the entomology section of the CDA Research Station here.

The pans, baited with molasses or diamalt were a nuisance to maintain and this method of trapping was of doubtful accuracy because it tended to attract old moths who had completed egg laying.

The latest methods make use of traps that literally exude female "sex appeal" or ones utilizing ultraviolet rays (blacklight). Studies at Summerland have shown that either method is far more effective than the bait pan technique in attracting greater numbers of moths, including younger ones, Dr. Madsen reports.

Much more accurate information can be obtained by using either sex or blacklight traps, making it possible to time spraying operations more precisely.

Work with blacklight traps at Summerland showed them to be reliable and good indicators of codling moth activity. But they do have one failing—they attract many kinds of night flying insects and this means a daily job of sorting out the codling moths from the other insect species collected in the traps.

Development of the "sex" trap is an offshoot of studies by Dr. M. D. Proverbs, of the Summerland station, on the sterility method of controlling

the moth. These studies showed that male moths were attracted from a considerable distance by a scent emitted by the females.

Live female moths are being used in traps to provide the lure. On entering a trap, the females become snared on a sticky coating covering the interior surfaces. This method of trapping is very effective at all times throughout a season, Dr. Madsen says.

Although very effective results have been obtained with the use of live females, this practice has one hitch — colonies of codling moths must be maintained in laboratories to provide the females needed for the traps.

Dr. Madsen is hopeful this

Thirty ladies in two-ball foursome

Ladies day at the Golf Club saw approximately 30 ladies present. Winners of the two-ball foursome were Glennis Clark and Mima Laidlaw, the consolation winners were Margaret Bennest and Ethel McInnes.

The low net score was held by Ethel Hughes, and runners-up Maxine Johnson and Norma Lichtenwald tied. Qualifying rounds for the Rumball Cup were played, so please girls, get your games played-off as soon as possible.

problem may be solved in the not too distant future and he notes that scientists are now attempting to identify the chemical nature of the female scent as a stop toward production of an artificial sex lure.

Stage coach to visit Summerland Sunday, June II

The B.C. Centennial Committee Stage Coach will be in Summerland on Sunday, June 11 about noon.

The Summerland committee was notified of this late last week, and Mr. C. Anderson was here to make initial arrangements.

The stage will be driven by A. T. Buckman and he will have two riding "shotgun". The outfit will be transported from town to town by truck and left Victoria Monday on a tour that will end at Fort Steele, B.C. on June 22.

Howard Pruden is in charge of the Summerland visit. A complete program has not yet been outlined. They will be in Peachland on Saturday afternoon and evening where an "old time" function is planned for them.

LOVELY SETTING

We have a home with 1,200 sq. ft. of comfortable living area with a view of Okanagan Lake. It has 2 bedrooms, one of which is very large. Natural gas furnace, matching garage, well landscaped. This is a must see home. Exclusive.

AN INVESTMENT

Large level lot, fronting public access on sandy Crescent Beach in Summerland. This is an exceptional buy with an exceptional view of Okanagan Lake. All the advantages of living on the lake, including lower taxes. A good investment at 3,500 M.L.S.

Tickets: Adults \$1, students 50 cents; under 12, 35 cents; may be obtained at the door or from any member of the choir. 17c2

REMEMBER the Saturday night dance at the Summerland Yacht Club for members and guests—Saturday, June 10th. 17c1

Island areas to vote on College

A plebiscite seeking the approval in principle of electors in nine Vancouver Island school districts for the establishment of a regional college has been authorized by the Provincial Government, it was announced by the Hon. L. R. Peterson, Minister of Education.

Peterson said that the brief from the Vancouver Island Regional College Co-ordinating Committee requesting the plebiscite, which was received earlier this month, stated that the nine districts were in agreement that the college should be built at a site "adjacent to but north of Nanaimo."

Peachland Chamber of Commerce

Driver Bruce Hallquist, centre, navigated this car to first place at the opening stock car races held at the new Billy Foster Memorial Track, Westbank on Sunday. He stands proudly and thankful for his pit men Arnold Fenton, left and Joe Elliott.

Class Valedictorian and poet announced at S'land Secondary

The announcement was made this week of the choices for Class Valedictorian and Class Poet of the Summerland Secondary School's graduating class. Robin Agur, son of Mr. and Mrs. Don Agur of Summerland, has been chosen Valedictorian for the sixty pupils in the graduating group. Miss Robin Barkwill daughter of Mr and Mrs. Bill Barkwill of Summerland, has been chosen Class Poet.

The Commencement Exercises

will be held on Friday afternoon, May 26, in the Summerland Junior - Senior Secondary School auditorium. The guest speaker will be Mr. Norman Walker, Principal of the Okanagan Regional College.

Following the afternoon exercises, a smorgasbord supper will be held in the Secondary School gymnasium, followed by a dance in the evening to which graduates, their escorts and parents are invited.

The Corporation of The District of Summerland PUBLIC NOTICE

Re: ZONING BY-LAW NO. 1118

PUBLIC NOTICE is hereby given that a Public Hearing will be held in the Municipal Office, Summerland, B.C. at 7:00 p.m. on Tuesday, June 6th, 1967 on proposed By-Law number 1131 to consider the following amendments to the Zoning By-Law.

- (1) That Lot 2, District Lot 488, Map 3834, be rezoned from C-4 Intensive Tourist Commercial to C-5 Extensive Tourist Commercial.
- (2) Lot 2, Block 21, District Lot 455, Map 157, be rezoned RS-2 Residential Small Holding II to R-1 Single and Two Family Residential.
- (3) Lot 'B' (Amended) (except parts on Plans 11881, 15893 and 16903), District Lots 454 and 673, Map 366, from A-1 Agricultural to R-1 Single and Two Family Residential.

All persons whose property will be affected by such Zoning By-Laws may appear in person or by attorney or by Petition. A copy of proposed By-Law number 1131 may be seen at the Municipal Office, including Plans.

Dated at Summerland, B.C. this 23rd day of May, 1967.

G. D. Smith,
Municipal Clerk.
