

New ditch assures extra water supply

The Crescent Creek Conversion plan was started on Wednesday of this week with heavy equipment owned by Dobbins Construction of Westbank moving into the Crescent Creek area to start bulldozing the ditch.

When completed the new ditch will carry all the water from Crescent Creek which is presently peaking, into the storage area.

First dams to fill will be number four and the water will then go on to fill No. three and No. one dams.

Cost of the project is estimated between \$4,000 to \$5,000 and will take about ten days to complete. Councillor W. B. Powell spearheaded the move. He said "We can scrape by this year but the water storage dams

will possibly be so badly depleted there will be nothing left for next year." The ditch will be big enough to carry all the water from Crescent Creek, which is taking the over flow from Crescent Dam, which is topping now so the need for fast action was stressed by Powell.

Council moved the project be started at once and works superintendent Blagbourne placed a call to the Dobbins Company which set the machinery in gear for the May 22 start. The ditch will be two miles long.

Blagbourne commented the company would work straight through the weekend to put the ditch in operation as soon as possible. The Crescent Creek will fill the entire storage area.

Restrictions for domestic and irrigation users

Sprinkling regulations went into effect on Wednesday using the alphabet system. The regulations appear elsewhere in this issue. Trout Creek Point, which was not included last year, is also on curtailed sprinkling.

Council is also digging out and enforcing a by-law which limits a grower to 6 gallons of water per minute per acre. Council will also stipulate that growers use only three 1/8 inch nozzles per acre at not more than 30 pounds pressure. A recent official release from Dr. J. Wilcox, Summerland Research Station, stated that 30 pounds pressure is correct for tree fruits. Works Superintendent Ken Blagbourne was asked to enforce these rules.

MRS. LEKEI PASSES

Mrs. Katherine Likei, 68 years of age, formerly of West Summerland, passed away in Vancouver May 15, 1963. She leaves to mourn her loss her loving husband, Jacob, two sons John Bernhardt of England; Charles Bernhardt of West Summerland, and two daughters Mary, Mrs. C. McKibbon of Prince George; Ester, Mrs. J. Richer also of Prince George; 12 grandchildren and four step-sons and one step-daughter, Adam, West Summerland; Art, Calgary; Jack, West Summerland; Mrs. Mary Felker, West Summerland and Bill of 100 Mile House.

Funeral services for the late Mrs. Katherine Likei were conducted from Parkdale Baptist Church, West Summerland, Saturday, May 18 at 2:30 p.m. Rev. F.W. Haskins officiating. Interment Peach Orchard cemetery.

Reeve Norman Holmes reported more than 400 people went through the new Fire Hall building on Saturday. He congratulated the volunteer fire department and the municipal crew for getting the building and grounds into such good order in a short time.

The rezoning by-law including the L. A. Smith Five Corners property and the Robin Wright property was given a final reading at Tuesday's meeting.

The municipal road oiling program went into gear on Wednesday with oil to go on most of the dusty roads in the district.

The problem of special permits granted to persons wishing to build homes along the Summerland storage dams was brought up at the meeting by Councillor Walter Powell. Many cabins are now lining the dam areas and council is concerned with pollution of the dam water. The matter will be given further study.

Orchardists in the interior of British Columbia have reason to suspect wild plants for causing some of the tree diseases they are fighting.

T.B. Lott of the Summerland federal research station, says the virus which leads to twisted leaf in sweet cherry and ring pox in apricot is native to chokecherry which grows wild in the dry interior.

There are also strong indications the Western X-Disease in peach and sweet cherry in the southern Okanagan Valley have been due to virus from antelope hush rather than chokecherry. The virus, which causes Lambert mottle in sweet cherry, has been transmitted experimentally to wild rose.

AL BIRTLES RUNNING IN HAWAII

Summerland boy may soon run four minute mile

Al Birtles, son of Mr. and Mrs. Walter Birtles of West Summerland has made a name for himself in Canadian basketball circles and is now going on to great honors on the track. Al is studying Physical Education at the University of Hawaii where he is in his final year.

The following report is from the Vancouver Sun.

It may come as a surprise to many, but former Summerland basketball star Al Birtles could become this country's first sub four minute miler.

Al Birtles, who was nicknamed "The Stork" when his long skinny legs adorned basketball courts in B.C., recently ran a 4:01.5 mile for the University of Hawaii.

A native of Summerland and a veteran of Canada's 1960 Olympic basketball team, Birtles turned to running two years ago and his improvement has been amazing.

Former English distance runner Stan Hattie, who has been coaching Birtles, is equally enthused about the progress made by the quiet 6'5", 200-pounder.

"If you take a look at the graph of Birtles for the mile, you can see by the steady drop that he can not only run a four-minute mile but could go lower. The sky's the limit," Hattie says.

Birtles came to Hawaii three

years ago on a basketball scholarship and has led the team in scoring each season.

GROWERS CONCERNED OVER SUGAR PRICES

Growing concern over the high price of sugar for use in commercial and home canning is being felt by the fruit growing industry. A local cannery manager told the Review that on May 17 the cost of sugar to canners was \$15.85 per 100 pound weight and it is rising almost daily. A check in local retailers finds that the cost to the home consumer is just under \$20 per 100 pound weight.

The cannery official went to say that on the basis of the May 17 price, depending on the type of syrup used, each can of fruit packed will be upped at least two cents, which in the consumer picture will make quite a rise in the price of fruit by the case.

B.C. Tree Fruits, when contacted by the Review said they had no solution to offer for the sugar situation.

The general consensus of opinion seems to be that the present price, sugar for canning purposes may be beyond the means of the average Canadian housewife, thus cutting down seriously the amount of fruit that will be marketed.

Since the price jump doesn't

Swim pool gets good reception

Recreation Commission chairman Fred Schumann, told the Commission at its monthly meeting that the idea of a Centennial Swimming Pool has been very favorably received by this district.

He suggested if the Commission could acquire land for the pool this would be the beginning of the scheme, encouraging further concrete action by the municipality as a whole.

He told the Commission further that if the project plan is completed in the near future and submitted to the Centennial Committee the pool cost could be 2/3 covered by government grants. The Commission has received letters from Prince Rupert and Ocean Falls, who both have municipally operated pools. Prince Rupert told the Summerland group that in the three years they have had the pool, many young people have been trained and they sent a

swimmer to the Pan American games this year.

Ocean Falls indicated they have now entered swimmers in both the Pan American and the Olympic games this year.

Mr. Schumann also commented on the area known as the Farm Beach at Trout Creek indicating the potential of the area and expressing hope the municipality would consider its development.

Mrs. R. D. White, secretary, reported on the Kelowna tennis clinic. She also told the meeting that coaching of junior tennis players starts at the Powell Beach and Peach Orchard courts under Pierre Landry.

Mrs. White also said a swimming course, held in conjunction with the Red Cross will be held at Camp Kopje June 17 to 22. Details of the course and application forms are available from Mrs. White.

PTA ELECTS GEORGE RYMAN

The annual meeting of the Trout Creek Point PTA elected George Ryman as president for the 1963-1964 term. Mr. Ryman takes over the office from Dr. J.E. Miltimore who remains on the executive as a director. G. E. Woolliams was unanimously elected as honorary president. Elected vice president was Mrs. G. Wardle; secretary, Ray McNabb; and treasurer, Mrs. G. Ramussen. Named as directors were Dr. D.L. MacIntosh, Mrs. A. Bombardier, Mrs. H. Hackman, Mrs. M. Aoki, Mrs. K. Carter, Dr. J.E. Miltimore, Mrs. M.D. Proverbs, and J. Cooke.

Ray McNabb of the teaching staff announced that Mrs. H. McLarty who has been honorary president for the past year has donated a proficiency trophy to the school. The PTA will purchase two more trophies for proficiency to be awarded at the school's awards day in June.

Mrs. W. Cockell and her committee are presently working on the school's sports day to be held Friday afternoon, June 7.

A very interesting program was presented by Dr. D.L. MacIntosh. The program consisted of various modern teaching aids used in the schools. Machines demonstrated by the school staff included a tape recorder, an opaque projector, a slide projector, a film strip projector, and a movie projector. Austin Raham demonstrated the cyclo-teacher and showed a series of slides on its use. A. Shipton, a teacher from O'Connell School in Penticton, gave an absorbing demonstration of the tachistoscope and the controlled reader, two machines being used widely to develop better reading skills.

seem to be peaking (Summerland canners paid \$7.30 per 100 lbs. last year) it would seem that some concrete action must be taken. Local grocers say that they can't keep sugar on the shelves, everyone seems to be stockpiling it against future price rises.

The rapid increase in sugar prices is blamed on a world shortage and growing demand.

Police court

An attempt to pass another car put two men into the Summerland General Hospital early Tuesday morning.

A car driven by Richard C. Landerman of Kelowna was travelling north on Highway 97 about 11 1/2 miles north of West Summerland. Landerman pulled out to pass two cars in front. At the same instant, the middle car pulled out to pass the lead car putting Landerman's vehicle out of control.

The 1962 Rambler went into the ditch on the left side of the road and was totally demolished.

Both the driver and his passenger, Gary Taylor Cottle of Renticton were brought into the hospital for treatment. Landerman was released the following day after treatment for minor cuts and bruises.

Gary Cottle was flown to Seattle where he will undergo treatment for a serious back injury. His parents live in that city.

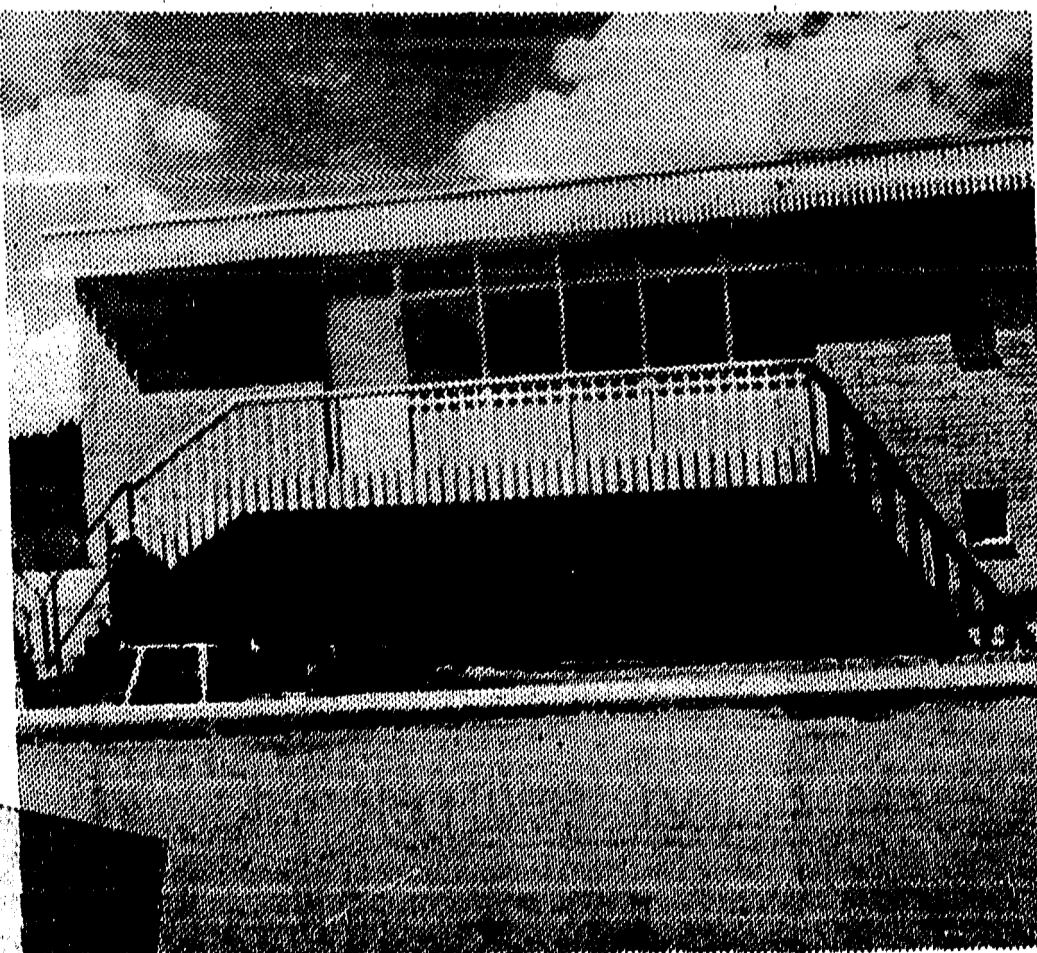

On May 17, a Kelowna man Gordon Webster, 22, died when his car was in collision with a vehicle driven by John E. Thorlakson of Kelowna. Both Thorlakson and his passenger Miss Elaine Ireland were wearing seat belts at the time and suffered only superficial cuts to their faces. The accident occurred one mile south of Peachland.

The Robert Yamabe home situated on Garnett Valley road, was entered sometime on the evening of May 18 and an undetermined amount of cash was taken. Entry was gained through an unlocked basement door.

RCMP have a pair of children's grey plastic glasses which were picked up in the water in Powell Beach. These glasses can be claimed at the office.

COMMENCEMENT EXERCISES FRIDAY

Fifty-seven students from the Summerland Secondary School will take part in the graduation exercises Friday at 2 p.m. Mr. Kenneth Caple, a former principal here, will be the guest speaker.

The new fire hall was opened Saturday afternoon by Ed Gould, Summerland's first fire chief. More than 400 toured the building during Lilac Day.

WOMEN'S PAGE

Comings and Goings

Miss Helen Farrow, who has been practicing teaching in Summerland and staying at the home of Miss Ruth Dale, has returned to her home in Cranbrook.

Mrs. B. E. Nesbitt of Clinton, spent the holiday weekend with Miss Ruth Dale.

Mrs. S. Gutteridge, Mrs. M. Farally and Mrs. M. Nolan, were at Blaine, Washington, Sunday.

Mrs. Hans Moors has received word from Capt. J. E. Jenkinson who is at present in London, England, that he will be going on to Paris and the Mediterranean, and then to Scotland.

Mr. and Mrs. Ron McBryde of Wenatchee, Washington were weekend visitors of Mr. and Mrs. Alex Inch.

Mrs. Robert Tracy of Powell River is visiting with the C. V. G. Morgan family at Trout Creek.

Mrs. Winifred Campbell of Vancouver was the guest of Mrs. H. E. Anderson over the weekend.

Miss Helen Hardy of Vancouver is visiting her sister and brother-in-law, Mr. and Mrs. Art Crooks.

Signalman Jerry Hunt and his wife Frances and daughter, Jennifer visited his mother Mrs. Louise Hunt over the weekend.

Mr. and Mrs. Gavin Paterson left Tuesday morning for Langley, Nanaimo and other points west to visit friends and relatives.

Mrs. T. D. Grant and children of Vancouver are visiting Mrs. Grant's parents, Mr. and Mrs. Harry McKee. Mr. Grant will drive in for the weekend and the family will drive back together next week.

Seventeen couples from Summerland attended the Rotary District Conference in Kamloops over the weekend. They were: Mr. and Mrs. H. Wilson, Mr. and Mrs. G. C. Johnston, Mr. and Mrs. Leslie Rumball, Mr. and Mrs. Cecil Wade, Mr. and Mrs. Dave McGinnis, Mr. and Mrs. W. H. B. Munn, Mr. and Mrs. Chuck Bleasdale, Mr. and Mrs. Gordon Beggs, Mr. and Mrs. Len Weist, Mr. and Mrs. Earle Wilson, Mr. and Mrs. G. D. Smith, Mr. and Mrs. Don Agur, Mr. and Mrs. Roy Angus, Mr. and Mrs. Walter M. Wright, Mr. and Mrs. Frances Stewart, Mr. and Mrs. F. E. Atkinson, Mr. and Mrs. Keith Marten.

Miss Carole Fisk of Vancouver and Charles Leinor of Nanaimo spent the weekend at the home of Mr. and Mrs. Ray Leinor.

Mrs. E. Hookham and Miss Ruth Dale were hostesses at a coffee party for the WI and friends at the home of Mrs. Hookham on Thursday morning.

Mrs. Eric Smith is visiting her parents in Victoria this week.

WI HEARS REPORT ON CONVENTION

A long-play record of the national anthems of twenty-two countries formed the program presented by the citizenship convener, Mrs. Vera Barrs, at the Women's Institute meeting Friday afternoon. Before playing the record Mrs. Barrs gave a short explanation of each anthem. Mrs. S. A. MacDonald thanked Mrs. Barrs for her interesting program.

During the business meeting, letters of thanks were read from the Solarium and the Children's Hospital for used stamps sent last month.

Cash donations were made to the Salvation Army and for the upkeep of the Adelaide Hoodless Homestead.

Mrs. H. C. Whitaker was named local convener for the Canadian Mosaic, which will be made up in one book for each province. Mrs. V. B. Robinson, of Penticton is District convener.

The annual District conference which was held at Penticton on May 6 was attended by 10 members from Summerland. Mrs. V. Barrs, delegate, gave a very interesting report of the day's proceedings, telling of many projects and new and novel means of making money to carry on the work. Resolutions passed by the Conference asked for changes in the divorce laws, lower butter prices, the stamping of pork products, control of drug addiction as used in England and not using productive farm land for highway construction.

There were 112 women present including delegates from the 18 Institutes in the South Okanagan and Similkameen District.

Officers elected for the coming year are: President, Mrs. W. S. Rothwell, Summerland; Vice president, Mrs. V. Travis, Kelowna; Secretary-Treasurer Mrs. J. Caljouw, Rutland; Board members, Mrs. T. Wharton, Princeton and Mrs. G. Shaw, Winfield.

Next year's conference will be held at Princeton.

The president, Mrs. A. Inch announced that the first coffee party of the season would be held at the home of Mrs. E. Hookham on Tuesday morning May 21, between 10 and 11:30 and members and friends are invited.

Tea was served by Miss Ruth Dale, Mrs. G. Ritchie, Mrs. H. Whitaker and Mrs. H. Ward.

The next meeting will be held at the Research Station on June 9 with the program by the Agriculture committee. Members are asked to wear jewelry made of garden material.

Syd McBryde and daughter Lynda of Oliver were Sunday guests of the Alex Inch family.

Miss Louise Shannon, daughter of Mr. and Mrs. Lloyd Shannon who recently graduated from Royal Columbian Hospital New Westminster, was in the top eight in Medical Nursing.

Mrs. Wilma Hutton of Nelson spent last weekend with her mother Mrs. H. J. Mott.

Mr. and Mrs. W. Rothwell spent the holiday weekend in the Kamloops area.

B. C. PRESIDENT VISITS REBEKAHS

On Wednesday, May 8, Mrs. W. I. Betts of Penticton, president of the Rebekah Assembly of B. C., paid her official visit to Faith Rebekah Lodge #32, West Summerland. During the afternoon visits were made to shut-in and sick members of the lodge; she was accompanied by Mrs. L. Nagle of Penticton, and Mrs. Jack Raincock, district deputy president for Faith #32 and Golden Heart Rebekah Lodge #60, Oliver, B. C. At the conclusion of the visits an enjoyable cup of tea was had at the home of Mrs. T. A. Walden. Prior to the 8 o'clock evening meeting, Mrs. J. Dunn, presiding officer of Faith #32, entertained them at dinner.

Guests from Penticton, Oliver, Kelowna, and various other points, along with the members of Faith #32, filled the Odd Fellows hall for a most interesting and happy evening. All officers were in long white formal and presented a musical agenda after which Mrs. Betts was presented with a check for her project, a starter fund for an Odd Fellows Temple; and from the members of Faith #32 a flower bowl and candlestick combination of Georgian copper. The hall was beautifully decorated with spring flowers and candles, Mrs. Betts motif for her year as president.

In her address to the many members and visitors, Mrs. Betts spoke about the many worthwhile projects undertaken by the Independent Order of Odd Fellows and Rebekahs, such as: the United Nations Pilgrimage for Youth, Bursaries of various denominations and types. Visual Eye Research, White Rock Summer Camp for boys and girls who are not fortunate enough to be able to afford a holiday by the sea and the IOOF residence for senior citizens at Newton, B. C. She also mentioned the fine work done by the Transient Sick Committees in the larger centres, Vancouver, New Westminster and Victoria, who are so faithful to in their visits to out-of-town patients. The benefit of regular attendance and loyalty to your own particular lodge was brought to the attention of all in a gracious manner by Mrs. Betts; she brought her address to a close with her fraternal alphabet commending all to the value of friendship, love and truth.

An alfalfa leaf-cutter bee busily at work, filling cells in its soda straw nest. This tiny wild bee is an excellent alfalfa pollinator.

Births at Hospital

Born at the Summerland General Hospital to:

Mr. and Mrs. A. Utterhagen a girl on May 17.

Mr. and Mrs. Lesley Smith, a boy on May 18.

Mr. and Mrs. Ron MacKay, a girl on May 20.

MARRIED IN FRANCE

The RCAF Protestant Chapel at Grosstinguin, France was the scene of the marriage of Dorothy Anne Dunsdon to Charles Gary Wiffen. The principals are both members of the Canadian armed services and are the daughter of Mr. and Mrs. A. R. Dunsdon of West Summerland and the son of Mr. and the late Mrs. Fred Wiffen of Chilliwack. Rev. Thompson of Metz, France officiated.

Given in marriage by Corporal John Cook, the bride chose a floor length Parisian brocade satin gown with a fitted bodice and full skirt. Her shoulder-length veil fell softly from a satin rose headdress. She carried a cascade of pink roses.

Attendant Miss Joan Durton chose a pink cocktail gown with white roses and accessories.

Corporal Bruce Vogel was the groomsman and ushers were LAC Al Sieden and LAC Roy Woodburn.

Following the ceremony about 100 guests gathered in the Airman's Lounge for a reception. The bridal table was centered by a cake made by the bride's aunt, Mrs. George Forester of West Summerland.

Following the banquet, the guests danced to music by the Golden Knights orchestra. For a honeymoon flight to England the bride chose a pale green suit with matching accessories.

They will be living at St. Arnold, Moselle, France.

WCTU ELECTS PROVINCIAL LEADERS

Mrs. H. DeWitt has returned from her trip to Nanaimo, where she attended the 80th Provincial Convention of the "Women's Christian Temperance Union". Provincial officers elected were: president, Mrs. B. R. Barnes, New Westminster; first vice president, Mrs. P. Armstrong, Nanaimo; second vice president, Mrs. R. Boyer, Vancouver; third vice president, Mrs. H. De Witt, West Summerland; fourth vice president, Mrs. J. Johnston, Vancouver; Treasurer, Mrs. W. Sheridan, Vancouver; Corresponding Secretary, Miss G. Fulton, Vancouver.

Anyone wishing to hear a report of the convention, be sure and attend the W. C. T. U. meeting Friday 23 at Mrs. H. Milnes.

GARAGEMEN AT NIGHT SCHOOL

Esso Service Station employees in the Penticton area have returned to school for a series of night classes on automobile servicing.

Three Esso dealers in the area, all graduates of Imperial Oil's Dealer Training School, have volunteered their services as instructors to any Esso employee in the district.

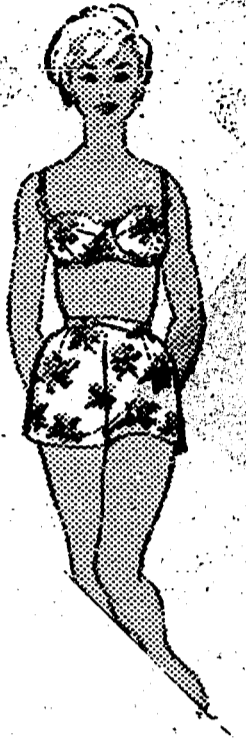

The course is one of 16 being held in various parts of British Columbia as part of a general instruction program for service station employees.

In charge of the Penticton classes are John Cahpin, Penticton Esso Service, Louis Cullis, Peachview Esso Service, and George Clark, Summerland Esso Service.

Employees are receiving training in the principles of selling, car servicing, automobile oils and filters, greases and lubricants, tires and tubes, products for the cooling system, batteries and accessories.

Classes are held one evening a week over a period of eight weeks. Instructors work from a manual specially prepared for the course by Imperial Oil in Vancouver.

SUMMERLAND REVIEW

Conservation Corner

With few exceptions, the visitors at the Victoria Day Trap Shoot, at the Summerland Rod & Gun Club Range, walked off with the prizes. Fifty percent

of the entry fees went to the club, the other half was split 50, 30, 20, for first, second in four separate events.

Winners of the first event, 16 yards were; Leo Bocclair, Oliver; Wally Birham, Orville; Paul Rivard, Vernon. In the second event, doubles, winners were: Ken Blagbourne, Summerland; Victor Moss, Kelowna; B. Urquhart. In the third event, handicap, Wally Birham, Ken Blagbourne, W. Meade.

High over-all for the day were first, Ken Blagbourne; second, Leo Bocclair; third, Victor Moss. The shoot was successful and though volunteers come hard, especially on a holiday and with many members busy in their orchards, an adequate number turned out to help. A sincere thanks to those that the Rod & Gun Club look after its finances.

With pollution being a constant concern to all, there is never the less an accepted feeling that flowing water is the only thing seriously threatened. Actually, soil and atmosphere are often first polluted before affecting water.

Of real interest is a news item of several days ago. A statement by the scientific advisor to President Kennedy of the USA said that pesticide contamination is potentially more dangerous than nuclear fall-out. He gave figures showing that 150 or more people, over half of them children, die each year in the US because of pesticides.

A thought provoking statement, especially those of us who are farmers as well as sportsmen!

by Alf Kohlhauser

Parliament Hill report

David Pugh, M.P.

The 26th Parliament opened in a blaze of glory with all the traditional fanfare. Under a brilliant sun, the crowds greeted the Chief Justice of Canada as he drove to the Main Entrance of the Houses of Parliament escorted by the ever-popular Mounties in full scarlet. The Governor General, who is recuperating from a mild heart attack, was unable to attend. After inspecting the Guard of Honor, the Chief Justice proceeded to the Senate Chamber to read the Speech from the Throne.

As ever, when there is a change of Government, a good deal of speculation ensues as to just how the new Government will fare. From the Opposition point, members wonder whether the finished business of the previous Government will be carried out. I am glad to report that this year's projected legislation will include a National Economic Development Board and an Act on Manpower, as well as changes in the Unemployment Insurance Act, Portable Pensions, and a National Contributory Pension Plan, all of which formed part of the Conservative policy and were cut off by the last election.

From the gossip point of view, the corridors are buzzing over Social Credit troubles which stem from the fact that six of their members shortly after the election, indicated that they would vote along with the Liberals. Their latest trouble is that Dr. Marcoux, the Social Credit Whip, has now resigned because of his views on this subject, and is sitting as an Independent. Mr. Caouette continues to make the odd pronouncement which necessitates Social Credit Leader Thompson to make a rebuttal.

My first visitor came to see me on the first day of Parliament and I was delighted to welcome James McLeod from Princeton, who was in Ottawa as Rotary nominee to the "Adventure in Citizenship." He, along with students from all over Canada, appeared to be enjoying themselves thoroughly seeing Canada's Capital and meeting with many of her leading citizens.

PLAY FESTIVAL

Ten one act plays will be entered in the Provincial Drama Festival to be held in Penticton May 29 to June 1.

Short plays with small casts are coming from places like Cranbrook and Terrace and Fort St. John. Groups of twenty or thirty people will come from Trail, Vernon, Burnaby and Kamloops. Two period plays are entered from Vancouver Island.

There will be scenes from Shakespeare and slightly modified version of a lusty Greek comedy, as well as modern plays.

"The Sandbox" and "Lysistrata," both award winners at the Okanagan Regional Festival will both be seen on opening night Wednesday, May 29. Curtain time will be 7:30 p. m. at the Penticton High School Auditorium.

On Thursday and Friday, May 30 and 31, there will be four plays each evening, and on Saturday, June 1 there will be an Honor Performance.

Adjudicator, Norma Springford of Montreal, will announce the three best plays for the Honor Performance on Friday evening. Awards will be presented after the Honor Performance.

SPORTS DAY RESULTS

Grades 4, 5 and 6 of the MacDonald elementary school held their sports days Friday and Tuesday.

Team winners were Blues, first; Whites, second; Reds, third.

Individual winners were as follows:

Girls events, nine years:
Dash - Barbara Berry, Mary Mead, Shirley Pruden.

Broad jump - Barbara Berry, Mary Mead, Shirley Pruden.

High jump - Barbara Berry, tied for second Carol Gingell, Mary Mead and Sandra Kean; Shirley Pruden.

Boys events, nine years:
Dash - George Downton, Paul Bolton, Kenny Ackles.

Broad jump - Paul Bolton, and Greg Hultgren tied, Dwayne Smith, Larry MacAdam.

High jump - Paul Bolton, Larry MacAdam, Kenny Ackles.

Girls events, ten years:
Dash - Lea Emerson, Kathleen Jones, Margaret Hollar.

Broad jump - Margaret Hollar, Judy Heales, Sandra Ramsay.

High jump - Margaret Hollar, Barbara Brandon, Kathleen Jones all tied for first.

Boys events, ten years:
Dash - Philip Rathjen, Scott Mann, Peter Nan.

Broad jump - Gordon Bennett, Leonard Geres, Bruce McGillivray.

Girls events, eleven years:
Dash - Stephanie Hyde, Pat Morrissey, Lorraine Trussle.

High jump - Colleen Jones, Gwen Gray, Margaret Fell and Nancy Barkwill tied for third.

Broad jump - Gwen Gray, Colleen Jones, Nancy Barkwill.

Boys events, eleven years:
Dash - George Jenner, Alan Barkwill, Howard Stein.

High jump - George Jenner, Ken Bolton and Herbie DeWitt tied for second.

Broad jump - George Jenner, Ken Bolton and Herbie DeWitt tied for second, Ron Taylor.

Girls events, twelve and over:
Dash - Hazel Lynn, Helen Lynn, Karen Holman.

High jump - Helen Lynn, Georgianna Henry, Jane Blagborne.

Broad jump - Judy Clark, Georgianna Henry, Dianne Hultgren.

Boys events, twelve and over:
Dash - Dale Clark, George Anstey, Kenny Pratt.

High jump - Dale Clark, Pat Felker, Bruce Karlstrom.

Broad jump - Dale Clark, Buddy Senger, Bruce Karlstrom.

Girls softball throw, any age: Dianne Hultgren, Kathleen Jones, Lorraine Bennett.

Boys marathon, any age: Peter Nan, George Jenner, Pat Keys.

TRAIL RIDERS

CAMP OVERNIGHT

The Summerland Trail Riders held their annual overnight trail ride on May 19 and 20 with 36 members from Summerland and Penticton riding clubs attending. The Summerland riders left from Reinertsons at 10 am on Sunday, and met the Penticton riders at the Shingle Creek junction for lunch. Chester Reinertson and Lionel Fudge took the chuck wagon and prepared the lunch for the riders.

After a rest, Eric Hybdman from Penticton guided the group over a mountain trail to the Allengrove road. The riders reached their destination at Ray's ranch below the Apex mountain at 5:30 pm, where they were served a hearty dinner.

Alice Bye played the accordion for a singsong around the fire while some of the younger members teased their elders.

All riders were up early the next morning to feed and water their horses, and a pancake breakfast was served at 7:30. Bedrolls were loaded, and the riders left the ranch at 9:30 am and took a scenic route north of Ray's Ranch on their way to the lunch stop. After lunch the group rode through to the south bank of Trout Creek near the Research Station where they parted to return home. The Summerland riders arrived at Reinertson's just before 6 pm, tired and very dusty, but happy with the success of the ride.

Those attending from Summerland were: Trailmaster Roy Bertram, Alice Bye, Beverly Bye, Verla Bye, Bruce Hallquist, Carol Reinertson, Isabel Jeffery, Nancy Fudge, Judy Steele, Mordene Murdoch, Sandra Hubbard, Joann Schafer, John Toews, Bob Chalmers, Pete Lock, Wendy Springer, Charlie and Agatha Letts, Warren Stafford, Chester Reinertson, Lionel Fudge, Bud Bye, and Alan Jenkins reached the ranch by truck.

The Summerland Trail Riders hope to repeat the ride next year with an even larger turnout.

For the International Camporee at Loup Loup, Washington the troop will leave the Youth Centre at 12 noon, Friday, May 24. Parents driving boys should note that to get to Loup Loup, turn right on the road to Twisp (Highway 16) about two miles south of Okanagan, Washington. The site is about 12 miles from the turn-off and will be well marked all the way. All driving is on pavement. Cars on return trip should be at the campsite at 2:00 p. m. Sunday, Daylight Saving Time.

Food is being arranged on a patrol basis and boys must pay the patrol leaders for food before leaving.

Tents, construction material and heavy equipment is going by truck about 11 a. m. on Friday morning. Any personal belongings to go by truck should be left back of the Youth Centre. For boys wishing to leave things in the Youth Centre on the way to school, the back door will be open.

Boys must go down to Loup Loup fully uniformed and with all their belongings on pack boards of pack sacks.

Patrol scores are now: Beavers, 120; Buffaloes, 115; Hawks, 114; and Eagles, 111. There will be no meeting on May 27, but next meeting, June 3. Duty patrol, Hawks.

ART ON DISPLAY

Another Okanagan artist is now holding a display in the Summerland Library. She is Mary Bull of Kelowna. Mary Bull has studied at art schools in Vancouver, London (England), Cape Cod and at the Interior College of Art. Recently the artist has been

painting in Mexico where she also experimented with the interesting craft of batik dyeing. The present exhibition is of her recent works and includes examples of batik. This exhibition opens today, Thursday, May 23, and will continue for two weeks. There is no admission charge.

Red Sox win twice

The Summerland Red Sox behind good pitching, tight defensive work and timely hitting defeated the Oliver Juniors in both ends of a double header on Sunday in Summerland by scores of 3-1 and 9-5.

Jim Sheeley went all the way in the first game, pitching a three hitter and getting 10 strike outs to pick up his second win against no losses. Ken Pushkerniko drove in the winning run with a single in the sixth inning.

George Walton pitched the second game, and after a shaky start, in which Oliver scored four runs, he settled down and pitched air tight ball for the rest of the game only allowing four hits and getting 11 strike outs.

This Sunday's game at Oliver has been cancelled. A double-header will be played at Oliver on June 16.

Line Score:		R	H
Oliver	000 100 0 - 1	3	
S'land	001 002 x - 3	7	
Oliver	400 001 0 - 5	4	
S'land	019 600 x - 9	7

Like many successful orchardists, Smart Bros. Ltd., Collingwood, Ontario find that:-

CYPREX* AND AEROPRILLS* LEAD TO MORE PROFITABLE FRUIT CROPS

Smart Bros. Ltd. of Collingwood, Ontario grow 150 acres of apples and 85 acres of cherries. Here are some comments made by Mr. John Smart.

CYPREX—"We find that Cyprex not only gives effective long-lasting control of cherry yellow leaf but it lets the fruit develop to its maximum size... Cyprex is equally effective for the control of apple scab and what's more, we're convinced that Cyprex gives you a better finish on your apples than with fungicides used previously... We like Cyprex and recommend it highly."

AEROPRILLS—"Aeroprills and potash seems to give the cherry trees what they require to give the cherries optimum growth, colour and firmness of fruit."

Plan now to obtain maximum yields and fruit quality from your 1963 crop with Cyprex and Aeroprills.

Under the Giant's Head

The nine candidates for queen of this year's fall fair will make their first public appearance at a variety concert this Friday in the Secondary School auditorium.

The evening will feature performances by festival award winning pupils of Miss Kay Hamilton and other guest artists. The show starts at 8:00 p. m. and admission is 75¢ for adults and 50¢ for students.

So far this year we've heard no reports of Ogoopogo rearing his head that is until we received the June edition of True. A fellow from York, Pa. wrote True to ask about the "sea monster said to inhabit Lake Okanagan in British Columbia". The answer was "This legendary creature is called Ogoopogo and is associated with Squally Point opposite the present city of Peachland, where the lake is unusually rough. The Ogoopogo story comes from the Indians who knew the animal as N'ha-a-itk. It may be that the huge sturgeon which live in the lake provide the real explanation to the legend."

Anyone seen a sturgeon lately? asks the Review.

Two local businesses will change hands this week.

The West Summerland Frozen Food Lockers, under the ownership of Carl Deitrich for the past four years has been sold. New owner is Mr. John Peachosh who has been living in Penticton for the past three years.

Mr. Peachosh owned grocery and meat stores in Sheridan and Flin Flon Manitoba.

Mr. and Mrs. Deitrich have bought a home in Penticton and plan an extended holiday across Canada.

Also changing hands this week, the Tasee Freez owned and operated by Harvey Pomre will be taken over by Mr and MacKenzie formerly of Alberta who are now living in Summerland.

CHARGED WITH BREAKING, ENTERING

Charges arising from two breaking and entering charges saw sentences handed out to William Jack Selmons of Kelowna and five Westbank and Kelowna juveniles.

Charges resulted from complaints resulted from Melville Ashley of Penticton and Archibald Spencer of Peachland that their cabins, at Glen Lake, which is situated about 10 miles west of Peachland. The cabins had been broken into, the Spence cabin had a door hinge shot off and stores of food stuffs were broken into and used.

Siemens was sentenced with 9 months suspended sentence on the condition he pay 1/6 of the damage, and obey the wishes of the probation officer. Magistrate Reid Johnston sentenced each of the five juveniles to six months probation, each to pay 1/6 of the damage and obey the wishes of the probation officer.

Damage amounted to approximately \$50.

Len Jackson of Prairie Valley reported a dog killed 12 of his chickens on May 28. They were valued at \$85.

Warn dog owners that any animal can be shot on sight if seen molesting livestock.

Power squadron charter night Saturday

Charter night and dance of the Summerland Power Squadron is Saturday, June 1.

Starting with a banquet at 6:30 p. m. in the Yacht Club, noteworthy guests will be Bill Booth from Ontario, vice-commander of the national power squadron, Cece Hurd of Vancouver, vice-commander in charge of national administration, and Frank Holden, district commander from Vancouver.

The Squadron will be granted its charter and individual members will be presented with graduation diplomas. There will be a "change of watch" for officers of Kelowna and Vernon power squadrons and awards will be given to various squadron members.

Summerland Power Squadron is made up of members from Oliver, Penticton, and Summerland. Instruction has been given at the Yacht Club during the winter and spring.

Among instructors have been Dr. Gordon Wilson, Roger Sarserville, Fred Dowell, Archie August, Kelowna; Harvey Edwards Oliver; Clarence Lackey, Dr. Ralph Downing, John Kitson and Dr. Leighton Lopatecki of Summerland.

Council briefs

Works Superintendent Ken Blagborne told council the work on the Crescent Creek conversion ditch is on schedule. When completed the creek will carry water into Summerland's storage area. Blagborne expects water will start to move today. Bulldozing of the two mile ditch has gone well, they have hit any bedrock and the water will move on a good type of hardpan, said the superintendent.

SPRINKLING RULES MUST BE OBSERVED

Sprinkling regulations are imposed, not merely to conserve water but to make efficient use of the water and pressure available, says the council. If everyone uses his sprinklers at the same time, those home owners situated very low or high up can be completely without pressure and thus some control is necessary. Council also pointed out that from 4 p. m. to 9 p. m. are the hours most water is used as people are coming in from work and doing their laws. It was suggested that homeowners where possible, sprinkle either early in the morning or late evening to keep the line load at an even keel.

1963 graduates are: Dorothy Arase, Anges Bangma, Audrey Beggs, Donna Bennett, Judy Betuzzi, Diane Bonthoux, Julie Brown, Dick Butler, Darlene Campbell, Terry Campbell, Karen Clark, Maureen Clifford,

Brian Corson, Larry Dent, Alice Downes, Dick Fitzpatrick, Sharon Geres, Betty Gingell, Marcella Goodland, Norma Hankins, Eileen Hepperle, Sharon Harbicht, Allan Hardie, Barry Hodgson, Philip Holman,

Mona Inaba, Florence Johnson, Micki Jomori, Judy Kaatz, Georgine Kennedy, Rita Keuning, Teresa Keys, Rodney Kilback, Donna Laidlaw, Ann Leiner, Vicki McKee, Anne McLachlan, David Mallett.

David Mead, Ingo Meterhofer, Anthea Morgan, Linda Munro, John Myers, Wes Novak, Anne Ringstad, Linda Rumball, Leon Rumpf, Linda Scott, Darlene Shannon, Lois Smith, Ariel Spencers, Gloria Tilbe, Faith Uchida, Ed Willis, Derek Winter, Everdien Wouters.

Plan highway tourist booth

The Summerland Chamber of Commerce is planning a tourist information booth to be situated on Highway 97. Plans for the booth will be finalized at the regular Chamber meeting to be held Thursday, June 6 at 8 p. m. in the IOOF Hall.

The booth will be built by volunteer labor and the Chamber hope to qualify for a \$200 provincial grant given to any town having a roadside information booth. Cost of the project

will probably be financed over the next three years.

The smart, triangular shaped stand will be situated on Gordon Beggs property beside his regular fruit stand.

Manning of the booth and the general running problems will be worked out at the meeting next week but some tentative plans as to operation are now being made.

Chamber president D. H. Hill, told the Review that since the

weather has been so favorable and indications are for a record tourist influx, immediate action to get the Chamber project underway was necessary if the booth is to be effective this year.

The Chamber have also placed an order for 4,000 brochures, the first of which should be in the mail this weekend. Requests for Summerland information have come in from many towns including Greenwood, Osoyoos, Kelowna, Vernon, Sacamoon, Revelstoke, Banff, Kamloops and other points. The B. C. Tourist Information Booth in Vancouver is slated for 500 brochures, all of which the Chamber feels should give fairly comprehensive coverage to Summerland. As well as these projects, the Chamber, in conjun-

tion with the local Rod and Gun Club is preparing two large signboard maps, one to be placed near the proposed tourist information booth and another will possibly be placed in Peach Orchard Park. Members of the sportsman club are now drawing up the map which will encompass an area from approximately the Trout Creek bridge, following the Okanagan shore to Bear Lake just north of Westbank, and far enough West to take in Teepee Lakes. In all, about a dozen of the major fishing areas will be pinpointed.

As well, the map will show major camping areas, roads and mileage into the fishing areas will be noted for the fisherman's convenience. The government campsites and the Giant's Head Tour, are also included.

GRADUATES HEAR TALK BY FORMER TEACHER

A South Seas theme with palm trees, leis and summer flowers was used in the Secondary School auditorium for the annual commencement exercises last Friday afternoon. Fifty-seven graduates were introduced by vice-principals, Peter Andrews and Ian McQuig and received their diplomas from acting principal, John Tambllyn.

Greetings from school district No. 77 were given by board chairman K. L. Boothe. Reeve Norman Holmes brought best wishes from the municipality.

Guest speaker was K. P. Caple, director for the Canadian Broadcasting Corporation in B. C. From 1928 to 1938 Mr. Caple was principle of the Summerland High School.

While congratulating the graduates, Mr. Caple said that one third of the credit for their having reached this stage should go to the parents, another third to the teachers. He advised graduates to have four years more of study and major energy in one form or another of education, but more important, a philosophy to determine what things are worth doing; to discover a sense of values and resistance to adverse pressures.

Mr. Caple was thanked by W. A. Laidlaw, a former pupil of Mr. Caple.

Anthea Morgan was announced top honor student of the year when she received the Verrier Honor Trophy. She was also one of three winners of the Reach for the Top \$50 prizes. The Verrier Trophy was presented by

a former winner, Preston Mott, who now practises law here.

Florence Johnson was winner of the \$250 Summerland Scholarship was established by the local branch of the UBC Alumni with the support of local citizens and is presented annually to an outstanding student. She also received the Women's Institute Silver Rose Bowl home economics award, a \$50 Reach for the Top prize and a Cranna watch award.

Philip Holman received a Cranna watch award and a \$50 Reach for the Top prize.

The Kiwanis bursary of \$200 was presented to David Leonard Mallett.

Winner of the Summerland Teachers' Association bursary of \$200 was Gloria Tilbe.

Mona Inaba won the Summerland and District Credit Union bursary of \$100.

The Summerland Girl's Service Club and Key Club bursary of \$100 was won by Anne McLachlan.

Winner of the Kinsmen bursary of \$100 was Theresa Keys.

PROCURONOFF RITES

Stephen Procuronoff, Prairie Valley Road, died in Summerland Hospital Monday. He was 69 years of age.

He had been a Summerland resident for the past four years.

Surviving are his wife, Amalia, one son, Sr. Wm. Stephen of Corvallis, Oregon, and four grandchildren.

Funeral services will be announced later.

Museum Group starts work of restoring oldtime photographs

Tuesday night council gave a grant of \$75 to the Summerland Museum Group to start work on the reproduction of old photos.

Mrs. H. C. Whitaker is chairman of the photo committee and already the big job of finding and duplicating the old pictures stored in Summerland attics and now beginning to turn up has begun. Mrs. Whitaker in the time-consuming job are Mrs. F. M. Stewart and Peter Buelah.

At a meeting Monday of this week, the Museum Group, headed by F. E. Atkinson, discussed projects already underway as well as make plans for the future.

Council representative Ritchie was asked to obtain suitable storage space to use in the interim before a permanent building is established.

Mr. Atkinson reported that the municipal council have written to several nearby centers for information on setting up a museum.

Jack Dunsdon is head of the committee for locating material and his assistants are Mrs. George Forster, Mrs. Donald Orr and George Henry. Any person in this community who feel they have worthwhile museum pieces are asked to contact any of this group.

Membership tickets selling for 50¢ have been going like hotcakes. The group hopes to sell several hundred shortly and the money will be used to carry on the work.

Tickets are on sale at the Summerland Review office.

OWN YOUR OWN
HOME

THREE BEDROOM HOME
On lot 120x120, stucco, living room, and dining area, cabinet kitchen, 220 wiring, splendid location. Small down payment and \$40 per month. \$5,900 full price.

WEST SUMMERLAND BRANCH
Business HY4 6916 Residence HY4 2731

Pictured above, Miss Louise Shannon, who graduated with the Royal Columbian nursing class at New Westminster. Her parents Mr. and Mrs. Lloyd Shannon, Darlene and William attended the ceremony. Her grandparents Mr. and Mrs. R. Shannon and Mrs. J. McDonald travelled to the coast to be present. Miss Shannon won the Dr. J. A. Berkeley prize for medical nursing. 52 graduates received their diplomas.

Married in Kamloops

The Sacred Heart Cathedral in Kamloops was the scene of the marriage of Gail Rozanne Genier and Clifford John Shannon of West Summerland. The principals are the daughter of Mr. and Mrs. A. Genier of Barrier and the son of Mr. and Mrs. Howard Shannon of West Summerland.

The service was held on May 18 at 11:30 a. m. with Father Flannery officiating.

The bride entered the church on the arm of her father. She chose a smartly tailored beige knit suit with matching accessories. Her corsage was of yellow roses.

Bridal attendant, Miss Gail Scott, chose a similarly styled suit in turquoise with white accessories. Her corsage was of white roses.

Martin Shannon of West Summerland was best man.

Following the ceremony, the guests gathered at the Highlander Cafe in Kamloops.

For receiving the guests, the bride's mother chose a blue knit suit accented with a white carnation corsage. The groom's mother chose a pink linen sheath with white accessories and

a white carnation corsage. Out-of-town guests were Mr. and Mrs. Howard Shannon, Wayne, Martin, and Marlene Shannon, Mr. and Mrs. Lloyd Shannon and Mrs. Leonard Shannon, all of West Summerland and Mr. and Mrs. D. Turigan, of Merritt.

The young couple will make their home in Barrier.

ALDA ANDREUCCI FETED

Miss Alda Andreucci was honored at a bridal shower on May 18 at the home of Mrs. B. Falzi. Co-hostesses were Mrs. Falzi and Marla Andreucci.

Guests included Mrs. E. Leardo, Mrs. A. Leardo, Mrs. A. Andreucci, Miss Lidia Appigli, Mrs. P. Torelli, Miss Natalie Torelli, Mrs. V. Bravi, Mrs. J. Biagioni, Mrs. R. Lenzi, Miss Agnes Boni, Mrs. Edith Scott, Mrs. N. Andreucci, Mrs. J. Vergamini, Mrs. L. Vergamini, Mrs. P. Lenzi, Mrs. B. Richard, Mrs. T. Minardi, Miss Charlene Galvesin, Mrs. Edemi, Mrs. Becheili, Miss Lina Wilson, Mrs. Derosier, Mrs. C. Appigli.

Sending gifts but unable to be present were: Miss Maria Vergamini, Mrs. Boni, Miss Angilina Guidi, Elvira Bartelomeoli, Mrs. J. Bettuzzi, Miss Judy Bettuzzi, Miss Marilynne Christante, Miss Evoynne Biagioni, Rosi Biagioni, Alda Roccleseoli, Suzy Blewett.

Mr. and Mrs. Fred Schumann Mrs. George Inglis motored to Kamloops last week. They brought Mr. and Mrs. A. J. Vickers of Saltcoats, Saskatchewan. They will be visiting at the Inglis home for the next month. Mrs. Vickers is a sister of Mrs. Inglis.

Mrs. Mabel Mattice of New Westminster, a sister of Fred Schumann, visited a few days last week at the Schumann home.

Murray MacArthur, who has been taking an art course in Calgary, is home for a visit with his parents, Dr. and Mrs. J. M. MacArthur, on his way to Victoria where he will spend the summer.

Frank Davis of Vancouver visited his sister Mrs. George Wardle and family over the weekend.

Miss Edith Verity, Mrs. F. Gibbs and Mrs. G. Rasmussen and Mrs. Edward Joys spent a few days in Vancouver.

Thank you

Chamber needs help

The Summerland Chamber of Commerce is off on the right foot this year in its tourist promotion campaign.

With the establishment of a tourist booth on Highway 97, much worthwhile information can be given to the traveling public, good relations established and even more important, some of the tourist tide can be turned our way, this is what and need. Tourist dollars are very important to the economy and growth of small B. C. municipalities.

The Chamber needs financial backing for its work and this will have to come from the business and professional men of the community as well as those who are sufficiently interested in the growth of Summerland to lay a \$5 Chamber of Commerce membership fee on the line.

It's time to wake up and smell the coffee. The communities that are benefiting from the influence of outside money are those same communities with citizens willing to put up a few dollars to get the thing rolling.

It has been suggested to us that a levy of \$1 per month, amounting to \$12, be made against each business and professional person who make their living in West Summerland and district. This seems to be a sensible idea and perhaps could be discussed further at the regular meeting of the Chamber next Thursday. Everyone who has an interest in furthering the tourist work of the Chamber should turn out.

As the community grows so does our business.

An agricultural college freshman claims he was quite close to the right answers on his last exams—just two seats away.

A little tot, with his parents in church for the first time, watched the ushers pass the collection plate. When they approached the pew this tike piped up, "Don't pay for me, Daddy, I'm under five."

Worth looking into

Throughout this wide Dominion, since the take-over of reins of power by the Liberals, there has already been a "warming up", or, perhaps more correctly, a thaw after a long deep-freeze, as the actions and intents of the Pearson government become known.

This feeling has spread not only through Canada, but has been noted - so reports a number of leading U. S. periodicals - in the US and in Great Britain as well. If the intentions and actions of the new government are carried out, as we earnestly hope they will, then Canada can look forward to a far better economic situation than it has for some time.

Not the least of such items, for the local taxpayer and more particularly the often harassed member of a municipal council, is the announcement of the Municipal Development Fund. As the two minority groups - the Social Credit and NDP as well as the Liberals - had advocated this, there seems every likelihood the fund will come into being before too long.

In effect, this will be a "credit card" for the community. It will enable village, town, municipality or city to enjoy the things they want and need, paying for them (in part only) over a long term at lower interest than is now available to them. This is good, for it will enhance the general well-being of each resident, without too great hardship or a raise in taxes. If used with discretion, it can be the greatest single boon the city-governments have had in many a long day.

What's needed is planning - planning and co-ordination not only by the elected council, but also by other appointed and elected groups; such as the Chamber of Commerce, which includes the industrial business thinking of the community; by the retailers, to get the merchantile view. Also, all sports groups - yacht club, fish and game group, or other athletic organizations should be asked to plan.

It is suggested that all groups in this community take heed of the possibilities of the proposed new legislation. Then see where they fit into the picture, and commence planning from there.

In this way the intent of the new Municipal Development Fund will attain its objective - that of making each and every Canadian community a better, brighter, more beautiful - and more useful - place in which to live.

Be filled with the Spirit

by Rev. D.M. Rathjen

Be not drunk with wine, wherein is excess; but be filled with the Spirit. Eph. 5:18

"Filled with the Holy Spirit" are the words used by the sacred writer (Acts 2:4) to describe the experience of the hundred and twenty (Acts 1:15) gathered for prayer in the upper room at Jerusalem (Acts 1:13-14) when the Day of Pentecost was fully come (Acts 2:1)

This was the fulfillment of Christ's words to His disciples, (Luke 24:49), "I will send the promise of my Father upon you." They were "baptized with the Holy Ghost" (Acts 1:5) as He said they would be. This was the endowment with power for which they were told to wait (Luke 24:49 & Acts 1:8). The transformation in their lives was tremendous.

The following chapters of the Book of Acts reveal the results of their Spirit-filled lives.

"Filled with the Spirit" was the experience of Paul, the great Apostle (Acts 9:17), and multitudes since that day have known the power of the Spirit in their lives and become effective witnesses for God. God still gives the Holy Spirit to them that ask Him, (Luke 11:13).

Peter's message in Acts 2:38 is, "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the

gift of the Holy Ghost (Spirit). For the promise is unto you and to your children and to all that are afar off, even as many as the Lord our God shall call".

by Kay Dunsdon

This week we would like to mention a new best-seller "The Guns of August" by Barbara W. Tuchman. In this book, Mrs. Tuchman has drawn together all the reasons, political and military, of how the Great War of 1914 - 18 began. This is a fine well-written volume of history, and the military battles and maneuvers are easily understood. The author has worked for the Institute of Pacific Relations and reported the Spanish Civil War from Madrid. Her love and interest in history has given us a fine book.

"Henry's War" is a light, amusing tale by Jeremy Brooks of Henry the Pacifist, who does not really want to join the marchers, but is forced to by his high-minded fiancée, Veronica. Finally he rebels and returns to his own peaceful spot in Wales with his own true love, Albertine.

Now that Spring Cleaning time is here, possibly some long over-due library books have come to light. Please return them - there is a slot in the back of the library to return these books.

WEDDING MEMORIES

Weddings are wonderful. They're also confusing. Ask any bride and groom and you'll find that their reports of what happened cast some doubt on whether they attended the same wedding.

The pictures ordinarily taken by a professional photographer dispel some of the confusion. Unfortunately, not even the most professional professional can be in two places at once. Inevitably some priceless wedding day scenes will be missed.

That's one good reason why informal pictures taken by relatives and friends of the bride and groom can have such lasting appeal. But a word to the wise; if a professional photographer has been asked to take a series of photographs during the wedding ceremony and reception, he should have first priority when it comes to shooting the highlights of the occasion.

An experienced wedding photographer realizes the importance of timing his picture-taking in order to create the least possible delay in activities. Hence amateur photographers are well advised to give the professional every opportunity to take the pictures for the bride's album.

But it's a simple matter for guests to take pictures in such a way that it won't conflict with any other photography the couple may

have arranged. With all the excitement and beauty of a wedding, especially if the reception is being held out of doors, there is plenty of opportunity for amateur cameras.

To record the wedding story, it is a good idea to station yourself outside the church to picture the guests and the wedding party as they arrive for the ceremony. If it is permissible to take pictures of the wedding ceremony inside the church, by all means do so but be sure to use discretion with regard to flash bulbs.

Outside the church and as the newlyweds depart for the reception, there will be plenty of opportunity to catch the happy expressions. If children have been invited, be sure to give them special attention. In the excitement of the occasion, they are bound to provide some wonderful picture opportunities which should not be overlooked.

Friends congratulating the bride and groom, guests renewing acquaintanceships, cutting the cake, the toast to the bride and the bridegroom replying to the toast, the wedding gifts attractively displayed; all offer wonderful picture opportunities.

And be sure to save lots of film to catch the bride and groom "going away" amid showers of confetti or rose petals.

Not by bread alone...

Little Yuen Fong, 10, has lived with her family all her life on this pitiful, crowded boat in the Hong Kong area. This is the fate of thousands, some of whom actually never set foot on dry land. Now there is a ray of hope that bright, intelligent Yuen Fong will get the education that will permit her to escape this life when she is grown, for she is one of 12 children in the Far East and Europe who have been financially "adopted" through Foster Parents' Plan, Montreal, by hundreds of citizens of Kingston, Ontario, who contribute to their support through the CKWS Happy Show Club. Recently it became known that Yuen Fong longed to play the organ in a crude chapel on a nearby boat and the Kingston people were quick to raise extra money needed to give her regular lessons. You too, as an individual or as a member of a group, can help to fulfill the physical and emotional needs of a child overseas, and correspond with them regularly. Write: Foster Parents' Plan, Box 65, Station B, Montreal.

Dr. Phyllis G. Ross, C. B. E. will confer degrees on the largest graduating class in the history of the University of British Columbia on May 30 and 31. Nearly 1500 graduates will be presented to Chancellor Ross at the ceremonies in the U. B. C. armory.

West Summerland students to graduate are Arlene Grace Embree, Bachelor of Home Economics, and John Blanchard, Williams, Bachelor of Science in Agriculture.

DISPLAYS PAINTINGS

A show of paintings and batik by Mary Bull of Kelowna is now on display at the Summerland library.

The influence of years spent studying in Mexico is felt in her clear, sunny colors. Miss Bull has also studied in England and has done some lovely, inspired works while there.

This modern and abstract show is a pleasant and light change for Summerland art viewers.

CHURCH WOMEN HEAR TALK ON HI C GROUP

The quarterly meeting of the United Church Women was held in the Summerland United Church Hall, Monday, May 27, under the leadership of Mrs. J. W. Willcox. Mrs. S. A. MacDonald conducted the worship service, opening with the singing of "O, For A Thousand Tongues" and a prayer by Mrs. J. Clark. The theme of Mrs. MacDonald's talk was on the available Power of God in the Christian life. The singing of Psalm 100 closed this part of the service.

Miss Pat McCutcheon gave a lively and interesting report on the activities of the Hi C group at its recent rally held at Naramata, outlining the program which took in the serious forces necessary for a full and fruitful life and also included enough of the lighter side of life needed to give a good balance to every life. Ron Reinertson thanked the ladies for their financial support which helped the young people to enjoy this rally. Closing the present term, their leaders of the Hi C group are Mr. and Mrs. David Munn. They are entertaining the members at their home with a pancake breakfast next Sunday morning after which they will attend the church service at 11 a. m.

Mrs. Willcox introduced Steve Canning as guest for the program of the evening, urging those present to respond to the message of the moving appeal in the film strip to be shown by Mr. Canning. This film was an authentic story of people, fleeing Communism, and their difficult assimilation into the life of the already overcrowded city of Hong Kong. "The Man on the Doorstep", subject of the story, was without money, suffering undernourishment and consequent ill health and faced with the real loneliness of a great city. His one hope, the mere address on a slip of paper of one who had fled some time previously from the same province as he had just left, finally with much searching brought him to the of a Christian family who took

him in despite the great limitations of their small home, shared by three generations. He was able to supply scant information about relatives of the family and friends from whom they had been completely cut off for years. It was a moving story and a challenge to anyone seeing it to open their hearts to those who are undergoing so many hardships.

Mrs. Gordon Smith thanked Mr. Canning for his kindness in showing the film and the meeting proceeded with the calling of the roll. There was a good attendance and two visitors were welcomed.

Members were urged to look at the pictures of the two children adopted for a year, one in Korea and the other in Hong Kong, by the local group of United Church Women. It is being contemplated that they may adopt another child in this manner to be supported by means of a special offering.

On Thursday of this week parcels of clothing and Xmas gifts will be packed for shipment to Wrinch Memorial Hospital, New Hazelton. There were donations from all units and Trout Creek Unit had on display some of the children's clothing and quilts they had made for this project. Miss Mary Scott, as convener of supplies, is arranging for disposition and also for packing and sending of clothes for Korea and other overseas destinations.

An interesting report from Mrs. McWilliams, president of Okanagan - Kamloops Presbyterian of the United Church on the rally held recently was read by Mrs. R. Chalmers. This rally was held here in Summerland and was well attended and was a much enjoyed fellowship with great emphasis placed on the subject of Bible reading and its effects in the life of women in the many roles they play in the home and the community.

The meeting closed and a social hour was enjoyed, Friendship Unit serving refreshments.

SERVICES FOR MRS. M. E. RAHAM

Mrs. Mary Elizabeth Raham, formerly of Summerland, passed away in Penticton Hospital on Wednesday, May 8 in her 95th year.

Mrs. Raham was born in Ontario and came here six years ago from Elk Point, Alberta.

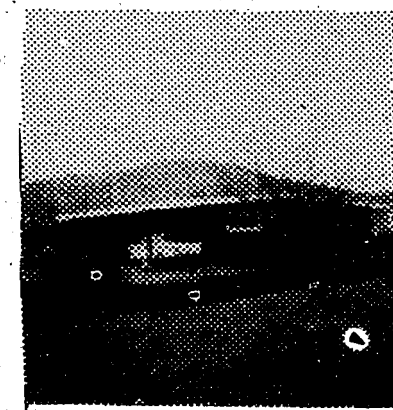

She is survived by three sons and two daughters: Arthur Trevor of Greenfield Park, Quebec; Alfred Orr of Edmonton; Charles Melvern of West Summerland; Mrs. Vera Scanlon of Victoria; Mrs. J. E. (Verna) Conger of Overbrook, Kansas; 14 grandchildren and 16 great-grandchildren and a half-brother, John Love of Toronto.

She was predeceased by her husband, Arthur George, in 1955 at Elk Point, Alberta.

Remains were forwarded to Elk Point for burial.

At a Sunday service at the Trout Creek Church of God, tribute was paid to the memory of the late Mrs. Raham by the pastor and the Sunday School superintendent.

Dollar for dollar, university education pays off, survey shows

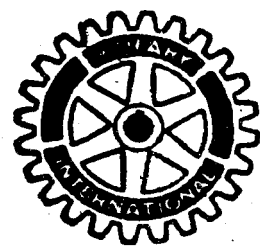

Canadian parents often wonder about the value of higher education in relation to their own children's careers. Sometimes it's hard to see that, to top of the personal advantage university training can provide, the more education a youngster has, the more his is going to earn eventually and the better he will be able to provide for his own children in the years ahead.

One study on the subject which came across the desk of Mr. Jock Johnston, manager of the Summerland branch of the Bank of Montreal, recently was prepared by government fact-finding, and it brought out the story quite clearly.

Of 1,000 Canadians earning salaries of more than \$6,000, selected at random in the survey, five had had four years schooling or less; 14 didn't go beyond public school; 80 completed high school; 291 went to college; and 610 studied beyond a minimum college degree.

If you're thinking about your child's future, you will be interested in a booklet Mr. Johnston has on financing a college education. It's called "University Education Programme" and it is available on request, without charge, of course.

If you'd like to see a copy, ask Mr. Johnston for it at the B of M in Summerland. It makes interesting reading and it may help you guarantee your child's college education with this life-insured programme.

Kiwanis Club Notes

The Kiwanis Club was entertained by its younger brother, The Key Club of Summerland, on Tuesday night, and a total of 45 persons sat down to a very delicious steak dinner. The event

of the Key Club; and outgoing president, Bruce Hallquist, handed over the gavel to the new president, Ken Smith.

To keep events in order, Bruce called the meeting to order and "Grace" was said by George Henry. Seconds later, silence reigned as most people struggled with a steak larger than the plates would hold. A good job of work was done by all, however, and then Archie McGillivray and G. Hauschild led the group in a Sing-song.

Bruce Hallquist introduced the head table and other guests.

After giving his report for the past year, which sounded to this writer as if it were a most successful year, Doug Campbell conducted the installation of the new officers, Ken Smith, president; Billy Wilson, vice president; Archie McGillivray, secretary and Harold Nicholson, treasurer. The gavel was thereupon handed over to Ken Smith as the incoming president.

A very nice gesture was the presenting to Ed McGillivray and Blake Brandon of a small gift for their interest and support given to the Key Club during the past year.

Billy Wilson introduced the guest speaker of the evening, Emery Scott, Chief Forest Ranger for the District, who showed slides and spoke generally on conservation and protection of both people and our forests. All in all it was a very successful evening and congratulations go to the boys, who are doing a wonderful job.

"I'm no expert, so I'm glad that I can rely on my Mutual Life policies."

If you're like most people, you buy life insurance for family protection. But your policies are sound investments as well, when they're the "cash value" Mutual Life policyholders enjoy unsurpassed dividends plus healthy increases in the guaranteed values of their policies. Check the advantages of the Mutual way to guaranteed savings and protection. Call the man from Mutual Life, today.

ART SHOW JUNE 8

The Summerland Art Club is busy preparing for its annual show to be held in the IOOF Hall on Saturday, June 8, the show will be open from 2 p. m. to 9 p. m.

It is nine years since the first artistic showing - which was the idea of the Women's Institute - and since then a display has been held each year and competent critics have said the work shows steady improvement.

The Art Club hopes this year's display again will show interesting development.

As several members of the Art Club attended Mr. Borsos' night school course, the exhibition will include work done under his versatile tutition.

It is expected that there will be about 100 entries from the Art Club, these will be in various media: oils, water colour, gouache, inks, clay and batik.

Every visitor to the show is invited to vote for his favorite picture.

Besides the work of the Art Club being on display, several established artists are being asked if they will exhibit.

Admission to the show is 35¢ which includes tea - students will be admitted free.

Conservation Corner

by Alf Kohlhauser

Ontario's Game & Fisheries Act now provides for a maximum fine of \$1,000 or six months in jail, OR BOTH, for discharging or handling a firearm "without due care and attention . . . for people and property." This may sound harsh, but it will be welcomed not only by people that live and work in farmland areas that are hunted but also by conscientious gunners and riflemen who were themselves becoming wary of going afield. It is portentous of what the careless and the hasty may expect in B. C.

Also in Ontario, compensation may be claimed from the

Agricultural Ministry for livestock or property damage or loss due to hunters or shooters and the Ministry may charge those responsible.

A compensation fund, which would be part of the hunting licence fee, was studied for BC but was deemed unworkable. In most instances of hunter slain stock or property damage in BC, the discovery is made long after the guilty party had fled, far and fast.

This alone is no argument for not compensating someone's loss or damage. What is, is the clear evidence that the arrangement would be abused. A great amount of the livestock in BC is ranged in remote, unpopulated areas. When the remains or a carcass is found, particularly in the autumn, the cry is, hunters! That this is not always, in fact, not usually the case, is pointed out by a recent incident. A rancher found one of his bees dead with a wound in its side. He hot-footed it to the local constabulary yelling murder. Subsequent investigation showed that the animal had fallen on a steep slope; rolled over a dead snag which punctured its side, killing it. How often is "made?" Not too often it seems.

Can you imagine how many bogus claims would be made if we could claim compensation from the Superintendent of Motor Vehicles for dents in our autos that someone left us with at the super-mart or parked near the pub. Everytime we dinged a fender in our own garage it would be tempting to claim for it as damaged by persons unknown. That is why BC has steered clear of the hunter damage compensation scheme.

Conscientious hunters and shooters carry liability insurance coverage, which protects them as well as someone they may inadvertently harm or cause loss to. Such coverage is available with membership in the Summerland Rod & Gun Club. A true sportsman recognizes this as one of his first responsibilities.

Fishing News

by Bert Berry

Okanagan Lake - very good reports of fishing this last week. Roy Gilbert had a nice catch of a 6 1/2, 4 1/2 and 3 1/2 pounds last Saturday. G. Pennington, on Sunday so we can look forward to good fishing here from on. Kokanee also biting good, and some large catches of these fish reported.

Fish Lake Camp - open, road good and good catches made both on Fish Lake and the Upper lakes.

Penask Lake - road open and cars getting through but caution should be used on last three miles in. Lots of fish and in nice shape.

Headwaters Camp - no reports if the camp facilities are operating but lakes all open and fish being caught, in fact, nice ones reported. Road good.

Hatheume Resort - no reports from here. I haven't heard if Mr. Redstone has opened the camp but presume he has.

Silver Lake - open and fishing O.K. and road fair.

Augur Lake - road rough but some nice fish coming out. Very moody but wonderful if you hit it right.

Bear Lake - no reports but presume it must be open and operating.

Oyama Lake - very nice catches weight up to 3 1/2 pounds.

Generally fishermen can go to any of the mountain lakes now; and get there; and have good fishing. All the lake around Kelowna, Vernon and north are open and having good fishing.

BASEBALL SUNDAY

A battle for first place in the Okanagan Junior Baseball League will take place in Summerland on Sunday when the Kamloops Juniors will be visiting here. The Red Sox will meet the northern team in a double header starting at 1:30 p. m. in the Memorial Park.

Jim Sheeley will be on the mound for the Red Sox in the first game, with George Walton starting off the second game.

Like many successful orchardists, Smart Bros. Ltd., Collingwood, Ontario find that:

CYPREX* AND AEROPRILLS* LEAD TO MORE PROFITABLE FRUIT CROPS

Smart Bros. Ltd. of Collingwood, Ontario grow 150 acres of apples and 35 acres of cherries. Here are some comments made by Mr. John Smart.

CYPREX—"We find that Cyprex not only gives effective long-lasting control of cherry yellow leaf but it lets the fruit develop to its maximum size . . . Cyprex is equally effective for the control of apple scab and what's more, we're convinced that Cyprex gives you a better *sauze* on your apples than with fungicides used previously . . . We like Cyprex and recommend it highly."

AEROPRILLS—"Aeropriils and potash seems to give the cherry trees what they require to give the cherries optimum growth, colour and firmness of fruit."

Plan now to obtain maximum yields and fruit quality from your 1963 crop with Cyprex and Aeropriils.
