

The Summerland Review

DEVOTED TO THE INTERESTS OF SUMMERLAND, PEACHLAND AND NARAMATA

Vol. 6, No. 29

SUMMERLAND, B.C., FEBRUARY 13, 1914.

Whole No. 289

Two By-Laws Endorsed

Telephone Franchise and K.V.R. Agreement Induce Slim Vote.

The ratepayers of Summerland cannot be commended for the interest which was displayed in the voting on Saturday last, when the Council laid two by-laws before the people for popular assent. It was regarded as a foregone conclusion that both measures would pass, and this feeling probably accounts for the fact that scarcely one-third of the electorate troubled to exercise their vote. Some opposition to the franchise of the Summerland Telephone Company that was mooted during the morning on the false ground that this concern was being granted free light as well as being allowed to obtain current from the municipal electrical plant for their batteries, did not materialize at the polls, and it is somewhat remarkable that one vote was the sum total of dissent recorded against the franchise. Almost as conclusive was the vote to ratify the agreement with the Kettle Valley Railway for the supply of water to the Peach Valley station, to which there were but eleven dissentients. Here are the details of the polls:

TELEPHONE FRANCHISE.

Total number voted	109
For the By-law	106
Against the By-law	1
Spoiled Ballots	2

K.V.R. AGREEMENT.

Total number voted	109
For the By-law	93
Against the By-law	11
Spoiled Ballots	5

The required three-fifths majority was thus forthcoming, and a considerable margin besides.

Special Council Meeting.

The Municipal Council held a special meeting on Monday morning at which the By-laws voted on Saturday were finally read and adopted. The Reeve and Clerk were also authorized to sign and seal the agreement with the K.V.R. whereby a loan of \$900 is obtained by hypothecating a thousand dollar debenture.

The irrigation, general water, domestic water and electric light rate were fixed for the current year at same figures as for 1913.

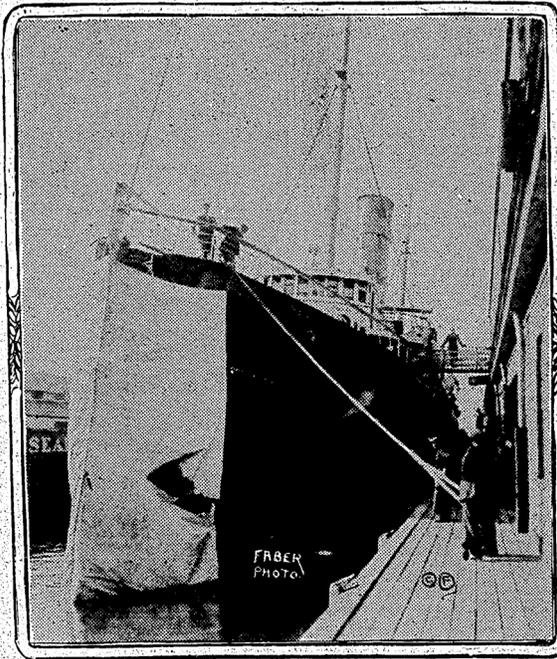

Messrs. Watson and McAlpine, representing the residents of Beach Avenue, entered a protest against the Council permitting the Okanagan Telephone Company to string any more wires on that street, and also requested that the Municipality protect the shade trees against mutilation by that company. They contended that the company should be required to run their wires by underground cable as had been required of the Summerland Telephone Company.

T. P. Thornber asked that an expenditure of \$75 to \$100 be authorized for the electric light plant. By an alteration costing not over this amount he said that increased power sufficient to supply 250 more lamps could be obtained. This was referred to the Public Works Committee.

TENT HOUSE FIRE.

The Review has received a letter from Mr. G. R. Hookham, adding graphic details of the escape of Messrs. Hamlin and Henry from their burning tent house, the narrative of which was published last week. The following extract will perhaps do more complete justice to the facts, and at the same time, as Mr. Hookham suggests, may clear up some false impressions: "Henry, on waking, found the tent full of smoke and flame. He called twice to Hamlin, whose bed he could not see, and getting no reply, made his escape thinking that Hamlin was not yet in the tent. When outside, he heard Hamlin call, and fought his way back to the door, which he managed to open, but was then driven back by the heat, the door slamming."

"Nantucket's" Bow, Canvas Patched After Impact.

The most serious sea disaster since the "Titanic" went down occurred when the Old Dominion Liner "Monroe" was sunk by the "Nantucket." As usual, it will be sought to fix the blame on some one; but in the end it will be the same old story. A great hue and cry will be raised that the rules are not strict enough, but the cry will gradually get so faint that in the end one will have to have an ear-trumpet to hear even a murmur of protest. However, departing from the commonplace we turn to the sublime. The following is the heroic end of the chief wireless operator, Ferdinand J. Kuehne: "He was standing by lifeboat No. 3, and was about to leave the sinking ship. He had a life preserver on. I saw him unfasten the preserver, place it about the waist of a woman, and, after seeing her safely away, miss his footing, and fall overboard. He swam for a while in the ice-cold water, but before we could reach him he sank. He gave his life for another, and perished nobly."

New Telephone Switchboard Arrives

Hope To Have All In Readiness In Two Weeks

Not only the telephone directors but all the prospective telephone users are breathing easier since the arrival of the long looked-for switchboard on Tuesday. The manufacturers' representative is also here, and most of the telephone instruments have arrived or are at Kelowna. The work of installing the new plant is now being rushed, and it is confidently hoped

that the central equipment will be in readiness in two weeks.

The piece of large cable which was needed to complete the line has also been received and put in place.

The work of running wires from the mains to the homes and offices and placing telephone instruments will be the chief occupation of Mr. Atkins and his staff, while the switchboard is being put in readiness.

School Board Meeting.

The regular monthly meeting of the School Board was held on Thursday of last week at 8 p.m., with all members present.

The Secretary submitted an estimate for 1914 totalling slightly over \$6000, which can be covered by a tax of 4 mills, this being the same as last year.

There was considerable discussion on the possibility of reducing the conveyance expenses after the summer holidays, and it is planned to hold a public meeting for the discussion of this question.

An order was drawn on the Municipality for the usual monthly accounts, and for payment for the asbestos covering of boiler and pipes in the Central totalling \$125.

Mr. J. R. Brown was a passenger to Enderby on Wednesday by the "Okanagan."

C. F. Garnott, manager of the Okanagan Jam Co., Ltd., leaves to-night on a business trip to England. Mr. Garnott expects to reach home again about the first of May.

"Let's grow!" is a motto good enough for the entire nation. Let's grow—bigger in purpose, braver, better, kinder—let's grow all through 1914!

TOURIST HOTEL COMPANY, LTD.

The above title is that of a local company to which certificate of incorporation has just been issued. The company was organized with Dr. Andrew and Messrs. Cordy, Huddleston, Mellor, and G. L. Parker as provisional directors, for the purpose of taking over the hotel property now under construction by C. H. Cordy.

The authorized capital of the company is \$25,000, in shares of \$100 each. Mr. Cordy, interviewed, stated that 90 shares were being issued for the present needs of the company.

The new hotel, which is now nearing completion, will, says Mr. Cordy, be one of the most comfortable and up-to-date hotels in the Valley. The Borton Plumbing and Heating Company are now installing a hot water heating system. Due provision has been made for enlargement of the building when the business requirements demand it.

The Women's Auxiliary of the Methodist Church Missionary Society held its monthly meeting yesterday afternoon at the residence of Mrs. A. McLachlan. Mrs. D. H. Watson was in the chair, and the subject for discussion was "Prayer and Missions." Afternoon tea was served before the ladies separated and a pleasant little social intercourse enjoyed.

One's best creditor is one's self.

Regular Meeting Of Mun. Council

Routine Business Occupies Afternoon.

Yesterday (Thursday) was the date for the regular monthly meeting of the Council. The checking and passing of accounts was the chief business of the session. In the absence of the Reeve, Coun. Stark presided, with Couns. Blair, Johnson and Simpson all about the board.

The Finance Committee having arranged for a loan from the Bank of Montreal against current revenue, current accounts as follows were passed for immediate payment:

Pay Roll	\$886.65
Trout Creek—Reservoir pipeline expenses	889.27
Crehan, Mouat & Co.	150.00
School Board	1079.45
Sundries accounts	866.78

Among the communications received was a request from John Tait asking for the removal of two cottonwood trees on the roadside near his house. This was left to the Board of Works with permission to remove. Mr. Tait also asked that the restriction against lawn sprinklers which was enforced last season be not again required, he declaring that lawns should have preference to water refrigerators.

Mrs. R. M. Ross asked that a road be built to a lot in Peach Valley.

Mr. R. Neve and Mr. Douglas-Hamilton each applied for domestic water service, and the letter asked for some guarantee that he would get a more satisfactory irrigation service.

Dr. Lipsett made a personal application for the remedying of the irrigation water overflow running on to the dairy property, and D. L. Sutherland asked for electric light. All these applications were referred to the Board of Works, and it is probable that all will receive due attention.

The constable's monthly report for January was received and filed.

The Medical Health Officer's report which had been received and filed early in the year was, upon request of Coun. Stark, placed before the new Council. The report condemned the use of the water of Eneas Creek by the few who are

The Need Of A Fire Brigade

Lessons Of The Fires.

That there is a real need of a well organized and volunteer fire brigade for the upper business portion of our municipality has been amply demonstrated of late. There is the water, plenty of it, with tremendous pressure, the hose and hydrant, and all that is needed is an efficient force to handle it. At the burning of the tents and stable, the large hose which is kept behind the Municipal Offices, was not used because no one, in the excitement of the moment, seemed to know exactly where to lay hands upon it, and yet it was there, in the open and within reach. At the fire which gutted Mr. G. M. S. Gordon's office, this hose, in inexperienced hands, could not be properly effective. Practice in fire drill is absolutely essential. Inexperienced hands directing and holding it at too short range, sent the stream of water clean through the building instead of into it. That such misuse of excellent material in time of stress should be so very regrettable. If owners of property would organize and get together as soon as possible among themselves a volunteer fire brigade, institute regular practice in drill, we would have an efficient and effective means of fighting the fire fiend whenever it threatened us.

Mr. and Mrs. George Ross crossed to Naramata this morning to pay a visit to the tunnel camp, one of the popular excursions of this spring.

using it for domestic purposes, and suggested that a standard be fixed to which septic tanks must be built, and that these tanks should be inspected regularly. A number are now pronounced faulty. The report also recommended regulations for dairies, which should be permitted to do business only under license. A number of other matters were mentioned in the report.

Some of the Councillors mentioned having received a number of complaints of the abattoir on Giant's Head, and the citizens asking that the Council take some action. This matter will be thoroughly looked into.

St. Stephen's Church

Special Activities.

The difficulties spoken of by the Rev. D. E. D. Robertson on Sunday morning last, being faced by St. Stephen's Church, the lack of sufficient working funds to maintain it properly, must be swept away by the followers of the Anglican Church here. These are many, and the services in the beautiful little church have for long been a greatly cherished part of their lives. To those who value their church, the church looks now in the crisis facing St. Stephen's, one of the most beautiful little English churches in the whole Okanagan Valley, and is a possession of which Summerland has been proud since its completion in 1910. Rev. D. E. D. Robertson preached a rousing sermon on Sunday morning, and characterized in no measured terms the laxity and indifference of those who, while admitted to the privileges of their church cared not sufficiently for it to see that it came first in the obligations of life, and was supported as it should be. The Rev. Robertson vigorously disapproved of the popular idea that funds for church purposes should be raised by means of bazaars or any such means, which were primarily personal amusements. He admonished those in the church to find the right conception of her, and to see to it that they revered her, and valued and cherished her ministrations as one of the first and best things in human life.

The first of a series of social evenings to be held in connection with the church was a great success in Campbell's Hall on Wednesday night. Members of the congregation came from near and far, and this plan to bring the congregation, which is scattered over a wide area, together on a social basis, promises to work excellently.

Rev. D. E. D. Robertson presided, and read a letter of good wishes from Rev. H. A. Solly, who was unable to be present. The program of entertainment was well arranged. Mrs. H. J. Collas, and Mr. W. S. Kent gave piano solos, and Mr. W. H. Milligan vocal solos, while a recitation by Mrs. Robertson was warmly applauded. Mr. Spraggon of the Bank of Montreal proved a remarkably clever conjurer, and his display of sleight of hand was the feature of the program.

The ladies provided very dainty light refreshments and excellent coffee, and altogether the evening proved thoroughly enjoyable.

Rev. D. E. D. Robertson took the opportunity of explaining the financial situation of the church, and pointed out the urgent necessity that existed for wiping out the present debt of \$246, and also for guaranteeing a regular monthly income which would adequately provide for the church.

Pledge cards have been printed and these were distributed by the churchwardens, and the Finance Committee hope that what is asked for will be forthcoming.

The church's needs are so modest that it seems scarcely possible that this special appeal will not be at once heartily answered—sixty-four more members to subscribe 50c. weekly. This payment promptly kept up is all that is asked, with the small debt of \$246 to be wiped off, and no future arrears.

It should be mentioned that the piano just purchased through the exertions of the ladies of the congregation for the church was used for the first time on Wednesday night.

On account of the health of Rev. R. W. Lee no service will be held in the Prairie Valley Schoolhouse on Sunday next, but Mr. Lee hopes to preach there the following Sunday, Feb. 22nd.

Methodist Church services will be held on Sunday as follows: 10.30 Methodist Church, conducted by the pastor, Rev. R. W. Lee; 7 p.m. St. Andrew's Church. Rev. R. W. Lee will give an address on Winston Churchill's "The Inside of the Cup." This book has created quite a sensation in religious and social circles. It has been widely read and discussed, and is certainly the finest work yet written by this brilliant author. A duet will be sung by Miss Grace Logie and Mr. G. Fisher.

Suffragettes In U.S.A. Suffer a Chill.

The above photograph shows a number of the band of women who journeyed to Washington to enlist President Wilson's influence on behalf of their cause. The suffragettes were very indignant when only a few were admitted to an audience with the President. They expressed their feelings in such a pronounced manner that the President ordered that all of the women be admitted. After hearing their presentation President Wilson gave the women very slim encouragement, and based his failure to do so on the ground that he could not speak for his party until the party had taken a position in the matter. Mrs. Glendower Evans of Boston, who led the delegation said, "I thought from what you said at Seagate, when you were a candidate for president, that you were in favor of our cause, but you were gunning for votes then." So chilled were some of these women by the President's rather frigid reception, that when departing, many passing him in single file refused to take his proffered hand.

PUBLISHED BY THE REVIEW PRINTING & PUBLISHING COMPANY LIMITED.
RALPH E. WHITE, MANAGING DIRECTOR

SUBSCRIPTION RATES: \$2.00 PER YEAR, IN ADVANCE. SIX MONTHS \$1.00.

Advertising Rates:

LEGAL NOTICES.—Twelve Cents per line for the first insertion: Eight Cents per line for each subsequent insertion.

LAND NOTICES.—\$7.00 for 60 days, \$5.00 for 30 days.

WATER NOTICES.—80 days, 150 words and under, \$8.00; each additional 50 words, \$1.00.

THEATRICAL, ETC.—50c. per inch for first insertion, and 25c per inch each subsequent insertion.

LOCAL NOTICES or Readers, Immediately following regular locals, 20c per counted line; 10c per line each subsequent insertion. Half these rates when accompanying display advertisements.

LODGE NOTICES, Etc., 25c. per week, per column inch.

FOR SALE Advertisements, Etc., 2c. per word first week; 1c. per word each subsequent week.

Transient Advertisements payable in advance.
Rates for Contract Advertisements furnished on application.
Copy for change of contract advertising must be in the hands of the printer not later than Wednesday noon to insure publication in the next issue.

In accordance with schedule of prices adopted throughout the valley, charges for advertising are now being made weekly. Heretofore when five issues were made in one month the result was a loss. By the new method customers are charged each week for just the amount of space used.

FRIDAY, FEBRUARY 13, 1914.

REDISTRIBUTION.

DETAILS of the decadal redistribution of representation in the federal Parliament were made public this week. The province of Quebec has a stationary representation of sixty-five, and by dividing this number into the population of the province as revealed by each succeeding census, a unit is derived which determines roughly the size of every constituency in the country. From the census figures of 1911, this unit of representation has been fixed at 30,819. This number is not adhered to arbitrarily, for it is considered that the population of the rural districts being more stable than that of the city centres, the country constituencies can justifiably be made smaller.

In the next House the number of members for each province, with the gain or loss, will be as follows:

Province	No. of Members	Gain	Loss
British Columbia	13	6	
Alberta	12	7	
Saskatchewan	16	11	
Manitoba	15	5	
Ontario	82		4
Quebec	65		
Maritime Provinces	31		4

The total membership of the new House will thus be 234. How the redistribution works out to the benefit of the West is apparent. The work of defining the bounds of the new electoral ridings is delegated to a committee of seven, four members of the government benches and three from the opposition.

A COPY of the new bill pertaining to municipalities which has been introduced at Victoria, and is now being debated upon, has come to the editorial desk. It is a rather voluminous document, covering nearly 200 pages, and its passage through the house will no doubt be watched with closest attention by all interested in municipal matters. Some very radical changes in municipal law are proposed, a few only of which can now be enumerated, and include: The establishment of a Government Municipal Department, having supervision of the issue of civic debentures; the appointment of an inspector of municipalities; Police Magistrates, Police and License Commissioners in municipal districts to be appointed by the Lieutenant-Governor in Council; prohibiting the cancellation of tax sales after one year; municipalities may only enter into the public utility field by permission of the Lieutenant-Governor in Council; municipal affairs may be managed by Board of Control at option of electors.

READ THIS and be convinced that the year 1913 was not the dismal one for Canada that some pessimists assert. Canadian exports to Great Britain increased to the worth of forty-four million dollars, while imports from Great Britain were eleven millions greater. Exports to the United States increased by forty and a quarter millions, with imports from that country twenty-four millions greater than 1912. The total trade value for the entire year was well over the thousand million mark.

OUR SISTER TOWNSHIP at the foot of the lake is seeking special legislation at Victoria, whereby its civic dignity may be elevated to that of a city. This step would serve the useful double purpose of proclaiming progress to the world, and also—by no means the less of the two considerations—it may provide a possible solution for some pressing problems of municipal finance.

Mr. G. A. McWilliams came in on Thursday night.

There has been some re-arrangement of the basketball schedule. A game will be played to-night in the College Gymnasium, and on Monday night in the Men's Club, and another next Thursday in the College Gymnasium.

On Wednesday night in the Methodist Church Rev. R. W. Lee will deliver a lecture on the "Indians of the Pacific Coast and Northern Interior." This lecture will be illustrated by over 100 excellent lantern views. An offering will be taken in aid of the funds of the Missionary Society. Chair to be taken at 7.45.

A team from the Summerland Hockey Club played the Kelowna team on the latter's rink on Thursday. The match was keenly contested throughout, but the ice was exceedingly poor. There was no score. If the weather turns sufficiently cold it is hoped to have a return match here some time next week.

All those having keys in the Supply Company's Sewing Machine Key Competition will kindly bring or send them all in on Saturday, Feb. 14, as besides the possibility of one of them being the winning key, they need them to start the next competition on Monday morning, which will be for a Drop Head Singer Sewing Machine as well as five supplementary prizes.

There will be a public temperance meeting in the Presbyterian Church at eight o'clock next Friday evening, the 20th inst., under the auspices of the W.C.T.U. The speakers will be Rev. C. H. Daly and Dr. E. W. Sawyer. Mr. Daly will speak on the effect of local option laws on business. Dr. Sawyer will talk on the subject of woman's suffrage. Attractive music will be furnished by some of our best local talent. An offering will be received in aid of W.C.T.U. work. We hope all who are interested in the well being of the community will make an effort to be present.

Meeting of Liberal - Conservative Association.

The annual meeting of the Summerland Liberal-Conservative Association was held in Campbell's Hall on Monday night, Mr. J. A. Kirk in the chair. The Secretary's brief report of the past year's work of the association was duly read and adopted, as was also the report of the Treasurer.

Mr. Cordy gave an interesting account of the proceedings of the annual Convention of the British Columbia Liberal - Conservative Association recently held in Victoria, and it was moved by Messrs. Hespeler and Young, that "This meeting strongly endorses the action taken and the resolution brought in by Mr. Cordy at that convention, in which the Provincial Government was urged to take action insuring compulsory connection between the different telephone companies in the province." The resolution was carried and it was also decided to send a copy of it to Sir Richard McBride with a request that he will do all he can to secure legislation along the suggested lines.

It was then moved by Messrs. Cordy and Hespeler and carried, "That this meeting rightly appreciated the action taken by the Hon. Martin Burrell to secure assistance for agricultural and horticultural pursuit."

Mr. Kirk gave an interesting and instructive outline of the origin of the Liberal-Conservative party and of the national policy with a brief sketch of Canadian politics from 1854 to the present day.

The election of officers for the ensuing year resulted as follows:

Patrons, Hon. R. L. Borden, Sir Richard McBride, Hon. Martin Burrell, Hon. Price Ellison.

Hon. Presidents, Messrs. J. M. Robinson, C. H. Cordy, H. Sutherland, H. C. Mellor, Dr. F. W. Andrew.

President, J. A. Kirk.

First Vice-President, E. R. Simpson.

Second Vice-President, S. M. Young.

Secretary, C. H. Cordy.

Treasurer, A. B. Elliott.

Executive, Messrs. D. H. Watson, W. C. W. Fosbery.

R. V. Agur, R. H. English.

Auditor, W. C. W. Fosbery.

It was moved by Messrs. Young and Agur that the Secretary should suggest the appointment of the following commissioners to take affidavits of those applying to be placed on the voters' list: Messrs. Fosbery, Haddrell, J. E. Phinney, T. B. Young, C. N. Borton.

A vote of thanks was accorded Mr. C. H. Cordy for attending the convention at Victoria.

"5,000 FACTS ABOUT CANADA."

Do you know Canada? A novel and unique mine of information is found in the popular booklet, "5,000 Facts About Canada," just issued for 1914, and compiled by Frank Yeigh, the well-known statistical authority on things Canadian. This new edition shows a marked advance over previous issues in an increase of new data, a handsome cover, a revised map, and improved paper. The publication contains all the essential facts of Canada's progress in a year, under such chapter heads as Agriculture, Area, Banking, Census, Mining, Manufacturing, Trade, etc., while striking tables of comparisons present a measuring rod of our national development. Its wide circulation is easily understood when its value is realized, for it presents the Dominion in a nutshell, a ready reference encyclopedia of facts and figures. It may be had by sending 25 cents to The Canadian Facts Publishing Co., 588 Huron St., Toronto, or from news dealers.

STATE OF TRADE.

World-wide onging in money. Commercial paper heavily bought. Securities stronger after partial reaction. Spring buying in evidence, but conservatism noted. Too mild for retail trade and coal consumption. Textiles displayed most activity. Unemployment less. Clearings on large. Failures heavy.—Bradstreet's, N.Y.

Ice is being cut this week at the Muntelap Reservoir, and many teams, both private and heavy are busy gathering the ice harvest, which until recently seemed a very doubtful quantity.

To Grade B.C. Fruit Cleser

Pack To Be Kept Higher Grade Than Act Demands.

Fruit grading rules, which will provide for stiffer requirements in connection with the packing of fruit than are specified in the Act have been decided upon for the provincial packing schools, following a conference at Vernon between provincial horticulturist R. M. Winslow and his staff of seven instructors.

It was proposed that the fruit packed in British Columbia shall be as far ahead of the standard set in the Act as it is possible to achieve, and in this way the pack will compete even more favorably than at present with the imported article. This applies particularly to apples, which form the staple variety of fruit produced in the province. Every effort is to be made through the packing schools and in the fruit exchanges operated in connection with the central selling agency to obtain better grading and packing in British Columbia.

The provincial department is encouraging the use of the American apple box among orchardists in the province because of the fact that this box is more compact than the Canadian one, presents probably a better appearance in that it is shorter but stouter, and is better shaped for the packing of apples and for handling in shipment.

New Railways

C.N.R. Gets Another Guarantee from B.C.

That this year will see great activity in building in British Columbia in addition to the completion of the Grand Trunk Pacific and Canadian Northern is foreshadowed by the announcement that the government will in a few days introduce in the legislature bills to guarantee at the rate of four and a half per cent. the interest on \$35,000 per mile for the construction of four important branch lines for the Canadian Northern. These will be from Victoria to Saanich Inlet, 30 miles, from Kamloops into the Okanagan, from New Westminster to Stevenson, 10 miles, and from New Westminster to Vancouver, 10 miles.

There is a possibility that arrangements may be made for the building of a Canadian Northern branch from Vernon to Arrow Lakes looking to ultimate connection with Calgary, which would give the Canadian Northern an alternative route through the mountains.

SUMMERLAND SKATING CLUB CARNIVAL.

A swift and rather thick fall of snow somewhat marred the perfect enjoyment of the skaters who on Tuesday night attended the carnival at the Summerland Skating Club Rink. However, as fast as the snow fell it was cleared by an army of wielders of the useful broom, so the fun was fighting the snow while others skated. Brilliant light from the 2,000 candle power lamps illuminated a very gay scene, for the masquerade costumes were exceedingly pretty and picturesque.

There were no prizes awarded, but among several ladies whose costumes were particularly admired were Miss Madge Thomson, who was a dainty figure in bright scarlet, Miss Cartwright, who made a charming "Queen of Hearts," and Miss Higgin whose Butterfly dress was exceedingly effective.

CEMENT MILLS BEING CLOSED.

It is announced by the Canada Cement Company that, owing to the dullness of business, they have decided to close down four of their plants for the balance of the year 1914, or until further notice. The plants affected are those at Marlbank, Ont., Lakofold, Ont., Shallow Lake, Ont., and Calgary, Alta.

The Okanagan District Sundry School Convention meets at Armstrong on March 10 and 11. Previous to this, meetings will be held in various centres. It is expected that the Provincial Secretary and two ladies, heads of departments of Sundry School work, will hold meetings here on March 3. Further particulars will be published later.

OUR NARAMATA SECTION

Everything of Business and Social Importance
Transpiring in South Okanagan's Newest Town

Peachland Notes.

The work of ballasting the newly laid railway track north from Pentiction is progressing rapidly and with the completion of the camp creek bridge and the clearing of the deep cut immediately north of this point the track laying will be resumed.

The piano recently purchased by the Ladies' Aid Society for the use of church services is proving an acquisition not only in the Sunday School but in the various gatherings in the basement. Where would you find a town of the age of Naramata where you will find so early "in the game" the wherewithal or the progressiveness that is not content with anything short of the best? The ladies are certainly worthy of commendation. And yet, the men are debating whether to let women vote or not!

SYNOPSIS OF COAL MINING REGULATIONS.

COAL MINING RIGHTS of the Dominion, in Manitoba, Saskatchewan, and Alberta, the Yukon Territory, the North-West Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 per acre. Not more than 2,560 acres will be leased to one applicant. Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year. The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre. For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
N.B.—Unauthorized publication of this advertisement will not be paid for.

Current Events — OF — Town & District

Mr. Howard Rounds of Kelowna spent the week-end at the parental home.

Miss Bessie Mitchell of Pentiction spent the last week or ten days at her home here.

Miss McLellan of Okanagan Falls spent the week-end here as the guest of Miss Mitchell.

Rev. D. E. D. Robertson of Summerland conducted the usual monthly Anglican church service at three o'clock on Sunday afternoon.

The Masquerade Ball elsewhere advertised is the big event that promises to draw a record crowd to Hotel Naramata this, Friday, evening.

Miss Vera Roe met with a painful accident last Friday evening while coasting resulting in a sprained ankle which caused considerable inconvenience for several days.

Mr. F. H. Rounds has purchased a new force pump to use in spraying operations in the early spring. This doubtless will prove welcome news to those who were beginning to fear that there would be no one to undertake this branch of orchard work on the large scale. Mr. Rounds expects to be assisted by his son, Howard, who has decided to quit office work for a season at least.

The natural advantages of Naramata have been very greatly enhanced at least in the eyes of the juvenile portion of the community by the natural open air rink in the bay over near the saw mill site. A regular reef of sawdust affords protection from the waves in the lake's angry spells, thus leaving a quiet smooth sheet of solid ice about seventy-five yards long and fifteen or twenty yards wide.

Literary Society talk is that there promises to be some "talking" at the debate next Monday night. Better set the date in your hat and tie a string round the little finger rather than forget the date, February 16th, at eight o'clock. And say—this is no joke—if you expect a seat come early. Don't ask who's going to debate and what are they going to debate about. Just come—bring a dime—and join the merry crowd yourself and get into the game. Next Monday night.

J. Lawler of Summerland was in town on Wednesday arranging for the Fruit Union meeting which was held this morning in the church basement. The purpose of the meeting was to give Mr. Robertson, Manager of the Central Selling Agency an opportunity to explain the working of the system of selling which was so enthusiastically endorsed a year ago, and which is at present being given so many hard, if in effectual, knocks. An account of the meeting has, necessarily, to be held over till next week.

The church services on Sunday were of more than passing interest. In addition to the regular quarterly sacrament there was a special appeal made by Rev. R. M. Thompson of Pentiction for financial aid for the promotion of the foreign missionary movement. An interesting part of the service was the reading of the baptismal service in the case of the infant child of Mr. and Mrs. J. Russell Wells. It might be noticed that this is the first time in the history of the local church that this sacrament has been administered.

Resolved: That the present capitalistic idea is wrong, and should be superseded by the socialistic. That is the wording of the topic for debate in the basement of the church on Monday evening. The affirmative is led by H. J. Wells and Postmaster Bartlett. The negative will be supported also by A. B. Richardson and T. H. Booth. It is safe to predict that there will be no vacant seats at five minutes to eight, and no seats are reserved for the late comers. Hence (no joke) "Come early and avoid the rush."

LETTER TO THE EDITOR.

The Columns of THE REVIEW are open to the public for the discussion of matters of general interest. No notice can be taken of anonymous communications. Letters intended for insertion must be authenticated by the name and address of the writer, not necessarily for publication. The opinions of correspondents are not necessarily those of the Review.

Naramata, B.C.,
Feb. 12th, 1914.
The Editor, Summerland Review.

Dear Sir,
The Okanagan Lake Boat Co. take pleasure in acquainting the public through the medium of your paper with the fact that an amicable settlement has been made with the Canadian Pacific Rly. Co. in connection with the damage sustained by the "Skookum" in the collision of Nov. 4th last.

Negotiations began about a month ago when Claims Agent James Black of Vancouver and Capt. Gore of Nelson called upon the officers of the Okanagan Lake Boat Co. at Naramata for the purpose of discussing the matter.

It gives the Okanagan Lake Boat Co. pleasure to state that throughout the entire controversy the officials of the railway company acted in a spirit of fairness and consideration, and that the settlement agreed upon was entirely satisfactory to ourselves.

We regret that in an article appearing in your last issue an impression was given that nothing had been allowed for the claims made by Capt. F. J. Languedoc and P. S. Roe. This is not the case, as their personal claims were also settled satisfactorily.

The agreement as to the settlement was reached about three weeks ago, and the amounts allowed have since been paid. We are particularly glad to state that the railway company's present attitude towards us is of the most friendly nature.

OKANAGAN LAKE BOAT CO.

Mrs. Burnett was a visitor to Pentiction on Wednesday.

C. G. Griffin of Kelowna was in town on Tuesday on a trip of inspection.

Dr. F. W. Andrew of Summerland made a number of professional visits to Naramata this week.

Miss Orca Williams has accepted a position as teacher in Fernie, B.C., and left on Thursday morning's boat to report for duty at an early date.

Mrs. James Wells is seriously ill at her son's home in town. The doctor pronounces it a case of nervous prostration, and orders a period of rest.

Adam Schmidt, formerly the Syndica barber, was in town on Tuesday, accompanied by Mrs. Grassie and daughter, Miss Grassie of Pentiction.

Miss Jessie Duncan, a tonorial artist of wide experience has been engaged by the Syndica Hotel, entering upon her duties on Wednesday morning.

Mrs. Pushman, after a pleasant holiday extending over three weeks spent at Vancouver, as the guest of Mrs. Harkness, returned on Thursday evening's boat.

Robt. King of Pentiction, a former Naramata, was in town on Wednesday on business. Mr. King expresses himself as being well pleased with his move south.

No coasting accidents of any grave consequences have as yet occurred. One young lady had an ankle slightly sprained in an upset. It is hoped that there may be nothing occur to dampen the ardor or lessen the pleasure of the merry crowds that nightly assemble for the sport.

Mr. Harold Mitchell made a trip by cutter to Okanagan Falls this week, going down on Wednesday and returning next day. On this return trip he was accompanied by Miss Charlie M'Lellan, who is up here as a guest of Miss Mitchell, and will be a member of to-night's merry dancers at the Unity Club Ball.

An auspicious event of considerable local interest is the announcement of the birth of a son and heir on Monday evening, February 9th, to Mr. and Mrs. Carrol C. Atkins, at Rakadome Ranch. The name of the child has already been decided upon which will be John Somerset, in honor of a grandfather.

B.C. Apples Again Win Important Awards.

Hon. J. H. Turner, Agent-General in London for B.C., cabled Sir Richard McBride on the 14th November that the biggest awards offered had been won by British Columbia, in open competition at Sheffield and Edinburgh, for display of apples.

Mr. Cunningham, B.C. Fruit Inspector, states that B.C. apples are in big demand, and that 100 carloads could have been sold now, had they been obtainable.

The United States fruit growers filled the orders. B.C. fruit growers and prospective fruit growers, act promptly, and enlarge your orchard plans.

We can supply you with all kinds of fruit tree stock to suit the special climatic conditions of each district.

Our prices for fruit tree stock this year are cheaper by nearly one-half, than heretofore offered to B.C. fruit growers, viz., \$8 to \$12 per 100; all grown in our own province, such as Jonathan, Spitzenberg, Baldwin, Northern Spy, and more than 20 other choice varieties.

Patronize home production, and make our province the fruit granary of the West.

Don't forget the beautifying of your home plot. In our stock of over \$100,000 we can meet the most cultured and aesthetic taste, to make home environments a centre of beauty. Evergreen stock, shade trees, roses, flowering shrubbery, bulbs, flowering plants etc. Catalogues mailed free on application.

Holly for Hedges, up to 12 inches, \$20 per 100; Privet, 2 1/2 ins., \$30 per 1,000; Laurel, 2 to 2 1/2 ins., \$20 to \$30 per 100.

"A Sportsman's Paradise." That's what you sometimes hear quoted about British Columbia. Yes, and of Naramata, too. Would you not think there was something in the phrase when almost any morning great flocks of wild ducks can be seen at full sight and in easy range from the wharf. Yet who pays attention other than to admire the ease with which they skim away upon the approach of a vessel which might bear a passing enemy?

P. S. Roe, manager of the Okanagan Lake Boat Co., was a passenger to Kelowna on Tuesday in order to check up progress in course of the re-construction of the "Skookum." Mr. Roe appears to think that it is highly probable that the boat will be ready for the water at a date much within the prescribed time. This will be welcome news to those of us who, without complaining of the excellent service maintained this winter, yet prefer to travel on the "Skookum."

The federal estimates include an item of \$30,000 for a public building at Kelowna, presumably a post office.

Dodging hard facts never brought success to the dodger.

The Johnson-Richardson Co. Limited, Montreal

Mr. John Thorne's mother came in on Wednesday evening to pay him a visit.

A great many of our townspeople are on the sick list at present suffering from severe colds.

Mrs. C. W. Whyte came in from Calgary on Tuesday evening of this week, and is the guest of Mr. and Mrs. Thos. Powell.

On Saturday evening Mrs. Vivian, who has been for some time in Vancouver, returned to town and is the guest of relatives here.

Mrs. T. J. McAlpine, who had been the guest of Mrs. S. Murdin for a few days, returned to her home in Summerland on Wednesday.

Mrs. Harrington and son returned on Thursday morning from Summerland where they had been guests of Prof. Harrington for a couple of weeks. They were accompanied by Miss Dorothy Harrington, who came to assist with her violin at the Scotch Concert on Friday evening.

Mr. and Mrs. A. E. Young came in on Friday evening from Caron, Sask., where they had been married only a short time before. Mrs. Young's maiden name was Miss Ethel Elliott, and she came recently from London, England. They are now comfortably settled on their fruit lot here, where we wish for them a long and happy life.

Those who were unable from various causes to attend the Scotch Concert on Friday evening missed a rare treat. Dr. Buchanan, who was unable to be present at the beginning, and his place was taken by Mr. W. A. Lang, who made it his business to call the Dr. up as soon as he entered. The good old songs of Scotland lost none of their sweetness even when issued from Canadian throats, as was shown by the hearty applause which greeted each. Miss Wheeler of Pittsburg, a guest in town, assisted with some excellent piano music, while Miss Dorothy Harrington is always assured of a genuine welcome when she appears in Peachland with her violin. To Mrs. E. Lang the untiring accompanist, is due a great deal of the success of the concert.

The Women's Institute held its second regular meeting of the year on Tuesday afternoon. A demonstration on setting the table for dinner, and serving the same, was given, in the English way, by Mrs. Clarence, and in the Canadian way by Mrs. R. J. Hogg. A very interesting talk on books was given by Rev. A. Henderson, for which a vote of thanks was given him by the Institute, which then adjourned. At the March meeting Mrs. Buchanan will talk about dust and its dangers. Mesdames Brown and White will give "the best methods of spring cleaning," and Mrs. A. W. Miller will demonstrate "tea-making," giving a sample of the same. The addition of some music to the program is a decided improvement, and we would also like to intimate to the ladies the importance of speaking so that they may be heard in back seats.

Basketball Match

Pentiction v. Town.

An event of the season was the challenge match played at Pentiction on Tuesday night between the team there and our local club. Great interest was evidenced by the number of spectators who went down by road and lake. Many drove or rode, and a large party filled the "Rowena," which was run on a special trip, and there were several fair visitors representing the Ladies Basketball Club who acknowledge having "a delightful time." The game was a very fine one, and our team put up an excellent fight as was proved by the tie at half time. Swift close play marked the second half, and Pentiction's win by the score 14-13 was not a brilliant victory for them, but just a close run for honors.

At the close of play the Pentiction team entertained the visiting team and the ladies who had gone to cheer them on, to an abundant and well-served supper at the Imperial Cafe. The return on the ferry, just before midnight, in fast falling snow, over a lake as smooth as glass was a record for lake traffic in mid-February, for it was so warm and mild that as many as possible sat out in the open front of the boat and thoroughly enjoyed the trip.

The city of Dayton, Ohio, now has a city manager who receives a salary of \$12,000 per year.

McWILLIAMS' PHARMACY

Noticed the Difference?

There was a time when the product of the GARNETT VALLEY MILL was not of the Best.

There's a Difference Now.

Home-made Building Material as good as the imported article is being turned out at the local mill.

Prove This for Self.

Passing Events: Social, Personal, &c.

Mr. A. H. Steven spent Monday in Kelowna on business.

Get your Valentine's at McWilliams' Pharmacy.

Mr. and Mrs. J. R. Conway arrived on Monday night from Vernon to attend the funeral of Mr. Conway's father on Tuesday. They returned on Thursday.

Miss Gladys Rivington, sister of Mr. Harold Rivington, arrived on Wednesday night from Sansalito, San Francisco, and will spend a few weeks with Mr. and Mrs. Rivington at Halcyon Orchard.

Remember the date of Mr. S. L. Taube's visit to the Summerland Drug Store on Tuesday, February 17th, and if there is anything wrong with your eyesight do not fail to consult him.

James Clark was a passenger to the Landing on Monday, returning to his work there after spending Sunday here with his family.

The pink blush of early and timid peach blossom has come this week. Some fine and healthy twigs were cut in Captain Languedoc's orchard, and after being in the house in water for a few hours blossomed beautifully.

The condition of James Hamling, who was seriously injured in last week's fire, is pronounced very satisfactory. The most serious burn is on his left hand, but there is hope that he may be able to have the full use of that member.

Mrs. Le Grys has been spending a very enjoyable time during the last few weeks as the guest of Mr. and Mrs. H. Tomlin. She returned on Monday's boat to Salmon Arm. Mrs. Le Grys will shortly be returning to the Old Country.

Secretary Tait of the Farmers' Institute would like to have the names of any who are ready to take pruning lessons from an expert who will be sent here by the Department of Agriculture under the same plan that packing instructors have been furnished.

But for the fact that the owner was in his tent at the time, another fire would have occurred on Sunday last. Robert Milne had started a fire in his tent-house, and shortly after the canvas near the stove pipe was ablaze. The fire, however, was quickly extinguished.

Quite a pretty feature of social life this week will be the giving of two or three St. Valentine parties for the juveniles to-morrow. Among tiny hostesses will be Miss Isabel Zimmerman, and several babies, and grown-ups, have received from her charming little invitations daintily decorated with Cupids and hearts and flowers.

Rev. C. H. Daly's evening sermon last Sunday was a sketch of the life of the late Lord Strathcona and Mount Royal, one of the greatest of Scotch Canadians. Mr. Daly sought to indicate some of the traits that brought the High Commissioner to his eminence.

Mr. Jackman, who was sent out of the town some time since as an undesirable member of our community, by order of our local magistrate, has been around again this week annoying local residents with threatening talk of "proceedings for defamation of character".

Mr. Dow, a local trapper, has been down from the mountains for a short spell and had an interesting story to tell of conditions at the Summit, some thirty-five miles back. He reports three feet of snow and a temperature of 40 below zero, while there is an abundance of wild furred animals, especially mountain lions, out and about this year.

A passenger on Monday's boat for Vernon was Mr. G. M. S. Gordon.

Rev. C. H. Daly drove down to Penticton on Wednesday morning returning later in the day.

Mr. W. C. Kelley progresses slowly along the road to recovery, and is able to attend to business for a short while each day.

Presbyterian services will be held in St. Andrew's Church next Sunday morning, and in the Methodist Church in the evening. Mrs. D. L. Sutherland will sing at the latter service.

Mr. Walthers, Packing School Instructor, has just closed with one of the most successful schools he has ever conducted. He had eighteen pupils, and was well pleased with the proficiency shown.

Mrs. W. J. Robinson with her two children spent Monday at Naramata with Mrs. Languedoc. Mr. Robinson, who accompanied her, paid a business visit to his nephews, and lunched at the Hotel Naramata.

Miss Annie Dale, who has been seriously ill with severe tonsillitis, is now, we are glad to say, recovering. By an unfortunate coincidence her sister-in-law, Mrs. Thomas Dale, has also been suffering from quinsy.

Parents desirous of having their children admitted into the First Primer Classes of the Public School are requested to send them on or before the 23rd of February, as none can be admitted between that date and midsummer.

Mr. A. G. Simms of the Provincial Horticultural Department made one of the party of tourists who went on the British Columbia excursion from Oregon to California recently. Mr. Simms reports a delightful tour in the land of roses.

Canoeing on the lake in the second week in February is truly a record. On Monday afternoon under a clear blue sky, and on the mirror-like surface of a still and silver lake, one or two were out in their frail vessels thoroughly enjoying this summer pastime.

Mrs. Reynolds Harrington returned to Peachland last Saturday morning. She was accompanied by her son and Miss Dorothy Harrington. Miss Harrington assisted in the services in the Baptist Church there on Sunday with her violin. She returned here on Monday evening.

A novel method of snow traveling has been indulged in this week by Messrs. Eric and Athol Agur, which has caused much interest. Together on ski's they traversed the distance between Balcom and the Flat behind a fine swift horse, which they guided by the ordinary lines, in an incredibly short time. It is capital sport, but attended with some element of risk.

Professor J. H. Montgomery, who came from North Dakota last fall to assume the Housemastership and the chair of Science on the faculty of Okanagan College, has relinquished his position, and left for the Coast on Monday morning's boat. The College boys turned out in force on Monday morning to give a hearty send-off to their popular Housemaster when he left on the "Okanagan".

A representative committee from the churches met in the vestry of St. Andrew's Church last Friday evening and made preliminary arrangements for the Layman's Missionary Movement Banquet which is to be held on the evening of Thursday the 26th. A sub-committee was appointed to work out the details. The banquet will be held in the Men's Club. The following leaders in this great movement are expected to make addresses—Robert Laird, Secretary of the Board of Finance of the Presbyterian Church, David M. Rose, Secretary of the Layman's Missionary Movement in the Church of England, and Rev. C. E. Manning, Secretary of Home Missionary Work in the Methodist Church.

SHILOH CURE FOR COUGHS & COLDS

James Ritchie left on Thursday morning's boat for a business trip to several prairie points.

Mr. S. Angove left on Saturday morning's boat for Vancouver on a short business trip.

The household effects of Mr. S. Begg, who has bought the Ed. Garnett property near Trout Creek, came in to town on Monday night.

Mr. and Mrs. W. Arnett and young Miss Hilda returned last week-end from an extended visit to the prairie capital.

The son who was born to Mrs. G. M. S. Gordon on January 23rd at Toronto, has, we regret to learn, only survived his birth three days.

The Ladies' Hospital Auxiliary are holding a meeting on Tuesday next, February 17th, at three o'clock at the residence of Mrs. R. M. Ross. All ladies, whether members or not are asked to attend.

Eighty-five per cent. of headaches are caused through eye strain, so if you are troubled that way do not fail to consult Mr. S. L. Taube at the Summerland Drug Company, on Tuesday, February 17th.

Dr. Everett W. Sawyer returned on Saturday night from Regina where he has been attending the Baptist Convention. He reports one of the most interesting meetings which have been held for many years.

A beautiful rendering of "One Sweetly Solemn Thought" was given by Mrs. George Ross at Sunday evening's service at the Methodist Church. Ambrose's sacred song is an old favorite with many, who much appreciated hearing it so well interpreted.

The Farmers' Institute purpose holding a meeting at an early date to discuss the question of top grafting. It is hoped to be able to decide on a certain limited number of varieties, to which trees at present producing the less marketable apples may be grafted.

The W.C.T.U. will meet in the parlor of the Men's Club on Tuesday afternoon, the 17th inst., at three o'clock, in observance of Frances Willard Day. There will be a program suited to the occasion, and a welcome for all. The usual offering for world missions will be taken at the meeting.

Mr. W. H. Hayes met with a most unpleasant accident on Wednesday night. As he was taking his horse to its stable the animal kicked out and its hoof struck Mr. Hayes on the right cheek, knocking him down. His face is badly bruised, and it is indeed fortunate that Mr. Hayes' eye escaped injury by a very narrow margin.

A forecast for the future concerning the ideal state of the church and of church membership was well put before a crowded congregation by Rev. R. W. Lee in the Methodist Church on Sunday night. Mr. Lee's ideas and arguments on this paramount subject of our day were clear cut and thoughtful, and the subject appealed strongly to his hearers.

A possible successor to Rev. F. W. Pattison in the pastorate of the Summerland Baptist Church, has been found in the person of Rev. Arthur McNaughton, M.A., B.D., now of Newhaven, Conn. Mr. McNaughton is a native of Ontario, and is at present completing work at the Yale School of Divinity to attain the degree of Ph.D. At the mid-week meeting of the church on Wednesday evening next, the advisability of extending a definite call to Mr. McNaughton will be considered. He has already signified his willingness to consider such.

The rules and regulations governing the Parcels Post have been received at the local office. The rates for the service were given in our last issue. Provision is made for insuring the packages, the cost being 5 cents for each \$25 value or part thereof. The conditions governing this must be closely adhered to, and the package must be marked as insured with the amount paid and receipt taken for the package. The manner of wrapping and addressing all packages is specified. All packages with fragile contents must be plainly marked "fragile with care," and perishable goods marked "perishable." None of our fruit growers who have been spoken to seem to have decided just how much use can be made of the new service in the delivery of packages of fruit to the distant consumer.

DEATH OF MR. JAS. CONWAY.

The news of the death of Mr. James Conway on Monday morning was heard with regret by the many friends of the family in Summerland, while it was felt that the end had come to long suffering. Mr. Conway's illness has been a long and painful one, and he has been bed-ridden since last July, and quite unconscious during the last few days.

The late Mr. Conway, who was 69 years of age, was born in Brussels, Ontario, and has been resident in Summerland for some years, having come here from Crystal City, Manitoba. He leaves to mourn his loss, a widow, three daughters, Mrs. W. R. Shields, and the Misses Mae and Myrtle Conway, and one son, Mr. J. R. Conway, who is now living in Vernon.

A number of friends of the family attended the funeral which took place on Tuesday afternoon. Rev. R. W. Lee conducted a short service at the house and afterward the brief and impressive ceremony at the graveside in the cemetery at Peach Orchard.

A beautiful wreath of flowers with sympathetic inscription attached was sent by the recently formed Myrtle Rebekah Lodge 32.

NOTICE

The Summerland Pure Bred Live Stock Association beg to announce that their Holstein and Berkshire are now at Thos. Dale's stables, and the Duroc-Jersey at the Lakeside Stock Farm. Terms Cash.

H. BRISTOW, Secretary.

 will be started at an early date.

Joint Meeting Of Growers' Societies.

Meagre Attendance To Receive Reports Of Delegates.

There was a very small attendance at the joint meeting of the Farmers' Institute, Fruit Growers' Association and Agricultural Society, held in the Men's Club on Tuesday evening.

For a time there was a disposition to adjourn until a larger number were assembled, but there seemed to be no other open date, and believing that all were duly notified of the meeting the business was taken up, this being principally the receiving of the reports of delegates to Victoria.

H. C. Mellor for the Agricultural Society said that the principal duty of their convention was the fixing of the Fair dates. The Summerland Show will be held on Oct. 29th and 30th. There was a proposition put forward that local fairs be dispensed with, and that displays be given at various prairie points instead. This, however, was turned down. Both the Premier and the Minister of Agriculture in addressing the delegates had expressed the opinion that the government should nurse the local fairs as being of much educational value, and in some cases being the only opportunity for social intercourse for a whole community. Hon. Price Ellison had urged that the shows be made more general, particularly that apple shows include the local live stock even if not as good as shown elsewhere.

Mr. Mellor spoke of his visit to Salmon Arm, where he inquired into the working of the Union and co-operative store there, and also of his interviewing wholesale fruit merchants at Vancouver, and of their friendly attitude toward Okanagan fruit. The Coast market would be of much greater value after the opening of the new railway.

John Tait of the Farmers' Institute gave a review of the development and growth of that organization which is a large and influential one, covering nearly all the agricultural districts of the province. Of the thirteen resolutions submitted from Summerland eight were put up by the committee, and all were sustained. Mr. Tait mentioned a number of interesting addresses, most of which have been or will be published in detail.

In the absence of D. H. Watson, representing the Fruit Growers' Association, Mr. G. J. C. White gave an interesting account of the annual meeting of that organization and something of what it has accomplished for the fruit grower. To this organization most of the credit is due for reduction in freight rates, improvement in service, etc. The association hopes to soon be able to announce completion of arrangements for the handling of earload lots of fruit by express, but at a rate somewhere between freight and express tariffs.

The value of the Australian market was considered, and every effort will be made to cater to the requirements of that market. Eighty-five per cent. of the fruit shipped there from the Pacific Coast is now grown in Washington or Oregon. There is yet a possibility of reciprocity helping B. C. and further the barring of fruit from infected districts, in which Australia is very particular, may be a further benefit to this province. That extensive arrangements may be made for the marketing of B. C. fruit through prairie agricultural organizations seems probable.

Mr. White said that statistics pointed to large crops for 1914 almost everywhere. He gave a very interesting summary of an address given by Mr. H. C. Sampson of the North Pacific Fruit Distributors, who spoke of the power of organization, and Mr. White's narrative of the experience of a Mr. Sawyer, an extensive fruit grower in Washington, was even more interesting. This man had fifty acres in Bartlett Pears, and fifty acres in apples, besides a dairy and vegetable business. He said he made most of his money by fruit, the rest being merely adjuncts. Mr. Sawyer's experience with blight, manner of planting and cultivation, intercropping, and irrigating were all listened to with interest.

The regular monthly meeting of the Women's Institute will be held on February 20th, at three o'clock, in the Men's Club. The subject, "First Aid," by Dr. Andrew. If any of the ladies have clippings on household hints kindly bring them to the meeting. Bring pencil and paper.

College Notes.

Dr. Sawyer has returned from attending the Baptist Convention of Western Canada recently held at Regina.

The exams are keeping affairs about the place, other than studying, a little quiet. The joint meeting of the Y.W. and Y.M.C.A. has been postponed for this week. Dr. Harrington is to address the meeting next Tuesday.

The basketball game in the Town Gymnasium between the College and Town was, with the exception of the first few minutes of play, very good basketball. Early in the game the referee found it necessary to order a couple of players off the floor for mixing a little too freely. The remainder of the game was an exhibition of good, fast basketball which we hope will continue to be played. The score was 18-13 in favor of the College. The next game will be in the College Gymnasium on Friday, Feb. 13th.

Professor Montgomery found it necessary to leave at the close of the first term. He left on Monday morning's boat. The students in residence in Ritchie Hall will especially miss him as he had become much liked by all. Before leaving he was presented with a handsome set of military brushes by the boys in residence. A number of students were down to the boat and gave the College yell.

W. M. Armstrong will go to Penticton next week-end to conduct the Baptist Church services at that place and at Kaleden.

MANAGER ROBERTSON Meets With Growers In South End Of Valley.

Mr. R. Robertson of the Okanagan United Growers Ltd. passed through Summerland on Thursday morning on his way south. Mr. Robertson held a very successful meeting in Peachland on Wednesday when about seventy growers were present.

For the first time Mr. Robertson was able to announce averages of sales. All the apples, including 60 cars of No. 3's, were sold at an average of \$1.09 1/2, not including brokerage charges.

Mr. J. L. Vicary, President of the Peachland Association, said that last season was the first time that Peachland had been able to sell all its crops, No. 3's being heretofore largely left on their hands. The price for No. 1 tomatoes averaged 78¢.

Mr. Robertson addressed the growers at Penticton on Thursday night, and at Naramata this morning, and is in Summerland this afternoon, giving details of the season's work to a large and appreciative audience.

CHURCH NOTICES.

St. Stephen's Church (Anglican).—Holy Communion every Sunday at 8 a.m.; also at noon, after matins, every first Sunday in month. Matins 11 a.m.; evensong 7 p.m. each Sunday. Rev. H. A. Solly, B.A., Rector. Rev. D. E. D. Robertson, Curate.

Methodist Church. Services: Morning, every Sunday at 10.30. Sunday School at 11.30. Evening, fortnightly at 7, alternating with West Summerland.—Rev. R. W. Lee, Pastor.

Baptist Church.—At West Summerland every Sunday at 10.30 a.m., Sunday School at 11.45. At the Lakefront Church 3.30 p.m., Sunday School at 2.15.

Presbyterian Church Services: St. Andrew's Church, West Summerland, every Sunday morning, 10.30, Sunday School, 11.30 a.m. Evening, fortnightly at 7 p.m., alternating with the Methodist Church. Rev. C. H. Daly, Pastor.

Presbyterian adherents in good force participated in the social afternoon and evening on Tuesday last, when Mr. and Mrs. G. W. McLaren and Miss Maud McLaren were host and hostesses at their home, "Sunnybrae," Jones Flat. In the afternoon a number of ladies enjoyed tea and a social hour, and in the evening young people to the number of about forty gathered and were happily entertained with music and other social diversions until nearly midnight. The gathering was organized by the Ladies' Aid of the Presbyterian Church.

Sunnybrae Hill was the scene of a delightful bobbing party on Wednesday evening, when a number of Miss McLaren's friends met to shoot its snowy slants and curves. Later tea was served to the ruffled ones, followed by music; the guests then dispersing, every one expressive of their appreciation of the good time which is invariably associated with Sunnybrae and its fair hostess.

The public recital which was to have been given by the students of the Music Department of the College, yesterday evening, the 12th inst., in the College Gymnasium, has had to suffer an indefinite postponement. Indisposition on the part of several who were to have contributed to the program necessitated this step. Announcement will be made later of the new date decided upon.

The freezing of the water in the heating system of the Central School caused some damage there on Sunday. It is said that there was no fire in the furnace either on Saturday or Sunday and that windows were also open, with the result that there was damage from the freezing of a number of the radiators and in the toilet rooms. Harry McLeod went out on Monday morning's boat on the way to his parents' home in Chilliwack.
